

AMENDMENT TO WLC: 0062/1

1 At the locations indicated, amend the draft as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This amendment was prepared at the request of public member Mike Corradini. The amendment specifies that a carbon free resources portfolio standard includes electricity saved through energy efficiency measures. The amendment also directs the public service commission (PSC), if it determines that a carbon free resources portfolio standard should be established in the state, to include in its recommended implementing legislation appropriate policies to encourage compliance with the standard, including incentives for electric utilities that meet the standard.

2 **1.** Page 1, line 7: before the period insert “or saved through energy efficiency
3 measures”.

4 **2.** Page 1, line 10: before the period insert “and appropriate policies to encourage
5 compliance with the standard, including incentives for electric utilities that meet the
6 standard”.
