#### **Tax Policy**

Sean Moran, Program Supervisor Sydney Emmerich John Gentry Dan Spika

#### **Transportation and Property Tax Relief**

Al Runde, Program Supervisor Noga Ardon Ryan Horton Peter Mosher

#### INTRODUCTION

This document, prepared by Wisconsin's Legislative Fiscal Bureau, is the final edition of the cumulative summary of executive and legislative action on the 2023-25 Wisconsin state biennial budget. The budget was signed by the Governor as 2023 Wisconsin Act 19 on July 5, 2023, and published on July 6, 2023. This document describes each of the provisions of Act 19, including all fiscal and policy modifications recommended by the Governor, Joint Committee on Finance, and Legislature.

The document is organized into six sections, the first of which contains a Table of Contents, History of the 2023-25 Budget, Brief Chronology of the 2023-25 Budget, Key to Abbreviations, and a User's Guide.

This is followed by an "overview" section which provides a series of summary tables and charts which display 2023-25 revenues, appropriations, and authorized position levels. Information is presented for all fund sources, the general fund, transportation fund, and the state's lottery program.

The next section contains budget and policy summaries for each state agency and program. The agencies appear in alphabetical order. For each agency, comparative tables are presented which depict funding and authorized position levels. This is followed by a narrative description and fiscal effect, if any, of each budget change item. In this section, the author of each change is identified.

The fourth section of the document lists the provisions of the Governor's budget recommendations that were removed by the Joint Committee on Finance from budget consideration pursuant to budget motion #10. That motion was adopted at the Finance Committee's May 2 executive session.

The fifth section lists the reports and studies required in 2023 Act 19. This is found on page 1037.

The final section, beginning on page 1039, lists the 2023-25 biennial budget issue papers prepared by the Legislative Fiscal Bureau.

## **TABLE OF CONTENTS**

#### **HISTORY OF THE 2023-25 BIENNIAL BUDGET**

This section provides a narrative history of the 2023-25 biennial budget. Although the formal legislative history of the biennial state budget commenced with the introduction of a bill comprising the Governor's budget recommendations, the actual process of assembling the budget began several months prior to its introduction. This history starts at that point.

On June 7, 2022, the Department of Administration (DOA) released Governor Tony Evers' major budget policies. Included in these directives were instructions that state agencies prepare their 2023-25 biennial budget requests based on 100 percent of their fiscal year 2022-23 adjusted base. In addition, agencies were to assume zero growth in overall state general purpose revenue (GPR) appropriations, except for K-12 school aids, required basic cost-to-continue needs for the state's institutions, entitlements and related assistance programs in the Department of Health Services (such as Medical Assistance), the Department of Children and Families' Division of Safety and Permanence, the Department of Workforce Development's Division of Vocational Rehabilitation, and housekeeping adjustments such as standard budget adjustments, fuel and utilities, and debt service.

Pursuant to s.16.423 of the statutes, all state agencies were required to submit a base budget review report no later than May 16, 2022. The reports were summarized in the Governor's biennial state budget report to the Legislature. The reports were required to include: (1) a description of each agency appropriation; (2) an accounting of all expenditures by quarter for the three previous fiscal years; (3) an analysis of whether the appropriation contributes to agency's mission and whether the objectives of the appropriation justify the expenditures; (4) the minimum funding needed to achieve the objectives (not to exceed the prior fiscal year 's adjusted base) and an accounting of the current funding; and (5) a description of the agency mission or guiding principles.

Under 2015 Wisconsin Act 201, all executive branch agencies were required to include proposals for a state operations budget that met the following requirements: (1) a zero growth target in each fiscal year of the 2023-25 biennium; and (2) a reduction in the agency's state operations budget by 5% from the 2022-23 adjusted base in each year of the 2023-25 biennium. (These requirements excluded federal appropriations and debt service appropriations.)

Agencies were also required to report on performance measures identified in previous biennial budgets. For the 2023-25 biennial budget, agencies were asked to report actual outcome measures through fiscal years 2020-21 and 2021-22. Planned outcome measures were to be included for fiscal years 2022-23, 2023-24, and 2024-25.

Executive branch agencies were required to submit their formal budget requests to the Department of Administration (DOA) and the Legislative Fiscal Bureau by September 15, 2022. The Division of Executive Budget and Finance (within DOA) began reviewing agency funding requests

as they were submitted. On November 21, 2022, DOA distributed a compilation of state agencies' 2023-25 biennial budget requests to Governor Evers and members of the Legislature. This report indicated that agencies were seeking total 2023-25 funding of \$96.53 billion (all funds), of which \$42.96 billion was requested from general purpose revenue. Also included in the summary was the statutorily-required estimate of tax revenues for fiscal year 2022-23 and the 2023-25 biennium, as developed by the Department of Revenue. For fiscal year 2022-23, state general fund tax revenues were estimated at \$21.93 billion. Total general fund tax collections for the 2023-25 biennium were projected at \$44.09 billion.

Every January, the Legislative Fiscal Bureau prepares general fund revenue projections for the Legislature as it begins to consider the state's budget and other legislation. Based on updated tax collection data and economic forecasts, on January 25, 2023, the Bureau estimated that the state's general fund would realize a total of \$94.2 million less in tax collections for the period from 2022-23 through 2024-25 than was reflected in the administration's November 20 report. The Fiscal Bureau annual projections compared to the administration's estimates were \$60.7 million higher in 2022-23, \$74.7 million lower in 2023-24, and \$80.2 million lower in 2024-25. For the 2022-23 fiscal year, there was a \$524.0 million difference between the administration's general fund condition statement, which had a gross ending balance of \$6,576.4 million, and the Bureau's ending balance of \$7,100.4 million. The factors that caused the \$524.0 million difference were \$60.7 million more in tax collections from the November 20 projection, a decrease in estimated departmental revenues of \$4.3 million, and a reduction of net appropriations of \$467.6 million.

By statute, the Governor is required to submit the budget message and the executive budget bill (or bills) to the Legislature on or before the last Tuesday in January of each odd-numbered year (January 31 for 2023). However, under 2023 Senate Joint Resolution 1, adopted by the Senate on January 3, 2023, and concurred in by the Assembly on January 4, 2023, the deadline for the submission of Governor Evers' budget was extended to February 15, 2023.

On February 15, 2023, the Governor delivered his budget message to a joint session of the Legislature. Immediately following the Governor's message, the Joint Committee on Finance (JFC) introduced the 2023-25 executive budget in identical form as 2023 Assembly Bill 43 and 2023 Senate Bill 70. As required by statute, the bills were referred to the JFC. In addition, the bills were also referred to the Joint Survey Committee on Tax Exemptions.

The Joint Committee on Finance held agency informational briefings on the biennial budget on March 28 and 30. During these briefings, agency representatives testified before the Committee on the executive budget recommendations affecting their respective agencies. The agencies that appeared before the Committee were the Departments of Corrections, Transportation, Administration, and Safety and Professional Services.

The Joint Committee on Finance held four public hearings on the biennial budget. Public hearings were held in Waukesha on April 5, Eau Claire on April 11, Wisconsin Dells on April 12, and Minocqua on April 26.

On April 27, 2023, the Legislative Fiscal Bureau sent a memorandum to Senator Marklein and Representative Born, the Co-Chairs of the Joint Committee on Finance, identifying 144 non-fiscal policy items contained in the Governor's budget.

On April 28, the Finance Committee's Co-Chairs distributed a memorandum to the Committee's members, which outlined the procedures that the Committee would follow during its deliberations on the 2023-25 budget. In that memorandum, the Co-Chairs indicated that the first executive session on the budget would be held on May 2. In addition, the Co-Chairs indicated that the first item before the Committee on May 2 would be a motion to delete 545 provisions of the Governor's recommendations from further budget consideration. The 545 items included 143 provisions of the Fiscal Bureau's April 28 memorandum and 402 other items contained in the Governor's bill. Those 545 items were incorporated into budget Motion #10. [The one item on the Fiscal Bureau's non-fiscal policy list not included in Motion #10 was "Quarry Hours of Operation" under "Miscellaneous Provisions." This item was included in 2023 Wisconsin Act 12.]

The Co-Chairs April 28<sup>th</sup> memorandum also indicated that the Committee would use, as its beginning point, the adjusted base budget, less the items of Motion #10. Those provisions were incorporated into Assembly Substitute Amendment (LRBs0027/1) and Senate Substitute Amendment (LRBs0037/1) to the Governor's budget bill and adopted by the Committee.

Finally, the April 28<sup>th</sup> memorandum indicated that following the introduction of the substitute amendments, the Committee would vote on motions that: (1) included the standard budget adjustments and the 27<sup>th</sup> biweekly payroll for 2023-25, with a modification to increase the turnover rate from 3% to 5% for all appropriations subject to the 3% turnover rate under the bill; and (2) provided estimated amounts for current law sum sufficient appropriations and debt service on appropriation obligation bonds.

On May 15, 2023, the Legislative Fiscal Bureau sent a letter to the Co-Chairs of the Joint Committee on Finance regarding recent tax collection data. Based on its review of collection data and economic forecasts, the Bureau indicated that general fund tax revenue estimates of January 25 would be lower by \$365.2 million in 2022-23, \$148.0 million in 2023-24, and \$241.9 million in 2024-25. The Bureau also estimated expenditure reductions of \$141.7 million above those of the January 25 report, including a reduction in debt service payments (\$8.5 million), a lapse from the appropriation of the State Public Defender (\$9.7 million), and an increased lapse of \$123.5 million in the GPR appropriation for Medical Assistance (MA) program. The net result was that the projected gross balance in the general fund for 2022-23 would be \$6,877.0 million.

The Joint Committee on Finance held a total of 11 executive sessions on the biennial budget bill. The first executive session was held on May 2, and the last was held on June 22. At the Committee's final executive session, the Committee adopted a substitute amendment incorporating all of its previous actions modifying the biennial budget. The vote to recommend Assembly Bill 43/Senate Bill 70 for passage, as amended, was 12-4. The Committee's recommended 2023-25 budget was incorporated into Assembly Substitute Amendment 2 to AB 43 and Senate Substitute Amendment 2 to SB 70.

Under section 13.95(1r) of the statutes, as created by 2011 Act 220, the Legislative Fiscal Bureau is required to prepare an earmark transparency report on each biennial budget bill and on each amendment to that bill. The report is required to include the following elements: (1) a list of all earmarks; (2) the cost of each earmark; (3) the beneficiary of each earmark, if the Bureau can make this determination, and the Assembly and Senate district in which the beneficiary resides (for individuals) or is located (for entities); and (4) for a report on a budget amendment, the name of the legislator who proposed the earmark.

Under section 13.102 of the statutes, the Joint Committee on Finance cannot vote to recommend passage of the biennial budget bill or an amendment to the bill until the required report, on either the bill or amendment, has been distributed by the Bureau to each member of the Legislature and is made available on the Legislature's website. Section 13.39 of the statutes specifies that neither house of the Legislature may pass the biennial budget bill until the Bureau has distributed a copy of an earmark transparency report on the bill, as amended, to each member of the Legislature and has made the report available on the Legislature's website.

Under these provisions, the Legislative Fiscal Bureau released earmark reports as follows:

• April 24, 2023 -- Earmark Transparency Report on 2023 Assembly Bill 43/Senate Bill 70.

• June 22, 2023 -- Earmark Transparency Report on the JFC Substitute Amendments (ASA 2 to AB 43 and SSA 2 to SB 70): Total of 45 earmarks--13 that were included in AB 43/SB 70 (Governor) and an additional 32 added by JFC.

• June 28, 2023 -- Earmark Transparency Report on SA 13 to SSA 2 to SB 70, as amended by the Senate: Total of 45 earmarks -- no additional earmarks were added by the Senate.

• June 29, 2023 -- Earmark Transparency Report on Engrossed SB 70: Total of 45 earmarks -- no additional earmarks were added by the Assembly.

On June 27, 2023, the Joint Survey Committee on Tax Exemptions submitted its report on provisions included in Senate Bill 70/Assembly Bill 43. The Committee's report addressed provisions in the bills, as introduced, that would affect existing statutes or create new statutes relating to the exemption of property or persons from state or local taxes. The provisions included: (a) Cranberry research station property tax exemption and personal property tax repeal; (b) marijuana legalization; (c) WHEDA headquarters; (d) Gender-neutral statutory references; (e) Energy systems; (f) Prairie & wetland counseling services; (g) Diapers and feminine hygiene products; (h) Farm-raised deer; (i) Retirement income exclusion; (j) Disability income exclusion; (k) Internal Revenue Code update; (l) Net operating loss carryback repeal; (m) Capital gains exclusion limitation; (n) First-time homebuyer account tax deduction; (o) Dividends received deduction limitation; (p) Exemption for gun safety items; (q) Exemption for breastfeeding equipment; and (r) Baseball park district. The tax exemption provisions in the bills were determined by the Committee to be appropriate public policy.

The Senate took action on the 2023-25 state budget on June 28, 2023. During the Senate deliberations, 13 amendments to SSA 2 to Senate Bill 70 were offered. One amendment was

adopted—Senate Amendment 13. On June 28, 2023, Senate Substitute Amendment 2 to SB 70, as amended, was adopted and the bill, as amended, was passed on a vote of 20-13. The bill was immediately messaged to the Assembly.

The Assembly debated the 2023-25 state budget on June 29, 2023. A total of 13 amendments to Senate Bill 70, as passed by the Senate, were offered. No amendments were adopted. The Assembly concurred with the Senate by a vote of 63-34 (one seat was vacant and one member did not vote), on June 29, 2023.

The bill was enrolled on June 30, 2023, and presented to the Governor on that day. Governor Evers approved Enrolled Senate Bill 70, in part, on July 5, 2023, and had it deposited to the Office of the Secretary of State on July 5, as 2023 Wisconsin Act 19. The Governor indicated in his message to the Legislature that he had exercised his authority to make 51 partial vetoes to the bill, as passed by the Legislature. 2023 Wisconsin Act 19 was published on July 6, 2023, and except as otherwise specifically provided, became effective the following day.

On September 14, 2023, the Senate voted to override two of the Governor's partial vetoes as follows: (1) partial veto A-1, relating to the per pupil revenue limit adjustment, ayes 22, noes 11; and (2) partial veto B-7, relating to the individual income tax rate reduction, ayes 22, noes 11. On October 17, 2023, the Senate voted to override partial veto C-16, relating to housing rehabilitation, ayes 22, noes 10. The three partial vetoes overridden by the Senate were not considered by the Assembly.

## **BRIEF CHRONOLOGY OF THE 2023-25 BUDGET**

#### **Governor/Administration**

| • June 7, 2022                   | Department of Administration issued major budget policies.                |
|----------------------------------|---|
| <ul> <li>September 15</li> </ul> | Agency deadline for submission of budget requests.                        |
| November 21                      | Executive Budget Office submitted a compilation of agency budget requests |
|                                  | and Department of Revenue estimate of tax revenues.                       |
| • February 15, 2023              | Governor Evers delivered budget message and recommendations to the        |
|                                  | Legislature.  |

#### Joint Committee on Finance

| • January 25      | Legislative Fiscal Bureau released general fund expenditure and revenue projections.   |
|-------------------|--|
| • February 15     | Introduced the executive budget as 2023 Assembly Bill 43/Senate Bill 70.   |
| • March 28 and 30 | Budget bill briefings by agency officials.   |
| • April 5-26      | Public hearings (Waukesha, Eau Claire, Wisconsin Dells, Minocqua).   |
| • May 2-June 22   | Executive sessions.  |
| • May 15          | Legislative Fiscal Bureau released revised general fund tax collection estimates.  |
| • June 22         | Adopted Assembly Substitute Amendment 2 (ASA 2) to AB 43 and Senate<br>Substitute Amendment 2 (SSA 2) to SB 70 and recommended the bills for<br>passage, as amended, on a 12-4 vote. |
| Legislature       |  |
| • June 28         | Senate adopted Senate Substitute Amendment 2 to SB 70, as amended by Senate Amendment 13, and passed the bill, as amended, on a vote of 20-13.                                       |
| • June 29         | Assembly concurred with the Senate's action on the budget bill on a vote of 63-34.   |
| Enactment         |  |
| • June 30         | Enrolled SB 70 presented to Governor.  |
| • July 5          | Governor approved bill, with 51 partial vetoes, as 2023 Wisconsin Act 19.  |

- July 5 July 6 July 7 Act 19 published.
- July 7 Act 19 became generally effective.

## **KEY TO ABBREVIATIONS**

#### REVENUES

| BR         | Bond revenues which are available from the contracting of public debt<br>(general obligation bonds), from debt which is to be repaid only from<br>pledged or project revenues (revenue bonds), or from debt where<br>repayment is backed by the state's moral obligation pledge and subject<br>to annual appropriation by the Legislature (appropriation obligation<br>bonds). |
|------------|--|
| GPR-Earned | Departmental revenues which are collected by individual state agencies<br>and deposited in the general fund.   |
| GPR-Tax    | Revenues which are collected from general fund taxes.  |
| GPR-Tribal | Revenues which are collected from tribal gaming revenues and deposited in the general fund.  |
| REV        | Revenue  |

## APPROPRIATIONS

| GPR   | Appropriations financed from general purpose revenues available in the state's general fund.   |
|-------|--|
| FED   | Appropriations financed from federal revenues.   |
| PR    | Appropriations financed from program revenues, such as user fees or product sales.   |
| PR-S  | Program Revenue-Service. Appropriations financed from funds transferred between or within state agencies for the purpose of reimbursement for services or materials. |
| SEG   | Appropriations financed from segregated revenues.  |
| SEG-L | Appropriations financed from local revenues which are administered through a state segregated fund.  |

| SEG-S | Segregated Revenue-Service. Segregated appropriations financed from<br>funds transferred between or within state agencies for the purpose of<br>reimbursement for services or materials. |
|-------|--|
| Lapse | Budgeted amounts that are unspent at the end of a fiscal period which  |

revert back to the fund from which they were appropriated.

#### **OTHER**

| 2021 Wisconsin Act 58        | The 2021-23 biennial budget act.  |
|------------------------------|---|
| 2023 Wisconsin Act 19        | The 2023-25 biennial budget act.  |
| AB 43/SB 70                  | Assembly Bill 43/Senate Bill 70, identical bills which incorporate the Governor's 2023-25 budget recommendations.   |
| ASA 2 to AB 43               | Assembly Substitute Amendment 2 to Assembly Bill 43, the 2023-25 budget recommendations of the Joint Committee on Finance (identical to SSA 2 to SB 70).  |
| SSA 2 to SB 70               | Senate Substitute Amendment 2 to Senate Bill 70, the 2023-25 budget recommendations of the Joint Committee on Finance (identical to ASA 2 to AB 43).  |
| CY                           | Calendar year.  |
| FY                           | Fiscal year.  |
| FTE                          | Full-time equivalent position.  |
| LTE                          | Limited-term employment position for which employment is limited to 1,040 hours per appointment in a 12-month period.   |
| 2022-23 Adjusted Base        | The total 2022-23 authorized funding level for an agency or program.<br>The adjusted base equals 2022-23 appropriations and any supplements.<br>It is this base that serves as the beginning point for calculating budget<br>changes for 2023-25. |
| 2022-23 Base Year<br>Doubled | The 2022-23 base multiplied by two. This produces the biennial base level against which 2023-25 budget levels may be compared.  |

### **USER'S GUIDE**

The following explanation of entries is keyed to the accompany sample entry (page 11).

1 Name of agency.

2

5

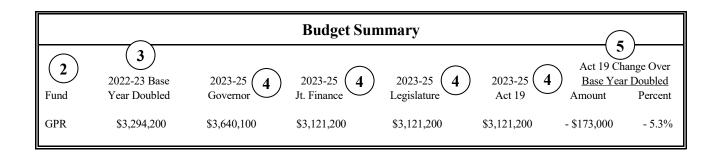

7

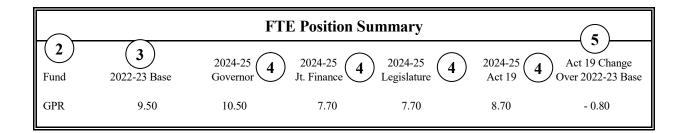

8

9

- The funding source for the amounts shown in columns 3 through 5. Only the funding sources which are included in the agency's budget are shown.
- 3 The 2022-23 base represents authorized appropriation and position levels for 2022-23. The base is doubled in the budget column to provide a two-year to two-year comparison.
- 4 Appropriation and position levels recommended by the Governor, Joint Committee on Finance, Legislature, and as authorized by 2023 Wisconsin Act 19 (includes the impact of any vetoes).
  - These columns indicate the change of the budget level contained in 2023 Wisconsin Act 19 to the 2022-23 base year doubled. For positions, the increase or decrease is based on the 2024-25 authorized level compared to the 2022-23 level.
- Title of the budget change item. Immediately following the title, if applicable, "[]" shows the number of the Legislative Fiscal Bureau issue paper prepared on this item. A complete listing of all Fiscal Bureau issue papers begins on page 1039 of this document.
  - Funding and position change to the agency's base budget. If the entry is entitled, "Governor/Legislature," the recommendations proposed by the Governor were adopted by the Joint Committee on Finance and the Legislature. For those budget items where the recommendations of the Governor, Joint Finance Committee or Legislature differ, the fiscal and position effect shown at each step is the change to the previous recommendation.
  - Narrative description of the various budget change items, for each entry, as recommended by the Governor, Joint Committee on Finance, and Legislature. On May 2, 2023, the Joint Committee on Finance, under Motion #10, removed certain provisions of the Governor's budget recommendations from consideration. Those items are identified here as follows: "Joint Finance/Legislature: Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)"
  - Narrative description of partial vetoes by the Governor. At the beginning of the veto entry in the "[]" is the number (in this example E-46) of the veto from the Governor's veto message (July 5, 2023).
- 10 Bill sections relating to the budget change item. "Act 19 Sections" lists the sections which remain in the act. "Act 19 Vetoed Sections" lists those sections which were partially or entirely vetoed.

## BOARD OF COMMISSIONERS OF PUBLIC LANDS (1)

#### **Budget Change Items**

# 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105] 6 GPR - \$44,600

**8** Governor/Legislature: Delete \$22,300 annually, consisting of -\$25,600 for full funding of salaries and fringe benefits and \$3,300 for full funding of leases.

#### 2. VACANT POSITION ADJUSTMENT [LFB Paper 205] (6)

#### **Estimated 2023-25 Transportation Fund Revenues**

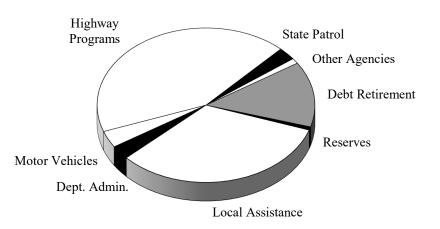

| Source                                    | Amount          | Percent<br>of Total |
|---|-----------------|---------------------|
| Motor Fuel Taxes                          | \$2,153,150,100 | 41.6%               |
| Gross Motor Vehicle and Driver Fees*      | 2,002,546,300   | 38.7                |
| Transfers from Other Funds                | 804,503,200     | 15.5                |
| Petroleum Inspection Fee One-Cent Deposit | 77,423,600      | 1.5                 |
| Railroad Property Taxes                   | 64,654,500      | 1.2                 |
| Aeronautical Taxes and Fees               | 13,993,300      | 0.3                 |
| Miscellaneous Revenue                     | 64,095,200      | 1.2                 |
| Total                                     | \$5,180,366,200 | 100.0%              |

\*The amount shown is the total motor vehicle fee revenue before deductions for the payment of revenue bond debt service.

Note: The 2023-25 opening balance in the transportation fund totaled \$92.5 million, so the total amount of revenues available in the 2023-25 biennium is estimated at \$5,272.9 million.

## 2023-25 Transportation Fund Appropriations By Category

| Category                   | Amount          | Percent<br><u>of Total</u> |
|----------------------------|-----------------|----------------------------|
| Highway Programs*          | \$2,213,093,400 | 42.5%                      |
| Local Assistance           | 1,704,455,700   | 32.7                       |
| Debt Retirement            | 709,268,900     | 13.6                       |
| Division of Motor Vehicles | 180,755,000     | 3.5                        |
| Department Administration  | 142,209,400     | 2.7                        |
| Division of State Patrol   | 152,101,300     | 2.9                        |
| Other Agencies             | 74,491,000      | 1.4                        |
| Reserves                   | 35,869,600      | 0.7                        |
| Total                      | \$5,212,244,300 | 100.0%                     |

\*Does not include transportation fund-supported bond proceeds.

Note: Lapses to the transportation fund from the appropriations above are estimated to be \$6.0 million in 2023-25. Therefore, expenditures are estimated to be \$5,206.2 million.

#### **Budget Change Items**

# **General Agency Provisions**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       |             | Governor<br>(Chg. to Base) |               | nce/Leg.<br><u>to Gov)</u> | <u>Net Change</u>   |  |
|-------|-------------|----------------------------|---------------|----------------------------|---------------------|--|
|       | Funding     | Position                   | s Funding     | Position                   | s Funding Positions |  |
| GPR   | - \$144,200 | 0.00                       | \$0           | 0.00                       | - \$144,200 0.00    |  |
| FED   | 6,075,400   | - 9.00                     | 0             | 0.00                       | 6,075,400 - 9.00    |  |
| PR    | 1,457,200   | 0.00                       | - 3,350,200   | 0.00                       | - 1,893,000 0.00    |  |
| SEG   | 117,800     | 0.00                       | 0             | 0.00                       | 117,800 0.00        |  |
| Total | \$7,506,200 | - 9.00                     | - \$3,350,200 | 0.00                       | \$4,156,000 - 9.00  |  |

**Governor:** Provide adjustments to the base totaling -\$72,200 GPR, \$3,226,200 FED, \$725,000 PR, and \$58,900 SEG in 2023-24, and -\$72,000 GPR, \$2,849,200 FED, \$732,200 PR, \$58,900 SEG, and -9.0 FED positions in 2024-25. Adjustments are for: (a) turnover reduction (-\$2,512,600 PR annually); (b) removal of non-continuing elements from the base (-\$380,600 FED and -9.0 FED positions in 2024-25); (c) full funding of continuing position salaries and fringe benefits (-\$25,600 GPR, \$3,141,700 FED, \$3,445,500 PR, and \$54,000 SEG annually); (d) reclassifications and semiautomatic pay progression (\$3,700 FED and \$126,100 PR in 2023-24 and \$7,300 FED and \$129,900 PR in 2024-25); (e) overtime (\$541,900 PR annually); (f) night and weekend differential pay (\$28,200 PR annually); (g) full funding of lease and directed moves costs (-\$46,600 GPR, \$80,800 FED,-\$904,100 PR, and \$4,900 SEG in 2023-24, and -\$46,400 GPR, \$80,800 FED, -\$900,700 PR, and \$4,900 SEG in 2024-25); and (h) minor transfers within the same alpha appropriation (\$0 PR annually).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate under the Governor's recommended budget. Reduce funding under the turnover reduction standard budget adjustment by -\$1,675,100 PR annually.

#### 2. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|           | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change               |
|-----------|----------------------------|-----------------------------------|--------------------------|
| GPR<br>PR | - \$215,900<br>- 170,500   | \$6,500<br><u>3,089,600</u>       | - \$209,400<br>2,919,100 |
| Total     | - \$386,400                | \$3,096,100                       | \$2,709,700              |

**Governor:** Provide \$53,900 GPR and -\$167,200 PR in 2023-24 and -\$269,800 GPR and -\$3,300 PR in 2024-25 to reflect current law estimates of debt service costs on state general obligation bonds and commercial paper debt issued for the following programs: (a) educational technology infrastructure in schools (\$18,700 GPR in 2023-24 and -\$227,300 GPR in 2024-25); (b) educational technology infrastructure for public library boards (\$200 GPR in 2023-24 and -\$2,300 GPR in 2024-25); (c) Black Point Estate in Lake Geneva (\$35,000 GPR in 2023-24 and -\$40,200 GPR in 2024-25); (d) parking facilities in Madison (-\$184,700 PR in 2023-24 and -\$225,600 PR in 2024-25; and (e) buildings used to house state agencies (\$17,500 PR in 2023-24 and \$222,300 PR in 2024-25).

**Joint Finance/Legislature:** Modify estimated debt service amounts by \$600 GPR and \$839,800 PR in 2023-24 and \$5,900 GPR and \$2,249,800 PR in 2024-25 for: (a) Black Point Estate in Lake Geneva (\$600 GPR in 2023-24 and \$5,900 GPR in 2024-25); (b) parking facilities in Madison (\$136,000 PR in 2023-24 and \$164,400 PR in 2024-25); and (c) buildings used to house state agencies (\$703,800 PR in 2023-24 and \$2,085,400 PR in 2024-25).

#### **3. POSITION REALLOCATIONS** [LFB Paper 110]

|                    | Gover<br><u>(Chg. to</u> | Base) (Chg  | ance/Leg.<br>. to Gov <u>)</u> | <u>Net Change</u>  |
|--------------------|--------------------------|---|--------------------------------|--|
|                    | Funding Po               | sitions Funding                                       | Positions                      | Funding Positions  |
| FED<br>PR<br>Total | 473,000 2                | 2.00 \$0<br>2.00 <u>- 168,600</u><br>0.00 - \$168,600 | - 1.00                         | - \$473,000 - 2.00<br><u>304,400</u> <u>1.00</u><br>- \$168,600 - 1.00 |

**Governor:** Provide -\$236,500 FED, \$236,500 PR, -2.0 FED positions, and 2.0 PR positions annually. Positions and funding would be deleted from the following DOA appropriations: (a) services to non-state governmental units (\$87,800 PR and 1.0 PR position annually); (b) transportation and records (\$114,400 PR and 1.0 PR position annually); (c) enterprise resource planning system (\$148,700 PR and 1.5 PR positions annually); (d) federal aid (\$140,500 FED and 1.0 FED position annually); (e) housing and community development federal aid, state operations (\$96,000 FED and 1.0 FED position annually); and (f) general program operations, Indian gaming (\$131,900 PR and 1.0 PR position annually). Positions and funding would be provided to the following DOA appropriations: (a) materials and services to state agencies and certain districts (\$286,500 PR and 3.0 PR positions annually); (b) printing, mail, communication, document sales, and information technology (\$64,400 PR and 0.5 PR position annually); and (c) facilities management, police and protection function (\$368,400 PR and 3.0 PR positions annually).

**Joint Finance/Legislature:** Modify provision to remove the reallocation of \$84,300 PR and 1.0 PR position from the enterprise resource planning system appropriation to the materials and services to state agencies and certain districts appropriation. Instead, delete funding and position authority of \$84,300 PR and 1.0 PR position annually from DOA's enterprise resource planning system appropriation associated with a position that would have been reallocated for the Office of Environmental Justice.

# 4. INVESTMENT AND CAPITAL GRANTS PROGRAMS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions | <u>Net Change</u><br>Funding Positions |
|-----|--|---|--|
| GPR | \$300,737,700 4.00 -                                   | \$300,737,700 - 4.00  | \$0 0.00                               |

**Governor:** Create a continuing GPR appropriation for several grant programs formerly funded by the federal American Rescue Plan Act of 2021: the neighborhood capital investment grant program; the health care infrastructure capital grant program; and the tourism capital investment grant program. Provide \$300,000,000 in 2023-24 for aids to individuals and organizations. Provide \$341,400 in 2023-24 and \$396,300 in 2024-25 for: (a) project position salaries, \$144,700 in 2023-24 and \$192,900 in 2024-25; (b) fringe benefits, \$56,700 in 2023-24 and \$75,400 in 2024-25; and (c) supplies and services, \$140,000 in 2023-24 and \$128,000 in 2024-25. Supplies and services funding would include \$84,000 annually for contractual services. Provide 4.0 project positions annually (2.0 grants specialist-advanced, 1.0 program and policy

analyst-advanced, and 1.0 financial specialist) to administer the grant programs.

Specify that, during the 2023-25 biennium, the \$300,000,000 for aids to individuals and organizations be allocated as follows:

*Neighborhood capital investment grant program.* Allocate \$150,000,000 in 2023-24 for grants to local and tribal governments for capital investments to deliver public services, including: (a) facilities and projects to build affordable housing; (b) increased access to transit and transportation; (c) expanded access to childcare; and (d) other local workforce needs.

*Health care infrastructure capital grant program.* Allocate \$100,000,000 in 2023-24 for grants to local and tribal governments, nonprofit health care organizations, and health centers that qualify under the Social Security Act. Grants could be used for capital investments in health care. Allowable uses of grant funds would include infrastructure to: (a) expand access to affordable health care; (b) build facilities in areas of high need; and (c) reduce disparities in health care outcomes and services.

*Tourism capital investment grant program.* Allocate \$50,000,000 for grants to local and tribal governments and nonprofit organizations to strengthen the state's tourism, travel, and lodging industries.

Specify that funding for each grant program may be reallocated by the Secretary of DOA between grant programs in the appropriation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 5. GRANT TO A PROFESSIONAL BASEBALL PARK DISTRICT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$290,000,000              | - \$290,000,000                   | \$0        |

**Governor:** Require the Department of Administration (DOA) to award a grant, in the amount of \$290,000,000, to a local professional baseball park district, as defined under current law. [See "Professional Baseball Park District."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. CIVIL LEGAL ASSISTANCE GRANT PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$60,000,000               | - \$60,000,000                    | \$0        |

**Governor:** Create an annual civil legal assistance appropriation and provide \$30,000,000 million annually. Require DOA to pay the amounts appropriated to the Wisconsin Trust Account Foundation, Inc., to distribute grants to programs that provide civil legal services to indigent persons. Specify that grant funds may be used as a match for other federal and private grants, but may only be used for the purposes for which the funding was provided. The Administration indicates that eligible services may include legal services relating to eviction, unemployment compensation, consumer law, domestic violence, and health insurance matters.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. COUNTER-DRUG AIRPLANE [LFB Paper 556]

|    | Gove<br><u>(Chg. tư</u><br>Funding | o Base) | Jt. Finar<br><u>(Chg. t</u><br>Funding | o Gov) |     | <u>Change</u><br>Positions |
|----|------------------------------------|---------|--|--------|-----|----------------------------|
| PR | \$5,176,400                        | 1.00    | - \$5,176,400                          | - 1.00 | \$0 | 0.00                       |

**Governor:** Provide \$2,577,300 in 2023-24, \$2,599,100 in 2024-25, and 1.0 position annually to purchase and maintain a new aircraft for the Department of Military Affairs. Funding would be provided for: (a) purchase of the aircraft, \$2,170,900 annually; (b) salary, fringe benefits, and supplies and services for the mechanic, \$76,400 in 2023-24 and \$98,200 in 2024-25; and (c) other supplies and services costs, \$330,000 annually. The aircraft would replace a federal aircraft that has been decommissioned and would support counter-drug, incident awareness, and rescue operations. The mechanic position would provide maintenance for the aircraft at Wisconsin Air Services within the Department of Administration. [See "Military Affairs."]

Joint Finance/Legislature: Provision not included.

### 8. POSITIONS FOR UW ORGAN AND TISSUE DONATION PROGRAM AIRCRAFT [LFB Paper 111]

|    | Gove<br><u>(Chg. t</u><br>Funding | -    | <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|-----------------------------------|------|--------------|---|-----|----------------------------|
| PR | \$707,700                         | 3.00 | - \$707,70   | 0 - 3.00                                | \$0 | 0.00                       |

Governor: Provide \$312,500 in 2023-24, \$395,200 in 2024-25, and 3.0 positions annually.

Funding would support salaries, fringe benefits, and supplies and services associated with two pilots and a mechanic (\$262,400 in 2023-24 and \$345,200 in 2024-25) who would operate and maintain a new aircraft for the University of Wisconsin Organ and Tissue Donation Program, as well as operating costs for the aircraft. The aircraft would replace an aircraft that can no longer be used for the program and would be purchased using the Department's base funding.

Joint Finance/Legislature: Provision not included.

# 9. RESOURCES FOR EMPLOYEE TRUST FUNDS INFORMATION TECHNOLOGY PROJECT [LFB Paper 112]

|    | Gove<br><u>(Chg. t</u> | o Base)   | Jt. Fina<br><u>(Chg. t</u> | <u>o Gov</u> |         | Change    |
|----|------------------------|-----------|----------------------------|--------------|---------|-----------|
|    | Funding                | Positions | Funding                    | Positions    | Funding | Positions |
| PR | \$1,515,100            | 3.00 -    | - \$1,515,100              | - 3.00       | \$0     | 0.00      |

**Governor:** Provide \$731,600 in 2023-24, \$783,500 in 2024-25, and 3.0 positions annually (1.0 permanent and 2.0 project) associated with the information technology modernization project of the Department of Employee Trust Funds (ETF). The project will replace ETF's insurance and pension administration systems. [See "Employee Trust Funds."]

Funding and position authority would be provided to the following appropriations in DOA: (a) personnel management general program operations, \$362,600 in 2023-24, \$399,200 in 2024-25, and 2.0 project positions annually; (b) printing, mail, communication, document sales, and information technology services to state agencies, \$300,000 annually; and (c) financial services, \$69,000 in 2023-24, \$84,300 in 2024-25, and 1.0 permanent position annually. The appropriations are funded from assessments to state agencies.

According to the Department, the replacement of the insurance and pension administration systems may incur increased workload and costs for DOA, including: personnel management staff resources, to collaborate with ETF to implement changes resulting from the project; ongoing software licensing payments that DOA would intend to incur directly and assess ETF to recover costs; and ongoing workload increases for the State Controller's Office relating to new processes such as transactional and reporting activities.

Joint Finance/Legislature: Provision not included.

# 10. LOCAL GOVERNMENT GRANT RESOURCE TEAM [LFB Paper 113]

|     | Gove<br><u>(Chg. ta</u><br>Funding | o Base) | Jt. Fina<br><u>(Chg. 1</u><br>Funding | to Gov |     | <u>Change</u><br>Positions |
|-----|------------------------------------|---------|---------------------------------------|--------|-----|----------------------------|
| GPR | \$959,700                          | 5.00    | - \$959,700                           | - 5.00 | \$0 | 0.00                       |

**Governor:** Provide \$411,300 in 2023-24, \$548,400 in 2024-25, and 5.0 positions annually to DOA's general program operations appropriation to create a grant resource team within the

Division of Intergovernmental Relations responsible for assisting local governments in navigating state and federal grant application processes. The grant resource team is intended to increase the ability of local governments to obtain federal resources.

Joint Finance/Legislature: Provision not included.

|                    | Governor<br><u>(Chg. to Base)</u>        |           | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u>       |                                   | <u>Net Change</u> |                             |
|--------------------|--|-----------|--|-----------------------------------|-------------------|-----------------------------|
|                    | Funding                                  | Positions | Funding  | Positions                         | Funding           | Positions                   |
| GPR<br>PR<br>Total | \$583,900<br><u>168,100</u><br>\$752,000 | 1.00      | - \$583,900<br><u>- 168,100</u><br>- \$752,000 | - 1.00<br><u>- 1.00</u><br>- 2.00 | \$0<br><br>\$0    | 0.00<br><u>0.00</u><br>0.00 |

# 11. DIVERSITY, EQUITY, AND INCLUSION INITIATIVES

**Governor:** Provide \$273,900 GPR and \$73,600 PR in 2023-24, \$310,000 GPR and \$94,500 PR in 2024-25, and 1.0 GPR unclassified position and 1.0 PR classified position annually to administer diversity, equity, and inclusion activities overseen by DOA, as determined by the Secretary of DOA.

*Equity Officers.* The 1.0 GPR unclassified position, appointed by the Secretary of DOA, would serve as the state's chief equity officer, and would be placed in executive salary group 4 (an annual salary range of \$85,779 to \$141,544 under the 2021-23 compensation plan). The chief equity officer would be responsible for collaborating with agency equity officers to advance equity in government operations, including determining how current government practices and policies impact communities of color and individuals with disabilities. The 1.0 PR classified position would serve as the Department's agency equity officer, and would be funded from assessments to agencies for human resources services. Allocate the following: (a) \$84,500 GPR and \$45,000 PR in 2023-24 and \$112,600 GPR and \$60,000 PR in 2024-25 for permanent position salaries; (b) \$33,100 GPR and \$17,600 PR in 2023-24 and \$44,100 GPR and \$23,500 PR for fringe benefits; and \$14,000 GPR and \$11,000 PR in 2023-24 and \$11,000 PR in 2023-25 for supplies and services associated with the positions.

Agency equity officers would also be created in the following agencies: Agriculture, Trade, and Consumer Protection; Children and Families; Corrections; Financial Institutions; Health Services; Justice; Military Affairs; Natural Resources; Public Instruction; Revenue; Safety and Professional Services; Tourism; Transportation; Veterans Affairs; Workforce Development; the Office of the Commissioner of Insurance; and the Public Service Commission. In total, the above agencies would be provided funding of \$562,900 GPR, \$222,900 PR, and \$191,800 SEG in 2023-24, \$722,900 GPR, \$286,200 PR, and \$246,400 SEG in 2024-25, and position authority of 7.5 GPR positions, 3.0 PR positions, and 2.5 SEG positions annually for equity officers.

*Fellowship Program and Conferences.* Provide \$64,300 GPR annually for LTE salaries, fringe benefits, and supplies and services to support a Governor's fellowship program, which would assign college students from diverse backgrounds to state agencies to help students gain experience working in government. Provide \$18,000 GPR annually to establish a Governor's

progress summit, which would include local, state, and tribal leaders and would focus on addressing equity in areas such as racial justice, education, housing, and employment. Provide \$60,000 GPR annually to host a state-sponsored diversity, equity, and inclusion conference, which would focus on workshops and seminars on best practices for state and local government employees.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 12. NATIONAL AND COMMUNITY SERVICE BOARD INCREASE [LFB Paper 114]

|                           | Governor<br>(Chg. to Base)                         |  | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u>                   |   | <u>Net Change</u>           |                                     |
|---------------------------|--|--|--|---|-----------------------------|-------------------------------------|
|                           | Funding  | Positions                                  | Funding  | Positions                               | Funding                     | Positions                           |
| GPR<br>FED<br>PR<br>Total | \$55,100<br>154,800<br><u>220,300</u><br>\$430,200 | $0.00 \\ 0.00 \\ \underline{1.00} \\ 1.00$ | - \$55,100<br>- 154,800<br><u>- 220,300</u><br>- \$430,200 | 0.00<br>0.00<br><u>- 1.00</u><br>- 1.00 | \$0<br>0<br><u>0</u><br>\$0 | 0.00<br>0.00<br><u>0.00</u><br>0.00 |

**Governor:** Provide \$25,000 GPR in 2023-24 and \$30,100 GPR in 2024-25 to DOA's general program operations appropriation, and \$99,900 PR in 2023-24, \$120,400 PR in 2024-25, and 1.0 PR position annually to the PR appropriation for the National and Community Service Board (NSCB). Funds provided to both appropriations would be used to fulfill match requirements for federal funding from the Corporation for National and Community Service (AmeriCorps). Base funding for the PR appropriation is \$337,200 PR with 1.0 PR position.

Modify the federally-funded NCSB appropriation from a continuing appropriation that is limited to the amounts in the schedule to an appropriation that allows expenditures of all monies received. Reestimate expenditures by \$72,000 FED in 2023-24 and \$82,800 FED in 2024-25 associated with projected program administration costs. Base funding for the appropriation is \$1,165,600 FED with 7.0 FED positions.

Serve Wisconsin, Wisconsin's National and Community Service Board, has a mission to promote service, provide training, and allocate resources to programs that enrich lives and communities through service and volunteerism. The organization works with AmeriCorps programs and volunteers.

Joint Finance/Legislature: Provision not included.

#### 13. DIRECTOR OF NATIVE AMERICAN AFFAIRS AND TRIBAL LIAISON

|     | Gove<br><u>(Chg. to</u><br>Funding | o Base) |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|------------------------------------|---------|-------------|---|-----|----------------------------|
| GPR | \$356,700                          | 2.00    | - \$356,700 | 2.00                                    | \$0 | 0.00                       |

**Governor:** Provide \$152,900 in 2023-24, \$203,800 in 2024-25, and 2.0 positions annually (1.0 unclassified and 1.0 classified) to DOA's general program operations appropriation. Provide statutory authority for an unclassified position, appointed by the Secretary of DOA, to serve as the Director of Native American Affairs, responsible for managing relations between the state and tribes. The unclassified position would be placed in executive salary group 3 (an annual salary range of \$79,414 to \$131,040 under the 2021-23 compensation plan). The classified position would serve as the Department's tribal liaison.

Agency tribal liaisons would also be created in the following agencies: Agriculture, Trade, and Consumer Protection; Corrections; Justice; Tourism; Workforce Development; and the Public Service Commission. The Administration indicates that the Director of Native American Affairs would coordinate with the agency tribal liaisons. In total, the above agencies would be provided funding and position authority of \$320,400 GPR and \$60,800 PR in 2023-24, \$427,500 GPR and \$81,100 PR in 2024- 25, and 5.0 GPR positions and 1.0 PR position annually for tribal liaisons.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 14. ADMINISTRATIVE SUPPORT TO HIGHER EDUCATIONAL AIDS BOARD

|    | Gove<br><u>(Chg. t</u> | -         |             | nce/Leg.<br>to Gov <u>)</u> | <u>Net (</u> | Change    |

|    | Funding                | Positions | Funding     | Positions                   | Funding      | Positions |
| PR | \$195,200              | 1.00      | - \$195,200 | - 1.00                      | \$0          | 0.00      |

**Governor:** Provide \$85,600 in 2023-24, \$109,600 in 2024-25, and 1.0 position annually to DOA's appropriation for materials and services to state agencies and certain districts to provide administrative support to the Higher Educational Aids Board (HEAB). The provision would be funded from assessments to HEAB for services provided. While the bill does not include language relating to the provision, the Administration indicates that the intent is to specify that HEAB would be administratively attached to the Department. Under current law, HEAB is responsible for its own administrative services.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 15. REPRESENTATION FOR LAW LICENSE GRIEVANCES

|    | Gove<br><u>(Chg. to</u><br>Funding | o Base) |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |

**Governor:** Provide funding and position authority of \$65,700 in 2023-24, \$84,200 in 2024-25, and 1.0 position annually to hire an attorney to represent state attorneys before the Office of Lawyer Regulation regarding grievances filed against their law licenses. The Administration indicates the attorney would represent all executive branch attorneys, excluding the UW System

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 16. WISCONSIN WOMEN'S COUNCIL OPERATIONS

|    | Governor       |       | t. Finance/Leg |            |
|----|----------------|-------|----------------|------------|
|    | (Chg. to Base) |       | (Chg. to Gov)  | Net Change |
| GP | R \$9          | 6,400 | - \$96,400     | \$0        |

**Governor:** Provide additional funding of \$50,700 in 2023-24 and \$45,700 in 2024-25 to DOA's existing appropriation for the Women's Council for limited-term employee (LTE) compensation and supplies and services to provide operational support. Funding would be for: salary and fringe benefits, \$29,700 annually; and supplies and services, \$21,000 in 2023-24 and \$16,000 in 2024-25. According to DOA, the program and policy analyst-advanced LTE would: (a) build community relationships through education and outreach; (b) conduct listening sessions to gather qualitative data; (c) conduct surveys to gather quantitative data for use in reporting to inform potential social and policy interventions; (d) assist in the development of one or more review and advisory committees from impacted communities to assess the research findings; and (e) attend, monitor, report and engage with key stakeholders on behalf of the Women's Council. Base funding for the appropriation is \$158,400 and 1.0 position.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 17. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$38,800                   | - \$38,800                        | \$0        |  |

Governor: Provide \$19,400 annually to increase agency supplies and services funding.

According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **18. FUND OF FUNDS INVESTMENT PROGRAM**

Governor: Require that gross proceeds from the fund of funds investment program be reinvested in venture capital funds unless otherwise directed by DOA. Currently, the program invests in venture capital funds that invest in businesses located in the state. The state contracted with an investment manager in June, 2015, to invest the amounts contributed to the Badger Fund of Funds, including the state's contribution of \$25.0 million GPR. According to DOA, the state's contribution is held in escrow and is released as capital draws are requested. As of December, 2022, \$34.6 million of state and private funds had been invested and the total amount in the Fund of Funds was \$74.2 million.

Under current law, the gross proceeds from investments of the state's contribution must be returned to the state for deposit into the general fund. If the cumulative amount returned to the general fund reaches \$25.0 million, the investment manager must pay 90% of the gross proceeds from investments of the state's contribution thereafter. Under the bill, these provisions would be repealed and no amount of money would be deposited to the general fund. To date, no proceeds have been returned to the general fund.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **19. FUND OF FUNDS INVESTMENT PROGRAM --** GPR \$25,000,000 ADDITIONAL FUNDING

**Joint Finance/Legislature:** Provide \$25,000,000 in 2023-24 to DOA's appropriation for the fund of funds investment program, resulting in a total of \$50,000,000 GPR provided to the fund of funds by the state (\$25,000,000 GPR was provided in 2013-14). Amend program language to specify that DOA must provide \$25,000,000 to the fund of funds investment manager in 2023-24, and the investment manager must commit the newly-provided funds to at least four venture capital funds that have headquarters in Wisconsin within 24 months after receipt of the moneys.

In addition, amend program language to specify that a management fee be provided to the investment manager in the amount of 1% annually of the newly-provided \$25.0 million contributed by the state for no more than four years from the time the funding is provided to the investment manager (that is, a fee of \$250,000 annually for the newly-provided funds, for a period of no more

than four years). Under current law, the management fee is provided annually for no more than four years, and is 1% of the \$25,000,000 initially invested by the state plus at least \$5,000,000 that the investment manager raises from all sources other than the department, but does not include the investment of at least \$300,000 of the investment manager's own moneys. The state contract with the investment manager was executed in June, 2015.

Amend program language to specify that current law matching requirements for investments in businesses also apply to the newly-provided \$25.0 million state funds. Under current law, any moneys from the \$25.0 million funding provided to the fund by the state in 2013-14, which is invested into a business, must be matched with an investment in that business from sources other than the investment manager and must provide, on average, \$2 in that business from sources other than the investment manager for every \$1 the venture capital fund receives from the state.

Amend program language to specify that gross proceeds up to \$50,000,000 from the state's investments must be paid to the Secretary of DOA for deposit to the general fund, and that 90% of the gross proceeds thereafter would also be deposited to the general fund, as is specified under current law with respect to the \$25,000,000 provided in 2013-14.

Require DOA to submit, no later than March 1, 2024, a report to the Joint Committee on Finance that includes a comprehensive assessment of the performance to date of the investment program; any recommendations that DOA has for improvement of the program; and any recommendations the State of Wisconsin Investment Board has for improvement of the program.

Veto by Governor [B-9]: Eliminate the requirement for the investment manager to return gross proceeds to the state for deposit to the general fund. Additionally, eliminate the requirement for the Department to submit a progress report regarding the program to the Joint Committee on Finance in 2024.

[Act 19 Sections: 24 thru 30 and 34]

[Act 19 Vetoed Sections: 31 thru 33 and 35]

#### 20. WALTER SCHROEDER AQUATIC CENTER

Joint Finance/Legislature: Create an annual GPR appropriation under DOA and provide \$920,000 in 2023-24 for a grant to the Walter Schroeder Aquatic Center (Brown Deer) for costs associated with facility repairs and renovation. Sunset the appropriation on July 1, 2025.

[Act 19 Sections: 136, 137, 9130(2), and 9430(2)]

#### 21. **MADELINE ISLAND FERRY**

Page 58

Joint Finance/Legislature: Create an annual GPR appropriation under DOA and provide \$200,000 in 2023-24 for a grant to the La Pointe Harbor Commission for costs associated with the Madeline Island Ferry Line. Sunset the appropriation on July 1, 2025.

[Act 19 Sections: 138, 139, 9130(1), and 9430(1)]

\$200,000

GPR

#### 22. VACANT POSITION

**Joint Finance/Legislature:** Delete 1.0 position annually associated with a position that has been vacant for 18 or more months.

# Housing

#### 1. AFFORDABLE WORKFORCE HOUSING GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$150,000,000              | - \$150,000,000                   | \$0        |

**Governor:** Create an affordable workforce housing grant program funded from a biennial GPR appropriation and provide \$150,000,000 in 2023-24. Under the bill, grants would be awarded to municipalities (cities, villages, and towns) to increase the availability of affordable workforce housing. Allowable uses of grant funds would include: (a) funding infrastructure for new affordable housing developments; (b) creating or enhancing an affordable housing trust fund; and (c) providing additional incentives for land use and zoning changes. Authorize DOA to promulgate rules establishing eligibility requirements and program guidelines for the grant program. According to the Administration, the recommended funding level was based on increased demand for affordable housing and program criteria that would allow grants to be used for costs relating to new residential developments, such as streets, sidewalks, and water and sewer infrastructure.

The Administration indicates that similar programs in other states have funded initiatives such as: (a) capital subsidies for affordable housing developments; (b) operating subsidies for affordable housing developments; (c) acquisition and operation of moderate-cost rental units; (d) targeted efforts to create, preserve, and expand the supply of lower-cost housing types in resource-rich areas; (e) tenant-based rental assistance; (f) security deposit assistance; (g) down payment and closing cost assistance; and (h) foreclosure prevention assistance.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. MUNICIPAL HOME REHABILITATION GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPF | <b>\$100,000,000</b>       | - \$100,000,000                   | \$0        |

Governor: Create a municipal home rehabilitation grant program funded from a biennial

- 1.00

FED

GPR appropriation and provide \$100,000,000 in 2023-24. Under the bill, grants would be awarded to municipalities to fund initiatives to rehabilitate and restore blighted residential properties within the municipality. Authorize DOA to establish eligibility requirements and program guidelines for the grant program. The Administration indicates that municipalities would distribute grant funds to small businesses and developers to renovate and restore qualifying properties.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. SHELTER FOR HOMELESS AND HOUSING GRANTS [LFB Paper 125]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$12,600,000               | - \$12,600,000                    | \$0        |

**Governor:** Provide \$6,300,000 annually to DOA's shelter for homeless and housing grants appropriation, which supports the housing assistance program (HAP) and the state shelter subsidy grant (SSSG) program. According to DOA, \$5,000,000 per year would be allocated to HAP, \$700,000 per year would be allocated to SSSG, and \$600,000 per year would be allocated to provide housing navigation grants, as recommended by the Interagency Council on Homelessness in its February, 2022, statewide action plan. The housing navigation grants would be used to connect landlords and homeless persons to help secure housing faster.

The Department provides up to \$900,000 annually in HAP grants to local units of government, nonprofit organizations, for-profit organizations, and other entities for the operation of housing and associated supportive services for individuals experiencing homelessness. Under the SSSG program, funding of up to \$1,613,600 annually is provided for grants to local units of government, nonprofit organizations, for-profit organizations, federally-recognized tribes or bands, and other entities for shelter operations.

Joint Finance/Legislature: Provision not included.

# 4. WHOLE-HOME UPGRADE GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$7,250,000                | - \$7,250,000                     | \$0        |  |

**Governor:** Create a "whole-home upgrades" grant program and provide funding of \$7,250,000 in 2023-24. Under the bill, one or more grants would provide funding to Walnut Way Conservation Corporation in the City of Milwaukee, and Elevate, Inc., in the Village of Jackson (Washington County), for home improvements for low-income households in a first class city that have one or more of the following goals: (a) reducing carbon emissions; (b) reducing energy

burdens; (c) creating cost savings; and (d) creating healthier living environments. Milwaukee is currently the only first class city in Wisconsin. Authorize DOA to establish eligibility requirements and program guidelines for the grant program. Specify that no grants may be awarded after June 30, 2025. The provision is intended to make improvements to single family and small multi-family (two- to four-unit) housing structures that include maintenance, weatherization, building electrification, and installation of solar energy systems.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 5. RENTAL HOUSING SAFETY GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$5,000,000                | - \$5,000,000                     | \$0        |

**Governor:** Create a rental housing safety grant program funded from a biennial GPR appropriation and provide \$5,000,000 in 2023-24. Under the bill, one or more grants would provide funding to a first class city for activities to improve rental housing safety. Milwaukee is currently the only first class city in Wisconsin. Allowable uses of funds would include: (a) enhancing or creating a property inspection program; and (b) developing and launching a searchable online database that discloses the history of rental properties within the city. Authorize DOA to establish program guidelines for the grant program. Specify that no grants may be awarded after June 30, 2025.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 6. HOUSING QUALITY STANDARDS GRANT PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Create a housing quality standards grant program funded from an annual GPR appropriation and provide \$2,000,000 annually. Under the bill, grants would be awarded to owners of rental housing units for purposes of satisfying applicable housing quality standards. The Interagency Council on Homelessness in its February, 2022, statewide action plan recommended that the program be established to increase the number of affordable rental units available throughout the state.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. HOUSING GRANTS AND LOANS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Provide \$2,000,000 annually to DOA's housing grants and loans appropriation, which supports the housing cost reduction initiative homebuyer program, the homelessness prevention program (HPP), and the critical assistance program. According to DOA, \$1,000,000 would be allocated to the HPP, and an additional \$1,000,000 would be used to establish a diversion program, as recommended by the Interagency Council on Homelessness in its February, 2022, statewide action plan. The diversion program would provide case management, rental subsidies, utility assistance, and other services to prevent homelessness.

The Department grants \$1,515,000 annually to entities for HPP and utilizes the grants as a match for federally-funded Emergency Solutions Grants. Eligible uses of HPP grants include: (a) housing payments (rent, security deposits, utilities, and moving costs); and (b) housing relocation and stabilization services.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 8. HOMELESS VETERAN RENTAL ASSISTANCE PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,000,000                | - \$2,000,000                     | \$0        |

**Governor:** Create a rental assistance grant program for homeless veterans funded from an annual GPR appropriation and provide \$1,000,000 annually. Specify that: (a) grants be awarded to each continuum of care (CoC) designated by the U.S. Department of Housing and Urban Development; and (b) funds must be used to provide tenant-based rental assistance to homeless veterans. Tenant-based assistance is provided to individual households, rather than to particular building projects. According to DOA, the recommended funding level is based on reports from local agencies on the number of veterans seeking homelessness assistance. In addition, the funding and program were recommended by the Interagency Council on Homelessness in its February, 2022, statewide action plan.

Wisconsin has four designated CoC organizations: the Homeless Services Consortium of Dane County, the Milwaukee Continuum of Care, the Racine Continuum of Care, and the Wisconsin Balance of State Continuum of Care. The Administration indicates that DOA would work with CoCs, the Wisconsin Department of Veterans Affairs, and the U.S. Department of Veterans Affairs to distribute funding in accordance with the number of eligible veterans in each community.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 9. HOMELESS CASE MANAGEMENT SERVICES

|    | Gove<br><u>(Chg. ta</u><br>Funding | o Base) |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|------------------------------------|---------|-------------|---|-----|----------------------------|
| PR | \$1,151,600                        | 1.00 -  | \$1,151,600 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide additional funding of \$565,000 in 2023-24, \$586,600 in 2024-25, and 1.0 position annually for the homeless case management services grant program. Funding would be for: (a) grants, \$500,000 annually; and (b) administration, \$65,000 in 2023-24 and \$86,600 in 2024-25. Increase the annual limit on grants from \$50,000 to \$75,000 per recipient, and eliminate the statutory restriction that limits the program to 10 grants per year. The Administration indicates that the revised limit of \$75,000 is based on a review of prior applications and would be sufficient to ensure that assistance is available for agencies of various sizes throughout the state.

Under current law, the program is provided \$500,000 FED annually from the Department of Children and Families' federal temporary assistance for needy families (TANF) program. Under the bill, an increase of \$500,000 annually would be provided under the TANF allocation. The bill would additionally increase funding in the Department of Children and Families to support the cost of administering TANF-related programs. Included in the funding increase for administration is \$14,900 in 2023-24 and \$36,600 in 2024-25 for the homeless case management services grant program in DOA. [See "Children and Families -- TANF and Economic Support."]

The program is currently authorized by statute to support 10 annual grants of \$50,000 to shelter facilities to provide intensive case management services to homeless families. The following are eligible uses of funds: (a) financial management services; (b) employment services, including connecting parents with their local workforce development board and assisting them with using the Department of Workforce Development's website; (c) services intended to ensure continuation of school enrollment for children; and (d) services to enroll unemployed or underemployed parents in the Wisconsin Works program. Allowable uses also include partnerships between local governments, religious organizations, local businesses, and charitable organizations that deliver housing relocation services.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. POSITIONS TO SUPPORT HOUSING INITIATIVES

|     | Gove<br><u>(Chg. te</u><br>Funding | o Base) |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|------------------------------------|---------|-------------|---|-----|----------------------------|
| GPR | \$847,200                          | 5.00    | - \$847,200 | - 5.00                                  | \$0 | 0.00                       |

**Governor:** Provide funding and position authority to DOA's general program operations appropriation for housing as follows, for additional staff under the Division of Energy, Housing, and Community Resources (DEHCR) to administer several new housing programs and to support expanded housing programs.

Provide \$233,200 in 2023-24, \$310,900 in 2024-25, and 3.0 positions annually to administer affordable workforce housing grants, municipal home rehabilitation grants, whole-home upgrade grants, and rental housing safety grants.

