DRAFT RECOMMENDATION

Pro Bono Services and Limited Scope Representation

The Joint Legislative Council Study Committee on Access to Civil Legal Services recommends that the Wisconsin Supreme Court and the State Bar of Wisconsin continue to collaborate to expand opportunities for and promote attorney participation in providing pro bono services and limited scope representation for low-income civil litigants. The Study Committee especially encourages the State Bar of Wisconsin and the Supreme Court to adopt emeritus pro bono practice rules that would waive some of the normal licensing requirements for attorneys agreeing to limit their practice to volunteer service.
