STATE REPRESENTATIVE

Testimony in Favor of Assembly Bill 558

Assembly Committee on Transportation

January 30th, 2024

Thank you, Chairwoman VanderMeer and committee members for allowing me to testify in favor of Assembly Bill 558, legislation that would add the Mount Horeb Veterans Memorial to the future state highway maps. I'd also like to thank my co-author Senator Hesselbein for her work on this legislation.

We authored this bill after a request from Mount Horeb VFW Post 9511, Mount Horeb American Legion Post 113, and the Wisconsin Vietnam Veterans Chapter IV. We are excited to see Mount Horeb's Memorial join 16 other Veterans' Memorials that are statutorily included on the state's highway map.

Thank you again, Chairwoman VanderMeer for the opportunity to testify before this committee and I would be happy to answer any questions you may have.

Testimony of Senator Dianne Hesselbein
Assembly Committee on Transportation

AB 558: identification of the Mount Horeb Veterans Memorial on state highway maps.
January 30, 2024

Chairman VanderMeer and members of the Committee:

Thank you for holding a public hearing on Assembly Bill 558. I am honored to have this chance to advocate on behalf of Mount Horeb veterans who have worked to create an impressive Memorial in the community.

The Memorial in Mont Horeb is a true labor of love, and it shows. The men and women in Mount Horeb VFW Post 9511, American Legion Post 113 and the Wisconsin Vietnam Veterans Chapter IV put years into successful fundraising for, developing and completing this memorial.

We were contacted last fall by a constituent -- Jeff Anderson of Mount Horeb -- who is with us here today, asking that this memorial be added to 16 specific memorials designated for inclusion on the state highway map. Representative Bare and I were happy to put this bill forward to make Mount Horeb's memorial the 17th and appreciate the bi-partisan support it received.

I know that the veterans who put so much into this project were especially honored to have the Memorial recognized and visited by Denis R. McDonough, the Secretary of the United States Department of Veterans Affairs late last year.

That was a Saw You in the News I was very proud to send, and this is a bill I'm honored to have been asked to put forward on their behalf.

These veterans have every reason to be proud of their Memorial and their work – and I want to thank the committee for considering the bill. We have also included a copy of a resolution from the Village of Mount Horeb demonstrating the strong community support for their veterans and this bill.

We only have so many opportunities to honor the men and women who have served. I ask that you support AB 558 as just one of those opportunities to answer a request from those who answered the call to defend our communities and our nation.

Thank you, and Rep. Bare and I would be happy to take any questions.

RE: SB 521 and AB 558

Senate Committee on Transportation and Local Government
Chair Cory Tomczyk and Members of the committee
Assembly Committee on Transportation
Chair Nancy Vander Meer and Members of the committee

Senators and Representatives:

The Mount Horeb Veterans Memorial Association would like to thank Senator Dianne Hesselbein for introducing SB 521 and Representative Michael Bare for introducing AB 558. We would request your favorable consideration of this legislation that would include our Memorial on the next official Wisconsin State Map. Our Association is comprised of more than 200 veterans from the Mount Horeb American Legion, Post 113, Mount Horeb VFW, Post 9511 and Wisconsin Viet Nam Veterans Chapter IV and we are extremely proud of our Memorial.

The Mt. Horeb Veterans Memorial pays tribute to all veterans, especially the men and women killed, missing in action or prisoners of war. We have more than 450 veterans' pavers that are inscribed with more than 600 names of veterans.

Recently the Mount Horeb Village Board passed a resolution supporting this legislation. In addition, on December 29th, 2023 we had the honor of meeting Mr. Denis McDonough, the United States Secretary of Veterans Affairs and providing him a tour of our Memorial.

Our Association, with the support of the entire community, has worked very hard to create what we believe is one of the finest Memorials in Wisconsin and we would respectfully request you approve bills SB 521 and AB 558.

Thank you.

Memorial Groundbreaking 6/14/2020.

"Your entire group deserves credit for such a well-organized, efficiently run fundraiser. Before even asking for a nickel, a dream evolved into a concept and then a plan spelling out exactly what needed to be done, in what order, and by whom. Obstacles were met head on and solved. Those tasked with meeting potential donors did so with respect, humility, and appreciation. Those tasked with promoting and cooking for the wonderful steak feeds did so with smiles, all while keeping their eye on the mission to build a beautiful memorial in honor of all veterans, near and far. Yes, you've come a long way...all because of the determination to make the dream become a reality, and it did!"

MOUNT HOREB VETERANS MEMORIAL PARK

Navy veteran Willie Hefty's 90th birthday.

OUR MOUNT HOREB VETERANS MEMORIAL

The Mount Horeb Veterans of Foreign Wars Post 9511, Mount Horeb American Legion Post 113, and the Wisconsin Vietnam Veterans Chapter IV partnered in 2018 to establish and build our Veterans Memorial Park. The three organizations created the Mount Horeb Veterans Memorial Association, a 501(c)3 nonprofit that is managed by a board of directors. It is our mission to recognize the service and sacrifices made by all veterans.

The memorial incorporates design features honoring all five branches of the armed forces: Army, Navy, Marine Corps, Air Force, and Coast Guard. There are 10 flags circling the Freedom Tower: a black granite pentagon supporting white granite pillars representing each branch.

Five black granite tributes honor the American Flag, the American Legion, the Veterans of Foreign Wars, Purple Heart recipients, and fallen soldiers: men and women killed in action, missing in action, and prisoners of war. In addition, there are more than 400 veterans' pavers that are inscribed with the names of 600+ veterans.

We are extremely proud of our Veterans Memorial Park and very appreciative of the support we received from the Mount Horeb village board, our many volunteers, our donors, our contractors, and of course the entire Mount Horeb community.

Board of Directors.
