The Waunakee Community School District does not discriminate against pupils on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap in its educational programs or activities. Federal law prohibits discrimination in employment on the basis of age, race, color, national origin, sex, religion or handicap.

2012-13 REGISTRATION INSTRUCTIONS

It is important that students and parents work together to select the best possible student schedule. Please follow the directions carefully. This will facilitate your registration and will reduce the possibility of error.

Unless this schedule is changed before school begins, we will assume you are taking the courses marked on the registration sheet. Changes will be made through the first four days of each semester.

1. Examine the course titles. Before selecting a course, read the course description book. If you still have questions, see a departmental teacher, guidance counselor or administrator. Make course selections with regard to your future plans. Work from a four-year plan so you can be sure of getting the courses you need.
2. Freshman sections in English and Mathematics will be assigned by the Guidance Department and administration at a later date.
3. REMEMBER GRADES 9-12: 1) You must have a minimum of six half credit courses each semester unless you have administrative approval; 2) You must meet all course requirements and/or pre-requisites; and 3) Only students involved in a school approved program (i.e., Co-op) may take fewer than six courses.

GRADUATION REQUIREMENTS: 24.0 credits

Grade 9	English (1 credit) Mathematics (1 credit) Electives (2 credits)	Science (1 credit) Physical Education (½ credit)
Grade 10	English (1 credit) Mathematics (1 credit) Health (¼ credit)	Science (1 credit) Electives (2 credits) Career Workshop (¼ credit)
Grade 11	English (½ credit) Physical Education (½ credit) Am. Novel or Am. Character (½ credit)	U.S. History (1 credit) Electives (3½ credits)
Grade 12	English (1 credit) Social Problems or Economics or AP Economics (½ credit) Physical Education (½ credit)	Law (½ credit) Electives (3 credits)

SUMMARY OF REQUIRED COURSES FOR GRADUATION

- | | |
|-----------------------|--|
| 1. English | 4 credits - one credit each year (Am. Character or Am. Novel in junior year) |
| 2. Mathematics | 2 credits |
| 3. Social Studies | 3 credits U.S. History, Social Problems or Economics & Law) |

| 5. Career Workshop | ¼ credit |
| 7. Health | ¼ credit |
| 8. Physical Education | 1½ credits |
| 9. Electives | 11 credits |

COURSES AVAILABLE

ACTIVE LEARNING

Number	Course	Semester	Grade	Credit
8800-8801	Active Learning I Seminar	1-2	9	1.0

AGRICULTURE and NATURAL RESOURCES

Number	Course	Semester	Grade	Credit
8122	Intro to Agriculture - Science I	1	9-10	.50
8123	Intro to Agriculture - Science II	2	9-10	.50
8124	Horticulture	1	10-12	.50
8155	Landscaping/Design & Practice	2	10-12	.50
8142	Agriculture Resources Management	1	10-12	.50
8132	Agriculture Machinery & Buildings	1	10-12	.50
8139	Small Animal and Pet Care	2	10-12	.50
8134	Animal Science	1	10-12	.50
8153	Veterinary Science	2	10-12	.50
8137	Livestock Management	2	10-12	.50
8182	Biotechnology	1	11-12	.50

ART

Number	Course	Semester	Grade	Credit
2140	Art I 2D	1	9-12	.50
2141	Art I 3D	2	9-12	.50
2142	Art II 2D	1	10-12	.50
2143	Art II 3D	2	10-12	.50
2144	Ceramics	1	11-12	.50
2136	Drawing & Painting	2	11-12	.50
2146	Art Metals	1	11-12	.50
2147	Textiles	2	11-12	.50
2149	Advanced Art Workshop	2	12	.50
2150-2151	Art Lab Assistant	1 and/or 2	10-12	.25
2165	Photography	2	10-12	.50
2152	Photo Shop	1	10-12	.50
2155	3-D Animation	2	10-12	.50
2156	Photo Shop II	1	10-12	.50
2157	3-D Animation II	2	10-12	.50

