7 77.76 (3r), 77.76 (5) and 345.05 (1) (ag) of the statutes; **relating to:** the creation of
8 regional transit authorities, and making appropriations.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill allows most cities, towns, villages, and counties (political subdivisions) to create regional transit authorities (RTAs), which are public bodies corporate and politic. The governing bodies of two or more political subdivisions may join together (participating political subdivisions) to jointly create an RTA by adopting identical resolutions (authorizing resolutions). If an RTA includes a county, the RTA must also include at least one municipality within that county. If an RTA has already been formed, additional political subdivisions may join the RTA by adopting authorizing resolutions identical to the authorizing resolutions if all participating political subdivisions of the RTA also adopt resolutions allowing the additional political subdivisions to join the RTA. Participating political subdivisions may generally amend or modify their authorizing resolutions, including to allow a new political subdivision to join the RTA, if, after any amendment or modification, the authorizing resolutions of all participating political subdivisions remain identical. Any RTA authorizing resolution must contain certain information, including all of the following:

1. The name of the RTA and a description or map of its jurisdictional area. "Jurisdictional area" is defined as the geographic area formed by the combined territorial boundaries of all participating political subdivisions except that for a county, it includes only that portion of the

county that is within the territorial boundaries of cities, villages, and towns in the county that are participating political subdivisions.

2. The purpose of the RTA and the functions or services to be provided by the RTA.
3. The powers, duties, and limitations of the RTA.
4. The establishment and organization of a board of directors, in which all powers of the RTA are vested, the voting requirements for action by the board of directors, and the duties of the board of directors.
5. The manner of selection, powers, and duties of the RTA's officers.
6. The method of financing the formation and operation of the RTA.
7. If authorized, the maximum rate of the sales and use tax, not exceeding the statutory limit, that may be imposed by the RTA. The resolution must also include or refer to a transit plan for the RTA and this authorized rate of the sales and use tax may not exceed the rate determined necessary under the transit plan.
8. A procedure by which a participating political subdivision may withdraw from the RTA and provisions for the disposition or distribution of any property, assets, and obligations of the RTA on withdrawal of a participating political subdivision from the RTA or on dissolution of the RTA.

The governing body of a political subdivision must approve by at least a majority vote the authorizing resolution creating or joining an RTA and, upon such approval, the governing body of the political subdivision may also require that the authorizing resolution be ratified by the electors at a referendum held in the political subdivision. Also, at least 30 days before approving an authorizing resolution, the governing body of a political subdivision must hold a public hearing on the resolution. Generally, a political subdivision may not participate in more than one RTA, whether created under this section or any other statute, except s. 59.58 (6) (a) 1., stats. However, a county may be a participating political subdivision in more than one authority created under this section.

An RTA may do all of the following:

1. Establish or acquire a comprehensive unified local transit system, which is a transit system comprised of bus lines and other public transit facilities generally within the jurisdictional area of the RTA. "Transit system" is defined to include land, structures, equipment, and other property for transit of passengers, including by bus, rail, or other form of mass transit. The RTA may operate this transit system or provide for its operation by another. The RTA may contract with a public or private

organization to provide transit services in lieu of directly providing these services and may purchase and lease transit facilities to public or private transit companies.

2. Coordinate, provide, or assist in providing specialized transportation services for persons who are disabled or aged 60 or older.

3. Own or lease real or personal property.

4. Acquire property by condemnation.

5. Enter upon highways to install, maintain, and operate the RTA's facilities.

6. Impose, by the adoption of a resolution by the board of directors, a sales and use tax in the RTA's participating political subdivisions at a rate of not more than 0.5 percent of the gross receipts or sales price or, if lower, not to exceed the maximum rate established by the authorizing resolution. This sales and use tax may not be imposed in any municipality within a county that is a participating political subdivision of an RTA unless the municipality is also a participating political subdivision of the RTA. The tax shall be uniform among the participating political subdivisions within the same county.

