301.001 Purposes of chapters. The purposes of this chapter and chs. 302 to 304 are to prevent delinquency and crime by an attack on their causes; to provide a just, humane and efficient program of rehabilitation of offenders; and to coordinate and integrate corrections programs with other social services. In creating the department of corrections, chs. 301 to 304, the legislature intends that the state continue to avoid sole reliance on incarceration of offenders and continue to develop, support and maintain professional community programs and placements.

History: 1989 a. 31, 107; 1995 a. 27.

The Department of Corrections must follow its own rules. It is not harmless error for an agency to disobey its own procedural regulations. *State ex rel. Anderson-El v. Cooke*, 2000 WI 40, 234 Wis. 2d 626, 610 N.W.2d 821, 98-0715.

Wisconsin law empowers circuit courts to impose conditions of extended supervision and probation and to modify those conditions through a formal statutory process. However, actual administration of the sentence and conditions is entrusted to the Department of Corrections. In this case, the circuit court likely stepped over the line when the court imposed a condition that the defendant could not live with any women or unrelated children without the permission of the court, and the court intended to administer that condition through case-by-case oversight. *State v. Williams-Holmes*, 2023 WI 49, 408 Wis. 2d 1, 991 N.W.2d 373, 21-0809.

301.04 Legal actions. The department may sue and be sued.

History: 1989 a. 31.

The Department of Corrections (DOC) is entitled to sovereign immunity. DOC lacks sufficient attributes to render it an independent going concern. Despite the breadth of its statutory powers, the character of those powers reveals that the legislature did not intend DOC to be anything other than an arm of the state. The legislature has not expressly waived DOC's sovereign immunity. This section is not an express waiver of DOC's tort immunity but rather addresses DOC's capacity to be sued. *Mayhugh v. State*, 2015 WI 77, 364 Wis. 2d 208, 867 N.W.2d 754, 13-1023.

The extension under s. 973.032 of an intensive sanctions program placement period must be based on public safety considerations and the participant's need for punishment and treatment. All that needs to be shown at an extension hearing is that the participant has not made sufficient progress in the program and that more time is required to meet those concerns. *State v. Turner*, 200 Wis. 2d 168, 546 N.W.2d 880 (Ct. App. 1996), 95-1295.

Custody of a person in the intensive sanctions program under this section exists for purposes of sentence credit under s. 973.155 only if the person's sanctions program sufficiently infringes upon the person's freedom to equate with being under the state's control for a substantial time. *State v. Collett*, 207 Wis. 2d 319, 558 N.W.2d 642 (Ct. App. 1996), 96-1952.

Placement under this section does not confer a liberty interest. A return to prison after revocation of status under the program is a change from a lesser to a higher form of confinement. *State ex rel. Harris v. Smith*, 220 Wis. 2d 158, 582 N.W.2d 131 (Ct. App. 1998), 97-2193.

The purpose of this section is to allow the department to contract with, or award grants to, religious organizations, under any program administered by the department relating to the prevention of delinquency and crime or the rehabilitation of offenders, on the same basis as any other nongovernmental provider, without impairing the religious character of such organizations, and without diminishing the religious freedom of beneficiaries of assistance funded under such program.

(2) NONDISCRIMINATION AGAINST RELIGIOUS ORGANIZATIONS. If the department is authorized under ch. 16 to contract with a nongovernmental entity, or to award grants to a nongovernmental entity, religious organizations are eligible, on the same basis as any other private organization, to be contractors and grantees under any program administered by the department so long as the programs are implemented consistently with the first amendment to the U.S. Constitution and article I, section 18, of the Wisconsin Constitution. Except as provided in sub. (11), the department may not discriminate against an organization that is or applies to be a contractor or grantee on the basis that the organization does or does not have a religious character or because of the specific religious nature of the organization.

(3) RELIGIOUS CHARACTER AND FREEDOM. (a) The department shall allow a religious organization with which the department contracts or to which the department awards a grant to retain its independence from government, including the organization's control over the definition, development, practice, and expression of its religious beliefs.

(b) The department may not require a religious organization to alter its form of internal governance or to remove religious art, icons, scripture, or other symbols to be eligible for a contract or grant.

(4) RIGHTS OF BENEFICIARIES OF ASSISTANCE. (a) If the department contracts with or awards grants to a religious organization for the provisions of crime prevention or offender rehabilitation assistance under a program administered by the department, an individual who is eligible for this assistance shall be informed in writing that assistance of equal value and accessibility is available from a nonreligious provider upon request.

(b) The department shall provide an individual who is otherwise eligible for assistance from an organization described under par. (a) with assistance of equal value from a nonreligious provider if the individual objects to the religious character of the organization described under par. (a) and requests assistance from a nonreligious provider. The department shall provide such assistance within a reasonable period of time after the date of the objection and shall ensure that it is accessible to the individual.

(6) NONDISCRIMINATION AGAINST BENEFICIARIES. A religious organization may not discriminate against an individual in regard to rendering assistance that is funded under any program administered by the department on the basis of religion, a religious belief or nonbelief, or a refusal to actively participate in a religious practice.

(7) FISCAL ACCOUNTABILITY. (a) Except as provided in par. (b), any religious organization that contracts with, or receives a grant from, the department is subject to the same laws and rules as other contractors and grantees regarding accounting, in accord with generally accepted auditing principles, for the use of the funds provided under such programs.

(b) If the religious organization segregates funds provided un-

der programs administered by the department into separate accounts, only the financial assistance provided with those funds shall be subject to audit.

(8) COMPLIANCE. Any party that seeks to enforce its rights under this section may bring a civil action for injunctive relief against the entity that allegedly commits the violation.

(9) LIMITATIONS ON USE OF FUNDS FOR CERTAIN PURPOSES. No funds provided directly to religious organizations by the department may be expended for sectarian worship, instruction, or proselytization.

(10) CERTIFICATION OF COMPLIANCE. Every religious organization that contracts with, or receives a grant from, the department to provide delinquency and crime prevention or offender rehabilitation services to eligible recipients shall certify in writing that it has complied with the requirements of subs. (6) and (9) and submit to the department a copy of this certification and a written description of the policies the organization has adopted to ensure that it has complied with the requirements under subs. (6) and (9).

(11) PREEMPTION. Nothing in this section may be construed to preempt any other statute that prohibits or restricts the expenditure of federal or state funds by or the granting of federal or state funds to religious organizations.

3. Except as provided in subd. 3m., a contract under subd. 2. shall authorize a vendor to charge a fee to probationers, parolees and persons on extended supervision sufficient to cover the cost of supervision and administration of the contract.

3m. A contract under subd. 2. shall permit the department to prohibit a vendor from charging a fee to a probationer, parolee or person on extended supervision who is supervised under the contract if the probationer, parolee or person on extended supervision demonstrates that he or she is unable to pay the fee because of any of the following:

a. The probationer, parolee or person on extended supervision is undergoing treatment approved by the department and is unable to work.

b. The probationer, parolee or person on extended supervision has a statement from a physician certifying to the department that the probationer, parolee or person on extended supervision should be excused from working for medical reasons.

(2) RESTRICTIONS. (a) All care and services purchased by the department and all juvenile correctional services purchased by a county department under s. 46.215, 46.22, or 46.23 shall be authorized and contracted for under the standards established under this subsection. For purchases of \$10,000 or less the requirement for a written contract may be waived by the department. No contract is required for care provided by foster homes required to be licensed under s. 48.62. If the department directly contracts for services, it shall follow the procedures in this subsection in addition to meeting purchasing requirements established in s. 16.75.

(b) All care and services purchased shall meet standards established by the department and other requirements specified by purchaser in the contract. Based on these standards the department shall establish standards for cost accounting and management information systems that shall monitor the utilization of those services, and document the specific services in meeting the service plan for the client and the objective of the service.

(c) 1. Purchase of service contracts shall be written in accordance with rules and procedures established by the department. Contracts for client services shall show the total dollar amount to be purchased and for each service the number of clients to be served, number of client service units, the unit rate per client service and the total dollar amount for each service.

2. Payments under a contract may be made on the basis of actual allowable costs or on the basis of a unit rate per client service multiplied by the actual client units furnished each month. The contract may be renegotiated when units vary from the contracted number. The purchaser shall determine actual marginal costs for each service unit less than or in addition to the contracted number.

3. For proprietary agencies, contracts may include a percentage add-on for profit according to rules promulgated by the department.

4. Reimbursement to an agency may be based on total costs agreed to by the parties regardless of the actual number of service units to be furnished, when the agency is entering into a contract for a new or expanded service that the purchaser recognizes will require a start-up period not to exceed 180 days. The reimbursement applies only if identified client needs necessitate the establishment of a new service or expansion of an existing service.

5. If the purchaser finds it necessary to terminate a contract prior to the contract expiration date for reasons other than nonperformance by the provider, actual cost incurred by the provider may be reimbursed for an amount determined by mutual agreement of the parties.

6. Advance payments of up to one-twelfth of an annual contract may be allowed under the contract. If the advance payment exceeds \$10,000, the provider shall supply a surety bond for an amount equal to the amount of the advance payment applied for. No surety bond is required if the provider is a state agency. The cost of the surety bond shall be allowable as an expense.

(d) For purposes of this subsection and as a condition of reimbursement, each provider under contract shall:

1. Except as provided in s. 46.036 (4) (a), maintain a uniform double entry accounting system and a management information system which are compatible with cost accounting and control systems prescribed by the department.

2. Cooperate with the department and purchaser in establishing costs for reimbursement purposes.

3. Unless waived by the department, biennially, or annually if required under federal law, provide the purchaser with a certified financial and compliance audit report. The audit shall follow

standards that the department prescribes. A purchaser may waive the requirements of this subdivision as provided in s. 46.036 (4) (c).

4. Transfer a client from one category of care or service to another only with the approval of the purchaser.

5. Charge a uniform schedule of fees established under s. 301.03 (18) unless waived by the purchaser with approval of the department. Whenever providers recover funds attributed to the client, the funds shall offset the amount paid under the contract.

(e) Except as provided in par. (em), the purchaser shall recover from provider agencies money paid in excess of the conditions of the contract from subsequent payments made to the provider.

(em) 1. In this paragraph:

a. “Provider” means a nonstock corporation organized under ch. 181 that is a nonprofit corporation, as defined in s. 181.0103 (17), and that contracts under this section to provide client services on the basis of a unit rate per client service or a county department under s. 46.215, 46.22, 46.23, 51.42, or 51.437 that contracts under this section to provide client services on the basis of a unit rate per client service.

b. “Rate-based service” means a service or a group of services, as determined by the department, that is reimbursed through a prospectively set rate and that is distinguishable from other services or groups of services by the purpose for which funds are provided for that service or group of services and by the source of funding for that service or group of services.

2. If revenue under a contract for the provision of a rate-based service exceeds allowable costs incurred in the contract period, the contract shall allow the provider to retain from the surplus up to 5 percent of the revenue received under the contract unless a uniform rate is established by rule under subd. 6., in which case the contract shall allow the provider to retain the uniform percentage rate established by the rule. The retained surplus is the property of the provider.

