607.02 Scope of operation. (1) TYPES OF POLICIES PERMITTED. Subject to sub. (2), the life fund may issue to any resident of the state any kind of life insurance with any riders or endorsements thereto that the commissioner would approve for issuance by private insurers authorized to do a life insurance business in this state. Coverages may be combined and granted in the same policy by the life fund to the same extent as by a private life insurer.

(2) LIMITS ON POLICIES FROM FUND. No policies may be issued on any one risk exceeding \$10,000 for residents of this state.

History: 1973 c. 117.

607.03 Nature of fund. Unless expressly provided otherwise, the life fund is subject as an insurer to chs. 600 to 646, except for chs. 610 to 618, 645 and 646, and is subject to all other laws applicable to insurers issuing life insurance, specifically including article IV of the soldiers' and sailors' civil relief act of 1940 (P.L. 861-76th congress) and amendments thereto or reenactments thereof. Any policy entitled to benefits under that act shall be deemed amended to conform thereto. This subsection shall remain in force concurrently with that act of congress and amendments thereto or reenactments thereof.

History: 1973 c. 117; 1979 c. 89 s. 543.

607.04 Solicitation. The life fund may not employ agents or solicitors and may not pay commissions for the procuring of insurance applications.

History: 1973 c. 117.

607.07 Examination and underwriting. (1) MEDICAL EXAMINATIONS. No medical examination need be required on an application for an annuity. The manager may provide for the issuance of small life insurance policies without medical examination in accordance with usual

practices in the life insurance business. Otherwise life insurance shall be granted only after a medical examination made at the direction of the department of health and social services.

(2) UNDERWRITING APPROVAL. The manager or the manager's designee shall pass upon all applications for insurance. If the application is accepted, the premium shall be paid into the life fund and a policy shall be issued, signed by the manager, promising payment out of the life fund without further liability on the part of the state.

History: 1973 c. 117; 1975 c. 39 s. 732 (2); 1979 c. 102 s. 236 (19).

607.15 Surplus distribution. The net profits of the life fund shall be distributed annually among the policyholders, except that so far as is practicably possible, the ratio of surplus to assets shall be kept between 7% and 10%.

History: 1973 c. 117.

607.21 Payments from life fund. In addition to the payments under s. 604.04 (3), and the payments which become due under its policies, the life fund shall pay:

(1) A fee, to be determined by the manager, to the medical examiner for each medical examination made under s. 607.07 (1);

(2) The actual expense of inspection reports;

(3) The actual expense of adjustment of any loss or the defense or prosecution of any action; and
