SUBCHAPTER I

TAXATION OF FOREST CROPLANDS

Cross-reference: See also ch. NR 46, Wis. adm. code.

77.01 Purposes. It is the intent of this subchapter to encourage a policy of protecting from destructive or premature cutting the forest growth in this state, and of reproducing and growing for the future adequate crops through sound forestry practices of forest products on lands not more useful for other purposes, so that such lands shall continue to furnish recurring forest crops for commercial use with public hunting and fishing as extra public benefits, all in a manner which shall not hamper the towns in which such lands lie from receiving their just tax revenue from such lands.

History: 1971 c. 215; 1985 a. 332 s. 251 (2).

Cross-reference: See also ch. NR 302.03, Wis. adm. code.

Requests by individual legislators and town or county boards for delay in issuing orders pursuant to ch. 77, present no basis for withholding actions by the department. 61 Atty. Gen. 134.

77.015 Lands in villages included. Sections 77.01 to 77.14 shall apply to villages for the same purposes as specified in s. 77.01 and where in such sections the words “town” or “towns” appear they shall be substituted, for the purposes of this section, by the words “village” or “villages,” respectively.

History: 1981 c. 390.

77.02 Forest croplands. (1) PETITION. The owner of an entire quarter quarter section, fractional lot or government lot as determined by U.S. government survey plat, excluding public roads and railroad rights-of-way that may have been sold, may file with the department of natural resources a petition stating that the owner believes the lands therein described are more useful for growing timber and other forest crops than for any other purpose, that the owner intends to practice forestry thereon, that all persons holding encumbrances thereon have joined in the petition and requesting that such lands be approved as “Forest Croplands” under this subchapter. Whenever any such land is encumbered by a mortgage or other indenture securing any issue of bonds or notes, the trustee named in such mortgage or indenture or any amendment thereto may join in such petition, and such action shall for the purpose of this section be deemed the action of all holders of such bonds or notes. Land for which a petition is submitted under sub. (4) is exempt from the size requirements specified under this subsection.

(2) NOTICE OF HEARING, ADJOURNMENT. Upon receipt of such petition the department of natural resources shall investigate the same and shall file a listing of descriptions with the town chairperson. For petitions received prior to May 1, the department shall within the same calendar year cause a notice that such petition has been filed to be published as a class 3 notice, under ch. 985, in the newspaper having the largest general circulation in the county in which the lands are located, and notice by registered mail shall be given to the town clerk of any town in which the lands are located. Such notice shall contain the name of the petitioner, a description of the lands and a statement that any resident of or taxpayer in the town may within 15 days from the date of publication of the notice file a request with the department that it conduct a public hearing on the petition. Upon receipt of such a request the department shall conduct a public hearing on the petition. The department may conduct a public hearing on any petition without a request, if it deems it advisable to do so. Notice of the time and place of such hearing and a description, in specific or general terms, as the department deems advisable, of the property requested to be approved as “Forest Croplands” shall be given to persons making the request, the owner of such land and to the assessor of towns in which it is situated, by mail, at least one week before the day of hearing. The notice also shall be published as a class 1 notice, under ch. 985, in a newspaper having general circulation in the county in which such land is located, at least one week before the day of the hearing. Such hearing may be adjourned and no notice

of the time and place of such adjourned hearing need be given, excepting the announcement thereof by the presiding officer at the hearing at which the adjournment is had.

(3) DECISION, COPIES. (a) After receiving all the evidence offered at any hearing held on the petition and after making such independent investigation as it sees fit the department shall make its findings of fact and make and enter an order accordingly. If it finds that the facts give reasonable assurance that a stand of merchantable timber will be developed on such descriptions within a reasonable time, and that such descriptions are then held permanently for the growing of timber under sound forestry practices, rather than for agricultural, mineral, shoreland development of navigable waters, recreational, residential or other purposes, and that all persons holding encumbrances against such descriptions have in writing agreed to the petition, the order entered shall grant the request of the petitioner on condition that all unpaid taxes against said descriptions be paid within 30 days thereafter; otherwise the department of natural resources shall deny the request of the petitioner.

(b) If the request of a petitioner is granted under par. (a) or sub. (4), a copy of such order shall be filed with the department of revenue, the supervisor of equalization and the clerk of each town, and the order shall be recorded with the register of deeds of each county, in which any of the lands affected by the order are located. The register of deeds shall record the entry, transfer or withdrawal of all forest croplands in a suitable manner on the county records. The register of deeds may collect recording fees under s. 59.43 (2) from the owner.

(c) Except as provided in sub. (4) (b), any order of the department relating to the entry of forest croplands issued on or before November 20 of any year shall take effect on January 1 of the following calendar year, but all orders issued after November 20 shall take effect on January 1 of the calendar year following the calendar year in which orders issued on or before November 20 would have been effective.

(4) EXEMPTION FOR CERTAIN SMALLER PARCELS. (a) A landowner of a parcel that is less than a quarter quarter section in size may petition the department of natural resources to allow the land to be entered as forest croplands under this section. The department shall grant the petition and issue an order entering the land as forest croplands if all of the following apply:

1. The landowner of the parcel is a nonprofit archery club.
2. The parcel of land was part of a quarter quarter section or lot that was entered as forest croplands before January 1, 1968.
3. The parcel of land was divided from the section or lot and was sold to the landowner before January 1, 2009.

(b) An order issued under par. (a) shall take effect on the date of its issuance. Notwithstanding the 25-year or 50-year requirement under s. 77.03, the date for the ending of an order entered under par. (a) shall be the same date as the date for the ending of the order that applies to the section or lot from which the parcel was divided.

(c) Subsections (2) and (3) (a) do not apply to a petition submitted under this subsection.

(d) The taxes and penalties under s. 77.10 do not apply to a parcel affected by an order of withdrawal if an order of entry is subsequently issued for the parcel under par. (a). If an order of withdrawal is issued for such a parcel after the issuance of the order for entry under par. (a), the landowner shall be liable for all withdrawal taxes and penalties under s. 77.10 that would have been levied on the parcel if the parcel had continuously been subject to the original order of entry issued for the entire quarter quarter section or lot.

History: 1971 c. 215; 1975 c. 45; 1977 c. 29 s. 1647 (2); 1977 c. 418; 1983 a. 275 s. 15 (3); 1985 a. 332 s. 251 (2); 1989 a. 56 s. 258; 1991 a. 316; 1993 a. 301; 1995 a. 201; 2009 a. 28.

In order to be eligible for entry under the forest crop law the lands must be continuous or contiguous and 40 or more acres in size. 58 Atty. Gen. 8.

77.03 Taxation of forest croplands. After the filing and recording of the order with the officers under s. 77.02 (3) the lands described therein shall be “Forest Croplands”, on which taxes shall thereafter be payable only as provided under this subchapter. The enactment of ss. 77.01 to 77.14, petition by the owner and the making of the order under s. 77.02 (3) or (4) (a) shall constitute a contract between the state and the owner, running with the lands, for a period of 25 or 50 years at the election of the applicant at the time the petition is filed, unless withdrawn under s. 77.10, with privilege of renewal by mutual agreement between the owner and the state, whereby the state as an inducement to owners and prospective purchasers of forest croplands to come under ss. 77.01 to 77.14 agrees that, unless withdrawn under s. 77.10, no change in or repeal of ss. 77.01 to 77.14 shall apply to any land then accepted as forest croplands, except as the department of natural resources and the owner may expressly agree in writing and except as provided in s. 77.17. If at the end of the contract period the land is not designated as managed forest land under subch. VI, the merchantable timber on the land shall be estimated by an estimator jointly agreed upon by the department of natural resources and the owner, and if the department and the owner fail to agree on an estimator, the judge of the circuit court of the district in which the lands lie shall appoint a qualified forester, whose estimate shall be final, and the cost thereof shall be borne jointly by the department of natural resources and the owner; and the 10% severance tax paid on the stumpage thereon in the same manner as if the stumpage had been cut. The owners by such contract consent that the public may hunt and fish on the lands, subject to such rules as the department of natural resources prescribes regulating hunting and fishing.

History: 1971 c. 215; 1979 c. 89; 1985 a. 29; 1989 a. 31; 1993 a. 301; 2009 a. 28.

This section creates a right of access across an owner's non-enrolled lands to reach the owner's landlocked enrolled lands for purposes of hunting and fishing. 71 Atty. Gen. 163.

77.04 Taxation. (1) TAX ROLL. The clerk on making up the tax roll shall enter as to each forest cropland description in a special column or some other appropriate place in such tax roll headed by the words “Forest Croplands” or the initials “F.C.L.”, which shall be a sufficient designation that such description is subject to this subchapter. Such land shall thereafter be assessed and be subject to review under ch. 70, and such assessment may be used by the department of revenue in the determination of the tax upon withdrawal of such lands as forest croplands as provided in s. 77.10 for entries prior to 1972 or for any entry under s. 77.02 (4) (a). The tax upon withdrawal of descriptions entered as forest croplands after December 31, 1971, may be determined by the department of revenue by multiplying the last assessed value of the land prior to the time of the entry by an annual ratio computed for the state under sub. (2) to establish the annual assessed value of the description. No tax shall be levied on forest croplands except the specific annual taxes as provided, except that any building located on forest cropland shall be assessed as personal property, subject to all laws and regulations for the assessment and taxation of general property.

(2) TAX PER ACRE; PAYMENT; PENALTY. The “acreage share” shall be computed at the rate of 10 cents per acre on all lands entered prior to 1972 or entered under s. 77.02 (4) (a). On all lands entered after December 31, 1971, the “acreage share” shall be computed every 10 years to the nearest cent by the department of revenue at the rate of 20 cents per acre multiplied by a ratio using the equalized value of the combined residential, commercial, manufacturing, agricultural, undeveloped, agricultural forest, and productive forest land classes under s. 70.32 (2) within the state in 1972 as the denominator, and using equalized value for these combined land classes in 1982 and every 10th year thereafter as the numerator. All owners shall pay to the taxation district treasurer the acreage share on each description on or before January 31. If the acreage share is not paid when due to the taxation district treasurer it shall be subject to interest and penalty as provided under ss. 74.11 (11), 74.12 (10) and 74.47. These lands shall be returned as delinquent and a tax certificate under subch. VII of ch.

74 shall be issued on them. After 2 years from the date of the issuance of a tax certificate, the county clerk shall promptly take a tax deed under ch. 75. On taking such deed the county clerk shall certify that fact and specify the descriptions to the department of natural resources.

(3) APPORTIONMENT OF FOREST CROPLAND INCOME. Out of all moneys received by any town from any source on account of forest croplands in such town, the town treasurer shall on or before November 15 pay 20% to the county treasurer and retain the remainder.

History: 1971 c. 215; 1975 c. 39, 211; 1977 c. 418; 1981 c. 20, 167, 391; 1983 a. 275 s. 15 (8); 1983 a. 405, 538; 1985 a. 332 s. 251 (2); 1987 a. 378; 2003 a. 33; 2009 a. 28.

77.05 State contribution. The department of natural resources shall pay before June 30 annually to the town treasurer, from the appropriation under s. 20.370 (5) (bv), 20 cents for each acre of land in the town that is described as forest croplands under this subchapter.

History: 1971 c. 215; 1975 c. 39 s. 734; 1977 c. 29 s. 1656 (38); 1977 c. 418; 1979 c. 34 s. 2102 (39) (a); 1991 a. 39; 1995 a. 27.

77.06 Forestation. (1) CUTTING TIMBER REGULATED. No person shall cut any merchantable wood products on any forest croplands where the forest crop taxes are delinquent nor until 30 days after the owner has filed with the department of natural resources a notice of intention to cut, specifying by descriptions and the estimated amount of wood products to be removed and the proportion of present volume to be left as growing stock in the area to be cut. The department of natural resources may require a bond executed by some surety company licensed in this state or other surety for such amount as may reasonably be required for the payment to the department of natural resources of the severance tax hereinafter provided. The department, after examination of the lands specified, may prescribe the amount of forest products to be removed. Cutting in excess of the amount prescribed shall render the owner liable to double the severance tax prescribed in s. 77.06 (5) and subject to cancellation under s. 77.10. Merchantable wood products include all wood products except wood used for fuel by the owner.

(2) APPRAISAL OF TIMBER, ZONES. Each year the department of natural resources, at the time and place it shall fix and after such public notice as it deems reasonable, shall hold a public hearing. After the hearing the department shall make and file, open to public inspection, a determination of the reasonable stumpage values of the wood products usually grown in the several towns in which any forest croplands lie. A public hearing under this section shall be held prior to August 1 of each year and the determination of stumpage values made by the department of natural resources shall take effect on November 1 of that year. If the department of natural resources finds there is a material variance in the stumpage values in the different localities, it may fix separate zones and determine the values for each zone.

(3) REVALUATION. As to any locality or zone in which the department of natural resources deems there has been no material variance from the preceding year in stumpage values, it may omit to make any new valuation in any year, in which event the last preceding valuation shall continue in force until changed in a succeeding year.

(4) CUTTING REPORTED. Within 30 days after completion of cutting on any land description, but not more than one year after filing of the notice of intention to cut, the owner shall transmit to the department of natural resources on forms provided by the department a written statement of the products so cut, specifying the variety of wood, kind of product, and quantity of each variety and kind as shown by the scale or measurement thereof made on the ground as cut, skidded, loaded, delivered, or by tree scale certified by a qualified forester when stumpage is sold by tree measurement. The department of natural resources may accept such reports as sufficient evidence of the facts, or may either with or without hearing and notice of time and place thereof to such

owner, investigate and determine the fact of the quantity of each variety and kind of product so cut during said periods preceding such reports.

(5) **TAX LEVY ON RIGHT TO CUT TIMBER.** The department of natural resources shall assess and levy against the owner a severance tax on the right to cut and remove wood products covered by reports under this section, at the rate of 10% of the value of the wood products based upon the stumpage value established under s. 77.91 (1). Upon making the assessment, the department of natural resources shall mail a duplicate of the certificate by registered mail to the owner who made the report of cutting at the owner's last-known post-office address. The tax assessed is due and payable to the department of natural resources on the last day of the next month following the date the certificate is mailed to the owner. The proceeds of the tax shall be paid into the forestry account of the conservation fund for distribution under s. 77.07 (3).

History: 1971 c. 215; 1977 c. 29, 224; 2009 a. 365.

77.07 Severance tax. (1) LIABILITY FOR TAXES, LIENS. The owner of the land shall be personally liable for any severance tax because of any wood products cut therefrom, which tax shall also be a lien on such wood products wherever situated and in whatever form, or if mingled with other products, then on the common mass, until paid, while in the possession of such owner, or of any other person than a purchaser for value without notice in the usual course of business.

(2) **PENALTY, COLLECTIONS.** If any severance tax remain unpaid for 30 days after it becomes due, there shall then be added a penalty of 10 percent, and such tax and penalty shall thereafter draw interest at the rate of one percent per month until paid. At the expiration of said 30 days the department of natural resources shall report to the attorney general any unpaid severance tax, adding said penalty, and the attorney general shall thereupon proceed to collect the same with penalty and interest by suit against the owner and by attachment or other legal means to enforce the lien and by action on the bond mentioned in s. 77.06 (1), or by any or all such means.

(3) **DISTRIBUTION OF SEVERANCE TAX.** All severance taxes collected under this subchapter shall be distributed as follows: The state shall retain an amount equal to the total acreage payments on the lands to which the severance taxes relate, made by the state under s. 77.05, and all penalties imposed under sub. (2) and s. 77.06 (1), and the balance shall be paid to the town treasurer to be apportioned as provided in s. 77.04 (3).

History: 1971 c. 215; 1977 c. 29; 1985 a. 332 s. 251 (2); 2009 a. 177.

77.08 Supplemental severance tax. At any time within one year after any cutting should have been reported, the department of natural resources after due notice to the owner and opportunity to be heard, and on evidence duly made a matter of record, may determine whether the quantity of wood products cut from any such land, did in fact substantially exceed the amount on which the severance tax theretofore levied was based, and if so shall assess a supplemental severance tax which, in all respects, shall have the same force and effect as the former severance tax, except only it shall not be a lien on any property the title of which has passed to a purchaser for value without notice.

77.09 False reports, penalties. (1) Any person who fails to report or shall intentionally make any false statement or report to the department of natural resources required by s. 77.06 shall forfeit not more than \$1,000. An action under this section shall not be a bar to a cancellation of entry and order of withdrawal under s. 77.10.

(2) The procedure in ss. 23.50 to 23.85 applies to actions brought under sub. (1).

History: 1989 a. 79.

77.10 Withdrawal of forest croplands. (1) INVESTIGATIONS, CANCELLATIONS, CONVEYANCES. (a) The department of nat-

ural resources shall on the application of the department of revenue or the owner of any forest croplands or the town board of the town in which said lands lie and may on its own motion at any time cause an investigation to be made and hearing to be had as to whether any forest croplands shall continue under this subchapter. If on such hearing after due notice to and opportunity to be heard by the department of revenue, the town and the owner, the department of natural resources finds that any such lands are not meeting the requirements set forth in s. 77.02 or that the owner has made use of the land for anything other than forestry or has failed to practice sound forestry on the land, the department of natural resources shall cancel the entry of such description and issue an order of withdrawal, and the owner shall be liable for the tax and penalty under sub. (2). Copies of the order of withdrawal specifying the description shall be filed by the department of natural resources with all officers designated to receive copies of the order of entry and withdrawal and this subchapter shall not thereafter apply to the lands withdrawn, except s. 77.07 so far as it may be needed to collect any previously levied severance or supplemental severance tax. If the owner shall not repay the amounts on or before the last day of February next succeeding the return of such lands to the general property tax roll as provided in sub. (4), the department of natural resources shall certify to the county treasurer the descriptions and the amounts due, and the county treasurer shall sell such lands as delinquent as described in s. 77.04 (2). Whenever any county clerk has certified to the taking of tax deed under s. 77.04 (2) the department of natural resources shall issue an order of withdrawal as to the lands covered in such tax deed. Such order may also be issued when examination of tax records reveals prolonged delinquency and noncompliance with the requirements of s. 77.04 (2).

(b) Whenever any owner of forest croplands conveys such land the owner shall, within 10 days of the date of the deed, file with the department of natural resources on forms prepared by the department a transfer of ownership signed by the owner and an acceptance of transfer signed by the grantee certifying that the grantee intends to continue the practice of forestry on such land. The department of natural resources shall immediately issue a notice of transfer to all officers designated to receive copies of orders of entry and withdrawal. Whenever a purchaser of forest croplands declines to certify his or her intention to continue the practice of forestry thereon, such action shall constitute cause for cancellation of entry under par. (a) without hearing.