3. If on December 31 of any year the provider’s accumulated surplus from all contract periods ending during that year for a rate-based service exceeds the allowable retention rate under subd. 2., the provider shall provide written notice of that excess to all purchasers of the rate-based service. Upon the written request of such a purchaser received no later than 6 months after the date of the notice, the provider shall refund the purchaser’s proportional share of that excess. If the department determines based on an audit or fiscal review that the amount of the excess identified by the provider was incorrect, the department may seek to recover funds after the 6-month period has expired. The department shall commence any audit or fiscal review under this subdivision within 6 years after the end of the contract period.

4. Notwithstanding subd. 2., a county department under s. 46.215 providing client services in a county having a population of 750,000 or more or a nonstock, nonprofit corporation providing client services in such a county may not retain a surplus generated by a rate-based service or accumulate funds from more than one contract period for a rate-based service from revenues that are used to meet the maintenance-of-effort requirement under the federal temporary assistance for needy families program under 42 USC 601 to 619.

5. All providers that are subject to this paragraph shall comply with any financial reporting and auditing requirements that the department may prescribe. Those requirements shall include a requirement that a provider provide to any purchaser and the department any information that the department needs to claim federal reimbursement for the cost of any services purchased from the provider and a requirement that a provider provide audit reports to any purchaser and the department according to standards

specified in the provider's contract and any other standards that the department may prescribe.

6. The department, in consultation with the department of health services and the department of children and families, shall promulgate rules to implement this paragraph including all of the following:

a. Requiring that contracts for rate-based services under this subsection allow a provider to retain from any surplus revenue up to 5 percent of the total revenue received under the contract, or a different percentage rate determined by the department. The percentage rate established under this subd. 6. a. shall apply uniformly to all rate-based service contracts under this paragraph.

b. Establishing a procedure for reviewing rate-based service contracts to determine whether a contract complies with the provisions of this paragraph.

(f) Contracts may be renegotiated by the purchaser under conditions specified in the contract.

(g) The service provider under this section may appeal decisions of the purchaser in accordance with terms and conditions of the contract and ch. 68 or 227.

(3) NOTIFICATION CONCERNING PLANS FOR TRANSITIONAL HOUSING. (a) In this subsection, "political subdivision" means a city, village, town or county.

(2m) and (14) (b) and (c), any person, including a person placed under s. 938.183, 938.32 (1) (bm) or (c), 938.34 (4h) or (4m), or 938.357 (1), (2m), (4), or (5) (e), receiving care, maintenance, services, and supplies provided by any institution in this state operated or contracted for by the department, in which the state is chargeable with all or part of the person's care, maintenance, services, and supplies, and the person's property and estate, including the homestead, and the spouse of the person, and the spouse's property and estate, including the homestead, and, in the case of a minor child, the parents of the person, and their property and estates, including their homestead, and, in the case of a foreign child described in s. 48.839 (1) who became dependent on public funds for his or her primary support before an order granting his or her adoption, the resident of this state appointed guardian of the child by a foreign court who brought the child into this state for the purpose of adoption, and his or her property and estate, including his or her homestead, shall be liable for the cost of the care, maintenance, services, and supplies in accordance with the fee schedule established by the department under s. 301.03 (18). If a spouse, widow, or minor, or an incapacitated person, may be lawfully dependent upon the property for his or her support, the court shall release all or such part of the property and estate from the charges that may be necessary to provide for that person. The department shall make every reasonable effort to notify the liable persons as soon as possible after the beginning of the maintenance, but the notice or the receipt of the notice is not a condition of liability.

(2m) The liability specified in sub. (2) shall not apply to persons 17 and older receiving care, maintenance, services and supplies provided by prisons named in s. 302.01.

(3) After investigation of the liable persons' ability to pay, the department shall make collection from the person who in the opinion of the department under all of the circumstances is best able to pay, giving due regard to relationship and the present needs of the person or of the lawful dependents. However, the li-

ability of relatives for maintenance shall be in the following order: first, the spouse of the resident; then, in the case of a minor, the parent or parents.

(4) (a) If a person liable under sub. (2) fails to make payment or enter into or comply with an agreement for payment, the department may bring an action to enforce the liability or may issue an order to compel payment of the liability. Any person aggrieved by an order issued by the department under this paragraph may appeal the order as a contested case under ch. 227 by filing with the department a request for a hearing within 30 days after the date of the order.

(b) If judgment is rendered in an action brought under par. (a) for any balance that is 90 or more days past due, interest at the rate of 12 percent per year shall be computed by the clerk and added to the liable person's costs. That interest shall begin on the date on which payment was due and shall end on the day before the date of any interest that is computed under s. 814.04 (4).

(c) If the department issues an order to compel payment under par. (a), interest at the rate of 12 percent per year shall be computed by the department and added at the time of payment to the person's liability. That interest shall begin on the date on which payment was due and shall end on the day before the date of final payment.

(5) If any person named in an order to compel payment issued under sub. (4) (a) fails to pay the department any amount due under the terms of the order and no contested case to review the order is pending and the time for filing for a contested case review has expired, the department may present a certified copy of the order to the circuit court for any county. The circuit court shall, without notice, render judgment in accordance with the order. A judgment rendered under this subsection shall have the same effect and shall be entered in the judgment and lien docket and may be enforced in the same manner as if the judgment had been rendered in an action tried and determined by the circuit court.

(6) The sworn statement of the collection and deportation counsel, or of the secretary, shall be evidence of the fee and of the care and services received by the resident.

(7) The department shall administer and enforce this section. The department shall appoint an attorney to be designated "collection and deportation counsel" and other necessary assistants. The department may delegate to the collection and deportation counsel such other powers and duties as the department considers advisable. The collection and deportation counsel or any of the assistants may administer oaths, take affidavits and testimony, examine public records, subpoena witnesses and the production of books, papers, records, and documents material to any matter of proceeding relating to payments for the cost of maintenance. The department shall encourage agreements or settlements with the liable person, having due regard to ability to pay and the present needs of lawful dependents.

(8) The department may do any of the following:

(a) Appear for the state in any collection and deportation matter arising in the several courts, and may commence suit in the name of the department to recover the cost of maintenance against the person liable for that cost.

(b) Determine whether any residents are subject to deportation; and on behalf of this state enter into reciprocal agreements with other states for deportation and importation of persons who are public charges, upon such terms as will protect the state's interests and promote mutually amicable relations with other states.

(c) From time to time investigate the financial condition and needs of persons liable under sub. (2), their ability to presently maintain themselves, the persons legally dependent upon them for support, the protection of the property and investments from which they derive their living and their care and protection, for

the purpose of ascertaining the person's ability to make payment in whole or in part.

(d) After due regard to the case and to a spouse and minor children who are lawfully dependent on the property for support, compromise or waive any portion of any claim of the state or county for which a person specified under sub. (2) is liable, but not any claim payable by an insurer under s. 632.89 (2) or (4m) or by any other 3rd party.

(e) Make an agreement with a person who is liable under sub. (2), or who may be willing to assume the cost of maintenance of any resident, providing for the payment of such costs at a specified rate or amount.

Banks, employers, insurers, savings banks, savings and loan associations, brokers and fiduciaries, upon request of the department, shall furnish in writing and duly certified, full information regarding the property, earnings or income or any funds deposited to the credit of or owing to any person liable under sub. (2). Such a certified statement shall be admissible in evidence in any action or proceeding to compel payment under this section, and shall be evidence of the facts stated in the certified statement, if a copy of the certified statement is served upon the party sought to be charged not less than 3 days before the hearing.

(10) The department shall make all reasonable and proper efforts to collect all claims for maintenance, to keep payments current, and to periodically review all unpaid claims.

(11) (a) Except as provided in par. (b), in any action to recover from a person liable under this section, the statute of limitations may be pleaded in defense.

(b) If a person who is liable under this section is deceased, a claim may be filed against the decedent's estate and the statute of limitations specified in s. 859.02 shall be exclusively applicable.

(14) (a) Except as provided in pars. (b) and (c), liability of a person specified in sub. (2) or s. 301.03 (18) for care and maintenance of persons under 17 years of age in residential, nonmedical facilities such as group homes, foster homes, residential care centers for children and youth, and juvenile correctional institutions is determined in accordance with the cost-based fee established under s. 301.03 (18). The department shall bill the liable person up to any amount of liability not paid by an insurer under s. 632.89 (2) or (4m) or by other 3rd-party benefits, subject to rules that include formulas governing ability to pay promulgated by the department under s. 301.03 (18). Any liability of the resident not payable by any other person terminates when the resident reaches age 17, unless the liable person has prevented payment by any act or omission.

(b) Except as provided in par. (c) and subject to par. (cm), liability of a parent specified in sub. (2) or s. 301.03 (18) for the care and maintenance of the parent's minor child who has been placed by a court order under s. 938.183, 938.32, 938.355, or 938.357 in a residential, nonmedical facility such as a group home, foster home, residential care center for children and youth, or juvenile correctional institution shall be determined by the court by using the percentage standard established by the department of children and families under s. 49.22 (9) and by applying the percentage standard in the manner established by the department under par. (g).

(c) Upon request by a parent, the court may modify the amount of child support payments determined under par. (b), subject to par. (cm), if, after considering the following factors, the court finds by the greater weight of the credible evidence that the use of the percentage standard is unfair to the child or to either of the parents:

1. The needs of the child.
2. The physical, mental and emotional health needs of the child, including any costs for the child's health insurance provided by a parent.
3. The standard of living and circumstances of the parents, including the needs of each parent to support himself or herself at a level equal to or greater than that established under 42 USC 9902 (2).
4. The financial resources of the parents.
5. The earning capacity of each parent, based on each parent's education, training and work experience and based on the availability of work in or near the parent's community.
6. The need and capacity of the child for education, including higher education.
7. The age of the child.
8. The financial resources and the earning ability of the child.
9. The needs of any person, including dependent children other than the child, whom either parent is legally obligated to support.
10. The best interests of the child, including, but not limited to, the importance of a placement that will promote the objectives specified in s. 938.01.

11. Any other factors that the court in each case determines are relevant.

(cm) 1. Except as provided in subd. 2., if a parent who is required to pay child support under par. (b) or (c) is receiving adoption assistance under s. 48.975 for the child for whom support is ordered, the amount of the child support payments determined under par. (b) or (c) may not exceed the amount of the adoption assistance payments.

2. Subdivision 1. does not apply if, after considering the factors under par. (c) 1. to 11., the court finds by the greater weight of the credible evidence that limiting the amount of the child support payments to the amount of the adoption assistance payments is unfair to the child or to either of the parents.

(d) If the court finds under par. (c) that use of the percentage standard is unfair to the minor child or either of the parents, the court shall state in writing or on the record the amount of support that would be required by using the percentage standard, the amount by which the court's order deviates from that amount, the court's reasons for finding that use of the percentage standard is unfair to the child or the parent, the court's reasons for the amount of the modification and the basis for the modification.

(e) 1. An order issued under s. 938.183 (4), 938.355 (2) (b) 4. or (4g) (a), 938.357 (5m) (a), or 938.363 (2) for support determined under this subsection constitutes an assignment of all commissions, earnings, salaries, wages, pension benefits, income continuation insurance benefits under s. 40.62, duty disability benefits under s. 40.65, benefits under ch. 102 or 108, and other money due or to be due in the future to the county department under s. 46.215, 46.22, or 46.23 in the county where the order was entered or to the department, depending upon the placement of the child as specified by rules promulgated under subd. 5. The assignment shall be for an amount sufficient to ensure payment under the order.

