

Wisconsin Department of Children and Families

Wisconsin Department of Children and Families

Early Care and Education Listening Sessions

The Division of Early Care and Education will be hosting listening sessions across the state with child care providers, parents and other key stakeholders to discuss the current and future direction of early care and education in Wisconsin.

Cooperative collaboration is essential to fulfilling our department's mission of promoting the economic and social well-being of Wisconsin's children and families. Together, we can ensure that every family has access to stimulating, educational and secure early care for their children.

The Department of Children and Families and the Division of Early Care and Education values your input. Please come and share your thoughts, concerns and ideas with Division Administrator, Dan Harris.

We look forward to lively and engaging discussions in the weeks ahead.

***All listening session times, dates and locations are listed on the opposite side of this page.**
