(2) The Wisconsin national guard shall be organized into army national guard and air national guard units, and “national guard” when used in this chapter, unless the context otherwise requires, means both the Wisconsin army national guard and the Wisconsin air national guard.

History: 1975 c. 189; 1983 a. 27; 2003 a. 69.

21.015 Department duties. The department of military affairs shall:

(1) Administer the national guard.

(2) Provide facilities for the national guard and any other support available from the appropriations under s. 20.465.

History: 1983 a. 27.

21.025 State defense force authorized. (1) **AUTHORITY AND NAME.** The adjutant general may establish a plan for organizing a military force to be known as the Wisconsin state defense force. The adjutant general may organize the Wisconsin state defense force under the plan if all or part of the national guard is called into the service of the United States. It shall be distinct from the national guard, uniformed, and composed of officers, commissioned or assigned, and of enlisted personnel who volunteer for service. Membership in the Wisconsin state defense force may not include any person who is in the active military forces, including the reserve components. Persons in the retired reserve may serve in the Wisconsin state defense force.

(2) ORGANIZATION; RULES AND REGULATIONS. (a) The governor may prescribe rules and regulations not inconsistent with this section governing the enlistment, organization, administration, equipment, maintenance, training, and discipline of such forces, except that such rules and regulations, insofar as the governor deems practicable and desirable, shall conform to existing law governing and pertaining to the national guard and the rules and regulations promulgated thereunder and shall prohibit the accep-

tance of gifts, donations, gratuities, or anything of value by such forces or by any member of such forces from any person by reason of such membership.

(b) The governor may form an aviation unit of the state defense force and formulate the rules and regulations therefor and prescribe the duties thereof consistent with the functions of the state defense force.

(c) Officers and enlistees, while on active duty under orders of the governor, shall receive the base pay and allowances of the identical grade in the United States army.

(d) The adjutant general may organize a cadre force of not more than 12 personnel at each state–owned armory. Each cadre force shall establish recruitment lists of persons interested in becoming members of the state defense force, which may be used to recruit full units for the state defense force in case the national guard is mobilized for active federal duty.

(3) REQUISITIONS; ARMORIES; OTHER BUILDINGS. For the use of such forces, the governor may requisition from the federal government such arms and equipment as may be available, and the governor may make available to the state defense force the facilities of state armories and their equipment and such other state premises and property as may be available and may, through the department of military affairs, rent or lease buildings or parts of buildings and grounds for armory purposes or continue in possession of such premises leased by the department of military affairs for the use of the national guard, paying rental therefor out of funds appropriated under s. 20.465 (1) (a). All leases so made shall terminate upon dissolution of the Wisconsin state defense force regardless of the term provided therein unless the premises shall be needed for national guard purposes, in which case the lease may be assigned by the department of military affairs to the national guard organization intending to occupy the premises.

(4) USE WITHOUT THIS STATE. Such forces shall not be required to serve outside the boundaries of this state except:

(a) Upon the request of the governor of another state, the governor of this state may order any portion or all of such forces to assist the military or police forces of such other state who are actu-

ally engaged in defending such other state. Such forces may be recalled by the governor at the governor's discretion.

(b) Any organization, unit, or detachment of such forces, upon order of the officer in immediate command thereof, may continue in fresh pursuit of insurrectionists, saboteurs, enemies or enemy forces beyond the borders of this state into another state until they are apprehended or captured by such organization, unit, or detachment or until the military or police forces of the other state or the forces of the United States have had a reasonable opportunity to take up the pursuit or to apprehend or capture such persons, provided such other state shall have given authority by law for such pursuit by such forces of this state. Any such person who shall be apprehended or captured in such other state by an organization, unit, or detachment of the forces of this state shall without unnecessary delay be surrendered to the military or police forces of the state in which the person is taken or to the United States, but such surrender shall not constitute a waiver by this state of its right to extradite or prosecute such person for any crime committed in this state.

(5) PERMISSION TO FORCES OF OTHER STATES. (a) Any military forces or organization, unit, or detachment thereof, of another state who are in fresh pursuit of insurrectionists, saboteurs, enemies or enemy forces may continue such pursuit into this state until the military or police forces of this state or the forces of the United States have had a reasonable opportunity to take up the pursuit or to apprehend or capture such persons, and such military forces of such other state may arrest or capture such persons within this state while in fresh pursuit.

(b) Any such person who shall be captured or arrested by the military forces of such other state while in this state shall without unnecessary delay be surrendered to the military or police forces of this state to be dealt with according to law.

(c) This subsection shall not be construed to make unlawful any arrest in this state which would otherwise be lawful.

(6) FEDERAL SERVICE. Nothing in this section shall be construed as authorizing such forces, or any part thereof to be called, ordered, or in any manner drafted, as such into the military service of the United States, but no person shall by reason of enlistment or commission in any such forces be exempted from military service under any law of the United States.

(7) CIVIL GROUPS. No civil organization, society, club, post, order, fraternity, association, brotherhood, body, union, league, or other combination of persons or civil group shall be enlisted in such forces as an organization or unit.

(8) DISQUALIFICATIONS. No person shall be commissioned or enlisted in such forces who is not a citizen of the United States or who has been expelled or dishonorably discharged from any military or naval organization, of this state, or of another state, or of the United States.

(9) OATH OF OFFICERS. The oath to be taken by officers commissioned in such forces shall be substantially in the form prescribed for officers of the national guard.

(10) ENLISTEES. No person shall be enlisted for more than one year, but such enlistment may be renewed. The oath to be taken upon enlistment in such forces shall be substantially in the form prescribed for enlistees of the national guard.