7. Incur debts and obligations. An RTA may issue tax-exempt revenue bonds, secured by a pledge of any income or revenues from any operations or other source of moneys for the RTA. The bonds of an RTA are not a debt of its participating political subdivisions and neither the participating political subdivisions nor the state are liable for the payment of the bonds. Bond proceeds, except those derived from refunding bonds, may be used only for capital expenditures related to the acquisition of transit system equipment having a useful life of at least five years. The useful life limitation does not apply to expenditures made for the acquisition of all or part of an existing transit system.

8. Set fees and charges for functions, facilities, and services provided by the RTA.

9. Adopt bylaws and rules to carry out the powers and purposes of the RTA.

10. Sue and be sued in its own name.

11. Employ agents, consultants, and employees, engage professional services, and purchase furniture, supplies, and materials reasonably necessary to perform its duties and exercise its powers.

12. Invest funds not required for immediate disbursement.

13. Do and perform any authorized acts by means of an agent or by contracts with any person.

14. Exercise any other powers that the board of directors considers necessary and convenient to effectuate the purposes of the RTA, including providing for passenger safety.

The board of directors of an RTA must annually prepare a budget for the RTA. Rates and other charges received by the RTA must be used only for the general expenses and capital expenditures of the RTA, to pay interest, amortization, and retirement charges on the RTA's revenue bonds, and for specific purposes of the RTA and may not be transferred to any political subdivision. The RTA must maintain an accounting system in accordance with generally accepted accounting principles and must have its financial statements and debt covenants audited annually by an independent certified public accountant. For purposes of subch. III of ch. 19, stats., the board of directors of an RTA are considered local public officials, and as such are subject to the code of ethics for local public officials.

An RTA that acquires a transit system must assume all of the employer's obligations under any contract between the employees and management of the system to the extent allowed by law. An RTA that acquires, constructs, operates, or contracts for the operation of a transit system must negotiate an agreement with the representative of the labor organization that covers the employees affected by the acquisition, construction, or operation to protect the interests of employees affected, and that agreement must include specified provisions. Employees of the RTA are participatory employees under the Wisconsin Retirement System (WRS) if the RTA elects to join the WRS.

A participating political subdivision may withdraw from an RTA if: (1) the governing body of the political subdivision adopts a resolution requesting withdrawal from the RTA; (2) the political subdivision has paid, or made provision for the payment of, all obligations of the political subdivision to the RTA; and (3) any authorized sales and use tax that is levied by the RTA within the political subdivision continues to be levied for the period of time for which the tax is authorized. Unless otherwise agreed upon, if a political subdivision withdraws from an RTA, the political subdivision continues to receive services from the RTA for so long as the sales and use tax continues to be levied in the political subdivision.

An RTA may be dissolved if a majority of the participating political subdivisions adopt resolutions recommending the dissolution of the RTA. Dissolution of an RTA may not occur until adequate provision has

been made for payment of the RTA's outstanding indebtedness, including outstanding revenue bonds. Dissolution of an RTA, and withdrawal of a political subdivision from an RTA, is subject to provisions of the authorizing resolutions relating to, respectively, dissolution or withdrawal.

Current law provides limited immunity for cities, villages, towns, counties, and other political corporations and governmental subdivisions, and for officers, officials, agents, and employees of these entities, for acts done in an official capacity or in the course of employment. Claimants must generally follow a specified claims procedure and liability for damages is generally limited to \$50,000 except that no liability may be imposed for performance of a discretionary duty or for punitive damages. If a person suffers damage resulting from the negligent operation of a motor vehicle owned and operated by a county, city, village, town, school district, sewer district, or other political subdivision of the state in the course of its business, the person may file a claim for damages following this claims procedure and the amount of damages recoverable is limited to \$250,000. This bill specifies that this provision related to claims and liability for negligent operation of a motor vehicle by a political subdivision applies to an RTA.

The bill also allows RTAs to participate in organizing municipal insurance mutuels to provide insurance and risk management services.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

22 3. A railroad subject to ch. 195, as described in s. 195.02 (1) and (3).

23 4. A water carrier, as defined in s. 195.02 (5).

1 (d) "Comprehensive unified local transit system" means a transit system that is
2 comprised of motor bus lines and any other local public transit facilities, the major portion of
3 which is located within, or the major portion of the service of which is supplied to the
4 inhabitants of, the jurisdictional area of the authority.

