SUBCHAPTER II

LICENSING OF INTERMEDIARIES

628.03 Requirement of license. (1) GENERAL. No natural person may perform, offer to perform, or advertise any service as an intermediary in this state, unless the natural person obtains a license under s. **628.04** or **628.09**, and no person may utilize the services of another as an intermediary if the person knows or should know that the other does not have a license as required by law. The licensing requirements of this subsection do not apply to a person who solely procures unauthorized insurance, as defined in s. **618.40 (11)**, that is not surplus lines insurance, as defined in s. **618.40 (10)**.

(1m) RISK PURCHASING GROUPS. No natural person may solicit, negotiate or obtain insurance on behalf of a risk purchasing group which does business in this state unless the natural person obtains a license under s. **628.04** or **628.09**. A risk purchasing group may not allow a natural person to solicit, negotiate or obtain insurance on its behalf if the risk purchasing group knows that the natural person is not licensed as required by this subsection.

(2) EXEMPTIONS. The commissioner may by rule exempt certain classes of natural persons from the requirement of obtaining a license:

(a) If the functions they perform do not require special competence or trustworthiness or the regulatory surveillance made possible by licensing; or

(b) If other existing safeguards make regulation unnecessary.

(3) VALIDITY OF CONTRACT. No insurance contract is invalid as a result of a violation of this section.

History: 1975 c. 371, 421; 1981 c. 38; 1987 a. 247; 2011 a. 224.

Cross-reference: See also chs. **Ins 45** and **47** and ss. **Ins 6.50** and **6.58**, Wis. adm. code.

628.04 Issuance of license. (1) CONDITIONS AND QUALIFICATIONS. Except as provided in s. **628.095** or **628.097**, the commissioner shall issue a license to act as an agent to any applicant who:

(a) Subject to s. **601.31 (2m)**, pays the applicable fee;

(b) Shows to the satisfaction of the commissioner:

1. That if a natural person, the applicant has the intent in good faith to do business as an intermediary or, if a corporation, partnership or limited liability company, has that intent and has included that purpose in the articles of incorporation, certificate of limited partnership or general partnership agreement or limited liability company operating agreement;

2. That if a natural person, the applicant is competent and trustworthy, or that if a partnership, limited liability company or corporation, all partners, members, directors or principal officers or persons in fact having comparable powers are competent and trustworthy, and that it will transact business in such a way that all acts that may only be performed by a licensed intermediary are performed exclusively by natural persons who are licensed under this section; and

3. That the applicant intends to comply with s. **628.51** with reference to compensation for effecting insurance upon the applicant's own property or other risk; and

(c) If a nonresident, executes in a form acceptable to the commissioner an agreement to be subject to the jurisdiction of the commissioner and the courts of this state on any matter related to the applicant's insurance activities in this state, on the basis of service of process under ss. **601.72** and **601.73**.

(1c) FINGERPRINTS. The commissioner may by rule require an applicant under sub. (1) who is a resident and a natural person to provide fingerprints as an additional condition for the granting of a license to act as an agent. The commissioner may use the fingerprints, if required, to conduct a state criminal history background investigation of the applicant and a national criminal history background investigation of the applicant with the federal bureau of investigation.

(1m) AGENT MAY ACT AS BROKER. A licensed agent may act as an agent or as a broker.

(2) SURPLUS LINES AGENTS OR BROKERS. Except as provided in s. **628.095** or **628.097**, the commissioner may issue a license as an agent or broker authorized to place business under s. **618.41** if the applicant shows to the satisfaction of the commissioner that in addition to the qualifications necessary to obtain a general license under sub. (1), the applicant has the competence to deal with the problems of surplus lines insurance. The commissioner may by rule require an agent or broker authorized to place business under s. **618.41** to supply a bond not larger than \$100,000, conditioned upon proper performance of obligations as a surplus lines agent or broker.

(3) CLASSIFICATION AND EXAMINATION. The commissioner may by rule prescribe classifications of intermediaries in addition to agent and surplus lines agent or broker, by kind of authority, or kind of insurance, or in other ways, and may prescribe different standards of competence, including examinations and educational prerequisites, for each class. The commissioner may by rule set prelicensing and annual continuing education standards, but may not require a licensed intermediary to complete a course of study requiring more than 30 hours, per license, of approved continuing education, including continuing education programs approved by the commissioner and presented by the insurers, in

3 Updated 23-24 Wis. Stats.**INSURANCE MARKETING 628.095**

any 2-year period. The commissioner may approve courses or programs that an applicant for an intermediary's license may attend to fulfill a precursing education requirement, or that a licensed intermediary may attend to fulfill a continuing education requirement, and may approve organizations that may offer approved courses or programs. The commissioner may, by rule, exempt any class of intermediaries from the continuing education requirements. So far as practicable, the commissioner shall issue a single license to each individual intermediary for a single fee.

(4) INTERMEDIARIES REPRESENTING NONPROFIT SERVICE PLANS. Intermediaries dealing with or representing nonprofit service plans must be licensed under ss. 628.03 and 628.04, and are subject to all provisions of this chapter.

(5) MANAGING GENERAL AGENTS AND REINSURANCE BROKERS AND MANAGERS. The commissioner may, by rule, require every managing general agent that is not a natural person, every reinsurance broker and every reinsurance manager to obtain a license in order to do business in this state or with an insurer doing business in this state. The commissioner may, by rule, prescribe classifications for reinsurance brokers and managers, exemptions from the license requirement for managing general agents that are not natural persons, reinsurance brokers and reinsurance managers and grounds for suspension or revocation of a license. The commissioner shall consider the applicable model acts adopted by the National Association of Insurance Commissioners before promulgating rules under this section.

628.05 Licensing of town mutual agents. (1) GENERAL EXEMPTION. Except as otherwise provided in sub. (2), or by rule promulgated by the commissioner, persons engaged in soliciting insurance exclusively for town mutuals are not subject to the licensing requirements of s. 628.03 (1).

(2) AGENTS SOLICITING INSURANCE REQUIRING REINSURANCE. No person may solicit any application for a contract providing coverage of the kind specified in s. 612.31 (3) unless the person first obtains a license to do so under this chapter. The license need be only for those coverages the town mutual is authorized to write and any examination of applicants shall be appropriately limited.

History: 1975 c. 371, 421; 2011 a. 224.

628.06 Licensing of fraternal agents. (1) GENERAL PROVISION. Subject to sub. (2), an agent of a fraternal is subject to the same licensing requirements as an agent for any other insurer doing the same lines of business, unless the agent was an agent for a fraternal immediately prior to October 2, 1963, and is still such an agent on June 19, 1976. The agent's authority under this exception ceases upon ceasing, for however short a period, to be an agent for a fraternal.

(2) PART-TIME FRATERNAL AGENTS. An agent for one or more fraternal who devotes or intends to devote less than half-time to the solicitation of insurance business is not subject to the requirements of sub. (1). A person is presumed to have devoted half-time to the solicitation of insurance business if in the preceding calendar year the person procured life insurance contracts in a face amount in excess of \$50,000, or, in the case of other kinds of insurance, on the persons of more than 25 individuals, and if the person received compensation therefor.

History: 1975 c. 373, 421.