(11m) RETENTION OF ITEMS OF UNIFORM. (a) Officers and enlistees of the "Wisconsin State Defense Force" who have served honorably therein for a period of at least one year and are active members of their respective units at the time of its demobilization shall, upon application to the unit commander, be permitted to retain the items of uniform prescribed by the governor by rule.

(b) The uniform prescribed under par. (a) may be worn only on occasions of ceremony. "Occasions of ceremony" means occasions essentially of a military character at which the uniform is more appropriate than civilian clothing, such as memorial services, military weddings, military funerals, military balls, military parades, and meetings or functions of associations formed for mil-

itary purposes, the membership of which is composed largely or entirely of honorably discharged veterans of the services.

(11n) LABOR DISPUTES. The state defense force shall not be used to interfere with the orderly process of a labor dispute.

(13) SHORT TITLE. This section may be cited as the "State Defense Force Act".

History: 1975 c. 94 ss. 6, 91 (1); 1983 a. 27; 1987 a. 63 ss. 3, 13; 1991 a. 316; 2003 a. 69.

21.03 Distribution of arms. The governor may receive and distribute, according to law, the quota of arms and military equipment which the state may receive from the government of the United States under the provisions of any acts of congress providing for arming and equipping the national guard and the state defense force.

History: 1987 a. 63 s. 13.

Federal law prevents the state from regulating personnel criteria of the national guard. *Hazelton v. Personnel Commission*, 178 Wis. 2d 776, 505 N.W.2d 793 (Ct. App. 1993).

21.04 Camp Williams. (1) The state camp grounds near Camp Douglas, Juneau County, shall be known as "Camp Williams". The officer in charge of Camp Williams shall have at said camp the police powers possessed by officials at state hospitals, as provided in s. 46.058 (2).

(2) The adjutant general may grant to the federal government the right to use any area of Camp Williams upon such conditions as the adjutant general deems advisable.

(3) In memory of 1st lieutenant Jerome A. Volk, the first Wisconsin air national guard pilot killed in combat during the Korean conflict, so much of Camp Williams as is under lease to the federal government for use of the air national guard shall be known as "Volk Field" during the time the property remains under lease to the government of the United States.

History: 1979 c. 221 s. 2202 (37); 1991 a. 316.

21.06 Exemptions from certain county duties. Every member of the state military forces shall be exempt from service on any body of county residents summoned by the sheriff to assist in preserving the peace.

History: 1977 c. 318; 1979 c. 110.

21.07 Decorations and awards. The adjutant general may prescribe decorations and awards for the national guard and the state defense force, the form and issue thereof made under rules adopted by the adjutant general and approved by the governor.

History: 1975 c. 189; 1981 c. 207; 1983 a. 27; 1987 a. 63 s. 13; 2003 a. 69.

21.09 Training; special schools; pay and allowances. The governor may order the national guard to assemble for training at any military establishment within or without the state specified and approved by the department of defense and fix the dates and places thereof, and the governor may order members of the national guard, at their option, to attend such special schools for military training as may be authorized by the state or federal government. For such training and attendance at special schools, members of the national guard shall receive such pay and allowances as the federal government or the governor may authorize.

History: 1991 a. 316.

21.11 Call to active service. (1) In case of war, insurrection, rebellion, riot, invasion or resistance to the execution of the laws of this state or of the United States; in the event of public disaster resulting from flood, conflagration or tornado; in order to assess damage or potential damage and to recommend responsive action as a result of natural or man-made events; or upon application of any marshal of the United States, the president of any vil-

lage, the mayor of any city, the chairperson of any town board, or any sheriff in this state, the governor may order into active service all or any portion of the national guard. If the governor is absent, or cannot be immediately communicated with, any such civil officer may, if the officer deems the occasion so urgent, make such application, which shall be in writing, to the commanding officers of any company, battalion or regiment, who may upon approval of the adjutant general, if the danger is great and imminent, order out that officer's command to the aid of such civil officer. Such order shall be delivered to the commanding officer, who shall immediately communicate the order to each, and every subordinate officer, and every company commander receiving the same shall immediately communicate the substance thereof to each member of the company, or if any such member cannot be found, a notice in writing containing the substance of such order shall be left at the last and usual place of residence of such member with some person of suitable age and discretion, to whom its contents shall be explained.

(2) Any commissioned officer or enlisted member of the national guard who fails to carry out orders or fails to appear at the time or place ordered as provided in sub. (1) shall be punished under the Wisconsin code of military justice. Any person who advises or endeavors to persuade an officer or soldier to refuse or neglect to appear at such place or obey such order shall forfeit not less than \$200 nor more than \$1,000.

(3) The adjutant general may activate members of the national guard for the purpose of serving on an honors detail of military funeral honors for a person described under s. 45.60 (1).

History: 1979 c. 221; 1991 a. 316; 1993 a. 246; 1999 a. 62, 136; 2005 a. 22.

21.12 Exemption from civil authority. During the time the state military forces are performing military duty pursuant to proper orders issued by the governor or by the governor's authority, all members thereof while going to, remaining at or returning from a place of duty shall be exempt from arrest or service of any process issued by a civilian court. In any civil or criminal prosecution against any member arising out of the member's performing military duty, it shall be a defense that the member was acting in good faith or pursuant to any lawful military order. Any such order shall be deemed prima facie lawful.

History: 1991 a. 316.

Since this state has never granted a national guard member immunity from suit by another member for injuries negligently caused in the performance of military duty, the 1969 amendment of this section did not change the law. *Mazurek v. Skaar*, 60 Wis. 2d 420, 210 N.W.2d 691 (1973).