5 (e) 1. Except as provided in subd. 2., "jurisdictional area" means the geographic area
6 formed by the combined territorial boundaries of all participating political subdivisions.

7 2. For a participating political subdivision that is a county, "jurisdictional area" includes

16 of the authority and outside the jurisdictional area of the authority. "Transit system" includes
17 elevated railroads, subways, underground railroads, motor vehicles, motor buses, and any
18 combination thereof, and any other form of mass transit, but does not include transportation
19 excluded from the definition of "common motor carrier" under s. 194.01 (1), charter or
20 contract operations to, from, or between points that are outside the jurisdictional area of the
21 authority, or travel by aircraft flight.

22 (2) CREATION OF TRANSIT AUTHORITIES. (a) Subject to par. (g), the governing body of
23 a political subdivision may, by resolution, declare the need for an authority to function in the
24 political subdivision and may join together with one or more other political subdivisions to

1 jointly create, by adopting identical resolutions, a public body corporate and politic in these
2 political subdivisions. This public body shall be a separate governmental entity and shall be
3 known as a “regional transit authority.” The authority may transact business and exercise any
4 powers granted to it under this section.

5 (b) Subject to par. (g), if an authority has been created under par. (a), a political
6 subdivision may join this authority if the governing body of this political subdivision adopts
7 a resolution identical to the existing identical resolutions of the participating political
8 subdivisions of the authority and all participating political subdivisions of the authority adopt
9 resolutions allowing this political subdivision to join the authority.

10 (c) Any resolution under pars. (a) and (b) creating or joining an authority shall specify
11 all of the following:

20 in compliance with subd. 7.
- 21 5. The number of directors, the manner of their appointment, the required

2 limitations.

3 7. The voting requirements for action by the board of directors. At least a majority vote
4 of the authorized directors is necessary for any action to be taken by the board of directors.

5 8. The duties of the board of directors, including the obligation to comply with this
6 section and the laws of this state and with the terms of the resolutions adopted under this
7 section.

8 9. The method of financing the formation and operation of the authority.

9 10. If taxes may be imposed by the authority under sub. (3) (s), the maximum rate of
10 the taxes that may be imposed by the authority under sub. (3) (s), not to exceed the maximum
11 rate specified in s. 77.708 (1). The rate of the taxes that may be imposed by the authority under
12 sub. (3) (s) shall be uniform among the participating political subdivisions of the authority
13 within the same county. For purposes of this subdivision, an authority may declare a political
14 subdivision with territory in more than one county to be wholly within one of those counties.
15 The resolution shall also include a transit plan, or reference a transit plan set forth in detail
16 elsewhere, for the authority for at least the following 5-year period, and the maximum rate
17 of the taxes specified in the resolution as required under this subdivision may not exceed the
18 rate determined necessary under the transit plan.

19 11. Subject to sub. (12), a procedure by which a participating political subdivision may
20 withdraw from the authority and provisions for the disposition, division, or distribution of any
21 property, assets, and obligations of the authority on withdrawal of a participating political
22 subdivision or on dissolution of the authority.

23 (d) Subject to par. (e), a resolution under pars. (a) and (b) shall be approved by at least
24 a majority vote of the members of the governing body of the political subdivision. The

1 governing body of the political subdivision may also require that the resolution be ratified by
2 the electors at a referendum held in the political subdivision.

3 (e) At least 30 days before approving a resolution under par. (a) or (b), the governing
4 body of a political subdivision shall hold a public hearing on the resolution. Notice of the
5 hearing shall be published as a class 3 notice under ch. 985. At the public hearing, the
6 governing body of the political subdivision shall solicit comments and recommendations on
7 the preferred method under par. (d) for approving the resolution.

8 (f) 1. For purposes of this paragraph, "authority" includes transit authorities authorized
9 under this section or any other statute except an authority created under s. 59.58 (6) (a) 1.

10 2. A political subdivision may not be a participating political subdivision in more than
11 one authority except that a county may be a participating political subdivision in more than
12 one authority created under this section.

13 (g) If an authority created under par. (a) includes as a participating political subdivision
14 a county, the authority shall also include at least one municipality within that county.

