SUBJECT: Addendum to the Memorandum Regarding the Budget Adjustment Legislation

One item was inadvertently excluded from the summary of the budget adjustment legislation distributed to the Legislature by this office on February 14, 2011. This item is shown below.

1. REPEAL COLLECTIVE BARGAINING RIGHTS FOR UNIVERSITY OF WISCONSIN HOSPITALS AND CLINICS AUTHORITY EMPLOYEES

Eliminate collective bargaining rights for employees of the University of Wisconsin Hospitals and Clinics Authority. Under current law, three collective bargaining units are established for the representation of employees of the Authority: (1) fiscal and staff services; (2) patient care; and (3) science. The treatment of these provisions would first apply to employees who are covered by a collective bargaining agreement that contains provisions inconsistent with these provisions on the day on which the agreement expires or is terminated, extended, modified, or renewed, whichever comes first.
