Specify that Board of Regents (see UW System) and HEAB negotiate new agreements to replace the prior reciprocity agreement with these new agreements to become effective July 1, 2022.

Effective July 1, 2022, modify current law to specify that HEAB administer a Minnesota-

Wisconsin public vocational (technical college) school student reciprocity agreement, which provides for the waiver of nonresident fees and for a reciprocal fee structure for residents of either state who are enrolled in a public vocational school located in the other state. Maintain the current law requirement that HEAB and the designated body representing the state of Minnesota prepare an administrative memorandum that establishes policies and procedures for implementation of the agreement for the upcoming academic year and submit the memorandum to the Joint Committee on Finance subject to a 14-day review process. Provide that the reciprocal fee could not exceed the higher of the resident fees that would be charged the student at the public vocational school in which the student is enrolled or the resident fees at a comparable public vocational school located in his or her state as specified in the annual administrative memorandum.

Clarify that current law references to the Minnesota-Wisconsin reciprocity agreement to reference the UW System agreement administered by the Board of Regents and the Minnesota-Wisconsin agreement administered by HEAB for all other public vocational educational institutions. Specify that interstate agreements between HEAB and state agencies and institutions of higher education would not apply to the UW System Minnesota-Wisconsin reciprocity agreement. These provisions would be effective July 1, 2022.

Under current law, HEAB administers the Minnesota-Wisconsin reciprocity agreement which covers all public institutions in both states. Under the agreement, residents can attend public universities, community colleges, and technical colleges in the adjacent state without having to pay non-resident tuition. Under the bill, effective July 1, 2022, the Board of Regents would administer the agreement between Minnesota and Wisconsin for UW-System institutions and HEAB would administer the agreement for students attending other Wisconsin public vocational institutions.