(2) **ELECTION TO WITHDRAW LANDS.** (a) 1. Any owner of forest croplands may elect to withdraw all or any of such lands from under this subchapter, by filing with the department of natural resources a declaration withdrawing from this subchapter any description owned by such person which he or she specified, and by payment by such owner to the department of natural resources within 60 days the amount of tax due from the date of entry or the most recent date of renewal, whichever is later, as determined by the department of revenue under s. 77.04 (1) with simple interest thereon at 12% per year, less any severance tax and supplemental severance tax or acreage share paid thereon, with interest computed according to the rule of partial payments at the rate of 12% per year.

2. The amount of the tax shall be determined by the department of revenue and furnished to the department of natural resources, which shall determine the exact amount of payment. When the tax rate or assessed value ratio of the current year has not been determined the rate of the preceding tax year may be used. On receiving such payment the department of natural resources shall issue an order of withdrawal and file copies thereof with the department of revenue, the supervisor of equalization and the clerk of the town, and shall record the order with the register of deeds of the county, in which the land lies. The land shall then cease to be forest croplands.

(b) Upon receipt of any taxes under this section by the state, the department of natural resources shall first deduct all moneys paid by the state on account of the lands under s. 77.05 with inter-

est on the moneys computed according to the rule of partial payments at the rate of interest paid under par. (a) by the person withdrawing such lands. The department shall within 20 days remit the balance to the town treasurer who shall pay 20% to the county treasurer and retain the remainder.

(c) Land subject to a contract under s. 77.03 that is withdrawn and the ownership of which is transferred to the federal government, the state or a local governmental unit, as defined in s. 66.0131 (1) (a), is not subject to the tax payment calculated under par. (a) if the land will be used for a public road, railroad, utility right-of-way, park, recreational trail, wildlife or fish habitat area or a public forest.

(4) **TAXATION AFTER WITHDRAWAL.** When any description ceases to be a part of the forest croplands, by virtue of any order of withdrawal issued by the department of natural resources, taxes thereafter levied thereon shall be payable and collectible as if such description had never been under this subchapter.

77.16 Woodland tax law. (1) In this section “department” means the department of natural resources.

(2) The owner of 10 acres or more may file with the department an application setting forth a description of the lands which the owner desires to place under the woodland tax law and on which land the owner will practice forestry. Applications received prior to May 1 each calendar year shall be processed for entry by November 20 of that calendar year. Lands which include an entire quarter-quarter section, fractional lot or government lot as determined by U.S. government survey plat, excluding public roads and railroad rights-of-way that may have been sold, are not eligible for entry. Lands within recorded and filed plats or the incorporated limits of cities or villages are not eligible for entry, but lands subject to a woodland tax law agreement located in a town which incorporates as a city after the agreement was entered into remain in effect. Lands on which an improvement is located having an assessed value in itself are not eligible for entry.

(3) Upon filing of such application the department shall examine the land, and if it finds that the facts give reasonable assurance that the woodland is suitable for the growing of timber and other forest products and the lands are not more useful for other purposes and the landowner agrees to follow an approved management plan the department shall enter an order approving the application. A copy of such order shall be forwarded to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town and to the clerk and register of deeds of the county wherein the land is located. The register of deeds shall record the entry and declassification of woodland tax lands in a suitable manner on the county record. The register of deeds may collect recording fees under s. 59.43 (2) from the owner.

(4) The application of the owner of the land, the signed management plan and the filing of the order by the department shall constitute a contract, running with the land, for a period of 15 years, unless terminated as provided in this section. Any order issued on or before November 20 of any year shall take effect on January 1 of the following calendar year, but all orders issued after November 20 shall take effect January 1 of the calendar year following the calendar year in which orders issued on or before November 20 would have been effective. Any contract under this section may be renewed by mutual consent of the parties at the end of its term, notwithstanding the fact that the town in which the land subject to the contract is located was incorporated as a city during the term of the contract. If at the end of 15 years the contract is not renewed by mutual consent, the land is declassified and shall be removed from the provisions of this section.

(5) The assessor shall reduce the total assessed valuation of each description by an amount equal to the assessed value of the acreage entered. The local assessor in preparing the assessment roll shall show the acreage for each owner covered under this section in a column designated by the words “Woodland Tax Law” or the initials “WTL”.

(6) The owner shall be liable and shall pay to the taxation district or city treasurer a tax computed at the rate of 20 cents per acre on all lands entered prior to 1977. All owners shall pay that tax on or before January 31. On all lands entered or renewed after December 31, 1976, the rate shall be 40 cents per acre through 1982. In 1982 and at 10-year intervals thereafter the per acre rate shall be recalculated using the method specified in s. 77.04 (2) and rounded to the nearest cent. Such acreage tax shall be subject to collection in the same manner as is the forest croplands tax under s. 77.04 (2).

(7) The owner of the land shall follow the management plan and shall prohibit grazing and burning on lands entered under the woodland tax law. The management plan may be revised by the

owner with the consent of the department. The department may at any time cause an investigation to be made as to whether lands may continue to be classified under this section. If the department finds that the owner has not complied with the law, or if the land is no longer used for forestry purposes, it shall issue an order removing the land from the woodland tax law classification. An owner may elect to withdraw lands from under this section by filing with the department a declaration of withdrawal for any entire entry. Contracts under the woodland tax law shall be conveyed with the land to the new owner. Conveyance of lands resulting in partition of the lands under a woodland tax law contract shall be cause for declassification. Any declassification order issued on or before November 20 of any year shall take effect on January 1 of the following calendar year but all declassification orders issued after November 20 shall take effect January 1 of the calendar year following the calendar year in which declassification orders issued on or before November 20 would have been effective. A copy of the declassification order shall be sent to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town or city, and to the clerk and register of deeds of the county wherein the land is located.

(8) The owner, town board or county board may petition the department for a public hearing to take testimony and hear evidence on whether lands shall be entered under this section. An owner, town board, city council or county board may petition the department for a public hearing on whether lands should be continued under this section. Upon the filing of a petition the department shall set the matter for public hearing at such time and place as it sees fit, but not later than 90 days from the date of filing of the petition. The department shall give 30 days' written notice of the hearing to the petitioners. The hearing may be adjourned for 60 days. The presiding officer at the hearing may be an employee of the department designated by the department to conduct the hearing.

(9) After hearing all the evidence and after making such independent investigation as it sees fit the department shall make its findings of fact and make and enter an order within 60 days after the final adjournment of the hearing. Copies of the order shall be forwarded to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town or city, to the county clerk and register of deeds and to the petitioner if not included above.

(10) The department shall furnish appropriate forms to the owners of lands interested in entry of lands under the woodland tax law.

(11) On declassification as a result of actions under sub. (7) the owner shall be liable for payment of a penalty to the town or city treasurer. The payment shall be calculated by the department at a rate of one percent of the average full value per acre of the productive forest land classes under s. 70.32, in the year before declassification in the county where the land is located, for each acre for each year the acreage remained under the provisions of this section. The full value of the productive forest land classes shall be determined each year by the department of revenue. The department shall notify the town or city clerk of the amount of the penalty together with the order of declassification. The penalty shall be included in the owner's next tax bill.

(11m) The owner shall not be liable for payment of a penalty if declassification is a result of the transfer of the land to the federal government, the state or a local governmental unit, as defined in s. 66.0131 (1) (a), for a public road, railroad, utility right-of-way, park, recreational trail, wildlife or fish habitat area or a public forest.

(12) The owner shall not be liable for payment of a penalty if declassification is a result of the owner's failure or refusal to renew the contract at the end of the contract period.

(13) Any decision made by the department under this section is subject to review under ch. 227.

(14) (a) On and after July 20, 1985, no person may apply to the department to place any land under this section.

(b) On and after January 1, 1986, the department may not act on any application under this section, issue any order placing land under this section or enter into a renewal of any agreement under this section.

(1) If the rule is not inconsistent with the contract entered into under s. 77.03 or 77.16 (4); or

(2) If the owner agrees to modify the contract entered into under s. 77.03 or 77.16 (4) to require compliance with the rules.

SUBCHAPTER II

REAL ESTATE TRANSFER FEE

77.21 Definitions. In this subchapter:

(1) "Conveyance" includes deeds and other instruments for the passage of ownership interests in real estate, including contracts and assignments of a vendee's interest therein, including instruments that are evidence of a sale of time-share property, as defined in s. 707.02 (32), and including leases for at least 99 years but excluding leases for less than 99 years, easements and wills.

(1e) "Mergers of corporations" means the merger or combination of 2 or more corporations, nonstock corporations, limited liability companies, or limited partnerships, or any combination thereof, under a plan of merger or a plan of consolidation permitted by the laws that govern the entities.

(b) In case of a gift, or any deed of nominal consideration or any exchange of properties, the estimated price the property would bring in an open market and under the then prevailing market conditions in a sale between a willing seller and a willing buyer, both conversant with the property and at prevailing general price levels.

History: 1971 c. 150; 1989 a. 31; 1991 a. 39; 1993 a. 112; 1999 a. 9; 2001 a. 44.

Cross-reference: See also ch. Tax 15, Wis. adm. code.

A memorandum announcing a reorganization of a land-owning partnership into a limited liability company and that the LLC was now the owner of the real estate was a document intended to transfer title to real estate. The receipt by members of ownership interests in the LLC was for value so that there was a conveyance under sub. (1) subject to taxation under s. 77.22. Wolter v. DOR, 231 Wis. 2d 651, 605 N.W.2d 283 (Ct. App. 1999), 99-0671.

77.22 Imposition of real estate transfer fee. (1) There is imposed on the grantor of real estate a real estate transfer fee at the rate of 30 cents for each \$100 of value or fraction thereof on every conveyance not exempted or excluded under this subchapter. In regard to land contracts the value is the total principal amount that the buyer agrees to pay the seller for the real estate. This fee shall

be collected by the register at the time the instrument of conveyance is submitted for recording. Except as provided in s. 77.255, at the time of submission the grantee or his or her duly authorized agent or other person acquiring an ownership interest under the instrument, or the clerk of court in the case of a foreclosure under s. 846.16 (1), shall execute a return, signed by both grantor and grantee, on the form prescribed under sub. (2). The register shall enter the fee paid on the face of the deed or other instrument of conveyance before recording, and, except as provided in s. 77.255, submission of a completed real estate transfer return and collection by the register of the fee shall be prerequisites to acceptance of the conveyance for recording. The register shall have no duty to determine either the correct value of the real estate transferred or the validity of any exemption or exclusion claimed. If the transfer is not subject to a fee as provided in this subchapter, the reason for exemption shall be stated on the face of the conveyance to be recorded by reference to the proper subsection under s. 77.25.

(2) The secretary of revenue shall prescribe the form required under sub. (1). Forms filed on or after July 1, 2009, shall be filed electronically in the manner prescribed by the secretary. The secretary may waive the requirement to file electronically if the secretary determines, based on a written application for a waiver, that the requirement causes an undue hardship. The form shall include an application for a credit under s. 79.10 (5) and shall provide for the submission of the following:

(a) The value of the ownership interest transferred by the instrument of conveyance.

(b) The amount of the fee payable under this section.

(c) Whether the real estate transferred is subject to certification under s. 101.122 (4) (a), waiver under s. 101.122 (4) (b) or stipulation under s. 101.122 (4) (c).

(d) If the real estate transferred is not subject to certification under s. 101.122 (4) (a), waiver under s. 101.122 (4) (b) or stipulation under s. 101.122 (4) (c), the reason why it is not so subject or the form prescribed by the department of safety and professional services under s. 101.122 (6).

(e) The financing terms under which agricultural land is transferred that are relevant to determining only the value of the property.

(f) Any other information the secretary requires.

The transfer by all owners of property held as a tenancy in common to a partnership consisting of all the original tenants in common was a taxable conveyance. DOR v. Mark, 168 Wis. 2d 288, 483 N.W.2d 302 (Ct. App. 1992).

A memorandum announcing a reorganization of a land-owning partnership into a limited liability company and that the LLC was now the owner of the real estate was a document intended to transfer title to real estate. The receipt by members of ownership interests in the LLC was for value so that there was a conveyance under s. 77.21 (1) subject to taxation under sub. (1). Wolter v. DOR, 231 Wis. 2d 651, 605 N.W.2d 283 (Ct. App. 1999), 99-0671.

There need not be both a conveyance and consideration with value for a transfer to be subject to the transfer fee. F.M. Management Co. v. Department of Revenue, 2004 WI App 19, 269 Wis. 2d 526, 674 N.W.2d 922, 03-1536.

77.23 Disposition of fees and returns. On or before the 15th day of each month the register shall submit to the county treasurer transfer fees collected together with the returns filed in the office during the preceding month for the treasurer's transmission to the department of revenue under s. 77.24 and shall submit to the county treasurer, or to the city treasurer if the property is located in a city that collects taxes under s. 74.87, all applications for credits under s. 79.10 (5) that the county register of deeds receives during the preceding month.

History: 1975 c. 338, 421; 1979 c. 153; 1985 a. 174; 1993 a. 301, 412; 1995 a. 27.

77.24 Division of fee. Twenty percent of all fees collected under this subchapter shall be retained by the county and the balance shall be transmitted to the state. Remittances shall be made monthly by the county treasurers to the department of revenue by the 15th day of the month following the close of the month in

which the fee was collected. The remittance to the department shall be accompanied by the returns executed under s. 77.22.

History: 1977 c. 29; 1981 c. 20.

77.25 Exemptions from fee. The fees imposed by this subchapter do not apply to a conveyance:

(2g) By gift, to the United States or to this state or to any instrumentality, agency or subdivision of either.

(2r) Under s. 236.29 (1) or (2) or 236.34 (1) (e) or for the purpose of a road, street or highway, to the United States or to this state or to any instrumentality, agency or subdivision of either.

(6m) Pursuant to the conversion of a business entity to another form of business entity under s. 179.76, 180.1161, 181.1161, or 183.1207, if, after the conversion, the ownership interests in the new entity are identical with the ownership interests in the original entity immediately preceding the conversion.

(7) By a subsidiary corporation to its parent for no consideration, nominal consideration or in sole consideration of cancellation, surrender or transfer of capital stock between parent and subsidiary corporation.

(8) Between parent and child, stepparent and stepchild, parent and son-in-law or parent and daughter-in-law for nominal or no consideration.

(9) Between agent and principal or from a trustee to a beneficiary without actual consideration.

(10) Solely in order to provide or release security for a debt or obligation.

(10m) Solely to designate a TOD beneficiary under s. 705.15.

(11) By will, descent or survivorship.

(11m) By nonprobate transfer on death under s. 705.15.

(12) Pursuant to or in lieu of condemnation.

(13) Of real estate having a value of \$100 or less.

(15m) Between a partnership and one or more of its partners if all of the partners are related to each other as spouses, as lineal ascendants, lineal descendants or siblings, whether by blood or by adoption, or as spouses of siblings and if the transfer is for no consideration other than the assumption of debt or an interest in the partnership.

(15s) Between a limited liability company and one or more of its members if all of the members are related to each other as spouses, as lineal ascendants, lineal descendants or siblings, whether by blood or by adoption, or as spouses of siblings and if the transfer is for no consideration other than the assumption of debt or an interest in the limited liability company.

(16) To a trust if a transfer from the grantor to the beneficiary of the trust would be exempt under this section.

(17) Of a deed executed in fulfillment of a land contract if the proper fee was paid when the land contract or an instrument evidencing the land contract was recorded.

(18) To a local exposition district under subch. II of ch. 229.

History: 1971 c. 150; 1985 a. 39; 1987 a. 27; 1991 a. 39, 202, 269; 1993 a. 112, 263, 307; 1995 a. 458; 1997 a. 140; 1999 a. 9, 162; 2001 a. 44; 2005 a. 206; 2009 a. 28.

Corporate stock constitutes “actual consideration” under sub. (9). *Gottfried, Inc. v. DOR*, 145 Wis. 2d 715, 429 N.W.2d 508 (Ct. App. 1988).

A principal/agent relationship for purposes of sub. (9) must be examined as of the date of the conveyance. *Washington National Development Co. v. DOR*, 194 Wis. 2d 567, 535 N.W.2d 71 (Ct. App. 1995).

Exemptions are strictly construed against granting the exemption. While subs. (15m) and (15s) exempt transfers between family members and family business entities, they do not exempt transfers from one family business to another even though the same transaction, had it been completed in 2 separate transfers, would have been exempt. *Wolter v. DOR*, 231 Wis. 2d 651, 605 N.W.2d 283 (Ct. App. 1999), 99–0671.

Sub. (15s) applies only if the members of the limited liability company are human. The requirement that all of the members of the LLC be related to each other was reasonably interpreted to reject the argument that if there is only one member, that member need not be human because neither humans nor entities may be related to themselves. *F.M. Management Co. v. Department of Revenue*, 2004 WI App 19, 269 Wis. 2d 526, 674 N.W.2d 922, 03–1536.

There is no family member exemption under sub. (15m) when the transfer is between partnerships rather than from a partnership to exempted family members. For the exemption to apply, the partner or partners who are involved in the conveyance must be human beings, not just legal entities. *Turner v. DOR*, 2004 WI App 82, 271 Wis. 2d 760, 679 N.W.2d 880, 03–1517.

77.255 Exemptions from return. No return is required with respect to conveyances exempt under s. 77.25 (1), (2r), (4) or (11) from the fee imposed under s. 77.22. No return is required with respect to conveyances exempt under s. 77.25 (2) unless the transferor is also a lender for the transaction.

History: 1983 a. 27; 1987 a. 27; 1991 a. 39.

77.26 Powers of investigation, additional fees, refunds, penalties. (1) The department of revenue may examine any records of any party to a conveyance to determine the real estate transfer fee due and the accuracy of the return submitted.

(2) If the department of revenue determines that the amount of the real estate transfer fee reported was in error or that an exemption was improperly claimed, the department shall compute the additional transfer fee to be paid by, or the amount of the overpayment of transfer fee to be refunded to, the grantor.

(3) All additional assessments and claims for refund are subject to the applicable notice provisions and procedures for review, final determination, collection, interest and penalties provided for additional income or franchise tax assessments and claims for refund under ch. 71.

(4) The department of revenue shall collect additional real estate transfer fees and divide the amount collected with the appropriate county in the proportion under s. 77.24.

(5) In the case of overpayment of transfer fees by any grantor under sub. (2), the department of revenue shall certify the overpayment to the department of administration for payment of the refund to the grantor.

(6) The department of revenue shall notify the appropriate county treasurer of any refund paid by the state, and the appropriate county treasurer shall increase the county’s next payment to the state to reimburse the state for the county’s share of the refund.

(7) No person may make additional assessments of transfer fees or claim a refund of excess transfer fees paid after 4 years have elapsed from the date the transfer fee was due under s. 77.22.