21.13 Defense of members of guard; payment of judgments. (1) If any state resident who is a member of a national guard of any state or of the state defense force is prosecuted by any civil or criminal action for any act performed by the member while in the performance of military duty and in pursuance of military duty, the action against the member shall be defended by counsel, which may include the attorney general, appointed for that purpose by the governor upon the recommendation of the adjutant general. The adjutant general shall make the recommendation if the act performed by the member was in the line of duty. The costs and expenses of any such defense shall be audited by the department of administration and paid out of the state treasury and charged to the appropriation under s. 20.455 (1) (b) and if the jury or court finds that the member of the national guard against whom the action is brought acted within the scope of his or her employment as a member, the judgment as to damages entered against the member shall also be paid by the state.

(2) Any civil action or proceeding brought against a member of a national guard or the state defense force under sub. (1) is subject to ss. 893.82 and 895.46.

History: 1977 c. 65; 1979 c. 34 s. 2102 (37) (a); 1979 c. 221; 1981 c. 20 s. 2202 (17) (a); 1985 a. 332 s. 253; 1987 a. 63 s. 13; 2003 a. 69.

A national guard member on active duty, but operating his own car for his own purposes while on a pass, was not acting in the performance of a military duty. *Wuorinen v. State Farm Mutual Automobile Insurance Co.* 56 Wis. 2d 44, 201 N.W.2d 521 (1972).

This section controls over s. 102.03 (4), and the state must pay a judgment based on negligence occurring in the good faith performance of duty. *Mazurek v. Skaar*, 60 Wis. 2d 420, 210 N.W.2d 691 (1973).

21.15 Penalty for retention of military property. No person may retain at any time any arms, equipment or military stores of any kind belonging to the state or any federally owned property issued to the state, unless the property has been issued to the person pursuant to law and the proper authority permits the person to retain the property in the discharge of a public duty. No person may use any public arms, equipment, clothing or military stores belonging to the state, either as owner or bailee, for the person's private use. Any person violating this section shall forfeit not less than \$50 nor more than \$200.

History: 1979 c. 221.

21.155 Nondelivery of arms; resisting officer. No person who possesses under the laws of this state any arms, equipment or other military property may willfully neglect or refuse, after lawful demand is made for the return of the property by order of the governor, to return the property promptly. No person may knowingly resist any officer who is lawfully taking possession of such arms, equipment or other military property. Any person violating this section shall forfeit not less than \$50 nor more than \$200.

History: 1979 c. 221.

21.17 Encroachment on military areas and interference with military personnel. (1) The officer in charge of any area used or to be used for military purposes may cause the area to be marked in such a manner so as to warn against encroachment by unauthorized persons, but not to unnecessarily obstruct travel on any public highway. No person may encroach or enter upon the area without the consent of the officer.

(2) No person may intercept, molest, abuse or otherwise interfere with any member of the national guard or any other military force organized under the laws of this state while the member is in the performance of military duty.

(3) Any person who violates sub. (1) or (2) shall forfeit not less than \$50 nor more than \$200. The officer in charge or a designee may arrest and detain the person for such reasonable time as may be necessary to deliver the person to civil authorities.

History: 1975 c. 94 s. 91 (1); 1975 c. 189, 199, 422; 1979 c. 221.

(k) Such other officers as the governor deems necessary.

(1m) In the event any of the deputy adjutants general, for army or for air, are appointed to a military position as a major general, the adjutant general shall appoint, for any periods of absence of that deputy adjutant general due to other military duties, an act-

21.74 Soldiers and sailors civil relief act; federal service. (1) In this section, unless the context indicates otherwise:

(a) “Interest and penalties” means interest and penalties accruing on taxes during the period of military service and 6 months thereafter. In case several owners jointly own property, other than property held jointly or as marital property with the spouse of the person in military service, interest and penalties means the proportionate share of the total interest and penalties commensurate with the equity in the property of the person in military service.

(b) “Person in military service” means any man or woman who is serving on active duty in the U.S. armed forces, except service on active duty for training purposes.

(c) “Property” means any real estate or personal property belonging to a person in military service that was acquired prior to the commencement of military service or that was acquired by descent.

(d) “Taxes” means any general taxes or special assessments or tax certificates evidencing those taxes and assessments not belonging to private buyers.

(2) To supplement and complement the provisions of 50 App. USC 501, and to afford and obtain greater peace and security for persons in military service, the enforcement of certain tax obligations or liabilities that may prejudice the property rights of persons in military service may be temporarily suspended as provided in this section.

(3) Any person while in the military service of the United States or within 6 months after terminating service, or the person’s agent or attorney during that period, may petition the circuit court of any county in which the person owns property for relief under this section. Upon filing of the petition the court shall make an order fixing the time of hearing and requiring the giving of notice of the hearing. If after the hearing the court finds that the person is, or within 6 months next preceding the filing of the petition was, in the military service of the United States and owns property within the county on which taxes have fallen or will fall due, and that the person’s ability to pay the taxes has been materially adversely affected by reason of being in military service, the court shall enter an order determining that the person is entitled to relief under this section. The court may suspend proceedings for the collection of taxes on the property for a period not exceeding 6 months after termination of the military service of the person, or for the time reasonably necessary to complete the agreement provided in sub. (7). Thereafter, the property shall not be included in tax certificates issued to enforce collection of taxes on property, and all proceedings for that purpose shall be suspended, except under terms that the court may order.

(4) Whenever any tax or assessment on real property, including all special assessments, is not paid when due, any interest or penalty under s. 74.47 and the maximum limitation of 6 percent per year as provided under 50 App. USC 501 shall be waived for the purpose and under the conditions specified in this section.

(5) The penalties and interest waived under this section are those for nonpayment of all taxes or assessments, general or special, falling due during the period of military service of any person against either real or personal property of which the person is the bona fide owner or in which the person has an interest.