2. Except as provided in subd. 3., for each payment made under the assignment, the person from whom the payer under the or-

der receives money shall receive an amount equal to the person's necessary disbursements, not to exceed \$3, which shall be deducted from the money to be paid to the payer.

3. Benefits under ch. 108 may be assigned and withheld only in the manner provided in s. 108.13 (4). Any order to withhold benefits under ch. 108 shall be for an amount certain. When money is to be withheld from these benefits, no fee may be deducted from the amount withheld and no fine may be levied for failure to withhold the money.

4. No employer may use an assignment under this paragraph as a basis for the denial of employment to a person, the discharge of an employee or any disciplinary action against an employee. An employer who denies employment or discharges or disciplines an employee in violation of this subdivision may be fined not more than \$500 and may be required to make full restitution to the aggrieved person, including reinstatement and back pay. Except as provided in this subdivision, restitution shall be in accordance with s. 973.20. An aggrieved person may apply to the district attorney or to the department of workforce development for enforcement of this subdivision.

5. The department shall promulgate rules for the operation and implementation of assignments under this paragraph.

(f) If the amount of the child support determined under this subsection is greater than the cost for the care and maintenance of the minor child in the residential, nonmedical facility, the assignee under par. (e) 1. shall expend or otherwise dispose of any funds that are collected in excess of the cost of such care and maintenance in a manner that the assignee determines will serve the best interests of the minor child.

(g) For purposes of determining child support under par. (b), the department shall promulgate rules related to the application of the standard established by the department of children and families under s. 49.22 (9) to a child support obligation for the care and maintenance of a child who is placed by a court order under s. 938.183, 938.32, 938.355, or 938.357 in a residential, nonmedical facility. The rules shall take into account the needs of any person, including dependent children other than the child, whom either parent is legally obligated to support.

(16) The department shall delegate to county departments under ss. 46.215, 46.22 and 46.23 or the local providers of care and services meeting the standards established by the department under s. 301.08, the responsibilities vested in the department under this section for collection of fees for services other than those provided at state facilities if those county departments or providers meet the conditions considered appropriate by the department. The department may delegate to county departments under ss. 46.215, 46.22 and 46.23 the responsibilities vested in the department under this section for collection of fees for services provided at the state facilities if the necessary conditions are met.

A private company may build a private incarceration facility without enabling legislation, but it cannot be operated by a private company. A state purchase or lease must be within the state's long range building program and approved by the joint finance committee. Out-of-state prisoners may be housed by the state, a county, or a municipality only as authorized per statute, which is currently limited to the Interstate Corrections Compact, s. 302.25. OAG 2-99.

301.19 Restrictions on construction or modifications of correctional facilities. (1) In this section:

(a) "Authorized jurisdiction" means a county, 2 counties acting jointly under s. 302.44, the United States, or a federally recognized American Indian tribe or band in this state.

(b) "Correctional facility" means an institution or facility, or a portion of an institution or facility, that is used to confine juveniles alleged or found to be delinquent or a prison, jail, house of correction, or lockup facility.

(2) No person may commence construction of a correctional facility or commence conversion of an existing building, structure, or facility into a correctional facility unless the building, structure, or facility is enumerated in the authorized state building program.

(3) Subsection (2) does not apply to any of the following:

(a) A building, structure, or facility that is constructed or converted under a contract with and for use by an authorized jurisdiction.

(b) A building, structure, or facility the construction of which was completed before January 1, 2001, if the building, structure, or facility was designed to confine persons convicted of a criminal offense.

(4) Unless the governor has declared a state of emergency under s. 323.10, the department may not expand the capacity of, or substantially modify the structure or physical security of, a juvenile correctional facility established under s. 301.16 (1w) without prior approval by the governing body of the city, village, or town in which the juvenile correctional facility is located.

301.21 Contracts for the transfer and confinement of Wisconsin prisoners in other states. (1m) (a) The department may enter into one or more contracts with another state or a political subdivision of another state for the transfer and confinement in that state of prisoners who have been committed to the custody of the department. Any such contract shall provide for all of the following:

1. A termination date.

2. Provisions concerning the costs of prisoner maintenance, extraordinary medical and dental expenses and any participation in or receipt by inmates of rehabilitative or correctional services,

facilities, programs or treatment, including those costs not reasonably included as part of normal maintenance.

3. Provisions concerning any participation in programs of inmate employment if any, the disposition or crediting of any payments received by inmates on account of employment, and the crediting of proceeds from or disposal of any products resulting from employment.

4. Delivery and retaking of inmates.

5. Waiver of extradition by Wisconsin and the state to which the prisoners are transferred.

6. Retention of jurisdiction of the prisoners transferred by Wisconsin.

7. Regular reporting procedures concerning Wisconsin prisoners by officials of the state or political subdivision with which the department is contracting.

8. Provisions concerning procedures for probation, parole, extended supervision and discharge.

9. The same standards of reasonable and humane care as the prisoners would receive in an appropriate Wisconsin institution.

10. Any other matters as are necessary and appropriate to fix the obligations, responsibilities and rights of Wisconsin and the state or political subdivision with which the department is contracting.

(b) Inmates from Wisconsin state prisons while in an institution in another state are subject to all provisions of law and regulation concerning the confinement of persons committed for violations of the laws of that state, except as otherwise provided for by any contract entered into under this subsection.

(c) Any hearing to consider parole to which an inmate confined under this contract may be entitled by the laws of Wisconsin will be conducted by the Wisconsin parole commission under rules of the department.

(d) Sections 16.75 and 301.08 (2) do not apply to contracts entered into under this subsection.

(e) The provisions of this subsection are severable, as provided in s. 990.001 (11). The provisions of any contract entered into under this subsection are severable. If any provision of such a contract is invalid, or if the application of a provision of the contract to any person or circumstance is invalid, the invalidity does not affect other provisions or applications which can be given effect without the invalid provision or application.

(2m) (a) The department may enter into one or more contracts with a private person for the transfer and confinement in another state of prisoners who have been committed to the custody of the department. Any such contract shall provide for all of the following:

1. A termination date.

2. Provisions concerning the costs of prisoner maintenance, extraordinary medical and dental expenses and any participation in or receipt by prisoners of rehabilitative or correctional services, facilities, programs or treatment, including those costs not reasonably included as part of normal maintenance.

3. Provisions concerning any participation in programs of prisoner employment if any, the disposition or crediting of any payments received by prisoners on account of employment, and the crediting of proceeds from or disposal of any products resulting from employment.

4. Delivery and retaking of prisoners.

5. Regular reporting procedures concerning Wisconsin prisoners by the private person with which the department is contracting.

6. Provisions concerning procedures for probation, parole, extended supervision and discharge.

7. The same standards of reasonable and humane care as the prisoners would receive in an appropriate Wisconsin institution.

8. Any other matters as are necessary and appropriate to fix the obligations, responsibilities and rights of Wisconsin and the private person with which the department is contracting.

(b) While in an institution in another state covered by a contract under this subsection, Wisconsin prisoners are subject to all provisions of law and regulation concerning the confinement of persons in that institution under the laws of that state.

(c) Any hearing to consider parole to which a prisoner confined under a contract under this subsection may be entitled by the laws of Wisconsin shall be conducted by the Wisconsin parole commission under rules of the department.

(e) The provisions of any contract entered into under this subsection are severable. If any provision of such a contract is invalid, or if the application of a provision of the contract to any person or circumstance is invalid, the invalidity does not affect other provisions or applications which can be given effect without the invalid provision or application.

(6) Contracts under this section are subject to approval under s. 302.26, except that for purposes of s. 302.26 this section constitutes legislative approval of contracts between the department and the state of Minnesota.

History: 1981 c. 20; 1983 a. 27; 1989 a. s. 965; Stats. 1989 s. 301.21; 1995 a. 344; 1997 a. 27, 283; 2009 a. 28; 2011 a. 38.

That this section does not, apart from the authority to contract for out-of-state placements, grant specific authority to transfer prisoners to out-of-state prisons does not mean that the Department of Corrections is without authority to so transfer prisoners without their consent. Prisoners do not have a constitutionally protected liberty interest in not being transferred from one prison to another. *Evers v. Sullivan*, 2000 WI App 144, 237 Wis. 2d 759, 615 N.W.2d 680, 00-0127.

The Department of Corrections has the authority under sub. (2m) to delegate to employees at a private correctional facility in another state the responsibility for conducting reviews and making recommendations on the security classifications and program assignments of Wisconsin prisoners incarcerated in that facility. *State ex rel. Treat v. Puckett*, 2002 WI App 58, 252 Wis. 2d 404, 643 N.W.2d 515, 00-2712.

The state is not required to use the extradition process whenever and wherever prisoners are transported through noncontracting states on their way to incarceration in a contracting state. *State ex rel. Jones v. Smith*, 2002 WI App 94, 253 Wis. 2d 712, 643 N.W.2d 548, 01-1673.

The reference to "provisions of law and regulation concerning the confinement of persons" in sub. (2m) (b) means the conditions of confinement and procedures used in the out-of-state institution. Sentence credit under the law of the state where the prison is located are not laws concerning confinement but are an element of that state's sentencing system and do not apply to a prisoner serving a Wisconsin sentence. *State ex rel. Griffin v. Litscher*, 2003 WI App 60, 261 Wis. 2d 694, 659 N.W.2d 455, 02-1704.

Transferring inmates from Wisconsin prisons to out-of-state facilities does not violate state law. *Lambert v. Sullivan*, 35 F. Supp. 2d 1131 (1999).

A prisoner has no liberty interest in avoiding transfer to any prison, whether within or without the state. *Berdine v. Sullivan*, 161 F. Supp. 2d 972 (2001).

A Wisconsin prisoner's income while imprisoned in an out-of-state institution is not subject to Department of Corrections rules, but instead is subject to the rules of the host state. *Doty v. Doyle*, 182 F. Supp. 2d 750 (2002).

301.235 Structures, facilities and permanent improvements. (1) In this section unless the context requires otherwise:

(a) "Existing building", in relation to any conveyance, lease or sublease made under sub. (2) (a) 1., 2. and 3., means all detention, treatment, administrative, recreational, infirmary, hospital, vocational and academic buildings; all dormitories and cottages; all storage facilities, heating plants, sewage disposal plants, and such other buildings, structures, facilities and permanent improvements as in the judgment of the secretary are needed or useful for the purposes of the department, and all equipment therefor and all improvements and additions thereto which were erected, constructed or installed prior to making the conveyance, lease or sublease.

(b) "New building", in relation to any conveyance, lease or sublease made under sub. (2) (a) 1., 2. and 3., means all detention, treatment, administrative, recreational, infirmary, hospital, vocational and academic buildings; all dormitories and cottages;

all storage facilities, heating plants, sewage disposal plants, and such other buildings, structures, facilities and permanent improvements as in the judgment of the secretary are needed or useful for the purposes of the department, and all equipment therefor and all improvements and additions thereto which are erected, constructed or installed after making the conveyance, lease or sublease.