Provide \$129,900 in 2023-24, \$173,200 in 2024-25, and 2.0 positions annually to administer homelessness prevention initiatives through new and expanded housing programs: HAP, SSSG, housing navigation grants, housing quality standards grants, HPP, a diversion program, and a homeless veteran rental assistance program.

In 2022-23, DEHCR is authorized 28.9 positions (8.5 GPR and 20.4 FED).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Energy and Environment**

### 1. WATER UTILITY ASSISTANCE PROGRAM

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Change</u><br>Positions |
|-----|--|---|-----|----------------------------|
| GPR | \$10,181,300 1.00 -                                    | \$10,181,300 - 1.00   | \$0 | 0.00                       |

**Governor:** Create a water utility assistance program to help low-income households pay water bills. Provide \$5,077,700 in 2023-24, \$5,103,600 in 2024-25, and 1.0 position annually for program administration and assistance to households, as described below.

*Program Administration.* Require DOA to administer a water utility assistance program for low-income households and to establish a payments schedule for the program. Authorize DOA to contract with a county department, local governmental agency, or private nonprofit organization

to process applications and make payments. Create an annual appropriation and provide \$327,700 in 2023-24, \$353,600 in 2024-25, and 1.0 position annually for administration.

*Application Procedure.* Create a continuing appropriation and provide \$4,750,000 annually for water assistance payments to households. Specify that a household may apply for assistance from the Department. Authorize DOA to reduce payments or suspend the processing of applications if, by February 1 of any year, the number of households applying for assistance exceeds the number anticipated.

*Eligibility.* Specify that to be eligible for assistance, a household must consist of an individual or group living together as a single economic unit whose household income does not exceed 60% of the statewide median income. In 2022-23, for the home energy assistance program under DOA, this guideline is equivalent to \$61,738 annually for a household of four. A household would also be eligible if all members receive supplemental nutrition assistance benefits, supplemental security income, or state supplemental payments. Households in subsidized housing who pay utility bills would be eligible, provided that the household income is within program limits. No assistance would be provided to those imprisoned in a state prison, juvenile correctional facility, or secured residential care center. Specify that DOA may establish additional eligibility requirements and guidelines for the program.

*Crisis Assistance*. Specify that households eligible for water utility assistance may also be eligible for crisis assistance. Authorize DOA to define the circumstances of a crisis, determine the amount of crisis assistance provided, and delegate administration to a county department, local governmental agency, or private nonprofit organization. Under the current law program for energy assistance, crisis assistance is provided to households that experience, or are at risk of experiencing, a heating emergency (such as denial of future fuel deliveries) or an energy emergency (such as the loss of essential home energy). Program intake workers are employed by a variety of entities, including county social service agencies, to provide both emergency and prevention services. Emergency crisis services may include providing heating fuel, a warm place to stay for a few days, or other actions that would assist the household experiencing a heating emergency, while prevention services may include providing in-kind benefits such as blankets and space heaters.

The Department currently administers a low-income household water assistance program (LIHWAP) through designated one-time allocations to the state for low-income water assistance that were provided by: (a) the federal American Rescue Plan Act of 2021 (enacted March, 2021), \$8,098,000; and (b) the federal Department of Labor, Health and Human Services, Education, and Related Agencies Appropriations Act, 2021 (enacted December, 2021), \$10,333,100. The program does not have permanent or ongoing statutory authorization or funding beyond December 31, 2023. The Governor's recommendation for 2023-25 is based on the number of households served in program year 2022 and the current formula utilized by DOA to determine water assistance benefit payments.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. ESTABLISH THE OFFICE OF SUSTAINABILITY AND CLEAN ENERGY

|     | Governo<br><u>(Chg. to Ba</u><br>Funding Po | <u>ase)</u> | Jt. Finar<br><u>(Chg. te</u><br>Funding | <u>o Gov)</u> |     | <u>Change</u><br>Positions |
|-----|---|-------------|---|---------------|-----|----------------------------|
| GPR | \$9,342,200                                 | 2.00 -      | \$9,342,200                             | - 2.00        | \$0 | 0.00                       |

**Governor:** Statutorily establish the Office of Sustainability and Clean Energy within the Department. The Office was established within DOA in August, 2019, by Executive Order #38. Provide funding of \$9,153,200 in 2023-24, \$189,000 in 2024-25, and 2.0 classified positions. The funding would be allocated as follows.

*Clean Energy Grants.* Provide one-time funding of \$4,000,000 in 2023-24 for research grants to support clean energy production.

*Office Administration.* Provide \$76,600 in 2023-24 and \$94,500 in 2024-25 for 1.0 position annually to support the Office.

*Clean Energy Small Business Incubator*. Create a "clean energy small business incubator" within the Office of Sustainability and Clean Energy, funded from a biennial GPR appropriation, to provide business development, mentorship, and expertise to small businesses operating in the clean energy sector. Provide \$5,000,000 in 2023-24 for grants and \$76,600 in 2023-24, \$94,500 in 2024-25, and 1.0 position annually to administer the incubator and grant program.

Require the incubator program to award grants to small business start-up companies that operate in the clean energy sector. Specify that the Office may establish requirements for grant recipients.

Other Responsibilities. The Office would also be responsible for: (a) promoting the development and use of clean and renewable energy; (b) advancing innovative solutions to improve the economy and environment, including initiatives that reduce carbon emissions, accelerate economic growth, and lower customer energy costs; (c) diversifying resources used to meet the energy needs of consumers and generate jobs through the expansion of the state's clean energy economy; (d) providing support to state agencies in developing or retrofitting infrastructure to reduce energy use and lessen impacts on air and water quality; (e) reporting on the status of existing clean and renewable energy efforts by the state, including economic development initiatives, and developing energy policy opportunities for consideration by the Governor and state agencies; (f) serving as the point of contact to assist businesses, local units of government, and nongovernmental organizations pursuing clean energy opportunities; (g) identifying and sharing information about clean energy funding and employment opportunities for private, state, and local governmental entities; and (h) taking other steps necessary to facilitate the above initiatives and to address barriers to implementation. Further, the Office would provide technical assistance to local units of government and private entities to assist with planning and implementing energy efficiency and renewable resources and would be authorized to charge for such services. The Office would be authorized to require a public utility to provide energy data regarding public schools. The Office would be required to consult with the Public Service Commission and permitted to request assistance from other agencies in providing assistance.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 3. ESTABLISH THE OFFICE OF ENVIRONMENTAL JUSTICE

|     | Govern<br><u>(Chg. to I</u><br>Funding P | Base) | Jt. Finar<br><u>(Chg. ta</u><br>Funding | o Gov) |     | <u>Change</u><br>Positions |
|-----|--|-------|---|--------|-----|----------------------------|
| GPR | \$1,169,700                              | 3.00  | - \$1,169,700                           | - 3.00 | \$0 | 0.00                       |

**Governor:** Statutorily establish the Office of Environmental Justice within DOA. The Office was established within DOA in April, 2022, by Executive Order #161. Provide \$300,000 in the 2023-25 biennium to create a technical assistance grant program. Provide 3.0 positions annually (2.0 unclassified and 1.0 classified) for program administration. Funding would be allocated as follows.

*Program Administration.* Provide \$389,800 in 2023-24, \$479,900 in 2024-25, and 3.0 positions annually to administer the program. The Office would be led by an unclassified director, appointed by the Secretary of DOA, and an unclassified chief resiliency officer responsible for overseeing state and local climate resiliency and risk planning. Provide a classified staff position to support the office. Both unclassified positions would be placed in executive salary group 3 (an annual salary range of \$79,414 to \$131,040 under the 2021-23 compensation plan).

*Grant Program.* Create a biennial appropriation and provide funding of \$150,000 annually to provide climate risk assessment and resiliency plan technical assistance grants. The Administration indicates the grant program would provide \$125,000 annually to assist municipalities and tribal governments with developing climate risk assessment and resiliency plans to become carbon-free by 2050, and would provide \$25,000 annually to develop and implement climate risk assessment and resiliency plans for state agencies and local governments.

Other Responsibilities. In addition to the grant program, the Office would be responsible for: (a) developing a statewide climate risk assessment and resiliency plan; (b) assisting state agencies, local governments, and tribal governments with the development of climate risk assessment and resiliency plants; (c) administering a climate risk assessment and resiliency plan technical assistance grant program; (d) collaborating with state agencies and entities that serve vulnerable communities to address the impact of climate change; (e) analyzing grant opportunities and enforcement of environmental laws and regulations; (f) providing guidance to state entities to address environmental issues and concerns that affect primarily low-income and minority communities; and (g) creating an annual report on issues, concerns, and problems related to environmental justice.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. TRANSFER ADMINISTRATION OF HIGH-VOLTAGE IMPACT FEES

**Governor:** Transfer administration of one-time environmental impact fees and annual impact fees for construction and operation of high-voltage transmission lines from DOA to the Public Service Commission (PSC). The bill would transfer all assets and liabilities, employees, employee status (permanent or otherwise), tangible personal property, contracts, rules and orders, and pending matters, as determined by the Secretary of DOA. [No positions are identified for transfer because there are no full-time employees associated with the program.]

Under current law, owners of high-voltage transmission lines make a one-time payment equal to 5% of the cost of the transmission line, and annual payments equal to 0.3% of the cost of the transmission line to DOA, which then distributes the amounts in a proportional manner to local governments affected by the transmission line.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Personnel Management**

#### 1. STATE EMPLOYEE PAID FAMILY AND MEDICAL LEAVE

|    | Gover<br><u>(Chg. to</u><br>Funding Po | Base) | Jt. Finar<br><u>(Chg. te</u><br>Funding | <u>o Gov)</u> |     | <u>Change</u><br>Positions |
|----|--|-------|---|---------------|-----|----------------------------|
| PR | \$1,927,300                            | 12.00 | - \$1,927,300                           | - 12.00       | \$0 | 0.00                       |

**Governor:** Provide \$819,500 in 2023-24 and \$1,107,800 in 2024-25 and 12.0 positions annually to implement a paid family and medical leave program for state employees. Funding and position authority would be provided to the DOA appropriations for financial services (\$136,600 in 2023-24, \$166,700 in 2024-25, and 2.0 positions annually) and personnel management general program operations (\$682,900 in 2023-24, \$941,100 in 2024-25, and 10.0 positions annually).

Require the administrator of the Division of Personnel Management (DPM) to develop and recommend to the Joint Committee on Employment Relations (JCOER) a program that provides 12 weeks of paid family and medical leave per year to employees whose compensation is established under the state employee compensation plan (including state constitutional and elected officials, and justices and judges), as well as deputy and assistant district attorneys, assistant state public defenders, and assistant attorneys general. Specify that, if this paid family and medical leave program were approved by JCOER, the program would become effective immediately.

Require the Board of Regents of the UW System to submit to the administrator of DPM a

plan for a program to provide paid family and medical leave to UW employees, along with its recommendations for adjustments to compensation and employee benefits for UW employees for 2023-25. The plan would be subject to approval by JCOER.

Specify that, with respect to paid family and medical leave for state employees, including UW employees: (a) family leave means leave from employment for the birth or placement of a child, or to care for the employee's child, spouse, domestic partner, parent, grandparent, grandchild, or sibling if the person receiving care has a serious health condition; (b) medical leave means leave from employment when an employee has a serious health condition that makes the employee unable to perform his or her employment duties or makes the employee unable to perform his or her employment; and (c) serious health condition has the meaning provided under state family and medical leave law (a disabling physical or mental illness, injury, impairment, or condition involving inpatient care in a hospital, nursing home, or hospice, or outpatient care that requires continuing treatment or supervision by a health care provider).

In relation to this provision, compensation reserves for the 2023-25 biennium for state employee salaries and fringe benefits include increases of \$16,705,600 GPR in 2023-24 and \$17,373,900 GPR in 2024-25.

Note that, with respect to the definitions pertaining to family leave and medical leave, the bill would also make several modifications to state family and medical leave law, including the reasons an employee may take leave. [See "Workforce Development -- Equal Rights and Employment Regulation."] Under current law, family leave can be taken for birth or placement of a child, or to care for the employee's child, spouse, domestic partner, or parent if the person receiving care has a serious health condition. Under the bill, leave to care for a family member with a serious health condition would be expanded to include a family member who is a grandparent, grandchild, or sibling. The bill would additionally allow family and medical leave to be taken by an employee for other specified reasons. Although the bill would establish paid leave for state employees only for the birth or placement of a child, to care for a family member with a serious health condition, or due to the employee's own serious health condition, the Administration indicates that the intent would be to also include the expanded reasons for taking family and medical leave under the program for state employees. The bill would amend the allowable reasons for taking family leave under state family and medical leave law to include: (a) leave arising from a need due to covered active duty or notification of an impending call or order to covered active duty of an employee's spouse, child, domestic partner, parent, grandparent, grandchild, or sibling, if that person is a member of a regular or reserve component of the U.S. armed forces; (b) leave taken to care for the employee's child, grandchild, or sibling due to an unforeseen or unexpected short-term gap in childcare for the child; (c) leave to care for the employee's child, spouse, domestic partner, parent, grandparent, grandchild, or sibling if the person receiving care is in medical isolation; and (d) leave to address issues of the employee or employee's child, spouse, domestic partner, parent, grandparent, grandchild, or sibling related to being the victim of domestic abuse, sexual abuse, or stalking. The bill would also amend the allowable reasons for taking medical leave under state family and medical leave law to include cases where an employee is in medical isolation and unable to perform his or her employment duties.

Under current law, state employees may be eligible to take family and medical leave under

either the Wisconsin Family and Medical Leave Act, the federal Family and Medical Leave Act (FMLA), or both. In general, state and federal FMLA leave is unpaid, though law permits the substitution of paid leave for unpaid leave in many cases. State employees other than limited-term employees are eligible for several types of paid leave, including annual leave, sabbatical leave, legal holidays, personal holidays, and sick leave. Paid leave balances, other than sabbatical leave and sick leave, do not carry over from year to year. Employees taking FMLA leave may substitute any of these types of paid leave for unpaid leave.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. PAID SICK LEAVE FOR LIMITED-TERM EMPLOYEES AND TEMPORARY UW EMPLOYEES

**Governor:** Provide that limited-term employees in the executive branch, excluding UW System, accrue sick leave at the same rate as permanent and project state employees, subject to proration if the employee works less than full-time.

Require the Board of Regents of the UW System to submit to the administrator of DPM a plan for a program to provide paid sick leave to temporary UW employees, along with its recommendations for adjustments to compensation and employee benefits for UW employees for 2023-25. Specify that the plan must provide sick leave benefits at the same rate that such benefits are provided to permanent and project employees of the UW System. The plan would be subject to approval by JCOER.

In relation to this provision, compensation reserves provided for the 2023-25 biennium for state employee salaries and fringe benefits assume increases of \$2,182,500 GPR annually associated with limited-term employee and temporary UW employee sick leave.

Under current law, limited-term employees are not eligible for tenure, vacation, paid holidays, sick leave, performance awards, or the right to compete in promotional processes. Sick leave for permanent and project employees is accrued at the rate of 0.0625 hour per hour in pay status, not to exceed five hours in a biweekly pay period. For a full-time employee working 2,080 hours per year, this equates to 130 hours of sick leave on an annual basis. Limited-term appointments are provisional appointments or appointments for less than 1,040 hours per year. An employee working 1,040 hours per year would earn 65 hours of sick leave on an annual basis.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 3. JUNETEENTH AND VETERANS DAY HOLIDAYS

**Governor:** Add June 19 and November 11 to the list of holidays on which state offices of executive branch agencies (excluding UW System) are closed, and increase the number of annual paid holidays for non-UW executive branch employees from nine to 11. Remove statutory

language specifying that one of 4.5 paid personal holidays for state employees is provided in recognition of Veterans Day. Specify that state offices would be closed the following day if June 19 or November 11 fall on a Sunday. The provision would take effect on the January 1 after publication of the bill.

Require the administrator of DPM to include June 19 as a paid holiday in the proposal for adjusting compensation and employee benefits for UW System employees for 2023-25, which is submitted to JCOER for review and approval. The first paid holiday under the provision would be the June 19 that occurs after the 2023-25 compensation plan for UW System is adopted by JCOER. [Note that, while the bill does not also specify that November 11 be included as a paid holiday for UW System employees, funding in compensation reserves associated with the holiday includes employees of the UW System and the Administration indicates that the intent would be for the holiday to be provided for those employees.]

In relation to this provision, compensation reserves provided for the 2023-25 biennium for state employee salaries and fringe benefits assume increases of \$1,491,900 GPR in 2023-24 and \$3,103,200 GPR in 2024-25 associated with the June 19 and November 11 holidays.

Under current law, state offices of executive branch agencies are closed on Saturdays, Sundays, and the following nine holidays: (a) January 1; (b) the third Monday in January; (c) the last Monday in May; (d) July 4; (e) the first Monday in September; (f) the fourth Thursday in November; (g) December 24; (h) December 25; and (i) December 31. State offices are closed the following day if January 1, July 4, or December 25 falls on a Sunday. Also under current law, state employees receive a total of 4.5 paid personal holidays annually, one of which is provided in recognition of Veterans Day. Under the bill, state employees would continue to receive 4.5 paid personal holidays.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 4. STATE EMPLOYEE VACATION HOURS

**Governor:** Modify the amounts of paid annual leave provided to executive branch employees other than limited-term employees (excluding UW System) based on accumulated continuous state service, as follows:

a. Reduce from five years to two years the initial service period for which employees covered by the federal Fair Labor Standards Act (FLSA) are provided 104 hours each year for a full year of service and FLSA-exempt employees are provided 120 hours each year for a full year of service.

b. Create a new service period three years in length, following the first two years, for which covered employees would be provided 120 hours each year and FLSA-exempt employees would be provided 136 hours each year.

c. Specify that, when the rate of annual leave changes during the second calendar year,

the annual leave for that year would be prorated, consistent with current law provisions that apply to the fifth, tenth, fifteenth, twentieth, or twenty-fifth calendar year.

Specify that the modifications would first apply to an employee's anniversary of service that occurs on the effective date of the bill.

The bill would maintain the annual leave structure that exists for six years of service and beyond.

In relation to this provision, compensation reserves provided for the 2023-25 biennium for state employee salaries and fringe benefits assume increases of \$307,700 GPR in 2023-24 and \$320,100 GPR in 2024-25 associated with modifications to non-UW executive branch employee vacation allowance by years of service.

Under current law, covered employees receive 104 hours each year for the first five years and 144 hours each year for the next five years, while FLSA-exempt employees receive 120 hours each year for the first five years and 160 hours each year for the next five years. The bill would reduce the first service period by three years, create a level of annual leave between the first two existing annual leave amounts (120 hours and 136 hours, respectively), and set the service period for the new category at three years. Thus, under the bill, annual leave would increase more gradually during the first five years of service than under current law.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 1. **CYBERSECURITY INITIATIVES** [LFB Paper 145]

|                    | Governor<br><u>(Chg. to Base)</u>                |          | Jt. Finance/Leg.<br>(Chg. to Gov)           |           | Net Change             |   |
|--------------------|--|----------|---|-----------|------------------------|---|
|                    | Funding P  | ositions | Funding                                     | Positions | Funding                | Positions   |
| GPR<br>PR<br>Total | \$20,500,000<br><u>3,160,000</u><br>\$23,660,000 | 6.00     | \$20,500,000<br>- 3,160,000<br>\$23,660,000 | - 6.00    | \$0<br><u>0</u><br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

**Governor:** Create an annual GPR appropriation and provide \$10,250,000 GPR annually for security operations centers. Create a continuing PR appropriation for security operations centers funded from assessments to state agencies and local governments, provide 5.0 PR positions annually, and estimate expenditures of \$1,419,300 PR in 2023-24 and \$1,520,900 PR in 2024-25. Provide \$97,500 PR in 2023-24, \$122,300 PR in 2024-25, and 1.0 PR position annually to DOA's

appropriation for IT services to state agencies. Funding would support: one or more state security operations centers; annual testing of cybersecurity defenses; a security event information and monitoring system; and implementation of additional cybersecurity technologies and IT security policies.

Specify that the definition of "agency" with respect to security operations centers includes the Legislature, the Courts, and state-created authorities. Define "eligible entities" to include: state agencies, local governmental units, educational agencies, federally recognized tribes and bands, critical infrastructure entities identified by DOA's Division of Enterprise Technology (DET), and any other entity identified by DOA by administrative rule. Require DOA to establish one or more security operations centers (or one or more regional security operations centers, or both) to provide for the cybersecurity of IT systems maintained by eligible entities. Specify that all security operations centers established by DOA be under the supervision and control of DET. The Division would be responsible for managing the operation of each security operations center, including managed security services guidelines and standard operating procedures. The bill would permit DET to provide managed security services to reduce the impact of cybersecurity threats, including monitoring, alerts and guidance, incident response, educational services, and dissemination of information. The Division would be responsible for collaborating with relevant entities in accordance with statewide security plans, leading executive branch agencies through cybersecurity incidents, and taking any needed action to respond to a substantial external security threat, including disconnecting the network of an eligible entity receiving managed security services.

Prohibit executive branch agencies from purchasing managed security services from any entity other than DOA unless DET determines that it cannot provide comparable managed security services at a reasonable cost and DET approves the purchase. Require DET to establish a process for making such determinations and approvals.

Authorize DOA to coordinate with campuses, institutions, and universities in establishing a security operations center. Specify that DOA may assume direct responsibility for the planning and development of IT systems for the UW System as they pertain to security operations centers if it determines it to be necessary to effectively develop or manage such a system, with or without the consent of the Board of Regents of the UW System, and that DOA may charge the Board of Regents for the costs incurred in carrying out such functions. Specify that the UW System would additionally not be excluded from other powers and responsibilities of DOA with respect to security operations centers.

Specify that DET may: enter into contracts and interagency agreements to administer security operations centers; apply for grants to administer security operations centers; and charge fees to recover costs associated with managed security services and other cybersecurity support services. Require that a security operations center could only be established at a facility if DET determines that: the facility is secure, restricted, with appropriate infrastructure and staff; all entrances and critical areas can be controlled and monitored; access can be limited to authorized individuals; security alarms can be monitored by law enforcement or other security; and operational information can be restricted to specific personnel.

Authorize DOA to license or authorize computer programs developed by security operations centers to the federal government, other states, and municipalities. Specify that DOA must protect the privacy of individuals who are the subjects of information contained in security operations centers. Require DOA to offer to eligible entities the opportunity to voluntarily obtain computer or supercomputer services from DOA or from a security operations center.

Under current law, DOA has broad authorities and responsibilities relating to IT services and executive branch agencies under state statute, excluding the UW System, which generally manages its own IT resources.

Joint Finance/Legislature: Provision not included.

# 2. DISTRICT ATTORNEY INFORMATION TECHNOLOGY PROGRAM [LFB Paper 146]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$8,800,000                | \$0                               | \$8,800,000 |
| PR    | 0                          | - 2,000,000                       | - 2,000,000 |
| Total | \$8,800,000                | - \$2,000,000                     | \$6,800,000 |

**Governor:** Provide \$4,400,000 annually to support the District Attorney Information Technology (DAIT) program, which provides IT hardware, software, and legal subscription services to the District Attorneys (DA), Assistant District Attorneys, and other District Attorney Office staff. Funding is intended to provide laptops and software for 1,600 state- and county-funded employees statewide utilizing the DAIT network (\$3,000,000 annually) and to provide TIME Access, Westlaw subscription, and State Bar legal research tools for eligible DA office employees (\$1,400,000 annually). Further, funding is intended to upgrade the prosecutor technology for case tracking system. Create an annual GPR appropriation for the development and operation of automated justice information systems.

**Joint Finance/Legislature:** Modify provision to provide one-time funding of \$4,400,000 GPR annually and additionally reduce monies appropriated from the justice information surcharge in the 2023-25 biennium by \$1,000,000 PR annually to support the DAIT program.

[Act 19 Sections: 46 and 135]

### 3. TECHNOLOGY FOR EDUCATIONAL ACHIEVEMENT PROGRAM CHANGES [LFB Paper 147]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change         |
|-------|----------------------------|-----------------------------------|--------------------|
| GPR   | \$3,385,000                | - \$3,385,000                     | \$0                |
| SEG   | <u>- 10,786,800</u>        | <u>3,385,000</u>                  | <u>- 7,401,800</u> |
| Total | - \$7,401,800              | \$0                               | - \$7,401,800      |

**Governor:** Create a biennial GPR appropriation to make payments to telecommunications providers under the telecommunications access for educational agencies (TEACH) program, which provides telecommunications access to school districts, private schools, cooperative educational service agencies, technical college districts, independent charter school authorizers, juvenile correctional facilities, private and tribal colleges, and public library boards at discounted rates. Provide \$1,553,100 GPR in 2023-24 and \$1,831,900 in 2024-25. Reduce funding from the state segregated universal service fund for the TEACH program by \$5,254,000 SEG in 2023-24 and \$5,532,800 SEG in 2024-25. The Administration indicates that SEG funding for the program would be reduced to offset recommended universal service fund appropriation increases under the Department of Public Instruction totaling \$14,786,800 over the 2023-25 biennium. [See "Public Instruction -- Administrative and Other Funding."]

The Department indicates that the reduction of SEG funding for the program would not impact service to participating school districts and institutions, and that projected expenditures for the program in the 2023-25 biennium would be adequately funded by the combination of GPR funding and segregated universal service fund amounts. Under current law, base funding for the appropriation is \$15,984,200 SEG annually. Under the bill, funding for the program from the remaining SEG appropriation and newly created GPR appropriation would total \$12,283,300 annually. In fiscal year 2021-22, the state expended \$13,645,100 SEG for the program. The Department indicates that, if expenditures exceed program need, federal e-rate reimbursement may be a potential source of funding. The receipt of e-rate reimbursement funds is subject to federal review and approval.

Amend the statutes to remove language relating to the information technology infrastructure grant program, which ended on June 30, 2021.

**Joint Finance/Legislature:** Modify provision to remove the creation of a GPR appropriation and reduce expenditure authority from the state segregated universal service fund for the TEACH program by \$3,700,900 SEG annually, rather than by \$5,254,000 SEG in 2023-23 and \$5,532,800 SEG in 2024-25.

[Act 19 Sections: 47, 143, and 429]

#### 4. IT SERVICES FOR CERTAIN AGENCIES [LFB Papers 148, 485, and 682]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|----|----------------------------|-----------------------------------|-------------|
| PR | \$8,366,200                | - \$356,400                       | \$8,009,800 |

**Governor:** Provide \$4,063,900 in 2023-24 and \$4,302,300 in 2024-25 to support the cost of information technology services provided to several state agencies, including the Department of Safety and Professional Services (DSPS), the Wisconsin Historical Society, and the Office of the Commissioner of Insurance (OCI). The Department of Administration would assess the agencies for the cost of IT services. Funding would be allocated for services to each agency as follows.

*Safety and Professional Services.* Provide \$283,500 of ongoing funding and \$924,700 of one-time funding in 2023-24, and \$292,000 of ongoing funding and \$979,600 of one-time funding in 2024-25 to provide contractual IT services for DSPS. Funding would be used to hire additional contractors to upgrade, improve, and maintain DSPS IT systems in the 2023-25 biennium. [See "Safety and Professional Services -- Departmentwide"]

*Historical Society*. Provide \$2,048,700 in 2023-24 and \$2,223,700 in 2024-25 to support the Historical Society as a customer of DOA's Division of Enterprise Technology. The Historical Society has transitioned from a previous model of IT service through UW-Madison that was discontinued. [See "Historical Society."]

*Insurance*. Provide \$807,000 annually for the cost of IT contractors that provide services to OCI. The Department indicates that under 2017 Act 59, when 12.5 IT positions and incumbent employees were transferred from OCI to DOA, the IT contractors were also transferred without providing additional expenditure authority to DOA for the contractors. As a result, OCI has continued to pay for the cost of the contractors, rather than having DOA pay for the contractors and assessing OCI to recover costs.

**Joint Finance/Legislature:** Modify funding for services to DSPS by -\$283,300 in 2023-24 and -\$291,900 in 2024-25. Modify funding for services to the Historical Society by \$445,800 in 2023-24 and -\$227,000 in 2024-25. Funding for services to DSPS and Historical Society is provided on a one-time basis.

### 5. CENTRALIZED ONLINE SERVICES TO RESIDENTS [LFB Paper 149]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,465,000                | - \$2,465,000                     | \$0        |

**Governor:** Create an annual GPR appropriation to develop and maintain an online customer service hub. Provide \$2,000,000 in 2023-24 (\$465,000 ongoing and \$1,535,000 one-time) and \$465,000 in 2024-25. The Department indicates that the customer service hub ("Wisconsin Front

Door initiative") would be a comprehensive portfolio of state resources in a consolidated and centralized format.

The proposal would modify the online experience for individuals interacting with state government in the following ways: (a) requiring only a single logon credential and account profile to access services from across state government; (b) developing a searchable, online centralized customer data hub that makes over 700 publicly-available datasets currently found on state agency websites accessible; and (c) developing online services and data-centric websites, oriented around key resident issues and interests.

Joint Finance/Legislature: Provision not included.

#### 6. BUSINESS PORTAL WEBSITE REDESIGN

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$115,000                  | - \$115,000                       | \$0        |

**Governor:** Provide \$115,000 in 2023-24 to DOA's general program operations appropriation to support a website redesign of the "one stop business portal" to improve ease of use in finding information for key audiences, including residents considering opening a business, residents actively starting a business, or existing business owners. The amount of funding is based on an estimate from the Office of Business Development in DOA for the cost contractual services to update the existing website.

Joint Finance/Legislature: Provision not included.

# Facilities

### 1. PAYMENT FROM SPACE RENTAL ACCOUNT TO CAPITAL IMPROVEMENT FUND [LFB Paper 150]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$40,000,000               | - \$40,000,000                    | \$0        |

**Governor:** Provide \$40,000,000 in 2023-24 to the facility operations and maintenance; police and protection functions appropriation (also known as the space rental account). The appropriation is funded with program revenue derived from rental charges to state agencies occupying state-owned space. The Administration indicates that the intent of the provision is to

transfer funds from a balance in the space rental account to the capital improvement fund for state building projects enumerated in the capital budget. The bill does not amend the purpose of the appropriation to include payments to the capital improvement fund, nor does it include nonstatutory language providing for a one-time transfer of revenue from the appropriation.

Under current law, expenditures from the facility operations and maintenance; police and protection functions appropriation can be made for the following purposes: (a) financing the costs of operation of state-owned or operated facilities that are not funded from other appropriations, including custodial and maintenance services; (b) minor projects; (c) utilities, fuel, heat, and air conditioning; (d) assessments levied by DOA for costs incurred and savings generated by financing energy conservation construction projects at agency facilities; (e) facility design services provided to agencies; (f) costs incurred for energy conservation audits and energy conservation construction projects at state-owned facilities; and (g) police and protection functions.

Joint Finance/Legislature: Provision not included.

# 2. TRANSFER TO THE BUILDING TRUST FUND [LFB Paper PR-Transfer \$18,000,000 151]

**Governor/Legislature:** Transfer \$18,000,000 in 2023-24 from the capital planning and building construction services appropriation to the state building trust fund. Services funded from the appropriation are provided through DOA's Division of Facilities Development, which staffs the State Building Commission. The appropriation is funded with program revenue derived from a 4% fee assessed on most state building project budgets.

The Administration indicates that the transfer would support building project design efforts. The state building trust fund is a segregated, nonlapsible fund that is used to finance advanced planning activities for projects enumerated in the state building program.

[Act 19 Section: 9201(1)]

# 3. DIVISION OF FACILITIES DEVELOPMENT POSITIONS [LFB Paper 151]

|    | Governor<br><u>(Chg. to Base</u><br>Funding Positior | e) <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|--|-----------------|---|-----|----------------------------|
| PR | \$2,249,400 10.00                                    | - \$2,249,400   | - 10.00                                 | \$0 | 0.00                       |

**Governor:** Provide \$964,000 in 2023-24, \$1,285,400 in 2024-25, and 10.0 positions annually to the capital planning and building construction services appropriation, which supports DOA's Division of Facilities Development. Funding would be provided as follows: \$889,000 for salaries and fringe benefits and \$75,000 for supplies and services in 2023-24; and \$1,185,400 for salaries and fringe benefits and \$100,000 for supplies and services in 2024-25. The positions would include construction representatives (5.0 positions), capital project principal managers (4.0

positions), and an enterprise contract officer. The positions would provide construction oversight and contract administration services for state building projects. Program revenue is derived from a 4% fee assessed on most state building project budgets. Base funding for the capital planning and building construction services appropriation is \$14,941,900 and 92.0 positions.

**Joint Finance/Legislature:** Provision not included. Instead, provide \$964,000 in 2023-24 and \$1,285,400 in 2024-25 to the Joint Committee on Finance's supplemental PR appropriation for potential release to support 10.0 positions. [See "Program Supplements."]

## 4. **POSITIONS FOR STATE CAPITOL POLICE**

|    | <u>(Chg.</u> | ernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|--------------|---------------------------------------|-------------|---|-----|----------------------------|
| PR | \$1,929,200  | 12.00 - 5                             | \$1,929,200 | - 12.00                                 | \$0 | 0.00                       |

**Governor:** Provide \$850,100 in 2023-24, \$1,079,100 in 2024-25, and 12.0 positions annually to the facility maintenance and operations; police and protection functions appropriation for the Wisconsin State Capitol Police (\$623,900 for salaries and fringe benefits and \$226,200 for supplies and services in 2023-24, and \$831,900 for salaries and fringe benefits, \$230,600 for supplies and services and \$16,600 in one-time funding in 2024-25). Position authority would be for 9.0 police officers, 1.0 police detective, 1.0 police sergeant, and 1.0 police lieutenant. Funding for supplies and services and one-time expenses would include the cost of specialized equipment and other expenditures, such as uniforms, radios, body armor, and vehicle costs. The additional positions are intended to reduce the reliance of the State Capitol Police on support from outside law enforcement agencies, including the Wisconsin State Patrol and Department of Natural Resources wardens. Base funding for the State Capitol Police from the facility maintenance and operations; police and protection functions appropriation is \$6,847,700 and 52.0 positions, including 25.0 police officers, 3.0 police detectives, 7.0 police sergeants, and 2.0 police lieutenants

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 5. FUNDING TO SUPPORT CONTINUATION OF PAY INCREASES [LFB Paper 220]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$723,000                  | - \$723,000                       | \$0        |

**Governor:** Provide \$368,300 in 2023-24 and \$354,700 in 2024-25 to provide ongoing funding for a pilot add-on of \$5.00 per hour for Wisconsin State Capitol Police positions classified as police officer or police detective. The Wisconsin State Capitol Police currently have 25.0 police

officer and 3.0 police detective positions. Capitol Police operations are funded from the facility operations and maintenance; police and protection functions appropriation.

**Joint Finance/Legislature:** Modify provision to instead provide funding to compensation reserves in the amounts included in AB 43/SB 70, less a 5% reduction associated with a higher than usual level of position vacancies, to continue supplemental pilot add-on pay to address severe recruitment and retention issues. [See "Budget Management and Compensation Reserves."]

## 6. **POSITION FOR VETERANS MUSEUM MAINTENANCE** [LFB Paper 834]

|    | Governor<br><u>(Chg. to Base)</u> |           | Jt. Finance/Leg.<br>(Chg. to Gov) |           | <u>Net Change</u> |           |
|----|-----------------------------------|-----------|-----------------------------------|-----------|-------------------|-----------|
|    | Funding                           | Positions | Funding                           | Positions | Funding           | Positions |
| PR | \$105,200                         | 1.00      | - \$105,200                       | - 1.00    | \$0               | 0.00      |

**Governor:** Provide \$45,100 in 2023-24, \$60,100 in 2024-25, and 1.0 position annually to the facility operations and maintenance; police and protection functions appropriation. The facilities maintenance specialist position would provide maintenance services for the Veterans Museum upon completion of the anticipated purchase of the building by the state. [See "Veterans Affairs."]

Joint Finance/Legislature: Provision not included.

# **Procurement and Risk Management**

# 1. DIVERSITY GOALS FOR STATE PROCUREMENT AND CERTAIN SPECIAL DISTRICTS

|                    | Governor<br>(Chg. to Base)                |           | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u>    |                                 | Net Change       |                             |
|--------------------|---|-----------|---|---------------------------------|------------------|-----------------------------|
|                    | Funding                                   | Positions | Funding                                     | Positions                       | Funding          | Positions                   |
| GPR<br>PR<br>Total | \$766,400<br><u>- 63,000</u><br>\$703,400 | 0.00      | - \$766,400<br><u>63,000</u><br>- \$703,400 | - 3.00<br><u>0.00</u><br>- 3.00 | \$0<br>_0<br>\$0 | 0.00<br><u>0.00</u><br>0.00 |

**Governor:** Repeal statutory provisions allowing DOA to charge a fee to a business that applies for certification under the supplier diversity program. Remove the distinction of disabled veteran-owned business as it relates to procurement, and expand the program to include certification for businesses owned by veterans, individuals with disabilities, and lesbian, gay,

bisexual, or transgender individuals. Amend the definition of "woman-owned business" to specify that an entity must have its principal place of business in this state, rather than specifying that the entity is currently performing a useful business function in this state. Require that DOA develop, maintain, and keep current a database of all minority businesses certified by the agency. Modify provisions that establish diversity goals and bidding preferences for state procurement, contracts, and construction and goals that apply to certain special districts to include the new certification categories.

The program currently provides certification and preferences in state agency contracting for disabled veteran-owned and minority businesses, and provides certification for woman-owned businesses. Under current law, DOA may charge a fee to each entity applying for certification. While the Department currently maintains a database of woman-owned, minority, and disabled veteran-owned businesses, it is only statutorily required to maintain a database of woman-owned and disabled veteran-owned businesses.

#### **Business Certifications**

Provide \$364,200 GPR in 2023-24, \$402,200 GPR in 2024-25, and 3.0 GPR positions annually to support the program expansion. As a result of repealing the certification fee, the bill would also repeal DOA's disabled veteran-owned, woman-owned, and minority business certification fees appropriation (-\$31,500 PR annually).

Under the bill, DOA may certify a business, financial advisor, or investment firm as a veteran-owned business if it determines that all of the following are satisfied: (a) one or more veterans who are state residents own not less than 51% of the business or, in the case of any publicly owned business, one or more such individuals own not less than 51% of the stock of the business; (b) one or more veterans who are state residents or one or more duly authorized representatives of one or more such individuals control the management and daily business operations of the business; (c) the business has its principal place of business in this state; and (d) the business is currently performing a useful business function.

Under the bill, DOA may certify a business, financial advisor, or investment firm as a "disability-owned business" if it determines that all of the following are satisfied: (a) one or more individuals with a disability own at least 51% of the business or, in the case of any publicly owned business, one or more individuals with a disability own at least 51% of the stock of the business; (b) one or more individuals with a disability or one or more duly authorized representatives of one or more individuals with a disability control the management and daily business operations of the business; (c) the business has its principal place of business in this state; and (d) the business is currently performing a useful business function.

Under the bill, DOA may certify a business, financial advisor, or investment firm as a lesbian, gay, bisexual, or transgender-owned entity if it determines that all of the following are satisfied: (a) one or more lesbian, gay, bisexual, or transgender individuals own at least 51% of the business or, in the case of any publicly owned business, one or more lesbian, gay, bisexual, or transgender individuals own at least 51% of the stock of the business; (b) one or more lesbian, gay, bisexual, or transgender individuals or one or more duly authorized representatives of one or more lesbian, gay, bisexual, or transgender individuals or one or more duly authorized representatives of one or more lesbian, gay, bisexual, or transgender individuals control the management and daily business

operations of the business; and (c) the business is currently performing a useful business function.

#### **State Procurement**

The bill would require state agencies making purchases, and the Department when awarding construction contracts, to attempt to ensure that at least 5% of the amount expended in each fiscal year is paid, in aggregate, to businesses owned by veterans, individuals with disabilities, and lesbian, gay, bisexual, or transgender individuals. A certified firm would be eligible for a 5% bid preference on state purchases, meaning that an agency may purchase from a certified firm that submits a qualified, responsible, and competitive bid that is no more than 5% higher than the lowest responsible bid (alternatively, a competitive proposal that is no more than 5% higher than the most advantageous proposal). [Under current law, agencies must attempt to ensure at least 5% is paid to minority businesses and at least 1% is paid to disabled veteran-owned businesses. Both entities are eligible for a 5% bid preference.] The Department would be required to promulgate administrative rules relating to certification of businesses. Under both current law and the bill, DOA would be required to maintain a computer database of all certified businesses.

#### **Other Provisions**

The bill would expand diversity requirements under current law that relate to services procured, debt contracted, contracts awarded, sales made, and employees hired by certain state entities and special districts to also include goals for businesses owned by veterans, individuals with disabilities, and lesbian, gay, bisexual, or transgender individuals. Wherever a percentage of amounts expended, contracts, sales, or employees is specified, the amounts applied would be 1% for veteran-owned business, 1% for businesses owned by individuals with disabilities, and 1% for businesses owned by lesbian, gay, bisexual, or transgender individuals. The following entities would be affected: the State Building Commission, State of Wisconsin Investment Board, Department of Transportation, metropolitan sewerage district commissions, local exposition districts, local professional baseball park districts, local professional football stadium districts, and local cultural arts districts.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 2. RISK MANAGEMENT INSURANCE PREMIUM COSTS [LFB Paper 160]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|----|----------------------------|-----------------------------------|-------------|
| PR | \$6,102,400                | - \$3,102,400                     | \$3,000,000 |

**Governor:** Provide \$2,357,200 in 2023-24 and \$3,745,200 in 2024-25 for the risk management administration appropriation to provide for actual and estimated increases in the cost of excess property and liability insurance premiums. The recommendation is based on estimated increases in excess insurance premium expenditures, including inflationary costs. The risk management program is self-funded to insure state agencies against property, liability, and

worker's compensation losses. The state also purchases excess insurance coverage from private insurance carriers for property and liability losses greater than the state's self-funded limits. Premiums for excess property and liability insurance are dependent on loss experience, general insurance market conditions, and risk exposure.

**Joint Finance/Legislature:** Reduce funding by \$857,200 in 2023-24 and \$2,245,200 in 2024-25 to provide \$1,500,000 annually for the annual risk management administration appropriation to provide funding for increases in the cost of excess property and liability insurance premiums.

#### 3. TRANSFER OF UW WORKER'S COMPENSATION CLAIMS ADMINISTRATION

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|----|--|------|---|--------|--|------|
| PR | \$999,300  | 5.00 | - \$999,300   | - 5.00 | \$0                                    | 0.00 |

**Governor:** Transfer 5.0 positions annually from the University of Wisconsin System Office of Risk Management to DOA. Provide \$508,000 in 2023-24 and \$491,300 in 2024-25 to DOA's risk management administration appropriation to fund the positions. The appropriation is funded from risk management premiums charged to stage agencies, including the UW System. Specify that the transferred employees would retain the rights and status they possessed immediately before the transfer, and that transferred employees who have attained permanent status would not be required to serve a probationary period. In relation to the transfer, funding and position authority under the UW System would be reduced by \$508,000 (\$406,400 GPR and \$101,600 PR) in 2023-24, \$491,100 (\$392,900 GPR and \$98,200 PR) in 2024-25, and 5.0 positions (4.0 GPR and 1.0 PR) annually. [See "University of Wisconsin System."]

The self-funded risk management program insures state agencies, including UW System, against property, liability, and worker's compensation losses. The Department assesses state agencies, including the UW System, for worker's compensation costs based on claims and administrative costs for the prior fiscal year. Currently, the UW System administers worker's compensation claims for its employees. Worker's compensation claims for UW System employees are paid from the risk management costs appropriation under DOA.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 4. HISTORICAL AND FINE ARTS COLLECTIONS

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$300,000                  | - \$300,000                       | \$0        |

**Governor:** Provide \$300,000 in 2023-24 to the risk management administration appropriation to support a comprehensive inventory and valuation of state-owned historical and fine arts collections. The valuation would be performed under contract. The purpose of conducting the inventory and valuation would be to ensure that the property is adequately insured. The risk management program is funded from assessments charged to state agencies for administrative and claims costs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Division of Gaming**

# 1. TRIBAL GAMING APPROPRIATIONS AND GENERAL FUND REVENUE [LFB Paper 165]

|            | ernor<br>to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto<br>(Chg. to Leg.) | Net Change  |
|------------|-------------------|-----------------------------------|------------------------|-------------|
| GPR-Tribal | \$0               | \$6,892,700                       | \$2,000,000            | \$8,892,700 |

**Governor:** Appropriate \$45,084,600 in 2023-24 and \$45,136,600 in 2024-25 in tribal gaming revenue paid to the state under the tribal gaming compacts. The appropriations include: (a) appropriations for the regulation of tribal gaming in DOA [\$2,098,000 in 2023-24 and \$2,098,800 in 2024-25]; (b) tribal gaming law enforcement in the Department of Justice (DOJ) [\$166,500 annually]; and (c) allocations totaling \$42,820,100 in 2023-24 and \$42,871,300 in 2024-25 to various state agencies for other programs.

Tribal revenue paid to the state is based on provisions under the current state-tribal gaming compacts. Under the compacts, tribes are scheduled to make payments to the state based on a percentage of net revenue (gross revenue minus winnings). The percentages used to calculate state payments vary by tribe and, in some cases, may vary by year for the same tribe.

Under current law, Indian gaming receipts are credited to: (a) the DOA general program operations appropriation relating to Indian gaming regulation; (b) the DOJ Indian gaming law enforcement appropriation; and (c) a DOA appropriation for Indian gaming receipts in the amount necessary to make all the transfers specified to other programs. Indian gaming receipts not otherwise credited to, or expended from, these appropriations are deposited in the general fund.

Under the compacts, payments to the state may be reduced in the event of a natural or manmade disaster that affects gaming operations. In 2019-20 and 2020-21, payments were postponed because of casino closures during the COVID-19 pandemic. As a result, DOA's gaming receipts appropriation is expected to have a closing balance of -\$32,957,600 in 2022-23. While negotiations regarding the timing and amount of payments have not yet concluded for all tribes, a number of postponed payments are included in the estimated tribal payments for the 2023-25 biennium. The tribal gaming receipts appropriation condition under the bill is summarized in the following table. The bill estimates that no tribal gaming revenue would be deposited to the general fund.

|   | 2023-24   | 2024-25   |
|---|---|---|
| Opening Balance   | -\$32,957,600   | -\$17,597,600   |

| Closing Balance   | -\$17,597,600   | \$0   |

### **Tribal Gaming Receipts Appropriation Condition -- Governor**

As noted, allocations under the bill to state agencies, including allocations to DOA and DOJ for regulation and law enforcement, total \$45,084,600 in 2023-24 and \$45,136,600 in 2024-25 under the bill. Under the bill, the Governor recommends the appropriation of tribal gaming revenue to 18 state agencies in 46 program areas, including the DOA regulation and DOJ enforcement appropriations (two of the 48 items listed are current law appropriations for which funding would not be provided). Each of these program areas is listed and briefly described in the following table. Where there is a net fiscal change associated with any of these appropriations (other than standard budget adjustments), it is included under the budget summaries of the affected agency.

Of the 48 program allocations listed in the table, 27 are identical amounts to those provided in the 2021-23 biennium. Of the 21 allocations that changed, nine were affected by standard budget adjustments only [identified in the table below as items #21, #22, #26, #27, #29, #30, #32, #43, and #48]. The remaining 12 are:

a. Tribal grants [item #1, create an appropriation and provide \$21,024,900 annually to award grants for tribal programs and grants for tribal language revitalization and cultural preservation];

b. Grants for certain Oneida Nation and Menominee Tribe programs [item #2, create an appropriation and provide \$810,000 annually];

c. UW-Green Bay and Oneida Nation programs assistance grants [item #4, provide \$109,300 annually];

d. American Indian economic development, technical assistance [item #5, increase funding by \$40,500 annually and provide \$315,000 annually to administer a tourism marketing contract];

e. Tribal elder food assistance [item #6, create an appropriation and provide \$2,000,000

annually];

f. Wisconsin grant program for tribal college students [item #19, increase of \$24,100 in 2023-24 and \$49,400 in 2024-25];

g. Tribal law enforcement grant program [item #23, increase of \$695,000 annually];

h. State snowmobile enforcement program [item #33, convert \$1,309,500 and 9.0 positions annually from tribal gaming revenue to the conservation fund];

i. Grants to replace certain race-based nicknames, logos, mascots, and team names associated with American Indians [item #34, create an appropriation and provide \$200,000 annually for grants to school boards];

j. General tourism marketing [item #36, transfer \$200,000 annually to DOA for administration of a tourism marketing contract and convert remaining funding of \$8,767,100 annually to GPR];

k. Ashland full-scale aquaculture demonstration facility debt service [item #41, provide \$107,400 in 2023-24 and \$133,300 in 2024-25 for reestimated debt service costs]; and

1. General program operations for Indian gaming regulation [reduce funding and position authority by \$158,900 and 1.25 position annually associated with a position reallocation and a provision to create a GPR appropriation for gaming investigations and outreach].

## 2023-25 Tribal Gaming Revenue Allocations -- Governor

#### 2023-25 Tribal Gaming General Fund Revenue -- Joint Finance/Legislature

The following items were removed from budget consideration pursuant to Joint Finance Motion #10: (a) increase in funding for the Wisconsin grant program for tribal college students of \$24,100 in 2023-24 and \$49,400 in 2024-25; (b) increase in funding for the tribal law enforcement grant program of \$695,000 annually; (c) conversion of \$1,309,500 and 9.0 positions annually from tribal gaming revenue to the conservation fund for the state snowmobile enforcement program; (d) \$200,000 for grants to replace certain race-based nicknames, logos, mascots, and team names associated with American Indians; (e) transfer of \$200,000 annually to DOA for administration of a tourism marketing contract, as well as an increase in funding for the program of \$115,000 annually; (f) conversion of \$8,767,100 annually from tribal gaming revenue to GPR for general tourism marketing; and (g) reversion of \$507,000 from the Lac du Flambeau fishing license approvals appropriation to the tribal receipts appropriation in 2023-24.

In addition, several changes were made to allocations recommended by the Governor, as follows (item numbers correspond to the Act 19 list of appropriations): (a) reduce funding for grants to support tribal programs, tribal language revitalization, and cultural preservation by \$21,024,900 annually (item #1); (b) provide \$11,000,000 in 2023-24 to the Joint Committee on Finance supplemental PR appropriation for tribal grants (item #2); (c) reduce funding for other tribal grants by \$266,600 annually (item #3); (d) specify that the increase of \$109,300 annually for UW-Green Bay and Oneida Nation programs assistance grants be provided on a one-time basis (item #5); (e) reduce funding for American Indian economic development, technical assistance, and tourism promotion by \$40,500 annually (item #6); (f) reduce funding for tribal elder food assistance by \$500,000 annually for net new funding of \$1,500,000 annually (item #7); (g) provide \$507,000 annually for Menominee Child Protective Services (item #10); (h) provide \$256,600 in 2023-24 and \$282,600 in 2024-25 for reimbursements for the cost of subsidized guardianships (item #11); (i) increase funding for the transfer to the fish and wildlife account of the conservation fund by \$1,000,000 annually (item #31); (j) provide \$3,613,000 in 2023-24 to the Committee's supplemental PR appropriation for aid payments to counties affected by the 1854 Treaty of La Pointe (item #39); (k) reestimate debt service for the Ashland full-scale aquaculture demonstration facility by -\$15,500 in 2023-24 (item #45); and (1) modify funding for tribal gaming administration by \$27,000 annually (item #51).

**Veto by Governor [D-24]:** Delete language that would limit aid payments to only affected counties (item #39), to provide aid payments to any taxing jurisdiction affected by the 1854 Treaty of La Pointe. [See "Shared Revenue and Tax Relief -- Direct Aid Payments."]

[Act 19 Vetoed Sections: 152, 163, 164, and 9451(1)]

**Veto by Governor [E-42]:** Reduce the annual tribal gaming transfer (item #31) to the fish and wildlife account of the SEG conservation fund from \$4 million to \$3 million. [See "Natural Resources -- Fish, Wildlife, and Natural Heritage Conservation."]

[Act 19 Vetoed Section: 144]

The tribal gaming receipts appropriation condition under Act 19 is summarized in the following table. The act estimates that \$8,892,700 of tribal gaming revenue would be deposited to the general fund in 2024-25.

| Sub | total (Non-Regulatory Items)                | \$31,778,700 \$           | \$31,846,100                |  |
| 51  | Administration                              | \$2,124,900               | \$2,125,800                 | General program operations for Indian gaming regulation under the compacts.  |
| 52  | Justice                                     | 166,500                   | 166,500                     | Investigative services for Indian gaming law enforcement.  |
| Sub | total (Regulation/Enforcement)              | \$2,291,400               | \$2,292,300                 |  |
| Tot | al Appropriations                           | \$34,070,100 \$           | \$34,138,400                |  |

\*While funds are not provided to DOA, \$11 million in 2023-24 is reserved in the Committee's supplemental PR appropriation for tribal grants.

\*\*While funds are not provided to the appropriation under Shared Revenue and Property Tax Relief, \$3,613,000 in 2023-24 is reserved in the Committee's supplemental PR appropriation for aid payments to taxing jurisdictions affected by the 1854 Treaty of La Pointe. [See "Program Supplements and "Shared Revenue and Tax Relief -- Direct Aid Payments."]

## 2. GRANTS FOR TRIBAL PROGRAMS, TRIBAL LANGUAGE REVITALIZATION, AND CULTURAL PRESERVATION [LFB Paper 166]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|----|----------------------------|-----------------------------------|------------|--|
| PR | \$42,049,800               | - \$42,049,800                    | \$0        |  |

**Governor:** Create an annual PR appropriation titled "Tribal grants" and provide \$21,024,900 annually, funded by tribal gaming revenues. Specify that any unencumbered balance on June 30 of each year would revert to the tribal gaming receipts appropriation.

Require DOA to award grants of equal amounts to each of the 11 federally-recognized tribes and bands in the state for use as the tribe or band deems necessary to support programs to meet the needs of members. Specify that grant funds may not be used to pay gaming-related expenses.

Require DOA to additionally award grants of equal amounts to each of the 11 federallyrecognized tribes and bands in the state to promote tribal language revitalization and cultural preservation. Specify that grant funds may not be used to pay gaming-related expenses.

The Administration indicates that \$15,524,900 annually would be allocated to grants for tribal programs (approximately \$1,411,400 per tribe and band) and \$5,500,000 annually would be allocated to grants for tribal language revitalization and cultural preservation (\$500,000 per tribe and band). The amount of funding provided to the appropriation for grants was calculated with the objective of distributing to tribes and bands the full amount of tribal gaming program revenue remaining after other allocations are made.

**Joint Finance/Legislature:** Provision not included. Instead, create an annual PR appropriation funded by tribal gaming revenue, titled "Tribal grants," for the purpose of making grants to tribes and bands in Wisconsin. Specify that any unencumbered balance would revert to the tribal gaming receipts appropriation at the end of each fiscal year. Specify that the program and appropriation would sunset on July 1, 2025. Provide \$11,000,000 PR in 2023-24 to the Joint Committee on Finance's supplemental PR appropriation for potential release of funding for tribal grants. [See "Program Supplements."]

Veto by Governor [F-47]: Remove the repeal of the appropriation.

[Act 19 Sections: 141, 148, and 9101(2)]

[Act 19 Vetoed Sections: 142, 149, 9101(2), and 9401(1)]

# 3. GRANTS FOR ONEIDA NATION AND MENOMINEE TRIBE PROGRAMS [LFB Paper 166]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|----|----------------------------|-----------------------------------|-------------|--|
| PR | \$1,621,600                | - \$533,200                       | \$1,088,400 |  |

**Governor:** Create an annual PR appropriation titled "Tribal grants; other" and provide \$810,800 annually, funded by tribal gaming revenues. Specify that any unencumbered balance on June 30 of each year would revert to the tribal gaming receipts appropriation.

Require DOA to award grants from the appropriation, in amounts not to exceed each

specified allocation, as follows: (a) \$266,600 annually for grants to the Menominee Indian Tribe to support the Tribe's transit services; (b) \$259,100 annually for grants to the Oneida Nation to support the "Healing to Wellness Court" program; (c) \$175,000 annually to the Oneida Nation to support the Nation's collaboration with the Audubon Society relating to Great Lakes restoration projects; (d) \$110,100 annually to the Oneida Nation for grants to support coordination between the National Estuarine Research Reserve System (NERR) under the federal Office for Coastal Management, and the Great Lakes tribal nations. Specify that grants to the Oneida Nation for Great Lakes restoration projects under (c) may not be awarded after June 30, 2028.

Grants under (a) are intended to improve access to youth services, court-ordered visitations, and other family services appointments. Grants under (b) would support staff and service costs for the coordinated, post-conviction substance use disorder program intended to reduce recidivism and treat addiction. Grants under (c) would support habitat restoration and a bird monitoring project. Grants under (d) would fund a coordinator position within the NERR System who would work with NERR and the Great Lakes Tribal Nations.

**Joint Finance/Legislature:** Modify provision to create an annual PR appropriation funded by tribal gaming revenue, titled "Tribal grants; other" for the purpose of making grants to the Oneida Nation. Specify that any unencumbered balance would revert to the tribal gaming receipts appropriation at the end of each fiscal year. Provide \$544,200 annually for the specified earmarks for the Oneida Nation identified above under (b), (c), and (d).

[Act 19 Sections: 23, 140, and 150]

## 4. NATOW CONTRACT TRANSFER AND INCREASE

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|----|----------------------------|-----------------------------------|------------|--|
| PR | \$630,000                  | - \$630,000                       | \$0        |  |

**Governor:** Provide \$315,000 annually to DOA's appropriation for American Indian economic development; technical assistance to administer a marketing contract with the Great Lakes Inter-Tribal Council for Native American Tourism of Wisconsin (NATOW). Specify that the grant provided from the appropriation to the Great Lakes Inter-Tribal Council would fund both: (a) technical assistance for economic development; and (b) tourism promotion activities under the NATOW program.

Specify that the contract between the Department of Tourism and the Council that is primarily related to promotion of tourism featuring American Indian heritage and culture, as determined by the Secretary of DOA, would be transferred to DOA. Require DOA to carry out any obligations under the contract until it is modified or rescinded by DOA, to the extent allowed under the contract.

The contract is currently funded \$200,000 annually from the Department of Tourism's tourism marketing; gaming revenue appropriation. Under the bill, funding for the contract would

be increased by \$115,000 annually. The bill would also repeal the tourism marketing appropriation funded from tribal gaming PR and replace it with GPR funds (less \$200,000 associated with the transfer of the NATOW contract). [See "Tourism."] The marketing contract would be administered by DOA's Division of Intergovernmental Relations. The contract outlines services provided by NATOW, such as promotion of tribal tourism and management of tribal tourism assistance grants.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. GAMING INVESTIGATIONS AND OUTREACH [LFB Paper 167]

|                    |  | vernor<br>. <u>to Base)</u> |  | nce/Leg.<br>to Gov)             | <u>Net Change</u>      |   |
|--------------------|--|-----------------------------|--|---------------------------------|------------------------|---|
|                    | Funding                                    | Positions                   | Funding                                      | Positions                       | Funding                | Positions   |
| GPR<br>PR<br>Total | \$392,900<br><u>- 220,600</u><br>\$172,300 | <u>- 1.05</u>               | - \$392,900<br><u>220,600</u><br>- \$172,300 | - 2.05<br><u>1.05</u><br>- 1.00 | \$0<br><u>0</u><br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

**Governor:** Create an annual GPR gaming investigation services appropriation for investigative and outreach services for charitable and tribal gaming. Provide \$185,900 GPR in 2023-24, \$207,000 GPR in 2024-25, and 2.05 GPR positions annually. The appropriation would fund and expand investigative and outreach services, including: investigating public and industry complaints relating to legal and illegal gambling; developing and maintaining relationships with federal, state, tribal, and local law enforcement agencies; preparing cases for referral to law enforcement and district attorneys; providing outreach and education to governmental entities and the public; and conducting audits to ensure compliance with regulations.

Reduce funding and position authority for the general program operations; Indian gaming appropriation by \$27,000 PR and 0.25 PR position annually. Reduce funding and position authority for the general program operations; raffles and bingo appropriation by \$83,300 PR and 0.80 PR position annually.

Joint Finance/Legislature: Provision not included.

## 6. ONEIDA NATION AND UW-GREEN BAY PR \$218,600 PROGRAMMING

**Governor:** Provide \$109,300 annually, funded by tribal gaming revenues, to the University of Wisconsin-Green Bay for educational programs developed in partnership with the Oneida Nation. Funds would support STEM-related (science, technology, engineering and mathematics) camps for up to 288 students in grades three through 11 and provide access to UW-Green Bay's college credit program for high school students. Funding of \$109,300 annually was provided on a one-time basis during the 2021-23 biennium.

Joint Finance/Legislature: Specify that funding be provided on a one-time basis.

## 7. NATIVE AMERICAN ECONOMIC DEVELOPMENT; TECHNICAL ASSISTANCE GRANT PROGRAM [Paper 168]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$81,000                   | - \$81,000                        | \$0        |

**Governor:** Provide \$40,500 annually to DOA's appropriation for American Indian economic development; technical assistance to increase funding for the Great Lakes Inter-Tribal Council's technical assistance program. The program promotes economic development on tribal lands by providing management assistance for existing businesses, start-up assistance to new businesses (including the development of business and marketing plans), and technical assistance to help businesses gain access to financial support. The funding increase is intended to enable the program to expand its network of partnerships and to collaborate with regional and statewide economic development initiatives, state and federal business development programs, private businesses, and UW and college extensions including the Lac Courte Oreilles Ojibwe University and the College of Menominee Nation. The appropriation is provided base funding of \$79,500 annually from tribal gaming revenues.

