

**AMENDMENT TO WLC: 0051/1**

1 At the locations indicated, amend the bill as follows:

**JOINT LEGISLATIVE COUNCIL PREFATORY NOTE:** This draft was prepared for the Joint Legislative Council’s Special Committee on State–Tribal Relations. It amends a draft relating to the collection and sharing of information regarding an American Indian child relinquished under the safe haven law.

The draft requires a person who takes custody of a child relinquished under the safe haven law to make a reasonable effort to review certain materials with the relinquishing parent including, at a minimum, asking the parent if the child is an Indian child.

This amendment replaces the requirement to ask the parent if the child is an Indian child with a requirement to state to the parent the importance of disclosing whether the child is an Indian child and of completing certain materials providing information about the child.

2 **1.** Page 5, line 7: delete “ask the parent if the child is an Indian child” and substitute  
3 “state to the parent the importance of disclosing whether the child is an Indian child and of  
4 completing the form under par. (a) 6”.
