June 2024

STUDY ASSIGNMENT: The Study Committee is directed to review current uses of artificial intelligence technology and make recommendations for legislation regarding the use and development of artificial intelligence technology. The committee may review the use of artificial intelligence in disinformation and artificial imagery and the feasibility of establishing a process to ensure continued state monitoring of high-risk use of artificial intelligence.

12 MEMBERS: 2 Representatives; 2 Senators; and 8 Public Members.

LEGISLATIVE COUNCIL STAFF: Brian Larson, Principal Attorney, Thomas Koss and Patrick Ward, Staff Attorneys, and Katie Patyk, Administrative Staff.
