Dear Ms. Snyder:

On behalf of the Joint Legislative Council's Special Committee on Placement of Sex Offenders, thank you for your presentation at the committee's January 4th meeting. The information you and Ms. Sampson provided was very helpful to committee members.

Based upon committee discussion following your presentation, we request that you consider including links to other state agency websites that provide information and sexual abuse and sexual assault crimes on your Stop It Now! website. We believe that providing parents and other members of the public with one place where they can access comprehensive information on these subjects would be a great service.

Thank you for your consideration of this request.

Sincerely,

Representative Scott Suder
