A national guard member on active duty, but operating his own car for his own purposes while on a pass, was not acting in the performance of a military duty. *Wuorinen v. State Farm Mutual Automobile Insurance Co.* 56 Wis. 2d 44, 201 N.W.2d 521 (1972).

The state is not immune under ch. 102, (worker's compensation), from liability for damages incurred by a national guard member while pursuing military duties. The state must pay a judgment based on negligence occurring in the good faith performance of duty. *Mazurek v. Skaar*, 60 Wis. 2d 420, 210 N.W.2d 691 (1973).

321.43 Exemption from civil authority. During the time the national guard or state defense force is performing military duty under orders issued by the governor or adjutant general, all of its members, while going to, remaining at, or returning from a place of duty are exempt from arrest or service of any process issued by a civilian court. In any civil or criminal prosecution against any member arising out of the member's performing military duty, it shall be a defense that the member was acting in good faith or under a lawful military order. The order shall be considered lawful unless shown to be unlawful.

History: 1991 a. 316; 2007 a. 200 s. 42; Stats. 2007 s. 321.43.

Since this state has never granted a national guard member immunity from suit by another member for injuries negligently caused in the performance of military duty, the 1969 amendment of this section did not change the law. *Mazurek v. Skaar*, 60 Wis. 2d 420, 210 N.W.2d 691 (1973).

321.44 Exemptions from certain county duties. Every member of the national guard or state defense force is exempt from service on any body of county residents summoned by the sheriff to assist in preserving the peace.

321.51 State defense force authorized. (1) **AUTHORITY AND NAME.** The adjutant general may establish a plan for organizing a military force to be known as the "state defense force." The governor, or adjutant general if designated by the governor, may organize the state defense force, which may include an aviation unit, if all or part of the national guard is called into federal

active duty. The state defense force shall be a uniformed force distinct from the national guard, composed of commissioned or assigned officers and enlisted personnel who volunteer for service. A person who is on active duty in the U.S. armed forces, including the active reserve components, may not serve in the state defense force. A person in the retired or inactive reserve may serve in the state defense force.

(2) **ORGANIZATION; RULES AND REGULATIONS.** (a) The governor or adjutant general, if designated by the governor, may prescribe regulations, instructions, and policies consistent with this section governing the enlistment, organization, administration, equipment, uniforms, maintenance, training, and discipline of the state defense force. The regulations, instructions, and policies, to the extent the governor considers necessary, shall conform to existing law governing the national guard. The regulations, instructions, and policies shall prohibit a member of the state defense force from accepting any gifts, donations, gratuities, or other things of value given to the member because he or she is a member of the state defense force other than wages and benefits paid by the state.

(b) If the state defense force is organized under sub. (1), the adjutant general may perform the duties under s. 321.04 (2) (a), (b), (c) and (d) for the state defense force.

(c) Officers and enlistees, while on state active duty, in the state defense force shall receive the base pay and allowances of the identical grade in the U.S. army.

(d) The adjutant general may organize a recruitment and training unit of not more than 12 persons at each state armory. The unit shall establish recruitment lists of persons interested in becoming members of the state defense force, recruit full units for the state defense force, and train the persons recruited.

(e) If the state defense force is organized under sub. (1), the adjutant general shall perform the duties under s. 321.04 (1) (a) to (n) and (q) for the state defense force.

(3) **REQUISITIONS; ARMORIES; OTHER BUILDINGS.** The governor or adjutant general, if designated by the governor, may requisition military property from the federal government for the use of the state defense force. The governor or adjutant general, if designated by the governor, may make available to the state defense force the facilities of state armories and military property and other state premises and property. The department may rent or lease buildings or parts of buildings and grounds for armory purposes or continue in possession of those premises leased by the department for the use of the national guard, paying rent from the appropriation under s. 20.465 (1) (a). All leases made under this subsection terminate upon dissolution of the state defense force regardless of the term provided in the lease, unless the premises are needed for national guard purposes. The lease for the premises needed for the national guard may be assigned by the department to the national guard organization that intends to occupy the premises.

(4) **USE OUTSIDE THIS STATE.** The state defense force may not serve outside the boundaries of this state unless one of the following applies:

(a) Upon the request of the governor of another state, the governor of this state orders all or part of the state defense force to assist a military unit or law enforcement agency of the other state. The governor may recall the state defense force from the other state at any time.

(b) Upon order of the officer in command, the state defense force continues in fresh pursuit of insurrectionists, terrorists, or enemy forces into another state until they are apprehended or captured or until a military unit or law enforcement agency of the other state or the forces of the United States have had a reasonable opportunity to take up the pursuit or to capture those per-

sons. Any pursuit under this subsection may only take place if the other state gives authority for the pursuit. Any person who is captured in the other state by the state defense force shall without unnecessary delay be surrendered to a military unit or law enforcement agency of the state in which the person is captured or to the United States. The surrender of the person captured shall not constitute a waiver by this state of the right to extradite or prosecute the person for any crime committed in this state.