(8) If the department of revenue determines that the value reported on the return under s. 77.22 is understated by 25% or

more or that an exemption was improperly claimed under s. 77.25, the department shall assess and collect a penalty of \$25 or 25% of the additional fee due, whichever is greater, in the manner that additional transfer fees are collected.

History: 1983 a. 27; 1991 a. 39.

77.265 Confidentiality. Grantor and grantee social security numbers and grantor and grantee telephone numbers from real estate transfer returns shall be confidential, but the returns, and the information contained in the returns, may be disclosed as follows:

(1) The department of revenue shall distribute information from the returns to local assessors. The local assessors shall maintain the confidentiality of social security numbers and telephone numbers from the returns.

(2) The local assessor shall permit the inspection of all returns filed under this subchapter for property within any local unit of government for which property taxes are levied by the chief elected official, or a person designated by the official, of that unit upon the adoption of a resolution by the governing body of the unit directing the official to inspect the returns for the purpose of reviewing the basis upon which equalized values were established by the department of revenue under s. 70.57, and the official or designee shall maintain the confidentiality of grantor and grantee social security numbers and telephone numbers from the returns.

(3) The returns may be used in any proceeding involving the requisite amount of the fee and may be produced in any proceeding subject to a valid subpoena or court order, but the court, or adjudicating agency, and the parties shall maintain the confidentiality of social security numbers and telephone numbers from the returns.

b. For retailers not described under subd. 3. a., the retailer’s customary practice is to physically give or hand the utensils to the purchaser, except that plates, glasses, or cups that are necessary for the purchaser to receive the food and food ingredients need only be made available to the purchaser.

4. Except as provided in par. (b), 2 or more food ingredients mixed or combined by a retailer for sale as a single item.

(b) “Prepared food” does not include:

1. For purposes of par. (am) For purposes of par. (a) 12. “cable television system” means any facility which, for a fee, regularly amplifies and transmits by wire, coaxial cable, lightwave or microwave, simultaneously to 50 or more subscribers, programs broadcast by television or radio stations or originated by themselves or any other party. “Cable television system” does not include a master antenna system which serves one residential, commercial or government building or complex of buildings under common ownership or control if that facility does not provide any broadcast signals other than those which may be viewed in that facility.

(2m) (a) With respect to the services subject to tax under sub. (2), no part of the charge for the service may be deemed a sale or rental of tangible personal property or items, property, or goods under sub. (1) (b), (c), or (d) if the property, items, or goods transferred by the service provider are incidental to the selling, performing or furnishing of the service, except as provided in par. (b).

(b) With respect to the services subject to tax under sub. (2) (a) 7., 10., 11. and 20., all property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) physically transferred, or transferred electronically, to the customer in conjunction with the selling, performing or furnishing of the service is a sale of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) separate from the selling, performing or furnishing of the service.

(2n) The selling, licensing, performing, or furnishing of the services described under sub. (2) (a) at retail in this state, as determined under s. 77.522, is subject to the tax imposed under sub. (2) unless an exemption in this subchapter applies.

(3) The taxes imposed by this section may be collected from the consumer or user.

(5) The department may by rule provide that the amount collected by the retailer from the consumer or user in reimbursement of the retailer’s tax be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sale.

(7) Every person desiring to operate as a seller within this state who holds a valid certificate under s. 73.03 (50) shall file with the department an application for a permit for each place of operations. Every application for a permit shall be made upon a form prescribed by the department and shall set forth the name under which the applicant intends to operate, the location of the applicant’s place of operations, and the other information that the department requires. Except as provided in sub. (7b), the application shall be signed by the owner if a sole proprietor; in the case of sellers other than sole proprietors, the application shall be signed by the person authorized to act on behalf of such sellers. A nonprofit organization that has a sales price taxable under s. 77.54 (7m) shall obtain a seller’s permit and pay taxes under this subchapter on all taxable sales prices received after it is required to obtain that permit. If that organization becomes eligible later for the exemption under s. 77.54 (7m) except for its possession of a seller’s permit, it may surrender that permit.

(7b) Any person who may register under sub. (7) may designate an agent, as defined in s. 77.524 (1) (ag), to register with the department under sub. (7), in the manner prescribed by the department.

(9) After compliance with sub. (7) and s. 77.61 (2) by the applicant, the department shall grant and issue to each applicant a separate permit for each place of operations within the state. A permit is not assignable and is valid only for the person in whose name it is issued and for the transaction of operations at the place designated in it. It shall at all times be conspicuously displayed at the place for which it was issued.

(11) If any person fails to comply with any provision of this subchapter relating to the sales tax or any rule of the department relating to the sales tax adopted under this subchapter, is delinquent in respect to any tax imposed by the department or fails timely to file any return or report in respect to any tax under ch. 71, 72, 76, 77, 78 or 139 after having been requested to file that return or report, the department upon hearing, after giving the person 10 days’ notice in writing specifying the time and place of hearing and requiring the person to show cause why the permit should not be revoked or suspended, may revoke or suspend any one or more of the permits held by the person. The department shall give to the person written notice of the suspension or revocation of any of the permits. The notices required in this subsection may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination. If the department suspends or revokes a permanent permit under this subsection, it may grant a temporary permit that is valid for one month and may then grant additional temporary permits if the person pays all amounts owed under this chapter for the month for which the previous temporary permit was issued. Persons who receive a temporary permit waive the notice requirement under s. 77.61 (2). The department shall not issue a new permanent permit after the revocation of a permit unless it is satisfied that the former holder of the permit will comply with the provisions of this subchapter, the rules of the department relating to the sales tax and the provisions relating to other taxes administered by the department.

(12) A person who operates as a seller in this state without a permit or after a permit has been suspended or revoked or has expired, unless the person has a temporary permit under sub. (11), and each officer of any corporation, partnership member, limited liability company member, or other person authorized to act on behalf of a seller who so operates, is guilty of a misdemeanor. Except for a person who is registered in accordance with the agreement, as defined in s. 77.65 (2) (a), permits shall be held only by persons actively operating as sellers of tangible personal property, or items, property, or goods under sub. (1) (b), (c), or (d), or taxable services. Any person not so operating shall forthwith surrender that person’s permit to the department for cancellation. The department may revoke the permit of a person found not to be actively operating as a seller of tangible personal property, or items, property, or goods under sub. (1) (b), (c), or (d), or taxable services.

(13) For the purpose of the proper administration of this section and to prevent evasion of the sales tax it shall be presumed that all receipts are subject to the tax until the contrary is established. The burden of proving that a sale of tangible personal property, or items, property, or goods under sub. (1) (b), (c), or (d), or services is not a taxable sale at retail is upon the person who makes the sale unless that person takes from the purchaser an electronic or a paper certificate, in a manner prescribed by the department, to the effect that the property, item, good, or service is purchased for resale or is otherwise exempt, except that no certificate is required for the sale of tangible personal property, or items, property, or goods under sub. (1) (b), (c), or (d), or services that are exempt under s. 77.54 (7), (7m), (8), (10), (11), (14), (15), (17), (20n), (21), (22b), (31), (32), (35), (36), (37), (42), (44), (45), (46), (51), and (52).

(14) (a) The certificate referred to in sub. (13) relieves the seller of the tax otherwise applicable only if the seller obtains a fully completed exemption certificate, or the information required to prove the exemption, from a purchaser no later than 90 days after the date of the sale of the tangible personal property, or items, property, or goods under sub. (1) (b), (c), or (d), or services, except as provided in par. (am). The certificate under sub. (13) shall not relieve the seller of the tax otherwise applicable if the seller fraudulently fails to collect sales tax, solicits the purchaser to claim an unlawful exemption, or accepts an exemption certificate from a purchaser who claims to be an entity that is not subject to the taxes imposed under this subchapter, if the subject of the transaction sought to be covered by the exemption certificate is received by the purchaser at a location operated by the seller in this state and the exemption certificate clearly and affirmatively indicates that the claimed exemption is not available in this state. The certificate referred to in sub. (13) shall provide information that identifies the purchaser and shall indicate the basis for the claimed exemption and a paper certificate shall be signed by the purchaser. The certificate shall be in such form as the department prescribes by rule.

(am) 1. If the seller has not obtained a fully completed exemption certificate or the information required to prove the exemption, as provided in par. (a), the seller may, no later than 120 days after the department requests that the seller substantiate the exemption, either provide proof of the exemption to the department by other means or obtain, in good faith, a fully completed exemption certificate from the purchaser.

2. An exemption certificate is received by the seller in good faith if the certificate claims an exemption for which all of the following apply:

- a. It was an exemption authorized by law on the date of the transaction in the jurisdiction where the transaction is sourced.
- b. It could be applicable to the property, item, good, or service being purchased.
- c. It is reasonable for the purchaser's type of business.

3. If the seller obtains the information described in subd. 2., the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge, or had reason to know, at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction. In order to enforce this subdivision, the state must establish that the seller had knowledge, or had reason to know, at the time the information was provided that the information was materially false.

(bm) A certified service provider is relieved from liability for the tax otherwise applicable to the same extent as the seller, who is the certified service provider's client, is relieved from liability for the tax otherwise applicable under par. (a) or (am).

(15) If a purchaser who purchases tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services without paying a sales tax or use tax on such purchase because such property, items, goods, or services were for

resale makes any use of the property, items, goods, or services other than retention, demonstration or display while holding the property, items, goods, or services for sale, lease or rental in the regular course of the purchaser's operations, the use shall be taxable to the purchaser under s. 77.53 as of the time that the property, items, goods, or services are first used by the purchaser, and the purchase price of the property, items, goods, or services to the purchaser shall be the measure of the tax.

(16) Any person who gives a resale certificate for property, or items, property, or goods under sub. (1) (b), (c), or (d), or services which that person knows at the time of purchase is not to be resold by that person in the regular course of that person's operations as a seller for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction is guilty of a misdemeanor. Any person certifying to the seller that the sale of property, or items, property, or goods under sub. (1) (b), (c), or (d), or taxable service is exempt, knowing at the time of purchase that it is not exempt, for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction, is guilty of a misdemeanor.

(17) If a purchaser gives a certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

(17m) (a) A person who holds a valid certificate issued under s. 73.03 (50) may apply for a direct pay permit by filing a completed form that the department prescribes.

(b) The department shall issue a direct pay permit, at the beginning of a taxpayer's taxable year, if the following requirements are fulfilled:

1. Because of the nature of the applicant's business, issuing the permit will significantly reduce the work of administering the taxes under this subchapter.

2. The applicant's accounting system will clearly indicate the amount of tax that the applicant owes under this subchapter.

3. The applicant makes enough purchases that are taxable under this subchapter to justify the expense of regular audits by the department.

4. The applicant is not liable for delinquent taxes; including costs, penalties, surcharges and interest; under ch. 71, 72, 76, 78 or 139 or this chapter of \$400 or more if any part of the tax is delinquent for at least 5 months.

5. It is in this state's best interests to issue the permit.

6. The applicant purchases enough tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) under circumstances that make it difficult to determine whether the property, items, or goods will be subject to a tax under this subchapter.

7. The applicant holds a permit under sub. (9) or is registered under s. 77.53 (9).

(c) A holder of a permit that is issued under par. (b) may not transfer or assign it.

(d) The department may revoke a permit that is issued under par. (b) if the holder misuses it or the department determines that revocation is in this state's best interests.

(e) A retailer may not collect a tax under this subchapter, and is not liable for a tax under this subchapter, on any sale, except those of a type specified as ineligible for an exemption under this paragraph by a rule promulgated by the department, for which the buyer furnishes to the retailer a copy of the permit that is issued under par. (b) or a statement that the buyer holds such a permit, a statement of that permit's number and a statement of the date that the permit was issued.

(f) A person who holds a permit that is issued under par. (b) shall keep a record of all retailers from whom the person made a purchase for which the person used a permit that is issued under par. (b) and shall do one of the following:

1. Fulfill the requirements for an exempt sale under par. (e) for every purchase that the person makes that may be exempt under that paragraph and pay the tax under s. 77.53 (1) to the department on all of those purchases for which the tax is due.

2. Maintain accounting records that show the tax under ss. 77.52 (1) and (2) and 77.53 (3) paid on each purchase during each reporting period under s. 77.58 and the total tax paid during each reporting period, pay the tax under ss. 77.52 (1) and (2) and 77.53 (3) on either all or none of the purchases made from each retailer during each reporting period and pay the tax under s. 77.53 (1) to the department on all of the purchases for which the tax is due.

(18) (am) If any retailer liable for any amount of tax under this subchapter sells out the retailer's business or stock of goods or quits the business, the retailer's successors or assigns shall withhold sufficient of the purchase price to cover such amount until the former owner produces a receipt from the department that it has been paid or a certificate stating that no amount is due.

(bm) If the purchaser of a stock of goods fails to withhold from the purchase price as required, the purchaser becomes personally liable for the payment of the amount required to be withheld by the purchaser to the extent of the purchase price valued in money. Within 60 days after receiving a written request from the purchaser for a certificate, or within 60 days from the date the former owner's records are made available for audit, whichever period expires later, but in any event not later than 90 days after receiving the request, the department shall either issue the certificate or mail notice to the purchaser at the purchaser's address as it appears on the records of the department of the amount that must be paid as a condition of issuing the certificate. Failure of the department to mail the notice will release the purchaser from any further obligation to withhold the purchase price as above provided. The obligation of the successor may be enforced within 4 years of the time the retailer sells out the retailer's business or stock of goods or at the time that the determination against the retailer becomes final, whichever event occurs later.

(19) The department shall by rule provide for the efficient collection of the taxes imposed by this subchapter on sales of tangible personal property, or items, property, or goods under sub. (1) (b), (c), or (d), or services by persons not regularly engaged in selling at retail in this state or not having a permanent place of business, but who are temporarily engaged in selling from trucks, portable roadside stands, concessions at fairs and carnivals, and the like. The department may authorize such persons to sell property or items, property or goods under sub. (1) (b), (c), or (d) or sell, perform, or furnish services on a permit or nonpermit basis as the department by rule prescribes and failure of any person to comply with such rules constitutes a misdemeanor.

(20) (a) Except as provided in par. (b), the entire sales price of a bundled transaction is subject to the tax imposed under this subchapter.

(b) At the retailer's option, if the retailer can identify, by reasonable and verifiable standards from the retailer's books and records that are kept in the ordinary course of its business for other purposes, including purposes unrelated to taxes, the portion of the price that is attributable to products that are not subject to the tax imposed under this subchapter, that portion of the sales price is not taxable under this subchapter. This paragraph does not apply to a bundled transaction that contains food and food ingredients, drugs, durable medical equipment, mobility enhancing equipment, prosthetic devices, or medical supplies.

(21) (a) Except as provided in par. (b), a person who provides a product that is not distinct and identifiable because it is provided free of charge, as provided in s. 77.51 (3pf) (b), is the consumer of the product that is provided free of charge and shall pay the tax

imposed under this subchapter on the purchase price of that product.

(b) A person who provides a product that is not distinct and identifiable because it is provided free of charge to a purchaser who must also purchase another product that is subject to the tax imposed under this subchapter from that person in the same transaction may purchase the product provided free of charge without tax, for resale.

(22) With regard to transactions described in s. 77.51 (1f) (b), the service provider is the consumer of the tangible personal property or items, property, or goods under sub. (1) (b), (c), or (d) and shall pay the tax imposed under this subchapter on the purchase price of the property, items, or goods.

(23) With regard to transactions described in s. 77.51 (1f) (c), the service provider is the consumer of the service that is essential to the use or receipt of the other service and shall pay the tax imposed under this subchapter on the purchase price of the service that is essential to the use or receipt of the other service.

Whether Milwaukee Symphony Orchestra concerts were entertainment events, ticket sales to which are subject to sales tax under sub. (2) (a) 2., depends on the "primary purpose" of the event. The determination is a holistic one that looks to the motivation, mission, or purpose of the sponsoring organization, as well as any evidence of the motivation and reaction of those paying admission and ultimately the nature of the place or event itself. If the primary purpose of an event or place is 50 percent or more "amusement, athletic, entertainment or recreational," then admission to the event or place is taxable under this provision of the statute. *Milwaukee Symphony Orchestra v. DOR*, 2010 WI 33, 324 Wis. 2d 68, 781 N.W.2d 674, 08–1684.

77.522 Sourcing. (1) GENERAL. (a) In this section:

1. "Receive" means taking possession of tangible personal property or items or property under s. 77.52 (1) (b) or (c); making first use of services; or taking possession or making first use of digital goods under s. 77.52 (1) (d), whichever comes first. "Receive" does not include a shipping company taking possession of tangible personal property or items or property under s. 77.52 (1) (b) or (c) on a purchaser's behalf.

2. "Transportation equipment" means any of the following:

a. Locomotives and railcars that are used to carry persons or property in interstate commerce.

b. Trucks and truck tractors that have a gross vehicle weight rating of 10,001 pounds or greater, trailers, semitrailers, and passenger buses, if such vehicles are registered under the international registration plan under s. 341.405 and operated under the authority of a carrier that is authorized by the federal government to carry persons or property in interstate commerce.

c. Aircraft that are operated by air carriers that are authorized by the federal government or a foreign authority to carry persons or property in interstate or foreign commerce.

d. Containers that are designed for use on the vehicles described in subd. 2. a. to c. and component parts attached to or secured on such vehicles.

(b) Except as provided in par. (c) and subs. (3), (4), and (5), the location of a sale is determined as follows:

1. If a purchaser receives the product at a seller's business location, the sale is sourced to that business location.

2. If a purchaser does not receive the product at a seller's business location, the sale is sourced to the location where the purchaser, or the purchaser's designated donee, receives the product, including the location indicated by the instructions known to the seller for delivery to the purchaser or the purchaser's designated donee.

3. If the location of a sale of a product cannot be determined under subs. 1. and 2., the sale is sourced to the purchaser's address as indicated by the seller's business records, if the records are maintained in the ordinary course of the seller's business and if using that address to establish the location of a sale is not in bad faith.

4. If the location of a sale of a product cannot be determined under subs. 1. to 3., the sale is sourced to the purchaser's address as obtained during the consummation of the sale, including the address indicated on the purchaser's payment instrument, if no other address is available and if using that address is not in bad faith.

5. If the location of a sale of a product cannot be determined under subs. 1. to 4., including the circumstance in which the seller has insufficient information to determine the locations under subs. 1. to 4., the location of the sale is determined as follows:

a. If the item sold is tangible personal property or an item or property under s. 77.52 (1) (b) or (c), the sale is sourced to the location from which the tangible personal property or item or property under s. 77.52 (1) (b) or (c) is shipped.

b. If the item sold is a digital good or computer software delivered electronically, the sale is sourced to the location from which the digital good or computer software was first available for transmission by the seller, not including any location that merely provided the digital transfer of the product sold.

c. If a service is sold, the sale is sourced to the location from which the service was provided.

