Dear Representative Ballweg:

This will acknowledge your letter of January 26, 2007 regarding the Disaster Unemployment Assistance Program (DUA). You have asked whether any changes have been proposed recently to expand the DUA program.

I am advised by our legal staff that there have been no legislative proposals to change DUA programs since September 11, 2001. If you have any further questions please let me know.

Sincerely,

Hal Bergan  
Division Administrator