(5) FEDERAL ACTIVE DUTY. No unit of the state defense force may be drafted, as such, into the U.S. military. No person shall by reason of membership in the state defense force be exempted from federal active duty.

(6) DISQUALIFICATIONS. No person who has been expelled or dishonorably discharged from any military or naval organization of this state, of another state, or of the United States may be a member of the state defense force.

(8) ENLISTEES. No person may be enlisted in the state defense force for more than one year, but enlistment may be renewed.

(9) RETENTION OF ITEMS OF UNIFORM. Officers and enlistees of the state defense force who have served honorably may, upon application to the unit commander, be permitted to retain items of their uniform. If retained, the uniform may be worn only on occasions essentially of a military character at which the uniform is more appropriate than civilian clothing, such as memorial services, military weddings, military funerals, military balls, military parades, military reunions, and meetings or functions of associations formed for military purposes, the membership of which is composed largely or entirely of honorably discharged members of the U.S. military, national guard, and state defense force.

(10) LABOR DISPUTES. The state defense force may not be used to interfere with the orderly process of a labor dispute.

321.61 Service members civil relief for property taxes and mobile telephone contracts; federal active duty.

(1) (a) In this subsection, unless the context indicates otherwise:

1. "Interest and penalties" means interest and penalties accruing on taxes during the period of federal active duty and 6 months thereafter. In case several owners jointly own property, other than property held jointly or as marital property with the spouse of the person in federal active duty, interest and penalties means the proportionate share of the total interest and penalties commensurate with the equity in the property of the person in federal active duty.

2. "Person in federal active duty" means any man or woman who is serving in federal active duty for a period of 90 days or more.

3. "Property" means any real estate or personal property belonging to a person in federal active duty that was acquired prior to the commencement of the federal active duty or that was acquired by descent.

4. "Taxes" means any property taxes or special assessments or tax certificates evidencing those taxes and assessments not belonging to private buyers.

(b) To supplement and complement the provisions of 50 App. USC 501, and to afford and obtain greater peace and security for persons in federal active duty, the enforcement of certain tax obligations or liabilities that may prejudice the property rights of persons in federal active duty may be temporarily suspended as provided in this subsection.

(c) Any person in federal active duty or within 6 months after

terminating that duty, or the person's agent or attorney during that period, may petition the circuit court of any county in which the person owns property for relief under this subsection. Upon filing of the petition the court shall make an order fixing the time of hearing and requiring the giving of notice of the hearing. If after the hearing the court finds that the person is, or within 6 months next preceding the filing of the petition was, in federal active duty and owns property within the county on which taxes have fallen or will fall due, and that the person's ability to pay the taxes has been materially adversely affected by reason of being in federal active duty, the court shall enter an order determining that the person is entitled to relief under this subsection. The court may suspend proceedings for the collection of taxes on the property for a period not exceeding 6 months after termination of the federal active duty of the person, or for the time reasonably necessary to complete the agreement provided in par. (g). Thereafter, the property shall not be included in tax certificates issued to enforce collection of taxes on property, and all proceedings for that purpose shall be suspended, except under terms that the court may order.

(d) Whenever any tax or assessment on real property, including all special assessments, is not paid when due, any interest or penalty under s. 74.47 and the maximum limitation of 6 percent per year under 50 App. USC 501 shall be waived for the purpose and under the conditions specified in this subsection.

(e) The penalties and interest waived under this subsection are those for nonpayment of all taxes or assessments, general or special, falling due during the period of federal active duty of any person against either real or personal property of which the person is the bona fide owner or in which the person has an interest.

(f) The person owning or having an interest in any property in respect to which the order under par. (c) is made, or the person's agent or attorney, may file a certified copy of the order of suspension with the county treasurer or with the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes as to the taxes and assessments. The person shall file with the order an affidavit in triplicate, sworn to by the person or agent or attorney, setting forth the name of the owner, the legal description of the property, the type of property, when acquired, the document number of the deed and, if given on the deed, the volume and page where the deed is recorded if acquired by deed, and the name of the estate if acquired by descent, amount of delinquent taxes, if any, and the names of the holders of any outstanding mortgage, lien, or other encumbrance. Upon receipt of the filing, the county treasurer or city treasurer shall record the order in the office of the register of deeds of the county and file a copy in the office of the treasurer, who shall make proper notation that a person in federal active duty is the holder of the legal title and has made application for special relief. The county treasurer or city treasurer shall immediately forward an additional copy of the order and affidavit to the office of the clerk of the town, city, or village where the property is located or, if it is located in a city authorized to sell lands for nonpayment of its taxes, to the commissioner of assessments, who shall make an appropriate notation in the records.

