INHERITANCE TAX

72.11 Subjects liable. (1) RESIDENTS AND NONRESIDENTS. A tax is imposed upon any transfer of property to any distributee in the following cases:

(a) When the transfer is from a person who dies while a resident of this state.

(b) When the transfer is of property within the jurisdiction of this state and the decedent was not a resident of this state at the time of his death.

(2) EXCEPTION; RECIPROCITY AS TO NONRESIDENT DECEDENTS. A transfer, which is made taxable under this subchapter and is of a nonresident decedent's intangible personal property is not subject to the tax imposed by this subchapter if a like exemption is allowed at the time of the death of the decedent by the laws of the state, territory or district of the decedent's residence in favor of residents of this state. This subsection does not apply unless a tax is imposed on the transfer of the decedent's property by the laws of the state, territory or district of the decedent's residence.

72.12 Transfers liable. A tax is imposed upon any transfer to any distributee in the following cases:

(1) TRANSFER BY WILL. When the transfer is by a will.

(2) TRANSFER UNDER INTESTATE LAWS. When the transfer is under the intestate laws of this state or of any other jurisdiction.

(3) TRANSFER OF ALLOWANCES TO FAMILY. When the transfer is made under subch. II of ch. 861, to the extent not subject to income tax.

(4) TRANSFER IN CONTEMPLATION OF DEATH OR TO TAKE EFFECT AFTER DEATH. (a) *Transfer in contemplation of death.* When the transfer is made in contemplation of the death of the transferor. Every transfer of property composing a material part of the transferor's estate, made within 2 years prior to the death of the transferor or in the nature of a final disposition or distribution, and without adequate and full consideration in money or money's worth, shall be deemed made in contemplation of death within the meaning of this subchapter, unless shown to the contrary.

(b) *Transfer to take effect after death.* When a transfer is made without adequate and full consideration in money or money's worth and is intended to take effect in possession or enjoy-

ment at or after the death of the transferor, including any transfer where the transferor has retained for his life or for any period not ending before his death:

1. The possession or enjoyment of, or the right to the income from, or to economic benefit from, the property; or

2. The right, either alone or in conjunction with any person, to alter, amend, revoke or terminate the transfer or to designate the beneficiary who shall possess or enjoy the property, or the income, or economic benefit from it.

(c) *Death benefits.* 1. Benefits paid to a beneficiary under an employe benefit plan are taxable under this subchapter except to the extent that the proportionate share resulting from the employer's contribution would be excludable from the gross estate of the decedent under section 2039 of the 1954 internal revenue code as amended to December 31, 1983. This subsection applies whether or not there is a requirement for filing a federal estate tax return.

2. No tax is imposed by this chapter upon the transfer of benefits or any right or interest in benefits payable to a decedent's estate or distributee under:

a. Any employe retirement plan of the United States, state of Wisconsin or Wisconsin municipality; or

b. Any social security lump sum death benefit payable to a decedent's surviving spouse under 42 U.S.C. s. 402 (i).

(5) **TRANSFER UNDER POWER OF APPOINTMENT.** When the transfer results from the possession, exercise or release of a power of appointment, including the exercise of a power of appointment by the creation of another power of appointment, in a manner which is taxable under section 2041 of the internal revenue code, as defined in s. 71.02 (2) (b).

(6) **SURVIVORSHIP INTERESTS.** (a) *General provision.* When property is held in the names of 2 or more persons with the right of survivorship but not as tenants in common. Upon the death of one joint tenant, the right of the surviving joint tenant or tenants to the immediate ownership or possession and enjoyment of such property shall be deemed a transfer taxable under this subchapter at the property's clear market value.

(b) *Joint tenancy exclusion.* When property is held in the names of 2 or more persons with the right of survivorship, the following shall be subtracted as provided in par. (c):

1. The fractional interest of the survivor or survivors in property in an amount determined by dividing the property's clear market value by the number of joint tenants, including the decedent, except as provided in subd. 2.

2. Money which is invested or deposited in a financial organization, as defined in s. 71.07 (2) (d) 1, and the clear market value of property which is acquired or placed in the names of 2 or more persons with the right of survivorship if the establishment of such survivorship interest is not subject to gift tax under subch. IV because it is an incomplete transfer, upon the death of one such person, an amount equal to the property's clear market value multiplied by a fraction, the numerator of which is the money or money's worth contributed by the surviving tenant or tenants and the denominator of which is the money or money's worth contributed by all joint tenants including the decedent.

(c) *Application of exclusion.* The amount determined in par. (b) shall be subtracted from the amount determined under par. (a) prior to application of the tax rates under s. 72.18. The tax rates shall be applied to the balance of property, the transfer of which is taxable under this subchapter, beginning at the tax rate applicable to the bracket in which the exemptions end.

(7) **INSURANCE.** When insurance, except insurance returnable for income taxation and insurance under s. 72.13 (2), is payable upon the death of any person and any of the legal incidents of ownership remain in that person at the time of death. Such transfer shall be taxable to the person entitled thereto, irrespective of the source of the premium payments. In this subsection "legal incidents of ownership" in an insurance policy means the right of the insured or the insured's estate to its economic benefits or the power of the insured to change the beneficiary, to surrender or cancel the policy, to assign it, to revoke an assignment, to pledge the policy for a loan or to obtain from the insurer a loan against the policy's surrender value.

