A county department under s. 46.215, 46.22, 51.42 or 51.437 shall apply the fees which it collects under this program to cover the cost of such services. The department of health and social services shall report to the joint committee on finance no later than March 1 of each year on the number of children placed for adoption by the department of health and social services during the previous year and the costs to the state for services relating to such adoptions.

(a). If a minor receives services without consent of a parent or guardian under s. 51.47, the department shall base the fee solely on the minor's ability to pay.

(c) The department shall make collections from the person who in the opinion of the department is best able to pay, giving due regard to the present needs of the person or of his or her lawful dependents. The department may bring action in the name of the department to enforce the liability established under par. (b). The department may not collect from the parent of a minor receiving treatment for alcohol or drug abuse, except as provided in s. 51.47. This paragraph does not

apply to the recovery of fees for the care and services specified under s. 46.10.

(e) The department may delegate to county departments under s. 46.215, 46.22, 51.42 or 51.437 and other providers of care and services the powers and duties vested in the department by pars. (c) and (d) as it deems necessary to efficiently administer this subsection, subject to such conditions as the department deems appropriate.

(f) Notwithstanding par. (a), any person who submits to an assessment or driver safety plan under s. 23.33 (13) (e), 30.80 (6) (d), 343.16 (5) (a), 343.30 (1q), 343.305 (10) or 350.11 (3) (d) shall pay a reasonable fee therefor to the appropriate county department under s. 51.42 or traffic safety school under s. 345.60. The person may pay the fee in 1, 2, 3 or 4 equal instalments. The fee for the driver safety plan may be reduced or waived if the person is unable to pay the complete fee, but no fee for assessment or attendance at a traffic safety school under s. 345.60 may be reduced or waived. Nonpayment of the fee is noncompliance with the court order that required completion of an assessment and driver safety plan.

(fm) Notwithstanding par. (a), any person who submits to an assessment under s. 161.472 shall pay a fee to the appropriate county department under s. 51.42. The department of health and social services shall set fees for each county department under s. 51.42 designed to offset all the costs to the county in providing the assessment program. The department of health and social services shall provide for the reduction or waiver of the fee for persons who are unable to pay the complete fee.

(g) The department shall return to county departments under s. 46.215, 46.22, 51.42 or 51.437 50% of collections made by the department on and after January 1, 1978, for delinquent accounts previously delegated under par. (e) and then referred back to the department for collections.

(19) PROTECTIVE SERVICES. Administer the statewide program of protective services under ch. 55.

(20) PAYMENT OF BENEFITS. (a) The department may make payments directly to recipients of public assistance or to such persons authorized to receive such payments in accordance with law and rules of the department on behalf of the counties. The department may charge the counties for the cost of operating public assistance systems which make such payments.

(b) The department may make social service payments directly to recipients, vendors or providers in accordance with law and rules of the department on behalf of the counties which have contracts to have such payments made on their behalf.

(c) The county department under s. 46.215, 46.22 or 46.23 shall provide the department with information which the department shall use to determine each person's eligibility and amount of payment. The county department under s. 46.215, 46.22 or 46.23 shall provide the department all necessary information in the manner prescribed by the department.

(d) The department shall disburse from state or federal funds or both the entire amount and charge the county for its share under s. 49.52.

(21) DAY CARE STANDARDS. Promulgate rules establishing standards for the certification of day care providers under s. 48.651.

(22) COMMUNITY LIVING ARRANGEMENTS. (a) "Community living arrangement" means any of the following facilities licensed or operated, or permitted under the authority of the department: child welfare agencies under s. 48.60, group homes for children under s. 48.02 (7) and community-based residential facilities under s. 50.01; but does not include adult family homes, as defined in s. 50.01, day care centers, nursing homes, general hospitals, special hospitals, prisons and jails.

(b) Community living arrangements shall be subject to the same building and housing ordinances, codes and regulations of the municipality or county as similar residences located in the area in which the facility is located.

(c) The department shall designate a subunit to keep records and supply information on community living arrangements under ss. 59.97 (15) (f), 60.63 (7) and 62.23 (7) (i) 6. The subunit shall be responsible for receiving all complaints regarding community living arrangements and for coordinating all necessary investigatory and disciplinary actions under the laws of this state and under the rules of the department relating to the licensing of community living arrangements.

(d) A community living arrangement with a capacity for 8 or fewer persons shall be a permissible use for purposes of any deed covenant which limits use of property to single-family or 2-family residences. A community living arrangement with a capacity for 15 or fewer persons shall be a permissible use for purposes of any deed covenant which limits use of property to more than 2-family residences. Covenants in deeds which expressly prohibit use of property for community living arrangements are void as against public policy.

(e) If a community living arrangement is required to obtain special zoning permission, as defined in s. 59.97 (15) (g), the department shall, at the request of the unit of government responsible for granting the special zoning permission, inspect the proposed facility and review the program proposed for the facility. After such inspection and review, the department shall transmit to the unit of government responsible for granting the special zoning permission a statement that the proposed facility and its proposed program have been examined and are either approved or disapproved by the department.

(23) UNIFORM MANUAL. Adopt policies and procedures and a uniform county policy and procedure manual to minimize unnecessary variations between counties in the administration of the aid to families with dependent children program. The department shall also require each county to use the manual in the administration of the program.

(25) UNIFORM REGULATION AND LICENSING. The department shall promulgate rules to establish licensing and program compliance standards for care and residential facilities, hospitals, hotels, restaurants and the vending of food and beverages after due consideration of the relationship of a licensing code to other related licensing codes, the need for uniform administration, the need to maximize the use of federal funds and the need to encourage the development and operation of needed facilities statewide. In establishing licensing standards designed to ensure that the facility qualifies for federal financial participation, the department shall establish federal regulations as the base requirement. The department may promulgate such additional health and safety standards as it determines to be in the public interest.

(26) DATA PROCESSING PROJECTS. Submit a report each December 31 to the joint committee on finance and to the chief clerk of each house of the legislature, for distribution to the appropriate standing committees under s. 13.172 (3), regarding the data processing projects under development. 1. Is for services which duplicate or are inconsistent with services being provided or purchased by the department or other county departments receiving grants-in-aid or reimbursement from the department.

2. Is inconsistent with state or federal statutes, rules or regulations, in which case the department may also arrange

The county board of supervisors or its designated agent in a county with a single-county department or the county boards of supervisors in counties with a multicounty department or their designated agents may approve or amend the plan and may submit for departmental approval the plan as adopted. If a multicounty department is administering a program, the plan may not be submitted unless each county board of supervisors which participated in the establishment of the multicounty department, or its designated agent, adopts it.