(c) “Nonprofit corporation” means a nonstock corporation organized under ch. 181 that is a nonprofit corporation, as defined in s. 181.0103 (17).

(2) The department shall have and may exercise the following powers and duties:

(a) In order to provide new buildings and to enable the construction and financing thereof, to refinance indebtedness created by a nonprofit corporation for the purpose of providing a new building or buildings or additions or improvements thereto which are located on land owned by, or owned by the state and held for, the department or on lands of the institutions under the jurisdiction of the department or owned by the nonprofit corporation, or for any one or more of those purposes, but for no other purpose unless authorized by law, the department, subject to s. 16.848, has the following powers and duties:

1. Without limitation by reason of any other statute except ss. 13.48 (14) (am) and 16.848 (1), the power to sell and to convey title in fee simple to a nonprofit corporation any land and any existing buildings thereon owned by, or owned by the state and held for, the department or any of the institutions under the jurisdiction of the department for such consideration and upon such terms and conditions as in the judgment of the secretary are in the public interest.

2. The power to lease to a nonprofit corporation for a term or terms not exceeding 50 years each any land and any existing buildings thereon owned by, or owned by the state and held for, the department or any of the institutions under the jurisdiction of the department upon such terms and conditions as in the judgment of the secretary are in the public interest.

3. The power to lease or sublease from the nonprofit corporation, and to make available for public use, any such land and existing buildings conveyed or leased to the nonprofit corporation under subds. 1. and 2., and any new buildings erected upon the land or upon any other land owned by such nonprofit corporation, upon such terms, conditions and rentals, subject to available appropriations, as the secretary determines are in the public interest. With respect to any property conveyed to the nonprofit corporation under subd. 1., the lease from the nonprofit corporation may be subject or subordinated to one or more mortgages of the property granted by the nonprofit corporation.

4. The duty to submit the plans and specifications for all such new buildings and all conveyances, leases and subleases made under this section to the department of administration and the governor for written approval before they are finally adopted, executed and delivered.

5. The power to pledge and assign all or any part of the revenues derived from the operation of the new buildings as security for the payment of rentals due and to become due under any lease or sublease of the new buildings under subd. 3.

6. The power to covenant and agree in any lease or sublease of the new buildings made under subd. 3. to impose fees, rentals or other charges for the use and occupancy or other operation of the new buildings in an amount calculated to produce net revenues sufficient to pay the rentals due and to become due under the lease or sublease.

7. The power to apply all or any part of the revenues derived from the operation of existing buildings to the payment of rentals

due and to become due under any lease or sublease made under subd. 3.

8. The power to pledge and assign all or any part of the revenues derived from the operation of existing buildings to the payment of rentals due and to become due under any lease or sublease made under subd. 3.

9. The power to covenant and agree in any lease or sublease made under subd. 3. to impose fees, rentals or other charges for the use and occupancy or other operation of existing buildings in an amount calculated to produce net revenues sufficient to pay the rentals due and to become due under the lease or sublease.

10. The power and duty, upon receipt of notice of any assignment by any such nonprofit corporation of any lease or sublease made under subd. 3., or of any of its rights under any such sublease, to recognize and give effect to the assignment, and to pay to the assignee thereof rentals or other payments then due or which may become due under any such lease or sublease which has been so assigned by the nonprofit corporation.

(b) The state is liable for accrued rentals and for any other default under any lease or sublease made under par. (a) 3., and may be sued therefor on contract as in other contract actions under ch. 775, except that it is not necessary for the lessor under any such lease or sublease or any assignee of the lessor or any person or other legal entity proceeding on behalf of the lessor to file any claim with the legislature prior to the commencement of any such action.

(c) Nothing in this section empowers the secretary or the department to incur any state debt.

(d) All conveyances, leases and subleases made under this section shall be made, executed and delivered in the name of the department and shall be signed by the secretary and sealed with the seal of the department.

(e) All laws, except ch. 150, conflicting with this section are, insofar as they conflict with this section and no further, superseded by this section.

the joint committee on finance. The department shall submit a plan for any such proposed transfer or disposition to the committee.

(5) **PURCHASES.** The department, with the approval of and release of state building trust funds by the building commission, may acquire by purchase such lands, together with such improvements as are situated thereon, as the secretary deems necessary for the department's farm programs, or for the purpose of providing adequate buffer zones to its existing facilities, or for the purpose of eliminating flexuous boundaries in cooperation with owners of lands adjoining lands under the department's jurisdiction.

The department shall establish information systems and monitoring and evaluation procedures to report periodically to the governor and legislature on the statewide impact of this section.

(4) **STATE SERVICES.** (a) Except as provided in pars. 3. The per person daily reimbursement rate for juvenile correctional services under this paragraph shall be equal to the per person daily cost assessment to counties under par. (d) 2., 3., and 4. for juvenile correctional services.

(ct) 1. Subject to subd. 2. and notwithstanding ss. 16.50 (2), 16.52, 20.002 (11), and 20.903, if there is a deficit in the appropriation account under s. 20.410 (3) (hm) at the close of a fiscal year, any unencumbered balance in the appropriation account under s. 20.410 (3) (ho) at the close of that fiscal year, less the amounts required by s. 20.410 (3) (ho) to be remitted to counties or transferred to the appropriation account under s. 20.410 (3) (kx), and any unencumbered balance in the appropriation account under s. 20.410 (3) (hr) at the close of that fiscal year, shall be transferred to the appropriation account under s. 20.410 (3) (hm), up to the amount that when added to other amounts cred-

ited to that appropriation account in that fiscal year equals the amount shown in the schedule under s. 20.005 (3) for that appropriation account for that fiscal year.

2. The total amount transferred at the end of a fiscal year under subd. 1. may not exceed the amount of the deficit in the appropriation account under s. 20.410 (3) (hm) for that fiscal year, and if that deficit is less than the total amount of the unencumbered balances available for transfer under subd. 1., the amount transferred from the appropriation accounts under s. 20.410 (3) (ho) and (hr) shall be in proportion to the respective unencumbered balance available for transfer from each of those appropriation accounts.

(cx) If, notwithstanding ss. 16.50 (2), 16.52, 20.002 (11), and 20.903, there is a deficit in the appropriation account under s. 20.410 (3) (hm) at the close of a fiscal biennium, the governor shall, to address that deficit, increase each of the rates specified under s. 301.26 (4) (d) 2. and 3. for care in a Type 1 juvenile correctional facility and for care for juveniles transferred from a correctional institution by \$6, in addition to any increase due to actual costs, in the executive budget bill for each fiscal biennium, until the deficit under s. 20.410 (3) (hm) is eliminated.

(d) 1. Except as provided in pars. (e) to (g), for services under s. 938.34, all payments and deductions made under this subsection and uniform fee collections made under s. 301.03 (18) shall be credited to the appropriation account under s. 20.410 (3) (hm).

1m. Except as provided in pars. (e) to (g), for services under s. 938.183, all payments and deductions made under this subsection and uniform fee collections made under s. 301.03 (18) shall be credited to the appropriation account under s. 20.410 (3) (hm).

2. Beginning on July 1, 2023, and ending on June 30, 2024, the per person daily cost assessment to counties shall be, for care in a Type 1 juvenile correctional facility, as defined in s. 938.02 (19), \$1,246 and, for care for juveniles transferred from a juvenile correctional institution under s. 51.35 (3), \$1,246.

3. Beginning on July 1, 2024, and ending on June 30, 2025, the per person daily cost assessment to counties shall be, for care in a Type 1 juvenile correctional facility, as defined in s. 938.02 (19), \$1,268 and, for care for juveniles transferred from a juvenile correctional institution under s. 51.35 (3), \$1,268.

4. The per person daily cost assessment to counties for care in a foster home, group home, or residential care center for children and youth shall be an amount equal to the amount the provider charges the department for that care as authorized by the department of children and families.

5. The per person daily cost assessment to counties for community supervision services under s. 938.533 shall be an amount determined by the department based on the cost of providing those services. In determining that assessment, the department may establish multiple rates for varying types and levels of service. (3) The training program approved by the department under sub. Sub. (1) and s. 973.20 (11) (c) codify common law by specifically authorizing the Department of Corrections to take restitution from an inmate's account at an amount or a percentage the department determines is reasonable for payment to victims. *State v. Williams*, 2018 WI App 20, 380 Wis. 2d 440, 909 N.W.2d 177, 17-0320.

The Department of Corrections was authorized under sub. (1) to take money delivered to the defendant's prison account to satisfy unpaid restitution ordered in a judgment that imposed a sentence that the defendant had completed because using that money to pay restitution was for the defendant's benefit within the meaning of sub. (1), regardless of whether the restitution ordered in the judgment was directly enforceable against the defendant. *State ex rel. Markovic v. Litscher*, 2018 WI App 44, 383 Wis. 2d 576, 916 N.W.2d 202, 17-2206.

Former sub. (1), 2009 stats., does not grant exclusive authority to the Department of Corrections to set the percentage at which money is deducted from a prisoner's wages to pay a restitution obligation and does not bar the sentencing court from setting that percentage in its restitution order. *State ex rel. Ortiz v. Carr*, 2022 WI App 16, 401 Wis. 2d 450, 973 N.W.2d 786, 20-1394.

This section does not create a property interest in items prohibited by administrative rule because these items have not been delivered to prison employees for the benefit of inmates. Prohibited items are contraband subject to seizure. *Escobar v. Landwehr*, 837 F. Supp. 284 (1993).

301.323 Vendors of personal property items. (1) The department shall permit an inmate in a state correctional institution, or a 3rd party on behalf of an inmate, to purchase department-approved hobby, religious, and other personal property items from a vendor that is contracted with under sub. (2). The department shall ensure that inmates have equal access to the approved items offered by each vendor, and the department may not give any preference to any contracted vendor.

(2) Through a competitive bid for contractual services under s. 16.75, the department shall contract with not fewer than 3 vendors to provide department-approved hobby, religious, and other personal property items for purchase by an inmate in a state correctional institution or by a 3rd party on behalf of an inmate. The department may contract with 2 vendors if it receives fewer than 3 bids satisfying the bid criteria. All contract specifications for contracts awarded under this subsection, including those specified in sub. (3), shall be included in a single solicitation for bids.

(3) Each vendor that is contracted with under sub. (2) shall allow for an inmate, or a 3rd party on behalf of an inmate, to purchase the approved items from a catalog and through an online Internet site.

The department may collect from the inmate or his or her estate during his or her incarceration or after his or her release or death, or both. If the prisoner has paid all victim restitution ordered under s. 973.20 or if the department has collected victim restitution pursuant to s. 973.20 (11) (f), the department may use any remaining

money held for a prisoner under s. 301.32 (1) to pay for some or all of the costs to the department for the prisoner's burial or cremation and burial under s. 157.02 (5). Upon the request of the department, the attorney general may bring a civil action to recover costs under this section that the department has been unable to collect. The department may not recover under this section for any costs already recovered as otherwise provided in chs. 301 to 303. (2) If a prisoner fails to repay a litigation loan to the department, the warden of the institution where the prisoner is incarcerated, imprisoned, confined or detained may submit a certification under oath to the clerk of circuit court in the county where the institution is located. The certification shall state the amount of litigation loans unpaid, the name and location of the prisoner and such other information as the court considers necessary. The court shall order that the amount certified by the warden be a judgment on behalf of the state and against the prisoner if the prisoner fails to submit a written objection to the court within 20 days after the court receives the certification from the warden. If the prisoner timely submits a written objection to the certification, the court shall consider the objection to be a complaint in a civil action and proceed under the rules of procedure under ch. 799, without requiring the service of a summons or the payment of filing fees.

(3) At the same time that the warden submits the certification to the court, the warden shall provide the prisoner with a copy of the certification. The warden shall attach to the certification provided to the prisoner a notice informing the prisoner of all of the following:

(a) That if the prisoner fails to submit a written objection to the court within 20 days after the court receives the certification from the warden, the court shall order that the amount certified by the warden be a judgment on behalf of the state and against the prisoner.

(b) The name and address of the circuit court where the certification was submitted.

(c) That if the prisoner timely objects to the certification, the objection will be considered a complaint for purposes of the commencement of a civil suit under ch. 799.

The person shall also inform the department of the state to which he or she is moving his or her residence, the state in which he or she will be in school or the state in which he or she will be employed or carrying on a vocation. (a) Inform the person whether the state to which the person is moving, the state in which the person will be in school or the state in which the person will be employed or carrying on a vocation has sex offender registration requirements to which the person may be subject and, if so, the name of the agency to contact in that state for information concerning those requirements.

(b) Inform the agency responsible for sex offender registration in the state to which the person is moving, in which the person will be in school or in which the person will be employed or carrying on a vocation that the person is moving to the state, beginning school in the state or beginning employment or carrying on a vocation in the state, and provide the agency of the other state with all of the information specified in sub. 1. If the person has been placed on probation or supervision for a sex offense, 15 years after discharge from the probation or supervision imposed for the sex offense.

2. If the person has been sentenced to prison for a sex offense or placed in a juvenile correctional facility or a secured residential care center for children and youth for a sex offense, 15 years after discharge from parole, extended supervision, community supervision, or aftercare supervision for the sex offense.

2m. If the person has been sentenced to prison for a sex offense and is being released from prison because he or she has reached the expiration date of the sentence for the sex offense, 15 years after being released from prison.

3. If the person has been committed to the department of health services under s. 51.20 or 971.17 and is in institutional care or on conditional transfer under s. 51.35 (1) or conditional release under s. 971.17 for a sex offense, 15 years after termination of the commitment for the sex offense under s. 971.17 (5) or discharge from the commitment for the sex offense under s. 51.35 (4) or 971.17 (6).

3m. If the person has been committed for specialized treatment under ch. 975, 15 years after discharge from the commitment under s. 975.09 or 975.12.

2. A person who is covered under sub. (1g) (dL) is not required to comply with the requirements of this section if a court orders that the person is no longer required to comply under s. 939.615 (6) (i).

(b) A person who is covered under sub. (1g) (a), (b), (bm), (c), (d), (dd), (dp) or (e) shall continue to comply with the requirements of this section until his or her death if any of the following applies:

1. The person has been convicted 2 or more times, including convictions that were part of the same proceeding, occurred on the same date, or were included in the same criminal complaint, for a sex offense or for a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, military law, tribal law, or law of any state that is comparable to a sex offense; has been found 2 or more times, including findings that were part of the same proceeding, occurred on the same date, or were included in the same criminal complaint, not guilty or not responsible by reason of mental disease or defect for a sex offense, or for a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, a military law, a tribal law, or a law of any state that is comparable to a sex offense; or has been convicted one time for a sex offense or for a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, military law, tribal law, or law of any state that is comparable to a sex offense and has been found one time not guilty or not responsible by reason of mental disease or defect for a sex offense, or for a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, a military law, a tribal law, or a law of any state that is comparable to a sex offense. A conviction or finding of not guilty or not responsible by reason of mental disease or defect that has been reversed, set aside, or vacated is not a conviction or finding for purposes of counting the number of convictions or findings under this subdivision.

A conviction or finding of not guilty or not responsible by reason of mental disease or defect that has been reversed, set aside or vacated is not a conviction or finding for purposes of this subdivision.

2. The person has been found to be a sexually violent person under ch. 980, regardless of whether the person has been discharged under s. 980.10, 2003 stats., or s. 980.09 (4) from the sexually violent person commitment, except that the person no longer has to comply with this section if the finding that the person is a sexually violent person has been reversed, set aside or vacated.

3. The court that ordered the person to comply with the reporting requirements of this section under s. 51.20 (13) (ct), 938.34 (15m), 938.345 (3), 971.17 (1m) (b) or 973.048 also ordered the person to comply with the requirements until his or her death.

(5m) RELEASE FROM REQUIREMENTS FOR PERSONS WHO COMMITTED A SEX OFFENSE IN ANOTHER JURISDICTION. (a) Except as provided in pars. (b) and (c), a person who is covered under sub. (1g) (dh), (dj), (f) or (g) no longer has to comply with this section when the following applicable criterion is met:

1. If the person is on parole, extended supervision, proba-

tion, or other supervision from another state under ss. 48.988 and 48.989 or under s. 48.99, 304.13 (1m), 304.135, 304.16, or 938.999, 15 years after discharge from that parole, extended supervision, probation, or other supervision or the period of time that the person is in this state, whichever is less.

a. The period of time that the person is a resident of this state, a student in this state or employed or carrying on a vocation in this state.

b. The period of time that the person is registered as a sex offender in another state or with the federal bureau of investigation, or 10 years from the date on which the person was released from prison or placed on parole, probation, extended supervision or other supervised release for the sex offense which subjects the person to the requirements of this section, whichever is greater.

3. If the person has been found to have committed a sex offense by another jurisdiction and subd. 2. does not apply, whichever of the following is less:

a. The period of time that the person is a resident of this state, a student in this state or employed or carrying on a vocation in this state.

b. Ten years from the date on which the person was released from prison or placed on parole, probation, extended supervision or other supervised release for the sex offense that subjects the person to the requirements of this section.

(b) A person who is covered under sub. (1g) (dh), (dj), (f) or (g) shall continue to comply with the requirements of this section for as long as the person is a resident of this state, a student in this state or employed or carrying on a vocation in this state if one or more of the following apply:

1. The person is registered as a sex offender in another state or is registered as a sex offender with the federal bureau of investigation under 42 USC 14072 and the person is required to register with that other state or with the federal bureau of investigation until his or her death.

2. The person has been convicted or found not guilty or not responsible by reason of mental disease or defect for a violation of s. 940.225 (1) or (2), 948.02 (1) or (2), 948.025, or 948.085, or for the solicitation, conspiracy or attempt to commit a violation, of a federal law, a military law, a tribal law or a law of any state that is comparable to a violation of s. 940.225 (1) or (2), 948.02 (1) or (2), 948.025, or 948.085. A conviction or finding of not guilty or not responsible by reason of mental disease or defect that has been reversed, set aside or vacated is not a conviction or finding for purposes of this subdivision.

3. The person has been convicted 2 or more times, including convictions that were part of the same proceeding, occurred on the same date, or were included in the same criminal complaint, for a sex offense or for a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, military law, tribal law, or law of any state that is comparable to a sex offense; has been found 2 or more times, including findings that were part of the same proceeding, occurred on the same date, or were included in the same criminal complaint, not guilty or not responsible by reason of mental disease or defect for a sex offense or for a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, military law, tribal law, or law of any state that is comparable to a sex offense; or has been convicted one time for a sex offense or for a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, military law, tribal law, or law of any state that is comparable to a sex offense and has been found one time not guilty or not responsible by reason of mental disease or defect for a sex offense, or for

a violation, or the solicitation, conspiracy, or attempt to commit a violation, of a federal law, military law, tribal law, or law of any state that is comparable to a sex offense. A conviction or finding of not guilty or not responsible by reason of mental disease or defect that has been reversed, set aside, or vacated is not a conviction or finding for purposes of counting the number of convictions or findings under this subdivision.

4. A determination has been made as provided under 42 USC 14071 (a) (2) (A) or (B) that the person is a sexually violent predator, or lifetime registration by the person is required under measures approved by the attorney general of the United States under 42 USC 14071 (a) (2) (C).

(c) This subsection does not apply to a person who is required to register as a sex offender under one or more of the criteria specified in sub. (1g) (a), (b), (bm), (c), (d), (dd), (dp), (e) or (em).

(6) PENALTY. (a) Whoever knowingly fails to comply with any requirement to provide information under subs. (2) to (4) is subject to the following penalties:

1. Except as provided in subd. 2., the person is guilty of a Class H felony.

2. The person may be fined not more than \$10,000 or imprisoned for not more than 9 months or both if all of the following apply:

a. The person was ordered under s. 51.20 (13) (ct) 1m., 938.34 (15m) (am), 938.345 (3), 971.17 (1m) (b) 1m., or 973.048 (1m) to comply with the reporting requirements under this section based on a finding that he or she committed or solicited, conspired, or attempted to commit a misdemeanor.

b. The person was not convicted of knowingly failing to comply with any requirement to provide information under subs. (2) to (4) before committing the present violation.

(ag) Whoever intentionally violates sub. (4r) is subject to the following penalties:

1. Except as provided in subd. 2., the person is guilty of a Class H felony.

2. The person may be fined not more than \$10,000 or imprisoned for not more than 9 months or both if all of the following apply:

a. The person was ordered under s. 51.20 (13) (ct) 1m., 938.34 (15m) (am), 938.345 (3), 971.17 (1m) (b) 1m., or 973.048 (1m) to comply with the reporting requirements under this section based on a finding that he or she committed or solicited, conspired, or attempted to commit a misdemeanor.

b. The person was not convicted of another offense under sub. (4r) before committing the present violation.

(am) Whoever knowingly fails to keep information confidential as required under sub. (7) may be fined not more than \$500 or imprisoned for not more than 30 days or both.

(bm) Subject to s. 971.19 (9), a district attorney or, upon the request of a district attorney, the department of justice may prosecute a knowing failure to comply with any requirement to provide information under subs. (2) to (4). If the department of corrections determines that there is probable cause to believe that a person has knowingly failed to comply with any requirement to provide information under subs. (2) to (4) or has intentionally violated sub. (4r), the department shall forward a certified copy of all pertinent departmental information to the applicable district attorney. The department shall certify the copy in accordance with s. 889.08.

(c) Notwithstanding par. (a), a person who first became subject to subs. (2) to (4) under 1995 Wisconsin Act 440 and who was in prison or a secured correctional facility or a secured child caring institution, in institutional care, or on probation, parole,

supervision, aftercare supervision, corrective sanctions supervision, conditional transfer or conditional release during the period beginning on December 25, 1993, and ending on May 31, 1997, shall be allowed until January 1, 1998, to comply with the requirements under subs. (2) to (4).

(d) Notwithstanding par. (a), a person who first became subject to subs. (2) to (4) under 1999 Wisconsin Act 89 and who was in prison or a secured correctional facility or a secured child caring institution, in institutional care, or on probation, parole, supervision, aftercare supervision, corrective sanctions supervision, conditional transfer or conditional release during the period beginning on December 25, 1993, and ending on May 31, 2000, shall be allowed until January 1, 2001, to comply with the requirements under subs. (2) to (4).

(6m) NOTICE TO OTHER JURISDICTIONS CONCERNING NON-COMPLIANCE. If the department has reasonable grounds to believe that a person who is covered under sub. (1g) (f) or (g) is residing in this state, is a student in this state or is employed or carrying on a vocation in this state and that the person is not complying with the requirements of this section, the department shall notify the state agency responsible for the registration of sex offenders in any state in which the person is registered that it believes the person is not complying with the requirements of this section. If the person is registered with the federal bureau of investigation under 42 USC 14072, the department shall notify the federal bureau of investigation that it believes the person is not complying with the requirements of this section.

(7) INFORMATION MAINTENANCE AND EXPUNGEMENT. (a) The department shall maintain information provided under sub. (2). The department shall keep the information confidential except as provided in ss. 301.03 (14) and 301.46, except as needed for law enforcement purposes and except to provide, in response to a request for information under s. 49.22 (2m) made by the department of children and families or a county child support agency under s. 59.53 (5), the name and all residential addresses of an individual registered under this section, the name and address of the individual's employer and financial information related to the individual.

(b) The department shall not charge a fee for providing information under this subsection.

(c) A person about whom information is maintained in the registry under sub. (2) may request expungement of all pertinent information in the registry if any of the following applies:

1m. The person's conviction, delinquency adjudication, finding of need of protection or services or commitment has been reversed, set aside or vacated.

2m. A court has determined under sub. (1m) (b) that the person is not required to comply with the reporting requirements under this section.

(d) The department shall purge all of the information maintained in the registry under sub. (2) concerning a person to whom par. (c) applies if the department receives all of the following:

1. The person's written request for expungement.

2. A certified copy of the court order reversing, setting aside or vacating the conviction, delinquency adjudication, finding of need of protection or services or commitment or a certified copy of the court's determination under sub. (1m) (b).

(e) The department shall purge all of the information maintained in the registry under sub. (2) concerning a person to whom sub. (1p) (a) applies if any of the following occurs:

1. The department receives notice under s. 938.355 (4m) (b) that a court has expunged the record of the person's delinquency adjudication for the violation described in sub. (1p) (a).

2. The department issues a certificate of discharge under s. 973.015 (1m) (b).

3. The department receives a certificate of discharge issued under s. 973.015 (1m) (b) by the detaining authority.

(f) The department shall purge all of the information maintained in the registry under sub. (2) concerning a person to whom sub. (1p) (b) applies when any of the following occurs:

1. If the person was ordered by a court under s. 51.20 (13) (ct) 1m. to comply with the reporting requirements under this section, when the department receives notice under s. 51.20 (13) (ct) 1m. b. that the person has satisfied conditions of the court order.

2. If the person was ordered by a court under s. 938.34 (15m) (am) to comply with the reporting requirements under this section, when the department receives notice under s. 938.34 (15m) (am) 2. that the juvenile has satisfied the conditions of the dispositional order.

3. If the person was ordered by a court under s. 938.345 (3) (a) to comply with the reporting requirements under this section, when the department receives notice under s. 938.345 (3) (d) that the juvenile has satisfied the conditions of the dispositional order.

4. If the person was ordered by a court under s. 971.17 (1m) (b) 1m. to comply with the reporting requirements under this section, when the department receives notice under s. 971.17 (6m) (b) 2. that the commitment order under s. 971.17 is terminated or has expired.

5. If the person was ordered by a court under s. 973.048 (1m) to comply with the reporting requirements under this section, when the person successfully completes the sentence or probation as provided under s. 973.048 (1m) (b).

(8) RULES. The department shall promulgate rules necessary to carry out its duties under this section.

(9) COOPERATION. The department of health services, the department of children and families, the department of transportation and all circuit courts shall cooperate with the department of corrections in obtaining information under this section.

(10) ANNUAL FEE. The department may require a person who must register as a sex offender to pay an annual fee to partially offset its costs in monitoring persons who must register as sex offenders. The department shall establish any such fee by rule, but the fee may not exceed \$100.

Wisconsin's sex offender registration requirements do not constitute punishment. *State v. Bollig*, 2000 WI 6, 232 Wis. 2d 561, 605 N.W.2d 199, 98-2196. See also *State v. C.G.*, 2022 WI 60, 403 Wis. 2d 229, 976 N.W.2d 318, 18-2205.

That sub. (1m) allows minors found delinquent because of sexual contact to be excused from sex offender registration, but not juveniles convicted of false imprisonment, does not render it unconstitutional. Sub. (1m) creates a narrow exception for sex offenders in cases of factually consensual sexual contact between two minors. In contrast, false imprisonment is never consensual and never a crime solely because of age. *State v. Joseph E.G.*, 2001 WI App 29, 240 Wis. 2d 481, 623 N.W.2d 137, 99-3248.

This section and s. 301.46 do not occupy the field in regulating the dissemination of sex offender registration information and do not prohibit a probation agent from requiring a probationer to inform the probationer's immediate neighbors of the probationer's status as a convicted sex offender, which was not unreasonable. *State ex rel. Kaminski v. Schwarz*, 2001 WI 94, 245 Wis. 2d 310, 630 N.W.2d 164, 99-3040.

Sex-offender registration as a condition of probation for bail-jumping was not authorized by s. 973.09 (1) (a). Bail jumping is not one of the offenses enumerated in the sex-offender registration statutes, this section or s. 973.048, that permit or require registration, and read-in, but dismissed, sexual assault charges do not bring a case within s. 973.048. *State v. Martel*, 2003 WI 70, 262 Wis. 2d 483, 664 N.W.2d 69, 02-1599.

Mandatory sex offender registration for juveniles under sub. (1m) is not criminal punishment. If a provision is not criminal punishment, there is no constitutional right to a jury trial. Sub. (1m) does not violate the guarantees of substantive due process or equal protection. *State v. Jeremy P.*, 2005 WI App 13, 278 Wis. 2d 366, 692 N.W.2d 311, 04-0360.

The sex offender registry scheme under this section did not violate constitutional guarantees of equal protection or due process as applied to the defendant when the underlying crime of which the defendant was convicted, false imprisonment of a mi-

nor, lacked a sexual element. The purpose of the statute is to protect the public, specifically children, not to identify individuals guilty of a crime with a sexual element. Because not all defendants convicted of crimes lacking sexual elements pose an inherent danger to children, not all criminal defendants will be required to register. It is reasonable to exempt parents convicted of falsely imprisoning their own children from the reporting requirement. *State v. Smith*, 2009 WI App 16, 316 Wis. 2d 165, 762 N.W.2d 856, 08-1011.

A person convicted of false imprisonment of a minor is required to register as a sex offender. Although the complaint in this case contained no allegation that the false imprisonment entailed anything sexual, the registration requirements of this section, as applied to the defendant, were constitutional because requiring registration was rationally related to a legitimate governmental interest. *State v. Smith*, 2010 WI 16, 323 Wis. 2d 377, 780 N.W.2d 90, 08-1011.

To calculate the disparity of ages required in sub. (1m) (a) 2. in determining if an actor is exempt from registering as a sex offender, the time between the birth dates of the two parties is to be determined. Sub. (1m) (a) 2. was not unconstitutionally vague as applied to the defendant. *State v. Parmley*, 2010 WI App 79, 325 Wis. 2d 769, 785 N.W.2d 655, 09-1210.

This section evidences a legislative intent to include out-of-state sex offenses. By its express language, sub. (1g) includes only those out-of-state offenses that are comparable to a Wisconsin sex offense. Sub. (6) (a) 2. includes out-of-state misdemeanors that are comparable to a sex offense. *State v. Frelund*, 2011 WI App 80, 334 Wis. 2d 772, 800 N.W.2d 18, 10-0496.

A registrant cannot be convicted of violating sub. (6) for failing to report the address at which the registrant will be residing when the registrant is unable to provide this information. A registrant is unable to provide the required information when that information does not exist, despite the registrant's reasonable attempt to provide it. However, homeless registrants are not exempt from registration requirements and homelessness is not a defense to failing to comply with the registration requirements. Under sub. (2) (f), the Department of Corrections may require a registrant to report to a police station to provide any required information that the person has not previously provided. *State v. Dinkins*, 2012 WI 24, 339 Wis. 2d 78, 810 N.W.2d 787, 09-1643.

Sub. (2) (a) 6m. does not violate the 1st amendment as it is narrowly tailored to serve the government's significant interest in protecting the public from recidivist sex offenders and is not overbroad. *State v. Jackson*, 2020 WI App 4, 390 Wis. 2d 402, 938 N.W.2d 639, 18-2074.

The federal Sex Offender Registration and Notification Act (SORNA), 34 USC 20901 to 20962, does not preempt this state's enforcement of its requirement that offenders subject to registration in this state update their registration information even if they move while residing out of state. SORNA sets a floor for state registration laws, but it leaves states free to regulate in ways that are consistent with the federal purpose. *State v. Triebold*, 2021 WI App 13, 396 Wis. 2d 176, 955 N.W.2d 415, 19-1209.

In this case, the circuit court possessed territorial jurisdiction under s. 939.03 (1) (c) because the defendant's failure to update the defendant's sex offender registration had a criminal consequence in this state pursuant to sub. (6). The general criminal-law rule is that a crime involving a failure to act is committed at the place where the act is required to be performed. In this case, the defendant's failure to update the defendant's registration with Wisconsin authorities quite obviously had a consequence that is prohibited by this state's criminal law, thereby making territorial jurisdiction appropriate under s. 939.03 (1) (c). That the defendant's failure arises from moving within another state—rather than within, to, or from Wisconsin—does nothing to change this obvious consequence. *State v. Triebold*, 2021 WI App 13, 396 Wis. 2d 176, 955 N.W.2d 415, 19-1209.

The \$100 annual registration fee that sub. (10) imposes on convicted sex offenders does not violate the prohibition in article I, section 10, of the U.S. Constitution against states' enacting ex post facto laws. The fee is intended to compensate the state for the expense of maintaining the sex offender registry. The offenders are responsible for the expense, so there is nothing punitive about making them pay for it, any more than it is punitive to charge a fee for a passport. *Mueller v. Raemisich*, 740 F.3d 1128 (2014).

An offender is not entitled to process to challenge the legal determinations made by the authority charged under state law with administering a sex offender statute that is based on the fact of previous conviction. In this case, the offender was not deprived of a constitutional right to due process when the Department of Corrections (DOC) determined that the offender's registration status in California required him to register as a sex offender in Wisconsin under sub. (1g) (f). Because the offender's registration status in California was established after a procedurally safeguarded criminal proceeding, the offender was not entitled to pre-registration process, and the post-registration informal exchange between the offender and DOC was sufficient to comport with the requirements of due process. *Murphy v. Rychlowski*, 868 F.3d 561 (2017).

Cross-reference: See also s. DOC 332.01, Wis. adm. code.

This section and s. 301.45 do not occupy the field in regulating the dissemination of sex offender registration information and do not prohibit a probation agent from requiring a probationer to inform the probationer's immediate neighbors of the probationer's status as a convicted sex offender, which was not unreasonable. *State ex rel. Kaminski v. Schwarz*, 2001 WI 94, 245 Wis. 2d 310, 630 N.W.2d 164, 99-3040.

301.47 Sex offender name changes prohibited. (1) In this section, "sex offender" means a person who is subject to s. 301.45 (1g) but does not include a person who, as a result of a proceeding under s. 301.45 (1m), is not required to comply with the reporting requirements of s. 301.45.

(2) A sex offender may not do any of the following before he or she is released, under s. 301.45 (5) or (5m), from the reporting requirements of s. 301.45:

(a) Change his or her name.

(b) Identify himself or herself by a name unless the name is one by which the person is identified with the department.

(3) Whoever intentionally violates sub. (2) is subject to the following penalties:

(a) Except as provided in par. (b), the person is guilty of a Class H felony.

(b) The person may be fined not more than \$10,000 or imprisoned for not more than 9 months or both if all of the following apply:

1. The person was ordered under s. 51.20 (13) (ct) 1m., 938.34 (15m) (am), 938.345 (3), 971.17 (1m) (b) 1m., or 973.048 (1m) to comply with the reporting requirements under s. 301.45 based on a finding that he or she committed or solicited, conspired, or attempted to commit a misdemeanor.

2. The person was not convicted of another offense under this section before committing the present violation.

(4) The department shall make a reasonable attempt to notify each person required to comply with the reporting requirements under s. 301.45 of the prohibition in sub. (2), but neither the department's failure to make such an attempt nor the department's failure to notify a person of that prohibition is a defense to a prosecution under this section.

History: 2003 a. 52, 320.

The name change prohibition in sub. (2) (a) does not implicate the right to free speech by infringing expressive conduct. The 1st amendment right to free speech does not encompass the power to compel the state to facilitate a change of a legal name. Producing one's legal name is properly understood as conduct subject to government regulation, not speech. *State v. C.G.*, 2022 WI 60, 403 Wis. 2d 229, 976 N.W.2d 318, 18-2205.

The common law right to use an alias is distinguishable from the common law rule that continuous and consistent use of an alias effectuates a legal name change. The plain text of sub. (2) abrogates the latter rule but not the former right. In other words, a registered sex offender can use an alias, but, even if the use of that alias would otherwise be sufficiently continuous and consistent to effectuate a legal name change if the offender was not a registered sex offender, by operation of law, the offender's legal name would remain unchanged. *State v. C.G.*, 2022 WI 60, 403 Wis. 2d 229, 976 N.W.2d 318, 18-2205.

301.475 Sex offenders to notify schools. (1) A person who is required to comply with the reporting requirements under s. 301.45 (1g) may not be on any school premises, as defined in s. 948.61 (1) (c), unless the school district administrator or his or her designee, if the premises are affiliated with a public school, or the governing body of the school, if the premises are affiliated with a private school or charter school, has been notified of the specific date, time, and place of the visit and of the person's status as a registered sex offender.

(2) (a) Except as provided in par. (b), whoever knowingly violates sub. (1) is guilty of a misdemeanor and subject to a fine of not more than \$10,000 or imprisonment not to exceed 9 months, or both.

(b) Whoever knowingly violates sub. (1) as a 2nd or subsequent offense is guilty of a Class H felony.

(3) Subsection (1) does not apply to the following:

(a) A person who is on the school premises to vote if an election is being held that day and the person's polling place is on the school premises.

(b) A person who is on the school premises to attend an event or activity that is not sponsored by the school.

(c) A person whose child is enrolled at the school if the person notifies the school district administrator or his or her designee, if the premises are affiliated with a public school, or the governing body of the school, if the premises are affiliated with a private school or charter school, that he or she is a registered sex offender and that he or she has a child enrolled at the school. The notification must occur as follows:

1. Except as provided in subds. 2., 3., and 4., at the beginning of each academic school year.

2. If the child is not enrolled at the beginning of the academic school year, when the child is first enrolled.

3. If the person is not subject to the reporting requirements under s. 301.45 (1g) at the beginning of the academic school year or when the child is first enrolled, when the person first becomes subject to the reporting requirements under s. 301.45 (1g).

4. If subd. 1., 2., or 3. does not apply but the person is otherwise subject to the prohibition under sub. (1), when the person becomes subject to the prohibition under sub. (1).

(d) A student who is enrolled at the school if the department, county department, licensed child welfare agency, or other person supervising the student under a dispositional order under s. 938.34, whichever is appropriate, works with the school district administrator or his or her designee, if the premises are affiliated with a public school, or with the governing body of the school, if the premises are affiliated with a private school or charter school, to ensure the safety of the students attending the school with the student.

(3m) Unless sub. (3) (d) applies to a county department, licensed child welfare agency, or other person supervising a student under a dispositional order under s. 938.34, the department shall work with a school district administrator or his or her designee or a governing body of a school, whichever is appropriate, as provided in sub. (3) (d), to ensure that a student who is required to comply with the reporting requirements under s. 301.45 (1g) is not prohibited under sub. (1) from being on the premises of the school at which he or she is enrolled and to ensure the safety of the other students attending the school.

(4) The department shall make a reasonable attempt to notify each person required to comply with the reporting requirements under s. 301.45 (1g) of the prohibition under sub. (1), but neither the department's failure to make such an attempt nor the department's failure to notify a person of that prohibition is a defense to prosecution under this section.

(5) It is an affirmative defense to a prosecution under this section that the defendant was traveling directly to the office of the school district administrator or his or her designee, if the premises are affiliated with a public school, or to the governing body of the school, if the premises are affiliated with a private school or charter school, to comply with sub. (1). A defendant who raises this affirmative defense has the burden of proving the defense by a preponderance of the evidence.

(6) The school district administrator or his or her designee, if the premises are affiliated with a public school, or the governing body of the school, if the premises are affiliated with a private school or charter school, is immune from any civil or criminal li-

ability for any good faith act or omission in connection with any notice given under sub. (1).

History: 2013 a. 88.

301.48 Global positioning system tracking and residency requirement for certain sex offenders. (1) DEFINITIONS. In this section:

(a) “Exclusion zone” means a zone in which a person who is tracked using a global positioning system tracking device is prohibited from entering except for purposes of traveling through it to get to another destination.

(b) “Global positioning system tracking” means tracking using a system that actively monitors and identifies a person’s location and timely reports or records the person’s presence near or at a crime scene or in an exclusion zone or the person’s departure from an inclusion zone. “Global positioning system tracking” includes comparable technology.

(c) “Inclusion zone” means a zone in which a person who is tracked using a global positioning system tracking device is prohibited from leaving.

(cm) “Level 1 child sex offense” means a violation of s. 948.02 or 948.025 in which any of the following occurs:

1. The actor has sexual contact or sexual intercourse with an individual who is not a relative of the actor and who has not attained the age of 13 years and causes great bodily harm, as defined in s. 939.22 (14), to the individual.

2. The actor has sexual intercourse with an individual who is not a relative of the actor and who has not attained the age of 12 years.

1. A court places the person on supervised release under s. 980.08 (6m).

3. The department of health services places the person on parole or discharges the person under ch. 975. This subdivision does not apply unless the person’s commitment was based on his or her commission of a serious child sex offense.

(d) If, on or after January 1, 2008, a person is being placed on probation, extended supervision, parole, or lifetime supervision for committing a sex offense and par. (a) or (b) does not apply, the department may have the person tracked using a global positioning system tracking device, or passive positioning system tracking, as a condition of the person’s probation, extended supervision, parole, or lifetime supervision.

(2g) DEPARTMENT DETERMINATION. If a person who committed a serious child sex offense, or a person under supervision under the interstate corrections compact for a serious child sex offense, is not subject to lifetime tracking under sub. (2), the department shall assess the person’s risk using a standard risk assessment instrument to determine if global positioning system tracking is appropriate for the person.

(2m) PASSIVE POSITIONING SYSTEM TRACKING. If a person who is subject to lifetime tracking under sub. (2) (a) 1., 1m., 2.,

2m., 3., or 3m. completes his or her sentence, including any probation, parole, or extended supervision, the department may use passive positioning system tracking instead of maintaining lifetime tracking.

(3) FUNCTIONS AND OPERATION OF TRACKING PROGRAM. (a) Except as provided in sub. (2m), the department shall implement a continuous global positioning tracking system to electronically monitor the whereabouts of persons who are subject to this section. The system shall do all of the following:

1. Use field monitoring equipment that supports cellular communications with as large a coverage area as possible and shall automatically provide instantaneous information regarding the whereabouts of a person who is being monitored, including information regarding the person's presence in an exclusion zone established under par. (c) or absence from an inclusion zone established under par. (c).

2. Use land line communications equipment to transmit information regarding the location of persons who are subject to this section when they are in areas in which no commercial cellular service is available.

3. Immediately alert the department and the local law enforcement agency having jurisdiction over the exclusion or inclusion zone if the person stays in any exclusion zone for any longer period than the time needed to travel through the zone to get to another destination or if the person leaves any inclusion zone.

(b) The department shall contract with a vendor using a competitive process under s. 16.75 to provide staff in this state to install, remove, and maintain equipment related to global positioning system tracking and passive positioning system tracking for purposes of this section. The term of the contract may not exceed 7 years.

(c) For each person who is subject to global positioning system tracking under this section, the department shall create individualized exclusion and inclusion zones for the person, if necessary to protect public safety. In creating exclusion zones, the department shall focus on areas where children congregate, with perimeters of 100 to 250 feet, and on areas where the person has been prohibited from going as a condition of probation, extended supervision, parole, conditional release, supervised release, or lifetime supervision. In creating inclusion zones for a person on supervised release, the department shall consider s. 980.08 (9).

(d) If a person who is on supervised release or conditional release is being tracked, the department shall notify the department of health services, upon request, of any tracking information for the person under any of the following circumstances:

1. The department of corrections has been alerted under par. (a) 3. that the person being tracked has improperly stayed in an exclusion zone or improperly left an inclusion zone.
2. The person being tracked fails to make a payment to the department under sub. (4) (b).

(4) COSTS. (a) The department shall determine all of the following for each person tracked:

1. The cost of global positioning system tracking or passive positioning system tracking for the person.
2. How much of the cost under subd. 1. the person is able to pay based on the factors listed in par. (d).

(b) If required by the department, a person who is subject to global positioning system tracking or passive positioning system tracking shall pay for the cost of tracking up to the amount calculated for the person under par. (a) 2. The department shall collect moneys paid by the person under this paragraph and credit those moneys to the appropriation under s. 20.410 (1) (gk).

(c) The department of health services shall pay for the cost of tracking a person to whom sub. (2) (a) 4. or 5. or (b) applies while

the person is on conditional release or supervised release to the extent that the cost is not covered by payments made by the person under par. (b).

(d) In determining how much of the costs the person is able to pay, the department may consider the following:

1. The person's financial resources.
2. The present and future earning ability of the person.
3. The needs and earning ability of the person's dependents.
4. Any other costs that the person is required to pay in conjunction with his or her supervision by the department or the department of health services.
5. Any other factors that the department considers appropriate.