Under 72.01 (5), Stats. 1969, a taxable transfer was effected where a Wisconsin resident died possessed of a power of appointment over intangible assets of an irrevocable trust administered in Illinois by an Illinois trustee, which power she limited voluntarily in her lifetime during which she received one half of the income of the trust as beneficiary but without electing to exercise her self-limited power thereby caused the trust assets to be distributed to her children according to the settlor's plan in such event. Estate of Mueller, 47 W (2d) 336, 177 NW (2d) 60.

Where testator created a marital trust for his wife and a residuary trust for his children, any intention that the tax on both trusts be paid by the residuary must be expressed in clear language and cannot be left to implication. Estate of Bauknecht, 49 W (2d) 392, 182 NW (2d) 238.

72.13 Imposition of tax. (1) The tax is imposed at the prescribed rates upon the transfer of property measured by its clear market value on the date of decedent's death less enforceable liens and the deductions and exemptions provided in this subchapter. In determining the taxable value of property transferred, a deduction is allowed for the amount of an enforceable lien on the property if the distributee takes the property subject to that lien.

(2) A lien which is wholly or partially satisfied by payment directly to the creditor of proceeds of an insurance policy on the decedent's life is reduced by the amount of the proceeds.

Beneficiary's option rights were irrelevant in valuating inherited property. In Matter of Estate of Irish, 89 W (2d) 148, 277 NW (2d) 872 (1979).

72.14 Deductions. (1) EXPENDITURES BY A PERSONAL REPRESENTATIVE, SPECIAL ADMINISTRATOR OR CERTAIN DISTRIBUTEES OUT OF CERTAIN ASSETS IN HIS POSSESSION. Deductions for the following expenditures made by the personal representative or special administrator out of the assets of the decedent in his possession or advanced or paid by a distributee of any assets in his possession are allowed:

(a) Debts of the decedent, including medical expenses and expenses of last illness to the extent not claimed for income tax purposes.

(b) Reasonable funeral and burial expenses.

(c) Expenses of administration to the extent not claimed for income tax purposes.

(d) If known, real estate taxes accrued during the year of the decedent's death, or if such taxes are not known, an amount equal to one-twelfth of the taxes assessed against the land for the preceding calendar year multiplied by the number of months in the calendar year which elapsed prior to the date of death, including the month of death if the death occurred after the 15th day. Deductions allowed under this paragraph shall be considered a lien against the subject real estate reducing its market value.

(e) The estate tax as finally determined by the U.S. government.

(2) EXPENDITURES BY CERTAIN DISTRIBUTEES OUT OF CERTAIN TAXABLE ASSETS IN THEIR POSSESSION. Deductions for the expenses in sub. (1), to

the extent not claimed for income tax purposes, paid by a distributee, trustee or other person out of taxable assets not in the possession of a personal representative or special administrator, are allowed to the extent that assets in the possession of a personal representative or special administrator are not sufficient to pay them or to the extent that the distributee, trustee or other person is obligated to pay, or other assets are subject to the payment of, such expenses.

(3) WHEN ONLY PART OF TOTAL ASSETS ARE WITHIN THIS STATE. Whenever an estate is partly within and partly without this state, only deductions allowed under sub. (1) equal to the proportion which the property within this state bears to the entire estate may be deducted. A distributee is entitled only to that proportion of his Wisconsin exemption equal to the proportion which his interest in the property within this state bears to his entire interest in the estate.

(4) INSTALMENT PAYMENTS. Interest attributable to payments under s. 72.22 (4) is not deductible under this section in the estate of the decedent in which an election to pay under s. 72.22 (4) was made.

History: 1971 c 310; 1975 c 331; 1979 c 1.

Estate's sales expenses may not be claimed as administrative expense deductions under (1) (c) when they have already been used as a setoff against capital gains tax owed by estate. In Matter of Estate of Haase, 81 W (2d) 705, 260 NW (2d) 809.

Where divorce judgment required decedent to maintain \$200,000 of life insurance payable to children, proceeds constituted deductible debt to decedent's taxable estate. In Matter of Estate of Laev, 115 W (2d) 168, 340 NW (2d) 223 (Ct. App. 1983).

72.15 Transfers exempted from this tax; reciprocity in exemptions. (1) (a) All transfers to the following are exempt from the tax imposed by this subchapter:

1. The United States or any state or political subdivision thereof strictly for a public purpose;

2. Corporations, trusts, voluntary associations or foundations organized and operated exclusively for religious, humane, charitable, scientific or educational purposes;

(b) The exemptions granted in par. (a) extend to transfers to organizations located in or organized or established under the laws of any other state, territory or district, exclusively for purposes specified in par. (a) 1 and 2, including

institutions maintained by the state, territory or district itself, if the law of that political unit on the date of the decedent's death granted a like and equal exemption to similar transfers by its residents to or for the use of an organization of similar character and purpose operating principally in this state.

(2) No tax is imposed upon the transfer of any real property or tangible personal property of a resident decedent when the property is located outside the jurisdiction of this state and when a state death tax in the state where located has actually been paid. Such tangible personal property must not be outside the jurisdiction of this state temporarily nor for the sole purpose of deposit or safekeeping.

(3) In the event of a disclaimer under s. 853.40, the transfer from the decedent shall be taxed to the distributee taking as a result of the disclaimer.

(4) No tax is imposed on the transfer of the first \$10,000 of the aggregated clear market value of household furniture, furnishings and appliances and other tangible personal property, except money, otherwise taxable under s. 72.12. This exception shall be in addition to all other exemptions and allowances.