A majority of the members of the committee shall be citizen and service consumers. At least one member of the committee shall be chosen from the governing or administrative board of the community action agency serving the county or counties under s. 46.30, if any. 46.036 Purchase of care and services. (1) All care and services purchased by the department or by a county department under s. 46.215, 46.22, 46.23, 51.42 or 51.437 shall be authorized and contracted for under the standards established under this section. For purchases of \$10,000 or less the requirement for a written contract may be waived by the department. No contract is required for care provided by foster homes required to be licensed under s. 48.62. When the department directly contracts for services, it shall follow the procedures in this section in addition to meeting purchasing requirements established in s. 16.75.

(2) All care and services purchased shall meet standards established by the department and other requirements specified by purchaser in the contract. Based on these standards the department shall establish standards for cost accounting and management information systems that shall monitor the utilization of such services, and document the specific services in meeting the service plan for the client and the objective of the service.

(3) (a) Purchase of service contracts shall be written in accordance with rules promulgated and procedures established by the department. Contracts for client services shall show the total dollar amount to be purchased and for each service the number of clients to be served, number of client service units, the unit rate per client service and the total dollar amount for each service.

(b) Payments under a contract may be made on the basis of actual allowable costs or on the basis of a unit rate per client service multiplied by the actual client units furnished each month. The contract may be renegotiated when units vary from the contracted number. The purchaser shall determine actual marginal costs for each service unit less than or in addition to the contracted number.

(c) For proprietary agencies, contracts may include a percentage add-on for profit according to rules promulgated by the department.

(d) Reimbursement to an agency may be based on total costs agreed to by the parties regardless of the actual number of service units to be furnished, when the agency is entering into a contract for a new or expanded service that the purchaser recognizes will require a start-up period not to exceed 180 days. Such reimbursement applies only if identified client needs necessitate the establishment of a new service or expansion of an existing service.

(e) If the purchaser finds it necessary to terminate a contract prior to the contract expiration date for reasons

other than nonperformance by the provider, actual cost incurred by the provider may be reimbursed for an amount determined by mutual agreement of the parties.

(f) Advance payments of up to one-twelfth of an annual contract may be allowed under the contract. If the advance payment exceeds \$10,000, the provider shall supply a surety bond for an amount equal to the amount of the advance payment applied for. No surety bond is required if the provider is a state agency. The cost of the surety bond shall be allowable as an expense.

(4) For purposes of this section and as a condition of reimbursement, each provider under contract shall:

(a) Except as provided in this subdivision, maintain a uniform double entry accounting system and a management information system which are compatible with cost accounting and control systems prescribed by the department. The department shall establish a simplified double entry book-keeping system for use by family-operated group homes. Each purchaser shall determine whether a family-operated group home from which it purchases services shall use the double entry accounting system or the simplified system and shall include this determination in the purchase of service contract. In this paragraph, "family-operated group home" means a group home licensed under s. 48.66 for which the licensee is one or more individuals who operate not more than one group home.

(b) Cooperate with the department and purchaser in establishing costs for reimbursement purposes.

(c) Unless waived by the department, biennially, or annually if required under federal law, provide the purchaser with a certified financial and compliance audit report if the care and services purchased exceed \$25,000. The audit shall follow standards that the department prescribes. A purchaser may waive the requirements of this paragraph for any family-operated group home, as defined under par. (a), from which it purchases services.

46.25 Child and spousal support; establishment of paternity; medical liability. (1) There is created a child and spousal support and establishment of paternity and medical liability support program in the department. The purpose of this program is to establish paternity when possible, to establish or modify support obligations, to enforce support obligations owed by parents to their children and maintenance obligations owed to spouses or former spouses with whom the children reside in this state or owed in other states if the support order was issued in this state or owed in other states if the parent, spouse or former spouse resides in this state, to locate persons who are alleged to have taken their child in violation of s. 948.31 or of similar laws in other states, and to locate and value property of any person having a support duty. To accomplish the objectives of this program and of other assistance programs under ch. 49, county and state agencies will cooperate with one another to implement a child and spousal support and paternity establishment program in accordance with state and federal laws, regulations and rules and to assure proper distribution of benefits of all assistance programs authorized under ch. 49.

(2) The department shall constitute the state location service which shall assist in locating parents who have deserted their children and other persons liable for support of dependents or persons who are alleged to have taken their child in violation of s. 948.31 or of similar laws in another state, and in locating and valuing property of any person having a support duty.

(6) The department shall establish, pursuant to federal and state laws, rules and regulations, a uniform system of fees for services provided under this section to individuals not receiving aid under s. 49.19 or 49.47. The system of fees may take into account an individual's ability to pay. Any fee paid and collected under this subsection may be retained by the county providing the service except for the fee specified in 42 USC 653 (e) (2) for federal parent locator services.

(7) The department may represent the state in any action to establish paternity or to establish or enforce a support or maintenance obligation. The department may delegate its authority to represent the state in any action to establish paternity or to establish or enforce a support or maintenance obligation under this section to an attorney responsible for support enforcement under s. 59.458 (1) pursuant to a contract entered into under s. 59.07 (97). The department shall ensure that any such contract is for an amount reasonable and necessary to assure quality service. The department may, by such a contract, authorize a county to contract with any attorney, collection agency or other person to collect unpaid child support or maintenance. If a county fails to fully implement the programs under s. 59.07 (97), the department may implement them and may contract with any appropriate person to obtain necessary services. The department shall establish a formula for disbursing funds appropriated under s. 20.435 (4) (p) to carry out a contract under this subsection.

(7m) The department may contract with or employ a collection agency, attorney or other person to enforce a support obligation of a parent residing outside this state, or to appear in an action in federal court to enforce such an obligation, or both. To pay for the department's administrative costs of implementing this subsection, the department may charge a fee to counties, retain up to 50% of any incentive payment made to this state under 42 USC 658 for a collection under this subsection, and retain 30% of this state's share of a collection made under this subsection on behalf of a recipient of aid to families with dependent children.

(8) The department may charge other states and counties seeking collection of child and spousal support for any administrative costs it incurs in providing services related to interstate child support collections, the federal parent locator service under 42 USC 653, the interception of unemployment compensation under 42 USC 654 or the withholding of state and federal income tax refunds under s. 46.255 and 42 USC 664.

(b) Shall establish guidelines for courts to consider in determining child support under ss. 767.25 (1m) and 767.51 (5), and shall submit the guidelines to any appropriate

(11) The department may, upon request, disclose to a consumer reporting agency, as defined under 45 CFR 303.105 (a), the amount of overdue child support owed by a parent. The department shall notify the parent prior to disclosing the information to the consumer reporting agency and inform the parent of the methods available for contesting the accuracy of the information.

