

**PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION**

1     **AN ACT** *to amend* 980.08 (4) (dm) 1. (intro.) of the statutes; **relating to:**  
2             composition of temporary committee identifying residential options for a  
3             sexually violent person being placed on supervised release.

---

***Analysis by the Legislative Reference Bureau***

Under current law, a person who has been found to be a sexually violent person may be involuntarily committed to the Department of Health Services for control, care, and treatment. If a person is committed and placed in institutional care, the person may periodically petition the court for supervised release to the community. If a court approves the petition, the court must order the person's county of residence to prepare a report that identifies one appropriate residence for the person.

Under current law, the county creates a temporary committee to prepare the report. Members of the temporary committee are the county department of community programs, a representative from DHS, a local probation or parole officer, the county corporation counsel, and a land use planning official. This bill adds to the membership of the temporary committee a representative of each federally recognized Indian tribe or band located in that county.