(c) 1. Except as provided in subd. 3., the sale of advertising and promotional direct mail, including a sale characterized under the laws of this state as the sale of a service when that service is an integral part of the production and distribution of printed material that meets the definition of advertising and promotional direct mail, is sourced to the location from which the advertising and promotional direct mail is shipped, if the purchaser does not provide to the seller a direct pay permit, an exemption certificate claiming direct mail, or other information that indicates the appropriate taxing jurisdiction to which the advertising and promotional direct mail is delivered to the ultimate recipients. If the purchaser provides an exemption certificate claiming direct mail or direct pay permit to the seller, the purchaser shall source the sales to the jurisdictions to which the advertising and promotional direct mail is delivered to the recipients and pay or remit, as appropriate, to the department the tax imposed under s. 77.53 on all purchases for which the tax is due and the seller, in the absence of bad faith, is relieved of all obligation to collect, pay, or remit the tax on any transaction to which the direct pay permit or exemption certificate applies. If the purchaser provides delivery information indicating the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients, the seller shall source the sale to those jurisdictions and collect and remit the tax according to the delivery information provided by the purchaser and, in the absence of bad faith, the seller shall be relieved of any further obligation to collect tax on the sale of advertising and promotional direct mail for which the seller has sourced the sale and collected tax pursuant to the delivery information provided by the purchaser. If a transaction is a bundled transaction that includes advertising and promotional direct mail, this subdivision only applies if the primary purpose of the transaction is the sales of

products or services that meet the definition of advertising and promotional direct mail.

2. The sale of other direct mail, including a sale characterized under the laws of this state as the sale of a service when that service is an integral part of the production and distribution of printed material that meets the definition of other direct mail, is sourced under par. (b) 3. if the purchaser does not provide to the seller a direct pay permit or an exemption certificate claiming direct mail. If the purchaser provides an exemption certificate claiming direct mail or direct pay permit to the seller, the purchaser shall source the sale to the jurisdictions to which the other direct mail is to be delivered to the recipients and the purchaser shall pay or remit, as appropriate, to the department the tax imposed under s. 77.53 on all purchases for which the tax is due and the seller, in the absence of bad faith, is relieved of all obligation to collect, pay, or remit tax on any transaction to which the direct pay permit or exemption certificate claiming direct mail applies.

3. If advertising and promotional direct mail and other direct mail are included in a single mailing, the sale of that mailing is sourced the same as a sale of other direct mail.

4. Transactions that include the development of billing information or the provision of a data processing service that is more than incidental to producing direct mail are not direct mail and are sourced under par. (b), but transactions that include incidental data processing services are direct mail and are sourced under this paragraph. For purposes of this subdivision, "incidental" has the meaning given in s. 77.51 (5).

(3) LEASE OR RENTAL. (a) Except as provided in pars. (b) and (c), with regard to the first or only payment on the lease or rental, the lease or rental of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) is sourced to the location determined under sub. (1) (b). Subsequent periodic payments on the lease or rental are sourced to the property's, item's, or good's primary location as indicated by an address for the property, item, or good that is provided by the lessee and that is available to the lessor in records that the lessor maintains in the ordinary course of the lessor's business, if the use of such an address does not constitute bad faith. The location of a lease or rental as determined under this paragraph shall not be altered by any intermittent use of the property, item, or good at different locations.

(b) The lease or rental of motor vehicles, trailers, semitrailers, and aircraft, that are not transportation equipment, is sourced to the primary location of such motor vehicles, trailers, semitrailers, or aircraft as indicated by an address for the property that is provided by the lessee and that is available to the lessor in records that the lessor maintains in the ordinary course of the lessor's business, if the use of such an address does not constitute bad faith, except that a lease or rental under this paragraph that requires only one payment is sourced to the location determined under sub. (1) (b). The location of a lease or rental as determined under this paragraph shall not be altered by any intermittent use of the property at different locations.

(c) The lease or rental of transportation equipment is sourced to the location determined under sub. (1) (b).

(d) A license of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) shall be treated as a lease or rental of such tangible personal property, items, property, or goods under this subsection.

(4) TELECOMMUNICATIONS. (a) In this subsection:

1. "Air-to-ground radiotelephone service" means a radio service in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

2. "Call-by-call basis" means any method of charging for telecommunications services by which the price of such services is measured by individual calls.

3. "Communications channel" means a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points.

4. “Customer” means a person who enters into a contract with a seller of telecommunications services or, in any transaction for which the end user is not the person who entered into a contract with the seller of telecommunications services, the end user of the telecommunications services. “Customer” does not include a person who resells telecommunications services or, for mobile telecommunications services, a serving carrier under an agreement to serve a customer outside the home service provider’s licensed service area.

5. “Customer channel termination point” means the location where a customer inputs or receives communications.

6. “End user” means the person who uses a telecommunications service. In the case of an entity, “end user” means the individual who uses the telecommunications service on the entity’s behalf.

(a) If the motor vehicle is assigned to and used by an employee of the dealer for whom the dealer is required to withhold amounts for federal income tax purposes or by a person who both has an ownership interest in the dealership and actively participates in the day-to-day operation of the dealership, \$96 per month for each motor vehicle registration plate held by the dealer, except that beginning in 1997 the department shall annually, as of January 1, adjust the dollar amount under this paragraph, rounded to

the nearest whole dollar, to reflect the annual percentage change in the U.S. consumer price index for all urban consumers, U.S. city average, as determined by the U.S. department of labor, for the 12 months ending on June 30 of the year before the change. The person's liability is not extinguished until the tax has been paid to this state, but a receipt with the tax separately stated from a retailer engaged in business in this state or from a retailer who is authorized by the department, under such rules as it prescribes, to collect the tax and who is regarded as a retailer engaged in business in this state for purposes of the tax imposed by this section given to the purchaser under sub. (3) relieves the purchaser from further liability for the tax to which the receipt refers.

(3) Every retailer engaged in business in this state and making sales of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services that are sourced to this state under s. 77.522, shall, at the time of making the sales, collect the tax from the purchaser and give to the purchaser a receipt in the manner and form prescribed by the department.

(5) The tax required to be collected by the retailer constitutes a debt owed by the retailer to the state.

(7) The tax required to be collected by the retailer from the purchaser shall be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check, invoice or other proof of sale.

(8) Any person violating sub. (3) or (7) is guilty of a misdemeanor.

Any person who may register under this subsection may designate an agent, as defined in s. 77.524 (1) (ag), to register with the department under this subsection in the manner prescribed by the department.

(9m) (a) Any person who is not otherwise required to collect any tax imposed by this subchapter and who makes sales to persons within this state of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services the use of which is subject to tax under this subchapter may register with the department under the terms and conditions that the department imposes and shall obtain a valid certificate under s. 73.03 (50) and thereby be authorized and required to collect, report, and remit to the department the use tax imposed by this subchapter.

(b) Any person who may register under par. (a) may designate an agent, as defined in s. 77.524 (1) (ag), to register with the

department under par. (a), in the manner prescribed by the department.

(c) The registration under par. (a) by a person who is not otherwise required to collect any tax imposed by this subchapter shall not be used as a factor in determining whether the seller has nexus with this state for any tax at any time.

(10) For the purpose of the proper administration of this section and to prevent evasion of the use tax and the duty to collect the use tax, it is presumed that tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services sold by any person for delivery in this state is sold for storage, use, or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless that person takes from the purchaser an electronic or paper certificate, in a manner prescribed by department, to the effect that the property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable service is purchased for resale, or otherwise exempt from the tax, except that no certificate is required for the sale of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or services that are exempt under s. 77.54 (7), (7m), (8), (10), (11), (14), (15), (17), (20n), (21), (22b), (31), (32), (35), (36), (37), (42), (44), (45), (46), (51), and (52).

(11) (a) The certificate under sub. (10) relieves the person selling the property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or service of the tax otherwise applicable only if the seller obtains a fully completed exemption certificate, or the information required to prove the exemption, from the purchaser no later than 90 days after the date of the sale of the tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable service, except as provided in par. (b). The certificate under sub. (10) shall not relieve the seller of the tax otherwise applicable if the seller fraudulently fails to collect sales tax or solicits the purchaser to claim an unlawful exemption, or accepts an exemption certificate from a purchaser who claims to be an entity that is not subject to the taxes imposed under this subchapter, if the subject of the transaction sought to be covered by the exemption certificate is received by the purchaser at a location operated by the seller in this state and the exemption certificate clearly and affirmatively indicates that the claimed exemption is not available in this state. The certificate shall provide information that identifies the purchaser and shall indicate the basis for the claimed exemption and a paper certificate shall be signed by the purchaser. The certificate shall be substantially in the form that the department prescribes by rule.

(b) 1. If the seller has not obtained a fully completed exemption certificate or the information required to prove the exemption, as provided in par. (a), the seller may, no later than 120 days after the department requests that the seller substantiate the exemption, either provide proof of the exemption to the department by other means or obtain, in good faith, a fully completed exemption certificate from the purchaser.

2. An exemption certificate is received by the seller in good faith if the certificate claims an exemption for which all of the following apply:

- a. It was an exemption authorized by law on the date of the transaction in the jurisdiction where the transaction is sourced.
- b. It could be applicable to the property, item, good, or service being purchased.
- c. It is reasonable for the purchaser's type of business.

3. If the seller obtains the information described in subd. 2., the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge, or had reason to know, at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction. In order to enforce this subdivi-

sion, the state must establish that the seller had knowledge, or had reason to know, at the time the information was provided that the information was materially false.

(12) If a purchaser who gives a certificate makes any storage or use of the property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or service other than retention, demonstration, or display while holding it for sale in the regular course of operations as a seller, the storage or use is taxable as of the time the property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or service is first so stored or used.

(13) If a purchaser gives a certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

(14) It is presumed that tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services shipped or brought to this state by the purchaser were purchased from or serviced by a retailer.

(16) If the purchase, rental or lease of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or service subject to the tax imposed by this section was subject to a sales tax by another state in which the purchase was made, the amount of sales tax paid the other state shall be applied as a credit against and deducted from the tax, to the extent thereof, imposed by this section, except no credit may be applied against and deducted from a sales tax paid on the purchase of direct mail, if the direct mail purchaser did not provide to the seller a direct pay permit, an exemption certificate claiming direct mail, or other information that indicates the appropriate taxing jurisdiction to which the direct mail is delivered to the ultimate recipients. In this subsection "sales tax" includes a use or excise tax imposed on the use of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable service by the state to which the sale was sourced and "state" includes the District of Columbia and the commonwealth of Puerto Rico but does not include the several territories organized by congress.

(16m) If the purchase, rental, license, or lease of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or service subject to the tax imposed by this section was sourced to tribal lands and, prior to imposing the tax under this subchapter, was subject to a sales tax by a federally recognized American Indian tribe or band in this state, the amount of sales tax paid to the tribe or band may, as determined by an agreement between the department and the tribal council under s. 73.03 (65), be applied as a credit against and deducted from the tax, to the extent thereof, imposed by this section. In this subsection "sales tax" includes a use or excise tax imposed on the use of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable service by the tribe or band.

(17) This section does not apply to tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) purchased outside this state, as determined under s. 77.522, other than motor vehicles, boats, snowmobiles, recreational vehicles, as defined in s. 340.01 (48r), trailers, semitrailers, all-terrain vehicles, utility terrain vehicles, and airplanes registered or titled or required to be registered or titled in this state, which is brought into this state by a nondomiciliary for the person's own storage, use or other consumption while temporarily within this state when such property, item, or good is not stored, used or otherwise consumed in this state in the conduct of a trade, occupation, business or profession or in the performance of personal services for wages or fees.

(17m) This section does not apply to a boat purchased in a state contiguous to this state, as determined under s. 77.522, by a

person domiciled in that state if the boat is berthed in this state's boundary waters adjacent to the state of the domicile of the purchaser and if the transaction was an exempt occasional sale under the laws of the state in which the purchase was made.

(17r) This section does not apply to an aircraft if all of the following requirements are fulfilled:

(a) It is purchased in another state, as determined under s. 77.522.

(b) Its owner or lessee has paid all of the sales and use taxes imposed in respect to it by the state where it was purchased.

(c) If the owner or lessee is a corporation, that corporation, and all corporations with which that corporation may file a consolidated return for federal income tax purposes, neither is organized under the laws of this state nor has real property or other tangible personal property; except aircraft and such property as hangars, accessories, attachments, fuel and parts required for operation of aircraft; in this state at the time the aircraft is registered in this state.

(d) If the owner or lessee is a partnership, all of the corporate partners fulfill the requirements under par. (c) and none of the general partners and none of the limited partners who has management or control responsibilities is domiciled in this state and the partnership has no other tangible personal property and no real property; except aircraft and such property as hangars, accessories, attachments, fuel and parts required for operation of aircraft; in this state at the time the aircraft is registered in this state.

For a taxpayer to use tangible personal property for use tax purposes the taxpayer must own, possess, or enjoy the property and exercise some right or power over the property in Wisconsin. A taxpayer's purpose in entering into a transaction is not dispositive of whether the property is subject to use tax. The substance and realities of a taxpayer's activities are determinative. The exercise of a right or power over property encompasses financial or economic control as well as physical control. *G & G Trucking, Inc. v. DOR*, 2003 WI App 228, 267 Wis. 2d 847, 672 N.W.2d 80, 02–2648.

For the use tax to apply to intercompany transfers with wholly-owned subsidiaries, the subsidiaries that transferred the fixed assets must be considered "retailers" under s. 77.51 (13). It is not the case that Wisconsin has a statutory scheme that taxes all

transfers of tangible personal property, unless an explicit exemption applies. When the person transferring tangible personal property lacks mercantile intent, he or she will not be subject to tax, even though no explicit exemption applies. *Wisconsin Department of Revenue v. River City Refuse Removal, Inc.* 2007 WI 27, 299 Wis. 2d 561, 729 N.W.2d 396, 04–2468.

77.535 Increases; building materials. Increases in the rates of the taxes under this subchapter do not apply to building materials purchased by persons engaged in constructing, altering, repairing or improving real estate for others when the materials so purchased by those persons are affixed and made a structural part of real estate in the fulfillment of a written contract for a fixed price not subject to change or modification, or to a formal written bid that cannot be altered or withdrawn, if the contract is entered into or the bid is made before the effective date of the sales and use tax rate increase.

History: 1981 c. 317.

(a) The United States, its unincorporated agencies and instrumentalities.

(b) Any incorporated agency or instrumentality of the United States wholly owned by the United States or by a corporation wholly owned by the United States.

(2) There is exempted from the computation of the amount of the sales tax the sales price from sales of tangible personal property, and items and property under s. 77.52 (1) (b) and (c), to a common or contract carrier, shipped by the seller via the purchasing carrier under a bill of lading whether the freight is paid in advance, or the shipment is made freight charges collect, to a point outside this state and the property or item is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a carrier.

(2m) There is exempted from the computation of the amount of sales tax the sales price from sales of railroad crossties to a common or contract carrier, shipped wholly or in part by way of the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state if the property is transported to the out-of-state destination for use by the carrier in the conduct of its business as a carrier. Interruption of the shipment for storage, drying, processing or creosoting of the railroad crossties in this state does not invalidate the exemption under this subsection.

(3) There is exempted from the computation of the amount of the sales tax the sales price from sales of tangible personal property, and items and property under s. 77.52 (1) (b) and (c), purchased for use solely outside this state and delivered to a forwarding agent, export packer, or other person engaged in the business of preparing goods for export or arranging for their exportation, and actually delivered to a port outside the continental limits of the United States prior to making any use thereof.

(3) The donation to an entity specified under s. 77.54 (9a) of property that has been purchased tax-free for resale or upon the presentation of a valid exemption certificate is exempt from the use tax.

History: 1989 a. 31; 1995 a. 27; 2009 a. 2, 28.

77.57 Liability of purchaser. If a purchaser certifies in writing to a seller that the tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) purchased will be used in a manner or for a purpose entitling the seller to regard the sales price from the sale as exempted by this subchapter from the computation of the amount of the sales tax and uses the property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) in some other manner or for some other purpose, the purchaser is liable for payment of the sales tax. The tax shall be measured by the sales price of the property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) to the purchaser.

History: 1983 a. 405; 2009 a. 2.

77.58 Returns and payments. (1) The taxes imposed by this subchapter for each calendar quarter are due and payable on the last day of the month next succeeding the calendar quarter for which imposed except that:

(a) If the amount of tax for any calendar quarter exceeds \$600, the department may require by written notice to the taxpayer that the taxes imposed on and after the date specified in the notice are due and payable on the last day of the month next succeeding the calendar month for which imposed.

(b) If the amount of tax for any calendar quarter exceeds \$3,600, the department may require by written notice to the taxpayer that the taxes imposed on and after the date specified in the notice are due and payable on the 20th day of the month next succeeding the calendar month for which imposed. The payment is timely if it fulfills the requirements under s. 77.61 (14).

(1m) Persons who owe amounts under this subchapter shall pay them by mailing or delivering them to the department or, if the department prescribes another method of submitting or another destination, those persons shall pay those amounts in that other method or to that other destination.

(2) A return shall be filed by the last day of the month next succeeding each calendar quarter for taxes imposed for the preceding calendar quarter except that:

(a) If payments are required to be made monthly and are due and payable on the last day of the month next succeeding the calendar month for which imposed under sub. (1) (a), a return shall be filed by the last day of the month next succeeding each calendar month for taxes imposed for the preceding calendar month.

(b) If payments are required to be made monthly and are due and payable on the 20th day of the month next succeeding the cal-

endar month for which imposed under sub. (1) (b), a return shall be filed by the 20th day of the month next succeeding each calendar month for taxes imposed for the preceding calendar month.

(c) Returns and payments under this section are timely if they meet the requirements under s. 77.61 (14).

(d) Except for a seller who uses a certified service provider, a seller who registers through the streamlined sales tax governing board's central registration system and indicates at the time of registration that it anticipates making no sales into this state is not required to file a return in this state until such time as it makes a taxable sale that is sourced to this state under s. 77.522. Once a seller to which this provision applies makes a taxable sale that is sourced to this state under s. 77.522, that seller is required to file a return that is due by the last day of the month following the last day of the calendar quarter in which the sale occurred and shall continue to file returns by the last day of the month following the last day of each calendar quarter thereafter, unless the seller is notified in writing by the department of a different filing frequency.

