Representative Jeffrey Mursau
Chair, Special Committee on State-Tribal Relations
P.O. Box 8953
Madison, WI 53708

Dear Representative Mursau,

I wish to clarify my letter of August 12, 2014, transmitting the Voigt Intertribal Task Force's suggestions regarding possible Special Committee study topics for consideration in the coming session. I realize now that my letter implies that the Special Committee already has generated a list of topics it will likely consider. I understand that this is not the case. The topics I identified were those generated by representatives of Task Force member Tribes who serve on the Special Committee for consideration as the Committee develops its agenda for the coming year. Should the Special Committee decide to address any of these topics, we stand ready to help in any way we can.

I apologize for any confusion my letter may have caused. Please do not hesitate to contact me if you have questions or need additional information.

Sincerely yours,

A handwritten signature in cursive script that reads "James E. Zorn".