(g) Any person seeking relief under this subsection, within 6 months after termination of federal active duty, or the person's agent or attorney, or in case of death of the person, the personal representative, surviving spouse, or heir, may apply to the county treasurer of the county, or the city treasurer of a city authorized by law to sell lands for the nonpayment of taxes, where the property is located, for an agreement for scheduled installment payments, covering the taxes accrued during the person's period of federal active duty, provided that the taxes will be paid over a period of time equal to a period no longer than twice the length of federal active duty of the person, in equal periodic installments of

11 Updated 23-24 Wis. Stats.

not less than \$10, and subject to any other terms as may be just and reasonable.

(h) In the event the applicant defaults in the performance of any of the provisions of the agreement, the treasurer shall notify the applicant of the default and the amount and date due, by written notice either served personally or by registered mail, return receipt requested, to the address set forth in the application. If the defaulted payment is not fully made within 10 days after service of the notice, then the treasurer, without further notice, may declare that the entire amount of the tax subject to the scheduled installments is immediately due and payable and that the agreement is terminated. The county treasurer shall notify the register of deeds and the town, city, or village treasurer of the termination, or if the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes, the latter shall notify the register of deeds, the county treasurer, and the local officers and shall make appropriate notations of the termination on their records. The county treasurer, or city treasurer as to taxes of cities authorized by law to sell land for the nonpayment of taxes, may without further order of the court enforce the collection of such tax or assessment and sell such tax certificates together with the penalties and interest as may have accrued on the property from the date of default of the scheduled installment payment.

(2) (a) In this subsection:

1. “Commercial mobile service” has the meaning given in [47 USC 332 \(d\)](#).

3. “Mobile telephone service provider” means a person that is authorized by the federal communications commission to provide commercial mobile service.

(b) This subsection applies to a contract to which all of the following apply:

1. The contract was executed by or on behalf of a person in federal active duty who entered federal active duty after the contract was executed.

2. The contract covers a period in excess of one month.

(c) A person in federal active duty may suspend or terminate a contract to which this subsection applies without any penalties or additional fees at any time after the person in federal active duty has been issued orders into federal active duty by giving written notice to the mobile telephone service provider. The person in federal active duty shall include a copy of the orders into federal active duty as part of the notice. The notice may be given by 1st class mail to the address provided in the agreement with the mobile telephone service provider or provided in the mobile telephone service provider’s billing statement or by delivering the notice to the mobile telephone service provider’s branch office.

(d) Suspension or termination shall be effective 30 days after the first date on which the next payment is due and payable after the date on which the notice is mailed.

(e) Any amount paid in advance under the contract for a period after the effective date of the suspension or termination of the contract shall be refunded to the lessee by the lessor within 30 days after the effective date of the suspension or termination of the contract.

(f) Upon application of a mobile telephone service provider after receiving notice under this subsection and before the contract suspension or termination date provided for under par. (d), a court may make such modifications to or restrictions on the relief granted in this subsection as the court determines are appropriate under the circumstances.

DEPARTMENT OF MILITARY AFFAIRS**321.62**

(g) If a mobile telephone service provider assesses a person in federal active duty any penalty or fee after the person has suspended or terminated the contract under par. (c) or fails to make any refund required under par. (e), the person in federal active duty may bring an action for damages. If the person in federal active duty prevails in an action brought under this paragraph, the court shall order the mobile telephone service provider to pay the service member exemplary damages of \$2,000.

321.62 Service members civil relief; state active duty.

(1) DEFINITIONS. In this section:

(a) “Court” means a Wisconsin circuit court, a Wisconsin court of appeals, or the Wisconsin supreme court.

(b) “Period of state active duty” means the period beginning on the date on which the service member receives an order to enter state active duty and ending on the date of the service member’s release from state active duty or death while on state active duty.

(bm) “Public agency” means a county, city, village, town, public inland lake protection and rehabilitation district, lake sanitary district, or school district or an agency of this state or of a county, city, village, town, public inland lake protection and rehabilitation district, lake sanitary district, or school district.

(c) “Service member” means a member of the national guard or state defense force who is ordered into state active duty for 30 days or more.

(2) PROTECTION OF PERSONS SECONDARILY LIABLE. (a) If this section results in the stay or suspension of any obligation, liability, court action, order, writ, or judgment, the court that issued the stay or suspension may grant the same remedy to sureties, guarantors, endorser, and others subject to the obligation, liability, court action, order, writ, or judgment.

(b) If a service member is the principal on a criminal bail bond and his or her state active duty causes the surety upon the bond to be prevented from enforcing the attendance of the service member at court, the court shall not enforce the provisions of the bond during the service member’s period of state active duty and may either during or after the period of state active duty discharge the surety and exonerate the bail.

(c) A surety, guarantor, endorser, or other person subject to the obligation, liability, court action, order, writ, or judgment under par. (a) or (b) may waive in writing the rights afforded by this subsection, except that the waiver is not valid unless the waiver is executed as an instrument separate from the obligation, liability, court action, order, writ, or judgment. The waiver under this paragraph is not valid after the beginning of the period of state active duty if executed by a service member who subsequently is ordered into state active duty. The waiver under this paragraph is not valid if executed by a dependent of a service member unless the waiver is executed during the period of state active duty.