(6) The person owning or having an interest in any property in respect to which the order under sub. (3) is made, or the person’s agent or attorney, may file a certified copy of the order of suspension with the county treasurer or with the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes as to the taxes and assessments. The person shall file with the order an affidavit in triplicate, sworn to by the person or agent or attorney, setting forth the name of the owner, the legal description of the property, the type of property, when acquired, volume and page number where the deed was recorded if acquired by deed, and the name of the estate if acquired by descent, amount of delinquent taxes if any, and the names of the holders of any outstanding mortgage, lien, or other encumbrance. Upon receipt of the filing, the county treasurer or city treasurer shall record the order in the office of the register of deeds of the county and file a copy in the office of the treasurer, who shall make proper notation that a person in military service is the holder of the legal title and has made application for special relief. The county treasurer or city treasurer shall immediately forward an additional copy of the order and affidavit to the office of the clerk of the town, city, or village where the property is located, or if it is located in a city, authorized to sell lands for nonpayment of its taxes, to the commissioner of assessments, who shall make an appropriate notation in the records.

(7) Any person seeking relief under this section, within 6 months after termination of military service, or the person’s agent

21.74 DEPARTMENT OF MILITARY AFFAIRS

or attorney, or in case of death of the person, the personal representative, surviving spouse, or heir, may apply to the county treasurer of the county, or the city treasurer of a city authorized by law to sell lands for the nonpayment of taxes, where the property is located, for an agreement for scheduled installment payments, covering the taxes accrued during the person's period of military service, provided that the taxes will be paid over a period of time equal to a period no longer than twice the length of military service of the person, in equal periodic installments of not less than \$10, and subject to any other terms as may be just and reasonable.

(8) In the event the applicant defaults in the performance of any of the provisions of the agreement, the treasurer shall notify the applicant of the default and the amount and date due, by written notice either served personally or by registered mail, return receipt requested, to the address set forth in the application. If the defaulted payment is not fully made within 10 days after service of the notice, then the treasurer, without further notice, may declare that the entire amount of the tax subject to the scheduled installments is immediately due and payable and that the agreement is terminated. The county treasurer shall notify the register of deeds and the town, city, or village treasurer of the termination, or if the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes, the latter shall notify the register of deeds, the county treasurer, and the local officers and shall make appropriate notations of the termination on their records. The county treasurer, or city treasurer as to taxes of cities authorized by law to sell land for the nonpayment of taxes, may without further order of the court enforce the collection of such tax or assessment and sell such tax certificates together with the penalties and interest as may have accrued on the property from the date of default of the scheduled installment payment.

(9) (a) In this subsection:

1. "Commercial mobile service" has the meaning given in 47 USC 332 (d).

2. "Contract" means an agreement between a person in military service and a mobile telephone service provider that requires the person in military service to pay the mobile telephone service provider a monthly fee in exchange for the use of a mobile telephone.

3. "Mobile telephone service provider" means a person that is authorized by the federal communications commission to provide commercial mobile service.

(b) This subsection applies to a contract to which all of the following apply:

1. The contract was executed by or on behalf of a person in military service who entered active military duty after the contract was executed.

2. The contract covers a period in excess of one month.

(c) A person in military service may suspend or terminate a contract to which this subsection applies without any penalties or additional fees at any time after the service member has been issued orders into active duty by giving written notice to the mobile telephone service provider. The service member shall include a copy of the orders into active duty as part of the notice. The notice may be given by 1st class mail to the address provided in the agreement with the mobile telephone service provider or provided in the mobile telephone service provider's billing statement or by delivering the notice to the mobile telephone service provider's branch office.

(d) Suspension or termination shall be effective 30 days after the first date on which the next payment is due and payable after the date on which the notice is mailed.

(e) Any amount paid in advance under the contract for a period after the effective date of the suspension or termination of the contract shall be refunded to the lessee by the lessor within 30 days after the effective date of the suspension or termination of the contract.

(f) Upon application of a mobile telephone service provider after receiving notice under this subsection and before the contract suspension or termination date provided for under par. (d), a court may make such modifications to or restrictions on the relief granted in this subsection as the court determines are appropriate under the circumstances.

(g) If a mobile telephone service provider assesses a person in military service any penalty or fee after the person has suspended or terminated the contract under par. (c) or fails to make any refund required under par. (e), the service member shall have the right to bring an action for damages. If the service member prevails in an action brought under this paragraph, the court shall order the mobile telephone service provider to pay the service member exemplary damages of \$2,000.

History: 2005 a. 22, 473.

21.75 Soldiers' and sailors' relief act; state service.

(1) DEFINITIONS. In this section:

(a) "Active state service" means active service for 30 days or more in the national guard or the state defense force under an order of the governor issued under this chapter or active service for 30 days or more in the national guard under 32 USC 502 (f) or 506 that is not considered to be "service in the uniformed services," as defined in 38 USC 4303 (13). "Active state service" includes active service for 30 days or more in the national guard of any state under the order of a governor of that state.

(b) "Court" means a court of record.

(c) "Department" means the department of military affairs.

(cm) "Period of active state service" means the period beginning on the date on which the service member receives an order to enter active state service and ending on the date of the service member's release from active state service or death while in active state service.

(d) "Service member" means a resident of this state who may be called into active state service.

(2) PROTECTION OF PERSONS SECONDARILY LIABLE. (a) If this section results in the stay or suspension of any obligation, liability, court action, order, writ, or judgment, the court that issued the stay or suspension may grant the same remedy to sureties, guarantors, endorsers, and others subject to the obligation, liability, court action, order, writ, or judgment.

(b) If a service member is the principal on a criminal bail bond and his or her active state service causes the surety upon the bond to be prevented from enforcing the attendance of the service member at court, the court shall not enforce the provisions of the bond during the service member's period of active state service and may either during or after the period of active service discharge the surety and exonerate the bail.

