PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

1 **AN ACT to repeal** 16.974 (3) and 16.974 (4); and **to amend** 16.973 (8), 20.505 (1)
2 (ip), 20.505 (1) (is) and 20.505 (1) (kL) of the statutes; **relating to:** access to
3 certain information technology or telecommunications services developed,
4 operated, or maintained by the Department of Administration (suggested as
5 remedial legislation by the Department of Administration).

Analysis by the Legislative Reference Bureau

Current law authorizes the Department of Administration to provide various entities and individuals access to certain information technology or telecommunications services developed, operated, or maintained by DOA and to charge a fee for that access. This bill eliminates those authorizations.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.