(3) EFFECT ON RIGHTS UNDER A WRITTEN AGREEMENT. This section does not prevent the modification, termination, or cancellation of any contract, lease, bailment, or secured obligation, or the repossession, retention, foreclosure, sale, or forfeiture of property that is security for any obligation or which has been purchased or received under a contract, lease, or bailment under a written agreement of the parties if that agreement is executed during or after the period of state active duty.

(4) EXERCISE OF RIGHTS. No person may use the fact that a service member has applied for, or received, a stay, postponement, or suspension in the payment of a tax, fine, penalty, insurance premium, or other civil obligation or liability as the basis for doing any of the following:

(a) If the person is a lender, determining that the service

member is unable to pay any such civil obligation or liability in accordance with the terms of the obligation or liability.

(b) If the person is a creditor, denying or revoking any credit extended to the service member, changing the terms of a credit agreement to which the service member is a party, or refusing to grant credit to the service member in substantially the amount or on substantially the terms requested by the service member.

(c) If the person is in the business of assembling or evaluating consumer credit information, making an adverse report on the creditworthiness of the service member.

(d) If the person is an insurer, refusing to insure the service member.

(5) DEFAULT JUDGMENTS, AFFIDAVITS, AND ATTORNEY REPRESENTATION. (a) If, in any court action, there is a default of any appearance of the defendant, the plaintiff, when requesting a default judgment, shall file with the court an affidavit setting forth facts showing that the defendant is not in state active duty. If the plaintiff is unable to file such an affidavit, the plaintiff shall, when requesting a default judgment, file an affidavit setting forth that the defendant is in state active duty or that the plaintiff is unable to determine if the defendant is in state active duty. If an affidavit is not filed showing that the defendant is not in state active duty, a default judgment may not be entered without a court order. A court may not order the entry of a default judgment if the defendant is in state active duty until the court has appointed an attorney to represent the defendant and protect the defendant's interests. Unless the court determines that the defendant is not in state active duty, the court may require, as a condition of entering judgment, the plaintiff to file a bond to indemnify the defendant, if he or she is in state active duty, against any loss or damage resulting from the judgment if any part of the judgment is later set aside. The court may make any other order as may be necessary to protect the interests of the defendant under this section.

(b) If a judgment is rendered in a court action against a service member during the period of state active duty or within 30 days after the end of that period of state active duty, and it appears that the service member was prejudiced in making a defense by reason of his or her state active duty, the court may reopen that judgment if all of the following conditions exist:

1. The service member moves the court to reopen the judgment within 90 days after his or her period of state active duty ends.

2. The service member has a meritorious or legal defense to the action.

(c) Vacating, setting aside, or reversing a judgment under this subsection does not impair any right or title acquired by a bona fide purchaser for value under the judgment.

(d) Any person who shall make or use an affidavit required under this subsection that he or she knows to be false shall be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(6) STAY OF ACTION. During any stage of a court action in which a service member in state active duty is involved as a party, or within 60 days after the end of the period of state active duty, the court in which the action is pending may on its own motion, and shall, on application of the service member or some person acting on behalf of the service member, stay the action unless the court determines that the service member's ability to represent his or her interest in the action is not materially affected by reason of his or her state active duty.

(7) STAY OR VACATION OF EXECUTIONS OR ATTACHMENTS. In any court action that is commenced against a service member before or after entering state active duty, or within 60 days after the period of state active duty ends, the court may on its own motion, and shall, on application of the service member or some per-

son acting on behalf of the service member, stay the execution of any judgment or order entered against the service member, or stay or vacate any attachment or garnishment regarding the service member's property, unless the court determines that the service member's ability to comply with the judgment or order is not materially affected by reason of his or her state active duty.

(8) DURATION AND TERMS OF STAYS. (a) Any stay of any action, attachment, execution, or garnishment under this section may be ordered for the period of the state active duty and 90 days after that period has ended, or for any part of that time.

(b) Any stay under par. (a) may be subject to such terms as may be just, including the payment of installments in an amount and at the times that the court determines.

(c) If the service member is a codefendant in an action, the plaintiff may, by leave of the court, proceed against the other codefendants.

(9) STATUTES OF LIMITATIONS. The period of state active duty may not be included in computing any period for the bringing of any action or proceeding in any court or before any public agency by or against a person in state active duty or by or against his or her heirs, personal representatives, or assigns, whether the cause of action or proceeding or the right to bring the action or proceeding accrued before or during the period of state active duty.

(10) MAXIMUM INTEREST RATE. No obligation or liability bearing interest at a rate in excess of 6 percent per year incurred by a service member in state active duty before his or her entry into that duty may, during any part of the period of state active duty, bear interest in excess of 6 percent per year except by court order. If, upon application by an obligee, a court determines that the ability of the service member to pay interest upon the obligation or liability at a rate in excess of 6 percent per year is not materially affected by reason of his or her state active duty, the court may make any order that is just. In this subsection, "interest" includes service charges, renewal charges, fees, or other charges, other than insurance, in respect to the obligation or liability.