(c) A surety, guarantor, endorser, or other person subject to the obligation, liability, court action, order, writ, or judgment under par. (a) or (b) may waive in writing the rights afforded by this subsection, except that the waiver is not valid unless the waiver is executed as an instrument separate from the obligation, liability, court action, order, writ, or judgment. The waiver under this paragraph is not valid after the beginning of the period of active state service if executed by a service member who subsequently is called into active state service. The waiver under this paragraph is not valid if executed by a dependent of a service member unless the waiver is executed during the period of active state service.

(3) EFFECT ON RIGHTS UNDER A WRITTEN AGREEMENT. This section does not prevent the modification, termination, or cancellation of any contract, lease, bailment, or secured obligation, or the repossession, retention, foreclosure, sale, or forfeiture of property that is security for any obligation or which has been purchased or received under a contract, lease, or bailment under a written agreement of the parties if that agreement is executed during or after the period of active state service.

(4) EXERCISE OF RIGHTS. No person may use the fact that a service member has applied for, or received, a stay, postponement, or suspension in the payment of a tax, fine, penalty, insurance premium, or other civil obligation or liability as the basis for doing any of the following:

(a) If the person is a lender, determining that the service member is unable to pay any such civil obligation or liability in accordance with the terms of the obligation or liability.

(b) If the person is a creditor, denying or revoking any credit extended to the service member, changing the terms of a credit agreement to which the service member is a party, or refusing to grant credit to the service member in substantially the amount or on substantially the terms requested by the service member.

(c) If the person is in the business of assembling or evaluating consumer credit information, making an adverse report on the creditworthiness of the service member.

(d) If the person is an insurer, refusing to insure the service member.

(5) DEFAULT JUDGMENTS, AFFIDAVITS, AND ATTORNEY REPRESENTATION. (a) If, in any court action, there is a default of any appearance of the defendant, the plaintiff, when requesting a default judgment, shall file with the court an affidavit setting forth facts showing that the defendant is not in active state service. If the plaintiff is unable to file such an affidavit, the plaintiff shall, when requesting a default judgment, file an affidavit setting forth that the defendant is in active state service or that the plaintiff is unable to determine if the defendant is in active state service. If an affidavit is not filed showing that the defendant is not in active state service, a default judgment may not be entered without a court order. A court may not order the entry of a default judgment if the defendant is in active state service until the court has appointed an attorney to represent the defendant and protect the defendant's interests. Unless the court determines that the defendant is not in active state service, the court may require, as a condition of entering judgment, the plaintiff to file a bond to indemnify the defendant, if he or she is in active state service, against any loss or damage resulting from the judgment if any part of the judgment is later set aside. The court may make any other order as may be necessary to protect the interests of the defendant under this section.

(b) If a judgment is rendered in a court action against a service member during the period of active state service or within 30 days after the end of that period of active state service, and it appears that the service member was prejudiced in making a defense by reason of his or her active state service, the court may reopen that judgment if all of the following conditions exist:

1. The service member moves the court to reopen the judgment within 90 days after his or her period of active state service ends.

2. The service member has a meritorious or legal defense to the action.

(c) Vacating, setting aside, or reversing a judgment under this subsection does not impair any right or title acquired by a bona fide purchaser for value under the judgment.

(d) Any person who shall make or use an affidavit required under this subsection that he or she knows to be false shall be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(6) STAY OF ACTION. During any stage of a court action in which a service member in active state service is involved as a party, or within 60 days after the end of the period of active state service, the court in which the action is pending may on its own motion, and shall, on application of the service member or some person acting on behalf of the service member, stay the action unless the court determines that the service member's ability to represent his or her interest in the action is not materially affected by reason of his or her active state service.

(7) STAY OR VACATION OF EXECUTIONS OR ATTACHMENTS. In any court action that is commenced against a service member before

or after entering active state service, or within 60 days after the period of active state service ends, the court may on its own motion, and shall, on application of the service member or some person acting on behalf of the service member, stay the execution of any judgment or order entered against the service member, or stay or vacate any attachment or garnishment regarding the service member's property, unless the court determines that the service member's ability to comply with the judgment or order is not materially affected by reason of his or her active state service.

(8) DURATION AND TERMS OF STAYS. (a) Any stay of any action, attachment, execution, or garnishment under this section may be ordered for the period of the active state service and 3 months after that period has ended, or for any part of that time.

(b) Any stay under par. (a) may be subject to such terms as may be just, including the payment of installments in an amount and at the times that the court determines.

(c) If the service member is a codefendant in an action, the plaintiff may, by leave of the court, proceed against the other codefendants.

(9) STATUTES OF LIMITATIONS. The period of active state service may not be included in computing any period for the bringing of any action or proceeding in any court or before any public agency, as defined in s. 36.54 (2) (a) 2., by or against a person in active state service or by or against his or her heirs, personal representatives, or assigns, whether the cause of action or proceeding or the right to bring the action or proceeding accrued before or during the period of active state service.

(10) MAXIMUM INTEREST RATE. No obligation or liability bearing interest at a rate in excess of 6% per year incurred by a service member in active state service before his or her entry into that service may, during any part of the period of active state service, bear interest in excess of 6% per year except by court order. If, upon application by an obligee, a court determines that the ability of the service member to pay interest upon the obligation or liability at a rate in excess of 6% per year is not materially affected by reason of his or her active state service, the court may make any order that is just. In this subsection, "interest" includes service charges, renewal charges, fees, or other charges, other than insurance, in respect to the obligation or liability.

(11) EVICTION STAY. (a) No eviction may be made during the period of active state service in respect to any premises for which the agreed rent does not exceed \$1,200 per month, occupied chiefly for dwelling purposes by the spouse, children, or other dependents of a service member who is in active state service, except upon order of a court in an action affecting the right of possession.