Joint Finance/Legislature: Provision not included.

## **Budget Change Items**

## Departmentwide

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | - \$54,200                 | - \$270,000                       | - \$324,200 |
| FED   | 1,078,200                  | - 125,600                         | 952,600     |
| PR    | 1,073,200                  | - 246,400                         | 826,800     |
| SEG   | 403,400                    | 0                                 | 403,400     |
| Total | \$2,500,600                | - \$642,000                       | \$1,858,600 |

**Governor:** Provide adjustments to the agency base budget for the following: (a) reductions for staff turnover (-\$202,600 GPR, -\$94,400 FED and -\$184,700 PR annually); (b) removal of non-continuing elements from the base (-\$265,800 FED in 2024-25); (c) full funding of continuing position salaries and fringe benefits (\$399,000 GPR, \$793,100 FED, \$723,000 PR, and \$196,000 SEG annually); (d) reclassifications and semi-automatic pay progression (\$4,800 GPR annually, \$51,100 PR in 2023-24 and \$56,900 PR in 2024-25, and \$76,100 SEG in 2023-24 and \$81,700 SEG in 2024-25); and (e) full funding of lease and directed move costs (-\$176,300 GPR, -\$22,100 FED, -\$33,200 PR, and -\$54,400 SEG in 2023-24 and -\$280,300 GPR, -\$31,300 FED, -\$78,200 PR, and -\$92,000 SEG in 2024-25).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$135,000 GPR, -\$123,200 PR, and -\$62,800 FED annually.

| Total | \$1,063,400 | 1.00                              | \$528,600   | - 1.00                            | \$1,592,000 | 0.00              |  |

## 2. BUREAU OF LABORATORY SERVICES [LFB Paper 170]

**Governor:** Provide \$375,000 GPR and \$74,200 PR in 2023-24 and \$321,000 GPR and \$93,200 PR in 2024-25 with 1.0 PR position to support additional staff and equipment acquisition within the Bureau of Laboratory Services (BLS). Additionally, provide \$100,000 PR each year for general operations and services.

BLS analyzes samples gathered during inspections and regulatory actions under the food safety and agrichemical management programs. The Bureau charges Department programs for its services, with the charges reflected as expenditures to those programs and as revenues to the laboratory. Funding of \$74,200 PR in 2023-24 and \$93,200 PR in 2024-25 would be directly associated with the 1.0 PR position, while \$100,000 PR each year would support additional general costs of laboratory operations. Additional base funding of \$300,000 GPR each year would be used to support replacement of instruments and equipment. In addition, the Department intends to use \$54,000 GPR in one-time funding in 2023-24 to purchase wireless temperature monitoring equipment, and use \$21,000 GPR each year for maintenance of the wireless monitoring system.

**Joint Finance/Legislature**: Modify funding to provide the following from BLS general operations PR: (a) \$600,000 PR in 2023-24 to support equipment acquisition and maintenance; (b) \$54,000 PR in 2023-24 for wireless temperature monitoring equipment; and (c) \$21,000 PR each year of the biennium for maintenance of the wireless temperature monitoring system. Provide funding in programs outside of BLS as follows to cover lab-assessed costs of equipment: (a) \$349,500 in 2023-24 and \$10,500 in 2024-25 from the segregated agrichemical management

(ACM) fund; and (b) \$325,500 PR in 2023-24 and \$10,500 PR in 2024-25 from fees on regulation of food, lodging, and recreational facilities.

Additionally, include the provision for \$100,000 PR each year to support maintenance and general laboratory operations within BLS. Funding in programs outside of BLS would consist of: (a) \$52,000 each year from agrichemical management SEG; and (b) \$48,000 each year from fees on of food, lodging, and recreational facilities. [See "Agriculture, Trade and Consumer Protection -- Regulatory Programs."]

## 3. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$226,800                  | - \$226,800                       | \$0        |
| SEG   | <u>34,200</u>              | <u>- 34,200</u>                   | _0         |
| Total | \$261,000                  | - \$261,000                       | \$0        |

**Governor:** Provide \$113,400 GPR and \$17,100 SEG annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

#### **State Operations Adjustments**

| <u>Fund</u> | Appropriation  | Annual Adjustment |
|-------------|--|-------------------|
| GPR         | General program operations; central administrative services  | \$72,200          |
| GPR         | Livestock premises registration                              | 17,500            |
| GPR         | General program operations; animal health services           | 16,700            |
| GPR         | General program operations; agricultural resource management | 7,000             |
| SEG         | Soil and water administration; environmental fund            | <u>17,100</u>     |
| Total       |  | \$130,500         |

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. TRIBAL LIAISON POSITION

|     | (Chg.     | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-----------|--|-------------|---|-----|----------------------------|
| GPR | \$149,900 | 1.00                                   | - \$149,900 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$64,200 in 2022-23 and \$85,700 in 2023-24 and 1.0 position annually to create an agency tribal liaison position. The agency tribal liaison would be responsible for working with Native American tribes and bands on behalf of the agency, as well as coordinating with the Director of Native American Affairs in the Department of Administration. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. EQUITY OFFICER POSITION

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |            | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|------------|---|-----|----------------------------|
| GPR | \$86,400     | 0.50                                   | - \$86,400 | - 0.50                                  | \$0 | 0.00                       |

**Governor:** Provide \$37,800 in 2023-24 and \$48,600 in 2024-25 and 0.5 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 6. COMPUTER SYSTEM EQUIPMENT, STAFF AND PR \$300,000 SERVICES

**Governor/Legislature:** Provide \$150,000 in each of 2023-24 and 2024-25 for additional expenditures for information technology services throughout the Department. DATCP information technology services are funded from assessments charged to appropriations of other DATCP programs. Total budgeted amounts for computer system equipment, staff, and services are \$3,871,600 in 2023-24 and \$3,868,900 in 2024-25.

### 7. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-------|----------------------------|-----------------------------------|----------------|
| GPR   | -\$25,600                  | - \$145,300                       | - \$170,900    |
| SEG   | <u>1,061,800</u>           | <u>- 84,200</u>                   | <u>977,600</u> |
| Total | \$1,036,200                | - \$229,500                       | \$806,700      |

**Governor:** Provide the following adjustments to debt service appropriations to reflect estimated principal and interest payments on previously issued general obligation bonds: (a) -\$100 GPR in 2023-24 and -\$500 GPR in 2024-25 for bonds issued for past upgrades to the Wisconsin Veterinary Diagnostic Laboratory (WVDL); (b) \$61,600 GPR in 2023-24 and -\$86,600 GPR in 2024-25 for bonds issued for landowner cost-sharing and enrollment incentive payments under the Conservation Reserve Enhancement Program (CREP), a state-federal land and water conservation program; and (c) \$203,400 SEG in 2023-24 and \$858,400 SEG in 2024-25 for bonds issued to support cost-sharing grants to landowners for structural best management practices installed under the soil and water resource management (SWRM) program.

Under the bill, debt service is budgeted as follows: (a) for the WVDL, \$700 GPR in 2023-24 and \$300 GPR in 2024-25; (b) for CREP, \$1,060,600 GPR in 2023-24 and \$912,400 GPR in 2024-25; and (c) for SWRM grants, \$4,943,700 SEG in 2023-24 and \$5,598,700 SEG in 2024-25.

**Joint Finance/Legislature:** Reestimate an additional -\$78,200 GPR in 2023-24 and -\$67,100 GPR in 2024-25 for CREP debt service, and -\$61,400 SEG in 2023-24 and -\$22,800 SEG in 2024-25 for SWRM debt service. Under Joint Finance action, debt service is budgeted as follows: (a) for WVDL upgrades, \$700 GPR in 2023-24 and \$300 GPR in 2024-25; (b) for CREP, \$982,400 GPR in 2023-24 and \$845,300 GPR in 2024-25; and (c) for SWRM grants, \$4,882,300 SEG in 2023-24 and \$5,575,900 SEG in 2022-23.

### 8. POSITION REALIGNMENT

**Governor/Legislature:** Transfer the following positions and associated salary and fringe benefit costs shown in the table between appropriations to align the funding sources of the positions with their current duties within the Department.

|       | Funding   | Positions |
|-------|-----------|-----------|
| GPR   | - \$5,000 | 0.00      |
| FED   | - 162,800 | - 0.75    |
| PR    | 159,200   | 0.75      |
| SEG   | 2,200     | 0.00      |
| Total | - \$6,400 | 0.00      |

### **DATCP** Position Realignment

| Computer system equipment, staff, and services | PR   | 178,200                  | 1.75                        |
| Indirect cost reimbursements                   | FED  | 400                      | 0.35                        |
| Total  |      | -\$3,200                 | 0.00                        |

The transfers would result in a net change of 3,200 annually and affect funds by source annually as follows: (a) -2,500 GPR; (b) 79,600 PR with 0.75 positions; (c) -81,400 FED with -0.75 positions; and (d) 1,100 SEG.

#### 9. PROGRAM REVENUE REESTIMATES

**Governor/Legislature:** Reestimate the program revenue appropriation associated with the former industrial hemp program by -\$28,500 per year. Beginning on January 1, 2022, administration of the Wisconsin hemp program was transferred from DATCP to the U.S. Department of Agriculture (USDA). This provision and others in separate items would delete all base funding budgeted for the industrial hemp program.

#### 10. FEDERAL REVENUE REESTIMATES

**Governor/Legislature:** Reestimate federal funds for the Division of Agricultural Development by -\$321,500 each year. The affected appropriation receives funds primarily associated with the federal Specialty Crop Block Grant program and other market development grants for certain crops.

PR

FED

- \$57,000

- \$643.000

#### **11. DELETE VACANT POSITIONS**

PositionsFED- 2.00

**Joint Finance/Legislature:** Delete 2.0 positions vacant for more than 18 months under the Department's federal funds appropriations for food safety and central administrative services.

## **Agricultural Assistance**

## 1. AGRICULTURAL ASSISTANCE GRANT PROGRAMS [LFB Papers 175 thru 178]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|-----|----------------------------|-----------------------------------|-------------|--|
| GPR | \$35,000,000               | - \$32,800,000                    | \$2,200,000 |  |

**Governor:** Provide \$17,500,000 each year of the 2023-25 biennium for various agricultural assistance programs, allocated as listed below. Consolidate existing appropriations for Buy Local, Buy Wisconsin grants (\$200,000 each year), dairy processor grants (\$200,000 each year), meat processing facility grants (\$200,000 each year), and the dairy producer loan and grant program (no base funding), in an existing biennial grants and loans appropriation, and expand the purposes of the appropriation to include the programs created as described in the subsequent paragraphs. While the bill provides an intended allocation for each grant program as shown in the table below, the new appropriation does not establish limitations on use of funding for these programs, and DATCP would retain discretion to allocate funding among these programs.

#### **Agricultural Assistance Grants**

| Increase over Base               |           | 17,500,000   | 17,500,000     | 35,000,000   |

Food Security Grant Program. Allocate \$15,000,000 each year for grants to eligible

nonprofit food assistance organizations to support the purchase of food products made or grown in Wisconsin. Eligible organizations would include food banks, food pantries, and other nonprofit organizations that provide food assistance. Funding for the Food Security Initiative has previously been provided by: (a) \$25 million in federal relief funds allocated by the Governor under the Coronavirus Aid, Relief, and Economic Security (CARES) Act; and (b) \$40 million allocated from the State Fiscal Recovery Fund (SFRF) under the federal American Rescue Plan Act (ARPA).

*Meat Processor Grant Program.* Provide an additional \$800,000 each year of the 2023-25 biennium for grants to facilities that slaughter animals for human consumption, or that process meat or meat products, excluding rendering plants, to promote the growth of the meat industry in Wisconsin. Under 2021 Act 58 and subsequent action by the Joint Committee on Finance, a biennial appropriation allocating \$200,000 GPR each year was created for meat processing grants. In addition to state funding, \$10 million in one-time federal ARPA funding was provided for grants to meat processors in 2021-22 through the Meat and Poultry Supply Chain Resiliency grant program. The bill would provide \$1,000,000 each year in ongoing funding for the program.

*Dairy Processor Grant Program.* Provide an additional \$800,000 each year of the 2023-25 biennium for grants to dairy processors to fund projects intended to grow processing plants, contribute to processor innovation, or improve production and profitability of processing plants. 2021 Act 58 provided \$200,000 each year in base funding and \$200,000 per year in one-time funding in the 2021-23 biennium for dairy processing grants. The bill would provide a total of \$1,000,000 each year in ongoing funding for dairy processor grants.

*Value-Added Agriculture Program.* Allocate \$400,000 in each year of the 2023-25 biennium for the value-added agriculture program. Allow DATCP to provide education, technical assistance, and grants related to the promotion and implementation of agricultural practices that produce value-added agriculture products. Specify that activities include: (a) providing assistance related to organic farming practices, including business and market development assistance; (b) collaborating with organic producers and industry participants; and (c) providing grants to organic farming, creating organic farming plans, assisting farmers in the transition to organic farming, or educating and training farmers on best practices related to grazing; and (d) general market promotion of value-added agricultural products, including those produced using resource-conserving practices. (The bill as introduced omits a definition for resource-conserving practices. An amendment would be required to reflect the bill's intent.)

*Buy Local, Buy Wisconsin.* Maintain base funding of \$200,000 each year of the 2023-25 biennium for Buy Local, Buy Wisconsin grants. Grants may be provided for projects that create, expand, diversify, or promote: (a) local food marketing systems and market outlets; (b) local food and cultural tourism routes; or (c) production, processing, marketing, and distribution of Wisconsin food products for sale to local purchasers. Projects have included food processing and distribution improvements, creating and expanding farmers' markets, agritourism projects, and marketing and awareness campaigns.

*Farm-to-Fork Grant Program.* Allocate \$200,000 in each year of the 2023-25 biennium for the farm-to-fork grant program. Define a farm-to-fork program as one that: (a) connects entities

that have cafeterias, other than school districts, to nearby farms to provide locally produced fresh fruit, vegetables, dairy products, and other nutritious, locally produced foods; (b) develops healthy eating habits in the general public; (c) provides nutritional and agricultural education; and (d) improves farmers' incomes and direct access to markets.

Allow DATCP to award grants to businesses, universities, hospitals, and other entities to create and expand farm-to-fork programs. Specify that grants may support projects that include: (a) creating, expanding, diversifying, or promoting production, processing, marketing, and distribution of food produced in Wisconsin for sale to entities in Wisconsin other than schools; (b) construction or improvement of facilities, including purchases of equipment, intended to support consumption of food produced in Wisconsin in entities other than schools; (c) training for food service personnel, farmers, and distributors; and (d) nutritional and agricultural education. Require DATCP to consult with interested persons to establish grant priorities each year and specify that DATCP give preference to proposals that are innovative or provide models other entities may adopt. Require DATCP to promote agricultural development and farm profitability in awarding farm-to-fork grants by supporting the development and adoption of practices and agribusiness opportunities that involve the production of value-added agricultural products. Require a report at least once a year to the DATCP Secretary and appropriate standing committees of the Legislature on the need and opportunity for farm-to-fork programs. Authorize DATCP to promulgate rules to administer the farm-to-fork program.

Define a value-added agricultural product as a product that: (a) has undergone a change in physical state; (b) is produced in a manner that enhances its value; (c) is physically segregated in a manner that enhances its value; (d) is a source of farm-based or ranch-based renewable energy; or (e) is aggregated and marketed as a locally produced farm product. Allow the Department to promulgate rules to administer the value-added agriculture program.

Something Special from Wisconsin. Increase funding for the Something Special from Wisconsin program by providing \$200,000 GPR in one-time funding each year of the 2023-25 biennium to support program marketing efforts. Under current law, DATCP offers a marketing program for participants that sell products whose value is at least 50% attributable to Wisconsin ingredients, production, or processing activities. Participants that certify their Wisconsin-made status may affix the Something Special from Wisconsin logo on their products. The program is typically PR-funded, and the Administration intends for GPR-supported grants to increase overall program participation and program revenues long-term. If DATCP is unable to use GPR funding for grants, the intended allocation could support other programs within the agricultural assistance grant and loan appropriation.

*Farm Business Consultant Grant Program.* Allocate \$100,000 in each year of the 2023-25 biennium for grants to county agriculture agents of the University of Wisconsin-Madison Division of Extension to help farm operators hire business consultants and attorneys to examine farmers' business plans and create farm succession plans. Authorize DATCP to promulgate rules to administer the farm business consultant grant program.

Joint Finance/Legislature: Modify provision to provide an additional \$1,600,000 for grants to meat processing facilities in 2023-24. Total funding for meat processing grants is

\$1,800,000 in 2023-24 and \$200,000 in 2024-25. Provide an additional \$300,000 each year in the 2023-25 biennium for grants to dairy processors on a one-time basis. Funding for the program is \$500,000 each year. Buy Local, Buy Wisconsin grants continue with base funding of \$200,000 each year. Separate appropriations continue for each of the meat processing facility, dairy processing plant and Buy Local, Buy Wisconsin grant programs. The table below summarizes program allocations under Act 19.

|                                  |           | Gov            | Governor       |                | ct 19          |

| Total                            | \$600,000 | \$18,100,000   | \$18,100,000   | \$2,500,000    | \$900,000      |
| Act 19 Change to Governor        |           |                |                | -15,600,000    | -17,200,000    |

## 2. TRIBAL FOOD SECURITY PROGRAM [LFB Paper 175]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|----|----------------------------|-----------------------------------|-------------|--|
| PR | \$4,000,000                | - \$1,000,000                     | \$3,000,000 |  |

**Governor:** Provide \$2,000,000 tribal gaming PR annually for grants to nonprofit food assistance organizations that purchase and distribute food to tribal elders and to entities supporting the growth and operation of participating food producers. Specify that grant recipients should give preference to Indigenous-based food producers and local food producers when purchasing food for distribution. Provide DATCP with rule-making authority to implement the program. The program would provide ongoing state funding for the Tribal Elder Food Box program, which began in 2021 with funding from the Feeding Wisconsin association of food banks and USDA.

**Joint Finance/Legislature:** Modify provision to provide \$1,500,000 tribal gaming PR annually and specify funding be provided on a one-time basis during the 2023-25 biennium.

[Act 19 Sections: 53, 145, and 385]

#### 3. WISCONSIN AGRICULTURAL EXPORT PROMOTION [LFB Paper 179]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$2,883,200                | - \$883,200                       | \$2,000,000 |

**Governor:** Eliminate the \$1,000,000-per-year statutory spending cap and provide \$1,883,200 in 2023-24 and \$1,000,000 in 2024-25 to DATCP's International Agribusiness Center to support agricultural export promotion through the Wisconsin Initiative for Agricultural Exports (WIAE).

2021 Wisconsin Act 92 established the WIAE and requires DATCP, in collaboration with the Wisconsin Economic Development Corporation (WEDC), to seek to increase Wisconsin agricultural exports to 25% more than their December 31, 2021, amount by June 30, 2026, for the following: (a) milk and dairy products; (b) meat, poultry, and fish products; and (c) crops and crop products. Of the amounts appropriated for the program, \$2,500,000 (50%) must be expended for milk and dairy products, \$1,250,000 (25%) must be expended for meat, poultry, and fish products, and \$1,250,000 (25%) must be expended for crops and crop products. Act 92 specifies DATCP may not expend more than \$1,000,000 per year under the program.

2021 Act 58 created a GPR continuing appropriation to DATCP and set aside \$558,400 GPR each year of the 2021-23 biennium in the Joint Committee on Finance's supplemental appropriation to support the WIAE program. Subsequent action by the Committee approved transfers of \$558,400 in each of February and August, 2022, to the agricultural exports appropriation. Additionally, 2021 Wisconsin Act 207 provided DATCP the ability to use available PR balances of an inactive rural development program for the purposes of promoting dairy exports under WIAE. A total of \$441,600 each year in the 2021-23 biennium was allocable to WIAE from this source, resulting in total funding of \$1,000,000 each year. Funding in the 2021-23 biennium supported export expansion grants, international market access grants, and various trade promotion activities.

The bill would eliminate the \$1,000,000-per-year cap on program expenditures and allocate additional funds to WIAE surpassing the \$1,000,000 per year established by 2021 Act 92. The proposal would result in total funding for the biennium of \$2,883,200, including ongoing funding of \$1,000,000 in 2024-25.

**Joint Finance/Legislature:** Modify provision to provide \$1,000,000 GPR annually for WIAE, and retain the annual spending cap.

#### 4. MEAT TALENT DEVELOPMENT GRANT PROGRAM [LFB Paper 180]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,237,500                | - \$1,237,500                     | \$0        |

**Governor:** Provide \$1,237,000 beginning in 2024-25 for tuition assistance grants to individuals pursuing meat processing programming at any higher education institution in Wisconsin. Tuition reimbursement grants would cover up to 80% of the first \$9,375 in tuition costs, or \$7,500 per grant. In addition, authorize grants to support curriculum development for meat processing programs.

The program would provide ongoing state funding for the Meat Talent Development program, which was begun in 2022 with federal ARPA funding. The Governor has allocated up to \$5 million for the program. Funding through 2022 has supported: (a) training in establishing operational plans for hazardous food processing; (b) development for meat processing education through high school agricultural education programs; (c) training in humane handling; (d) introductory courses for high school and post-secondary students considering careers in meat processing; and (e) tuition reimbursement for certain courses.

Joint Finance/Legislature: Provision not included.

## 5. REGIONAL FARMER SUPPORT

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$352,600  | 2.00 | - \$352,600   | - 2.00 | \$0                                    | 0.00 |

**Governor:** Provide \$157,400 in 2023-24 and \$195,200 in 2024-25 with 2.0 positions in the Division of Agricultural Development's general program operations appropriation to expand access to Wisconsin Farm Center services in the northwest and northeast regions of the state. The Farm Center currently operates out of the Department's Madison office, and maintains a hotline that farmers may call for information, referrals, and support responding to crises. Farm Center services include technical assistance related to production, processing and marketing, as well as financial consultations, farm succession planning, mental health support and referrals, minority and veterans outreach, and mediation and arbitration.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 6. FARMER MENTAL HEALTH ASSISTANCE [LFB Paper 181] GPR \$200,000

**Governor:** Provide \$100,000 annually as ongoing funding for farmer mental health assistance programming. Under 2019 Act 9 and 2021 Act 58, DATCP has been provided \$100,000 each year since 2019-20 in one-time funding for farmer mental health assistance to support: (a) a 24-hour helpline for providing immediate support; (b) tele-counseling sessions that can be administered online by a licensed mental health professional; and (c) counseling vouchers that farmers and their family members can redeem for free in-person care at participating mental health providers in their area. In addition to counseling services, funding supported: (a) free virtual courses for agricultural service providers such as lenders and agribusiness firms in understanding

and managing the stresses of farming; (b) online farmer and farm couple support groups for bringing farmers together to discuss their shared challenges; and (c) a podcast on farm-related challenges.

**Joint Finance/Legislature**: Modify provision to specify that funding is provided on a onetime basis in the 2023-25 biennium.

## 7. AGRICULTURAL ECONOMIST

|     | (Chg      | overnor<br><u>. to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-----------|---|-------------|---|-----|----------------------------|
| GPR | \$167,500 | 1.00                                      | - \$167,500 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$74,300 in 2023-24 and \$93,200 in 2024-25 with 1.0 position for an agricultural economist. The position would be funded from Division of Management Services general program operations. Currently, DATCP does not employ an agricultural economist.

Joint Finance/Legislature: Provision not included.

## 8. FOOD WASTE REDUCTION GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$200,000                  | - \$200,000                       | \$0        |

**Governor:** Create an annual appropriation and provide \$100,000 annually for food waste reduction grants. Require the Department to provide grants for projects that seek to reduce or compost food waste, or to redirect food supplies to hunger relief organizations. Require DATCP give preference to proposals serving census tracts with household income below the state median (currently estimated at \$67,100) and lacking a grocery store. Require the Department to promulgate rules to administer the program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 9. COUNTY FAIR AIDS

**Joint Finance/Legislature:** Provide an additional \$193,600 for aids to county and district fairs each year. Total funding for the program is \$650,000 annually under Act 19. Section 93.23 of the statues requires DATCP to provide fair aids to counties and certain organized agricultural societies, associations, and boards in the state in an amount equal to 95% of the first \$8,000 paid in net premiums and 70% of all net premiums that exceed \$8,000, up to a maximum amount of

GPR \$387,200

\$10,000 per fair. If premium reimbursement requests exceed available funding, the Department must prorate the amount of aids provided to each fair.

## **10. AGRICULTURE IN THE CLASSROOM**

SEG \$100,000

**Joint Finance/Legislature:** Provide an additional \$50,000 annually from the segregated agrichemical management fund for the Agriculture in the Classroom grant. Total funding for the grant is \$143,900 annually under Act 19. Annual grants are made to the Wisconsin Farm Bureau Federation for administration of the program.

## Environment

# 1. COUNTY CONSERVATION STAFF AND PROGRAM EXPANSION [LFB Paper 185]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$5,737,600                | - \$4,321,400                     | \$1,416,200 |
| SEG   | 7,134,200                  | - 4,301,900                       | 2,832,300   |
| Total | \$12,871,800               | - \$8,623,300                     | \$4,248,500 |

**Governor:** Provide \$3,369,100 in 2023-24 and \$3,765,100 in 2024-25 from nonpoint SEG and \$2,766,800 GPR in 2023-24 and \$2,970,800 GPR in 2024-25 for additional grants to counties to support land and water conservation staff that perform work related to achieving state goals for soil conservation and water quality. The bill would provide a total of \$15,100,000 in 2023-24 and \$15,700,000 in 2024-25 for county staffing grants, as shown in the table.

#### **County Conservation Staffing Funding**

| Fiscal | G                  | PR         | Nonp                | oint SEG   |                     |
|--------|--------------------|------------|---------------------|------------|---------------------|
| Year   | Base               | Additional | Base                | Additional | <u>Annual Total</u> |
| 2020   | <b>\$2,025,200</b> |            | <b>\$5.02</b> ( 000 | ¢ 475 000  | <b>#0.420.100</b>   |
| 2020   | \$3,027,200        |            | \$5,936,900         | \$475,000  | \$9,439,100         |
| 2021   | 3,027,200          |            | 5,936,900           | 475,000    | 9,439,100           |
| 2022   | 3,027,200          | \$688,600  | 5,936,900           | 1,377,300  | 11,030,000          |
| 2023   | 3,027,200          | 772,000    | 5,936,900           | 1,543,900  | 11,280,000          |
| 2024   | 3,027,200          | 2,766,800  | 5,936,900           | 3,369,100  | 15,100,000          |
| 2025   | 3,027,200          | 2,970,800  | 5,936,900           | 3,765,100  | 15,700,000          |

Note: Additional amounts shown in the 2019-21 and 2021-23 biennia were one-time funding amounts. Additional amounts in the 2023-25 biennium would increase base funding.

Under current law, county conservation staff activities eligible for funding include: (a) implementation of land and water resource management plans, which are required of every county by statute to identify local objectives for soil and water conservation; (b) conservation practice engineering, design, and installation; (c) cost-share grant administration; (d) farmland preservation program administration; and (e) livestock regulation. The bill would expand this list to include staff administering or implementing long-range planning and erosion control mitigation.

Grants are awarded in a tiered process, providing each county full funding for its first position, 70% funding for its second position, and 50% funding for subsequent positions as available funds allow. In the 2023 allocation, first and second positions at each county were funded at 100% and 70% respectively, and 5% of costs on average associated with third positions were funded. Under the 2023 allocation, fully funding the state share of first, second, and third positions would have cost approximately \$13.5 million.

Current law requires DNR and DATCP to attempt to provide an average of \$100,000 to each county for staffing grants. The bill provides that if any funding remains after meeting current statutory goals, DATCP and DNR may assist counties in meeting their funding goals for second or third positions by providing grants to lower match requirements and increasing the state share. Grants may also be awarded to counties for fourth or subsequent positions. The Administration indicates such allocations would be determined by DATCP as part of the joint allocation plan allocating state aids for nonpoint pollution abatement and land conservation programs.

**Joint Finance/Legislature:** Modify provision to provide \$1,332,100 nonpoint SEG and \$666,100 GPR in 2023-24 and \$1,500,200 nonpoint SEG and \$750,100 GPR in 2024-25 on a onetime basis for county conservation grants. Total funding for the program is \$10,962,300 in 2023-24 and \$11,214,400 in 2024-25, as shown in the table. No changes are included regarding uses of grant funds.

| Fiscal | G           | PR        | Nonpe       | oint SEG  |              |  |

| Year   | Base        | One-Time  | Base        | One-Time  | Annual Total |  |
| 2020   | \$3,027,200 |           | \$5,936,900 | \$475,000 | \$9,439,100  |  |
| 2021   | 3,027,200   |           | 5,936,900   | 475,000   | 9,439,100    |  |
| 2022   | 3,027,200   | \$688,600 | 5,936,900   | 1,377,300 | 11,030,000   |  |
| 2023   | 3,027,200   | 772,000   | 5,936,900   | 1,543,900 | 11,280,000   |  |
| 2024   | 3,027,200   | 666,100   | 5,936,900   | 1,332,100 | 10,962,300   |  |
| 2025   | 3,027,200   | 750,100   | 5,936,900   | 1,500,200 | 11,214,400   |  |

## **County Conservation Staffing Funding -- Act 19**

## 2. NITROGEN OPTIMIZATION PILOT PROGRAM [LFB Paper 186]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|-----|----------------------------|-----------------------------------|-------------|--|
| SEG | \$4,800,000                | - \$1,200,000                     | \$3,600,000 |  |

**Governor:** Provide \$2,400,000 nonpoint SEG in ongoing funding in each year of the 2023-25 biennium for nitrogen optimization and cover crop insurance rebate programs funded initially in 2022-23. 2021 Wisconsin Act 223 established a commercial nitrogen optimization pilot program and a cover crop insurance rebate program administered by DATCP to implement strategies that optimize the application of commercial nitrogen and to encourage broader use of cover crops to benefit Wisconsin soils, surface water, and groundwater. The act did not appropriate funding, but the Joint Committee on Finance approved supplemental funding of \$2,400,000 nonpoint SEG in 2022-23 for DATCP to begin implementing the programs. Application periods for 2022-23 funding for each program closed January 31, 2023. Funding under the bill would support \$1,600,000 for the commercial nitrogen optimization pilot program and \$800,000 for the cover crop insurance premium rebate program annually.

**Joint Finance/Legislature:** Modify provision to provide \$1,000,000 nonpoint SEG annually on a one-time basis for the nitrogen optimization pilot program and \$800,000 nonpoint SEG annually on a one-time basis for the cover crop insurance premium rebate program.

## 3. PRODUCER-LED WATERSHED PROTECTION GRANTS [SEG \$500,000 [LFB Paper 186]

**Governor:** Increase funding for producer-led watershed protection grants by an additional \$250,000 nonpoint SEG annually. Under 2021 Act 58, the statutory cap on annual producer-led watershed protection grant awards was increased from \$750,000 to \$1,000,000 and an additional \$250,000 nonpoint SEG each year was appropriated on a one-time basis during the 2021-23 biennium to provide a total of \$1,000,000 in each year of the biennium. For 2023, DATCP has awarded 43 grants to producer-led watershed protection groups. Groups may receive grants for such activities as: (a) planning and shared learning programs; (b) surveying and identification of management practices and solutions; (c) increasing participation in conservation, including

through incentive payments; and (d) measurement and promotion of the benefits of conservation practices, including water and soil testing.

**Joint Finance/Legislature:** Adopt provision, but specify funding is on a one-time basis in the 2023-25 biennium.

# 4. SOIL AND WATER RESOURCE MANAGEMENT BONDING AUTHORITY [LFB Paper 187]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| BR  | \$7,000,000                | - \$7,000,000                     | \$0         |
| GPR | \$0                        | \$7,000,000                       | \$7,000,000 |

**Governor:** Provide \$7 million in additional bonding authority for cost-sharing grants in the soil and water resource management (SWRM) program. SWRM cost-sharing grants funded by bond revenues support landowner installation of structural best management practices at agricultural sites, such as those intended to reduce soil erosion from agricultural lands and to provide for manure storage and containment. DATCP has been authorized \$7 million in new bonding authority in each biennium beginning in 2007-09, and the Department typically provides \$3.5 million per year for grants to landowners.

In general, state law requires that agricultural landowners receive a cost-sharing offer of at least 70% of the cost of installing a structure or practice if the landowner is to be required to modify an existing structure or operation. Funding for these activities comes from both nonpoint SEG and DATCP general obligation bonding authority; nonstructural practices cannot be supported by bonding and are funded from nonpoint SEG.

**Joint Finance/Legislature:** Modify provision to provide \$7,000,000 GPR in 2023-24 in an existing continuing appropriation to support cost-sharing grants to landowners for installation of structural practices.

## 5. SOIL AND WATER RESOURCE MANAGEMENT AIDS [LFB Paper 187]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| SEG | \$200,000                  | - \$200,000                       | \$0        |  |

**Governor:** Provide an additional \$100,000 nonpoint SEG annually for soil and water resource management noncapital projects. Funding would be used for nonstructural costs largely related to agricultural best management practices. Allocations would be determined by DATCP and DNR in the annual joint allocation plan.

Joint Finance/Legislature: Provision not included.

## 6. WATER STEWARDSHIP CERTIFICATION GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$500,000                  | - \$500,000                       | \$0        |  |

**Governor:** Create a continuing appropriation with \$250,000 each year for grants to agricultural producers to reimburse payments made to the Alliance for Water Stewardship (AWS) to receive certification of water stewardship. Specify that grants awarded for water stewardship certification may not cover implementation costs necessary to meet the certification standard. The Alliance for Water Stewardship (AWS) is an independent nonprofit organization created by various national and international nonprofit conservation organizations and international governing bodies. AWS certification provides a detailed framework for program participants to engage in water stewardship projects.

Joint Finance/Legislature: Provision not included.

## 7. CLEAN SWEEP GRANTS [LFB Paper 188]

**Governor/Legislature:** Provide an additional \$250,000 annually from the environmental management account of the segregated environmental fund for clean sweep grants. Clean sweep grants are provided to counties and municipalities for the collection and disposal of pesticides, farm chemicals, unwanted prescription drugs, and hazardous wastes. Funding for clean sweep grants in the 2021-23 biennium is \$750,000 annually from environmental management SEG. Base funding for the program is \$1,000,000 under Act 19.

## 8. BIODIGESTER PLANNING GRANTS [LFB Paper 189]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| SEG | \$500,000                  | - \$500,000                       | \$0        |  |

**Governor:** Provide \$250,000 environmental management SEG annually for grants to support planning for installation of regional biodigesters. Require the Department to promulgate rules to administer the grant program.

Joint Finance/Legislature: Provision not included.

SEG

\$500,000

### 9. BIODIGESTER OPERATOR CERTIFICATION GRANTS [LFB Paper 189]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$100,000                  | - \$100,000                       | \$0        |  |

**Governor:** Provide \$50,000 annually for grants to individuals pursuing biodigester operator certifications. Require the Department to promulgate rules to administer the grant program. The Administration intends to use programming and certification provided by the American Biogas Council, which in recent years has conducted courses for participants at UW-Oshkosh.

Joint Finance/Legislature: Provision not included.

#### 10. FARMLAND PRESERVATION PLANNING GRANTS

**Governor:** Expand the working lands fund SEG appropriation for farmland preservation planning grants to counties to also support activities associated with implementing county farmland preservation plans. Implementation activities are intended to include those that facilitate designation of agricultural enterprise areas and increase use of farmland preservation agreements. Specify that grants be provided on a reimbursement basis and that DATCP detail eligible costs through a contract with the grant recipient.

As of June 30, 2022, the working lands fund had a balance of \$99,000. The SEG appropriation affected by the provision has never been authorized funding. The provisions would not make a similar modification to the GPR farmland preservation planning grant appropriation that has base funding of \$210,000 annually; an amendment would be required to accomplish such a measure.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **Regulatory Programs**

#### 1. MEAT INSPECTION PROGRAM STAFF [LFB Paper 195]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$953,800                  | \$126,400                         | \$1,080,200 |

Governor: Convert 2.0 GPR and 2.0 FED project positions provided by 2021 Act 58, and

scheduled to expire June 30, 2025, to permanent positions. The provision would reallocate \$88,300 annually within the state budget system for each fund source from project position salaries to permanent position salaries, but no additional funding for positions would be provided.

Additionally, provide \$476,900 GPR in each year of the 2023-25 biennium to match FED expenditures for inspection and sampling at meat processors. DATCP's meat safety program conducts inspection of animal and poultry slaughtering and processing in establishments not otherwise inspected by USDA. State-inspected facilities are typically smaller operations. The state-funded portion of the inspection program is supported by GPR, and USDA provides matching FED on a dollar-for-dollar basis. State inspection programs by law must enforce standards that are "at least equal to" federal food-safety standards, including having sufficient levels of staffing to meet required inspections of processing establishments.

**Joint Finance/Legislature:** Modify provision to provide an additional \$538,800 GPR in 2023-24 and \$541,400 GPR in 2024-25 to meet federal matching requirements for DATCP's meat inspection program on a one-time basis. This increases bill amounts by \$61,900 in 2023-24 and by \$64,500 in 2024-25. Maintain project positions set to expire June 30, 2025.

## 2. ANIMAL DISEASE RESPONSE AND PREVENTION UNIT

|     | (Chg.       | vernor<br><u>to Base)</u><br>Positions | Jt. Fina<br><u>(Chg. 1</u><br>Funding | <u>o Gov</u> |     | <u>Change</u><br>Positions |
|-----|-------------|--|---------------------------------------|--------------|-----|----------------------------|
| GPR | \$1,070,500 | 6.00 -                                 | - \$1,070,500                         | - 6.00       | \$0 | 0.00                       |

**Governor:** Provide \$528,300 in 2023-24 and \$542,200 in 2024-25 with 6.0 positions to create a Strategic Animal Disease Response and Prevention Unit within the Division of Animal Health general program operations appropriation. The unit would be responsible for planning measures to ensure a secure food supply and responding to livestock disease outbreaks.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. DOG FACILITY, RABIES CONTROL AND HUMANE OFFICER PROGRAM STAFFING [LFB Paper 196]

|                    | Governor<br><u>(Chg. to Base)</u> |                               |                                      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u> |                                      | <u>Net Change</u>   |  |
|--------------------|-----------------------------------|-------------------------------|--------------------------------------|--|--------------------------------------|---|--|
|                    | Funding                           | Positions                     | Funding                              | Positions                                | Funding                              | Positions   |  |
| GPR<br>PR<br>Total | \$320,800<br>- 320,800<br>\$0     | 1.00<br><u>- 1.00</u><br>0.00 | - \$320,800<br>240,800<br>- \$80,000 | - 1.00<br><u>1.00</u><br>0.00            | \$0<br><u>- 80,000</u><br>- \$80,000 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |  |

**Governor:** Transfer 1.0 humane officer position and \$160,400 from the Division of Animal Health dog licenses, rabies control, and related services PR appropriation to the Division of Animal

Health general program operations GPR appropriation. Funding to be transferred would include \$142,900 in salary and fringe benefits and \$17,500 for supplies and services each year.

The dog licenses, rabies control, and related services appropriation has carried an unsupported overdraft since 2018-19. As required by 2021 Act 58, DATCP in 2021-22 transferred \$450,000 from the Veterinary Examining Board PR appropriation to the dog licenses, rabies control, and related services appropriation to reduce the overdraft. As of June 30, 2022, the appropriation has an unsupported overdraft of \$70,200. The Administration intends for the position transfer to further reduce program expenditures while additional fee revenues anticipated over the next several years would be expected to eliminate the overdraft.

**Joint Finance/Legislature:** Maintain the 1.0 humane officer as PR-funded. Reduce supplies and services funding within the PR appropriation by \$40,000 annually. Expenditures for the appropriation are budgeted at \$464,600 in 2023-24 and \$464,200 in 2024-25.

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$140,000                  | - \$140,000                       | \$0        |
| SEG   | 0                          | 140,000                           | 140,000    |
| Total | \$140,000                  | \$0                               | \$140,000  |

## 4. LIVESTOCK PREMISES REGISTRATION SUPPORT [LFB Paper 197]

**Governor:** Increase funding in the Division of Animal Health livestock premises registration appropriation by \$70,000 in each year of the 2023-25 biennium. Under current law, any person keeping livestock must register with DATCP the premises at which the animals are kept. Premises holding any of the following animals are required to register with DATCP: (a) bovine animals; (b) equine animals; (c) goats; (d) sheep; (e) swine; (f) poultry; (g) farm-raised deer or elk; (h) captive game birds, such as pheasant, quail or duck; (i) camelids, such as camels, llamas or alpacas; (j) ratites, such as ostrich or emu; and (k) fish. Additional funding would be used to support the administration of registration. Base funding for the program is \$350,000 GPR annually. The program is administered through a contract with the Wisconsin Livestock Identification Consortium. The bill would provide total base funding of \$437,500 for the program, including an increase of \$17,500 annually under a separate item for state operations adjustments.

**Joint Finance/Legislature:** Modify provision to provide \$70,000 annually from the segregated agrichemical management fund. Amend an existing ACM SEG appropriation for animal health inspection, testing, and enforcement to authorize expenditures for the livestock premises registration program. Funding for the program is \$420,000 annually under Act 19, including \$350,000 GPR and \$70,000 ACM SEG.

[Act 19 Section: 52]

## 5. REPEAL MINIMUM MARKUP FOR MOTOR VEHICLE FUEL

**Governor:** Repeal the requirement that sellers of motor vehicle fuel mark up the price of fuel by a minimum of 9.18% at the final point of sale, equal to a markup of 3% by wholesalers and 6% by retailers. The "base price" subject to a markup is defined as the greater of: (a) the invoice or replacement cost of the fuel; or (b) the average posted price of the fuel terminal nearest the retail location. Applicable state and federal taxes and fees, as well as transportation and other costs not otherwise included in the listed cost, are also figured in the base price subject to markup. Under the bill as introduced, sellers of motor vehicle fuel would be required to sell fuel at a price not less than the base price to which the markup is applied under current law.

Wisconsin's average posted terminal gasoline price as of March 1, 2023, was \$2.80 per gallon. Adding  $53.8\phi$  in state and federal gas taxes, fees, and estimated transportation costs, the markup under current law would be  $31\phi$  per gallon above the initial invoice cost for sellers of gasoline. While this amount represents the presumed statutorily required price increase, fuel markups vary by seller. Changes in retail fuel prices, if any, following enactment of the provision would be subject to a variety of market and competitive factors, which are assumed to exert considerable influence on final retail prices independent of the statutory markup. Although the minimum markup is specified in statute, margins on fuel sales accrue to the benefit of the seller. The statutory markup is not a source of tax revenue to the state.

The Unfair Sales Act, which first took effect in the 1930s, seeks to ensure fair competition by preventing predatory "loss leader" pricing by larger businesses, which could incur short-term losses to drive competing smaller firms out of business. Certain products, namely motor vehicle fuel, tobacco, and alcoholic beverages, must be sold at 9.18% above cost, while all others may not be sold below cost. Below-cost sales are allowed under certain circumstances, including: (a) bona fide clearance sales; (b) sales of perishable merchandise; (c) sales of damaged or discontinued merchandise; (d) liquidation sales; (e) sales for charitable purposes; (f) contract sales to government bodies; (g) prices set to meet a competitor's documented price; and (h) court-ordered sales.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 6. VEHICLE OWNERS CONSUMER PROTECTIONS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> 1 | Jt. Finance/Leg.<br>(Chg. to Gov)<br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |
|-----|--|------|----------------|--|-----|--|--|
| GPR | \$412,200  | 2.00 | - \$412,200    | - 2.00   | \$0 | 0.00                                   |  |

**Governor:** Provide \$234,900 in 2023-24 and \$177,300 in 2024-25 with 2.0 positions for oversight of electric vehicle charging stations.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 7. MARIJUANA REGULATION

|    | Governor<br><u>(Chg. to Base)</u> |           | Jt. Finance/Leg.<br>(Chg. to Gov) |           | <u>Net Change</u> |           |
|----|-----------------------------------|-----------|-----------------------------------|-----------|-------------------|-----------|
|    | Funding                           | Positions | Funding                           | Positions | Funding           | Positions |
| PR | \$467,500                         | 3.00      | - \$467,500                       | - 3.00    | \$0               | 0.00      |

**Governor:** Create a program within the Division of Agricultural Resource Management to regulate the cultivation, processing, and testing of marijuana and tetrahydrocannabinols (THC) in Wisconsin. For these purposes, amend a program revenue continuing appropriation currently authorized for the regulation of industrial hemp to also expend all fees associated with administration of the marijuana program. Estimate the appropriation at \$208,900 in 2023-24 and \$258,600 in 2024-25 with 3.0 positions for administration of the program. Agency regulatory functions, taxation, changes to controlled substances laws, and other items related to marijuana legalization are discussed in greater detail under "Marijuana-Related Provisions."

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 8. AGRICHEMICAL MANAGEMENT OPERATIONS [LFB SEG \$104,000 Paper 170]

**Governor/Legislature:** Provide \$52,000 annually from the segregated agrichemical management fund for general program operations in the Division of Agricultural Resource Management. Funding is intended to support the Division's share of additional expenditure authority for the DATCP Bureau of Laboratory Services. [See "Agriculture, Trade and Consumer Protection -- Departmentwide."]

#### 9. FOOD, LODGING AND RECREATION REGULATION [LFB PR \$96,000 Paper 170]

**Governor/Legislature:** Provide \$48,000 in each year of the biennium for additional expenditures associated with the Division of Food and Recreational Safety, consisting of \$24,000 each year for each of the food establishment and recreational facility establishment program areas. The Division of Food and Recreational Safety regulates and collects license and other fees associated with: (a) food production, processing, and distribution, including dairy farms, food warehouses, restaurants, and grocery stores; and (b) lodging and recreation facilities, including hotels, campgrounds, and swimming pools. Total budgeted amounts from fees for food, lodging, and recreation regulation are \$12.1 million in 2023-24 and \$11.8 million in 2024-25. Funding is intended to support the Division's share of additional expenditure authority for the DATCP Bureau of Laboratory Services. [See "Agriculture, Trade and Consumer Protection -- Departmentwide."]

#### **10. BROADBAND CONSUMER PROTECTIONS**

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|----|--|------|---|--------|--|------|
| PR | \$165,300  | 1.00 | - \$165,300   | - 1.00 | \$0                                    | 0.00 |

**Governor:** Provide a number of requirements for broadband service providers related to access for low-income subscribers, discrimination, advertising standards, adequacy of service, and interruption of service. Provide \$72,300 in 2023-24 and \$93,000 in 2024-25 with 1.0 position to the Bureau of Consumer Protection to support enforcement of this provision. Funding would be derived from fees imposed on telemarketers.

*Discrimination.* Prohibit a broadband service provider from denying access to broadband service based on the race or income of residents in a service area. Specify that it is a defense for claims of discrimination based on income if at least 30% households that have access to broadband in a provider's territory are low-income. The bill does not define "low-income," but would authorize DATCP to promulgate rules to implement non-discrimination requirements, and to define low-income households and align Department rules with rules set by the Federal Communications Commission (FCC). Allow the Department of Justice to represent DATCP in enforcement of this section and recover reasonable attorney fees if a court finds such discrimination.

*Interruption of Service*. Require broadband service providers to repair outages of broadband service within 72 hours, except if such interruption is related to an emergency or system-wide outage. Require a provider to credit a customer for one day of service if a service interruption caused by the provider exceeds four hours in a given day. For service interruptions not caused by the provider, require a provider to credit a customer for each hour of interruption, if such interruption exceeds four hours in a day. Require providers to notify customers prior to entering into an agreement to provide service of their rights to refunds in the event of service interruption. Require providers to give notice of at least seven days for any scheduled maintenance that causes a slowdown or interruption of service. Require providers to give notice at least 10 days prior to disconnecting service, except if disconnected at the request of a customer.

Adequacy of Service. Authorize the Department to establish by rule minimum standards for broadband service. Require providers to disclose to potential customers any factors that cause service speed to vary, including the number of users and devices connected. Require providers to give notice of at least 10 days before any factor determining originally disclosed service speeds changes. Allow a customer to terminate service and receive a full refund if service does not meet standards established by the Department by rule within one month of notification of deficiency to the provider by the customer, beginning with contracts created, renewed, or modified after the effective date of the bill.

Advertising and Rates. Require providers to offer service consistent with advertisements and representations to customers. Require providers to disclose factors that may influence service

speed when advertising service speeds. Require providers to notify subscribers at least 30 days prior to increasing service rates.

*Rules and Penalties.* Authorize the Department to promulgate rules to administer this provision, including to align state programs with FCC rules. Impose a penalty of not more than \$1,000 per violation and not more than \$10,000 per occurrence for violations of this provision. Specify a failure to notify in writing more than one subscriber of a rate increase constitutes a violation. Allow DATCP or district attorneys to bring action to enforce this provision, and authorize the Department of Justice to act on behalf of DATCP in enforcing this section.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 11. MANOOMIN (WILD RICE) TRUTH-IN-LABELING

**Governor:** Prohibit any producer from labeling wild rice as "traditionally harvested" unless the wild rice has been harvested using traditional methods as defined by American Indian tribes or bands. Authorize DATCP to promulgate rules creating a definition for traditional wild rice harvesting methods. Require DATCP to obtain advice and recommendations from the Great Lakes Inter-Tribal Council Inc. before promulgating the rule with a definition.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **12. LANDLORD-TENANT PROTECTIONS**

**Governor:** Modify provisions that require landlords, before entering into a rental agreement or accepting earnest money or a security deposit, to disclose to prospective tenants any building or housing code violation that represents a threat to the prospective tenant's health or safety, affects the dwelling unit and common spaces proposed to be rented, and that has not been corrected. Current law requires that: (a) such violations be a significant threat to the prospective tenant's health or safety; and (b) the landlord has actual knowledge of the violation. The bill would repeal the requirement that the landlord have actual knowledge of the violation and would repeal the condition that a violation be "significant" threat.

Repeal prohibitions on local units of government from enacting ordinances that: (a) limit the types of information a landlord may obtain to consider a tenant; (b) prohibit a landlord from showing or renting a premises to a new tenant during the tenancy of an existing tenant; (c) impose requirements on security deposits, earnest money, or inspections that are more stringent than current law; (d) limit a tenant's responsibility for damage, waste, or neglect related to the premises; (e) require a landlord to disclose any information to tenants beyond current federal or state requirements; (f) require a landlord to report information to the municipality beyond anything otherwise required of all real property owners; (g) impose certain requirements or fees related to inspection of a rental premises; and (h) impose fees for occupancy or transfer of tenancy. Further, repeal the current prohibition on local units of government from imposing moratoria on eviction of commercial or residential tenants.

In addition, the bill would change the requirements for inspections of rental properties and would remove existing limitations on inspection fees charged by municipalities and counties. Specify that landlords must provide notice to tenants if a municipal inspector is to do an inspection. Provide that rental property inspection fees charged by a municipality or county are not subject to deductions from the municipal tax levy.

Repeal restrictions on municipal ordinances regarding rent abatement, such that rent abatement authorized by ordinance would not be limited to covering conditions that materially affect the health or safety of the tenant, or that substantially affect the use and occupancy of the premises.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **APPROPRIATION OBLIGATION BONDS**

#### **FTE Position Summary**

There are no full time positions associated with appropriation obligation bonds.

**Budget Change Items** 

### 1. APPROPRIATION OBLIGATION BOND DEBT SERVICE REESTIMATE -- PENSION BONDS [LFB Paper 106]

 GPR
 \$15,272,300

 GPR-Lapse
 13,963,000

 Net GPR
 \$29,235,300

Governor/Legislature: Reduce funding by \$1,701,000 in 2023-24

and increase funding by \$16,973,300 in 2024-25 to reflect the required debt service appropriation level associated with the appropriation obligation bonds issued to pay the state's Wisconsin Retirement System unfunded prior service liability as well as the accumulated sick leave conversion credit program liability. Under the legal agreements governing the appropriation bonds, the annual debt service appropriation for repayment of the bonds in the second year of each biennium must equal the maximum possible payment that could be made in that second year or the following year. Compared to the base level funding of \$199,760,900, a smaller payment is scheduled in 2023-24 and larger payments are scheduled in 2024-25 and 2025-26. Therefore, the GPR appropriation is decreased in 2023-24 and increased in 2024-25 compared to the biennium's base level funding.

Any moneys not needed to pay the actual amount of debt service lapse (revert) to the general fund and are shown as a GPR-Lapse. In 2022-23, it was estimated that \$12,811,800 would lapse to the general fund. The Department of Administration (DOA) anticipates lapses of \$750,000 in 2023-24 and \$10,910,600 in 2024-25. The net effect of these adjustments would be an increase in net expenditures of \$29,235,300, as shown in the table below.

#### **Pension Bonds**

|                  | Base Year<br><u>2022-23</u>  | 2023-24           | <u>2024-25</u>               | Change to Base<br>Year Doubled |
|------------------|------------------------------|-------------------|------------------------------|--------------------------------|
| GPR<br>GPR-Lapse | \$199,760,900<br>-12,811,800 | \$198,059,900<br> | \$216,734,200<br>-10,910,600 | \$15,272,300<br>13,963,000     |
| Net GPR          | \$186,949,100                | \$197,309,900     | \$205,823,600                | \$29,235,300                   |

### 2. APPROPRIATION OBLIGATION BOND DEBT SERVICE REESTIMATE -- TOBACCO BONDS [LFB Paper 106]

| GPR       | \$8,575,800  |
|-----------|--------------|
| GPR-Lapse | 19,082,200   |
| Net GPR   | \$27,658,000 |

Governor/Legislature: Reduce funding by \$212,000 in 2023-24

and increase funding by \$8,787,800 in 2024-25 to reflect the required debt service appropriation level associated with the appropriation obligation bonds issued in 2009 to finance the outstanding bonds of the Badger Tobacco Asset Securitization Corporation, under which the state regained the rights to its tobacco settlement payments. Under the legal agreements governing the appropriation bonds, the annual debt service appropriation for the repayment of the bonds in the second year of each biennium must equal the maximum possible payment that could be made in that year or the following year. Compared to the base level funding of \$111,418,900, a smaller payment is scheduled for 2023-24 and larger payments are scheduled in 2024-25 and 2025-26. Therefore, the GPR appropriation is decreased in 2023-24 and increased in 2024-25 compared to base level funding.

Any moneys not needed to pay the actual amount of debt service lapse (revert) to the general fund and are shown as a GPR-Lapse. In 2022-23, it was estimated that \$9,807,100 would lapse to the general fund. DOA anticipates lapses of \$5,000 in 2023-24 and \$527,000 in 2024-25. The net effect of these adjustments would be an increase in net expenditures of \$27,658,000, as shown in the table below.

### **Tobacco Bonds**

|                  | Base Year<br><u>2022-23</u> | <u>2023-24</u>         | <u>2024-25</u>    | Change to Base<br>Year Doubled |
|------------------|-----------------------------|------------------------|-------------------|--------------------------------|
| GPR<br>GPR-Lapse | \$111,418,900<br>9,807,100  | \$111,206,900<br>5,000 | \$120,206,700<br> | \$8,575,800<br>19,082,200      |
| Net GPR          | \$101,611,800               | \$111,201,900          | \$119,679,700     | \$27,658,000                   |

### 3. PAY OFF TOBACCO SETTLEMENT APPROPRIATION GPR \$400,000,000 OBLIGATION DEBT [LFB Paper 236]

**Joint Finance/Legislature:** Provide \$400,000,000 in 2023-24 in the existing appropriation used to pay debt service on the appropriation obligation bonds issued to repurchase the rights to the state's tobacco settlement revenues for the purpose of defeasing or using a tender offer to pay off outstanding bonds.

# **Budget Change Items**

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Reduce funding by \$55,800 (\$3,100 GPR and -\$58,900 FED) annually to reflect the full funding of the following

standard budget adjustments: (a) continuing position salaries and fringe benefits (-\$50,700 FED annually); and (b) lease and directed moves costs (\$3,100 GPR and -\$8,200 FED annually) in the 2023-25 biennium.

## 2. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$5,400                    | - \$5,400                         | \$0        |

**Governor:** Provide \$2,700 annually to increase agency supplies and services funding. According to the Administration, the amount represents a 5% increase to supplies and services funding. The increase would be provided to BPDD since: (a) in 2021-22, the agency expended

| GPR   | \$6,200<br>- 117,800 |
|-------|----------------------|
| FED   | - 117,800            |
| Total | - \$111,600          |

95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other funding is provided for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **BOARD OF COMMISSIONERS OF PUBLIC LANDS**

### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105] GPR

- \$44,600

**Governor/Legislature:** Delete \$22,300 annually in the 2023-25 biennium, consisting of -\$25,600 for full funding of salaries and fringe benefits of continuing positions and \$3,300 for full funding of leases and directed moves.

## 2. VACANT POSITION ADJUSTMENT [LFB Paper 205]

|     | (Chg.     | vernor<br>to Base)<br>Positions |             | nce/Leg.<br>to Gov)<br>Positions | (Chg. t | eto<br>to Leg.)<br>Positions | <u>Net C</u><br>Funding | <u>hange</u><br>Positions |
|-----|-----------|---------------------------------|-------------|----------------------------------|---------|------------------------------|-------------------------|---------------------------|
| GPR | \$138,800 | 0.00                            | - \$412,200 | - 1.80                           | \$0     | 1.00                         | - \$273,400             | - 0.80                    |

**Governor:** Provide \$69,400 annually in the 2023-25 biennium, including \$51,500 for salaries and \$17,900 for fringe benefits. BCPL had 1.8 vacant positions at the time standard budget

adjustments were calculated, reducing the salary and fringe allotments below levels at which the Board would normally recruit the positions. The Board intends to fill all positions in the 2023-25 biennium.

**Joint Finance/Legislature:** Modify provision by increasing base funding by \$11,700 annually, a difference to the bill of -\$57,700 annually, to fully fund all filled positions. Further, delete 1.8 vacant positions, including 1.0 Deputy Commissioner and 0.8 accountant, and \$148,400 annually. Repeal the statutory provision that the BCPL Executive Secretary appoint a Deputy Commissioner.

**Veto by Governor [E-46]:** Restore statutory references to the appointment and responsibilities of the Deputy Commissioner. The veto message indicates that the Deputy Commissioner position be retained. While the position is retained, funding related to the position is not.

[Act 19 Vetoed Section: 196]

# **3. FORESTER POSITION** [LFB Paper 206]

|       |           | vernor<br>to Base) | <u>(Chg.</u> | nce/Leg.<br>to Gov) | <u>Net Change</u> |           |  |
|-------|-----------|--------------------|--------------|---------------------|-------------------|-----------|--|
|       | Funding   | Positions          | Funding      | Positions           | Funding l         | Positions |  |
| GPR   | \$121,700 | 1.00               | - \$121,700  | - 1.00              | \$0               | 0.00      |  |
| SEG   | 0         | 0.00               | 121,700      | 1.00                | 121,700           | 1.00      |  |
| Total | \$121,700 | 1.00               | \$0          | 0.00                | \$121,700         | 1.00      |  |

**Governor:** Provide \$52,200 in 2023-24, including \$38,700 for salary and \$13,500 for fringe benefits, and \$69,500 in 2024-25, including \$51,600 for salary and \$17,900 for fringe benefits, with 1.0 position to hire a senior forester. BCPL manages approximately 77,000 acres of timberland. These lands are managed as income-producing properties for public school library beneficiaries.

**Joint Finance/Legislature:** Modify the Governor's proposal to create an appropriation from the forestry account of the SEG conservation fund for BCPL forestland and timber management. Provide 1.0 forester position, with \$52,200 SEG in 2023-24 and \$69,500 SEG in 2024-25. Under Act 19, BCPL has two full-time foresters and a forestry supervisor responsible for managing trust lands.

[Act 19 Section: 153]

## 4. INVESTMENT AND LAND MANAGEMENT EXPENSES GPR \$130,000 [LFB Paper 205]

**Governor/Legislature:** Provide \$65,000 annually in the 2023-25 biennium for supplies and services. 2021 Act 58 reallocated \$76,500 within the Board's general operations appropriation

from the supplies and services allotment to allotments for salaries and fringe benefits in each year; the reallocation was intended to accommodate additional funding for BCPL to fill vacant positions. The provision increases the Board's supplies and services allotment to partially restore base funding for such costs as: (a) appraisals for real estate transactions; (b) due diligence on prospective investments of trust fund assets; and (c) accounting and reporting of transactions.

#### 5. AIDS IN LIEU OF TAXES [LFB Paper 207]

\$15,000

GPR

**Joint Finance/Legislature:** Provide \$5,000 in 2023-24 and \$10,000 in 2024-25 to BCPL's aids in lieu of taxes appropriation to fund estimated increases in aids to local governments that hold BCPL lands. Payments are budgeted at \$30,000 in 2023-24 and \$35,000 in 2024-25, reflecting amounts due on current holdings and other acquisitions anticipated to close by 2025.