15 (h) If an authority has been created under this subsection, the participating political
16 subdivisions of the authority may amend or modify their original resolutions creating or
17 joining the authority if, after any amendment or modification, the resolutions of all
18 participating political subdivisions of the authority remain identical and continue to satisfy the
19 requirements under this section for the creation of an authority, except the requirement under
20 par. (e). Any such amendment or modification of the original resolutions creating or joining
21 the authority does not create a new authority unless specifically provided otherwise in the
22 amendment or modification, even if the amendment or modification is undertaken for the
23 purpose of including additional participating political subdivisions in the authority.

1 **(3) POWERS.** Notwithstanding s. 59.84 (2) and any other provision of this chapter or ch.
2 59 or 85, an authority may do all of the following:

3 (a) Establish, maintain, and operate a comprehensive unified local transit system
4 primarily for the transportation of persons.

5 (b) Acquire a comprehensive unified local transit system by purchase, condemnation
6 under s. 32.05, or otherwise and provide funds for the operation and maintenance of the
7 system. Upon the acquisition of a comprehensive unified local transit system, the authority
8 may:

9 1. Operate and maintain it or lease it to an operator or contract for its use by an operator.

10 2. Contract for superintendence of the system with an organization that has personnel

19 (d) Purchase and lease transit facilities to public or private transit companies that
20 operate within and outside the jurisdictional area.

21 (e) Apply for federal or other aids to purchase transit facilities or operate a transit
22 system.

23 (f) Coordinate, provide, or assist in providing specialized transportation services, as
24 defined in s. 85.21 (2) (g), for residents who reside within the jurisdictional area and who are

1 disabled or aged 60 or older, including services funded under 42 USC 3001 to 3057n, 42 USC
2 5001, and 42 USC 5011 (b), under ss. 49.43 to 49.499 and 85.21, and under other public funds
3 administered by the county. An authority may contract with a county that is a participating
4 political subdivision for the authority to provide specialized transportation services, but an
5 authority is not an eligible applicant under s. 85.21 (2) (e) and may not receive payments
6 directly from the department of transportation under s. 85.21.

7 (g) Acquire, own, hold, use, lease as lessor or lessee, sell or otherwise dispose of,
8 mortgage, pledge, or grant a security interest in any real or personal property or service.

10 purposes set forth in this section.

11 (i) Enter upon any state, county, or municipal street, road, or alley, or any public
12 highway for the purpose of installing, maintaining, and operating the authority's facilities.
13 Whenever the work is to be done in a state, county, or municipal highway, street, road, or alley,
14 the public authority having control thereof shall be duly notified, and the highway, street, road,
15 or alley shall be restored to as good a condition as existed before the commencement of the
16 work with all costs incident to the work to be borne by the authority.

17 (j) Fix, maintain, and revise fees, rates, rents, and charges for functions, facilities, and
18 services provided by the authority.

19 (k) Make, and from time to time amend and repeal, bylaws, rules, and regulations to
20 carry into effect the powers and purposes of the authority.

21 (L) Sue and be sued in its own name.

22 (m) Have and use a corporate seal.

1 (n) Employ agents, consultants, and employees, engage professional services, and
2 purchase such furniture, stationery, and other supplies and materials as are reasonably

19 withdrawing political subdivision, as long as the services provided in the withdrawing
20 political subdivision remain comparable to those provided in the remaining political
21 subdivisions while the tax continues to be levied in the withdrawing political subdivision. The
22 remaining political subdivisions may choose to increase the tax under sub. (3) (s) and are not

14 Dissolution of an authority may not occur until all outstanding indebtedness of the authority
15 has been paid and all unexpended funds returned to the participating political subdivisions that
16 supplied them, or until adequate provision has been made for the outstanding indebtedness or
17 unexpended funds. An authority may not be dissolved so long as it has bonds outstanding,
18 unless provision for full payment of such bonds, by escrow or otherwise, has been made
19 pursuant to the terms of the bonds or the resolution, trust indenture, or security instrument
20 securing the bonds. The authority shall notify the department of revenue of the authority's
21 dissolution at least 120 days before the dissolution's effective date.