(12) From the appropriations under s. 20.435 (4) (ch) and (nL), the department shall, if sufficient funds are available, pay a county \$100 for an action to establish paternity in which all of the following conditions are met:

(a) At the time of the child's birth the mother of the child is under the age of 20 and is not married.

(b) The attorney designated by that county under s. 767.45 (6) (a) represents the state.

(c) A judgment establishing the paternity of the child under s. 767.51 is entered before the child's first birthday.

Information contained in a county paternity case file may be released for purposes of fraud investigation of the public assistance programs specified in 49.53 OAG 13-92.

46.253 Community work experience program for absent parents. (1) In this section, "custodial parent" means a parent who lives with his or her child for substantial periods of time.

(2) The department may contract with any county to establish a community work experience program for parents who are not custodial parents and who fail to pay child support. The department shall fund the program from the appropriation under s. 20.435 (4) (df).

(3) (a) Except as provided in par. (f), a person ordered to register under s. 767.295 (2) (a) shall participate in a community work experience program if a job placement is available.

(b) A person may not be required to work more than 32 hours per week in the program under this section.

(c) A person may not be required to work more than 16 weeks during each 12-month period in a program under this section.

(d) If a person is required by a governmental entity to participate in another work or training program, the maximum number of hours in a week which the person may be required to work in a program under this section equals 32 minus the number of hours he or she is required to participate in the other work or training program in that week.

(e) If a person is employed, the maximum number of hours in a week which the person may be required to work in a program under this section equals 80% of the difference between 40 hours and the number of hours actually worked in the unsubsidized job during that week.

(f) A person who works, on average, 32 hours or more per week in an unsubsidized job is not required to participate in a program under this section.

(g) If the person's child receives benefits under s. 49.19, the liability under s. 49.195 of a parent who is a member of the child's household is reduced by the amount of the federal minimum hourly wage under 29 USC 206 (a) (1) for each hour the person participates in a program under this section.

(4) When a person completes 16 weeks of participation in a program under this section, the county operating the program shall inform the clerk of courts, by affidavit, of that completion.

(5) A person participating in a community work experience program under this section in a county is considered an employe of that county for purposes of worker's compensation benefits only.

(6) A county shall reimburse a person for reasonable transportation costs incurred because of participation in a program under this section up to a maximum of \$25 per month.

(7) The department shall pay a county \$200 for each person who participates in the program under this section in that county. The county shall pay any additional costs of the program.

46.255 Certification of delinquent payments. (1) If a person obligated to provide child support or maintenance is delinquent in making court-ordered payments the clerk of court, upon application of the county designee under s. 59.07 (97) or the department, shall certify the delinquent payment to the department.

(2) At least annually, the department of health and social services shall provide to the department of revenue the certifications that it receives under sub. (1) and any certifications of delinquencies that it receives from another state because the obligor resides in this state.

(2m) At least annually, the department of health and social services shall certify to the department of revenue any obligation owed to the department of health and social services under s. 46.10 if the obligation is rendered to a judgment.

(3) Receipt of a certification by the department of revenue shall constitute a lien, equal to the amount certified, on any state tax refunds or credits owed to the obligor. The lien shall be foreclosed by the department of revenue as a setoff under s. 71.93 (3), (6) and (7). When the department of revenue determines that the obligor is otherwise entitled to a state tax refund or credit, it shall notify the obligor that the state intends to reduce any state tax refund or credit due the obligor by the amount the obligor is delinquent under the support or maintenance order or by the amount due under s. 46.10 (4). The notice shall provide that within 20 days the obligor may request a hearing before the circuit court rendering the order. Within 10 days after receiving a request for hearing under this subsection, the court shall set the matter for hearing. Pending further order by the court or family court commissioner, the clerk of court is prohibited from disbursing the obligor's state tax refund or credit. The family court commissioner may conduct the hearing. The sole issues at that hearing shall be whether the obligor owes the amount certified and, if not and it is a support or maintenance order, whether the money withheld from a tax refund or credit shall be paid to the obligor or held for future support or maintenance. An obligor may, within 20 days of receiving notice that the amount certified shall be withheld from his or her federal tax refund or credit, request a hearing under this subsection.

(4) The department of revenue shall send that portion of any state or federal tax refunds or credits withheld to the department of health and social services for distribution to the appropriate clerk of court. The department of health and social services shall make a settlement at least annually with the department of revenue and with each county clerk of court who has certified a delinquent obligation. The settlement shall state the amounts certified, the amounts deducted from tax refunds and credits and returned to the county clerk of court and the administrative costs incurred by the department of revenue. The department of health and social services may charge the county whose clerk of court certified the

obligation the related administrative costs incurred by the department of health and social services and the department of revenue.

(4m) (a) In this subsection, "vendor" means a person providing goods or services to this state under subch. IV or V of ch. 16 or under ch. 84 or any medical assistance provider, as defined under s. 49.43 (10).

(b) The department may provide a certification that it receives under sub. (2) or (2m) to the department of administration. Upon receipt of the certification, the department of administration shall determine whether the obligor is a vendor or is receiving any other payments from this state, except for wages, retirement benefits or assistance under s. 45.352, 1971 stats., or s. 45.28 or 45.351 (1), this chapter or ch. 49 or 108. If the department of administration determines that the obligor is a vendor or is receiving payments from this state, except for wages, retirement benefits or assistance under s. 45.352, 1971 stats., or s. 45.28 or 45.351 (1), this chapter or ch. 49 or 108, it shall begin to withhold the amount certified from those payments and shall notify the obligor that the state intends to reduce any payments due the obligor by the amount the obligor is delinquent under the support or maintenance order or by the amount due under s. 46.10 (4). The notice shall provide that within 20 days after receipt of the notice the obligor may request a hearing before the circuit court rendering the order. An obligor may, within 20 days after receiving notice, request a hearing under this paragraph. Within 10 days after receiving a request for hearing under this paragraph, the court shall set the matter for hearing. The family court commissioner may conduct the hearing. Pending further order by the court or family court commissioner, the clerk of court may not disburse the payments withheld from the obligor. The sole issues at the hearing are whether the obligor owes the amount certified and, if not and it is a support or maintenance order, whether the money withheld shall be paid to the obligor or held for future support or maintenance.

(c) Except as provided by order of the court after hearing under par. (b), the department of administration shall continue withholding until the amount certified is recovered in full. The department of administration shall transfer the amounts withheld under this paragraph to the department of health and social services for distribution to the appropriate clerk of court.

(d) A setoff under s. 73.12 (3) has priority over withholding under this subsection.