(6) OFFENDER'S PETITION TO TERMINATE LIFETIME TRACKING. (a) Subject to par. (b), a person who is subject to lifetime tracking may file a petition requesting that lifetime tracking be terminated. A person shall file a petition requesting termination of lifetime tracking with the circuit court for the county in which the person was convicted or found not guilty or not responsible by reason of mental disease or defect.

(b) 1. A person may not file a petition requesting termination of lifetime tracking if he or she has been convicted of a crime that was committed during the period of lifetime tracking.

2. A person may not file a petition requesting termination of lifetime tracking earlier than 20 years after the date on which the period of lifetime tracking began. If a person files a petition requesting termination of lifetime tracking at any time earlier than 20 years after the date on which the period of lifetime tracking began, the court shall deny the petition without a hearing.

3. A person described in sub. (2) (b) may not file a petition requesting termination of lifetime tracking.

(c) Upon receiving a petition requesting termination of lifetime tracking, the court shall send a copy of the petition to the district attorney responsible for prosecuting the serious sex offense that was the basis for the order of lifetime tracking. Upon receiving the copy of the petition, the district attorney shall conduct a criminal history record search to determine whether the person has been convicted of a criminal offense that was committed during the period of lifetime tracking. No later than 30 days after the date on which he or she receives the copy of the petition, the district attorney shall report the results of the criminal history record search to the court and may provide a written response to the petition.

(d) After reviewing a report submitted under par. (c) concerning the results of a criminal history record search, the court shall do whichever of the following is applicable:

1. If the report indicates that the person filing the petition has been convicted of a criminal offense that was committed during the period of lifetime tracking, the court shall deny the person's petition without a hearing.

2. If the report indicates that the person filing the petition has not been convicted of a criminal offense that was committed during the period of lifetime tracking, the court shall order the person to be examined under par. (e), shall notify the department that it may submit a report under par. (f) and shall schedule a hearing on the petition to be conducted as provided under par. (g).

(e) A person filing a petition requesting termination of lifetime tracking who is entitled to a hearing under par. (d) 2. shall be examined by a person who is either a physician or a psychologist licensed under ch. 455 and who is approved by the court. The physician or psychologist who conducts an examination under this paragraph shall prepare a report of his or her examination that includes his or her opinion of whether the person petitioning for termination of lifetime tracking is a danger to the public. The

physician or psychologist shall file the report of his or her examination with the court within 60 days after completing the examination, and the court shall provide copies of the report to the person filing the petition and the district attorney. The contents of the report shall be confidential until the physician or psychologist testifies at a hearing under par. (g). The person petitioning for termination of lifetime tracking shall pay the cost of an examination required under this paragraph.

(f) After it receives notification from the court under par. (d) 2., the department may prepare and submit to the court a report concerning a person who has filed a petition requesting termination of lifetime tracking. If the department prepares and submits a report under this paragraph, the report shall include information concerning the person's conduct while on lifetime tracking and an opinion as to whether lifetime tracking of the person is still necessary to protect the public. When a report prepared under this paragraph has been received by the court, the court shall, before the hearing under par. (g), disclose the contents of the report to the attorney for the person who filed the petition and to the district attorney. When the person who filed the petition is not represented by an attorney, the contents shall be disclosed to the person.

(g) A hearing on a petition requesting termination of lifetime tracking may not be conducted until the person filing the petition has been examined and a report of the examination has been filed as provided under par. (e). At the hearing, the court shall take evidence it considers relevant to determining whether lifetime tracking should be continued because the person who filed the petition is a danger to the public. The person who filed the petition and the district attorney may offer evidence relevant to the issue of the person's dangerousness and the continued need for lifetime tracking.

(h) The court may grant a petition requesting termination of lifetime tracking if it determines after a hearing under par. (g) that lifetime tracking is no longer necessary to protect the public.

(i) If a petition requesting termination of lifetime tracking is denied after a hearing under par. (g), the person may not file a subsequent petition requesting termination of lifetime tracking until at least 5 years have elapsed since the most recent petition was denied.

(7) DEPARTMENT'S PETITION TO TERMINATE LIFETIME TRACKING. (a) The department may file a petition requesting that a person's lifetime tracking be terminated if the person is permanently physically incapacitated. The petition shall include affidavits from 2 physicians that explain the nature of the person's permanent physical incapacitation.

(b) 1. The department shall file a petition under par. (a) with the circuit court for the county in which the person was convicted or found not guilty or not responsible by reason of mental disease or defect or, in the case of a person described in sub. (2) (b), the circuit court for the county in which the person was found to be a sexually violent person.

2. The department shall send a copy of a petition filed under subd. 1. to the district attorney responsible for prosecuting the serious sex offense that was the basis for the order of lifetime tracking or, in the case of a person described in sub. (2) (b), the agency that filed the petition under s. 980.02.

(c) Upon its own motion or upon the motion of the party to whom the petition was sent under par. (b) 2., the court may order that the person to whom the petition relates be examined by a physician who is approved by the court. The physician who conducts an examination under this paragraph shall prepare a report of his or her examination that includes his or her opinion of whether the person is permanently physically incapacitated. The physician shall file the report of his or her examination with the

court within 60 days after completing the examination, and the court shall provide copies of the report to the department and the party to whom the petition was sent under par. (b) 2. The contents of the report shall be confidential until the physician testifies at a hearing under par. (d). The department shall pay the cost of an examination required under this paragraph.

(d) The court shall conduct a hearing on a petition filed under par. (b) 1., but if the court has ordered a physical examination under par. (c), the hearing may not occur until after the examination is complete and a report of the examination has been filed as provided under par. (c). At the hearing, the court shall take evidence it considers relevant to determining whether the person to whom the petition relates is permanently physically incapacitated so that he or she is not a danger to the public. The department and the party to whom the petition was sent under par. (b) 2. may offer relevant evidence regarding that issue.

(e) The court may grant a petition filed under par. (b) 1. if it determines after a hearing under par. (d) that the person to whom the petition relates is permanently physically incapacitated so that he or she is not a danger to the public.

(7m) TERMINATION IF PERSON MOVES OUT OF STATE. If a person who is subject to being tracked under this section moves out of state, the department shall terminate the person's tracking. If the person returns to the state, the department shall reinstate the person's tracking except as provided under sub. (6) or (7).

Lifetime global positioning system (GPS) tracking is not a punishment such that due process requires a defendant be informed of it before entering a plea of guilty. Neither the intent nor effect of lifetime GPS tracking is punitive. Consequently, the defendant in this case was not entitled to withdraw his plea because the circuit court was not required to inform the defendant that his guilty plea would subject him to lifetime GPS tracking. *State v. Muldrow*, 2018 WI 52, 381 Wis. 2d 492, 912 N.W.2d 74, 16-0740.

A statute is an ex post facto law only if it imposes punishment. In *Muldrow*, 2018 WI 52, the court determined that neither the intent nor the effect of lifetime global positioning system (GPS) tracking is punitive. Thus, GPS tracking does not violate the ex post facto clause. *Kaufman v. Walker*, 2018 WI App 37, 382 Wis. 2d 774, 915 N.W.2d 193, 17-0085.

This section conditions global positioning system (GPS) tracking on a defendant's prior convictions, rather than current dangerousness. Therefore, due process does not entitle the defendant to more procedural protections. The defendant in this case was not entitled to a hearing to prove that he was not dangerous because his current state of dangerousness was immaterial to being subject to GPS monitoring. *Kaufman v. Walker*, 2018 WI App 37, 382 Wis. 2d 774, 915 N.W.2d 193, 17-0085.

Given how slight is the incremental loss of privacy from having to wear an ankle monitor, and how valuable to society the information collected by the monitor is, this section does not violate the 4th amendment. The terms of supervised release, probation, and parole often authorize searches by probation officers without the officers' having to obtain warrants. Such warrantless searches do not violate the 4th amendment as long as they are reasonable. The search conducted in this case via an ankle monitor is less intrusive than a conventional search. Such monitoring of sex offenders is permissible if it satisfies the reasonableness test applied in parolee and special-needs cases. Wisconsin's ankle monitoring of the defendant was reasonable. *Belleau v. Wall*, 811 F.3d 929 (2016). See also *Braam v. Carr*, 37 F.4th 1269 (2022).

This section was not an ex post facto law simply because it took effect after the plaintiff had committed the crimes for which the plaintiff had been convicted. A statute is an ex post facto law only if it imposes punishment. This monitoring law is not punishment; it is prevention. *Belleau v. Wall*, 811 F.3d 929 (2016).

(c).

The term of the contract may not exceed 7 years.

(c) For each person who is subject to global positioning system tracking under this section, the department shall create an individualized exclusion zone for the person, as necessary to protect the petitioner. In creating an exclusion zone, the department shall consider input from the petitioner and shall include any location that the person is ordered to avoid or enjoined from entering under the restraining order or injunction that the person violated or is alleged to have violated.

(4) TERMINATION IF PERSON MOVES OUT OF STATE. Notwithstanding sub. If the person returns to the state during the duration of the restraining order or injunction, the department shall immediately reinstate the person’s tracking.

(5) COSTS. (a) The department shall determine all of the following for each person tracked:

2. How much of the cost under subd. 1. the person is able to pay based on the factors listed in par. (c).

(b) If required by the department, a person who is subject to global positioning system tracking shall pay for the cost of track-

ing up to the amount calculated for the person under par. (a) 2. The department shall collect moneys paid by the person under this paragraph and credit those moneys to the appropriation account under s. 20.410 (1) (gL).

(c) In determining how much of the costs the person is able to pay, the department may consider the following:

1. The person’s financial resources.
2. The present and future earning ability of the person.
3. The needs and earning ability of the person’s dependents.
4. Any other factors that the department considers appropriate.

(6) NOTICE. The department shall provide all of the following to each petitioner:

(a) Notice when the person who is ordered by a court to submit to monitoring under s. 813.129 is released from incarceration.

(b) The exclusion zones that the person must avoid and the amount of time that the person is allowed to remain in an exclusion zone before the department and law enforcement receive an alert.

(c) An explanation of the failure rates associated with global positioning system tracking programs and an explanation of situations in which a person may not be detected by the tracking program.

301.50 Notification of intent to chaperone sex offenders.

(1) In this section, “substantial parental relationship” means the acceptance and exercise of significant responsibility for the daily supervision, education, protection, and care of the child. In evaluating whether an individual has had a substantial parental relationship with the child, factors that may be considered include, but are not limited to, whether the individual has expressed concern for or interest in the support, care, or well-being of the child; whether the individual has neglected or refused to provide care or support for the child; and whether, with respect to an individual who is or may be the father of the child, the individual has expressed concern for or interest in the support, care, or well-being of the mother during her pregnancy.

(2) The department shall design a form to be signed by any individual who intends to be a chaperone for sex offenders. The form must include a place for the individual’s signature as well as a statement that the individual has, unless par. (a), (b), or (c) applies, informed, in writing, or has made a good faith effort to inform, any individual with whom the individual who intends to be a chaperone has a child in common, whether through blood, marriage, or adoption, of his or her intent to chaperone a sex offender. The individual does not have to inform an individual with whom he or she has a child in common if any of the following applies:

(a) The child in common is over the age of 18.

(b) The individual who intends to be a chaperone is not the child’s parent or has not had a substantial parental relationship with the child.