(b) In an action for eviction under par. (a), the court may on its own motion, and shall, on application of the service member or some person acting on behalf of the service member, stay the proceedings for not longer than 3 months unless the court determines that the ability of the tenant to pay the agreed rent is not materially affected by the active state service. The court may make any other order in the eviction action as it considers necessary and just. If a stay or order is issued under this paragraph, the court may, upon the request of the owner of the premises, make any other order as may be applicable to conserve the interests of all of the parties.

(c) Any person who knowingly takes part in any eviction prohibited under par. (a) except as provided in this subsection, or attempts to do so, shall be fined not more than \$10,000 or imprisoned not more than 9 months or both.

(12) ACTION TO ENFORCE OBLIGATION SECURED BY MORTGAGE. (a) In this subsection, "obligation" means an obligation of a service member in active state service that was incurred before the service member's period of active state service began and that is secured by a mortgage, deed of trust, or other security in the nature of a mortgage on real or personal property that is owned by the service member.

(b) If a court action against a service member is commenced during the service member's period of active state service to enforce an obligation for nonpayment of any sum due or for any

other breach of terms occurring before or during the service member's period of active state service, the court shall hold a hearing on the matter. Unless the court determines that the service member's ability to comply with the terms of the obligation is not materially affected by reason of his or her active state service, the court on its own motion may, or upon application of the service member or another person on his or her behalf shall, do any of the following:

1. Stay the action as provided in this section.
2. Make such other disposition of the case as the court determines is equitable to the interests of all parties.

(c) 1. Notwithstanding the times provided in ss. 846.10, 846.101, 846.102, and 846.103 for sales of real property, no foreclosure, sale, or seizure of property for nonpayment of any sum due or for any other breach of terms is valid if it occurs during or within 3 months after the service member's period of active state service, unless the court ordered the foreclosure, sale, or seizure of property before the beginning of the service member's period of active state service and approves the foreclosure, sale, or seizure after it occurs.

2. Any person who knowingly causes a foreclosure, sale, or seizure of property that is invalid under subd. 1. shall be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(13) PERSONAL PROPERTY CONTRACTS. When an action to resume possession of personal property, or to rescind or terminate a contract for the purchase of personal property, has been stayed under this section, the court may appoint 3 disinterested persons to appraise the property. Based upon the report of the appraisers, and unless undue hardship would result to the dependents of the service member in active state service, the court may order that a sum be paid to the service member as a condition of resuming possession of the property or rescinding or terminating the contract.

(14) TERMINATION OF LEASES BY LESSEES. (a) This subsection applies to a lease to which all of the following apply:

1. The lease was executed by or on behalf of a service member who entered active state service after the lease was executed.
2. The lease covers premises that are occupied for dwelling, professional, business, agricultural, or similar purposes by the service member, or the service member and his or her dependents.

(b) A lease to which this subsection applies may be terminated by the service member at any time after the beginning of the service member's period of active state service by giving notice in writing by personal delivery or first class mail to the landlord or the person who has been receiving rent or managing the property as the landlord's agent.

(c) If the lease provides for monthly payment of rent, termination shall be effective 30 days after the first date on which the next rental payment is due and payable after the date on which the notice is delivered or mailed. In any other case, all of the following apply:

1. Termination shall be effective on the last day of the month after the month in which the notice was delivered or mailed.
2. Any unpaid rent for the period preceding termination shall be computed on a prorated basis.
3. The landlord or the landlord's agent shall refund to the service member any rent paid in advance that applies to the period after termination.

(d) Upon application of a landlord after receiving notice under this subsection and before the lease termination date provided for in this subsection, a court may make such modifications to or restrictions on the relief granted in this subsection as the court determines are appropriate under the circumstances.

(e) No person may knowingly seize or retain personal property belonging to a service member who lawfully terminates a lease under this subsection, or in any manner interfere with the removal of the service member's personal property from the premises covered by the lease, for the purpose of subjecting the personal prop-

erty to a claim for rent accruing after the termination of the lease. Any person who violates this paragraph shall be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(f) Section 704.29 does not apply to the termination of a lease as provided in this subsection.

(15) STORAGE LIENS. (a) Notwithstanding ss. 704.05 (5) and 704.90, no person may enforce a lien for storage of any household goods, furniture, or personal effects of a service member during the period in which the service member is in military service and for 90 days after the member's completion of military service, except as permitted by a court order under par. (b).

(b) No person may exercise any right to foreclose or enforce a lien for the storage of household goods, furniture, or personal effects of a service member during the service member's period of active state service and for 3 months after that period ends except upon an order of the court. In an action under this paragraph, the court, after a hearing, may on its own motion, and shall, on application of the service member or some person acting on behalf of the service member, stay the proceeding or make such other order as may be equitable to conserve the interests of all parties, unless the court determines that the ability of the service member to pay storage charges due is not materially affected by his or her active state service.

(c) Any person who violates par. (a) may be fined not more than \$10,000 or imprisoned for not more than 9 months or both.

(16) DEPENDENT BENEFITS. Upon application to the court, a dependent of a service member is entitled to the same benefits given to a service member while in active state service, unless the court determines that the ability of the dependent to comply with the terms of an obligation, contract, lease, or bailment is not materially impaired by reason of the service member's active state service.

(17) TRANSFERS OR ACQUISITIONS. If a court determines that any interest, property, or contract has been transferred or acquired with the intent to delay the enforcement of a civil right by taking advantage of this section, the court shall enter any judgment or make any order that is just, notwithstanding the provisions of this section.