BUSINESS and INFORMATION TECHNOLOGY

Number	Course	Semester	Grade	Credit
8000-8001	Dollars & Sense	1/2	9-10	.50
8400-8401	Accounting	1-2	11-12	1.0
8405	Web Page Design & Management	2	10-12	.50
8408/8409	Desktop Publishing	1/2	10-12	.50
8410-8411	Advanced Accounting	1-2	11-12	1.0
8436/8439	MS Word Processing I	1 or 2	9-12	.50
8437	MS Word Processing II	2	9-12	.50
8600	Risky Business	1	11-12	.50
8602	Corporate Protocol	1	11-12	.50
8762	Multimedia & Technology	1	11-12	.50
8763	MS Excel & Access	2	11-12	.50
8764/8765	Keyboarding Seminar	1/2	9-12	.50
8776/8777	Business Education Lab Assistant	1 and/or 2	10-12	.25

CAREER WORKSHOP

Number	Course	Semester	Grade	Credit
1202	Career Workshop	1 (1 st Qtr.)	10	.25
1203	Career Workshop	2 (3 rd Qtr.)	10	.25
1204	Career Workshop	1 (2 nd Qtr.)	10	.25
1205	Career Workshop	2 (4 th Qtr.)	10	.25

COMPUTER SCIENCE

Number	Course	Semester	Grade	Credit
4600/4601	Computer Science I	1/2	10-12	.50
4603	Computer Science II	2	11-12	.50
4606-4607	Advanced Placement Computer Science AB	1 & 2	11-12	1.0
4598-4599	Computational Thinking	1/2	9-12	.50
4609	Game Design	2	9-12	.50
4608	IT Essentials	1	10-12	.50

DISTANCE LEARNING EDUCATION NETWORK

Number	Course	Semester	Grade	Credit
3600	Japanese I	1 & 2	9-12	1.0
3602	Japanese II	1 & 2	10-12	1.0
3604/3605	Japanese III	1 & 2	10-12	1.0
3700	Latin I	1	9-12	1.0
3703	Latin II	2	9-12	1.0
3704	Latin III	1	9-12	1.0
3800-3801	German I	1 & 2	9-12	1.0
---	German II (tentative)	1 & 2	9-12	1.0
6974/6975	Medical Terminology	2	10-12	.50

Distance Learning courses will be offered tentatively according to enrollment numbers.

ENGLISH

Number	Course	Semester	Grade	Credit
1020-1021	Advanced English 9	1-2	9	1.0
1022-1023	English 9	1-2	9	1.0

2244-2245	Study Hall/Band (Q2 & Q3 only)	2	9-12	.50
2262-2263	Band	1-2	9-12	1.0
2252	Music Technology	1	9-12	.50
2251	Music Appreciation	2	11-12	.50
2264	Jazz Improvisation	1	9-12	.50

PATHWAYS

The Pathways Department provides gifted and talented services for the Waunakee Community School District. Early entrance into a course, doubling up of courses, compacting of course material and/or independent study is possible through demonstrated proficiency, academic ability, and/or high interest levels. For more information, contact the Pathways Coordinator at 849-2100.

PHYSICAL EDUCATION

Number	Course	Semester	Grade	Credit
5230	Physical Education 9	1	9	.50
5231	Physical Education 9	2	9	.50
5244/5245	Lifetime Activities 11	1/2	11	.50
5246/5247	Lifetime Activities 12	1/2	12	.50
5248/5249	Advanced Fitness 11	1/2	11	.50
5250/5251	Advanced Fitness 12	1/2	12	.50
5240/5241	Strength & Conditioning	1/2	10-12	.50

SCIENCE

Number	Course	Semester	Grade	Credit
6140-6141	Biology	1-2	9	1.0
6240-6241	Chemistry I	1-2	10-12	1.0
6242	Chemistry II: Thermodynamics	1	11-12	.50
6243	Chemistry II: Reactions and Bonding	2	11-12	.50
6300	Physical Science: Your Physical World	1	10-12	.50
6301	Physical Science: Your Chemical World	2	10-12	.50
6303	Geology	2	10-12	.50

***Mathematics course selection determined by student's previous performance. +Recommend one study hall each semester, may take no more than two study halls per semester. Please enter your elective choices in blank sections above from the list of offerings provided below. Remember that you must choose at least two selections for each semester.