(5) Any transfer to a surviving spouse is exempt from the tax imposed by this subchapter.

History: 1971 c. 310; 1975 c. 331; 1977 c. 309, 418; 1979 c. 1; 1981 c. 93.

Cross Reference: See 613.81 for exemption of transfers to hospital service insurance corporations.

Trusts are not necessarily disqualified under this section because relatives of settlor may become beneficiaries. In *Matter of Estate of Frautschy*, 84 W (2d) 644, 267 NW (2d) 300 (1978).

72.16 Classification of distributees. In determining the amount of tax due under this subchapter, distributees are classified as follows:

(1) Class A consists of distributees in the following relationships to the decedent: lineal issue, lineal ancestor, wife or widow of a son, or husband or widower of a daughter. For the purpose of this classification, a mutually acknowledged child, her or his spouse and issue, shall be treated the same as a natural child, her or his spouse and issue and a mutually acknowledged parent shall be treated the same as a natural parent.

History: 1971 c. 310.

72.20 Inheritance tax credit. (1) The child of a decedent shall be allowed a credit based on the tax paid by the decedent's surviving spouse, if:

(a) The surviving spouse received property from the decedent which was transferred by or from such surviving spouse to the child; and

(b) The surviving spouse survived the decedent for a period not exceeding 6 years.

(2) For purposes of this section, credit shall be computed as follows: that share of the estate received by the spouse reduced by the value of all life interests included in this share over the total value of the estate passed by the spouse increased by the value of all gifts by the spouse after the death of the decedent, times the children's share of the estate of the spouse over the total distributable value of the estate of the spouse, times the tax the child would pay on the estate of the spouse before the credit.

(3) The portion of the credit which is allowable is as follows:

(d) 25% if the surviving spouse died in the 6th year after decedent's death.

(4) The credit allowed by this section shall not exceed the amount of tax paid by the surviving spouse on the transfer of property because of decedent's death. Where there is more than one child, the total credit allowable

shall be apportioned among the children in the ratio of each child's tax before credit to the total tax of all the children before credit.

(5) In computing time under this section, decedent's date of death is excluded.

72.21 Personal liability. (1) Each personal representative, special administrator, and trustee of a trust in existence and containing property on the date of the decedent's death, is severally liable for the tax imposed by this subchapter, with interest, to the extent of the clear market value of all property under his control, the transfer of which is subject to this tax. This liability extends to all taxes due under this subchapter on all transfers to a distributee, and is not limited to the value of transfers of property in the control of the personal representative, special administrator or trustee.

(2) A trustee of a trust which comes into existence after the decedent's death and a distributee are liable for the tax imposed by this subchapter, with interest, only to the extent of the clear market value of property transferred to him.

(3) This section does not apply with respect to taxes due under this subchapter on transfers to a distributee who has elected to pay the taxes under s. 72.22 (4).

History: 1971 c. 310; 1979 c. 1.

72.22 Payment. (1) WHEN PAYABLE. The tax imposed by this subchapter is due and payable at the time of the decedent's death.

(2) **ADVANCE PAYMENT.** Anyone personally liable for a tax under this subchapter may pay an estimated tax before the tax is determined.

(3) **PAYMENT.** Payments must be made to the department. Except as provided in sub. (4), full payment shall accompany the inheritance tax return. If a prepayment was made, any additional tax shown owing on the return, as filed, shall accompany the return.

(4) **INSTALMENT PAYMENTS.** (a) Whether or not there is a federal estate tax liability, if the estate would be authorized to pay federal estate taxes under section 6166 of the internal revenue code, as amended to December 31, 1983, in lieu of full payment, payment may be made according to an equal payment schedule over a period not to exceed 15 years from the decedent's date of death. If an election is made under this

subsection, the election shall apply only to the portion of the tax payable by a distributee which is determined by dividing the value of property received by a distributee which qualifies an estate for the election under the internal revenue code by the value of all property received by the distributee. A distributee electing to pay under this subsection may subsequently pay part or all of the remaining tax plus interest at the time any scheduled payment is due under this subsection. Interest on instalment payments under this subsection shall be computed under s. 72.23 at 12% per year.

(b) If the tax due under this subchapter and subch III has not been finally determined, payment of an estimated tax may be made under this subsection on the same basis as a determined tax. Upon final determination of the tax, the difference between the estimated and determined tax and interest may be equally allocated to the remaining payment periods.

(c) Any distributee electing to pay under this subsection shall, within one year of the decedent's date of death, file written notice of the election with the department and with the person required to file the inheritance tax return. Any distributee who fails to give notice under this paragraph shall make full payment as required under sub. (3).

(d) Upon the filing of a notice under par. (c), distributees of real estate shall provide the department a certified copy of a lien for unpaid taxes and interest on the property to secure payment, recorded in the office of the register of deeds of the county in which the property is located. Distributees of personal property, upon the filing of a notice under par. (c), may either provide a lien or provide the department a financial guarantee bond equaling the estimated tax and interest elected to be paid under this subsection to secure payment if the tax has not been determined. Upon determination of the tax, distributees of personal property shall provide a lien or provide a financial guarantee bond sufficient to secure payment of the tax and interest or pay the department the excess over the amount of tax and interest secured by the bond. The department may require security to cover the tax with a lien affecting only part of the property if there is sufficient security to secure payment of the tax. Any distributee who fails to provide the security required under this paragraph, or who disposes of one-third or more of the property on which the tax is secured under this paragraph, shall make full payment as required under sub. (3).

