1     **AN ACT to amend** 341.25 (1) (b) of the statutes; **relating to:** elimination of  
2             motorcycle and moped registration weight limit (suggested as remedial  
3             legislation by the Department of Transportation).

***Analysis by the Legislative Reference Bureau***

Under current law, a motor vehicle may not be operated upon a highway without a current, valid registration acquired by payment of a specified fee to the Department of Transportation. Current law establishes a fee for the registration of a motorcycle or moped with a curb weight of 1,499 pounds or less. This bill eliminates the weight limit.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.