(11) EVICTION STAY. (a) No eviction may be made during the period of state active duty in respect to any premises for which the agreed rent does not exceed the amount specified in 50 USC App. 531, occupied chiefly for dwelling purposes by the spouse, children, domestic partner under ch. 770, or other dependents of a service member who is in state active duty, except upon order of a court in an action affecting the right of possession.

(b) In an action for eviction under par. (a), the court may on its own motion, and shall, on application of the service member or some person acting on behalf of the service member, stay the proceedings for not longer than 90 days unless the court determines that the ability of the tenant to pay the agreed rent is not materially affected by the state active duty. The court may make any other order in the eviction action as it considers necessary and just. If a stay or order is issued under this paragraph, the court may, upon the request of the owner of the premises, make any other order as may be applicable to conserve the interests of all of the parties.

(c) Any person who knowingly takes part in any eviction prohibited under par. (a) except as provided in this subsection, or attempts to do so, shall be fined not more than \$10,000 or imprisoned not more than 9 months or both.

(12) ACTION TO ENFORCE OBLIGATION SECURED BY MORTGAGE. (a) In this subsection, "obligation" means an obligation of a service member in state active duty that was incurred before the service member's period of state active duty began and that is secured by a mortgage, deed of trust, or other security in the nature of a mortgage on real or personal property that is owned by the service member.

13 Updated 23-24 Wis. Stats.

(b) If a court action against a service member is commenced during the service member's period of state active duty to enforce an obligation for nonpayment of any sum due or for any other breach of terms occurring before or during the service member's period of state active duty, the court shall hold a hearing on the matter. Unless the court determines that the service member's ability to comply with the terms of the obligation is not materially affected by reason of his or her state active duty, the court on its own motion may, or upon application of the service member or another person on his or her behalf shall, do any of the following:

1. Stay the action as provided in this section.
2. Make such other disposition of the case as the court determines is equitable to the interests of all parties.

(c) 1. Notwithstanding the times provided in ss. 846.10, 846.101, 846.102, and 846.103 for sales of real property, no foreclosure, sale, or seizure of property for nonpayment of any sum due or for any other breach of terms is valid if it occurs during or within 90 days after the service member's period of state active duty, unless the court ordered the foreclosure, sale, or seizure of property before the beginning of the service member's period of state active duty and approves the foreclosure, sale, or seizure after it occurs.

2. Any person who knowingly causes a foreclosure, sale, or seizure of property that is invalid under subd. 1. shall be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(13) PERSONAL PROPERTY CONTRACTS. When an action to resume possession of personal property, or to rescind or terminate a contract for the purchase of personal property, has been stayed under this section, the court may appoint 3 disinterested persons to appraise the property. Based upon the report of the appraisers, and unless undue hardship would result to the dependents of the service member in state active duty, the court may order that a sum be paid to the service member as a condition of resuming possession of the property or rescinding or terminating the contract.

(14) TERMINATION OF LEASES BY LESSEES. (a) This subsection applies to a lease to which all of the following apply:

1. The lease was executed by or on behalf of a service member who entered state active duty after the lease was executed.
2. The lease covers premises that are occupied for dwelling, professional, business, agricultural, or similar purposes by the service member, or the service member and his or her dependents.

(b) A lease to which this subsection applies may be terminated by the service member at any time after the beginning of the service member's period of state active duty by giving notice in writing by personal delivery or first class mail to the landlord or the person who has been receiving rent or managing the property as the landlord's agent.

(c) If the lease provides for monthly payment of rent, termination shall be effective 30 days after the first date on which the next rental payment is due and payable after the date on which the notice is delivered or mailed. In any other case, all of the following apply:

1. Termination shall be effective on the last day of the month after the month in which the notice was delivered or mailed.
2. Any unpaid rent for the period preceding termination shall be computed on a prorated basis.
3. The landlord or the landlord's agent shall refund to the service member any rent paid in advance that applies to the period after termination.

(d) Upon application of a landlord after receiving notice under this subsection and before the lease termination date provided for

DEPARTMENT OF MILITARY AFFAIRS**321.62**

in this subsection, a court may make such modifications to or restrictions on the relief granted in this subsection as the court determines are appropriate under the circumstances.

(e) No person may knowingly seize or retain personal property belonging to a service member who lawfully terminates a lease under this subsection, or in any manner interfere with the removal of the service member's personal property from the premises covered by the lease, for the purpose of subjecting the personal property to a claim for rent accruing after the termination of the lease. Any person who violates this paragraph shall be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(f) Section 704.29 does not apply to the termination of a lease as provided in this subsection.

(15) STORAGE LIENS. (a) Notwithstanding s. 704.90, no person may enforce a lien for storage of any household goods, furniture, or personal effects of a service member during the period in which the service member is in state active duty and for 90 days after the member's completion of state active duty, except as permitted by a court order under par. (b).