Legislative Council Note, 1975: These subsections continue the general thrust of s. 208.21. The grandfather clause is considerably restricted. The part-time exception in sub. (2) reflects the informal and nonprofessional nature of some of the marketing methods of the smaller fraternal; some question may be raised about the merits of the exception, but it reflects strongly held views. It clearly permits nonpro-

fessional solicitation of new members by existing members, when no compensation is involved. [Bill 643-S]

628.07 Licensing of nonresidents. The commissioner shall waive any examination requirement for a nonresident applicant under s. 628.04 if the applicant's home state or state of residence has issued the applicant a license for which the qualifications are equivalent to the qualifications for a license issued by this state and if that license is in good standing at the time of application.

History: 1975 c. 371, 421; 2015 a. 90.

628.08 Changes in status of intermediaries. Every change in the members of a partnership or a limited liability company or the principal officers of a corporation licensed as an intermediary, every significant change in management powers in the entity, and so far as it relates to competency or trustworthiness as an intermediary, every change in the status and relationships of a natural person licensed as an intermediary, shall be reported to the commissioner promptly by the intermediary, in such detail and form as the commissioner by rule prescribes.

History: 1975 c. 371; 1993 a. 112.

628.09 Temporary licenses. (1) ISSUANCE OF LICENSE. Except as provided in s. 628.095 or 628.097, the commissioner may issue a temporary license as an intermediary for a period of not more than 12 months to the personal representative of a deceased or mentally disabled intermediary, or to a person designated by an intermediary who is otherwise disabled or has entered active duty in the U.S. armed forces, in order to give time for more favorable sale of the goodwill of a business owned by the intermediary, for the recovery or return of the intermediary, or for the orderly training and licensing of new personnel for the intermediary's business.

(2) LIMITATION ON AUTHORITY. The commissioner may by order limit the authority of any temporary licensee in any way deemed necessary to protect insureds and the public. The commissioner may require the temporary licensee to have a suitable sponsor who is a licensed intermediary or insurer and who assumes full legal responsibility for all acts and omissions of the temporary licensee, may impose special bonding requirements and may impose other similar requirements designed to protect insureds and the public.

(3) EXAMINATIONS. The commissioner may administer an examination as a prerequisite to the issuance of a temporary license.

(4) DURATION OF LICENSE. The commissioner may by order revoke a temporary license if the interests of insureds or the public are endangered. A temporary license may not be extended beyond the initial period specified under sub. (1). A temporary license may not continue after the owner or the personal representative disposes of the business.

(5) FEES. The fees for a temporary license are the same as for a permanent license.

(6) STATUS OF TEMPORARY LICENSEE. A temporary licensee is a fully qualified intermediary for all purposes other than the process of licensing, the duration of the license and the limits imposed under sub. (2).

History: 1975 c. 371, 421; 1981 c. 38; 1997 a. 191; 2001 a. 65.

An application for a license issued under this subchapter or subch. V, or for registration under s. 628.92 (2), shall contain the applicant's social security number, if the applicant is a natural person unless the applicant does not have a social security number, or the applicant's federal

employer identification number, if the applicant is not a natural person.

(2) REFUSAL TO ISSUE LICENSE OR REGISTER. The commissioner may not issue a license, including a temporary license, under this subchapter or subch. V, or register a navigator entity under subch. (3) REQUIRED WHEN ANNUAL FEE PAID. At the time that the annual fee is paid under s. 601.31 (1) (m), (nm) 2., or (np) 2., an intermediary or navigator who is a natural person shall provide his or her social security number unless the intermediary or navigator does not have a social security number, and an intermediary or navigator that is not a natural person shall provide its federal employer identification number, if the social security number or federal employer identification number was not provided on the application for the license or registration or previously when the annual fee was paid.

(4) DISCLOSURE. (a) The commissioner shall disclose a social security number obtained under sub. (1) or (3) to the department of children and families in the administration of s. 49.22, as provided in a memorandum of understanding entered into under s. 49.857.

(b) The commissioner may disclose any information received under sub. (1) or (3) to the department of revenue for the purpose of requesting certifications under s. 73.0301 and to the department of workforce development for the purpose of requesting certifications under s. 108.227.

(5) IF APPLICANT OR INTERMEDIARY OR NAVIGATOR HAS NO SOCIAL SECURITY NUMBER. If an applicant who is a natural person does not have a social security number, the applicant shall provide to the commissioner, along with the application for a license and on a form prescribed by the department of children and families, a statement made or subscribed under oath or affirmation that the applicant does not have a social security number. If an intermediary or navigator who is a natural person does not have a social security number, the intermediary or navigator shall provide to the commissioner, each time that the annual fee is paid under s. 601.31 (1) (m) or (nm) 2. and on a form prescribed by the department of children and families, a statement made or subscribed under oath or affirmation that the intermediary or navigator does not have a social security number.

History: 1997 a. 191, 237; 1999 a. 9; 2007 a. 20; 2013 a. 20, 36, 173.

628.097 Refusal to issue license; failure to pay support or to comply with subpoena or warrant; tax or unemployment insurance contribution delinquency. (1m) FOR FAILURE TO PAY SUPPORT OR TO COMPLY WITH SUBPOENA OR WARRANT. The commissioner shall refuse to issue to a natural person a license, including a temporary license, under this subchapter or subch. V if the natural person is delinquent in court-ordered payments of child or family support, maintenance, birth expenses, medical expenses, or other expenses related to the support of a child or former spouse, or if the natural person fails to comply, after appropriate notice, with a subpoena or warrant issued by the department of children and families or a county child support agency under s. 59.53 (5) and related to paternity or child support proceedings, as provided in a memorandum of understanding entered into under s. 49.857.

(2m) FOR LIABILITY FOR DELINQUENT TAXES OR UNEMPLOYMENT INSURANCE CONTRIBUTIONS. The commissioner shall refuse to issue a license, including a temporary license, under this subchapter or subch. V, or to register a navigator entity under subch. V, if the department of revenue certifies under s. 73.0301

that the applicant for the license or registration is liable for delinquent taxes or if the department of workforce development certifies under s. 108.227 that the applicant for the license or registration is liable for delinquent unemployment insurance contributions.

History: 1997 a. 191, 237; 2001 a. 65; 2007 a. 20; 2013 a. 20, 36, 173, 276.

628.10 Termination of license. (1) GENERAL. An intermediary's license issued under s. 628.04, or an individual navigator's license issued under s. 628.92 (1), remains in force until it is revoked or limited under sub. (2), until it is suspended under sub. (2) or s. 227.51 (3), until it is surrendered, or until the licensee dies or is in this state adjudicated incompetent.

(2) REVOCATION, SUSPENSION, AND LIMITATION OF LICENSES. (a) *For failure to comply with continuing education or annual training requirements.* The license of any intermediary or individual navigator who fails to produce evidence of compliance with continuing education standards set by the commissioner or with annual training requirements is revoked, effective on the date on which the evidence of compliance is due. At least 60 days before that date, the commissioner shall notify the intermediary or navigator of the date by which the evidence of compliance is due and that the intermediary's or navigator's license will be revoked if the evidence is not received by that date. An intermediary or navigator whose license is revoked under this paragraph may have his or her license reinstated, or may be relicensed, as provided in sub. (5).