## **Budget Change Items**

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

| GPR   | \$219,300 |
|-------|-----------|
| PR    | 85,100    |
| Total | \$304,400 |

**Governor/Legislature:** Provide \$147,000 (\$107,800 GPR and \$39,200 PR) in 2023-24 and \$157,400 (\$111,500 GPR and \$45,900 PR) in

2024-25 to fund the following standard budget adjustments: (a) full funding of continuing position salaries and fringe benefits (\$108,700 GPR and \$52,900 PR annually); (b) reclassifications and semi-automatic pay progression (\$8,800 GPR and \$5,800 PR in 2023-24 and \$12,500 GPR and \$12,500 PR in 2024-25); and (c) full funding of leases and directed moves costs (-\$9,700 GPR and -\$19,500 PR annually).

#### 2. ADMINISTRATIVE STAFF [LFB Paper 210]

|                    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |                     | <u>(Chg.</u>                                  | nce/Leg.<br>to Gov)<br>Positions  | <u>Net Change</u><br>Funding Positions  |   |  |
|--------------------|--|---------------------|---|-----------------------------------|---|---|--|
| GPR<br>PR<br>Total | \$202,600<br><u>196,000</u><br>\$398,600               | 1.50<br><u>1.50</u> | - \$85,300<br>- <u>132,800</u><br>- \$218,100 | - 0.85<br><u>- 1.15</u><br>- 2.00 | \$117,300<br><u>63,200</u><br>\$180,500 | $ \begin{array}{c} 0.65 \\ \underline{0.35} \\ 1.00 \end{array} $ |  |

**Governor:** Provide \$175,200 (\$89,000 GPR and \$86,200 PR) in 2023-24 and \$223,400 (\$113,600 GPR and \$109,800 PR) in 2024-25 and 3.0 positions (1.5 GPR and 1.5 PR positions) beginning in 2023-24, to create 1.0 state long-term care ombudsman, 1.0 communications specialist-senior, and 1.0 executive assistant position.

Specify that the Board on Aging and Long-Term Care executive director employs, rather than serves as, the state long-term care ombudsman. Under current law, the executive director is also the long-term care ombudsman.

The Administration notes that Wisconsin is the only state in which the executive director, or equivalent, is also the state long-term care ombudsman and that in order to ensure adequate service and compliance with federal requirements, these two positions must be separated, requiring the creation of 1.0 state long-term care ombudsman position.

Further, the bill would provide 1.0 communications specialist position to enable BOALTC to reach a wider audience through updated websites, listservs, and social media, as well as 1.0 executive assistant. These positions would be an addition to the 3.0 administrative support positions that the Board currently has.

**Joint Finance/Legislature:** Reduce funding by \$96,500 (-\$37,800 GPR and -\$58,700 PR) in 2023-24 and \$121,600 (-\$47,500 GPR and -\$74,100 PR) in 2024-25, and delete 2.0 (-0.85 GPR and -1.15 PR) positions (-1.0 communications specialist and -1.0 executive assistant), beginning in 2023-24.

These changes would provide \$78,700 (\$51,200 GPR and \$27,500 PR) in 2023-24 and \$101,800 (\$66,100 GPR and \$35,700 PR) in 2024-25 and 1.0 position (0.65 GPR and 0.35 PR) beginning in 2023-24, to create 1.0 state long-term care ombudsman position. Further, specify that the BOALTC executive director employs, rather than serves as, the state long-term care ombudsman.

[Act 19 Sections: 21 and 22]

# **BONDING AUTHORIZATION**

### 1. GENERAL OBLIGATION BONDING AUTHORITY SUMMARY SCHEDULE

**Governor:** Include a summary schedule showing general obligation bonding authority of \$865,383,900, including the Governor's recommendations for the state building program.

**Joint Finance:** Include a summary schedule showing general obligation bonding authority of \$635,099,900. In addition, include a summary schedule showing GPR debt service of \$458,545,000 in 2023-24 and \$527,931,000 in 2024-25, and all funds debt service of \$860,420,100 in 2023-24 and \$934,623,300 in 2024-25.

**Senate/Legislature:** Modify summary schedule to reflect reallocation of PR-supported bonding from Building Commission -- Other public purposes.

| Agency and Purpose<br>Administration         | Governor      | Joint Finance | Legislature   |

[Act 19 Section: 50]

# **BUDGET MANAGEMENT AND COMPENSATION RESERVES**

#### **Budget Change Items**

#### 1. COMPENSATION RESERVES [LFB Papers 215, 216, 217, 218, 219, and 220]

**Governor:** Provide, in the 2023-25 general fund condition statement, total compensation reserves of \$667,480,900 in 2023-24 and \$1,001,825,800 in 2024-25 for cost increases related to state and UW System employee salaries and fringe benefits. Total compensation reserve amounts by fund source and fiscal year are shown in the following table.

| Fund Source             | <u>2023-24</u> | 2024-25            |
|-------------------------|----------------|--------------------|
| General Purpose Revenue | \$365,260,700  | \$581,614,700      |
| Federal Revenue         | 80,773,600     | 112,308,700        |
| Program Revenue         | 141,762,100    | 197,108,000        |
| Segregated Revenue      | 79,684,500     | <u>110,794,400</u> |
| Total                   | \$667,480,900  | \$1,001,825,800    |

The schedule of compensation reserves above indicates GPR funding that would be reserved for anticipated cost increases to state agencies and the UW System under the Administration's plans for compensation, including prior period and inflationary increases for fringe benefits. The GPR funding reserve is a component of the general fund condition statement. Amounts for FED, PR, and SEG reflect the estimated all-funds impact to state agencies (excluding UW System) of such cost increases for compensation, which would be paid from FED, PR, and SEG revenue balances in agency appropriations.

The GPR compensation reserve amounts under the bill related to state and UW System employee fringe benefits include the following: (a) \$45,809,700 in 2023-24 and \$85,931,300 in 2024-25 to support prior period and inflationary increases for fringe benefits; (b) \$5,216,900 in 2023-24 and \$5,351,400 in 2024-25 to reduce the health insurance waiting period for new permanent and project employees by one month; and (c) \$2,182,500 annually to provide sick leave for limited-term employees of non-UW executive branch agencies and temporary employees of the UW System. [For additional information regarding the proposed reduction to the health insurance waiting period, see "Employee Trust Funds." For additional information regarding the proposal to provide sick leave for limited-term employees and temporary UW System employees, see "Administration -- Personnel Management."]

The GPR compensation reserve amounts under the bill related to salaries for employees include the following: (a) \$114,434,800 in 2023-24 and \$301,269,900 in 2024-25 intended to support a 5% general wage adjustment for state and UW System employees on July 1, 2023, as well as another 3% general wage adjustment (GWA) for state and UW System employees on July

1, 2024; (b) \$63,258,300 in 2023-24 and \$60,915,100 in 2024-25 to continue paying the \$5 per hour high vacancy correctional security add-on and incorporate a \$4 per hour pilot add-on (currently supported by American Rescue Plan Act funds) into base pay of correctional security employees; (c) \$85,119,800 in 2023-24 and \$82,408,200 in 2024-25 to enhance the existing correctional security pay progression, increase minimum pay for correctional officers, correctional sergeants, youth counselors/advanced, and psychiatric care technicians/advanced, and provide parity pay for security supervisors; (d) \$20,240,000 in 2023-24 and \$19,490,400 in 2024-25 to support market wage and parity adjustments for specific, targeted classifications; (e) \$18,301,000 in 2023-24 and \$17,630,200 in 2024-25 to support a \$1 per hour add-on for correctional security positions at medium-security institutions and to increase the maximum-security add-on from \$2 to \$4 per hour; (f) \$16,705,600 in 2023-24 and \$17,373,900 in 2024-25 for a paid family and medical leave program for state and UW System executive branch employees that would provide 12 weeks of leave annually; (g) \$9,244,800 in 2023-24 and \$9,636,400 in 2024-25 for a probation and parole agent pay progression; (h) \$1,121,300 in 2023-24 and \$3,218,200 in 2024-25 for a pay progression that would provide seniority-based pay increases to employees in various position classifications; (i) \$1,491,900 in 2023-24 and \$3,103,200 in 2024-25 to establish June 19 and November 11 as paid holidays for state and UW System executive branch employees; (j) \$2,129,700 in 2024-25 for information technology position market adjustments; (k) \$916,200 in 2023-24 and \$1,131,000 in 2024-25 to fund market adjustments for classified attorneys not eligible for pay progression; (1) \$307,700 in 2023-24 and \$320,100 in 2024-25 to modify the vacation allowance structure for non-UW executive branch employees with between two and five years of service to improve employee retention; and (m) \$134,500 annually to fund a pay progression for Natural Resources wardens and Wisconsin State Capitol Police. [For additional information regarding the proposals to establish June 19 and November 11 as paid holidays, create a paid family and medical leave program, and modify the vacation allowance structure, see "Administration -- Personnel Management."]

The amounts budgeted in compensation reserves also include an assumed lapse of 5% in each year, reducing total funding by \$19,224,300 in 2023-24 and \$30,611,300 in 2024-25.

With regard to the 5% general wage adjustment on July 1, 2023, and 3% general wage adjustment on July 1, 2024, for state and UW System employees, amounts in compensation reserves: (a) are adjusted to account for groups of employees who would be ineligible to receive the pay increases (assistant and deputy district attorneys, assistant state public defenders, and assistant and deputy attorneys general), or who would receive pay increases as elected officials on a later date (state legislators, constitutional officers, and elected district attorneys); and (b) due to an inadvertent calculation error, funding in 2024-25 is \$114.4 million higher than would be necessary to support the intended pay increases.

Under the Wisconsin State Constitution, the compensation of a public officer may not be increased or decreased during the term of office, except that: (a) any increase in the compensation of members of the Legislature takes effect, for all Senators and Representatives, after the next general election beginning with the new Assembly term; and (b) any increase or decrease in the compensation of Justices of the Supreme Court or judges of any other court becomes effective for all Justices or judges, upon the election or appointment of any Justice or judge. Further, under state statute, the salary of each elected district attorney is established at the rate that is in effect for their

office in the state employee compensation plan on the second Tuesday of July preceding the commencement of their term of office. Therefore, state legislators would next be eligible for a pay increase in January, 2025; the State Superintendent would next be eligible for a pay increase when assuming office in July, 2025; other constitutional officers would be eligible for a pay increase in January, 2027; and elected district attorneys would be eligible for a pay increase when assuming office in January, 2025.

In addition, the Department of Justice is authorized under current law to utilize existing resources to support annual salary increases for assistant attorneys general under a pay progression plan. Further, additional funding for salary increases is provided separately elsewhere in the budget for assistant and deputy district attorneys, assistant attorneys general, and assistant state public defenders. Information relating to these increases may be found under sections of this document for "District Attorneys," "Justice," and "Public Defender."

Generally, compensation reserves represent funding set aside in the budget to provide for any increases in state employee salary and fringe benefit costs that may be required in the biennium, but for which funding is not included in individual agency budgets as a part of the biennial budget. The reserve funds are not allocated at the time of budget development to individual agencies because neither the amount of any salary or fringe benefit cost increases, nor the specific amount of funding needed by each individual agency, is known at the time of budget development. Typically, amounts within compensation reserves are funds to pay for: (a) the employer share of increased premium costs in the forthcoming fiscal biennium for state employee health insurance; (b) the costs of any general wage adjustments or other proposed pay increases; (c) increases in the employer share of contributions to the state retirement fund for employees' future state retirement benefits; and (d) the accumulated sick leave conversion credit program, income continuation benefits, and payments for pension obligation bonds issued to cover the state's unfunded prior service liability for retirement benefits and unfunded liability for sick leave conversion credits.

**Joint Finance/Legislature:** Provide total funding to compensation reserves of \$311,180,900 GPR in 2023-24 (\$559,532,000 all funds) and \$397,930,000 GPR in 2024-25 (\$693,952,500 all funds). Amounts provided to compensation reserves by fund source are shown in the table below.

| Fund Source   | <u>2023-24</u>  | <u>2024-25</u>  |
|---|---|---|
| General Purpose Revenue<br>Federal Revenue<br>Program Revenue<br>Segregated Revenue | \$311,180,900<br>66,376,100<br>116,493,800<br><u>65,481,200</u> | \$397,930,000<br>79,117,100<br>138,855,000<br><u>78,050,400</u> |
| Total   | \$559,532,000   | \$693,952,500   |

## Compensation Reserves by Fund Source, As Modified by the Legislature

Funding would be provided for the following items, net of a 5% reduction in each year associated with a higher than usual level of position vacancies: (a) prior period and inflationary

increases for fringe benefits, \$43,519,200 GPR in 2023-24 and \$81,634,700 GPR in 2024-25; (b) general wage adjustments of 4% on July 1, 2023, and 2% on July 1, 2024, \$88,718,100 GPR in 2023-24 and \$132,414,000 GPR in 2024-25; (c) market wage and parity adjustments, \$2,000,000 GPR annually; (d) probation and parole agent pay progression, \$2,850,000 GPR in 2023-24 and \$2,964,000 GPR in 2024-25; (e) funding to continue non-security pilot add-ons applicable to the Departments of Administration, Corrections, Health Services, Military Affairs, Safety and Professional Services, and Veterans Affairs, \$3,573,800 GPR in 2023-24 and \$3,445,500 GPR in 2024-25; (f) information technology position generated market adjustments, \$1,187,500 GPR in 2024-25; (g) one-year extension of the retention incentive award program for protective status employees of Corrections and Health Services, \$545,200 GPR in 2023-24; and (h) modifications to the Natural Resources warden and Capitol Police pay progression, \$127,800 GPR annually.

Funding would be provided for the following items, net of a 20% reduction in 2023-24 and 15% reduction in 2024-25 associated with a higher than usual level of correctional security position vacancies: (a) correctional security position and supervisor base pay increases, including minimum pay of \$33 per hour for correctional officers, youth counselors, and psychiatric care technicians, \$143,948,600 GPR in 2023-24 and \$147,655,400 GPR in 2024-25; and (b) continuing the \$5 per hour high-vacancy add-on and agents as officers add-on, increasing the maximum-security add-on applicable to Corrections from \$2 per hour to \$3 per hour, and creating a \$1 per hour medium-security add-on applicable to Corrections, \$25,898,200 GPR in 2023-24 and \$26,501,100 GPR in 2024-25.

In addition, SEG funding would be reserved for Department of Transportation-related compensation provisions as follows: (a) for potential pay increases of up to \$5 per hour for state patrol troopers and inspectors, subject to the current law collective bargaining process, which includes approval of a negotiated agreement by the Joint Committee on Employment Relations (JCOER) and the Legislature, \$5,399,300 SEG annually; and (b) for a 10% increase in base pay for positions in the civil engineer-transportation classification series, structural engineer-transportation classification series, or who are classified as civil engineer-transportation supervisor, DOT engineering chief, DOT technical services chief, structural engineer-transportation-supervisor, or transportation specialist supervisor, \$2,535,500 SEG annually.

Specify that the administrator of the Division of Personnel Management in the Department of Administration must include an extension of the retention incentive award program for protective status employees of Corrections and Health Services through 2023-24 in the proposed 2023-25 compensation plan submitted to JCOER. One-time lump sum awards (bonuses) under the program would continue to be provided in 2023-24 as follows: (a) after completion of 10 years of service, \$250; (b) after completion of 15 years of service, \$500; (c) after completion of 20 years of service, \$750; and (d) after completion of 25 years of service and every five years thereafter, \$1,000.

With regard to the timing of base pay increases such as general wage adjustments, correctional security pay increases, market adjustments, DOT engineering pay increases, and pay progression modifications, to the extent that the implementation of the 2023-25 compensation plan would follow the planned implementation date for a provision, the intent would be for lump-sum

payments to be provided to eligible employees for hours in pay status dating back to the pay period of the proposed implementation date.

The following table identifies the components of the compensation reserves calculation, as recommended by the Governor, as well as the modifications made by the Legislature.

[Act 19 Sections: 49 and 9101(3)]

# 2. **REQUIRED GENERAL FUND STATUTORY BALANCE** [LFB Paper 225]

**Governor:** Provide that the required general fund statutory balance would be \$600 million beginning in fiscal year 2023-24 and in each fiscal year thereafter.

Under current law, the required balance is \$100 million in 2023-24 and \$105 million in 2024-25, and in future fiscal years the prior year amount plus \$5 million, but not to exceed 2% of total GPR appropriations plus GPR compensation reserves for each fiscal year.

Joint Finance/Legislature: Provision not included.

# 3. **REQUIRED GENERAL FUND STRUCTURAL BALANCE** [LFB Paper 221]

**Joint Finance/Legislature:** Suspend the statutory provision requiring a structural balance in 2024-25 so that it would not apply to any legislation enacted in the 2023-24 legislative session.

[Act 19 Section: 9128(1)]

## 4. NON-SUBSTANTIVE WORDING CHANGES

**Senate/Legislature:** In a number of places in the bill, make non-substantive changes to the wording as follows: (a) use the word "cannot" rather than "shall not" or "may not"; (b) use words to spell out a number rather than digits; (c) split a longer sentence into two shorter sentences; (d) replace the words "not less than" with "at least"; (e) replace the phrase "in the following year" with the appropriate fiscal year and replace a date with the phrase "the last day of the fiscal biennium"; (f) change the order of phrases in a sentence; (g) delete references to the last day in a month and, instead, refer only to the month; (h) when increasing a dollar amount referenced in the statute, specify the increase in a separate sentence rather than replacing the old dollar amount; (i) when reducing the tax rates in the statutory rate and bracket structure, make the change in a separate sentence.

Veto by Governor: When the Governor used his partial veto authority to delete substantive provisions that included these non-substantive wording changes, several of these sections were eliminated.

[Act 19 Sections: 2, 8, 23, 25, 48, 173, 194, 195, 245, 247, 255 thru 258, 283, 284, 286 thru 290, 293 thru 297, 301 thru 303, 312, 323, 325 thru 327, 330, 331, 334, 335, 341, 350, 357, 358,

#### **FTE Position Summary**

There are no full time positions authorized for the Building Commission.

#### **Budget Change Items**

#### 1. **DEBT SERVICE REESTIMATE** [LFB Papers 106 and 230]

|           | Governor<br>(Chg. to Base)       | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change                |
|-----------|----------------------------------|-----------------------------------|---------------------------|
| GPR<br>PR | \$60,864,800<br><u>1,871,500</u> | - \$70,725,300<br>- 1,903,200     | - \$9,860,500<br>- 31,700 |
| Total     | \$62,736,300                     | - \$72,628,500                    | - \$9,892,200             |
| GPR-La    | upse \$0                         | - \$3,410,000                     | - \$3,410,000             |

**Governor:** Increase funding by \$4,294,900 GPR in 2023-24 and \$56,569,900 GPR in 2024-25 to reflect the reestimate of GPR debt service costs on state general obligation bonds and short-term debt. Increase funding by \$349,800 PR in 2023-24 and \$1,521,700 PR in 2024-25 for debt service on PR-supported bonds.

Joint Finance/Legislature: Reestimate debt service by -\$17,853,900 GPR and -\$480,300

PR in 2023-24 and by -\$52,871,400 GPR and -\$1,422,900 PR in 2024-25.

In addition, estimate a general fund lapse of -\$860,000 in 2023-24 and -\$550,000 in 2024-25 to reflect GPR savings from the recent issuance of refunding bonds. Estimate a general fund lapse of -\$1,000,000 in each year of the 2023-25 biennium to reflect GPR savings from the use of interest earnings of funds deposited to the bond security and redemption fund.

# 2. GPR TRANSFER TO THE CAPITAL IMPROVEMENT FUND [LFB Paper 236]

 
 Governor (Chg. to Base)
 Jt. Finance/Leg. (Chg. to Gov)
 Net Change

 GPR-Transfer
 \$1,955,000,000
 - \$720,918,100
 \$1,234,081,900

**Governor:** Transfer \$1,955,000,000 in the 2023-25 biennium from the general fund to the state capital improvement fund. Specify that the moneys transferred under this provision would be kept separate from other moneys in the capital improvement fund and would have to be used, in lieu of bonding, to fund building projects authorized in the 2023-25 State Building Program. All earnings on or income from the investment of the transferred moneys would be deposited in the general fund. Additionally, any excess moneys that are not used to fund building projects would be transferred to the general fund.

**Joint Finance/Legislature:** Include provision except transfer \$1,234,081,900, rather than \$1,955,000,000, from the general fund to the capital improvement fund. Specify that these moneys could also be used to fund modifications to prior building program projects, and that \$20,000,000 of this amount could be used by the Building Commission for inflationary increases, subject to approval by the Joint Committee on Finance. Create a continuing appropriation authorizing the expenditure of these moneys.

[Act 19 Sections: 2, 48, 189, and 9251(1)]

# 3. PR TRANSFER TO THE CAPITAL IMPROVEMENT FUND [LFB Paper 150]

**Governor:** Increase the existing PR appropriation under DOA for facility operations and maintenance and police and protection functions by \$40 million in 2023-24. The Executive Budget Book indicates that this funding is intended to be transferred to the capital improvement fund for state building projects enumerated in the capital budget. The fiscal effect of this item is shown under the Department of Administration (DOA).

Joint Finance/Legislature: Provision not included.

# 4. TRANSFER TO THE BUILDING TRUST FUND [LFB Paper 151]

**Governor/Legislature:** Transfer \$18,000,000 from DOA's capital planning and building construction services program revenue appropriation to the building trust fund in 2023-24. The

DOA program revenue appropriation receives moneys for the provision of building construction and capital planning services provided on behalf of state agencies. These amounts include amounts assessed to building program projects by the DOA Division of Facilities Development for their management of those projects and for assistance to the Building Commission in the performance of their duties. The fiscal effect of this item is shown under "Department of Administration --Facilities."

[Act 19 Section: 9201(1)]

# 5. GENERAL OBLIGATION REFUNDING AUTHORITY

**Governor/Legislature:** Increase the amount of state public debt that may be contracted to refund unpaid indebtedness for tax-supported or self-amortizing facilities by \$1.725 billion, from \$9.51 billion to \$11.235 billion. Under current law, the Building Commission is authorized to contract public debt of up to \$9.51 billion to refund unpaid premium and interest amounts for tax-supported or self-amortizing facilities. Debt incurred under this appropriation is repaid from the appropriations that provide for the retirement of public debt incurred for facilities in proportional amounts to the purposes for which the debt was refinanced. No bonds may be issued unless the true interest costs to the state can be reduced.

[Act 19 Section: 183]

# 6. ADDITIONAL BUILDING TRUST FUND MONEYS

**Joint Finance/Legislature:** Provide \$32,000,000 GPR to the Joint Committee on Finance's supplemental appropriation to be released to the building trust fund, subject to approval by the Joint Committee on Finance. Create a GPR appropriation under the Building Commission to accomplish this purpose. The fiscal effect of this item is shown under "Program Supplements."

[Act 19 Section: 188]

# **BUILDING PROGRAM**

#### 1. 2023-25 ENUMERATED PROJECTS [LFB Paper 235]

| Governor<br>(Chg. to Base) |                 | Jt. Finance/Leg.<br>(Chg. to Gov) |                 |
|----------------------------|-----------------|-----------------------------------|-----------------|
| All Funds                  | \$3,320,700,900 | - \$1,322,834,700                 | \$1,997,866,200 |

**Governor:** Provide \$3,320,700,900 from all funding sources of 2023-25 building program financing authority for: (a) specific enumerated projects (\$2,704,417,000); and (b) all agency projects (\$616,283,900).

Specify that funding for enumerated and all agency projects be drawn from the following sources: (a) \$512,425,900 from new general obligation bonding authority; (b) \$154,435,000 from general obligation bonding authority that is currently authorized; (c) \$18,500,200 from new revenue bonding authority; (d) \$334,830,800 from agency operating funds; (e) \$1,782,866,000 from segregated revenue; (f) \$98,137,200 from federal funds; and (g) \$419,505,800 from gifts, grants, and other receipts. Define "segregated revenue" as the moneys transferred from the general fund to the capital improvement fund to be used to fund building projects authorized in the 2023-25 state building program. The Governor's recommended funding sources for the 2023-25 building program by agency are shown in Table 1.

**Joint Finance/Legislature:** Provide \$1,997,866,200 from all funding sources of 2023-25 building program financing authority for: (a) specific enumerated projects (\$1,401,582,300); and (b) all agency projects (\$596,283,900).

Specify that funding for enumerated and all agency projects be drawn from the following sources: (a) \$275,799,900 from new general obligation bonding authority; (b) \$154,435,000 from general obligation bonding authority that is currently authorized; (c) \$18,500,200 from existing revenue bonding authority; (d) \$241,617,800 from agency operating funds; (e) \$1,074,648,300 from segregated revenue; (f) \$98,622,200 from federal funds; and (g) \$134,242,800 from gifts, grants, and other receipts. Define "segregated revenue" as the moneys transferred from the general fund (\$1,234,081,900) to the capital improvement fund to be used to fund building projects authorized in the 2023-25 state building program. Specify that "segregated revenue" could also be used to fund modifications to prior building program projects included in this bill.

The enacted funding sources for the 2023-25 building program by agency are shown in Table 2. The major agency projects enumerated as part of the 2023-25 state building program are listed in Table 3. Tables 4 and 5 list the projects included by the Governor and Legislature in the UW System's minor facilities renewal projects program and the instructional space projects program. Table 6 shows total funding from all funding sources for the 2023-25 building program, funds allocated for project planning, and modifications to prior building programs. Descriptions of projects allocated planning funds and modifications to prior building program projects are included in separate items of this summary.

[Act 19 Sections: 9104(1), 9104(14), and 9104(15)]

[Act 19 Sections: 179, 180, 182, and 184 thru 187]

## 3. MODIFICATIONS TO PRIOR BUILDING PROGRAMS [LFB Paper 235]

Governor: Modify prior building programs as follows:

### a. 2015-17 Building Program

(1) Under Department of Military Affairs, create a new subdivision for projects financed by segregated revenue and provide \$2,726,000 for the "Aircraft hangar addition and renovation - West Bend" project. Under projects financed by federal funds, increase the amount for "Hangar addition -- West Bend" from \$8,350,000 to \$9,503,000. Increase the total enumeration from all fund sources from \$8,792,000 to \$12,671,000. Further, reclassify the funding added by 2019 Act 9 (\$52,000) from GPR-supported borrowing to existing GPR-supported borrowing, thereby increasing existing GPR-supported borrowing for "Hangar addition -- West Bend" from \$390,000 to \$442,000 and decreasing funding from GPR- supported borrowing to \$0.

## b. 2017-19 Building Program

(1) Under the Department of Corrections, create a new subdivision for projects financed by segregated revenue and provide \$32,609,000 for "Type 1 juvenile correctional facilities -- statewide." Further, create a new subdivision for projects financed by existing GPR-supported borrowing and reclassify a portion of the GPR-supported borrowing for "Type 1 juvenile correctional facilities -- statewide" (\$45,791,000) as existing GPR-supported borrowing. Eliminate the remaining funding for GPR-supported borrowing (\$25,000,000). Increase the total enumeration from all fund sources from \$45,791,000 to \$78,400,000.

(2) Under State Fair Park, create a new subdivision for projects financed by PR- supported borrowing, and provide \$6,500,000 of that borrowing for "Cream Puff Pavilion -- West Allis." Increase the total enumeration from all fund sources from \$6,000,000 to \$12,500,000.

(3) Under projects financed by PR-supported borrowing, increase the amount for the "Wisconsin Veterans Home at King -- central services kitchen upgrade" project under the Department of Veterans Affairs from \$7,588,800 to \$19,385,000, to reflect an increase in PR-supported borrowing of \$19,385,000. Create a new subdivision for projects financed by segregated revenue and provide \$13,537,700 for "Wisconsin Veterans Home at King -- central services kitchen upgrade." Create a new subdivision for projects financed by existing PR-supported borrowing and reclassify the funding added by 2017 Act 59, and amended by 2021 Act 58, (\$7,588,800) from PR-supported borrowing to existing PR-supported borrowing. Create a new subdivision for projects financed by GPR-supported borrowing from \$4,086,200 to \$0 to reflect a transfer by the State Building Commission, in May 2022, of \$3,098,900 to the food service project at Union Grove, and the reclassification of the remaining GPR-supported borrowing (\$987,300) as existing GPR-supported borrowing. Increase the total enumeration from all fund sources from \$8,576,100 to \$41,498,800.

## c. 2019-21 Building Program

(1) Under the Department of Natural Resources, create a new subdivision for projects financed by segregated revenue and provide \$3,432,500 for the "Wausau Service Center -- service center additions -- Wausau" project. Continue \$892,100 of SEG-supporting borrowing for this project. Reduce the funding for the Wausau Service Center project financed by GPR-supported borrowing from \$382,400 to \$0 to reflect the reclassification of the funding under the newly-created subdivision for projects financed by existing GPR-supported borrowing. Increase the total

enumeration from all fund sources from \$1,274,500 to \$4,707,000.

(2) Under the Wisconsin Historical Society, create a new subdivision for projects financed by segregated revenue and provide \$42,341,000 for the "Wisconsin History Museum -- Madison" project. Under projects financed by gifts, grants, and other receipts, increase the amount of funding for the Wisconsin History Museum from \$30,000,000 to \$48,146,000. Reduce the funding for the Wisconsin History Museum project financed by GPR-supported borrowing from \$70,000,000 to \$0 to reflect the reclassification of the funding as existing GPR-supported borrowing. Increase the total enumeration from all fund sources from \$100,000,000 to \$160,487,000.

(3) Under the Department of Veterans Affairs, create a new subdivision for projects financed by segregated revenue and provide \$1,083,000 for the "Wisconsin Veterans Home at Union Grove -- Southern Wisconsin Veterans Memorial Cemetery Administration Building expansion and fire protection" project. Create a new subdivision for projects financed by program revenue and provide \$123,000 for the project. Reduce the funding for the project financed by GPR-supported borrowing from \$2,176,000 to \$0 to reflect the reclassification of the funding under the newly-created subdivision for projects financed by existing GPR-supported borrowing. Increase the existing GPR-supported borrowing amount to \$2,502,000 to reflect the Building Commission's August 2022, authorization to increase the project budget by \$326,000. Increase the total enumeration from all fund sources from \$2,502,000 to \$3,708,000.

## d. 2021-23 Building Program

(1) Under the Department of Health Services, create a new subdivision for projects financed by segregated revenue and provide \$17,716,000 for the "Winnebago Mental Health Institute -- patient admission area -- Oshkosh" project. Reduce the funding for the Winnebago Mental Health Institute project financed by GPR-supported borrowing from \$16,795,000 to \$0 to reflect the reclassification of the funding under the newly-created subdivision for projects financed by existing GPR-supported borrowing. Increase the total enumeration from all fund sources from \$16,795,000 to \$34,511,000.

(2) Under the Department of Health Services, create a new subdivision for projects financed by segregated revenue and provide \$5,563,000 for the "Sand Ridge Secure Treatment Center -- skilled care unit remodel -- Mauston" project. Reduce the funding for the Sand Ridge Secure Treatment Center project financed by GPR-supported borrowing from \$12,612,000 to \$0 to reflect the reclassification of the funding under the newly created subdivision for projects financed by existing GPR-supported borrowing. Increase the total enumeration from all fund sources from \$12,612,000 to \$18,175,000.

(3) Under the Department of Health Services, create a new subdivision for projects financed by segregated revenue and provide \$41,080,000 for the "Mendota Mental Health Institute -- utility improvements -- Madison" project. Reduce the funding for the Mendota Mental Health Institute project financed by GPR-supported borrowing from \$14,920,000 to \$0 to reflect the reclassification of the funding under the newly-created subdivision for projects financed by existing GPR-supported borrowing. Increase the total enumeration from all fund sources from \$14,920,000 to \$56,000,000.

(4) Under the Department of Military Affairs, create a new subdivision for projects financed by segregated revenue and provide \$63,100 for the "New motor vehicle storage buildings -- Clintonville and Waupaca" project. Under projects financed by federal funds, change the name of the project identified as "New motor vehicle storage buildings -- Marinette and Waupaca" to "New motor vehicle storage buildings -- Clintonville and Waupaca" and increase the amount from \$1,840,100 to \$2,002,000. Reduce the funding for the project financed by GPR-supported borrowing from \$720,900 to \$0 to reflect the reclassification of the funding under the newly created subdivision for projects financed by existing GPR-supported borrowing. Increase the total enumeration from all fund sources from \$2,561,000 to \$2,786,000.

**Joint Finance:** Include provision with the following modifications. Under the 2017-19 Building Program, do not modify the enumeration for the Wisconsin Veterans Home at King -- central services kitchen upgrade.

In addition, further modify the 2021-23 Building Program as follows: Under the Department of Health Services, provide \$5,000,000 rather than \$41,080,000 of segregated revenue for the "Mendota Mental Health Institute -- utility improvements -- Madison" project and specify that the total enumeration is \$19,920,000. Under the University of Wisconsin System, create a new subdivision for projects financed by segregated revenue and provide \$5,000,000 for the "Wisconsin Veterinary Diagnostic Laboratory -- Barron" project. Reduce the funding for the Wisconsin Veterinary Diagnostic Laboratory project financed by GPR-supported borrowing from \$9,555,000 to \$0 to reflect the reclassification of the funding under the newly created subdivision for projects financed by existing GPR-supported borrowing. Increase the total enumeration from all fund sources from \$9,555,000 to \$14,555,000.

**Senate/Legislature:** Modify references to prior building program projects in the bill to ensure existing general fund supported borrowing amounts are accounted for.

[Act 19 Sections: 9104(4) thru 9104(7)]

# 4. **BONDING AUTHORIZATIONS FOR PREVIOUS BUILDING PROGRAMS** [LFB Paper 235]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|----|----------------------------|-----------------------------------|-------------|
| BR | \$25,885,000               | - \$19,385,000                    | \$6,500,000 |

**Governor:** Provide \$25,885,000 of new general obligation bonding authority for projects authorized in previous building programs.

**Joint Finance/Legislature:** Provide \$6,500,000 of new general obligation bonding authority for projects authorized in previous building programs, as shown in the following table.

|                            | Governor     | Jt. Finance/Legislature |
|----------------------------|--------------|-------------------------|
| 2017-19                    |              | -                       |
| State Fair Park Board      |              |                         |
| Self-amortizing Facilities | \$6,500,000  | \$6,500,000             |
| Veterans Affairs           |              |                         |
| Self-amortizing Facilities | 19,385,000   | 0                       |
| Total                      | \$25,885,000 | \$6,500,000             |
|                            |              |                         |

[Act 19 Section: 187]

## 5. 2023-25 AUTHORIZED STATE BUILDING PROGRAM APPROPRIATION [LFB Paper 236]

**Governor/Legislature:** Create a segregated revenue continuing appropriation under the Building Commission to expend all moneys transferred from the general fund to the capital improvement fund for projects enumerated under the 2023-25 building program and modifications to prior building program projects. Specify that these moneys would fund project amounts designated as "segregated revenue".

[Act 19 Section: 189]

# 6. TYPE 1 JUVENILE CORRECTIONAL FACILITY -- STATEWIDE (DANE COUNTY)

**Joint Finance/Legislature:** Provide \$6,000,000 in segregated revenue to develop preliminary plans for the construction of a new 72,000 gross square foot Type 1 juvenile correctional facility. The fiscal effect is included in Item #1.

**Veto by Governor [D-22]:** Delete the specification that the Type 1 juvenile correctional facility be 72,000 gross square feet.

[Act 19 Section: 9104(8)]

[Act 19 Vetoed Section: 9104(8)]

# 7. TYPE 1 JUVENILE CORRECTIONAL FACILITY -- STATEWIDE (SITE UNDETERMINED)

**Governor:** Provide \$4,000,000 in segregated revenue for project planning, development, design, site selection, and land and property acquisition for a new 72,000 gross square foot Type 1 juvenile correctional facility.

Joint Finance/Legislature: Provision not included.

#### 8. WISCONSIN NATIONAL GUARD CHALLENGE ACADEMY AT FORT MCCOY

**Governor/Legislature:** Provide \$700,000 in segregated revenue to develop preliminary plans and specifications for the construction of a 71,000 gross square foot Wisconsin National Guard Challenge Academy located at Fort McCoy.

**Veto by Governor [D-22]:** Delete the specification that the Wisconsin National Guard Challenge Academy be 71,000 gross square feet.

[Act 19 Section: 9104(9)]

[Act 19 Vetoed Section: 9104(9)]

#### 9. UNIVERSITY OF WISCONSIN SYSTEM FACILITIES

**Governor:** Provide segregated revenue as follows to develop preliminary plans and specifications for the construction of University of Wisconsin System facilities: (a) \$1,000,000 for renovations related to health sciences programs and to complete renovations in the Northwest Quadrant at UW-Milwaukee; (b) \$500,000 for renovations at Winther Hall, replacement of the Heide hall roofing and exterior windows, and construction of new entrances/vertical circulation towers for both of those facilities at UW-Whitewater; and (c) \$500,000 for demolition of a portion of the Vocational Rehabilitation building and for the construction of an addition and comprehensive renovation of the academic facility at UW-Stout.

**Joint Finance/Legislature:** Increase the amount of segregated revenue provided for the Northwest Quadrant of UW-Milwaukee from \$1,000,000 to \$5,000,000 and for UW-Whitewater's Winther and Heide Hall renovations from \$500,000 to \$3,000,000. Provide \$138,887,000 of segregated revenue to enumerate the UW-Stout Heritage Hall project, rather than providing \$500,000 of planning funds, as under the Governor's recommendations.

[Act 19 Section: 9104(10)]

#### **10. PROJECT THRESHOLD ADJUSTMENTS** [LFB Paper 237]

Governor: Adjust the building project thresholds as follows:

a. increase the threshold at which a project would be required to be enumerated in the state building program from \$1,000,000 to \$2,000,000;

b. increase the threshold at which the Building Commission may authorize a project for any state agency in accordance with priorities established by the Commission and may adjust the priorities by deleting, substituting, or adding new projects as needed to reflect changing program needs and unforeseen circumstances from \$1,000,000 to \$2,000,000;

c. increase the threshold at which small projects do not require Building Commission approval and can follow simplified bidding procedures from not more than \$300,000 to not more

than \$600,000;

d. increase the threshold at which DOA is allowed to let construction projects to a single trade contractor for all work on the project if at least 85% of the estimated construction cost of the project is for work that involves the trade that is the primary business of the single trade contractor from \$300,000 to \$600,000;

e. increase the threshold on the size of contract for construction, reconstruction, remodeling of, or addition to state facilities that would require Building Commission approval of final plans for the project from \$300,000 to \$600,000. As under current law, State Fair Park Board projects require Building Commission approval, even if the total cost is under this threshold;

f. increase the threshold at which projects are required to utilize single prime bidding and contracting from \$300,000 to \$600,000;

g increase the threshold at which the contracts and change orders for engineering architectural services and work on construction projects require the Governor's approval from \$300,000 to \$600,000;

h. increase the threshold on the size of contract for which DOA would be required to seek bids from the lowest responsible qualified bidder and meet the requirements for soliciting those bids from \$50,000 to \$100,000; and

i. increase the threshold at which the selection committee must use a request-for-proposal process to select an architect or engineer for a project based on qualifications from \$7,400,000 to \$15,000,000.

**Joint Finance/Legislature:** Include provision with the following modification. Keep the threshold at which the selection committee must use a request-for-proposal process to select an architect or engineer for a project based on qualifications (item i) at \$7,400,000.

[Act 19 Sections: 3 thru 7, 9, 16, 40 thru 45, 192, and 193]

# 11. BRONZEVILLE CENTER FOR THE ARTS - AFRICAN AMERICAN ART CENTER

**Governor:** Enumerate a \$54,900,000 project for the Bronzeville Center for the Arts, Inc. - African American Art Center under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$5,000,000 from segregated revenue to the Bronzeville Center for the Arts, Inc. to assist the Center in the construction of an Arts Destination Museum on a 3.4-acre parcel on the northeast corner of North Avenue and Dr. Martin Luther King Jr. Drive in Milwaukee. Specify that, before approving any state funding commitment for the construction of the museum, the Building Commission make a determination that the Bronzeville Center for the Arts, Inc. has secured additional funding for the project of at least \$49,900,000 from non-state revenue sources. Require that if the Building Commission makes a grant

to the Bronzeville Center for the Arts, Inc. for the construction of the African American Art Center, the state would retain an ownership interest in the center equal to the amount of the state's grant if, for any reason, the center is not used as an Arts Destination Museum.

Specify that the Legislature finds and determines that providing cultural preservation and appreciation and support of the arts and gallery space for African-American art to be displayed vastly enriches the lives of the citizens of this state, and will provide economic development through construction-related jobs and employment opportunities after the Bronzeville Center for the Arts Destination Museum opens, and is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the public policy of this state, to assist Bronzeville Center for the Arts, Inc. with constructing an Arts Destination Museum.

Specify that the Building Commission may not make a grant to Bronzeville Center for the Arts, Inc., for the construction of an Arts Destination Museum unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

Joint Finance/Legislature: Provision not included.

# 12. CHILDREN'S HOSPITAL AND HEALTH SYSTEM - DENTAL CLINIC EXPANSION

**Governor/Legislature:** Enumerate a \$9,578,000 project for the Children's Wisconsin - Milwaukee dental clinic expansion under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$4,789,000 from segregated revenue to Children's Hospital and Health System, Inc. Specify that, before approving any state funding commitment for the construction and equipment upgrades, the Building Commission make a determination that Children's Hospital and Health System, Inc. has secured additional funding for the project of at least \$4,789,000 from non-state revenue sources. Require that if the Building Commission makes a grant to Children's Hospital and Health System, Inc. for the construction of the dental clinic expansion, the state would retain an ownership interest in the space equal to the amount of the state's grant if, for any reason, the space is not used for dentistry purposes.

Specify that the Legislature finds and determines that reducing wait times and improving accessibility of dental care at the dental clinic of Children's Hospital and Health System, Inc. will improve health outcomes for children in this state, reduce the burden on urgent care and emergency services at Children's Hospital and Health System, Inc., and improve economic development in the state by increasing the capacity of the pediatric dental residency program at the dental clinic at Children's, and is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the public policy of this state, to assist Children's Hospital and Health System, Inc. with the expansion of its dental clinic at its main campus.

Specify that the Building Commission may not make a grant to Children's Hospital and Health System, Inc. for the expansion of its dental clinic unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

[Act 19 Sections: 11 and 9104(17)]

#### 13. JANESVILLE - WOODMAN'S SPORTS AND CONVENTION CENTER

**Governor:** Enumerate a \$50,500,000 project for the Woodman's Sports and Convention Center in Janesville under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$15,000,000 from segregated revenue to the City of Janesville. Specify that, before approving any state funding commitment for the construction of the center, the Building Commission make a determination that the City has secured additional funding for the project of at least \$35,500,000 from non-state revenue sources. Require that if the Building Commission makes a grant to the City for the construction of the Woodman's Sports and Convention Center, the state would retain an ownership interest in the center equal to the amount of the state's grant if, for any reason, the center is not used as a sports and convention center.

Specify that the Legislature finds and determines that the establishment of a sports and convention facility encourages economic development and tourism in this state by improving a blighted area of the City of Janesville and attracting new events and economic activity to the City of Janesville and south central Wisconsin, and is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the public policy of this state, to assist the City of Janesville with constructing the Woodman's Sports and Convention Center.

Specify that the Building Commission may not make a grant to the City of Janesville for the construction of the Woodman's Sports and Convention Center unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

Joint Finance/Legislature: Provision not included.

#### 14. NATIONAL RAILROAD MUSEUM EXPANSION

**Governor:** Enumerate a \$15,000,000 project for the National Railroad Museum expansion under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$7,000,000 from segregated revenue to the National Railroad Museum, Inc. Specify that, before approving any state funding commitment for the construction of the project, the Building Commission make a

determination that the National Railroad Museum, Inc. has secured additional funding for the project of at least \$8,000,000 from non-state revenue sources. Require that if the Building Commission makes a grant to the National Railroad Museum, Inc. for the expansion of the museum's Lenfestey Center, the state would retain an ownership interest in the space equal to the amount of the state's grant if, for any reason, the space is not used for purposes of a national railroad museum.

Specify that the Legislature finds and determines that expanding the National Railroad Museum's Lenfestey Center will encourage economic development and tourism in the City of Green Bay and Brown County, increase educational opportunities for school children, and increase access to community events. Further specify that it is in the public interest, serves a statewide public purpose, and it is the public policy of this state, to assist National Railroad Museum, Inc. with the expansion of the museum's Lenfestey Center.

Specify that the Building Commission may not make a grant to National Railroad Museum, Inc. for the expansion of the museum's Lenfestey Center unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

Joint Finance/Legislature: Provision not included.

#### 15. MARQUETTE UNIVERSITY - SCHOOL OF DENTISTRY UPGRADES

**Governor/Legislature:** Enumerate a \$28,000,000 project for Marquette University's School of Dentistry upgrades under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$10,750,000 from segregated revenue to Marquette University. Specify that, before approving any state funding commitment for the construction and equipment upgrades, the Building Commission make a determination that Marquette University has secured additional funding for the project of at least \$17,250,000 from non-state revenue sources. Require that if the Building Commission makes a grant to Marquette University for the construction and equipment upgrades to the Marquette University School of Dentistry, the state would retain an ownership interest in the facility equal to the amount of the state's grant if, for any reason, the facility is not used for dentistry purposes.

Specify that the Legislature finds and determines that improving the experiences and training of Marquette University School of Dentistry dental students, increasing the chances of continuing the supply of dentists throughout this state in future years, and improving access to oral health care statewide, particularly for Wisconsin's underserved populations via the Marquette University School of Dentistry's Main Campus Clinic and its affiliated statewide clinics, is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the public policy of this state, to assist Marquette University with construction and equipment upgrades to the Marquette University School of Dentistry's main campus clinic and classrooms, affiliated clinics and classrooms statewide, and patient experience center.

Specify that the Building Commission may not make a grant to Marquette University for the construction and equipment upgrades to its School of Dentistry unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

[Act 19 Sections: 10 and 9104(18)]

#### 16. MILWAUKEE IRON DISTRICT - NEW SOCCER STADIUM

**Governor:** Enumerate a \$45,000,000 project for a new soccer stadium in the Milwaukee Iron District under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$9,300,000 from segregated revenue to the Iron District MKE, LLC. Specify that, before approving any state funding commitment for the construction of the project, the Building Commission make a determination that the Iron District has secured additional funding for the project of at least \$35,700,000 from non-state revenue sources. Require that if the Building Commission makes a grant to the Iron District for the construction of the new soccer stadium and related facilities, the state would retain an ownership interest in the facilities equal to the amount of the state's grant if, for any reason, the facilities are not used for purposes of a soccer stadium and related facilities.

Specify that the Legislature finds and determines that a new soccer stadium and related facilities, including a hotel and a concerts and events venue, will encourage economic development and tourism in this state, reduce unemployment in this state, and bring needed capital into this state for the benefit and welfare of people throughout the state. Further specify that it is in the public interest, serves a statewide public purpose, and it is the public policy of this state, to assist Iron District MKE, LLC with the construction in a blighted area of Milwaukee County of a new soccer stadium and related facilities, including a hotel and a concerts and events venue.

Specify that the Building Commission may not make a grant to Iron District MKE, LLC for the construction of a new soccer stadium and related facilities, including a hotel and a concerts and events venue, in Milwaukee County unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

Joint Finance/Legislature: Provision not included.

#### 17. PENINSULA PLAYERS THEATRE - DORMITORY UPGRADE

**Governor:** Enumerate a \$4,213,000 project for the Peninsula Players Theatre's dormitory upgrade under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$1,000,000 from

segregated revenue to the Peninsula Players Theatre Foundation, Inc. Specify that, before approving any state funding commitment for the construction of the project, the Building Commission make a determination that the Peninsula Players Theatre Foundation, Inc. has secured additional funding for the project of at least \$3,213,000 from non-state revenue sources. Require that if the Building Commission makes a grant to the Peninsula Players Theatre Foundation, Inc. for the upgrade of its dormitories, the state would retain an ownership interest in the facilities equal to the amount of the state's grant if, for any reason, the upgraded facilities are not used as dormitories for the staff and interns of the Peninsula Players Theatre.

Specify that the Legislature finds and determines that upgrading the dormitories of the Peninsula Players Theatre in Door County to address the current housing shortcomings, including equipping the dormitories with standard conveniences such as running water, indoor plumbing, and HVAC and increasing the capacity of the dormitories from 25 to 32 individuals, will encourage economic development and tourism in this state, reduce unemployment in this state, and provide needed workforce housing in this state. Further specify that it is in the public interest, serves a statewide public purpose, and it is the public policy of this state, to assist Peninsula Players Theatre Foundation, Inc. with upgrading the dormitories of the Peninsula Players Theatre in Door County.

Specify that the Building Commission may not make a grant to Peninsula Players Theatre Foundation, Inc. for upgrades to the dormitories of the Peninsula Players Theatre unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

Joint Finance/Legislature: Provision not included.

#### 18. VERSITI BLOOD RESEARCH INSTITUTE ADDITION

**Governor/Joint Finance:** Enumerate a \$63,500,000 project for the Versiti Blood Research Institute addition under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant of up to \$10,000,000 from segregated revenue to the Versiti Blood Research Institute Foundation, Inc. Specify that, before approving any state funding commitment for the construction of the project, the Building Commission make a determination that the Versiti Blood Research Institute Foundation, Inc. has secured additional funding for the project of at least \$53,500,000 from non-state revenue sources. Require that if the Building Commission makes a grant to the Versiti Blood Research Institute Foundation, Inc. for the expansion of the Versiti Blood Research Institute, the state would retain an ownership interest in the space equal to the amount of the state's grant if, for any reason, the expanded space is not used for blood research.

Specify that the Legislature finds and determines that research focused on blood health, including research in the areas of blood cancers, benign hematology, cellular therapy, and immunology is essential to the health and well-being of the people of this state, and is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the

public policy of this state, to assist the Versiti Blood Research Institute Foundation, Inc. with the expansion of the Versiti Blood Research Institute for purposes of blood research.

Specify that the Building Commission may not make a grant to the Versiti Blood Research Institutes Foundation, Inc. for the expansion of the Versiti Blood Research Institute unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary or the Governor.

**Senate/Legislature:** Modify references to Versiti Blood Research Institute Foundation, Inc. to instead refer to Versiti Wisconsin, Inc.

[Act 19 Sections: 14 and 9104(16)]

#### **19. STATEMENT OF BUILDING PROGRAM CONTINUATION**

**Governor/Legislature:** Continue the building and financing authority enumerated under previous building programs into the 2023-25 biennium. Each building program is approved only for the current biennium; this provision would continue past state building programs into the 2023-25 biennium.

[Act 19 Section: 9104(2)]

#### 20. PROJECT LOANS

**Governor/Legislature**: Authorize the Building Commission, during the 2023-25 biennium, to make loans from general fund-supported borrowing or the building trust fund to state agencies for any 2023-25 building program projects funded from non-GPR sources.

[Act 19 Section: 9104(3)]

#### 21. MARATHON COUNTY - REGIONAL FORENSIC SCIENCE CENTER

**Joint Finance/Legislature:** Enumerate a \$14,800,000 project for a Regional Forensic Science Center in Wausau under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant up to \$7,000,000 from segregated revenue to Marathon County. Specify that, before approving any state funding commitment for the construction of the project, the Building Commission make a determination that Marathon County has secured additional funding for the project of at least \$7,800,000 from non-state revenue sources. Require that if the Building Commission makes a grant to Marathon County for the Regional Forensic Science Center, the state would retain an ownership interest in the space equal to the amount of the state's grant if, for any reason, the expanded space is not used for purposes of a regional forensic sciences center.

Specify that the Legislature finds and determines that offering training and continuing educations opportunities to coroners and medical examiners, law enforcement, district attorney offices, and emergency medical and health services providers will improve the quality of the death investigation process for central and northern Wisconsin, and is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the public policy of this state, to assist Marathon County with the construction of the Regional Forensic Science Center.

Specify that the Building Commission may not make a grant to Marathon County for the construction of the Regional Forensic Science Center unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary of the Governor.

[Act 19 Sections: 15 and 9104(19)]

#### 22. FOOD AND FARM EXPLORATION CENTER

**Joint Finance/Legislature:** Enumerate a \$41,000,000 project for a Food and Farm Exploration Center under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant up to \$3,000,000 from segregated revenue to the Farming for the Future Foundation (FFTFF). Specify that, before approving any state funding commitment for the construction of the project, the Building Commission make a determination that FFTFF has secured additional funding for the project of at least \$38,000,000 from non-state revenue sources. Require that if the Building Commission makes a grant to FFTFF for the Food and Farm Exploration Center, the state would retain an ownership interest in the space equal to the amount of the state's grant if, for any reason, the expanded space is not used for agricultural education.

Specify that the Legislature finds and determines that providing hands-on learning experiences to teach students about agricultural innovation and sustainability will attract more interest in agricultural careers, assist in workforce and development training for elementary, secondary, technical college, and university students, and help the state retain talent, and is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the public policy of this state, to assist the Farming for the Future Foundation with the construction of the Food and Farm Exploration Center.

Specify that the Building Commission may not make a grant to the Farming for the Future Foundation for the construction of the Food and Farm Exploration Center unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary of the Governor.

[Act 19 Sections: 13 and 9104(20)]

#### 23. BADGERLAND AFTER SCHOOL ENRICHMENT PROGRAM (BASE)

**Joint Finance/Legislature:** Enumerate an \$11,000,000 project for a new BASE facility under the 2023-25 state building program. The fiscal effect is included in Item #1.

Require that the state funding commitment be in the form of a grant up to \$1,000,000 from segregated revenue to the Badgerland After School Enrichment Program Inc. Specify that, before approving any state funding commitment for the construction of the project, the Building Commission make a determination that BASE has secured additional funding for the project of at least \$10,000,000 from non-state revenue sources. Require that if the Building Commission makes a grant to Base for new facility, the state would retain an ownership interest in the space equal to the amount of the state's grant if, for any reason, the expanded space is not used for an after school care facility.

Specify that the Legislature finds and determines that providing out-of-school care that inspire the local youth to be contributing, productive, and responsible members of their Communities through intentional programming that supports positive character development and unique opportunities to grow as individuals, and is a statewide responsibility of statewide dimension. Further specify that it is in the public interest, and it is the public policy of this state, to assist BASE in the purchase and renovation of a building to serve as a facility to provide outof-school care to youth.

Specify that the Building Commission may not make a grant to BASE for the construction of the after school care facility unless DOA has reviewed and approved plans for the project, although DOA may not supervise any services or work or let any contracts for the project. Further specify that the contracts for the project would not require approval of the DOA Secretary of the Governor.

[Act 19 Section: 12 and 9104(21)]

#### 24. GRANTS FOR LOCAL PROJECTS

**Joint Finance/Legislature:** Provide \$50,000,000 of segregated revenue to establish a grant program under the Building Commission to assist non-state organizations to carry out construction projects having a statewide public purpose. The fiscal effect is included in Item #1. Require that the municipality in which the construction project is or will be located apply to the Building Commission on behalf of the non-state organizations carrying out the construction project. Specify that no grant awarded under this purpose could exceed \$4,000,000. Prohibit the Building Commission from awarding a grant for a construction project unless the Joint Committee of Finance approves the grant and finds that the project is in the public interest and serves one or more statewide public purposes. Require that the Building Commission determine that the organization carrying out the project has secured additional funding for the project from non-state revenue sources in an amount that is equal to at least 50% of the construction project.

Specify that the Building Commission may not make a grant under this purpose for construction of a project unless DOA has reviewed and approved plans for the project, although

DOA may not supervise any services or work or let any contracts for the project. Require that if the Building Commission makes a grant for this purpose, the state would retain an ownership interest in a space constructed with these grants equal to the amount of the state's grant if, for any reason, the expanded space is not used for one or more of the public purposes determined by the Joint Finance Committee.

Veto by Governor [D-21]: Delete the maximum amount a project could be awarded, the requirement that the Joint Committee on Finance approve the grants and make a determination of statewide public purpose, and the requirement that municipalities would have to apply for the grants on behalf of the nonstate organizations.

[Act 19 Section: 8]

[Act 19 Vetoed Section: 8]

#### 25. STATE CAPITOL - FIBER AND CABLE UPGRADES

**Joint Finance/Legislature:** Provide \$1,200,000 in segregated revenue to develop preliminary plans and specifications for fiber and cable upgrades at the State Capitol. Require the Department of Administration (DOA) to coordinate with the Chief Clerk of each house of the Legislature and the Legislative Technology Services Bureau (LTSB) in the planning of this project. The fiscal effect is included in Item #1.

**Veto by Governor [D-23]:** Delete the requirement that DOA coordinate with the Chief Clerk of each house of the Legislature and LTSB in developing plans for this project.

[Act 19 Section: 9104(11)]

[Act 19 Vetoed Section: 9104(11)]

#### 26. CENTRAL WISCONSIN CENTER - FOOD SERVICE BUILDING RENOVATION

**Joint Finance/Legislature:** Provide \$5,000,000 in segregated revenue to develop preliminary plans for the renovation of the Food Service Building at the Central Wisconsin Center. The fiscal effect is included in Item #1.

[Act 19 Section: 9104(12)]

# 27. WINNEBAGO MENTAL HEALTH INSTITUTE - UTILITY AND SERVICE TUNNEL IMPROVEMENTS

**Joint Finance/Legislature:** Provide \$3,000,000 in segregated revenue to develop preliminary plans for the replacement and relocation of the service tunnel and utilities at the Winnebago Mental Health Institute. The fiscal effect is included in Item #1.

[Act 19 Section: 9104(13)]

#### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Provide \$155,600 (-\$8,200 FED and \$163,800 PR) annually to reflect the net effect of the following standard

| FED   | - \$16,400 |
|-------|------------|
| PR    | 327,600    |
| Total | \$311,200  |

budget adjustments: (a) full funding of continuing salaries and fringe benefits (-\$8,200 FED and \$157,200 PR annually); and (b) full funding of lease costs (\$6,600 PR annually).

#### 2. FAMILY RESOURCE CENTERS [LFB Paper 245]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$8,300,000                | - \$7,300,000                     | \$1,000,000 |

Governor: Provide \$4,150,000 annually to increase, from \$995,000 to \$5,145,000, annual

GPR funding for grants distributed by the Board. This item is intended to increase funding for grants to family resource centers (FRCs) to expand service to all areas of the state, serve more families, and provide financial stability for FRCs.

Current law requires the Board to distribute grants to FRCs in urban and rural communities throughout the state. The FRCs use the grant funds to provide direct parent education, family support, and referrals to other social services programs and outreach programs to all families in their service areas. The Board also uses federal grant funding to support FRCs, primarily from the Community-Based Child Abuse Prevention (CBCAP) grant, which typically provides approximately \$600,000 annually. The Board indicates that FRCs currently rely primarily on local government and philanthropic grant funding to maintain their operations, although these grants are often limited to specific services, programs, and population groups. The GPR appropriation also supports other grants the Board distributes, including for child sexual abuse prevention and abusive head trauma prevention.

**Joint Finance/Legislature:** Reduce funding by \$3,650,000 annually, so that \$1,495,000 GPR would be budgeted annually for grants, a net increase of \$500,000 per year relative to the base.

#### **3. POSITIVE PARENTING PROGRAM (TRIPLE P)**

GPR \$1,000,000

**Joint Finance/Legislature:** Provide \$500,000 annually to increase funding the Prevention Board distributes as grants for programs for the primary prevention of child abuse and neglect. This amount is intended to increase funding for programs implementing the Positive Parenting Program (Triple P), a system of parent education and skills-development interventions. The Prevention Board has provided grants to local agencies to implement Triple P programs, among other parent education programs, under its current authority to provide grants to organizations for the primary prevention of child abuse and neglect.

### **CHILDREN AND FAMILIES**

| Budget Summary |                 |                 |                 |                 |                 |                         |         |  |  |  |  |

#### **Budget Change Items**

### **TANF and Economic Support**

#### 1. TANF AND CCDF-RELATED REVENUES AND EXPENDITURES

This item presents an overview of estimates of revenue available to fund economic support and TANF-funded programs in the 2023-25 biennium, and how funding for these programs would be budgeted under the Governor's bill and under Joint Finance (enacted in Act 19). "TANF" refers to the federal temporary assistance for needy families program. "CCDF" refers to the Child Care Development Fund, which is comprised of funding the state receives under the federal Social Security Act and the Child Care and Development Block Grant (CCDBG).

Governor: *Revenues*. The Administration estimates total revenues for TANF-related programs at \$659.0 million in 2023-24 and \$662.6 million in 2024-25. State funding includes

\$174.7 million annually consisting of: (a) \$160.4 million GPR (the state's base TANF maintenance of effort amount) and an additional \$0.7 million GPR for state child care administration; (b) \$4.5 million PR; and (c) \$9.1 million SEG) annually. The program revenue includes the state's share of overpayment recoveries, child support collections that are assigned to the state by public assistance recipients, and child care licensing fees. The segregated revenue is from the utility public benefits fund. Ongoing federal funding is estimated at \$484.2 million in 2023-24 and \$487.9 million in 2024-25. Federal funds include monies from the TANF block grant, the child care development block grant, and recoveries of overpayments to Wisconsin Works (W-2) recipients. The carryover from the 2022-23 ending TANF balance is estimated at \$460.6 million.

