RECOMMENDATION

State of Wisconsin Identification Cards

The Joint Legislative Council Study Committee on Reducing Recidivism and Removing Impediments to Ex-Offender Employment recommends that the Legislature and the Department of Corrections (DOC) review current laws and DOC policies to: (1) screen each inmate at the time of entry into the prison system to determine whether the person has an ID card; (2) identify barriers to obtaining an ID card for each person determined to not have one at the time of entry into the prison system; and (3) coordinate the issuance of an ID card to each inmate prior to release from prison.
