**RECOMMENDATION**

Trauma-Informed Care DOC Study and Training

The Joint Legislative Council Study Committee on Reducing Recidivism and Removing Impediments to Ex-Offender Employment recommends that a letter be sent by Chair Darling and Vice-Chair Hutton to the Department of Corrections (DOC), which recommends that DOC: (1) study how trauma-informed care can be used in the correctional setting to reduce recidivism; and (2) continue to provide department staff with training on trauma-informed care.
