Subject: Keep ATVs out of Vilas County

It is very hard for me to understand what the members of our State Government and "DNR government" don't understand about the views of a very large majority of Vilas County residents. We do not want ATVs roaming around Vilas County! We do not want ATV "link up" trails in Vilas County. We do not want ATV test tracks in Vilas County. In a democratic society, last time I looked, majority rules. Seems like 65+% and in some townships 85+% is a fairly large majority. They voted to ban ATVs in Vilas County. It is time to move on to more worthy efforts, after all ATV riders are able to ride all over the State, except in Vilas County. I urge you to maintain the Vilas County no-ATVs oasis. Please express my view at your up coming meeting on November 10th. Thank you.
