JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on State-Tribal Relations.

Wisconsin law contains some general protections for a pupil's religious beliefs, ancestry, creed, race, and national origin. Specifically, schools must provide for the reasonable accommodation of a pupil's sincerely held religious beliefs with regard to all examinations and other academic requirements. Additionally, no student may be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program or activity because of race, religion, national origin, ancestry or creed. However, current law does not explicitly address an American Indian student's right to wear traditional tribal regalia at a graduation ceremony or school-sponsored event.

This bill provides that school boards and charter schools may not prohibit a pupil who is a member of, a descendent of a member of, or eligible to be enrolled in, a federally recognized, whether currently or in the past, American Indian tribe or band from