(5) Certification of an obligation to the department of health and social services does not deprive any party of the right to collect the obligation or to prosecute the obligor. The clerk of court shall immediately notify the department of any collection of an obligation that has been certified. The department shall correct the certified obligation according to the amount the county has collected and report the correction to the department of revenue.

(6) If the state implements the child and spousal support and paternity program under s. 59.07 (97), the state may act in place of the county designee under this section.

(7) The department may provide a certification under sub. (1) to a state agency or authority under s. 21.49 (2) (e), 36.11 (6) (b), 36.25 (14), 36.34 (1), 39.30 (2) (e), 39.38 (2), 39.435 (6), 39.44 (4), 39.47 (2m), 45.351 (2) (c), 45.396 (6), 45.74 (6), 144.25 (8) (L), 145.245 (5m) (b), 234.04 (2), 234.49 (1) (c),

46.258 Revision of child support orders and collection incentive programs.

(1) The department shall fund a child support order revision program from the appropriation under s. 20.435 (4) (ga). The program may expend \$151,000 in fiscal year 1991-92 and \$245,200 in fiscal year 1992-93 to award grants to counties for programs to revise child support orders. The county shall review child support orders awarded to persons whose children receive benefits under s. 49.19 and to persons whose children do not receive benefits under s. 49.19 and shall initiate actions to revise the orders based on that review. The county shall review child support orders awarded to persons whose children receive benefits under s. 49.19 and child support orders awarded to persons whose children do not receive benefits under s. 49.19 in proportion to the number of those 2 categories of orders in the county's child support case load. Before a county may initiate an action to revise a child support order for a person whose children do not receive benefits under s. 49.19, the custodial parent of the children must voluntarily consent to the revision. The program specified under this subsection shall begin on August 9, 1989, and end on June 30, 1993.

(2) (a) From the appropriation under s. 20.435 (4) (g), the department shall provide state incentive payments, in a total amount of not less than \$259,000 in fiscal year 1992-93, to counties that meet the child support collection and child support administrative efficiency criteria, according to an allocation formula determined by the department that does all of the following:

1. Provides an incentive for a county to increase its child support collections for persons whose children receive benefits under s. 49.19 as well as for persons whose children do not receive benefits under s. 49.19.

2. Provides an incentive for a county to increase its paternity establishments.

3. Provides for state incentive payments to a county in an amount such that the total of state and federal incentive payments to the county is not more than 5% more than the costs of the county's child support program under s. 46.25.

(b) A county that receives a state incentive payment under par. (a) may use the funds only to pay the costs of its child support program under s. 46.25.

The department of health and social services shall establish information systems, monitoring and evaluation procedures to report periodically to the governor and legislature on the state impact of this section.

(2) RECEIPT OF FUNDS. (a) All funds to counties under this section shall be allocated to county departments under ss. 46.21, 46.22 and 46.23 subject to ss. 46.031 and 49.52 (2), except that monthly advance payments to the counties may be less than one-twelfth of the contracted amounts. No reimbursement may be made to any multicounty department until the counties which established the department have drawn up a detailed contractual agreement, approved by the

secretary of health and social services, setting forth the plans for joint sponsorship.

(b) Uniform fees collected or received by counties under s. 46.03 (18) for services provided under this section shall be applied to cover the cost of the services.

(c) All funds under this section shall be used to purchase or provide juvenile delinquency-related services under ch. 48, except that no funds under this section may be used for purposes of land purchase, building construction or maintenance of buildings under ss. 46.17 and 46.175, for reimbursement of costs under s. 48.209, for city lockups or for reimbursement of care costs in temporary shelter care under s. 48.22. Funds under this section may be used for reimbursement of costs of program services, other than basic care and supervision costs, in juvenile secure detention facilities.

(2m) PUBLIC PARTICIPATION PROCESS. In determining the use of funds under this section, county departments under ss. 46.21, 46.22 and 46.23 shall assess needs using an open public participation process which involves representatives of those receiving services.

(3) GRANTS-IN-AID. (a) Receipt of funds under this subsection is contingent upon use of a public participation process required under sub. (2m).

(c) Within the limits of the appropriations under s. 20.435 (3) (cd) and (oo), the department of health and social services shall allocate funds to each county for services under this section.

(d) In addition to the funds allocated under par. (c), the department of health and social services shall allocate funds to counties under sub. (4) (b) 2 and shall consider each county's proportionate use of applicable services of the department of health and social services under ss. 48.34 and 48.366 or the department of corrections under s. 48.366 during previous calendar years.

(dm) The department of health and social services may carry forward for a county from one calendar year to another funds allocated under this subsection that are not spent or encumbered. The amount that the department may carry forward for a county under this paragraph may not exceed 3% of the amount allocated to the county for the 12-month period ending December 31. The funds carried forward under this paragraph do not affect a county's base allocation.

(e) The department of health and social services may carry forward \$500,000 or 10% of its funds allocated under this subsection and not encumbered or carried forward under par. (dm) by counties by December 31, whichever is greater, to the next 2 calendar years. The department may transfer moneys from or within s. 20.435 (3) (cd) to accomplish this purpose. The department may allocate these transferred moneys to counties with persistently high rates of juvenile arrests for serious offenses during the next 2 calendar years to improve community-based juvenile delinquency-related services. The allocation does not affect a county's base allocation.

(4) STATE SERVICES. (a) Except as provided in par. (c), the department of health and social services shall bill counties or deduct from the allocations under s. 20.435 (3) (cd) for the costs of care, services and supplies purchased or provided by the department of health and social services for each person receiving services under ss. 48.34, 48.366 and 51.35 (3) or the department of corrections for each person receiving services under s. 48.366. The department of health and social services may not bill a county for or deduct from a county's allocation the cost of care, services and supplies provided to a person subject to an order under s. 48.366 after the person reaches 19 years of age. Payment shall be due within 60 days of the billing date. If any payment has not been received within 60 days, the department of health and social services may

withhold aid payments in the amount due from the appropriation under s. 20.435 (7) (b).

(b) 1. Assessment of costs under par. (a) shall be made periodically on the basis of a per person per day cost estimate adjusted at least annually by the department. Except as provided in par. In multicounty court jurisdictions, the county of residency within the jurisdiction shall be liable for costs under this subsection. Assessment of costs under par. (a) shall also be made according to the general placement type or level of care provided, as defined by the department, and prorated according to the ratio of the amount designated under sub. (3) (c) and (d) to the total applicable estimated costs of care, services and supplies provided by the department of health and social services under ss. 48.34, 48.366 and 51.35 (3) or the department of corrections under s. 48.366.