(am) *Nonpayment of fees.* The license of an intermediary or individual navigator who fails to pay a fee when due is revoked, effective on the date on which the fee is due. At least 60 days before that date, the commissioner shall notify the intermediary or navigator of the date by which the fee is due and that the intermediary's or navigator's license will be revoked if timely payment is not made. An intermediary who is a natural person, or an individual navigator, whose license is revoked under this paragraph may have his or her license reinstated, or may be relicensed, as provided in sub. (5).

(b) *For other reasons.* Except as provided in pars. (c) to (d), after a hearing, the commissioner may revoke, suspend, or limit in whole or in part the license of any intermediary or individual navigator if the commissioner finds that the licensee is unqualified as an intermediary or navigator, is not competent or trustworthy under s. 628.04 (1) (b) 2., or has repeatedly or knowingly violated an insurance statute or rule or a valid order of the commissioner under s. 601.41 (4), or if the intermediary's or navigator's methods and practices in the conduct of business endanger, or financial resources are inadequate to safeguard, the legitimate interests of customers and the public. Nothing in this paragraph limits the authority of the commissioner to suspend summarily an intermediary's or individual navigator's license under s. 227.51 (3).

(c) *For failure to pay support or to comply with subpoena or warrant.* The commissioner shall suspend or limit the license of an intermediary who is a natural person, the license of an individual navigator, or a temporary license of a natural person under s. 628.09, if the natural person is delinquent in court-ordered payments of child or family support, maintenance, birth expenses, medical expenses, or other expenses related to the support of a child or former spouse, or if the natural person fails to comply, after appropriate notice, with a subpoena or warrant issued by the department of children and families or a county child support agency under s. 59.53 (5) and related to paternity or child support proceedings, as provided in a memorandum of understanding entered into under s. 49.857. A natural person whose license or temporary license is suspended under this paragraph who satisfies the requirements under this paragraph for which the license

was suspended may have his or her license or temporary license reinstated by satisfactorily completing a reinstatement application and paying the application fee for original licensure as specified by rule.

(cm) *For liability for delinquent taxes or unemployment insurance contributions.* The commissioner shall revoke the license of an intermediary or individual navigator, including a temporary license under s. 628.09, if the department of revenue certifies under s. 73.0301 that the intermediary or navigator is liable for delinquent taxes or if the department of workforce development certifies under s. 108.227 that the intermediary or navigator is liable for delinquent unemployment insurance contributions. An intermediary who is a natural person, or an individual navigator, whose license is revoked under this paragraph may have his or her license reinstated, or may be relicensed, as provided in sub. (5).

(cr) *For providing false information in statement.* The commissioner shall revoke the license of an intermediary or individual navigator, including a temporary license under s. 628.09, if the commissioner determines, after a hearing, that the intermediary or navigator provided false information in a statement provided under s. 628.095 (5) with the intermediary's or navigator's application or at the time that the annual fee was paid under s. 601.31 (1) (m) or (nm) 2.

(d) *For failure to provide social security number, federal employer identification number or statement.* If an intermediary or individual navigator fails to provide a social security number or federal employer identification number as required under s. 628.095 (3) or a statement as required under s. 628.095 (5), the commissioner shall suspend or limit the license of the intermediary or navigator, effective the day following the last day on which the annual fee under s. 601.31 (1) (m) or (nm) 2. may be paid, if the commissioner has given the intermediary or navigator reasonable notice of when the fee must be paid to avoid suspension or limitation. If the intermediary or navigator provides the social security number, federal employer identification number, or statement within 60 days from the effective date of the suspension, the commissioner shall reinstate the intermediary's or navigator's license effective as of the date of suspension.

(e) *For changing state of residence.* The license of an intermediary or individual navigator who changes residence from one state to another is revoked 60 days after the change of residence. The intermediary or navigator may be relicensed only after satisfying any requirements under s. 628.04 or 628.92 that are specified by the commissioner by rule.

(3) **DELAY FOR NEW APPLICATION.** An order revoking an intermediary's or individual navigator's license under sub. (2) (b) or (cr) may specify a time not to exceed 5 years within which the former intermediary or navigator may not apply for a new license. If no time is specified, the intermediary or navigator may not apply for 5 years.

(5) **REINSTATEMENT OR RELICENSING AFTER CERTAIN REVOCATIONS.** (a) *Reinstatement within 12 months.* An intermediary who is a natural person, or an individual navigator, whose license is revoked under sub. (2) (a), (am), or (cm) may have his or her license reinstated within 12 months after the date on which the license was revoked without having to satisfy any preclicensing education or examination requirements under s. 628.04 or any preclicensing training or examination requirements under s. 628.92 (7). To have his or her license reinstated, the intermediary or navigator must satisfy the requirement under sub. (2) (a), (am), or (cm) for which the license was revoked, satisfactorily complete a reinstatement application, and pay twice the amount of the applicable license renewal fee. The reinstatement is effective on the date on which the commissioner actually reinstates the license. If the intermediary or navigator is also a resident who is required to com-

plete continuing education or annual training, the intermediary or navigator must have satisfied all previous continuing education or annual training requirements to have his or her license reinstated under this paragraph.

(b) *Relicensing required after 12 months.* An intermediary or individual navigator specified in par. (a) whose license has been revoked for more than 12 months is not eligible to have his or her license reinstated under par. (a) but may apply for relicensing at any time after 12 months have elapsed from the date of revocation. To be relicensed, the intermediary or navigator must satisfy any requirements under s. 628.04 or 628.92 that are specified by the commissioner by rule.

(c) *Applicability.* This subsection applies to all of the following:

1. Intermediaries whose licenses were revoked under sub. (2) (a), (am), or (cm) before April 9, 2008, regardless of whether an order under sub. (3) applies to the intermediary.

628.12 Liability of surplus lines insurer. SUBCHAPTER III

MARKETING PRACTICES

628.31 Sale of insurance through vending machines. No insurance policies may be sold by a vending machine except policies of personal travel accident insurance providing benefits for accidental bodily injury or accidental death.

History: 1975 c. 371, 421; 1979 c. 102 s. 237; 1981 c. 20, 38.

628.32 Disclosure required. (1) An intermediary may not accept compensation from an insured or from both an insured and another source due to the insured's purchase of insurance or for advice regarding the insured's insurance needs or coverage unless the intermediary, before the insured incurs an obligation to pay compensation, clearly and conspicuously and in writing discloses to the insured all of the following:

(a) The amount of compensation to be paid by the insured, excluding commissions paid by the insurer to the intermediary.

628.32 INSURANCE MARKETING

(b) If compensation will be paid by another source, the fact that the intermediary will also receive compensation from the other source.

(2) The commissioner may promulgate rules prescribing the form for disclosure under sub. (1).

History: 1975 c. 371, 421; 1981 c. 38; 1987 a. 247.

628.34 Unfair marketing practices. (1) MISREPRESENTATION. (a) *Conduct forbidden.* No person who is or should be licensed under chs. 600 to 646, no employee or agent of any such person, no person whose primary interest is as a competitor of a person licensed under chs. 600 to 646, and no person on behalf of any of the foregoing persons may make or cause to be made any communication relating to an insurance contract, the insurance business, any insurer, or any intermediary that contains false or misleading information, including information that is misleading because of incompleteness. Filing a report and, with intent to deceive a person examining it, making a false entry in a record or willfully refraining from making a proper entry, are “communications” within the meaning of this paragraph. No intermediary or insurer may use any business name, slogan, emblem, or related device that is misleading or likely to cause the intermediary or insurer to be mistaken for another insurer or intermediary already in business. No intermediary may provide a misleading certificate of insurance.