(18) CERTIFICATE OF SERVICE; PERSON REPORTED MISSING. (a) In any action or proceeding under this section, a certificate signed by the adjutant general or a person designated by the adjutant general as to the period of active service of a service member shall be prima facie evidence as to any of the following facts:

1. That the service member named has been in active state service.
2. The period of the active state service, including the date the service member was ordered into active state service.
3. The monthly pay received by the service member in active state service at the time the certificate was issued.
4. If the service member died while in active state service, the date and the place where he or she died.

(b) The adjutant general shall provide the certificate under par. (a) upon request of the service member or of a person acting on behalf of the service member or his or her estate, and any certificate so provided shall be prima facie evidence of the facts stated in the certificate and of the authority of the signer to issue the certificate.

(c) When a service member in active state service has been reported missing to the department, the service member shall be presumed to continue in active state service until accounted for, and no period limited under this section which begins or ends with the death of a service member shall begin or end until the death of the service member is determined by the department or by a court.

(19) INTERLOCUTORY ORDERS. A court may revoke, modify, or extend any interlocutory order made by the court under this section, upon the court's own motion or on the motion of a party, upon such notice to the parties as the court may require.

(20) STAY OF ENFORCEMENT OF OBLIGATIONS OR LIABILITIES. (a) A service member may, at any time during his or her period of active state service, or within 6 months after that service ends, apply to a court for relief with respect to any obligation or liability incurred by the service member before his or her period of active state service. The court, after appropriate notice and hearing, may grant the following relief unless the court determines that the ability of the service member to comply with the terms of the obligation or liability has not been materially affected by his or her state active service:

1. In the case of an obligation payable in installments under a contract for the purchase of real estate, or secured by a mortgage upon real estate, a stay of the enforcement of the obligation during the period of active state service and, from the date of the end of the period of active state service or from the date of requesting the relief if made after the service is ended, for a period equal to the period of the remaining life of the installment contract or instrument evidencing the obligation plus a period of time equal to the period of active state service, or any part of that combined period. The court may issue a stay under this paragraph if the service member makes payments of the balance of the principal and accumulated interest due and unpaid at the date of the end of the period of active state service or from the date of requesting the relief, whichever is appropriate, in equal installments during the combined period and at the rate of interest as is prescribed in the contract or instrument evidencing the obligation for installments paid when due. The court may order other terms under this paragraph as are just.

2. In the case of any other obligation or liability, a stay of the enforcement of that obligation or liability during the service member's period of active state service and, from the date of the end of the period of active state service or from the date of requesting the relief if made after the service is ended, for a period equal to the period of active state service or any part of that period. The court may issue a stay under this paragraph if the service member makes payments of the balance of the principal and accumulated interest due and unpaid at the date of the end of the period of active state service or from the date of requesting the relief, whichever is appropriate, in equal installments during the extended period and at the rate of interest as is prescribed for the obligation or liability when due. The court may order other terms under this paragraph as are just.

(b) When a court has granted a stay under this subsection, no penalty may accrue during the period that the terms and conditions of the stay are complied with by reason of the failure to comply with the terms or conditions of the obligation or liability in respect to which the stay was granted.

(21) POWER OF ATTORNEY EXTENSION FOR MISSING SERVICE MEMBER. (a) A power of attorney that was duly executed by a service member that is reported missing to the department and that designates the service member's spouse, parent or named relative as his or her attorney-in-fact for specified, or all, purposes, and that expires after the service member is reported missing, is extended for the period that the service member is missing.

(b) No power of attorney executed after December 14, 2001, by a service member in active state service may be extended under par. (a) if the document creating the power of attorney clearly indicates that the power granted expires on the date specified even if the service member, after the date of execution of the document, is reported missing to the department.

(22) PROFESSIONAL LIABILITY PROTECTION. (a) 1. If a service member who is called into active state service has coverage under a professional liability insurance policy that does not cover claims filed with respect to the service member during the period of active state service unless the premiums are paid for the coverage for that period, the insurer that provides the coverage shall suspend the service member's coverage under the policy upon receipt of a written request from the service member to do so. The insurer may not require that premiums be paid for the suspended coverage. The insurer shall refund any premium amount already paid

for coverage of the service member for the period after the coverage is suspended or shall, at the option of the service member, apply such amount to payment of any premium that becomes due upon reinstatement of the coverage.

2. Subdivision 1. does not require the suspension of coverage for any other person who has coverage under the policy and who is not a service member called into active state service or relieve any person of the obligation to pay premiums for coverage that is not required to be suspended under subd. 1.

(b) 1. Subject to subd. 2., an insurer that suspends coverage under par. (a) is not liable with respect to any claim that is based on the professional conduct, including the failure to take an action in a professional capacity, of the service member that occurs while the service member's professional liability coverage is suspended under this subsection.

2. For purposes of subd. 1., a claim that is based on the failure of a professional to make adequate provision for the care of patients during the professional's period of active state service shall be considered to be based on an action or the failure to take action before the beginning of the period during which coverage is suspended under this subsection, unless professional services were provided after the date on which the suspension of coverage began.

(c) 1. If a service member whose professional liability insurance coverage is suspended under par. (a) transmits to the insurer, within 30 days after the date on which the service member is released from active state service, a written request for reinstatement of his or her professional liability insurance coverage, the insurer must reinstate the coverage as of the date on which the insurer receives the written request. The period for which the coverage must be reinstated may not be less than the balance of the period for which the coverage would have continued under the policy had the coverage not been suspended.

2. Upon receipt of the written request under subd. 1., the insurer shall notify the service member of the due date for paying the premium for the insurance, and the service member shall pay the premium within 30 days after receiving the notice. For the minimum period of reinstatement required under subd. 1., the insurer may not increase the amount of the premium over the amount that was chargeable before the suspension of the coverage for that period, except to the extent of any general increase in premiums charged by the insurer for the same professional liability coverage for persons similarly covered by such insurance during the period of the suspension.