2. If there is an increase in the per person daily cost assessment, there shall be an increase in the total funds available to all counties under sub. (3) (d) to cover increases for state charges under par. (a).

(c) Notwithstanding pars. (a) and (b) 1, the department of health and social services shall pay, from the appropriation under s. 20.435 (3) (hm), the costs of care, services and supplies provided for each person receiving services under ss. 48.34, 48.366 and 51.35 (3) who was under the guardianship of the department pursuant to an order under ch. 48 at the time that the person was adjudicated delinquent.

(d) 1. Except as provided in pars. (e) to (g), for services under s. 48.34, all payments and deductions made under this subsection and uniform fee collections made under s. 46.03 (18) shall be deposited in the appropriation under s. 20.435 (3) (hm). As adjustments in the assessments under this subsection are made, there shall be a proportionate adjustment in the allocations to counties under sub. (3) (d).

1m. Except as provided in pars. (e) to (g), for services under s. 48.366, all payments and deductions made under this subsection and uniform fee collections made under s. 46.03 (18) shall be deposited in the appropriation under s. 20.435 (3) (hm) for services provided by the department of health and social services or s. 20.410 (1) (hx) for services provided by the department of corrections. As adjustments in the assessments under this subsection are made, there shall be a proportionate adjustment in the allocations to counties under sub. (3) (d).

(d) 1. Apply the uniform fee schedule under s. 46.03 (18) for long-term community support services provided any person under par. (b), if the person is eligible for medical assistance under s. 49.46, 49.468 or 49.47 or if the county department or aging unit finds the person likely to become medically indigent within 6 months by spending excess income or assets for medical or remedial care.

2. Bill other persons not subject to subd. 1 for the full cost of long-term community support services received.

3. Use funds received under this paragraph to pay for long-term community support services for persons who are eligible under sub. (6) (b).

(e) Within the limits of state and federal funds allocated under sub. (7) and in accordance with the county's plan for gradual implementation and the requirements under sub. (6) (a) 3, apply the program to any person residing in a nursing home who wants to be assessed and to receive long-term community support services, and coordinate the program with the protective services system under ch. 55.

(f) Implement the long-term community support service fee schedule under par. (g).

(g) Assess a person who receives services under par. (b) at least 50% of the amount specified under the fee calculation schedule under par. (f) for the services provided that person.

(h) Within the limits of state and federal funds allocated under sub. (7) and in accordance with the county's plan for gradual implementation, apply the program to any person who has been diagnosed by a physician as having Alzheimer's disease, who meets the level of care requirements under sub. (6r) (b) 4 and who wants to be assessed and to receive long-term community support services.

(i) In the instances in which an individual who is provided long-term community support services under par. (b) for which the individual receives direct funding, serve directly as a fiscal agent or contract with a fiscal intermediary to serve as a fiscal agent for that individual for the purposes of performing the responsibilities and protecting the interests of the individual under the unemployment compensation law. The county department or aging unit may elect to act as a fiscal agent or contract with a fiscal intermediary to serve as a fiscal agent for an individual who is provided long-term support services under s. 46.275, 46.277, 46.278, 49.52, 51.42 or 51.437. The fiscal agent under this paragraph is responsible for remitting any federal unemployment compensation taxes or state unemployment compensation contributions owed by the individual, including any interest and penalties which are owed by the individual; for serving as the representative of the individual in any investigation, meeting, hearing or appeal involving ch. 108 or the federal unemployment tax act (26 USC 3301 to 3311) in which the individual is a party; and for receiving, reviewing, completing and returning all forms, reports and other documents required under ch. 108 or the federal unemployment tax act on behalf of the individual. An individual may make an informed, knowing and voluntary election to waive the right to a fiscal agent. The waiver may be as to all or any portion of the fiscal agent's responsibilities. The waiver may be rescinded in whole or in part at any time.

(6) ASSESSMENTS. (a) 1. Within the limits of state and federal funds allocated under sub. (7), an assessment shall be conducted for any person identified in sub. (5) (e) or who is seeking admission to or is about to be admitted to a nursing home.

1m. Each assessment shall determine the person's functional abilities, disabilities and need for medical and social long-term community support services. Each assessment shall include an investigation of long-term community support services that could serve as alternatives to institutional care in a nursing home. The assessment shall include an explanation of the potential community alternatives to the person being assessed and the person's family or guardian.

2. Subdivision 1 does not apply to:

a. Any person or facility that is excluded because of gradual implementation of the program under sub. (3) (c).

b. Emergency admissions, as determined by a physician, but shall be applied within 10 days of admission.

c. Private pay patients seeking admission to or about to be admitted to a facility under subd. 1 who are informed about the program but waive the assessment, unless the patient will be eligible for medical assistance within 6 months of assessment.

cm. Persons seeking admission to or about to be admitted to the Wisconsin veterans home at King under subd. 1 who are informed about the program but waive the assessment.

d. Any person who is readmitted to a nursing home from a hospital within 6 months after being assessed.

e. Current residents of a nursing home who are eligible for an assessment under sub. (5) (e) and subd. 3, but who waive the assessment.

f. A person who enters a nursing home for recuperative care.

g. A person who enters a nursing home for respite care.

h. A person who is admitted to a nursing home from another nursing home, unless the person requests an assessment and funds allocated for assessments under sub. (7) (am) are available to the county.

3. In each participating county, assessments shall be conducted for those persons and in accordance with the procedures described in the county's community options plan. The county may elect to establish assessment priorities for persons in target groups identified by the county in its plan regarding gradual implementation. If a person who is already admitted to a nursing home requests an assessment and if funds allocated for assessments under sub. (7) (am) are available, the county shall conduct the assessment.

(b) Within the limits of state and federal funds allocated under sub. (7), a community services case plan shall be developed for any person with chronic disabilities:

1. Who is assessed under par. (a); and

2. For whom noninstitutional community services are feasible, financially viable and preferred by the person or the person's guardian. In this subdivision, noninstitutional community services are financially viable if they can be financed by state or federal funds allocated under sub. (7).

(d) If the county, through an assessment, determines that a community arrangement is not feasible, the county department or aging unit administering the program shall explain the reasons to the person and his or her family or guardian. The county department or aging unit administering the program shall maintain records sufficient to provide the county long-term support planning committee and the department with a periodic review of the reasons community arrangements were not feasible in order to assist future program planning.

(e) The department shall encourage counties to use public health nurses who meet the requirements of s. 141.045 (1) to conduct assessments under this subsection.

(6d) CARE MANAGEMENT REQUIREMENTS. (a) The department, after consulting with representatives of counties, hospitals, and individuals who receive services under this section, shall do all of the following:

1. Establish minimum requirements for the provision of care management services, as defined by the department, including standards for care, times for performance of duties, and size of caseloads.