*Expenditures.* Under the bill, the total amount that would be budgeted for TANF-related programs would be \$804.7 million in 2023-24 and \$847.7 million in 2024-25. These amounts include all funds, and represent an increase from the base budget of \$77.1 million in 2023-24 and an increase of \$120.1 million in 2024-25. Federal law allows the state to carry forward unexpended TANF funding without fiscal year limitation. The projected TANF-related balance at the end of the 2023-25 biennium would be \$129.7 million, which could be carried over into the 2025-27 biennium. Although not funded under the bill, the date by which DCF must submit its evaluation of the offender re-entry program would be extended from June 30, 2023, to June 30, 2024. Finally, the bill retitles TANF allocations for child welfare prevention services.

**Joint Finance/Legislature:** Table 2 summarizes the economic support and TANF-related revenue estimates and expenditures under Joint Finance, which were enacted as part of Act 19.

*Opening Balance and Revenues.* As shown in Table 2, the opening balance and total revenues of all funds for TANF-related programs are estimated to be \$1,175.5 million in 2023-24 and \$1,122.6 million in 2024-25. Compared to the Governor's recommendations, this is \$55.9 million in 2023-24 and \$171.2 million in 2024-25 more than previously estimated. The opening balance reflects \$11.0 million of unspent supplements CCDF provided to support the rate increase in 2021-22 that could not be expended due to a decrease in child care subsidy expenditures.

*Expenditures.* Under Act 19, total expenditures are \$715.5 million in 2023-24 and \$797.6 million in 2024-25. These amounts include all funds, and represent a decrease from the base budget of \$12.2 million in 2023-24 and an increase of \$70.0 million in 2024-25 (and a decrease of \$89.3 million in 2023-24 and \$50.1 million in 2024-25 relative to the Governor's proposal). The changes in funding represent reestimates, and changes in the amounts that are budgeted for some current programs and increased funding for other programs.

#### 2. DIRECT CHILD CARE SERVICES -- OVERVIEW

The following tables summarize funding allocated, by statute, for direct child care services under the Governor's bill and under Joint Finance (enacted as part of Act 19.)

**Governor:** The table includes the following four items with funding changes: (a) the reestimated cost-to-continue base subsidies for the Wisconsin Shares child care subsidy program; (b) changing Wisconsin Shares authorizations based on full- and part-time authorizations, rather than on an hourly basis; (c) providing an exemption to the Wisconsin Shares income eligibility requirements for direct care workers; and (d) increased funding for tribal child care contracts. No change in funding is provided for county contracts.

**Joint Finance/Legislature:** The following table summarizes the funding recommended by Joint Finance and included in Act 19 that are allocated, by statute, for direct child care services. The table includes the following five items with funding changes: (a) the estimated cost-to-continue base subsidies for the Wisconsin Shares child care subsidy program; (b) changing Wisconsin Shares authorizations based on full- and part-time authorizations, rather than on an hourly basis; (c) setting a single initial eligibility and phase-out threshold for Wisconsin Shares

subsidies at 200% FPL, beginning in 2024-25; (d) changing the copayment phase-out to \$1 for every \$5 increase in a participating household's income, rather than \$1 for to every \$3 increase in a participating household's income, as under current law, beginning in 2024-25; and (e) increased funding for tribal child care contracts.

#### **Direct Child Care Services -- Act 19**

#### **DIRECT CHILD CARE -- WISCONSIN SHARES SUBSIDY REESTIMATE [LFB** 3. Paper 251]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change      |
|-----|----------------------------|-----------------------------------|-----------------|
| FED | - \$105,412,800            | - \$17,388,000                    | - \$122,800,800 |

Governor: Decrease funding for direct child care services by \$52,706,400 annually to reflect estimates of the funding needed to fully support subsidies under the Wisconsin Shares program in the 2023-25 biennium. Federal TANF and CCDF funding supports Wisconsin Shares subsidies.

The estimate is based on two factors which suggest that subsidy costs in the 2023-25 biennium will be less than the 2022-23 base allocation. First, Wisconsin Shares caseloads as of January, 2023, remain 15% below the pre-pandemic level in January, 2020. Second, current law restricts subsidies from exceeding a provider's market price, and thus Wisconsin Shares issuance has not yet fully reflected the subsidy increase provided under Act 58 (the 2021-23 biennial budget act). DCF estimates that approximately 1,000 providers raised their prices since January, 2022, whereas the subsidy "capped out" at 15,900 providers as of the end of July, 2022. [Under Wisconsin Shares, total reimbursement payments to any provider may not exceed the provider's market price.]

Joint Finance/Legislature: Reduce funding by an additional \$16,194,000 in 2023-24 and \$1,194,000 in 2024-25 to reflect a reestimate of the cost of subsidies under current law. In total, base funding is reduced by \$68,900,400 in 2023-24 and by \$53,900,400 in 2024-25.

[Act 19 Section: 293]

#### 4. DIRECT CHILD CARE SUBSIDIES -- PART-TIME AND FED FULL-TIME AUTHORIZATIONS

\$124,739,500

**Governor/Legislature:** Provide \$53,459,800 in 2023-24 and \$71,279,700 in 2024-25 to fund the full cost of implementing Wisconsin Shares authorizations based on part-time and full-time authorizations, instead of exact hourly authorizations. Under current practice, authorizations for child care may be for full-time care (between 35 and 50 hours per week) or part-time care (less than 35 hours per week). Additional time may also be authorized, although a child cannot be authorized for more than 75 hours per week.

Federal law requires that subsidy payments reflect generally accepted payment practices of child care providers who serve children who do not receive CCDF subsidies, including payments made based on full- or part-time reservations. The federal Administration for Children and Families conditionally approved the state's federal fiscal years 2022-2024 CCDF plan with the requirement that DCF develop new policies for rate authorizations using part-time and full-time authorizations.

According to DCF, under the new system, authorizations under 21 weekly hours would receive a part-time rate, and authorizations of 21 hours or more would receive a full-time rate. DCF estimates the cost of this change is \$71.3 million on an annualized basis, with the new authorizations beginning October, 2023.

[Act 19 Section: 293]

### 5. DIRECT CHILD CARE -- INCOME DISREGARD FOR DIRECT CARE WORKERS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$1,200,000                | - \$1,200,000                     | \$0        |

**Governor:** Provide \$600,000 annually to support the estimated costs of disregarding up to \$10,000 of income of direct care workers when applying for, and calculating Wisconsin Shares subsidies.

Currently, initial eligibility for the child care subsidy program is limited to families with gross income of no more than 185% of the FPL (\$45,991 for a family of three in 2023). In general, this includes all earned and unearned income of the individual, except: (a) assistance received for participation in W-2; (b) federal and state earned income tax credits and any federal income tax refund; (c) certain types of loans, in-kind income, and vendor payments; (e) income earned by a dependent child; (f) child support payments, if less than \$1,250 per month; and (g) federal or state student financial aid or any scholarship used for tuition and books. However, under administrative rules, any income from sources that must be disregarded by federal or state law for purposes of determining eligibility for means-tested programs are not counted as income.

The bill contains no statutory changes relating the use of this disregard, as DCF would implement this change as a matter of policy. Although not specified in the bill, the Administration indicates that, for these purposes, a "direct care worker" would include a worker who is primarily paid for caregiving work, such as a personal care worker, home health aide, or certified nursing assistant.

According to DCF, the estimated cost of disregarding up to \$10,000 when calculating child care subsidies for current direct care workers who participate in Wisconsin Shares is \$600,000 annually. However, the income disregard policy would also apply to financial eligibility determinations. Thus, additional funding would be needed to fund the cost for subsidies paid on behalf of new families that otherwise would not be eligible. According to DCF, the fiscal effect of this policy change is indeterminate.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 6. DIRECT CHILD CARE SERVICES -- TRIBAL CONTRACTS FED

\$875,000

**Governor/Legislature:** Provide \$375,000 in 2023-24 and \$500,000 2024-25 to increase funding for tribal child care contracts. Nine of the state's 11 tribes currently have child care contracts with DCF to carry out state child care certification activities, Wisconsin Shares authorizations and administration, and fraud prevention and investigations. The Administration intends to increase each of the existing tribal child care contracts by \$55,555, which could support at least one additional FTE position per tribe.

[Act 19 Section: 293]

#### 7. CHILD CARE PARTNERSHIP PROGRAM [LFB Paper 252]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$22,396,000               | - \$22,396,000                    | \$0        |

**Governor**: Provide \$11,198,000 annually to create a child care partnership grant program, including \$10,000,000 annually to fund grants and \$1,198,000 annually to fund contracted services to administer the program. Create an annual GPR appropriation to fund the grants.

Authorize DHS to award grants to businesses that provide, or wish to provide, child care services for their employees. Specify that a grant may be used to: (a) reserve child care placements for local business employees; (b) pay child care tuition; and (c) fund other costs related to child care. Authorize DCF to promulgate rules to administer the program, including rules to determine eligibility for grants. Require grantees to provide matching funds equal to at least 25% of the amount awarded. Define "business" as any organization or enterprise operated for profit or a nonprofit corporation, and does not include a governmental entity.

Joint Finance/Legislature: Provision not included.

#### 8. QUALITY CARE FOR QUALITY KIDS -- CHILD CARE COUNTS [LFB Paper 253]

|                     | · ·   | ernor<br><u>o Base)</u><br>Positions | (Chg. 1  | nce/Leg.<br><u>to Gov)</u><br>Positions |                  | <u>Change</u><br>Positions  |
|---------------------|---|--------------------------------------|--|---|------------------|---|
| GPR<br>FED<br>Total | \$303,108,700<br><u>38,000,000</u><br>\$341,108,700 | 0.00                                 | \$303,108,70<br>- <u>38,000,00</u><br>\$341,108,70 | 0.00 0.00                               | \$0<br>_0<br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

**Governor:** Provide \$100,389,400 (\$81,389,400 GPR and \$19,000,000 FED) in 2023-24 and \$240,719,300 (\$221,719,300 GPR and \$19,000,000 FED) in 2024-25 to establish the Child Care Counts program as a permanent child care quality improvement program. The funding increases in the bill include: (a) \$100,000,000 (\$81,000,000 GPR and \$19,000,000 FED) in 2023-24 and \$240,000,000 (\$221,000,000 GPR and \$19,000,000 FED) in 2024-25 to fund payments to providers; and (b) \$389,400 GPR in 2023-24 and \$719,300 to fund DCF's costs of administering the program, including 4.0 GPR positions, beginning in 2023-24.

Authorize DCF to establish a program to make monthly payments and monthly per-child payments to certified child care providers, licensed child care centers, and child care programs established or contracted for by a school board. Authorize DCF to promulgate rules to implement the program, including establishing eligibility requirements and payment amounts and setting requirements for how recipients may use the payments. Specify that DCF may promulgate the rules as emergency rules without providing a finding of an emergency.

Repeal an obsolete provision that prohibits DCF from increasing the maximum payment rates for child care providers before June 30, 2013.

The Child Care Counts stabilization payments program provides monthly payments to child care providers to support the costs of maintaining high quality care and to support workforce recruitment and retention. The payment period runs in two, nine-month blocks from August, 2022, through April, 2023, followed by a subsequent nine-month payment program from May, 2023, through January, 2024. Payments for provider costs are determined based on a per child amount by age (for example each full-time infant would increase the payment by \$175) plus an additional amount for each child who: (a) receives Wisconsin Shares; (b) attends during non-standard hours; or (c) participates in a Birth-to-3 child care pilot program. Payments for staff recruitment and retention are determined based on an amount per employee (\$150 for each full-time and \$75 per part-time worker) plus a quality incentive amount for YoungStar participating providers (for example, \$350 per full-time worker for 5-Star providers). The program is currently funded from one-time supplemental and emergency CCDBG funds the state received under the federal American Rescue Plan Act (ARPA).

Joint Finance/Legislature: Provision not included.

### 9. QUALITY CARE FOR QUALITY KIDS -- WELLPOINT EARLY CHILDHOOD EDUCATION CENTER

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$840,000                  | - \$840,000                       | \$0        |
| FED   | <u>840,000</u>             | <u>- 840,000</u>                  | _0         |
| Total | \$1,680,000                | - \$1,680,000                     | \$0        |

**Governor:** Provide \$1,680,000 (\$840,000 GPR and \$840,000 FED) in 2023-24 to fund a one-time grant to the Wellpoint Care Network to establish an early childhood education center in the City of Milwaukee. Create a biennial GPR appropriation for this purpose, and repeal the appropriation effective July 1, 2025.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 10. QUALITY CARE FOR QUALITY KIDS -- SOCIAL EMOTIONAL LEARNING INITIATIVE [LFB Paper 254]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| FED | \$3,291,200                | - \$2,221,200                     | \$1,070,000 |

**Governor:** Provide \$1,327,200 in 2023-24 and \$1,964,000 in 2024-25 to fund social emotional learning (SEL) for young children. Although not specified in the bill, the Administration indicates that this item would fund: (a) training and technical assistance to early childhood education programs provided by staff in each of five preschool development regions (\$864,000 in 2023-24 and \$1,152,000 in 2024-25); (b) regional lead staff that provide oversight of program coaches and trainers, support community integration teams, and support data collection and analysis (\$476,700 in 2023-24 and \$635,600 in 2024-25); (c) statewide management staff that would provide coordination and support for SEL and quality improvement, and represent SEL efforts on groups involved in child development issues (\$219,800 in 2023-24 and \$302,600 in 2024-25); and (d) statewide training, materials, an evaluation, technical support, and indirect costs (\$301,700 in 2023-24 and \$408,800 in 2024-25. In addition to the funding increase in the bill, base funding for SEL activities (\$535,000) would also be used to support these costs.

**Joint Finance/Legislature:** Decrease funding by \$792,200 in 2023-24 and by \$1,429,000 in 2024-25 so that an additional \$535,000 annually would be provided to fund SEL for young children. Including base funding (\$535,000), overall funding for such programs would be \$1,070,000 annually.

[Act 19 Section: 295]

# 11. QUALITY CARE FOR QUALITY KIDS -- NEW PROVIDER GRANTS [LFB Paper 254]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually to provide grants for pre-licensing support, including start-up costs, to applicants interested in becoming child care providers. Although not specified in the bill, DCF would increase a current pre-licensing contract (currently \$340,000 annually) to offer greater technical assistance and guidance to applicants who wish to become licensed providers. Further, DCF would implement a grant targeted to new providers within the Child Care Counts program to support new providers. The Administration indicates that this would include \$500,000 set aside to fund providers in tribal areas.

Joint Finance/Legislature: Provision not included.

#### **12.** CHILD CARE -- STATE ADMINISTRATION

|                     |  | vernor<br>. to Base)            |  | nce/Leg.<br>to Gov)  | <u>Net C</u>                                   | hange                           |
|---------------------|--|---------------------------------|--|--|--|---------------------------------|
|                     | Funding  | Positions                       | Funding                                | Position   | s Funding                                      | Positions                       |
| GPR<br>FED<br>Total | \$1,377,400<br><u>4,868,700</u><br>\$6,246,100 | 0.00<br><u>- 1.00</u><br>- 1.00 | \$0<br><u>- 684,200</u><br>- \$684,200 | $   \begin{array}{r}     0.00 \\     \underline{0.00} \\     \overline{0.00}   \end{array} $ | \$1,377,400<br><u>4,184,500</u><br>\$5,561,900 | 0.00<br><u>- 1.00</u><br>- 1.00 |

**Governor:** Increase funding by \$3,079,900 (\$688,700 GPR and \$2,391,200 FED) in 2023-24 and \$3,166,200 (\$688,700 GPR and \$2,477,500 FED) in 2024-25 for state administration of child care programs, including the following.

*Online Licensing.* Provide \$994,400 FED in 2023-24 and \$426,900 FED in 2024-25 for the costs of transitioning childcare provider licensing from a paper-based system to an online format.

*Child Care Counts Information Technology (IT).* Provide \$212,000 FED in 2023-24 and \$424,000 FED in 2023-24 for ongoing maintenance, ad-hoc requests, and other IT changes as needed for the Child Care Counts program.

*Child Care Counts Call Center Operations*. Provide \$100,000 FED in 2023-24 and \$200,000 FED in 2024-25 to support call center operations assist grant recipients troubleshoot issues with Child Care Counts applications, payments, and regulations.

*Child Care Statewide Administration on the Web (CSAW).* Increase funding by \$688,700 GPR annually to reflect the transfer of the administrative responsibilities for, and costs of, CSAW from the Department of Health Services to DCF. CSAW is used to create authorizations for families to receive Wisconsin Shares child care subsidies. A corresponding GPR reduction is reflected under "Health Services -- FoodShare and Public Assistance Administration."

*CARES.* Provide \$126,200 FED in 2023-24 and \$200,400 FED in 2024-25 to support administrative vendor contract costs for the Client Assistance for Re-employment and Economic Support (CARES) system.

*Standard Budget Adjustments*. Increase CCDF funding by \$958,600 FED in 2023-24 and by \$1,226,200 FED in 2024-25 to reflect standard budget adjustments, including: (a) turnover reduction (-\$376,700 annually); (b) full funding of continuing position salaries and fringe benefits (\$968,100 annually); (c) full funding of lease and directed moves costs (-\$102,600 in 2023-24 and -\$128,300 in 2024-25); and (d) a realignment of funding and positions within the Department (-\$146,700 annually). Finally, a funding increase of \$616,500 in 2023-24 and \$909,800 in 2024-25 would be for staff costs associated with health insurance, retirement, and reserves.

**Joint Finance/Legislature:** Reduce funding by \$186,100 FED in 2023-24 and \$498,100 FED in 2024-25 to reflect: (a) the removal of items related to the Child Care Counts call center and IT services (-\$312,000 in 2023-24 and -\$624,000 in 2024-25); (b) an increase in the turnover reduction (-\$251,000 annually), summarized under "Departmentwide;" and (c) funding to support the Department's cybersecurity plan (\$376,900 annually), summarized under "Departmentwide."

[Act 19 Section: 294]

### 13. WISCONSIN WORKS BENEFITS REESTIMATE [LFB Paper 250]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-----|----------------------------|-----------------------------------|----------------|
| FED | - \$4,369,700              | - \$6,630,300                     | - \$11,000,000 |

**Governor:** Reduce funding for Wisconsin Works (W-2) benefits payments by \$3,282,800 in 2023-24 and by \$1,086,900 in 2024-25 to fund projected costs in the 2023-25 biennium. Base funding for W-2 benefits is \$34,000,000, so a total of \$30,717,200 in 2023-24 and \$32,913,100 in 2024-25 in TANF funds would be budgeted for W-2 benefits payments under the bill.

The Administration uses unemployment rates prepared by the National Association for Business Economics in a model that incorporates the relationship between unemployment rates and paid W-2 caseload as the basis for its projections.

**Joint Finance/Legislature:** Reduce funding by an additional \$2,717,200 in 2023-24 and by \$3,913,100 in 2024-25. Overall, a total of \$28,000,000 in 2023-24 and \$29,000,000 in 2024-25 in TANF funds would be budgeted for W-2 benefits payments.

[Act 19 Section: 288]

#### 14. WISCONSIN WORKS SERVICE CONTRACTS [LFB Paper 250]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | - \$1,707,200              | \$1,707,200                       | \$0        |

**Governor:** Decrease funding for W-2 contracts by \$4,490,900 in 2023-24 and increase funding by \$2,783,700 in 2024-25 to reflect estimates of funding that DCF will need to support W-2 service contracts in the 2023-25 biennium. Base funding for contracts is \$57,071,200, so a total of \$52,580,300 in 2023-24 and \$59,854,900 in 2024-25 would be budgeted for W-2 agency contracts under the bill. W-2 service contracts fund the costs of subsidized employment placements, work support services, education and training, and agency administration. The funding increase reflects the Administration's projections of W-2 agency caseload increases.

**Joint Finance/Legislature:** Delete the funding changes recommended by the Governor. Maintain base funding for W-2 contracts, based on W-2 benefit and caseload information through March, 2023, unemployment data, and the terms of the 2023 W-2 service contract.

[Act 19 Section: 289]

#### **15. TRANSFORM MILWAUKEE AND TRANSITIONAL JOBS**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$3,400,000                | - \$3,400,000                     | \$0        |

**Governor:** Provide \$1,700,000 annually to fund projected costs of expanding eligibility for the Transform Milwaukee (TMJ) and Transitional Jobs (TJ) subsidized jobs programs. Repeal two participation qualifications for the programs: (a) the requirement that individuals be unemployed for at least four weeks prior to participating in the program; and (b) the requirement that program participants cannot be eligible for unemployment insurance benefits. Instead, specify that applicants need only not have filed for such benefits or did file and were ineligible. DCF estimates an increase of up to 125 participants for each restriction removal.

The target populations for these subsidized job programs include individuals who are at least 18 years old but younger than 25 years old, parents with a child support order, parents under a reunification plan, parents who are ex-offender, and childless older youth under age 25. The programs also target services toward older youth in foster care between the ages of 18 and 24 who were in out-of-home care after age 16. To participate in TMJ, an eligible participant must reside in Milwaukee County, while participants in TJ must reside in a participating county.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 16. KINSHIP CARE [LFB Paper 266]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| FED | \$34,410,000               | - \$29,913,400                    | \$4,496,600 |

**Governor:** Provide \$12,132,300 in 2023-24 and \$22,277,700 in 2024-25 to increase funding for monthly kinship care payments. In total, the bill would provide \$43,574,100 in 2023-24 and \$53,719,500 in 2024-25 to fund these payments.

As an alternative to foster care and other out-of-home care placements, monthly kinship care payments are provided by counties, tribes, and DCF (in Milwaukee County) to qualifying adults to support costs of caring for their relative children. The current kinship care rate -- \$300 per child per month -- equals the current Level 1 foster care payment rate.

The funding change in the bill reflects the following three adjustments.

First, decrease funding by \$4,130,700 in 2023-24 and \$4,208,000 in 2024-25 to reflect projected costs of kinship care payments and assessments under current law, based on projected kinship care caseloads and benefit payments.

Second, increase funding by \$8,436,300 in 2023-24 and \$16,824,400 in 2024-25 to fund the estimated costs of modifying the program so that kinship caregivers would receive monthly payment amounts based on the age of the child (similar to monthly payments to foster care parents), and other supplemental payments foster parents currently receive. The Administration's estimates of the cost of these changes are as follows: (a) \$8,264,700 in 2023-24 and \$16,482,300 in 2024-25 to fund age-based level monthly payment rates; (b) \$134,100 in 2023-24 and \$267,400 in 2024-25 to fund sibling exceptional payments; and (c) \$37,500 in 2023-24 and \$74,700 in 2024-25 to fund one-time clothing allowances).

Third, increase funding by \$7,826,700 in 2023-24 and \$9,661,300 in 2024-25 to expand eligibility for kinship care to like-kin relationships, first cousin once-removed, and tribal designees. [For additional information on these proposals, see Child Welfare.]

**Joint Finance/Legislature:** Reduce funding by \$11,854,900 2023-24 and \$18,058,500 in 2024-25, as the provisions expanding kinship care payments are not included. Overall, increase TANF funding for kinship care payments by \$277,400 in 2023-24 and \$4,219,200 in 2024-25 to reflect caseload estimates and to fund an increase the monthly rate from \$300 to \$375, beginning January 1, 2024. Additional information is provided under "Child Welfare."

[Act 19 Section: 297]

#### 17. CHILD WELFARE SAFETY SERVICES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$8,063,800                | - \$8,063,800                     | \$0        |
| FED   | - 8,063,800                | 8,063,800                         | 0          |
| Total | \$0                        | \$0                               | \$0        |

**Governor:** Increase funding for child welfare services in Milwaukee County by \$4,031,900 GPR annually and decrease FED (TANF) funding for child welfare safety services by a corresponding amount.

The Division of Milwaukee Child Protective Services is currently budgeted \$3,637,880 FED to contract with Children's Hospital of Wisconsin-Community Service and Wellpoint Care Network, and a network other providers that offer intensive, in-home services for families. Federal law limits the use of TANF funding for these services to no more than four-month periods for families who are at risk of having their children removed from the home. Further, federal law prevents states from funding certain services, such as medical services, with TANF funds. By funding these intensive, in-home services with GPR rather than TANF, these current limitations on program services would not apply. TANF funding of \$394,020 that supports child welfare intake services in Milwaukee County would also be replaced with GPR as part of this item.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 18. CASE MANAGEMENT SERVICES FOR HOMELESS FAMILIES

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Increase, from \$500,000 to \$1,000,000 annually, funding for grants to shelter facilities to provide intensive case management services to homeless families. Funding for these services is budgeted in DCF and transferred to the Department of Administration (DOA), which administers the program.

Current law authorizes DOA to award up to 10 grants of up to \$50,000 each to any shelter program. Grantees may use these funds to provide case management services, including: (a) services related to financial management; (b) employment-related services; (c) services intended to ensure continuation of school enrollment for children; and (d) services related to the enrollment of unemployed or under-employed parents in the FoodShare employment and training program or the Wisconsin Works program. For additional information, see "Administration -- Housing and Homelessness."

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **19. BOYS AND GIRLS CLUBS** [LFB Paper 255]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change       |
|-------|----------------------------|-----------------------------------|------------------|
| GPR   | \$2,600,000                | - \$2,600,000                     | \$0              |
| FED   | <u>1,000,000</u>           | <u>4,000,000</u>                  | <u>5,000,000</u> |
| Total | \$3,600,000                | \$1,400,000                       | \$5,000,000      |

**Governor:** Provide \$1,800,000 (\$1,300,000 GPR and \$500,000 FED) annually to increase a grant DCF provides to the Boys and Girls Clubs of Wisconsin. Create an annual GPR appropriation for this purpose.

Although not specified in the bill, the Administration indicates that the TANF funding increase would support the Wisconsin After Three program, an after-school program designed to improve social, academic, and employment skills of low-income youth through tutoring in math and English, study habits, and exposure to career options and role models. The GPR funding is intended to support mental health and substance abuse prevention services. DCF indicates that approximately 40% of program participants would not be meet TANF eligibility requirements, and therefore state funding is needed to provide services that cannot be funded with TANF.

**Joint Finance/Legislature:** Delete GPR funding and the GPR appropriation from the bill (-\$1,300,000 GPR annually). Further, increase the federal funding by \$4,500,000 in 2023-24 and reduce the federal funding by \$500,000 in 2024-25 so that, relative to base funding, total funding is increased by \$5,000,000 FED in 2023-24 for the Boys and Girls Clubs. Under Joint Finance and Act 19, grant funding for the Boys and Girls Clubs of Wisconsin is budgeted at \$7,807,000 FED in 2023-24 and \$2,807,000 FED in 2024-25.

[Act 19 Section: 9106(1r)]

#### 20. CIVIL LEGAL SERVICES [LFB Paper 255]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$500,000 annually to increase, from \$500,000 to \$1,000,000, annual funding DCF provides to the Wisconsin Trust Account Foundation, Inc. (WisTAF) to distribute grants to programs that provide legal services in certain civil matters.

Modify the program to: (a) permit grant recipients to use funding to provide eligible individuals civil legal services related to evictions; (b) repeal a provision that establishes a \$75,000 annual maximum award amount any program can receive in a year; and (c) repeal provisions that authorizes DCF to identify underspending in the federal block grant aids appropriation for TANF and provide up to \$100,000 of such funds to WisTAF under certain conditions, including that the funding be matched by private donations. [DCF indicates it does not currently make grants

described under (c), as DCF would be required to underspend the statutory TANF allocations for other programs.]

WisTAF is a nonprofit organization established by the Wisconsin Supreme Court that provides grants to civil legal aid organizations that increase access to legal services. These grants may not be used for litigation against the state and, under current law, and may only be used to support specific civil legal services (related to domestic abuse, sexual abuse, or restraining orders for certain at-risk elderly and disabled individuals) for TANF-eligible individuals with household income less than 200% of the federal poverty level (\$49,720 per year for a family of three in 2023).

Joint Finance/Legislature: Provision not included.

### 21. FAMILIES AND SCHOOLS TOGETHER [LFB Paper 255]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$500,000                  | - \$500,000                       | \$0        |

**Governor:** Provide \$250,000 annually to increase funding for the families and schools together (FAST) program from \$250,000 to \$500,000 annually. Specify that the additional funding would be distributed only if the recipient provides matching funds.

FAST is a prevention/early intervention program for elementary school-aged children that connects schools, families and communities in five elementary schools in Milwaukee Public Schools selected by DCF. Parents participate in monthly group meetings over a period of eight weeks to enhance family functioning, strengthen infant or scholastic development, and prevent substance abuse and delinquency.

Joint Finance/Legislature: Provision not included.

### 22. JOBS FOR AMERICA'S GRADUATES PROGRAM [LFB FED \$1,000,000 Paper 255]

**Governor/Legislature:** Provide \$500,000 annually to expand the Jobs for America's Graduates (JAG) program to up to five additional schools in rural and urban areas of the state. Total funding for the program would increase from \$500,000 to \$1,000,000 annually, beginning in 2023-24.

JAG is a state-based national nonprofit organization that assists youth in reaching economic and academic success. Services involve classroom instruction, adult mentoring, leadership development, guidance and counseling, job and postsecondary education placement services, links to community services, and 12-month follow-up services. In 2020-21, the JAG program served 290 students (116 of whom were funded through DCF) in Chippewa, Clark, Dane, Jackson, Marathon, Milwaukee, Monroe, and Rock Counties.

[Act 19 Section: 291]

#### 23. CHILD SUPPORT DEBT REDUCTION PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$10,416,000               | - \$10,416,000                    | \$0        |

**Governor:** Create a new statutory TANF allocation and provide \$3,472,000 in 2023-24 and \$6,944,000 in fiscal year 2024-25 to support a new child support debt reduction program. Direct DCF to promulgate rules to implement the program, including how the debt reduction would be apportioned among multiple child support orders.

Specify that a noncustodial parent would qualify if all of the following apply: (a) the noncustodial parent completes an eligible employment program, as defined by DCF in its rules; and (b) the custodial parent agrees to reduce child support debt owed up to the amount of the benefit paid. Provide that a noncustodial parent may not receive debt reduction more than once in a 12-month period.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 24. STATE ADMINISTRATION OF WISCONSIN WORKS AND OTHER RELATED TANF PROGRAMS [LFB Paper 105]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| FED | \$3,087,800                | - \$289,600                       | \$2,798,200 |

**Governor:** Provide \$1,339,400 in 2023-24 and \$1,748,400 in 2024-25 to support the costs of administering TANF-related programs, including the following.

*BRITS.* Provide one-time funding of \$118,300 in 2023-24 and \$322,900 in 2024-25 for enhancements and system upgrades for the Benefit Recovery Investigation Tracking System (BRITS). BRITS is an IT system used by DCF, DHS, and county income maintenance staff to assist in the recovery of overpayments made under several public assistance programs. The program became operational in 2017, and additional features to the system are in development.

*HOPE.* Provide \$187,200 annually to support a contracted position to manage implementation of a new Housing, Opportunity, Planning, and Empowerment (HOPE) program, DCF indicates that the program would provide financial literacy and empowerment services to families receiving Wisconsin Works benefits.

*eWiSACWIS*. Provide one-time funding of \$268,800 in each year of the biennium to support the vendor contract to develop mobile solutions and other advancements to the Wisconsin statewide automated child welfare information system (eWiSACWIS).

*CARES.* Provide \$199,200 in 2023-24 and \$316,400 in 2024-25 to support administrative vendor contract costs for the Client Assistance for Re-employment and Economic Support (CARES) system.

*Homeless Case Management Services.* Provide \$14,900 in 2023-24 and \$36,600 in 2024-25 to support staffing costs for the homeless case management services grant program.

*Standard Budget Adjustments.* Increase TANF funding by \$551,000 in 2023-24 and by \$616,500 in 2024-25 to reflect standard budget adjustments, including: (a) turnover reduction (-\$127,500 annually); (b) full funding of continuing position salaries and fringe benefits (\$428,100 annually); and (c) full funding of lease and directed moves costs (\$22,300 in 2023-24 and \$11,800 in 2024-25). Finally, a funding increase of \$228,100 in 2023-24 and \$304,100 in 2024-25 would be for staff costs associated with health insurance, retirement, and reserves.

**Joint Finance/Legislature:** Reduce funding by \$144,800 annually to reflect the following changes: (a) removal of the \$187,200 annually for HOPE; (b) increasing the turnover reduction by \$85,000 annually, as summarized under "Departmentwide;" and (c) providing \$127,400 annually to fund the DCF cybersecurity plan, as summarized under "Departmentwide."

[Act 19 Section: 294]

### 25. CARETAKER SUPPLEMENT [LFB Paper 256]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-----|----------------------------|-----------------------------------|----------------|
| FED | - \$11,338,700             | - \$4,261,000                     | - \$15,599,700 |

**Governor:** Reduce funding by \$5,382,600 in 2023-24 and \$5,956,100 in 2024-25 to reflect a reestimate of TANF-supported program costs for the caretaker supplement program, a program administered by the Department of Health Services that provides monthly cash payments to adults who receive supplemental security income (SSI) payments and have dependent children. Under the program, in addition to receiving state and federal SSI benefit payments, SSI recipients with dependent children receive a caretaker supplement of \$250 per month for the first child and \$150 per month for each additional child.

Base TANF funding budgeted in DCF for benefits and administration of the caretaker supplement is \$18,145,000. DHS funds caretaker supplement payments with a combination of GPR and TANF transferred from DCF. The GPR budgeted for payments is provided to enable the state to continue to meet federal SSI maintenance of effort requirements.

Under the bill, a total of \$12,762,400 in 2023-24 and \$12,188,900 in 2024-25, funded from TANF, would be budgeted to fund caretaker supplement payments and program administration costs.

**Joint Finance/Legislature:** Reduce funding by \$3,062,500 in 2023-24 and by \$1,198,500 in 2024-25 to reflect: (a) the cost of increasing the supplement by 10%, from \$250 for the first

child and \$150 for each additional child, to \$275 for the first child and \$165 for each additional child, effective July 1, 2023; and (b) reestimates of TANF-funded and GPR-funded state SSI supplemental payments.

[Act 19 Sections: 296 and 312]

#### 26. EARNED INCOME TAX CREDIT -- PROGRAM MODIFICATIONS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$87,080,000               | - \$87,080,000                    | \$0        |

**Governor:** Increase funding for the refundable portion of the earned income tax credit by \$42,420,000 in 2023-24 and \$44,660,000 in 2024-25. The funding would support modifications to the tax credit, which would increase the amounts qualifying individuals could claim. [See "General Fund Taxes -- Refundable Tax Credits and Other Payments."]

Under the bill, the total TANF funding that would be budgeted to fund the refundable portion of the earned income tax credit would increase from \$66,600,000 to \$109,020,000 in 2023-24 and \$111,260,000 in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 27. SKILLS ENHANCEMENT GRANTS [LFB Paper 255]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$500,000                  | - \$500,000                       | \$0         |
| FED   | 0                          | 1,000,000                         | 1,000,000   |
| Total | \$500,000                  | \$500,000                         | \$1,000,000 |

**Governor:** Increase funding for skills enhancement grants by \$250,000 annually. Base funding for the program is \$250,000, so \$500,000 would be budgeted annually for DCF to provide as grants to community action agencies (CAAs).

CAAs use grant funds to assist eligible persons overcome barriers to employment and education, including access to transportation, child care, career counseling, job placement assistance, and financial support for education and training. These services are limited to individuals who work at least 20 hours per week and whose earned income is at or below 150 percent of the federal poverty level (\$37,290 for a family of three in 2023).

**Joint Finance/Legislature:** Delete the Governor's funding increase (-\$250,000 GPR annually). Instead, increase funding for the program by \$500,000 FED in 2023-24 and 2024-25 on

a one-time basis. Together with base funding (\$250,000 GPR), \$750,000 (all funds) would be budgeted in both 2023-24 and 2024-25 for grants.

[Act 19 Section: 292]

#### **28.** CHILD CARE FEE REVENUE REESTIMATE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| FED   | \$61,600                   | \$49,000                          | \$110,600  |
| PR    | - 61,600                   | - 49,000                          | - 110,600  |
| Total | \$0                        | \$0                               | \$0        |

**Governor:** Reduce funding by \$30,800 PR annually to reflect estimates of child care licensing fee revenue available to support program costs, and, in order to support the cost to continue TANF-related programs, increase FED (TANF) funding by corresponding amounts. This reestimate of program revenue and reallocation of TANF is reflected as: (a) a reduction in PR expenditures, with corresponding FED increases, for administrative standard budget adjustments of \$112,200 in 2023-24 and \$97,500 in 2024-25; and (b) an increase of \$81,400 PR in 2023-24 and \$66,700 PR in 2024-25 budgeted for program administration (supplies and services), with corresponding decreases in federal spending.

**Joint Finance/Legislature:** Decrease PR funding by \$24,500 annually and increase FED funding by a corresponding amount to support the implementation of a cybersecurity plan, described under "Departmentwide."

#### 29. TANF ALLOCATIONS

**Governor:** Redefine "allocate" to mean, with respect to any of the programs listed in the statutory schedule of TANF-funded programs that fund a contract for services, to designate an amount of money equal to the amount under the contract that DCF is obligated to pay.

According to DCF, contract vendors often bill for the final month or quarter after services are performed and after the end of the fiscal year. This has the effect of the state budget system accounting for the previous year's TANF expenditures at the beginning of the next fiscal year. As a result, the TANF allocation is underspent in the first year and overspent in the second.

With the proposed change, the timing of expenditures would not affect the allocations specified in the statutory schedule. DCF could contract to spend the exact amounts each fiscal year without underspending caused by end of year billing cycles. Current law provisions requiring DCF to seek permission from the Joint Committee on Finance in order to reallocate funding between programs would continue to apply.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **30. DIRECT CHILD CARE SERVICES -- SUBSIDY** FED \$22,000,000 **PHASE-OUT** [LFB Paper 251]

**Joint Finance/Legislature:** Provide \$22,000,000 in 2024-25 and, beginning in 2024-25, change the increase in Wisconsin Shares copayments above the phase-out threshold to \$1 for every \$5 increase in a participating household's income, rather than \$1 for to every \$3 increase in a participating household's income, as under current law.

[Act 19 Sections: 287, 293, and 9406(1r)]

# **31. DIRECT CHILD CARE SERVICES -- WISCONSIN SHARES** [FED \$5,000,000 [INITIAL ELIGIBILITY EXPANSION [LFB Paper 251]]

**Joint Finance/Legislature:** Provide \$5,000,000 in 2024-25 to set a single initial eligibility and phase-out threshold for Wisconsin Shares subsidies at 200% of the federal poverty level (FPL), beginning in 2024-25. Under current law, applicants are financially eligible for Wisconsin Shares if their annual income is at or below 185% of the FPL. The required family copayments increase by \$1 for every \$3 a participating family's income increases above the 200% FPL phase-out threshold. They remain financially eligible so long as their income remains at or below the phase-out threshold of 85% of the state median income.

[Act 19 Sections: 286, 293, and 9406(1r)]

## **32.** QUALITY CARE FOR QUALITY KIDS -- QUALITY FED RATING AND IMPROVEMENT SYSTEM (YOUNGSTAR) [LFB Paper 253]

**Joint Finance/Legislature:** Provide \$10,000,000 in 2023-24 and \$20,000,000 in 2024-25 to the statutory allocation for quality care for quality kids to fund the resumption of YoungStar adjustment to subsidies under the Wisconsin Shares child care subsidy program based on the number of stars child care providers earn.

[Act 19 Sections: 285 and 295]

## **33.** QUALITY CARE FOR QUALITY KIDS -- REWARD FED \$5,000,000 STIPENDS [LFB Paper 254]

**Joint Finance/Legislature:** Provide \$5,000,000 in 2024-25 to support enhanced REWARD stipends. The REWARD program provides stipends to child care providers and teachers, provided they meet certain requirements for education, employment, and career longevity. Stipend amounts are based on the individual's career level in the Registry, a credential system for the child care and education profession. The Registry awards certificates for specialized teaching fields and determines an individual's placement into the career levels system based on the individual's education and training. Including base funding, a total of \$5,700,000 would be provided in 2024-25 for REWARD stipends.

\$30,000,000

**Veto by Governor [A-6]:** Delete the requirement that this funding be expended solely for the REWARD program, so that DCF may also expend this funding on the Teacher Education and Compensation Helps (TEACH) program, which provides scholarships to teachers and child care providers for educational costs directly related to the child care field.

[Act 19 Section: 295]

[Act 19 Vetoed Section: 282c]

### **34.** QUALITY CARE FOR QUALITY KIDS -- SHARED FED \$2,500,000 SERVICES NETWORK [LFB Paper 254]

**Joint Finance/Legislature:** Provide \$2,500,000 in 2024-25 to support development and expansion of the Wisconsin Early Education Shared Services Network (WEESSN). Child care providers use WEESSN to pool resources and achieve economies of scale in purchasing supplies, conducting training, and recruiting workers.

[Act 19 Sections: 284 and 295]

#### **35.** QUALITY CARE FOR QUALITY KIDS -- CHILD CARE FED \$2,600,000 RESOURCE AND REFERRAL

**Joint Finance/Legislature:** Provide \$1,300,000 annually for child care resource and referral services. Wisconsin contracts with locally based child care resource and referral agencies to provide the following services: (a) connect parents with child care services and consumer education to make informed choices in selecting child care; (b) provide guidance to parents on child development, early learning, child abuse and neglect prevention, health and wellness, early care and education, and school-readiness; (c) develop professionals who care for and educate children; (d) deliver training and professional development, conferences, on-site consultation, and networking opportunities; (e) design, implement, and evaluate child care quality improvement initiatives; and (f) collect, analyze, and share data about early child care and education. Resource and referral agencies also function as local YoungStar offices. Together with base funding, overall funding would be \$2,598,600 annually.

[Act 19 Sections: 283 and 295]

## **36. NATIONAL READING PROGRAM**

**Joint Finance/Legislature:** Create an annual GPR appropriation to support national reading program grants. Provide \$500,000 GPR annually to the Joint Committee on Finance supplemental appropriation for this purpose. The fiscal effect of this provision is shown under "Program Supplements."

[Act 19 Section: 110]

# **37. EARNED INCOME TAX CREDIT - REESTIMATE** [LFB Paper 250]

- \$6,473,000

**Joint Finance/Legislature:** Reduce funding for the refundable portion of earned income tax credit by \$4,875,000 in 2023-24 and \$1,598,000 in 2024-25 to reflect reestimates of credit claims under current law. [See "General Fund Taxes -- Income and Franchise Taxes."]

Under Act 19, total TANF funding budgeted to fund the refundable portion of the earned income tax credit decreases from \$66,600,000 in 2022-23 to \$61,725,000 in 2023-24 and \$65,002,000 in 2024-25.

[Act 19 Section: 301]

# Child Welfare

#### 1. **DOMESTIC ABUSE SERVICES** [LFB Paper 265]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$40,434,600               | - \$40,434,600                    | \$0        |

Governor: Provide \$20,217,300 annually to increase grant funding for domestic abuse services.

First, create a new program, the Living Independently through Financial Empowerment (LIFE) program, to provide assistance to survivors of domestic abuse. Create an appropriation for the program, and authorize DCF to allocate up to \$14,000,000 annually to fund the LIFE program. Specify that DCF may contract with a Wisconsin Works agency to administer the program.

Second, provide the remaining \$6,217,300 per year to increase grant funding budgeted under the domestic abuse grant program DCF currently administers. Under current law, DCF provides grant funding to nonprofit organizations and public agencies that provide shelter, advocacy, counseling, 24-hour phone assistance, and community education related to domestic abuse. Under the bill, total annual funding for this grant program would increase from \$12,434,600 to \$18,651,900. Of this funding, the statutes currently require grants for specific purposes totaling \$1,648,900.

Joint Finance/Legislature: Provision not included.

#### 2. INTENSIVE FAMILY PRESERVATION SERVICES

|                     |  | vernor<br>to Base) |  | nce/Leg.<br>to Gov)               | <u>Net (</u>     | Change  |
|---------------------|--|--------------------|--|-----------------------------------|------------------|---|
|                     | Funding  | Positions          | Funding                                      | Positions                         | Funding          | Positions   |
| GPR<br>FED<br>Total | \$33,163,400<br><u>2,671,400</u><br>\$35,834,800 | 1.00 -             | 33,163,400<br><u>2,671,400</u><br>35,834,800 | - 1.00<br><u>- 1.00</u><br>- 2.00 | \$0<br>_0<br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

**Governor:** Provide \$17,889,000 (\$16,567,500 GPR and \$1,321,500 FED) in 2023-24 and \$17,945,800 (\$16,595,900 GPR and \$1,349,900 FED) in 2024-25 and 2.0 positions (1.0 FED and 1.0 GPR), beginning in 2023-24, to provide intensive services to promote children's safety and prevent removal from the home and stabilize children in out-of-home care and the juvenile detention system to support their placement in the least-restrictive setting appropriate. Create an appropriation for this purpose and authorize DCF to provide these services or to contract with another entity to do so, including providing training, oversight, data analysis, and funds for certification or licensing related to implementing these services. Authorize DCF to develop criteria and standards for administering these services, and exempt these criteria and standards from the administrative rulemaking process. Separately, authorize DCF to create, maintain, and require use of a clearinghouse for group care referrals.

The Administration indicates that few in-home prevention services are currently available to families. The largest prevention programs funded by the state are the Family Foundations Home Visiting program and grant programs operated by the Child Abuse and Neglect Prevention Board. DCF identifies the Intercept model developed by Youth Villages, which is listed as well-supported by evidence on the national Title IV-E prevention services clearinghouse, as an example of a service delivery structure that could be supported with this funding. The Intercept model would provide mental health interventions, 24/7 crisis support, guidance through school and legal challenges, and parent training.

This item includes \$17,718,400 (\$16,482,200 GPR and \$1,236,200 FED under Title IV-E) annually to reflect DCF's estimate of the cost to provide intensive services through 26 locations across the state, using the Intercept model as the basis for estimates. The position authority and remaining funding (\$170,600 in 2023-24 and \$227,400 in 2024-25) reflects DCF's intent to add two advanced program and policy analysts to administer the program, funded with 50% Title IV-E matching.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. KINSHIP CAREGIVER SUPPORTS AND SEARCH SERVICES [LFB Paper 266]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$16,496,500               | - \$16,496,500                    | \$0        |

Governor: Provide \$8,259,400 in 2023-24 and \$8,237,100 in 2024-25 to provide additional

support for kinship care providers and to assist in identifying potential kinship care placements.

Authorize DCF and county child welfare agencies to provide additional payments or services to support kinship care providers and create a GPR appropriation for that purpose. Authorize DCF to promulgate rules implementing such supports, including specifying eligibility criteria and qualifying costs and services.

This item includes \$7,868,200 in 2023-24 and \$7,845,900 in 2024-25 to fund flexible supports for kinship care providers. DCF indicates that services and financial support could provide assistance with costs of care that may otherwise jeopardize a placement or potential placement, such as clothing, food, transportation, child care, and extra-curricular activities. The funding amount reflects DCF estimates that 41% of court-ordered and voluntary kinship care placements would receive supports, at an average annual cost of \$3,500 per child.

The remaining funding (\$391,200 annually) reflects DCF's intent to contract for access to a national database to identify relatives of a child. DCF and county child welfare agencies would use this service to improve their ability to identify potential kinship care placements.

Joint Finance/Legislature: Provision not included.

## 4. FOSTER CARE AND KINSHIP CARE RATES [LFB Paper 266]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$1,176,100                | - \$22,800                        | \$1,153,300 |
| FED   | 618,500                    | - 12,000                          | 606,500     |
| Total | \$1,794,600                | - \$34,800                        | \$1,759,800 |

**Governor:** Provide \$598,200 (\$392,000 GPR and \$206,200 FED) in 2023-24 and \$1,196,400 (\$784,100 GPR and \$412,300 FED) in 2024-25 to increase base monthly rates paid to foster care providers.

Increase the base monthly rates for basic foster care (level two) and treatment foster care (levels three through five) by 5%, to the amounts shown in the table below.

|                      | Current<br><u>Rate</u> | Proposed<br><u>Rate</u> |
|----------------------|------------------------|-------------------------|
| Up to Age Five       | \$420                  | \$441                   |
| Ages Five through 11 | 460                    | 483                     |
| Ages 12 through 14   | 522                    | 548                     |
| Ages 15 and Over     | 545                    | 572                     |

Modify monthly rates paid to kinship care providers and foster care providers with childspecific (level one) licenses (typically relatives or others with a close relationship to the child they are fostering) so that, rather than receiving a flat \$300 payment regardless of the age of the child, the kinship care or relative foster care payment would equal the same age-based rates paid to basic and treatment foster care providers.

Specify that these rate increases would take effect January 1, 2024. Increase the statutory amount paid to counties under Children and Family Aids to account for the estimated cost to counties to provide increased foster care payments.

The funding amount reflects \$1,156,100 (all funds) per year for the 5% increase to basic and treatment foster care base rates and \$40,300 (all funds) per year for the increase of relative foster care rates to match the age-based rates, beginning January 1, 2024. The federal share of the funding reflects estimated reimbursements under Title IV-E. Kinship care payments are fully supported by TANF funds. As summarized under an item in "TANF and Economic Support," the bill would increase FED TANF funding by \$8,264,700 in 2023-24 and \$16,482,300 in 2024-25 to reflect the Administration's estimate of the cost of implementing these changes in kinship care payments.

While counties, other than Milwaukee, are financially responsible for foster care payments, child welfare operations, and related services, DCF distributes Children and Family Aids (CFA) to counties to support these costs. Of the funding provided, the bill appropriates \$396,200 (\$259,600 GPR and \$136,600 FED) in 2023-24 and \$792,400 (\$519,300 GPR and \$273,100 FED) to increase CFA payments by the estimated cost counties would incur to provide the increased rates. Base CFA funding on an all-funds basis is \$101,162,800 per year.

**Joint Finance/Legislature:** Instead of adopting age-based rates for kinship care and childspecific foster care, adopt a flat rate of \$375 per child per month, an increase from \$300 per child per month under current law. Reduce funding by \$11,600 (-\$7,600 GPR and -\$4,000 FED under Title IV-E) in 2023-24 and by \$23,200 (-\$15,200 GPR and -\$8,000 FED under Title IV-E) in 2024-25 to account for this change to child-specific foster care.

To account for this change to kinship care rates, as summarized under "TANF and Economic Support," reduce funding by \$4,740,400 FED (TANF) in 2023-24 and \$9,350,100 FED (TANF) in 2024-25.

The reductions in funding related to child-specific foster care include reductions of \$7,600 (\$5,000 GPR and \$2,600 FED under Title IV-E) in 2023-24 and \$15,600 (\$10,300 GPR and \$5,300 FED under Title IV-E) in amounts appropriated to increase the CFA allocation. Net of this change and the exclusion of Item 5, the statutory amount distributed under CFA is increased by \$388,600 in 2023-24 and \$776,800 in 2024-25 relative to the base amount. This would bring the total distributions to \$101,551,400 in 2023-24 and \$101,939,600 in 2024-25.

[Act 19 Sections: 113 and 255 thru 258]

## 5. EXCEPTIONAL PAYMENTS FOR KINSHIP CARE AND RELATIVE FOSTER CARE [LFB Paper 266]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$12,800                   | - \$12,800                        | \$0        |
| FED   | <u>6,900</u>               | <u>- 6,900</u>                    | <u>0</u>   |
| Total | \$19,700                   | - \$19,700                        | \$0        |

**Governor:** Provide \$9,400 (\$6,100 GPR and \$3,300 FED) in 2023-24 and \$10,300 (\$6,700 GPR and \$3,600 FED) in 2024-25 to increase rates paid to foster care providers with child-specific (level one) licenses, who are typically relatives or others with a close relationship to the child they are fostering, to include exceptional payments to allow siblings or a minor parent and their child to be placed together and an initial clothing allowance. Modify administrative code related to exceptional payments made to basic foster care (level two) and treatment foster care (levels three through five) providers to permit these payments to relative foster care providers.

Separately, modify statutes to permit the same exceptional payments to be made to kinship care providers, and authorize DCF to promulgate rules implementing these payments. Create administrative rules specifying that these exceptional payments may be made, subject to a maximum amount determined by DCF.

Authorize emergency payments to kinship care providers, subject to DCF approval and in amounts determined by DCF, if any of the following apply to the location where the kinship care provider lives: (a) the Governor has declared a state of emergency; (b) the federal government has declared a major disaster; (c) the state has received federal funding for child welfare purposes due to an emergency or disaster; or (d) DCF determines that conditions such as a pandemic or other public health threat, a natural disaster, or unplanned school closures of five or more consecutive days have resulted in a temporary increase in care costs. Authorize DCF to promulgate administrative rules to implement these emergency payments.

The federal share of the funding provided reflects estimated reimbursements under Title IV-E. Kinship care payments are fully supported by TANF funds. As described under "TANF and Economic Support," the bill would provide an additional \$171,600 FED in 2023-24 and \$342,100 FED in 2024-25 in TANF funds to make these supplemental payments to kinship care providers, beginning January 1, 2024.

While counties, other than Milwaukee, are financially responsible for foster care payments, child welfare operations, and related services, DCF distributes Children and Family Aids (CFA) to counties to support these costs. Of the funding provided, the bill provides \$5,700 (\$3,800 GPR and \$1,900 FED) in 2023-24 and \$6,400 (\$4,200 GPR and \$2,200 FED) to increase CFA payments by the estimated cost counties would incur to provide the exceptional payments. Base CFA funding on an all-funds basis is \$101,162,800 per year.

Joint Finance/Legislature: Provision not included.

## 6. ELIGIBILITY OF LIKE-KIN FOR KINSHIP CARE [LFB Paper 266]

**Governor:** Provide \$7,826,700 in 2023-24 and \$9,661,300 in 2024-25 in TANF funding, as described under "TANF and Economic Support," to expand eligible placements under the kinship care program to include adults with a strong relationship to the child similar to a familial relationship. Make statutory changes to implement this expansion, as detailed below.

Kinship care is one potential court-ordered or voluntary out-of-home care placement setting, similar to foster care or congregate care. Under current law, children can be placed with any descendant of their great-great-great-grandparents other than third cousins, cousins once removed, or more distant cousins, including step-siblings, -uncles, and -aunts, and including the spouse or former spouse of any such relative. Relatives providing kinship care do not need to be licensed as foster care providers, although they may be required to pursue licensure to continue receiving monthly kinship care payments.

The bill would permit kinship care placements with first cousins once removed and with like-kin, defined as people with a significant emotional relationship to the child or their family that is similar to a familial relationship. The bill excludes former foster parents from the definition of like-kin for this purpose, but specifies that current and former foster parents may still participate in permanency planning for children placed in a qualified residential treatment program, as under current law. For Native American children, the bill specifies that like-kin can include people identified by the child's tribe or band according to tribal law, code, resolution, or tradition.

The bill further modifies statutes to expand provisions that apply to kinship care placements with a relative to also apply to placements with like-kin, including provisions of the Children's Code and Juvenile Justice Code.

The state assumes financial responsibility for kinship care payments in every county, tribe, and band and funds monthly kinship care payments with TANF funding. DCF estimates that the expansion of kinship care to include like-kin will increase non-tribal placements by 20%, that the inclusion of caregivers identified by a tribe or band will increase tribal placements by 40%, and that the inclusion of first cousins once removed would increase all placements by half a percent. Summarized separately, the bill would increase kinship care rates to use the same age-based rates and supplements paid under non-relative foster care. The table below summarizes the estimated cost of each eligibility expansion in this item under current rates and under the proposed rates.

|                          |             | Under<br>nt Rates |             | Under<br>ed Rates |
|--------------------------|-------------|-------------------|-------------|-------------------|
| Included Group           | 2023-24     | <u>2024-25</u>    | 2023-24     | 2024-25           |
| Like-Kin                 | \$5,462,200 | \$5,446,700       | \$6,614,700 | \$8,126,400       |
| Tribal Designees         | 864,200     | 892,600           | 1,046,600   | 1,331,700         |
| 1st Cousins Once Removed | 136,600     | 136,200           | 165,400     | 203,200           |
| Total                    | \$6,463,000 | \$6,475,500       | \$7,826,700 | \$9,661,300       |

#### Joint Finance/Legislature: Provision not included.

### 7. DIVISION OF MILWAUKEE CHILD PROTECTIVE SERVICES -- AIDS PAYMENTS AND CONTRACTED SERVICES Total

| 'n  | \$5,035,100 |
|-----|-------------|
| D   | 3,504,000   |
| tal | \$8,539,100 |

**Governor/Legislature:** Provide \$4,274,300 (\$2,521,100 GPR and \$1,753,200 FED) in 2023-24 and \$4,264,800 (\$2,514,000 GPR and \$1,750,800 FED) in 2024-25 to reflect reestimates of the cost of Division of Milwaukee Child Protective Services (DMCPS) aids payments and contracted services. Base funding for these costs is \$111,112,300 (\$70,591,000 GPR, \$23,601,300 PR, and \$16,920,000 FED).

This item includes the following: (a) an adjustment to the division of costs between GPR and FED to reflect updated claiming and federal matching rates (-\$694,700 GPR and \$694,700 FED annually); (b) a decrease in funding for out-of-home care and wraparound services, to reflect expected caseloads and service costs lower than the base budget, of \$3,327,200 (-\$3,175,000 GPR and -\$152,200 FED) in 2023-24 and a decrease of \$3,336,700 (-\$3,182,100 GPR and -\$154,600 FED) in 2024-25; and (c) an increase in funding for aids contracts costs, such as funding for case management, court services, placement services, and foster parent training, of \$7,601,500 (\$6,390,800 GPR and \$1,210,700 FED) annually.

## 8. MILWAUKEE CARE AND TREATMENT SERVICES [LFB Paper 267]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$15,463,000               | - \$15,463,000                    | \$0        |

**Governor:** Provide \$4,381,000 in 2023-24 and \$11,082,000 in 2024-25 for services provided by DMCPS. DCF intends to use this funding to fill gaps they have identified in the continuum of care and treatment services currently available in the county. The funding reflects the following: (a) \$1,820,000 in 2023-24 and \$3,640,000 in 2024-25 to expand and improve access to mental, behavioral, and crisis health care services ; (b) \$1,261,000 in 2023-24 and \$2,522,000 in 2024-25 to expand the capabilities of assessment and stabilization centers to work with children with high needs; (c) \$2,320,000 in 2024-25 to contract for a dedicated qualified residential treatment program (QRTP) facility; and (d) \$1,300,000 in 2023-24 and \$2,600,000 in 2024-25 to provide expanded aftercare supports for children transitioning from a residential treatment setting to a foster family home or other less restrictive setting.

DCF indicates that many children in out-of-home care currently face waitlists and restrictions to access needed mental health care and behavioral health care. All children enrolled in out-of-home care receive health care coverage through the Medical Assistance (MA) program. DMCPS additionally contracts for mobile crisis services, but does not currently have dedicated contracts for other mental and behavioral health care that could prevent crises or provide transitional support once a child in crisis has been stabilized. The provided funding reflects estimated costs to contract with additional mental, behavioral, and crisis care providers to deliver urgent services to approximately 140 children per year, beginning in calendar year 2023, for periods of 60–90 days while access to long-term service providers is secured.

Assessment and stabilization centers provide a temporary placement for youth age 12 through 17 when they first enter care, experience a crisis, or otherwise need stabilization and an assessment of what subsequent placement would best meet their needs. DMCPS currently contracts with three centers providing 20 beds total. DCF indicates that ASCs do not currently have sufficient staff, medical professionals, and physical configurations to stabilize and assess children in severe crisis or with complex needs.

QRTPs provide short-term, intensive, residential treatment to children with the highest level of mental health care need. DCF indicates that Milwaukee children with this level of need are often placed out of state or in areas of the state far from family and other supports. DCF estimates that contracting for a dedicated QRTP for DMCPS would have ongoing costs of \$2,320,000 per year. The provided funding reflects \$1,160,000 for start-up costs over six months beginning July 2024 and \$1,160,000 for operating costs for the final six months of 2024-25.

QRTPs currently provide limited aftercare services to facilitate children's transitions back into family settings, but not all other congregate care placements do. DCF intends to use the provided funding to expand aftercare services, including maintaining contact with the same providers, extending the time over which interventions are tapered off, providing therapy, and training foster parents in medication management and crisis intervention. The funding provided reflects DCF's estimates of service costs of \$26,000 per discharge from congregate care and providing expanded aftercare services for 100 discharges per year beginning in calendar year 2023.

Joint Finance/Legislature: Provision not included.