(b) *Presumption of insurer’s violation.* If an insurance agent distributes cards or documents, exhibits a sign or publishes an advertisement which violates par. (a), having reference to a particular insurer that the agent represents, the agent’s violation creates a rebuttable presumption that the violation was also committed by the insurer.

(2) **UNFAIR INDUCEMENTS.** (a) *General.* No insurer, no employee of an insurer, and no insurance intermediary may seek to induce any person to enter into an insurance contract or to terminate an existing insurance contract by offering benefits not specified in the policy, nor may any insurer make any agreement of insurance that is not clearly expressed in the policy to be issued. This subsection does not preclude the reduction of premiums by reason of expense savings, including commission reductions, resulting from any form of mass marketing.

(b) *Absorption of tax.* No agent, broker or insurer may absorb the tax under s. 618.43 (2).

(3) **UNFAIR DISCRIMINATION.** (a) No insurer may unfairly discriminate among policyholders by charging different premiums or by offering different terms of coverage except on the basis of classifications related to the nature and the degree of the risk covered or the expenses involved, subject to ss. 632.365, 632.729, 632.746 and 632.748. Rates are not unfairly discriminatory if they are averaged broadly among persons insured under a group, blanket or franchise policy, and terms are not unfairly discriminatory merely because they are more favorable than in a similar individual policy.

(b) No insurer may refuse to insure or refuse to continue to insure, or limit the amount, extent or kind of coverage available to an individual, or charge an individual a different rate for the same coverage because of a mental or physical disability except when the refusal, limitation or rate differential is based on either sound actuarial principles supported by reliable data or actual or reasonably anticipated experience, subject to ss. 632.746 to 632.7495.

(4) **RESTRAINT OF COMPETITION.** No person who is or should be licensed under chs. 600 to 646, no employee or agent of any such person, no person whose primary interest is as a competitor of a person licensed under chs. 600 to 646, and no one acting on behalf of any of the foregoing persons, may commit or enter into any agreement to participate in any act of boycott, coercion or in-

timidation tending to unreasonable restraint of the business of insurance or to monopoly in that business.

(5) **FREE CHOICE OF INSURER.** No person may restrict in the choice of an insurer or insurance intermediary another person required to pay the cost of insurance coverage whenever the procurement of insurance coverage is required as a condition for the conclusion of a contract or other transaction or for the exercise of any right under a contract. However, the person requiring the coverage may reserve the right to disapprove on reasonable grounds the insurer or the coverage selected. The form of corporate organization of an insurer authorized to do business in this state is not a reasonable ground for disapproval, and the commissioner may by rule specify that additional grounds are not reasonable.

(6) **EXTRA CHARGES.** No person may make any charge other than premiums and premium financing charges for the protection of property or of a security interest in property, as a condition for obtaining, renewing or continuing the financing of a purchase of the property or the lending of money on the security of an interest in the property.

(7) **INFLUENCING EMPLOYERS.** No insurer or insurance intermediary or employee or agent of either may, in connection with an insurance transaction, encourage, persuade or attempt to influence any employer to refuse employment to or to discharge any person arbitrarily or unreasonably.

(8) **USE OF OFFICIAL POSITION.** No person holding an elective, appointive or civil service position in federal, state or local government may use decision-making power or influence in that position to coerce the placement of insurance for any prospective policyholder through any particular intermediary or with any particular insurer.

(9) **REFUSAL TO RETURN INDICIA OF AGENCY.** No agent may refuse or fail to return promptly all indicia of agency to the principal on demand.

(10) **INSURANCE SECURITY FUND.** No insurer or insurance intermediary may make use in any manner of the protection given policyholders by ch. 646 as a reason for buying insurance from the insurer or intermediary.

(11) **OTHER UNFAIR TRADE PRACTICES.** No person may engage in any other unfair method of competition or any other unfair or deceptive act or practice in the business of insurance, as defined under sub. (12).

(12) **RULES DEFINING UNFAIR TRADE PRACTICES.** The commissioner may define specific unfair trade practices by rule, after a finding that they are misleading, deceptive, unfairly discriminatory, provide an unfair inducement, or restrain competition unreasonably.

(13) **MARKETING OF WELLNESS PROGRAMS.** (a) In this subsection, “wellness program” means a program that is designed to promote health or prevent disease through a reward to insured individuals and that meets the qualifications of 45 CFR 146.121 (f) (1) or (2).

(b) Notwithstanding subs. (2) (a), (3), (7), and (11) and any rules promulgated under sub. (12), it is not a violation of this section for an insurer to advertise, market, offer, or operate a wellness program.

(14) **EVIDENCE OF INSURANCE.** (a) No person may prepare, issue, request, or require a certificate of insurance or other document used for evidence of insurance to do any of the following:

1. Contain information concerning the policy referenced by the certificate of insurance or other document that is false, misleading, deceptive, unfairly discriminatory, or that otherwise violates public policy or law, as determined by the commissioner.
2. Purport to alter, amend, or extend coverage provided by

the policy referenced by the certificate of insurance or other document.

3. Alter the terms and conditions of any notice requirement in the policy. A person is entitled to notice of cancellation, non-renewal, or any material change to the policy, or to any similar notice concerning the policy only as provided in the policy or an endorsement.

(b) No person may alter a certificate of insurance or other document used for evidence of insurance after it is issued.

(c) No certificate of insurance or other document used for evidence of insurance may warrant that the policy referenced by the certificate of insurance or other document fulfills the insurance or indemnification requirements of a specific contract.

(d) 1. Except as provided in subd. 2., this subsection applies to any certificate of insurance or other document used for evidence of insurance that is issued by an insurer as evidence of property or casualty insurance.

2. This subsection does not apply to any of the following:

- a. A policy or endorsement.
- b. A binder.
- c. Evidence of motor vehicle liability insurance required under s. 344.62 (2).

(15) TRAVEL INSURANCE. (a) In this subsection:

1. “Blanket travel insurance” has the meaning given in s. 632.977 (1) (a).

2. “Limited lines travel insurance producer” has the meaning given in s. 632.977 (1) (e).

3. “Travel insurance” has the meaning given in s. 632.977 (1) (i).

4. “Travel retailer” has the meaning given in s. 632.977 (1) (k).

(b) No person may market blanket travel insurance as free.

(c) No person may offer or sell a travel insurance policy that could never result in payment of any claims for any insured under the policy.

(d) When travel insurance is marketed to a prospective purchaser through the Internet site of the insurer or an aggregator Internet site that provides access to information on insurance products from more than one insurer, the inclusion on the Internet site of a summary of the travel insurance policy’s coverage does not violate this section if the summary is accurate and the prospective purchaser has access to the policy’s full provisions through electronic means.

(e) When a person purchases a trip or travel package to a destination jurisdiction that requires insurance coverage, a travel retailer or limited lines travel insurance producer supplying the trip or travel package does not violate this section by requiring that the person, as a condition of purchasing the trip or travel package, choose between purchasing the required coverage through the travel retailer or limited lines travel insurance producer or agreeing to obtain and provide proof of the required coverage prior to departure.

mediary under par. (b) 1. and ending on the date on which a new license is issued to the intermediary. The “disciplinary period” of a person under par. (d) Seek to obtain information from, or use information directly or indirectly provided by, a disciplined person during the disciplinary period of the disciplined person for the purpose of assisting in the sale of insurance.