2. Specify a reasonable schedule for phasing in the requirements established under subd. 1.

3. Provide technical consultation and assistance to the administrator of the program, as designated under sub. (3) (b), with respect to the requirements established under subd. 1.

(b) The department need not promulgate as rules under ch. 227 the requirements under par. (a) 1 or the schedule under par. (a) 2.

(6g) FISCAL RESPONSIBILITY. Except as provided in s. 51.40, and within the limitations under sub. (7) (b), the fiscal responsibility of a county for an assessment, case plan or services provided to a person under this section is as follows:

(a) For a person seeking admission to or about to be admitted to a nursing home, the county in which the person has residence is the county of fiscal responsibility.

(b) For a person residing in a nursing home, except a state-operated long-term care facility, the county in which the nursing home is located is the county of fiscal responsibility.

(c) For a person living in a nursing home, except a state-operated long-term care facility, whose legal residence is established in another county, the county in which the legal residence is established is the county of fiscal responsibility.

(d) For a person residing in a state-operated long-term care facility, or for a person protectively placed under ch. 55, the county in which the person has residence before he or she enters the state-operated long-term care facility or is protectively placed is the county of fiscal responsibility.

(6r) ELIGIBILITY. No county may use funds received under sub. (7) (b) to pay for long-term community support services provided to any of the following:

(a) A person who is initially eligible for services under sub. (7) (b), for whom home and community-based services are available under sub. (11) that require less total expenditure of state funds than do comparable services under sub. (7) (b) and who is eligible for and offered the home and community-based services under sub. (11), but who declines the offer, except that a county may use funds received under sub. (7) (b) to pay for long-term community support services for the person for a period of up to 90 days during which an application for services under sub. (11) for the person is processed.

(b) A person who initially receives services under this section after December 31, 1985, unless one of the following applies:

1. The person meets the level of care requirements under s. 49.45 (6m) (i) for reimbursement of nursing home care under the medical assistance program.

1m. The person meets the requirement under s. 49.45 (6g) (a) 1, 2 or 3 for receipt of care in an institution for mental diseases.

2. The person has chronic mental illness, as defined under s. 51.01 (3g), affecting mental health to the extent that long-term or repeated hospitalization is likely unless the person receives long-term community support services.

3. The person receives medical assistance, resides in a nursing home immediately prior to receiving services under this section and is identified through the inspection of patient care under 42 USC 1396a (a) (31) as a person for whom community care is appropriate.

4. The person has been diagnosed by a physician as having Alzheimer's disease and requires a level of care equivalent to either of the following:

a. Noninstitutional personal care, including personal assistance, supervision and protection, and periodic medical services and consultation with a registered nurse, or periodic observation and consultation for physical, emotional, social or restorative needs, but not regular nursing care.

b. Care, including social services and activity therapy, in a residential facility under the daily supervision of a licensed nurse with consultation from a registered nurse at least 4 hours per week.

(7) **FUNDING** (am) From the appropriation under s. 20.435 (7) (bd), the department shall allocate funds to each county or private nonprofit agency with which the department contracts to pay assessment and case plan costs under sub. (6) not otherwise paid under s. 46.032 or 49.45. The department shall reimburse counties for the cost of assessing persons eligible for medical assistance under s. 49.46, 49.468 or 49.47 as part of the administrative services of medical assistance, payable under s. 49.45 (3) (a). Counties may use unspent funds allocated under this paragraph to pay the cost of long-term community support services.

(b) 1m. From the appropriation under s. 20.435 (7) (bd), the department shall allocate funds to each county to pay the cost of providing long-term community support services under sub. (5) (b) not otherwise paid under s. 49.45 to persons eligible for medical assistance under s. 49.46 or 49.47 or to persons whom the county department or aging unit administering the program finds likely to become medically indigent within 6 months by spending excess income or assets for medical or remedial care. The average per person reimbursement under this paragraph may not exceed the state share of the average per person payment rate the department expects under s. 49.45 (6m). The county department or aging unit administering the program may spend funds received under this paragraph only in accordance with the case plan and service contract created for each person receiving long-term community support services.

2. No county may use funds received under this paragraph to pay for long-term community support services provided any person who resides in a nursing home, unless the department waives this restriction on use of funds and the services are provided in accordance with a discharge plan.

(c) 2. Receipt of funds under this section is subject to s. 49.52 (2).

3. The department may not release funds under this section before approving the county's community options plan.

(d) The department may release funds to counties acting jointly, if the counties sign a contract approved by the secretary that explains the plans for joint sponsorship.

(e) No county may use funds received under this section to purchase land or construct buildings.

(f) If the department determines that a county demonstrates a pattern of failure to serve clients whose cost of care significantly exceeds the average cost of care for long-term community support services provided under this section, the department may require that county to reserve a portion of funds allocated under this subsection for provision of service to those clients.

(fm) The department shall, at the request of a county, carry forward up to 10% of the amount allocated under this subsection to the county for a calendar year if up to 10% of the amount so allocated has not been spent or encumbered by the county by December 31 of that year, for use by the county in the following calendar year. The department may transfer funds within s. 20.435 (7) (bd) to accomplish this purpose. An allocation under this paragraph does not affect a county's base allocation under this subsection and shall lapse to the general fund unless expended within the calendar year to which the funds are carried forward. A county may not expend funds carried forward under this paragraph for administrative or staff costs, except administrative or staff costs that are associated with implementation of the waiver under sub. (11) and approved by the department.

(g) The department may carry forward to the next state fiscal year up to \$500,000 of funds allocated under this subsection and not encumbered by counties by December 31 or carried forward under par. (fm). The department may

transfer moneys within s. 20.435 (7) (bd) to accomplish this purpose. An allocation under this paragraph shall not affect a county's base allocation for the program. The department may allocate these transferred moneys during the next fiscal year to counties for the improvement or expansion of long-term community support services for clients whose cost of care significantly exceeds the average cost of care provided under this section, including any of the following:

1. Specialized training for providers of services under this section.

2. Start-up costs for developing needed services.

3. Home modifications.

4. Purchase of medical equipment or other specially adapted equipment.

(7m) **RIGHT TO HEARING.** A person who is denied eligibility for services or whose services are reduced or terminated under this section may request a hearing from the department under s. 227.44, except that lack of adequate funding or a denial under sub. (6r) (a) may not serve as the basis for a request under this subsection.

(8) **COUNTY PARTICIPATION.** Every county shall participate in and implement the program.

