

Education for Employment

Purpose of Ed for Employment – E4E

Prepare elementary and secondary students

- for future employment;
- to ensure technological literacy;
- to promote lifelong learning;
- to promote good citizenship;
- to promote cooperation among business, industry, labor, post-secondary schools, and public schools; and
- to establish a role for public schools in the economic development of Wisconsin.

History of E4E in Wisconsin

- 1981 - Parker Pen Foundation Project
- 1985 - Passed by Legislature as part of school district standards 121.02 (1)
- 1988 - Districts were to have E4E Programs
- 1990 - DPI issues its first resource guide
- 2003 - DPI issues its second resource guide
- 2004 - E4E plans were due September 1
- 2009 - E4E plans were due September 1

Statutes & Rules

Every school board shall:

§.121.02 (1)(m) Provide access to an education for employment program approved by the state superintendent. Beginning in the 1997-1998 school year, the program shall incorporate applied curricula; guidance and counseling services under par. (e); technical preparation under §118.34; college preparation; youth apprenticeship under §106.13 or other job training and work experience; and instruction in skills relating to employment.

The state superintendent shall assist school boards in complying with this paragraph.

E4E – DPI's Role

DPI has the authority to:

- Review/approve district or consortium plans
- Provide technical assistance

DPI does not have authority to:

- Oversee/audit implementation
- Evaluate outcomes of the E4E plan

E4E – Tech Prep Council's Role

E4E plans are to be reviewed annually by tech prep councils (created under s. 118.34 Wis. Stats.) and revised if necessary at least once every five years.

Revised plans are submitted to the tech prep councils for review and the DPI for approval.

Technical Preparation

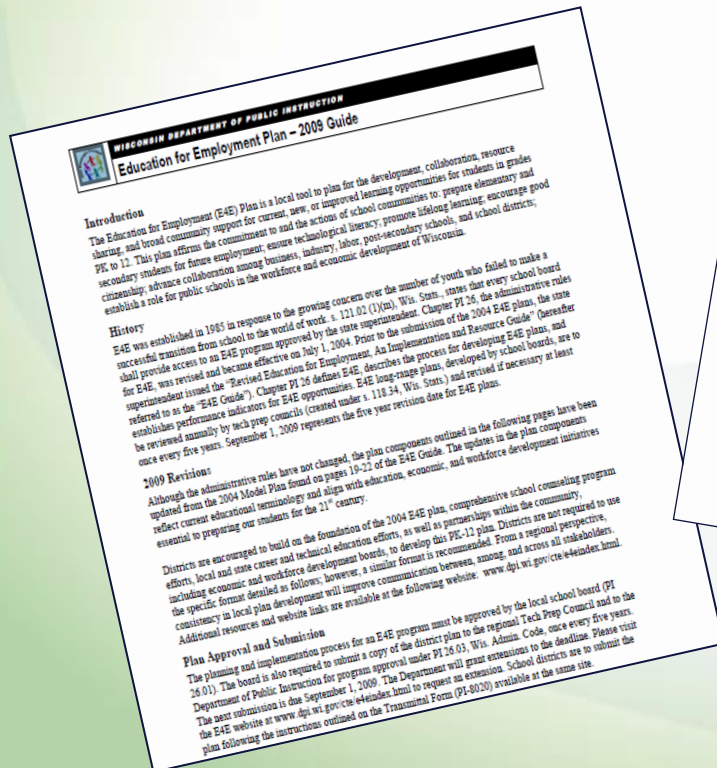

§118.34 Wis. Stats.

- Establishment of Tech Prep programs in each public high school
 - sequence of courses resulting in advanced standing in a technical college associate degree program
- Coordination by a Tech Prep council consisting of 12 members
- Consortium to implement the Tech Prep programs.

So many boundaries to consider...

Effectiveness of E4E

Continuum of success

Future Considerations

- Review Tech Prep programs statute [s. 118.34 Wis. Stats.]
- Align plans to economic/workforce development regions
- Further encourage development with business and industry partners
