DRAFT RECOMMENDATION

Wisconsin Study of the Economic Impact of Civil Legal Aid

The Joint Legislative Council Study Committee on Access to Civil Legal Services recommends that the Legislature consider: (1) directing an appropriate state agency to conduct an analysis of the economic impact of civil legal aid in Wisconsin; and (2) providing funding for the study in the 2017-19 Biennial Budget. Such a study could leverage the research capacity of an institution of higher education by being conducted by or in partnership with the University of Wisconsin.