(d) 1. Any action or proceeding in any court or before any public agency, as defined in s. 36.54 (2) (a) 2., based on the alleged professional negligence or other professional liability of a service member whose professional liability insurance coverage has been suspended under par. (a) shall be stayed until the end of the period of suspension if all of the following apply:

a. The action or proceeding was commenced during the period of suspension.

b. The action or proceeding is based on an act or omission that occurred before the date on which the period of suspension began.

c. The professional liability insurance policy would, except for the suspension, on its face cover the alleged professional negligence or other professional liability of the service member.

2. Whenever an action or proceeding is stayed under subd. 1., the action or proceeding shall be considered to have been filed on the date on which the service member's coverage is reinstated under par. (c) 1.

3. In any action or proceeding in which a stay may be granted under subd. 1., the period during which the professional liability insurance coverage is suspended may not be included in computing any limitations period for commencing the action or proceeding.

(e) If a service member whose professional liability insurance coverage is suspended under par. (a) dies during the period of suspension, all of the following apply:

21.75 DEPARTMENT OF MILITARY AFFAIRS

1. The requirement to stay any action or proceeding under par. (d) 1. terminates on the date of the service member's death.

2. (1) and (2) may petition the circuit court to require the employer to comply with those subsections. Upon the filing of the petition and on reasonable notice to the employer, the court may require the employer to comply with those subsections and to compensate the person for any loss of wages or benefits suffered by reason of the employer's action. The court shall order a speedy hearing and shall advance the case on the calendar. No fees or court costs may be

4. Subject to par. (b), in the case of a person who is not qualified to be employed in the position of employment in which the person would have been employed if the continuous employment of the person with the employer had not been interrupted by the person's active service or in the position of employment in which the person was employed on the date on which the person's period of active service began for any reason other than disability incurred in or aggravated during a period of active service and who cannot become qualified to be so employed with reasonable efforts by the employer, the employer shall reemploy the person promptly on completion of that period of active service in any other position that the person is qualified to perform and that is the nearest approximation to the position of employment in which the person would have been employed if the continuous employment of the person with the employer had not been interrupted by that active service, with full seniority, or if no position of employment that is the nearest approximation to that position is available, in a position of employment that the person is qualified to perform and that is the nearest approximation to the position of employment in which the person was employed on the date on which the person's period of active service began, with full seniority.

(b) *Multiple returning employees.* 1. If 2 or more persons who are entitled to reemployment under sub. (3) in the same position of employment have reported to the employer or applied for reemployment in that position, the person who left employment first shall have the prior right to reemployment in that position.

(a) 1., 2., 3., or 4., whichever is applicable, in a position of employment that provides for similar status and pay as the position described in subd. 1., consistent with the person's circumstances, with full seniority.

(5) **RIGHTS, BENEFITS, AND OBLIGATIONS.** (a) *Seniority.* A person who is reemployed under this section is entitled to the seniority and other rights and benefits determined by seniority that the person had on the last day of employment before the person's active service began, plus all seniority and other rights and benefits determined by seniority that the person would have had if the continuous employment of the person with the employer had not been interrupted by that active service.

(b) *Continuation of benefits.* 1. Subject to subds. 2. to 5., a person who is absent from employment because of active service is considered to be on furlough or leave of absence while performing the active service and is entitled to receive all rights and benefits not determined by seniority that are generally provided by the employer to employees having similar seniority, status, and pay who are on furlough or leave of absence under a contract, agree-

ment, policy, practice, or plan that is in effect on the day on which the active service began or that is established while the person is performing the active service.

2. If an employer shows that a person who is absent from a position of employment because of active service has knowingly provided written notice of the person's intent not to return to a position of employment with the employer after that active service and, in doing so, was aware of the specific rights and benefits under subd. 1. that the person would lose while absent from the position of employment, the person is not entitled to the rights and benefits specified in subd. 1. while absent from employment.

3. A person who is considered to be on furlough or leave of absence under subd. 1. while performing active service is not entitled to any benefit to which the person would not otherwise be entitled if the person had remained continuously employed.

4. An employer may require a person who is considered to be on furlough or leave of absence under subd. 1. while performing active service to pay the employee cost, if any, of any benefit that is continued under subd. 1. to the same extent that other employees who are on furlough or leave of absence are so required.

5. A person who is absent from a position of employment because of active service is entitled to receive coverage under a health benefit plan during the absence and on reemployment as provided in sub. (6).

(c) *Protection from discharge.* An employer that reemploys under this section a person whose period of active service lasted for more than 30 days, but less than 181 days, may not discharge the person within 180 days after the date of reemployment except for cause. (a) and who is absent from a position of employment for more than 30 days may be required to pay up to 102% of the full premium for that coverage for the period of continued coverage that exceeds 30 days.

(c) *Reinstatement on reemployment.* If a person's coverage under a health benefit plan in connection with his or her employment was terminated because of the person's active service and if after returning from that active service the person is reemployed under sub. (3), coverage under the health benefit plan shall be reinstated for the person and the person's dependents immediately upon reemployment. With respect to the reinstated coverage, no exclusion or waiting period may be imposed that would not have been imposed had the coverage not been terminated because of the active service.

(7) **ENFORCEMENT.** (a) *Complaint.* Any person who believes that his or her employer has failed or refused, or is about to fail or refuse, to provide to the person any reemployment right or benefit to which the person is entitled under this section may file a complaint with the adjutant general, in such form as the adjutant general may prescribe by rule, summarizing the allegations that form the basis of the complaint. (b) 2. to enforce the person's rights under this section. If the adjutant general is not able to resolve the complaint, the adjutant general shall notify the person who filed the complaint that the person may proceed under par. (b) 1. or 2. to enforce the person's rights under this section.

(b) *Enforcement procedures.* 1. A person who receives notification under par.
