Subject: Study Committee meeting

Dear Senator Nass and Committee Members,

I am very sorry I am not able to attend the first meeting of the Study Committee on Volunteer Firefighter and Emergency Medical Technician Shortages.

As you are probably aware a large area of my Senate district was hit with strong storms two weeks ago that resulted in significant damage to roads, bridges, and property throughout the region. As you are meeting in Madison, I will be touring the storm damage with representatives from FEMA.

I look forward to working with you to address the challenges rural areas of the state are facing regarding the shortage of volunteer firefighters and emergency medical technicians.

Sincerely

Janet Bewley