# 9. MILWAUKEE CASE AIDES, MONITORING, AND ON-SITE CARE [LFB Paper 267]

|       |             | vernor<br><u>to Base)</u> |             | nce/Leg.<br>to Gov <u>)</u> | <u>Net (</u> | Change_     |
|-------|-------------|---------------------------|-------------|-----------------------------|--------------|-------------|
|       | Funding     | Positions                 | Funding     | Positions                   | Funding      | Positions   |
| GPR   | \$1,252,500 | 4.60 -                    | \$1,252,500 | - 4.60                      | \$0          | 0.00        |
| FED   | 61,300      | 0.40                      | - 61,300    | - 0.40                      | 0            | <u>0.00</u> |
| Total | \$1,313,800 | 5.00 -                    | \$1,313,800 | - 5.00                      | \$0          | 0.00        |

**Governor:** Provide \$510,900 (\$484,600 GPR and \$26,300 FED) in 2023-24 and \$802,900 (\$767,900 GPR and \$35,000 FED) and 5.0 positions (4.6 GPR and 0.4 FED), beginning in 2023-24, to improve DMCPS operations. The Administration intends to convert LTE case aide positions that assist initial assessment specialists into permanent positions (\$125,700 in 2023-24 and \$167,600 in 2024-25 and 2.0 positions), contract for child care services while initial assessments are being conducted (\$183,000 GPR in 2023-24 and \$366,000 GPR in 2024-25), and increase contract and performance monitoring capacity (\$202,200 in 2023-24 and \$269,300 in 2024-25 and 3.0 positions). Under this item, 8% of the costs would be supported with federal funds DCF claims under Title IV-E, which is the rate currently applied to DMCPS staff.

DCF currently uses temporary project positions to hire assistants to support the work of initial assessment specialists. These aides require less expertise and training than assessment

specialists require, and allow specialists to work more quickly and efficiently by taking on tasks such as transporting and supervising children, collecting information, and clerical tasks. DCF describes the temporary nature of these positions as creating a barrier to recruiting and maintaining these staff and increasing costs of hiring and training.

Currently, when a child is removed from their home, immediate care for that child is the responsibility of the initial assessment specialist (or case aide, if available) while they complete the assessment and identify an out-of-home placement. DCF intends to contract with a child care center to provide 24/7 access to professional child care with staff and facilities equipped for children that may be distraught or have other behavioral responses to being removed from their family home. The funding in this item reflects an estimated annual cost of \$366,000, beginning in calendar year 2024, for the contract.

When DMCPS places a child in out-of-home care, the case is assigned to a contracted agency to provide case management and ongoing services to the child and their family. Currently, four program and policy analysts and one manager oversee these contracts, including measuring performance and working to reduce the use of congregate care. In addition, the quality improvement section for DMCPS as a whole consists of seven staff that collect program data, analyze system needs, and assist in policy development. DCF intends to add three program and policy analysts to these sections to meet increased contract oversight workload, improve data analysis and reporting, and work to improve the quality of care in DMCPS.

Joint Finance/Legislature: Provision not included.

## **10. MILWAUKEE PREVENTIVE RESPITE SHELTER**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,098,300                | - \$1,098,300                     | \$0        |

**Governor:** Provide \$366,100 in 2023-24 and \$732,200 in 2024-25 for services provided by DMCPS. The Administration intends to use this funding to offer short-term respite child care and shelter for families in emergencies.

DCF describes short-term disruptions, such as medical appointments, evictions, or domestic violence, as contributing to many referrals to child protective services. As an alternative to removing children to out-of-home care in these situations, DCF intends to use this funding to contract for a 24/7 center that could provide respite child care for 10 to 12 children, or family shelter care, for up to 72 hours. The funding in the bill reflects an estimated cost of \$732,200 per year, beginning in January, 2024.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. TRIBAL HIGH-COST PLACEMENTS AND PREVENTION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$7,925,000                | - \$7,925,000                     | \$0        |

**Governor:** Provide \$3,825,000 in 2023-24 and \$4,100,000 in 2024-25 to increase state support for unusually high-cost out-of-home care placements ordered by tribal courts and for family services. Create two separate GPR appropriations for these purposes, to supplement existing allocations of federal grant funds and tribal gaming revenue. The funding includes: (a) \$3,000,000 annually budgeted for high-cost placements; and (b) \$825,000 in 2023-24 and \$1,100,000 in 2024-25 for tribal family services.

Currently, counties, tribes, and bands may request funding on a case-by-case basis from the tribal high-cost pool, funded with \$717,500 annually in PR from tribal gaming receipts. These funds can support (a) unexpected or unusually high-cost out-of-home care placements, such as congregate care placements, ordered by tribal courts; and (b) out-of-home placements of Native American juveniles who have been adjudicated delinquent by tribal courts. DCF restricts reimbursement to the portion of costs for a single placement that exceed \$50,000 in a year. DCF indicates that typical annual requests exceed the available funding by approximately \$3,000,000.

Under current law, the tribal family services program (FSP) provides annual allocations to each tribe and band that can be used to supplement a variety of human services, including domestic abuse prevention, child welfare, self-sufficiency, teen parenting, youth services, and child care. In 2023, DCF distributed \$2,631,400, comprised of \$1,867,500 PR from tribal gaming revenues, \$408,700 FED from the MaryLee Allen Promoting Safe and Stable Families program under Title IV-B of the Social Security Act, and \$355,200 FED from the community services block grant (CSBG). DCF provides FSP funding to tribes and bands on a federal fiscal year basis. The funding provided in this item reflects an average increase of \$100,000 per tribe or band, beginning in federal fiscal year 2024.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 12. TRIBAL SUBSIDIZED GUARDIANSHIPS [LFB Paper 268]

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|---------|----------------------------|-----------------------------------|-------------|
| GPR     | \$539,200                  | - \$539,200                       | \$0         |
| FED     | 292,600                    | 0                                 | 292,600     |
| PR      | 0                          | 539,200                           | 539,200     |
| Total   | \$831,800                  | \$0                               | \$831,800   |
| GPR-Tri | bal \$0                    | - \$539,200                       | - \$539,200 |

Governor: Provide \$395,800 (\$256,600 GPR and \$139,200 FED) in 2023-24 and \$436,000

(\$282,600 GPR and \$153,400 FED) in 2024-25 to reimburse tribes and bands for the cost of subsidized guardianships. Modify the GPR and FED appropriations currently used to reimburse counties for these costs to authorize reimbursements to tribes and bands. Authorize DCF to enter into agreements with tribal governments to provide reimbursement for subsidized guardianships, but require that such agreements require tribes and bands to comply with all requirements for administering subsidized guardianships that apply to counties, including eligibility. Make modifications to the statutes related to subsidized guardianships to expand provisions that apply to counties to also apply to tribes and bands. Specify that a county may continue to make payments, and receive state reimbursement, for subsidized guardianships ordered by a tribal court if that county has entered into an agreement with the tribal government to do so.

The subsidized guardianship program funds payments to court-appointed guardians who provide permanent care for children with whom they have a familial or other significant emotional relationship. Subsidies are capped at the level of the foster care maintenance payment the guardian was receiving prior to the guardianship agreement. Financial responsibility for subsidized guardianships was transferred from local child welfare agencies to the state under 2021 Act 132, but the Act did not apply to subsidized guardianships ordered by a tribal court.

**Joint Finance/Legislature:** Modify this item to use tribal gaming revenue in place of GPR. Create a new PR appropriation in DCF for this purpose and create a corresponding allocation under a Department of Administration (DOA) tribal gaming appropriation. Reduce GPR revenue by corresponding amounts to reflect a reduction in the tribal gaming revenue deposited in the general fund. Specify that any amounts of tribal gaming revenue transferred to DCF under this appropriation that are not expended revert to the DOA tribal gaming appropriation at the end of the fiscal year. Delete the modification to the existing GPR appropriation used to reimburse counties for these costs.

[Act 19 Sections: 112, 114, 147, 249, and 259 thru 281]

#### **13. INDEPENDENT LIVING PROGRAM**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$7,705,000                | - \$7,705,000                     | \$0        |

**Governor:** Provide \$3,852,500 annually to maintain and enhance services provided to assist youth age 18 through 23 who were formerly in out-of-home care, such as foster care, transition to independent living.

Currently, the program assists young adults in obtaining a high school diploma, career exploration, vocational training, job placement and retention, training in daily living skills, training in budgeting and financial management skills, substance abuse prevention, preventive health activities, and other services to support self-sufficiency. The program also provides financial assistance with costs related to room and board for youth age 18 through 23 who aged out of out-

of-home care. DCF currently contracts with seven regional transitional resource agencies to provide these services statewide, and five tribes and bands. These contracts are funded with federal funds received under the Chafee Foster Care Independence Program and totaled \$1,994,500 in federal fiscal year 2022. Federal law requires that states spend no more than 25% of their total Chafee grant on room and board expenses.

The funding increase in the bill is intended to fund the following: (a) \$314,200 for an inflationary increase to contract amounts; (b) \$464,800 to allow service providers to hire additional independent living coordinators to reduce the average caseload; (c) \$225,400 to expand the availability of assistance with room and board costs to meet demand exceeding the limit on federal funds; (d) \$1,942,900 to expand eligibility to all youth who have been in out-of-home care at any time since age 16, regardless of their placement setting when they turn 18; and (e) \$905,200 to maintain eligibility for young adults ages 22 and 23. The age limit for services was extended from 21 to 23 in 2021 using a one-time increase in Chafee grant funds provided in response to the COVID-19 pandemic.

Summarized separately, the budget also provides for the consolidation of the programs and appropriations of the DCF Bureau of Youth Services, including the independent living program. The funding under this item would be provided under the consolidated appropriation. This item would increase consolidated GPR funding for youth services from \$4,840,100 to \$8,692,600 annually.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 14. HOME VISITING [LFB Paper 269]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$5,096,000                | - \$5,096,000                     | \$0        |
| FED   | <u>104,000</u>             | <u>- 104,000</u>                  | <u>0</u>   |
| Total | \$5,200,000                | - \$5,200,000                     | \$0        |

**Governor:** Provide \$1,200,000 GPR in 2023-24 and \$4,000,000 (\$3,896,000 GPR and \$104,000 FED from Title IV-E) in 2024-25 to expand the Family Foundations Home Visiting (FFHV) program.

Under current law, DCF provides FFHV grants to county agencies, cities, nonprofit agencies, tribal organizations, and collaborations to provide voluntary home visiting services to at-risk families to prevent child abuse and neglect. Services generally follow one of three national models, known as Healthy Families America, Parents as Teachers, and Nurse-Family Partnership, each of which offer supportive in-home consultations beginning as early as pregnancy, hands-on parent guidance and training, screenings for health, development, and maltreatment risks, and early interventions to prevent maltreatment. The program is primarily supported by the federal Maternal, Infant, and Early Childhood Home Visiting (MIECHV) grant, which provided \$8,564,700 in 2023.

DCF is also currently budgeted \$1,985,700 GPR and \$6,212,100 FED from TANF per year for the program, and requires local matching funds for each grant. DCF currently contracts with 22 agencies to provide home visiting services, covering 40 counties and six tribes and bands.

DCF intends to use the additional funding in the bill to expand the geographic reach of the home visiting program by contracting with approximately 12 additional organizations to provide these services in new locations. DCF indicates that each new location could serve multiple counties, tribes, or bands. The funding reflects \$100,000 per new agency in 2023-24 for start-up costs and an average of \$333,300 per new agency in ongoing funding, beginning in 2024-25, for full service costs.

Prevention services such as home visiting are eligible for a 50% federal match under Title IV-E when they are provided for children who are at imminent risk of removal to out-of-home care or are pregnant or parenting while in out-of-home care. Based on available data, DCF estimates that 5.2% of children currently served by the home visiting program had an investigated allegation of maltreatment, and that a similar share would be eligible for IV-E prevention matching funds. Hence, the funding in the bill includes a 50% federal match for 5.2% of the service expenditures.

Joint Finance/Legislature: Provision not included.

# 15. INFORMATION SYSTEM ENHANCEMENTS [LFB Paper 270]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change       |
|-------|----------------------------|-----------------------------------|------------------|
| GPR   | \$3,010,200                | - \$3,010,200                     | \$0              |
| FED   | <u>1,827,600</u>           | <u>3,010,200</u>                  | <u>4,837,800</u> |
| Total | 4,837,800                  | \$0                               | \$4,837,800      |

**Governor:** Provide \$2,418,900 (\$1,505,100 GPR and \$913,800 FED) annually, consisting of \$1,935,100 (\$1,204,100 GPR and \$731,000 FED) in one-time funding and \$483,800 (\$301,000 GPR and \$182,800 FED) in ongoing funding, for child welfare program operations. The Administration intends to use this funding for enhancements to the electronic Wisconsin Statewide Automated Child Welfare Information System (eWiSACWIS).

DCF and local child welfare agencies use eWiSACWIS as the database and case management system for all children involved in the child welfare system. DCF currently funds operation of the system with \$5,375,500 per year, consisting of \$2,321,500 GPR, \$1,935,200 FED matching funding received under Title IV-E, \$581,300 PR from counties assessed as their share of costs, and \$537,500 FED received under TANF corresponding to the share of costs related to the kinship care caseload. The one-time funding reflects a 50% funding increase to provide system modifications to meet new federal standards and improve functionality, including implementing mobile support and improving data exchanges with local agencies. The ongoing funding reflects a 10% increase to provide ongoing maintenance and improvements. Both increases are distributed among GPR, Title IV-E, and TANF funding in proportion to their current share of costs; no increase is made to the costs assessed from counties. This item reflects only the GPR and Title IV-E funding changes, while the TANF funding (\$215,000 annually in one-time funding and \$53,800

annually in ongoing funding) is shown under "TANF and Economic Support."

**Joint Finance/Legislature:** Modify funding for this item by deleting the GPR funding (-\$1,505,100 GPR annually) and replacing it with uncommitted Title IV-E funding (\$1,505,100 FED annually) to support eWiSACWIS enhancements in the 2023-25 biennium. Of the amounts budgeted in 2024-25, \$2,150,100 [(\$1,935,100 FED (Title IV-E) and \$215,000 FED (TANF)] is provided as one-time funding.

# 16. STATE OUT-OF-HOME CARE AND ADOPTIONS RE-ESTIMATE

| GPR   | - \$7,174,900 |
|-------|---------------|
| FED   | 3,024,600     |
| Total | - \$4,150,300 |

Governor/Legislature: Reduce funding by \$2,739,700 (-\$4,055,700

GPR and \$1,316,000 FED) in 2023-24 and by \$1,410,600 (-\$3,119,200 GPR and \$1,708,600 FED) in 2024-25 to reflect a reestimate of adoption assistance, subsidized guardianship, and state foster care payments, changes in federal claiming rates in the 2023-25 biennium, and an increase to state adoption services contract costs to meet new federal requirements. The state claims federal matching funding for these costs under Title IV-E of the Social Security Act.

The state adoption assistance program funds payments to families who adopt children with special needs. Basic maintenance payments are based on uniform foster care rates specified in statute, and additional payments are based on each child's individual needs.

The subsidized guardianship program funds payments to court-appointed guardians who provide permanent care for children with whom they have a familial or other significant emotional relationship. Subsidies are capped at the level of the foster care maintenance payment the guardian was receiving prior to the guardianship agreement. Financial responsibility for subsidized guardianships was transferred from local child welfare agencies to the state under 2021 Act 132. The base funding shown in the table below reflects GPR funding transferred through a request approved by the Joint Committee on Finance; the corresponding federal appropriation was not reestimated to include base funding specific to subsidized guardianships.

The state foster care program provides temporary care for children in the custody of the state. Custody may be transferred from local child welfare agencies (or DMCPS) for children who are awaiting adoption and whose parents' parental rights have been terminated, including children who have been placed in out-of-home care for 15 of the most recent 22 months.

DCF provides pre-adoption services under the public adoptions program including case management, identification of potential adoptive families, and training, and provides post-adoption supports, services, and information under the Wisconsin adoption and permanency support (WiAPS) program. The request includes an increase in funding for these services to meet federal requirements related to re-investing savings under the federal Fostering Connections to Success and Increasing Adoptions Act of 2008.

The following table summarizes, by source, the base funding for these payments and services, the funding changes under this item, and the total funding provided.

|                   |              | 2023-24      |               |              | 2024-25      |               |

| Total             | \$55,047,200 | \$53,095,400 | \$108,142,600 | \$55,983,700 | \$53,488,000 | \$109,471,700 |

#### 17. RUNAWAY AND HOMELESS YOUTH SERVICES

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,040,000                | - \$4,040,000                     | \$0        |

**Governor:** Provide \$2,020,000 annually for programs that provide services to runaway and homeless youth. Although not specified in the bill, the Administration indicates that the funding increase would be allocated as follows: (a) \$820,000 per year for grants to organizations that provide emergency shelter, crisis supports, and case management to youth generally ages 12 through 17; and (b) \$1,200,000 annually to expand a program that provides temporary housing and supportive services to youth, generally ages 17 through 21, who are at risk of becoming homeless when they age out of out-of-home care such as foster care.

Currently, DCF provides grants on a regional basis to organizations that provide residential, counseling, and other services to protect youths who have run away, are homeless, or are at risk of running away or becoming homeless and, when possible, to reunite them with their families. All programs serve youth age 12 through 17, and some serve youth as young as 10 or as old as 21. DCF currently funds this program from an appropriation of \$400,000 GPR per year—which also partially supports the housing supports for youth aging out of care described below—and approximately \$350,000 FED from the state's grant under the Stephanie Tubbs Jones Child Welfare Services Program, a federal grant that can be used to support a variety of child welfare services. DCF intends to use the funding increase to offer new grants to expand the capacity and

geographic reach of the program, and to increase GPR funding for the current grantees to account for an anticipated decline in federal grant funding and to support an increase to grant amounts. DCF notes that grant amounts were increased beginning in 2022 with one-time funding available under the American Rescue Plan Act (ARPA).

Current law requires DCF to distribute at least \$231,700 to assist youth who turn 18 while in out-of-home care to transition to a successful adulthood. DCF currently provides temporary housing and transitional supports to youth formerly in out-of-home care under the PATHS (Permanent connections, Academics, Training and employment, Housing, and Social and emotional well-being) program. This program is funded from the GPR appropriation noted above as well as a separate GPR appropriation supporting PATHS and a foster care placement continuation program. As of 2021, DCF provides PATHS grants to two organizations, totaling \$481,000 GPR per year. One grantee serves north-central Wisconsin while the other serves Milwaukee County. The funding reflects the cost of additional grants of \$240,000 each to provide PATHS services in each of the remaining five youth services regions of the state.

Summarized separately, the budget also provides for the consolidation of the programs and appropriations of the DCF Bureau of Youth Services, including the programs affected by this item. The funding under this item would be provided under the consolidated appropriation. This item would increase consolidated GPR funding for youth services from \$4,840,100 to \$6,860,100 annually.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **18. QUALIFIED RESIDENTIAL TREATMENT PROGRAM TRAINING**

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-------|----------------------------|-----------------------------------|----------------|
| GPR   | \$400,000                  | -\$400,000                        | \$0            |
| FED   | <u>0</u>                   | <u>400,000</u>                    | <u>400,000</u> |
| Total | \$400,000                  | \$0                               | \$400,000      |

**Governor:** Provide \$200,000 annually to purchase specialized training for qualified residential treatment program (QRTP) staff. QRTPs are congregate care providers that meet federal qualifications to treat youth with serious mental or behavioral needs. The 2021-23 budget provided \$140,000 GPR and \$60,000 FED (Title IV-E) in 2022-23 on a one-time basis for this purpose. This item would continue providing trainings on an ongoing basis.

Recent federal and state law changes created the QRTP designation and restricted reimbursement for out-of-home care placements with the intent of reducing placements in congregate care except for short-term, treatment-focused placements for the highest-acuity children. DCF indicates that these shifts will require more advanced skills from care providers, and the federal law requires QRTPs to implement trauma-informed methods. Using the one-time funding provided in 2022-23, DCF currently provides trainings related to safely reducing the use

of restraints, understanding child sex trafficking, effectively responding to trauma, and other skills that make treatment more effective. DCF indicates that other topics that could be pursued with this funding include how psychotropic and other medications affect care and facility safety and management.

**Joint Finance/Legislature:** Fund this item using an accumulated balance of FED funding received under Title IV-E in place of GPR. Although this program is not expected to be eligible for federal matching funds under Title IV-E, across all state expenditures under Title IV-E in recent years total reimbursements have been larger than the total amount of FED funding budgeted, yielding a FED balance that has been carried forward.

# **19. SIBLING CONNECTIONS PROGRAM**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$150,000                  | - \$150,000                       | \$0        |

**Governor:** Provide \$75,000 annually to support costs of reuniting adopted children with their biological siblings who do not reside in the same home by providing them with opportunities to socialize through programs designed for this purpose, such as summer camp programs. Create an appropriation for this purpose and a statutory requirement that DCF distribute this funding.

Separately, codify a nonstatutory grant program that provides funding to counties, nonprofit organizations, or tribes for the purpose of supporting foster parents and providing normalcy for children in out-of-home care. Maintain current funding of \$400,000 per year for this program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 20. CONSOLIDATE FUNDING AND PROGRAMS ADMINISTERED BY THE BUREAU OF YOUTH SERVICES

**Governor:** Consolidate several appropriations and programs administered by the Bureau of Youth Services by: (a) repealing three GPR appropriations that currently fund services for sex trafficking victims (-\$3,000,000 annually), the Brighter Futures teen services program (-\$864,900 annually), and services for homeless and runaway youth (-\$400,000 annually); (b) transferring base funding from these appropriations (\$4,264,900 annually) to an appropriation that currently funds grants for children's community programs; and (c) expanding the purposes of that appropriation to include activities and goals of the repealed appropriations.

Modify a Department of Health Services (DHS) appropriation that currently transfers \$865,000 GPR annually to DCF for the Brighter Futures program to designate the purpose of the funds as grants for youth services under the newly combined youth services grants program. Similarly, modify the DCF PR appropriation that receives the transferred funds to replace

references to the Brighter Futures program with references to the newly combined program. These GPR funds constitute the state match to a portion of the federal Substance Abuse Prevention and Treatment Block Grant (SABG) that DHS transfers to DCF for the Brighter Futures program, typically \$1,575,000 FED annually.

Modify the purpose of an allocation of \$500,000 per year in federal TANF funding, currently designated for substance abuse prevention grants under the Brighter Futures program, to fund the newly combined youth services grants program.

Create statutory language establishing the newly-combined program that requires DCF to distribute grants to state or local government agencies, nonprofit corporations, or Native American tribal governments for any of the following purposes: (a) increasing youth access to housing; (b) increasing youth self-sufficiency through employment, education and training; (c) improving youth social and emotional health by promoting healthy and stable adult connections, social engagement, and connection with necessary services; (d) preventing sex trafficking of children and youth; (e) providing treatment and services for documented and suspected victims of child and youth sex trafficking; (f) preventing and reducing the incidence of youth violence and other delinquent behavior; (g) preventing youth alcohol and other drug use and abuse; (h) preventing and reducing the incidence of teen pregnancy.

Repeal statutory descriptions of the following programs, which would be consolidated under the newly combined program: (a) services for children who are documented victims of sex trafficking; (b) foster care placement continuation to avoid institutionalization when youth turn 18; (c) assistance for youth who turn 18 while residing in foster care to transition to successful adulthood; (d) the Brighter Futures teen services program; and (e) services for homeless and runaway youth. The activities and goals of these programs would be included in the purposes of the combined youth services grant program, as identified above, but specific requirements to operate these programs, funding allocations, and other program parameters specified in current law would be repealed. Retain a specific requirement to distribute \$55,000 per year to Diverse and Resilient, Inc., a health services and youth support organization, currently specified under the Brighter Futures program. Retain a prohibition, which would now apply to all of the consolidated funding, against funding programs that provide, promote, encourage, or make referrals for abortion care.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 21. MENOMINEE TRIBE CHILD PROTECTIVE SERVICES

Joint Finance/Legislature: Provide \$507,000 per year in tribal GPR-Tribal gaming revenue to support child welfare expenditures of the Menominee

Indian Tribe of Wisconsin. Create a new PR appropriation in DCF for this purpose and create a corresponding allocation under a Department of Administration (DOA) tribal gaming appropriation. Reduce GPR revenue by corresponding amounts to reflect a reduction in the tribal gaming revenue deposited in the general fund. Specify that any amounts of tribal gaming revenue

PR

\$1,014,000

-\$1,014,000

transferred to DCF under this appropriation that are not expended revert to the DOA tribal gaming appropriation at the end of the fiscal year.

This funding would be separate from existing funding provided by DCF to the Menominee Tribe under the tribal family support program (FSP). That program provides annual allocations to each tribe and band that can be used to supplement a variety of human services, including domestic abuse prevention, child welfare, self-sufficiency, teen parenting, youth services, and child care.

[Act 19 Sections: 111 and 146]

## 22. TRIPLE P (POSITIVE PARENTING PROGRAM) ONLINE FED \$4,000,000

**Joint Finance/Legislature:** Provide \$2,000,000 (Title IV-E) in 2023-24 and 2024-25 in one-time funding to Children's Wisconsin for the purpose of making available statewide an online evidence-based parenting program that provides support to parents, reduces childhood behavioral issues, and increases family stability. Specify in statute that DCF shall award these amounts. The Triple P Online program is one such program identified by the federal Title IV-E Prevention Services Clearinghouse of evidence-based child abuse and neglect prevention interventions.

Expenditures for Triple P Online that are attributable to families with children at imminent risk of removal to out-of-home care such as foster care would be eligible for 50% federal matching under the Title IV-E prevention program. The remaining costs would be funded using an accumulated balance of FED funding received under Title IV-E. Across all state expenditures under Title IV-E in recent years total reimbursements have been larger than the total amount of FED funding budgeted, yielding a FED balance that has been carried forward.

[Act 19 Section: 9106(1)]

# **Juvenile Justice**

## 1. JUVENILE JUSTICE AIDS FOR 17-YEAR-OLDS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually in a new, sum sufficient appropriation for youth aids-related purposes, but only to reimburse counties, beginning on January 1, 2024, for costs associated with juveniles who were alleged to have violated a state or federal criminal law or any civil law or municipal ordinance at age 17.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. YOUTH JUSTICE TRAINING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$3,665,500                | - \$3,665,500                     | \$0        |

**Governor:** Provide \$1,563,500 in 2023-24 and \$2,102,000 in 2024-25 to create a state training program for new county youth justice workers and additional training on the Youth Assessment Screening Instrument for current youth justice workers. Funding is estimated to provide training to 145 new county youth justice workers and additional training to 270 youth justice workers.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. JUVENILE JUSTICE REFORM REVIEW COMMITTEE

**Governor:** Create a Juvenile Justice Reform Review Committee with members appointed by the Governor in the Department of Children and Families (DCF). [The bill does not specify the size or membership of the Committee.] Require the Committee to study and, prior to September 16, 2024, provide recommendations to DCF and the Department of Corrections (DOC) on how to do all of the following:

1. Increase the minimum age of delinquency.

2. Eliminate original adult court jurisdiction over juveniles.

3. Modify the waiver procedure for adult court jurisdiction over juveniles and incorporate offenses currently subject to original adult court jurisdiction into the waiver procedure.

4. Eliminate the serious juvenile offender program and create extended juvenile court jurisdiction with a blended juvenile and adult sentence structure for certain juvenile offenders.

5. Prohibit placement of a juvenile in a juvenile detention facility for a status offense and limit sanctions and short-term holds in a juvenile detention facility to cases where there is a public safety risk.

6. Sunset long-term post-disposition programs at juvenile detention facilities.

7. Create a sentence adjustment procedure for youthful offenders.

8. Conform with the U.S. Constitution the statutes that mandate imposing sentences of life imprisonment without parole or extended supervision to minors.

For the 2025-27 biennial budget bill, require that DCF and DOC each include a request to implement the Committee's recommendations. Sunset the Committee on September 16, 2024.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

Jt. Finance/Leg.

(Chg. to Gov)

- \$1,882,200

1,481,800

- \$400,400

**Net Change**

# 4. YOUTH JUSTICE DATA SYSTEMS [LFB Paper 270]

GPR

FED

Total

Governor

(Chg. to Base)

\$1,882,200

\$2,752,400

870,200

| Governor: Provide \$936,700 GPR and \$435,100 FED in 2023-24 and \$945,500 GPR and           |
|--|
| \$435,100 FED in 2024-25 to develop a youth justice data and reporting system and to support |
| continued licensing costs for the Youth Assessment Screening Instrument.                     |

**Joint Finance/Legislature:** Delete provision. Instead, provide one-time funding of \$1,176,000 FED (Title IV-E) in 2023-24 and 2024-25 to fund programming services for 5.0 contracted staff to develop a youth justice case management and reporting system.

# 5. SRCC BONUS FUNDING FOR QUALIFYING COUNTIES

**Governor/Legislature:** Provide \$750,000 in 2024-25 to fund the estimated bonus payment to Racine County for operational costs associated with operating a Secure Residential Care Center (SRCC) for Children and Youth. Funding would be provided to the "Community Youth and Family Aids; Bonus for County Facilities" appropriation created under 2017 Act 185.

# 6. YOUTH AIDS FUNDING MODIFICATIONS

**Governor:** Modify youth aids statutory provisions and transfer \$697,200 GPR annually to the Youth Aids appropriation from the Community Intervention Program (CIP) appropriation. Base funding for youth aids is \$93,305,700 GPR and funding for CIP is \$3,712,500 GPR. Allow youth aids funding currently statutorily allocated for aftercare services (\$2,124,800), alcohol and other drug abuse services (\$1,333,400) and emergency funding for counties with a population under 45,000 (\$250,000) to be allocated in the same manner as base funding for youth aids. The Department indicates that current youth aids funding includes a -\$72,000 structural imbalance. The recommended changes are intended to increase total youth aids, eliminate the structural imbalance, and provide more flexibility in distribution and use of youth aids funding.

Further, rename the CIP appropriation, the Youth Justice System Improvement Program (YJSIP) appropriation. Modify YJSIP to allow use for the following purposes: (a) programs that enhance prevention, early intervention, diversion, and innovative delivery of services reduce the

GPR \$750,000

use of out-of-home placements and promote successful outcomes for all youth; (b) emergencies related to youth justice placement costs; and (c) activities of DCF specified under statute including: (1) development of procedures to implement youth aids; (2) development of standards for the delivery of community-based juvenile delinquency-related services; (3) provision of consultation and technical assistance to aid counties in the implementation and delivery of community-based juvenile delinquency-related services; and (4) establishment of information systems and monitoring and evaluation procedures to report periodically to the Governor and Legislature on the statewide impact of youth aids.

Repeal the current statutory provision related to youth aids which allows DCF to: (a) carry forward \$500,000 or 10% percent, whichever is greater, of its funds allocated for youth aids and not encumbered or carried forward by counties by December 31, to the next two calendar years; (b) transfer moneys from or within youth aids to accomplish the carry forward; and (c) allocate these transferred moneys to counties with persistently high rates of juvenile arrests for serious offenses during the next two calendar years to improve community-based juvenile delinquency-related services. Instead, allow DCF to transfer underspending in youth aids to YJSIP. Create a continuing program revenue appropriation for receipt of monies transferred from youth aids for use in YJSIP.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. YOUTH AND FAMILY AIDS -- LOCAL GOVERNMENT FUND

| GPR   | - \$46,652,900 |
|-------|----------------|
| SEG   | 46,652,900     |
| Total | \$0            |

## **Joint Finance/Legislature:** Provide \$46,652,900 SEG in 2024-25 from the local government fund created under 2023 Act 12 for current law youth and family aids and modify existing funding by -\$46,652,900 GPR in 2024-25. This funding would be provided in addition to funding from the existing GPR appropriation for youth and family aids to maintain the current level of funding (\$93,305,700). As under the existing GPR appropriation, allow the Department of Children and Families to transfer money between fiscal years with Joint Committee on Finance approval.

[Act 19 Sections: 113, 115, 209, 242, 243, 250 thru 254g, 304, 453, and 9406(1)]

# **Child Support and Departmentwide**

# 1. LOCAL CHILD SUPPORT ENFORCEMENT [LFB Paper 280]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change        |
|-------|----------------------------|-----------------------------------|-------------------|
| GPR   | \$10,000,000               | - \$3,916,700                     | \$6,083,300       |
| FED   | <u>19,411,800</u>          | <u>- 4,852,900</u>                | <u>14,558,900</u> |
| Total | \$29,411,800               | - \$8,769,600                     | \$20,642,200      |

**Governor:** Provide \$14,705,900 (\$5,000,000 GPR and \$9,705,900 FED) annually to increase state support for local administration of the child support enforcement program. Base GPR support for local child support enforcement programs is \$11,060,000. With this increase, GPR support for the program would increase to \$18,010,000 in calendar years 2024 and 2025. The source of the federal funding would be matching funds under Title IV-D of the Social Security Act.

Local child support enforcement agencies operations are supported from several funding sources, including state GPR allocations, federal incentive payments, state medical support incentive payments, county funds, and federal matching funds. Most administrative and enforcement costs incurred by counties are reimbursed by the federal government based on a federal financial participation (FFP) rate of 66% of eligible costs.

If the funding increase provided under this item results in counties increasing their spending on child support activities, the state would claim additional federal matching funds. However, if the effect of the funding increase is to increase the state's share of child support enforcement costs and reduce local costs of these services by a corresponding amount, no additional federal funding would be claimed by the state. The federal funding that would be provided under this item reflects the Administration's estimate of additional federal Title IV-D funds the state would claim.

**Joint Finance/Legislature:** Reduce funding by \$8,769,600 (-\$3,916,700 GPR and -\$4,852,900 FED (IV-D)) in 2023-24 to reflect: (a) the availability of an opening balance of \$1,416,700 in DCF's continuing appropriation to support the funding increase; and (b) the difference in timing between state fiscal year and the calendar year allocations for counties.

#### 2. CHILD SUPPORT IT MODERNIZATION PROJECT

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change        |
|-------|----------------------------|-----------------------------------|-------------------|
| GPR   | \$9,411,500                | - \$1,924,700                     | \$7,486,800       |
| FED   | <u>18,269,400</u>          | <u>- 3,736,300</u>                | <u>14,533,100</u> |
| Total | \$27,680,900               | - \$5,661,000                     | \$22,019,900      |

Governor: Provide \$7,163,700 (\$2,435,600 GPR and \$4,728,100 FED) in 2023-24 and

\$20,517,200 (\$6,975,900 GPR and \$13,541,300 FED) in 2024-25 to support replacing the Kids Information Data System (KIDS) with a modern web-based information technology (IT) system. The federal funding would be 66% matching funds under Title IV-D of the Social Security Act.

KIDS is a mainframe system made using COBOL programming that was implemented statewide in September, 1996. It is the primary IT system used for child support enforcement case and financial management functions by state, local, and tribal staff. DCF indicates that the aged architecture in KIDS is difficult to maintain and enhance, thereby increasing the complexity and expense of upgrading IT systems to meet federal performance standards. Further, according to DCF, the system is limited in terms of user interface, is unintuitive, lacks access to modern communication methods, and its automated data reporting is insufficient. DCF indicates that the total cost of the IT system, including upgrades, is estimated to be \$270 million for the 12-year period from 2018-19 through 2029-30, including: planning, development, statewide implementation, hardware, software, operation, and maintenance.

**Joint Finance/Legislature:** Reduce funding by \$7,163,700 (-\$2,435,600 GPR and -\$4,728,100 FED) in 2023-24 and increase funding by \$1,502,700 (\$510,900 GPR and \$991,800 FED) in 2024-25. Provide overall funding of \$22,019,900 (\$7,486,800 GPR and \$14,533,100 FED) in 2024-25 to support replacing KIDS with a modern web-based information technology system. The funding would be provided on a one-time basis and not made part of the base budget for the 2025-27 biennium.

|       | Governor<br>(Chg. to Base) |                   |             | Jt. Finance/Leg.<br>(Chg. to Gov) |         | Change    |

| Total | \$574,200                  | 2.00              | - \$574,200 | - 2.00                            | \$0     | 0.00      |

# 3. OFFICE OF LEGAL COUNSEL

**Governor:** Provide \$246,100 (\$124,600 GPR, \$10,900 FED (Title IV-E funds), and \$110,600 PR) in 2023-24 and \$328,100 (\$166,100 GPR, \$14,500 FED (Title IV-E funds) and \$147,500 PR) in 2024-25 and 2.0 (0.92 GPR, 0.08 FED and 1.0 PR) positions, beginning in 2023-24, for the Office of Legal Counsel to address increased workloads.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| GPR   | - \$1,574,600              | - \$452,000                       | - \$2,026,600 |
| FED   | - 825,400                  | - 301,300                         | - 1,126,700   |
| PR    | - 1,698,400                | - 453,200                         | - 2,151,600   |
| Total | - \$4,098,400              | - \$1,206,500                     | - \$5,304,900 |

**Governor:** Decrease funding by \$1,294,600 (-\$795,200 GPR, \$387,900 FED, and -\$887,300 PR) in 2023-24 and \$2,803,800 (-\$779,400 GPR, -\$1,213,300 FED, and -\$811,100 PR) in 2024-25 to reflect the following standard budget adjustments: (a) turnover reduction (-\$339,100 GPR, -\$102,800 FED and -\$339,800 PR annually); (b) removal of non-continuing items (-\$508,000 FED and 24.0 FED positions in 2023-24 and -\$2,036,900 FED and 27.0 FED positions in 2024-25); (c) full funding of continuing position salaries and fringe benefits (-\$521,600 GPR, \$813,700 FED, and \$604,700 PR annually); (d) overtime (\$736,900 GPR, \$20,600 FED, and \$4,200 PR annually); (e) night and weekend differential pay (\$129,700 GPR, \$11,300 FED, and \$1,300 PR annually); and (f) full funding of lease and directed moves costs (-\$801,100 GPR, \$153,100 FED, and -\$1,157,700 PR in 2023-24 and -\$785,300 GPR, \$80,800 FED, and -\$1,081,500 in 2024-25); and (g) minor transfers between appropriations (\$0).

These amounts do not include adjustments for administrative costs of the Wisconsin Shares child care subsidy program or the Wisconsin Works (W-2) program (\$816,100 FED and -\$112,200 PR in 2023-24 and \$816,100 FED and -\$97,500 PR in 2024-25), which are included in separate entries under "Economic Support and TANF-Funded Programs."

**Joint Finance/Legislature:** Reduce funding by \$628,700 (-\$226,000 GPR, -\$176,100 FED, and -\$226,600 PR) in 2023-24 and by \$577,800 (-\$226,000 GPR, -\$125,200 FED, and \$226,600 PR) in 2024-25 to reflect: (a) a decrease of \$520,900 (-\$226,000 GPR, -\$68,300 FED, and -\$226,600 PR) annually to change the turnover rate from 3% to 5% for appropriations subject to turnover reduction; and (b) a decrease of \$107,800 FED in 2023-24 and \$56,900 FED in 2024-25 to reestimate full funding of lease and directed move costs.

#### 5. FUNDING AND POSITIONS REALIGNMENTS

**Governor/Legislature:** Increase funding by \$111,900 (-\$1,000 GPR, \$700 FED, and \$111,900 PR) annually, and provide 1.0 PR position, beginning in 2023-24, to more accurately reflect the current needs and organizational structure of DCF. The net

|       | Funding   | Positions |
|-------|-----------|-----------|
| GPR   | - \$2,000 | 0.00      |
| FED   | 1,400     | 0.00      |
| PR    | 223,800   | 1.00      |
| Total | \$223,200 | 1.00      |

increase of 1.0 position and associated funding shown in this item are offset in a separate item under "Economic Support and TANF-Related Programs."

## 6. PROGRAM REVENUE AND FEDERAL REVENUE REESTIMATES

| FED   | \$242,200   |
|-------|-------------|
| PR    | 7,000,000   |
| Total | \$7,242,200 |

#### Governor/Legislature: Provide \$3,621,100 (\$121,100 FED and

\$3,500,000 PR) annually to reflect the net effect of adjustments to several program revenue and federal appropriations, as summarized in the following table.

#### **Program Revenue and Federal Funding Reestimates**

#### 7. CYBERSECURITY [LFB Paper 282]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$2,371,600                | - \$1,403,400                     | \$968,200   |
| FED   | 0                          | 345,800                           | 345,800     |
| PR    | 0                          | 2,420,600                         | 2,420,600   |
| Total | \$2,371,600                | \$1,363,000                       | \$3,734,600 |

**Governor:** Provide \$1,185,800 annually to develop and implement a comprehensive cybersecurity plan for critical infrastructure, data, systems, and user accounts. The plan would include the following areas: (a) proactively managing, monitoring and tracking IT systems; (b) backup and recovery of critical systems and data; (c) strengthening digital data integrity and interoperability; (d) a contracted privacy officer to review data confidentiality; (e) cybersecurity supervision and coordination; and (e) implementation of a single "MyWisconsin" ID and authentication across state IT system.

**Joint Finance/Legislature:** Increase funding by \$657,000 (-\$701,700 GPR, \$172,900 FED and \$1,185,800 PR) annually to fund the development and implementation of a comprehensive cybersecurity plan by using funding transferred from other DCF appropriations to a program revenue-service appropriation that funds centralized administrative and support services. Due to

the transfer, these costs are "double counted" in the DCF budget (\$1,185,800 PR annually). Some of the funding for this item (\$504,300 FED) is summarized under other items in "TANF and Economic Support."

**Governor:** Provide \$75,100 in 2023-24 and \$96,400 in 2024-25 to create a 1.0 FTE agency equity officer position, beginning in 2023-24. The agency equity officer would be responsible for coordinating with other agency equity officers and identifying opportunities to advance equity in government operations. For additional information, see "Administration -- General Agency Provisions."

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. VACANT POSITIONS

**Joint Finance/Legislature:** Delete 2.27 (-0.01 GPR, -1.26 FED, and -1.00 PR) positions, beginning in 2023-24, that have been vacant for 18 months or more.

|       | Positions |

#### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

GPR - \$2,378,600

Positions

8.00

**Governor/Legislature:** Provide an adjustment to the base of -\$1,189,300 annually associated with full funding of continuing position salaries and fringe benefits.

# 2. CIRCUIT COURT BRANCHES FUNDING AND Funding POSITIONS [LFB Paper 106] GPR \$2,303,600

**Governor/Legislature:** Provide \$1,107,000 in 2023-24, \$1,196,600 in 2024-25, and 8.0 positions annually for the last four new circuit court branches created under 2019 Act 184. In total, Act 184 created 12 circuit court branches over a three-year period (four judges each in 2021, 2022, and 2023), at the discretion of the Director of State Courts. Position authority includes 4.0 judges and 4.0 circuit court reporters annually (a judge and court reporter each in Clark, Manitowoc, Sawyer, and Wood counties).

Since judgeships are specifically identified in the statutes, modify statutory language to update the number of judicial circuit court branches, by county, to reflect 2019 Act 184. Specifically, increase the statutory number of judicial circuit court branches in Adams, Eau Claire,

Vilas, and Waushara counties (added and allocated by the Director of State Courts to begin operation on August 1, 2022), as well as Clark, Manitowoc, Sawyer, and Wood counties (added and allocated by the Director of State Courts to begin operation on August 1, 2023).

[Act 19 Sections: 462 thru 469, 9107(1)&(2), and 9407(1)]

# 3. CIRCUIT COURT COST PAYMENTS

GPR \$840,800

**Governor/Legislature:** Provide \$402,100 in 2023-24 and \$438,700 in 2024-25 in the circuit court cost appropriation for additional support to counties. Under 2019 Act 184, the number of circuit court branches increased from 257 to 261 on August 1, 2023. Since the circuit court cost appropriation distributes funding based on the number of branches, increased funding is intended to maintain current per branch funding levels (approximately \$109,700 per branch) in the 2023-25 biennium.

# 4. **DIGITAL AUDIO RECORDING DEVICES** [LFB Paper 285]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,580,000                | - \$1,580,000                     | \$0        |

**Governor:** Provide an increase of \$790,000 annually in sum sufficient expenditure authority in the circuit courts appropriation to support the installation of 100 additional digital audio recording devices and to provide for on-going maintenance and replacement of associated hardware and accessories. According to the Director of State Courts, increased digital audio recording equipment would allow the courts to: (a) continue to transition to digital, rather than stenographic, court reporters (the latter of which is becoming increasingly difficult to find and hire); and (b) improve courtroom function and increase flexibility by allowing court reporters to work remotely and to cover cases in different counties or on an emergency basis, as needed.

Joint Finance/Legislature: Provision not included.

# 5. PRETRIAL RISK ASSESSMENT REIMBURSEMENT

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| GP | R \$1,000,000              | - \$1,000,000                     | \$0        |

**Governor:** Provide one-time funding of \$1,000,000 in 2023-24 to reimburse counties for circuit court costs associated with implementing the use of pretrial risk assessments.

Specify that the Director of State Courts must make reimbursement payments to counties for circuit court costs related to implementing the use of pretrial risk assessments. Create a biennial

circuit court costs pretrial risk assessments appropriation for this purpose. Rename the circuit court costs appropriation to the circuit court costs; generally appropriation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. MODIFICATION OF CERTIFICATES OF QUALIFICATION FOR EMPLOYMENT

**Governor:** Modify statutory language to eliminate the circuit courts certificates of qualification for employment (CQE) appropriation [s. 20.625(1)(h)] and \$20 application fee, and transfer the unencumbered balance to the circuit courts sale of materials and services appropriation.

Under 2019 Act 123, enacted on March 3, 2020, an individual who has been convicted of a non-violent crime and has served at least 24 months of confinement in prison or 12 months of confinement followed by 12 months of extended supervision may apply for a CQE, which provides the individual with relief for collateral sanctions and provides the employer with certain civil immunities. The Act provides that a \$20 application fee be deposited into the circuit courts' certifications of qualification for employment appropriation. The Act additionally created a Council on Offender Employment, consisting of the Attorney General, the state public defender, and the chairperson of the Parole Commission (or their designees). The procedure for granting a CQE requires the Director of State Courts (the Courts) to provide an application form and convene the Council; the Council then requests information from Corrections on the applicant's background, before making a determination on the application. Corrections is also required to prepare an annual report for the Legislature, and the Courts is required to ensure that the Wisconsin Circuit Court Access (WCCA) website provides Corrections with information necessary to complete the report. Under Act 123, the Court must permanently revoke a CQE if an offender is convicted of a felony or a Class A or B misdemeanor.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **Budget Change Items**

# Departmentwide

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$12,138,000               | - \$4,292,600                     | \$7,845,400 |
| FED   | - 1,000                    | 0                                 | - 1,000     |
| PR    | 1,135,200                  | - 157,600                         | 977,600     |
| Total | \$13,272,200               | - \$4,450,200                     | \$8,822,000 |

Governor: Provide adjustments to the base totaling \$6,069,000 GPR, -\$500 FED, and \$567,600 PR annually. Adjustments are for: (a) turnover reduction (-\$13,646,800 GPR and

-\$489,500 PR annually); (b) full funding of salaries and fringe benefits (-\$67,820,100 GPR, -\$500 FED and -\$1,374,200 PR annually); (c) night and weekend differential (\$10,151,800 GPR and \$325,200 PR annually); and (d) overtime (\$77,384,100 GPR and \$2,106,100 PR annually). It should be noted that all costs associated with overtime and night and weekend differential are removed in the calculation of full funding of salaries and fringe benefits. [See Item #2, "Overtime Supplement."]

In addition, request minor transfers of classified positions within the Department of Corrections' adult and juvenile general program operations appropriations, the services for community corrections appropriation, the Becky Young community corrections; recidivism reduction community services appropriation, the correctional farms appropriation, the prison industries appropriation, the interagency and intra-agency programs appropriation, the juvenile operations appropriation, and the juvenile community supervision appropriation.

**Joint Finance/Legislature:** Modify the overtime standard budget adjustment funding by \$889,700 GPR and \$18,800 PR annually to correct inadvertent calculation errors in the bill. [In total, standard budget adjustment overtime is \$78,273,800 GPR and \$2,124,900 PR annually.] In addition, increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$3,036,000 GPR and -\$97,600 PR annually. [In total, turnover reduction is -\$16,682,800 GPR and -\$587,100 PR annually.]

## 2. OVERTIME SUPPLEMENT [LFB Paper 290]

|           | Governor<br>(Chg. to Base)     | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change              |
|-----------|--------------------------------|-----------------------------------|-------------------------|
| GPR<br>PR | \$94,879,400<br><u>519,000</u> | - \$64,879,400<br>132,000         | \$30,000,000<br>651,000 |
| Total     | \$95,398,400                   | - \$64,747,400                    | \$30,651,000            |

**Governor:** Provide \$47,439,700 GPR and \$259,500 PR annually for an overtime supplement. Under standard budget adjustments each budget cycle, all funding associated with overtime is removed in the calculations of full funding of salaries and fringe benefits. The budget instructions related to overtime specify that the same dollar amounts only be restored through the standard budget adjustment for overtime. As a result, the bill provides overtime in the amount provided for the prior biennium, adjusted by the new variable fringe rate (\$77,384,100 GPR and \$2,106,100 PR annually). Based on 2021-22 actual hours, the bill provides supplemental funding of \$47,439,700 GPR and \$259,500 PR annually. In total, the bill provides \$124,823,800 GPR and \$2,365,600 PR annually to fund costs associated with overtime. Note that the cost of actual hours used to calculate overtime include compensation incentives implemented in the 2021-23 biennium, where applicable, as well as proposed pay increases in the 2023-25 biennium [See "Budget Management and Compensation Reserves."]

Joint Finance/Legislature: Modify funding by -\$32,439,700 GPR and \$66,000 PR annually to provide \$15,000,000 GPR and \$325,500 PR annually as an overtime supplement.

[Total overtime funding, including standard budget adjustments, is \$93,273,800 GPR and \$2,450,400 PR annually.]

# **3.** FUNDING FOR CONTINUED ADD-ON PAY TO RECRUIT AND RETAIN CERTAIN POSITIONS [LFB Paper 220]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$3,648,100                | - \$3,648,100                     | \$0        |
| PR    | <u>136,300</u>             | <u>- 136,300</u>                  | _0         |
| Total | \$3,784,400                | - \$3,784,400                     | \$0        |

**Governor:** Provide \$1,858,400 GPR and \$69,400 PR in 2023-24 and \$1,789,700 GPR and \$66,900 PR in 2024-25 to continue add-ons for non-security positions implemented in the 2021-23 biennium. Specifically, the funding is intended to allow the Department to extend: (a) a \$5 per hour add-on for nurse clinicians, nurse clinicians 2-weekend, licensed practical nurses, and nursing assistants 3 at certain institutions; (b) a \$3 per hour add-on for nurse clinicians working weekend shifts at certain institutions; and (c) a \$3 per hour add-on for teachers at Lincoln Hills School and Copper Lake School. [For continued add-on pay for security staff, see "Budget Management and Compensation Reserves."]

**Joint Finance/Legislature:** Modify provision to instead provide funding to compensation reserves in the amounts included in AB 43/SB 70, less a 5% reduction associated with a higher than usual level of position vacancies, to continue supplemental pilot add-on pay to address severe recruitment and retention issues. [See "Budget Management and Compensation Reserves."]

# 4. STAFF RECRUITMENT [LFB Paper 291]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$370,000                  | - \$370,000                       | \$0        |

**Governor:** Provide \$185,000 annually for resources to assist with recruiting and hiring staff to fill vacant positions. Specific recruitment strategies may include the use of billboards and/or print, broadcast and social media advertisements.

Joint Finance/Legislature: Provision not included.

#### 5. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change      |
|-------|----------------------------|-----------------------------------|-----------------|
| GPR   | - \$13,756,000             | \$14,400,400                      | \$644,400       |
| PR    | <u>- \$84,100</u>          | 0                                 | <u>- 84,100</u> |
| Total | - \$13,840,100             | \$14,400,400                      | \$560,300       |

Governor: Adjust funding by -\$6,421,900 GPR and -\$43,600 PR in 2023-24 and -\$7,334,100 GPR and -\$40,500 PR in 2024-25 to reflect the current law estimate of debt service costs. The reestimate includes: (a) adult corrections (-\$5,663,700 GPR and -\$43,600 PR in 2023-24 and -\$7,139,100 GPR and -\$40,500 PR in 2024-25); and (b) juvenile corrections (-\$758,200 GPR in 2023-24 and -\$195,000 GPR in 2024-25).

Joint Finance/Legislature: Modify funding by \$3,119,500 GPR in 2023-24 and \$11,280,900 GPR in 2024-25 to adjust funding by -\$3,302,400 GPR and -\$43,600 PR in 2023-24 and \$3,946,800 GPR and -\$40,500 PR in 2024-25 to reflect current debt service costs.

#### 6. RENT

| Governor/Legislature: Provide an adjustment of -\$592,700 GPR            |
|--|
| and \$34,000 PR in 2023-24 and -\$278,700 GPR and \$44,600 PR in 2024-   |
| 25 for department wide next even and an lated symplics and services even |

| GPR   | - \$871,400 |
|-------|-------------|
| PR    | 78,600      |
| Fotal | - \$792,800 |

25 for departmentwide rent expenses and related supplies and services expenses.

#### 7. **REALIGNMENT OF FUNDING AND POSITIONS**

|                    |  | Governor<br><u>(Chg. to Base)</u> |  | Jt. Finance/Leg.<br>(Chg. to Gov) |                  | Change  |
|--------------------|--|-----------------------------------|--|-----------------------------------|------------------|---|
|                    | Funding                                  | Positions                         | Funding                                | Positions                         | Funding          | Positions   |
| GPR<br>PR<br>Total | \$1,107,400<br><u>- 1,107,400</u><br>\$0 | 7.70 -<br><u>- 7.70</u><br>0.00   | \$1,107,400<br><u>1,107,400</u><br>\$0 | - 7.70<br><u>7.70</u><br>0.00     | \$0<br>_0<br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

Governor: Adjust funding and positions between appropriations to reflect various organizational modifications within the Department. The adjustments include a reallocation of: (a) \$9,072,200 GPR and \$12,100 PR within the Secretary's Office to allow the Department to create budgetary subunits for the currently existing research unit, reentry unit, Prison Rape Elimination Act (PREA) unit, Office of Legal Counsel, Office of Internal Affairs, and Office of Public Information; (b) \$251,000 GPR from the general program operations appropriation (Bureau of Personnel and Human Resources) to the services for community corrections appropriation (Bureau of Personnel and Human Resources) to more accurately reflect human resource services by appropriation; (c) 8.0 GPR positions and associated funding (\$676,800 GPR) from the general programs operations appropriation to the services for community corrections appropriation related to a previous transfer of positions; (d) 7.70 PR positions and associated funding (\$553,700) to GPR positions and funding to account for a decrease in PR revenue, but an on-going utilization of the

positions; (e) \$490,000 GPR and 4.0 GPR positions to match the reallocation of the positions (and associated funding) from the Divisions of Community Corrections and Juvenile Justice to the Office of the Secretary in calendar year 2021; (f) \$11,200 GPR to provide supplies and services to previously transferred positions; and (g) \$2,210,300 GPR to align funding between the general program operations, the community corrections, and the purchased services for offenders appropriations to reflect actions in the 2021-23 budget.

|                      |  | <u>Annual I</u> | Funding    | Pos        | itions    |
|----------------------|--|-----------------|------------|------------|-----------|
| <u>Division</u>      | Appropriation                            | <u>GPR</u>      | <u>PR</u>  | <u>GPR</u> | <u>PR</u> |
| Adult Institutions   | General Program Operations               | \$1,508,500     |            | -4.00      |           |
| Adult Institutions   | Services for Community Corrections       | 1,507,100       |            | 14.70      |           |
| Adult Institutions   | Purchased Services for Offenders         | -2,078,300      |            |            |           |
| Adult Institutions   | Becky Young Community Corrections;       |                 |            |            |           |
|                      | Recidivism Reduction Community Services* | 0               |            |            |           |
| Adult Institutions   | Home Detention Services; Supervision     |                 | -\$130,200 |            | -2.20     |
| Adult Institutions   | Administration of Restitution            |                 | -423,500   |            | -5.50     |
| Adult Institutions   | Interagency and Intra-agency Programs*   |                 | 0          |            |           |
| Juvenile Corrections | General Program Operations               | -383,600        |            | -3.00      |           |
|                      | Total                                    | \$553,700       | -\$553,700 | 7.70       | -7.70     |

\*\$8,138,100 GPR would be transferred among programs within the Becky Young appropriation and \$12,100 PR would be transferred among programs within the interagency and intra-agency programs appropriation, with no funding or positions being added or removed from the appropriations in total.

Joint Finance/Legislature: Provision not included.

#### 8. PROGRAM REVENUE REESTIMATES

**Governor/Legislature:** Provide \$9,575,800 in 2023-24 and \$9,903,500 in 2024-25 associated with funding adjustments identified in the table below. The table identifies the program revenue appropriations that would be affected by this item, by program area, the base funding amounts for these appropriations, the funding changes that would be made to those appropriations under this item and other items in 2023 Act 19, and the total funding that would be budgeted for these purposes under 2023 Act 19.

|                                     |             | 2023-24           |             | 2024-25      |                   |              |              |
|-------------------------------------|-------------|-------------------|-------------|--------------|-------------------|--------------|--------------|

| GPR | \$815,700  | 5.00 | - \$815,700  | - 5.00  | \$0 | 0.00                                   |  |

**Governor:** Provide \$386,400 in 2023-24, \$429,300 in 2024-25, and 5.0 positions (4.0 staff development program specialists - senior and 1.0 staff development supervisor) annually to create and operate a new Bureau of Training and Staff Development team, with a focus on leadership development, cultural competency, and diversity awareness.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. BUREAU OF TECHNOLOGY MANAGEMENT [LFB Paper 292]

|     | <u>(Chg. t</u> | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |             | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |
|-----|----------------|--|-------------|---|-----|--|--|
| GPR | \$998,100      | 5.00   | - \$998,100 | - 5.00  | \$0 | 0.00                                   |  |

**Governor:** Provide \$464,600 in 2023-24, \$533,500 in 2024-25, and 5.0 information systems technology services specialist positions annually for the Bureau of Technology and Management's Facilities Infrastructure and Innovative Technologies team to assist with Department initiatives such as modernizing surveillance systems and expanding wireless networks.

Joint Finance/Legislature: Provision not included.

# **12. CYBERSECURITY TEAM** [LFB Paper 292]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$414,900  | 7.00 | - \$414,900   | - 7.00 | \$0                                    | 0.00 |

**Governor:** Provide \$192,200 in 2023-24, \$222,700 in 2024-25, and 7.0 positions annually to create a cybersecurity team in the Bureau of Technology Management. The position authority would include 6.0 information systems (IS) technical services specialists and 1.0 IS supervisor. The 7.0 permanent positions would replace 6.0 contractor positions the Department is currently using for cybersecurity-related responsibilities.

Joint Finance/Legislature: Provision not included.

# 13. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$231,000                  | - \$231,000                       | \$0        |

**Governor:** Provide \$115,500 annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 14. EQUITY OFFICER POSITION

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> 1 | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |

**Governor:** Provide \$65,100 in 2023-24 and \$86,800 in 2024-25 and 1.0 position annually to create an agency tribal liaison position. The agency tribal liaison would be responsible for working with Native American tribes and bands on behalf of the agency, as well as coordinating with the Director of Native American Affairs in the Department of Administration. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 16. PREGNANCY OR POSTPARTUM INDIVIDUALS IN CORRECTIONAL FACILITIES

**Governor:** Establish limits on the use of restraints on individuals in the custody of a correctional facility, known to be pregnant, unless a representative of a correctional facility makes an individualized determination that restraints are reasonably necessary to ensure safety and security, in which case the representative may use only the least restrictive effective type of restraint that is most reasonable under the circumstances. In addition, provide that a representative may not: (a) restrain an individual known to be pregnant with leg irons, waist chains, or other devices that cross or otherwise touch the individual's abdomen, or handcuffs or other devices that cross or otherwise touch the individual's wrists when affixed behind the back, while being transported; (b) confine an individual known to be pregnant in solitary confinement for punitive purposes; or (c) restrain an individual who is in labor or who has given birth in the preceding three days, unless specific circumstances are present. All staff who may come in contact with a pregnant or postpartum individual at a correctional facility must receive annual training on the requirements of this provision.

Further, provide that: (a) every woman under 50 years of age is offered testing for pregnancy; (b) every pregnant individual is offered testing for sexually transmitted infections (including HIV); (c) every pregnant individual on a methadone treatment regimen is provided

continuing treatment; (d) every pregnant individual and every individual who has given birth in the past six weeks is provided appropriate, relevant educational materials and resources, and has access to doula services, if there is no charge to the correctional facility; (e) every pregnant individual and every individual who has given birth in the past six months has access to a mental health assessment and evidence-based mental health treatment (including psychotropic medication and therapeutic care for depression), if needed, and is advised orally and in writing of all applicable laws and policies governing an incarcerated pregnant or postpartum person; and (f) every person who has given birth in the past 12 months whose body is producing breast milk has access to necessary supplies and has the opportunity to express breast milk, as needed.

For the purposes of the pregnant or postpartum individuals in correctional facilities provisions, provide the following definitions:

"Correctional facility" has the same meaning as provided elsewhere in statute ((a) a state prison, unless the institution is the prisoner's place of residence and no one is employed there to ensure the prisoner's incarceration; (b) a juvenile detention facility, a secured residential care center for children and youth, or a juvenile correctional facility, unless the facility is a private residence in which the juvenile is placed and no one is employed there to ensure the juvenile remains in custody; or (c) a jail, Huber facility, work camp, reforestation camp, or lock up facility).

"Doula" means a nonmedical, trained professional who provides continuous physical, emotional, and informational support during pregnancy, labor, birth, and the postpartum period.

"Doula services" means childbirth education and support services, including emotional, physical, and informational support provided during pregnancy, labor, birth, and the postpartum period.