(9) **PILOT PROJECT ALLOCATING THE COST OF NURSING HOME UTILIZATION INCREASES TO COUNTIES.** (a) The department may select up to 5 counties that volunteer to participate in a pilot project under which they will receive certain funds allocated for long-term care. The department shall allocate a level of funds to these counties equal to the amount that would otherwise be paid under s. 20.435 (1) (b) to nursing homes for providing care because of increased utilization of nursing home services, as estimated by the department. In estimating these levels, the department shall exclude any increased utilization of services provided by state centers for the developmentally disabled. The department shall calculate these amounts on a calendar year basis under sub. (10).

(b) The department may only select counties to participate in this pilot project and receive these funds that have been part of the long-term support community options program since January 1, 1983. County participation in this pilot project shall be for periods beginning either January 1, 1984, or January 1, 1985.

(c) All long-term community support services provided under this pilot project in lieu of nursing home care shall be consistent with those services described in the participating county's community options plan under sub. (4) (c) and provided under sub. (5) (b). Each county participating in the pilot project shall assess persons under sub. (6).

(10) **FUNDING THE PILOT PROJECT.** (a) 1. The department shall determine for each county participating in the pilot project under sub. (9) a funding level of state medical assistance expenditures to be received by the county. This level shall equal the amount that the department determines would otherwise be paid under s. 20.435 (1) (b) because of increased utilization of nursing home services, as estimated by the department.

2. The department shall transfer or credit to the participating county the amount calculated under subd. 1 for 1984 or for the first 6 months of 1985, depending on the date the county begins participating in the pilot project. The county shall use these funds to provide long-term care to medical assistance recipients covered by its community options plan, either in the form of nursing home care financed under par. (b) or in the form of long-term community support services. The county may use extra funds available under this paragraph after it provides this long-term care for other long-term community support services under its community options plan.

(b) Each county participating in the pilot project is liable for the entire nonfederal share of medical assistance costs related to increased utilization of nursing homes that are located in the county.

(c) The department's method of determining each county's base level of funding, the transfer or credit of funds and the department's specification of county financial liability under the pilot project are subject to the approval of the joint committee on finance.

(11) MEDICAL ASSISTANCE WAIVER. (a) In this subsection, "physically disabled" means having a condition that affects one's physical functioning by limiting mobility or the ability to see or hear, that is the result of injury, disease or congenital deficiency and that significantly interferes with or limits at least one major life activity and the performance of one's major personal or social roles.

(am) The department shall request a waiver from the secretary of the federal department of health and human services, under 42 USC 1396n (c), authorizing the department to provide as part of the medical assistance program home and community-based services for persons who are eligible for long-term support community options program services under sub. (5) (b).

(b) The department shall include all assurances required under 42 USC 1396n (c) in the implementation of the waiver.

(c) The following conditions apply under the waiver:

1. At the end of the 3-year period during which the waiver remains in effect the department may request a 3-year extension of the waiver.

2. The department shall annually submit to the secretary of the federal department of health and human services information showing the effect of the program on the type and amount of medical assistance provided and on the health and welfare of program participants.

3. Medical assistance reimbursement for services a county, a private nonprofit agency or an aging unit with which the department contracts provides under this subsection shall be made from the appropriations under s. 20.435 (1) (o) and (7) (b) and (bd).

4. The department may, from the appropriation under s. 20.435 (1) (o), provide reimbursement for services provided under this subsection by counties that are in excess of the current average annual per person rate, as established by the department, and are less than or equal to the average amount approved in the waiver received under par. (am).

5. The department may contract for services under this subsection with a county, a private nonprofit agency or, if a county board of supervisors by resolution so requests the department, an aging unit.

6. No county, private nonprofit agency or aging unit may use funds received under this subsection to provide residential services in any community-based residential facility, as defined in s. 50.01 (1g), or group home, as defined in s. 48.02 (7), that has more than 4 beds, unless one of the following applies:

a. The department approves the provision of services in a community-based residential facility or group home that has 5 to 8 beds.

b. The department approves the provision of services in a community-based residential facility that entirely consists of independent apartments, each of which has an individual lockable entrance and exit and individual separate kitchen, bathroom, sleeping and living areas, to individuals who are eligible under this subsection and are physically disabled or are at least 65 years of age.

(12) RULES. The department shall promulgate rules establishing the following:

(a) Fiscal management procedures required to be implemented by counties in administering the program under this section, as follows:

1. A simple contract between the community options program client and the service provider for that client.

2. A method for documenting the amount of service provided to enable verification of the appropriateness of payment.

3. Guidelines for determining whether a potential community options program client is competent to receive community options program funds directly or if an action should be brought for a determination of competency and the appointment of a guardian.

4. Supervisory review of community options program client payment decisions.

(b) Standards to ensure that only a single payment is made by the department for an initial community options case plan conducted by a county.

(2) The department shall do all of the following:

(a) Solicit applications from county departments or aging units for the pilot projects under sub. (1).

(b) Require that an applying county department or aging unit under par. (a) submit as part of the application specific plans for improving the coordination between hospitals and providers of home and community-based long-term support services.

(c) Give priority, in awarding funds under sub. (1), to an application from a county department or aging unit in a county that has one of the following:

1. A significant number of individuals who are discharged from hospitals and need and do not receive home and community-based long-term support services.

2. Few available nursing home beds.

3. A population of 500,000 or more.

46.275 Community integration program for residents of state centers. (1) **LEGISLATIVE INTENT.** The intent of the program under this section is to relocate persons from the state centers for the developmentally disabled into appropriate community settings with the assistance of home and community-based services and with continuity of care. The intent of the program is also to minimize its impact on state employes through redeployment of employes into vacant positions.

46.275 SOCIAL SERVICES**(1m) DEFINITIONS.** In this section:

(a) "Medical assistance" means aid provided under ss. 49.43 to 49.47, except s. 49.468.

(b) "Program" means the community integration program for residents of state centers for the developmentally disabled, for which a waiver has been received under sub. (2).

The department may request a waiver from the secretary of the U.S. department of health and human services, under 42 USC 1396n (c), authorizing the department to integrate medical assistance recipients who reside in state centers for the developmentally disabled into their communities by providing home and community-based services as part of the medical assistance program. If the department requests this waiver, it shall include all assurances required under 42 USC 1396n (c) (2) in its request. If the department receives this waiver, at the end of the 3-year period during which the waiver remains in effect the department may request an additional 3-year extension of the waiver. If the department receives this waiver, it shall:

(a) Annually submit to the secretary of the U.S. department of health and human services information showing the effect of the program on medical assistance costs and on the health and welfare of program participants.

(b) Evaluate the effect of the program on medical assistance costs and on the program's ability to provide community care alternatives to institutional care in state centers for the developmentally disabled.