(ax) “Non-guaranteed elements” means the premiums, cred-

ited interest rates, benefits, values, dividends, noninterest based credits, and charges, along with the elements of formulas used to determine any of these items, that are subject to company discretion and are not guaranteed at issue. 4. Reissued with a reduction in cash value.
5. Used in a financed purchase.

(2) BEST INTEREST OBLIGATIONS. (a) When making a recommendation of an annuity, an insurance intermediary shall act in the best interest of the consumer under the circumstances known at the time the recommendation is made, without placing the financial interest of the intermediary or insurer ahead of the consumer’s interest. An insurance intermediary has acted in the best interest of the consumer if the intermediary has satisfied the care obligation under sub. (2b), the disclosure obligation under sub. (2c), the conflict of interest obligation under sub. (2d), and the documentation obligation under sub. (2e). The requirements under this subsection and subs. (2b) to (2e) create only a regulatory obligation and do not create a fiduciary obligation or relationship.

(b) Any requirement applicable to an insurance intermediary under this subsection shall apply to every insurance intermediary who exercises material control or influence in the making of a recommendation and has received direct compensation as a result of the recommendation or sale, regardless of whether the intermediary has any direct contact with the consumer. Activities such as providing or delivering marketing or educational materials, product wholesaling or other back office product support, and conducting general supervision of an insurance intermediary do not, in and of themselves, constitute material control or influence.

(2b) CARE OBLIGATION. (a) In making a recommendation, an insurance intermediary shall exercise reasonable diligence, care, and skill to do all of the following:

1. Know the consumer’s financial situation, insurance needs, and financial objectives.
2. Understand the available recommendation options after making a reasonable inquiry into the options available to the intermediary.
3. Have a reasonable basis to believe the recommended op-

tion effectively addresses the consumer's financial situation, insurance needs, and financial objectives over the life of the product, as evaluated in light of the consumer profile information.

4. Communicate the basis or bases of the recommendation to the consumer.

(b) The requirements imposed on an insurance intermediary under par. (a) include all of the following:

1. Having a reasonable basis to believe the consumer would benefit from certain features of the annuity, such as tax-deferred growth, annuitization, a death or living benefit, or other insurance-related features.

2. Making reasonable efforts to obtain consumer profile information from the consumer prior to the recommendation.

3. Considering the types of products the intermediary is authorized and licensed to recommend or sell that address the consumer's financial situation, insurance needs, and financial objectives. Nothing in this subdivision requires analysis or consideration of products outside the authority and license of the intermediary or other possible alternative products or strategies available in the market at the time of the recommendation. Under this subdivision, an intermediary shall be held to standards applicable to intermediaries with similar authority and licensure.

(be) If consumer profile information is obtained by an insurance intermediary, the insurance intermediary may not conceal the information from the insurer, and an insurance intermediary may not otherwise dissuade or attempt to dissuade the consumer from providing the information.

(c) The requirements under this subsection shall apply to the annuity as a whole, the underlying subaccounts to which funds are allocated at the time of purchase or exchange of the annuity, and any riders and similar product enhancements.

(d) The factors generally relevant in determining under this subsection whether an annuity effectively addresses the consumer's financial situation, insurance needs, and financial objectives shall be the consumer profile information, characteristics of the insurer, and product costs, rates, benefits and features. The level of importance of each factor may vary depending on the facts and circumstances of a particular case, and no factor may be considered in isolation.

(e) Nothing in this subsection requires that an annuity with the lowest onetime or multiple occurrence compensation structure be recommended.

(f) Nothing in this subsection requires that the insurance intermediary have an ongoing monitoring obligation, although such obligation may be separately owed under the terms of a fiduciary, consulting, investment advising, or financial planning agreement between the consumer and intermediary.

(g) In the case of an exchange or replacement of an annuity, the insurance intermediary shall consider the whole transaction, which includes taking into consideration all of the following:

1. Whether the consumer will incur a surrender charge, be subject to the commencement of a new surrender period, lose existing benefits, including death, living, or other contractual benefits, or be subject to increased fees, investment advisory fees, or charges for riders and similar product enhancements.

2. Whether the replacing product would substantially benefit the consumer in comparison to the replaced product over the life of the product.

3. Whether the consumer has had another annuity exchange or replacement, particularly within the preceding 60 months.

(h) 1. Subject to subd. 2., an insurance intermediary shall have no obligation to a consumer under this subsection if any of the following applies:

a. The intermediary made no recommendation.

b. The intermediary made a recommendation that is later found to have been prepared based on inaccurate material information provided by the consumer.

c. The consumer refuses to provide relevant consumer profile information and the annuity transaction is not recommended.

d. The consumer decides to enter into an annuity transaction that is not based on a recommendation made by the intermediary.

2. An insurer's issuance of an annuity under the circumstances specified in subd. 1. a. to d. shall be reasonable under all circumstances actually known to the insurer at the time the annuity is issued.

(2c) DISCLOSURE OBLIGATION. (a) Prior to the recommendation or sale of an annuity, an insurance intermediary shall prominently disclose to the consumer, on a form substantially similar to Appendix A of the National Association of Insurance Commissioners Annuity Suitability Model Regulation that shall be posted on the office's Internet site, all of the following information:

1. A description of the scope and terms of the intermediary's relationship with the consumer and the role of the intermediary in the transaction.

2. An affirmative statement on whether the intermediary is licensed and authorized to sell fixed annuities, fixed indexed annuities, variable annuities, life insurance, mutual funds, stocks, bonds, and certificates of deposit.

3. An affirmative statement describing the insurers for which the intermediary is authorized, contracted, appointed, or otherwise able to sell insurance products, using whichever of the following descriptions is appropriate:

a. From one insurer.

b. From 2 or more insurers.

c. From 2 or more insurers although primarily contracted with one insurer.

4. A description of the sources and types of cash compensation and noncash compensation to be received by the intermediary, including whether the intermediary is to be compensated for the sale of a recommended annuity by commission as part of a premium or other remuneration received from the insurer or another intermediary, or by fee as a result of a contract for advice or consulting services.

5. A notice of the consumer's right to request additional information regarding cash compensation.

(b) Upon request of the consumer or the consumer's designated representative, an insurance intermediary shall disclose all of the following:

1. A reasonable estimate of the amount of cash compensation to be received by the intermediary, which may be stated as a range of amounts or percentages.

2. Whether the cash compensation is a onetime or multiple occurrence amount and, if a multiple occurrence amount, the frequency and amount of the occurrence, which may be stated as a range of amounts or percentages.

(c) Prior to or at the time of the recommendation or sale of an annuity, the insurance intermediary shall have a reasonable basis to believe the consumer has been informed of various features of the annuity, including the potential surrender period and surrender charges, potential tax penalty if the consumer sells, exchanges, surrenders, or annuitizes the annuity, mortality and expense fees, investment advisory fees, annual fees, potential charges for and features of riders and other options, limitations on interest returns, potential changes in non-guaranteed elements of the annuity, insurance and investment components, and market risk.