"Postpartum" means the period of time following the birth of an infant to six months after the birth.

"Restrain" means to use a mechanical, chemical, or other device to constrain the movement of a person's body or limbs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Adult Institutions**

#### 1. ADULT CORRECTIONAL FACILITY POPULATIONS [LFB Paper 295]

**Governor:** Estimate an average daily population in adult correctional facilities (correctional institutions and centers) and contract beds of 21,183 in 2023-24 and 21,836 in 2024-25. From this projection, the following table identifies the adjusted estimated distribution of this population.

|                 | March 3, 2023     | Average Daily Populatio |                |  |
|-----------------|-------------------|-------------------------|----------------|--|
|                 | Actual Population | <u>2023-24</u>          | <u>2024-25</u> |  |
| τ               | 10 277            | 10 207                  | 10.050         |  |
| Institutions*   | 18,377            | 18,206                  | 18,859         |  |
| Centers         | 2,396             | 2,859                   | 2,859          |  |
| Contract Beds** | 36                | 118                     | 118            |  |
| Total           | 20,809            | 21,183                  | 21,836         |  |

\* Includes inmates placed at the Wisconsin Resource Center, operated by the Department of Health Services (390 on March 3, 2023, and 444 for 2023-24 and 2024-25).

\*\* Contract bed populations include inmates held in federal facilities, adult inmates in Division of Juvenile Corrections facilities, temporary lock-ups of inmates from correctional centers, and inmates in Wisconsin County jails.

**Joint Finance/Legislature:** Reestimate the average daily population in adult correctional facilities and contract beds to 22,242 in 2023-24 and 23,249 in 2024-25. The following table identifies the estimated distribution of this population.

|  | July 28, 2023     | Average Daily Population |                        |
|--|-------------------|--------------------------|------------------------|
|  | Actual Population | <u>2023-24</u>           | <u>2024-25</u>         |
| Institutions & Centers*<br>Contract Beds** | 21,383<br>105     | 21,984<br>258            | 22,085<br><u>1,164</u> |
| Total                                      | 21,488            | 22,242                   | 23,249                 |

\*Includes inmates placed at the Wisconsin Resource Center, operated by the Department of Health Services (392 on July 28, 2023, and 444 for 2023-24 and 2024-25)

\*\*Contract bed populations include inmates held in federal facilities, adult inmates in Division of Juvenile Corrections facilities, temporary lock-ups of inmates from correctional centers, and inmates in Wisconsin County jails.

#### 2. POPULATION AND INFLATIONARY COST INCREASES -- ADULT CORRECTIONAL FACILITIES [LFB Paper 295]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$11,735,000               | \$11,200,000                      | \$22,935,000 |

**Governor:** Provide adjustments of \$1,674,600 in 2023-24 and \$13,409,600 in 2024-25 to reflect population-related cost adjustments for prisoners in facilities operated by the Division of Adult Institutions, as follows: (a) \$4,424,700 in 2023-24 and \$6,112,600 in 2024-25 for food costs; (b) \$1,766,900 in 2023-24 and \$2,580,700 in 2024-25 for variable non-food costs, such as inmate wages, bedding, clothing, kitchen utensils, and other supplies; and (c) -\$7,866,200 in 2023-24 and \$4,716,300 in 2024-25 for inmate non-food health services. The funding for inmate health services assumes that the per capita adult inmate cost will increase from an estimated \$5,089 in 2022-23 to \$5,474 in 2023-24 and \$5,890 in 2024-25. Health care costs include supplies and services, pharmaceutical costs, third party administrator costs, and contracting costs with the University Hospital and Clinics, the UW Medical Foundation, Waupun Memorial Hospital, St. Agnes Hospital, and other community hospitals.

**Joint Finance/Legislature:** Modify funding by \$7,832,800 in 2023-24 and \$3,367,200 in 2024-25 to provide \$6,158,200 in 2023-24 and \$16,776,800 in 2024-25 for inflationary costs. In addition, provide \$5,675,100 annually to the Finance Committee's GPR supplemental appropriation associated with anticipated increased expenses for healthcare contract staffing. [See "Program Supplements."]

# 3. CONTRACT BED FUNDING [LFB Paper 295]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | - \$6,100,600              | \$12,440,100                      | \$6,339,500 |

**Governor:** Provide an adjustment of -\$3,068,600 in 2023-24 and -\$3,032,000 in 2024-25 related to prison contract beds. The Administration projects a total need of 100 contract prison beds annually. In addition, the Administration projects a need of 500 contract beds the Division of Community Corrections would use for extended supervision sanctions, and 18 beds the Department of Corrections would use for inmates in federal facilities, adult inmates in Division of Juvenile Corrections facilities, and temporary lock-ups of inmates from correctional centers. Base funding for the contract bed appropriation is \$19,296,300.

**Joint Finance/Legislature:** Modify contract bed funding by \$2,109,500 in 2023-24 and by \$10,330,600 in 2024-25. In addition, provide \$8,790,400 in 2024-25 to the Finance Committee's GPR supplemental appropriation. Funding is associated with 730 contract beds in 2023-24 (including 212 Wisconsin county contract beds for overcrowding) and 1,636 contract beds in 2024-25 (including 1,118 Wisconsin county contract beds for overcrowding (funding to Corrections is

Governor: Eliminate 110.0 security positions and associated

WISCONSIN RESOURCE CENTER SECURITY

funding (-\$8,906,900 annually) from the Department of Corrections. Transfer assets and liabilities, position authorizations, the incumbent employees holding those positions, tangible personal property, contracts and any pending matters to the Department of Health Services (DHS). Provide increased funding and position authorization in DHS associated with the transfer. [See "Health Services -- Care and Treatment Facilities."]

associated with 650 beds and funding in the Finance Committee's supplemental appropriation is

**Joint Finance/Legislature:** See "Health Services -- Care and Treatment Facilities" for modifications to funding associated with this provision.

[Act 19 Sections: 105, 240, 241, and 9108(1)]

associated with 468 beds)). [See "Program Supplements."]

**OPERATIONS TRANSFER** [LFB Paper 296]

4.

#### 5. MEDICATION ADMINISTRATION PILOT PROGRAM

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |       | <u>(Chg. t</u> | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |
|-----|--|-------|----------------|---|-----|--|--|
| GPR | \$5,974,900  | 30.60 | - \$5,974,900  | - 30.60   | \$0 | 0.00                                   |  |

**Governor:** Provide \$2,728,100 in 2023-24, \$3,246,800 in 2024-25, and 30.60 positions annually to create and operate a medication administration pilot at three adult male institutions (the specific locations would be selected at the discretion of the Department). Currently, at most facilities, medications are delivered to inmates by correctional officers or sergeants. The pilot would direct institutional nurses to handle medication administration. Provided positions would include: (a) 24.9 licensed practical nurses; and (b) 5.7 nurse clinicians.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. FUEL AND UTILITIES

**Governor/Legislature:** Provide \$2,628,700 in 2023-24 and \$3,120,500 in 2024-25 associated with expected changes in prices for fuel and utilities in adult correctional facilities. Current base funding for the fuel and utilities appropriation is \$26,401,300.

GPR \$5,749,200

Funding

GPR - \$17,813,800

Positions

- 110.00

#### 7. INSTITUTIONAL REPAIR AND MAINTENANCE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$1,805,200                | - \$902,600                       | \$902,600  |  |

**Governor:** Provide \$657,900 in 2023-24 and \$1,147,300 in 2024-25 for repair and maintenance costs associated with services and materials for adult institutions. Funding is based on an estimated construction cost index increase of 8% every six months through 2023 and of 4% every six months, beginning in 2024. Base funding for institutional repair and maintenance is \$5,340,100 annually.

**Joint Finance/Legislature:** Modify funding by -\$329,000 in 2023-24 and -\$573,600 in 2024-25 to provide \$328,900 in 2023-24 and \$573,700 in 2024-25 for repair and maintenance associated with services and materials for adult correctional institutions.

#### 8. MEDICATION-ASSISTED TREATMENT [LFB Paper 297]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>s Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$5,022,600  | 1.00 | - \$339,300   | - 1.00 | \$4,683,300                              | 0.00 |

**Governor:** Provide \$1,106,800 in 2023-24, \$3,915,800 in 2024-25, and 1.0 pharmacist position annually to expand access to medication-assisted treatment, which uses medication in combination with counseling and behavioral therapies to treat individuals with substance use disorders. The expansion would allow the Department to serve Division of Adult Institution inmates, including approximately 415 inmates in 2023-24, and 930 inmates on an annualized basis, beginning in 2024-25. Currently, while some individuals may receive an initial shot while in custody, the program only exists for Division of Community Corrections individuals. In addition, reallocate 1.0 currently vacant position for this purpose.

**Joint Finance/Legislature:** Modify funding by -\$150,900 in 2023-24, -\$188,400 in 2024-25, and -1.0 position annually to provide \$955,900 in 2023-24 and \$3,727,400 in 2024-25 to expand the medication assisted treatment program to the Division of Adult Institutions. Reallocate 1.0 vacant physician position for this purpose.

# 9. TREATMENT CAPACITY EXPANSION

|     | Governor<br><u>(Chg. to Base)</u> |           | Jt. Finance/Leg.<br>(Chg. to Gov) |           | Net Change |           |
|-----|-----------------------------------|-----------|-----------------------------------|-----------|------------|-----------|
|     | Funding                           | Positions | Funding                           | Positions | Funding    | Positions |
| GPR | \$2,862,800                       | 36.00 -   | \$2,862,800                       | - 36.00   | \$0        | 0.00      |

Governor: Provide \$1,859,400 and 34.0 positions in 2023-24 and \$1,003,400 and an

additional 2.0 positions in 2024-25 to expand treatment capacity in the earned release program (ERP) and substance use disorder program (SUD) to serve approximately 450 inmates on an annualized basis (about half for ERP, and half for SUD). Both ERP and SUD address risky thinking and substance use that could lead to criminal behavior. Position authority would include: (a) 2.0 probation and parole agent positions in the Division of Community Corrections; and (b) 34.0 positions (33.0 treatment specialists and 1.0 psychological associates) in the Division of Adult Institutions. In addition, reallocate an additional 21.5 currently vacant positions for this purpose (including: (a) 12.0 treatment specialists, (b) 3.5 social workers; (c) 3.0 psychological associates; (d) 1.0 probation and parole agent; (e) 1.0 office operations associate; and (f) 1.0 psychologist supervisor). Allocation of positions to specific institutions has not yet been determined.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. TECHNICAL MOBILE LABS [LFB Paper 298]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$1,951,600                | - \$1,951,600                     | \$0        |  |

**Governor:** Provide \$975,800 annually to support instructor costs at the existing six technical mobile labs. A mobile lab is a self-contained classroom inside a trailer located on institution grounds. The Department currently operates five labs in the following functional areas and at the following institutions: (a) computer numerical control (CNC) at Racine Correctional and Kettle Moraine Correctional (one at each location); (b) welding at Taycheedah Correctional; (c) electromechanical at New Lisbon Correctional; and (d) mechatronics at the Racine Youthful Offender Facility. In addition, the Department notes that a new lab is expected to arrive this summer to replace the lab at Racine, at which point the old lab will be repurposed and moved to Green Bay Correctional as an industrial maintenance lab.

**Joint Finance/Legislature:** Modify provision to require the Department of Workforce Development to provide, in each year of the 2023-25 biennium, \$975,800 in Wisconsin Fast Forward grant funding to the Department of Corrections to support instructor costs for technical mobile labs. [See "Workforce Development -- Employment and Training."]

[Act 19 Section: 386]

# 11. WINDOWS TO WORK EXPANSION [LFB Paper 299]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$500,000                  | - \$500,000                       | \$0        |  |

Governor: Provide \$250,000 annually to expand the Windows to Work program to allow

for an additional 96 participants per year. The Windows to Work program is a pre- and post-release program designed to address criminogenic needs that can lead to recidivism. While still incarcerated, inmates participate in programming including cognitive intervention, general work skills and expectations, financial literacy, community resources, job seeking, applications, and resumes. Post-release includes assistance in job search and job retention activities for approximately 12 months after release. In 2021-22, the program served 502 new enrollees, 180 transfer enrollees, and 359 continuing-participants. The program is currently budgeted at \$1,892,200.

Joint Finance/Legislature: Provision not included.

# 12. METAL STAMPING EXPANSION [LFB Paper 790]

\$5,963,600

PR

**Governor/Legislature:** Provide an increase in expenditure authority of \$3,012,700 in 2023-24 and \$2,950,900 in 2024-25 in the annual prison industries appropriation to expand the Bureau of Correctional Enterprise's metal stamping operations at Waupun Correctional Institution to comply with the requirements of 2021 Act 163 (which requires the issuance of new registration plates, constructed according to specific design criteria). Increased funding would support the purchase of equipment and supplies and services required by Act 163 (such as aluminum and plastic sheeting) as well as overtime costs for Bureau of Correctional Enterprises staff. [See "Transportation -- Motor Vehicles."]

# 13. INCREASE STAFFING IN THE WOMEN'S CORRECTIONAL CENTER SYSTEM

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> 1 | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|----------------|---|--|------|
| GPR | \$1,005,700  | 6.00 | - \$325,600    | - 2.00                                  | \$680,100                              | 4.00 |

**Governor:** Provide \$463,000 in 2023-24, \$542,700 in 2024-25, and 6.0 positions annually to increase staffing at the Robert E. Ellsworth Correctional Center (REECC) and the Milwaukee Women's Correctional Center. The provided positions include: (a) 5.0 supervising officers at REECC; and (b) 1.0 chaplain, who will split time between the two centers.

**Joint Finance/Legislature:** Modify funding and positions by -\$149,100 in 2023-24, -\$176,500 in 2024-25, and -2.0 positions annually to provide \$313,900 in 2023-24, \$366,200 in 2024-25, and 4.0 supervising officer positions annually to increase staffing at the Robert E. Ellsworth Correctional Center.

# 14. CONVERT LIMITED-TERM EMPLOYEE PHARMACY TECHNICIAN POSITIONS TO FULL-TIME EMPLOYEE POSITIONS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Position | <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Positions |           | <u>Change</u><br>Positions |
|-----|---|--------------|---|-----------|----------------------------|
| GPR | \$472,300 10.00                                       | - \$130,100  | - 5.00                                  | \$342,200 | 5.00                       |

**Governor:** Provide \$153,300 and 5.0 positions in 2023-24, and \$319,000 and an additional 5.0 positions in 2024-25 to convert limited-term employee pharmacy technicians to permanent pharmacy technician positions. The 10.0 total positions would be allocated to the Central Pharmacy.

**Joint Finance/Legislature:** Modify funding by -\$130,100 and -5.0 positions in 2024-25 to provide \$153,300 in 2023-24, \$188,900 in 2024-25, and 5.0 positions annually to convert limited-term employee pharmacy technicians to permanent pharmacy technicians.

# 15. CONVERT CONTRACTED POSITIONS TO FULL-TIME EMPLOYEE POSITIONS

|     | Governor<br>(Chg. to Base)<br>Positions | Jt. Finance/Leg.<br>(Chg. to Gov)<br>Positions | Net Change<br>Positions |
|-----|---|--|-------------------------|
| GPR | 3.00                                    | - 3.00   | 0.00                    |

**Governor:** Provide an increase in position authority to convert three Bureau of Technology Management contracted positions to full-time employee positions. Reallocate \$376,600 GPR from the Department's supplies and services budget (\$316,600 within the general program operations appropriation and \$60,000 from community corrections) to cover the difference between the contractor and full-time employee costs.

Joint Finance/Legislature: Provision not included.

# 16. WISCONSIN SECURE PROGRAM FACILITY HEALTH GPR \$85,300 SERVICE UNIT SUPPLIES AND SERVICES

**Governor/Legislature:** Provide \$85,300 in 2024-25 for non-personnel costs (including \$50,300 for permanent property (such as telemedicine machines, dental equipment, and dialysis machines) and \$35,000 for supplies and services) related to the opening of the new health services unit at the Wisconsin Secure Program Facility (WSPF) located in Boscobel. According to the Department, the WSPF health services unit is scheduled to be substantially completed late in 2024-25.

#### 17. FULL FUNDING OF THE CENTRAL GENERATING PLANT PR POSITION

**Governor/Legislature:** Provide increased expenditure authority of \$4,400 annually in the annual institutional operations and charges appropriation to fund non-salary costs funded for a partial year in 2022-23 associated with the water utility operator position at the Waupun central generating plant, provided in 2021 Act 58 (the 2021-23 biennial budget).

#### 18. LAW ENFORCEMENT INVESTIGATIVE SERVICES [LFB Paper 300]

**Governor:** Request statutory language changes to reimburse local governments for law enforcement investigative services rendered to state prisons and juvenile correctional facilities. In addition, request a corresponding reallocation of \$125,700 GPR from the adult correctional services general program operations appropriation to the adult correctional services reimbursement claims of counties containing state prisons appropriation.

Create statutory language to provide that the clerk of any town or city (including 1<sup>st</sup> Class cities (Milwaukee)) that is entitled to reimbursement must make a certified claim against the state, without direction from the county board or common council, in all cases in which reimbursement is directed upon forms prescribed by the Department of Administration. The forms must contain information required by the clerk and must be filed annually with the Department of Corrections, on or before June 1<sup>st</sup>.

Under law prior to Act 19, reimbursement claims of counties containing state prisons or juvenile correctional facilities may only be made by county clerks for certain expenses incurred or paid by the county in reference to all matters growing out of actions and proceedings involving prisoners in state prisons or juveniles in juvenile correctional facilities. The changes would broaden the requirements to include expenses relating to actions and law enforcement investigative services, and to allow any jurisdiction (county, city, village, or town) to submit a claim for reimbursement. In addition, modify the reimbursement claims of counties containing state prisons and juvenile correctional facilities.

Reallocate \$125,700 GPR annually from the Division of Adult Institutions' general program operations appropriation to the reimbursement claims of counties or municipalities containing state prisons appropriation. Currently, the Department is reimbursing the Village of Allouez for local law enforcement investigative services provided to Green Bay Correctional Institution (\$60,000 annually, as required by 2019 Act 9) as well as Dodge County for local law enforcement investigative services provided to the various correctional facilities within the county (approximately \$65,700 annually, based on actual costs, as agreed upon by the county and the Department). The reallocation would move these amounts to the reimbursement claims appropriation.

**Joint Finance:** Modify the provision to create statutory language specifying that reimbursement must be provided on a quarterly basis.

[Act 19 Sections: 36, 99, 101, 314, and 316 thru 318]

# **Community Corrections**

#### 1. **OPENING AVENUES TO REENTRY SUCCESS EXPANSION** [LFB Paper 305]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$8,796,500                | - \$6,524,200                     | \$2,272,300 |

**Governor:** Provide \$3,449,600 in 2023-24 and \$5,346,900 in 2024-25 to expand the Opening Avenues to Reentry Success (OARS) program to serve an additional 177 individuals annually. The OARS program began as a pilot program in 2011, providing intensive case management and mental health services to serious mentally ill offenders. Services are provided based on each offender's needs and may include intensive case management and supervision, assistance with obtaining and maintaining safe affordable housing, resources for medication and access to psychiatric care, treatment addressing criminogenic needs, access to local transportation, budgeting, and financial resources, employment, and education. A second, "OARS 2" pilot program began in 2020, which functions similarly to OARS, with the primary difference being the eligibility requirements (OARS has a pre-release component for inmates, but OARS 2 participants must be at least 30 days post-release).

The OARS program is jointly administered with the Department of Health Services, which provides treatment services under contract. [See "Health Services -- Behavioral Health" for OARS position expansion.] In 2021-22, the OARS program (including OARS 2) served 430 participants. The program is currently budgeted at \$4,128,400.

**Joint Finance/Legislature:** Modify funding by -\$2,689,300 in 2023-24 and -\$3,834,900 in 2024-25 to provide \$760,300 in 2023-24 and \$1,512,000 in 2024-25 to expand the OARS program, and create non-statutory language to specify increased OARS funding would be provided only for the original OARS program (and not the OARS 2 program). [See "Health Services -- Behavioral Health" for modifications to funding and positions associated with this provision.]

**Veto by Governor [D-34]:** Remove the non-statutory language, leaving the increased funding available for the OARS and/or OARS 2 programs.

[Act 19 Vetoed Section: 9108(2)]

#### 2. ALTERNATIVE TO REVOCATION EXPANSION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$6,670,900                | - \$6,670,900                     | \$0        |  |

Governor: Provide \$2,227,700 in 2023-24 and \$4,443,200 in 2024-25 to expand available

options for residential community alternatives to revocation by 100 additional beds. Available options for placement in a community alternative to revocation include placement in a specialized treatment program (such as sex offender treatment or domestic violence treatment), a residential services program (halfway house), or a residential treatment center. The Department currently contracts for 389 residential community beds that the Division of Community Corrections may use for alternative to revocation placements.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. GLOBAL POSITIONING SYSTEM (GPS) SEX OFFENDER TRACKING

| GPR   | \$646,900 |
|-------|-----------|
| PR    | 33,900    |
| Total | \$680,800 |

#### Governor/Legislature: Provide \$198,500 GPR and \$10,400 PR in

2023-24 and \$448,400 GPR and \$23,500 PR in 2024-25 to monitor sex offenders who are on GPS tracking. The Department is statutorily required to monitor certain sex offenders, including sex offenders on lifetime supervision (who are tracked until they are deceased). As a result, the total number of individuals tracked by the Department continues to increase. As of February 1, 2023, the Department was monitoring 3,000 individuals by GPS. The Governor projects the GPS-monitored population to increase by 264 individuals by the end of 2023-24 and by an additional 212 individuals by the end of 2024-25.

# 4. GLOBAL POSITIONING SYSTEM (GPS) TRACKING ESTIMATE

| GPR   | \$398,800 |
|-------|-----------|
| PR    | 19,200    |
| Total | \$418,000 |

**Governor/Legislature:** Provide \$199,400 GPR and \$9,600 PR annually to fund non-salary costs funded for a partial year in 2022-23 associated with GPS tracking.

# 5. NOTIFICATION TO CRIME VICTIMS

**Governor:** Modify current law to require the Department of Corrections or the Parole Commission to notify any member of a deceased victim's family who was younger than 18 years old at the time the crime was committed but is now 18 years or older, if the perpetrator of the crime is released on parole or extended supervision. Under current law, only adult members of the victim's family or the parent or legal guardian of the victim are notified.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. **REENTRY CENTERS**

**Joint Finance/Legislature:** Provide \$4,000,000 GPR in 2023-24 to the Committee's supplemental appropriation for the operation of reentry centers, as authorized under pending legislation 2023 Assembly Bill 183/Senate Bill 172. Create a new annual GPR appropriation in

the Department of Corrections to establish and operate the community reentry centers. Corrections may request release of funds under the provisions of s. 13.10 pending enactment of AB 183/SB 172. [See "Program Supplements."]

Veto by Governor [D-35]: Delete reference to a section of proposed statutory language in pending legislation.

[Act 19 Section: 100]

[Act 19 Vetoed Section: 100]

# Adult Sentencing

# 1. EARNED RELEASE PROGRAM CRITERIA AND ELIGIBILITY

**Governor:** Modify statutory language to change the name of the Wisconsin substance abuse program to the Wisconsin earned release program and to change the language of "substance abuse" to "substance use disorder" under program provisions. In addition, make the following modifications to the program:

a. Earned Release Program Eligibility. Modify current law to allow the Department of Corrections, rather than the sentencing court, to determine eligibility in the earned release program. In considering program eligibility, specify that the Department must considerer a prior determination by the sentencing court, if applicable. Repeal statutory language that allows an inmate sentenced before July 26, 2003, to petition the sentencing court to determine earned release program eligibility. [Under the bill, the Department would be able to make program eligibility determinations for these individuals.]

*b.* Earned Release Program - Vocational Readiness Training Program. Expand the earned release program to include not only substance use disorder programs, but also vocational readiness training programs. For the purposes of the Wisconsin earned release program, define "vocational readiness training program" to mean an educational, vocational, treatment, or other evidence-based training program to reduce recidivism. Specify that the Department must provide vocational readiness training programs as an eligible program for earned release at any correctional facility the Department deems appropriate.

The Department must inform the sentencing court when an eligible inmate serving a bifurcated sentence has completed a substance use disorder treatment program or a vocational readiness training program. Upon being informed, as under current law, the court must modify the inmate's sentence by shortening the confinement portion of a sentence and lengthening the extended supervision period by a corresponding amount.

Specify that, for individuals serving an indeterminate sentence, upon successful completion

of a substance use disorder treatment program, the Parole Commission must parole an inmate, regardless of time served, and must require the parolee to participate in an intensive supervision program for drug abusers, as a condition of parole. Conversely, the Department may place intensive sanction program participants in a substance use disorder treatment program (although the Department is not required to notify the court, and the court is not required to modify the participant's sentence, in this circumstance).

*c.* Administrative Rules. Specify that the Department of Corrections must update its administrative rules to implement earned release for completion of a vocational readiness training program, including specification of eligibility to participate criteria for persons sentenced before the effective date of this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. EARNED RELEASE COMPLIANCE CREDIT

**Governor:** Establish the earned compliance credit to require a person with a qualifying offense, upon revocation of extended supervision or parole, to be given credit toward the service of his or her sentence for each day the person spent on extended supervision or parole without violating a condition or rule of extended supervision or parole, prior to the violation that resulted in the revocation. Define "qualifying offense" to mean any offense but not including: (a) a crime against life and bodily security (Chapter 940 of the statutes); (b) sexual assault of a child; (c) repeat acts of sexual assault of the same child; (d) physical abuse of a child; (e) sexual exploitation of a child; (f) trafficking of a child; (g) causing a child to view or listen to sexual activity; (h) incest with a child; (i) child enticement; (j) use of a computer to facilitate a child sex crime; (k) soliciting a child for prostitution; (l) sexual assault of a child placed in substitute care; or (m) sexual assault of a child person or a person who works or volunteers with children.

Specify that earned compliance credit amounts must be calculated and applied by the appropriate reviewing authority (DOA's Division of Hearings and Appeals, or the Secretary of the Department of Corrections if the individual has waived a revocation hearing) when determining time remaining on a bifurcated sentence. In addition, a person released to extended supervision after service of the period of time specified by the reviewing authority is subject to all conditions and rules imposed until the expiration of the time remaining on the bifurcated sentence.

Specify that the earned release compliance credit does not apply to a person required to register as a sex offender and may only be used for the time spent in the community for qualifying offenses, if a person is serving more than one sentence. However, specify that a convicted offender made available to another jurisdiction must be credited with service of his or her Wisconsin sentence, including any earned compliance credit, for the duration of custody in the other jurisdiction.

Specify that a person who is serving a sentence for qualifying offense and who is in custody upon revocation of extended supervision or parole on the effective date of this provision may petition to be given earned compliance credit. Upon proper verification of the facts alleged in the petition, the earned compliance credit must be applied retroactively. If the Department is unable to determine whether credit should be given, or otherwise refuses to award retroactive credit, the person may petition the sentencing court for relief. Specify that this provision applies regardless of the sentencing date. Individuals subject to the sex offender registry remain ineligible for the earned release credit under this provision.

Modify statutory language to include the earned compliance credit to the revoked parolee tolling period provisions. Under current law, the sentence of a revoked parolee or person on extended supervision resumes running on the day he or she is received at a correctional institution, subject to sentence credit for the period of custody in a jail, correctional institution, or any other detention facility, pending revocation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. EXPUNGEMENT OF CRIMINAL RECORDS

Governor: Modify expungement of criminal records and related provisions, as follows:

a. Expungement of Criminal Record Modifications. Modify the current expungement statutes to remove the provisions related to differentiated treatment of persons under the age of 25, and instead provide that a court may order that a criminal case be expunged after a conviction by one of the following methods: (1) at the time of sentencing, the court may order the record expunged upon successful completion of the sentence, if the court determines that the person has not previously had a record expunged under this provision and that the person will benefit and society will not be harmed by the disposition; or (2) the person may file a petition in the county of conviction requesting the record be expunged, if at least one year has passed since successful completion of his or her sentence, there are no criminal charges pending against the person, the person has not previously had a record expunged under this provision, and the person has not exceeded the maximum number of petitions allowed.

Under the bill, a person has successfully completed the sentence if: (1) the person completed all periods of incarceration, parole, or extended supervision to which he or she was sentenced; (2) paid all fines, costs, fees, surcharges, and restitution assessed; (3) completed any court-ordered community services; (4) the person has not been convicted of a subsequent crime; and (5) if probation was imposed, the probation has not been revoked. Specify that if a sentence is completed involving incarceration or probation, the detaining or probationary authority must issue and forward to the court of record a certificate of discharge that indicates whether the person successfully completed his or her sentence. If the person has been incarcerated, the detaining authority must forward a copy of the certificate the Department of Corrections.

In addition, a person is ineligible for expungement if there are criminal charges pending against the person, the person has exceeded the maximum number of petitions allowed (two), or the conviction at issue: (1) is for a crime for which the maximum period of imprisonment is more than six years (Class H felony or higher); (2) is a violation of traffic crimes (Chapters 341 to 348); (3) the court ordered the record ineligible for expungement at sentencing; (4) a violation of stalking

(any class), criminal trespass to dwellings, or if the court noted in the record that the property damage was a business or (5) a violation of a domestic abuse temporary responding order or injunction. Current law provisions prohibiting expungement for a violent felony remains unchanged under the bill.

Provide that the court must review the petition and determine if the person is eligible. If the court determines the person is eligible, the petition is forwarded to the District Attorney. If the District Attorney requests a hearing within 90 days after reviewing the petition, the court must schedule a hearing to review the petition. If the District Attorney waives the hearing, or at least 90 days has passed, the court may review the petition with or without a hearing. If a hearing is held, the sentencing judge must be the judge to review the petition, if practicable. Specify that the court may order the record expunged if the person will benefit and society will not be harmed by the disposition. If the record is not expunged, the person may file a second petition, along with a \$100 fee to the Clerk of Circuit Court, only if two years have passed since the first petition was filed. No person may file more than two petitions per record.

Under current law, a court may expunge a criminal record if: (1) the person is under the age of 25 at the time of the commission of the offense for which the person has been found guilty; (2) the offense is not a violent felony and carries a maximum period of imprisonment of six years or less (Class H felony or less); (3) the person has not been previously convicted of a felony; and (4) the court ordered at the time of sentencing that the record be expunged upon successful completion of the sentence (if the court determines the person will benefit and society will not be harmed by the disposition). The court must order at the time of sentencing that the record be expunged upon successful completion of the sentence if the offense was for a violation of certain invasion of privacy provisions and the person was under the age of 18 at the time the crime was committed. The current law expungement provisions do not apply to certain specified crimes.

Under current law, a person has successfully completed the sentence if the person has not been convicted of a subsequent offense and, if on probation, the probation has not been revoked and all probation conditions have been satisfied. Upon successful completion of the sentence, the detaining or probationary authority must issue a certificate of discharge which must be forwarded to the court, having the effect of expunging the record. If the person has been imprisoned, the detaining authority must forward a copy of the certificate of discharge to the Department of Corrections. Current law specifies that a court may also expunge a record for certain crimes upon motion to the court.

b. Victim Notification and Rights. Include expungement proceedings and hearings as events for which victims and witnesses have the right to require reasonable attempts to be made to notify the victim of hearings or court proceedings. Specifically, the District Attorney must make a reasonable attempt to notify the victim of the petition (including obtaining the victim address information from the Clerk of the Circuit Court), and must inform the victim that he or she may waive the requirement and that, if waived, the court may review the petition without a hearing. In addition, specify that the District Attorney must inform the victim of manners in which he or she may provide written statements concerning the petition and that, if the victim does not waive the hearing requirement, he or she may appear at the hearing. If the victim waives the hearing requirement, the District Attorney may inform the court that there is no objection to waving the

#### requirement.

c. Employment Discrimination Due to Criminal Record. Provide that employment discrimination because of conviction record includes, but is not limited to, requesting an applicant, employee, member, licensee, or any other individual, on an application form or otherwise, to supply information regarding a crime for which the record has been expunged. Specify that a request to supply information regarding criminal convictions must not be construed as a request to supply information regarding a crime for which the record has been expunged. Renumber current statutes related to discrimination because of an arrest record.

Specify that it is employment discrimination for an employer or licensing agency to engage in any act of employment discrimination on the basis of an expunged conviction record. Specify that this provision also applies to discrimination by licensing agencies in licensing provisions. Specify that a record for a crime expunged is not considered a conviction for employment purposes or for purposes of the issuance of a license by a licensing agency. Further, specify that it is not employment discrimination for the law enforcement standard board to refuse to certify, recertify, or allow to particular in a preparatory training program or to decertify an individual who has an expunged conviction record. These provisions do not apply to the extent that they conflicts with federal law.

*d.* Applicability. The treatment of the created or modified expungement of criminal records provisions first apply to a conviction for which sentencing has occurred, but for which the record has not been ordered or expunged on the effective date of these provisions. The treatment of other provisions impacted by this bill first apply on the first day of the 13<sup>th</sup> month beginning after publication.

e. *Definitions*. For the purposes of the expungement provisions, define "Record" to mean a criminal case file.

The expungement provisions are intended to include the provisions of 2021 Assembly Bill 69 and Assembly Amendment 1 to Assembly Bill 69.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. IMMUNITY FOR CERTAIN CONTROLLED SUBSTANCES OFFENSES

**Governor:** Modify the statutory title for "Immunity from Criminal Prosecution" to add "and Revocation of Parole, Probation, or Extended Supervision." In addition, modify provisions under this title to provide that an "aider" may not have his or her parole, probation, or extended supervision revoked for the possession of drug paraphernalia, a controlled substance, controlled substance analog, or of a masking agent under the circumstances surrounding or leading to the commission of an act that qualifies a person as an aider, if the aider's attempt to obtain assistance occurs immediately after the aider believes the other person is suffering from an overdose or other adverse reaction. Specify that no aided person may have his or her parole, probation, or extended supervision revoked under the circumstances surrounding or leading to the commission of an "aider" act if the aided person completes a treatment program as a condition of his or her parole, probation, or extended supervision or, if programming is unavailable or would be financially prohibitive, if the aided person agrees to be imprisoned in the county jail for not less than 15 days. In addition, specify that if an aided person is subject to prosecution for the possession of drug paraphernalia, a controlled substance, controlled substance analog, or of a masking agent under circumstances surrounding or leading to the commission of an act that qualifies a person as an aider, the district attorney must offer the aided person a deferred prosecution agreement that includes the completion of a treatment program. This provision does not apply to an aided person who is on parole, probation, or extended supervision and fails to meet the above-mentioned treatment program or county jail conditions.

Under current law, an "aider" means a person who: (a) brings another person who is, or is reasonably believed to be, suffering from an overdose to a fire station or healthcare facility and makes contact with staff; (b) summons and makes contact with a law enforcement officer, ambulance, emergency medical services practitioner, or other health care provider in order to assist another person who is, or is reasonably believed to be, suffering from an overdose; or (c) calls "911," or where the number is not available, calls a number for an emergency medical service provider and makes contact with an individual answering the number, with the intent to obtain assistance for another person who is, or is reasonably believed to be, suffering from an overdose.

This provision permanently restores the expanded immunities temporarily provided under 2017 Act 33. The provisions under Act 33 expired on August 1, 2020.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Juvenile Corrections**

# 1. JUVENILE POPULATION ESTIMATES

**Governor/Legislature:** Under the bill, the juvenile correctional facility average daily population (ADP) is estimated to be 93 annually as shown in the table below. The juvenile facilities include Lincoln Hills School (LHS) (males), Copper Lake School (CLS) (females), the Mendota Juvenile Treatment Center (MJTC), and the Grow Academy, an agriculture science-based experiential education program held at a facility in Oregon, Wisconsin.

|                                      | July 28, 2023     | Average Dai | ly Population |
|--------------------------------------|-------------------|-------------|---------------|
| Facilities                           | Actual Population | 2023-24     | 2024-25       |
| Lincoln Hills School                 | 51                | 50          | 50            |
| Copper Lake School                   | 5                 | 12          | 12            |
| Mendota Juvenile Treatment Center    | 29                | 26          | 26            |
| Grow Academy                         | <u>6</u>          | 5           | 5             |
| Total Juvenile Correctional Facility | 91                | 93          | 93            |

#### 2. STATUTORY DAILY RATES

**Governor/Legislature:** Establish the statutory daily rate at \$1,246 in 2023-24 and \$1,268 in 2024-25 for juvenile correctional services provided or purchased by the Department that would be charged to counties and paid through counties' youth aids allocations, or paid by the state through the serious juvenile offender appropriation. The current daily rate for 2022-23 is \$1,178. Under current law, daily rates for juvenile care in a given biennium are specified in statute by fiscal year for juvenile correctional facilities. Further, the daily rate for the juvenile correctional facilities currently includes a \$6 add-on to address the juvenile operations appropriation deficit.

[Act 19 Section: 454g]

#### **3.** SERIOUS JUVENILE OFFENDER FUNDING

**Governor/Legislature:** Provide \$1,567,700 in 2023-24 and \$5,999,400 in 2024-25 related to juvenile institution care, alternate care, and community supervision for serious juvenile offenders (SJO). Increased costs are associated with an increase in the statutory daily rate for the estimated populations. The estimated ADP for the SJO population would be 75 in 2023-24 and 82 in 2024-25. Base funding for the program is \$19,205,300 GPR annually. The following ADPs for the SJO appropriation, are projected for the 2023-25 biennium:

#### **Average Daily Population**

|   | Serious               | Juvenile Offen        | ders                  |
|---|-----------------------|-----------------------|-----------------------|

\* A subset of the community supervision program (corrective sanctions and aftercare supervision) program that includes residential care centers, group homes, treatment foster homes, and certain supplemental living arrangements.

GPR \$7,567,100

- -- --

#### 4. POPULATION AND INFLATIONARY COSTS

\$222,500

PR

**Governor/Legislature:** Modify population-related funding for juvenile corrections by \$87,700 in 2023-24 and \$134,800 in 2024-25, as follows: (a) \$132,900 in 2023-24 and \$138,800 in 2024-25 for food costs at juvenile correctional facilities; (b) \$31,000 annually for variable non-food costs (such as clothing, laundry, and personal items); and (c) -\$76,200 in 2023-24 and -\$35,000 in 2024-25 for juvenile health costs.

# 5. MENDOTA JUVENILE TREATMENT CENTER PR \$1,084,400 REESTIMATE [LFB Paper 457]

**Governor/Legislature:** Provide \$447,300 in 2023-24 and \$637,100 in 2024-25 related to payments to the Department of Health Services (DHS) for juveniles placed at the Mendota Juvenile Treatment Center (MJTC). Base funding for MJTC is \$1,365,500 GPR and \$4,068,600 PR.

# 6. AGE OF JUVENILE JURISDICTION

**Governor:** Modify current law, first applicable to acts committed on the day after publication of the bill, to specify that persons who have not attained the age of 18 years are subject to the procedures specified in the Juvenile Justice Code and, on being adjudicated delinquent, subject to an array of dispositions under that code including placement in a juvenile correctional facility. Similarly, modify from 17 to 18 the age at which a person who is alleged to have violated a civil law or municipal ordinance is subject to the jurisdiction and procedures of the circuit court or, if applicable, the municipal court. Specify that the provisions would become effective on January 1, 2024.

Under current law, a person 17 years of age or older who is alleged to have violated a criminal law is subject to adult procedures and sentencing under the Criminal Code, which may include a sentence of imprisonment in the Wisconsin state prisons. Subject to certain exceptions, a person under 17 years of age who is alleged to have violated a criminal law is subject to the procedures specified in the Juvenile Justice Code and, on being adjudicated delinquent, is subject to an array of dispositions under that code including placement in a juvenile correctional facility. [For information on funding provided to counties associated with the age of juvenile jurisdiction, see "Children and Families -- Juvenile Justice."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|                           | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |                  | <u>Net Change</u><br>ns Funding Positions   |
|---------------------------|--|------------------|---|
| GPR<br>FED<br>PR<br>Total | 2,668,000 - 46.00<br>- 1,519,800 - 4.00                | 0 0.00<br>0 0.00 | - \$6,979,300 0.00<br>2,668,000 - 46.00<br><u>- 1,519,800 - 4.00</u><br>- \$5,831,100 - 50.00 |

**Governor:** Provide adjustments to the base totaling -\$2,969,700 GPR, \$2,668,000 FED, and -\$759,900 PR, and -4.0 PR positions in 2023-24, and -\$2,383,400 GPR and -\$759,900 PR, and -4.0 PR and -46.0 FED positions in 2024-25. Adjustments are for: (a) turnover reduction (-\$1,219,700 GPR annually); (b) removal of non-continuing elements from the base (-\$889,400 FED and -\$607,500 PR and -4.0 PR positions in 2023-24 and -\$3,557,400 FED and -\$607,500 PR

and -46.0 FED and -4.0 PR positions in 2024-25); (c) full funding of continuing position salaries and fringe benefits (-\$2,405,900 GPR, \$3,557,400 FED, and -\$152,400 PR, annually); (d) reclassifications and semiautomatic pay progression (\$560,900 GPR in 2023-24 and \$1,147,200 GPR in 2024-25); and (e) night and weekend differential pay (\$95,000 GPR annually). Note that positions removed under non-continuing element were supported with federal ARPA funds.

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$813,100 GPR annually.

# 2. **RESTORE TURNOVER** [LFB Paper 315]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,439,400                | - \$2,439,400                     | \$0        |

**Governor:** Provide \$1,219,700 annually to restore the turnover reduction applied in standard budget adjustments.

Joint Finance/Legislature: Provision not included.

# **3.** SALARY ADJUSTMENTS [LFB Paper 316]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$14,026,800               | \$2,215,600                       | \$16,242,400 |

**Governor:** Provide \$7,013,400 annually to increase the starting salary of all Assistant District Attorneys (ADAs) to \$35 an hour and provide an hourly increase of \$7.76 (\$16,140 annually) to all ADAs and Deputy District Attorneys. Further, include non-statutory language specifying that, notwithstanding statutory provisions that establish maximum annual salary increases in connection with pay progression, salary increases in 2023-24 and 2024-25 may be more than 10% annually.

**Joint Finance/Legislature:** Provide an additional \$1,107,800 annually to increase the salary adjustment from \$7.76 to \$8.76 an hour. Further, include non-statutory language specifying that, notwithstanding statutory provisions that establish maximum annual salary increases in connection with pay progression, salary increases in 2023-24 may be more than 10% annually. In addition, include non-statutory language specifying that, notwithstanding the current compensation plan, that the agency can provide the new minimum salary upon appointment and provide adjustments and pay progression to those at the maximum salary level.

[Act 19 Sections: 9101(1)(a)&(c)]

#### 4. PAY PROGRESSION [LFB Paper 316]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$1,672,100                | \$432,400                         | \$2,104,500 |

**Governor:** Provide \$1,672,100 in 2024-25 to support the pay progression plan for assistant district attorneys (ADAs) and deputy district attorneys (DDAs). The ADA and DDA pay progression plan is merit-based and consists of 17 hourly salary steps, with each step equal to one-seventeenth of the difference between the lowest annual salary (\$56,659 as of January 3, 2023) and the highest annual salary (\$136,781 as of January 3, 2023). The value of one hourly salary step equals \$4,722 annually. Notwithstanding the creation of a 17 hourly salary step pay progression plan, the supervising DAs are authorized to: (a) deny annual salary increases to individual ADAs and DDAs; and (b) increase the salary of individual ADAs and DDAs by up to 10% per year. Funding requested is equal to one step.

**Joint Finance/Legislature:** Provide an additional \$432,400 in 2024-25 such that current law provisions may provide pay progression of one step with higher salaried individuals limited to the maximum of the salary range then in effect.

#### 5. **DISTRICT ATTORNEY COMPENSATION** [LFB Paper 317]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$854,300                  | \$71,900                          | \$926,200  |

**Governor:** Provide \$854,300 in 2024-25 to increase the hourly compensation of elected district attorneys by \$10.03 (\$7.76 salary adjustment and \$2.27 one step increase) (\$20,862 annually) beginning with the start of their new term (January, 2025) to match the raise provided to ADAs and DDAs. Salaries for elected District Attorneys (ranging from \$106,288 to \$145,288 based on county population) are established in the state's compensation plan which is approved by the Joint Committee on Employment Relations.

**Joint Finance/Legislature:** Provide an additional \$71,900 in 2024-25 to increase the salary adjustment from \$7.76 to \$8.76 an hour.

#### 6. ADDITIONAL GPR PROSECUTOR POSITIONS [LFB Paper 318]

|                    | (Chg   | vernor<br>. to Base) | (Chg.  | nce/Leg.<br>to Gov) |                                    | hange                       |

that the federal funding for positions converted are removed as part of standard budget adjustments as non-continuing items.]

\* Position starts in 2024-25.

*c.* Increase Existing Part-Time ADA Position Authority: Provide \$91,500 GPR and 0.9 GPR positions in 2023-24, and \$116,800 GPR and 1.4 GPR positions in 2024-25 to increase part-time prosecutor positions in the following three counties: (a) Langlade 0.5 GPR position in 2024-25 (0.5 to 1.0 position); (b) Oneida 0.5 GPR position (0.5 to 1.0 position); and (c) Ozaukee 0.4 GPR position (0.6 to 1.0 position).

**Joint Finance/Legislature:** Reduce funding by \$3,582,500 GPR and 46.9 GPR positions in 2023-24 and \$4,875,200 GPR and 50.4 GPR positions in 2024-25. As a result, \$167,700 GPR and 1.9 GPR positions in 2023-24 and \$319,600 GPR and 4.4 GPR positions in 2024-25 would be provided for additional ADAs. Specify that positions would be provided as follows: Langlade, 0.5 GPR in 2024-25; Oneida, 0.5 GPR in 2023-24; Ozaukee, 0.4 GPR in 2023-24; Kenosha, 2.0 GPR in 2024-25; and Sauk, 1.0 GPR in 2023-24. Further, restore \$237,100 PR and 3.0 PR positions annually.

# 7. SUPPLIES AND SERVICES [LFB Paper 319]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$1,118,800                | \$289,000                         | \$1,407,800 |

**Governor:** Provide \$559,400 annually to support the costs of various Department of Administration (DOA) assessments including charges for personnel services, financial services, DOA overhead, risk management and state accounting system. As part of the District Attorneys salary and fringe benefits appropriation, \$223,200 annually is allocated to supplies and services. Payments for special prosecutors (\$155,100 in 2021-22) are also made from the appropriation's supplies and services allocation.

**Joint Finance/Legislature:** Provide an additional \$144,500 annually for DA supplies and services for a total of \$703,900 annually.

#### 8. DEPUTY DISTRICT ATTORNEY ALLOCATIONS

**Governor:** Allow counties with a population between 200,000 and 750,000 to appoint up to four deputy district attorneys instead of three. This provision would affect Brown, Dane, and Waukesha counties.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **9. DISTRICT ATTORNEY INFORMATION TECHNOLOGY PROGRAM** [LFB Paper 146]

**Governor:** Provide \$4,400,000 GPR annually in the Department of Administration to support the District Attorney Information Technology (DAIT) program, which provides IT hardware, software, and legal subscription services to the District Attorneys (DA), Assistant District Attorneys, and other District Attorney Office staff. Funding is intended to provide laptops and software for 1,600 state- and county-funded employees statewide utilizing the DAIT network (\$3,000,000 annually) and to provide TIME Access, Westlaw subscription, and State Bar legal research tools for eligible DA office employees (\$1,400,000 annually). Further, funding is intended to upgrade the prosecutor technology for case tracking system. [See "Administration -- Information Technology."]

**Joint Finance/Legislature:** Provide funding but on a one-time basis. [See "Administration -- Information Technology."]

# 10. REPRESENTATION FOR LAW LICENSE GRIEVANCES

**Governor:** Provide funding and an attorney position in the Department of Administration an attorney to represent state attorneys before the Office of Lawyer Regulation in the event that a grievance against their law license is filed (\$65,700 PR in 2023-24 and \$84,200 PR in 2024-25 with 1.0 PR position annually). [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

PR Governor/Legislature: Modify the base budget by \$269,600 GPR Total \$1,414,600

and \$430,400 PR in 2023-24 and \$273,000 GPR and \$441,600 PR in 2024-25 for: (a) full funding of continuing salaries and fringe benefits (\$173,300 GPR and \$211,700 PR annually); (b) \$4,300 GPR and \$18,300 PR in 2023-24 and \$7,300 GPR and \$20,200 PR in 2024-25 for reclassifications and semiautomatic pay progression; (c) \$73,300 GPR and \$12,000 PR

annually for overtime; (d) \$8,700 GPR and \$3,400 PR annually for night and weekend differential pay; and (e) \$10,000 GPR and \$185,000 PR in 2023-24 and \$10,400 GPR and \$194,300 PR in 2024-25 for full funding of lease and directed move costs.

GPR

\$542,600

872,000

#### 2. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | - \$589,700                | \$1,307,000                       | \$717,300  |

**Governor:** Reestimate debt service funding by -\$181,200 in 2023-24 and -\$408,500 in 2024-25. Base level funding is \$1,949,500 annually.

Joint Finance/Legislature: Reestimate debt service by \$421,500 in 2023-24 and \$885,500 in 2024-25

#### **3.** FUEL AND UTILITIES REESTIMATE

GPR \$96,200

**Governor/Legislature:** Provide \$41,800 in 2023-24 and \$54,400 in 2024-25 to reestimate the Board's fuel and utilities budget to reflect anticipated changes in prices and statistically normal weather conditions. Base level funding is \$818,300 annually.

#### 4. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$3,000                    | - \$3,000                         | \$0        |

**Governor:** Provide \$1,500 GPR annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose. Of the total amount, \$700 annually would be provided in the Board's general program operations appropriation and \$800 annually would be provided in the appropriation for transmitter operation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. DELETE VACANT POSITIONS

**Joint Finance/Legislature:** Delete 2.68 PR positions vacant for 24 months or more from ECB's appropriation for gifts, grants, contracts, leases, instructional materials, and copyrights.

|    | Positions |  |
|----|-----------|--|
| PR | - 2.68    |  |

# **ELECTIONS COMMISSION**

**Governor:** Provide adjustments to the base totaling \$189,300 GPR, \$31,600 FED, and \$85,700 PR in 2023-24 and \$192,200 GPR, \$34,300 FED, and \$85,700 PR in 2024-25. Adjustments are for: (a) full funding of continuing position salaries and fringe benefits (\$171,500 GPR, \$16,100 FED, and \$71,400 PR annually); (b) reclassifications and semiautomatic pay progression (\$42,700 GPR, \$4,300 FED, and \$14,300 PR in 2023-24 and \$42,700 GPR, \$5,800

FED, and \$14,300 PR in 2024-25); and (c) full funding of lease and directed moves costs (-\$24,900 GPR and \$11,200 FED in 2023-24 and -\$22,000 GPR and \$12,400 FED in 2024-25).

**Joint Finance/Legislature:** Modify full funding of lease and directed moves costs by \$20,600 GPR, -\$17,900 FED, and \$13,600 PR in 2023-24, and by \$17,700 GPR, -\$19,100 FED, and \$13,600 PR to reflect Elections Commission rent costs for the 2023-25 biennium.

#### 2. OFFICE OF ELECTION TRANSPARENCY AND COMPLIANCE

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Change</u><br>Positions |
|-----|--|---|-----|----------------------------|
| GPR | \$1,938,000 10.00                                      | - \$1,938,000 - 10.00   | \$0 | 0.00                       |

**Governor:** Provide \$902,000 in 2023-24, \$1,036,000 in 2024-25, and 10.0 positions annually to create and operate an Office of Election Transparency and Compliance attached to the Elections Commission. The Office would operate under the direction and supervision of a director, who would be appointed in the classified service by the administrator or interim administrator of the Elections Commission. As directed by the Commission by resolution, the Office would: provide assistance and research to the Commission concerning complaints filed under statutes pertaining to violation of election law; as directed by the administrator, provide assistance and research to the Commission on procedures at polling places, election processes, and audits of election systems and equipment including accessibility audits; and respond to public inquiries and record requests and inquiries and requests for assistance made by a member, committee, or house of the state Legislature.

Funding would include: (a) \$552,000 in 2023-24 and \$736,000 in 2024-25 for 10.0 positions to staff the Office; (b) \$300,000 annually for voting and auditing equipment; and (c) \$50,000 in 2023-24 for one-time purchase of computers and office supplies. Position authority would include: (a) 1.0 director; (b) 4.0 program and policy analysts; (c) 2.0 information systems (IS) data services senior positions; (d) 1.0 IS systems development senior position; (e) 1.0 legislative liaison; and (f) 1.0 communications specialist advanced position. According to the administration, the Office of Election Transparency and Compliance is intended to increase confidence in election operations.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **3. BADGER BOOK GRANTS**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$400,000                  | - \$400,000                       | \$0        |

Governor: Provide \$400,000 in 2023-24 to allow the Elections Commission to award grants

to counties and municipalities for the purchase of election supplies and equipment, including electronic poll books (also called "Badger Books"). Create an annual local aids for the purchase of election supplies and equipment appropriation in the Elections Commission for this purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. VOTER IDENTIFICATION TRAINING APPROPRIATION MODIFICATION

**Governor:** Modify the voter identification training appropriation to broaden the language so that funds may be used for all elections training purposes, rather than just voter identification training. The modified appropriation would be titled, "County and municipal clerk training" and funds would be used for training of county and municipal clerks concerning the administration of elections as outlined in Chapters 5 through 10 and 12 of the statutes, including voter identification requirements provided in 2011 Act 23. The Commission indicates that voter identification training is generally incorporated into various training programs conducted by staff, rather than being regularly offered as a stand-alone training. In 2022-23, the annual voter identification training appropriation is budgeted \$82,600 GPR.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. REIMBURSEMENT FOR SPECIAL PRIMARY AND ELECTION COSTS

**Governor:** Require the Elections Commission to reimburse counties and municipalities for costs incurred in the administration of special primaries and special elections for state or national office. Create a sum sufficient GPR appropriation titled "local aids for special elections" to provide reimbursements.

As a sum sufficient appropriation, the Commission would be authorized to spend any amount necessary for reimbursements, subject to the following restrictions. Costs would be eligible for reimbursement if the Commission determined: costs are reasonable; rates did not exceed the rates paid for similar costs at a primary or election that is not a special primary or election; and, in the case where the election coincides with a primary or election that is not a special primary or election, the cost does not exceed the amount that would be incurred if the primaries or elections did not coincide. Only the following costs would be reimbursable: (a) rental payments for polling places; (b) election day wages paid to election officials working at the polls; (c) costs for the publication of required election notices; (d) printing and postage costs for absentee ballots and envelopes; (e) costs for the design and printing of ballots and poll books; (f) purchase of ballot bags or containers, including ties or seals for chain of custody purposes; (g) costs to program electronic voting machines; (h) purchase of memory devices for electronic voting machines; (i) wages paid to conduct a county canvass; and (j) data entry costs for a statewide voter registration system. The bill would incorporate the provisions of 2021 Assembly Bill 21/Senate Bill 21.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. SPECIAL ELECTION DATES FOR CERTAIN FEDERAL OFFICES

Governor: Require that a vacancy in the office of a U.S. Senator or Representative be filled as soon as practicable as follows: (a) at a special election to be held on the third Tuesday in May following the date of the vacancy with a special primary to be held concurrently with the spring primary on the third Tuesday in February (the first day for circulating nomination papers would be November 1, and the last day would be no later than 5:00 p.m. on the first Tuesday in December preceding the primary); (b) at a special election to be held on the second Tuesday in August following the date of the vacancy with a special primary to be held on the third Tuesday in May (the first day for circulating nomination papers would be February 1, and the last day would be no later than 5:00 p.m. on the first Tuesday in March); or (c) at a special election to be held on the Tuesday after the first Monday in November following the date of the vacancy with a special primary to be held on the second Tuesday in August (timing of the circulation of nomination papers, as under current law for partisan primaries, would be April 15 preceding the general election to no later than 5:00 p.m. on June 1 preceding the partisan primary). As under current law, a vacancy filled would be for the remainder of the unexpired term. In addition, modify the definitions of "special primary" and "spring primary" to include reference to these provisions. Under the bill, a November special election would not be held in any year in which the general election is held for that office; instead, the vacancy would be filled at the partisan primary and general election.

The administration indicates that the provision would clarify scheduling and ensure special elections "are scheduled with sufficient time to comply with federal requirements for sending ballots to military and overseas voters." Federal law requires states to transmit absentee ballots to military and overseas voters no later than 45 days before an election for federal office. Under current law, if a vacancy occurs in the office of a U.S. Senator or Representative prior to the second Tuesday in April in a year in which a general election is held, the vacancy must be filled at a special primary and special election. Statute does not prescribe the specific dates for such a special primary or special election. Also under current law, if the vacancy occurs between the second Tuesday in April and the second Tuesday in May of that year, the office must be filled at the partisan primary and general election.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. RECOUNT FEES

**Governor:** Modify the appropriation for recount fees from an annual to a continuing PR appropriation. Under current law, the Elections Commission is required to reimburse counties for the actual costs of conducting a recount. The appropriation is funded by fees collected from the candidate that filed the recount petition.

## 8. AUTOMATIC VOTER REGISTRATION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$172,700                  | - \$172,700                       | \$0        |

**Governor:** Provide \$156,100 in 2023-24 and \$16,600 in 2024-25 to register all eligible electors as soon as practicable using the process described below.

Agreement with DOT. Require the Commission and the Department of Transportation (DOT) to revise the existing agreement between the agencies relating to matching voter information to provide for the electronic transfer of information to facilitate the registration of all eligible electors. The Department would be required to begin transferring information no later than the first day of the ninth month after the effective date of the bill.

The agreement must provide for the transfer of the following, no less often than weekly: (a) the full name of each individual who holds a current operator's license or identification card issued by DOT; (b) the individual's name history, current address, address history, date of birth, and license or identification card number; (c) a copy of the document the individual provided as proof of citizenship; (d) a statement indicating that DOT verified the citizenship; and (e) the most recent date that each item of information was provided or obtained by DOT.

Require that the application forms for a license or identification card inform the applicant that information will be made available to the Elections Commission and allow the applicant to elect not to share the information. Specify that the Commission maintain the confidentiality of all information obtained from DOT and only use the information for the purpose of registrations. Further, specify that this provision would not preclude DOT from sharing this information with the Commission for the current law purposes of online voter registration or for any other purpose other than automatic voter registration. [See "Transportation -- Motor Vehicles."]

Assistance from DOA. Require the Department of Administration to assist with information technology systems development to facilitate the registration of eligible electors.

*List Maintenance*. Require the Commission to compare the information from DOT with the voter registration list and use all feasible means to facilitate the registration of eligible electors based on the following procedures:

a. Enter each individual's name on the registration list, provided that the Commission has obtained from reliable sources the required information and the individual appears to be eligible to vote but is not registered. Attempt to obtain from reliable sources the necessary information required to complete an individual's registration. Attempt to contact the individual if necessary to obtain the information needed to complete registration. Under current law, municipal and county clerks, rather than the Commission, are responsible for maintaining the voter registration list.

b. Mail a notice to each individual added to the registration list. The notice must be printed in English, Spanish, and other languages spoken by a significant number of state residents,

as determined by the Commission. The notice must inform the individual that his or her name has been added to the registration list, provide the individual's current address, inform the individual that he or she may request to be deleted and provide instructions for doing so, provide instructions for notifying the Commission of a change in name or address, and provide instructions for obtaining a confidential listing.

c. Attempt to contact electors to resolve discrepancies if the information from DOT does not match the voter registration list. If the Commission is unable to contact the elector, the information in the registration list would be maintained.

d. If a name is removed from the registration list or the status of the elector is changed from eligible to ineligible, other than to remove a duplicate entry or change the status of a deceased individual to ineligible, mail a notice of the change by first class postcard informing the person that he or she may apply to be added again if the person is a qualified elector.

e. If the status of the elector is changed from eligible to ineligible and the elector's name or residence has not changed, the Commission may not change the individual's name to eligible status unless the Commission verifies eligibility and the elector wishes to change his or her status to eligible.

f. In addition, any individual may file a request with the Commission to be excluded or deleted from the registration list and may later revoke the request. The Commission must ensure that an individual who has filed a request to be excluded or deleted from the list is excluded or removed and is not added at a later time unless the request is revoked.

*Report to Legislature*. No later than July 1, 2025, require the Commission to report the following to the appropriate standing committees of the Legislature and to the Governor: (a) progress in implementing a system to ensure the complete and continuous registration of all eligible electors, including the operability and utility of information integration with DOT; and (b) an assessment of the feasibility and desirability of the integration of registration information with information maintained by other state agencies, including at a minimum the Departments of Health Services, Children and Families, Workforce Development, Revenue, Safety and Professional Services, and Natural Resources; the University of Wisconsin System; the Technical College System Board; and the technical colleges within each technical college district.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 9. VOTER REGISTRATION MODIFICATIONS

**Governor:** Require municipal clerks or their agents to promptly add the names of qualified electors who register late in person to the statewide official registration list. Modify current law provisions related to filing registration forms to create an exception for electronic registration and specifically require that such records be maintained by the Commission and made available for inspection by the municipal clerk, clerk's agent, or board of election commissioners. In addition, modify current law provisions related to the information clerks are required to record to include

an indication that information was verified in lieu of proof of residence for an elector who registers by electronic application.