(3) (a) Except as provided in sub. (2) (d), for purposes of the sales tax a return shall be filed by every seller. Except as provided in sub. (2) (d), for purposes of the use tax a return shall be filed by every retailer engaged in business in this state and by every person purchasing tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or services, the storage, use or other consumption of which is subject to the use tax, who has not paid the use tax due to a retailer required to collect the tax. If a qualified subchapter S subsidiary is not regarded as a separate entity under ch. 71, the owner of that subsidiary shall elect to either include the information for that subsidiary on the owner's return or file a separate electronic return for that entity. If a single-owner entity is disregarded as a separate entity under ch. 71, the owner shall elect to either include the information from the entity on the owner's return or file a separate electronic return for that entity. If an owner that owns more than one entity that is disregarded as a separate entity under ch. 71 elects to file a separate return for one of its disregarded entities, the owner shall file separate returns for all of its disregarded entities. Returns filed under this paragraph shall be signed by the person required to file the return or by a duly authorized agent but need not be verified by oath.

(b) The return shall show the amount of the taxes for the period covered by the return and such other information as the department deems necessary for the proper administration of this subchapter.

(4) The person required to file the return shall deliver the return together with a remittance of the amount of the tax due to the office of the department or such other place as the department designates in the manner and form prescribed by the department.

(5) The department, if it deems it necessary to ensure payment to or facilitate the collection by the state of the amount of taxes, may require returns and payments of the amount of taxes for other than quarterly periods. The department may, if satisfied that the revenues will be adequately safeguarded, permit returns and payments of the amount of taxes for other than quarterly periods. Such returns or payments shall be due or payable by the last day of the month next succeeding the end of the reporting or paying period, except that the department may require by written notice to the taxpayer that the returns or payments shall be due or payable by the 20th day of the month next succeeding the end of the reporting or paying period. Any person who discontinues business or who does not hold a valid permit under s. 77.52 (9) prior to the end of a reporting period shall, within 30 days after such discontinuance or after the date on which the person ceases to hold a valid permit, file a return and pay the taxes due from the beginning of such reporting period. If a business is discontinued and a final report thereon has been made covering all payments due or refunds claimed as provided in this section, the account shall be closed, the seller's permit terminated and, notwithstanding any

other provisions of this section, no further reports may be required.

(6) For the purposes of the sales tax, the sales price from rentals, licenses, or leases of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) shall be reported and the tax paid in accordance with such rules as the department prescribes.

(6m) (a) The department may, in cases where it is satisfied that an undue hardship would otherwise result, permit the reporting of a sales price or purchase price on some basis other than the accrual basis.

(b) The entire sales price of credit transactions shall be reported in the period in which the sale is made without reduction in the amount of tax payable by the retailer by reason of the retailer's transfer at a discount of any open account, note, conditional sales contract, lease contract, or other evidence of indebtedness.

(7) The department for good cause may extend for not to exceed one month the time for making any return or paying any amount required to be paid by this subchapter. The extension may be granted at any time provided a request therefor is filed with the department within or prior to the period for which the extension is requested.

(8) In any case in which a retailer who has accepted a resale or exemption certificate is subsequently required to pay a sales or use tax measured by the sale, the retailer may recover the amount of the tax as a debt due from the person who furnished such certificate.

(9a) In addition to filing a return as provided in this section, a person described under s. 77.524 (3), (4), or (5) shall provide to the department any information that the department considers necessary for the administration of this subchapter, in the manner prescribed by the department, except that the department may not require that the person provide such information to the department more than once every 180 days.

77.585 Return adjustments. (1) (a) In this subsection, "bad debt" means the portion of the sales price or purchase price that the seller has previously reported as taxable under this subchapter, and for which the seller has paid the tax, and that the seller may claim as a deduction under section 166 of the Internal Revenue Code. "Bad debt" does not include financing charges or interest, sales or use taxes imposed on the sales price or purchase price, uncollectible amounts on tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) that remain in the seller's possession until the full sales price or purchase price is paid, expenses incurred in attempting to collect any debt, debts sold or assigned to 3rd parties for collection, and repossessed property or items.

(b) A seller may claim as a deduction on a return under s. 77.58 the amount of any bad debt that the seller writes off as uncollectible in the seller's books and records and that is eligible to be deducted as a bad debt for federal income tax purposes, regardless of whether the seller is required to file a federal income tax return. A seller who claims a deduction under this paragraph shall claim the deduction on the return under s. 77.58 that is submitted for the period in which the seller writes off the amount of the deduction as uncollectible in the seller's books and records and in which such amount is eligible to be deducted as bad debt for federal income tax purposes. If the seller subsequently collects in whole or in part any bad debt for which a deduction is claimed under this paragraph, the seller shall include the amount collected in the return filed for the period in which the amount is collected and shall pay the tax with the return.

(c) For purposes of computing a bad debt deduction or reporting a payment received on a previously claimed bad debt, any payment made on a debt or on an account is applied first to the price of the tangible personal property, or items, property, or goods

under s. 77.52 (1) (b), (c), or (d), or service sold, and the proportionate share of the sales tax on that property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or service, and then to interest, service charges, and other charges related to the sale.

(d) A seller may obtain a refund of the tax reported for any bad debt amount deducted under par. (b) that exceeds the amount of the seller's taxable sales as provided under s. 77.59 (4), except that the period for making a claim as determined under s. 77.59 (4) begins on the date on which the return on which the bad debt could be claimed would have been required to be submitted to the department under s. 77.58.

(e) If a seller is using a certified service provider, the certified service provider may claim a bad debt deduction under this subsection on the seller's behalf if the seller has not claimed and will not claim the same deduction. A certified service provider who receives a bad debt deduction under this subsection shall credit that deduction to the seller and a certified service provider who receives a refund under this subsection shall submit that refund to the seller.

(f) If a bad debt relates to the retail sales of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services that were sourced to this state and to one or more other states, as determined under s. 77.522, the total amount of such bad debt shall be apportioned among the states to which the underlying sales were sourced in a manner prescribed by the department to arrive at the amount of the deduction under par. (b).

(2) If a lessor of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) has reimbursed the vendor for the sales tax on the sale of the property, items, or goods by the vendor to the lessor, the tax due from the lessor on the rental receipts may be offset by a credit equal to the tax otherwise due on the rental receipts from the property, items, or goods for the reporting period. The credit shall expire when the cumulative rental receipts equal the sales price upon which the vendor paid sales taxes to this state.

(3) If a purchaser of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) has reimbursed the vendor of the property, items, or goods for the sales tax on the sale and subsequently, before making any use of the property, items, or goods other than retention, demonstration, or display while holding it for sale or rental, makes a taxable sale of the property, items, or goods the tax due on the taxable sale may be offset by the tax reimbursed.

(4) A seller may claim a deduction on any part of the sales price or purchase price that the seller refunds in cash or credit as a result of returned tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) or adjustments in the sales price or purchase price after the sale has been completed, if the seller has included the refunded price in a prior return made by the seller and has paid the tax on such price, and if the seller has returned to the purchaser in cash or in credit all tax previously paid by the purchaser on the amount of the refund at the time of the purchase. A deduction under this subsection shall be claimed on the return for the period in which the refund is paid.

(5) No reduction in the amount of tax payable by the retailer is allowable in the event that tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) sold on credit are repossessed except where the entire consideration paid by the purchaser is refunded to the purchaser or where a credit for a worthless account is allowable under sub. (1).

(6) A purchaser who is subject to the use tax on the storage, use, or other consumption of fuel may claim a deduction from the purchase price that is subject to the use tax for fuel taxes refunded by this state or the United States to the purchaser that is included in the purchase price of the fuel.

(7) For sales tax purposes, if a retailer establishes to the department's satisfaction that the sales tax has been added to the total amount of the sales price and has not been absorbed by the

retailer, the total amount of the sales price shall be the amount received exclusive of the sales tax imposed.

(8) (a) A sale or purchase involving transfer of ownership of tangible personal property, or items or property under s. 77.52 (1) (b) or (c), is completed at the time when possession is transferred by the seller or the seller's agent to the purchaser or the purchaser's agent, except that for purposes of sub. (1) a common carrier or the U.S. postal service shall be considered the agent of the seller, regardless of any f.o.b. point and regardless of the method by which freight or postage is paid.

(b) 1. Except as provided in subd. 2., a sale or purchase involving a digital good under s. 77.52 (1) (d) is completed at the time when possession is transferred by the seller or the seller's agent to the purchaser or the purchaser's agent or when the digital good is first used, whichever comes first.

2. A sale or purchase of a product transferred electronically, including a digital good under s. 77.52 (1) (d), that is sold by subscription, is completed at the time when the payment for the subscription is due to the seller. For purposes of this subdivision, "subscription" means an agreement with a seller that grants the consumer the right to obtain products transferred electronically from within one or more product categories having the same tax treatment, in a fixed quantity or for a fixed period of time, or both.

(9) (a) Subject to 2005 Wisconsin Act 479, section 17, a purchaser may claim as a deduction that portion of its purchase price of Internet equipment used in the broadband market for which the tax was imposed under this subchapter, if the purchaser certifies to the department of commerce, in the manner prescribed by the department of commerce, that the purchaser will, within 24 months after July 1, 2007, make an investment that is reasonably calculated to increase broadband Internet availability in this state. The purchaser shall claim the deduction in the same reporting period as the purchaser paid the tax imposed under this subchapter.

(b) Every person who is required to make the investment under par. (a) shall, within 60 days after the end of the year in which the investment is made, file a report with the department of commerce that provides a detailed description of the investment, including the amount invested. The department of commerce shall provide copies of the report to the department of administration, the department of revenue, and the public service commission.

77.59 Deficiency and refund determinations. (1) The department may, by office audit, determine the tax required to be paid to the state or the refund due to any person pursuant to this subchapter. The determination may be made upon the basis of the facts contained in the return being audited or upon the basis of any other information within the department's possession. The determination shall be presumed to be correct and the burden of proving it to be incorrect shall be upon the person challenging the correctness thereof. One or more such office audit determinations may be made of the amount due for any one or for more than one period.

(2) The department may, by field audit, determine the tax required to be paid to the state or the refund due to any person under this subchapter. The determination may be made upon the basis of the facts contained in the return being audited or upon any other information in the department's possession. The determination may be made on the basis of sampling, whether or not the person being audited has complete records of transactions and whether or not the person being audited consents. The department may examine and inspect the books, records, memoranda and property of any person in order to verify the tax liability of that person or of another person. The department may subpoena any person to give testimony under oath before it and to produce whatever books, records or memoranda are necessary in order to enable the department to verify the tax liability of that person or of another person. The determination shall be presumed to be correct and the burden of proving it to be incorrect shall be upon the per-

son challenging its correctness. A determination by the department in a field audit becomes final at the expiration of the appeal periods provided in sub. (6), and the tax liability of the taxpayer for the period audited may not be subsequently adjusted except as provided in sub. (4) (b), (8) or (8m). If the taxpayer files or is required to file more than one return for the taxpayer's fiscal year or for a calendar year, the determination made by field audit for that fiscal or calendar year shall be based on the receipts, purchases, deductions and exemptions for the entire fiscal or calendar year.

(2m) The department may audit, or may authorize others to audit, sellers and certified service providers who are registered with the department pursuant to the agreement, as defined in s. 77.65 (2) (a).

(3) No determination of the tax liability of a person may be made unless written notice of the determination is given to the taxpayer within 4 years after the due date of the taxpayer's Wisconsin income or franchise tax return or, if exempt, within 4 years of the 15th day of the 4th month of the year following the close of the calendar or fiscal year, within 4 years of the dissolution of a corporation or within 4 years of the date any sales and use tax return required to be filed for any period in that year was filed, whichever is later. The notice required under this paragraph shall specify whether the determination is an office audit determination or a field audit determination, and it shall be in writing. If the department is unable to obtain service by mail, publication of it as a class 3 notice, under ch. 985, shall be service of notice in any case where notice is required under this subchapter.

(3m) If the taxpayer has consented in writing to the giving of notice of determination after the time under sub. (3), the notice may be given, and the taxpayer may file a claim for a refund, at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing.

(4) (a) Except as provided in sub. (3m), at any time within 4 years after the due date, or in the case of buyers the unextended due date, of a person's corresponding Wisconsin income or franchise tax return or, if exempt, within 4 years of the 15th day of the 4th month of the year following the close of the calendar or fiscal year for which that person files a claim, that person may, unless a determination by the department by office or field audit of a seller has been made and unless a determination by office audit of a buyer other than an audit in which the tax that is the subject of the refund claim was not adjusted has been made and unless a determination by field audit of the buyer has been made, file with the department a claim for refund of taxes paid to the department by that person. If the amount of the claim is at least \$50 or if either the seller has ceased doing business, the buyer is being field audited or the seller may no longer file a claim, the buyer may, within the time period under this subsection, file a claim with the department for a refund of the taxes paid to the seller. A claim is timely if it fulfills the requirements under s. 77.61 (14). A buyer may claim a refund under this paragraph only on a form prescribed by the department, only by signing that form and only if the seller signs the form unless the department waives that requirement. If both a buyer and a seller file a valid claim for the same refund, the department may pay either claim. The claim for refund shall be regarded as a request for determination. The determination thus requested shall be made by the department within one year after the claim for refund is received by it unless the taxpayer has consented in writing to an extension of the one-year time period prior to its expiration.

(b) A claim for refund that is not to be passed along to customers under sub. (8m) may be made within 2 years of the determination of a tax assessed by office audit or field audit and paid if the tax was not protested by the filing of a petition for redetermination. A claim is timely if it fulfills the requirements under s. 77.61 (14). No claim may be allowed under this paragraph for any tax self-assessed by the taxpayer. If a claim is filed under this para-

graph, the department may make an additional assessment in respect to any item that was a subject of the prior assessment.

(5) The department may offset the amount of any refund for a period, together with interest on the refund, against deficiencies for another period, and against penalties and interest on the deficiencies, or against any amount of whatever kind, due and owing on the books of the department from the person who is entitled to the refund. If the refund is to be paid to a buyer, the department may also set off amounts in the manner in which it sets off income tax and franchise tax refunds under s. 71.93 and may set off amounts for child support or maintenance or both in the manner in which it sets off income taxes under ss. 49.855 and 71.93 (3), (6) and (7).

(5m) A seller who receives a refund under sub. (4) (a) or (b) of taxes that the seller has collected from buyers, who collects amounts as taxes erroneously from buyers, but who does not remit such amounts to the state, or who is entitled to a refund under sub. (4) (a) or (b) that is offset under sub. (5), shall submit the taxes and related interest to the buyers from whom the taxes were collected, or to the department if the seller cannot locate the buyers, within 90 days after the date of the refund, after the date of the offset, or after discovering that the seller has collected taxes erroneously from the buyers. If the seller does not submit the taxes and related interest to the department or the buyers within that period, the seller shall submit to the department any part of a refund or taxes that the seller does not submit to a buyer or to the department along with a penalty of 25% of the amount not submitted or, in the case of fraud, a penalty equal to the amount not submitted. A person who collects amounts as taxes erroneously from buyers for a real property construction activity or nontaxable service may reduce the taxes and interest that he or she is required to submit to the buyer or to the department under this subsection for that activity or service by the amount of tax and interest subsequently due and paid on the sale of or the storage, use, or other consumption of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d) that are used by the person in that activity or service and transferred to the buyer.

(6) Except as provided in sub. (4) (b), a determination by the department is final unless, within 60 days after receipt of the notice of the determination, the taxpayer, or other person directly interested, petitions the department for a redetermination. A petition is timely if it fulfills the requirements under s. 77.61 (14). In the case of notice served by publication, the 60-day period commences with the last day of publication of the notice.

(a) Within 6 months of the receipt by the department of the petition for redetermination, the department shall notify the petitioner of its redetermination. The redetermination shall become final 60 days after receipt by the petitioner of notice of the redetermination unless, within that 60-day period, the petitioner appeals the redetermination under par. (b).

(b) Appeals from the department's redeterminations shall be governed by the statutes applicable to income or franchise tax appeals but all appeals from decisions of the tax appeals commission with respect to the taxes imposed by this subchapter shall be appealed to the circuit court for Dane County.

(c) The department shall notify any person who files a petition for redetermination that the person may deposit the entire deficiency determination, including any penalty or interest, with the department when the petition is filed or at any time before the department makes its redetermination. Any deposited amount which is refunded shall bear interest at the rate of 9% per year during the time the funds were on deposit. A person may also pay any portion of a deficiency determination admitted to be correct and the payment shall be considered an admission of the validity of that portion of the deficiency determination and may not be recovered in an appeal or in any other action or proceeding.

Cross-reference: See also s. Tax 1.14, Wis. adm. code.

(7) If the department believes that the collection of any tax imposed by this subchapter will be jeopardized by delay, it shall

notify the person determined to owe the tax of its intention to proceed under s. 71.91 (5) for collection of the amount determined to be owing, including penalties and interest. Such notice shall be by certified or registered mail or by personal service and the warrant of the department shall not issue if the person, within 10 days after such notice furnishes a bond in such amount not exceeding double the amount determined to be owing and with such sureties as the department approves, conditioned upon the payment of so much of the taxes, interest, and penalties as shall finally be determined to be due. Nothing in this subsection shall affect the review of determinations of tax as provided in this subchapter and any amounts collected under this subsection shall be deposited with the department and disbursed after final determination of the taxes as are amounts deposited under ss. 71.89 (1) and 71.90 (2).

(8) Notwithstanding any other provision of this subchapter, if a person fails to file a report or return required by this subchapter or files a false or fraudulent report or return with the intent in either case to defeat or evade tax required to be paid, the department may determine the proper tax due at any time and without regard to when such failure or filing occurred and without regard to whether a field audit determination was previously made. The department may, at any time, examine and inspect any of the books, records, memoranda, or property of any person and make whatever inquiry, including the subpoena of persons, necessary to the determination of whether a failure to file or a filing was with the intent to defeat or evade the tax.

(8m) Within the time period under sub. (4), the department of revenue may refund excess taxes paid to it under this chapter, even if the person applying for the refund has been field audited in respect to those taxes, if the applicant's customers have filed valid claims for refunds with the applicant and if the refund is passed along to those customers.

(9) (a) Except as provided in par. (b), if any person fails to file a return, the department shall make an estimate of the amount of the sales price of the person's sales, or, as the case may be, of the amount of the total purchase price of tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable service sold or purchased by the person, the sale by or the storage, use, or other consumption of which in this state is subject to sales or use tax. The estimate shall be made for the period in respect to which the person failed to make a return and shall be based upon any information which is in the department's possession or may come into its possession. Upon the basis of this estimate the department shall compute and determine the amount required to be paid to the state, adding to the sum thus arrived at a penalty equal to 25% thereof. One or more such determinations may be made for one or for more than one period. When a business is discontinued a determination may be made at any time thereafter, within the periods specified in sub. (3), as to liability arising out of that business.

(b) If a seller is not required to register and obtain a permit under s. 77.52 (7) or 77.53 (9), but has registered and obtained a permit under s. 77.52 (7) or 77.53 (9) and has failed to timely file a return that is due, the department shall notify the seller of the failure to file and provide the seller at least 30 days to file the return prior to making the estimate described in par. (a), except that if the seller has a history of not filing returns, or filing returns late, the department may make the estimate under par. (a) without providing such notice.