ALL YEAR

2240-41 Chorale
2246-47 Orchestra
2262-63 Band
3140-41 French I
3142-43 French II
3350-51 Mandarin Chinese I
3540-41 Spanish I
3542-43 Spanish II
*3600-01 Japanese I
8302-03 Intro to Engineering Design
8800-01 Active Learning
9908-09 Spanish for Heritage Speakers

1st SEMESTER ONLY

0104 Reading/Writing Workshop
2140 Art I – 2 Dimensional
2252 Music Technology
2264 Jazz Improv
*3700 Latin I – 2 blocks
**4598 Computational Thinking
6980 Health Science Occupations
**8000 Dollars & Sense
8122 Intro to Ag Science I
8246 Foods & Nutrition
8330 Industrial Tech
**8436 MS Word Processing I
8764 Keyboarding Seminar

2nd SEMESTER ONLY

0105 Reading/Writing Workshop
2141 Art I – 3 Dimensional
*3703 Latin II – 2 blocks
**4599 Computational Thinking
4609 Game Design
**8001 Dollars & Sense
8123 Intro to Ag Science II
8233 Fashion & Fabrics
8331 Industrial Tech
8437 MS Word Processing II
**8439 MS Word Processing I
8765 Keyboarding Seminar

*These courses are offered in the Distance Learning Lab **These courses can be taken one semester only, not both

COLLEGE ENTRANCE REQUIREMENTS

College/University entrance requirements vary with each different school. Students planning on attending a certain college or university should check with the guidance office or go to the website for that specific school to see what the specific requirements are and plan their high school program accordingly.

The ***minimum** requirements for students planning to attend a University of Wisconsin System school are:

1. Completion of a high school diploma from an accredited program
 2. Minimum high school work completed: 17 core credits
 - a. English 4 credits
 - b. Mathematics 3 credits
 - c. Social Studies 3 credits
 - d. Natural Science 3 credits
 - e. Credits from other core areas 4 credits
- * UW-Madison and UW-Eau Claire both require at least two credits of a single World Language.
- * The classes that will satisfy core credits may differ between each University. Please check with your counselor if you have questions about this.
- * ***Minimum requirements** are listed above. Because of the competitiveness of each school, students completing the minimum requirements may not be admitted. To be competitive, students should consider taking four credits in science, Mathematics, and World Language. Going over and above the 17 core credits will also make students more competitive for admissions.
- * If a student knows that they want to major in a specific area, they should be taking elective courses in that area. For example, if a student wants to major in graphic design, they should be taking art classes for electives in high school.
3. ACT/SAT Exam - THIS IS REQUIRED FOR ADMISSION TO ALL FOUR YEAR COLLEGES OR UNIVERSITIES. Some institutions will require specific scores for admission. Some schools allow a high-test score to offset specified class rank and grade point averages.

Students interested in attending a vocational/technical school such as Madison Area Technical College should check with their counselor or on the schools' website for various requirements. Many programs do not require the ACT/SAT for admissions, however, there are a few that do.

Appeals

A student may appeal the school board's decision about awarding high school credit/comparability of a postsecondary course to the state superintendent within 30 days.

Transportation

Parents or students are responsible for transportation between the school and the postsecondary institution.

Transportation assistance is available from the DPI for low-income parents (eligible for free/reduced lunch under the federal school lunch program).

Transportation costs may only be reimbursed if the student is taking a postsecondary course for high school credit. A claim for transportation reimbursement form (PI-8701) is available from your school, or DPI:

<http://www.dpi.wi.gov/forms/pdf/pod8701.pdf> and must be submitted to the DPI no later than 30 days after the end of the college semester to which the claim pertains.

A student is required, to the extent possible, to use public transportation or a vehicle owned by his or her family.