(2d) CONFLICT OF INTEREST OBLIGATION. An insurance in-

termediary shall identify and avoid or reasonably manage and disclose material conflicts of interest, including material conflicts related to an ownership interest.

(2e) DOCUMENTATION OBLIGATION. An insurance intermediary shall, at the time of making a recommendation or sale of an annuity, do all of the following, as applicable:

(a) If an annuity is recommended, make a written record of any recommendation and the basis for the recommendation subject to this section.

(b) If a consumer refuses to provide consumer profile information, obtain a signed statement from the consumer, on a form substantially similar to Appendix B of the National Association of Insurance Commissioners Annuity Suitability Model Regulation that shall be posted on the office's Internet site, that documents all of the following:

1. A consumer's refusal to provide consumer profile information.

2. A consumer's understanding of the ramifications of not providing his or her consumer profile information or of providing insufficient consumer profile information.

(c) If an annuity is not recommended, obtain a signed statement from the consumer, on a form substantially similar to Appendix C of the National Association of Insurance Commissioners Annuity Suitability Model Regulation that shall be posted on the office's Internet site, that acknowledges an annuity transaction is not recommended if the consumer decides to enter into an annuity transaction that is not based on the intermediary's recommendation.

(3) INSURER'S SUPERVISORY RESPONSIBILITY. (a) An insurer shall establish a supervision system that is reasonably designed to achieve the insurer's and its insurance intermediaries' compliance with this section. Under the system, the insurer shall do at least all of the following:

1. Maintain reasonable procedures to inform its insurance intermediaries of the requirements of this section and incorporate the requirements of this section into relevant insurance intermediary training manuals.

2. Establish standards for insurance intermediary product training and maintain reasonable procedures to require its insurance intermediaries to comply with the requirements of sub. (4m).

3. Provide product-specific training and training materials that explain all material features of its annuity products to its insurance intermediaries.

4. Maintain procedures for review of each recommendation before issuance of an annuity that are designed to ensure that there is a reasonable basis to determine that a recommendation would effectively address a consumer's financial situation, insurance needs, and financial objectives. An insurer's procedures may apply a screening system for the purpose of identifying selected transactions for additional review. An insurer's procedures may be accomplished electronically or through other means, including physical review. An electronic or other system may be designed to require additional review only of those transactions identified for additional review by the selection criteria.

5. Maintain reasonable procedures to detect recommendations that do not comply with subs. (2) to (2e), which may include confirmation of consumer profile information, systematic customer surveys, interviews, confirmation letters, producer statements or attestations, and programs of internal monitoring. Nothing in this subdivision prevents an insurer from complying with this subdivision by applying sampling procedures or by confirming consumer profile information after issuance or delivery of the annuity, or both.

6. Annually provide a report to senior management, including to the senior manager responsible for audit functions, that details a review, with appropriate testing, that is reasonably designed to determine the effectiveness of the supervision system, the exceptions found, and corrective action taken or recommended, if any.

7. Establish and maintain reasonable procedures to assess, prior to or upon issuance or delivery of an annuity, whether an insurance intermediary has provided to a consumer the information required to be provided under this section.

8. Establish and maintain reasonable procedures to identify and address suspicious refusals by consumers to provide consumer profile information.

9. Establish and maintain reasonable procedures to identify and eliminate any sales contests, sales quotas, bonuses, and non-cash compensation that are based on the sales of specific annuities within a limited period of time. Nothing in this subdivision prohibits the receipt of health insurance, office rent, office support, retirement benefits, or other employee benefits by employees so long as those benefits are not based upon the volume of sales of a specific annuity within a limited period of time.

(am) Except as permitted under sub. (2b) (h), an insurer may not issue an annuity recommended to a consumer unless there is a reasonable basis to believe the annuity will effectively address the particular consumer's financial situation, insurance needs, and financial objectives based on the consumer's consumer profile information.

(b) 1. Nothing in this subsection restricts an insurer from contracting for the performance of a function required under par. (a), including maintenance of procedures. An insurer is responsible for taking appropriate corrective action and may be subject to sanctions and penalties under subs. (5) and (6), regardless of whether the insurer contracts for the performance of a function and regardless of the insurer's compliance with subd. 2.

(3m) PROHIBITED ACTS OF INTERMEDIARY. An insurance intermediary may not dissuade, or attempt to dissuade, a consumer from doing any of the following:

(4) COMPARABLE STANDARDS. (a) Recommendations and sales of annuities made in compliance with comparable standards shall satisfy the requirements of this section. This subsection applies to all recommendations and sales of annuities made by financial professionals in compliance with business rules, controls, and procedures that satisfy a comparable standard even if the standard does not otherwise apply to the annuity or recommendation.

2. The minimum length of the training required under this paragraph shall be sufficient to qualify for at least 4 continuing education credits, but may be longer.

(c) The commissioner may by rule provide for the reduction or elimination of a penalty under par. (a) for a violation of this section if corrective action is taken for the consumer promptly after the violation is discovered or the violation is not part of a pattern or practice.

(7) RECORD KEEPING. (a) An insurer and an insurance inter-

mediary, including a general agent and an independent agency, shall maintain, or be able to make available to the commissioner, records of the information collected from a consumer and other information used in making a recommendation that was the basis for an insurance transaction for 6 years after the insurance transaction is completed by the insurer, except as otherwise permitted by the commissioner by rule. An insurer may, but is not required to, maintain records on behalf of an insurance intermediary, including a general agent and an independent agency.

(b) Records that are required to be maintained under this section may be maintained in paper, photographic, microprocess, magnetic, or electronic media or by any process that accurately reproduces the actual document.

(8) EXEMPTIONS. This section does not apply to any of the following:

(2) or under standards governing the conduct of a fiduciary or a fiduciary relationship.

(10) NO ADDITIONAL LICENSURE. Nothing in this section may be construed to require an insurance intermediary to obtain any license, including a securities license, other than an insurance intermediary license with the appropriate line of authority to sell, solicit, or negotiate insurance in this state in order to fulfill the duties and obligations contained in this section so long as the insurance intermediary does not give advice or provide services that are otherwise subject to securities laws or engage in any other activity requiring another professional license.

628.348 Sale of long-term care insurance. (1) TRAINING REQUIREMENT. On and after January 1, 2009, no person may solicit, negotiate, or sell long-term care insurance unless the person is a licensed intermediary and he or she has completed the initial training portion of the training program under s. 49.45 (31) (c) and completes the ongoing training under s. 49.45 (31) (c) every 24 months after completing the initial training.

628.35 Prohibition of exclusive contracts. No insurer may make, enforce or participate in any contract or other arrangement for exclusive services of a health care provider that prevents or materially inhibits any other insurer authorized to do business in this state from entering into a contract or other arrangement with any health care provider of services that the other insurer has contracted to supply or for which it has promised indemnity under its insurance contracts, unless:

(1) The health care provider is an individual who is an employee of the insurer;

(2) The health care provider is a corporation owned by the insurer;

(3) The health care provider uses the insurer's name under a franchise arrangement; or

(4) The case is within a class for which the commissioner by rule establishes an exception after a finding that the contract or other arrangement does not seriously impede the effective operation of a legitimate insurance business by other insurers.

628.36 Limitations on corporations supplying health care services. (1) PAYMENT METHODS. Any corporation operating a voluntary health care plan may pay health care professionals on a salary, per patient or fee-for-service basis to provide health care to policyholders or beneficiaries of the corporation.