(e) Upon the failure of any distributee to make a scheduled payment agreed to under par. (a), upon the distributee's death or if the security provided under par. (d) is jeopardized, the

department may proceed to collect the payment or the entire unpaid balance of the taxes, costs and interest.

72.23 Interest. (1) RATE. If the tax imposed by this subchapter is not paid within one year of the decedent's date of death, interest is due and payable at the rate of 12% per year from date of death. In computing time under this section, the day of death is excluded.

(2) INTEREST MAY BE WAIVED. The department or circuit court may waive interest on any additional tax arising from the discovery of property which was omitted in the original determination of tax. This subsection applies only where due diligence has been exercised in marshaling the assets.

History: 1971 c. 310; 1973 c. 90; 1977 c. 29; 1977 c. 449 s. 497; 1981 c. 20.

72.24 Refunding. Whenever any amount has been paid in excess of the tax determined, the state treasurer, upon certification by the department or circuit court, shall refund the excess to the payor or other person entitled thereto.

History: 1971 c. 310; 1973 c. 90; 1977 c. 449 s. 497.

72.25 Release or transfer of lien. Until this tax is paid it is a lien upon the property transferred except:

(1) When the department is satisfied that collection of the tax will not be jeopardized, it may release this lien on all or part of the property. A duly executed release of the lien may be recorded with the register of deeds of the county in which the property is located. The recording fee shall be the same as for the recording of a mortgage satisfaction.

(2) The sale of any property the transfer of which is taxable under this subchapter by a personal representative, special administrator or trustee constitutes a release of the lien on that property. The lien is transferred to the sale's proceeds, the property passes free of that lien and the person to whom the property is sold has no liability for the tax.

History: 1971 c. 310; 1973 c. 90; 1983 a. 248.

72.26 Bequest to a personal representative or trustee for services. If a decedent provides for a transfer to a personal representative or trustee in lieu of other compensation or makes him a distributee to an amount exceeding the maximum allowable compensation, the excess in value of the transfer above the maximum allowable compensation is a transfer taxable under this subchapter. This subsection does not authorize the deduction of trustees' fees incurred in the administration of a testamentary

trust; such fees are not deductible in determining the value of the net taxable transfer.

History: 1971 c. 310.

72.27 Jurisdiction of circuit court. (1) RESIDENTS. The circuit court for the county of which the decedent died a resident has jurisdiction to hear and determine all questions arising under this subchapter and to do any act authorized by a circuit court in other matters or proceedings coming within its jurisdiction. If 2 or more courts are entitled to exercise jurisdiction, the court first acquiring it retains exclusive jurisdiction.

(2) NONRESIDENTS. The circuit court of Dane county has jurisdiction to hear and determine all questions relating to the determination and adjustment of the tax imposed by this subchapter, if a tax appears due because of the death of a nonresident decedent and in which it does not otherwise appear necessary for regular administration. If a nonresident dies possessed of real or tangible personal property located within this state, the circuit court of the county in which the property is located shall have concurrent jurisdiction with the circuit court for Dane county.

History: 1971 c. 310; 1973 c. 90; 1977 c. 449.

72.28 Valuation. (1) STANDARDS. (a) Homestead. Where a homestead consists of a single-family dwelling or a duplex, the equalized assessed valuation may be used and appraisal dispensed with, unless any interested party or the department requests an appraisal.

(b) Securities. When a decedent leaves any securities issued by a business organization, owning property or doing business in this state or leaves any interest therein or in the assets thereof, all inventories, books, papers, income tax returns and records thereof are competent evidence, and shall be made accessible to the personal representative, special administrator, appraiser, department or referee designated by the court, to ascertain the true value of such securities or interests. The court may order any inventories, books, papers and records to be produced in court, and may require the attendance and examination in court of any officer or employe of any such business organization. In this paragraph: "business organization" means corporation, joint stock company, partnership and association; "securities" includes stocks and bonds.

(c) Future or limited estates. 1. Method of valuation. a. Determination of the value of every future or limited estate, income, interest or annuity dependent upon any life or lives in being shall be based on tables designated by the department. These tables shall be those used by

the internal revenue service for like computations.

b. If valuation cannot be established under subd. 1. a, the commissioner of insurance, upon application of the department or circuit court, shall determine the value. The commissioner's report is presumptive evidence that his or her method of computation is correct.

2. Payment. The tax, based on the value determined by subd. 1, is upon a transfer of a proportion of the principal of the estate equal to its present value and not upon any income of that property produced after death, which income shall be subject to the income tax. The tax imposed by this subchapter is due and payable out of the property transferred without right of recoupment from the life tenant.

(d) Estate for life or years. Where an estate for life or years can be divested by the act or omission of the distributee, it shall be valued as if there were no possibility of such divesting, subject to disclaimer under s. 853.40.

(e) Power of appointment. 1. General power. A transfer of an estate for life or years or of a beneficial interest in property accompanied by a general power of appointment over the remainder is taxed to the life or term tenant or transferee of the beneficial interest as the transfer of absolute ownership.

2. Other power. If the power is excluded from the definition of a power of appointment, then the remainder interest subject to the power is taxed in the estate of the donor of the power as if the power had been exercised in favor of the person in the restricted class in a manner that will result in the imposition of the largest amount of tax. Upon the exercise, failure to exercise or release of a power by the donee of the power, either upon his death or during his lifetime, the tax in the estate of the donor of the power shall be redetermined to accord with the ultimate devolution of the property. Any excess tax determined to have been paid shall, upon application to the department, be refunded with interest at the legal rate to the payor or other person entitled thereto.