(9m) If the department determines that a liability exists under this subchapter and that the liability may be owed by more than one person, the department may assess the entire amount to each person, specifying that it is assessing in the alternative. If the department determines that a liability exists under this subchapter and that the liability may be for either sales taxes or use taxes, the department may make an assessment for both taxes, specifying that it is assessing in the alternative.

(9n) (a) Notwithstanding s. 73.03 (47), and except as provided in par. (b), no seller or certified service provider is liable for tax, interest, or penalties imposed on a transaction under this sub-

chapter if the seller or certified service provider charged and collected the incorrect amount of the sales or use tax as a result of relying on erroneous data provided in the databases under s. 73.03 (61) (e) and (f).

(b) Notwithstanding s. 73.03 (47), no seller or certified service provider is liable for the tax, interest, or penalties imposed on a transaction under this subchapter if the seller or certified service provider failed to collect the sales and use taxes due on an item or transaction because the seller or certified service provider relied on the certification under s. 73.03 (61) (b). This paragraph does not apply to a seller or certified service provider who has incorrectly classified an item or transaction into a specific product category, unless such classification was approved by the states that are signatories to the agreement, as defined in s. 77.65 (2) (a). If the state determines that it has incorrectly classified an item or transaction, sellers and certified service providers that do not revise the classification of the item or transaction within 10 days after receiving notice from the department that an item or transaction was incorrectly classified are liable for the tax, interest, or penalties imposed on the item or transaction for the incorrect classification after the 10-day period.

(c) Except as otherwise provided in this paragraph, a purchaser is not liable for the tax, interest, or penalties imposed on a transaction under this subchapter if the seller or certified service provider from whom the purchaser made the purchase relied on erroneous data provided in the databases under s. 73.03 (61) (e) and (f) or if the purchaser relied on erroneous data provided in the databases under s. 73.03 (61) (e) and (f). With respect to reliance on the database provided under s. 73.03 (61) (e), the relief provided under this paragraph is limited to the erroneous classification in the database of terms defined in this subchapter and specifically identified in the database as being "taxable," "exempt," "included in sales price" or "excluded from sales price," or "included in the definition" or "excluded from the definition." With respect to reliance on the database provided under s. 73.03 (61) (f), the relief provided under this paragraph does not apply to transactions by which the product is received by the purchaser at the business location of the seller.

(9p) (a) If a customer purchases a service that is subject to 4 USC 116 to 126, as amended by P.L. 106–252, and if the customer believes that the amount of the tax assessed for the service under this subchapter or the place of primary use or taxing jurisdiction assigned to the service is erroneous, the customer may request that the service provider correct the alleged error by sending a written notice to the service provider. The notice shall include a description of the alleged error, the street address for the customer's place of primary use of the service, the account name and number of the service for which the customer seeks a correction, and any other information that the service provider reasonably requires to process the request. Within 60 days from the date that a service provider receives a request under this paragraph, the service provider shall review its records to determine the customer's taxing jurisdiction. If the review indicates that there is no error as alleged, the service provider shall explain the findings of the review in writing to the customer. If the review indicates that there is an error as alleged, the service provider shall correct the error and shall refund or credit the amount of any tax collected erroneously, along with the related interest, as a result of the error from the customer in the previous 48 months, consistent with s. 77.59 (4). A customer may take no other action against the service provider, or commence any action, to correct an alleged error in the amount of the tax assessed under this subchapter on a service that is subject to 4 USC 116 to 126, as amended by P.L. 106–252, or to correct an alleged error in the assigned place of primary use or taxing jurisdiction, unless the customer has exhausted his or her remedies under this paragraph.

(b) If a customer purchases a service that is not subject to 4 USC 116 to 126, as amended by P.L. 106–252, tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), and if the customer believes that the amount of the tax

assessed for the sale of the service, property, items, or goods under this subchapter is erroneous, the customer may request that the seller correct the alleged error by sending a written notice to the seller. The notice shall include a description of the alleged error and any other information that the seller reasonably requires to process the request. Within 60 days from the date that a seller receives a request under this paragraph, the seller shall review its records to determine the validity of the customer's claim. If the review indicates that there is no error as alleged, the seller shall explain the findings of the review in writing to the customer. If the review indicates that there is an error as alleged, the seller shall correct the error and shall refund the amount of any tax collected erroneously, along with the related interest, as a result of the error from the customer, consistent with s. 77.59 (4). A customer may take no other action against the seller, or commence any action against the seller, to correct an alleged error in the amount of the tax assessed under this subchapter on a service that is not subject to 4 USC 116 to 126, as amended by P.L. 106–252, tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d) unless the customer has exhausted his or her remedies under this paragraph.

(9r) With regard to a purchaser's request for a refund under this section, a seller is presumed to have reasonable business practices if the seller uses a certified service provider, a certified automated system, as defined in s. 77.524 (1) (am), or a proprietary system certified by the department to collect the taxes imposed under this subchapter and if the seller has remitted to the department all taxes collected under this subchapter, less any deductions, credits, or allowances.

(10) As used in this section, "tax" or "taxes" include penalties and interest.

A "spot check" by the department of a taxpayer's records for a single month was a "field audit" under sub. (2) covering that period only. *DOR v. Moebius Printing Co.*, 89 Wis. 2d 610, 279 N.W.2d 213 (1979).

All persons who have paid excess sales tax may file a claim for a refund under sub. (4) regardless of whether the taxes were paid to a retailer or to the department. *Dairyland Harvestore v. DOR*, 151 Wis. 2d 799, 447 N.W.2d 56 (Ct. App. 1989).

If a sales and use tax return is never filed, the statute of limitations under sub. (3) never begins to run. *Zignego Co., Inc. v. DOR*, 211 Wis. 2d 819, 565 N.W.2d 590 (Ct. App. 1997), 96–1965.

77.60 Interest and penalties. **(1)** (a) Except as provided in par. (b), unpaid taxes shall bear interest at the rate of 12% per year from the due date of the return until paid or deposited with the department. Taxes refunded to the seller shall bear interest at 9% per year from the due date of the return to the date on which the refund is certified on the refund rolls. An extension of time within which to file a return shall not extend the due date of the return for purposes of interest computation. Taxes refunded to the buyer shall bear interest at 9% per year from the last day of the month following the month during which the buyer paid the tax to the date on which the refund is certified on the refund rolls.

(b) Any unpaid taxes for a calendar year or a fiscal year resulting from a field audit shall bear interest at the rate of 12% per year from the due date of the taxpayer's Wisconsin income or franchise tax return for that calendar or fiscal year or, if exempt, from the 15th day of the 4th month of the year after the close of the calendar or fiscal year for which the taxes are due to the date on which the taxes are paid or, if unpaid, become delinquent, whichever is earlier.

(1m) All nondelinquent payments of additional amounts owed shall be applied in the following order: penalties, interest, tax principal.

(2) Upon a showing by the department under s. 73.16 (4), delinquent sales and use tax returns shall be subject to a \$20 late filing fee unless the return was not timely filed because of the death of the person required to file. The fee shall not apply if the department has failed to issue a seller's permit or a use tax registration within 30 days of the receipt of an application for a seller's

permit or use tax registration accompanied by the fee established under s. 73.03 (50), if the person does not hold a valid certificate under s. 73.03 (50), and the security required under s. 77.61 (2) has not been placed with the department. Delinquent sales and use taxes shall bear interest at the rate of 1.5% per month until paid. The taxes imposed by this subchapter shall become delinquent if not paid:

(a) In the case of a timely filed return, on or before the due date of the return, or on or before the expiration of an extension period if one has been granted.

(b) In the case of no return filed or a return filed late, by the due date of the return.

(c) In the case of deficiency determinations, on or before the due date specified in the notice of deficiency, except that if the determination is contested before the tax appeals commission or in the courts, on or before the 30th day following the date on which the order or judgment representing the final determination becomes final.

(3) If an incorrect return is filed, and upon a showing by the department under s. 73.16 (4), the entire tax finally determined shall be subject to a penalty of 25%, or 50% in the case of returns under s. 77.61 (1) (c), of the tax exclusive of interest or other penalty.

(4) In case of failure to file any return required under authority of s. 77.58 by the due date, determined with regard to any extension of time for filing, and upon a showing by the department under s. 73.16 (4), there shall be added to the amount required to be shown as tax on such return 5% of the amount of such tax if the failure is not for more than one month, with an additional 5% for each additional month or fraction thereof during which such failure continues, not exceeding 25% in the aggregate. For purposes of this subsection, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the due date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

(5) If a person fails to file a return when due or files a false or fraudulent return with intent in either case to defeat or evade the tax imposed by this subchapter, a penalty of 50% shall be added to the tax required to be paid, exclusive of interest and other penalties.

(6) Any person who fails to furnish any return required to be made or who fails to furnish any data required by the department is guilty of a misdemeanor.

(7) Any person, including an officer of a corporation, required to make, render, sign or verify any report or return required by this subchapter who makes a false or fraudulent report or return or who fails to furnish a report or return when due with the intent, in either case, to defeat or evade the tax imposed by this subchapter, is guilty of a misdemeanor.

(8) Any person engaged in the business of making sales at retail who is at the same time engaged in some other kind of business, occupation or profession not taxable under this subchapter, shall keep books to show separately the transactions used in determining the tax herein levied. In the event of such person failing to keep such separate books, there shall be levied upon the person a tax at the rate provided in s. 77.52 or 77.53 on the receipts of both or all of the person's businesses, occupations or professions.

(9) Any person who is required to collect, account for or pay the amount of tax imposed under this subchapter and who willfully fails to collect, account for or pay to the department shall be personally liable for such amounts, including interest and penalties thereon, if that person's principal is unable to pay such amounts to the department. The personal liability of such person as provided in this subsection shall survive the dissolution of the corporation or other form of business association. Personal liability may be assessed by the department against such person under this subchapter for the making of sales tax determinations against retailers and shall be subject to the provisions for review of sales

tax determinations against retailers, but the time for making such determinations shall not be limited by s. 77.59 (3). “Person”, in this subsection, includes an officer, employee or other responsible person of a corporation or other form of business association or a member, employee or other responsible person of a partnership, limited liability company or sole proprietorship who, as such officer, employee, member or other responsible person, is under a duty to perform the act in respect to which the violation occurs.

(10) It is unlawful for any person to aid, abet or assist another in making any false or fraudulent return or false statement in any return required by this subchapter, with intent to defraud the state or evade payment of the tax, or any part thereof, imposed by this subchapter. Anyone in violation hereof shall be guilty of a misdemeanor.

(11) Whenever a person collects tax moneys imposed under s. 77.52, 77.53 or 77.71 from a consumer, user or purchaser, the person receives those tax moneys as trust funds and state property. Any person who intentionally fails or refuses to pay over those tax moneys to the state at the time required by this subchapter or who fraudulently withholds, appropriates or uses any of those tax moneys is guilty of theft under s. 943.20, punishable as specified in s. 943.20 (3) according to the amount of tax moneys involved. This subsection applies regardless of the person’s interest in those tax moneys. Payment to creditors in preference to the payment of those tax moneys to the state by any person is prima facie evidence of an intent to fraudulently use those tax moneys.

(12) A person who negligently files an incorrect and excessive claim for a refund under s. 77.59 is subject to a penalty of 25% of the difference between the amount claimed and the amount that should have been claimed. A person who fraudulently files an incorrect claim for a refund under s. 77.59 is subject to a penalty of 100% of the difference between the amount claimed and the amount that should have been claimed.

(13) A person who uses any of the following documents in a manner that is prohibited or inconsistent with this subchapter, or provides incorrect information to a seller or certified service provider related to the use of such documents or regarding an exemption to the taxes imposed under this subchapter, shall pay a penalty of \$250 for each invoice or bill of sale related to the prohibited or inconsistent use or incorrect information:

(a) An exemption certificate described under ss. 77.52 (13) and 77.53 (10).

(b) A direct pay permit under s. 77.52 (17m).

(c) An exemption certificate claiming direct mail.

History: 1975 c. 39, 186; 1979 c. 110 s. 60 (13); 1979 c. 221, 230; 1981 c. 20; 1983 a. 27; 1985 a. 29; 1987 a. 399; 1991 a. 39, 269, 316; 1993 a. 16, 112, 408, 437; 1995 a. 27, 428; 1997 a. 237, 314; 1999 a. 9; 2009 a. 2; 2011 a. 68.

77.61 Administrative provisions. (1) (a) No motor vehicle, boat, snowmobile, recreational vehicle, as defined in s. 340.01 (48r), trailer, semitrailer, all-terrain vehicle, utility terrain vehicle, or aircraft shall be registered or titled in this state unless the registrant presents proof that the sales or use taxes imposed by this subchapter have been paid.

(b) In the case of motor vehicles, boats, snowmobiles, recreational vehicles, as defined in s. 340.01 (48r), trailers, semitrailers, all-terrain vehicles, utility terrain vehicles, or aircraft purchased from a retailer, the registrant shall present proof that the tax has been paid to such retailer.

(c) In the case of motor vehicles, boats, snowmobiles, recreational vehicles, as defined in s. 340.01 (48r), trailers, semitrailers, all-terrain vehicles, utility terrain vehicles, or aircraft registered or titled, or required to be registered or titled, in this state purchased from persons who are not retailers, the purchaser shall file a sales tax return and pay the tax prior to registering or titling the motor vehicle, boat, snowmobile, recreational vehicle, as defined in s. 340.01 (48r), semitrailer, all-terrain vehicle, utility terrain vehicle, or aircraft in this state.

(2) In order to protect the revenue of the state:

(a) Except as provided in par. (b), the department may require any person who is or will be liable to it for the tax imposed by this subchapter to place with it, before or after a permit is issued, the security, not in excess of \$15,000, that the department determines. In determining the amount of security to require under this subsection, the department may consider the person’s payment of other taxes administered by the department and any other relevant facts. If any taxpayer fails or refuses to place that security, the department may refuse or revoke the permit. If any taxpayer is delinquent in the payment of the taxes imposed by this subchapter, the department may, upon 10 days’ notice, recover the taxes, interest, costs and penalties from the security placed with the department by the taxpayer in the following order: costs, penalties, delinquent interest, delinquent tax. No interest may be paid or allowed by the state to any person for the deposit of security. Any security deposited under this subsection shall be returned to the taxpayer if the taxpayer has, for 24 consecutive months, complied with all the requirements of this subchapter.

(b) A certified service provider who has contracted with a seller, and filed an application, to collect and remit sales and use taxes imposed under this subchapter on behalf of the seller shall submit a surety bond to the department to guarantee the payment of sales and use taxes, including any penalty and interest on such payment. The department shall approve the form and contents of a bond submitted under this paragraph and shall determine the amount of such bond. The surety bond shall be submitted to the department within 60 days after the date on which the department notifies the certified service provider that the certified service provider is registered to collect sales and use taxes imposed under this subchapter. If the department determines, with regard to any one certified service provider, that no bond is necessary to protect the tax revenues of this state, the secretary of revenue or the secretary’s designee may waive the requirements under this paragraph with regard to that certified service provider. Any bond submitted under this paragraph shall remain in force until the secretary of revenue or the secretary’s designee releases the liability under the bond.

(3m) A retailer shall use a straight mathematical computation to determine the amount of the tax that the retailer may collect from the retailer’s customers. The retailer shall calculate the tax amount by combining the applicable tax rates under this subchapter and subch. V and multiplying the combined tax rate by the sales price or purchase price of each item or invoice, as appropriate. The retailer shall calculate the tax amount to the 3rd decimal place, disregard tax amounts of less than 0.5 cent, and consider tax amounts of at least 0.5 cent but less than 1 cent to be an additional cent. The use of a straight mathematical computation, as provided in this subsection, shall not relieve the retailer from liability for payment of the full amount of the tax levied under this subchapter.

(4) (a) Every seller and retailer and every person storing, using or otherwise consuming in this state tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services purchased from a retailer shall keep such records, receipts, invoices, and other pertinent papers and records, including machine-readable records, in such form as the department requires. The department may, after giving notice, require any person to keep whatever records are needed for the department to compute the sales or use taxes the person should pay. Thereafter, the department shall add to any taxes assessed on the basis of information not contained in the records required a penalty of 25% of the amount of the tax so assessed in addition to all other penalties under this chapter.

(c) For reporting the sales tax and collecting and reporting the use tax imposed on the retailer under s. 77.53 (3) and the accounting connected with it, retailers, not including certified service providers that receive compensation under s. 73.03 (61) (h), may deduct 0.5 percent of those taxes payable or \$10 for that reporting period required under s. 77.58 (1) and not more than \$1,000 for

that reporting period, whichever is greater, but not more than the amount of the sales taxes or use taxes that is payable under ss. 77.52 and 77.53 (3) for that reporting period required under s. 77.58 (1), as administration expenses if the payment of the taxes is not delinquent. For purposes of calculating the retailer's discount under this paragraph, the taxes on retail sales reported by retailers under subch. V, including taxes collected and remitted as required under s. 77.785, shall be included if the payment of those taxes is not delinquent.

(5) (a) It is unlawful for the department or any person having an administrative duty under this subchapter to make known in any manner whatever the business affairs, operations or information obtained by an investigation of records and equipment of any retailer or any other person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any return, or to permit any return or copy thereof to be seen or examined by any person. This paragraph does not prohibit the department of revenue from publishing statistics classified so as not to disclose the identity of particular returns or reports and the items thereof. This paragraph does not prohibit employees or agents of the department of revenue from offering or submitting information obtained by investigation or any return or any schedule, exhibit or writing pertaining to a return or any copy of, or information derived from, any of those documents as evidence into the record of any contested matter involving the department in proceedings or litigation on state tax matters if that evidence has reasonable probative value. This paragraph does not prohibit employees or agents of the department of revenue from informing a buyer or seller who has filed a claim for a refund that a refund has been paid to a seller or buyer with respect to the same transaction.

(b) Subject to pars. (c) and (d) and to the rules of the department, any sales tax or use tax returns or any schedules, exhibits, writings or audit reports pertaining to the returns, on file with the department, shall be open to examination by any of the following persons or the contents thereof divulged or used as provided in the following cases and only to the extent therein authorized:

1. The secretary of revenue, or any officer, agent or employee of the department of revenue.

2. The attorney general and department of justice employees.

3. Members of the senate committee on organization or its authorized agents or the assembly committee on organization or its authorized agents provided the examination is approved by a majority vote of a quorum of its members and the tax return information is disclosed only in a meeting closed to the public. The committee may disclose tax return information to the senate or assembly or to other legislative committees if the information does not disclose the identity of particular returns or reports and the items of particular returns or reports. The department of revenue shall provide assistance to the committees or their authorized agents in order to identify returns that are considered necessary by them to accomplish the review and analysis of tax policy.