(2) DISCRIMINATION AGAINST PROFESSIONALS. (a) In this section:

1. "Health care plan" means an insurance contract providing coverage of health care expenses.

2. "Provider" means a health care professional, a health care facility or a health care service or organization.

(b) 1. Except for health maintenance organizations, preferred provider plans and limited service health organizations, no health care plan may prevent any person covered under the plan from choosing freely among providers who have agreed to participate in the plan and abide by its terms, except by requiring the person covered to select primary providers to be used when reasonably possible.

2. No provider may be required to participate exclusively in a health care plan as a condition of participation in it.

3. Except as provided in subd. 4., no provider may be denied the opportunity to participate in a health care plan, other than a health maintenance organization, a limited service health organization or a preferred provider plan, under the terms of the plan.

4. Any health care plan may exclude a provider from participation in the health care plan for cause related to the practice of his or her profession.

5. All health care plans, including health maintenance organizations, limited service health organizations and preferred provider plans are subject to s. 632.87 (3).

(2m) PHARMACEUTICAL SERVICES. (a) In this subsection:

1. "Health maintenance organization" has the meaning given in s. 609.01 (2).

2. "Limited service health organization" has the meaning given in s. 609.01 (3).

13 Updated 23-24 Wis. Stats.**INSURANCE MARKETING****628.46**

2m. “Pharmaceutical services” do not include the administration of a drug product or device or vaccine under s. 450.035.

3. “Preferred provider plan” has the meaning given in s. 609.01 (4).

(e) 1. A health maintenance organization, limited service health organization or preferred provider plan that provides coverage of pharmaceutical services when performed by one or more pharmacists who are selected by the organization or plan but who are not full-time salaried employees or partners of the organization or plan shall provide an annual period of at least 30 days during which any pharmacist registered under ch. 450 may elect to participate in the health maintenance organization, limited service health organization or preferred provider plan under its terms as a selected provider for at least one year.

2. Except as provided in subd. 3., subd. 1. applies to health maintenance organizations on and after May 10, 1984. Except as provided in subd. 4., subd. 1. applies to limited service health organizations and preferred provider plans on or after April 28, 1990.

3. If compliance with the requirements of subd. 1. during the period specified in subd. 2. would impair any provision of a contract between a health maintenance organization and any other person, and if the contract provision was in existence prior to May 10, 1984, then immediately after the expiration of all such contract provisions the health maintenance organization shall comply with the requirements of subd. 1.

4. If compliance with the requirements of subd. 1. during the period specified in subd. 2. would impair any provision of a contract between a limited service health organization or preferred provider plan and any other person, and if the contract was in existence prior to April 28, 1990, then immediately after the expiration of all such contract provisions the limited service health organization or preferred provider plan shall comply with the requirements of subd. 1.

(3) EXEMPTION BY RULE. By rule the commissioner may exempt from the application of any part of subs. (1) to (2m) plans which provide innovative approaches to the delivery of health care or which are designed to contain health care costs, and which cannot operate successfully consistent with all of the provisions in subs. (1) to (2m). The commissioner may promulgate such a rule only if on a finding that the interests of the public require such plans as an experiment, to supply health care services that are not otherwise available in adequate quantity or quality, or to contain health care costs. The promulgated rule shall be as narrow as is compatible with the success of the plans.

(4) FACILITATING COST-EFFECTIVE PROVISION OF HEALTH CARE SERVICES. (a) The commissioner shall provide information and assistance to the department of employee trust funds, employers and their employees, providers of health care services and members of the public, as provided in par. 4. Providing information to employers and their employees and members of the public regarding the availability and nature of various kinds of health care plans, including their distinct and contrasting characteristics.

5. Providing information to employers and their employees, providers of health care services and members of the public regarding the relative effectiveness of various kinds of health care plans in containing health care costs.

628.37 Preservation of professional relationships in professional services. No insurance plan related to or providing health care, legal or other professional services may alter the direct relationship and responsibility of professional persons to their patients or clients for the professional services rendered. All professional relationships are subject to the same rules of contract and tort law and professional ethics as if no insurance plan were involved.

History: 1975 c. 223, 371, 422.

628.38 Disclosure requirements. The commissioner may by rule require insurers to deliver to prospective buyers of life or disability insurance, at a time specified in the rule, information consistent with ss. 601.01 and 628.34 that will improve their ability to select appropriate coverage.

The extension of credit to the insured upon a premium without interest for not exceeding 60 days from the effective date of the policy, or after that time with interest at not less than the legal rate nor more than 18 percent per year on the unpaid balance, is permissible. The payment of premiums on policies issued under a mass marketing program on an installment basis through payroll deductions is not an extension of credit.

History: 1975 c. 371; 1979 c. 110 s. 60 (13); 1983 a. 215.

628.40 Effect of agent’s appointment on insurer. Every insurer is bound by any act of its agent performed in this state that is within the scope of the agent’s apparent authority, while the agency contract remains in force and after that time until the insurer has made reasonable efforts to recover from the agent its policy forms and other indicia of agency. Reasonable efforts shall include a formal demand in writing for return of the indicia, and notice to the commissioner if the agent does not comply with the demand promptly.

History: 1975 c. 371, 421.

628.46 Timely payment of claims. (1) Unless otherwise provided by law, an insurer shall promptly pay every insurance claim. A claim shall be overdue if not paid within 30 days after the insurer is furnished written notice of the fact of a covered loss and of the amount of the loss. If such written notice is not furnished to the insurer as to the entire claim, any partial amount supported by written notice is overdue if not paid within 30 days after such written notice is furnished to the insurer. Any part or all of the remainder of the claim that is subsequently supported by written notice is overdue if not paid within 30 days after written notice is furnished to the insurer. Any payment shall not be deemed overdue when the insurer has reasonable proof to establish that the insurer is not responsible for the payment, notwithstanding that written notice has been furnished to the insurer. For

the purpose of calculating the extent to which any claim is overdue, payment shall be treated as being made on the date a draft or other valid instrument which is equivalent to payment was placed in the U.S. mail in a properly addressed, postpaid envelope, or, if not so posted, on the date of delivery. All overdue payments shall bear simple interest at the rate of 7.5 percent per year.

(2) Notwithstanding sub. (1), the payment of a claim shall not be overdue until 30 days after the insurer receives the proof of loss required under the policy or equivalent evidence of such loss. The payment of a claim shall not be overdue during any period in which the insurer is unable to pay such claim because there is no recipient who is legally able to give a valid release for such payment, or in which the insurer is unable to determine who is entitled to receive such payment, if the insurer has promptly notified the claimant of such inability and has offered in good faith to promptly pay said claim upon determination of who is entitled to receive such payment.

(2m) (a) Notwithstanding subs. (1) and (2) and except as provided in par. (b), a claim for payment for chiropractic services is overdue if not paid within 30 days after the insurer receives clinical documentation from the chiropractor that the services were provided unless, within those 30 days, the insurer provides to the insured and to the chiropractor the written statement under s. 632.875 (2).

(b) Paragraph (a) does not apply to any of the following:

1. Worker's compensation insurance.
2. Any line of property and casualty insurance except disability insurance. In this subdivision, "disability insurance" does not include uninsured motorist coverage, underinsured motorist coverage, or medical payment coverage.