(b) No person may exercise any right to foreclose or enforce a lien for the storage of household goods, furniture, or personal effects of a service member during the service member's period of state active duty and for 90 days after that period ends except upon an order of the court. In an action under this paragraph, the court, after a hearing, may on its own motion, and shall, on application of the service member or some person acting on behalf of the service member, stay the proceeding or make such other order as may be equitable to conserve the interests of all parties, unless the court determines that the ability of the service member to pay storage charges due is not materially affected by his or her state active duty.

(c) Any person who violates par. (a) may be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(16) DEPENDENT BENEFITS. Upon application to the court, a dependent of a service member is entitled to the same benefits given to a service member while in state active duty, unless the court determines that the ability of the dependent to comply with the terms of an obligation, contract, lease, or bailment is not materially impaired by reason of the service member's state active duty.

(17) TRANSFERS OR ACQUISITIONS. If a court determines that any interest, property, or contract has been transferred or acquired with the intent to delay the enforcement of a civil right by taking advantage of this section, the court shall enter any judgment or make any order that is just, notwithstanding the provisions of this section.

(18) CERTIFICATE OF STATE ACTIVE DUTY; PERSON REPORTED MISSING. (a) In any action or proceeding under this section, a certificate signed by the adjutant general or a person designated by the adjutant general as to the period of state active duty of a service member shall be evidence as to any of the following facts unless shown to be incorrect:

1. That the service member named has been in state active duty.
2. The period of the state active duty, including the date the service member was ordered into state active duty.
3. The monthly pay received by the service member in state active duty at the time the certificate was issued.
4. If the service member died while in state active duty, the date and the place where he or she died.

tificate so provided shall be evidence of the facts stated in the certificate and of the authority of the signer to issue the certificate unless shown to be incorrect.

(c) When a service member in state active duty has been reported missing to the department, the service member shall be presumed to continue in state active duty until accounted for, and no period limited under this section which begins or ends with the death of a service member shall begin or end until the death of the service member is determined by the department or by a court.

(19) INTERLOCUTORY ORDERS. A court may revoke, modify, or extend any interlocutory order made by the court under this section, upon the court's own motion or on the motion of a party, upon such notice to the parties as the court may require.

(20) STAY OF ENFORCEMENT OF OBLIGATIONS OR LIABILITIES. (a) A service member may, at any time during his or her period of state active duty, or within 180 days after that duty ends, apply to a court for relief with respect to any obligation or liability incurred by the service member before his or her period of state active duty. The court, after appropriate notice and hearing, may grant the following relief unless the court determines that the ability of the service member to comply with the terms of the obligation or liability has not been materially affected by his or her state active duty:

1. In the case of an obligation payable in installments under a contract for the purchase of real estate, or secured by a mortgage upon real estate, a stay of the enforcement of the obligation during the period of state active duty and, from the date of the end of the period of state active duty or from the date of requesting the relief if made after the state active duty is ended, for a period equal to the period of the remaining life of the installment contract or instrument evidencing the obligation plus a period of time equal to the period of state active duty, or any part of that combined period. The court may issue a stay under this paragraph if the service member makes payments of the balance of the principal and accumulated interest due and unpaid at the date of the end of the period of state active duty or from the date of requesting the relief, whichever is appropriate, in equal installments during the combined period and at the rate of interest as is prescribed in the contract or instrument evidencing the obligation for installments paid when due. The court may order other terms under this paragraph as are just.

2. In the case of any other obligation or liability, a stay of the enforcement of that obligation or liability during the service member's period of state active duty and, from the date of the end of the period of state active duty or from the date of requesting the relief if made after the duty is ended, for a period equal to the period of state active duty or any part of that period. The court may issue a stay under this paragraph if the service member makes payments of the balance of the principal and accumulated interest due and unpaid at the date of the end of the period of state active duty or from the date of requesting the relief, whichever is appropriate, in equal installments during the extended period and at the rate of interest as is prescribed for the obligation or liability when due. The court may order other terms under this paragraph as are just.

(b) When a court has granted a stay under this subsection, no penalty may accrue during the period that the terms and conditions of the stay are complied with by reason of the failure to comply with the terms or conditions of the obligation or liability in respect to which the stay was granted.

(21) POWER OF ATTORNEY EXTENSION FOR MISSING SERVICE MEMBER. (a) A power of attorney that was duly executed by a service member that is reported missing to the department and that designates the service member's spouse, parent or named rel-

ative as his or her attorney-in-fact for specified, or all, purposes, and that expires after the service member is reported missing, is extended for the period that the service member is missing.

(b) No power of attorney executed by a service member in state active duty may be extended under par. (a) if the document creating the power of attorney clearly indicates that the power granted expires on the date specified even if the service member, after the date of execution of the document, is reported missing to the department.