4. Public officers of the federal government or other state governments or the authorized agents of those officers, where necessary in the administration of the laws of the federal government or other state governments, to the extent that the federal government or other state governments accord similar rights of examination or information to officials of this state.

5. a. The person who filed or submitted the return, or to whom the return relates or by that person's authorized agent or attorney.

b. The person required to file reports on collection or taxes withheld from another.

6. Any person examining a return pursuant to a court order duly obtained upon a showing to the court that the information contained in the return is relevant to a pending court action or pursuant to a subpoena signed by a judge of a court of record ordering

the department's custodian of returns to produce a return in open court in a court action pending before the judge.

7. Any person against whom the department asserts liability under this subchapter, including a successor, guarantor or surety.

8. Employees of this state, to the extent that the department deems the examination necessary for the employees to perform their duties under contracts or agreements between the department and any other department, division, bureau, board or commission of this state relating to the administration of tax laws.

9. The administrator of the lottery division in the department for the purpose of withholding of lottery winnings under s. 565.30 (5).

10. A licensing department or the supreme court, if the supreme court agrees, for the purpose of denial, nonrenewal, discontinuation and revocation of a license based on tax delinquency under s. 73.0301.

11. The department of children and families or a county child support agency under s. 59.53 (5) in response to a request under s. 49.22 (2m).

12. The secretary of revenue and employees of that department for the purposes of preparing and maintaining the list of persons with unpaid tax obligations as described in s. 73.03 (62) so that the list of such persons is available for public inspection.

(c) Copies of sales tax or use tax returns, schedules, exhibits, writings or audit reports shall not be furnished to the persons listed under par. (b), except persons under par. (b) 5. or under an agreement between the department and another agency of government.

(d) The use of information obtained under par. (b) or (c) is restricted to the discharge of duties imposed upon the persons by law or by the duties of their office or by order of a court as specified under par. (b) 6.

(e) The department may charge for the reasonable cost of divulging information under this subsection.

(f) District attorneys may examine tax information of persons on file with the department of revenue as follows:

1. Such tax information may be examined for use in preparation for any judicial proceeding or any investigation which may result in a judicial proceeding involving sales or use tax if:

a. The taxpayer is or may be a party to such proceeding;

b. The treatment of an item reflected in such tax information is or may be related to the resolution of an issue in the proceeding or investigation; or

c. The tax information relates or may relate to a transactional relationship between the taxpayer and a person who is or may be a party to the proceeding which affects or may affect the resolution of an issue in such proceeding or investigation.

2. When the department of revenue allows examination of tax information under subd. 1.:

a. If the department has referred the case to a district attorney, the department may make disclosure on its own motion.

b. If a district attorney requests examination of tax information relating to a person, the request must be in writing, clearly identify the requester and the person to whom the information relates and explain the need for the information. The department may then allow the examination of tax information so requested and the information may be examined and used solely for the proceeding or investigation for which it was requested.

3. Such tax information may be examined for use in preparation for any administrative or judicial proceeding or an investigation which may result in such proceeding pertaining to the enforcement of a specifically designated state criminal statute not involving tax administration to which this state or a governmental subdivision thereof is a party. Such tax information may be used solely for the proceeding or investigation for which it is requested.

4. The department of revenue may allow an examination of tax information under subd. 3. only if a district attorney petitions

a court of record in this state for an order allowing the examination and the court issues an order after finding:

a. There is a reasonable cause to believe, based on information believed to be reliable, that a specific criminal act has been committed;

b. There is reason to believe that such tax information is probative evidence of a matter in issue related to the commission of such criminal act; and

c. The information sought to be examined cannot reasonably be obtained from any other source, unless it is determined that, notwithstanding the reasonable availability of the information from another source, the tax information constitutes the most probative evidence of a matter in issue relating to the commission of such criminal act.

5. If the department determines that examination of tax information ordered under subd. 4. would identify a confidential informant or seriously impair a civil or criminal tax investigation, the department may deny access and shall certify the reason therefor to the court.

(fm) The department of revenue shall inform each requester of the amount paid or payable under s. 77.52 for any reporting period and reported on a return filed by any city, village, town, county, school district, special purpose district or technical college district; whether that amount was paid by the statutory due date; the amount of any tax, fees, penalties or interest assessed by the department; and the total amount due or assessed under s. 77.52 but unpaid by the filer, except that the department may not divulge tax return information that in the department's opinion violates the confidentiality of that information with respect to any person other than the units of government and districts specified in this paragraph. The department shall provide to the requester a written explanation if it fails to divulge information on grounds of confidentiality. The department shall collect from the person requesting the information a fee of \$4 for each return.

(g) Any person violating this subsection may be fined not less than \$100 nor more than \$500, or imprisoned not less than one month nor more than 6 months, or both.

(5m) (a) In this subsection, "personally identifiable information" means any information that identifies a person.

(b) A certified service provider may use personally identifiable information as necessary only for the administration of its system to perform a seller's sales and use tax functions and shall provide consumers clear and conspicuous notice of its practice regarding such information, including what information it collects, how it collects the information, how it uses the information, how long, if at all, it retains the information, and under what circumstances it discloses the information to states participating in the agreement, as defined in 77.65 (2) (a).

(c) A certified service provider may collect, use, and retain personally identifiable information only to verify exemption claims, to document the correct assignment of taxing jurisdictions, to investigate fraud, and to ensure its system's reliability.

(d) A certified service provider shall provide sufficient technical, physical, and administrative safeguards to protect personally identifiable information from unauthorized access and disclosure.

(e) For purposes of this subchapter, the state shall provide to consumers public notice of the state's practices related to collecting, using, and retaining personally identifiable information.

(f) The state shall not retain personally identifiable information obtained for purposes of administering this subchapter unless the state is otherwise required to retain the information by law or as provided under the agreement, as defined in s. 77.65 (2) (a).

(g) For purposes of this subchapter, the state shall provide an individual reasonable access to that individual's personally identifiable information and the right to correct any inaccurately recorded information.

(h) If any person, other than another state that is a signatory to the agreement, as defined in s. 77.65 (2) (a), or a person authorized

under state law to access the information, requests access to an individual's personally identifiable information, the state shall make a reasonable and timely effort to notify the individual of the request.

(6) (a) No person, except the person who filed the return or claim, may inspect a return or claim, or any information derived from a return or claim, that is filed under this subchapter unless that person does so in performing the duties of his or her position. Violation of this paragraph by a state employee is grounds for dismissal.

(b) If any person is charged with a violation of par. (a), the secretary of revenue shall notify each taxpayer whose return or claim was improperly inspected by that person.

(c) Any person who is notified under par. (b) may bring an action for damages in regard to the inspection.

(d) Any person who violates par. (a) shall upon conviction be fined not less than \$100 nor more than \$500 or imprisoned for not less than one month nor more than 6 months or both.

(8) In any case in which a refund is authorized or prescribed in this subchapter, or in the rules of the department related to the administration hereof, no such refund shall be made if the total amount thereof is less than \$2 unless specifically requested on the appropriate form designated by the department.

(9) The department may by rule require the filing, submission, preparation or retention of such information returns, exemption and resale certificates and other forms, reports and data as it requires for the proper administration of this subchapter. Any person who fails or refuses to file, submit, prepare or retain such returns, certificates, forms, reports or data, at the time and place and in the manner required, is guilty of a misdemeanor for each such failure or refusal.

(11) Any city, village or town clerk or other official whose duty it is to issue licenses or permits to engage in a business involving the sale at retail of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) subject to tax under this subchapter, or the furnishing of services so subject to tax, shall, before issuing such license or permit, require proof that the person to whom such license or permit is to be issued is the holder of a seller's permit or use tax registration certificate, is registered to collect, report, and remit use tax under this subchapter, or has been informed by an employee of the department that the department will issue a seller's permit or use tax registration certificate to that person or register that person to collect, report, and remit use tax.

(12) (a) No natural person shall be excused from testifying or from producing any books, papers, records or memoranda in any investigation, or upon any hearing when ordered to do so by the secretary of revenue or the secretary's designee upon the ground that the testimony or evidence, documentary or otherwise, may tend to incriminate or subject the person to criminal penalty, but no such natural person so ordered shall be prosecuted or subjected to any criminal penalty for, or on account of such testimony or books, papers, records or memoranda which the person produces upon such investigation or hearing. No person so testifying shall be exempt from prosecution and punishment for perjury in so testifying.

(b) The immunity provided under par. (a) is subject to the restrictions under s. 972.085.

(13) No injunction shall issue to stay proceedings for assessment or collection of any taxes levied under this subchapter.

(14) Documents and payments required or permitted under this subchapter that are mailed are timely furnished, filed or made if they are mailed in a properly addressed envelope with the postage duly prepaid, if the envelope is postmarked, or marked or recorded electronically as provided under section 7502 (f) (2) (c) of the Internal Revenue Code, before midnight of the due date and if the document or payment is received by the department, or at the destination that the department prescribes, within 5 days after the prescribed date. Documents and payments that are not mailed are

timely if they are received on or before the due date by the department or at the destination that the department designates. For purposes of this subsection, “mailed” includes delivery by a delivery service designated under section 7502 (f) of the Internal Revenue Code.

(15) Notwithstanding any provision of ss. 179.76, 180.1161, 181.1161, and 183.1207, a business entity that converts to another business entity under s. 179.76, 180.1161, 181.1161, or 183.1207 shall be subject to the provisions under this subchapter applicable to liquidations, reorganizations, and business entity formations.

(16) Any person who remits taxes and files returns under this subchapter may designate an agent, as defined in s. 77.524 (1) (ag), to remit such taxes and file such returns with the department in a manner prescribed by the department.

(17) With regard to services subject to the tax under s. 77.52 (2) or the lease, rental, or license of tangible personal property and property, items, and goods specified under s. 77.52 (1) (b), (c), and (d), an increase in the tax rate applies to the first billing period beginning on or after the rate increase’s effective date and a decrease in the tax rate applies to bills that are rendered on or after the rate decrease’s effective date.

(18) The department shall notify sellers with respect to any change in the rate of the taxes imposed under this subchapter at least 30 days prior to the change’s effective date and any such change shall take effect on January 1, April 1, July 1, or October 1.

(19) A person who fails to produce records or documents, as provided under s. 73.03 (9) or 77.59 (2), that support amounts or other information required to be shown on a return required under s. 77.58 may be subject to any of the following penalties, as determined by the department, except that the department may not impose a penalty under this subsection if the person shows that under all facts and circumstances the person’s response, or failure to respond, to the department’s request was reasonable or justified by factors beyond the person’s control:

(a) The disallowance of deductions, credits, exemptions, or inclusions of additional taxable sales or additional taxable purchases to which the requested records relate.

(b) A penalty for each violation of this subsection that is equal to the greater of \$500 or 25 percent of the amount of the additional tax on any adjustment made by the department that results from the person’s failure to produce the records.

(c) The department shall promulgate rules to administer this subsection and the rules shall include a standard response time, a standard for noncompliance, and penalty waiver provisions.

(19m) (a) A single-owner entity that is disregarded as a separate entity under ch. 71 is disregarded as a separate entity for purposes of this subchapter.

(b) A single-owner entity that is disregarded as a separate entity under ch. 71 on July 1, 2009, shall be treated under this subchapter as an entity separate from its owner for purposes of the sale, license, lease, or rental of and the storage, use, or other consumption of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) purchased by the single-owner entity or its owner prior to July 1, 2009.

(c) A single-owner entity that is disregarded as a separate entity under ch. 71 on July 1, 2009, shall be treated under this subchapter as an entity separate from its owner for purchases of building materials, if the materials are affixed and made a structural part of real estate, and the amount payable to the contractor is fixed without regard to the costs incurred in performing a written contract that was irrevocably entered into prior to July 1, 2009, or that resulted from the acceptance of a formal written bid accompanied by a bond or other performance guaranty that was irrevocably submitted before July 1, 2009.

(20) The sale, license, lease, or rental of a product may be taxed only once under this subchapter regardless of whether such

sale, license, lease, or rental is subject to taxation under more than one imposition provision under this subchapter.

Since the immunity under s. 885.25 (2) or sub. (12) is merely coextensive with a defendant’s rights against self-incrimination, which does not attach to the records of a corporation, a defendants’ claim of immunity for delivering corporate records has no merit. *State v. Alioto*, 64 Wis. 2d 354, 219 N.W.2d 585 (1974).

77.63 Collection compensation. The following persons may retain a portion of sales and use taxes collected on retail sales under this subchapter and subch. V in an amount determined by the department and by contracts that the department enters into jointly with other states as a member state of the streamlined sales tax governing board pursuant to the agreement, as defined in s. 77.65 (2) (a):

(1) A certified service provider.

(2) A seller that uses a certified automated system, as defined in s. 77.524 (1) (am).

(3) A seller that sells tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services in at least 5 states that are signatories to the agreement, as defined in s. 77.65 (2) (a); that has total annual sales revenue of at least \$500,000,000; that has a proprietary system that calculates the amount of tax owed to each taxing jurisdiction in which the seller sells tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services; and that has entered into a performance agreement with the states that are signatories to the agreement, as defined in s. 77.65 (2) (a). For purposes of this subsection, “seller” includes an affiliated group of sellers using the same proprietary system to calculate the amount of tax owed in each taxing jurisdiction in which the sellers sell tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services.

History: 2009 a. 2.

77.65 Uniform sales and use tax administration.

(1) **SHORT TITLE.** This section shall be known as the “Uniform Sales and Use Tax Administration Act.”

(2) **DEFINITIONS.** In this section:

(a) “Agreement” means the streamlined sales and use tax agreement, including amendments to the agreement.

(b) “Department” means the department of revenue.

(d) “Sales tax” means the tax imposed under ss. 77.52, 77.57, and 77.71 (1).

(e) “Seller” means any person who sells, licenses, leases, or rents tangible personal property, or items, property, or goods under s. 77.52 (1) (b), (c), or (d), or services.

(f) “State” means any state of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

(g) “Use tax” means the tax imposed under ss. 77.53 and 77.71 (2), (3), and (4).

(3) DEPARTMENT AUTHORITY. The department may enter into the agreement to simplify and modernize sales tax and use tax administration in order to substantially reduce the tax compliance burden for all sellers and for all types of commerce. The department may act jointly with other states that are signatories to the agreement to establish standards for the certification of a certified service provider and certified automated system and to establish performance standards for multistate sellers. The department may promulgate rules to administer this section, may procure jointly with other states that are signatories to the agreement goods and services in furtherance of the agreement, and may take other actions reasonably required to implement this section. The secretary of revenue or the secretary’s designee may represent this state before the states that are signatories to the agreement.

(4) AGREEMENT REQUIREMENTS. The department may not enter into the agreement unless the agreement requires that a state that is a signatory to the agreement do all of the following:

- (a) Limit the number of state sales and use tax rates.
- (b) Limit the application of any maximums on the amount of state sales and use tax that is due on a transaction.
- (c) Limit thresholds on the application of sales and use tax.

(fm) Provide that a seller who registers with the central electronic registration system under par. (f) may cancel the registration at any time, as provided under uniform procedures adopted by the governing board of the states that are signatories to the agreement, but is required to remit any Wisconsin taxes collected pursuant to the agreement to the department.

(g) Provide that the state shall not use a seller’s registration with the central electronic registration system under par. (f), and the subsequent collection and remittance of sales and use taxes in the states that are signatories to the agreement, to determine whether the seller has sufficient connection with the state for the purpose of imposing any tax.

(h) Restrict variances between the state tax bases and local tax bases.

(i) Administer all sales and use taxes imposed by local jurisdictions within the state so that sellers who collect and remit such taxes are not required to register with, or submit returns or taxes to, local jurisdictions and are not subject to audits by local jurisdictions.

(k) Establish effective dates for the application of local jurisdictional boundary changes to local sales and use tax rates and provide notice of any such changes.

agreement. The advisory council shall consist of private sector representatives and representatives from states that are not signatories to the agreement.

(5) COOPERATING STATES. The agreement entered into under this section is an accord among cooperating states to further their governmental functions and provides a mechanism among the cooperating states to establish and maintain a cooperative, simplified system for the application and administration of sales and use taxes that are imposed by each state that is a signatory to the agreement.

(6) LIMITED BINDING AND BENEFICIAL EFFECT. (a) The agreement entered into under this section binds, and inures to the benefit of, only the states that are signatories to the agreement. Any benefit that a person may receive from the agreement is established by this state’s law and not by the terms of the agreement.

(b) No person shall have any cause of action or defense under the agreement or because of the department entering into the agreement. No person may challenge any action or inaction by any department, agency, other instrumentality of this state, or any political subdivision of this state on the ground that the action or inaction is inconsistent with the agreement.

(c) No law of this state, or the application of such law, may be declared invalid on the ground that the law, or the application of such law, is inconsistent with the agreement.

(7) RELATIONSHIP TO STATE LAW. No provision of the agreement in whole or in part invalidates or amends any law of this state and the state becoming a signatory to the agreement shall not amend or modify any law of this state.

77.82 Managed forest land; application. (1) ELIGIBILITY REQUIREMENTS. (a) A parcel of land is eligible for designation as managed forest land only if it fulfills the following requirements:

1. It consists of at least 10 contiguous acres, except as provided in this subdivision. The fact that a lake, river, stream or flowage, a public or private road or a railroad or utility right-of-way separates any part of the land from any other part does not render a parcel of land noncontiguous. If a part of a parcel of at least 10 contiguous acres is separated from another part of that parcel by a public road, that part of the parcel may be enrolled in the program, even if that part is less than 10 acres, if that part meets the requirement under subd. 2. and is not ineligible under par. (b).

2. At least 80% of the parcel must be producing or capable of producing a minimum of 20 cubic feet of merchantable timber per acre per year.

(b) The following land is not eligible for designation as managed forest land:

1. A parcel of which more than 20% consists of land that is unsuitable for producing merchantable timber, including water, marsh, muskeg, bog, rock outcrops, sand dunes, farmland, roadway or railroad and utility rights-of-way.

2. A parcel that is developed for commercial recreation, for industry or for any other use determined by the department to be incompatible with the practice of forestry.

3. A parcel that is developed for a human residence.

(bn) For purposes of par. (b) 3., the department by rule shall define "human residence" to include a residence of the applicant regardless of whether it is the applicant's primary residence. The

definition may also include up to one acre surrounding the residence for a residence that is not the applicant's primary residence.

(c) In addition to the requirements under pars. (a) and (b), for land subject to an application under sub. (4m), all forest croplands owned by the applicant on the date on which the application is filed that are located in the municipality or municipalities for which the application is filed shall be included in the application.