(3) This section applies only to the classes of claims enumerated in s. 646.31 (2).

History: 1975 c. 375; 1979 c. 109 s. 16; 1979 c. 110 s. 60 (13); 1981 c. 38 s. 24; Stats. 1981 s. 628.46; 2001 a. 16, 65; 2017 a. 235.

Receipt of a legally binding offer to settle a claim against the insured is not required for the insured to have a claim against the insurer for bad-faith failure to settle. *Alt v. American Family Mutual Insurance Co.*, 71 Wis. 2d 340, 237 N.W.2d 706 (1976).

An insured may bring a tort action against an insurer for failure to exercise good faith in settling the insured's claim. This section is unrelated to such a tort action. *Anderson v. Continental Insurance Co.*, 85 Wis. 2d 675, 271 N.W.2d 368 (1978).

Discussing the tort of bad faith handling of a claim. *Davis v. Allstate Insurance Co.*, 101 Wis. 2d 1, 303 N.W.2d 596 (1981).

A third-party claimant cannot assert a bad faith claim against an insurer. *Kranzush v. Badger State Mutual Casualty Co.*, 103 Wis. 2d 56, 307 N.W.2d 256 (1981).

This section applies to service insurance corporations. *Wisconsin Physicians Service Insurance Corp. v. Mitchell*, 114 Wis. 2d 338, 338 N.W.2d 326 (Ct. App. 1983).

A jury's imposition of punitive damages and finding of bad faith is adequate to show that the insurer did not have reasonable proof that it was not responsible for a claim and supports an award of prejudgment interest under sub. (1). *Uptegrove Hardware, Inc. v. Pennsylvania Lumbermans Mutual Insurance Co.*, 146 Wis. 2d 470, 431 N.W.2d 689 (Ct. App. 1988).

Interest under s. 807.01 (4) is not in addition to interest under sub. (1). *Uptegrove Hardware, Inc. v. Pennsylvania Lumbermans Insurance Co.*, 152 Wis. 2d 7, 447 N.W.2d 367 (Ct. App. 1989).

This section makes no distinction between the payment of claims based on judgments and all other claims; a claim may be due under sub. (2) far in advance of a judgment or award. *Fritsche v. Ford Motor Credit Co.*, 171 Wis. 2d 280, 491 N.W.2d 119 (Ct. App. 1992).

Whether to assess 12 percent [now 7.5 percent] interest is dependent on whether the insurer had reasonable proof establishing that it was not responsible for payment. *U.S. Fire Insurance Co. v. Good Humor Corp.*, 173 Wis. 2d 804, 496 N.W.2d 730 (Ct. App. 1993).

This section applies to the insurance company of a negligent tortfeasor and, thus, allows the recovery of interest by a third-party claimant. When there is clear liability, a sum certain owed, and written notice of both, the plain language of this section, incorporating by reference s. 646.31 (2), imposes 12 percent [now 7.5 percent] simple interest on overdue payments to third-party claimants. *Kontowicz v. American Standard Insurance Co. of Wisconsin*, 2006 WI 48, 290 Wis. 2d 302, 714 N.W.2d 105, 03-2177.

An insurer's subrogation interest did not permit it to step into the insured's shoes to assert a 12 percent [now 7.5 percent] interest claim under the facts and circumstances of the case. Legal subrogation gives indemnity only, and an insurer who possesses a cause of action for subrogation cannot recover beyond the amount actually dispersed by it. *Zurich American Insurance Co. v. Wisconsin Physicians Ser-*

vices Insurance Corp., 2007 WI App 259, 306 Wis. 2d 617, 743 N.W.2d 710, 06-2320.

"Reasonable proof" in sub. (1) means that amount of information that is sufficient to allow a reasonable insurer to conclude that it may not be responsible for payment of a claim. Generally, reasonable proof is equated with whether coverage is considered "fairly debatable." An insurer should not have been penalized for exercising its right to litigate when policy language was ambiguous, the court of appeals was divided on the question of coverage, the issue of coverage was one of first impression in this state, and administrative rules were subsequently modified to clarify required coverage. *Froedtert Memorial Lutheran Hospital, Inc. v. National States Insurance Co.*, 2009 WI 33, 317 Wis. 2d 54, 765 N.W.2d 251, 07-0934.

This section is limited to situations in which an insurer fails to pay an insurance claim within 30 days. In this case, an insurer failed to pay a contractual settlement of an insurance claim within 30 days. There is no authority for the proposition that this section can apply when an insurer fails to pay an amount required by a settlement agreement resolving a disputed claim. *Singler v. Zurich American Insurance Co.*, 2014 WI App 108, 357 Wis. 2d 604, 855 N.W.2d 707, 14-0391.

The purpose of this section is to discourage insurance companies from creating unnecessary delays in paying claims and to compensate claimants for the value of the use of their money. If the insurer has "reasonable proof" that it is not responsible, the statute does not apply. Reasonable proof of nonresponsibility is equated with whether the "coverage issue was fairly debatable." *Dilger v. Metropolitan Property & Casualty Insurance Co.*, 2015 WI App 54, 364 Wis. 2d 410, 868 N.W.2d 177, 14-1851.

When damages are high and policy limits are low by comparison, the potential for contributory negligence by a party is not, in itself, sufficient to constitute "reasonable proof" that will defeat an award of interest. The "reasonable proof" exception is satisfied when there is evidence sufficient to make a "reasonable insurer" conclude that it may not be responsible for payment. In this case there was no reasonable view that any contributory negligence by actors other than the defendant would have reduced the defendant insurer's liability below its policy limits. *Casper v. American International South Insurance Co.*, 2017 WI App 36, 376 Wis. 2d 381, 897 N.W.2d 429, 15-2412.

The policy behind this section is equally applicable to single or multiple-insured situations. It is not to punish insurance companies, but to compensate claimants for the time value of their money. *Casper v. American International South Insurance Co.*, 2017 WI App 36, 376 Wis. 2d 381, 897 N.W.2d 429, 15-2412.

Under *Kontowicz*, 2006 WI 48, a third-party claimant is entitled to prejudgment interest under this section when the amount of the damages is in a sum certain amount. The sum certain condition is not satisfied when a third-party claimant relies upon an assertion of general damages to support a demand that an excess insurer pay a specific amount, and the insurer reasonably concludes it is not certain the amount demanded is the amount the insurer may actually owe the claimant. Although, in this case, the plaintiff clearly demanded that the insurer pay a sum certain—the insurer's \$1,000,000 policy limit—that sum was not reasonably demonstrated to be owed to the plaintiff by the insurer. *Estate of Payette v. Marx*, 2020 WI App 2, 390 Wis. 2d 356, 938 N.W.2d 628, 18-0627.

The third condition imposed under *Kontowicz*, 2006 WI 48, is that the claimant must provide written notice of liability and the sum certain amount owed. In this case, the itemization of damages that the plaintiff included in her discovery response satisfied that condition even though there was no accompanying demand that the insurer pay its policy limits. *Thom v. 1st Auto & Casualty Insurance Co.*, 2021 WI App 33, 398 Wis. 2d 273, 961 N.W.2d 79, 20-0285.

This section applies to all insurers. *Allison v. Ticor Title Insurance Co.*, 979 F.2d 1187 (1992).