(22) PROFESSIONAL LIABILITY PROTECTION. (a) 1. If a service member who is ordered into state active duty has coverage under a professional liability insurance policy that does not cover claims filed with respect to the service member during the period of state active duty unless the premiums are paid for the coverage for that period, the insurer that provides the coverage shall suspend the service member's coverage under the policy upon receipt of a written request from the service member to do so. The insurer may not require that premiums be paid for the suspended coverage. The insurer shall refund any premium amount already paid for coverage of the service member for the period after the coverage is suspended or shall, at the option of the service member, apply such amount to payment of any premium that becomes due upon reinstatement of the coverage.

2. Subdivision 1. does not require the suspension of coverage for any other person who has coverage under the policy and who is not a service member ordered into state active duty or relieve any person of the obligation to pay premiums for coverage that is not required to be suspended under subd. 1.

(b) 1. Subject to subd. 2., an insurer that suspends coverage under par. (a) is not liable with respect to any claim that is based on the professional conduct, including the failure to take an action in a professional capacity, of the service member that occurs while the service member's professional liability coverage is suspended under this subsection.

2. For purposes of subd. 1., a claim that is based on the failure of a professional to make adequate provision for the care of patients during the professional's period of state active duty shall be considered to be based on an action or the failure to take action before the beginning of the period during which coverage is suspended under this subsection, unless professional services were provided after the date on which the suspension of coverage began.

(c) 1. If a service member whose professional liability insurance coverage is suspended under par. (a) transmits to the insurer, within 30 days after the date on which the service member is released from state active duty, a written request for reinstatement of his or her professional liability insurance coverage, the insurer must reinstate the coverage as of the date on which the insurer receives the written request. The period for which the coverage must be reinstated may not be less than the balance of the period for which the coverage would have continued under the policy had the coverage not been suspended.

2. Upon receipt of the written request under subd. 1., the insurer shall notify the service member of the due date for paying the premium for the insurance, and the service member shall pay the premium within 30 days after receiving the notice. For the minimum period of reinstatement required under subd. 1., the insurer may not increase the amount of the premium over the amount that was chargeable before the suspension of the coverage for that period, except to the extent of any general increase in premiums charged by the insurer for the same professional liability coverage for persons similarly covered by such insurance during the period of the suspension.

(d) 1. Any action or proceeding in any court or before any public agency based on the alleged professional negligence or

15 Updated 23-24 Wis. Stats.

a. The action or proceeding was commenced during the period of suspension.

b. The action or proceeding is based on an act or omission that occurred before the date on which the period of suspension began.

c. The professional liability insurance policy would, except for the suspension, on its face cover the alleged professional negligence or other professional liability of the service member.

2. Whenever an action or proceeding is stayed under subd. 1., the action or proceeding shall be considered to have been filed on the date on which the service member's coverage is reinstated under par. (c) 1.

3. In any action or proceeding in which a stay may be granted under subd. 1., the period during which the professional liability insurance coverage is suspended may not be included in computing any limitations period for commencing the action or proceeding.

(e) If a service member whose professional liability insurance coverage is suspended under par. (a) dies during the period of suspension, all of the following apply:

1. The requirement to stay any action or proceeding under par. (d) 1. terminates on the date of the service member's death.

2. The insurer that suspended the coverage is liable for any claim for damages for the professional negligence or other professional liability of the deceased service member in the same manner and to the same extent as the insurer would be liable if the service member had died while covered by the insurance but before the claim was filed.

(23) NOTICE OF BENEFITS UNDER THIS SECTION. The department shall provide each service member a brochure explaining this section when that service member enters state active duty.

No salary or compensation of the employee or officer shall be paid, nor claim for the salary or compensation exist, during the leave of absence, except as provided in this section. If the employee's or officer's salary or compensation is less in the U.S. armed forces than was paid by the local governmental unit, that governmental unit may pay the employee or officer the difference between the salary or compensation paid by the U.S. armed forces and the salary or compensation that the employee or officer was paid by the local governmental unit at the time that he or she enlisted in or was inducted into the U.S. armed forces.

(4) If the leave of absence under sub. 1. The person presents to the employer evidence of satisfactory completion of the period of federal active duty or federal government service, or of discharge from the U.S. armed forces under conditions other than dishonorable.

2. The person is still qualified to perform the duties of the position.

3. The person makes application for reemployment and resumes work within 90 days after completion of the federal active duty or federal government service, military or civilian, or was so discharged from the U.S. armed forces, or within 6 months after release from hospitalization for duty-connected or service-connected injury or disease.

4. The employer's circumstances have not changed as to make it impossible or unreasonable to restore the person.

5. The federal active duty or federal government service was not for more than 5 years unless extended by law.

(b) Except as provided in par. (c), in the event of any dispute relating to the provisions under par. (a), the person may file a complaint regarding the matter with the department of workforce development. The department of workforce development shall process any complaint made under this paragraph in the same manner as employment discrimination complaints are processed under s. 111.39.

(c) If a dispute arises regarding a classified employee of the state relating to the provisions of par. (a), the complaint shall be filed with the administrator of the division of personnel management. A decision of the administrator of the division of personnel management in the department of administration may be reviewed under ch. 227.

(2) The service of any person who is or was restored to a position in accordance with sub. (1) shall be considered not to be interrupted by the absence, except for the receipt of pay or other compensation for the period of the absence and he or she shall be entitled to participate in insurance, pensions, retirement plans, or

other benefits offered by the employer under established rules and practices relating to employees on furlough or leave of absence in effect with the employer at the time the person entered or was enlisted, inducted, or ordered into federal active duty or federal government service. The person whose position was restored may not be discharged from the position without cause within one year after restoration and the discharge is subject to all federal or state laws affecting any private employment and to the provisions of contracts that may exist between employer and employee. Each political subdivision shall contribute or pay all contributions of the employer to the applicable and existent pension, annuity, or retirement system as though the service of the employee had not been interrupted by federal active duty or federal government service.

(3) If an employer fails or refuses to comply with subs. (1) and (2), a person entitled to the benefits under subs. (1) and (2) may petition the circuit court to require the employer to comply with those subsections. Upon the filing of the petition and on reasonable notice to the employer, the court may require the employer to comply with those subsections and to compensate the person for any loss of wages or benefits suffered by reason of the employer's action. The court shall order a speedy hearing and shall advance the case on the calendar. No fees or court costs may be taxed against a person petitioning the court under this subsection. The action commenced under this subsection against a private employer, and the trial or hearing of the action, shall be in any county in which the employment took place or in which the private employer maintains a place of business, and in all other cases shall be as provided in s. 801.50.

(4) No person who is appointed in the service of the state or of any political subdivision to fill the place of a person entering federal active duty or federal government service under sub. (1) shall acquire permanent tenure during the period of that replacement service.

(5) If the decision of the circuit court is appealed the person who petitioned the circuit court under sub. (3) need not file an appeal bond for the security for costs on the appeal.

(6) The restoration of classified employees of the state shall be governed by s. 230.32. The restoration of unclassified state employees shall be governed by this section.

"Restoration" in sub. (6) not only refers to who must be restored to state service under sub. (1), but also to restoration rights, including those specified in sub. (2). Sub. (2) unambiguously provides that persons who have been restored under sub. (1) have the restoration rights described in sub. (2). *Scocos v. this section by demanding documentation that does not exist or is not readily available at the time of the demand.

3. Subject to par. (b), in the case of a person who has a disability that was incurred in or aggravated during a period of active state service and who, after reasonable efforts by the employer to accommodate the disability, is not qualified due to the disability to perform the duties of the position of employment in which the person would have been employed if the continuous employment of the person with the employer had not been interrupted by the active state service, the employer shall reemploy the person promptly on completion of that period of active state service in any other position that is equivalent to that position in seniority, status, and pay, the duties of which the person is qualified to perform or would become qualified to perform with reasonable efforts by the employer, or, if there is no other position of employment available that is equivalent to that position in seniority, status, and pay, in a position that is the nearest approximation to that equivalent position in terms of seniority, status, and pay, consistent with the person's circumstances.

4. Subject to par. (b), in the case of a person who is not qualified to be employed in the position of employment in which the person would have been employed if the continuous employment of the person with the employer had not been interrupted by the person's active state service or in the position of employment in which the person was employed on the date on which the person's

period of active state service began for any reason other than disability incurred in or aggravated during a period of active state service and who cannot become qualified to be so employed with reasonable efforts by the employer, the employer shall reemploy the person promptly on completion of that period of active state service in any other position that the person is qualified to perform and that is the nearest approximation to the position of employment in which the person would have been employed if the continuous employment of the person with the employer had not been interrupted by that active state service, with full seniority, or if no position of employment that is the nearest approximation to that position is available, in a position of employment that the person is qualified to perform and that is the nearest approximation to the position of employment in which the person was employed on the date on which the person's period of active state service began, with full seniority.

(b) *Multiple returning employees.* 1. If 2 or more persons who are entitled to reemployment under sub. (3) in the same position of employment have reported to the employer or applied for reemployment in that position, the person who left employment first shall have the prior right to reemployment in that position.

2. A person who is entitled to reemployment under sub. (3), but who is not reemployed because of subd. 1., shall be entitled to reemployment as provided in par. (5) RIGHTS, BENEFITS, AND OBLIGATIONS. (a) *Seniority.* A person who is reemployed under this section is entitled to the seniority and other rights and benefits determined by seniority that the person had on the last day of employment before the person's active state service began, plus all seniority and other rights and benefits determined by seniority that the person would have had if the continuous employment of the person with the employer had not been interrupted by that active state service.

(b) *Continuation of benefits.* 1. Subject to subds. 2. to 5., a person who is absent from employment because of active state service is considered to be on furlough or leave of absence while performing the active state service and is entitled to receive all rights and benefits not determined by seniority that are generally provided by the employer to employees having similar seniority, status, and pay who are on furlough or leave of absence under a contract, agreement, policy, practice, or plan that is in effect on the day on which the active state service began or that is established while the person is performing the active state service.

2.
