(a) Any person or state or any political subdivision thereof engaged in, or preparing to engage in, the manufacture, transportation or storage of any product to be used in the preparation of the United States or of any of the states for defense or for war or in the prosecution of war by the United States or the manufacture, transportation, distribution or storage of gas, oil, coal, electricity or water, or any of said natural or artificial persons operating any public utility, whose property, except where it fronts on water or where there are entrances for railway cars, vehicles, persons or things, is surrounded by a fence or wall, or a fence or wall and buildings, may post around his or its property at each gate, entrance, dock or railway entrance and every 100 feet of water front a sign reading "No Entry Without Permission."

(b) Whoever without permission shall wilfully enter upon premises so posted shall be punished by a fine of not more than \$50, or by imprisonment in the county jail for not more than 30 days, or by both such fine and imprisonment.

(2) and such employe in case of arrest shall forthwith turn him over to a peace officer.

(4) CLOSING AND RESTRICTING USE OF HIGHWAY. (a) Any person, municipal corporation, or state or any political subdivision thereof engaged in or preparing to engage in the manufacture, transportation or storage of any product to be used in the preparation of the United States or any of the states for defense or for war or in prosecution of war by the United States, or in the manufacture, transportation, distribution or storage of gas, oil, coal, electricity or water, or any of said natural or artificial persons operating any public utility, who has property so used which he or it believes will be endangered if public use and travel is not restricted or prohibited on one or more highways or parts thereof upon which such property abuts, may petition the highway commissioners of any city, village, town or county to close one or more of said highways or parts thereof to public use and travel or to restrict by order the use and travel upon one or more of said highways or parts thereof.

(b) Upon receipt of such petition, the highway commissioners shall set a day for hearing and give notice thereof by publication in a newspaper having general circulation in the city, village, town or county in which such property is located, such notice to be at least 7 days prior to the date set for hearing. If after hearing the highway commissioners determine that the public safety and the safety of the property of the petitioner

The order of such highway commissioners closing or restricting the use of one or more of said highways shall be effective only so long as the public safety and the safety of the property of the petitioner may require. Such order shall be vacated by the highway commissioners when the necessity which prompted it has ceased to exist. Should additional evidence be deemed necessary by the state highway commission, at least 7 days' notice of any hearing for that purpose shall be given the person bringing the petition for review and the clerk of the local highway commissioners.

(c) Appropriate notices in letters at least 3 inches high shall be posted conspicuously at each end of any highway so closed or restricted by such order. The highway commissioners may at any time revoke or modify any order so made.

No person shall be licensed under this section unless he is a citizen of the United States and shall have resided in this state continuously for one year immediately preceding, but this shall not apply to the state manager of any private detective agency whose headquarters are outside of the state, when such agency shall satisfy the secretary of state of the necessity for employing a nonresident as state manager.

(2) The term "private detective" shall include among others those persons known as inside shop operatives, that is, persons who do not undertake direct employment whether in shops or otherwise with the owner of a place of employment, but who are engaged by some independent agency to operate or work in such place of employment, and to render reports of activities in such place of employment, to such independent agency, or to the owners of the place of employment under the direction of such independent agency.

(3) The provisions of this section shall apply to copartnerships and corporations, and to the agents, servants and employes of any copartnership or corporation or person. Every person, whether acting as a private detective, private police or private guard in his individual capacity, or as the agent, servant or employe of another, shall take out the license provided in subsection (5) hereof. All such approvals shall be in writing and shall be acknowledged before an officer authorized by law to take acknowledgments. Such application shall state the age, residence, present and previous occupation of such applicant, and the name of the city, and particular location in such city, where the place of business is to be located, and such further facts as will show the good character, competency and integrity of the applicant. The fire and police commission in those cities where there is a fire and police commission, and the chief of police in cities where there is no fire and police commission, shall have the right to conduct hearings and make inquiry into the character, competency and integrity of such applicant before approving any application, and may compel, by appropriate notice and subpoena, any person or persons to be present at such hearings, and to give testimony under oath, said oath to be administered by any person authorized to administer oaths in the state of Wisconsin. In the event that any person so subpoenaed shall fail to comply with such subpoena, the said fire and police commission, or chief of police, may certify the matter to the circuit court of the county wherein such hearing is held for disposition or punishment by said circuit court.

(5) The secretary of state, after the application has been approved as provided in subsection (4), when satisfied from an examination of such application and such further inquiry and investigation as he shall deem proper, of the good character, competency and integrity of such applicant, shall issue and deliver to the applicant a license, upon payment to the state of a license fee of two hundred dollars, in the event that the applicant conducts the business as principal owner, and two dollars in the event the applicant is an agent, servant or employe of a principal.

(6) Such license shall not be issued by the secretary of state unless there is executed, delivered and filed in his office a bond in the sum of \$10,000 by such applicant if a principal owner, and \$2,000 if an agent, servant or employe, furnished by a surety company authorized to do business in this state, conditioned that the surety will pay all damages that may be recovered against such applicant by any person who has been damaged by reason of such licensee acting as a private detective, private police, or private guard, or by reason of the acts or conduct of any of his agents, servants or associates. Any action to recover damages may be brought directly against such licensee, and his surety in a joint or several manner, and any judgment obtained shall jointly and severally bind such licensee and his surety. No license shall be issued for a longer period than one year, and shall be subject to revocation as provided in this section.

(7) If at any time a petition shall be presented to the secretary of state, signed by six residents requesting the revocation of a license issued under this section, the secretary of state shall conduct a hearing, and upon a proper showing being made shall revoke such license. Whenever any judgment is recovered and docketed against such licensee for malfeasance, or against its sureties, the secretary of state shall, upon application of any person, accompanied by a certified copy of such judgment, revoke the license of such licensee.

(9) No person, firm or corporation to whom a license has been issued under this section shall maintain any office as a detective or a detective agency in any city other than that designated in the license.

(10) Any person, firm or corporation, who shall act as a private detective, private police, or private guard, and any person who shall solicit or perform services in this state as a private detective, private police, or private guard, without having procured the license and filed the bond required by this section, or who shall violate any of the provisions of this section, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall
