Every nonresident person and every person who changes domicile into or out of this state during the taxable year shall file a return if the person is unmarried and has gross income of \$2,000 or more, or if the person is married and the combined gross income of the person and his or her spouse is \$2,000 or more, except that a return is not required to be filed if all the income is exempt from income tax under s. 71.05 (1) (g).

5. For taxable years beginning on or after January 1, 1994, every natural person for whom the taxpayer is entitled to an exemption for the taxable year under section 151 (c) of the Internal Revenue Code shall file a return if that natural person has any amount of unearned income and that person has gross income of at least \$500 adjusted for inflation in the manner prescribed by sections 1 (f) (3) to (6) and 63 (c) (4) of the Internal Revenue Code. The department of revenue shall incorporate the changes in the income tax forms and instructions.

(b) *Deceased person.* The personal representative or other person charged with the property of a decedent shall file the return of the decedent required under this section.

(c) *Person to make return for individual unable to file.* The guardian, custodian or other person charged with the care of the person or property of an individual who is unable to make a return required under this section shall file a return for such individual.

(d) *Husband and wife joint filing.* 1. Except as provided in subds. 2. and 3. and par. (e), a husband and a wife may file a joint return for income tax purposes even though one of the spouses has no gross income or no deductions.

2. No joint return may be filed if either the husband or wife at any time during the taxable year is a nonresident alien, unless an election is in effect for the taxable year under section 6013 (g) or (h) of the internal revenue code.

3. No joint return may be filed if the husband and wife have different taxable years, except that if their taxable years begin on the same day and end on different days because of the death of either or both the joint return may be filed with respect to the taxable year of each unless the surviving spouse remarries before the close of his or her taxable year or unless the taxable year of either spouse is a fractional part of a year under section 443 (a) (1) of the internal revenue code.

(e) *Death of a spouse; joint returns.* For the taxable year in which the death of one spouse or both spouses occurs:

1. A joint return may be filed and shall be signed by both the decedent's personal representative and the surviving spouse, if any, if a personal representative is appointed before the last day prescribed by law, including extensions, for filing the return of the surviving spouse.

2. A joint return may be filed by the surviving spouse with respect to both that spouse and the decedent if no return for the taxable year has been filed by the decedent and no personal representative is appointed at the time the joint return is filed or before the last day prescribed by law, including extensions, for filing the return of the surviving spouse.

3. If a personal representative of the decedent is appointed after the filing of the joint return by the surviving spouse, the personal representative may disaffirm the joint return by filing, within one year after the last day prescribed by law for filing the return of the surviving spouse, a separate return for the taxable year of the decedent with respect to which the joint return was filed. If the joint return is disaffirmed, the return filed by the survivor is the survivor's separate return and the tax on the return shall be determined by excluding all items properly includable in the return of the decedent spouse.

(f) *Election by a spouse.* The election under par. (d) may be made by a spouse if the requirements of section 6013 (f) of the internal revenue code are met.

(g) *Joint return following separate return.* Except as provided in par. (i), if an individual has filed a separate return for a taxable year for which a joint return could have been filed by the individual and the individual's spouse under par. (d) or (e) and the time prescribed by law for timely filing the return for that taxable year has expired, the individual and the individual's spouse may file a

joint return for that taxable year. A joint return filed by the husband and wife under this paragraph is their return for that taxable year, and all payments, credits, refunds or other repayments made or allowed with respect to the separate return of each spouse for that taxable year shall be taken into account in determining the extent to which the tax based upon the joint return has been paid. If a joint return is filed under this paragraph, any election, other than the election to file a separate return, made by either spouse in that spouse's separate return for that taxable year with respect to the treatment of any income, deduction or credit of that spouse may not be changed in the filing of the joint return if that election would have been irrevocable if the joint return had not been filed.

(h) *Death of a spouse after separate return.* In the taxable year in which the death of one or both spouses occurs, a joint return may be filed by the decedent's personal representative and the surviving spouse, if any, under this paragraph if one or both spouses filed a separate return for a taxable year for which a joint return could have been filed. If any condition under par. (i) occurs before a personal representative is appointed, a joint return may not be filed under this paragraph.

(i) *Election precluded.* The election under par. (g) or (h) may not be made if any of the following conditions applies:

1. The amount shown as tax upon that joint return is not paid in full at or before the time the joint return is filed.

2. Four or more years from the last day prescribed by law for filing the return for that taxable year have elapsed, determined without regard to any extension of time granted to either spouse.

3. There has been sent to either spouse, with respect to that taxable year, a notice of adjustment under ss. 71.74 to 71.77 and the spouse, as to that notice, files a petition for redetermination under subch. XIV, except that, if both spouses request and the department consents, the election under par. (g) may be made.

4. Either spouse has commenced a suit in any court for the recovery of any part of the tax for that taxable year.

5. Either spouse has entered into a closing agreement with respect to that taxable year or if any civil or criminal case arising against either spouse with respect to that taxable year has been compromised.

(j) *Joint return assumed.* For purposes of subchs. XII and XIII, a joint return is deemed to have been filed under this section if any of the following conditions applies:

1. Both spouses filed separate returns before filing the joint return, on the day when the last separate return was filed, but not earlier than the last day prescribed by law for filing the return of either spouse.

2. Only one spouse filed a separate return before filing the joint return and the other spouse had less than \$3,420 of gross income for that taxable year, on the day of the filing of that separate return, but not earlier than the last day prescribed by law for the filing of that separate return.

3. Only one spouse filed a separate return before filing the joint return and the other spouse had \$3,420 or more of gross income for that taxable year, on the date the joint return was filed.

(k) *Filing date assumed.* For purposes of s. 71.75, a joint return filed under this section is deemed to be filed on the last day prescribed by law for filing the return for that taxable year, determined without regard to any extension of time granted to either spouse.

(L) *Limits extended.* If a joint return is filed under this section, the periods of limitations under ss. 71.74 to 71.77 and subch. XV on the making of assessments and the beginning of levy or of a proceeding in court for collection shall, with respect to the return, be extended to the extent necessary to include one year immediately after the date of the filing of the joint return, computed without regard to par. (j).

(m) *Separate return following joint return.* 1. Except as provided in subds. 3. and 5., for a taxable year for which a joint return has been filed, separate returns may be filed by the spouses on or before the last day prescribed by law for timely filing the return of either has elapsed.

2. If a husband and wife change from a joint return to separate returns within the time prescribed in subd. 1., the tax paid on the joint return shall be allocated between them in proportion to the tax liability shown on each separate return.

3. In the taxable year in which the death of one or both spouses occurs, a separate return may be filed under this paragraph within the time prescribed in subd. 1., or as provided for a personal representative under par. (e) if a joint return has been filed under par. (e) by the surviving spouse or by the decedent's personal representative and the surviving spouse. If a separate return is filed by the surviving spouse or by the decedent's personal representative under this paragraph, the joint return previously filed shall be the separate return of the surviving spouse or the decedent for whom the separate return was not filed, unless both the surviving spouse and the decedent's personal representative file a separate return under this paragraph. The tax on the separate return of the surviving spouse shall be determined by excluding all items properly includable in the separate return of the decedent, and the tax on the separate return of the decedent shall be determined by excluding all items properly includable in the return of the surviving spouse.

4. The time allowed the personal representative to disaffirm the joint return by the filing of a separate return does not establish a new due date for the return of the deceased spouse, and sub. (8) and ss. 71.91 and 71.92 apply to that return.

5. A separate return may not be filed unless the amount shown upon that separate return is paid in full on or before the date when the separate return is filed.

(3) **FRACTIONAL PART OF YEAR.** If a natural person or fiduciary files a federal income tax return for a fractional part of the year, the person shall file a Wisconsin income tax return for that fractional year. That person shall compute and report income on the basis of the period for which that return is filed, and that fractional year shall constitute a taxable year.

(4) **ELECTION TO HAVE DEPARTMENT COMPUTE TAX.** (a) Natural persons whose total income is not in excess of \$10,000 and consists entirely of wages subject to withholding for Wisconsin tax purposes and not more than \$200 total of dividends, interest and other wages not subject to Wisconsin withholding, and who have elected the Wisconsin standard deduction and have not claimed either the credit for homestead property tax relief or deductions for expenses incurred in earning such income, shall, at their election, not be required to record on their income tax returns the amount of the tax imposed on their Wisconsin taxable income. Married persons shall be permitted this election only if the joint income of the husband and wife does not exceed \$10,000, if both report their incomes on the same joint income tax return form, and if both make this election.

(b) The department shall compute the tax on income reported by persons making the election under par. (a). After applying all known applicable credits, the department shall notify the taxpayer of the amount of taxes due or the amount of taxes to be refunded.

(5) **COPY OF FEDERAL RETURN.** To the extent necessary for the administration of the tax imposed by this chapter, when required under rules prescribed or orders issued by the department or upon the written request of the department, natural persons and fiduciaries subject to this chapter shall file with the department a true and complete copy of their federal income tax return

and any other return or statement filed with, or made to, or any document received from, the internal revenue service.

Cross-reference: See also s. Tax 2.10, Wis. adm. code.

(6) **TIME RETURN REQUIRED.** (a) Reports required under this section shall be made to the department of revenue on or before the date required to file the corresponding federal income tax return, not including any extension, to the internal revenue service, in the manner and form prescribed by the department of revenue, whether notified to do so or not. Such persons shall be subject to the same penalties for failure to report as those who receive notice. If the taxpayer is unable to make his or her own return, the return shall be made by a duly authorized agent or by the guardian or other person charged with the care of the person or property of such taxpayer.

(b) Nothing in this section precludes the department of revenue from requiring any person other than a corporation to file an income tax return when in the judgment of the department a return should be filed.

(6m) **TIME TO FILE CLAIMS; NO RETURN REQUIRED.** A claim for a credit under [s. 71.07 (3m) or] subch. VIII or IX that is filed by a natural person who is not required to file a report under sub. (2) (a) shall be filed on a calendar year basis in conformity with the filing requirements in subs. (6) and (7).

NOTE: An obsolete cross-reference is shown in brackets. Section 71.07 (3m) was repealed by 2021 Wis. Act 127. Corrective legislation is pending.

(7) **EXTENSION OF TIME TO FILE.** Returns of natural persons and fiduciaries that require a statement of amounts or information contained or entered on a corresponding return under the internal revenue code shall be filed within the time fixed under that code for filing of the corresponding federal return. Any extension of time granted by law or by the internal revenue service for the filing of that corresponding federal return extends the time for filing under this chapter if a copy of the taxpayer's application to the internal revenue service requesting the extension is filed with the return under this chapter or if a copy of any request for an extension required by the internal revenue service is filed with the return under this chapter or at an earlier date that the department prescribes by rule and if the taxpayer pays the Wisconsin tax in the manner applicable to federal income taxes under the internal revenue code. Taxes payable upon the filing of the return do not become delinquent during the period of an extension but are subject to interest at the rate of 12 percent per year during such period except as follows:

(a) For taxable years beginning after December 31, 1989, and before January 1, 1991, for persons who served in support of Operation Desert Shield, Operation Desert Storm or an operation that is a successor to Operation Desert Shield or Operation Desert Storm in the United States, or for persons who served in Egypt, Israel, Diego Garcia or Germany, or for persons who qualify for a federal extension of time to file under 26 USC 7508, who served outside the United States because of their participation in Operation Desert Shield, Operation Desert Storm or an operation that is a successor to Operation Desert Shield or Operation Desert Storm in the Desert Shield or Desert Storm theater of operations.

(c) For taxable years beginning after December 31, 2000, and

(b) The final payment of taxes on incomes of persons other than corporations who file on a calendar year basis shall be made on or before the deadline for filing returns under sub. (6) (a), except for persons electing to have the department compute their tax under sub. (4).

(c) If the taxpayer elects under sub. (4) (a) to have the department compute the tax on his or her income and the taxpayer files his or her return on or before the date on which such return is required to be filed under sub. (6) (a), the amount of taxes due thereon, as stated in the notice from the department under sub. (4) (b), shall become delinquent if not paid on or before the due date stated in the notice to the taxpayer. Such amounts of taxes due shall not be subject to any interest, other than extension interest, prior to the date of delinquency. Taxes due on returns filed after the date on which returns are required to be filed shall be deemed delinquent as of the due date of the return.

(d) The department of revenue shall accept in advance income taxes and surtaxes from taxpayers desirous of making such payments before the same shall become due and payable. NOTE: 1991 Wis. Act 301, which affected this section, contains extensive legislative council notes.

71.04 Situs of income; allocation and apportionment.

(1) SITUS. (a) All income or loss of resident individuals and resident estates and trusts shall follow the residence of the individual, estate or trust. Income or loss of nonresident individuals and nonresident estates and trusts from business, not requiring apportionment under sub. (4), (10) or (11), shall follow the situs of the business from which derived, except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state. All items of income,

loss and deductions of nonresident individuals and nonresident estates and trusts derived from a tax-option corporation not requiring apportionment under sub. (9) shall follow the situs of the business of the corporation from which derived, except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state. Income or loss of nonresident individuals and nonresident estates and trusts derived from rentals and royalties from real estate or tangible personal property, or from the operation of any farm, mine or quarry, or from the sale of real property or tangible personal property shall follow the situs of the property from which derived. Income from personal services of nonresident individuals, including income from professions, shall follow the situs of the services. A nonresident limited partner's distributive share of partnership income shall follow the situs of the business, except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state. A nonresident limited liability company member's distributive share of limited liability company income shall follow the situs of the business, except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state. Income of nonresident individuals, estates and trusts from the state lottery under ch. 565 is taxable by this state. Income of nonresident individuals, estates and trusts from any multijurisdictional lottery under ch. 565 is taxable by this state, but only if the winning lottery ticket or lottery share was purchased from a retailer, as defined in s. 565.01 (6), located in this state or from the department. Income of nonresident individuals, nonresident trusts and nonresident estates from pari-mutuel winnings or purses under ch. 562 is taxable by this state. Income of nonresident individuals, estates and trusts from winnings from a casino or bingo hall that is located in this state and that is operated by a Native American tribe or band shall follow the situs of the casino or bingo hall. Income derived by a nonresident individual from a covenant not to compete is taxable by this state to the extent that the covenant was based on a Wisconsin-based activity. All other income or loss of nonresident individuals and nonresident estates and trusts, including income or loss derived from land contracts, mortgages, stocks, bonds and securities or from the sale of similar intangible personal property, shall follow the residence of such persons, except as provided in par. (b) and sub. (9), except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state.

(b) For purposes of determining the situs of income under this section:

1. The situs of income derived by any taxpayer as the beneficiary of the estate of a decedent or of a trust estate shall be determined as if such income had been received without the intervention of a fiduciary.

2. The situs of income received by a trustee, which income, under the internal revenue code, is taxable to the grantor of the trust or to any person other than the trust, shall be determined as if such income had been actually received directly by such grantor or such other person, without the intervention of the trust.

3. The residence of an estate or trust shall be as provided under s. 71.14.

(2) PART-YEAR RESIDENT LIABILITY DETERMINATION. Liability to taxation for income which follows the residence of the recipient, in the case of persons other than corporations, who move into or out of the state within the year, shall be determined for such year on the basis of the income received (or accrued, if

on the accrual basis) during the portion of the year that any such person was a resident of Wisconsin. The net income of such person assignable to the state for such year shall be used in determining the income subject to assessment under this chapter.

(3) PARTNERS AND LIMITED LIABILITY COMPANY MEMBERS.

(a) *Part-year residents, time of residence.* Partners or members who are residents of this state for less than a full taxable year shall compute taxes for that year on their share of partnership or limited liability company income or loss under this chapter on the part of the taxable year during which they are residents in the following manner:

1. Assign an equal portion of each item of income, loss or deduction to each day of the partnership's or limited liability company's taxable year.

2. Multiply each daily portion of those items of income, loss or deduction by a fraction that represents the partner's or member's portion, on that day, of the total partnership or limited liability company interest.

3. Net the items of income, loss or deduction, after the calculation under subd. 2., for all of the days during which the partner or member was a resident of this state.

(b) *Part-year residents, nonresidents.* All partners or members who are residents of this state for less than a full taxable year or who are nonresidents shall compute taxes for that year on their share of partnership or limited liability company income or loss under this chapter for the part of the taxable year during which they are nonresidents by recognizing their proportionate share of all items of income, loss or deduction attributable to a business in, services performed in, or rental of property in, this state.

(c) *Disregarding agreements.* In computing taxes under this chapter a partner or member shall disregard, for purposes of determining the situs of partnership income of partners, all provisions in partnership or limited liability company agreements that do any of the following:

1. Characterize the consideration for payments to the partner or member as services or the use of capital.

2. Allocate to the partner or member, as income from or gain from sources outside this state, a greater proportion of the partner's or member's distributive share of partnership or limited liability company income or gain than the ratio of partnership or company income or gain from sources outside this state to partnership or company income or gain from all sources.

3. Allocate to a partner or member a greater proportion of a partnership or limited liability company item of loss or deduction from sources in this state than the partner's or member's proportionate share of total partnership or company loss or deduction.

4. Determine a partner's or member's distributive share of an item of partnership or limited liability company income, gain, loss or deduction for federal income tax purposes if the principal purpose of that determination is to avoid or evade the tax under this chapter.

(4) NONRESIDENT ALLOCATION AND APPORTIONMENT FORMULA. Nonresident individuals and nonresident estates and trusts engaged in business within and without the state shall be taxed only on such income as is derived from business transacted and property located within the state. The amount of such income attributable to Wisconsin may be determined by an allocation and separate accounting thereof, when the business of such nonresident individual or nonresident estate or trust within the state is not an integral part of a unitary business, but the department of revenue may permit an allocation and separate accounting in any case in which it is satisfied that the use of such method will properly reflect the income taxable by this state. In all cases in which allocation and separate accounting is not permissible, the determination shall be made in the following manner: for all

businesses except air carriers, financial organizations, telecommunications companies, pipeline companies, public utilities, railroads, and car line companies there shall first be deducted from the total net income of the taxpayer the part thereof (less related expenses, if any) that follows the situs of the property or the residence of the recipient. The remaining net income shall be apportioned to this state by use of the following:

(a) For taxable years beginning before January 1, 2006, an apportionment fraction composed of a sales factor under sub. (7) representing 50 percent of the fraction, a property factor under sub. (5) representing 25 percent of the fraction, and a payroll factor under sub. (6) representing 25 percent of the fraction.

(b) For taxable years beginning after December 31, 2005, and before January 1, 2007, an apportionment fraction composed of a sales factor under sub. (7) representing 60 percent of the fraction, a property factor under sub. (5) representing 20 percent of the fraction, and a payroll factor under sub. (6) representing 20 percent of the fraction.

(c) For taxable years beginning after December 31, 2006, and before January 1, 2008, an apportionment fraction composed of a sales factor under sub. (7) representing 80 percent of the fraction, a property factor under sub. (5) representing 10 percent of the fraction, and a payroll factor under sub. (6) representing 10 percent of the fraction.

(d) For taxable years beginning after December 31, 2007, an apportionment fraction composed of the sales factor under sub. (7).

(e) For taxable years beginning after December 31, 2005, and before January 1, 2008, the apportionment fraction for the remaining net income of a financial organization shall include a sales factor that represents more than 50 percent of the apportionment fraction, as determined by rule by the department. For taxable years beginning after December 31, 2007, the apportionment fraction for the remaining net income of a financial organization is composed of a sales factor, as determined by rule by the department.

Cross-reference: See also s. Tax 2.41, Wis. adm. code.

(4m) APPORTIONMENT FORMULA COMPUTATION. (a) 1. For taxable years beginning before January 1, 2008, if both the numerator and the denominator of the sales factor under sub. (7) related to a taxpayer's remaining net income are zero, the sales factor under sub. (7) is eliminated from the apportionment formula to determine the taxpayer's remaining net income under sub. (4).

2. For taxable years beginning after December 31, 2007, if both the numerator and the denominator of the sales factor under sub. (7) related to a taxpayer's remaining net income are zero, none of the taxpayer's remaining net income is apportioned to this state.

(b) 1. For taxable years beginning before January 1, 2008, if the numerator of the sales factor under sub. (7) related to a taxpayer's remaining net income is a negative number and the denominator of the sales factor under sub. (7) related to a taxpayer's remaining net income is a positive number, a negative number, or zero, the sales factor under sub. (7) is zero.

2. For taxable years beginning after December 31, 2007, if the numerator of the sales factor under sub. (7) related to a taxpayer's remaining net income is a negative number and the denominator of the sales factor under sub. (7) related to a taxpayer's remaining net income is a positive number, a negative number, or zero, none of the taxpayer's remaining net income is apportioned to this state.

(c) 1. For taxable years beginning before January 1, 2008, if the numerator of the sales factor under sub. (7) related to a taxpayer's remaining net income is a positive number and the denominator of the sales factor under sub. (7) related to a taxpayer's

remaining net income is zero or a negative number, the sales factor under sub. (7) is one.

2. For taxable years beginning after December 31, 2007, if the numerator of the sales factor under sub. (7) related to a taxpayer's remaining net income is a positive number and the denominator of the sales factor under sub. (7) related to a taxpayer's remaining net income is zero or a negative number, all of the taxpayer's remaining net income is apportioned to this state.

(5) PROPERTY FACTOR. For purposes of sub. (4) and for taxable years beginning before January 1, 2008:

(a) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period. Cash on hand or in the bank, shares of stock, notes, bonds, accounts receivable, or other evidence of indebtedness, special privileges, franchises, goodwill, or property the income of which is not taxable or is separately allocated, shall not be considered tangible property nor included in the apportionment.

(b) Property used in the production of nonapportionable income or losses shall be excluded from the numerator and denominator of the property factor. Property used in the production of both apportionable and nonapportionable income or losses shall be partially excluded from the numerator and denominator of the property factor so as to exclude, as near as possible, the portion of such property producing the nonapportionable income or loss.

(c) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at 8 times the net annual rental. Net annual rental is the annual rental paid by the taxpayer less any annual rental received by the taxpayer from sub-rentals.

(d) The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the secretary of revenue may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(6) PAYROLL FACTOR. For purposes of sub. (4) and for taxable years beginning before January 1, 2008:

(a) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the tax period.

(b) Compensation is paid in this state if:

1. The individual's service is performed entirely within this state;

2. The individual's service is performed within and without this state, but the service performed without this state is incidental to the individual's service within this state;

3. A portion of the service is performed within this state and the base of operations of the individual is in this state;

4. A portion of the service is performed within this state and, if there is no base of operations, the place from which the individual's service is directed or controlled is in this state;

5. A portion of the service is performed within this state and neither the base of operations of the individual nor the place from which the service is directed or controlled is in any state in which some part of the service is performed, but the individual's residence is in this state; or

6. The individual is neither a resident of nor performs services in this state but is directed or controlled from an office in this state and returns to this state periodically for business pur-

poses and the state in which the individual resides does not have jurisdiction to impose income or franchise taxes on the employer.

3. The subtract modification under subd. 1. may not be claimed by a part-year resident or a nonresident of this state.

(11) WASTE TREATMENT PLANT; POLLUTION ABATEMENT EQUIPMENT. (a) The federal adjusted basis at the end of the calendar year 1968 or corresponding fiscal year of waste treatment plant or pollution abatement equipment acquired pursuant to order or recommendation of the committee on water pollution, state board of health, city council, village board or county board pursuant to s. 59.07 (53) or (85), 1971 stats., may be treated as a subtraction modification on the return of the calendar year 1969 or corresponding fiscal year but not in later years. In case of such subtraction an add modification shall be made in 1969 and later taxable years to reverse federal depreciation or amortization of such basis or to correct gain or loss on disposition. The cost of such plant or equipment acquired in 1969 or thereafter pursuant to order, recommendation or approval of the committee on water pollution, department of resource development, department of natural resources, state board of health, city council, village board, or county board pursuant to s. 59.07 (53) or (85), 1971 stats., (less any federal depreciation or amortization taken) may be deducted as a subtraction modification or as subtraction modifications in the year or years in which paid or accrued, dependent on the method of accounting employed. In case of such election, appropriate add modifications shall be made in subsequent years to reverse federal depreciation or amortization or to correct gain or loss on disposition. This paragraph is intended to apply only to depreciable property except that where wastes are disposed of through a lagoon process, lagooning costs and the cost of land containing such lagoons may be treated as depreciable property for purposes of this paragraph. In no event may any amount in excess of cost be deducted. The taxpayer shall file with the department copies of all recommendations, orders or approvals relating to installation of such property and such other documents or data relating thereto as the department requests.

(b) The cost of the following described property, less any federal depreciation or amortization taken, may be deducted as a subtraction modification or as subtraction modifications in the year or years in which paid or accrued, dependent on the method of accounting employed: All property purchased or constructed as a waste treatment facility utilized for the treatment of industrial wastes, as defined in s. 281.01 (5), or air contaminants, as defined in s. 285.01 (1), but not for other wastes, as defined in s. 281.01 (7), for the purpose of abating or eliminating pollution of surface waters, the air, or waters of the state and, if the property's owner is taxed under ch. 76, if the property is approved by the department of revenue. In case of such election, appropriate add modifications shall be made in subsequent years to reverse federal depreciation or amortization or to correct gain or loss on disposition. This paragraph is intended to apply only to depreciable property except that where wastes are disposed of through a lagoon process, lagooning costs and the cost of land containing such lagoons may be treated as depreciable property for purposes of this paragraph. In no event may any amount in excess of cost be deducted. Paragraph (a) applies to all property purchased prior to July 31, 1975, or purchased and constructed in fulfillment of a written construction contract or formal written bid, which contract was entered into or which bid was made prior to July 31, 1975.

(12) BASIS. (a) Except as provided in pars. (b) and (c), the Wisconsin basis of an asset owned by an individual, estate or trust and acquired before the individual became a resident of this state or before the estate or trust became subject to taxation under this chapter is the federal adjusted basis.

(b) Whenever an individual acquires a new residence, as defined in section 1034 (a) of the internal revenue code, in this state, the adjusted basis of the new residence is not required to be reduced as required under sections 1016 (a) (7) and 1034 (e) of the internal revenue code upon the sale or exchange of an old residence located outside this state if:

1. The sale or exchange of the old residence occurred in taxable year 1975 or thereafter and the individual was not a resident of this state at the time of sale or exchange of the old residence; or

2. The sale or exchange of the old residence occurred before taxable year 1975, regardless of whether the individual was a resident of this state at the time of sale or exchange of the old residence.

(c) Whenever a resident of this state sells or exchanges a principal residence located outside this state and the nonrecognition of gain provision of section 1034 (a) of the internal revenue code does not apply to that sale or exchange, the adjusted basis of the residence sold or exchanged is not required to be reduced as required by sections 1016 (a) (7) and 1034 (e) of the internal revenue code for any nonrecognized gain on the sale or exchange of any old principal residence located outside this state if:

1. The sale or exchange of the old residence occurred in taxable year 1975 or thereafter and the individual was not a resident of this state at the time of sale or exchange of the old residence; or

2. The sale or exchange of the old residence occurred before taxable year 1975, regardless of whether the individual was a resident of this state at the time of sale or exchange of the old residence.

(d) Property exchanged under s. 766.31 (3) (b) shall be treated as if acquired by gift for the determination of basis.

(13) TRANSITIONAL ADJUSTMENTS. It is the purpose of this subsection to prevent the double inclusion or omission of any item of income, deduction or basis by reason of change to reporting on the basis of federal taxable income or federal adjusted gross income.

(a) In this subsection:

1. “Adjusted basis” of a liability or reserve account created by accruals or other charges deducted from income for federal or Wisconsin income tax purposes is the current balance of such account on the transitional date.

2. “Changing basis assets” means inventories and assets or accounts, including liability and reserve accounts created by accruals or other charges deducted from income, other than annuity contracts or constant basis assets. “Changing basis assets” include property subject to depreciation, depletion or amortization of cost, premium or discount; capitalized intangible expenses such as trademark expense, research and development expense and loan expense if the same are being amortized for federal income tax purposes; and accruals, reserves and deferrals of either income or expense.

3. “Constant basis assets” means assets, other than inventories, the federal adjusted basis of which does not affect and is not affected by the computation of the taxpayer’s federal taxable income except when such asset is sold, exchanged, abandoned or otherwise disposed of.

4. “Federal adjusted basis” means the adjusted basis of the asset or account for the purpose of determining gain on the sale or other disposition thereof computed as of the transitional date for federal income tax purposes.

5. “Owner” means successively the owner of changing basis assets or constant basis assets as of the transitional date and any subsequent owner whose basis for such assets is found by reference to the basis therefor of another person.

6. “Transitional date” means the first day of the taxpayer’s 1965 taxable year.

7. “Wisconsin adjusted basis” means the adjusted basis of the asset or account which would have been applicable in determining gain on the sale or other disposition thereof on the day preceding the transitional date.

(b) With respect to a constant basis asset any excess of federal adjusted basis over Wisconsin adjusted basis shall be added to income, and any excess of Wisconsin adjusted basis over federal adjusted basis shall be subtracted from income in the year in which such asset is sold, exchanged, abandoned or otherwise disposed of by the owner in a transaction in which gain or loss is recognized to the owner.

(14) TRANSITIONAL ADJUSTMENT; LOSS CARRY-FORWARDS. The amount of any long-term capital loss carry-forward from any taxable year prior to the 1982 taxable year which is not allowed as a deduction under section 1211 (b) of the internal revenue code may be deducted, subject to the annual limitations provided in section 1211 (b) of the internal revenue code. A deduction is authorized under this subsection only when the amount of capital loss or capital loss carry-forward deducted in determining federal adjusted gross income for the taxable year is less than the limitations provided in section 1211 (b) of the internal revenue code. For taxable years 1982 to 1985 for married persons, the annual limitation referred to in this subsection shall be determined under the separate return provisions of section 1211 (b) (2) of the internal revenue code. For taxable year 1986 and thereafter for married persons, the annual limitation shall be determined under section 1211 (b) of the internal revenue code.

(15) TRANSITION. In regard to property that, under s. 71.02 (2) (d) 12., 1985 stats., is required to be depreciated for taxable year 1986 under the internal revenue code as amended to December 31, 1980, and that was placed in service by the taxpayer during taxable year 1986 and thereafter but before the property is used in the production of income subject to taxation under this chapter, the property’s adjusted basis and the depreciation or other deduction schedule are not required to be changed from the amount allowable on the owner’s federal income tax returns for any year because the property is used in the production of income subject to taxation under this chapter.

(16) DEPRECIATION CONTINUATION. For taxable years beginning before January 1, 2014, property that, under s. 71.02 (2) (d) 12., 1985 stats., is required to be depreciated for taxable year 1986 under the internal revenue code as amended to December 31, 1980, shall continue to be depreciated under the internal revenue code as amended to December 31, 1980.

(17) DIFFERENCE IN BASIS. For taxable years beginning before January 1, 2014, with respect to depreciable property that, under s. 71.02 (2) (d) 12., 1985 stats., is required to be depreciated for taxable year 1986 under the internal revenue code as amended to December 31, 1980, and that was disposed of in taxable year 1986 and thereafter, any difference between the adjusted basis for federal income tax purposes and the adjusted basis under this chapter shall be taken into account in determining net income or loss in the year or years that the gain or loss is reportable under this chapter.

(18) CARRY-OVER BASIS PRECLUDED. For taxable years beginning before January 1, 2014, with respect to property that, under s. 71.02 (2) (d) 12., 1985 stats., is required to be depreciated for taxable year 1986 under the internal revenue code as amended to December 31, 1980, and that was acquired in a transaction oc-

curing in taxable year 1986 and thereafter in which the adjusted basis of the property in the hands of the transferee is the same as the adjusted basis of the property in the hands of the transferor, the Wisconsin adjusted basis of that property on the date of transfer is the adjusted basis allowable under the depreciation provisions of the internal revenue code as defined for Wisconsin purposes for the property in the hands of the transferor.

(19) MODIFICATION OF FEDERAL ADJUSTED GROSS INCOME. Whenever a person other than a corporation acquires, after the transitional date, as defined in sub. (13) (a) 6., a constant basis asset, the federal basis of which is different from the Wisconsin basis, an appropriate modification of federal adjusted gross income shall be made in the year of sale, exchange, abandonment or other disposition of such asset properly to reflect the income consequences of such difference. Whenever such a person acquires, after said transitional date, a changing basis asset the federal basis of which is different from the Wisconsin basis, appropriate modifications of federal adjusted gross income shall be made each year properly to reflect the income consequences of such difference; in any such case the secretary of revenue or his or her delegate may agree with the taxpayer for an amortization of such difference in basis over a period of 5 years or less.

(20) PARTNERSHIP INTERESTS. Whenever a person other than a corporation sells, exchanges or otherwise disposes of an ownership interest in a partnership in a transaction in which gain or loss is recognized, an appropriate modification to federal adjusted gross income may be made in the year of disposition to reflect an increase or decrease in the basis of the partnership interest equal to any reductions or additions in such basis occurring in calendar or fiscal years prior to 1975 as a result of losses or gains relating to business or property which had a situs outside of this state under the provisions of s. 71.07, 1985 stats., in effect for years prior to 1975.

(21) CAPITAL GAIN AND LOSS TREATMENT FOR ADJUSTMENTS FOR DIFFERENCE IN WISCONSIN AND FEDERAL BASIS OF CAPITAL ASSETS. Notwithstanding the provisions of subs. (7), (10) (b) and (e), (13), (19) and (20), the amount of any adjustment relating to the basis of a capital asset shall be combined with other long-term or short-term capital gains and losses reportable for the taxable year or carry-over year, as appropriate. The provisions of sections 1202, 1211 and 1212 of the internal revenue code, to the extent recognized or allowed by this chapter (including any addition required by s. 71.05 (1) (a) 2., 1983 stats., for the taxable year 1983), apply to the resulting net gain or loss determined. Add or subtract, as appropriate, from federal adjusted gross income of the taxable year or a carry-over year an amount to reflect the income consequences of making the amount of a basis adjustment required under this subsection subject to capital gain and loss treatment.

(22) STANDARD DEDUCTION. (a) *Election of deductions; husband and wife deductions.* Natural persons who have not elected the federal standard deduction, or tax tables based on adjusted gross income, in filing their federal income tax return, may elect the Wisconsin standard deduction in reporting Wisconsin's taxable income of the same year.

(b) *Deduction precluded.* The standard deduction shall not be allowed in computing the taxable income of:

1. A nonresident alien individual.
2. A U.S. citizen entitled to the benefits of section 931 of the internal revenue code for federal income tax purposes, applicable with respect to taxation of individuals on 1973 income, and income of subsequent years.

(ds) *Standard deduction indexing.* For taxable years beginning after December 31, 1998, and before January 1, 2000, the dollar amounts of the standard deduction that is allowable under par. (dm) and all of the dollar amounts of Wisconsin adjusted gross income under par. (dm) shall be increased each year by a percentage equal to the percentage change between the U.S. consumer price index for all urban consumers, U.S. city average, for the month of August of the previous year and the U.S. consumer price index for all urban consumers, U.S. city average, for the month of August of the year before the previous year, as determined by the federal department of labor. (dp) 2.

shall be 2015. Each amount that is revised under this paragraph shall be rounded to the nearest multiple of \$10 if the revised amount is not a multiple of \$10 or, if the revised amount is a multiple of \$5, such an amount shall be increased to the next higher multiple of \$10. The department of revenue shall annually adjust the changes in dollar amounts required under this paragraph and incorporate the changes into the income tax forms and instructions.

(e) *Proration for fiscal year filer.* For a fiscal year taxpayer, any increase in the standard deduction over the standard deduction permissible in the previous calendar year must be prorated by taking into account the number of days of the taxpayer's fiscal year falling in each calendar year.

(f) *Limitation for dependent who files return.* 1m. For taxable years beginning after December 31, 1997, in the case of a taxpayer with respect to whom an exemption under subd. (23) (b) 2. is allowable to another person, the Wisconsin standard deduction shall be the lesser of the amount under subd. 2m. or one of the amounts calculated under subd. 3m., whichever amount under subd. 3m. is greater.

NOTE: The cross-reference to subd. 2m. was changed from subd. 4. b. and the cross-references to subd. 3m. were changed from subd. 4. c. by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of s. 71.05 (22) (f) 4.

2m. The standard deduction that may be claimed by an individual under par. (dm) or (dp), based on the individual's filing status.

3m. \$500, as adjusted for inflation in the manner prescribed by sections 1 (f) (3) to (6) and 63 (c) (4) of the Internal Revenue Code or the taxpayer's earned income, as defined in section 911 (d) (2) of the Internal Revenue Code, plus \$250, as adjusted for inflation in the manner prescribed by sections 1 (f) (3) to (6) and 63 (c) (4) of the Internal Revenue Code.

4m. The department shall incorporate the changes in this paragraph in the income tax forms and instructions.

NOTE: The cross-reference to "this paragraph" was changed from "this subdivision" by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of s. 71.05 (22) (f) 4.

NOTE: Par. (f) is shown as renumbered from subd. 4. by the legislative reference bureau under s. 13.92 (1) (bm) 2.

(g) *Nonresidents.* With respect to nonresident natural persons deriving income from property located, business transacted or personal or professional services performed in this state, including natural persons changing their domicile into or from this state, the Wisconsin standard deduction and itemized deductions are based on federal adjusted gross income, and as provided in par. (f), and are limited by such fraction of that amount as Wisconsin adjusted gross income is of federal adjusted gross income. In this paragraph, for married persons filing separately "adjusted gross income" means the separate adjusted gross income of each spouse, and for married persons filing jointly "adjusted gross income" means the total adjusted gross income of both spouses.

NOTE: The cross-reference to par. (f) was changed from par. (f) 4. by the legislative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of s. 71.05 (22) (f) 4.

(h) *Part-year residents.* If a person and that person's spouse are not both domiciled in this state during the entire taxable year, the Wisconsin standard deduction or itemized deduction on a joint return is determined by multiplying the Wisconsin standard deduction or itemized deduction, each calculated on the basis of federal adjusted gross income, and as provided in par. (f), by a fraction the numerator of which is their joint Wisconsin adjusted gross income and the denominator of which is their joint federal adjusted gross income. For a married person who is not domiciled in this state for the entire taxable year and who files a separate return, the Wisconsin standard deduction and itemized deduction are determined under par. (g).

NOTE: The cross-reference to par. (f) was changed from par. (f) 4. by the leg-

islative reference bureau under s. 13.92 (1) (bm) 2. to reflect the renumbering under s. 13.92 (1) (bm) 2. of s. 71.05 (22) (f) 4.

Shareholder distributions derived from investments in direct obligations of the federal government are exempt under sub. (6) (b) 1. Capital Preservation Fund, Inc. v. DOR, 145 Wis. 2d 841, 429 N.W.2d 551 (Ct. App. 1988).

The fact that federal employees whose service is interrupted can repurchase prior years of employment for benefit determination purposes does not erase their absence from employment on December 31, 1963, so that they may be considered to have been employed on that date under sub. (1) (a). Hafner v. DOR, 2000 WI App 216, 239 Wis. 2d 218, 619 N.W.2d 300, 00-0511.

Sub. (6) (a) 1. requires adding to Wisconsin income all types of interest excluded from federal interest. All distributions characterized as interest under federal tax law must be included as interest income. Borge v. Wisconsin Tax Appeals Commission, 2002 WI App 14, 250 Wis. 2d 624, 639 N.W.2d 757, 01-0488.

When an agreement is silent on the allocation of a payment between a covenant not to compete and other claims or compensation, the commission may make a reasonable allocation if it is: 1) based on credible evidence; 2) the parties intended a portion of the payment as compensation for the covenant not to compete; and 3) the payment is economically reasonable. Schwartz v. DOR, 2002 WI App 255, 258 Wis. 2d 112, 653 N.W.2d 150, 02-0372.

Under sub. (1) (a), if one was a member of one of the listed funds on December 31, 1963, retirement benefits paid on that person's behalf may not be exempt. Withdrawal of contributions terminated membership and the purchase of previously forfeited years of service did not reinstate the account as of December 31, 1963. Kamps v. DOR, 2003 WI App 106, 264 Wis. 2d 794, 663 N.W.2d 306, 02-2355.

Sub. (b) 5. requires that there be a recovery of a federal itemized deduction, for which no tax benefit was received for Wisconsin purposes. The tax benefit rule means that if an amount deducted from gross income in one taxable year is recoverable in a later year, the recovery is income in the later year. Dettwiler v. DOR, 2007 WI App 125, 301 Wis. 2d 512, 731 N.W.2d 663, 06-1660.

(1p) (d), (1q) (c), and (2) (g) 4., (h) 4., (i) 3., and (j) 3., and the dollar amount in the top bracket under subs. (1p) (e), (1q) (d), and (2) (g) 5., (h) 5., (i) 4., and (j) 4., shall be increased each year by a percentage equal to the percentage change between the U.S. consumer price index for all urban consumers, U.S. city average, for the month of August of the previous year and the U.S. consumer price index for all urban consumers, U.S. city average, for the month of August 2008, as determined by the federal department of labor, except that for taxable years beginning after December 31, 2011, the adjustment may occur only if the resulting amount is greater than the corresponding amount that was calculated for the previous year.

(c) Each amount that is revised under this subsection shall be rounded to the nearest multiple of \$10 if the revised amount is not a multiple of \$10 or, if the revised amount is a multiple of \$5, such an amount shall be increased to the next higher multiple of \$10. The department of revenue shall annually adjust the changes in dollar amounts required under this subsection and incorporate the changes into the income tax forms and instructions.

(2m) RATE CHANGES. If a rate under sub. (1), (1m), (1n), (1p), (1q), or (2) changes during a taxable year, the taxpayer shall compute the tax for that taxable year by the methods applicable to the federal income tax under section 15 of the Internal Revenue Code.

In this paragraph, for married persons filing separately “adjusted gross income” means the separate adjusted gross income of each spouse, and for married persons filing jointly “adjusted gross income” means the total adjusted gross income of both spouses. If an individual and that individual’s spouse are not both domiciled in this state during the entire taxable year, the tax brackets under subs. (1) and (2) on a joint return shall be multiplied by a fraction, the numerator of which is their joint Wisconsin adjusted gross income and the denominator of which is their joint federal adjusted gross income.

(b) For taxable years beginning after December 31, 1997, and before January 1, 2000, with respect to nonresident individuals, including individuals changing their domicile into or from this state, the tax brackets under subs. (1m) and (2) (c) and (d) on a joint return shall be multiplied by a fraction, the numerator of which is their joint Wisconsin adjusted gross income and the denominator of which is their joint federal adjusted gross income.

(c) For taxable years beginning after December 31, 1999, and before January 1, 2001, with respect to nonresident individuals, including individuals changing their domicile into or from this

state, the tax brackets under subs. (1n) and (2) (e) and (f) shall be multiplied by a fraction, the numerator of which is Wisconsin adjusted gross income and the denominator of which is federal adjusted gross income. In this paragraph, for married persons filing separately “adjusted gross income” means the separate adjusted gross income of each spouse, and for married persons filing jointly “adjusted gross income” means the total adjusted gross income of both spouses. If an individual and that individual’s spouse are not both domiciled in this state during the entire taxable year, the tax brackets under subs. (1n) and (2) (e) and (f) on a joint return shall be multiplied by a fraction, the numerator of which is their joint Wisconsin adjusted gross income and the denominator of which is their joint federal adjusted gross income.

(d) For taxable years beginning after December 31, 2000, with respect to nonresident individuals, including individuals changing their domicile into or from this state, the tax brackets under subs. (1p), (1q), and (2) (g), (h), (i), and (j) shall be multiplied by a fraction, the numerator of which is Wisconsin adjusted gross income and the denominator of which is federal adjusted gross income. In this paragraph, for married persons filing separately “adjusted gross income” means the separate adjusted gross income of each spouse, and for married persons filing jointly “adjusted gross income” means the total adjusted gross income of both spouses. If an individual and that individual’s spouse are not both domiciled in this state during the entire taxable year, the tax brackets under subs. (1p), (1q), and (2) (g), (h), (i), and (j) on a joint return shall be multiplied by a fraction, the numerator of which is their joint Wisconsin adjusted gross income and the denominator of which is their joint federal adjusted gross income.

Such table shall be published in the department’s appropriate instructional booklets. The form and the tax computations of the table shall be substantially as follows:

(a) The title thereof shall be “Tax Table”.

(b) The first 2 columns shall contain the minimum and the maximum amounts, respectively, of taxable income in brackets of not more than \$100. Computation of tax on taxable income in excess of the amount shown on the table may be set forth at the foot of such table.

(c) The 3rd column shall show the amount of the tax payable for each bracket before the allowance of any credit. The tax shall be computed at the rates in effect, which rates shall be applied to the amount of income at the middle of each bracket. The amount of tax for each bracket shall be computed to the nearest dollar.

(5) (a). If the allowable amount of the claim exceeds the claimant’s taxes due under this chapter the amount of the claim not used to offset those taxes shall be certified to the department of administration for payment to the claimant by check, share draft or other draft drawn on the general fund.

1. “Certified” means entitled under s. 238.395 (3) (a) 4. or s. 560.795 (3) (a) 4., 2009 stats., to claim tax benefits or certified

under s. 238.395 (5) or 238.398 (5) or s. 560.795 (5), 2009 stats., or s. 560.798 (3), 2009 stats.

4. “Previously owned property” means real property that the claimant or a related person owned during the 2 years prior to the department of commerce or the Wisconsin Economic Development Corporation designating the place where the property is located as a development zone and for which the claimant may not deduct a loss from the sale of the property to, or an exchange of the property with, the related person under section 267 of the Internal Revenue Code, except that section 267 (b) of the Internal Revenue Code is modified so that if the claimant owns any part of the property, rather than 50 percent ownership, the claimant is subject to section 267 (a) (1) of the Internal Revenue Code for purposes of this subsection.

(b) Subject to the limitations provided in this subsection and in s. 73.03 (35), for any taxable year for which the claimant is certified, a claimant may claim as a credit against the taxes imposed under s. 71.02 an amount that is equal to 3 percent of the following:

1. The purchase price of depreciable, tangible personal property.

2. The amount expended to acquire, construct, rehabilitate, remodel, or repair real property in a development zone.

(c) A claimant may claim the credit under par. (b) 1., if the tangible personal property is purchased after the claimant is certified and the personal property is used for at least 50 percent of its use in the claimant’s business at a location in a development zone or, if the property is mobile, the property’s base of operations for at least 50 percent of its use is at a location in a development zone.

(d) A claimant may claim the credit under par. (b) 2. for an amount expended to construct, rehabilitate, remodel, or repair real property, if the claimant began the physical work of construction, rehabilitation, remodeling, or repair, or any demolition or destruction in preparation for the physical work, after the place where the property is located was designated a development zone, or if the completed project is placed in service after the claimant is certified. In this paragraph, “physical work” does not include preliminary activities such as planning, designing, securing financing, researching, developing specifications, or stabilizing the property to prevent deterioration.

(e) A claimant may claim the credit under par. (b) 2. for an amount expended to acquire real property, if the property is not previously owned property and if the claimant acquires the property after the place where the property is located was designated a development zone, or if the completed project is placed in service after the claimant is certified.

(f) No credit may be allowed under this subsection unless the claimant includes with the claimant’s return:

(h) The carry-over provisions of s. 71.28 (4) (e) and (f) as they relate to the credit under s. 71.28 (4) relate to the credit under this subsection.

(hm) A claimant may claim the credit under this subsection, including any credits carried over, against the amount of the tax otherwise due under this subchapter.

(i) Partnerships, limited liability companies, and tax-option corporations may not claim the credit under this subsection, but the eligibility for, and the amount of, that credit shall be determined on the basis of their economic activity, not that of their shareholders, partners, or members. The corporation, partnership, or limited liability company shall compute the amount of credit that may be claimed by each of its shareholders, partners, or members and provide that information to its shareholders, partners, or members. Partners, members of limited liability companies, and shareholders of tax-option corporations may claim the credit based on the partnership’s, company’s, or corporation’s activities in proportion to their ownership interest and may offset it against the tax attributable to their income from the partnership’s, company’s, or corporation’s business operations in the development zone; except that partners, members, and shareholders in a development zone under s. 238.395 (1) (e) or s. 560.795 (1) (e), 2009 stats., may offset the credit against the amount of the tax attributable to their income.

Partners, members of limited liability companies, and shareholders of tax-option corporations may claim the credit in proportion to their ownership interest.

(d) *Administration.* 1. Section 71.28 (4) (e) to (h), as it applies to the credit under s. 71.28 (4), applies to the credit under this subsection.

2. No credit may be claimed under this subsection for taxable years beginning after December 31, 2013. Credits under this subsection for taxable years that begin before January 1, 2014, may be carried forward to taxable years that begin after December 31, 2013.

1. “Ccf” means 100 cubic feet.
2. “Claimant” means a person who files a claim under this subsection, who is an industrial customer of a municipal water utility that is located in a federal renewal community zone in this state, and whose average annual water consumption from that utility for a 24-month period exceeds 1,000,000 Ccf.

(b) *Filing claims.* Subject to the limitations provided in this subsection, for taxable years beginning after December 31, 2009, and before January 1, 2014, a claimant may claim as a credit against the tax imposed under s. 71.02, up to the amount of the tax, the amount determined as follows, except that the maximum amount that a claimant may claim in a taxable year under this subsection is \$300,000:

1. Subtract the claimant’s 2009 water usage costs from the claimant’s water usage costs for the taxable year.
2. If the amount determined under subd. 1. is a positive number, multiply that amount by 0.50.

(c) *Limitations.* Partnerships, limited liability companies, and tax-option corporations may not claim the credit under this subsection, but the eligibility for, and the amount of, the credit are based on their payment of amounts under par. (b). A partnership, limited liability company, or tax-option corporation shall compute the amount of credit that each of its partners, members, or shareholders may claim and shall provide that information to each of them. Partners, members of limited liability companies, and shareholders of tax-option corporations may claim the credit in proportion to their ownership interests.

(d) *Administration.* 1. Section 71.28 (4) (e) to (h), as it applies to the credit under s. 71.28 (4), applies to the credit under this subsection.

2. No credit may be claimed under this subsection for taxable years beginning after December 31, 2013. Credits under this subsection for taxable years that begin before January 1, 2014, may be carried forward to taxable years that begin after December 31, 2013.

(6) MARRIED PERSONS CREDIT. (a) For taxable years beginning before January 1, 1998, married persons filing a joint return, except those who reduce their gross income under section 911 or 931 of the internal revenue code, may claim as a credit against, but not to exceed the amount of, Wisconsin net income taxes otherwise due an amount equal to 2 percent of the earned income of the spouse with the lower earned income, but not more than \$300. In this paragraph, “earned income” means qualified earned income, as defined in section 221 (b) of the internal revenue code as amended to December 31, 1985, plus employee business expenses under section 62 (2) (B) to (D) of that code, allocable to Wisconsin under s. 71.04, plus amounts received by the individual for services performed in the employ of the individual’s spouse minus the amount of disability income excluded under s. 71.05 (6) (b) 4. and minus any other amount not subject to tax under this chapter. Earned income is computed notwithstanding the fact that each spouse owns an undivided one-half interest in the whole of the marital property. A marital property agreement or unilateral statement under ch. 766 transferring income between spouses has no effect in computing earned income under this paragraph.

(am) 1. For purposes of subd. 1m., “earned income” means

wages, salaries, or professional fees, amounts received for services performed by an individual in the employ of his or her spouse, and other amounts received as compensation for personal services actually rendered, but does not include that part of the compensation derived by the taxpayer for personal services rendered by him or her to a corporation which represents a distribution of earnings or profits rather than a reasonable allowance as compensation for the personal services actually rendered. In the case of a taxpayer engaged in a trade or business in which both personal services and capital are material income-producing factors, under federal regulations, a reasonable allowance as compensation for the personal services rendered by the taxpayer shall be considered as earned income. Earned income includes gains, other than any gain which is treated under any provision of chapter 1 of the Internal Revenue Code as gain from the sale or exchange of a capital asset, and includes net earnings derived from the sale or disposition of, the transfer of any interest in, or the licensing of the use of property, other than goodwill, by an individual whose personal efforts created such property. Earned income does not include any amount not included in gross income, received as a pension or annuity, paid or distributed out of an individual retirement plan, within the meaning of section 7701 (a) (37) of the Internal Revenue Code, or received as deferred compensation. Earned income is computed notwithstanding the fact that each spouse owns an undivided one-half interest in the whole of the marital property. A marital property agreement or unilateral statement under ch. 766 transferring income between spouses has no effect in computing earned income under this paragraph.

1m. In this paragraph, “qualified earned income” means an amount equal to the excess of the earned income of the spouse for the taxable year, over an amount equal to the sum of the deductions described in paragraphs (1), (2) (B), (C), and (E), (6), (7), and (12) of section 62 (a) of the Internal Revenue Code to the extent such deductions are properly allocable to or chargeable against earned income, allocable to Wisconsin under s. 71.04, minus the amount of disability income excluded under s. 71.05 (6) (b) 4. and minus any other amount not subject to tax under this chapter.

2. Married persons filing a joint return, except those who reduce their gross income under section 911 or 931 of the Internal Revenue Code, may claim as a credit against the tax imposed under s. 71.02, up to the amount of those taxes, an amount equal to one of the following:

- a. For taxable years beginning after December 31, 1997, and before January 1, 1999, 2.17 percent of the earned income of the spouse with the lower earned income, but not more than \$304.
- b. For taxable years beginning after December 31, 1998, and before January 1, 2000, 2.5 percent of the earned income of the spouse with the lower earned income, but not more than \$350.
- c. For taxable years beginning after December 31, 1999, and before January 1, 2001, 2.75 percent of the earned income of the spouse with the lower earned income, but not more than \$440.
- d. For taxable years beginning after December 31, 2000, 3 percent of the qualified earned income of the spouse with the lower qualified earned income, but not more than \$480.

5. “Property taxes” means real property taxes, exclusive of

special assessments, delinquent interest, and charges for service, paid by a claimant, and the claimant’s spouse if filing a joint return, on the eligible veteran’s or unremarried surviving spouse’s principal dwelling in this state during the taxable year for which credit under this subsection is claimed, less any property taxes paid which are properly includable as a trade or business expense under section 162 of the Internal Revenue Code. If the principal dwelling on which the taxes were paid is owned by 2 or more persons or entities as joint tenants or tenants in common or is owned by spouses as marital property, “property taxes” is that part of property taxes paid that reflects the ownership percentage of the claimant, except that this limitation does not apply to spouses who file a joint return. If the principal dwelling is sold during the taxable year, the “property taxes” for the seller and buyer shall be the amount of the tax prorated to each in the closing agreement pertaining to the sale or, if not so provided for in the closing agreement, the tax shall be prorated between the seller and buyer in proportion to months of their respective ownership. “Property taxes” includes monthly municipal permit fees in respect to a principal dwelling collected under [s. 66.0435 \(3\) \(c\)](#).

(b) *Filing claims.* Subject to the limitations provided in this subsection, a claimant may claim as a credit against the tax imposed under [s. 71.02](#) the amount of the claimant’s property taxes. If the allowable amount of the claim exceeds the income taxes otherwise due on the claimant’s income, the amount of the claim not used as an offset against those taxes shall be certified by the department of revenue to the department of administration for payment to the claimant by check, share draft, or other draft from the appropriation under [s. 20.835 \(2\) \(em\)](#).

(c) *Limitations.* 1. No credit may be allowed under this subsection unless it is claimed within the time period under [s. 71.75 \(2\)](#).

NOTE: The correct cross-reference is shown in brackets. Sub. (3m) was repealed by [2021 Wis. Act 127](#). Corrective legislation is pending.

3. If an eligible veteran and an eligible spouse file separate returns, each spouse may claim a credit under this subsection based on their respective ownership interest in the eligible veteran’s principal dwelling.

(d) *Administration.* Subsection (9e) (d), to the extent that it applies to the credit under that subsection, applies to the credit under this subsection.

(6m) ARMED FORCES MEMBER TAX CREDIT. (a) *Definitions.* In this subsection:

b. Multiply the amount of the credit under par. (b) 2., as appropriate, by the number determined under subd. 4. a.

(d) *Administration.* 1. Section 71.28 (4) (e) to (h), as it applies to the credit under s. 71.28 (4), applies to the credit under this subsection.

2. No credit may be claimed under this subsection for taxable years beginning after December 31, 2012. Credits under this subsection for taxable years that begin before January 1, 2013, may be carried forward to taxable years that begin after December 31, 2012.

2. "State" includes the District of Columbia, but does not include the commonwealth of Puerto Rico or the several territories organized by Congress.

(b) 1. Subject to conditions and limitations in pars. (c) and (d), if a resident individual, estate or trust pays a net income tax to another state, that resident individual, estate or trust may credit the net tax paid to that other state on that income against the net income tax otherwise payable to this state on income of the same year. The credit may not be allowed unless the income taxed by the other state is also considered income for Wisconsin tax purposes. The credit may not be allowed unless claimed within the time provided in s. 71.75 (2), but s. 71.75 (4) does not apply to those credits. For purposes of this subdivision, amounts declared and paid under the income tax law of another state are considered a net income tax paid to that other state only in the year in which the income tax return for that state was required to be filed.

Income and franchise taxes paid to another state by a tax-option corporation, partnership, or limited liability company that is treated as a partnership may be claimed as a credit under this paragraph by that corporation's shareholders, that partnership's partners, or that limited liability company's members who are residents of this state and who otherwise qualify under this paragraph, unless the tax-option corporation, partnership, or limited liability company has made an election under s. 71.21 (6) (a) or 71.365 (4m) (a).

3. Subject to the conditions and limitations in pars. (c) and (d), if a tax-option corporation, partnership, or limited liability company makes an election under s. 71.21 (6) (a) or 71.365 (4m) (a), that tax-option corporation, partnership, or limited liability company may credit the net income or franchise tax paid by the entity to another state on that income and the net income tax on that income paid by the entity on behalf of its shareholders, partners, and members that are residents of this state on a composite return filed with the other state against the net income or franchise tax otherwise payable to this state on income of the same year. The credit may not be allowed unless the income taxed by the other state is also considered income for Wisconsin tax purposes and is otherwise attributable to amounts that would be reportable to this state by shareholders, partners, or members of the tax-option corporation, partnership, or limited liability company that are residents of this state if the election under s. 71.21 (6) (a) or 71.365 (4m) (a) was not made. The credit may not be allowed

unless claimed within the time provided in s. 71.75 (2), but s. 71.75 (4) does not apply to those credits. For purposes of this subdivision, amounts declared and paid under the income tax law of another state are considered a net income tax paid to that other state only in the year in which the income tax return for that state was required to be filed.

(c) The total credits under par. (b) 1. and 2. may not exceed an amount determined by multiplying the taxpayer's net Wisconsin income tax by a ratio derived by dividing the income subject to tax in the other state that is also subject to tax in Wisconsin while the taxpayer is a resident of Wisconsin, by the taxpayer's Wisconsin adjusted gross income. The credit under par. (b) 3. may not exceed an amount determined by multiplying the income subject to tax in the other state that is also subject to tax in Wisconsin by 7.9 percent.

(d) The limitation in par. (c) does not apply to income that is taxed by one of the 4 states that border this state.

2. A partnership, limited liability company, or tax-option corporation may not claim the credit under this subsection. The partners of a partnership, members of a limited liability company, or shareholders in a tax-option corporation may claim the credit under this subsection based on eligible costs incurred by the partnership, limited liability company, or tax-option corporation. The partnership, limited liability company, or tax-option corporation shall calculate the amount of the credit that may be claimed by each partner, member, or shareholder and shall provide that information to the partner, member, or shareholder. For shareholders of a tax-option corporation, the credit may be allocated in proportion to the ownership interest of each shareholder. Credits computed by a partnership or limited liability company may be

claimed in proportion to the ownership interests of the partners or members or allocated to partners or members as provided in a written agreement among the partners or members that is entered into no later than the last day of the taxable year of the partnership or limited liability company, for which the credit is claimed. Any partner or member who claims the credit as allocated by a written agreement shall provide a copy of the agreement with the tax return on which the credit is claimed. A person claiming the credit as provided under this subdivision is solely responsible for any tax liability arising from a dispute with the department of revenue related to claiming the credit.

(d) *Recapture.* 1. As of the last day of any taxable year during the compliance period, if the amount of the qualified basis of a qualified development with respect to a claimant is less than the amount of the qualified basis as of the last day of the immediately preceding taxable year, the amount of the claimant's tax liability under this subchapter shall be increased by the recapture amount determined by using the method under section 42 (j) of the Internal Revenue Code.

3. "Property taxes" means real property taxes, exclusive of special assessments, delinquent interest and charges for service, paid by a claimant on the claimant's principal dwelling during the taxable year for which credit under this subsection is claimed, less any property taxes paid which are properly includable as a trade or business expense under section 162 of the Internal Revenue Code. If the principal dwelling on which the taxes were paid is owned by 2 or more persons or entities as joint tenants or tenants in common or is owned by spouses as marital property, "property taxes" is that part of property taxes paid that reflects the ownership percentage of the claimant. If the principal dwelling is sold during the taxable year the "property taxes" for the seller and buyer shall be the amount of the tax prorated to each in the closing agreement pertaining to the sale or, if not so provided for in the closing agreement, the tax shall be prorated between the seller and buyer in proportion to months of their respective ownership. "Property taxes" includes monthly municipal permit fees in respect to a principal dwelling collected under s. 66.0435 (3) (c).

"Rent" includes space rental paid to a landlord for parking a mobile home or manufactured home. Rent shall be apportioned

No credit is allowed under this subsection for unmarried persons or married persons filing separate returns who are nonresidents of this state. If one spouse is not domiciled in this state during the entire taxable year, the credit on a joint return is determined by multiplying the school property tax credit that would be available to them if both spouses were domiciled in this state during the entire taxable year by a fraction the numerator of which is their joint Wisconsin adjusted gross income and the denominator of which is their joint federal adjusted gross income. No credit is allowed under this subsection on a joint return if both spouses are nonresidents of this state.

(d) No credit may be allowed under this subsection unless it is claimed within the period specified in s. 71.75 (2).

For shareholders of a tax-option corporation, the credit may be allocated in proportion to the ownership interest of each shareholder. Credits computed by a partnership or limited liability company may be claimed in proportion to the ownership interests of the partners or members or allocated to partners or members as provided in a written agreement among the partners or members that is entered into no later than the last day of the taxable year of the partnership or limited liability company, for which the credit is claimed. Any

(g) 1. If a person who claims the credit under this subsection elects to claim the credit based on claiming amounts for expenditures as the expenditures are paid, rather than when the rehabilitation work is completed, the person shall file an election form with the department, in the manner prescribed by the department.

2. Notwithstanding s. 71.77, the department may adjust or disallow the credit claimed under this subsection within 4 years after the date that the state historical society notifies the department that the expenditures for which the credit was claimed do not comply with the standards for certification promulgated under s. 44.02 (24). If the department adjusts or disallows, in whole or in part, a credit transferred under par. (h), only the person who originally transferred the credit to another person is liable to repay the adjusted or disallowed amount.

(h) Any person, including a nonprofit entity described in section 501 (c) (3) of the Internal Revenue Code, may sell or otherwise transfer the credit under par. (a) 2m. or 3., in whole or in part, to another person who is subject to the taxes imposed under s. 71.02, 71.23, or 71.43, if the person notifies the department of the transfer, and submits with the notification a copy of the transfer documents, and the department certifies ownership of the credit with each transfer. The transferor may file a claim for more than one taxable year on a form prescribed by the department to compute all years of the credit under par. (a) 2m. or 3., at the time of the transfer request. The transferee may first use the credit to offset tax in the taxable year of the transferor in which the transfer occurs and may use the credit only to offset tax in taxable years otherwise allowed to be claimed and carried forward by the original claimant.

(i) If a person who claims a credit under this subsection and a credit under section 47 of the Internal Revenue Code for the same qualified rehabilitation expenditures is required to repay any amount of the credit claimed under section 47 of the Internal Revenue Code, the person shall repay to the department a proportionate amount of the credit claimed under this subsection.

6. The costs are not incurred to acquire any building or interest in a building or to enlarge existing building.

(k) A natural person who receives a credit under this subsection shall add to his or her liability for taxes imposed under s. 71.02 one of the following percentages of the amount of the credits received under this subsection for rehabilitating or preserving the property if, within 5 years after the date on which the preservation or rehabilitation work that was the basis of the credit is completed, the person either sells or conveys the property by deed or land contract or the state historical society certifies to the department of revenue that the historic property has been altered to the extent that it does not comply with the standards promulgated under s. 44.02 (24):

If a person files a joint return, the income of both that person and that person's spouse shall be considered in determining whether the person is a farmer or fisher.

(am) "Return" means a return that would show the tax properly due.

(b) "Tax shown on the return" and "tax for the taxable year" mean the net tax imposed under s. 71.02 after reduction for exemptions to, and credits against, that tax but before reduction by amounts withheld under subch. (7) REFUND CARRY-FORWARD. If the taxpayer claims a refund on any tax return and, concurrent with or subsequent to the filing of the return upon which such refund is claimed, is required to pay an estimated tax, and at the time of paying that tax the refund has not been paid, he or she may deduct the amount of such refund from the first installment of estimated taxes, and any excess from the succeeding installments. If a refund is paid after the due date of the last installment, its receipt shall be reflected on the income tax return covering the year. If the refund is disallowed in whole or in part after the due date of the last installment, that disallowance must be reflected on the income tax return covering the year.

(b) A transaction has economic substance only if the transaction is treated as having economic substance as determined under section 7701 (o) of the Internal Revenue Code, except that the tax effect shall be determined using federal, state, local, or foreign taxes, rather than only the federal income tax effect.

The department shall reduce the designation for programs for people with multiple sclerosis to reflect the amount remitted in excess of the actual tax due, after error corrections, if the individual remitted an amount in excess of the actual tax due, after error corrections, but less than the total of the actual tax due, after error corrections, and the amount originally designated on the return for programs for people with multiple sclerosis.

2. The designation for programs for people with multiple sclerosis is void if the individual remitted an amount equal to or less than the actual tax due, after error corrections.

(d) *Errors; insufficient refund.* If an individual is owed a refund that does not equal or exceed the amount designated on the return for programs for people with multiple sclerosis, after crediting under ss. 71.75 (9) and 71.80 (3) and (3m) and after error corrections, the department shall reduce the designation for programs for people with multiple sclerosis to reflect the actual amount of the refund that the individual is otherwise owed, after crediting under ss. 71.75 (9) and 71.80 (3) and (3m) and after error corrections.

(e) *Conditions.* If an individual places any conditions on a designation for programs for people with multiple sclerosis, the designation is void.

(f) *Void designation.* If a designation for programs for people with multiple sclerosis is void, the department shall disregard the designation and determine amounts due, owed, refunded, and received without regard to the void designation.

(g) *Tax return.* The secretary of revenue shall provide a place for the designations under this subsection on the individual income tax return.

(h) *Certification of amounts.* Annually, on or before September 15, the secretary of revenue shall certify to the society, the department of administration, and the state treasurer all of the following:

1. The total amount of the administrative costs, including data processing costs, incurred by the department in administering this subsection during the previous fiscal year.

2. The total amount received from all designations for programs for people with multiple sclerosis made by taxpayers during the previous fiscal year.

3. The net amount remaining after the administrative costs, including data processing costs, under subd. 1. are subtracted from the total received under subd. 2.

(i) *Appropriations, disbursement of funds to the society.* From the moneys received from designations for programs for people with multiple sclerosis, an amount equal to the sum of administrative expenses, including data processing costs, certified under par. (h) 1. shall be deposited in the general fund and credited to the appropriation account under s. 20.566 (1) (hp), and the net amount remaining that is certified under par. (h) 3. shall be forwarded to the society, for disbursement under par. (k).

(j) *Amounts subject to refund.* Amounts designated for programs for people with multiple sclerosis under this subsection are not subject to refund to the taxpayer unless the taxpayer submits information to the satisfaction of the department, within 18 months after the date on which the taxes are due or the date on which the return is filed, whichever is later, that the amount designated is clearly in error. Any refund granted by the department under this paragraph shall be deducted from the moneys received under this subsection in the fiscal year for which the refund is certified.

(k) *Disbursements by the society.* The society shall disburse all of the funds that it receives under par. (i) to entities located in Wisconsin that operate health-related programs for people with multiple sclerosis, and the entities that receive the funds shall pledge to the society that they will use the money they receive solely for health-related programs for people with multiple sclerosis in Wisconsin.

(L) *Report to legislature, governor.* Not later than January 1, 2007, and annually thereafter, the society shall prepare a report detailing the entities to which the society distributed funds under par. (k), the amount of money each entity received, and the health-related multiple sclerosis programs on which the money was spent. The report shall be distributed to the appropriate standing committees of the legislature in the manner provided under s. 13.172 (3) and to the governor.

(5s) LIMITATIONS ON CHECKOFFS. (a) For taxable years beginning after December 31, 2011, individuals may not have the option of making a designation to more than 10 individual income checkoffs and the department may not place more than 10 checkoffs on the income tax form. If a checkoff is created for taxable years beginning after December 31, 2011, and before January 1, 2015, the department may not place it on the form, and no designations may be made to the checkoff, for a taxable year that begins before January 1, 2015, except that this limitation does not apply to a checkoff created in a bill that is introduced in both houses of the legislature before June 1, 2011. The limitations in this paragraph do not apply to the checkoff under sub. (5fm).

(b) For taxable years beginning after December 31, 2011, there may be no individual income tax checkoffs of a temporary nature other than the checkoff under sub. (5fm).

(c) Beginning in September 2014, based on the amounts certified by the secretary of revenue in August or September 2013, and 2014, as specified in subs. (5) (h), (5e) (h), (5f) (h), (5g) (h), (5h) (h), (5i) (h), (5j) (h), (5k) (h), (5km) (h), and (5m) (h), and for every 2-year period thereafter, the secretary of revenue shall rank the checkoffs based on the total amount of designations received for each checkoff for each 2-year period. For each 2-year period, beginning with 2014, the secretary of revenue shall rank every checkoff that is created under this section.

(d) 1. If more than 11 checkoffs exist under this section after August 14, 2014, and every 2 years thereafter, not including the

checkoff under sub. (5fm), only the 8 highest ranking checkoffs for which designations were made in the previous 2-year period may appear on the income tax form for the next 2 taxable years.

2. The remaining 2 checkoffs for which designations may be made and which shall be placed on the income tax form for the next 2 taxable years, in place of the 2 lowest ranking checkoffs, shall be checkoffs that have not received any designations during the previous 2-year period.

3. The 2 remaining checkoffs, described under subd. 2., shall be the 2 oldest checkoffs, based on the date each checkoff was placed on a list of checkoffs, maintained by the department, that are eligible to be placed on the form. If 2 or more checkoffs have been placed on the list at the same time, the oldest checkoff shall then be calculated according to their effective dates.

4. If 10 checkoffs exist under this section after August 14, 2014, not including the checkoff under sub. (5fm), those 10 checkoffs may appear on the income tax form for the next 2 taxable years.

5. If 11 checkoffs exist under this section after August 14, 2014, not including the checkoff under sub. (5fm), only the 9 highest ranking checkoffs for which designations were made in the previous 2-year period may appear on the income tax form for the next 2 taxable years. The remaining checkoff for which designations may be made and which shall be placed on the income tax form for the next 2 taxable years, in place of the lowest ranking checkoff, shall be a checkoff that has not received any designations during the previous 2-year period. This last checkoff shall be selected using the method described under subd. 3.

(e) For any taxable year that begins after December 31, 2014, individuals may not make a designation for any checkoff which did not generate at least an average of \$50,000 of designations per year over the most recent 3-year period as certified by the secretary of revenue under subs. (5) (h) 3., (5e) (h) 2., (5f) (h) 2., (5fm) (h) 2., (5g) (h) 2., (5i) (h) 2., (5j) (h) 2., (5k) (h) 2., (5km) (h) 2., and (5m) (h) 2. Once a checkoff is affected by this paragraph, no further checkoffs may be designated to that checkoff in any taxable year.

(5w) ANATOMICAL GIFT. (a) For taxable years beginning after December 31, 2023, the department shall place on the income tax form all of the following:

1. A question as to whether the individual filing the income tax return wishes to include his or her name as a donor of an anatomical gift in the record of potential donors maintained by the department of transportation.

2. A statement that an affirmative response to the question under subd. 1. authorizes an anatomical gift under s. 157.06.

3. A statement that the individual is not required to respond to the question under subd. 1. in order to file the income tax return and pay taxes or receive a refund.

4. A statement that the purpose of maintaining the record of potential donors is to facilitate the determination of whether an individual is a potential donor in the event of his or her death.

5. A statement that the individual must be a resident who is at least 15 years of age or an emancipated minor to include his or her name as a donor of an anatomical gift in the record of potential donors maintained by the department of transportation.

(b) 1. If a resident individual answers the question regarding anatomical gifts under par. (a) 1. in the affirmative, the department shall transmit to the department of transportation that authorization along with any other information about the individual that the department of health services determines to be necessary under s. 157.06 (20).

2. Persons authorizing anatomical gifts under this subsection remain subject to s. 157.06.

(6) **MARRIED PERSONS.** (a) *Joint returns.* Persons filing a joint return are jointly and severally liable for the tax, interest, penalties, fees, additions to tax and additional assessments under this chapter applicable to the return. Except as provided in par. (e), a person shall be relieved of liability in regard to a joint return in the manner specified in section 6015 (a) to (d) and (f) of the Internal Revenue Code.

(b) *Separate returns.* Except as provided in par. (e), a spouse filing a separate return may be relieved of liability for the tax, interest, penalties, fees, additions to tax and additional assessments under this chapter in the manner specified in section 66 (c) of the Internal Revenue Code. The department may not apply ch. 766 in assessing a taxpayer with respect to marital property income the taxpayer did not report if that taxpayer failed to notify the taxpayer's spouse about the amount and nature of the income before the due date, including extensions, for filing the return for the taxable year in which the income was derived. The department shall include all of that marital property income in the gross income of the taxpayer and exclude all of that marital property income from the gross income of the taxpayer's spouse.

(c) *Marital property agreements.* The department of revenue shall notify a taxpayer whose separate return is under audit that a marital property agreement or unilateral statement under ch. 766 is effective for tax purposes for any period during which both spouses are domiciled in this state only if it is filed with the department before any assessment resulting from the audit is issued. A marital property agreement or unilateral statement under ch. 766 does not affect the determination of the income that is taxable by this state, or of the person who is required to report taxable income to this state, during the period that one or both spouses are not domiciled in this state or if it was not filed with the department before an assessment was issued.

(d) *Part-year residents and nonresidents.* If a spouse is not domiciled in this state for the entire taxable year, the tax liability and reporting obligation of both spouses during the period a spouse is not domiciled in this state shall be determined without regard to ch. 766 except as provided in this chapter.

(e) *Application for relief.* A person who seeks relief from liability under par. (a) or (b) shall apply for relief with the department, on a form prescribed by the department, within 2 years after the date on which the department first begins collection activities after July 27, 2005.

(6m) **RETURNS OF FORMERLY MARRIED AND REMARRIED PERSONS.** (a) Except as provided in par. (c), a formerly married or remarried person filing a return for a period during which the person was married may be relieved of liability for the tax, interest, penalties, fees, additions to tax and additional assessments under this chapter from that period as if the person were a spouse under section 66 (c) of the Internal Revenue Code. The department may not apply ch. 766 in assessing the former spouse of the person with respect to marital property income that the former spouse did not report if that former spouse failed to notify the person about the amount and nature of the income before the due date, including extensions, for filing the return for the taxable year during which the income was derived. The department shall include all of that marital property income in the gross income of the former spouse and exclude all of that marital property income from the gross income of the person.

(b) The department may not apply ch. 766 or s. 71.55 (1), 71.61 (1) or 71.80 (3) or (3m) to collect from an individual for any tax liability owed to the department by the individual or by the former spouse of the individual if a judgment of divorce under ch. 767 apportions that liability to the former spouse of the individual and if the individual includes with his or her tax return a copy of that portion of the judgment of divorce that relates to the apportionment of tax liability.

(c) A person who seeks relief from liability under par. (a) shall apply for relief with the department as provided under sub. (6) (e).

(7) **MINNESOTA INCOME TAX RECIPROCITY.** (a) For purposes of income tax reciprocity reached with the state of Minnesota under s. 71.05 (2), whenever the income taxes on residents of one state which would have been paid to the 2nd state without reciprocity exceed the income taxes on residents of the 2nd state which would have been paid to the first state without reciprocity, the state with the net revenue loss shall receive from the other state the amount of the loss. Interest shall be payable on all delinquent balances relating to taxable years beginning after the first December 31 after the date identified in the notice under 2023 Wisconsin Act 147, section 4 (2). The secretary of revenue may enter into agreements with the state of Minnesota specifying the reciprocity payment due date, conditions constituting delinquency, interest rates and the method of computing interest due on any delinquent amounts.

(b) The data used for computing the loss to either state shall be determined by the respective departments of revenue of both states on or before November 1 of the year following the close of the previous calendar year. If an agreement cannot be reached as to the amount of the loss, the secretary of revenue of this state and the commissioner of taxation of the state of Minnesota shall each appoint a member of a board of arbitration and these members shall appoint a 3rd member of the board. The board shall select one of its members as chairperson. The board may administer oaths, take testimony, subpoena witnesses and require their attendance, require the production of books, papers and documents and hold hearings at such places as it deems necessary. The board shall then make a determination as to the amount to be paid the other state which shall be conclusive. This state shall pay no more than one-half of the cost of such arbitration.

(c) For taxable years beginning after the first December 31 after the date identified in the notice under 2023 Wisconsin Act 147, section 4 (2), this state shall pay Minnesota interest on any reciprocity payment that is due under this subsection. Interest shall be calculated according to the Laws of Minnesota 2002 Chapter 377, or at another rate and under another method of calculation that is agreed to by Minnesota and Wisconsin.

(d) 1. No agreement that is entered into under this subsection on or after March 23, 2024, may take effect unless all of the following apply:

a. The agreement applies to wages, salaries, tips, and commissions received as an employee by persons who reside in this state or Minnesota for at least 183 days during their taxable years and who return to their state of residence at least once per month.

b. The agreement contains no expiration or termination date.

bm. The governor issues a written notice of approval of the agreement no later than 90 days after being presented with the agreement under subd. 1m.

cm. The agreement may take effect under subd. 1s.

1m. As soon as possible after the department reaches an agreement with the state of Minnesota, the department shall present the agreement to the governor and submit a copy of the agreement to the legislature under s. 13.172 (2).

1s. After the governor issues a written notice of approval of the agreement under subd. 1. bm., the department shall notify the joint committee on finance in writing of the agreement. The agreement may take effect if within 14 working days of the notification the committee does not schedule a meeting for the purpose of reviewing the proposed agreement. If the committee schedules a meeting for the purpose of reviewing the agreement, the agreement may not take effect unless the committee approves the agreement.

2. a. This state may not make a payment under an agreement entered into under this subsection for any taxable year ending before March 23, 2024.

b. An agreement entered into under this subsection may provide for making estimated payments during a year and for a final payment for the year to be made after computing the amount of the loss for the year as described in par. (b).

3. An agreement entered into under this subsection that takes effect on or after March 23, 2024, may not be revised unless the department notifies the joint committee on finance in writing of the proposed revised agreement. The proposed revised agreement may take effect if within 14 working days of the notification the committee does not schedule a meeting for the purpose of reviewing the proposed revised agreement. If the committee schedules a meeting for the purpose of reviewing the proposed revised agreement, the proposed revised agreement may not take effect unless the committee approves the proposed revised agreement.

4. An agreement entered into under this subsection may require that a study be conducted no more than once every 5 years to obtain information necessary to determine payments under this subsection.

(7e) ILLINOIS INCOME TAX RECIPROCITY. (a) For purposes of income tax reciprocity reached with the state of Illinois under s. 71.05 (2), whenever the income taxes on residents of one state which would have been paid to the 2nd state without reciprocity exceed the income taxes on residents of the 2nd state which would have been paid to the first state without reciprocity, the state with the net revenue loss shall receive from the other state the amount of the loss. Interest shall be payable on all delinquent balances relating to taxable years beginning after December 31, 1999. The secretary of revenue may enter into agreements with the state of Illinois specifying the reciprocity payment due date, conditions constituting delinquency, interest rates and the method of computing interest due on any delinquent amounts.

(b) The data used for computing the loss to either state shall be determined by the respective departments of revenue of both states on or before December 1 of the year following the close of the previous calendar year. If an agreement cannot be reached as to the amount of the loss, the secretary of revenue of this state and the director of taxation of the state of Illinois shall each appoint a member of a board of arbitration and these members shall appoint a 3rd member of the board. The board shall select one of its members as chairperson. The board may administer oaths, take testimony, subpoena witnesses and require their attendance, require the production of books, papers and documents and hold hearings at such places as it considers necessary. The board shall then make a determination as to the amount to be paid the other state which shall be conclusive. This state shall pay no more than 50 percent of the cost of such arbitration.

(c) The payments under this subsection may be made only if the secretary of revenue of this state and the director of taxation of the state of Illinois enter into a written agreement relating to income tax reciprocity that applies to taxable years beginning after December 31, 1997.

(7m) DISCHARGE OF INDEBTEDNESS; MODIFICATIONS. If a person excludes from gross income an amount of income from a discharge of indebtedness because of discharges of debts described under section 108 (a) of the internal revenue code, the person shall make the adjustments specified in section 108 (b) of the internal revenue code, but the net operating loss under s. 71.01 (14), not the federal net operating loss, and Wisconsin credits, not federal credits, and the capital loss carry-forward as limited under s. 71.05 (10) (c), not the federal capital loss carry-

forward, shall be applied, and the reduction rate for a credit carry-over is 6.93 percent, not 33 1/3 percent.

(8) PENALTIES. Unless specifically provided in this subchapter, the penalties under subch. XIII apply for failure to comply with this subchapter unless the context requires otherwise.

(9) PUBLICATION OF STANDARD DEDUCTION AND TAX BRACKETS. The department of revenue shall annually publish notice of the standard deduction amounts and the brackets for the individual income tax in the administrative register.

SUBCHAPTER II

SPECIAL PROVISIONS APPLICABLE TO FIDUCIARIES

71.12 Conformity. Unless specifically provided in this subchapter, fiduciaries shall be subject to all of the provisions, requirements and liabilities of this chapter, so far as applicable, unless the context requires otherwise.

History: 1987 a. 312.

71.122 Definition. In this subchapter, "Wisconsin taxable income" means federal taxable income, as defined in s. 71.01 (4), as modified under s. 71.05 (6) to (12), (19) and (20).

History: 1997 a. 27.

71.125 Imposition of tax. (1) Except as provided in sub. (2), the tax imposed by this chapter on individuals and the rates under s. 71.06 (1), (1m), (1n), (1p), (1q), and (2) shall apply to the Wisconsin taxable income of estates or trusts, except nuclear decommissioning trust or reserve funds, and that tax shall be paid by the fiduciary.

(2) Each electing small business trust, as defined in section 1361 (e) (1) of the Internal Revenue Code, is subject to tax at the highest rate under s. 71.06 (1), (1m), (1n), (1p), or (1q), whichever taxable year is applicable, on its income as computed under section 641 of the Internal Revenue Code, as modified by s. 71.05 (6) to (12), (19) and (20).

History: 1987 a. 312; 1997 a. 27, 237; 1999 a. 9; 2013 a. 20.

71.13 Filing returns. (1) ESTATE OR TRUST. Annual returns of income of an estate or a trust shall be made to the department by the fiduciary thereof at or before the time such income is required to be reported to the internal revenue service under the internal revenue code. Under such rules as the department prescribes, a return made by one of 2 or more joint fiduciaries shall be sufficient compliance with the requirements of this section. A return made pursuant to this subsection shall contain a statement that the fiduciary has sufficient knowledge of the affairs of the person for whom the return is made to enable him or her to make the return, and that the return is, to the best of his or her knowledge and belief, true and correct.

(1m) SCHEDULES TO BENEFICIARIES. Every fiduciary who is required to file a return under sub. (1) shall, on or before the due date of the return, including extensions, provide a schedule to each beneficiary whose share of income, deductions, credits, or other items of the fiduciary may affect the beneficiary's tax liability under this chapter. The schedule shall separately indicate the beneficiary's share of each item.

(2) RETURNS REQUIRED PRIOR TO CLOSING ESTATE OR TRUST. (a) A personal representative or trustee applying to a court having jurisdiction for a discharge of his or her trust and a

final settlement of his or her accounts, before the application is granted, shall file all of the following with the department:

1. Returns of income received by the decedent, any previous guardian, personal representative, or trustee, during each of the years open to assessment under s. 71.77, if the returns had not previously been filed, including a return of income for the year of death to the date of death.

2. Returns of income received during the period of the personal representative's or trustee's administration or trust except for the final income tax year of the estate or trust.

3. Sales and use tax returns and withholding returns or reports that were required to be filed, if not previously filed.

(b) Upon receipt of the returns described in par. (a), the department shall immediately determine the amount of taxes including interest, penalties, and costs to be payable, as well as any delinquent income, withholding, sales, and use taxes, penalties, interest, and costs due, and shall certify those amounts to the court. The court shall then enter an order directing the personal representative or trustee to pay the amounts found to be due by the department and take the department's receipt for the amount paid. The receipt shall be evidence of the payment and shall be filed with the court before a final distribution of the estate or trust is ordered and the personal representative or trustee is discharged. The filing of the receipt shall in no manner affect the obligation of the personal representative or trustee to file income, sales, and withholding returns covering transactions reportable during the final taxable year of the estate or trust and to pay income, sales, use and withholding taxes, penalties, interest, and costs due as the result of such transactions.

(3) REQUIRED FILING MAY BE DISPENSED WITH BY COURT. Returns of income required to be made by sub. (2) may be dispensed with by order of the court having jurisdiction in cases where it is clearly evident to the court that no income tax is due or to become due from the trust or estate.

(1) The estate of a decedent shall be considered resident at the domicile of the decedent at the time of his or her death.

(2) A trust created at death by will, contract, declaration of trust or implication of law by a decedent who at the time of death was a resident of this state shall be considered resident at the domicile of the decedent at the time of the decedent's death until transferred by the court having jurisdiction under s. 72.27 to another court's jurisdiction. After jurisdiction is transferred, the trust shall be considered resident at the place to which jurisdiction is transferred. The hearing to transfer jurisdiction shall be held only after giving written notice to the department of revenue under s. 879.05.

(3) Except as provided in sub. (2) and s. 71.04 (1) (b) 2., trusts created by contract, declaration of trust or implication of law that are made irrevocable and were administered in this state before October 29, 1999, shall be considered resident at the place where the trust is being administered. The following trusts shall be considered to be administered in the state of domicile of the corporate trustee of the trust at any time that the grantor of the trust is not a resident of this state:

(a) Trusts that have any assets invested in a common trust fund, as defined in section 584 of the internal revenue code, maintained by a bank or trust company domiciled in this state that is a member of the same affiliated group, as defined in section 1504 of the internal revenue code, as the corporate trustee.

(b) Trusts the assets of which in whole or in part are managed, or about which investment decisions are made, by a corporation

domiciled in this state if that corporation and the corporate trustee are members of the same affiliated group, as defined in section 1504 of the internal revenue code.

(3m) (a) Subject to par. (b) and except as provided in sub. (2) and s. 71.04 (1) (b) 2., only the following trusts, or portions of trusts, that become irrevocable on or after October 29, 1999, or that became irrevocable before October 29, 1999, and are first administered in this state on or after October 29, 1999, are resident of this state:

2. Trusts, or portions of trusts, the assets of which consist of property placed in the trust by a person who is a resident of this state at the time that the trust became irrevocable if, at the time that the property was placed in the trust, the trust was revocable.

(b) A trust described under par. (a):

1. Is revocable if the person whose property constitutes the trust may revest title to the property in that person.

2. Is irrevocable if the power to revest title, as described in subd. 1., does not exist.

(4) The unrelated business taxable income of trusts shall be apportioned under the department of revenue's rules.

History: 1987 a. 312, 411; 1989 a. 31; 1999 a. 9, 185; 2001 a. 16.

History: 1987 a. 312; 2001 a. 102; 2021 a. 127; s. 13.92 (1) (bm) 2.

71.16 Allocation of modifications. The Wisconsin modifications applicable to the Wisconsin taxable income or Wisconsin adjusted gross income of estates, trusts and beneficiaries thereof with respect to income derived from such estates or trusts shall be computed and allocated as follows:

(1) A modification or portion thereof which relates to an item of income, gain, loss or deduction which affects the computation of the federal distributable net income of the estate or trust for the current year shall be apportioned among and taken into account by the fiduciary and the beneficiary or beneficiaries in the same proportion that the item to which it relates is considered as distributed among them for federal income tax purposes.

(2) Any remaining modifications or portions thereof shall be taken into account by the fiduciary.

(3) If an additional assessment is made against the fiduciary or any beneficiary as a result of correction of an erroneous allocation of the modifications applicable to the income of an estate or trust, any overpayment resulting from consistent application of such correction to all other taxpayers interested in such estate or trust shall be refunded notwithstanding any rule of law which would otherwise bar such refund.

History: 1987 a. 312.

71.17 General provisions. (1) **ASSESSMENT OF TRUST INCOME DISTRIBUTABLE TO NONRESIDENT BENEFICIARY.** The income of a trust distributable or distributed to a nonresident beneficiary shall be assessed as the income of other nonresidents is assessed. No personal exemptions shall be allowed in assessing the income of such nonresident beneficiary unless that beneficiary makes a complete return under this chapter.

(2) **LIEN ON TRUST ESTATE; INCOME TAXES LEVIED AGAINST BENEFICIARY.** All income taxes levied against the income of ben-

eficiaries shall be a lien on that portion of the trust estate or interest therein from which the income taxed is derived, and such taxes shall be paid by the fiduciary, if not paid by the distributee, before the same become delinquent. Every person who, as a fiduciary under the provisions of this subchapter, pays an income tax shall have all the rights and remedies of reimbursement for any taxes assessed against him or her or paid by him or her in such capacity, as provided in s. 70.19 (1), 2021 stats., and s. 70.19 (2), 2021 stats.

The establishment or maintenance of a trust outside Wisconsin by a Wisconsin resident as grantor, the income from which trust is taxable to the grantor or to any person other than the trust under the internal revenue code, is hereby declared to be a tax avoidance device designed to avoid the legal application of the Wisconsin income tax to income properly taxable to the grantor or such other person. Any Wisconsin resident who is the grantor of such a trust shall be liable for the Wisconsin income tax on the income of such trust which is federally taxable to such grantor or other person under the internal revenue code.

(5) TRUSTS THAT ARE EXEMPT FROM FEDERAL INCOME TAX. Trusts exempt from federal income tax pursuant to subtitle A, chapter 1, subchapter F of the internal revenue code shall to the same extent be exempt from taxation under this chapter.

71.20 Filing returns. (1) Every partnership shall furnish to the department a true and accurate statement, on or before the date on which the partnership is required to file for federal income tax purposes, not including any extension, under the Inter-

nal Revenue Code, in the manner and form and setting forth the facts the department deems necessary to enforce this chapter. A partnership that is the owner of a single-owner entity that is disregarded as a separate entity under section 7701 of the Internal Revenue Code shall include that entity’s information on the owner’s return under this subchapter. The statement shall be subscribed by one of the partners of the partnership.

The schedule shall separately indicate the partner’s share of each item.

(2) Nothing in this section precludes the department of revenue from requiring any person other than a corporation to file an income tax return when in the judgment of the department a return should be filed.

(3) Any extension granted by law or by the Internal Revenue Service for the filing of the federal return that corresponds to the return required under sub. (1) extends the time for filing under this section.

(d) 1. for that taxable year.

(b) It is the intent of the election under par. (a) that partners of a partnership may not include in their Wisconsin adjusted gross income their proportionate share of all items of income, gain, loss, or deduction of the partnership. It is also the intent that the partnership shall pay tax on items that would otherwise be taxed if this election was not made.

(c) If persons who, on the day on which the election under this paragraph is made, hold more than 50 percent of the capital and profits of a partnership that has elected to be taxed at the entity level under par. 71.23 Imposition of tax. (1) INCOME TAX. For the purpose of raising revenue for the state and the counties, cities, villages and towns, there shall be assessed, levied, collected and paid a tax as provided under this chapter on all Wisconsin net incomes of corporations that are not subject to the franchise tax under sub. (2) and that own property within this state; that derive income from sources within this state or from activities that are attributable to this state; or whose business within this state during the taxable year, except as provided under sub. (3), consists exclusively of foreign commerce, interstate commerce, or both, or that buy or sell lottery prizes if the winning tickets were originally bought in this state; except as exempted under s. 71.26 (1). This section shall not be construed to prevent or affect the correction of errors or omissions in the assessments of income for former years under s. 71.74 (1) and (2).

(2) FRANCHISE TAX. For the privilege of exercising its franchise, buying or selling lottery prizes if the winning tickets were originally bought in this state or doing business in this state in a corporate capacity, except as provided under sub. (3), every domestic or foreign corporation, except corporations specified in s.

71.26 (1), and every nuclear decommissioning trust or reserve fund shall annually pay a franchise tax according to or measured by its entire Wisconsin net income of the preceding taxable year at the rate set forth in s. 71.27 (2). In addition, except as provided in sub. (3) and s. 71.26 (1), a corporation that ceases doing business in this state and a nuclear decommissioning trust or reserve fund that is terminated shall pay a special franchise tax according to or measured by its entire Wisconsin net income for the taxable year during which the corporation ceases doing business in this state or the nuclear decommissioning trust or reserve fund is terminated at the rates under s. 71.27 (2). Every corporation organized under the laws of this state shall be deemed to be residing within this state for the purposes of this franchise tax. All provisions of this chapter and ch. 73 relating to income taxation of corporations shall apply to franchise taxes imposed under this subsection, unless the context requires otherwise. The tax imposed by this subsection on national banking associations shall be in lieu of all taxes imposed by this state on national banking associations to the extent it is not permissible to tax such associations under federal law.

(3) ACTIVITIES THAT DO NOT CREATE NEXUS. (am) A foreign corporation may do business, exercise its franchise and own property in this state to the limited extent referred to in the following activities, in addition to those activities permitted under P.L. 86-272, without subjecting itself to the imposition of the income or franchise tax under subs. (1) and (2):

1. The storage for any length of time in this state in or on property owned by a person other than the foreign corporation of its tangible personal property and the delivery of its tangible personal property to another person in this state when such storage and delivery is for fabricating, processing, manufacturing or printing by that other person in this state.

2. The storage for any length of time in this state in or on property owned by a person other than the foreign corporation, and the shipment or delivery outside this state by another person in this state, of the entire amount of the foreign corporation's tangible personal property fabricated, processed, manufactured or printed in this state.

3. If the foreign corporation is a publisher, the purchase from a printer of a printing service or of tangible personal property printed in this state for the publisher and the storage of the printed material for any length of time in this state in or on property owned by a person other than the publisher, whether or not the tangible personal property is subsequently resold or delivered in this state or shipped or delivered outside this state.

4. The storage for no more than 90 days in this state in or on property owned by a person, other than the foreign corporation, of the foreign corporation's tangible personal property, if the tangible personal property is transferred to the person and is used in this state by the person for fabricating, processing, manufacturing or printing on the parcel of property in or on which the tangible personal property is stored and if the parcel of property has an assessed value, for property tax purposes, of at least \$10,000,000 but no more than \$11,000,000 on January 1, 1999.

(bm) Except as provided in s. 71.255 (5), an out-of-state business, as defined in s. 323.12 (5) (a) 6., may do business in this state without subjecting itself to the imposition of the income or franchise tax under subs. (1) and (2) if its only activity in this state is disaster relief work, as defined in s. 323.12 (5) (a) 3.

History: 1987 a. 312; 1999 a. 9; 2015 a. 84.

71.24 Filing returns; extensions; payment of tax. (1) FILING RETURNS. Every corporation, except a corporation all of whose income is exempt from taxation and except as provided in sub. (1m), shall furnish to the department a true and accurate statement, on or before the date on which the corporation is re-

quired to file for federal income tax purposes, not including any extension, under the Internal Revenue Code, in the manner and form and setting forth the facts the department deems necessary to enforce this chapter. Every corporation that is required to furnish a statement under this subsection and that has income that is not taxable under this subchapter shall include with the corporation's statement a report that identifies each item of the corporation's nontaxable income. The statement shall be subscribed by the president, vice president, treasurer, assistant treasurer, chief accounting officer, or any other officer duly authorized so to act. In the case of a return made for a corporation by a fiduciary, the fiduciary shall subscribe the return. The fact that an individual's name is subscribed on the return shall be prima facie evidence that the individual is authorized to subscribe the return on behalf of the corporation.

Cross-reference: See also s. [Tax 2.09](#), Wis. adm. code.

(1m) UNRELATED BUSINESS INCOME STATEMENT. Every corporation subject to a tax on unrelated business income under s. [71.26 \(1\) \(a\)](#), if that corporation is required to file for federal income tax purposes, shall furnish to the department a true and accurate statement on or before the date on which the corporation is required to file for federal income tax purposes, not including any extension, under the Internal Revenue Code. The requirements about manner, form, and subscription under sub. [\(1\)](#) apply to statements under this subsection.

(2) COPIES OF FEDERAL RETURN. Each corporation that is required to file a return under this section shall file with that return a copy of its federal income tax return for the same taxable year.

(3) INACTIVE CORPORATIONS. Whenever a corporation has been completely inactive for an entire taxable year, in lieu of filing the statements and information otherwise required by this section, it may file a declaration, on a form to be provided by the department, subscribed by its president, if a resident of this state, and, if not a resident, then by another officer residing in this state, attesting to such inactivity. Such declaration must be filed prior to the otherwise due date for its Wisconsin return for such taxable year. Thereafter the corporation need not file such statements or information for any subsequent year unless specifically requested to do so by the department or unless in a subsequent year the corporation has been activated or reactivated.

(4) FILING RETURNS BY RECEIVER, TRUSTEE IN BANKRUPTCY OR ASSIGNEE. If a receiver, trustee in bankruptcy or assignee, by order of a court, by operation of law or otherwise, has possession of all or substantially all of the property or business of a corporation, whether or not such property or business is being operated, such receiver, trustee or assignee shall make the return of income for such corporation in the manner and form that corporations are required to make such returns.

(5) DEPARTMENT MAY REQUIRE FILING. Nothing contained in this section shall preclude the department from requiring any corporation to file a return when in the judgment of the department a return should be filed.

(6) CHANGING REPORTING PERIOD. (a) Corporations may not change their basis of reporting from a calendar year to a fiscal year, from a fiscal year to a calendar year, or from one fiscal year to another without first obtaining the approval of the department of revenue unless the internal revenue service has approved the change or unless the change, including a change to a short taxable year, is required by the internal revenue code before approval by the internal revenue service and the reason for the change is explained in the first return filed for the new taxable year. Corporations that make changes on the basis of federal changes shall submit a copy of the internal revenue service's notice of approval, if prior federal approval, other than expeditious approval, was required, or requirement, if prior federal approval was not required

or if the corporation qualifies for expeditious approval, to the department of revenue along with the return for the first taxable year for which the change applies.

(b) If a corporation changes its basis of reporting from a calendar year to a fiscal year a separate return shall be made for the period between the close of the last calendar year and the date designated as the close of the fiscal year. If the change is from a fiscal year to a calendar year, a separate return shall be made for the period between the close of the last fiscal year and the following December 31. If the change is from one fiscal year to another fiscal year a separate return shall be made for the period between the close of the former fiscal year and the date designated as the close of the new fiscal year. In no case shall a separate income or franchise tax return be made for a period of more than 12 months.

(c) If a separate corporation income tax return is made for a fractional part of a year for federal income tax purposes, the corporation shall file a separate Wisconsin income or franchise tax return for that fractional year. The income shall be computed and reported on the basis of the period for which the separate return is made, and that fractional part of a year shall constitute a taxable year, except that if a corporation terminates, under section [1362 \(d\) \(1\) or \(2\)](#) of the internal revenue code, its election to be treated as an S corporation for federal income tax purposes the corporation may allocate its items of income, loss or deduction between its short taxable year as a tax-option corporation and its short taxable year as a nontax-option corporation according to the method under section [1362 \(e\) \(2\)](#) of the internal revenue code.

(d) If a separate income [or franchise] tax return is made for a short period under par. [\(b\)](#) on account of a change in the taxable year, the net income for such short period shall be placed on an annual basis using the method applicable for federal income taxes under section [443 \(b\) \(1\)](#) of the internal revenue code.

(7) EXTENSIONS. (a) In the case of a corporation required to file a return, the department of revenue shall allow an automatic extension of 7 months or until the original due date of the corporation's corresponding federal return, whichever is later. Any extension of time granted by law or by the internal revenue service for the filing of corresponding federal returns shall extend the time for filing under this subchapter to 30 days after the federal due date if the corporation reports the extension in the manner specified by the department on the return. Except for payments of estimated taxes, income or franchise taxes payable upon the filing of the tax return shall not become delinquent during such extension period, but shall, except as provided in par. [\(b\)](#), be subject to interest at the rate of 12 percent per year during such period.

(b) For taxable years beginning after December 31, 2008, for persons who qualify for a federal extension of time to file under [26 USC 7508A](#) due to a presidentially declared disaster or terrorist or military action, income or franchise taxes payable upon the filing of the tax return are not subject to interest as otherwise provided under par. [\(a\)](#).

Cross-reference: See also ss. [Tax 2.88](#) and [2.96](#), Wis. adm. code.

(9) DELINQUENCIES. (a) Corporation franchise and income taxes not paid on or before the deadline for filing returns described in sub. [\(1\)](#) or [\(1m\)](#) shall be deemed delinquent.

(b) Additional income or franchise taxes assessed under s. [71.74 \(1\) to \(5\)](#), [\(7\)](#) and [\(8\)](#) shall become delinquent if not paid on or before the due date stated in the notice to the taxpayer.

(10) ADVANCE PAYMENTS. The department of revenue shall accept in advance income or franchise taxes and surtaxes from taxpayers desirous of making such payments before the same shall become due and payable. Advance payment of taxes under this subsection shall not relieve the taxpayer from additional taxes which may result from subsequent legislation or from addi-

tional taxable income disclosed or discovered subsequent to such payment.

(11) **SMALL BALANCES.** No person is required to pay a balance due of less than \$1.

71.25 Situs of income; allocation and apportionment.

For purposes of determining the situs of income under this section and s. 71.255 (5) (a) 1. and 2.:

(1) **BENEFICIARIES.** The situs of income derived by any taxpayer as the beneficiary of the estate of a decedent or of a trust estate shall be determined as if such income had been received without the intervention of a fiduciary.

(2) **GRANTOR TRUSTS.** The situs of income received by a trustee, which income, under the internal revenue code, is taxable to the grantor of the trust or to any person other than the trust, shall be determined as if such income had been actually received directly by such grantor or such other person, without the intervention of the trust.

(4) **CORPORATIONS ENGAGED IN BUSINESS WHOLLY WITHIN THIS STATE.** For corporations engaged in business wholly within this state, all income is subject to, or included in the measure of, the Wisconsin income or franchise tax.

(5) **CORPORATIONS ENGAGED IN BUSINESS BOTH WITHIN AND WITHOUT THE STATE.** (a) *Apportionable income.* Except as provided in sub. (6), corporations engaged in business both within and without this state are subject to apportionment. Income gain or loss from the sources listed in this paragraph is presumed apportionable as unitary or operational income or other income that has a taxable presence in this state. Apportionable income includes all income or loss of corporations, other than nonapportionable income as specified in par. (b), including, but not limited to, income, gain or loss from the following sources:

1. Sale of inventory.
2. Farms, mines and quarries.
3. Sale of scrap and by-products.
4. Commissions.
5. Sale of real property or tangible personal property used in the production of business income.
6. Royalties from intangible assets.
7. Redemption of securities.
8. Interest on trade accounts and trade notes receivable.
9. Interest and dividends if the operations of the payer are unitary with those of the payee, or if those operations are not unitary but the investment activity from which that income is derived is an integral part of a unitary business and the payer and payee are neither affiliates nor related as parent company and subsidiary. In this subdivision, "investment activity" includes decision making relating to the purchase and sale of stocks and other securities, investing surplus funds and the management and record keeping associated with corporate investments, not including activities of a broker or other agent in maintaining an investment portfolio.
10. Sale of intangible assets if the operations of the company in which the investment was made were unitary with those of the investing company, or if those operations were not unitary but the investment activity from which that gain or loss was derived is an integral part of a unitary business and the companies were neither affiliates nor related as parent company and subsidiary. In this subdivision, "investment activity" has the meaning given under subd. 9.
11. Management fees.

12. Franchise fees.

13. Treble damages.

14. A partner's share of income or loss from a partnership or a member's share of income or loss from a limited liability company.

16. Foreign exchange gain or loss.

17. Sale of receivables.

18. Rentals of, or royalties from, real property or tangible personal property if that real property or tangible personal property is used in the business.

19. Sale or exchange of petroleum at the wellhead.

20. Personal services performed by employees of the corporation.

21. Patents, copyrights, trademarks, trade names, plans, specifications, blueprints, processes, techniques, formulas, designs, layouts, patterns, drawings, manuals and technical know-how.

22. Redemption of the corporation's bonds.

23. Interest on state and federal tax refunds on business income or business property.

24. Pari-mutuel wager winnings or purses under ch. 562.

(b) *Nonapportionable income.* Income, gain or loss from the sale of nonbusiness real property or nonbusiness tangible personal property, rental of nonbusiness real property or nonbusiness tangible personal property and royalties from nonbusiness real property or nonbusiness tangible personal property are nonapportionable and shall be allocated to the situs of the property, except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state.

(6) **ALLOCATION AND SEPARATE ACCOUNTING AND APPORTIONMENT FORMULA.** Corporations engaged in business within and without the state shall be taxed only on such income as is derived from business transacted and property located within the state. The amount of such income attributable to Wisconsin may be determined by an allocation and separate accounting thereof, when the business of such corporation within the state is not an integral part of a unitary business, but the department of revenue may permit an allocation and separate accounting in any case in which it is satisfied that the use of such method will properly reflect the income taxable by this state. In all cases in which allocation and separate accounting is not permissible, the determination shall be made in the following manner: for all businesses except air carriers, financial organizations, telecommunications companies, pipeline companies, public utilities, railroads, car line companies and corporations or associations that are subject to a tax on unrelated business income under s. 71.26 (1) (a) there shall first be deducted from the total net income of the taxpayer the part thereof (less related expenses, if any) that follows the situs of the property or the residence of the recipient. The remaining net income shall be apportioned to this state by use of the following:

(a) For taxable years beginning before January 1, 2006, an apportionment fraction composed of a sales factor under sub. (9) representing 50 percent of the fraction, a property factor under sub. (7) representing 25 percent of the fraction, and a payroll factor under sub. (8) representing 25 percent of the fraction.

(b) For taxable years beginning after December 31, 2005, and before January 1, 2007, an apportionment fraction composed of a sales factor under sub. (9) representing 60 percent of the fraction, a property factor under sub. (7) representing 20 percent of the fraction, and a payroll factor under sub. (8) representing 20 percent of the fraction.

(c) For taxable years beginning after December 31, 2006, and before January 1, 2008, an apportionment fraction composed of a sales factor under sub. (9) representing 80 percent of the fraction, a property factor under sub. (7) representing 10 percent of the fraction, and a payroll factor under sub. (8) representing 10 percent of the fraction.

(d) For taxable years beginning after December 31, 2007, an apportionment fraction composed of the sales factor under sub. (9).

(e) For taxable years beginning after December 31, 2005, and before January 1, 2008, the apportionment fraction for the remaining net income of a financial organization shall include a sales factor that represents more than 50 percent of the apportionment fraction, as determined by rule by the department. For taxable years beginning after December 31, 2007, the apportionment fraction for the remaining net income of a financial organization is composed of a sales factor, as determined by rule by the department.

Cross-reference: See also ss. [Tax 2.41](#) and [2.505](#), Wis. adm. code.

(6m) APPORTIONMENT FORMULA COMPUTATION. (a) 1. For taxable years beginning before January 1, 2008, if both the numerator and the denominator of the sales factor under sub. (9) related to a taxpayer's remaining net income are zero, the sales factor under sub. (9) is eliminated from the apportionment formula to determine the taxpayer's remaining net income under sub. (6).

2. For taxable years beginning after December 31, 2007, if both the numerator and the denominator of the sales factor under sub. (9) related to a taxpayer's remaining net income are zero, none of the taxpayer's remaining net income is apportioned to this state.

(b) 1. For taxable years beginning before January 1, 2008, if the numerator of the sales factor under sub. (9) related to a taxpayer's remaining net income is a negative number and the denominator of the sales factor under sub. (9) related to a taxpayer's remaining net income is a positive number, a negative number, or zero, the sales factor under sub. (9) is zero.

2. For taxable years beginning after December 31, 2007, if the numerator of the sales factor under sub. (9) related to a taxpayer's remaining net income is a negative number and the denominator of the sales factor under sub. (9) related to a taxpayer's remaining net income is a positive number, a negative number, or zero, none of the taxpayer's remaining net income is apportioned to this state.

(c) 1. For taxable years beginning before January 1, 2008, if the numerator of the sales factor under sub. (9) related to a taxpayer's remaining net income is a positive number and the denominator of the sales factor under sub. (9) related to a taxpayer's remaining net income is zero or a negative number, the sales factor under sub. (9) is one.

2. For taxable years beginning after December 31, 2007, if the numerator of the sales factor under sub. (9) related to a taxpayer's remaining net income is a positive number and the denominator of the sales factor under sub. (9) related to a taxpayer's remaining net income is zero or a negative number, all of the taxpayer's remaining net income is apportioned to this state.

(7) PROPERTY FACTOR. For purposes of sub. (6) and for taxable years beginning before January 1, 2008:

(a) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period. Cash on hand or in the bank, shares of stock, notes, bonds, accounts receivable, or other evidence of indebtedness, special privileges, franchises, goodwill, or

property the income of which is not taxable or is separately allocated, shall not be considered tangible property nor included in the apportionment.

(b) Property used in the production of nonapportionable income or losses shall be excluded from the numerator and denominator of the property factor. Property used in the production of both apportionable and nonapportionable income or losses shall be partially excluded from the numerator and denominator of the property factor so as to exclude, as near as possible, the portion of such property producing the nonapportionable income or loss.

(c) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at 8 times the net annual rental. Net annual rental is the annual rental paid by the taxpayer less any annual rental received by the taxpayer from sub-rentals.

(d) The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the secretary of revenue may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(8) PAYROLL FACTOR. For purposes of sub. (6) and for taxable years beginning before January 1, 2008:

(a) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the tax period.

(b) Compensation is paid in this state if:

1. The individual's service is performed entirely within this state;

2. The individual's service is performed within and without this state, but the service performed without this state is incidental to the individual's service within this state;

3. A portion of the service is performed within this state and the base of operations of the individual is in this state;

4. A portion of the service is performed within this state and, if there is no base of operations, the place from which the individual's service is directed or controlled is in this state;

5. A portion of the service is performed within this state and neither the base of operations of the individual nor the place from which the service is directed or controlled is in any state in which some part of the service is performed, but the individual's residence is in this state; or

6. The individual is neither a resident of nor performs services in this state but is directed or controlled from an office in this state and returns to this state periodically for business purposes and the state in which the individual resides does not have jurisdiction to impose income or franchise taxes on the employer.

(c) Compensation related to the operation, maintenance, protection or supervision of property used in the production of both apportionable and nonapportionable income or losses shall be partially excluded from the numerator and denominator of the payroll factor so as to exclude, as near as possible, the portion of pay related to the operation, maintenance, protection and supervision of property used in the production of nonapportionable income.

(d) In this subsection, compensation includes deductible management or service fees paid to a related corporation as consideration for the performance of personal services, and the situs of those fees is in this state if the services fulfill one of the requirements under par. (b). The recipient of the fees may not include the compensation paid to its employees with respect to personal services in either the numerator or denominator of its payroll factor. Except for management or service fees, payments made to a related corporation, an independent contractor or any person not

properly classifiable as an employee are excluded. In this paragraph, “related corporation” means a corporation which is part of a controlled group as defined in section 267 (f) (1) of the internal revenue code.

(e) If the company has no employees and pays no management or service fees or the department determines that employees are not a substantial income-producing factor and that the management or service fees paid are insubstantial, the department may order or permit the elimination of the payroll factor.

(9) SALES FACTOR. For purposes of sub. (5):

(a) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period. For sales of tangible personal property, the numerator of the sales factor is the sales of the taxpayer during the tax period under par. (b) 1. and 2. plus 100 percent of the sales of the taxpayer during the tax period under pars. (b) 2m. and 3. and (c). For purposes of applying pars. (b) 2m. and 3. and (c), if a taxpayer is within another state’s jurisdiction for income or franchise tax purposes for any part of the taxable year, it is considered to be within that state’s jurisdiction for income or franchise tax purposes for the entire taxable year.

(b) Sales of tangible personal property are in this state if any of the following occur:

1. The property is delivered or shipped to a purchaser, other than the federal government, within this state regardless of the f.o.b. point or other conditions of the sale.

2. The property is shipped from an office, store, warehouse, factory or other place of storage in this state and delivered to the federal government within this state regardless of the f.o.b. point or other conditions of sale.

2m. The property is shipped from an office, store, warehouse, factory or other place of storage in this state and delivered to the federal government outside this state and the taxpayer is not within the jurisdiction, for income or franchise tax purposes, of the destination state.

3. The property is shipped from an office, store, warehouse, factory or other place of storage in this state to a purchaser other than the federal government and the taxpayer is not within the jurisdiction, for income or franchise tax purposes, of the destination state.

(c) Sales of tangible personal property by an office in this state to a purchaser in another state and not shipped or delivered from this state are in this state if the taxpayer is not within the jurisdiction for income tax purposes of either the state from which the property is delivered or shipped or of the destination state.

(df) 1. Gross receipts from the use of computer software are in this state if the purchaser or licensee uses the computer software at a location in this state.

2. Computer software is used at a location in this state if the purchaser or licensee uses the computer software in the regular course of business operations in this state, for personal use in this state, or if the purchaser or licensee is an individual whose domicile is in this state. If the purchaser or licensee uses the computer software in more than one state, the gross receipts shall be divided among those states having jurisdiction to impose an income tax on the taxpayer in proportion to the use of the computer software in those states. To determine computer software use in this state, the department may consider the number of users in each state where the computer software is used, the number of site licenses or workstations in this state, and any other factors that reflect the use of computer software in this state.

(dh) 1. Gross receipts from services are in this state if the purchaser of the service received the benefit of the service in this state.

2. The benefit of a service is received in this state if any of the following applies:

a. The service relates to real property that is located in this state.

b. The service relates to tangible personal property that is delivered directly or indirectly to customers in this state.

c. The service is purchased by an individual who is physically present in this state at the time that the service is received.

d. The service is provided to a person engaged in a trade or business in this state and relates to that person’s business in this state.

3. Except as provided in subd. 4, if the purchaser of a service receives the benefit of a service in more than one state, the gross receipts from the performance of the service are included in the numerator of the sales factor according to the portion of the service received in this state.

4. For taxable years beginning after December 31, 2018, a broadcaster’s gross receipts from advertising are in this state only if the advertiser’s commercial domicile is in this state. With regard to a broadcaster who is a member of a combined group, as defined in s. 71.255 (1) (a), this subdivision does not apply to the gross receipts of the members who are not broadcasters.

(dj) 1. Except as provided in subd. 2m. and par. (dk) Sales of intangible property, excluding securities, are sales in this state if any of the following applies:

1. The purchaser uses the intangible property in the regular course of business operations in this state or for personal use in this state. 2. The department may promulgate rules to administer this paragraph.

(10) RAILROADS, FINANCIAL ORGANIZATIONS AND PUBLIC UTILITIES. (a) 1. In this section, “financial organization” means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, brokerage house, underwriter or any type of insurance company.

2. As used in this section, “financial organization” includes any subsidiary of an entity described in subd. 1., if a significant purpose for the subsidiary is to hold investments or if the subsidiary primarily functions to hold investments.

(b) 1. In this section, for taxable years beginning before January 1, 2006, “public utility” means any business entity described under subd. 2. and any business entity which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications or the production, transmission, sale, delivery, or furnishing of electricity, water or steam the rates of charges for goods or services of which have been established or approved by a federal, state or local government or governmental agency.

2. In this section, for taxable years beginning after December 31, 2005, “public utility” means any business entity providing service to the public and engaged in the transportation of goods and persons for hire, as defined in s. 194.01 (4), regardless of whether or not the entity’s rates or charges for services have been established or approved by a federal, state or local government or governmental agency.

(c) The net business income of railroads, car line companies, pipeline companies, financial organizations, telecommunications companies, air carriers, and public utilities requiring apportionment shall be apportioned pursuant to rules of the department of revenue, but the income taxed is limited to the income derived from business transacted and property located within the state.

(11) DEPARTMENT MAY WAIVE FACTOR. Where, in the case of any corporation engaged in business in and outside of this state and required to apportion its income as provided in sub. (6), it shall be shown to the satisfaction of the department of revenue that the use of any one of the 3 factors provided in sub. (6) gives an unreasonable or inequitable final average ratio because of the fact that such corporation does not employ, to any appreciable extent in its trade or business in producing the income taxed, the factors made use of in obtaining such ratio, this factor may, with the approval of the department of revenue, be omitted in obtaining the final average ratio which is to be applied to the remaining net income. This subsection does not apply to taxable years beginning after December 31, 2007.

(12) DEPARTMENT MAY APPORTION BY RULE. If the income of any such corporation properly assignable to the state of Wisconsin cannot be ascertained with reasonable certainty by the methods under this section, then the same shall be apportioned

and allocated under such rules as the department of revenue may prescribe.

Cross-reference: See also s. [Tax 2.45](#), Wis. adm. code.

(13) UNRELATED BUSINESS TAXABLE INCOME. The unrelated business taxable income of organizations that are subject to tax on that income under s. [71.26 \(1\) \(a\)](#) shall be apportioned under the department of revenue's rules.

(14) ALTERNATIVE ALLOCATION. (a) Upon request by a corporation on or before January 1, 2000, the department of revenue may authorize a corporation or a subsidiary thereof to use or continue to use a different method of apportioning its income to this state for purposes of this subchapter, and may specify the method of apportionment that the corporation or subsidiary shall use. This paragraph is to be used exclusively in the event of a corporate restructuring that would result in an unfair representation of the degree of business activity in this state. In no instance may the alternative method proposed under the new corporate structure result in less franchise or income tax revenue to the state than the current corporate structure is liable for, given the same overall level of sales, payroll and property.

(b) Before the department of revenue grants permission to any corporation to use an alternative method of allocation under par. (a), the department of revenue shall promulgate rules that specify in more detail the circumstances in which that authority may be granted and the kinds of alternative methods that the department may authorize.

(c) At least 14 days before giving final approval to an alternative method of apportionment under par. (a), the department of revenue shall submit the proposed alternative method of apportionment to the cochairpersons of the joint committee for review of administrative rules, together with a description of the proposed alternative and the reasons for the proposed alternative. If, within 14 days after receipt of the proposed alternative method, the cochairpersons of the joint committee for review of administrative rules do not notify the department of revenue that the proposed alternative must be promulgated as an administrative rule in order to be used, the department of revenue may give final approval to the proposed method without promulgating an administrative rule. If the cochairpersons of the joint committee for review of administrative rules notify the department of revenue within 14 days after receipt of the proposed alternative that the proposed alternative must be promulgated as an administrative rule, the proposed alternative may not be used until it is promulgated as an administrative rule under ch. [227](#).

(15) PARTNERSHIPS AND LIMITED LIABILITY COMPANIES. (a) A general or limited partner's share of the numerator and denominator of a partnership's apportionment factors under this section are included in the numerator and denominator of the general or limited partner's apportionment factors under this section.

(b) If a limited liability company is treated as a partnership, for federal tax purposes, a member's share of the numerator and denominator of a limited liability company's apportionment factors under this section are included in the numerator and denominator of the member's apportionment factors under this section.

(16) DISASTER RELIEF WORK. For purposes of the apportionment of any income under this section, the disaster relief work, as defined in s. [323.12 \(5\) \(a\) 3.](#), of an out-of-state business, as defined in s. [323.12 \(5\) \(a\) 6.](#), shall not increase the amount of income apportioned to this state. For purposes of sub. (7), any property brought temporarily into this state by an out-of-state business in connection with performing disaster relief work is not considered property located in this state. For purposes of sub. (8), compensation paid to out-of-state employees, as defined in s. [323.12 \(5\) \(a\) 7.](#), who are performing disaster relief work is not considered compensation paid in this state. For purposes of sub.

Sub. (9) (df) is limited to a "licensee" who uses software in Wisconsin. The provision makes no reference to use of the computer software in this state by a "sub-licensee." In this case, when the defendant taxpayer received royalties from licensing its software to businesses that were not located in this state and that manufactured or assembled computers that incorporated the defendant's software but whose products were used in this state under a sublicense, the royalties were not considered in calculating the defendant's franchise tax liability under this section. The software end-users were not licensees of the defendant. *DOR v. Microsoft Corp.*, [2019 WI App 62, 389 Wis. 2d 350, 936 N.W.2d 160, 18-2024](#).

71.255 Combined reporting. **(1) DEFINITIONS.** In this section:

(a) "Combined group" means the group of all persons whose income and apportionment factors are required to be taken into account under sub. (2) to determine a member's share of the net business income or loss apportionable to this state that is attributable to a unitary business.

(b) "Combined report" means a report in the form and manner prescribed by the department that specifies a combined group's income from the unitary business, apportionment factors attributable to the unitary business, and any other tax return information prescribed by the department.

(c) "Commonly controlled group" means any of the following:

1. A parent corporation and any one or more corporations or chains of corporations that are connected to the parent corporation by direct or indirect ownership by the parent corporation, if the parent corporation owns stock representing more than 50 percent of the voting power of at least one of the connected corporations or if the parent corporation or any of the connected corporations owns stock that cumulatively represents more than 50 percent of the voting power of each of the connected corporations.

2. Any 2 or more corporations if a common owner, regardless of whether the owner is a corporate entity, directly or indirectly owns stock representing more than 50 percent of the voting power of the corporations or connected corporations.

3. Any 2 or more corporations if stock representing more than 50 percent of the voting power in each corporation are interests that cannot be separately transferred.

4. Any 2 or more corporations if stock representing more than 50 percent of the voting power in each corporation is directly owned by, or for the benefit of, family members. In this subdivision, "family member" means an individual related by blood, marriage, or adoption within the 3rd degree of kinship, as computed under s. [990.001 \(16\)](#), or the spouse of such individual.

(d) "Consolidated foreign operating corporation" means a corporation that, for the taxable year, satisfies all of the following conditions:

1. It is a member of a unitary business.

2. It is included in the same federal consolidated return as at least one other corporation in that unitary business.

3. It has active foreign business income, as defined in section 861 (c) (1) B of the Internal Revenue Code, in an amount that is 80 percent or more of the corporation's worldwide income.

(e) “Corporation” means any corporation, as defined in s. 71.22 (1k), wherever located, which if it were doing business in this state would be subject to this chapter. “Corporation” does not include a tax-option corporation.

(f) “Department” means the department of revenue.

(g) “Doing business in this state” has the meaning given in s. 71.22 (1r).

(h) “Domestic” means incorporated, organized, or created in the United States or under the laws of the United States or any state.

(i) “File” has the meaning given in s. 71.22 (2m).

(j) “Foreign” means not incorporated, organized, or created in the United States or under the laws of the United States or any state.

(k) “Intangible expenses” has the meaning given in s. 71.22 (3g) for corporations taxable under this subchapter and the meaning given in s. 71.42 (1sg) for corporations taxable under subch. VII.

(L) “Interest expenses” has the meaning given in s. 71.22 (3m) for corporations taxable under this subchapter and the meaning given in s. 71.42 (1t) for corporations taxable under subch. VII.

(m) “Pass-through entity” means a general or limited partnership, an organization of any kind treated as a partnership for tax purposes under this chapter, a tax-option corporation, a real estate investment trust, a regulated investment company, a real estate mortgage investment conduit, a financial asset securitization investment trust, a trust, or an estate.

(n) “Unitary business” means a single economic enterprise that is made up either of separate parts of a single business entity, of multiple business entities that are related under section 267 or 1563 of the Internal Revenue Code, or of a commonly controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide a synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts. Two or more business entities are presumed to be a unitary business if the businesses have unity of ownership, operation, and use as indicated by a centralized management or a centralized executive force; centralized purchasing, advertising, or accounting; intercorporate sales or leases; intercorporate services, including administrative, employee benefits, human resources, legal, financial, and cash management services; intercorporate debts; intercorporate use of proprietary materials; interlocking directorates; or interlocking corporate officers. In no event and under no circumstances shall the preceding sentence be construed as exclusive of any and all other factors indicative of a unitary business. For purposes of this section, the term “unitary business” shall be broadly construed, to the extent permitted by the U.S. Constitution. The members of a combined group shall be jointly and severally liable for costs, penalties, interests, and taxes associated with the combined report. Any business conducted by a pass-through entity that is owned directly or indirectly by a corporation shall be treated as conducted by the corporation, to the extent of the corporation’s distributive share of the pass-through entity’s income, regardless of the percentage of the corporation’s ownership interest. A business conducted directly or indirectly by one corporation is unitary with that portion of a business conducted by another corporation through its direct or indirect interest in a pass-through entity if there is a synergy and exchange and flow of value between the 2 parts of the business and the 2 corporations are members of the same commonly controlled group.

(2) CORPORATIONS REQUIRED TO USE COMBINED REPORTING.

(a) A corporation, not including a corporation of which all its income is exempt from taxation under s. 71.26 (1) or 71.45 (1), engaged in a unitary business with one or more other corporations in the same commonly controlled group shall report its share of income from that unitary business in the amount determined by a combined report filed by a designated agent of the unitary business, as determined under sub. (7). The combined report shall include the income, determined under sub. (3), and apportionment factor or factors determined under sub. (5), of every corporation in the commonly controlled group that is engaged in the unitary business, except as provided in pars. (b) to (f).

(b) A foreign corporation that is a combined group member shall include in the combined report income that is derived only from sources within the United States as provided in sections 861 to 865 of the Internal Revenue Code. The foreign corporation shall include in the combined report its apportionment factor or factors related only to that income.

(c) 1. Except as provided in par. (d), if 80 percent or more of a corporation’s worldwide income is active foreign business income, the income and apportionment factor or factors of the corporation shall not be included in the combined report, but the corporation shall compute and allocate or apportion its income from the unitary business separately.

2. For purposes of subd. 1., “active foreign business income” means gross income derived from sources outside the United States, as determined in subchapter N of the Internal Revenue Code, including income of a subsidiary corporation, and attributable to the active conduct of a trade or business in a foreign country or in a U.S. possession.

3. For purposes of subd. 2., a corporation is considered a subsidiary if the parent corporation owns, directly or indirectly, stock with at least 50 percent of the total voting power of the corporation and the stock has a value equal to at least 50 percent of the total value of the stock of the corporation.

(d) The combined report of the unitary business of which a consolidated foreign operating corporation is a member shall include, and the separate return filed by the consolidated foreign operating corporation shall exclude, the following amounts, to the extent that they are attributable to the unitary business:

1. An income amount equal to the interest expenses and intangible expenses that are paid, accrued, or incurred by any combined group member to or for the benefit of the consolidated foreign operating corporation, except to the extent such amounts constitute income to the consolidated foreign operating corporation from sources outside the United States under sections 861 to 865 of the Internal Revenue Code.

2. To the extent that the amounts were not included under subd. 1., interest income and income generated from intangible property received or accrued by the consolidated foreign operating corporation, except to the extent such amounts constitute income from sources outside the United States under sections 861 to 865 of the Internal Revenue Code. For purposes of this subdivision, income generated from intangible property includes income related to the direct or indirect acquisition, use, maintenance, management, ownership, sale, exchange, or any other disposition of intangible property; income from factoring transactions or discounting transactions; royalty, patent, technical, and copyright fees; licensing fees; and other similar income.

3. Dividends paid or accrued by a real estate investment trust to the consolidated foreign operating corporation, if the real estate investment trust is not a qualified real estate investment trust as defined in s. 71.22 (9ad) and the dividend income is from sources within the United States under sections 861 to 865 of the Internal Revenue Code.

4. Income of the consolidated foreign operating corporation

that is equal to gains derived from the sale of real or personal property located in the United States.

5. The apportionment factor or factors attributable to the income described in subs. 1. to 4.

(e) Except for the amounts in par. (d), a consolidated foreign operating corporation shall compute and allocate or apportion its income from the unitary business separately.

(f) 1. The department may require that a combined report include the income and associated apportionment factor or factors of any person who is not otherwise included in a combined group under this subsection, but who is a member of a unitary business, in order to reflect proper apportionment of income of the entire unitary business. The department may require that a combined report include the income and associated apportionment factor or factors of persons that are not corporations.

2. If the department determines that the reported income or loss of a member of a combined group engaged in a unitary business with any person not otherwise included in the combined group under this subsection represents an avoidance or evasion of tax by the person or the combined group member, the department may require all or any part of the income or loss and associated apportionment factor or factors of the person be included in or excluded from the combined report for the unitary business or may require the use of a different apportionment factor or factors. The department may require that a combined report include or exclude the income or loss and associated apportionment factor or factors of persons that are not corporations.

3. The authority granted under this paragraph is in addition to, and not a limitation of or dependent on, the provisions in this chapter enacted to prevent tax avoidance or evasion or to clearly reflect the income of any person. Any determination by the department under this paragraph is presumed correct and the person challenging the determination has the burden of proving by clear and convincing evidence that the determination is incorrect.

(2m) ELECTION TO INCLUDE EVERY MEMBER OF COMMONLY CONTROLLED GROUP. (a) The designated agent as provided in sub. (7) may elect, without first obtaining written approval from the department, to include in its combined group every corporation in its commonly controlled group, regardless of whether such corporations are engaged in the same unitary business as the designated agent. Corporations included in the combined group by operation of this election are required to use combined reporting only to the extent described in sub. (2). The commonly controlled group shall calculate its Wisconsin income and apportionment factors as provided under subs. (3), (4), and (5), and all income of all members of the commonly controlled group, whether or not such income would otherwise be subject to apportionment or allocable to a particular state in the absence of an election under this subsection, shall be treated as apportionable income for purposes of the combined report.

(b) The election under this subsection shall be executed by the designated agent on an original, timely filed combined report. Any corporation that becomes includable in the commonly controlled group subsequent to the year of election shall have waived any objection to its inclusion in the combined report.

(c) An election under this subsection shall be binding for and applicable to the taxable year for which it is made and for the next 9 taxable years. An election may be renewed for another 10 taxable years, without prior written approval from the department after it has been in effect for 10 taxable years. The renewal shall be made on an original, timely filed return for the first taxable year after the completion of a 10-year period for which an election under this subsection was in place. An election that is not renewed shall be revoked. In the case of a revocation, a new elec-

tion under this subsection shall not be permitted in any of the immediately following 3 taxable years.

(d) The department may not disregard the tax effect of an election under this subsection, or disallow the election, with respect to any controlled group member or members for any year of the election period.

(3) COMPONENTS OF INCOME SUBJECT TO TAX. Each member is responsible for tax based on its taxable income or loss apportioned or allocated to this state, including:

(a) Its share of any business income apportionable to this state of each of the combined groups of which it is a member, as determined under subs. (4) and (5). For financial organizations, as defined in ss. 71.04 (8) (a) and 71.25 (10) (a), business income includes interest, dividends, and receipts from investments of any kind. For purposes of this section, a financial organization shall treat the expenses associated with an investment as business expenses.

(b) Its share of any business income apportionable to this state of a distinct business activity conducted within and outside the state wholly by the member, as determined under s. 71.25 or 71.45.

(c) Its income from a business conducted wholly by the member entirely within the state. If a combined group consists only of corporations that are conducting business entirely within this state, sub. (4) (f) to (j) applies to those corporations.

(d) Its income sourced to this state from the sale or exchange of capital assets, and from involuntary conversions, as determined under sub. (4) (i).

(e) Its nonbusiness income or loss allocable to this state.

(f) Its income that is realized from the purchase and subsequent sale or redemption of lottery prizes, if the winning tickets were originally bought in this state.

(g) Its income or loss allocated or apportioned in an earlier year, required to be taken into account as state source income or loss during the taxable year, other than a net business loss carry-forward.

(h) Its net business loss carry-forward, as determined under sub. (6).

(4) BUSINESS INCOME OF THE COMBINED GROUP. (a) The business income of a combined group is the sum of the income of each member of the combined group as determined under the Internal Revenue Code, as modified under s. 71.26 or 71.45, and except as provided under pars. (b) to (j). If a unitary business includes income from a pass-through entity, the pass-through entity income to be included in the total income of the combined group shall be the member of the combined group's direct and indirect distributive share of the pass-through entity's unitary business income.

(b) 1. Subtract any apportionable income of a distinct business activity conducted within and outside the state wholly by the member, income from a business conducted wholly by the member entirely within this state, the member's nonbusiness income, the member's income realized from the purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state, and its income allocated or apportioned in an earlier year required to be taken into account as state source income during the taxable year.

2. Add any apportionable expense or loss of a distinct business activity conducted within and outside the state wholly by the member, expense or loss from a business conducted wholly by the member entirely within this state, the member's nonbusiness expense or loss, its loss allocated or apportioned in an earlier year required to be taken into account as state source loss during the taxable year, and its net business loss carry-forward.

(c) For combined group members that are consolidated foreign operating corporations, include only the income described in sub. (2) (d) 2. to 4. A combined group may deduct expenses properly attributable to a consolidated foreign operating corporation's income described in sub. (2) (d) 2. to 4., subject to ss. 71.30 (2) and (2m) and 71.80 (1) (b) and (1m).

(d) The modifications provided under ss. 71.26 (2) (a) 7., 8., and 9. and 71.45 (2) (a) 16., 17., and 18. shall not apply with respect to interest expenses or intangible expenses paid, accrued, or incurred by a combined group member to or for the benefit of a consolidated foreign operating corporation.

(f) Except as provided in sub. (2) (d) 3. and except if the modification under s. 71.26 (3) (j) applies, dividends paid by one combined group member to another shall be, to the extent that the dividends are paid out of the earnings and profits of the unitary business included in the combined report, whether in the current taxable year or in a prior taxable year, subtracted from the income of the recipient. This paragraph does not apply to dividends received from members of the unitary business that were not part of the combined group at the time that the dividends were paid.

(g) Except as otherwise provided by rule, business income or loss from an intercompany transaction between members of the same combined group shall be deferred as provided under U.S. Treasury Regulation 1.1502-13. Upon the occurrence of any of the following events, deferred business income or loss resulting from an intercompany transaction between members of a combined group shall be included in the income of the seller and shall be apportioned as business income or loss recognized immediately before the event:

1. The object of the deferred intercompany transaction is resold by the buyer to an entity that is not a member of the combined group.

2. The object of the deferred intercompany transaction is resold by the buyer to an entity that is a member of the combined group for use outside the unitary business in which the buyer and seller are engaged.

3. The object of the deferred intercompany transaction is converted by the buyer or is otherwise transferred to a use outside the unitary business in which the buyer and seller are engaged.

4. The buyer and seller are no longer members of the same combined group, regardless of whether the members are in the same unitary business.

(h) Limitations that apply to charitable contribution deductions shall be applied as provided under section 170 of the Internal Revenue Code in the manner prescribed by the department by rule, as provided under sub. (11).

(i) Gain or loss from the sale or exchange of capital assets, property described by section 1231 (a) (3) of the Internal Revenue Code, and property subject to an involuntary conversion shall be determined as provided under sections 1211, 1222, and 1231 of the Internal Revenue Code in the manner prescribed by the department by rule, as provided under sub. (11).

(j) Any expense of one member of the combined group that is directly or indirectly attributable to the nonbusiness or exempt income of another member of the unitary business shall be allocated to that other member of the unitary business as corresponding nonbusiness or exempt expense, as appropriate.

(5) MEMBER'S SHARE OF BUSINESS INCOME OF THE COMBINED GROUP. (a) For purposes of this subsection, each member of a combined group is doing business in this state if any member of the combined group is doing business in this state and that business relates to the combined group's unitary business. Except as provided in par. (b), a taxpayer's share of the business income apportionable to this state of each combined group of which it is a member shall be the product of the business income

of the combined group as determined under sub. (4) and the taxpayer's modified sales factor from the combined group, determined as follows:

1. For a member that is subject to apportionment under s. 71.25 (9), the numerator of the modified sales factor includes the member's sales associated with the combined group's unitary business in this state. Sales under s. 71.25 (9) (b) 2m. and 3. and (c) shall be included in the numerator of the modified sales factor if no member of the combined group is within the jurisdiction of the destination state for income or franchise tax purposes.

2. For a member that is subject to apportionment using a receipts factor under the department's rules pursuant to s. 71.25 (10), the numerator of the modified sales factor includes the member's Wisconsin receipts associated with the combined group's unitary business in this state, as provided by such rules.

3. For a member that is subject to apportionment under s. 71.45 (3), the numerator of the modified sales factor includes the member's premiums that are associated with the combined group's unitary business in this state.

4. The denominator of the modified sales factor shall include the denominator of the sales factor for each combined group member described in subd. 1., the denominator of the receipts factor for each combined group member described in subd. 2., and the denominator of the premiums factor for each combined group member described in subd. 3.

5. For a member that is required under the department's rules to use an apportionment factor or factors other than the sales factor, receipts factor, or premiums factor, the numerator of the modified sales factor for such member is its Wisconsin apportionment percentage on a separate entity basis based on the rules prescribed by the department, multiplied by the member's total sales, as defined in s. 71.25 (9) (e) and (f). The denominator of the modified sales factor for such member is the member's total sales as defined in s. 71.25 (9) (e) and (f).

6. The numerator and denominator, described in subds. 1. to 5., shall include the sales, receipts, or premiums of pass-through entities that are owned directly or indirectly by a corporation in proportion to a ratio the numerator of which is the amount of the corporation's distributive share of the pass-through entity's unitary business income included in the income of the combined group under sub. (4) and the denominator of which is the amount of the pass-through entity's total unitary business income.

7. The modified sales factor shall exclude transactions between members of the same combined group.

8. For purposes of determining the numerator of the modified sales factor or any apportionment factor or factors determined under par. (b), a taxpayer is considered to be within the jurisdiction for income or franchise tax purposes of any state in which any member of its combined group is within the jurisdiction for income or franchise tax purposes.

(b) If 2 or more members of a combined group would in the absence of this section be required to use differing apportionment formulas from one another, and if the business income of the combined group derived from business transacted in this state of that combined group cannot be ascertained with reasonable certainty by use of the modified sales factor as provided in par. (a), the combined group may petition the department to use a different apportionment computation for the combined report. This paragraph does not apply if less than 30 percent of the business income of the combined group would in the absence of this section be required to be apportioned using a factor or factors other than a single sales factor, a single receipts factor, or a single premiums factor. The department shall deny the petition if the taxpayer cannot show, by clear and convincing evidence, that the apportionment methods described in this subsection do not clearly

reflect the income of the unitary business attributable to this state.

(6) CREDITS, NET BUSINESS LOSSES, AND POST-APPORTIONMENT DEDUCTIONS. (a) Except as provided in pars. (b), (bm), and (c) no tax credit, Wisconsin net business loss carry-forward, or other post-apportionment deduction earned by one member of the combined group, but not fully used by or allowed to that member, may be used in whole or in part by another member of the combined group or applied in whole or in part against the total income of the combined group. A member of a combined group may use a carry-forward of a credit, Wisconsin net business loss carry-forward, or other post-apportionment deduction otherwise allowable under s. 71.26 or 71.45, that was incurred by that same member in a taxable year beginning before January 1, 2009.

(b) 1. Subject to the limitations provided under s. 71.26 (3) (n), for each taxable year that a corporation has a net business loss carry-forward, as provided under s. 71.26 (4) or 71.45 (4), that was computed on a combined report for a combined group's unitary business for a taxable year beginning on or after January 1, 2009, the corporation may, after using such net business loss carry-forward to offset its own income for the taxable year, use any remaining net business loss carry-forward to offset the income of all other members of the combined group on a proportionate basis, to the extent such income is attributable to that same unitary business.

2. Unless otherwise provided by the department by rule, if the corporation may no longer be included in the combined group, as determined under this section, the corporation's net business loss carry-forward shall be available only to that corporation.

(bm) 1. In this paragraph, "pre-2009 net business loss carry-forward" means a corporation's total net Wisconsin business loss carry-forward computed under s. 71.26 (4) or 71.45 (4) as of the beginning of its first taxable year that begins after December 31, 2008, but not used by the corporation in any taxable year beginning before January 1, 2012.

2. Starting with the first taxable year beginning after December 31, 2011, and for each of the 19 subsequent taxable years, and subject to the limitations provided under s. 71.26 (3) (n), for each taxable year that a corporation that is a member of a combined group has pre-2009 net business loss carry-forward, the corporation may, after using the pre-2009 net business loss carry-forward to offset its own income for the taxable year, and after using shareable losses to offset its own income for the taxable year, as provided under par. (b) 1., use up to 5 percent of the pre-2009 net business loss carry-forward, until used or expired, to offset the Wisconsin income of all other members of the combined group on a proportionate basis, to the extent such income is attributable to the unitary business. If the full 5 percent of such pre-2009 net business loss carry-forward cannot be fully used to offset the Wisconsin income of all other members of the combined group, the remainder may be added to the portion that may offset the Wisconsin income of all other members of the combined group in a subsequent year, until it is completely used or expired, except that unused pre-2009 net business loss carry-forwards may not be used in any taxable year that begins after December 31, 2031.

3. Unless otherwise provided by the department by rule, if the corporation may no longer be included in the combined group, as determined under this section, the corporation's pre-2009 net business loss carry-forward shall be available only to that corporation.

4. The department shall promulgate rules to administer this paragraph.

(c) 1. Subject to the limitations provided under s. 71.26 (3)

(n), for each taxable year that a corporation that is a member of a combined group has an unused credit or credit carry-forward under s. 71.28 (4) or (5) or 71.47 (4) or (5), the corporation may, after using that credit or credit carry-forward to offset its own tax liability for the taxable year, use that credit or credit carry-forward to offset the tax liability of all other members of the combined group on a proportionate basis, to the extent such tax liability is attributable to the unitary business.

2. Unless otherwise provided by the department by rule, if the corporation may no longer be included in the combined group, as determined by this section, the corporation's unused credits shall be available only to that corporation.

(7) DESIGNATED AGENT. (a) Each combined group shall have one designated agent. Except as prescribed by the department by rule, the designated agent is the parent corporation of the combined group. If there is no such parent corporation, the designated agent may be appointed in the manner prescribed by the department.

(b) Except as prescribed by the department, only the designated agent may act on behalf of the members of the combined group for matters relating to the combined report. The designated agent's responsibilities include:

1. Filing a combined report under sub. (2) (a).
2. Filing any extension under s. 71.24 or 71.44.
3. Filing any amended combined reports or claims for refunds or credits.
4. Sending and receiving all correspondence with the department regarding the combined report.
5. Remitting all taxes, including estimated taxes, to the department. For purposes of computing interest on late payments, all payments remitted are deemed to be made on a pro rata basis by all members of the combined group, unless otherwise specified by the designated agent.
6. Participating on behalf of the combined group members in any investigation or hearing requested by the department regarding a combined report, producing all information requested by the department regarding the combined report, and filing any appeal related to the combined report, investigation, or hearing. Any appeal filed by the designated agent shall be considered to be filed by all members of the combined group.
7. Executing waivers, closing agreements, powers of attorney, and other documents as necessary or required regarding the combined report filed under sub. (2) (a). Any waiver, agreement, power of attorney, or document executed by the designated agent relating to a combined report shall be considered as executed by all members of the combined group, including any corporation not included in the combined report that the department asserts is a member of the combined group.
8. Receiving notices regarding the combined report. Any such notice the designated agent receives is considered received by all members of the combined group.
9. Receiving refunds relating to the combined report. Any such refund shall be paid to and in the name of the designated agent and shall discharge any liability of the state to any member of the combined group regarding the refund.

10. Other responsibilities as determined by rule by the department.

(8) TAXABLE YEAR OF COMBINED GROUP. The combined group's taxable year is determined as follows:

(a) If 2 or more members of a combined group file a federal consolidated return, the combined group's taxable year is the taxable year of the federal consolidated group. In all other cases, the taxable year is the taxable year of the designated agent under sub. (7).

(b) If a taxable year of a member of a combined group differs from the taxable year of the combined group, the designated agent shall elect to determine the portion of that member's income to be included in one of the following ways:

1. A separate income statement prepared from the books and records for the months included in the combined group's taxable year.

2. Including all of the income for the year that ends during the combined group's taxable year.

(c) For corporations that are subject to an election under par. (b), the same election shall be made for each member of the combined group subject to the election, the same election shall be made in each succeeding year, and the election is irrevocable except upon written approval by the department.

(9) PART-YEAR MEMBERS OF A COMBINED GROUP. If a corporation becomes a member of a combined group or ceases to be a member of a combined group after the beginning of the taxable year of the combined group, the corporation's income shall be determined as provided under subs. (3), (4), and (5) for the portion of the year in which the corporation was a member of the combined group and that income shall be included in the combined report. The income for the remaining short period shall be reported on a separate return or separate combined report.

(10) TRANSITION. The department shall deem timely paid the estimated tax payments attributable to income includable in the combined report for installments that become due during the period beginning on January 1, 2009, and ending on March 6, 2009, provided that such estimated tax payments are paid by the next installment due date that follows in sequence following March 6, 2009. However, if the next installment due date that follows in sequence following March 6, 2009, is less than 45 days after March 6, 2009, such estimated tax payments, in addition to the payment due less than 45 days after March 6, 2009, shall be deemed timely paid if paid by the next subsequent installment due date.

(11) CONFORMITY WITH FEDERAL CONSOLIDATED RETURN REGULATIONS. The department may promulgate any rules necessary to create uniformity between the treatment of transactions entered into by members of a federal consolidated group under federal regulations, including any income, expense, gain, or loss limitations applicable to such transactions, and treatment of transactions entered into by members of a combined group under this section, including any income, expense, gain, or loss limitations applicable to such transactions.

2. So that payments for rent may be deducted only if the amount paid, together with the names and addresses of the parties to whom rent has been paid, is reported as provided under s. 71.70 (2).

3. So that payments for wages, salaries, bonuses, interest or other expenses paid to an entertainer or entertainment corporation may be deducted only if the corporation complies with ss. 71.63 (3) (b), 71.64 (4) and (5) and 71.80 (15) (e).

In this paragraph, "wholly exempt income", for corporations subject to franchise or income taxes, includes amounts received from affiliated or subsidiary corporations for interest, dividends or capital gains that, because of the degree of common ownership, control or management between the payor and payee, are not subject to taxes under this chapter. In this paragraph, "wholly exempt income", for corporations subject to income taxation under this chapter, also includes interest on obligations of the United States. In this paragraph, "wholly exempt income" does not include income excludable, not recognized, exempt or deductible under specific provisions of this chapter. If any expense or amount otherwise deductible is indirectly related both to wholly exempt income or loss and to other income or loss, a reasonable proportion of the expense or amount shall be allocated to each type of income or loss, in light of all the facts and circumstances. This paragraph does not apply to the exclusion under par. (ag) 2., 3., or 4.

(ym) 1. Except as provided in subd. 2., starting with the first taxable year beginning after December 31, 2013, and for each of the next 4 taxable years, a corporation shall subtract 20 percent of the amount determined by subtracting the combined federal adjusted basis of all depreciated or amortized assets as of the last day of the taxable year beginning in 2013 that are also being depreciated or amortized for Wisconsin from the combined Wisconsin adjusted basis of those assets on the same day.

2. If any taxable year for which the modification under subd. 1. is required is a fractional year under s. 71.24 (6) (c), the difference between the modification allowed for the fractional year and the modification allowed for the 12-month taxable year shall be a modification for the first taxable year beginning after December 31, 2018.

For purposes of this subsection, Wisconsin net business income or loss shall consist of all the income attributable to the operation of a trade or business in this state, less the business expenses allowed as deductions in computing net income. The Wisconsin net business income or loss of corporations engaged in business within and without the state shall be determined under s. 71.25 (6) and (10) to (12). The credit received under this paragraph may not exceed 75 percent of the contribution to the community development finance authority.

(b) Any corporation receiving a credit under this subsection may carry forward to the next succeeding 15 taxable years the amount of the credit not offset against taxes for the year of purchase to the extent not offset by those taxes otherwise due in all intervening years between the year for which the credit was computed and the year for which the carry-forward is claimed.

(c) A claimant who has filed a timely claim under this subsection may file an amended claim with the department of revenue within 4 years of the last day prescribed by law for filing the original claim.

(1dm) DEVELOPMENT ZONE CAPITAL INVESTMENT CREDIT.

(a) In this subsection:

1. “Certified” means entitled under s. 238.395 (3) (a) 4., or s. 560.795 (3) (a) 4., 2009 stats., to claim tax benefits or certified under s. 238.395 (5) or 238.398 (3) or s. 560.795 (5), 2009 stats., or s. 560.798 (3), 2009 stats.

4. “Previously owned property” means real property that the claimant or a related person owned during the 2 years prior to the department of commerce or the Wisconsin Economic Development Corporation designating the place where the property is located as a development zone and for which the claimant may not deduct a loss from the sale of the property to, or an exchange of the property with, the related person under section 267 of the Internal Revenue Code, except that section 267 (b) of the Internal Revenue Code is modified so that if the claimant owns any part of the property, rather than 50 percent ownership, the claimant is subject to section 267 (a) (1) of the Internal Revenue Code for purposes of this subsection.

(b) Subject to the limitations provided in this subsection and in s. 73.03 (35), for any taxable year for which the claimant is certified, a claimant may claim as a credit against the taxes imposed under s. 71.23 an amount that is equal to 3 percent of the following:

1. The purchase price of depreciable, tangible personal property.

2. The amount expended to acquire, construct, rehabilitate, remodel, or repair real property in a development zone.

(c) A claimant may claim the credit under par. (b) 1., if the tangible personal property is purchased after the claimant is certified and the personal property is used for at least 50 percent of its use in the claimant’s business at a location in a development zone or, if the property is mobile, the property’s base of operations for at least 50 percent of its use is at a location in a development zone.

(d) A claimant may claim the credit under par. (b) 2. for an amount expended to construct, rehabilitate, remodel, or repair

real property, if the claimant began the physical work of construction, rehabilitation, remodeling, or repair, or any demolition or destruction in preparation for the physical work, after the place where the property is located was designated a development zone, or if the completed project is placed in service after the claimant is certified. In this paragraph, “physical work” does not include preliminary activities such as planning, designing, securing financing, researching, developing specifications, or stabilizing the property to prevent deterioration.

(e) A claimant may claim the credit under par. (b) 2. for an amount expended to acquire real property, if the property is not previously owned property and if the claimant acquires the property after the place where the property is located was designated a development zone, or if the completed project is placed in service after the claimant is certified.

(f) No credit may be allowed under this subsection unless the claimant includes with the claimant’s return:

(h) The carry-over provisions of sub. (4) (e) and (f) as they relate to the credit under sub. (4) relate to the credit under this subsection.

(hm) A claimant may claim the credit under this subsection, including any credits carried over, against the amount of the tax otherwise due under this subchapter.

(i) Partnerships, limited liability companies, and tax-option corporations may not claim the credit under this subsection, but the eligibility for, and the amount of, that credit shall be determined on the basis of their economic activity, not that of their shareholders, partners, or members. The corporation, partnership, or limited liability company shall compute the amount of credit that may be claimed by each of its shareholders, partners, or members and provide that information to its shareholders, partners, or members. Partners, members of limited liability companies, and shareholders of tax-option corporations may claim the credit based on the partnership’s, company’s, or corporation’s activities in proportion to their ownership interest and may offset it against the tax attributable to their income from the partnership’s, company’s, or corporation’s business operations in the development zone; except that partners, members, and shareholders in a development zone under s. 238.395 (1) (e) or s. 560.795 (1) (e), 2009 stats., may offset the credit against the amount of the tax attributable to their income.

(j) If a person who is entitled under s. 238.395 (3) (a) 4. or s. 560.795 (3) (a) 4., 2009 stats., to claim tax benefits becomes ineligible for such tax benefits, or if a person’s certification under s. 238.395 (5) or 238.398 (3) or s. 560.795 (5), 2009 stats., or s. 560.798 (3), 2009 stats., is revoked, that person may claim no credits under this subsection for the taxable year that includes the day on which the person becomes ineligible for tax benefits, the taxable year that includes the day on which the certification is revoked, or succeeding taxable years, and that person may carry

over no unused credits from previous years to offset tax under this chapter for the taxable year that includes the day on which the person becomes ineligible for tax benefits, the taxable year that includes the day on which the certification is revoked, or succeeding taxable years.

(k) If a person who is entitled under s. 238.395 (3) (a) 4. or s. 560.795 (3) (a) 4., 2009 stats., to claim tax benefits or certified under s. 238.395 (5) or 238.398 (3) or s. 560.795 (5), 2009 stats., or s. 560.798 (3), 2009 stats., ceases business operations in the development zone during any of the taxable years that that zone exists, that person may not carry over to any taxable year following the year during which operations cease any unused credits from the taxable year during which operations cease or from previous taxable years.

2. Notwithstanding s. 71.77, the department may adjust or disallow the credit claimed under this subsection within 4 years after the date that the state historical society notifies the department that the expenditures for which the credit was claimed do not comply with the standards for certification promulgated under s. 44.02 (24). If the department adjusts or disallows, in whole or in part, a credit transferred under par. (h) Any person, including a nonprofit entity described in section 501 (c) (3) of the Internal Revenue Code, may sell or otherwise transfer the credit under par. (a) 2m. or 3., in whole or in part, to another person who is subject to the taxes imposed under s. 71.02, 71.23, or 71.43, if the person notifies the department of the transfer, and submits with the notification a copy of the transfer documents, and the department certifies ownership of the credit with each transfer. The transferor may file a claim for more than one taxable year on a form prescribed by the department to compute all years of the credit under par. (a) 2m. or 3., at the time

of the transfer request. The transferee may first use the credit to offset tax in the taxable year of the transferor in which the transfer occurs, and may use the credit only to offset tax in taxable years otherwise allowed to be claimed and carried forward by the original claimant.

(i) If a person who claims a credit under this subsection and a credit under section 47 of the Internal Revenue Code for the same qualified rehabilitation expenditures is required to repay any amount of the credit claimed under section 47 of the Internal Revenue Code, the person shall repay to the department a proportionate amount of the credit claimed under this subsection.

If a corporation or virtually exempt entity claims a refund on any tax return and, concurrent with or subsequent to filing the return upon which that refund is claimed, is required to pay an estimated tax, and at the time of paying that tax the refund has not been paid, the corporation or virtually exempt entity may deduct the amount of that refund from the first installment of estimated taxes and may deduct any excess from the succeeding installments.

(3m) REFUNDS. The department of revenue may refund estimated taxes after the completion of the taxable year to which the estimated taxes relate if the refund is at least 10 percent of the taxes estimated for that taxable year and is at least \$500. A refund under this subsection may be subject to s. 71.84 (2) (c).

(4) PREPAYMENTS. Any installment of the estimated tax under this section may be paid before the due date.

(5) SHORT YEAR. Application of this section to taxable years of less than 12 full months shall be made under the department of revenue’s rules.

Cross-reference: See also s. Tax 2.89, Wis. adm. code.

(6) OVERPAYMENTS. If the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of that payment, the overpayment shall be credited against the next unpaid installment.

(7) EXCEPTION TO INTEREST. No interest is required under s. 71.84 (2) (a) or (b) for a corporation or virtually exempt entity if any of the following conditions apply:

(a) The tax shown on the return or, if no return is filed, the tax is less than \$500.

(b) The preceding taxable year was 12 months, the corpora-

tion or virtually exempt entity had no liability under s. 71.125 or 71.23 (1) or (2) for that year and, except for a corporation making an election under s. 71.365 (4m) (a), the corporation or virtually exempt entity has a Wisconsin net income of less than \$250,000 for the current taxable year.

(c) For taxable years beginning after December 31, 2008, the taxpayer qualifies for a federal extension of time to file under 26 USC 7508A due to a presidentially declared disaster or terroristic or military action.

(d) The taxpayer has underpaid the taxpayer’s estimated taxes due to the change in the percentage under s. 71.28 (5n) (b) 3. This paragraph applies only to taxable years beginning after December 31, 2014, and before January 1, 2016.

(8) INSTALLMENT DUE DATES. Taxpayers shall make estimated payments in 4 installments, on or before the 15th day of each of the following months:

(a) The 4th month of the taxable year, except that a taxpayer whose taxable year begins in April shall pay the installment in the 3rd month of the taxable year.

(b) The 6th month of the taxable year.

(c) The 9th month of the taxable year.

(d) The 12th month of the taxable year.

(9) INSTALLMENT AMOUNTS; INCOME OF LESS THAN \$250,000. (a) For corporations or virtually exempt entities that have Wisconsin net incomes of less than \$250,000, except as provided in pars. (b) and (c), the amount of each installment required under sub. (8) is 25 percent of the lower of the following amounts:

1. Ninety percent of the tax shown on the return for the taxable year or, if no return is filed, 90 percent of the tax for the taxable year.

2. The tax shown on the return for the preceding year.

(b) Paragraph (a) 2. does not apply if the preceding taxable year was less than 12 months or if the corporation did not file a return for the preceding year.

(c) If 22.5 percent for the first installment, 45 percent for the 2nd installment, 67.5 percent for the 3rd installment and 90 percent for the 4th installment of the tax for the taxable year computed by annualizing, under methods prescribed by the department of revenue, the corporation’s income, or the virtually exempt entity’s unrelated business taxable income, for the months in the taxable year ending before the installment’s due date is less than the installment required under par. (a), the corporation or virtually exempt entity may pay the amount under this paragraph rather than the amount under par. (a). For purposes of computing annualized income under this paragraph, the apportionment percentage computed under s. 71.25 (6) and (10) to (12) from the return filed for the previous taxable year may be used if that return was filed with the department of revenue on or before the due date of the installment for which the income is being annualized and if the apportionment percentage on that previous year’s return was greater than zero. For purposes of computing annualized income of corporations that are subject to a tax under this chapter on unrelated business taxable income, as defined under section 512 of the internal revenue code, and virtually exempt entities, the taxpayer’s income for the months in the taxable year ending before the date one month before the due date for the installment shall be used. Any corporation or virtually exempt entity that pays an amount calculated under this paragraph shall increase the next installment computed under par. (a) by an amount equal to the difference between the amount paid under this paragraph and the amount that would have been paid under par. (a).

(10) INSTALLMENT AMOUNTS; INCOME OF \$250,000 OR MORE. (a) Except as provided in pars. (c) and (d), for corpora-

tions or virtually exempt entities that have Wisconsin net incomes of \$250,000 or more, the amount of each installment required under sub. (8) is 25 percent of the amount under par. (b).

(b) Ninety percent of the tax shown on the return for the taxable year or, if no return is filed, 90 percent of the tax for the taxable year.

(c) If 22.5 percent for the first installment, 45 percent for the 2nd installment, 67.5 percent for the 3rd installment and 90 percent for the 4th installment of the tax for the taxable year computed by annualizing, under methods prescribed by the department of revenue, the corporation's income, or the virtually exempt entity's unrelated business taxable income, for the months in the taxable year ending before the installment's due date is less than the installment required under par. (a), the corporation or virtually exempt entity may pay the amount under this paragraph rather than the amount under par. (a). For purposes of computing annualized income under this paragraph, the apportionment percentage computed under s. 71.25 (6) and (10) to (12) from the return filed for the previous taxable year may be used if that return is filed with the department of revenue on or before the due date of the installment for which the income is being annualized and the apportionment percentage on that previous year's return is greater than zero or may be used if that return is filed with the department of revenue on or before the due date of the 3rd installment, the apportionment percentage on that previous year's return is greater than zero and the apportionment percentage used in the computation of the first 2 installments is not less than the apportionment percentage on that previous year's return. For purposes of computing annualized income of corporations that are subject to a tax under this chapter on unrelated business taxable income, as defined under section 512 of the internal revenue code, and virtually exempt entities, the taxpayer's income for the months in the taxable year ending before the date one month before the due date for the installment shall be used. Any corporation or virtually exempt entity that pays an amount calculated under this paragraph shall increase the next installment computed under par. (a) by an amount equal to the difference between the amount paid under this paragraph and the amount that would have been paid under par. (a).

(d) For a corporation making an election under s. 71.365 (4m) (a), the amount of the installments required under sub. (8) shall be determined according to sub. (9) (a).

(11) EXCEPTION TO FINAL INSTALLMENT. If a corporation or virtually exempt entity files a return for a calendar year on or before January 31 of the succeeding calendar year (or if a corporation or virtually exempt entity on a fiscal year basis files a return on or before the last day of the first month immediately succeeding the close of such fiscal year) and pays in full at the time of such filing the amount computed on the return as payable, then, if estimated taxes are not required to be paid on or before the 15th day of the 9th month of the taxable year but are required to be paid on or before the 15th day of the 12th month of the taxable year, such return shall be considered as payment.

71.30 General provisions. (1) ACCOUNTING METHOD. (a) A corporation shall use a method of accounting authorized under the internal revenue code and shall use the same method used for federal income tax purposes if that method is authorized under the internal revenue code.

(b) A corporation that changes its method of accounting while subject to taxation under this chapter shall make the adjustments required under the internal revenue code, except that in the last year that a corporation is subject to taxation under this chapter it

shall take into account all of the remaining adjustments required by this chapter because of a change in method of accounting.

(2) ALLOCATION OF GROSS INCOME, DEDUCTIONS, CREDITS BETWEEN 2 OR MORE BUSINESSES. In any case of 2 or more organizations, trades or businesses (whether or not incorporated, whether or not organized in the United States, whether or not affiliated, and whether or not unitary) owned or controlled directly or indirectly by the same interests, the secretary or his or her delegate may distribute, apportion or allocate gross income, deductions, credits or allowances between or among such organizations, trades or businesses, if he or she determines that such distribution, apportionment or allocation is necessary in order to prevent evasion of taxes or clearly to reflect the income of any of such organizations, trades or businesses. The authority granted under this subsection is in addition to, and not a limitation of or dependent on, the provisions of ss. 71.05 (6) (a) 24. and (b) 45., 71.26 (2) (a) 7. and 8., 71.34 (1k) (j) and (k), 71.45 (2) (a) 16. and 17., and 71.80 (23).

(2m) TRANSACTIONS WITHOUT ECONOMIC SUBSTANCE. (a) If any person, directly or indirectly, engages in a transaction or series of transactions without economic substance to create a loss or to reduce taxable income or to increase credits allowed in determining Wisconsin tax, the department shall determine the amount of a taxpayer's taxable income or tax so as to reflect what would have been the taxpayer's taxable income or tax if not for the transaction or transactions without economic substance causing the reduction in taxable income or tax.

(b) A transaction has economic substance only if the transaction is treated as having economic substance as determined under section 7701 (o) of the Internal Revenue Code, except that the tax effect shall be determined using federal, state, local, or foreign taxes, rather than only the federal income tax effect.

(c) With respect to a transaction between members of a controlled group, as defined in section 267 (f) (1) of the Internal Revenue Code, the transaction shall be presumed to lack economic substance, and the taxpayer shall bear the burden of establishing by clear and satisfactory evidence that the transaction or the series of transactions between the taxpayer and one or more members of the controlled group has economic substance.

(4) DEFENSE CONTRACT RENEGOTIATION. If the renegotiation or price redetermination of any corporation defense contract or subcontract by the government of the United States or any agency thereof or the voluntary adjustment of prices, costs or profits on any such contract or subcontract results in a reduction of income, the amount of any repayment or credit pursuant to such renegotiation, price redetermination or adjustment, including any federal income taxes credited as a part thereof, shall be allowed as a deduction from the corporate taxable income of the year in which said income was reported for taxation. Any federal income tax previously paid upon any income so repaid or credited shall be disallowed as a deduction from income of the year in which such tax was originally deducted, to the extent that such tax constituted an allowable deduction for said year. Any corporate taxpayer affected by such renegotiation, price redetermination or voluntary adjustment may within one year after the final determination thereof file a claim for refund and secure the same without interest, and the department of revenue shall make appropriate adjustments on account of said tax deductions without interest, notwithstanding the limitations of s. 71.75 or other applicable statutes.

(5) DISC INCOME COMBINING. In the case of a parent corporation, its DISC or affiliate, the net income of a DISC derived from business transacted with its parent shall be combined with the income of the parent corporation and the net income of a DISC derived from business transacted with the parent's affiliated corporation shall be combined with the net income of the affiliated corporation to determine the amount of income subject to taxation under this chapter for the DISC, the parent corporation or the affiliate of the parent corporation as separate taxable entities. The net income of the parent corporation shall not include dividends received from the DISC paid from income previously combined for taxation under this subsection. "DISC" (domestic international sales corporation) has the meaning specified in section 992 of the internal revenue code as amended to December 31, 1979. For purposes of this subsection, a corporation is affiliated if at least 50 percent of its total combined voting stock is owned directly or indirectly by its parent corporation.

(6) INSTALLMENT METHOD; DISTRIBUTIONS AND FINAL YEAR. A corporation entitled to use the installment method of accounting shall take the unreported balance of gain on all installment obligations into income in the taxable year of their distribution, transfer or acquisition by another person or for the final taxable

year for which it files or is required to file a return under this chapter, whichever year occurs first.

(7) PENALTIES. Unless specifically provided in this subchapter, the penalties under subch. XIII apply for failure to comply with the provisions of this subchapter unless the context requires otherwise.

(8) PRICING EFFECT ON TAXABLE INCOME. (a) When any corporation liable to taxation under this chapter conducts its business in such a manner as either directly or indirectly to benefit the members or stockholders thereof or any person interested in such business, by selling its products or the goods or commodities in which it deals at less than the fair price which might be obtained therefor, or where a corporation, a substantial portion of whose capital stock is owned either directly or indirectly by another corporation, acquires and disposes of the products of the corporation so owning a substantial portion of its stock in such a manner as to create a loss or improper net income, the department may determine the amount of taxable income to such corporation for the calendar or fiscal year, having due regard to the reasonable profits which but for such arrangement or understanding might or could have been obtained from dealing in such products, goods or commodities.

(b) For the purpose of this chapter, if a corporation which is required to file an income or franchise tax return is affiliated with or related to any other corporation through stock ownership by the same interests or as parent or subsidiary corporations or has income that is regulated through contract or other arrangement, the department of revenue may require such consolidated statements as in its opinion are necessary in order to determine the taxable income received by any one of the affiliated or related corporations or to determine whether the corporations are a unitary business.

(9) RESERVE ACCOUNT TRANSFER TO SURPLUS. If any transfer of a reserve or other account or portion thereof is in effect a transfer to surplus, so much of such transfer as had been accumulated through deductions from the gross or taxable income of the years open to audit under s. 71.74 (1) and (2) shall be included in the gross or taxable income of such years, and so much of such transfer as has been accumulated through deductions from the gross or taxable income of the years following January 1, 1911, and not open to audit under s. 71.74 (1) and (2) shall be included in the gross or taxable income of the year in which such transfer was effected.

1. "Conservation fund" means the fund under s. 25.29.
2. 3. 'Designation deducted from refund.' Except as provided under par. (d), and subject to ss. 71.75 (9) and 71.80 (3), if the corporation is owed a refund, the department shall deduct the amount designated on the return for the endangered resources program from the amount of the refund.

(c) *Errors; failure to remit correct amount.* 1. 'Reduced designation.' If a corporation remits an amount that exceeds the tax due, after error corrections, but that is less than the total of the tax due, after error corrections, and the amount that is designated by the corporation on the return for the endangered resources program, the department shall reduce the designation for the endangered resources program to reflect the amount remitted that exceeds the tax due, after error corrections.

2. 'Void designation.' The designation for the endangered resources program is void if the corporation remits an amount equal to or less than the tax due, after error corrections.

(d) *Errors; insufficient refund.* If a corporation is owed a refund that is less than the amount designated on the return for the endangered resources program, after attachment and crediting under ss. 71.75 (9) and 71.80 (3) and after error corrections, the department shall reduce the designation for the endangered resources program to reflect the actual amount of the refund the corporation is otherwise owed.

(e) *Conditions.* If a corporation places any conditions on a designation for the endangered resources program, the designation is void.

(f) *Void designation.* If a designation for the endangered resources program is void, the department shall disregard the designation and determine the amounts due, owed, refunded and received.

3. The net amount remaining after the administrative costs under subd. 1. are subtracted from the total received under subd. 2.

(i) *Appropriations.* From the moneys received from designations for the endangered resources program, an amount equal to the sum of administrative expenses certified under par. (h) 1. shall be deposited into the general fund and credited to the appropriation under s. 20.566 (1) (hp), and the net amount remaining certified under par. A refund granted by the department under this paragraph shall be deducted from the moneys received under this subsection in the fiscal year that the refund is certified under s. 71.75 (7).

(11) **VETERANS TRUST FUND.** (a) *Definitions.* In this subsection, "veterans trust fund" means the fund under s. 25.36.

(b) *Voluntary payments.* 1. 'Designation on return.' A corporation filing an income or franchise tax return may designate on the return any amount of additional payment or any amount of a refund that is due the corporation as a donation to the veterans trust fund to be used for veterans programs under s. 25.36 (1).

2. 'Designation added to tax owed.' If the corporation owes any tax, the corporation shall remit in full the tax due and the amount designated on the return as a donation to the veterans trust fund when the corporation files a tax return.

3. 'Designation deducted from refund.' Except as provided under par. (d), and subject to ss. 71.75 (9) and 71.80 (3), if the corporation is owed a refund, the department shall deduct the amount designated on the return as a donation to the veterans trust fund from the amount of the refund.

(c) *Errors; failure to remit correct amount.* 1. 'Reduced designation.' If a corporation remits an amount that exceeds the tax due, after error corrections, but that is less than the total of the tax due, after error corrections, and the amount designated by the corporation on the return as a donation to the veterans trust fund, the department shall reduce the designation to reflect the amount remitted that exceeds the tax due, after error corrections.

2. 'Void designation.' The designation for a donation to the veterans trust fund is void if the corporation remits an amount equal to or less than the tax due, after error corrections.

(d) *Errors; insufficient refund.* If a corporation is owed a refund that is less than the amount designated on the return as a donation to the veterans trust fund, after attachment and crediting under ss. 71.75 (9) and 71.80 (3) and after error corrections, the department shall reduce the designation to reflect the actual amount of the refund the corporation is otherwise owed.

(e) *Conditions.* If a corporation places any conditions on a designation for a donation to the veterans trust fund, the designation is void.

(f) *Void designation.* If a designation for a donation to the veterans trust fund is void, the department shall disregard the designation and determine the amounts due, owed, refunded, and received.

2. The total amount received from all designations to the veterans trust fund under this subsection made by corporations during the previous fiscal year.

3. The net amount remaining after the administrative costs under subd. 1. are subtracted from the total received under subd. 2.

(i) *Appropriations.* From the moneys received from designations to the veterans trust fund under this subsection, an amount equal to the sum of administrative expenses certified under par. (h) 1. shall be deposited into the general fund and credited to the appropriation under s. 20.566 (1) (hp), and the net amount remaining certified under par. (h) 3. shall be deposited into the veterans trust fund and used for the veterans programs under s. 25.36 (1).

(j) *Refunds.* An amount designated as a donation to the veterans trust fund under this subsection is not subject to refund to a corporation that designates the donation unless the corporation submits information to the satisfaction of the department within

18 months from the date that taxes are due from the corporation or from the date that the corporation filed the return, whichever is later, that the amount designated is clearly in error. A refund granted by the department under this paragraph shall be deducted from the moneys received under this subsection in the fiscal year that the refund is certified under s. 71.75 (7).

apportionment percentage for the current taxable year, the taxable income is the Wisconsin taxable income and the credit and net operating losses are those under this chapter rather than the federal credits and net operating losses. If a corporation that elected to change from tax-option status under s. 71.365 (4) (a) subsequently elects to become a tax-option corporation, its recognition period begins with the first day of the first taxable year affected by the subsequent election.

History: 1987 a. 312; 1989 a. 31.

For purposes of computing the Wisconsin adjusted gross income of shareholders, tax-option items shall be reported by the shareholders and those tax-option items, including capital gains and losses, shall retain the character they would have if attributed to the corporation, including their character as business income. In computing the tax liability of a shareholder, no credit against gross tax that would be available to

the tax-option corporation if it were a nontax-option corporation may be claimed.

(2) A tax-option corporation shall separately state all tax-option items the separate treatment of which may affect the liability of any shareholder for tax under this chapter.

(3) (a) The tax treatment of all tax-option items shall be determined at the corporate level.

(b) All shareholders of tax-option corporations shall treat tax-option items on their returns under this chapter in a manner consistent with the manner in which those tax-option items are treated on the corporation's Wisconsin income or franchise tax return or shall notify the department of revenue of any inconsistency and the reason for it.

(2) Nonresident individuals, nonresident estates and nonresident trusts deriving income from a tax-option corporation which is engaged in business within and without this state shall be taxed only on the income of the corporation derived from business transacted and property located in this state and losses and other items of the corporation deductible by such shareholders shall be limited to their proportionate share of the Wisconsin loss or other item, except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state. For purposes of this subsection, all intangible income of tax-option corporations passed through to shareholders is business income that follows the situs of the business, except that all income that is realized from the sale of or purchase and subsequent sale or redemption of lottery prizes if the winning tickets were originally bought in this state shall be allocated to this state.

History: 1987 a. 312; 1999 a. 9.

71.365 General provisions. (1) ADJUSTED BASIS OF SHAREHOLDERS' STOCK IN TAX-OPTION CORPORATION. (a) For purposes of this chapter, the adjusted basis of a shareholder in the stock and indebtedness of a tax-option corporation shall be determined in the manner prescribed by the internal revenue code for a shareholder of an S corporation, except that the nature and amount of items affecting that basis shall be determined under this chapter. This paragraph does not apply to 1978 and earlier taxable years of corporations which were S corporations for federal income tax purposes or to taxable years of corporations for which an election has been made under sub. (4) (a).

(b) The adjusted basis of a shareholder in the stock and indebtedness of a tax-option corporation that has made an election under sub. (4m) (a) is determined as if the election was not made.

(1m) TAX-OPTION CORPORATIONS; DEPRECIATION. For taxable years beginning before January 1, 2014, a tax-option corpo-

ration shall compute amortization and depreciation under the federal Internal Revenue Code as amended to December 31, 2000, except that property first placed in service by the taxpayer on or after January 1, 1983, but before January 1, 1987, that, under s. 71.04 (15) (b) and (br), 1985 stats., is required to be depreciated under the Internal Revenue Code as amended to December 31, 1980, and property first placed in service in taxable year 1981 or thereafter but before January 1, 1987, that, under s. 71.04 (15) (bm), 1985 stats., is required to be depreciated under the Internal Revenue Code as amended to December 31, 1980, shall continue to be depreciated under the Internal Revenue Code as amended to December 31, 1980. Any difference between the adjusted basis for federal income tax purposes and the adjusted basis under this chapter shall be taken into account in determining net income or loss in the year or years for which the gain or loss is reportable under this chapter. If that property was placed in service by the taxpayer during taxable year 1986 and thereafter but before the property is used in the production of income subject to taxation under this chapter, the property's adjusted basis and the depreciation or other deduction schedule are not required to be changed from the amount allowable on the owner's federal income tax returns for any year because the property is used in the production of income subject to taxation under this chapter. If that property was acquired in a transaction in taxable year 1986 or thereafter in which the adjusted basis of the property in the hands of the transferee is the same as the adjusted basis of the property in the hands of the transferor, the Wisconsin adjusted basis of that property on the date of transfer is the adjusted basis allowable under the Internal Revenue Code as defined for Wisconsin purposes for the property in the hands of the transferor.

(2) CORPORATION BUSINESS LOSS CARRY-FORWARD PROHIBITION. The corporation net business loss carry-forward provided by s. 71.26 (4) may not be claimed by a tax-option corporation.

(3) CREDITS NOT ALLOWED. The credits under s. 71.28 (4m) may not be claimed by a tax-option corporation or shareholders of a tax-option corporation.

(4) ELECTION TO CHANGE FROM TAX-OPTION STATUS. (a) If persons who hold more than 50 percent of the shares on the day on which this election is made consent, a corporation that is an S corporation for federal income tax purposes and that does not have a qualified subchapter S subsidiary may elect, on or before the due date or extended due date of its return under this chapter, not to be a tax-option corporation for that taxable year and for later taxable years until its status is again changed.

(b) If persons who, on the day on which the election occurs, hold more than 50 percent of the shares of a corporation that has elected out under par. (a) consent, a corporation that is an S corporation for federal income tax purposes may elect, on or before the due date or extended due date of its return under this chapter, to be a tax-option corporation for that taxable year, except that no corporation electing under par. (a) and no successor of such a corporation may be a tax-option corporation for any of the next 4 taxable years after the taxable year to which its election under par. (a) first applies.

(4m) TAX-OPTION CORPORATION ELECTION TO PAY FRANCHISE OR INCOME TAX AT THE ENTITY LEVEL. (a) If persons who hold more than 50 percent of the shares on the day on which an election under this paragraph is made consent, a corporation that is an S corporation for federal income tax purposes may elect, on or before the due date or extended due date of its return under this chapter, to be taxed at the entity level at a rate of 7.9 percent of net income reportable to this state as described in par. (d) 1. for that taxable year.

(b) It is the intent of the election under par. (a) that shareholders of a tax-option corporation may not include in their Wisconsin

(b) 1. With respect to any domestic insurer engaged in the sale of life insurance and also other insurance, the net income figure derived by application of par. (a) shall be multiplied by a fraction, the numerator of which is the net gain from operations on insurance, other than life insurance, and the denominator of which is the total net gain from operations; except that the multiplier is zero if the numerator is zero or the numerator is negative and the adjusted federal taxable income is positive or the numerator is positive and the adjusted federal taxable income is negative, and except that the multiplier is one if the numerator is positive and the denominator is zero or negative and the adjusted federal taxable income is positive or the numerator is negative and the denominator is zero or positive and the adjusted federal taxable income is negative or the numerator, the denominator and the adjusted federal taxable income are positive and the numerator is greater than the denominator, and except that if the numerator and denominator are both negative and the adjusted federal taxable income is negative the multiplier is positive but may not be more than one.

2. For purposes of the numerator, “net gain from operations on insurance, other than life insurance” includes net income, after dividends to policyholders, but before federal income taxes and foreign income or franchise taxes, from fire and casualty insurance; net gain from operations, after dividends to policyholders and before federal income taxes, from accident and health insurance; and net realized capital gains or losses on investments from accident and health insurance operations, said net realized capital gains or losses to be apportioned among life and accident and health insurance lines in the same manner as net investment income is required to be apportioned by the commissioner of insurance. “Net gain from operations”, “net income”, “net realized capital gains or losses”, and “net investment income” shall be calculated and reported as required under rules adopted by the commissioner of insurance.

3. For purposes of the denominator, “total net gain from operations” includes net income, after dividends to policyholders, but before federal income taxes and foreign income or franchise taxes, from fire and casualty insurance; net gain from operations after dividends to policyholders and before federal income taxes, from accident and health and life insurance; and net realized capital gains or losses on investments from accident and health and life insurance operations. “Net income”, “net gain from operations”, and “net realized capital gains or losses” shall be calculated and reported as required under rules adopted by the commissioner of insurance.

4. (3) APPORTIONMENT. Except as provided in sub. (3d), to determine Wisconsin income for purposes of the franchise tax, domestic insurers that, in the taxable year, have received premiums, other than life insurance premiums, written for insurance on property or risks resident, located or to be performed outside this state shall multiply the net income figure derived by application of sub. (2) by the arithmetic average of the following 2 percentages:

written for reinsurance, other than life insurance, with respect to all property and risks resident, located, or to be performed in this state, by the sum of direct premiums written for insurance on all property and risks, other than life insurance, wherever located, and assumed premiums written for reinsurance on all property and risks, other than life insurance, wherever located. In this paragraph, “direct premiums” means direct premiums as reported for the taxable year on an annual statement that is filed by the insurer with the commissioner of insurance under s. 601.42 (1g) (a). 2. Under subd. 1., payroll is paid in this state if the individual’s service is performed entirely in this state; or the individual’s service is performed both in and outside of this state, but the service performed outside of this state is incidental to the individual’s service in this state; or some service is performed in this state and the base of operations, or if there is no base of operations, the place from which the service is directed or controlled is in this state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual’s residence is in this state.

(3) (a) representing 60 percent of the fraction and the percentage under sub. (3) (b) 1. representing 40 percent of the fraction.

(b) For taxable years beginning after December 31, 2006, and before January 1, 2008, a domestic insurer that is subject to apportionment under sub. (3) and this subsection shall multiply the net income figure derived by the application of sub. (2) by an apportionment fraction composed of the percentage under sub. 2. For taxable years beginning after December 31, 2007, if both the numerator and the denominator used to determine the percentage under sub. (3) (a) related to a taxpayer’s net income are zero, none of the taxpayer’s net income is apportioned to this state.

(3) (a) related to a taxpayer’s net income is a negative number and the denominator used to determine the percentage under sub. (c) 1. For taxable years beginning before January 1, 2008, if the numerator used to determine the percentage under sub. (3) (a) related to a taxpayer's net income is a positive number and the denominator used to determine the percentage under sub. (3) (a) related to a taxpayer's net income is zero or a negative number, the percentage under sub. (3) (a) is one.

(3) (a) related to a taxpayer's net income is a positive number and the denominator used to determine the percentage under sub. (3) (a) related to a taxpayer's net income is zero or a negative number, all of the taxpayer's net income is apportioned to this state.

(3m) ARITHMETIC AVERAGE. Except as provided in sub. (3d), the arithmetic average of the 2 percentages referred to in sub. (3) shall be applied to the net income figure arrived at by the successive application of sub. (2) (a) and (b) with respect to Wisconsin insurers to which sub. (2) (a) and (b) applies and which have received premiums, other than life insurance premiums, written for insurance on property or risks resident, located or to be performed outside this state, to arrive at Wisconsin income constituting the measure of the franchise tax.

(b) Subject to the limitations provided in this subsection and in s. 73.03 (35), for any taxable year for which the claimant is certified, a claimant may claim as a credit against the taxes imposed under s. 71.43 an amount that is equal to 3 percent of the following:

1. The purchase price of depreciable, tangible personal property.

2. The amount expended to acquire, construct, rehabilitate, remodel, or repair real property in a development zone.

(c) A claimant may claim the credit under par. (b) 1., if the tangible personal property is purchased after the claimant is certified and the personal property is used for at least 50 percent of its use in the claimant’s business at a location in a development zone or, if the property is mobile, the property’s base of operations for at least 50 percent of its use is at a location in a development zone.

(d) A claimant may claim the credit under par. (b) 2. for an amount expended to construct, rehabilitate, remodel, or repair real property, if the claimant began the physical work of construction, rehabilitation, remodeling, or repair, or any demolition or destruction in preparation for the physical work, after the place where the property is located was designated a development zone, or if the completed project is placed in service after the claimant is certified. (i) Partnerships, limited liability companies, and tax-option corporations may not claim the credit under this subsection, but the eligibility for, and the amount of, that credit shall be determined on the basis of their economic activity, not that of their shareholders, partners, or members. The corporation, partnership, or limited liability company shall compute the amount of credit that may be claimed by each of its shareholders, partners, or members and provide that information to its shareholders, partners, or members. Partners, members of limited liability companies, and shareholders of tax-option corporations may claim the credit based on the partnership’s, company’s, or corporation’s activities in proportion to their ownership interest and may offset it against the tax attributable to their income from the partnership’s, company’s, or corporation’s business operations in the development zone; except that partners, members, and shareholders in a development zone under s. 238.395 (1) (e) or s. 560.795 (1) (e), 2009 stats., may offset the credit against the amount of the tax attributable to their income.

(k) If a person who is entitled under s. 238.395 (3) (a) 4. or s. 560.795 (3) (a) 4., 2009 stats., to claim tax benefits or certified under s. 238.395 (5) or 238.398 (3) or s. 560.795 (5), 2009 stats., or s. 560.798 (3), 2009 stats., ceases business operations in the development zone during any of the taxable years that that zone exists, that person may not carry over to any taxable year following the year during which operations cease any unused credits from the taxable year during which operations cease or from previous taxable years.

Shareholders of a tax-option corporation and partners may claim the credit under this subsection, based on eligible sales and use taxes paid by the tax-option corporation or partnership, in proportion to the ownership interest of each shareholder or partner. The tax-option corporation or partnership shall calculate the amount of the credit that may be claimed by each shareholder or partner and shall provide that information to the shareholder or partner.

(c) 1. Except as provided in subd. 7., if the credit computed under par. years between the year in which the expense was incurred and the year in which the carry-forward credit is claimed.

2. For shareholders in a tax-option corporation, the credit may be offset only against the tax imposed on the shareholder's prorated share of the tax-option corporation's income.

3. For partners, the credit may be offset only against the tax imposed on the partner's distributive share of partnership income.

4. If a tax-option corporation becomes liable for tax for a taxable year that begins on or after January 1, 1998, the corporation may offset the credit against the tax due, with any remaining credit computed for a taxable year that begins on or after January 1, 1998, passing through to the shareholders.

1. Subtract the claimant's 2009 water usage costs from the claimant's water usage costs for the taxable year.

2. If the amount determined under subd. 1. is a positive number, multiply that amount by 0.50.

(c) *Limitations.* Partnerships, limited liability companies, and tax-option corporations may not claim the credit under this subsection, but the eligibility for, and the amount of, the credit are based on their payment of amounts under par. (b). A partnership, limited liability company, or tax-option corporation shall compute the amount of credit that each of its partners, members, or shareholders may claim and shall provide that information to each of them. Partners, members of limited liability companies, and shareholders of tax-option corporations may claim the credit in proportion to their ownership interests.

(d) *Administration.* 1. Section 71.28 (4) (e) to (h), as it applies to the credit under s. 71.28 (4), applies to the credit under this subsection.

2. No credit may be claimed under this subsection for taxable years beginning after December 31, 2013. Credits under this subsection for taxable years that begin before January 1, 2014, may be carried forward to taxable years that begin after December 31, 2013.

(6) SUPPLEMENT TO FEDERAL HISTORIC REHABILITATION CREDIT. (a) 1m. For taxable years beginning before January 1, 2014, any person may credit against taxes otherwise due under this chapter, up to the amount of those taxes, an amount equal to 5 percent, for taxable years beginning before January 1, 2013, or 10 percent, for taxable years beginning after December 31, 2012, and before January 1, 2014, of the costs of qualified rehabilitation expenditures, as defined in section 47 (c) (2) of the Internal Revenue Code, for certified historic structures on property located in this state if the physical work of construction or destruction in preparation for construction begins after December 31, 1988, and the rehabilitated property is placed in service after June 30, 1989, and before January 1, 2014.

2m. No credit may be claimed under this subdivision for property listed as a contributing building in the state register of historic places or in the national register of historic places and no credit may be claimed under this subdivision for nonhistoric, nonresidential property converted into housing if the property has been previously used for housing.

(c) No person may claim the credit under par. (a) 2m. unless the claimant includes with the claimant's return a copy of the claimant's certification under s. 238.17. For certification purposes under s. 238.17, the claimant shall provide to the Wisconsin Economic Development Corporation all of the following:

1. Evidence that the rehabilitation was recommended by the

state historic preservation officer for approval by the secretary of the interior under 36 CFR 67.6 before the physical work of construction, or destruction in preparation for construction, began and that the rehabilitation was approved by the state historic preservation officer.

2. Evidence that the taxpayer obtained written certification from the state historic preservation officer that:

a. The property is listed on the national register of historic places in Wisconsin or the state register of historic places, or is determined by the state historical society to be eligible for listing on the national register of historic places in Wisconsin or the state register of historic places, or is located in a historic district that is listed in the national register of historic places in Wisconsin or the state register of historic places and is certified by the state historic preservation officer as being of historic significance to the district, or is an outbuilding of an otherwise eligible property certified by the state historic preservation officer as contributing to the historic significance of the property.

b. The proposed preservation or rehabilitation plan complies with standards promulgated under s. 44.02 (24) and the completed preservation or rehabilitation substantially complies with the proposed plan.

c. The costs are not incurred to acquire any building or interest in a building or to enlarge an existing building.

d. The costs were not incurred before the state historical society approved the proposed preservation or rehabilitation plan.

(cm) Any credit claimed under this subsection for Wisconsin purposes shall be claimed at the same time as for federal purposes.

(cn) For taxable years beginning after December 31, 2014, the Wisconsin Economic Development Corporation shall certify a person to claim a credit under par. (a) 3. if all of the following apply:

1. The corporation previously certified the person to claim a credit under par. (a) 3. for any taxable year beginning before January 1, 2015.

2. The proposed project for which the person wishes to claim a credit under this paragraph for any taxable year beginning after December 31, 2014, is located in the city of Green Bay.

3. The proposed project described under subd. 2. is located on the same parcel as the project for which the person received certification under subd. 1. or on a parcel that is contiguous to the project for which the person received certification under subd. 1.

4. The corporation determines that the person is eligible to claim the credit under section 47 of the Internal Revenue Code for the qualified rehabilitation expenses incurred for the project for which the person received certification under subd. 1.

(d) The Wisconsin adjusted basis of the building shall be reduced by the amount of any credit awarded under this subsection. The Wisconsin adjusted basis of a partner's interest in a partnership, a member's interest in a limited liability company or of stock in a tax-option corporation shall be adjusted to take into account adjustments made under this paragraph.

(e) The provisions of sub. (4) (e), (f), (g) and (h), as they apply to the credit under that subsection, apply to the credit under this subsection.