(2) COMPOSITION AGREEMENTS. (a) The department may enter into an agreement with the personal representative, special administrator, trustee or distributee of any property where:

1. Remainders, expectant estates or powers of appointment are of such a nature that the tax on their transfer is not ascertainable under this chapter; or

2. The interest of a distributee or trust beneficiary is not ascertainable under this subchapter; or

3. A tax is claimed on the transfer of property of a nonresident decedent.

72.28 INHERITANCE, ESTATE AND GIFT TAX

2040

(b) The department may enter such an agreement upon terms deemed equitable and expedient and may grant releases of personal liability to the personal representative, special administrator, trustee or distributee upon payment of the tax. Any agreement made under this section shall be executed in triplicate, to be distributed as follows: one copy filed with the department; one copy with the circuit court; and one copy to the personal representative, special administrator, trustee or distributee who is a party thereto.

History: 1971 c. 310; 1973 c. 90; 1977 c. 309, 418; 1977 c. 449 s. 183, 497; 1979 c. 110.

72.29 Assets of decedents. (1) ASSETS OF NONRESIDENT DECEDENTS. (a) Persons in this state in possession, custody or control of intangible personal property of a nonresident decedent who, on the date of his death, was a resident of a state which imposes a death tax, may transfer the property upon receipt of an affidavit evidencing the decedent's residency. The transfer constitutes a release of any lien under subchs. II and III.

(b) Persons in this state having possession, custody or control of tangible personal property of a decedent who, on the date of his death, was not a resident of this state, or of intangible personal property of a decedent who, on the date of his death, was a resident of a state which does not impose a death tax or of a foreign country, may transfer such property only after:

1. Retaining a sufficient portion to pay any tax, interest and penalty, imposed under subchs. II and III; or

2. Obtaining the written consent of the department. Whenever the department is satisfied that the collection of any tax on a transfer will not be jeopardized, it may issue a certificate consenting to the transfer upon the advance payment of \$1.

(2) ASSETS OF RESIDENT DECEDENTS. Persons in this state in possession, custody or control of any property of a decedent who, on the date of his death, was a resident of this state, may:

(a) Transfer the property to a personal representative, special administrator, trustee, surviving spouse entitled to receive the property or an heir under s. 867.03 and the transfer constitutes a release of any liability under subchs. II and III.

(b) Transfer the property to any other person only after:

1. Retaining a sufficient portion to pay any tax, interest and penalty imposed under subchs. II and III; or

2. Obtaining the written consent of the department. Whenever the department is satisfied that collection of any tax on a transfer will not be jeopardized, it may issue a certificate con-

senting to the transfer upon the advance payment of \$1.

(3) EXCEPTION. This section does not apply to any property of a partnership.

(4) PENALTY. Whoever violates any provision of this section shall be liable for the tax, interest and penalty imposed by subchs. II and III.

(5) DEFINITION. In this section, "state" means any state, territory, district or possession of the United States.

(1), the personal representative, special administrator or trustee shall mail or deliver to each distributee and trustee of a transfer taxable under this subchapter a copy of the return or a statement containing the following:

(a) The date on which the return was filed;

(b) A list of all property received by that distributee;

(c) A summary of the value of each item listed in par. (b); and

(d) The total tax resulting from the transfer of all items listed in par. (b).

(3) CERTIFICATE DETERMINING VALUE OF PROPERTY AND LIABILITY FOR TAX. (a) In making its determination of tax due under this subchapter, the department may require information regarding the methods of valuation used, including those under s. 72.28.

(b) Where the department and any interested person are unable to agree on any issue necessary for the determination of tax under this subchapter, either may petition the circuit court to decide the issue.

(c) Upon determination of the value of the property and the tax, the department shall issue a dated certificate showing the amount of tax and any interest and penalty, or showing the amount of tax and stating that payment will be made under s. 72.22 (4).

(d) A copy of this certificate shall be retained by the department and the original shall be sent to the person filing the return.

(e) No circuit court proceeding held for the transfer of property of a decedent shall be completed until the original certificate determining the tax or determining no tax, together with proof that any tax has been paid, is filed with the court and, if an election has been made under s. 72.22 (4), until proof is filed with the

court or probate registrar that security required under s. 72.22 (4) (d) has been filed with the department.

(4) HEARING IN CIRCUIT COURT. The attorney general, department, district attorney or any person dissatisfied with the appraisal, assessment or determination of the tax due under this subchapter may apply for a hearing before the circuit court within 6 months from the date the certificate in sub (3) (c) is issued. No statute of limitations shall run against the department in cases of fraud or collusion or where property is not disclosed in the return.

(5) PETITION FOR ANCILLARY PROBATE OR ANCILLARY ADMINISTRATION. Every petition for ancillary probate or ancillary administration shall include a true statement of all the decedent's property in this state and its value. Upon presentation of the petition, the circuit court shall order the personal representative, special administrator, trustee or distributee to proceed under subs. (1) and (2).

(6) DETERMINATIONS PRIOR TO 1947. Where the court has made, prior to January 1, 1947, a determination that no tax was due or that the tax has been determined and paid, the determination is conclusive with respect to the property which was before the court whether or not the required notice of hearing to determine the tax was given properly.

(7) COLLECTION. In addition to its powers to collect taxes due under this subchapter, the department may proceed in the manner provided in ss. 71.13 (3) and 71.135. All payments under this subchapter or subch. III after their due date shall be applied first in discharging costs and interest and the balance applied on the tax principal.

72.31 Special administration. (1) WHEN EXERCISED. When no administration proceeding has been commenced or no complete tax return has been filed, any person, including the department, interested in the property, the transfer of which is subject to tax under subchs. II and III, may petition for appointment of a special administrator with powers to determine the tax, if:

(b) If, within 60 days after receiving the notice, a distributee fails to institute the appropriate proceeding or file a tax return, the special administrator shall notify the department and institute such proceeding or file the return. After the department has been so notified, the department may file a notice of lien with the register of deeds or clerk of courts, specifying the property, the transfer of which is taxable under this subchapter, and the name of the distributee.

(c) Costs and expenses properly incurred by a special administrator shall be paid out of the subject property or by the distributee thereof.

72.35 Interstate arbitration of death taxes.

(1) **ARBITRATION AGREEMENT.** When the department and the taxing authority of another state each claim that a decedent was a resident of its state on the date of his death, the department may make a written agreement with the other taxing authority and with the personal representative, special administrator or trustee, to a) settle the dispute, or b) submit the controversy to a panel consisting of any uneven number of arbitrators. Parties to the agreement shall select the arbitrators.

(2) **POWERS OF THE PANEL.** The panel may administer oaths, take testimony and subpoena witnesses and the production of books, papers and documents. Subpoenas may be issued by any panel member. When a person fails to obey a subpoena, any court of record of this state, upon application by the panel, may order compliance with the subpoena and may punish further failure to obey as contempt.

(3) **HEARINGS.** The panel shall hold hearings at such times and places as it may determine, upon reasonable notice to the parties to the agreement, all of whom may a) be heard; b) present evidence; and c) examine and cross-examine witnesses.

(4) **MAJORITY VOTE.** Except when issuing subpoenas, all questions arising in the course of the proceedings shall be determined by majority vote of the panel.

determination shall be final only for purposes of imposing and collecting death taxes.

(6) **FILING OF DOCUMENTS.** The panel shall file with each party to the agreement in sub. (1) and with the circuit court having jurisdiction under s. 72.27 a certified copy of:

(a) The agreement;
(b) The record of the panel's proceedings;
and

(c) The panel's determination.

(7) **COMPROMISE BY PARTIES.** The department may at any time enter into a written agreement to settle the controversy made under sub. (1) fixing the amounts to be accepted by the parties in full satisfaction of death taxes.

(8) **COMPENSATION AND EXPENSES.** Compensation and expenses of members of the panel and its employes shall be agreed upon among the members and the personal representative, special administrator or trustee. If they cannot agree, compensation and expenses shall be fixed by the court which has or would have probate jurisdiction in the state determined by the board to be the residence of decedent. The amounts agreed upon or fixed shall be an administration expense and shall be payable out of property transferred.

(9) **DEFINITION.** In this section, "state" means any state, territory, district or possession of the United States.

SUBCHAPTER III

ESTATE TAX

72.60 Purpose. The purpose of this subchapter is to obtain for Wisconsin the benefit of the maximum credit allowable upon the United States estate tax, to the full extent that this state may be entitled, by imposing this additional tax. This subchapter is to be liberally construed to effect this purpose.

History: 1971 c. 310.

72.61 Estate tax imposed. In addition to the tax imposed by subch. II, an estate tax is imposed upon the transfer of all property subject to a federal estate tax where the decedent at the time of his death was a resident of this state. The amount of this estate tax equals the excess, if any, of the credit allowable upon the federal estate tax, over the aggregate amount of all death taxes paid for transfers of property taxable because of decedent's death. This tax shall not exceed the extent to which its payment will effect a saving or diminution in the amount of the federal estate tax payable by or out of the estate of the decedent had this subchapter not

been enacted. The tax imposed shall be collected and accounted for by the department under s. 72.22. The full amount collected shall be paid to the state.

History: 1971 c. 310; 1973 c. 90.

72.62 Liability and lien. Liability for this tax is imposed upon the same persons in the same manner as under s. 72.21 and shall remain a lien in the same manner as under ss. 72.22 (4) and 72.25. If an election is made to pay under s. 72.22 (4), the tax under this subchapter shall be allocated to each distributee based on the distributee's share of the taxable residuary estate, if any.

History: 1971 c. 310; 1979 c. 1; 34.

72.63 When payable. The tax imposed by this subchapter is payable at the same time as the inheritance tax and shall bear interest at the same rate and in the manner provided under s. 72.23.

History: 1971 c. 310.

72.64 Other provisions applicable. Unless otherwise specifically covered in this subchapter, the provisions of subch. II shall apply if they are applicable and are not in conflict with the provisions of this subchapter.

History: 1971 c. 310.

SUBCHAPTER IV

GIFT TAX

72.75 Transfers taxable. (1) TRANSFERS BY RESIDENTS OR NONRESIDENTS. A tax is imposed upon any transfer to any person after July 9, 1933, when:

(a) *Residents.* The transfer is by gift from a donor who, at the date of the gift, was a resident of this state.

(b) *Nonresidents.* The transfer is by gift of property within the jurisdiction of this state and the donor was not a resident of this state on the date of the gift.

(2) **TRANSFERS UNDER A GENERAL POWER OF APPOINTMENT.** Any lifetime transfer under a general power of appointment, which is not a transfer taxable under subch. II or III constitutes a transfer taxable under this subchapter. All sections of subch. II, relating to the tax on a transfer with respect to a power of appointment, shall apply to the tax imposed by this subchapter if they are applicable to, not covered by and not in conflict with this subchapter.

History: 1971 c. 310; 1977 c. 418.

72.76 General exemptions. No tax is imposed by this subchapter upon the transfer of property when:

(1) The transfer is taxable under subch. II or III or both.

(2) The transfer is of any real property or any tangible personal property of a resident donor when the property is located outside the jurisdiction of this state, unless the tangible personal property is outside the jurisdiction of this state temporarily or for the sole purpose of deposit or safekeeping.

(3) Property is transferred, paid, furnished or delivered by an employer to its employes, or to any organization of its employes, directly or indirectly, or to any person for them or it, to cover insurance, sickness and death benefits, pensions, relief activities, or to any other employes' benefit fund, and medical service to employes and their families.

(4) An employer transfers amounts to a former employe's distributee or estate, which amounts qualify as an employe death benefit taxable as income under the internal revenue code of 1954, as amended; or excludable from gross income under internal revenue code s. 101 (b).

(5) Reasonable amounts of property are transferred, paid, furnished or delivered by any person to anyone dependent upon him for support, when the property is transferred, paid, furnished or delivered for the current maintenance, support or education of the dependent.

(6) The transfer is payment to the department by the donor of a gift tax arising from a prior transfer to the donee.

(7) The transfer is exempt under s. 72.15 (1) (a).

(8) The transfer is to a spouse.

(9) The transfer is payment of an award under ch. 949.

NOTE: This section is shown as affected by 1983 Wis. Act 186, eff. 1-1-86. Act 186 repealed 72.76 (1) (title) which was "transfers exempted" and renumbered 72.76 (1) (intro.) and (a) to (o) to be 72.76 (intro.) and (1) to (9).

72.77 Imposition of tax. The tax is imposed at the prescribed rates upon the transfer of property which is a gift measured by its clear market value on the date of the gift less enforceable liens, deductions and exemptions provided in this subchapter. In determining the taxable value of property transferred, a deduction is allowed for the amount of an enforceable lien on the property if the donee takes the property subject to that lien. Where property is transferred, sold or exchanged for less than its clear

market value on the date of its transfer, the taxable transfer is measured by the amount by which the clear market value of the property exceeds the consideration.

72.78 Amount taxed. The total of all transfers to one donee by one donor within the same calendar year is considered a single transfer for the purposes of taxation under this subchapter.

History: 1971 c. 310

72.79 Valuation. (1) STANDARDS OF VALUATION. The standards by which the value of property is determined under s. 72.28 (1) apply to the determination of the value of a taxable transfer of property under this subchapter.

(2) **DISPUTING VALUATION.** Only the department may challenge a donee's statement of valuation under this subchapter.

(3) **AGREEMENTS.** The department may enter into an agreement with any person liable for a tax on a transfer in which the value of an interest in the transfer is not ascertainable under this subchapter, and may compound and settle the tax liability on terms it deems equitable and expedient.

History: 1971 c. 310.

72.80 Classification of donees. In determining the amount of gift tax due under this subchapter, donees are classified into 4 groups: class A, class B, class C and class D. These classes contain the same persons, by virtue of their relationship to the donor, as distributee classes A, B, C and D, respectively, in s. 72.16.

History: 1971 c. 310; 1973 c. 90; 1981 c. 93

72.81 Annual exemption. Transfers of a clear market value of \$10,000 in any calendar year by any donor to any donee are exempt from taxation under this subchapter. This amount is taken out of the first \$25,000 transferred.

History: 1971 c. 310; 1983 a. 194

72.82 Personal exemptions. (1) In addition to the annual exemption, an additional exemption from the tax, allowed only once and taken out of the lowest bracket, is permitted as follows:

(a) To a spouse, property of a clear market value of \$100,000 on or after July 1, 1976 to June 30, 1982; and

(b) To all class A donees, property of a clear market value of \$10,000 in respect to transfers occurring before January 1, 1985; property of a clear market value of \$25,000 in respect to transfers occurring on January 1, 1985, and thereafter to December 31, 1985; and property of a clear market value of \$50,000 in respect to

transfers occurring on January 1, 1986, and thereafter;

NOTE: Par. (b) is shown as affected by 1983 Wis. Acts 186 and 194. Act 186, which is effective 1-1-86, changes "all other class" to "all class".

(c) To class B, C and D donees, no additional exemptions.

(2) The clear market value of property transferred to a donee in excess of the annual exemption must be aggregated from year to year until the maximum allowable personal exemption is exhausted.

History: 1971 c. 310; 1977 c. 248; 1979 c. 1; 1981 c. 93; 1983 a. 186, 194, 538.

72.83 Rates. When the value of transfers within the same calendar year exceeds the exemptions allowed under s. 72.82, the tax upon transfers to classes of donees specified in s. 72.80 is imposed upon the same amounts and at the same rates as imposed on classes of distributees under s. 72.18.

History: 1971 c. 310; 1973 c. 90.

72.84 Rate limit. The tax imposed by this subchapter shall not exceed 20% of the clear market value of property transferred to any donee in a single calendar year.

History: 1971 c. 310.

72.85 Filing returns and payment of the tax.

(1) **DUTIES OF THE DEPARTMENT.** The department shall supervise the administration of the gift tax and, to that end, shall possess the same powers which it has for the assessment of personal property and incomes, including the power to appraise the value of property transferred. The department may employ attorneys, accountants, clerks and assistants necessary to carry out the provisions of this subchapter.

(2) **FILING.** By April 15 of each year, the donor and the donee of any transfers during the preceding year must, if the aggregate value exceeds \$10,000, report the transfers and pay the tax to the department. These reports shall disclose all information required on the report form. Gift tax reports and the payment of tax shall be considered timely made if both are received by the department within 5 days of April 15 in a properly addressed envelope with 1st class postage duly prepaid, postmarked before midnight of April 15.

(3) **PAYMENT; INTEREST; PENALTY.** If the tax imposed is not timely paid, interest shall be charged and collected on the tax due at the rate of 12% per year from the date due until it is paid. In addition, if the required tax return is not timely filed, a penalty of 5% of the tax is imposed. If the tax is not paid by the due date, the donee and donor are jointly and severally liable for this tax, penalty and interest. If one

person pays the tax, there is no right of contribution unless the person paying reserves it in writing on the filed tax return.

History: 1971 c. 310; 1975 c. 222; 1977 c. 29, 248; 1981 c. 20, 93; 1983 a. 194.

72.86 Enforcement and collection. (1) ADDITIONAL ASSESSMENT. No later than 4 years after the report required by s. 72.85 is filed, the department shall audit it and assess any additional tax which may be due. Interest shall be charged and collected at the rate of 12% per year for the period from the date on which the report was due until payment. If no report of a transfer is filed, an assessment may be made any time after the report was due. Notice of an assessment shall be given to both the donor and donee in writing. If the additional tax is not paid within 60 days from the receipt of the notice, an additional penalty of 5% of the tax shall be imposed and collected.

(2) **LIEN.** The tax imposed by this subchapter is a lien upon the property transferred until paid, but not exceeding 10 years from the filing of the report of the transfer. If any part of the property comprised in the gift is sold by a donee or successor in title to a purchaser for an adequate and full consideration, that part shall be divested of and released from the lien, and the lien, to the extent of the value of the gift, shall attach to all the property of the donee (including after-acquired property) except property subsequently sold to a purchaser for an adequate and full consideration. This lien does not have priority over any lien of public record. Notice or knowledge of a conveyance to joint tenants or tenants in common shall not constitute actual or constructive notice of a gift, tax or lien in respect to property so transferred. Whenever the department is satisfied that the collection of the tax will not be jeopardized, it may release the lien on any part of the property transferred. The executed release may be recorded with the register of deeds of the county in which the property therein described is located.

(3) **DUTY TO FURNISH INFORMATION.** If the department considers it necessary, it may require any person, by notice, to make a return, render statements under oath, or to keep records, which the department deems sufficient to show whether or not the person is liable for a tax under this subchapter. If any person so served fails to make a return, render information or keep records required by the department, an additional tax equal to 5% of the amount of tax due shall be assessed and collected in the same manner, at the same time, and subject to the same conditions as apply to the gift tax imposed by this subchapter.

(4) **APPLICABLE INCOME TAX PROVISIONS.** All provisions of income tax statutes not in conflict with this subchapter on the following subjects apply to the administration of this subchapter: assessment, hearing and appeal procedures (including ss. 73.01 and 73.015), preparation of assessment and tax rolls, certification of taxes due and corrections thereof, collection (including s. 71.135) and refund procedures.

(5) **DEPARTMENT OF JUSTICE; DUTIES.** The department of justice shall enforce the recommendations and directions of the department of revenue in all matters pertaining to gift tax. Where the gift tax collectible exceeds or probably exceeds \$1,000, there shall be no compounding, composition or settlement of the taxes until the department of revenue has consented in writing to the compounding, compromise or settlement.

(6) **ADDITIONAL PENALTY.** Any person who wilfully attempts to evade or defeat this tax or its payment, or who makes any false or fraudulent return or statement, with intent to evade or defeat the assessment required, in addition to other penalties provided, shall be fined not less than \$100 nor more than \$5,000 or imprisoned not more than one year or both. Any person who wilfully aids or assists in the preparation of a wilfully false or fraudulent return or of any information for the purpose of evading or defeating the assessment or collection of this tax,

whether such falsity or fraud is with or without the knowledge or consent of the person required to make the return or supply such information, shall be fined not less than \$100 nor more than \$5,000 or imprisoned not to exceed one year or both.

History: 1971 c. 310; 1975 c. 224; 1977 c. 29; 1979 c. 221; 1981 c. 20; 1983 a. 27.

See note to 77.27, citing 62 Atty. Gen. 251.

72.87 Relationship between subchapters II, III, and IV. (1) CREDITS AND REFUNDS. When a transfer is taxed under subch. IV and then becomes taxable under subch. II or III:

(a) If the donee paid the tax under subch. IV, the tax paid shall apply as a credit for that donee against the tax imposed under subch. II or III, with the excess, if any, refunded to the donee or any other person entitled thereto without interest; or

(b) If the donor paid the tax under subch. IV, the amount of tax paid shall be included as an asset in the inventory of the estate and shall be considered an advance payment under s. 72.22 (2) with the excess, if any, to be refunded under s. 72.24 without interest.

(2) **CONSTRUCTION.** Nothing in this subchapter shall in any way be construed to conflict with, limit or modify provisions of subch. II or III or the income tax statutes.