(2) APPLICATION. Any owner of land may file an application with the department to designate any eligible parcel of land as managed forest land. An application may include any number of eligible parcels under the same ownership. Each application shall include all of the following:

- (a) The name and address of each owner.
- (b) The legal description or the location and acreage of each parcel of land.
- (c) The legal description of the area in which the parcel is located.
- (cm) A copy of an instrument that has been recorded in the office of the register of deeds of each county in which the property is located that shows the ownership of the land subject to the application.

(d) A description of the physical characteristics of the land, in sufficient detail to enable the department to determine if it meets the eligibility requirements under sub. (1).

(dm) A proposed management plan.

(e) A statement of the owner's forest management objectives for the production of merchantable timber, in sufficient detail to provide direction for the approval of the proposed management plan. The application may also state additional forest management objectives, which may include wildlife habitat management, aesthetic considerations, watershed management and recreational use.

(f) Proof that each person holding any encumbrance on the land agrees that the application may be filed.

(g) A map, diagram or aerial photograph showing the location and acreage of any area that will be designated as closed to the public under s. 77.83.

(h) Whether the land will be designated as managed forest land for 25 or 50 years.

(2m) FEES FOR APPLICATIONS AND MANAGEMENT PLANS. (a) An application under sub. (2), (4m), or (12) shall be accompanied by a nonrefundable application recording fee of \$20 unless a different amount for the fee is established by the department by rule at an amount equal to the average expense to the department for recording an order issued under this subchapter.

(ac) If the department prepares a management plan under sub. (3) (am), the department shall collect from the applicant the management plan fee established under par. (am).

(ag) If a proposed management plan accompanying an application filed under sub. (2), (4m), or (12) is not approved by the department under its initial review under sub. (3) (ar), and if the department agrees to complete the proposed management plan under sub. (3) (ar), the department shall collect from the applicant the management plan fee established under par. (am).

(am) The department shall by rule establish on an annual basis a nonrefundable fee that the department shall charge for a management plan prepared or completed by the department. The fee shall be based on the comparable commercial market rate that is charged for preparation of such management plans.

(c) A proposed management plan is exempt from the management plan fee under par. (ag) if it is prepared or completed by an independent certified plan writer instead of by the department.

(d) All of the application recording fees collected under par. (a) shall be credited to the appropriation under s. 20.370 (1) (cr).

(dm) 1. Of each management plan fee, \$300 or the entire fee, whichever is less, that is collected under par. (ag) shall be credited to the appropriation under s. 20.370 (1) (cx).

2. Any amount not credited to the appropriation under s. 20.370 (1) (cx), as calculated in subd. 1., shall be deposited into the conservation fund for forestry purposes.

(3) MANAGEMENT PLAN. (ag) A proposed management plan shall cover the entire acreage of each parcel subject to the application and shall be prepared by an independent certified plan writer or by the department if par. (am) applies.

(am) If the department determines that an applicant is not able to have a proposed management plan prepared by a certified independent plan writer, the department shall prepare the plan. The department shall promulgate rules establishing the criteria that shall be met in order to determine that an applicant is unable to prepare such a plan.

(ar) For a proposed management plan prepared by an independent certified plan writer, the department, after considering the owner's forest management objectives as stated under sub. (2) (e), shall review and either approve or disapprove the proposed management plan. If the department disapproves the proposed plan, it shall inform the applicant of the changes necessary to qualify the plan for approval upon subsequent review. At the request of the applicant, the department may agree to complete the proposed management plan.

(c) To qualify for approval, a management plan shall include all of the following:

1. The name and address of each owner of the land.
2. The legal description of the parcel or of the area in which the parcel is located.
3. A statement of the owner's forest management objectives.
4. A map, diagram or aerial photograph which identifies both forested and unforested areas of the land, using conventional map symbols indicating the species, size and density of vegetation and the other major features of the land.
5. A map, diagram or aerial photograph which identifies the areas designated as open and closed under s. 77.83.
6. A description of the forestry practices, including harvesting, thinning and reforestation, that will be undertaken during the term of the order, specifying the period of time in which each will be completed.

(2) BOND. The department may require an owner who intends to cut merchantable timber on managed forest land to file with the department a noncancelable bond furnished by a surety company licensed to do business in this state in the amount expected to be required as payment of the yield tax under s. 77.87 (1).

(2) **PAYMENT.** An assessment under sub. (1) is due and payable to the municipality on the last day of the month following the date the certificate is mailed to the owner. The municipality shall collect interest at the rate of 12 percent per year on any assessment that is paid later than the due date.

(3) **OWNER'S LIABILITY.** The owner is personally liable for an assessment under sub. (1). An unpaid assessment becomes a lien against the merchantable timber cut. If the merchantable timber cut is mingled with other wood products, the unpaid assessment becomes a lien against all of the wood products while they are in the owner's possession or in the possession of any person other than a purchaser for value without notice in the usual course of business.

(4) **DELINQUENCY.** If an assessment due under sub. (1) is not paid on or before the last day of the August following the date specified under sub. (am) If a city or village is organized under subch. I of ch. 64, the department shall notify the president of the city council or village board of any investigation under par. (a).

(b) Following an investigation under par. (a), the department may order the withdrawal of all or any part of a parcel of managed forest land for any of the following reasons:

5. The owner's posting of signs or otherwise denying access to open managed forest land.

(c) If the department determines that land should be withdrawn, it shall issue an order withdrawing the land as managed

Notwithstanding s. 77.82 (12), an owner may not file an application with the department for renewal of the order if the parcel contains less than 10 acres. No withdrawal tax under sub. (5) or withdrawal fee under sub. (5m) may be assessed when the remaining land is withdrawn at the expiration of the order.

(c) If the remaining land does not meet the eligibility requirements under s. 77.82 (1) (a) 2. and (b), the department shall issue an order withdrawing the land and shall assess against the owner the withdrawal tax under sub. (5) and the withdrawal fee under sub. (5m). Notwithstanding s. 77.90, the owner is not entitled to a hearing on an order withdrawing land under this paragraph.

The department shall immediately notify each person entitled to notice under s. 77.82 (8).

2. The department may establish by rule a different amount of each fee under subd. 1. that will be credited to the appropriation under s. 20.370 (1) (cr). The amount shall be equal to the average expense to the department of recording an order issued under this subchapter.

(e) The transferred land shall remain managed forest land if the transferee, within 30 days after the transfer, certifies to the department an intent to comply with the existing management plan for the land and with any amendments to the plan, and provides proof that each person holding any encumbrance on the land agrees to the designation. The transferee may designate an area of the transferred land closed to public access as provided under s. 77.83. The department shall issue an order continuing the designation of the land as managed forest land under the new ownership.

(f) If the transferee does not provide the department with the certification required under par. (e), the department shall issue an order withdrawing the land and shall assess against the transferee the withdrawal tax under sub. (5) and the withdrawal fee under sub. (5m). Notwithstanding s. 77.90, the transferee is not entitled to a hearing on an order withdrawing land under this paragraph.

(3) **VOLUNTARY WITHDRAWAL.** An owner may request that the department withdraw all or any part of the owner's land meeting one of the requirements specified under sub. (2) (a) 1. to 3. If any remaining land meets the eligibility requirements under s. 77.82 (1), the department shall issue an order withdrawing the land subject to the request and shall assess against the owner the withdrawal tax under sub. (5) and the withdrawal fee under sub. (5m).

(3m) WITHDRAWAL FOR FAILURE TO PAY PERSONAL PROPERTY TAXES. If an owner of managed forest land has not paid the personal property tax due for a building on managed forest land before the February settlement date under s. 74.30 (1), the municipality in which the building is located shall certify to the department that a delinquency exists and shall include the legal description of the managed forest land on which the building is located in the certification. Immediately after receiving the certification, the department shall issue an order withdrawing the land as managed forest land and shall assess against the owner of the land the withdrawal tax under sub. (5) and the withdrawal fee under sub. (5m). Notwithstanding s. 77.90, the owner is not entitled to a hearing on an order withdrawing land under this subsection.

(4) NONRENEWAL. If an owner does not file with the department an application to renew a managed forest land order, the department shall order the land withdrawn at the expiration of the order. No withdrawal tax under sub. (5) or withdrawal fee under sub. (5m) may be assessed.

(5) WITHDRAWAL TAX. The withdrawal tax shall be determined as follows:

(a) Except as provided in pars. (am), (ar), and (b), for land withdrawn during a managed forest land order, the withdrawal tax shall be the higher of the following:

1. An amount equal to the past tax liability multiplied by the number of years the land was designated as managed forest land, less any amounts paid by the owner under ss. 77.84 (2) (a) and (am) and 77.87.

2. Five percent of the stumpage value of the merchantable timber on the land, less any amounts paid by the owner under ss. 77.84 (2) (a) and (am) and 77.87.

(ab) In this subsection:

1. “Expanded order” means an order approved under s. 77.82 (8) for which an application is filed under s. 77.82 (4g) (b).

2. “Original order” means the order from which designated land is withdrawn as authorized under s. 77.82 (4g) (b).

(am) For land that is withdrawn within 10 years after the date on which an initial managed forest land order was issued under s. 77.82 (8) for an application approved under s. 77.82 (7) (d), the withdrawal tax shall be the higher of the following:

1. The amount calculated under par. (a).

2. The amount calculated under s. 77.10 (2) that would have applied to the land on the date on which the order was issued for the land under s. 77.82 (8).

(ar) If any land designated as managed forest land under an expanded order is withdrawn before the expiration date of the original order, the withdrawal tax shall be the sum of the following:

1. For the portion of the land that is designated as managed forest land under the original order, an amount equal to the product of the total net property tax rate in the municipality in the year prior to the year in which the expanded order is approved and the assessed value of the land for the same year, as computed by the department of revenue, multiplied by the number of years under the original order, less any amounts paid by the owner under ss. 77.84 (2) (a) and 77.87 during the time the land was designated as managed forest land under the original order.

2. An amount equal to the product of the total net property tax rate in the municipality in the year prior to this withdrawal and the assessed value of the land for the same year, as computed by the department of revenue, multiplied by the number of years the land was designated as land under the expanded order, less any amounts paid by the owner under ss. 77.84 (2) (am) and 77.87 during the time the land is designated as managed forest land under the expanded order.

(b) For land withdrawn after the renewal of a managed forest land order, the withdrawal tax shall be the higher of the following:

1. An amount equal to the past tax liability multiplied by the number of years since the renewal, less any amounts paid by the owner under ss. 77.84 (2) (a) and (am) and 77.87.

2. Five percent of the stumpage value of the merchantable timber on the land, less any amounts paid by the owner under ss. 77.84 (2) (a) and (am) and 77.87.

(c) For purposes of pars. (a) 1. and (b) 1., if the parcel of land is located in a single municipality, the past tax liability is an amount equal to the product of the total net property tax rate for that municipality in the year prior to the withdrawal multiplied by the assessed value of the parcel of land for the same year, as computed by the department of revenue. For purposes of pars. (a) 1. and (b) 1., if the parcel is located in more than one municipality, the past tax liability is an amount equal to the sum of the products calculated by multiplying the total net property tax rate for each municipality in the year prior to the withdrawal by the corresponding assessed value of the land in that municipality for the same year, as computed by the department of revenue.

(5g) ESTIMATES OF WITHDRAWAL TAX. (a) Upon the request of an owner of managed forest land, the department of revenue, with the assistance of the department, shall prepare an estimate of the amount of withdrawal tax that would be assessed under sub. (5) if the department were to issue an order to withdraw the land under this section.

(b) A request from an owner under this subsection shall be accompanied by a nonrefundable fee payable to the department of revenue of either \$100 or the alternative nonrefundable fee calculated under par. (c), whichever is greater.

(c) The alternative nonrefundable fee shall be calculated by multiplying the total number of whole and partial acres by \$5.

(5m) WITHDRAWAL FEE. The withdrawal fee assessed by the department under subs. (1) (c), (2) (am), (c), and (f), (3), and (3m) shall be \$300.

(6) DETERMINATION OF STUMPAGE VALUE. In determining the stumpage value of merchantable timber for purposes of this section, an estimator agreed upon by the parties or, if they cannot agree, a forester appointed by a judge of the circuit court in the county in which the land is located shall estimate the volume of merchantable timber on the land. The estimate obtained shall be final. The department shall determine the current stumpage value of the merchantable timber, based on the applicable stumpage value established under s. 77.91 (1). The owner shall pay the entire cost of obtaining the estimate.

(7) PAYMENT; DELINQUENCY. Taxes under sub. (5) and fees under sub. (5m) are due and payable to the department on the last day of the month following the effective date of the withdrawal order. Amounts received shall be credited to the conservation fund. If the owner of the land fails to pay the tax or fee, the department shall certify to the taxation district clerk the amount due. The taxation district clerk shall enter the delinquent amount on the property tax roll as a special charge.

(8) EXCEPTION. (a) No withdrawal tax or withdrawal fee may be assessed against an owner who does any of the following:

1. Transfers ownership of managed forest land for a public road or railroad or utility right-of-way.

2. Transfers ownership of managed forest land for a park, recreational trail, wildlife or fish habitat area or a public forest to the federal government, the state or a local governmental unit, as defined in s. 66.0131 (1) (a).

3. Transfers ownership of or leases not more than 10 acres of managed forest land to a county, city, village, or town for siting a public safety communications tower.

(b) The department may not order withdrawal of land remaining after a transfer of ownership is made under par. (a) 1., 2., or 3. or after a lease is entered into under par. (a) 3. unless the remainder fails to meet the eligibility requirements under s. 77.82 (1).

(9) ORDER; MISCELLANEOUS PROVISIONS. (a) Each withdrawal order issued under this section shall include the legal description of the land withdrawn.

(b) The department shall notify the owner in writing of the withdrawal order, stating the reason for the withdrawal.

(c) The department shall mail a copy of the withdrawal order to each person specified under s. 77.82 (8).

(d) A withdrawal order issued before December 15 of any year takes effect on the January 1 after the date of issuance. A withdrawal order issued on or after December 15 of any year takes effect on the 2nd January 1 after the date of issuance.

(e) If less than a total parcel of managed forest land is withdrawn, the department shall amend the order under s. 77.82 and the management plan to correct the description of the remaining land.

(10) APPLICABLE TAXES. Chapter 70 applies to any land withdrawn from the managed forest land program under this section.

(11) LIABILITY FOR PREVIOUS TAXES. Withdrawal of land under this section does not affect the liability of the owner for previously levied taxes under s. 77.84 or 77.87.

77.885 Withdrawal of tribal lands. Upon request of an Indian tribe, the department shall order the withdrawal of land that is owned in fee that is designated as managed forest land from the managed forest land program. No withdrawal tax under s. 77.88 (5) or withdrawal fee under s. 77.88 (5m) may be assessed against an Indian tribe for the withdrawal of such land if all of the following apply:

(1) The Indian tribe provides the department the date of the order to transfer the land to the United States to be held in trust for the tribe.

(2) The tribe and the department have in effect a written agreement under which the tribe agrees that the land shall continue to be treated as managed forest land until the date on which the managed forest land order would have expired.

“Each municipality” in sub. (1) means every municipality where the property is presently located, not every municipality where the property has ever been located. When a parcel was annexed by a village and removed from the program, the village,

77.93 Applicability. For the privilege of doing business in this state, there is imposed an economic development surcharge on the following entities:

(1) All corporations required to file a return under subch. IV or V of ch. 71 that have at least \$4,000,000 in gross receipts from all activities for the taxable year except corporations that are exempt from taxation under s. 71.26 (1) and that have no unrelated business income reportable under s. 71.24 (1m). (2) All natural persons, estates and trusts that are required to file a return under subch. I or II of ch. 71 for the taxable year and that either are an employee as defined in section 3121 (d) (3) of the internal revenue code or file a form indicating a profit or loss from a trade or business for federal income tax purposes for the taxable year. The surcharge is imposed on each such natural person regardless of ch. 766 and regardless of whether or not the person files jointly under ch. 71. The surcharge is not imposed on net business income of individuals for which the surcharge is imposed on a tax–option corporation of which an individual is a shareholder, a partnership of which an individual is a partner or a limited liability company of which an individual is a member.

(3) All partnerships, except partnerships that have net business income only from farming, that derive income from business transacted in this state, from property in this state or from services performed in this state for the taxable year. The surcharge is

imposed on the partnership, not on its partners, except that if a partnership's surcharge is delinquent the partners are jointly and severally liable for it.

History: 1997 a. 27.

77.94 Surcharge determination. (1) Except as provided in sub. (2), for taxable years beginning after December 31, 1999, the surcharge imposed under s. 77.93 is calculated as follows:

(a) On a corporation under s. 77.93 (1) and (4), an amount equal to the amount calculated by multiplying gross tax liability for the taxable year of the corporation by 3%, or in the case of a tax-option corporation an amount equal to the amount calculated by multiplying net income under s. 71.34 by 0.2%, up to a maximum of \$9,800, or \$25, whichever is greater.

(b) On an entity under s. 77.93 (2), (3), or (5), except an entity that has less than \$4,000,000 of gross receipts, an amount equal to the amount calculated by multiplying net business income as allocated or apportioned to this state by means of the methods under s. 71.04, for the taxable year of the entity by 0.2%, up to a maximum of \$9,800, or \$25, whichever is greater.

(2) (a) In this subsection:

1. "Begins to do business" includes but is not limited to a change in corporate form and the occurrence of any event that creates a short taxable year for purposes of the taxes under ch. 71.

2. "Ceases to do business" includes but is not limited to a change in corporate form, the death of an individual and the occurrence of any event that creates a short taxable year for purposes of the taxes under ch. 71.

(b) If an entity under s. 77.93 (1) to (4) begins to do business in this state after the beginning of its taxable year or ceases to do business in this state before the end of its taxable year, subject to the maximum and minimum surcharge, the surcharge imposed on it under s. 77.93 is calculated as follows:

1. Multiply its gross tax liability or net business income for the taxable year by a fraction the numerator of which is 365 and, if the entity begins to do business in this state after the beginning of its taxable year, the denominator of which is the number of days from the day that it begins to do business in this state until the end of its taxable year and, if the entity ceases to do business in this state before the end of its taxable year, the denominator of which is the number of days from the beginning of its taxable year until the day that it ceases to do business in this state and, if the entity both begins to do business in this state after the beginning of its taxable year and ceases to do business in this state before the end of its taxable year, the denominator of which is the number of days from the day that it begins to do business in this state to the day that it ceases to do business in this state.

2. Determine the surcharge that would be imposed under sub. (1) on the amount calculated under subd. 1.

3. Divide the surcharge under subd. 2. by the fraction under subd. 1.

Section 71.84 (1) as it applies to underpayments of estimated taxes and surcharges by individuals applies to underpayments of estimated surcharges by partnerships and limited liability companies.