Additional information, including forms, answers to common questions, timelines, contact persons, the administrative rules, etc., is available at: <http://dpi.wi.gov/youthoptions>

Frequently Asked Questions

- Q.** Can a high school refuse to participate in the Youth Options Program?
- A.** No. The law requires all public high schools to participate.
- Q.** Does the program apply to courses offered during evenings or weekends?
- A.** Yes. A student may take a postsecondary course during or after regular school hours as long as the course is offered *during the high school's regular academic year* (i.e., not during the summer session).
- Q.** Can a student attend a postsecondary institution in lieu of high school?
- A.** Yes. If the postsecondary institution offers all of the courses a student needs in order to meet his or her high school graduation requirements, he or she could attend the postsecondary school full time.
- Q.** How many postsecondary semester credits equal one high school credit?
- A.** Four. One semester credit offered for a postsecondary course is equivalent to ¼ high school credit

For more information contact:

Your high school counselor, local college admissions representative, or call:

Beth Lewis, 608-267-1062 or 800-441-4563

Wisconsin Department of Public Instruction
Tony Evers, State Superintendent

Youth Options Program

Information for Students and Parents

Youth Options Program The Youth Options program allows all public high school juniors and seniors who meet certain requirements to take postsecondary courses at a Wisconsin technical college or institution of higher education. An institution of higher education (IHE) includes UW System institutions, tribally controlled colleges, and private, nonprofit institutions.

The program opens the door to greater learning opportunities for students who are considering a technical career, wishing to begin college early, wanting to prepare to enter the workforce immediately after high school graduation.

The student does not have to pay for a postsecondary course if the school board determines the course may receive high school credit and is not comparable to a course offered in the school district. If approved by the school board, the student will receive both high school and postsecondary credit for a successfully completed course. The high school will grant a diploma to a student who has successfully completed high school graduation standards, regardless of whether the requirements were met at the high school or a postsecondary institution.

Forms You Need

A program plan and report form (PI-8700A) used to notify the school board of a student's intent to participate in the program may be obtained from your school district, DPI, or DPI's website: <http://dpi.wi.gov/forms/pdf/pod8700-a.pdf>. Application forms for admission to a postsecondary institution may be obtained from your school district or the postsecondary institution.

Eligibility: Student/Parent Responsibilities

Since all public high schools participate in the Youth Options program, all juniors and seniors in Wisconsin public schools who meet the program requirements are eligible. To qualify for the program, a student must:

- Have completed the 10th grade, and to attend a technical college, be in good academic standing and have an acceptable disciplinary record.
- Apply to the postsecondary institution in the school semester prior to the one in which the student plans to attend the postsecondary course.
- Notify the school board (complete form PI-8700A) of the student's intention of enrolling in a postsecondary institution no later than March 1 for a course to be taken in the fall semester; October 1 for a course to be taken in the spring semester.
- Notify the school board if the student is admitted to the postsecondary institution.
- Notify the school board if the student is registered to attend a postsecondary course.

A parent or guardian is responsible for satisfactory student attendance and the student's compliance with the compulsory school attendance law under §118.15(1) (a), Wis. Stats.

Students with a Disability

Students with a disability are encouraged to participate in the Youth Options program. The school board may, however, refuse to permit a student with a disability to attend a technical college if the cost would impose an undue financial burden on the school district.

Determining High School Credit/Comparability

The school board determines whether a postsecondary course is eligible for high school credit, how much high school credit may be awarded, and whether the course is comparable to a course offered at the school district.

Payment of Tuition and Fees

The school board must pay for any course that is taken for high school credit and that is *not comparable* to a course offered in the school district.

A student must pay for any postsecondary course taken that is comparable to a course offered at the school district.

A student must pay for a postsecondary course that is not used for high school credit.

A student must pay for incidental college fees (such as a parking permit) and for equipment, tools, supplies and consumables (notebooks, workbooks, uniforms) which will become the property of the student.

The school board must pay for the cost of any books and fees for all approved courses and materials for students attending an IHE. The school board may expect the return of books and materials in a useable form.

The school board cannot expect the student to pay the cost of tuition, books, and fees then reimburse the student if the student passes the course.

The student may be required to reimburse the school district for tuition and fees if the student drops or fails the course.