(c) Fund home or community-based services provided by any county or by the department that meet the requirements of this section.

(d) Review and approve or disapprove each plan of care developed under sub. (3) (c) 2.

(e) Submit to the governor and to the chief clerk of each house of the legislature, for distribution to appropriate legislative standing committees under s. 13.172 (3), annual progress reports on the program plus any other information requested.

(3) COUNTY PARTICIPATION. (a) Any county may participate in the program, if it meets the conditions specified in this subsection and the requirements established by the department, including requirements concerning the qualifications and levels of staff for home or community-based service providers.

(b) The board of supervisors of any county that participates in the program shall designate one of the following county departments to administer the program, subject to departmental review and approval:

2. A county department under s. 51.42 to which the powers and duties of a county department under s. 51.437 have been transferred under s. 51.437 (4g) (b).

3. A county department under s. 46.23.

4. A county department under s. 51.437.

(c) Any county participating in the program shall inform the persons eligible for program services under sub. (4) that home and community-based services are available, at their choosing, in place of institutional care. Services provided under this section shall meet the following conditions:

1. The services substitute for care provided at a state center for the developmentally disabled.

2. The services are provided to each recipient under a written plan of care designed for that recipient and approved by the department.

(d) Any county participating in the program shall provide case management services, including the responsibility for locating, coordinating and monitoring all services and informal supports needed by eligible persons and their families.

(e) Any county participating in the program shall protect the health and welfare of persons receiving program services and shall coordinate the program to the greatest extent practicable with the long-term support community options program under s. 46.27.

(3g) DUTIES OF THE DEPARTMENT. The department shall provide fair and equitable arrangements to protect the interests of all state employees affected by the program, including arrangements designed to preserve employee rights and benefits.

(3r) RELOCATION BY THE DEPARTMENT. (a) The department may, without county participation under sub. (3) or county reimbursement under sub. (5) (a), relocate a person eligible for program services under sub. (4) from a state center for the developmentally disabled into a community setting in any of the following situations:

1. The person's county of residence when the person entered the state center for the developmentally disabled cannot be determined with reasonable certainty.

2. The person's county of residence when the person entered the state center for the developmentally disabled is not participating, under sub. (3), in the program.

3. The person will be relocated into the home of the person's parent or guardian and will be receiving state monitoring of the relocation and services provided by a public or private school.

(b) If the department relocates a person under this subsection, it shall comply with the requirements imposed on counties under sub. (3) (c) to (e).

(c) Prior to relocating a person under this subsection, the department shall ensure delivery of any necessary education, habilitation, vocational, medical and therapy services through contracting with community-based service providers. If any service is not available, the department may provide it directly.

(4) ELIGIBILITY OF RECIPIENTS. (a) Any medical assistance recipient living in a state center for the developmentally disabled is eligible to participate in the program. Such a recipient may apply, or any person may apply on behalf of such a recipient, for participation in the program.

(b) The department in conjunction with the county shall review any application for participation in the program as to eligibility and the appropriateness of planned services. The county department administering the program for the county in which the medical assistance recipient resides shall review any application for participation in the program as to eligibility, except applications for relocation under sub. (3r). No person may participate in the program unless all of the following occur:

1. Consent for participation is given either by the person's parent, guardian or legal custodian, if the person is under age 18, or by the person or the person's guardian, if the person is age 18 or over, except that this subdivision does not limit the authority of the circuit court to enter, change, revise or extend a dispositional order under subch. VI of ch. 48 or to order a placement under s. 55.06.

2. The county, or the department under sub. (3r), agrees to provide services to the person.

3. The department determines that available home or community-based services are appropriate for that person.

(c) 1. Except as provided in subd. 2, if a resident of a state center for the developmentally disabled is relocated in order to receive home or community-based services under the program, the center may not accept a patient to fill the bed left vacant by the person leaving.

2. If a person who has been relocated from a state center for the developmentally disabled under this program seeks to

return to the center within 365 days after relocating because the person or the county department administering the program, or the department under sub. (3r), finds that the services available are inappropriate, the center shall accept the person as a patient to fill the bed that the person vacated. After this 365-day period, the person may only be readmitted into a bed not left vacant because of relocation under this section.

(f) To the extent provided in 42 USC 1396n, if a person who has been relocated from a state center for the developmentally disabled under this program discontinues participating in the program for any reason other than institutional placement, the department may reallocate on a case-by-case basis the funding within the relocating county to another medical assistance recipient who is developmentally disabled and who, but for this program, would require the level of care provided in a state center for the developmentally disabled.

(5) FUNDING. (a) Medical assistance reimbursement for services a county, or the department under sub. (3r), provides under this program is available from the appropriations under s. 20.435 (1) (b) and (o). If 2 or more counties jointly contract to provide services under this program and the department approves the contract, medical assistance reimbursement is also available for services provided jointly by these counties.

(b) No county, or the department under sub. (3r), may use funds received under this section to do any of the following:

1. Purchase land or construct buildings.
2. Reduce federal, state or county matching expenditures for long-term community support services provided to any person as part of this program from funds allocated under s. 46.80 (5), 46.85 (3m) (b) 1 and 2, 49.52 (1) (d) or 51.423, as indicated in the county's budget or by actual expenditures.
3. Provide room and board, except for respite care.
4. Provide services, except respite care that is approved by the department, within a skilled nursing facility, intermediate care facility or intermediate care facility for the mentally retarded, including a state center for the developmentally disabled.
5. Provide residential services in any community-based residential facility, as defined in s. 50.01 (1g), or group home, as defined in s. 48.02 (7) that has more than 4 beds, unless the department approves the provision of services in a community-based residential facility or group home that has 5 to 8 beds.

6. Provide services to a recipient that are not specified in the recipient's written plan of care.

(c) The total allocation under s. 20.435 (1) (b) and (o) to counties and to the department under sub. (b) Reports of suspected abuse, material abuse, neglect or self-neglect and investigation reports under this section are confidential and may not be released by the county agency or other investigating agency, except under the following circumstances they may be released:

A county shall set its maximum rate under this paragraph so that at least 75% of the number of places for children within the licensed or certified capacity of all child care providers in that county can be purchased at or below that maximum rate. The department shall annually review each county's rate and shall approve it if the department finds that the rate is set at a reasonable and customary level which does not preclude an eligible parent from having a reasonable selection of child care providers. The department shall promulgate by rule a procedure and criteria for approving county rates.

(e) 1. The department shall promulgate rules to establish quality of care standards for child care providers that are higher than the quality of care standards required for licensure under s. 48.65 or for certification under s. 48.651.