(f) A partnership, limited liability company, or tax-option corporation may not claim the credit under this subsection. The partners of a partnership, members of a limited liability company, or shareholders in a tax-option corporation may claim the credit under this subsection based on eligible costs incurred by the partnership, limited liability company, or tax-option corporation. The partnership, limited liability company, or tax-option corporation shall calculate the amount of the credit which may be

claimed by each partner, member, or shareholder and shall provide that information to the partner, member, or shareholder. For shareholders of a tax-option corporation, the credit may be allocated in proportion to the ownership interest of each shareholder. Credits computed by a partnership or limited liability company may be claimed in proportion to the ownership interests of the partners or members or allocated to partners or members as provided in a written agreement among the partners or members that is entered into no later than the last day of the taxable year of the partnership or limited liability company, for which the credit is claimed. For a partnership or limited liability company that places property in service after June 29, 2008, and before January 1, 2009, the credit attributable to such property may be allocated, at the election of the partnership or limited liability company, to partners or members for a taxable year of the partnership or limited liability company that ends after June 29, 2008, and before January 1, 2010. Any partner or member who claims the credit as provided under this paragraph shall attach a copy of the agreement, if applicable, to the tax return on which the credit is claimed. A person claiming the credit as provided under this paragraph is solely responsible for any tax liability arising from a dispute with the department of revenue related to claiming the credit.

(g) 1. If a person who claims the credit under this subsection elects to claim the credit based on claiming amounts for expenditures as the expenditures are paid, rather than when the rehabilitation work is completed, the person shall file an election form with the department, in the manner prescribed by the department.

2. Notwithstanding s. 71.77, the department may adjust or disallow the credit claimed under this subsection within 4 years after the date that the state historical society notifies the department that the expenditures for which the credit was claimed do not comply with the standards for certification promulgated under s. 44.02 (24). If the department adjusts or disallows, in whole or in part, a credit transferred under par. (h), only the person who originally transferred the credit to another person is liable to repay the adjusted or disallowed amount.

(h) Any person, including a nonprofit entity described in section 501 (c) (3) of the Internal Revenue Code, may sell or otherwise transfer the credit under par. (a) 2m. or 3., in whole or in part, to another person who is subject to the taxes imposed under s. 71.02, 71.23, or 71.43, if the person notifies the department of the transfer, and submits with the notification a copy of the transfer documents, and the department certifies ownership of the credit with each transfer. The transferor may file a claim for more than one taxable year on a form prescribed by the department to compute all years of the credit under par. (a) 2m. or 3., at the time of the transfer request. The transferee may first use the credit to offset tax in the taxable year of the transferor in which the transfer occurs, and may use the credit only to offset tax in taxable years otherwise allowed to be claimed and carried forward by the original claimant.

(i) If a person who claims a credit under this subsection and a credit under section 47 of the Internal Revenue Code for the same qualified rehabilitation expenditures is required to repay any amount of the credit claimed under section 47 of the Internal Revenue Code, the person shall repay to the department a proportionate amount of the credit claimed under this subsection.

2. Subject to par. (c) 4., for each disabled veteran the claimant hires in the taxable year to work a part-time job at the claimant’s business in this state, \$2,000 in the taxable year in which the disabled veteran is hired and \$1,000 in each of the 3 taxable years following the taxable year in which the disabled veteran is hired.

(c) *Limitations.* 1. Partnerships, limited liability companies, and tax-option corporations may not claim the credit under this subsection, but the eligibility for, and the amount of, the credit are based on their hiring of disabled veterans, as described under par. (b). A partnership, limited liability company, or tax-option corporation shall compute the amount of credit that each of its partners, members, or shareholders may claim and shall provide that information to each of them. Partners, members of limited liability companies, and shareholders of tax-option corporations may claim the credit in proportion to their ownership interests.

2. No credit may be claimed under this subsection in any taxable year in which the disabled veteran voluntarily or involuntarily leaves his or her employment with the claimant.

3. A claimant may claim a credit under this subsection only for hiring a disabled veteran who has received unemployment compensation benefits for at least one week prior to being hired by the claimant, who was receiving such benefits at the time that he or she was hired by the claimant, and who was eligible to receive such benefits at the time the benefits were paid.

4. With regard to a credit claimed under par. (b) 2., the amount that the claimant may claim is determined as follows:

a. Divide the number of hours that the disabled veteran worked for the claimant during the taxable year by 2,080.

b. Multiply the amount of the credit under par. (b) 2., as appropriate, by the number determined under subd. 4. a.

(d) *Administration.* 1. Section 71.28 (4) (e) to (h), as it applies to the credit under s. 71.28 (4), applies to the credit under this subsection.

(c) *Limitations.* 1. No person may claim the credit under par. (b) unless the claimant includes with the claimant’s return a copy of the allocation certificate issued to the qualified development.

2. A partnership, limited liability company, or tax-option corporation may not claim the credit under this subsection. The partners of a partnership, members of a limited liability company, or shareholders in a tax-option corporation may claim the credit under this subsection based on eligible costs incurred by the partnership, limited liability company, or tax-option corporation. The partnership, limited liability company, or tax-option corporation shall calculate the amount of the credit that may be claimed by each partner, member, or shareholder and shall provide that information to the partner, member, or shareholder. For shareholders of a tax-option corporation, the credit may be allocated in proportion to the ownership interest of each shareholder. A person claiming the credit as provided under this subdivision is solely responsible for any tax liability arising from a dispute with the department of revenue related to claiming the credit.

(d) *Recapture.* 1. As of the last day of any taxable year during the compliance period, if the amount of the qualified basis of a qualified development with respect to a claimant is less than the amount of the qualified basis as of the last day of the immediately preceding taxable year, the amount of the claimant’s tax liability under this subchapter shall be increased by the recapture amount determined by using the method under section 42 (j) of the Internal Revenue Code.

2. In the event that the recapture of any credit is required in

any taxable year, the taxpayer shall include the recaptured proportion of the credit on the return submitted for the taxable year in which the recapture event is identified.

- (d) Net loss from rental real estate, royalties, partnerships, tax-option S corporations, trusts, estates, and real estate mortgage investment conduits.
- (e) Net farm loss.

(1g) "Earned income" means wages, salaries, tips, and other employee compensation that may be included in federal adjusted gross income for the taxable year, plus the amount of the claimant's net earnings from self-employment for the taxable year determined with regard to the deduction allowed to the taxpayer by section 164 (f) of the Internal Revenue Code. For purposes of this subsection, a claimant's earned income is computed without regard to any marital property laws and a claimant may elect to treat amounts excluded from federal adjusted gross income as earned income, as provided under section 112 of the Internal Revenue Code. "Earned income" does not include the following:

- (a) Any amount received as a pension or annuity.
- (b) Any amount to which section 871 (a) of the Internal Revenue Code applies.
- (c) Any amount received for services provided by an individual while the individual is an inmate at a penal institution.
- (d) Any amount received for service performed in work activities under paragraphs (4) or (7) of section 407 (d) of the Social Security Act to which the claimant is assigned under any state program under part A of title IV of the Social Security Act. This paragraph applies only to amounts subsidized under any such state program.

(1m) "Farmer," "farming," and "farm premises" have the meanings given in s. 102.04 (3).

(2) "Gross rent" means rental paid at arm's length, solely for the right of occupancy of a homestead. "Gross rent" does not include, whether expressly set out in the rental agreement or not, charges for any medical services; other personal services such as laundry, transportation, counseling, grooming, recreational and therapeutic services; shared living expenses, including but not limited to food, supplies and utilities unless utility payments are included in the gross rent paid to the landlord; and food furnished

by the landlord as a part of the rental agreement. “Gross rent” includes the rental paid to a landlord for parking of a mobile home or manufactured home, exclusive of any charges for food furnished by the landlord as a part of the rental agreement, plus monthly municipal permit fees paid under s. 66.0435 (3) (c) for a rented mobile home or manufactured home. If a homestead is an integral part of a multipurpose or multidwelling building, “gross rent” is the percentage of the gross rent on that part of the multipurpose or multidwelling building occupied by the household as a principal residence plus the same percentage of the gross rent on the land surrounding it, not exceeding one acre, that is reasonably necessary for use of the multipurpose or multidwelling building as a principal residence, except as the limitations under s. 71.54 (2) (b) apply. If the homestead is part of a farm, “gross rent” is the rent on up to 120 acres of the land contiguous to the claimant’s principal residence plus the rent on all improvements to real property on that land, except as the limitations under s. 71.54 (2) (b) apply. If a claimant and persons who are not members of the claimant’s household reside in a homestead, the claimant’s “gross rent” is the gross rent paid by the claimant to the landlord for the homestead.

(3) “Homestead” means the dwelling, whether rented or owned, including owned as a joint tenant or tenant in common, or occupied as a buyer in possession under a land contract, and the land surrounding it, not exceeding one acre, that is reasonably necessary for use of the dwelling as a home, and may consist of a part of a multidwelling or multipurpose building and a part of the land upon which it is built.

(4) “Household” means a claimant and an individual related to the claimant as husband or wife.

(5) “Household income” means all income received by all persons of a household in a calendar year while members of the household, less \$500 for each of the claimant’s dependents, as defined in section 152 of the internal revenue code, who have the same principal abode as the claimant for more than 6 months during the year to which the claim relates.

(6) “Income” means the sum of Wisconsin adjusted gross income and the following amounts, to the extent not included in Wisconsin adjusted gross income: maintenance payments (except foster care maintenance and supplementary payments excludable under section 131 of the internal revenue code), support money, cash public assistance (not including credit granted under this subchapter and amounts under s. 46.27, 2017 stats.), cash benefits paid by counties under s. 59.53 (21), the gross amount of any pension or annuity (including railroad retirement benefits, all payments received under the federal social security act and veterans disability pensions), nontaxable interest received from the federal government or any of its instrumentalities, nontaxable interest received on state or municipal bonds, worker’s compensation, unemployment insurance, the gross amount of “loss of time” insurance, compensation and other cash benefits received from the United States for past or present service in the armed forces, scholarship and fellowship gifts or income, capital gains, gain on the sale of a personal residence excluded under section 121 of the internal revenue code, dividends, income of a nonresident or part-year resident who is married to a full-year resident, housing allowances provided to members of the clergy, the amount by which a resident manager’s rent is reduced, nontaxable income of an American Indian, nontaxable income from sources outside this state and nontaxable deferred compensation. Intangible drilling costs, depletion allowances and depreciation, including first-year depreciation allowances under section 179 of the internal revenue code, amortization, contributions to individual retirement accounts under section 219 of the internal revenue code, contributions to Keogh plans, net operating loss carrybacks and carry-forwards, capital loss carry-forwards, and dis-

qualified losses deducted in determining Wisconsin adjusted gross income shall be added to “income”. “Income” does not include gifts from natural persons, cash reimbursement payments made under title XX of the federal social security act, surplus food or other relief in kind supplied by a governmental agency, the gain on the sale of a personal residence deferred under section 1034 of the internal revenue code or nonrecognized gain from involuntary conversions under section 1033 of the internal revenue code. Amounts not included in adjusted gross income but added to “income” under this subsection in a previous year and repaid may be subtracted from income for the year during which they are repaid. Scholarship and fellowship gifts or income that are included in Wisconsin adjusted gross income and that were added to household income for purposes of determining the credit under this subchapter in a previous year may be subtracted from income for the current year in determining the credit under this subchapter. A marital property agreement or unilateral statement under ch. 766 has no effect in computing “income” for a person whose homestead is not the same as the homestead of that person’s spouse.

(7) “Property taxes accrued” means real property taxes or monthly municipal permit fees under s. 66.0435 (3) (c), exclusive of special assessments, delinquent interest and charges for service, levied on a homestead owned by the claimant or a member of the claimant’s household. “Real property taxes” means those levied under ch. 70, less the tax credit, if any, afforded in respect of such property by s. 79.10. If a homestead is owned by 2 or more persons or entities as joint tenants or tenants in common or is owned as marital property or survivorship marital property and one or more such persons, entities or owners is not a member of the claimant’s household, property taxes accrued is that part of property taxes accrued levied on such homestead, reduced by the tax credit under s. 79.10, that reflects the ownership percentage of the claimant and the claimant’s household, except that if a homestead is owned by 2 or more natural persons or if 2 or more natural persons have an interest in a homestead, one or more of whom is not a member of the claimant’s household, and the claimant has a present interest, as that term is used in s. 700.03 (1), in the homestead and is required by the terms of a will that transferred the homestead or interest in the homestead to the claimant to pay the entire amount of property taxes levied on the homestead, property taxes accrued is property taxes accrued levied on such homestead, reduced by the tax credit under s. 79.10. A marital property agreement or unilateral statement under ch. 766 has no effect in computing property taxes accrued for a person whose homestead is not the same as the homestead of that person’s spouse. For purposes of this subsection, property taxes are “levied” when the tax roll is delivered to the local treasurer for collection. If a homestead is sold or purchased during the calendar year of the levy, the property taxes accrued for the seller and the buyer are the amount of the tax levy prorated to each in proportion to the periods of time each both owned and occupied the homestead during the year to which the claim relates. The seller may use the closing agreement pertaining to the sale of the homestead, the property tax bill for the year before the year to which the claim relates or the property tax bill for the year to which the claim relates as the basis for computing property taxes accrued, but those taxes are allowable only for the portion of the year during which the seller owned and occupied the sold homestead. If a household owns and occupies 2 or more homesteads in the same calendar year, property taxes accrued is the sum of the prorated property taxes accrued attributable to the household for each of such homesteads. If the household owns and occupies the homestead for part of the calendar year and rents a homestead for part of the calendar year, it may include both the proration of taxes on the homestead owned and rent constituting property

taxes accrued with respect to the months the homestead is rented in computing the amount of the claim under s. 71.54 (1). If a homestead is an integral part of a multipurpose or multidwelling building, property taxes accrued are the percentage of the property taxes accrued on that part of the multipurpose or multidwelling building occupied by the household as a principal residence plus that same percentage of the property taxes accrued on the land surrounding it, not exceeding one acre, that is reasonably necessary for use of the multipurpose or multidwelling building as a principal residence, except as the limitations of s. 71.54 (2) (b) apply. If the homestead is part of a farm, property taxes accrued are the property taxes accrued on up to 120 acres of the land contiguous to the claimant's principal residence and include the property taxes accrued on all improvements to real property located on such land, except as the limitations of s. 71.54 (2) (b) apply.

(8) "Rent constituting property taxes accrued", except as provided in ss. 71.54 (2) and 71.55 (8), means 25 percent, or 20 percent if heat is included, of the gross rent actually paid in cash or its equivalent by a claimant and his or her household solely for the right of occupancy of their Wisconsin homestead during the calendar year to which the claim relates if that rent constitutes the basis, in the succeeding calendar year, of a claim for relief under this subchapter by such claimant. A marital property agreement or unilateral statement under ch. 766 has no effect in computing rent constituting property taxes accrued for a person whose homestead is not the same as the homestead of that person's spouse.

(c) For partnerships except publicly traded partnerships treated as corporations under s. 71.22 (1k), “claimant” means each individual partner.

(cm) For limited liability companies, except limited liability companies treated as corporations under s. 71.22 (1k), “claimant” means each individual member.

(d) For purposes of filing a claim under ss. 71.57 to 71.61, the personal representative of an estate and the trustee of a trust shall be deemed owners of farmland. “Claimant” does not include the estate of a person who is a nonresident of this state on the person’s date of death, a trust created by a nonresident person, a trust which receives Wisconsin real property from a nonresident person or a trust in which a nonresident settlor retains a beneficial interest.

(e) For purposes of filing a claim under ss. 71.57 to 71.61, when land is subject to a land contract, the claimant shall be the vendee under the contract.

(f) For purposes of filing a claim under ss. 71.57 to 71.61, when a guardian has been appointed in this state for a ward who owns the farmland, the claimant shall be the guardian on behalf of the ward.

(g) For a tax-option corporation, “claimant” means each individual shareholder.

(2) “Department” means the department of revenue.

(3) “Farmland” means 35 or more acres of real property in this state owned by the claimant or any member of the claimant’s household during the taxable year for which a credit under ss. 71.57 to 71.61 is claimed if the farmland, during that year, produced not less than \$6,000 in gross farm profits resulting from the farmland’s agricultural use, as defined in s. 91.01 (1), 2007 stats., or if the farmland, during that year and the 2 years immediately preceding that year, produced not less than \$18,000 in such profits, or if at least 35 acres of the farmland, during all or part of that year, was enrolled in the conservation reserve program under 16 USC 3831 to 3836.

(4) “Gross farm profits” means gross receipts, excluding rent, from agricultural use, as defined in s. 91.01 (1), 2007 stats., including the fair market value at the time of disposition of payments in kind for placing land in federal programs or payments from the federal dairy termination program under 7 USC 1446 (d), less the cost or other basis of livestock or other items purchased for resale which are sold or otherwise disposed of during the taxable year.

(5) “Household” means an individual and his or her spouse and all minor dependents.

(6) “Household income” means all of the income of the claimant and the claimant’s spouse and the farm income, including wages, earned on the farm to which the credit applies of all minor dependents attributable to the taxable year while members of the household.

(7) “Income”:

(a) For an individual, means income as defined under s. 71.52 (6), plus nonfarm business losses, plus amounts under s. 46.27, 2017 stats., less net operating loss carry-forwards, less first-year depreciation allowances under section 179 of the internal revenue code and less the first \$25,000 of depreciation expenses in respect to the farm claimed by all of the individuals in a household.

(b) For a corporate claimant, except a tax-option corporation, means the same as for an individual claimant except that net income plus any farm business loss carry-forward allowed under s. 71.26 (4) shall be included instead of income under s. 71.52 (6) and “income” of a corporate claimant shall include all household income of each of its corporate shareholders of record at the end of its taxable year, plus nonfarm business losses and depreciation

expenses of the corporate claimant, except the first \$25,000 of depreciation expenses in respect to the farm.

(c) For an estate or trust, means the same as “income” for an individual except that the net income of the estate or trust before subtracting any deductions claimed for income distributable to the estate’s or trust’s beneficiaries shall be included instead of Wisconsin adjusted gross income.

(8) “Property taxes accrued” means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on the farmland and improvements owned by the claimant or any member of the claimant’s household in any calendar year under ch. 70, less the tax credit, if any, afforded in respect of the property by s. 79.10. “Property taxes accrued” shall not exceed \$6,000. If farmland is owned by a tax-option corporation, a limited liability company or by 2 or more persons or entities as joint tenants, tenants in common or partners or is marital property or survivorship marital property and one or more such persons, entities or owners is not a member of the claimant’s household, “property taxes accrued” is that part of property taxes levied on the farmland, reduced by the tax credit under s. 79.10, that reflects the ownership percentage of the claimant and the claimant’s household. For purposes of this subsection, property taxes are “levied” when the tax roll is delivered to the local treasurer for collection. If farmland is sold during the calendar year of the levy the “property taxes accrued” for the seller is the amount of the tax levy, reduced by the tax credit under s. 79.10, prorated to each in the closing agreement pertaining to the sale of the farmland, except that if the seller does not reimburse the buyer for any part of those property taxes there are no “property taxes accrued” for the seller, and the “property taxes accrued” for the buyer is the property taxes levied on the farmland, reduced by the tax credit under s. 79.10, minus, if the seller reimburses the buyer for part of the property taxes, the amount prorated to the seller in the closing agreement. With the claim for credit under ss. 71.57 to 71.61, the seller shall submit a copy of the closing agreement and the buyer shall submit a copy of the closing agreement and a copy of the property tax bill.

(9) “Taxable year” has the meaning under s. 71.01 (12).

History: 1987 a. 312, 411; 1989 a. 31; 1993 a. 112; 2005 a. 25, 387; 2009 a. 28; 2019 a. 9.

(a) Subject to the limitations provided in ss. 71.57 to 71.61 and s. 71.80 (3) and (3m), a claimant may claim as a credit against Wisconsin income or franchise taxes otherwise due, the amount derived under s. 71.60. If the allowable amount of claim exceeds the income or franchise taxes otherwise due on or measured by the claimant’s income or if there are no Wisconsin income or franchise taxes due on or measured by the claimant’s income, the amount of the claim not used as an offset against income or franchise taxes shall be certified to the department of administration for payment to the claimant by check, share draft or other draft drawn on the general fund.

(b) Every claimant under ss. 71.57 to 71.61 shall supply, at the request of the department, in support of the claim, all of the following:

1. A copy of the property tax bill relating to the farmland.
2. Certification by the claimant that all taxes owed by the claimant on the property for which the claim is made for the year before the year for which the claim is made have been paid.
3. A copy of the farmland preservation agreement or a certificate of the appropriate zoning authority, except that, if the claimant has obtained a certificate of the appropriate zoning authority to file a claim for a previous year and the claimant determines that the conditions described under par. (d) that caused the authority to issue the previous certificate have not changed and

are still applicable, the claimant may certify that such conditions have not changed and still apply and such a claimant is not required to submit a certificate of the zoning authority unless the department, in writing, requires the claimant to submit a certificate because the department determines that it needs a certificate to process the claim.

4. Certification by the claimant that each county land conservation committee with jurisdiction over the farmland has been notified that the claimant intends to submit a claim under ss. 71.57 to 71.61.

(c) A farmland preservation agreement submitted under par. (b) 3. shall contain provisions specified under s. 91.13 (8), 2007 stats., including either a provision requiring farming operations to be conducted in substantial accordance with a soil and water conservation plan prepared under s. 92.104, 2007 stats., or a provision requiring farming operations to be conducted in compliance with reasonable soil and water conservation standards established under s. 92.105, 2007 stats.

(d) The certificate of the zoning authority submitted under par. (b) 3. shall certify:

1. That the lands are within the boundaries of an agricultural zoning district which is part of an adopted ordinance meeting the standards of subch. V of ch. 91, 2007 stats., and certified under s. 91.06, 2007 stats.

2. That the ordinance has been approved, where necessary, by the board of the town within which the lands are situated, as required by s. 59.69, and shall indicate the date of approval.

3. That each structure or improvement on the lands conforms to the requirements of the exclusive agricultural use ordinance.

4. The portion of the claimant's farmland which is within the area zoned for exclusive agricultural use.

5. That soil and water conservation standards applicable to the land are established and approved as required under s. 92.105 (1) to (3), 2007 stats., and that no notice of noncompliance is in effect under s. 92.105 (5), 2007 stats., with respect to the claimant at the time the certificate is issued.

(1m) PERMITTED USES. The designation by the department of natural resources of any farmland in this state, for which a claim under this section may be filed, as part of the ice age trail, under s. 23.17, is a permitted use under a farmland preservation agreement, or a certificate of a zoning authority, under sub. (1) (b).

(2) INELIGIBLE CLAIMS. No credit shall be allowed under ss. 71.57 to 71.61:

(a) Unless a claim is filed with the department in conformity with the filing requirements in s. 71.03 (6) and (7) for a claimant filing under subch. I, in conformity with the filing requirements in s. 71.24 (1), (1m) and (7) for a claimant filing under subch. IV and in conformity with the filing requirements in s. 71.44 (1), (1m) and (3) for a claimant filing under subch. VII.

(b) If a notice of noncompliance with an applicable soil and water conservation plan under s. 92.104, 2007 stats., is in effect with respect to the claimant at the time the claim is filed.

(d) For property taxes accrued on farmland zoned for exclusive agricultural use under an ordinance certified under subch. V of ch. 91, 2007 stats., which is granted a special exception or conditional use permit for a use which is not an agricultural use, as defined in s. 91.01 (1), 2007 stats.

(e) If the department determines that ownership of the farm-

land has been transferred to the claimant primarily for the purpose of maximizing benefits under ss. 71.57 to 71.61.

History: 1987 a. 312, 411; 1989 a. 31, 359; 1991 a. 39, 309; 1995 a. 201; 1997 a. 137; 2009 a. 28.

71.60 Computation. (1) Except as provided in sub. (2), the amount of any claim filed in calendar years based upon property taxes accrued in the preceding calendar year shall be determined as follows:

(a) The amount of excessive property taxes shall be computed by subtracting from property taxes accrued the amount of 7 percent of the 2nd \$5,000 of household income plus 9 percent of the 3rd \$5,000 of household income plus 11 percent of the 4th \$5,000 of household income plus 17 percent of the 5th \$5,000 of household income plus 27 percent of the 6th \$5,000 of household income plus 37 percent of household income in excess of \$30,000. The maximum excessive property tax which can be utilized is \$6,000.

(b) The credit allowed under ss. 71.57 to 71.61 shall be limited to 90 percent of the first \$2,000 of excessive property taxes plus 70 percent of the 2nd \$2,000 of excessive property taxes plus 50 percent of the 3rd \$2,000 of excessive property taxes. The maximum credit shall not exceed \$4,200 for any claimant. The credit for any claimant shall be the greater of either the credit as calculated under ss. 71.57 to 71.61 as it exists at the end of the year for which the claim is filed or as it existed on the date on which the farmland became subject to a current agreement under subch. II or III of ch. 91, 2007 stats., using for such calculations household income and property taxes accrued of the year for which the claim is filed.

(c) 1. If the farmland is located in a county which has a certified agricultural preservation plan under subch. IV of ch. 91, 2007 stats., at the close of the year for which credit is claimed and is in an area zoned by a county, city or village for exclusive agricultural use under ch. 91, 2007 stats., at the close of such year, the amount of the claim shall be that as specified in par. (b).

2. If the farmland is subject to a transition area agreement under subch. II of ch. 91, 2007 stats., on July 1 of the year for which credit is claimed, or the claimant had applied for such an agreement before July 1 of such year and the agreement has subsequently been executed, and the farmland is located in a city or village which has a certified exclusive agricultural use zoning ordinance under subch. V of ch. 91, 2007 stats., in effect at the close of the year for which credit is claimed, or in a town which is subject to a certified county exclusive agricultural use zoning ordinance under subch. V of ch. 91, 2007 stats., in effect at the close of the year for which credit is claimed, the amount of the claim shall be that as specified in par. (b).

3. If the claimant or any member of the claimant's household owns farmland which is ineligible for credit under subd. 1. or 2. but was subject to a farmland preservation agreement under subch. III of ch. 91, 2007 stats., on July 1 of the year for which credit is claimed, or the owner had applied for such an agreement before July 1 of such year and the agreement has subsequently been executed, and if the owner has applied by the end of the year in which conversion under s. 91.41, 2007 stats., is first possible for conversion of the agreement to a transition area agreement under subch. II of ch. 91, 2007 stats., and the transition area agreement has subsequently been executed, and the farmland is located in a city or village which has a certified exclusive agricultural use zoning ordinance under subch. V of ch. 91, 2007 stats., in effect at the close of the year for which credit is claimed, or in a town which is subject to a certified county exclusive agricultural use zoning ordinance under subch. V of ch. 91, 2007 stats., in effect at the close of the year for which credit is claimed, the amount of the claim shall be that specified in par. (b).

4. If the claimant or any member of the claimant's household owns farmland which is ineligible for credit under subd. 1. or 2. but which is subject to a farmland preservation agreement or a transition area agreement under subch. II of ch. 91, 2007 stats., on July 1 of the year for which credit is claimed, or the owner had applied for such an agreement before July 1 of such year and the agreement has subsequently been executed, the amount of the claim shall be limited to 80 percent of that specified in par. (b).

5. If the claimant or any member of the claimant's household owns farmland which is ineligible for credit under subds. 1. to 4. but was subject to a farmland preservation agreement under subch. III of ch. 91, 2007 stats., on July 1 of the year for which credit is claimed, or the owner had applied for such an agreement before July 1 of such year and the agreement has subsequently been executed, and if the owner has applied by the end of the year in which conversion under s. 91.41, 2007 stats., is first possible for conversion of the agreement to an agreement under subch. II of ch. 91, 2007 stats., and the agreement under subch. II of ch. 91, 2007 stats., has subsequently been executed, the amount of the claim shall be limited to 80 percent of that specified in par. (b).

6. If the farmland is located in an agricultural district under a certified county agricultural preservation plan under subch. IV of ch. 91, 2007 stats., at the close of the year for which credit is claimed, and is located in an area zoned for exclusive agricultural use under a certified town ordinance under subch. V of ch. 91, 2007 stats., at the close of such year, the amount of the claim shall be the amount specified in par. (b).

6m. If the farmland is located in an agricultural district under a certified county agricultural preservation plan under subch. IV of ch. 91, 2007 stats., at the close of the year for which credit is claimed, and is located in an area zoned for exclusive agricultural use under a certified county or town ordinance under subch. V of ch. 91, 2007 stats., for part of a year but not at the close of that year because the farmland became subject to a city or village extraterritorial zoning ordinance under s. 62.23 (7a), the amount of the claim shall be equal to the amount that the claim would have been under this section if the farmland were subject to a certified county or town exclusive agricultural use ordinance at the close of the year.

7. If the farmland is located in an area zoned for exclusive agricultural use under a certified county, city or village ordinance under subch. V of ch. 91, 2007 stats., at the close of the year for which credit is claimed, but the county in which the farmland is located has not adopted an agricultural preservation plan under subch. IV of ch. 91, 2007 stats., by the close of such year, the amount of the claim shall be limited to 70 percent of that specified in par. (b).

8. If the farmland is subject to a farmland preservation agreement under subch. III of ch. 91, 2007 stats., on July 1 of the year for which credit is claimed or the claimant had applied for such an agreement before July 1 of such year and the agreement has subsequently been executed, the amount of the claim shall be limited to 50 percent of that specified in par. (b).

(2) If the farmland is subject to a certified ordinance under subch. V of ch. 91, 2007 stats., or an agreement under subch. II of ch. 91, 2007 stats., in effect at the close of the year for which the credit is claimed, the amount of the claim is 10 percent of the property taxes accrued or the amount determined under sub. (1), whichever is greater.

3. The claimant submits to the department a certification of compliance with soil and water conservation standards, as required by s. 91.80, issued by the county land conservation committee unless, in the last preceding year, the claimant received a tax credit under ss. 71.57 to 71.61 or this section for the same farm.

(b) If a farm is jointly owned by 2 or more persons who file separate income or franchise tax returns, each person may claim a credit under this section based on the person’s ownership interest in the farm.

(c) If a person acquires or transfers ownership of a farm during a taxable year for which a claim may be filed under this section, the person may file a claim under this section based on the person’s liability for the property taxes levied on the person’s qualifying acres for the taxable year to which the claim relates.

(g) For the 2011-2012 fiscal year, and for the 2012-2013 fiscal year, the department shall prorate the per acre amounts specified in sub. (2) based on the department’s estimated amount of el-

eligible claims that will be filed for that fiscal year, and to account for any excess claims from the preceding fiscal year that are required to be paid under par. (f).

(h) If the payment to which an eligible claimant is entitled under sub. (2) is delayed because the claim was an excess claim, as described in par. (f), the claimant is not entitled to any interest payment under s. 71.82 with regard to the delayed claim or with regard to any other refund to which the claimant is entitled if that other refund claim is claimed on the same income tax return as the credit under this section.

(4) **ADMINISTRATION.** The department may enforce the credit under this section and may take any action, conduct any proceeding, and proceed as it is authorized in respect to taxes under this chapter. The income and franchise tax provisions in this chapter relating to assessments, refunds, appeals, collection, interest, and penalties apply to the credit under this section.

71.64 Employers required to withhold. (1) WITHHOLDING FROM WAGES. (a) Every employer at the time of payment of wages to an employee shall deduct and withhold from such wages, without regard for federal insurance contributions act deductions therefrom, an amount determined in accordance with tables to be prepared by the department under sub. (9). The secretary may grant permission to employers who do not desire to use the withholding tax tables provided by the department to determine the amount of tax to be withheld by use of a method of withholding other than the withholding tax tables, provided such method will withhold from each employee substantially the same amount as would be withheld by use of the withholding tax tables. Employers who desire to determine the amount of tax to be withheld by a method other than by use of the withholding tax tables shall obtain permission from the secretary before the beginning of a payroll period for which the employer desires to withhold the tax by such other method. Applications for use of such other method must be accompanied by evidence establishing the need for the use of such method.

(b) An employer may, at his or her discretion, deduct and withhold from any one payment of wages in a month, in the case of an employee paid more often than once during any month, the total amount which the employer reasonably estimates he or she will be required to withhold under this section from such employee during that month. Permission from the secretary under par. (a) is not needed by any employer acting under this paragraph.

(c) Withholding from marital income shall be allocated between taxpayers in the same manner that income is allocated or would be allocated.

(2) CHANGING AMOUNT OF WITHHOLDING BY WRITTEN AGREEMENT BETWEEN EMPLOYER AND EMPLOYEE. (a) *Additional amount.* In addition to the amount required to be deducted and withheld, an employer and employee may agree in writing that an additional amount shall be withheld from the employee's wages. The amount deducted and withheld pursuant to such an agreement shall be considered as an amount required to be deducted and withheld for all purposes of this subchapter.

(b) *Lesser amount.* In lieu of the amount required to be deducted and withheld under this section, an employer and employee may agree in writing on a form prescribed and provided by the department that a lesser amount be withheld from the employee's wages if:

1. The employee determines that the lesser amount approximates the employee's anticipated income tax liability for the year.

2. The employee sends a copy of the completed agreement form to the department within 10 days after it is filed with the employer.

3. The agreement expires on April 30 of the following year, for calendar year taxpayers, or 4 months following the close of their fiscal year, for fiscal year taxpayers.

(c) *Department may void agreement.* If the department determines that an agreement under par. (b) would result in an insufficient amount of tax being withheld, the department may void the agreement by notification to the employer and employee.

(3) **WITHHOLDING FROM PENSION OR SICK PAY PLAN.** If a payee furnishes written notification to a payor of any pension or to a 3rd-party payor of any sick pay plan that the payee desires to have Wisconsin income tax withheld from the pension or sick pay plan, the payor shall withhold from each pension payment or sick pay payment an amount in accordance with the withholding tables or the amount that the payee designates to the payor. The amount withheld from each payment may not be less than \$5. For purposes of this subsection, "pension" includes any retirement payment plan, and "sick pay" includes any amount paid to an employee as remuneration or paid instead of remuneration for any period when the employee is temporarily absent from work because of sickness or personal injuries. Payors withholding under this subsection are employers for all purposes of this section and shall withhold, remit and be subject to the other requirements of an employer in withholding Wisconsin income tax from employees.

(4) **WITHHOLDING FROM PAYMENTS MADE TO ENTERTAINERS.** For purposes of this section, all payments made to entertainers and entertainment corporations, except payments made as provided under s. 71.80 (15) (b) 2., are presumed subject to withholding unless the recipient provides to the person making the payment a written statement, on a form prescribed by the department, certifying that the payment is exempt under sub. (6) (b) or s. 71.05 (2).

(5) **WITHHOLDING FROM ENTERTAINER IN ABSENCE OF BOND OR CASH DEPOSIT.** If no bond or cash deposit is made under s. 71.80 (15) (b) by an entertainer or entertainment corporation at the time of payment of wages to an entertainer, the employer shall either withhold the amount for which a bond should have been provided under s. 71.80 (15) (b) or deduct and withhold the tax reflected by the proper withholding table. If the entertainer establishes to the department's satisfaction that a lower rate is more appropriate, the department shall notify the employer to withhold at the lower rate. The department may notify the employer that it waives the withholding requirement on the amount specified. Payments to an entertainment corporation shall be withheld at the rate of 6 percent unless the payee establishes to the satisfaction of the department that a lower rate is appropriate, in which case the department may notify the employer to withhold at a lower rate.

(6) **WITHHOLDING FROM PAYMENTS MADE TO NONRESIDENTS.** (a) At the time of payment of wages to a nonresident employee which wages were derived from the performance of services both within and without the state, the employer shall deduct and withhold from the wages derived from the performance of services within the state the amount as reflected by the proper withholding table.

(b) No amount shall be withheld from the wages paid to a nonresident employee for services performed in this state if the employer reasonably estimates that during that calendar year the employee will earn less than \$2,000; but whenever it appears that the employee will earn more than \$2,000 in this state during the

calendar year, the employer shall withhold, from wages paid thereafter, such additional amounts as the employer reasonably estimates will be required to offset the amounts not withheld from previous payments.

(c) No amount shall be withheld from wages paid to an out-of-state employee, as defined in s. 323.12 (5) (a) 7., for disaster relief work, as defined in s. 323.12 (5) (a) 3.

(7) **SPECIAL WITHHOLDING ARRANGEMENTS.** The secretary of revenue, acting within his or her discretion, may authorize special withholding arrangements in hardship cases resulting from situations in which persons, domiciled in Wisconsin, are subjected to withholding in some other state by reason of the performance of substantial personal services in such other state, pursuant to s. 71.07 (7).

(8) **EXCEPTIONS.** (a) The employer of any employee domiciled in a state with which Wisconsin has reciprocity under s. 71.05 (2) is not required to withhold under this subchapter from the wages earned by such employee in this state.

Cross-reference: See also s. Tax 2.02, Wis. adm. code.

(b) This subchapter shall not apply to any county fair association in regard to any employee receiving less than \$500 annually in wages or salary from the association.

(c) The department of corrections is not required to withhold under sub. (1) from wages paid to an inmate working in a prison listed in s. 302.01, and if the inmate's wages do not exceed \$2,000 per year the department of corrections is not required under s. 71.65 (3) to file reports relating to those wages.

(9) **WITHHOLDING TABLES.** (a) The department shall prepare, promulgate and publish in the official state paper, without regard to the requirements of ch. 227, rules establishing withholding tables prepared on a weekly, biweekly, semimonthly, monthly, and daily or miscellaneous pay period basis. Those rules shall also provide instructions for withholding with respect to quarterly, semiannual and annual pay periods.

(b) The department shall from time to time adjust the withholding tables to reflect any changes in income tax rates, any applicable surtax or any changes in dollar amounts in s. 71.06 (1), (1m), (1n), (1p), (1q), and (2) resulting from statutory changes, except as follows:

1. The department may not adjust the withholding tables to reflect the changes in rates in s. 71.06 (1m) and (2) (c) and (d) and any changes in dollar amounts with respect to bracket indexing under s. 71.06 (2e), with respect to changes in rates under s. 71.06 (1m) and (2) (c) and (d), and with respect to standard deduction indexing under s. 71.05 (22) (ds) for any taxable year that begins before January 1, 2000.

2. The department shall adjust the withholding tables to reflect the changes in rates in s. 71.06 (1n), (1p) and (2) (e), (f), (g) and (h) and any changes in dollar amounts with respect to bracket indexing, with respect to changes in rates under s. 71.06 (1p) and (2) (g) and (h) on July 1, 2000.

(c) The tables shall account for the working families tax credit under s. 71.07 (5m). The tables shall be extended to cover from zero to 10 withholding exemptions, shall assume that the payment of wages in each pay period will, when multiplied by the number of pay periods in a year, reasonably reflect the annual wage of the employee from the employer and shall be based on the further assumption that the annual wage will be reduced for allowable deductions from gross income. The department may determine the length of the tables and a reasonable span for each bracket. In preparing the tables the department shall adjust all withholding amounts not an exact multiple of 10 cents to the next highest figure that is a multiple of 10 cents. The department shall

also provide instructions with the tables for withholding with respect to quarterly, semiannual and annual pay periods.

71.65 Filing returns or reports. (1) EMPLOYER MUST FURNISH STATEMENT TO EMPLOYEE. (a) Every person, partnership or limited liability company required to deduct and withhold from an employee under the general withholding provisions of this subchapter shall furnish to each such employee in respect of the remuneration paid by such person, partnership or company to such employee during the calendar year, on or before January 31 of the succeeding year, or if his or her employment is terminated before the close of any such calendar year on the day on which the last payment of remuneration is made, 2 legible copies of a written statement showing the following:

1. The name of such person, partnership or limited liability company, and that person's, partnership's or company's Wisconsin income tax identification number, if any.
2. The name of the employee and the employee's social security number, if any, or other number required by the department.
3. The total amount of wages.
4. The total amount deducted and withheld as required by the general withholding provisions of this subchapter.

(b) The employee shall furnish the department of revenue one copy of such written statement along with his or her return for the year.

(2) EMPLOYERS' STATEMENTS. (a) Every person required to deduct and withhold from an employee under this subchapter shall furnish, in respect to remuneration paid by the person to the employee during the calendar year, on or before January 31 of the succeeding year, one copy of the statement under sub. (1), except that, if the statement includes a number other than the employee's social security number, the statement furnished shall include the employee's social security number.

(b) Every resident of this state and every nonresident carrying on activities within this state, whether taxable or not under this chapter, who pays in any calendar year for services performed within this state by an individual remuneration that is excluded from the definition of wages, in the amount of \$600 or more, shall, on or before January 31 of the year following the year in which the payments are made, furnish a statement, in such form as required by the department, disclosing the name of the payor, the name and address of the recipient of the payment, and the total amount paid in the calendar year to the recipient. The person who pays for the services shall, on or before that deadline, furnish the recipient of the payment with a copy of the statement. In any case in which an individual receives wages and also remuneration for services which remuneration is excluded from such definition, both from the same payor, the wages and the excluded remuneration shall both be reported in the report required under this subsection in a manner satisfactory to the department, regardless of the amount of the excluded remuneration.

(3) FILING REPORTS AND MAKING DEPOSITS OF WITHHELD TAXES. (a) Every employer who deducts and withholds any amount under this subchapter shall deposit such amount on a quarterly basis, except that if the amount deducted and withheld in any quarter exceeds \$300, the department may require by written notice to the employer, that amounts deducted and withheld on and after the date indicated on such notice be deposited on a monthly basis. Employers who are required to file reports and deposit withheld taxes on a monthly, quarterly or annual basis, as the case may be, shall file such reports and deposit such taxes on or before the last day of the month next succeeding the withholding period. If the amount deducted and withheld in any quarter

exceeds \$5,000, the department may require by written notice to the employer, that for amounts deducted and withheld from the first day of the month through the 15th day of the month, the employer shall file reports and deposit such taxes on or before the last day of such month and that for amounts deducted and withheld from the 16th day of the month through the last day of the month the employer shall file reports and deposit such taxes on or before the 15th day of the next succeeding month. Employers shall file reports and deposit taxes with such public depository in Wisconsin as the department of administration designates a public depository therefor under s. [34.05](#) to the credit of the general fund. With each deposit the employer shall include a deposit report on a form to be provided by the department. The department may, when satisfied that the revenues will be adequately safeguarded, permit an employer whose withheld taxes do not exceed \$50 per month to deposit withheld taxes and reports for other than quarterly periods. The department may revoke such permission at any time. The department, if it deems it necessary in order to ensure payment to or facilitate the collection by the state of the amount of taxes, may require reports or payments of the amount of withheld taxes for other than quarterly periods. The public depository shall record on such deposit report the amount deposited and shall then forward such report to the department in such manner and at such time as the department by rule prescribes. On or before January 31 of each year every employer shall file a withholding report on a form to be provided by the department showing the amount withheld from the wages paid each employee in the previous calendar year, the amount deposited in respect to each employee on wages paid in the previous calendar year and a reconciliation of the aggregate of the amounts deposited in respect to each employee on wages paid in the previous calendar year with the aggregate of the amounts shown on the semi-monthly, monthly and quarterly deposit reports filed in respect to such withholding. Every employer who discontinues business prior to the end of a calendar year shall, within 30 days of such discontinuance, deposit withheld taxes not previously deposited and submit a deposit report concerning such deposit with the public depository and file a withholding report with the department covering the period from the beginning of the calendar year to the date of discontinuance. No employee shall have any right of action against an employer in regard to money deducted from wages and deposited with the public depository in compliance or intended compliance with this subchapter.

Cross-reference: See also s. [Tax 1.10](#), Wis. adm. code.

(b) Upon not less than 6 months' notice to the public depository designated under par. (a), the secretary of revenue may direct that withheld taxes required to be reported and remitted by employers on and after a date specified be reported and remitted directly to the department of revenue. Every employer who deducts and withholds any amount under this subchapter required to be reported and remitted on or after such date shall report and remit directly to the department. Amounts withheld shall be paid over a quarterly basis but if the amount deducted and withheld in any quarter exceeded \$300, the department may require, by written notice to the employer, that amounts deducted and withheld after the date indicated on such notice be paid over a monthly basis. Employers who are required to file reports and pay over withheld taxes on a monthly, quarterly or annual basis shall file such reports and pay over such taxes on or before the last day of the month next succeeding the withholding period. If the amount deducted and withheld in any quarter exceeded \$5,000, the department may require by written notice to the employer, that for amounts deducted and withheld from the first day of the month through the 15th day of the month, the employer shall file such reports and pay over such taxes on or before the last day of such month; for amounts deducted and withheld from the 16th day of

the month through the last day of the month, the employer shall file such reports and pay over such taxes on or before the 15th day of the next succeeding month.

(c) With each payment the employer shall include a withholding report on forms provided by the department. The department may, when satisfied that the revenues will be adequately safeguarded, permit an employer whose withheld taxes do not exceed \$50 per month to pay over withheld taxes and file withholding reports for longer than quarterly periods. Such permission may be revoked at any time. The department, if it deems it necessary in order to ensure payment or to facilitate the collection by the state of the amount of taxes, may require reports or payments of the amount of withheld taxes for shorter than quarterly periods.

(d) On or before January 31 of each year every employer shall file an annual withholding report on forms provided by the department showing the amount withheld from the wages paid each employee in the previous calendar year, the amount deposited or paid over in respect to each employee on wages paid in the previous calendar year and a reconciliation of the aggregate deposited or paid over in respect to each employee on wages paid in the previous calendar year with the aggregate of the amounts shown on deposit and withholding reports filed in respect of such withholding.

(e) Every employer who discontinues his or her business prior to the end of a calendar year shall, within 30 days of such discontinuance, pay over withheld taxes not previously deposited or paid over, and shall file a withholding report covering the period from the beginning of the calendar year to the date of discontinuance.

(f) No employee shall have any right of action against his or her employer in regard to money deducted from his or her wages and paid over to the department in compliance or intended compliance with this subchapter.

(g) If the secretary of revenue elects to discontinue use of the public depository, reasonable notice of the change shall be communicated to employers subject to withholding.

(h) If a single-owner entity that is disregarded as a separate entity under section 7701 of the Internal Revenue Code is an employer subject to withholding under this subchapter and if the entity does not deduct, withhold, report, and deposit the tax as required under this subchapter, the owner of the single-owner entity is liable for any tax, interest, and penalties due under this subchapter.

(5) EXTENSIONS. (a) If an employer applies for an extension and shows good cause why an extension should be granted, the department may grant a 30-day extension for filing a wage statement under sub. (1), an annual reconciliation report under sub.

(3) (a) or (d), or a statement of nonwage payments under sub. (2) (b).

(b) No extension under par. (a) extends the time to deposit with the public depository or pay to the department amounts that are required to be deducted and withheld under this subchapter. The department for good cause may extend for a period, not to exceed one month, the time for making any return or paying any amount required to be paid under this subchapter. The extension may be granted at any time if the extension request is filed with the department within or before the period for which the extension is requested.

(6) CONSTRUCTION CONTRACTORS. Any employer who willfully provides false information to the department, or who willfully and with intent to evade any requirement of this subchapter, misclassifies or attempts to misclassify an individual who is an

employee of the employer as a nonemployee shall be fined \$25,000 for each violation.

History: 1987 a. 312; 1991 a. 39; 1993 a. 112; 1997 a. 27, 291; 2005 a. 49; 2009 a. 28; 2013 a. 20; 2017 a. 59, 324.

71.66 Employee exemption certificates. (1) (a) On or before the date on which an employee commences employment with an employer each employee shall provide his or her employer with a signed withholding exemption certificate relating to the number of withholding exemptions he or she claims, which shall not exceed the number to which he or she is entitled. If the employee fails to provide such certificate, such employee, for withholding purposes, shall be considered as claiming no withholding exemptions.

(b) If the number of withholding exemptions to which the employee is entitled is less than the number of withholding exemptions claimed by him or her on the withholding exemption certificate then in effect, the employee shall within 10 days after the change occurs provide the employer with a new withholding exemption certificate, which shall not exceed the number to which he or she is entitled.

(c) If the number of withholding exemptions to which the employee is entitled is more than the number of withholding exemptions claimed by him or her on the withholding exemption certificate then in effect, the employee may provide the employer with a new withholding exemption certificate on which the employee must not claim more than the number of withholding exemptions to which he or she is entitled on such day.

(d) A withholding exemption certificate provided to the employer shall take effect as of the beginning of the first payroll period ending after the date on which such certificate is provided.

(e) Any employee who willfully supplies his or her employer with false or fraudulent information regarding his or her withholding exemption or who willfully fails to supply information which would increase the amount to be withheld may be fined not more than \$200.

(f) Whenever the internal revenue code or regulations or rulings of the internal revenue service require an employer to submit copies of, or information taken from, an employee's withholding allowance certificate to the internal revenue service, the employer shall also provide copies of, or information taken from, the certificate to the department within 15 days after the employer is required to file the certificate or information with the internal revenue service.

(2) An employee receiving wages shall be entitled to either the number of withholding exemptions allowable for federal withholding tax purposes or the following withholding exemptions that apply:

(a) An exemption for himself or herself.

(b) If the employee is married, an exemption to which his or her spouse is entitled, or would be entitled if such spouse were an employee receiving wages, but only if such spouse does not have in effect a withholding exemption certificate claiming such exemption.

(3) An employer is not required to deduct and withhold any tax whenever an employee certifies to the employer, on a form prescribed by the secretary, that the employee incurred no liability for income tax imposed by this chapter for the employee's preceding taxable year and anticipates that the employee will incur no liability for the employee's current taxable year.

Cross-reference: See also s. Tax 2.90, Wis. adm. code.

(4) (a) The department may verify any withholding exemption certificate, form or agreement filed by an employee with an employer directly from the books and records of any person or from any other sources of information. To ascertain the correct-

ness of any withholding exemption certificate, form or agreement, the department may examine or cause to be examined by any agent or representative designated by it any books, papers, records or memoranda bearing on the certificate, form or agreement and may require the production of books, records and memoranda, and may require testimony and proof relevant to its investigation.

(b) If it appears that a person has filed an incorrect certificate, form or agreement with an employer, the department may void the certificate, form or agreement by notifying the employer and employee. The employer shall then withhold based on the number of exemptions prescribed by the department in its notice. If an employee fails to furnish information requested by the department to verify the correctness of the certificate, form or agreement, the employee shall be considered as claiming no withholding exemptions and the employer shall withhold on that basis upon notification by the department to the employer and the employee.

History: 1995 a. 428; 1997 a. 27; 2005 a. 362; 2007 a. 20; 2021 a. 262.

71.74 Department audits, additional assessments and refunds. (1) OFFICE AUDIT. The department shall, as soon as practicable, office audit such returns as it deems advisable and if it is found from such office audit that a person has been over or under assessed, or found that no assessment has been made when one should have been made, the department shall correct or assess the income of such person. Any assessment, correction or adjustment made as a result of such office audit shall be presumed to be the result of an audit of the return only, and such office audit shall not be deemed a verification of any item in said return unless the amount of such item and the propriety thereof shall have been determined after hearing and review as provided in s. 71.88 (1) (a) and (2) (a). Such office audit shall not

preclude the department from making field audits of the books and records of the taxpayer and from making further adjustment, correction and assessment of income.

(2) FIELD AUDIT. (a) Whenever the department deems it advisable to verify any return directly from the books and records of any person, or from any other sources of information, the department may direct any return to be so verified.

(b) For the purpose of ascertaining the correctness of any return or for the purpose of making a determination of the taxable income of any person, the department may examine or cause to be examined by any agent or representative designated by it, any books, papers, records or memoranda bearing on the income of the person, and may require the production of the books, papers, records or memoranda, and require the attendance of any person having knowledge in the premises, and may take testimony and require proof material for its information. Upon such information as it may be able to discover, the department shall determine the true amount of income received during the year or years under investigation.

(c) If it appears upon such investigation that a person has been over or under assessed, or that no assessment has been made when one should have been made, the department shall make a correct assessment in the manner provided in this chapter.

(3) DEFAULT ASSESSMENT. Any person required to file an income or franchise tax return, who fails, neglects or refuses to do so within the time prescribed by this chapter or files a return that does not disclose the person’s entire net income, shall be assessed by the department according to its best judgment.

(4) ASSESSMENT FOR FAILURE OF NATURAL PERSONS AND FIDUCIARIES TO FILE INFORMATION RETURNS. The department may assess as an addition to taxable income the amount of deductions taken in arriving at federal adjusted gross income or federal taxable income by natural persons and fiduciaries for wages, rent or royalties, upon failure to file information returns concerning such payments where required under s. 71.65 (1) and (2) (a) or (b) and 71.70 (1). Such assessments shall be made and reviewed in the same manner as other income tax assessments.

Cross-reference: See also s. Tax 2.04, Wis. adm. code.

(5) ASSESSMENT WHEN PRICES AFFECT TAXABLE INCOME. When any corporation liable to taxation under this chapter conducts its business in such a manner as either directly or indirectly to benefit the members or stockholders thereof or any person interested in such business, by selling its products or the goods or commodities in which it deals at less than the fair price which might be obtained therefor, or where a corporation, a substantial portion of whose capital stock is owned either directly or indirectly by another corporation, acquires and disposes of the products of the corporation so owning a substantial portion of its stock in such a manner as to create a loss or improper net income, the department may determine the amount of taxable income to such corporation for the calendar or fiscal year, having due regard to the reasonable profits which but for such arrangement or understanding might or could have been obtained from dealing in such products, goods or commodities.

(6) CONSOLIDATED STATEMENTS. For the purpose of this chapter, whenever a corporation which is required to file an income or franchise tax return is affiliated with or related to any other corporation through stock ownership by the same interests or as parent or subsidiary corporations, or whose income is regulated through contract or other arrangement, the department may require such consolidated statements as in its opinion are necessary in order to determine the taxable income received by any one of the affiliated or related corporations or to determine whether the corporations are a unitary business.

(7) ADDITIONAL ASSESSMENTS AGAINST DISSOLVED CORPO-

RATION. If all or substantially all of the business or property of a corporation is transferred to one or more persons and the corporation is liquidated, dissolved, merged, consolidated or otherwise terminated, any tax imposed by this chapter on such corporation may be assessed and collected as prescribed in this section against the transferee or transferees of such business or property. Notice shall be given to such transferee or transferees under sub. (11) within the time specified in s. 71.77 irrespective of any other limitations imposed by law. If such corporation has dissolved, such notice may be served on any one of the last officers or members of the board of directors of such corporation.

(8) ADJUSTMENT OF CREDITS. (a) If an audit of a claim for a credit under s. 71.07, 71.28 or 71.47 or subch. VIII or IX indicates that an incorrect claim was filed, the department shall make a determination of the correct amount and notify the claimant of the determination and the reasons therefor under sub. (11) within 4 years of the last day prescribed by law for filing the claim. If the claim has been paid, or credited against income or franchise taxes otherwise payable, the credit shall be reduced or canceled, and the proper portion of any amount paid shall be similarly recovered by assessment as income or franchise taxes are assessed.

(b) If a claim for a credit under s. 71.07, 71.28 or 71.47 or subch. VIII or IX is false or excessive and was filed with fraudulent intent, the claim shall be disallowed in full and, if the claim has been paid or a credit has been allowed against income or franchise taxes otherwise payable, the credit shall be canceled and the amount paid may be recovered by assessment as income or franchise taxes are assessed.

(c) If a claim for a credit under s. 71.07, 71.28 or 71.47 or subch. VIII or IX is excessive and was negligently prepared, 10 percent of the corrected claim shall be disallowed and, if the claim has been paid or credited against income or franchise taxes otherwise payable, the credit shall be reduced or canceled and the proper portion of any amount paid shall be similarly recovered by assessment as income or franchise taxes are assessed.

(d) If a claim for a state historic rehabilitation credit under s. 71.07 (9r) is false or excessive, the department shall disallow the claim in full. If a credit has been allowed against income taxes otherwise payable, the credit shall be canceled and the amount may be recovered by assessment as income taxes are assessed. Notwithstanding par. (a) and s. 71.77, the department shall notify the claimant of the determination and shall give reasons for the disallowance under sub. (11) within 4 years after the date that the state historical society notifies the department that the preservation or rehabilitation is not in compliance with s. 71.07 (9r) (b) 3. b. or 4., but that notification must be made within 6 years after the date that the physical work of construction, or destruction in preparation for construction, begins.

(9) LIABILITY MAY BE ASSESSED TO MORE THAN ONE PERSON. If the department determines that a liability exists under this chapter and that the liability may be owed by more than one person, the department may assess the entire amount to each person, specifying that it is assessing in the alternative.

(10) NOTICE TO TAXPAYER OF ADJUSTMENT. The department shall notify the taxpayer, as provided in sub. (11), of any adjustment, correction and assessment made under sub. (1).

(11) NOTICE OF ADDITIONAL ASSESSMENT. The department shall notify the taxpayer in writing of any additional assessment by office audit or field investigation. The department shall serve that notice as provided in s. 73.03 (73m). In the case of joint returns, notice of additional assessment may be a joint notice, and service on one spouse is proper notice to both spouses. If the spouses have different addresses at the time the department serves the notice of additional assessment and if either spouse notifies the department in writing of those addresses, the depart-

ment shall serve a duplicate of the original notice on the spouse who has the address other than the address to which the department sent the original notice, if no request for a redetermination or a petition for review has been commenced or finalized. For the spouse who did not receive the original notice, redetermination and appeal rights begin upon the service of a duplicate notice. If the taxpayer is a corporation and the department is unable to serve that taxpayer as provided in s. 73.03 (73m), the department may serve the notice by publishing a class 3 notice, under ch. 985, in the official state newspaper.

(12) TAXES DELINQUENT AFTER DUE DATE. Additional income or franchise taxes assessed under subs. (1) to (5), (7) and (8) shall become delinquent if not paid on or before the due date stated in the notice to the taxpayer.

(13) COLLECTION OF ADDITIONAL TAX AND ISSUANCE OF REFUNDS. (a) If the tax is increased the department shall proceed to collect the additional tax in the same manner as other income or franchise taxes are collected. If the income or franchise taxes are decreased upon direction of the department the secretary of administration shall refund to the taxpayer such part of the overpayment as was actually paid in cash, and the certification of the overpayment by the department shall be sufficient authorization to the secretary of administration for the refunding of the overpayment. No refund of income or franchise tax shall be made by the secretary of administration unless the refund is so certified. The part of the overpayment paid to the county and the local taxation district shall be deducted by the secretary of administration in the secretary's next settlement with the county and local treasurer.

(b) No action or proceeding whatsoever shall be brought against the state or the secretary of administration for the recovery, refund, or credit of any income or surtaxes; except in case the secretary of administration shall neglect or refuse for a period of 60 days to refund any overpayment of any income or surtaxes certified, the taxpayer may maintain an action to collect the overpayment against the secretary of administration so neglecting or refusing to refund such overpayment, without filing a claim for refund with the secretary of administration, provided that such action shall be commenced within one year after the certification of such overpayment.

(14) ADDITIONAL REMEDY TO COLLECT TAX. The department may also proceed under s. 71.91 (5) for the collection of any additional assessment of income or franchise taxes or surtaxes, after notice thereof has been given under sub. (11) and before the same shall have become delinquent, when the department has reasonable grounds to believe that the collection of such additional assessment will be jeopardized by delay. In such cases, the department shall give notice of the intention to so proceed to the taxpayer as provided in s. 73.03 (73m), and the warrant of the department shall not issue if the taxpayer within 10 days after such notice furnishes a bond in such amount, not exceeding double the amount of the tax, and with such sureties as the department shall approve, conditioned upon the payment of so much of the additional taxes as shall finally be determined to be due, together with interest thereon as provided by s. 71.82 (1) (a). Nothing in this subsection affects the review of additional assessments provided by ss. 71.88 (1) (a) and (2) (a), 71.89 (2), 73.01, and 73.015, and any amounts collected under this subsection shall be deposited with the department and disbursed after final determination of the taxes as are amounts deposited under s. 71.90 (2).

(15) PAYMENTS. All nondelinquent payments of additional amounts owed shall be applied in the following order: penalties, interest, tax principal.

History: 1987 a. 312; 1989 a. 31; 1991 a. 39; 1993 a. 205; 1997 a. 27; 2003 a. 33; 2007 a. 20; 2009 a. 28; 2017 a. 324.

The investigative power of the Department of Revenue under s. 71.11 (20) (b)

[now sub. (2)] is similar to the power of the Internal Revenue Service under 26 USC 7602. A taxpayer subpoenaed by the department has limited discovery rights under *Genser*, 595 F.2d 146 (1979). *State v. Beno*, 99 Wis. 2d 77, 298 N.W.2d 405 (Ct. App. 1980).

71.745 Pass-through entity audits, additional assessments and refunds at the entity level. (1) **GENERAL APPLICABILITY.** Unless specifically provided in subs. (2) to (9), additional assessments and refunds of pass-through entities and pass-through members shall follow the provisions under this chapter. This section shall not apply for taxable years for which a pass-through entity made an election under s. 71.21 (6) (a) or 71.365 (4m) (a) that the pass-through entity did not revoke under s. 71.21 (6) (c) or 71.365 (4m) (c). The department shall not make additional assessments and refunds under this section to an entity treated as a disregarded entity described under U.S. Treasury Regulation 301.7701-2 or to a grantor trust the income of which is reportable under the Internal Revenue Code by the grantor of the trust or by any person other than the trust.

(2) **AUDIT ASSESSMENTS AND REFUNDS.** Except as provided in sub. (9), for the purpose of performing audit assessments and issuing refunds, the department may do all of the following:

(a) Assess and collect additional tax from a pass-through entity on income otherwise reportable by its pass-through members. In computing the tax to assess to a pass-through entity under this paragraph, the department shall apply the highest tax rate under s. 71.06 on income otherwise reportable by pass-through members that are individuals, estates, or trusts with a direct interest in the pass-through entity and apply the highest tax rate under s. 71.27 on income otherwise reportable by pass-through members, other than individuals, estates, or trusts, with a direct interest in the pass-through entity.

(b) Direct the secretary of administration to refund to a pass-through entity that part of an overpayment paid by the pass-through entity and not by the entity's pass-through members. Pass-through members may claim overpayments not paid by the pass-through entity within one year after the date the determination of the overpayment becomes final or before the end of the period specified under s. 71.75, whichever is later.

(3) **ADJUSTMENT OF CREDITS.** Except as provided in sub. (9), for the purpose of adjusting credits, the department may do all of the following:

(a) Assess an adjustment to reduce a credit under s. 71.07, 71.28, or 71.47 to a pass-through entity if the pass-through entity previously computed the credit and reported the credit to its pass-through members. An assessment made under this paragraph may be reduced by the tax effect from the modifications described under ss. 71.05 (6) (a) 15. and 25., 71.21 (4), 71.26 (2) (a) 4. and 11., 71.34 (1k) (g) and (m), and 71.45 (2) (a) 10., if the modification occurs in a taxable year under review, except that the modification shall not pass through to nor be claimed by the pass-through members.

(b) Assess an adjustment to increase a credit under s. 71.07, 71.28, or 71.47 to offset additional tax assessed to a pass-through entity under sub. (2). Any excess credit not used to offset additional tax may be claimed by the pass-through members within one year from the date the determination of the adjustment becomes final or before the end of the period specified under s. 71.75, whichever is later.

(4) **ADJUSTMENTS ATTRIBUTABLE TO MEMBERS.** Adjustments to pass-through items under this section are attributable to each pass-through member in a manner, and for the taxable year, that is consistent with the treatment of the pass-through items if a determination was not made under this section.

(5) **STATUTES OF LIMITATIONS, INTEREST, AND PENALTIES.** Statutes of limitations, interest, and penalties under ss. 71.77,

71.82, and 71.83 apply to determinations made under this section without regard to the action or inaction of pass-through members.

(6) **CONTESTED ADJUSTMENTS.** (a) Except as provided in par. (b), a determination made by the department under this section is final and conclusive upon receipt by the pass-through entity. Pass-through members shall concede to the accuracy of and shall be bound by a determination made under this section. A pass-through entity shall timely notify all pass-through members of any administrative or judicial proceeding regarding the determination of any pass-through item.

(b) A pass-through entity aggrieved by a determination made by the department under this section may, within 60 days after receipt of the determination, petition the department for redetermination. The department shall make a redetermination on the petition within 6 months after the date on which the petition is filed. If no timely petition for redetermination is filed with the department, the department's determination shall be final and conclusive.

(7) **LIABILITY MAY BE ASSESSED TO MORE THAN ONE PERSON.** If the department determines that a liability exists under this chapter and that the liability may be owed by more than one pass-through member of a pass-through entity, the department may assess any pass-through member of the pass-through entity for their allocated portion of additional tax otherwise due under this chapter.

(8) **ELECTION TO REDUCE ASSESSMENT.** Within 60 days after the department's determination under this section becomes final, a pass-through entity may elect, in a manner prescribed by the department, to have the pass-through entity's assessment under this section reduced for pass-through items reported and paid by pass-through members within 60 days of the election. A pass-through entity shall furnish to the department and its pass-through members the adjustments to the each pass-through member's proportionate share of pass-through items for each taxable year.

(9) **ELECTION TO PRECLUDE ASSESSMENT.** Within 60 days after the department's determination under this section becomes final, a pass-through entity with 25 or fewer pass-through members for all years under review may elect, in a manner prescribed by the department, to require the department to make an assessment to each of its pass-through members. This subsection does not apply to a pass-through entity if one or more of its pass-through members is a pass-through entity for any year under review. The election under this subsection does not relieve a representative designated by the pass-through entity under s. 71.80 (26) (a) of the representative's duties under s. 71.80 (26) (b) 2., 3., and 6.

71.75 Claims for refund. (1) Except as provided in ss. 49.855, 71.77 (5) and (7) (b) and 71.935, the provisions for refunds and credits provided in this section shall be the only method for the filing and review of claims for refund of income and surtaxes, and no person may bring any action or proceeding for the recovery of such taxes other than as provided in this section.

(2) With respect to income taxes and franchise taxes, except as otherwise provided in subs. (5) and (9) and ss. 71.30 (4) and 71.77 (5) and (7) (b), refunds may be made if the claim therefor is filed within 4 years of the unextended date under this section on which the tax return was due.

(3) No refund shall be made on the over-withholding or overpayment of estimated income taxes or franchise taxes with respect to any person for any taxable year in an amount less than \$1.

(4) Except as provided in subs. (5) and (5m), no refund shall be made and no credit shall be allowed for any year that has been the subject of a field audit if the audit resulted in a refund or no

change to the tax owed or in an assessment that is final under s. 71.88 (1) (a) or (2) (a), 71.89 (2), 73.01 or 73.015 and if the department of revenue notifies the taxpayer that unless the taxpayer appeals the result of the field audit under subch. XIV, the field audit is final. No refund shall be made and no credit shall be allowed on any item of income or deduction, assessed as a result of an office audit, the assessment of which is final under s. 71.88 (1) (a) or (2) (a), 71.89 (2), 73.01 or 73.015.

(5) A claim for refund may be made within 4 years after the assessment of a tax or an assessment to recover all or part of any tax credit, including penalties and interest, under this chapter, assessed by office audit or field audit and paid if the assessment was not protested by the filing of a petition for redetermination. No claim may be allowed under this subsection for any tax, interest or penalty paid with respect to any item of income, credit or deduction self-assessed or determined by the taxpayer or assessed as the result of any assessment made by the department with respect to which all the conditions specified in this subsection are not met. If a claim is filed under this subsection, the department of revenue may make an additional assessment in respect to any item of income or deduction that was a subject of the prior assessment. No claim for refund may be made in respect to items that were not adjusted in the notice of assessment or of refund. A person whose returns for more than one year have been adjusted may make a claim under this subsection whether or not the net result of the adjustments for those years is an assessment. This subsection does not extend the time to file under s. 71.53 (2) or 71.59 (2), and it does not extend the time period during which the department of revenue may assess, or the taxpayer may claim a refund, in respect to any item of income or deduction that was not a subject of the prior assessment.

(5m) In respect to overpayments attributable to a capital loss carry-back, a corporation may claim a refund within 4 years after the due date, including extensions, for filing the return for the taxable year of the capital loss that is carried back.

(6) Every claim for refund or credit of income taxes, franchise taxes or surtaxes, if any, shall be filed with the department and signed by the person or, in the case of joint returns, by both persons who filed the return on which the claim is based and shall set forth specifically and explain in detail the reasons for and the basis of the claim. After the claim has been filed it shall be considered and acted upon in the same manner as are additional assessments made under s. 71.74 (1) and (2). No marital property agreement or unilateral statement under ch. 766 affects claims for refund or credit under this section.

(7) The department shall act on any claim for refund or credit within one year after receipt and failure to act shall have the effect of allowing the claim and the department shall certify the refund or credit unless the taxpayer has consented in writing to an extension of the one-year time period prior to its expiration.

(7m) The department shall not issue a refund to an employed individual before March 1 unless both the individual and the individual's employer have filed all required returns and forms with the department for the taxable year for which the individual claims a refund.

(8) A refund payable on the basis of a separate return shall be issued to the person who filed the return. A refund payable on the basis of a joint return shall be issued jointly to the persons who filed the return, except that, if a judgment of divorce under ch. 767 apportions any refund that may be due the formerly married persons to one of the former spouses, or between the spouses, and if they include with their income tax return a copy of that portion of the judgment of divorce that relates to the apportionment of their tax refund, the department shall issue the refund to the person to whom the refund is awarded under the terms of the judg-

ment of divorce or the department shall issue one check to each of the former spouses according to the apportionment terms of the judgment.

(9) All refunds, overpayments, or refundable credits under this chapter are subject to attachment under ss. 49.855, 71.93 and 71.935, and no taxpayer has any right to, or interest in, any refund, overpayment, or refundable credit under this chapter until setoff under ss. 49.855, 71.93, and 71.935 has been completed.

(10) If an income tax refund or tax credit check is payable to a person who dies, the department shall pay the refund or credit check to the decedent's personal representative. If there is no personal representative, the department shall pay the refund or credit check either to a surviving relative, giving preference to relatives in the following order: surviving spouse, child, parent, brother or sister, or to a creditor of the decedent, as determined by the department.

71.76 Internal revenue service and other state adjustments.

(1) If for any year the amount of federal net income tax payable, of a credit claimed or carried forward, of a net operating loss carried forward or of a capital loss carried forward of any taxpayer as reported to the internal revenue service is changed or corrected by the internal revenue service or other officer of the United States, such taxpayer shall report such changes or corrections to the department within 180 days after its final determination and shall concede the accuracy of such determination or state how the determination is erroneous. Such changes or corrections need not be reported unless they affect the amount of net tax payable under this chapter, of a credit calculated under this chapter, of a Wisconsin net operating loss carried forward, of a Wisconsin net business loss carried forward or of a capital loss carried forward under this chapter. Any taxpayer submitting an amended return to the internal revenue service, or to another state if there has been allowed a credit against Wisconsin taxes for taxes paid to that state, shall also file, within 180 days of such filing date, an amended return if any information contained on the amended return affects the amount of net tax payable under this chapter of a credit calculated under this chapter, of a Wisconsin net operating loss carried forward, of a Wisconsin net business loss carried forward or of a capital loss carried forward under this chapter.

(2) (a) Except as approved in par. (b), in the case of any partnership adjustments, as defined under section 6241 of the Internal Revenue Code and including adjustments under section 6225 of the Internal Revenue Code, the partnership and its partners shall report such changes or corrections to the department within 180 days after the final determination by the internal revenue service and shall concede the accuracy of such determination or state how the determination is erroneous. The partnership and its partners are not required to report such changes or corrections unless the changes or corrections affect the amount of net tax payable under this chapter, of a credit calculated under this chapter, of a Wisconsin net operating loss carried forward under this chapter, of a Wisconsin net business loss carried forward under this chapter, or of a capital loss carried forward under this chapter. The partnership and its partners shall submit amended returns, as applicable, for each reviewed year, as defined under section 6225 of the Internal Revenue Code, to which such partnership adjustments relate.

(b) In the case of any partnership adjustments, as defined under section 6241 of the Internal Revenue Code and including adjustments under section 6225 of the Internal Revenue Code, the partnership may submit a request to the department, in a manner prescribed by the department, within 60 days after the final determination by the internal revenue service to amend the partnership returns and pay tax on behalf of the partners at the highest tax rate computed under s. 71.745 (1) (a) [s. 71.745 (2) (a)] for each reviewed year, as defined under section 6225 of the Internal Revenue Code, to which such partnership adjustments relate. The partnership and its partners shall report such changes or corrections to the department within 180 days after the receipt of the notice of approval from the department and shall concede the accuracy of such determination or state how the determination is erroneous. The partnership and its partners shall report changes and corrections as provided under par. (a) within 180 days after the receipt of the notice of denial from the department. The partnership and its partners are not required to report such changes or corrections unless the changes or corrections affect the amount of net tax payable under this chapter, of a credit calculated under this chapter, of a Wisconsin net operating loss carried forward under this chapter, of a Wisconsin net business loss carried forward under this chapter, or of a capital loss carried forward under this chapter.

71.77 Statutes of limitations, assessments and refunds; when permitted. (1) Additional assessments and corrections of assessments by office audit or field investigation may be made of income of any taxpayer if notice under s. 71.74 (11) is given within the time specified in this section.

(2) With respect to assessments of a tax or an assessment to recover all or part of any tax credit under this chapter in any calendar year or corresponding fiscal year, notice shall be given within 4 years of the date the income tax or franchise tax return was filed.

(2m) Notwithstanding sub. (2), the department of revenue may assess a deficiency related to a contribution to the capital of the taxpayer, as defined in section 118 (c) of the Internal Revenue Code, within 4 years after the department receives notice by the taxpayer, in the manner that the department prescribes, of any of the following:

(a) The amount of the expenditure under section 118 (c) (2) (A) of the Internal Revenue Code.

(b) The intent of the person against whom the deficiency is to be assessed not to make the expenditure under section 118 (c) (2) (A) of the Internal Revenue Code.

(c) Expiration of the time period under section 118 (c) (2) (B) of the Internal Revenue Code and failure of the person against whom the deficiency is to be assessed to make the expenditure under section 118 (c) (2) (B) of the Internal Revenue Code.

(2n) Notwithstanding sub. (2), the department may make an assessment within one year of receiving notice of revocation from the Wisconsin Economic Development Corporation to recover all or a part of any tax credit claimed by a taxpayer, but revoked by the corporation.

(3) Irrespective of sub. (2), if any person has filed an incorrect income tax or franchise tax return for any year with intent to defeat or evade the income tax or franchise tax assessment provided by law, or has failed to file any income tax or franchise tax return for any of such years, income of any such year may be assessed when discovered. The department of revenue shall assess the

taxes owed for taxable years beginning before January 1, 1990, by using the definition of “Internal Revenue Code” that applied to the year for which the assessment was made, as modified by P.L. 104-188 and P.L. 105-34 if P.L. 104-188 or P.L. 105-34 applied for federal purposes for that year.

(4) Irrespective of sub. (3), if additional assessments are made for any period more than 6 years before the year in which the assessment is made, the burden of proof shall rest with the state to prove its case by a preponderance of the evidence.

(5) The limitation periods provided in this section may be extended by written agreement between the taxpayer and the department prior to the expiration of such limitation periods or any extension of such limitation periods. During any such extension period, the department may issue an assessment or a refund, and the taxpayer may file a claim for a refund, relating to the year which the extension covers. Subsection (4) shall not apply to any assessment made in any such extended period. The department of revenue shall assess the taxes owed or compute the refund due for taxable years beginning before January 1, 1990, by using the definition of “Internal Revenue Code” that applied to the year for which the assessment was made, as modified by P.L. 104-188 and P.L. 105-34 if P.L. 104-188 or P.L. 105-34 applied for federal purposes for that year.

(6) Section 990.06 shall have no application to the provisions of this section.

(7) Notwithstanding any other limitations expressed in this chapter, an assessment or refund may be made:

(a) If notice of assessment is given within 6 years after a return was filed and if on that return the taxpayer reported for taxation, or the taxpayers jointly reported for taxation, less than 75 percent of the net income properly assessable, except that no assessment of additional income may be made under this subsection for any year beyond the period specified in sub. (2) unless the aggregate of the taxes on the additional income of such year is in excess of \$100 in the case of a return other than a joint return or \$200 in the case of a joint return.

(b) If notice of assessment or refund is given to the taxpayer within 180 days of the date on which the department receives a report from the taxpayer under s. 71.76 or within such other period specified in a written agreement entered into prior to the expiration of such 180 days by the taxpayer and the department. If the taxpayer does not report to the department as required under s. 71.76, the department may make an assessment against the taxpayer or refund to the taxpayer within 4 years after discovery by the department.

(c) When an election is made under s. 71.745 (9), with respect to assessments of a tax or an assessment to recover all or part of any tax credit under this chapter in any calendar year or corresponding fiscal year, if notice of assessment is given to pass-through members within one year from the date of the election.

(8) For purposes of this section, a return filed on or before the last day prescribed by law for the filing of the return shall be considered as filed on such last day, and a return filed after the last day prescribed by law shall be considered as filed on the date that the return is received by the department of revenue.

71.775 Withholding from nonresident members of pass-through entities. (1) **DEFINITION.** In this section, “nonresident” includes an individual who is not domiciled in this state; a partnership, limited liability company, or corporation whose commercial domicile is outside the state; and an estate or a trust that is a nonresident under s. 71.14 (1) to (3m).

(2) **WITHHOLDING TAX IMPOSED.** (a) For the privilege of do-

ing business in this state or deriving income from property located in this state, a pass-through entity that has Wisconsin income for the taxable year that is allocable to a nonresident partner, member, shareholder, or beneficiary shall pay a withholding tax. The amount of the tax imposed under this subsection to be withheld from the income distributable to each nonresident partner, member, shareholder, or beneficiary is equal to the nonresident partner's, member's, shareholder's, or beneficiary's share of income attributable to this state, multiplied by the following:

1. For an individual, an estate, or a trust, the highest tax rate for a single individual for the taxable year under s. 71.06.

2. For a partnership, a limited liability company, or a corporation, the highest tax rate for the taxable year under s. 71.27.

(b) A pass-through entity that is also a member of another pass-through entity is subject to withholding under this subsection and shall pay the tax based on the share of income that is distributable to each of the entity's nonresident partners, members, shareholders, or beneficiaries.

(3) EXEMPTIONS. (a) A nonresident partner's, member's, shareholder's, or beneficiary's share of income from the pass-through entity that is attributable to this state shall not be included in determining the withholding under sub. (2) if any of the following applies:

1. The partner, member, shareholder, or beneficiary is exempt from taxation under this chapter. For purposes of this subdivision, the pass-through entity may rely on a written statement from the partner, member, shareholder, or beneficiary claiming to be exempt from taxation under this chapter, if the pass-through entity attaches a copy of the statement to its return for the taxable year and if the statement specifies the name, address, federal employer identification number, and reason for claiming an exemption for each partner, member, shareholder, or beneficiary claiming to be exempt from taxation under this chapter.

2. The partner's, member's, shareholder's, or beneficiary's share of income from the pass-through entity that is attributable to this state is less than \$2,000.

3. The nonresident partner, member, shareholder, or beneficiary files an affidavit with the department, in the form and manner prescribed by the department, whereby the nonresident partner, member, shareholder, or beneficiary agrees to file a Wisconsin income or franchise tax return and be subject to the personal jurisdiction of the department, the tax appeals commission, and the courts of this state for the purpose of determining and collecting Wisconsin income and franchise taxes, including estimated tax payments, together with any related interest and penalties.

4. The pass-through entity has elected under s. 71.21 (6) (a) or 71.365 (4m) (a) to be taxed at the entity level.

(b) A pass-through entity that is a joint venture is not subject to the withholding under sub. (2), if the pass-through entity has elected not to be treated as a partnership under section 761 of the Internal Revenue Code.

(cm) A pass-through entity that is a publicly traded partnership, as defined under section 7704 (b) of the Internal Revenue Code, that is treated as a partnership under the Internal Revenue Code is not subject to the withholding under sub. (2), if the entity files with the department an information return that reports the name, address, taxpayer identification number, and any other information requested by the department for each unit holder with an income in this state from the entity in excess of \$500.

(4) ADMINISTRATION. (a) Each pass-through entity that is subject to the withholding under sub. (2) shall file an annual return that indicates the withholding amount paid to the state during the pass-through entity's taxable year. The pass-through entity shall file the return with the department on or before the date

on which the pass-through entity is required to file for federal income tax purposes, not including any extension, under the Internal Revenue Code.

(bm) 1. For the return under par. (a), the department shall allow an automatic extension of 7 months or until the corresponding due date of the pass-through entity's federal income tax return or return of partnership income, whichever is later. Except for payments of estimated taxes, and except as provided in subd. 2., withholding taxes payable upon filing the return are not delinquent during the extension period but shall be subject to interest at the rate of 12 percent per year during that period.

2. For taxable years beginning after December 31, 2008, for persons who qualify for a federal extension of time to file under 26 USC 7508A due to a presidentially declared disaster or terrorist or military action, withholding taxes that are otherwise due from a pass-through entity under sub. (2) are not subject to 12 percent interest as otherwise provided under subd. 1. during the extension period and for 30 days after the end of the federal extension period.

(bn) If a pass-through entity subject to withholding tax under sub. (2) does not file the return under par. (a) on or before the extension date provided in par. (bm), the pass-through entity is liable for the penalty provided in s. 71.83 (1), in addition to any unpaid tax, interest, and penalty otherwise assessable to a nonresident partner, member, shareholder, or beneficiary on income from the pass-through entity.

(cm) Except as provided in par. (L), pass-through entities shall make estimated payments of the withholding tax under sub. (2) in 4 installments, on or before the 15th day of each of the following months:

1. The 3rd month of the taxable year.
2. The 6th month of the taxable year.
3. The 9th month of the taxable year.
4. The 12th month of the taxable year.

(dm) Section 71.29 (3), (3m), (4), (5), (6), and (11), as it applies to estimated payments of income and franchise taxes for corporations, also applies to estimated payments of the withholding tax imposed under sub. (2) for pass-through entities.

(em) Except as provided in par. (fm), in the case of any underpayment of estimated withholding taxes under par. (cm), interest shall be added to the aggregate withholding tax for the taxable year at the rate of 12 percent per year on the amount of the underpayment for the period of the underpayment. In this paragraph, "period of the underpayment" means the time period beginning with the due date of the installment and ending on either the unextended due date of the return under par. (a) or the date of payment, whichever is earlier. If 90 percent of the tax due under sub. (2) for the taxable year is not paid by the unextended due date of the return under par. (a), the difference between that amount and the estimated taxes paid, along with any interest due, shall accrue delinquent interest in the same manner as income and franchise taxes under s. 71.82 (2) (a).

(fm) No interest is required under par. (em) for a pass-through entity if any of the following conditions apply:

1. The amount of withholding tax due under sub. (2) is less than \$500.
2. The amount of withholding tax due under sub. (2) is less than \$5,000, the pass-through entity had no withholding tax liability under sub. (2) for the preceding taxable year, and the preceding taxable year was 12 months.
3. The secretary of revenue determines that because of casualty, disaster, or other unusual circumstances it is not equitable to impose interest.

(g) Except as provided under par. (h), the amount of each in-

stallment required under par. (cm) is 25 percent of the lesser of the following amounts:

1. Ninety percent of the withholding tax under sub. (2) that is due for the taxable year.

2. The withholding tax due under sub. (2) for the preceding taxable year, except that this subdivision does not apply if the preceding taxable year was less than 12 months or if the pass-through entity did not file a return under par. (a) for the preceding taxable year.

(h) If 22.5 percent for the first installment, 45 percent for the 2nd installment, 67.5 percent for the 3rd installment, and 90 percent for the 4th installment of the tax due under sub. (2) for the taxable year; computed by annualizing, under methods prescribed by the department, the pass-through entity's income for the months in the taxable year ending before the installment's due date; is less than the installment required under par. (g), the pass-through entity may pay the amount under this paragraph, rather than the amount under par. (g). For purposes of computing annualized income under this paragraph, the apportionment percentage computed under s. 71.25 (6), (10), and (12) from the return under par. (a) filed for the previous taxable year may be used if that return was filed with the department on or before the due date of the installment for which the income is being annualized and if the apportionment percentage on that previous year's return was greater than zero. Any pass-through entity that pays an amount calculated under this paragraph shall increase the next installment computed under par. (g) by an amount equal to the difference between the amount paid under this paragraph and the amount that would have been paid under par. (g).

(i) On or before the due date, including extensions, of the entity's return, a pass-through entity that withholds tax under sub. (2) shall annually notify each of its nonresident partners, members, shareholders, or beneficiaries of the amount of the tax withheld under sub. (2) that the pass-through entity paid on the nonresident partner's, member's, shareholder's, or beneficiary's behalf. The pass-through entity shall provide a copy of the notice to the department with the return that it files for the taxable year.

(j) A nonresident partner, member, shareholder, or beneficiary of a pass-through entity may claim a credit, as prescribed by the department, on his or her Wisconsin income or franchise tax return for the amount withheld under sub. (2) on his or her behalf for the tax period for which the income of the pass-through entity is reported.

(k) Any tax withheld under this section shall be held in trust for this state, and a pass-through entity subject to withholding under this section shall be liable to the department for the payment of the tax withheld. No partner, member, shareholder, or beneficiary of a pass-through entity shall have any right of action against the pass-through entity with respect to any amount withheld and paid in compliance with this section.

(L) The department shall deem timely paid the estimated payments of the withholding tax imposed under sub. (2) that become due during the period beginning on January 1, 2009, and ending on July 1, 2009, provided that such estimated tax payments are paid by the next installment due date that follows in sequence following July 1, 2009. However, if the next installment due date following July 1, 2009, is less than 45 days after July 1, 2009, such estimated payments, in addition to the payment due less than 45 days after July 1, 2009, shall be deemed timely paid if paid by the next subsequent installment due date.

vulge, or circulate any information derived from an income, franchise, withholding, fiduciary, partnership, or limited liability company tax return or tax credit claim, including information which may be furnished by the department as provided in this section. This subsection does not prohibit publication by any newspaper of information lawfully derived from such returns or claims for purposes of argument or prohibit any public speaker from referring to such information in any address. This subsection does not prohibit the department from publishing statistics classified so as not to disclose the identity of particular returns, or claims or reports and the items thereof. This subsection does not prohibit employees or agents of the department of revenue from offering or submitting any return, including joint returns of a spouse or former spouse, separate returns of a spouse, individual returns of a spouse or former spouse, and combined individual income tax returns, or from offering or submitting any claim, schedule, exhibit, writing, or audit report or a copy of, and any information derived from, any of those documents as evidence into the record of any contested matter involving the department in proceedings or litigation on state tax matters if, in the department's judgment, that evidence has reasonable probative value.

(1g) PERMISSIBLE DISCLOSURE BY DEPARTMENT EMPLOYEES. An employee of the department may, in connection with the employee's official duties, disclose information derived from a return or claim specified in sub. (1) to the extent that the disclosure is necessary to obtain information for the enforcement of the tax laws of this state. The information that may be disclosed under this subsection shall be strictly limited to, and used solely for the purposes of, obtaining information necessary for an audit, collection, inspection, or investigation by the employee.

(1m) BROWSING PROHIBITED. (a) No person, except the person who filed the return or claim, may inspect a return or claim, or any information derived from a return or claim, that is filed under this chapter unless that person does so in performing the duties of his or her position. Violation of this paragraph by a state employee is grounds for dismissal.

(b) If any person is charged with a violation of par. (a), the secretary of revenue shall notify each taxpayer whose return or claim was improperly inspected by that person.

(c) Any person who is notified under par. (b) may bring an action for damages in regard to the inspection.

The department shall make available upon suitable forms prepared by the department information setting forth the net Wisconsin income tax or Wisconsin franchise tax reported as paid or payable in the returns filed by any individual or corporation, and any amount of delinquent taxes owed by any such individual or corporation, for any individual year upon request. When making available information setting forth the delinquent taxes owed by an individual or corporation, the information shall include interest, penalties, fees, and costs, which are unpaid for more than 90 days after all appeal rights have expired, except that such information may not be provided for any person who has reached an agreement or compromise with the department, or the department of justice, under s. 71.92 and is in compliance with that agreement, regarding the payment of delinquent taxes, or the name of any person who is protected by a stay that is in effect under the Federal Bankruptcy Code. Before the request is granted, the person desiring to obtain the information shall prove his or her identity and shall be required to sign a statement setting forth the person's address and reason for making the request and indicating that the person understands the provisions of this section with respect to the divulgement, publication, or dissemination of information obtained from returns as provided in sub. (1). The use of a fictitious name is a violation of this section. Within 24 hours after any information from any such tax return has been so obtained, the depart-

The department shall collect from the person requesting the information a fee of \$4 for each return.

(3) DISCLOSURE LIMITATION. The information described in sub. (2) shall not be made available to any nonresident or to any resident who is making the request for such information for the use or benefit, directly or indirectly, of a nonresident person or firm or a foreign corporation except to the extent that similar information in the state of residence of such person or firm or the state of incorporation of such foreign corporation is made available to residents of Wisconsin or Wisconsin corporations. As part of the statement required by sub. (2), the department shall require any person desiring to obtain such information to declare whether the person is a nonresident of the state and whether the information is desired for the use or benefit of a nonresident person or firm or a foreign corporation. No copy of any return shall be supplied to any person except as permitted by sub. (4).

(7) CHARGE FOR COSTS. The department of revenue may charge for the reasonable cost of divulging information under this section.

(8) DISTRICT ATTORNEYS. District attorneys may examine tax and claim information of persons on file with the department of revenue as follows:

(a) Such information may be examined for use in preparation for any judicial proceeding or any investigation which may result in a judicial proceeding involving any of the taxes or tax credits specified in sub. (1) if:

1. The taxpayer is or may be a party to such proceeding;
2. The treatment of an item reflected in such information is or may be related to the resolution of an issue in the proceeding or investigation; or
3. The information relates or may relate to a transactional relationship between the taxpayer or credit claimant and a person who is or may be a party to the proceeding which affects or may affect the resolution of an issue in such proceeding or investigation.

(b) When the department of revenue allows examination of information under par. (a):

1. If the department has referred the case to a district attorney, the department may make disclosure on its own motion.
2. If a district attorney requests examination of tax or tax credit information relating to a person, the request must be in writing, clearly identify the requester and the person to whom the information relates and explain the need for the information. The department may then allow the examination of information so requested and the information may be examined and used solely for the proceeding or investigation for which it was requested.

(c) Such information may be examined for use in preparation for any administrative or judicial proceeding or an investigation which may result in such proceeding pertaining to the enforcement of a specifically designated state criminal statute not involving tax administration to which this state or a governmental subdivision thereof is a party. Such information may be used solely for the proceeding or investigation for which it is requested.

(d) The department may allow an examination of information under par. (c) only if a district attorney petitions a court of record in this state for an order allowing the examination and the court issues an order after finding:

1. There is reasonable cause to believe, based on information believed to be reliable, that a specific criminal act has been committed;

2. There is reason to believe that such information is probative evidence of a matter in issue related to the commission of the criminal act; and

3. The information sought to be examined cannot reasonably be obtained from any other source, unless it is determined that, notwithstanding the reasonable availability of the information from another source, the information constitutes the most probative evidence of a matter in issue relating to the commission of such criminal act.

(e) If the department determines that examination of information ordered under par. (d) would identify a confidential informant or seriously impair a civil or criminal tax investigation, the department may deny access and shall certify the reason therefor to the court.

(9) DISCLOSURE OF DEBTOR ADDRESS. The department may supply the address of a debtor to an agency certifying a debt of that debtor under s. 71.93 or to a municipality or county certifying a debt of a debtor under s. 71.935.

The department shall provide to the requester a written explanation if it fails to divulge information on grounds of confidentiality. The department shall collect from the person requesting the information a fee of \$4 for each return.

71.80 General administrative provisions. **(1) DEPARTMENT DUTIES AND POWERS.** (a) The department shall assess incomes as provided in this chapter and in performance of such duty the department shall possess all powers now or hereafter granted by law to the department in the assessment of personal property and also the power to estimate incomes.

(b) In any case of 2 or more organizations, trades or busi-

nesses (whether or not incorporated, whether or not organized in the United States, whether or not affiliated, and whether or not unitary) owned or controlled directly or indirectly by the same interests, the secretary or the secretary's delegate may distribute, apportion or allocate gross income, deductions, credits or allowances between or among such organizations, trades or businesses, if the secretary determines that such distribution, apportionment or allocation is necessary in order to prevent evasion of taxes or clearly to reflect the income of any of such organizations, trades or businesses. The authority granted under this subsection is in addition to, and not a limitation of or dependent on, the provisions of sub. (23) and ss. 71.05 (6) (a) 24. and (b) 45., 71.26 (2) (a) 7. and 8., 71.34 (1k) (j) and (k), and 71.45 (2) (a) 16. and 17.

(c) The department may make such regulations as it shall deem necessary in order to carry out this chapter.

(d) The department may employ such clerks and specialists as are necessary to carry into effective operation this chapter. Salaries and compensations of such clerks and specialists shall be charged to the proper appropriation for the department.

(e) Representatives of the department directed by it to accept payment of income or franchise taxes shall file bonds with the secretary of administration in such amount and with such sureties as the state treasurer shall direct and approve.

(1m) TRANSACTIONS WITHOUT ECONOMIC SUBSTANCE. (a) If any person, directly or indirectly, engages in a transaction or series of transactions without economic substance to create a loss or to reduce taxable income or to increase credits allowed in determining Wisconsin tax, the department shall determine the amount of a taxpayer's taxable income or tax so as to reflect what would have been the taxpayer's taxable income or tax if not for the transaction or transactions without economic substance causing the reduction in taxable income or tax.

(b) A transaction has economic substance only if the transaction is treated as having economic substance as determined under section 7701 (o) of the Internal Revenue Code, except that the tax effect shall be determined using federal, state, local, or foreign taxes, rather than only the federal income tax effect.

(c) With respect to a transaction between members of a controlled group, as defined in section 267 (f) (1) of the Internal Revenue Code, the transaction shall be presumed to lack economic substance, and the taxpayer shall bear the burden of establishing by clear and satisfactory evidence that the transaction or the series of transactions between the taxpayer and one or more members of the controlled group has economic substance.

(2) NOTICE TO TAXPAYER BY DEPARTMENT. The department shall notify each taxpayer of the amount of income or franchise taxes assessed against the taxpayer and of the date when the taxes become delinquent.

(3) CREDITING OF OVERPAYMENTS ON INDIVIDUAL OR SEPARATE RETURNS. In the case of any overpayment, refundable credit, or refund on an individual or separate return, the department, within the applicable period of limitations, may credit the amount of overpayment, refundable credit, or refund, including any interest allowed, against any liability in respect to any tax collected by the department, a debt under s. 71.93 or 71.935 or a certification under s. 49.855 on the part of the person who made the overpayment or received the refundable credit or the refund and shall refund any balance to the person. No person has any right to, or interest in, any overpayment, refundable credit, or refund, including any interest allowed, under this chapter until setoff under ss. 49.855, 71.93, and 71.935 has been completed. The department shall presume that the overpayment, refundable credit or refund is nonmarital property of the filer. Within 2 years after the crediting, the spouse or former spouse of the person filing the return may file a claim for a refund of amounts credited by the de-

partment if the spouse or former spouse shows by clear and convincing evidence that all or part of the state tax overpayment, refundable credit or refund was nonmarital property of the nonobligated spouse.

(3m) CREDITING OF OVERPAYMENTS ON JOINT RETURNS. For married persons, unless within 20 days after the date of the notice under par. (c) the nonobligated spouse shows by clear and convincing evidence that the overpayment, refundable credit or refund is the nonmarital property of the nonobligated spouse, notwithstanding s. 766.55 (2) (d), the department may credit overpayments, refundable credits and refunds, including any interest allowed, resulting from joint returns under this chapter as follows, except that no person has any right to, or interest in, any overpayment, refundable credit, or refund, including any interest allowed, under this chapter until setoff under ss. 49.855, 71.93, and 71.935 has been completed:

(a) Against any liability of either spouse or both spouses in respect to an amount owed the department, a certification under s. 49.855 that is subject to s. 766.55 (2) (b) or a debt under s. 71.93 or 71.935 that is subject to s. 766.55 (2) (b) and that was incurred during marriage by a spouse after December 31, 1985, or after both spouses are domiciled in this state, whichever is later, except as provided in s. 71.10 (6) (a) and (b) and (6m).

(b) Against the liability of a spouse in the proportion that the Wisconsin adjusted gross income which would have been the property of the spouse but for the marriage has to the adjusted gross income of both spouses as follows:

1. In respect to an amount owed the department that was incurred before January 1, 1986, or before marriage, whichever is later.

2. In respect to a debt under s. 71.93 or 71.935 or a certification under s. 49.855 if that debt or certification is not subject to s. 766.55 (2) (b).

3. In respect to an amount subject to s. 71.10 (6) (a) and (b) and (6m) (a).

(c) If the department determines that a spouse is otherwise entitled to a state tax refund or homestead or farmland credit, it shall notify the spouses under s. 71.74 (11) that the state intends to reduce any state tax refund or a refundable credit due the spouses by the amount credited against any liability under par. (a) or (b) or both.

(d) If a spouse does not receive notice under par. (c) and if the department incorrectly credits the state tax overpayment, refund or a refundable credit of a spouse or spouses against a liability under par. (a) or (b) or both, a claim for refund of the incorrectly credited amount may be filed under s. 71.75 (5) within 2 years after the date of the offset that was the subject of the notice under par. (c).

(4) PENALTIES. Unless specifically provided in this subchapter, the penalties under subch. XIII apply for failure to comply with this subchapter unless the context requires otherwise.

(5) PENALTIES NOT DEDUCTIBLE. No penalty imposed by this chapter, or by subch. III of ch. 77 may be deducted from gross income in arriving at net income taxable under this chapter.

(6) PROSECUTIONS BY ATTORNEY GENERAL. The attorney general is authorized, upon the request of the secretary of revenue, to represent the state or to assist the district attorney in the prosecution of any case arising under s. 71.83 (2) (a) 1. and (b) 1. and 2.

(6m) VENUE. A proceeding for a criminal violation under this chapter may be brought in the circuit court for Dane County or for the county in which the defendant resides or is located when charged with the violation.

(7) PUBLICATION OF NOTICES IN ADMINISTRATIVE REGISTER.

The department shall annually publish notice of the standard deduction amounts and the brackets for the individual income tax in the administrative register.

(8) RECEIPT FOR PAYMENT OF TAXES. The department shall accept payments of income or franchise taxes in accordance with this chapter, and upon request shall give a printed or written receipt therefor.

(9) RECORDS MAY BE REQUIRED OF TAXPAYER. Whenever the department deems it necessary that a person subject to an income or franchise tax should keep records to show whether or not the person is liable to tax, the department may serve notice upon the person and require such records to be kept as will include the entire net income of the person and will enable the department to compute the taxable income. The department may require any person who keeps records in machine-readable form for federal income tax purposes to keep those records in the same form for purposes of the taxes under this chapter.

(9m) FAILURE TO PRODUCE RECORDS. (a) A person who fails to produce records or documents, as provided under s. 71.74 (2), that support amounts or other information required to be shown on any return required under this chapter and fails to comply in good faith with a summons issued pursuant to s. 73.03 (9) seeking those records and documents may be subject to any of the following penalties, as determined by the department, except that the department may not impose a penalty under this subsection if the person shows that under all facts and circumstances the person's response, or failure to respond, to the department's request was reasonable or justified by factors beyond the person's control:

1. The disallowance of deductions, credits, exemptions, or income inclusions to which the requested records relate.

2. In addition to any penalty imposed under sub. (4), a penalty for each violation of this subsection that is equal to the greater of \$500 or 25 percent of the amount of the additional tax on any adjustment made by the department that results from the person's failure to produce the records.

(c) The department shall promulgate rules to administer this subsection and the rules shall include a standard response time, a standard for noncompliance, and penalty waiver provisions.

Cross-reference: See also s. Tax 2.85, Wis. adm. code.

(10) REFUSAL TO FILE; COURT ORDER. (a) If any person, including an officer of a corporation, required by law to file a return fails to file the return within 60 days after the time required and refuses to file the return within 30 days after a request by the department to do so, the circuit court, upon petition by the department, shall issue a court order requiring that person to file a return. Any person upon whom a court order has been served shall file a return within 20 days after the service of the court order. The petition shall be heard and determined on the return day or on a later date that the court fixes, having regard for the speediest possible determination of the case consistent with the rights of the parties.

(b) The department shall file a petition for a court order in a circuit court for the county in which the respondent in the action resides.

(c) Filing a return after the time prescribed by law shall not relieve any person, including an officer of a corporation, from any penalties whether or not the department filed a petition for a court order under this subsection.

(11) RETURN PRESUMED CORRECT. The department shall presume the incomes reported on the current return to be correct for the purpose of preparing initial assessments.

(12) DEPARTMENT CONSIDERED LAWFUL ATTORNEY FOR NONRESIDENT. (a) The transaction of business or the performance of personal services in this state or the derivation of in-

1. Considered an irrevocable appointment by the nonresident, binding upon the nonresident or the nonresident's personal representative, of the department of financial institutions to be the nonresident's lawful attorney upon whom may be served any notice, order, pleading, or process, including any notice of assessment, denial of application for abatement, or denial of claim for refund, by any administrative agency or in any proceeding by or before any administrative agency, or in any proceeding or action in any court, to enforce or effect full compliance with or involving the provisions of this chapter.

2. A signification of the nonresident's agreement that any notice, order, pleading, or process described in subd. 1. that is so served is of the same legal force and validity as if served on the nonresident or on the nonresident's personal representative.

(b) The transaction of business in this state or the derivation of income that has a situs in this state under the provisions of this chapter by any person while a resident of this state shall be all of the following:

1. Considered an irrevocable appointment by that person, binding upon that person or that person's personal representative, effective upon that person becoming a nonresident of this state, of the department of financial institutions to be that person's true and lawful attorney upon whom may be served any notice, order, pleading, or process, including any notice of assessment, denial of application for abatement, or denial of claim for refund, by any administrative agency or in any proceeding by or before an administrative agency, or in any proceeding or action in any court, to enforce or effect full compliance with or involving the provisions of this chapter.

2. A signification of the person's agreement that any notice, order, pleading, or process described in subd. 1. that is so served is of the same legal force and validity as if served on the person or on the person's personal representative.

(c) 1. Service under par. (a) 1. or (b) 1. shall be made by serving a copy of the notice, order, pleading, or process upon the department of financial institutions or by filing a copy of the notice, order, pleading, or process with the department of financial institutions.

b. An affidavit of compliance with this paragraph is filed with the department of financial institutions.

3. The department of financial institutions shall keep a record of all notices, orders, pleadings, processes, and affidavits served upon or filed with it under this section, noting in the record the day and hour of service or filing.

(14) SIGNATURES REQUIRED. (a) Except as otherwise provided by par. (b), sub. (20) and ss. 71.03 (2) (b) and (c), 71.13 (1), 71.20 (1), 71.21 (1) and 71.24 (4), any return, statement or other document required to be made under this chapter shall be signed in accordance with rules promulgated by the department.

(b) The fact that an individual's name is signed to a return, statement or other document shall be prima facie evidence for all purposes that the return, statement or other document was actually signed by that person.

That bond shall be payable to the department to guarantee payment of income, franchise, sales and use taxes, income taxes withheld under subch. X, penalties and interest. The amount of the bond shall be 6 percent of either the total contract price on all contracts that exceed \$7,000 or, if the total contract price is not readily determinable and the department’s estimate of the total remuneration to be received by the entertainer or entertainment corporation exceeds \$7,000, 6 percent of the department’s estimate. Amounts previously earned in this state by an entertainer or entertainment corporation during the same calendar year for which no bond or cash deposit has been filed under this paragraph or for which no amounts have been withheld under s. 71.64 (5) shall be added together to determine the total contract price. The department shall approve the form and content of the bond. The bond shall remain in force until the liability under the bond is released by the department.

2. The total contract price under subd. 1. may be reduced by travel expenses, or advance payments of travel expenses, made pursuant to an accountable plan under U.S. Treasury Regulation 1.62-2. For purposes of this subdivision, “travel expenses” means amounts paid to, or on behalf of, an entertainer for actual transportation, lodging, and meals that are directly related to the entertainer’s performance in this state.

(c) In place of the bond under par. (b) and with the department’s approval, an entertainer or entertainment corporation may deposit with the department money equal to the face value of the bond required under par. (b). The department shall retain the money until it determines the depositor’s liability for state income, franchise, sales and use taxes and income tax withheld under subch. X. If the deposit exceeds the liability, the department shall refund the difference to the depositor without interest.

(d) If the department concludes that a bond or money deposit is not necessary to protect the revenues of the state, it may waive the requirements of pars. (b) and (c).

(e) Each person who is an employer of an entertainer or entertainment corporation, as defined in s. 71.63 (3), shall, before paying for those services, require proof that the bond required by par. (b) or the money deposit required by par. (c) has been provided or that the department has waived those requirements. If proof is not provided, the person shall withhold and immediately transmit to the department from that person’s payment the amount for which a bond should have been provided under par. (b). Failure to withhold or transmit the amount required under this paragraph or under s. 71.64 (5) shall make the person required to withhold it personally liable for the amount required under this paragraph.

(f) An employer of an entertainer or entertainment corporation under s. 71.63 (3) (b) who is required to withhold moneys under par. (e) or s. 71.64 (5) and who has no direct knowledge of the total contract price to be paid an entertainer or entertainment corporation is not liable under par. (e) if the employer withholds moneys based upon a signed statement provided by the entertainer, the entertainment corporation or the promoter attesting to the amount of the total contract price. The employer shall deliver the signed statement to the department within 30 days after the date of the performance. Statements under this paragraph are subject to s. 71.83 (2) (b) 1. and 2.

(16) SURETY BOND; NONRESIDENT CONTRACTOR. (a) All nonresident persons, whether incorporated or not, engaging in construction contracting in this state as contractor or subcontractor and not otherwise regularly engaged in business in this state, shall file a surety bond with the department, payable to the department of revenue, to guarantee the payment of income or franchise taxes, required unemployment insurance contributions, sales and use taxes and income taxes withheld from wages of employees, together with any penalties and interest thereon. The department shall approve the form and contents of such bond. The amount of the bond shall be 3 percent of the contract or subcontract price on all contracts of \$50,000 or more or 3 percent of contractor’s or subcontractor’s estimated cost-and-profit under a cost-plus contract of \$50,000 or more. When the aggregate of 2 or more contracts in one calendar year is \$50,000 or more the amount of the bond or bonds shall be 3 percent of the aggregate amount of such contracts. Such surety bond must be filed within 60 days after construction is begun in this state by any such contractor or subcontractor on any contract the price of which is \$50,000 or more (or the estimated cost-and-profit of which is \$50,000 or more), or within 60 days after construction is begun in this state on any contract for less than \$50,000, when the amount of such contract, when aggregated with any other contracts, construction on which was begun in this state in the same calendar year, equals or exceeds \$50,000. If the department concludes that no bond is necessary to protect the tax revenues of the state, including contributions under ch. 108, the requirements under this subsection may be waived by the secretary of revenue or the secretary’s designated departmental representative. The bond shall remain in force until the liability thereunder is released by the secretary or the secretary’s designated departmental representative.

(b) A construction contractor required to file a surety bond under par. (a) may, in lieu of such requirement, but subject to approval by the department, deposit with the secretary of administration an amount of cash equal to the face of the bond that would otherwise be required. If an offer to deposit is made, the department shall issue a certificate to the secretary of administration authorizing the secretary to accept payment of such moneys and to give the secretary’s receipt therefor. A copy of such certificate shall be sent to the contractor who shall, within the time fixed by the department, pay such amount to the secretary of administration. A copy of the receipt of the secretary of administration shall be filed with the department. Upon final determination by the department of such contractor’s liability for state income or franchise taxes, required unemployment insurance contributions, sales and use taxes, and income taxes withheld from wages of employees, interest and penalties, by reason of such contract or contracts, the department shall certify to the secretary of administration the amount of taxes, penalties, and interest as finally determined, shall instruct the secretary of administration as to the proper distribution of such amount, and shall state the amount, if any, to be refunded to such contractor. The secretary of administration shall make the payments directed by such certificate within 30 days after receipt thereof. Amounts refunded to the contractor are without interest.

(c) All persons subject to this subsection shall notify the department of revenue of the completion of a construction project in this state within 30 days after such completion.

(17) TAX RECEIPTS TRANSMITTED TO THE SECRETARY OF ADMINISTRATION. Within 15 days after receipt of any income or franchise tax payments, the department shall transmit the same to the secretary of administration.

(18) TIMELY FILING DEFINED. Documents and payments required or permitted by this chapter that are mailed shall be considered furnished, reported, filed or made on time, if mailed in a

properly addressed envelope, with postage duly prepaid, which envelope is postmarked, or marked or recorded electronically as provided under section 7502 (f) (2) (c) of the Internal Revenue Code, before midnight of the date prescribed for such furnishing, reporting, filing or making, provided such document or payment is actually received by the department or at the destination that the department or the department of administration prescribes within 5 days of such prescribed date. Documents and payments that are not mailed are timely if they are received on or before the due date by the department or at the destination that the department or the department of administration prescribes. For purposes of this subsection, “mailed” includes delivery by a delivery service designated under section 7502 (f) of the Internal Revenue Code.

(19) WHOLE DOLLAR AMOUNTS. (a) *Rounding amounts.* With respect to any amount required to be shown on a form prescribed for any return, statement or other document required by this chapter, if the amount of such item is other than a whole dollar amount the fractional part of a dollar shall be disregarded unless it amounts to 50 cents or more, in which case the amount (determined without regard to the fractional part of a dollar) shall be increased to the next whole dollar.

(b) *Election not to use whole dollar amounts.* Any person making a return, statement or other document required by this chapter shall be allowed to make such return, statement or other document without regard to par. (a).

(c) *Inapplicability to computation of amount.* Paragraph (a) does not apply to items which must be taken into account in making the computations necessary to determine the total amount required to be shown on a form, statement or other document but applies only to such final amount.

(20) ELECTRONIC FILING. If a person is required to file 10 or more wage statements or 10 or more of any one type of information return with the department, the person shall file the statements or the returns electronically, by means prescribed by the department.

(23) RELATED ENTITY ADDBACKS. (a) The deductions provided under ss. [71.05 \(6\) \(b\) 45.](#), [71.26 \(2\) \(a\) 8.](#), [71.34 \(1k\) \(k\)](#), and [71.45 \(2\) \(a\) 17.](#) shall be allowed for any interest expenses, rental expenses, intangible expenses, or management fees described in ss. [71.05 \(6\) \(a\) 24.](#), [71.26 \(2\) \(a\) 7.](#), [71.34 \(1k\) \(j\)](#), or [71.45 \(2\) \(a\) 16.](#) if any of the following applies to the interest expenses, rental expenses, intangible expenses, or management fees:

1. The related entity to which the taxpayer paid, accrued, or incurred the interest expenses, rental expenses, intangible expenses, or management fees during the taxable year directly or indirectly paid, accrued, or incurred such amounts in the same taxable year to a person who is not a related entity or the related entity to which the taxpayer paid, accrued, or incurred such expenses or fees is a holding company or a direct or indirect subsidiary of a holding company, as defined in [12 USC 1841 \(a\)](#) or [12 USC 1467a \(a\) \(1\) \(D\)](#), not including any entity that is organized under the laws of another jurisdiction and that primarily holds and manages investments of a bank, subsidiary, or affiliate. For purposes of this subdivision, “interest” does not include interest that is paid in connection with any debt that is incurred to acquire the taxpayer’s assets or stock under section 368 of the Internal Revenue Code. If a portion of such an interest expense, rental expense, intangible expense, or management fee is paid, accrued, or incurred in the same taxable year to a person who is not a related entity, that portion shall be allowed as a deduction to the taxpayer.

2. The related entity was subject to tax on, or measured by, its net income or receipts in this state or any state, U.S. possession, or foreign country; the related entity’s tax base in such state, U.S. possession, or foreign country included the income received from the taxpayer for the interest expenses, rental expenses, intangible expenses, or management fees; the related entity’s aggregate effective tax rate applied to such income or receipts was at least 80 percent of the taxpayer’s aggregate effective tax rate; and the related entity is not a real estate investment trust under section 856 of the Internal Revenue Code, other than a qualified real estate investment trust. For purposes of this subdivision, “any state, U.S. possession, or foreign country” does not include any state, U.S. possession, or foreign country under the laws of which the taxpayer files with the related entity, or the related entity files with another entity, a combined income tax report or return, a consolidated income tax report or return, or any other report or return that is due because of the imposition of a tax that is measured on or by income or receipts, if the report or return results in eliminating the tax effects of transactions, directly or indirectly, between either the taxpayer and the related entity or between the related entity and another entity.

3. The taxpayer establishes that the transaction satisfies any other conditions that the department considers relevant, based on the facts and circumstances, to determine that the primary motivation for the transaction was one or more business purposes other than the avoidance or reduction of state income or franchise taxes; that the transaction changed the economic position of the taxpayer in a meaningful way apart from tax effects; and that the interest expenses, rental expenses, intangible expenses, or management fees were paid, accrued, or incurred using terms that reflect an arm’s-length relationship.

(b) Notwithstanding par. (a), the deductions provided under ss. [71.05 \(6\) \(b\) 45.](#), [71.26 \(2\) \(a\) 8.](#), [71.34 \(1k\) \(k\)](#), and [71.45 \(2\) \(a\) 17.](#) shall not be allowed for any interest expenses, rental expenses, intangible expenses, or management fees that are directly or indirectly paid, accrued, or incurred to, or in connection di-

Database

rectly or indirectly with one or more direct or indirect transactions with, one or more related entities, if the aggregate amount paid, accrued, or incurred for those related entity transactions is not disclosed on a separate form prescribed by the department in the manner prescribed by the department.

(24) THROWBACK TRANSITION. For persons subject to tax under this chapter whose sales factor includes sales under s. 71.04 (7) (a) or 71.25 (9) (a), the department shall deem timely paid the estimated tax payments attributable to the difference between the person's tax liability for the taxable year and the person's tax liability for the taxable year computed under ch. 71, 2007 stats., for installments that become due during the period beginning on January 1, 2009, and ending on July 1, 2009, provided that such estimated tax payments are paid by the next installment due date that follows in sequence following July 1, 2009. However, if the next installment due date that follows in sequence following July 1, 2009, is less than 45 days after July 1, 2009, such estimated tax payments, in addition to the payment due less than 45 days after July 1, 2009, shall be deemed timely paid if paid by the next subsequent installment due date.

(25) NET OPERATING AND BUSINESS LOSS CARRY-FORWARD AND CARRY-BACK. (a) No offset of Wisconsin income may be made under s. 71.05 (8) (b) 1., 71.26 (4) (a), or 71.45 (4) (a) unless the incurred loss was computed on a return that was filed within 4 years of the unextended due date for filing the original return for the taxable year in which the loss was incurred.

(b) No carry-back of a loss may be allowed under s. 71.05 (8) (b) 1. unless claimed within 4 years of the unextended due date for filing the original return for the taxable year to which the loss is carried back.

(26) PASS-THROUGH ENTITY REPRESENTATIVE. (a) Each pass-through entity shall designate, in the manner prescribed by the department, a pass-through member or other person with substantial presence in the United States as the representative of the pass-through entity. In the case in which such designation is not in effect, the pass-through entity shall appoint a representative within 60 days following a written request by the department. If the pass-through entity fails to appoint a representative following a written request by the department, the department may designate a representative and notify the pass-through entity, or the beneficiaries in the case of a closed estate or trust, in writing of the designation. The pass-through entity may at any time provide a written statement to the department designating a new representative and the department shall accept the designation if the statement is signed by an authorized agent of the pass-through entity. The representative designated by a pass-through entity under this paragraph may be different than the pass-through entity's federal representative or authorized agent.

(b) The representative designated under par. (a) shall have the power and duty to do all of the following:

1. Act as the sole authority on behalf of the pass-through entity and its pass-through members with respect to a determination under s. 71.745.
2. Provide the department sufficient information to identify each pass-through member and the capital, profits, and loss interest of each pass-through member.
3. Enter into extension agreements on behalf of the pass-through entity under s. 71.77 (5).
4. Receive notices of pass-through entity adjustments under this chapter.
5. Notify all pass-through members of their share of corrections and adjustments made to pass-through items within 60 days after a determination under s. 71.745 becomes final or after receipt of notice of approval under s. 71.76 (2) (b).

6. File appeals of notices of pass-through entity adjustments under this chapter.

7. Enter into settlement agreements and bind pass-through members to adjustments relating to pass-through items.

(c) The representative designated under par. (a) may delegate the powers and duties under par. (b) to an authorized agent of the pass-through entity.

71.805 Tax avoidance transactions voluntary compliance program. (1) DEFINITIONS. In this section:

(a) "Tax avoidance transaction" means a transaction, plan, or arrangement devised for the principal purpose of avoiding federal or Wisconsin income or franchise tax. "Tax avoidance transaction" includes a listed transaction as provided under U.S. department of the treasury regulations as of October 27, 2007, and may include a transaction, as determined by the department, that provides a tax benefit for Wisconsin income or franchise tax purposes without providing a similar benefit for federal income tax purposes.

(b) "Taxpayer" means a person who is subject to the taxes imposed under this chapter and who has a tax liability attributable to using a tax avoidance transaction for any taxable year beginning before January 1, 2007.

(2) PENALTY WAIVER OR ABATEMENT. All of the following apply with regard to a taxpayer who satisfies the conditions under sub. (3):

(a) Except as provided under sub. (4) (b), the department shall waive or abate all penalties that are applicable to the underreporting or underpayment of Wisconsin income or franchise taxes attributable to using a tax avoidance transaction for any taxable year for which the taxpayer satisfies the conditions under sub. (3).

(b) The department shall not seek a criminal prosecution against the taxpayer with respect to using a tax avoidance transaction for any taxable year for which the taxpayer satisfies the conditions under sub. (3).

(3) TAXPAYER ELIGIBILITY. A taxpayer is eligible for the benefits described under sub. (2) (a) and (b), if, during the period beginning on January 1, 2008, and ending on May 31, 2008, the taxpayer does the following:

(a) Files an amended Wisconsin tax return for each taxable year for which the taxpayer has previously filed a Wisconsin tax return that uses a tax avoidance transaction to underreport the taxpayer's Wisconsin income or franchise tax liability and the amended return reports the total Wisconsin net income and tax for the taxable year, computed without regard to any tax avoidance transaction and without regard to any other adjustment that is unrelated to any tax avoidance transaction.

(b) Pays, in full, for each taxable year for which an amended return is filed under par. (a), the entire amount of Wisconsin income or franchise tax and interest due that is attributable to using a tax avoidance transaction, except that the secretary of revenue may enter into an agreement with the taxpayer to make payments in installments. A taxpayer who does not comply with an installment agreement provided under this paragraph is ineligible to receive the benefits described under sub. (2) (a) and (b) and the total amount of tax, interest, and penalties shall be immediately due and payable.

(4) LIMITATIONS AND ADMINISTRATION. (a) A taxpayer who receives the benefits described under sub. (2) may not file an appeal or a claim for credit or refund with respect to the tax avoidance transactions for the taxable years for which the taxpayer satisfied the conditions under sub. (3), except to the extent that a

timely filed appeal or claim for a refund results from an adjustment to the taxpayer's federal income tax liability regarding such transactions.

(b) The department may not waive or abate a penalty as provided under sub. (2) (a) if the penalty relates to an amount of Wisconsin income and franchise tax that is attributable to a tax avoidance transaction and assessed and paid prior to January 1, 2008, or after May 31, 2008.

History: 2007 a. 20.

71.81 Disclosing reportable transactions. (1) DEFINITIONS. In this section:

(a) "Listed transaction" means any reportable transaction that is the same as, or substantially similar to, a transaction, plan, or arrangement specifically identified by the U.S. secretary of the treasury as a listed transaction, for purposes of section 6011 of the Internal Revenue Code and that is specifically identified by the U.S. secretary of the treasury as a listed transaction on or after the date the transaction occurred.

(b) "Material advisor" means any person who provides any material aid, assistance, or advice with respect to organizing, managing, promoting, selling, implementing, insuring, or carrying out any reportable transaction and who, directly or indirectly, derives gross income from providing such aid, assistance, or advice in an amount that exceeds the threshold amount.

(c) "Reportable transaction" means any transaction, plan, or arrangement, including a listed transaction, for which a taxpayer is required to submit information to the department because the taxpayer is required to disclose the transaction, plan, or arrangement for federal income tax purposes for the taxable year in which the transaction occurred, as provided under U.S. department of treasury regulations.

(d) "Tax shelter" means any entity, plan, or arrangement, if avoiding or evading federal income tax or Wisconsin income or franchise tax is a significant purpose of the entity, plan, or arrangement.

(e) "Threshold amount" means the following:

1. In the case of a reportable transaction, not including a listed transaction, from which the tax benefits are provided primarily to an individual, \$50,000.
2. In the case of a listed transaction from which the tax benefits are provided primarily to an individual, \$10,000.
3. In the case of a reportable transaction, not including a listed transaction, from which the tax benefits are provided primarily to an entity and not an individual, \$250,000.
4. In the case of a listed transaction, from which the tax benefits are provided primarily to an entity and not an individual, \$25,000.

(2) DISCLOSURE. For each taxable year in which a taxpayer has participated in a reportable transaction, the taxpayer shall file with the department a copy of any form required by the internal revenue service for disclosing the reportable transaction for federal income tax purposes no later than 60 days after the date for which the taxpayer is required to file the form for federal income tax purposes, except that, if the taxpayer has filed a form with the internal revenue service on or before October 27, 2007, the taxpayer shall file a copy of the form with the department no later than May 31, 2008. The department may require that forms filed with the department under this subsection be filed separately from this state's income or franchise tax return. This subsection applies to any reportable transaction entered into on or after January 1, 2001, or any reportable transaction entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, for any taxable year for which the transaction remains undisclosed and for which

the statute of limitations on assessment, including any extension provided under sub. (6), has not expired as of the date that is 60 days after October 27, 2007.

(3) PENALTY FOR FAILING TO DISCLOSE. (a) Any taxpayer who does not file the form under sub. (2) and who is required to file the form is subject to the following penalty:

1. If the taxpayer participated in a reportable transaction that is not a listed transaction, the lesser of \$15,000 or 10 percent of the tax benefit obtained from the reportable transaction.

2. If the taxpayer participated in a listed transaction, \$30,000.

(b) The secretary of revenue may waive or abate any penalty imposed under this subsection, or any portion of such penalty, related to a reportable transaction that is not a listed transaction, if the waiver or abatement promotes compliance with this section and effective tax administration. Notwithstanding any other law or rule, a determination by the secretary of revenue under this paragraph may not be reviewed in any judicial proceeding.

(c) The penalties imposed under this subsection apply to any failure to disclose a listed transaction entered into on or after January 1, 2001, or entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, including transactions that were not listed transactions when entered into, but became listed transactions before October 27, 2007, or any other reportable transaction entered into after October 27, 2007, for any taxable year for which the statute of limitations on assessment, including any extension under sub. (6), has not expired as of October 27, 2007.

(4) UNDERSTATEMENT PENALTY. (a) If a taxpayer has a reportable transaction understatement, as determined in par. (b), the taxpayer shall pay, in addition to any tax owed with regard to the reportable transaction, an amount equal to either 20 percent of the reportable transaction understatement or, in the case of a reportable transaction that is not disclosed as provided in sub. (2), 30 percent of the reportable transaction understatement.

(b) A taxpayer has a reportable transaction understatement if the following calculation results in a positive number:

1. Multiply the taxpayer's highest applicable tax rate under s. 71.06, 71.27, or 71.46, by the amount of any increase in Wisconsin taxable income that results from the difference between the proper tax treatment of a reportable transaction and the taxpayer's treatment of the transaction as shown on the taxpayer's tax return, including any amended return the taxpayer files before the date on which the department first contacts the taxpayer regarding an examination of the taxable year for which the amended return is filed. For purposes of this subdivision, the amount of any increase in Wisconsin taxable income for a taxable year includes any reduction in the amount of loss available for carry-forward to the subsequent year.

2. Add the amount determined under subd. 1. to the amount of any decrease in the aggregate amount of Wisconsin income or franchise tax credits that results from the difference between the proper tax treatment of a reportable transaction and the taxpayer's treatment of the transaction as shown on the taxpayer's tax return.

(c) The secretary of revenue may waive or abate any penalty imposed under this subsection, or any portion of such penalty, if the taxpayer demonstrates to the department that the taxpayer had reasonable cause to act the way the taxpayer did, and in good faith, with regard to the tax treatment for which the taxpayer is subject to a penalty under this subsection and all facts relevant to the tax treatment are adequately disclosed in the filing under sub. (2), except that, if the taxpayer does not fully disclose such facts under sub. (2), the taxpayer's penalty may be waived or abated under this paragraph if the taxpayer demonstrates to the depart-

ment that the taxpayer reasonably believed that the tax treatment for which the taxpayer is subject to a penalty under this subsection was more likely than not the proper treatment and substantial authority exists or existed for the tax treatment for which the taxpayer is subject to a penalty under this subsection. Notwithstanding any other law or rule, a determination by the secretary of revenue under this paragraph may not be reviewed in any judicial proceeding.

(d) The penalties under par. (a) apply to any reportable transaction understatement from a reportable transaction, including a listed transaction, entered into on or after January 1, 2001, or entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, for any taxable year for which the statute of limitations on assessment, including any extension provided under sub. (6), has not expired as of October 27, 2007.

(5) ADDITIONAL UNDERSTATEMENT PENALTY. (a) 1. In addition to the penalty under sub. (4) (a), a taxpayer who files an amended return after May 31, 2008, and before the taxpayer is contacted by the internal revenue service or the department regarding a reportable transaction is subject to a penalty in an amount equal to 50 percent of the interest assessed under s. 71.82 on any reportable transaction understatement, as determined under sub. (4) (b), for the tax period for which the taxpayer files an amended return.

2. If the internal revenue service or the department contacts a taxpayer after May 31, 2008, regarding a reportable transaction and the taxpayer is contacted before the taxpayer files an amended return with respect to that transaction, the taxpayer is subject to a penalty in an amount equal to the interest assessed under s. 71.82 on any reportable transaction understatement, as determined under sub. (4) (b), for the tax period for which the internal revenue service or the department contacts the taxpayer.

(b) The penalties under par. (a) apply to any reportable transaction understatement resulting from a reportable transaction, including a listed transaction, entered into on or after January 1, 2001, or entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, for any taxable year for which the statute of limitations on assessment, including any extension provided under sub. (6), has not expired as of October 27, 2007.

(c) The secretary of revenue may waive or abate any penalty imposed under this subsection, or any portion of such penalty, if the taxpayer demonstrates to the department that the taxpayer had reasonable cause to act the way the taxpayer did, and in good faith, with regard to the tax treatment for which the taxpayer is subject to a penalty under this subsection and all facts relevant to the tax treatment are adequately disclosed in the filing under sub. (2), except that, if the taxpayer does not fully disclose such facts under sub. (2), the taxpayer's penalty may be waived or abated under this paragraph if the taxpayer demonstrates to the department that the taxpayer reasonably believed that the tax treatment for which the taxpayer is subject to a penalty under this subsection was more likely than not the proper treatment and substantial authority exists or existed for the tax treatment for which the taxpayer is subject to a penalty under this subsection. Notwithstanding any other law or rule, a determination by the secretary of revenue under this paragraph may not be reviewed in any judicial proceeding.

(6) STATUTE OF LIMITATIONS EXTENSION. (a) Except as provided in par. (b), if a taxpayer fails to provide any information regarding a reportable transaction, other than a listed transaction, under sub. (2), the time for assessing any tax imposed under this chapter with respect to that transaction shall expire no later than the date that is 6 years after the date on which the return for the taxable year in which the reportable transaction occurred was

filed. If a taxpayer fails to provide any information regarding a listed transaction, under sub. (2), the time for assessing any tax imposed under this chapter with respect to that transaction shall expire on the latest of the following dates:

1. The date that is 6 years after the date on which the return for the taxable year in which the listed transaction occurred was filed.

2. The date that is 12 months after the date on which the taxpayer provides information regarding the listed transaction under sub. (2).

3. The date that is 12 months after the date on which the taxpayer's material advisor provides, at the department's request, the list described in sub. (7) (b).

4. The date that is 4 years after the date on which the department discovers a listed transaction that was a listed transaction on the date the transaction occurred for which the taxpayer did not provide the information described under sub. (2) or for which the taxpayer's material advisor did not provide the information described under sub. (7) (b).

(b) Any limitation determined under par. (a) may be extended by a written agreement between the taxpayer and the department as provided under s. 71.77 (5).

(c) This subsection applies to any reportable transaction, including a listed transaction entered into on or after January 1, 2001, or entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001.

(7) MATERIAL ADVISOR. (a) Each material advisor who is required to disclose a reportable transaction under section 6111 of the Internal Revenue Code shall file a copy of the disclosure with the department no later than 60 days after the date for which the material advisor is required to file the disclosure with the internal revenue service, except that, if a material advisor files the disclosure with the internal revenue service on or before October 27, 2007, the material advisor shall file a copy of the disclosure with the department no later than May 31, 2008.

(b) Each material advisor shall maintain a list that identifies each Wisconsin taxpayer for whom the person provided services as a material advisor with respect to a reportable transaction, regardless of whether the taxpayer is required to file the form under sub. (2). Any material advisor who is required to maintain a list under this paragraph shall provide the list to the department after receiving the department's written request to provide the list and shall retain the information contained in the list for 7 years or for the period determined by the department by rule. If 2 or more material advisors are required under this paragraph to maintain identical lists, the department may provide that only one of the material advisors maintain the list.

(c) This subsection applies to reportable transactions, not including listed transactions, for which a material advisor provides services after October 27, 2007, and listed transactions for which a material advisor provides services, and were entered into, on or after January 1, 2001, or were entered into prior to January 1, 2001, and that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, regardless of when the transactions became listed transactions.

(8) MATERIAL ADVISOR PENALTIES. (a) If a person who is required to file a disclosure with the department as provided under sub. (7) (a) fails to file the disclosure or files a disclosure containing false or incomplete information, the person is subject to a penalty equal to the following amounts:

1. If the disclosure relates to a reportable transaction that is not a listed transaction, \$15,000.

2. If the disclosure relates to a listed transaction, \$100,000.

(b) Any person who is required to maintain a list under sub.

(7) (b) and who fails to provide the list to the department no later than 20 business days after the date on which the person receives the department's request to provide the list, as provided under sub. (7) (b), shall pay a penalty to the department in an amount that is equal to \$10,000 for each day that the person does not provide the list, beginning with the day that is 21 business days after the date on which the person receives the department's request.

(c) The secretary of revenue may waive or abate any penalty imposed under this subsection, or any portion of such penalty, related to a reportable transaction that is not a listed transaction, if the waiver or abatement promotes compliance with this section and effective tax administration or, with regard to the penalty imposed under par. (b), if, on each day after the time for providing the list without incurring a penalty has expired, the person demonstrates to the department that the person's failure to provide the list on that day is because of reasonable cause. Notwithstanding any other law or rule, a determination by the secretary of revenue under this paragraph may not be reviewed in any judicial proceeding.

(9) **TAX SHELTER PROMOTION.** (a) Beginning on October 27, 2007, any person who organizes or assists in organizing a tax shelter, or directly or indirectly participates in the sale of any interest in a tax shelter, and who makes or provides or causes another person to make or provide, in connection with such organization or sale, a statement that the person knows or has reason to know is false or fraudulent as to any material matter regarding the allowability of any tax deduction or credit, the excludability of any income, the manipulation of any allocation or apportionment rule, or the securing of any other tax benefit resulting from holding an interest in the entity or participating in the plan or arrangement, shall pay a penalty to the department, with respect to each sale or act of organization described under this paragraph, in an amount equal to 50 percent of the person's gross income derived from the sale or act.

(b) For purposes of administering this chapter, beginning on October 27, 2007, a written communication to any person, director, officer, employee, agent, or representative of the person, or any other person holding a capital or profits interest in the person, regarding the promotion of, or advice with respect to, the person's direct or indirect participation in any tax shelter is not considered a confidential or privileged communication.

(11) **INJUNCTION.** The department may commence an action in the circuit court of Dane County to enjoin a person from taking any action, or failing to take any action, that is subject to a penalty under this section or in violation of this section or any rules that the department promulgates pursuant to this section.

SUBCHAPTER XIII

INTEREST AND PENALTIES

71.82 Interest. (1) **NORMAL.** (a) In assessing taxes interest shall be added to such taxes at 12 percent per year from the date on which such taxes if originally assessed would have become delinquent if unpaid, to the date on which such taxes when subsequently assessed will become delinquent if unpaid.

(b) Except as otherwise specifically provided, in crediting overpayments of income and surtaxes against underpayments or against taxes to be subsequently collected and in certifying refunds of such taxes interest shall be added at the rate of 3 percent per year from the date on which such taxes when assessed would have become delinquent if unpaid to the date on which such overpayment was certified for refund except that if any overpayment of tax is certified for refund within 90 days after the last date pre-

scribed for filing the return of such tax or 90 days after the date of actual filing of the return of such tax, whichever occurs later, no interest shall be allowed on such overpayment. For purposes of this section the return of such tax shall not be deemed actually filed by an employee unless and until the employee has included the written statement required to be filed under s. 71.65 (1). However when any part of a tax paid on an estimate of income, whether paid in connection with a tentative return or not, is refunded or credited to a taxpayer, such refund or credit shall not draw interest.

(c) Any assessment made as a result of the adjustment or disallowance of a claim for credit under s. 71.07, 71.28 or 71.47 or subch. VIII or IX, except as provided in sub. (2) (c), shall bear interest at 12 percent per year from the due date of the claim.

(2) **DELINQUENT.** (a) *Income and franchise taxes.* Income and franchise taxes shall become delinquent if not paid when due under ss. 71.03 (8), 71.24 (9) and 71.44 (4), and when delinquent shall be subject to interest at the rate of 1.5 percent per month until paid.

(b) *Department may reduce delinquent interest.* The department shall provide by rule for reduction of interest under par. (a) to 12 percent per year in stated instances wherein the secretary of revenue determines that reduction is fair and equitable.

Cross-reference: See also s. Tax 2.87, Wis. adm. code.

(c) *Adjustment to credits.* Any assessment made as a result of the disallowance of a claim for credit made under s. 71.07, 71.28 or 71.47 or subch. VIII or IX with fraudulent intent, or of a portion of a claim made under said subchapters or sections that was excessive and was negligently prepared, shall bear interest from the due date of the claim, until refunded or paid, at the rate of 1.5 percent per month.

(d) *Withholding tax.* Of the amounts required to be withheld any amount not deposited or paid over to the department within the time required shall be deemed delinquent and deposit reports or withholding reports filed after the due date shall be deemed late. Delinquent deposits or payments shall bear interest at the rate of 1.5 percent per month from the date deposits or payments are required under this section until deposited or paid over to the department. The department shall provide by rule for reduction of interest on delinquent deposits to 12 percent per year in stated instances wherein the secretary of revenue determines reduction fair and equitable. In the case of a timely filed deposit or withholding report, withheld taxes shall become delinquent if not deposited or paid over on or before the due date of the report. In the case of no report filed or a report filed late, withheld taxes shall become delinquent if not deposited or paid over by the due date of the report. In the case of an assessment under s. 71.83 (1) (b) 2., the amount assessed shall become delinquent if not paid on or before the first day of the calendar month following the calendar month in which the assessment becomes final, but if the assessment is contested before the tax appeals commission or in the courts, it shall become delinquent on the 30th day following the date on which the order or judgment representing final determination becomes final.

71.83 Penalties. (1) **CIVIL.** (a) *Negligence.* 1. 'Failure to file.' In case of failure to file any return required under s. 71.03, 71.24, 71.44, or 71.775 on the due date prescribed therefor, including any applicable extension of time for filing, and upon a showing by the department under s. 73.16 (4), there shall be added to the amount required to be shown as tax on the return 5 percent of the amount of the tax if the failure is for not more than one month, with an additional 5 percent for each additional month or fraction thereof during which the failure continues, not

exceeding 25 percent in the aggregate. For purposes of this subdivision, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the due date prescribed for payment and by the amount of any credit against the tax which may be claimed upon the return.

1m. 'Failure to file information return.' If a person fails to file a return required under subch. XI by the prescribed due date, including any extension, or files an incorrect or incomplete return, that person may be subject to a penalty of \$10 for each violation. A penalty shall be waived except upon a showing by the department under s. 73.16 (4).

2. 'Incomplete or incorrect return.' If any person required under this chapter to file an income or franchise tax return files an incomplete or incorrect return, and upon a showing by the department under s. 73.16 (4), there shall be added to such person's tax for the taxable year 25 percent of the amount otherwise payable on any income subsequently discovered or reported. The amount so added shall be assessed, levied and collected in the same manner as additional normal income or franchise taxes, and shall be in addition to any other penalties imposed by this chapter. In this subdivision, "return" includes a separate return filed by a spouse with respect to a taxable year for which a joint return is filed under s. 71.03 (2) (g) to (L) after the filing of that separate return, and a joint return filed by the spouses with respect to a taxable year for which a separate return is filed under s. 71.03 (2) (m) after the filing of that joint return.

3. 'Incomplete or incorrect deposit or withholding report.' If any person required under subch. X to file a deposit report or withholding report files an incomplete or incorrect report, or fails to properly withhold or fails to properly deposit or pay over withheld funds, and upon a showing by the department under s. 73.16 (4), there shall be added to the tax 25 percent of the amount not reported or not withheld, deposited or paid over. The amount so added shall be assessed, levied and collected in the same manner as additional income or franchise taxes, and shall be in addition to any other penalties imposed in this subchapter. "Person", in this subdivision, includes an officer or employee of a corporation or other responsible person or a member or employee of a partnership or limited liability company or other responsible person who, as such officer, employee, member or other responsible person, is under a duty to perform the act in respect to which the violation occurs.

4. 'Late filing of withholding report.' In case of failure to file any withholding deposit or payment report required under s. 71.65 (3) on the due date prescribed therefor, upon a showing by the department under s. 73.16 (4), there shall be added to the amount required to be shown as withheld taxes on the report 5 percent of the amount if the failure is not for more than one month, with an additional 5 percent for each additional month or fraction thereof during which the failure continues, not exceeding 25 percent in the aggregate.

5. 'Failure to notify.' Any employee who fails to notify the department as required by s. 71.64 (2) (b) 2. shall be subject to a penalty of \$10.

6. 'Retirement plans.' Any natural person who is liable for a penalty for federal income tax purposes under section 72 (m) (5), (q), (t), and (v), 4973, 4974, 4975, or 4980A of the Internal Revenue Code is liable for 33 percent of the federal penalty unless the income received is exempt from taxation under s. 71.05 (1) (a) or (6) (b) 54. The penalties provided under this subdivision shall be assessed, levied, and collected in the same manner as income or franchise taxes.

7. 'Failure to keep records required by the department.' Any taxes assessed upon information not contained in records re-

quired by the department under s. 71.80 (9) to be kept by any person subject to an income or franchise tax shall carry a penalty of 25 percent of the amount of the tax. The penalty shall be in addition to all other penalties provided in this chapter.

8. 'Joint return replacing separate returns.' If the amount shown as the tax by the husband and wife on a joint return filed under s. 71.03 (2) (g) to (L) exceeds the sum of the amounts shown as the tax upon the separate return of each spouse and if any part of that excess is attributable to negligence or intentional disregard of this chapter, but without intent to defraud, at the time of the filing of that separate return, then 25 percent of the total amount of that excess shall be added to the tax.

10. 'Failure to provide schedules.' If a person who is required to provide a schedule under s. 71.13 (1m), 71.20 (1m), or 71.36 (4) fails to provide the schedule by the due date, including any extension, or provides an incorrect or incomplete schedule, the person is subject to a \$50 penalty for each violation, except that the department shall waive the penalty if the person shows the department that a violation resulted from a reasonable cause and not from willful neglect.

11. 'Negligently filed claims.' A person who negligently files an incorrect claim for refund of tax, or credits, under this chapter is subject to a penalty of 25 percent of the difference between the amount claimed and the amount that should have been claimed.

12. 'Incomplete or incorrect pass-through entity return.' If any pass-through entity, as defined in s. 71.738 (3d), required to file a return under this chapter files an incomplete or incorrect return, the department, upon a showing by the department under s. 73.16 (4), may assess the pass-through entity an amount equal to 25 percent of the amount of the tax assessed under s. 71.745. The amount shall be assessed, levied, and collected in the same manner as additional normal income or franchise taxes.

(b) *Intent to defeat or evade.* 1. 'Income and franchise; all persons.' With respect to calendar year 1985 or corresponding fiscal year and subsequent calendar or fiscal years, any person making an incorrect, or failing to make a, report, including a separate return filed by a spouse with respect to a taxable year for which a joint return is filed under s. 71.03 (2) (g) to (L) after the filing of that separate return, and including a joint return filed by the spouses with respect to a taxable year for which a separate return is filed under s. 71.03 (2) (m) after the filing of that joint return, with intent, in either case, to defeat or evade the income or franchise tax assessment required by law, shall have added to the tax an amount equal to 100 percent of the tax on the entire underpayment. No amount paid under this subdivision may be deducted from gross income and assessments hereunder may be made with respect to decedents. Amounts added to the tax under this subdivision shall be treated as additional taxes for all purposes of assessment and collection. Repeated late filing of an income or franchise tax return evinces an intent to defeat or evade the income or franchise tax assessment required by law.

2. 'Personal liability.' The penalties provided by this subdivision shall be paid upon notice and demand of the secretary of revenue or the secretary's designee and shall be assessed and collected in the same manner as income or franchise taxes, except that the time limits under s. 71.77 do not apply to the assessment of personal liability under this subdivision if the corporation, other form of business association, partnership, limited liability company or sole proprietorship with which the person is associated is assessed within the time period under s. 71.77. Any person required to withhold, account for or pay over any tax imposed by this chapter, whether exempt under s. 71.05 (1) to (3), 71.26 (1) or 71.45 or not, who intentionally fails to withhold such tax, or account for or pay over such tax, shall be liable to a penalty equal to the total amount of the tax, plus interest and penalties on

that tax, that is not withheld, collected, accounted for or paid over. The personal liability of such person as provided in this subdivision shall survive the dissolution of the corporation or other form of business association. "Person", in this subdivision, includes an officer, employee or other responsible person of a corporation or other form of business association or a member, employee or other responsible person of a partnership, limited liability company or sole proprietorship who, as such officer, employee, member or other responsible person, is under a duty to perform the act in respect to which the violation occurs.

