

1 **AN ACT to create** 301.48 (3) (e) of the statutes; **relating to:** providing information
2 obtained through the global positioning tracking system to the director of security for
3 a postsecondary educational institution.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill draft was prepared for the Joint Legislative Council’s Special Committee on Placement of Sex Offenders.

The bill draft requires the department of corrections (DOC) to provide a director of security for a postsecondary educational institution with information obtained through the global positioning tracking system for sex offenders, upon request of the director of security. The information provided and the manner in which it is provided is determined by DOC.

4 **SECTION 1.** 301.48 (3) (e) of the statutes is created to read:
5 301.48 **(3)** (e) The department shall provide a director of security for a postsecondary
6 educational institution, as defined in s. 301.46 (1) (am), with information obtained through the
7 global positioning tracking system, upon request. The information provided and the manner
8 in which it is provided shall be determined by the department.

NOTE: Requires DOC to provide a director of security for a postsecondary educational institution with information obtained through the global positioning tracking system for sex offenders, upon request of the director of security.