3. 'Employees' statements.' Any person, whether exempt under s. 71.05 (1) to (3), 71.26 (1) or 71.45 or not, required under s. 71.65 (1) to furnish a written statement to an employee, who furnishes a false or fraudulent statement, or who intentionally fails to furnish a statement in the manner, at the time and showing the information required under s. 71.65 (1), or rules prescribed with respect thereto, shall, for each such failure, be subject to a penalty of \$20. "Person", in this subdivision, includes an officer or employee of a corporation or other responsible person or a member or employee of a partnership or limited liability company or other responsible person who, as such officer, employee, member or other responsible person, is under a duty to perform the act in respect to which the violation occurs.

4. 'Exemption documents.' Any employee who files a withholding exemption certificate, form or agreement under s. 71.64 (2) (b) or 71.66 (1) (a), (2) or (3) with the intent to defeat or evade the proper withholding of tax under subch. X shall be subject to a penalty equal to the difference between the amount required to be withheld and the amount actually withheld for the period that the incorrect certificate, form or agreement was in effect.

5. 'Joint return after separate returns.' If the amount shown as the tax by the husband and wife on a joint return filed under s. 71.03 (2) (g) to (L) exceeds the sum of the amounts shown as the tax on the separate return of each spouse and if any part of that excess is attributable to fraud with intent to evade tax at the time of the filing of that separate return, then 50 percent of the total amount of that excess shall be added to the tax.

6. 'Corporations.' If a corporation or limited liability company files a false declaration of complete inactivity, or, after filing a declaration, becomes activated or reactivated and fails to file timely statements and information under this chapter covering such year or years of activity or reactivity its officers or managers at the time of such filing or failure shall be jointly and severally liable for a civil penalty of \$25 for such filing or each such failure, which penalty may be assessed and collected as income or franchise taxes are assessed and collected.

7. 'Fraudulently filed claims.' A person who fraudulently files an incorrect claim for refund of tax, or credits, under this chapter is subject to a penalty of 100 percent of the difference between the amount claimed and the amount that should have been claimed.

(c) *Medical savings account withdrawals.* Any person who is liable for a penalty for federal income tax purposes under section 220 (f) (4) of the Internal Revenue Code is liable for a penalty equal to 33 percent of that penalty. The department of revenue shall assess, levy and collect the penalty under this paragraph as it assesses, levies and collects taxes under this chapter.

(ce) *Health savings accounts.* Any person who is liable for a penalty for federal income tax purposes under section 223 (f) (4) of the Internal Revenue Code is liable for a penalty equal to 33 percent of that penalty. The department of revenue shall assess, levy, and collect the penalty under this paragraph as it assesses, levies, and collects taxes under this chapter.

(cf) *Inconsistent estate basis reporting.* If any portion of an underpayment of tax required to be shown on a Wisconsin return

is the result of an inconsistent estate basis reporting, there shall be added to the tax an amount equal to 20 percent of that portion of the underpayment. For purposes of this paragraph, an inconsistent estate basis reporting occurs if the property basis claimed on a Wisconsin return exceeds the property basis determined under section 1014 (f) of the Internal Revenue Code. The department shall assess, levy, and collect the penalty under this paragraph in the same manner as it assesses, levies, and collects taxes under this chapter.

(d) *Sale of certain business assets or assets used in farming.*

1. If a person who purchases or otherwise receives business assets or assets used in farming, of which the gains realized by the transferor on the sale or disposition of such assets are exempt from taxation under s. 71.05 (6) (b) 25., sells or otherwise disposes of the assets within 2 years after the person purchases or receives the assets, the person shall pay a penalty that is calculated under subd. 2.

2. The penalty described under subd. 1. shall be the amount of income tax that would have been imposed under s. 71.02 on the capital gains received by the transferor in the transaction described in subd. 1. if the exemption under s. 71.05 (6) (b) 25. did not apply to the transaction multiplied by a fraction, the denominator of which is 24 and the numerator of which is the difference between 24 and the number of months between the date on which the person who is liable for the penalty purchased or otherwise received the assets described in subd. 1. and the month in which the person sells or otherwise disposes of the assets.

3. The department of revenue shall assess, levy and collect the penalty under this paragraph as it assesses, levies and collects taxes under this chapter.

(e) *Wisconsin qualified opportunity funds.* A Wisconsin qualified opportunity fund, as defined in s. 71.05 (25m) (a) 2., that is liable for a penalty under section 1400Z-2 (f) of the Internal Revenue Code is liable for a penalty equal to 33 percent of the federal penalty. The department shall assess, levy, and collect the penalty under this paragraph in the same manner as it assesses, levies, and collects taxes under this chapter.

If any person, including an officer of a corporation or a manager of a limited liability company required by law to make, render, sign or verify any return, willfully fails or refuses to make a return at the time required in s. 71.03, 71.24 or 71.44 or willfully fails or refuses to make deposits or payments as required by s. 71.65 (3) or willfully renders a false or fraudulent statement required by s. 71.65 (1) and (2) or deposit report or withholding report required by s. 71.65 (3), such person shall be guilty of a misdemeanor and may be fined not more than \$10,000 or imprisoned for not to exceed 9 months or both, together with the cost of prosecution.

2. 'Penalties for certain false documents.' Any person who willfully makes and subscribes any return, claim, statement or other document required by this chapter that that person does not believe to be true and correct as to every material matter or who willfully aids in, procures, counsels or advises the preparation of any return, claim, statement or other document that is false or fraudulent as to any material matter related to, or required by, this chapter may be fined not more than \$10,000 or imprisoned for not more than 9 months or both, together with the cost of prosecution.

(b) *Felony*. 1. ‘False income tax return; fraud.’ Any person, other than a corporation or limited liability company, who renders a false or fraudulent income tax return with intent to defeat or evade any assessment required by this chapter, or to obtain a refund or credit with fraudulent intent, is guilty of a Class H felony and may be assessed the cost of prosecution. In this subdivision, “return” includes a separate return filed by a spouse with respect to a taxable year for which a joint return is filed under s. 71.03 (2) (g) to (L) after the filing of that separate return, and a joint return filed by the spouses with respect to a taxable year for which a separate return is filed under s. 71.03 (2) (m) after the filing of that joint return.

2. ‘Officer of a corporation; false franchise or income tax return.’ Any officer of a corporation or manager of a limited liability company required by law to make, render, sign or verify any franchise or income tax return, who makes any false or fraudulent franchise or income tax return, with intent to defeat or evade any assessment required by this chapter is guilty of a Class H felony and may be assessed the cost of prosecution.

I or \$150 to the person’s tax if the return is filed under subch. IV or VII. If no tax is assessed against any such person the amount of this fee shall be collected as income or franchise taxes are collected. If any person who is required under s. 71.65 (3) to file a withholding report and deposit withheld taxes fails timely to do so and upon a showing by the department under s. 73.16 (4); unless the person so required dies; the department of revenue shall add \$50 to the amount due except that if the person is subject to taxation under subch. (title).

71.84 Addition to the tax. (1) INDIVIDUALS AND FIDUCIARIES. Except as provided in s. 71.09 (11), in the case of any underpayment of estimated tax by an individual, estate or trust, except as provided under s. 71.09, there shall be added to the aggregate tax for the taxable year interest at the rate of 12 percent per year on the amount of the underpayment for the period of the underpayment. In this subsection, “the period of the underpayment” means the time period from the due date of the installment until either the 15th day of the 4th month beginning after the end of the taxable year or the date of payment, whichever is earlier.

(2) CORPORATIONS. (a) Except as provided in s. 71.29 (7), in the case of any underpayment of estimated tax by a corporation under s. 71.29 or 71.48, there shall be added to the aggregate tax for the taxable year interest at the rate of 12 percent per year on the amount of the underpayment for the period of the underpayment. In this paragraph, “period of the underpayment” means the time period from the due date of the installment until either the date on which the corporation is required to file for federal income tax purposes, not including any extension, under the Internal Revenue Code or the date of payment, whichever is earlier. If 90 percent of the tax shown on the return is not paid by the date on which the corporation is required to file for federal income tax purposes, not including any extension, under the Internal Revenue Code, the difference between that amount and the estimated taxes paid, along with any interest due, shall accrue delinquent interest under s. 71.91 (1) (a).

If 90 percent of the tax shown on the return is not paid by the 15th day of the 5th month following the close of the taxable year, the difference between that amount and the estimated taxes paid along with any interest due, shall accrue delinquent interest under s. 71.91 (1) (a).

(c) If a refund under s. 71.29 (3m) results in an income or franchise tax liability that is greater than the amount of estimated taxes paid when reduced by the amount of the refund, the taxpayer shall add to the aggregate tax for the taxable year interest at an annual rate of 12 percent on the amount of the unpaid tax liability for the period beginning on the date the refund is issued and ending on either the date on which the taxpayer is required to file for federal income tax purposes, not including any extension, under the Internal Revenue Code or the date the tax liability is paid, whichever is earlier.

Thus, “return” means a return showing the proper amount due, regardless of whether the audited amount due is higher than the amount shown on the filed return. *General Casualty Co. of Wisconsin v. DOR*, 2002 WI App 248, 258 Wis. 2d 196, 653 N.W.2d 513, 01-2810.

(2) No person against whom an assessment of income or franchise tax has been made shall be allowed in any action either as plaintiff or defendant or in any other proceeding to question such assessment unless the requirements of ss. 71.88 and 71.90 (1) shall first have been complied with, and unless such person shall have made full disclosure under oath at the hearing before the tax appeals commission of any and all income that the person received. The requirement of full disclosure under this subsection may be waived by the department of revenue.

(4) Any person who contests an assessment before the tax appeals commission or in court shall state in his or her petition or notice of appeal what portion if any of the tax is admitted to be legally assessable and correct. Within 5 days after notice by the department, the appellant shall pay to the department the whole amount of the admitted tax and such tax shall be appropriated in accordance with s. 25.20. Any such payment shall be considered an admission of the legality of the tax thus paid, and such tax so paid cannot be recovered in the pending appeal or in any other action or proceeding.

(1) **DEPOSIT.** The department shall notify any person who files a petition for redetermination that the person may deposit the amount of an additional assessment, including any interest or penalty, with the department, or with a person that the department prescribes, at any time before the department makes its redetermination. The department shall notify spouses jointly except that, if the spouses have different addresses and if either spouse notifies the department in writing of those addresses, the department shall serve a duplicate of the original notice on the spouse who has the address other than the address to which the original notice was sent. Amounts deposited under this subsection shall be subject to the interest provided by s. 71.82 only to the extent of the interest accrued prior to the first day of the month succeeding the date of

deposit. Any deposited amount which is refunded shall bear interest at the rate of 3 percent per year during the time the funds were on deposit. A person may also pay any portion of an assessment which is admitted to be correct and the payment shall be considered an admission of the validity of that portion of the assessment and may not be recovered in an appeal or in any other action or proceeding.

(2) **DEPOSIT WITH THE DEPARTMENT.** At any time while the petition is pending before the tax appeals commission or an appeal in regard to that petition is pending in a court, the taxpayer may offer to deposit the entire amount of the additional taxes, penalties, and fines, together with interest, with the department. The department shall, upon final determination of the appeal, refund to the appellant any portion of such payment which has been found to have been improperly assessed, including interest.

SUBCHAPTER XV

COLLECTION OF DELINQUENT TAXES AND STATE AGENCY DEBTS

71.91 Collection provisions. (1) **TIME TAXES BECOME DELINQUENT.** (a) *Income and franchise taxes.* Income and franchise taxes shall become delinquent if not paid when due under s. 71.03 (8) (b) and (c), 71.24 (9) or 71.44 (4) (b), and the department shall immediately proceed to collect the same. For the purpose of such collection the department or its duly authorized agent shall have the same powers as conferred by law upon the county treasurer, county clerk, sheriff and district attorney.

(b) *Withholding.* Any amount not deposited or paid over to the department, or to the person that the department prescribes, within the time required shall be deemed delinquent and deposit reports or withholding reports filed after the due date shall be deemed late. In the case of a timely filed deposit or withholding report, withheld taxes shall become delinquent if not deposited or paid over on or before the due date of the report. In the case of no report filed or a report filed late, withheld taxes shall become delinquent if not deposited or paid over by the due date of the report. In the case of an assessment under s. 71.83 (1) (b) 2., the amount assessed shall become delinquent if not paid on or before the due date specified in the notice of deficiency, but if the assessment is contested before the tax appeals commission or in the courts, it shall become delinquent on the 30th day following the date on which the order or judgment representing final determination becomes final.

(c) *Contested income and franchise tax assessments.* Any additional income or franchise tax assessment contested before the tax appeals commission or in the courts, which is finally determined to be correct, shall become delinquent if not paid on or before the 30th day following the date on which the order or judgment representing such final determination becomes final and conclusive. Any additional income or franchise tax assessment so contested shall be subject to s. 71.74 (14).

(2) **TIME TAX OBLIGATION INCURRED.** Any tax obligation, including interest, penalties and costs thereon, to the department of revenue is incurred on the date of the department's initial assessment or notice of the amount due of that tax.

(3) **MARITAL OBLIGATIONS.** All tax obligations to this state, including interest, penalties and costs thereon, incurred during marriage by a spouse after December 31, 1985, or after both spouses are domiciled in this state, whichever is later, are incurred in the interest of the marriage or family and may be satisfied only under ss. 766.55 (2) (b) and 859.18. However, if one spouse is relieved of liability under s. 71.10 (6) (a) or (b) or (6m),

the tax obligation to this state of the other spouse may be satisfied only under s. 766.55 (2) (d) or by set-off under s. 71.55 (1), 71.61 (1) or 71.80 (3) or (3m).

(4) UNPAID TAX IS PERFECTED LIEN ON PROPERTY. If any person liable to pay any income or franchise tax neglects, fails, or refuses to pay the tax, the amount, including any interest, addition to tax, penalty, or costs, shall be a perfected lien in favor of the department of revenue upon all property and rights to property. The lien is effective at the time taxes are due or at the time an assessment is made and shall continue until the liability for the amount to be paid or for the amount so assessed is satisfied, except that liens related to warrants entered under sub. (5) (b) 1. after May 5, 2004, shall continue for 20 years beginning on the date on which the warrant is entered under sub. (5) (b) 1., subject to renewal under sub. (5) (dm), or until the liability for the amount to be paid or for the amount so assessed is satisfied, whichever comes first. The perfected lien does not give the department of revenue priority over lienholders, mortgagees, purchasers for value, judgment creditors, and pledges whose interests have been recorded before the department's lien is recorded.

(5) WARRANT SHALL BE ISSUED. (ag) In this subsection, "file" means mail, deliver, or submit electronically.

(ar) If any income or franchise tax is not paid when due, the department of revenue shall file a warrant with the clerk of circuit court and may issue a copy of the warrant to the sheriff of any county of the state commanding the sheriff to levy upon and sell enough of the taxpayer's real and personal property found within the county to pay the tax with the penalties, interest and costs, and to proceed upon the property in the same manner as upon an execution against property issued out of a court of record, and to return the warrant to the department and pay to it the money collected, or the part of it that is necessary to pay the tax, penalties, interest and costs within 60 days after the receipt of the warrant, and deliver the balance, if any, after deduction of lawful charges, to the taxpayer.

(b) 1. The clerk of circuit court shall enter the warrant under par. (ar) as required by s. 806.11, and upon entering the amount of the warrant, together with interest required by s. 71.82 (2), the warrant shall be considered in all respects as a final judgment. The clerk of circuit court shall accept, file and enter the warrant without prepayment of any fee, but the clerk of circuit court shall submit a statement of the proper fee semiannually to the department covering the periods from January 1 to June 30 and July 1 to December 31. The fees shall then be paid by the state as provided by par. (h), but the fees provided by s. 814.61 (5) for filing and entering the warrants shall be added to the amount of the warrant and collected from the taxpayer when satisfaction or release is presented for entry.

2. The sheriff shall be entitled to the same fees for executing upon such warrant as upon an execution against property issued out of a court of record, to be collected in the same manner.

3. Upon the sale of any real estate the sheriff shall execute a deed of the same, and the taxpayer shall have the right to redeem the real estate as from a sale under an execution against property upon a judgment of a court of record.

(c) 1. A like warrant may be issued to any agent of the department authorized to collect income or franchise taxes, and in the execution of the warrant and collection of the taxes the agent shall have the powers of a sheriff, but shall not be entitled to collect from the taxpayer any fee or charge for the execution of the warrant in excess of actual expenses paid in the performance of his or her duty. When a warrant is issued to the agent he or she may act as provided in subd. 2. or may execute the warrant in any county of the state designated in the warrant, in the same manner

as provided in this subchapter with respect to sheriffs of such counties.

2. In executing a warrant as described in subd. 1., the agent may conduct, or may engage a 3rd-party entity to conduct, an execution sale of personal property in any county of the state and may sell, or may engage a 3rd-party entity to sell, the personal property in any manner the department believes will bring the highest net bid or price, including Internet-based auctions or sales. The cost of conducting each auction or sale shall be reimbursed to the department out of the proceeds of the auction or sale.

(d) Upon entry of a warrant in the judgment and lien docket, the department of revenue shall have the same remedies to enforce the claim for taxes, penalties, interest and costs as upon a judgment against the taxpayer.

(dm) The department of revenue may renew a lien that expires after 20 years, as specified under sub. (4), by filing a warrant as provided under par. (ar) no earlier than 180 days prior to the date that the lien expires and no later than the date that the lien expires. The clerk of circuit court shall enter the warrant as provided under par. (b) 1., except that no fee shall be assessed for any warrant filed under this paragraph. A lien that is the subject of a warrant filed under this paragraph retains its priority for payment under the original warrant and remains in effect for a period of 20 years beginning on the expiration date of the immediately preceding lien, subject to renewal under this paragraph, or until the liability for the amount to be paid or for the amount so assessed is satisfied, whichever comes first. The department of revenue may subsequently renew, in the manner described in this paragraph, any lien renewed under this paragraph until the liability for the amount to be paid or for the amount so assessed is satisfied.

(e) The department, if it finds that the interests of the state will not thereby be jeopardized, and upon such conditions as it may exact, may issue a release, of any warrant with respect to any real property upon which said warrant is a lien or cloud upon title, and such release shall be entered of record by the clerk upon presentation to him or her and payment of the fee for filing said release and the same shall be held conclusive that the lien or cloud upon the title of the property covered by the release is extinguished. Any person desiring that such release be issued shall present to the department a written application in affidavit form requesting that the release be issued. Such application shall give the reasons for the request and shall clearly describe the property with respect to which the release is desired. In support of the request, the applicant shall furnish the department with proof sufficient to establish satisfactorily the fair market value of the property, the amounts, character and dates, both of execution and of record, of all encumbrances of record prior to the warrant lien, as well as the amount and character of any unrecorded encumbrances believed to be prior to the warrant lien, including information as to how and when all such encumbrances arose. Appropriate references shall be made to the pages and volumes of the recording books in which any such encumbrances have been recorded. The department may require a certified copy of any record referred to in such application to be furnished by the applicant, at his or her expense, from the officer in whose office such record is kept.

(f) When the taxes set forth in a warrant together with penalties and interest to date of payment and all costs due the department have been paid to it or when such warrant has not been paid or discharged, but the taxes for which such warrant was issued have been canceled or credited, the department shall issue a satisfaction of the warrant and file it with the clerk and said warrant shall be immediately satisfied of record by such clerk. The department shall send a copy of such satisfaction to the taxpayer at the taxpayer's request. If the taxpayer so requests, the department

shall indicate the amount that was paid to satisfy the warrant. When such warrant has not been paid or discharged but the enforcement of same would, in the opinion of the department, result in depriving the taxpayer of a substantial right, the department may issue a release of said warrant and file same with the clerk who shall immediately make an entry of same of record, and it shall be held conclusive of the extinguishment of the warrant and all liens and rights created thereby, but shall not constitute a release or satisfaction of the taxes for which such warrant was issued.

(g) If the department of revenue has issued an erroneous warrant, the department shall issue to the clerk of circuit court for the county in which the warrant is filed a notice of withdrawal of the warrant. The clerk shall void the warrant and any liens attached by it.

(h) All fees and compensation of officials or other persons performing any act or functions required in carrying out this subchapter, except such as are by this subchapter to be paid to such officials or persons by the taxpayer, shall, upon presentation to the department of revenue of an itemized and verified statement of the amount due, be paid, upon audit by the department of administration on the certificate of the secretary of revenue, by the secretary of administration and charged to the proper appropriation for the department of revenue. No public official shall be entitled to demand prepayment of any fee for the performance of any official act required in carrying out this subchapter.

(i) The state may be made a party defendant in any action to foreclose a mortgage, land contract, or other lien upon any real property affected by such warrant lien, and the summons may be served by delivering a copy to the attorney general or leaving it at the attorney general's office in the capitol with an assistant or clerk. But no judgment for the recovery of money or personal property or costs shall be rendered against the state in any such action.

(j) The provisions of this subchapter shall be in addition to all other methods for the collection of income or franchise taxes, and the department of revenue may exercise the powers vested in it by virtue of ss. 73.03 (20) and 73.04 or any of the powers vested in it by virtue of any other statute for the purpose of enforcing collection of income or franchise taxes.

(k) All payments made on delinquencies shall be applied first in discharging costs, penalties and interest and the balance applied on the principal of the tax. In this paragraph, "principal of the tax" means the tax and interest added to it under ss. 71.03 (7), 71.24 (7), 71.44 (3) and 71.82.

(5m) APPLICABILITY OF PERSONAL PROPERTY TAX LAWS. (a) All laws not in conflict with this chapter relating to the assessment, collection and payment of taxes on personal property, the correction of errors in assessment and tax rolls, and the collection of delinquent personal property taxes except the provisions for the compromise or cancellation of illegal taxes and the refunds of moneys paid thereon, as shown by the 1985 statutes, shall be applicable to the income or franchise tax provided in this chapter.

(b) The provisions for the compromise or cancellation of illegal personal property taxes and for refunds of personal property taxes apply to the taxes under this chapter to the extent that those provisions do not conflict with par. (a) or s. 71.92.

(6) LEVY UPON PROPERTY FOR TAXES. (a) *Definitions.* In this subsection:

1d. "Continuous levy" means a levy that is in effect from the date on which it is served on a 3rd party until the liability out of which the levy arose is satisfied or until the levy is released, whichever occurs first.

1g. "Department" means the department of revenue.

1r. "Financial institution" has the meaning given in s. 214.01 (1) (jn).

2. "Levy" means all powers of distraint and seizure.

2n. "Noncontinuous levy" means a levy that is in effect on the date on which it is served on a 3rd party.

3. "Property" includes real and personal property and tangible and intangible property and rights to property but is limited to property and rights to property existing at the time of levy.

4. "Taxes" means the principal of the tax as defined in sub. (5) (k), interest, penalties and costs.

(b) *Powers of levy and distraint.* If any person who is liable for any tax administered by the department neglects or refuses to pay that tax within 10 days after that tax becomes delinquent, the department may collect that tax and the expenses of the levy by levy upon, and sale of, any property belonging to that person or any property on which there is a lien as provided by sub. (4) in respect to that delinquent tax. Whenever any property that has been levied upon under this section is not sufficient to satisfy the claim of the department, the department may levy upon any other property liable to levy of the person against whom that claim exists until the taxes and expenses of the levy are fully paid. A levy imposed under this paragraph may be continuous or noncontinuous, except that a levy on commissions, wages, or salaries is continuous.

(c) *Duty to surrender.* 1. Except as provided in subd. 2. and par. (d) 4., any person in possession of, or obligated with respect to, property subject to levy upon which a levy has been made shall, upon demand of the department, surrender that property unless it is subject to attachment or execution under judicial process, or discharge that obligation, to the department.

2. Levying upon a life insurance or endowment contract issued by a 3rd person, without necessity for the surrender of the contract document, is a demand by the department for payment of the amount under subd. 3. and for the exercise of the right of the person against whom the tax is assessed to an advance of that amount. The person who issued the contract shall pay over that amount within 90 days after the service of the notice of the levy. That notice shall include a certification by the department that a copy of that notice has been sent to the person against whom the tax is assessed at that person's last-known address.

3. The levy under subd. 2. is satisfied if the person who issued the contract pays to the department, or to the person that the department prescribes, the amount that the person against whom the tax is assessed could have had advanced by the person who issued the contract on the date under subd. 2. for the satisfaction of the levy, increased by the amount of any advance, including contractual interest, made to the person against whom the tax is assessed on or after the date the person who issued the contract had actual notice or knowledge of the existence of the lien with respect to which that levy is made, other than an advance, including contractual interest on it, made automatically to maintain the contract in force under an agreement entered into before the person who issued the contract had notice or knowledge of that lien. Any person who issued a contract and who satisfies a levy under this paragraph is discharged from all liability to any beneficiary because of that satisfaction.

(d) *Failure to surrender; discharge.* 1. Except as provided in subd. 4., any person, including an officer or employee, who fails to surrender property that is subject to levy upon demand of the department is liable to the department for a sum equal to the value of the property not surrendered, but not exceeding the amount of taxes for the collection of which that levy was made, together with costs and interest at the rate of 18 percent per year from the date of that levy. Any amount, other than costs, recovered under this paragraph shall be credited against the tax liability.

ity for the collection of which that levy was made. The liability under this paragraph may be assessed, levied and collected as are additional income or franchise taxes or may be recovered by the department in a civil action.

2. In addition to the liability imposed under subd. 1., if any person required to surrender property fails or refuses to surrender that property without reasonable cause, that person is liable for a penalty equal to 50 percent of the amount recoverable under subd. 1. No part of the penalty under this subdivision may be credited against the tax liability for the collection of which that levy was made. The penalty under this subdivision may be assessed, levied and collected as are additional income or franchise taxes or may be recovered by the department in a civil action.

3. Any person in possession of, or obligated with respect to, property upon which a levy has been made who, upon demand by the department, surrenders that property, or discharges that obligation, to the department or who pays a liability under subd. 1. is discharged from any liability to the delinquent taxpayer or, in the case of payments under par. (c) 2., to a beneficiary, with respect to that property arising from that surrender or payment.

4. If a financial institution is in possession of, or obligated with respect to, property subject to levy upon which a levy has been made, the financial institution is liable under this paragraph for failure to surrender that property or discharge that obligation only upon expiration of a reasonable time to comply with the department's demand for the property.

(e) *Actions against this state.* 1. If the department has levied upon or sold property, any person, other than the person who is assessed the tax out of which the levy arose, who claims an interest in or lien on that property and claims that that property was wrongfully levied upon may bring a civil action against the state in the circuit court for Dane County. That action may be brought whether or not that property has been surrendered to or sold by the department. The court may grant only the relief under subd. 2. No other action to question the validity of or restrain or enjoin a levy by the department may be maintained.

2. In actions under subd. 1., if a levy or sale would irreparably injure rights to property, the court may enjoin the enforcement of that levy or prohibit that sale. If the court determines that the property has been wrongfully levied upon, it may order the return of specific property that the department possesses or grant a judgment for the amount of money obtained by levy. If the property was sold, the court may grant a judgment for an amount not exceeding the amount received by the department from the sale. If the property was purchased by the state at a sale under par. (f), the state shall be treated as having received an amount equal to the minimum price determined under that paragraph or the amount received by the state from the resale of that property, whichever is larger.

3. For purposes of an adjudication under this paragraph, the assessment of the tax upon which the interest or lien of the department is based is conclusively presumed to be valid. Interest shall be allowed for judgments under this paragraph at the rate of 12 percent per year from the date the department receives the money wrongfully levied upon to the date of payment of the judgment or from the date of sale to the date of payment.

(f) *Notice and sale.* 1. As soon as practicable after obtaining property, the department shall notify, in the manner prescribed by the department, the owner of any real or personal property, and, at the possessor's request, the possessor of any personal property, obtained by the department under this subsection. The department may leave that notice at the person's usual place of residence or business. If the owner cannot be located or has no dwelling or place of business in this state, or if the property is obtained as a result of a continuous levy on commissions, wages, or

salaries, the department may send a notice to the owner's last-known address. That notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property obtained and, in the case of real property, a description with reasonable certainty of the property seized.

2. As soon as practicable after obtaining property, the department shall cause a notice of the sale to be published in a newspaper published or generally circulated within the county where the property was obtained. If there is no newspaper published or generally circulated in that county, the department shall post that notice at the city, town or village hall nearest the place where the property was obtained and in at least 2 other public places. That notice shall specify the property to be sold and the time, place, manner and conditions of the sale.

3. If any property liable to levy is not divisible so as to enable the department, by sale of a part, to raise the whole amount of the tax and expenses, the whole of the property shall be sold.

4. The sale shall occur not less than 10 days and not more than 40 days after the notice under subd. 2. The department may interrupt the sale, but not for a period longer than 90 days. The sale shall be in the county in which the property is levied upon or in Dane County.

5. Before the sale, the department shall determine a minimum price for which the property shall be sold. If no person offers for that property at the sale at least the amount of the minimum price, the state shall purchase the property for the minimum price; otherwise, the property shall be sold to the highest bidder. In determining the minimum price, the department shall take into account the expense of making the levy and sale in addition to the value of the property. If payment in full is required at the time of acceptance of a bid and is not paid then, the department shall sell the property in the manner provided under this paragraph. If the conditions of the sale permit part of the payment to be deferred and if that part is not paid within the prescribed period, the department may sue the purchaser in the circuit court for Dane County for the unpaid part of the purchase price and interest at the rate of 12 percent per year from the date of the sale or the department may declare the sale void and may sell the property again under this paragraph. If the property is sold again, the 2nd purchaser shall receive it free of any claim of the defaulting purchaser and the amount paid upon the bid price by the defaulting purchaser is forfeited.

6. No property of any person is exempt from levy and sale under this subsection.

(g) *Redemption.* 1. Any person whose property has been levied upon may pay the amount due and the expenses of the proceeding to the department, or to the person that the department prescribes, at any time before the sale. Upon that payment, the department shall restore the property to the person whose property has been levied upon and stop all proceedings related to the levy.

2. The owners of any real property sold under par. (f), their heirs or personal representatives, or any person having an interest in or a lien on that property, or any person on behalf of a person specified in this subdivision may redeem the property sold, or any part of that property, within 120 days after the sale by payment to the purchaser or, if the purchaser cannot be found in the county in which the property to be redeemed is situated, then to the department, for the use of the purchaser or the purchaser's heirs or assigns, the amount paid by the purchaser and interest at the rate of 18 percent per year.

(h) *Certificate of sale.* 1. The department shall give the purchaser under par. (f) a certificate of sale upon payment in full of the purchase price. In the case of real property, that certificate

shall specify the property purchased, the name of the purchaser and the price.

2. In the case of any real property sold under par. (f) and not redeemed under par. (g), the department shall execute to the purchaser, upon surrender of the certificate of sale, a deed reciting the facts set forth in the certificate.

3. If real property is purchased by the state under par. (f), the department shall execute and record a deed.

4. The certificate of sale for personal property sold under par. (f) is prima facie evidence of the right of the department to make the sale and conclusive evidence of the regularity of the proceedings of the sale. That certificate transfers to the purchaser all right, title and interest of the delinquent party to the property sold. If that property is stocks, that certificate is notice, when received, to any person of that transfer and authority to record the transfer on books and records as if the stocks were transferred or assigned by the party holding them, and all prior certificates are void. If the subject of sale is securities or other evidence of debt, the certificate is valid against any person possessing or claiming to possess the securities or other evidence of debt. If the property is a motor vehicle, the certificate is notice, when received, to the department of transportation as if the certificate of title were transferred or assigned by the party holding that certificate of title, and any prior certificate is void.

5. The deed of sale of real property is prima facie evidence of the facts stated in it and conveys all of the right, title and interest the delinquent party had to the property.

6. A certificate of sale of personal property given or a deed to real property executed under this paragraph discharges that property from all liens, encumbrances and titles subordinate to the department's lien.

(i) *Determination of expenses.* The department shall determine the expenses to be allowed in all cases of levy and sale.

(j) *Departmental records.* The department shall keep a record of all sales of real property under par. (f) and of all redemptions of that property. The record shall set forth the tax for which any sale was made, the dates of levy and sale, the name of the party assessed and all proceedings related to the sale, the amount of expenses, the names of the purchasers and the date of the deed.

(k) *Use of proceeds.* 1. The department shall apply all money realized under this subsection first against the expenses of the proceedings and then against the liability in respect to which the levy was made or the sale was conducted and any other liability owed to the department by the delinquent person.

2. The department may refund or credit any amount left after the applications under subd. 1., upon claim for and satisfactory proof of, to the person entitled to that amount.

(L) *Release of levy.* The department may release the levy upon all or part of property levied upon to facilitate the collection of the liability, but that release does not prevent any later levy.

(m) *Wrongful levy.* 1. If the department determines that property has been wrongfully levied upon, the department may return the property, an amount of money equal to the amount of money levied upon or an amount of money equal to the amount of money received by the state from the sale of that property.

2. The department may return property at any time. The department may return an amount of money equal to the amount of money levied upon or received from sale within 9 months after the levy.

3. For purposes of this paragraph, if property is purchased by the state under par. (f) the state shall be treated as having received an amount of money equal to the minimum price determined under that paragraph or, if less, the amount of money received by the state from the resale of that property.

(n) *Preservation of remedies.* The availability of the remedy under this subsection does not abridge the right of the department to pursue other remedies.

(7) *WITHHOLDING BY EMPLOYER OF DELINQUENT TAX OF EMPLOYEE.* (a) In this subsection, "employee" includes any subcontractor.

(b) The department of revenue may give notice to any employer deriving income having a taxable situs in this state (regardless of whether any such income is exempt from taxation) to the effect that an employee of the employer is delinquent in a certain amount with respect to state taxes, including penalties, interest, and costs. Upon receipt of the notice of delinquency, the employer shall withhold from compensation due or to become due to the employee the total amount shown by the notice. The department of revenue may direct the employer to withhold part of the amount due the employee each pay period, until the total amount as shown by the notice, plus interest, has been withheld. The employer may not withhold more than 25 percent of the compensation due the employee for any one pay period, except that, if the employee leaves the employ of the employer or gives notice of the employee's intention to do so, or is discharged for any reason, the employer shall withhold the entire amount otherwise payable to the employee, or so much thereof as may be necessary to equal the unwithheld balance of the amount shown in the notice of delinquency, plus delinquent interest. In crediting amounts withheld against delinquent taxes of an employee, the department of revenue shall apply amounts withheld in the following order: costs, penalties, delinquent interest, delinquent tax. The "compensation due" an employee for purposes of determining the 25 percent maximum withholding for any one pay period shall include all wages, salaries, and fees constituting income, including wages, salaries, income advances, or other consideration paid for future services, when paid to an employee, less amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any irrevocable and previously effective assignment of wages, of which amounts and the facts relating to such assignment the employer shall give notice to the department of revenue within 10 days after service of the notice of delinquency.

(c) In any case in which the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency, plus delinquent interest, has been withheld by the employer, the employer shall immediately notify the department in writing of the termination date of the employee and the total amount withheld.

(d) The employer shall, on or before the last day of the month after the month during which an amount was withheld, remit to the department or to the person that the department prescribes that amount. Any amount withheld from an employee by an employer shall immediately be a trust fund for this state. Should any employer, after notice, willfully fail to withhold in accordance with the notice and this subsection, or willfully fail to remit any amount withheld, as required by this subsection, such employer shall be liable for the total amount set forth in the notice together with delinquent interest as though the amount shown by the notice was due by such employer as a direct obligation to the state for delinquent taxes, and may be collected by any means provided by law including the means provided for the collection of delinquent income or franchise taxes. However, no amount required to be paid by an employer by reason of his or her failure to remit under this paragraph may be deducted from the gross income of such employer. Any amount collected from the employer for failure to withhold or for failure to remit under this subsection shall be credited as tax, costs, penalties and interest paid by the employee.

(e) Paragraphs (b) to (d) shall apply in any case in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof except those provisions imposing a liability on the employer for failure to withhold or remit. But an amount equal to any amount withheld by any municipality or other subordinate unit of this state under this subsection and not remitted to the department as required by this subsection shall be retained by the secretary of administration from funds otherwise payable to any such municipality or subordinate unit, and transmitted instead to the department, upon certification by the secretary of revenue.

(f) The department shall refund to the employee excess amounts withheld from the employee under this subsection.

(g) Employers required to withhold delinquent taxes, penalties, interest and costs under this subsection shall not be required to withhold amounts other than the total amounts certified to such employers by the department and shall not be required to compute interest, costs or other charges to be withheld.

(h) The department of revenue may, by written notice, require any employer, as defined in s. 71.63 (3), to withhold from the compensation due or to become due to any entertainer or entertainment corporation the amount of any delinquent state taxes, including costs, penalties, and interest, shown by the notice. The employer shall send the money withheld to the department of revenue on or before the last day of the month after the month during which an amount was withheld.

(8) FINANCIAL RECORD MATCHING PROGRAM. (a) *Definitions.* In this subsection:

1. "Account" means a demand deposit account, checking account, negotiable withdrawal order account, savings account, time deposit account, or money market mutual fund account.

2. "Department" means the department of revenue.

3. "Financial institution" has the meaning given in s. 49.853 (1) (c).

5. "Person" includes any individual, firm, partnership, limited liability company, joint venture, joint stock company, association, public or private corporation, estate, trust, receiver, personal representative, and other fiduciary, and the owner of a single-owner entity that is disregarded as a separate entity under this chapter.

(b) *Matching program agreements.* The department shall promulgate rules specifying procedures under which the department shall enter into agreements with financial institutions doing business in this state to operate the financial record matching program under this subsection. The information shall be provided by electronic data exchange in the manner specified by the department by rule or by agreement between the department and the financial institution. If the financial institution requests reimbursement, the department shall reimburse a financial institution for costs associated with participating in the financial record matching program under this subsection in an amount not to exceed \$125 for each calendar quarter that the institution participates in the program.

(e) *Confidentiality.* A financial institution participating in the financial institution matching program under this subsection and the employees, agents, officers, and directors of the financial institution, may use any information provided by the department only for the purpose of administering this subsection and shall be subject to the confidentiality provisions of ss. 71.78 (1) and 77.61 (5) (a). Any person violating this paragraph may be fined not less than \$25 nor more than \$500, or imprisoned in the county jail for not less than 10 days nor more than one year or both.

(f) *Financial institution liability.* A financial institution is not liable to any person for disclosing information to the department

under this subsection or for any other action that the financial institution takes in good faith to comply with this subsection.

(g) *Penalty.* A financial institution that fails to provide any information required within 120 days from either the date that the information is due or from the date that the department requests the information may be subject to a \$100 penalty for each occurrence of the financial institution's failure to provide account information about an account holder. The department may commence civil proceedings to enforce this subsection if a financial institution fails to provide any information required after 120 days from either the date that the information is due or from the date that the department requests the information.

Under sub. (4), a person's failure to pay income or franchise taxes creates a perfected lien in favor of the Department of Revenue (DOR) on all of a debtor's property. The perfected lien does not give DOR priority over other lienholders and judgment creditors whose interests are recorded before DOR's lien. By implication DOR's perfected lien is superior to any interest recorded after DOR's lien. *Prince Corp. v. Vandenberg*, 2015 WI App 55, 364 Wis. 2d 457, 868 N.W.2d 599, 14-2097.

71.92 Compromises. (2) Any taxpayer who is unable to pay the full amount of his or her delinquent income or franchise taxes, costs, penalties and interest may apply to the department of revenue to pay such taxes, costs, penalties and interest in installments. Such application shall contain a statement of the reasons such taxes, costs, penalties and interest cannot be paid in full and shall set forth the plan of installment payments proposed by the taxpayer. Upon approval of such plan by the department and the payment of installments in accordance therewith collection proceedings with respect to such taxes, costs, penalties and interest shall be withheld; but on failure of the taxpayer to make any installment payment, the department shall proceed to collect the unpaid portion of such taxes, costs, penalties and interest in the manner provided by law. The department of revenue may require taxpayers who make installment payments under this subsection to do so by electronic funds transfer.

(3) Any taxpayer may petition the department of revenue to compromise his or her delinquent income or franchise taxes including the costs, penalties and interest. The petition shall set forth a sworn statement of the taxpayer and shall be in a form that the department prescribes and the department may examine the petitioner under oath concerning the matter. If the department finds that the taxpayer is unable to pay the taxes, costs, penalties and interest in full it shall determine the amount the taxpayer is able to pay and shall enter an order reducing such taxes, costs, penalties and interest in accordance with the determination. The order shall provide that the compromise, if paid in a lump sum, is effective only if paid within 10 days or the order shall provide that the compromise is effective if paid according to a payment schedule that is set up by the department. The department or its collection agents upon receipt of the order shall accept payment in accordance with the order. Upon payment of the total amount due under the order, the department shall credit the unpaid portion of the principal amount of such taxes and make appropriate record of the unpaid amount of penalties, costs, and interest accrued to the date of the order. If within 3 years of the date of the compromise order or the date of a final payment under a payment schedule, whichever is later, the department ascertains that the taxpayer has an income or property sufficient to enable the taxpayer to pay the remainder of the tax including costs, penalty and interest the department shall reopen the matter and order the payment in full of such taxes, costs, penalties and interest. Before the entry of the order a notice shall be given to the taxpayer in writing advising of the intention of the department of revenue to reopen the matter and fixing a time and place for the appearance of the taxpayer if the taxpayer desires a hearing. Upon entry of the or-

der the department of revenue shall make an appropriate record of the principal amount of the taxes, penalties, costs and interest ordered to be paid and such taxes shall be immediately due and payable and shall thereafter be subject to the interest provided by s. 71.82 (2), and the department shall immediately proceed to collect the same together with the unpaid portion of penalty, costs, and interest accrued to the date of the compromise order.

(4) Delinquent income or franchise taxes, interest and penalties, resulting from assessments pursuant to s. 71.74 (3), 71.82 (2) (d) or 71.83 (1) (a) 3. or 4. or (b) 2. or 3. or from assessments by virtue of disallowance of claimed deductions for failure to file information reports relating thereto, as required by this chapter, may be compromised by the department when such action is fair and equitable under the circumstances.

(6) If any delinquent income or franchise tax has been referred by the department to the attorney general for collection and after having fully investigated the matter the attorney general determines that it would be in the best interest of the state to compromise the tax, a written recommendation shall be made to the department stating the terms upon which the tax should be compromised and the reasons therefor. The department shall approve or disapprove the recommendation and notify the department of justice. If approved the department of justice may enter into a stipulation with the taxpayer providing for the compromise of the tax on the terms set forth in the recommendation and upon compliance by the taxpayer the tax shall be fully discharged. The department of justice shall furnish the department with a copy of such stipulation, and the department or its agents charged with the collection of income or franchise taxes may accept payment of such tax in accordance with the terms of such stipulation and upon payment being made shall credit the unpaid portion of the tax. This subsection shall be in addition to all other powers of the department of justice and the department of revenue with respect to compromise or settlement of income or franchise taxes.

(e) "State agency" has the meaning set forth under s. 20.001 (1).

(2) CERTIFICATION. A state agency may certify to the department any properly identified debt exceeding \$20 so that the department may set off the amount of the debt against a refund to the debtor or so that the department of administration may reduce a disbursement to the debtor by the amount of the debt. At least 30 days prior to certification each debtor shall be sent a notice by the state agency of its intent to certify the debt to the department for setoff or reduction and of the debtor's right of appeal. (am) If more than one certified debt exists for any debtor for the same type of debt specified under par. (a) 1. to 9., the refund shall be first set off against the earliest debt certified, except that

no child support or spousal support obligation submitted by an agency of another state may be set off until all debts owed to and certified by state agencies of this state have been set off. When all debts have been satisfied, any remaining refund shall be refunded to the debtor by the department. Any legal action contesting a setoff under this paragraph shall be brought against the entity that certified the debt.

(b) The department shall provide the information obtained under sub. (2) to the department of administration. Before reducing any disbursement as provided under this paragraph, the department of administration shall contact the department to verify whether a certified debt that is the basis of the reduction has been collected by other means. If the certified debt remains uncollected, the department of administration shall reduce the disbursement by the amount of the debtor's certified debt under sub. (2), notify the department of such reduction and disbursement, and remit the amount of the reduction to the department in the manner prescribed by the department. If more than one certified debt exists for any debtor, the disbursement shall be reduced first by any debts certified under s. 73.12 then by the earliest debt certified. Any legal action contesting a reduction under this paragraph shall be brought against the state agency that certified the debt under sub. (2).

(c) No person has any right to, or interest in, any overpayment, refundable credit, or refund, including any interest allowed, under this chapter until setoff under this section and ss. 49.855 and 71.935 has been completed.

(4) **SETTLEMENT.** Within 30 days after the close of each calendar quarter, the department shall settle with each state agency that has certified a debt. Each settlement shall note the opening balance of debts certified, any additions or deletions, reductions or amounts set off, and the ending balance at the close of the settlement period.

(6) **WRITTEN AGREEMENT AND AUTHORITY OF DEPARTMENT.** Any state agency wishing to certify debts to the department shall enter into a written agreement with the department prior to any certification of debt. Any certification of debts by a state agency or changes to certified debts shall be in a manner and form prescribed by the department. The secretary of revenue shall be the final authority in the resolution of any interagency disputes in regard to certification of debts. If a refund or disbursement is adjusted after a setoff or reduction, the department may readjust any erroneous settlement with a certifying state agency.

(7) **EXCHANGE OF INFORMATION.** Information relative to changes to any debt certified shall be exchanged promptly by each agency. Setoff of refunds and reduction of disbursements against debts certified by agencies, and any report of the setoff or reduction to state agencies, is not a violation of ss. 71.78, 72.06, 77.61 (5), 78.80 (3), and 139.38 (6).

(8) **STATE AGENCY DEBT AGREEMENTS.** (a) Upon request by a state agency, the department of revenue may enter into an agreement with individuals who owe debts to the state agency. With the consent of the debtor, the department of revenue may arrange with the debtor's employer for the withholding from the debtor's pay of a specified amount to be applied against the debt.

(b) 1. Except as provided in subd. 2., a state agency and the department of revenue shall enter into a written agreement to have the department collect any amount owed to the state agency that is more than 90 days past due, unless any of the following applies:

a. Negotiations between the agency and debtor are actively ongoing.

b. The debt is the subject of legal action or administrative proceedings.

c. The agency determines that the debtor is adhering to an acceptable payment arrangement.

d. The debt is an amount owed under ch. 108 or under a federal unemployment benefit program administered by the department of workforce development.

1m. At least 30 days before the department pursues the collection of any debt referred by a state agency, either the department or the agency shall provide the debtor with a written notice that the debt will be referred to the department for collection. The department may collect amounts owed, pursuant to the written agreement, from the debtor in addition to offsetting the amounts as provided under sub. (3). The department shall charge each debtor whose debt is subject to collection under this paragraph a collection fee and that amount shall be credited to the appropriation under s. 20.566 (1) (h).

2. The department may enter into agreements described under subd. 1. with the courts, the legislature, authorities, as defined in s. 16.41 (4), and local units of government.

3. Agreements required under subd. 1. shall be completed no later than July 1, 2010, except that an agreement may allow a delay or phase-in of referrals.

4. The secretary of revenue may waive the referral of certain types of debt. The department's determination that a debt is not collectable does not prevent the referring agency from taking additional collection actions.

5. The department may collect debts and assess interest on delinquent amounts under this paragraph in the same manner that it collects taxes and assesses interest under ss. 71.82 (2), 71.91, 71.92, and 73.03 (20). The department's use of tax returns and related information to collect debts under this paragraph is not a violation of s. 71.78, 72.06, 77.61 (5), 78.80 (3), or 139.38 (6).

6. If the debtor owes debt to the department and to other entities, payments shall first apply to debts owed to the department then to the other entities in the order determined under sub. (3) (a).

(b) The department shall provide the information obtained under sub. (2) to the department of administration. Before reducing any disbursement as provided under this paragraph, the department of administration shall contact the department to verify whether a certified debt that is the basis of the reduction has been collected by other means and, in the case of a parking citation, whether the debtor has contested the citation within 20 days after the notice under sub.