Under current law, an elector who registers to vote electronically is not required to provide proof of residence if, at the time of registration, the elector provides the number of a current and valid operator's license or identification card issued by the Department of Transportation, together with the elector's name and date of birth, and the Commission is able to verify the information using the electronic system.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **10. STUDENT PROOF OF IDENTIFICATION FOR VOTING**

**Governor:** Modify provisions related to identification (ID) cards used for voting to: (a) specify that an expired identification card issued by an accredited university or college may be used if the student provides proof of current enrollment; (b) remove the requirement that a student presenting an unexpired identification card issued by an accredited university or college must establish that he or she is currently enrolled at the university or college; and (c) require that every technical college and University of Wisconsin System institution issue student identification cards that qualify as identification for the purpose of voting no later than August 1, 2023.

The administration indicates that the modifications to student ID requirements are intended to reflect recent federal case law. Under current statute, an unexpired student ID meeting certain criteria may be used for voting if the student also establishes current enrollment. However, in July, 2020, the U.S. Court of Appeals for the Seventh Circuit held that the requirement to present proof of enrollment with an unexpired identification card was unconstitutional and is, therefore, unenforceable. As a result, under current practice, if a qualifying student ID is unexpired, proof of enrollment is not required. However, if the student ID is expired, the voter must also provide a valid proof of enrollment document.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 11. HIGH SCHOOL VOTER REGISTRATION REQUIREMENT

**Governor:** Require the municipal clerk of each municipality to notify the school board of each school district in which the municipality is located that public high schools must be used for voter registration for enrolled students and members of the high school staff. Specify that the school board and the municipal clerk must agree on the appointment of at least one qualified elector at each high school (the special school registration deputy), and the municipal clerk must review the duties and responsibilities of the position with the appointee.

Under the bill, students and staff may register at the high school on any day that classes are regularly held. The school registration deputies must promptly submit completed registration

forms to the appropriate municipal clerk, at which time, the municipal clerk must add the eligible electors to the registration list. The registration form must be filed in such a way that when a student attains the age of 18 years old, the student is automatically registered to vote. If a registration form is rejected by the municipal clerk, the registrant shall be notified of the rejection, along with the reason(s) for the rejection. If applicable, a rejected registrant may reapply.

The principal of any private high school or of any applicable tribal school may request that the municipal clerk appoint a special school registration deputy in the same manner as public schools. The clerk must appoint a special school registration deputy if the clerk determines that the school has a substantial number of students residing in the municipality. These provisions would reinstate prior law (repealed under 2011 Act 240).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 12. TEMPORARY IDENTIFICATION CARDS FOR VOTING -- VALID PERIOD

**Governor:** Extend from 60 to 180 days the period for which identification card receipts issued by the Department of Transportation for the purposes of voting remain valid as a temporary identification card. [See "Transportation -- Motor Vehicles."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 13. EARLY CANVASSING OF ABSENTEE BALLOTS

**Governor:** Authorize municipal clerks and municipal board of election commissioners to begin canvassing absentee ballots the day before an election. Under current law, absentee ballots may not be canvassed until election day.

The early canvassing of absentee ballots would be subject to the following requirements: (a) prior to early canvassing, the municipality must notify the Elections Commission in writing and must consult with the Commission concerning administration; (b) early canvassing may be conducted only between 7:00 a.m. and 8:00 p.m. on the day before the election, and ballots may not be tallied until after polls close on election day; (c) members of the public must have the same right of access to a place where absentee ballots are being canvassed early as is provided under current law for canvassing absentee ballots on election day; (d) when not in use, equipment used and the areas where programmed media and absentee ballots are stored must be secured with tamper-evident security seals in a double-lock location; (e) subject to criminal penalty as a Class I felony, no person may act in any manner that would give him or her the ability to know or provide information on the results from the ballots before the close of polls on election day; and (f) certain notices must be provided before each election at which the municipality intends to early canvass absentee ballots. The bill specifies that certain actions required to canvass absentee ballots, such as tallying the returns for each office, may not be completed prior to election day. In addition, for procedures related to an absentee ballot request for a sequestered juror, require the municipal clerk

or agent of the clerk to deliver properly completed ballots to the election inspectors of the proper ward or election district (instead of the polling place).

Modify voting and recording absentee ballot law to specify that, when the inspectors open the ballot envelope and announce the name or identification serial number of the absentee elector, it must be done in the same room where votes are being cast or in the place where absentee ballots are being canvassed early (under current law, only the former is a location option). In addition, modify absent voting procedure law to specify that the ballot must be returned so that it is delivered to the election inspectors of the proper ward or election district (under current law, the ballot must be returned so that it is delivered to the polling place). Finally, modify statutes relating to testing of equipment, requirements for programs, and ballots to remove the language "either at the polling place or at a central counting station" and to replace the language "not more than 10 days prior to the election day on which the equipment is to be utilized" with "not more than 10 days prior to the day on which the equipment is to be utilized in an election" to effectuate the proposed early canvassing of absentee ballot provisions.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 14. CENTRAL COUNTING AT COUNTY SEAT

**Governor:** Specify that proceedings at each central counting location must be under the direction of the municipal clerk or an election official designated by the clerk, unless the central counting location is at the county seat, in which case the proceedings must be under the direction of the county clerk or an official designated by the county clerk.

Under current law, proceedings at a central counting location at the county seat are under the direction of the municipal clerk, or an election official designated by the clerk, unless the municipal clerk delegates the responsibility to supervise the location to the county clerk.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **15. IN-PERSON ABSENTEE VOTING**

**Governor:** Eliminate the restriction on how soon a person may complete an absentee ballot in person. Under current law, an individual may complete an absentee ballot in person no earlier than 14 days before the election.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 16. RESIDENCY REQUIREMENT FOR VOTING

**Governor:** Specify that an otherwise eligible voter must be a resident of Wisconsin and of the municipality where the elector is voting for 10 consecutive days before an election, rather than

for 28 days as under current law, and may submit an application form no sooner than nine days before an election, rather than no sooner than 27 days as under current law.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **17. VOTER BILL OF RIGHTS**

**Governor:** Create a statutory "voter bill of rights" and require that municipal clerks and boards of election commissioners post it at each polling place.

The bill of rights would inform voters that they have the right to: (a) vote if registered and eligible to vote; (b) inspect a sample ballot before voting; (c) cast a ballot if in line when the polling place closes or, if voting by in-person absentee ballot on the last day for which such voting is allowed, when the municipal clerk's office closes; (d) cast a secret ballot; (e) get help casting a ballot if disabled; (f) get help voting in a language other than English as provided by law; (g) get a new ballot, up to three ballots in all, if the voter makes a mistake on the ballot and has not yet cast the ballot; (h) cast a provisional ballot as provided by law; (i) have the voter's ballot counted accurately; (j) vote free from coercion or intimidation; and (k) report any illegal or fraudulent election activity.

## **EMPLOYEE TRUST FUNDS**

#### **Budget Change Items**

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,342,800                | - \$846,000                       | \$496,800  |

**Governor:** Provide adjustments to the base totaling \$671,400 annually for: (a) turnover reduction, -\$634,600 annually; (b) full funding of continuing position salaries and fringe benefits, \$1,306,700 annually; (c) overtime, \$45,600 annually; (d) night and weekend differential pay, \$72,300 annually; and (e) full funding of lease and directed moves costs, -\$118,600 annually.

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$423,000 annually.

#### 2. RETIRED EMPLOYEES BENEFIT SUPPLEMENT RE-ESTIMATE [LFB Paper 106]

- \$15,700

**Governor/Legislature:** Reduce estimated expenditures by \$4,600 in 2023-24 and \$11,100 in 2024-25 to reflect decreased amounts necessary to pay benefit supplements for retirees who first began receiving annuities before October 1, 1974. These supplements were authorized by Chapter 337, Laws of 1973, 1983 Wisconsin Act 394, and 1997 Wisconsin Act 26. The reestimate is due to a declining number of retirees eligible for these supplements due to deaths. Current base level funding for the appropriation is \$32,500.

# 3. INSURANCE ADMINISTRATION SYSTEM AND DATA MANAGEMENT [LFB Paper 335]

|     | Funding      | Positions |
|-----|--------------|-----------|
| SEG | \$11,736,800 | 7.00      |

Governor: Provide \$3,626,300 in 2023-24, \$8,110,500 in

2024-25, and 7.0 positions annually (4.0 permanent and 3.0 project) for the following: (a) insurance administration system ongoing costs (\$4,344,100 in 2024-25); (b) consulting services to assist with implementation of the pension administration system (\$2,160,000 annually); (c) data management expenses (\$950,400 annually); and (d) \$515,900 in 2023-24 and \$656,000 in 2024-25 for positions to assist with data management (2.0 permanent positions annually), IT development and quality assurance (2.0 permanent positions annually), and temporary trust fund specialist position coverage while existing subject matter experts participate in IT systems implementation and improvement (3.0 four-year project positions annually).

The insurance administration system, currently in development under contract, will replace the Department's current health insurance administration system as well as provide support for administration for other insurance programs, including life insurance, income continuation insurance, and supplemental benefits.

Funding for consulting services would be for planning and project oversight, business process reengineering, and organization change management. Data management expenses include costs for data integration, data quality improvement, and data governance.

**Joint Finance:** Include provision. In addition, specify that ETF may request that the Governor create or abolish a position that is funded from the Public Employee Trust Fund if the position would perform duties relating to modernizing business processes or integrating information technology systems of ETF. The Governor may approve or modify the request. If the Governor approves or modifies the request, require the Governor to notify the Joint Committee on Finance of his or her proposed action. Specify that the Committee would review the request under a 14-day passive review process. If a position is created, the salaries and fringe benefits of the position would be supported by monies from the trust fund.

Further, specify that, for the purpose of modernizing business processes or integrating information technology systems, EFT may request that the Governor supplement any sum certain appropriation funded from the trust fund. As with positions, specify that the Governor may request that the Committee approve the recommended supplement. The review would be conducted under a 14-day passive review process.

For both the recommended position and funding modifications, specify that if the Committee objects to the Governor's recommendation, the Committee would schedule a meeting to review the matter. Such meetings would be conducted under the provisions of s. 13.10 of the statutes.

The position and funding supplementation process would apply to requests submitted before July 1, 2029.

**Senate/Legislature:** Remove provisions specifying that ETF may request that the Governor create or abolish a position, or supplement any sum certain appropriation, that is funded from the Public Employee Trust Fund for the purpose of modernizing business processes or integrating IT systems of ETF, subject to approval by the Committee under passive review.

# 4. SERVICE LEVELS TO MEET EMPLOYER AND MEMBER GROWTH [LFB Paper 336]

|     | <u>(Chg.</u> | ernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Change</u><br>Funding Positions |      |
|-----|--------------|---------------------------------------|--------------|---|--|------|
| SEG | \$989,600    | 7.00                                  | -\$282,900   | -2.00                                   | \$706,700                              | 5.00 |

**Governor:** Provide \$437,800 in 2023-24 and \$551,800 in 2024-25 and 7.0 trust fund specialist positions annually to expand the service capacity of ETF to meet growth over the past 10 years in the number of employers and members (retirees and inactive members in particular). The Department would assign the positions to the following areas of responsibility: (a) call center, 2.0 positions, to manage increase volume and length of calls; (b) member services, 2.0 positions, to support employers and retirees with matters relating to health insurance and supplemental programs; and (d) benefit services, 1.0 position, to address workload relating to retirement services, such as processing retirement applications and transactions.

**Joint Finance/Legislature:** Modify funding and position authority by -\$125,200 in 2023-24, -\$157,700 in 2024-25, and -2.0 positions annually.

## 5. SUPPORT FOR FINANCIAL AND ACTUARIAL FUNCTIONS [LFB Paper 336]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg. t</u> | Jt. Finance/Leg.<br>( <u>Chg. to Gov)</u><br>Funding Positions |     | <u>Change</u><br>Positions |
|-----|--|------|----------------|--|-----|----------------------------|
| SEG | \$325,800  | 2.00 | - \$325,800    | - 2.00   | \$0 | 0.00                       |

**Governor:** Provide \$143,600 in 2023-24, \$182,200 in 2024-25, and 2.0 positions annually (1.0 actuarial analyst and 1.0 accountant-advanced) to address increased workload in financial and actuarial duties relating to retirement and insurance programs administered by the Department for

state and local employees. The actuarial analyst would be responsible for: ensuring accurate data is maintained and utilized for actuarial valuations; providing leadership in actuarial functions and projects; managing the work of consulting actuaries; providing support for actuarial research and analysis; and overseeing data quality of financial data in support of the Department's data management program. The accountant-advanced position would be responsible for: processing annuity payments, vendor payments, qualified domestic relations orders, service purchase requests, and additional retirement contributions; assisting employers with accounting compliance requirements; ensuring that financial reporting requirements and deadlines are met; and enforcing compliance with tax laws and regulations.

Joint Finance/Legislature: Provision not included.

## 6. EXPENDITURE AUTHORITY FOR AUDITS CONDUCTED SEG BY LEGISLATIVE AUDIT BUREAU

\$191,000

**Governor/Legislature:** Provide \$17,000 in 2023-24 and \$174,000 in 2024-25 to ETF's administration appropriation, allotted to one-time financing, to fund two statutorily-required audits performed or contracted for by the Legislative Audit Bureau: (a) an actuarial audit of the Wisconsin Retirement System, performed once every five years; and (b) an audit of Governmental Accounting Standards Board statements 74 and 75, pertaining to the supplemental health insurance conversion credit program and retiree life insurance. Funding would be one-time in nature and would not remain in the agency's base for the 2025-27 biennium.

## 7. INCOME CONTINUATION INSURANCE PREMIUMS AND BENEFITS

**Governor:** Specify that the following changes be made to the income continuation insurance (ICI) program for state employees, effective January 1, 2025.

*Premium Determination.* Require an employee to pay the difference, if any, between the premium for the waiting period selected by the employee and that of the premium for the longest waiting period available for the employee to select or, if different, an amount determined under a collective bargaining agreement. Eliminate references to ICI premium determination in Chapter 13 of the statutes, as it relates to sick leave accrued by members of the Legislature, and in Chapter 757 of the statutes, as it relates to sick leave accrued by Supreme Court justices and judges of the Court of Appeals and Circuit Courts.

Under current law, a teacher employed by the UW Board of Regents pays 100 percent of the premium if the teacher has less than one year of state service, and pays no premium for coverage subject to a 180-day waiting period if the teacher has at least one year of state service. For all other insured employees, current law specifies that the employer share of the premium would be determined by the number of days of sick leave the employee has accumulated as follows: (a) 10 days of sick leave, 67 percent; (b) 65 days of sick leave, 77 percent; (c) 91 days of sick leave, 85 percent; and (d) 130 days of sick leave, 100 percent. Current law specifies that any employee for whom an employer contribution of 77 percent or more was paid would continue to be eligible for that percentage of employer contribution until the employee is eligible for a higher

level, even if the accumulation of sick leave is subsequently reduced.

*Benefits.* Eliminate the requirement that the ICI program include separate provisions for short-term insurance with a benefit duration of no more than one year, and long-term insurance covering injury or illness of indefinite duration. Specify that an employee is eligible for benefits upon completion of a waiting period selected by the employee from available options provided.

Under current law, the program must provide both short- and long-term benefits. Under the bill, the program would provide for full or partial payment of the financial loss or earnings incurred as a result of injury or illness, with no specific requirement regarding the duration of injury, illness, or related benefits. Current law provides that an employee is eligible for benefits upon exhaustion of no more than 130 days of accumulated sick leave and completion of the waiting period established under the program.

*Electing Coverage.* Specify that an eligible employee may become covered by the ICI program by electing coverage within 30 days of initial eligibility, to be effective as of the first day of the month that first occurs during the 30-day period. Under the bill, an employee who does not elect coverage within 30 days of initial eligibility, or who subsequently cancels the insurance, may not later become insured unless the employee furnishes evidence of insurability.

Under current law, an eligible employee may become covered by the ICI program by electing coverage within 30 days of initial eligibility or by electing coverage within 60 days of initially becoming eligible for a higher level of employer contribution towards the premium cost. Current law specifies that an employee who does not elect coverage at one of these times, or who subsequently cancels the insurance, may not later become insured unless the employee furnishes evidence of insurability.

The bill would maintain statutory provisions that allow an employer other than the state to offer to its employees an ICI plan through ETF, and which permit ETF to establish by rule different eligibility standards or contribution requirements for those employees and employers.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 8. POLICY AND OVERSIGHT OF DISABILITY PROGRAMS

**Governor:** Create statutory provisions establishing the long-term disability insurance (LTDI) program, which is currently authorized under administrative rule. Transfer oversight authority relating to the income continuation insurance (ICI) program and the LTDI program from the Group Insurance Board (GIB) to the Employee Trust Funds (ETF) Board. Specify that the transfer of oversight for these disability benefit programs would include tangible personal property, contracts, rules, and pending matters primarily related to the income continuation insurance program and long-term disability insurance program, as determined by the Secretary of ETF. Specify that the ETF Board may apportion excess moneys available through operation of the ICI and LTDI programs to reduce premium payments in following contract years or to establish reserves to stabilize costs in subsequent years.

Under current law, the GIB has authority over the ICI program (an optional plan with shortand long-term disability benefits) and the LTDI program, while the ETF Board has authority over the disability annuity program under s. 40.63 of the statutes and the duty disability program. Under the bill, the ETF Board would be responsible for overseeing all disability programs administered by ETF. In addition, under current law, the GIB is required to apportion excess moneys for all group insurance plans to reduce premium payments in following contract years or to establish reserves to stabilize costs in subsequent years. The bill would specify that this requirement regarding program reserves, which is currently applicable to the ICI and LTDI programs as overseen by the GIB, would be permissive rather than mandatory.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 9. OFFICE OF INTERNAL AUDIT

Governor: Create an Office of Internal Audit, administratively attached to ETF, under the direction and supervision of an internal auditor appointed by the ETF Board in the classified service, to provide independent assurance that the public employee trust fund assets under control of ETF are safeguarded for the purpose of ensuring the fulfillment of benefit commitments. Specify that the internal auditor and any staff appointed by the auditor would report directly to the ETF Board. Further, specify the following responsibilities for the internal auditor: (a) develop and implement policies, principles, and directives for the Office; (b) determine the qualifications of staff for the Office and appoint such staff in the classified service; (c) plan and conduct audit activities, including external audits, risk assessments, research projects, and management reviews under the direction of the ETF Board, in accordance with policies, principles, and directives determined by the Board; and (d) monitor ETF's compliance with applicable legal requirements and contracts entered into by ETF and the ETF Board. Specify that the internal auditor may review any activity, information, or record of ETF that relates to administration of the trust funds. Provide that the individual holding the position of internal auditor in ETF on the day before the effective date of the bill would continue to serve in that position until an internal auditor is appointed by the ETF Board, and that individuals holding positions as staff internal auditors would continue to serve in those positions until staff of the Office of Internal Audit are appointed by the internal auditor, in the manner specified in the bill.

The Department currently has an administrative Office of Internal Audit, which reports functionally and administratively to the Secretary of ETF. The Office is authorized 4.0 classified positions in 2022-23.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 10. DISTRIBUTION OF TRUST FUND EARNINGS

**Governor:** Specify that the net gain or loss of the variable retirement investment trust of the WRS be distributed to each participating account in the same ratio as each account's average

balance within the trust is out of the total average balance of all participating accounts in the trust. Further, specify that distributions from the market recognition account to each participating account in the core retirement investment trust of the WRS be made in the same ratio as each account's average balance is out of the total average balance of all participating accounts in the trust. Under current law, distributions are required to be made on the basis of the average daily balances of each participating account and the average daily balance of all participating accounts in each of the trusts. The administration indicates that the bill would align statutes with the current practice of calculating a simple average balance using beginning and end-of-year balances.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 11. HEALTH INSURANCE WAITING PERIOD

**Governor:** Specify that state employers must pay the employer contribution toward health insurance premiums for an employee other than a limited-term employee beginning on the first day of the second month after the date on which the person begins employment with the state. Under current law, state employers begin paying the employer contribution on the first day of the third month after the date on which the person begins employment. The bill would not modify current law with respect to limited-term employees, requiring that employers begin to contribute toward health insurance premiums on the first day of the seventh month after the date on which the person begins employers begin to contribute toward health insurance premiums on the first day of the seventh month after the date on which the employee first becomes a WRS participant.

In relation to this provision, compensation reserves for the 2023-25 biennium for state employee salaries and fringe benefits assume increases of \$5,216,900 GPR in 2023-24 and \$5,351,400 GPR in 2024-25 associated with the reduced health insurance waiting period.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **12. DOMESTIC PARTNER BENEFITS ADMINISTERED BY ETF**

**Governor:** Specify that, under Chapter 40 of the statutes (Public Employee Trust Fund), a WRS participant may register a domestic partnership with ETF, defined as a relationship between two individuals that satisfies all of the following: (a) each individual is at least 18 years old and otherwise competent to enter into a contract; (b) neither is married to, or in a domestic partnership with, another individual; (c) they are not biologically more closely related than would be allowed by law in the case of marriage; (d) they consider themselves to be members of each other's immediate family; (e) they agree to be responsible for each other's basic living expenses; and (f) they share a common residence. [Domestic partnerships are not defined in terms of the gender or sex of the partners and may, therefore, be between members of the opposite sex or members of the standard sequence for deferred compensation survivorship benefits. Repeal statutory provisions excluding domestic partners and children of domestic partners from health insurance coverage; duty disability benefits; and domestic relations orders issued by a court assigning all or part of a participant's accumulated assets held in a deferred compensation plan to a domestic partner or former domestic partner to

satisfy a family support obligation. Specify that the provisions relating to the standard sequence for deferred compensation survivorship benefits and the treatment of duty disability death benefits would first apply to a surviving domestic partner of a participant who dies on the effective date of the bill.

Under 2017 Act 59, statutory Chapter 40 domestic partnership registrations were closed to new applications, effective September 23, 2017, and the following Chapter 40 benefits that had been extended to domestic partners were discontinued: health insurance coverage for domestic partners and their dependent children (health insurance coverage was continued for domestic partner survivors of employees or retirees whose date of death occurred prior to January 1, 2018); inclusion in the standard sequence for deferred compensation survivorship benefits; authority for a court to issue a domestic relations order assigning all or part of a participant's accumulated assets held in a deferred compensation plan to a domestic partner or former domestic partner to satisfy a family support obligation; option to purchase long-term care insurance policies through the GIB; and duty disability survivorship benefits (unless the date of the disability occurred prior to January 1, 2018).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **13. REHIRED ANNUITANTS**

**Governor:** Specify that a Wisconsin Retirement System (WRS) participant who retires on or after the effective date of the bill, would have a break-in-service requirement of 30 days between termination of employment and again working for a WRS employer (as an employee or contractor) to qualify for an annuity or lump sum payment. Further, specify that a rehired annuitant, including an annuitant who retired between July 2, 2013, and the effective date of the bill, could provide employee services without suspending annuity payments and without resuming participation in the WRS if: (a) at the time of terminating employment, the individual does not have an agreement to return to employment or enter into a contract with a WRS employer; and (b) the individual elects on a form provided by ETF to not become a participating WRS employee. Specify that, no later than 60 days after the effective date of the bill, a WRS participant who already has a suspended annuity could make an irrevocable election to continue the suspension by notifying ETF on a form provided by the agency. In addition, eliminate obsolete statutory provisions relating to rehired annuitants hired in critical positions, which applied only during the public health emergency declared by the Governor on March 12, 2020.

Under current law, any WRS participant who retires on or after July 2, 2013, has a breakin-service requirement of 75 days between termination of employment and becoming a participating employee with a WRS employer. This separation from WRS employment must occur for an individual who applied for an annuity or lump sum payment to continue to qualify for an annuity or to retain the lump sum payment. Also under current law, any WRS participant who retires on or after July 2, 2013, must suspend their annuity and become a participating WRS employee if they are employed in covered employment, or enter into a contract with a WRS employer, and are expected to work at least two-thirds of what is considered full-time employment by ETF. **Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 14. 2025-27 REQUEST FOR PENSION ADMINISTRATION SYSTEM FUNDING

**Governor:** Require the Department to include a request for funding for the modernization of the pension administration system in its September, 2024, agency budget request for the 2025-27 biennium. The pension administration system would replace several legacy systems, including systems for issuing benefit payments, administering disability and duty disability benefits, storing retirement account information, calculating retirement benefits, and producing retirement system statistics.

# **EMPLOYMENT RELATIONS COMMISSION**

#### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

- \$7,800

GPR

**Governor/Legislature:** Provide standard budget adjustments to the base totaling -\$4,800 in 2023-24 and -\$3,000 in 2024-25. Adjustments are for: (a) full funding of continuing position salaries and fringe benefits (-\$6,600 annually); (b) full funding of lease and directed moves costs (\$1,800 in 2023-24 and \$3,600 in 2024-25); and (c) minor transfers within the same alpha appropriation (\$2,500 annually from permanent property to supplies and services).

## 2. GENERAL OPERATIONS FUNDING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$88,400                   | - \$10,400                        | \$78,000   |

**Governor:** Provide \$44,200 annually to increase supplies and services funding for current operations of the Commission. Of this amount, \$5,200 is for the state operations inflationary increase, and the remaining \$39,000 is primarily for supplies and services costs associated with

increased risk management liability insurance premiums due to a large claim made in a previous year. Higher premiums are expected through fiscal year 2028. Base funding for supplies and services is currently \$104,800.

**Joint Finance/Legislature:** Provide \$39,000 annually for costs associated with increased risk management liability insurance premiums. (\$5,200 annually for an inflationary increase removed from budget consideration pursuant to Joint Finance Motion #10)

## 3. COLLECTIVE BARGAINING MODIFICATIONS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$497,700  | 2.00 | - \$497,700   | - 2.00 | \$0                                    | 0.00 |

**Governor:** Provide \$214,700 in 2023-24, \$283,000 in 2024-25, and 2.0 positions annually to implement expanded collective bargaining rights for state and local government employees. Funding would be for: (a) permanent position salaries, \$150,000 in 2023-24 and \$200,000 in 2024-25; (b) fringe benefits, \$54,700 in 2023-24 and \$73,000 in 2024-25; and (c) supplies and services, \$10,000 annually.

*Frontline Workers.* Define "frontline worker" to mean an employee who the Commission finds has regular job duties that: (a) include interacting with members of the public or with large populations of people; or (b) directly involve the maintenance of public works.

Specify that municipal frontline workers, and municipal employees in a collective bargaining unit that contains a frontline worker, may collectively bargain over wages, hours, and conditions of employment. The bill would amend statutory provisions relating to methods for peaceful settlement of disputes currently applicable to municipal transit employees (mediation, grievance arbitration, voluntary impasse resolution, and interest arbitration) to include collective bargaining units containing frontline workers. Under current law, only municipal public safety employees and certain municipal transit employees are able to collectively bargain over wages, hours, and conditions of employment.

Specify that state frontline workers, and state employees in a collective bargaining unit that contains a frontline worker, may collectively bargain over the following matters to the point of impasse: (a) wage rates, the assignment and reassignment of classifications to pay ranges, determination of an incumbent's pay status resulting from position reallocation or reclassification, and pay adjustments upon temporary assignment of classified employees to duties of a higher classification or downward reallocations of a classified employee's position; (b) fringe benefits consistent with prohibited subjects of bargaining; (c) hours; and (d) conditions of employment. Under current law, only state public safety employees are able to collectively bargain to the point of impasse over (a), (b), (c) and (d). [Statutes regarding settlement of state employee disputes under grievance arbitration and mediation generally reference collective bargaining agreement disputes and labor disputes. These statutes would apply to collective bargaining units containing frontline

#### workers.]

Provide that the Commission may place frontline workers in a collective bargaining unit with employees who are not frontline workers if the Commission determines it is appropriate. Specify that, if the Commission places frontline workers in a collective bargaining unit with employees who are not frontline workers, the collective bargaining unit would be treated as if all employees in the unit are frontline workers. Under the bill, the Commission may not determine that a public safety employee or municipal transit employee is a frontline worker, may not place public safety employees in a collective bargaining unit with employees who are not public safety employees, and may not place municipal transit employees in a collective bargaining unit with employees who are not municipal transit employees.

*Pension Contributions.* Under the bill, state and municipal employees in collective bargaining units containing frontline workers could bargain over the employer "pickup" of employee-required pension contributions. Under current law and under the bill, state and municipal employers are prohibited from paying employee-required retirement contributions on behalf of a public safety employee if the employee first becomes an employee of the state or municipality on or after July 1, 2011. The bill does not amend these prohibitions or create similar language that would apply to collective bargaining units containing frontline workers.

*Health Care Coverage.* Under the bill, state employees in collective bargaining units containing frontline workers could bargain over fringe benefits, consistent with prohibited subjects of bargaining. Under current law and under the bill, state public safety employees have the right to collectively bargain over fringe benefits such as health insurance. Also under the bill, municipal employees in collective bargaining units containing frontline workers could bargain over fringe benefits, including health insurance premiums, other costs, and the design and selection of health care coverage plans, except that municipal employers that participate in a health plan offered by the Group Insurance Board would be prohibited from paying more than 88% of health insurance premiums. Under current law and under the bill, municipal public safety employees have the right to collectively bargain over health insurance premiums, but are prohibited from collectively bargaining over other costs and payments associated with health care coverage plans and the design and selection of health care coverage plans.

Union Dues Provisions. Amend the definition of "fair-share agreement" for municipal employment relations to include an agreement between a municipal employer and a labor organization that represents a frontline worker, which would require all or any of the employees in the collective bargaining unit containing a frontline worker to pay their proportionate share of the cost of the collective bargaining process and contract administration measured by the amount of dues uniformly required of all members. Under current law, the definition of "fair-share agreement" only applies to such agreements between a municipal employer and a labor organization that represents public safety or transit employees.

Amend the definition of "fair-share agreement" for state employment relations to include an agreement between a state employer and a labor organization that represents a frontline worker, which would require all of the employees in the collective bargaining unit containing a frontline worker to pay their proportionate share of the cost of the collective bargaining process and contract

administration measured by the amount of dues uniformly required of all members. Amend the definition of "maintenance of membership agreement" for state employment relations to include an agreement between a state employer and a labor organization that represents a frontline worker, which would require all of the employees in the collective bargaining unit containing a frontline worker whose dues were being deducted from earnings at the time the agreement took effect to continue to have dues deducted for the duration of the agreement, and which would also require that dues will be deducted from the earnings of all such employees who are hired on or after the effective date of the agreement. Under current law, the definitions of "fair-share agreement" and "maintenance of membership agreement" only apply to such agreements between a state employer and a labor organization that represents public safety employees.

*Election of Representatives.* Specify that the representative for any collective bargaining unit containing state or municipal employees must be chosen by a vote constituting the majority of the employees who are voting in the election. Under current law, the representative of a collective bargaining unit that does not contain public safety or municipal transit employees must be chosen by a vote constituting at least 51% of the total membership of the unit. The bill would extend the standard that currently applies to electing representatives for collective bargaining units that contain public safety or municipal transit employees to all state and municipal collective bargaining units, regardless of the types of employees represented.

Annual Certification. Repeal the requirement that the Commission conduct an annual election to certify the representative of each collective bargaining unit that contains state or municipal employees who are not public safety or municipal transit employees.

*Right to Consultation.* Provide that general state and municipal employees who are not in a collective bargaining unit containing a frontline worker have the right to have their employer consult with them, through a representative of their own choosing, with no intention of reaching an agreement, with respect to wages, hours, and conditions of employment. Specify that the right to be consulted may be exercised either when the employer proposes or implements policy changes affecting wages, hours, or conditions of employment or, if no changes are proposed or implemented, at least quarterly.

*State Employers.* For the purposes of state employment labor relations, define "employer" to mean the State of Wisconsin, including an authority, and define "authority" to mean: the Wisconsin Aerospace Authority, Health and Educational Facilities Authority, Bradley Center Sports and Entertainment Corporation, UW Hospitals and Clinics Authority, Wisconsin Housing and Economic Development Authority, Fox River Navigational System Authority, Wisconsin Economic Development Corporation, or Lower Fox River Remediation Authority. Under the bill, employees of these entities would have the same collective bargaining rights as employees of state agencies.

Under current law and under the bill, responsibility for state employer functions is assigned to the Department of Administration's Division of Personnel Management for all collective bargaining units other than those of the UW System and the charter school established by UW-Parkside. The Board of Regents of the UW System and the Chancellor of UW-Madison are responsible for state employer functions relating to UW System and UW-Madison employee collective bargaining units. The governing board of the charter school established by UW-Parkside is responsible for state employer functions relating to the collective bargaining unit containing instructional staff employed by the Board of Regents of the UW System who provide services for the charter school.

Miscellaneous Provisions. Provide that a collective bargaining agreement may modify, waive, or replace any of the provisions of s. 118.22 of the statutes relating to renewal of teacher contracts as they apply to teachers in the collective bargaining unit, but neither the employer nor the bargaining agent for the employees would be required to bargain such modification, waiver, or replacement. Require that, if a school board wishes to increase the total base wages of its general municipal employees (those that are not in a collective bargaining unit containing a frontline worker) by a greater percentage than the change in the consumer price index, it must adopt a resolution to that effect, and the resolution may not take effect unless it is approved in a referendum called for that purpose. Specify that actions taken under statutory provisions relating to State Superintendent interventions in low-performing school districts and schools must be consistent with applicable collective bargaining agreements. Specify that the responsibility of a school board of a common or union high school district to establish rules scheduling the hours of a normal school day does not eliminate a school district's duty to bargain with its employees' collective bargaining representative over any calendaring proposal which is primarily related to wages, hours, or conditions of employment. Modify school district annual reporting requirements regarding payroll and related benefit costs to reflect the right of employees to collectively bargain.

Require a long-term care district, with respect to a newly-hired employee, to abide by the terms of a collective bargaining agreement between a county and a collective bargaining unit that is in effect and covers an individual on the date the individual begins employment with the district until the agreement expires or until adoption of a collective bargaining agreement with the district that covers the individual, whichever occurs first, if: (a) the county that previously employed the individual had participated in creating the district; (b) at the time of the offer, the county had not withdrawn or been removed from the district; and (c) the individual while employed by the county performed duties relating to the same or a substantially similar function for which the individual is offered employment by the district.

*Initial Applicability.* For employees who are covered by a collective bargaining agreement that contains provisions inconsistent with the provisions of the bill, those bill provisions would first apply on the day on which the agreement expires or is terminated, extended, modified, or renewed, whichever occurs first.

## 4. LOCAL GOVERNMENT EMPLOYEE GRIEVANCE PROCEDURE MODIFICATIONS

|     | <u>(Chg</u> . | vernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Change</u><br>Funding Positions |      |
|-----|---------------|--|--------------|---|--|------|
| GPR | \$258,900     | 1.00                                   | - \$258,900  | - 1.00                                  | \$0                                    | 0.00 |

**Governor:** Provide \$112,400 in 2023-24, \$146,500 in 2024-25, and 1.0 position annually to serve as an impartial hearing officer under modified grievance procedures for local government employees. Funding would be for: (a) permanent position salaries, \$75,000 in 2023-24 and \$100,000 in 2024-25; (b) fringe benefits, \$27,400 in 2023-24 and \$36,500 in 2024-25; and (c) supplies and services, \$10,000 annually.

Require that any civil service system that is established under any provision of law, and any grievance procedure established between June 30, 2011, and October 1, 2011, must contain: (a) a grievance procedure that addresses employee terminations, employee discipline, and workplace safety; and (b) a just cause standard of review for employee terminations, including a refusal to renew a teaching contract with a teacher employed by a school board, technical college district board, cooperative educational service agency board, or county children with disabilities education board.

Require that any grievance procedure created by a local governmental unit between June 30, 2011, and October 1, 2011, must contain a provision indicating that the grievant is entitled to representation throughout the grievance process, and a provision indicating that the employer must pay all fees and costs associated with the grievance process, except for fees and costs for representation. Specify that, with regard to the current requirement that a grievance procedure include a hearing before an impartial hearing officer, the hearing officer must be from the Employment Relations Commission.

Under current law, in provisions that are codified in general municipality law pursuant to 2011 Act 10, the statutes require a local governmental unit (a political subdivision of the state, a special purpose district in the state, an agency or corporation, of a political subdivision or special purpose district, or a combination or subunit of any of the foregoing) that did not have a civil service system on June 29, 2011, to establish a grievance system no later than October 1, 2011. To comply with the required grievance system, a local governmental unit could establish either: (a) a civil service system under any provision authorized by law, to the greatest extent practicable, if no specific provision for the creation of a civil service system applies to that local governmental unit; or (b) a grievance procedure. Any civil service system that is established under any provision of law, and any grievance procedure that is created under the above provisions, must contain at least all of the following provisions: (a) a grievance procedure that addresses employee terminations; (b) employee discipline; and (c) workplace safety. The statutes do not specify that a just cause standard of review be applied to employee terminations. If a local governmental unit creates a grievance procedure under these provisions, the procedure must contain at least all of the following elements: a written document specifying the process that a grievant and an employer must follow; a hearing before an impartial hearing officer; and an appeal process in which the highest level of appeal is the governing body of the local governmental unit.

## **FTE Position Summary**

Positions for the Environmental Improvement Fund program are provided under the Departments of Administration and Natural Resources.

## **Budget Change Items**

## 1. LEAD SERVICE LINE REPLACEMENT FUNDING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$200,000,000              | - \$200,000,000                   | \$0        |

**Governor:** Provide \$200,000,000 in 2023-24 in a new continuing appropriation in the safe drinking water loan program of the Environmental Improvement Fund (EIF) to allocate to projects involving forgivable loans (grants) for replacing private lead service lines connected to public water systems. Create a legislative finding and determination that the prevalence of lead service lines in connection to public water systems poses a public health hazard and that processes for reducing lead entering drinking water from such pipes requires additional treatment of wastewater. Further, declare it is in the public interest, and the public policy of the state, to assist private users of public water systems in replacing lead service lines.

Water service lines, also known as laterals, connect a building to the water mains in the street, and carry drinking water from the public water system to the individual building. Water service lines were often constructed with lead as late as the 1980s in some areas. Lead in water service lines can leach into drinking water and damage the health of people drinking the water. In general, maintenance or replacement of the portion of the lateral that extends from the water main to the curb stop is the responsibility of the public water system, and the remaining portion of the lateral that extends from the curb stop to the building is the responsibility of the property owner.

The current safe drinking water loan program provides financial assistance to local governments that own public water systems or to the private owner of a community water system that serves a local government. The current program does not provide financial assistance to private users of public water systems.

Beginning in 2016-17, federal law authorized the state to use a portion of capitalization grant proceeds for principal forgiveness for private lead service line replacements. Since 2016-17, the state has awarded \$102.5 million in principal forgiveness for private lead service line replacements. All funds came from federal sources. Additionally, the Infrastructure Investment and Jobs Act (IIJA) provides an annual capitalization grant for lead service line replacement for five years. Beginning in 2022-23 through 2026-27, Wisconsin is expected to receive \$48,319,000 each year under this program. Of this, 49%, or \$23,676,300, will be available for principal forgiveness each year. The remaining 51% will be available as low-interest loans to municipalities.

Additionally, municipalities may administer programs approved by the Public Service Commission to provide grants or loans to water utility customers for costs of replacing the property owner's side of a lead service line. The bill would authorize utilities to provide grants that would cover 100% of the cost of lead service line replacements. [See "Public Service Commission -- Departmentwide and Utility Regulation."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 2. **REVENUE OBLIGATION BONDING AUTHORITY** [LFB Paper 345]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |  |
|----|----------------------------|-----------------------------------|--------------|--|
| BR | \$372,000,000              | - \$326,000,000                   | \$46,000,000 |  |

**Governor:** Increase revenue obligation bonding authority by \$372,000,000 for the clean water fund and safe drinking water loan program within the EIF. The clean water fund program provides low-interest loans to municipalities for planning, designing, constructing or replacing a wastewater treatment facility, or for nonpoint source pollution abatement or urban storm water runoff control projects. The safe drinking water loan program provides financial assistance to municipalities for the planning, design, construction, or modification of public water systems.

State revenue obligation bonds are issued to pay a required state match to the federal

capitalization grant for each program. Federal law requires states to provide a 20% match to receive most capitalization grants and a 10% match for certain supplemental grants provided through the IIJA. Debt service payments are made from loan repayments.

Under current law, the program is authorized to issue up to \$2,551,400,000 in revenue obligation bonds. The bill would increase that amount to \$2,923,400,000. In the EIF biennial finance plan published in late 2022, the Departments of Administration (DOA) and Natural Resources (DNR) indicated this level of bonding would be required to support capitalization grant matches and other financial assistance estimated through the 2025-27 state fiscal biennium.

**Joint Finance/Legislature:** Increase the revenue bonding authorization for the EIF by \$46,000,000, from \$2,551,400,000 to \$2,597,400,000.

[Act 19 Section: 450]

## 3. LAND RECYCLING LOAN PROGRAM -- ENVIRONMENTAL FUND REPAYMENTS

**Governor:** Transfer the outstanding liability for the land recycling loan program (LRLP) loan to the segregated dry cleaner environmental response program (DERP) fund from the DERP to the environmental management account of the environmental fund. The LRLP is a component of the clean water fund and provided financial assistance to local governments for the investigation and remediation of contamination at sites or facilities owned by the local government if the contamination affected, or threatened to affect, groundwater or surface water. The program entered into 10 financial assistance agreements and disbursed \$13.5 million. The program has not entered into a new financial assistance agreement since 2008; the final program loan is expected to be retired in 2027.

2009 Act 28 authorized DOA and DNR to transfer up to \$6.2 million from the LRLP to the DERP, which reimburses property owners for a portion of the costs of cleaning up discharges of dry cleaning solvents. The transfer must be repaid and accrues interest based on the rate earned for state investment fund earnings. DERP must pay a minimum of \$1,000 per year on the loan. As of February, 2023, \$13,000 in principal has been repaid on the loan and \$5,900 in interest has been repaid. A total of \$522,100 in unpaid interest has accrued; \$6,709,100 is outstanding on the loan.

The bill would fold DERP revenues and expenditures into the environmental management account under a program to remediate contaminated properties, known as Revitalize Wisconsin. The program would provide funding to DERP-eligible sites and to other private owners or local governments that possess contaminated properties but did not cause a discharge or environmental contamination at the property. [See "Natural Resources -- Waste, Remediation, and Air."]

#### 4. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change         |
|-------|----------------------------|-----------------------------------|--------------------|
| GPR   | - \$635,200                | - \$34,200                        | - \$669,400        |
| SEG   | <u>- 3,500,000</u>         | 0                                 | <u>- 3,500,000</u> |
| Total | - \$4,135,200              | - \$34,200                        | - \$4,169,400      |

**Governor:** Reestimate GPR general obligation debt service by -\$977,700 in 2023-24 and \$342,500 in 2024-25. This includes adjustments of: (a) -\$602,200 in 2023-24 and \$695,200 in 2024-25 for the clean water fund; and (b) -\$375,500 in 2023-24 and -\$352,700 in 2024-25 for the safe drinking water loan program.

In addition, delete \$1,000,000 EIF SEG in 2023-24 and \$2,500,000 EIF SEG in 2024-25 from the annual appropriation for clean water fund debt service. Annual clean water fund SEG debt service would be \$6,000,000 in 2023-24 and \$4,500,000 beginning in 2024-25.

**Joint Finance/Legislature:** Reestimate GPR general obligation debt service by an additional -\$29,600 in 2023-24 and -\$4,600 in 2024-25. This includes adjustments of -\$19,000 in 2023-24 and -\$2,400 in 2024-25 for clean water fund debt service and -\$10,600 in 2023-24 and -\$2,200 in 2024-25 for safe drinking water loan program debt service. Retain the deletion of \$1,000,000 EIF SEG in 2023-24 and \$2,500,000 EIF SEG in 2024-25 for clean water fund debt service. The following table shows EIF debt service under Act 19.

#### **Environmental Improvement Fund Debt Service**

## **Budget Change Items**

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Provide adjustments to the base totaling -\$7,000 annually (-\$4,300 GPR and -\$2,700 PR) associated with:

| GPR   | - \$8,600  |
|-------|------------|
| PR    | - 5,400    |
| Total | - \$14,000 |

(a) full funding of continuing position salaries and fringe benefits (-\$1,900 GPR and -\$2,700 PR annually); and (b) full funding of lease and directed moves costs (-\$2,400 GPR annually).

## 2. CAMPAIGN FINANCE INFORMATION SYSTEM WEBSITE REPLACEMENT [LFB Paper 350]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$366,600                  | \$124,400                         | \$491,000  |
| PR    | 220,000                    | 0                                 | 220,000    |
| Total | \$586,600                  | \$124,400                         | \$711,000  |

**Governor:** Provide \$183,300 GPR and \$110,000 PR annually to create a campaign finance reporting website to replace the existing campaign finance information system. The Ethics Commission is required by law to maintain an online, publicly available campaign finance reporting system that displays all contributions and disbursements in order to promote transparency in campaign financing. The funding would be one-time, and would be used to hire two information technology contractors for the 2023-25 biennium. The program revenue expenditure authority would be funded from a campaign finance filing fee balance in the general program operations appropriation for campaign finance and ethics code administration.

**Joint Finance/Legislature:** Modify funding by \$137,200 GPR in 2023-24 and -\$12,800 GPR in 2024-25, in order to provide total one-time funding of \$320,500 GPR and \$110,000 PR in 2023-24 and \$170,500 GPR and \$110,000 PR in 2024-25 to replace the existing campaign finance information system website with a vendor product and to hire an information technology contractor for the 2023-25 biennium.

#### **Budget Change Items**

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| PR    | \$610,000                  | - \$403,400                       | \$206,600  |
| SEG   | - 100,200                  | 0                                 | - 100,200  |
| Total | \$509,800                  | - \$403,400                       | \$106,400  |

**Governor:** Provide adjustments to the base budget for: (a) turnover reduction (-\$302,600 PR annually); and (b) full funding of continuing position salaries and fringe benefits (\$667,400 PR annually and -\$61,000 SEG annually); and (c) full funding of lease and directed moves costs (-\$59,800 PR and \$10,900 SEG annually).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$201,700 PR annually.

## 2. **DEPARTMENT OPERATIONS** [LFB Paper 355]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|----|----------------------------|-----------------------------------|-------------|--|
| PR | \$6,786,200                | - \$4,786,200                     | \$2,000,000 |  |

**Governor:** Provide \$3,393,100 annually for the Department's central duties including: (a) the maintenance and upgrade of critical information technology infrastructure, financial examiner travel and training costs, and accreditation costs (\$3,284,200); and (b) limited-term-employee salary and fringe costs (\$108,900).

**Joint Finance/Legislature:** Reduce funding by \$2,393,100 annually and provide \$1,000,000 annually for Department operations.

## 3. SMALL BUSINESS RETIREMENT SAVINGS PROGRAM

**Governor:** Provide \$2,000,000 GPR and \$63,200 PR in 2023-24 and \$81,000 PR in 2024-25 and 1.0 PR position annually to establish and administer the Small Business Retirement Savings Program for certain privately-employed individuals who are not offered an employer-sponsored retirement plan. Funding would be used for: (a) start-up costs modeled on similar programs in other states (\$2,000,000 GPR in 2023-24); (b) position salaries and fringe benefits (\$53,200 PR in 2023-24 and \$71,000 PR in 2024-25); and (c) supplies and services (\$10,000 PR annually). The position would be used to staff the Small Business Retirement Savings Board. This recommendation is related to the 2021 final report of the Governor's Task Force on Retirement Security.

a. *Small Business Retirement Savings Program - General.* Establish a Small Business Retirement Savings Program, a GPR general program operations appropriation, and a PR program operations appropriation for all moneys received for the program. In addition, add the Small Business Retirement Savings Program to the list of moneys received by the Department exempt from the general program operations appropriation annual lapse to the general fund.

b. *Small Business Retirement Savings Board.* Create a Small Business Retirement Savings Board to establish and oversee the program. The Board would consist of seven members including the Secretary of the DFI (or his or her designee), one member appointed by the State Investment Board, and the following five members, each of whom must have a "favorable reputation for skill, knowledge, and experience in the field of retirement savings and investments": (a) two members appointed by the Governor, one of whom has excellence relating to small

businesses; (b) one member appointed by the Speaker of the Assembly; (c) one member appointed by the Majority Leader of the Senate; and (d) one member appointed by the Secretary of DFI. All members except the Secretary of DFI would be appointed for four-year terms.

Modify statutory language to include the Small Business Retirement Savings Board in the list of entities exempt from statutory contractual services determinations, and to expand purchasing powers to allow the Board to enter into vendor contracts.

Specify that the Board may: (a) create or impose any requirement or condition not inconsistent with the requirements of the program that the Board considers necessary for the effective functioning and widespread utilization of the program; (b) enter into contracts or other arrangements for necessary services; (c) promulgate rules; and (d) exercise any other powers necessary to establish, oversee, or otherwise carryout the purposes of the program. Require DFI to provide assistance to the Board, including staff, equipment, and office space. Specify that the Board must solicit competitive sealed proposals, then select and contract with a vendor to provide investment, accounting and record keeping, and any other professional services considered necessary by the Board to administering the program. The Board must design the program to: (a) allow eligible employees to contribute to their accounts through payroll deductions and require participating employers to withhold employee wages, through payroll deductions, employees' account contributions, and remit those contributions directly to the investment administrator; (b) allow the investment administrator to pool accounts as the trustee of account contributions and earnings; (c) limit the investment advisor fee to a fixed monthly amount approved by the Board and keep the administrative costs of the program low; (d) not require a minimum account balance, if the employee makes contributions each pay period; (e) allow account consolidation and rollover; (f) allow an account owner to continue the account after separating from employment with a participating employer, if the account owner has a positive balance; and (g) incorporate maximum contribution limits established by the Board in accordance with IRS contribution limits for Roth IRAs, separately and in combination with traditional IRAs, as well as any similar contribution limits for account types other than a Roth IRA.

c. *Employer Participation and Responsibilities.* Specify that a private employer may participate in the program if: (a) the employer does not offer a retirement savings plan to all employees; (b) the employer provides notice to the Board and certifies that the employer has 50 or fewer employees; and (c) the employer has at least one Wisconsin resident employee. After electing to participate, the employer must provide notice to each eligible employee of the right to decline participation in the program, and must enroll eligible employees in the program, unless an employee declined to participate.

d. *Employee Enrollment and Contribution Options*. Specify that the program must allow enrolled eligible employees the option to make contributions to a Roth IRA account, or any other investment account type, if other account types are offered. Within each account type, the program must provide at least five investment options, including: (a) a stable value or capital preservation fund; (b) an automatically rebalanced target date index or age-based fund; and (c) low-costs funds focused on income generation, asset growth, and balancing risk and return. The investment administrator must offer each enrolled eligible employee a tool to identify risk tolerance and projected retirement date, as an aid to the employee, prior to selecting investment account(s). The

program would require the first \$1,000 of an enrolled eligible employee's contributions to be deposited in a stable value or capital preservation fund, and thereafter, contributions must be deposited into a target date index or age-based fund, unless the employee selects a different investment option. In addition, during the employee's first year of enrollment, the employer must deduct five percent of the employee's gross wages each pay period, increasing by one percent per year until a maximum rate of 10 percent is reached, unless the employee directs otherwise (no rate may be less than one percent). The payroll deduction would be remitted to the investment administrator as the employee's account contribution percent is reached. However, the participating employer must make a good faith effort to establish the payroll deduction at a rate that will not result in the employee's total annual contributions exceeding maximum contribution limits for Roth IRAs, although the participating employer would not be responsible if excess contributions occur.

e. *Recordkeeping*. Specify that the Board must establish recordkeeping requirements (including the nature and extent of the services and performance metrics for measuring compliance) for the investment administrator, and require the maintenance of separate records and accounting for each account.

f. *Abandoned Accounts*. Specify that an account would be considered abandoned if: (a) there has been no account activity for at least six months and the account balance is less than \$250; or (b) there has been no account activity for at least two years. The investment administrator must close abandoned accounts and disburse the account balance to the individual who established the account.

g. *Definitions*. For the purpose of the Small Business Retirement Savings Program, create statutory language to define "account," "Board," "eligible employee," "investment administrator," "participating employer," "Roth IRA" and "Traditional IRA."

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. CHARITABLE AND PROFESSIONAL ORGANIZATIONS TECHNOLOGY PROJECT [LFB Paper 356]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$1,115,900                | - \$1,115,900                     | \$0        |

**Governor:** Provide \$1,115,900 in 2024-25 for modernization of the Department's charitable and professional organizations technology systems. The upgrades are intended to allow the Department to accept annual reports from approximately 11,000 active charitable organizations electronically, rather than on paper, and allow fund-raising costs as a percentage of donations received to be automatically added to the publicly-available database.

Joint Finance/Legislature: Provision not included.

# 5. SECURITIES FILING TECHNOLOGY PROJECT [LFB Paper 356]

\$1,038,900

**Governor/Legislature:** Provide \$1,038,900 in 2024-25 to update and enhance the Department's securities filing technology systems. Under current law provisions related to the sale of securities in Wisconsin, securities must be: (a) registered with the DFI Division of Securities; (b) exempt from registration; or (c) submitted to the Division via a notice filing. Currently, over 20,000 active mutual funds with an annual renewal process are filed electronically, but the information must then be transferred into the federal system. This project is intended to maintain electronic transfer between systems.

## 6. UNIFORM COMMERCIAL CODE AND TRADEMARK FILING SYSTEM TECHNOLOGY PROJECT [LFB Paper 356]

\$724,500

**Governor:** Provide \$724,500 in 2023-24 for modernization of DFI's Uniform Commercial Code and trademark processing and filing technology systems. In April, 2019, DFI and a third-party vendor signed an initial term of five years with two options to extend the contract by one year upon mutual agreement of the parties. The extended contract will expire on March 15, 2024, unless the parties exercise their second and final option to extend the contract for an additional year. The new contract would include a one-time implementation fee of \$724,500 in the 2023-25 biennium and annual software service costs in the 2025-27 biennium.

Joint Finance/Legislature: Provide funding in 2024-25 on a one-time basis instead of 2023-24.

## 7. AGENCY EQUITY OFFICER

|    | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |            | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|--------------|--|------------|---|-----|----------------------------|
| PR | \$83,800     | 0.50                                   | - \$83,800 | - 0.50                                  | \$0 | 0.00                       |

**Governor:** Provide \$36,700 in 2023-24 and \$47,100 in 2024-25 and 0.5 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

### 8. TRANSFER TO THE SECRETARY OF STATE

| Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------------------------------|------------|
| GPR-REV - \$220,000        | \$220,000                         | \$0        |
| PR-REV - 220,000           | 220,000                           | 0          |

**Governor:** Increase the annual transfer of revenue from the Department's general program operations appropriation to the Secretary of State from \$150,000 to \$260,000. [See "Secretary of State."]

Under current law, with some exceptions, all moneys received by the Department, other than by 88 percent of moneys received by the Office of Credit Unions and the Department's Division of Banking is credited to the Department's general program operations appropriation, and any balance at the close of a fiscal year transfers to the general fund. Annually, \$150,000 of the amounts received under this appropriation is transferred to the Secretary of State. This provision would reduce the amount transferred to the general fund by \$110,000 annually.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. ACHIEVING A BETTER LIFE EXPERIENCE (ABLE) SAVINGS ACCOUNT PROGRAM

|    | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|--------------|--|-------------|---|-----|----------------------------|
| PR | \$522,500    | 1.00                                   | - \$522,500 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$247,500 in 2023-24 and \$275,000 in 2024-25 and 1.0 position annually to implement and administer a qualified Achieving a Better Life Experience (ABLE) savings account program under section 529A of the Internal Revenue Code for qualified expenses incurred by individuals with disabilities. Currently, the Department administers two section 529 college savings plans for Wisconsin residents: Edvest and Tomorrow's Scholar.

Under current federal law, states may create a qualified ABLE program, which provides taxexempt savings accounts, used for qualified disability expenses (including education, housing, and transportation costs). In addition, state law allows a deduction for an eligible contribution deposited into an ABLE account of any state. Wisconsin currently does not operate its own ABLE program, but allows state residents to make contributions to the ABLE programs of other states.

Require the Department to implement and administer an ABLE program, either directly or by entering into a formal or informal agreement with another state, or with an entity representing an alliance of states, for the residents of Wisconsin. The Department would be required to review ABLE state partnership programs offered by other states and determine the best option for Wisconsin residents (either implementing a program directly, or entering into an agreement for a program) no later than the first day of the 10th month, beginning after the effective date of the bill.

Specify that if an agreement is entered into, a party contracting with the Department may be required to: (a) develop and implement the ABLE program in accordance with section the Internal Revenue Code requirements and modify the program, as necessary, to allow participants to qualify for the federal income tax benefits or treatment provided under section 529A; (b) engage the services of vendors; (c) work with organizations with expertise in supporting individuals with disabilities and their families; and (d) take any other action necessary to implement and administer the program.

In addition, specify that the Department is required to: (a) include information on ABLE accounts on its website; (b) keep personal and financial information related to ABLE accounts confidential; and (c) pay for all expenses incurred under this provision from the Department's general program operations appropriation. The Department may also promulgate rules to implement and administer the program. Stipulate that any amount remaining in a Wisconsin ABLE account upon the account's termination must be returned to the account owner's estate.

Note that under 2021 Act 119, DFI was required to study and report on establishing a qualified ABLE program, including examination of the advantages and disadvantages of certain options and review and evaluation of related issues. The Department submitted the report to the Legislature on September 1, 2022.

# FOX RIVER NAVIGATIONAL SYSTEM AUTHORITY

# FTE Position Summary

There are no state authorized positions for the Fox River Navigational System.

# **GENERAL FUND TAXES**

#### 1. GENERAL FUND TAX CHANGES

**Governor/Legislature:** The following table shows the general fund tax changes recommended by the Governor and the Joint Committee on Finance/Legislature, along with their estimated fiscal effects in the 2023-25 biennium. The final column in the table shows the tax changes under Act 19, which includes the impact of the Governor's partial vetoes. The table does not include law changes that are estimated to have a minimal or unknown fiscal impact. It also does not include changes to refundable tax credits, because they are paid from appropriations rather than recorded as a reduction in state tax revenues.

#### 2023-25 General Fund Tax Changes -- Estimated Biennial Fiscal Effects of Budget

#### **Income and Franchise Taxes**

#### 1. FAMILY AND INDIVIDUAL REINVESTMENT CREDIT

|         |                 | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|-----------------|-----------------------------------|------------|
| GPR-Tax | - \$839,818,200 | \$839,818,200                     | \$0        |

**Governor:** Create a nonrefundable individual income tax credit called the family and individual reinvestment credit, beginning in tax year 2023, equal to a minimum dollar amount or a percentage of the claimant's net tax liability subject to phaseout based on the claimant's Wisconsin adjusted gross income (AGI) and filing status.

Set the credit equal to the greater of 10% of the claimant's net tax liability, defined as the claimant's income tax liability after the application of nonrefundable tax credits, but prior to the application of the nonrefundable credit for taxes paid to other states, or: (a) \$100 if the claimant's filing status is single or head-of-household and the claimant's AGI is less than \$100,000; (b) \$100 if the claimant's filing status is married-joint and the combined AGI of the claimant and the claimant's spouse is less than \$150,000; and (c) \$50 if the claimant's filing status is married-separate and the claimant's AGI is less than \$75,000. If the claimant's AGI, or combined AGI in the case of married-joint filers, exceeds the preceding income thresholds but is less than \$120,000

for single or head-of-household filers, \$175,000 for married-joint filers, and \$87,500 for married-separate filers, set the credit equal to the claimant's net tax liability multiplied by a percentage calculated as follows: (a) subtract the applicable income threshold from the claimant's AGI, or combined AGI in the case of married-joint filers; (b) divide the difference by \$20,000 if the claimant's filing status is single or head-of-household, \$25,000 if the claimant's filing status is married-joint, or \$12,500 if the claimant's filing status is married-separate; (c) subtract that fraction from 1.0; and (d) multiply that fraction by 10%. Under this structure, the 10% credit would proportionally phase down between \$100,000 and \$120,000 for single and head-of-household filers, \$150,000 and \$175,000 for married-joint filers, and \$75,000 and \$87,500 for married-separate filers, and would phase out completely at the higher income threshold for each filer type. The following table shows how the credit would be calculated for a hypothetical married-joint taxpayer under certain AGI and net tax liability scenarios.

#### Family and Individual Reinvestment Credit Calculations, Hypothetical Married-Joint Taxpayer

| Wisconsin AGI                                      | \$70,000 | \$140,000 | \$170,000 |
|--|----------|-----------|-----------|
| Adjusted Net Tax Liability                         | 800      | 3,200     | 3,200     |
| Initial Credit (10% of Adjusted Net Tax Liability) | 80       | 320       | 320       |
| Greater of \$100 or Initial Credit                 | 100      | 320       | 320       |
| Phase-Out Reduction                                | NA       | NA        | -256      |
| Final Credit                                       | \$100    | \$320     | \$64      |

Limit the credit to claims filed within four years of the unextended due date for which the tax return was due. Prohibit part-year residents and nonresidents from claiming the credit, and allow only one credit per household per year, except permit married-separate filers to each claim the credit, as provided above, and permit married persons living apart and treated as single under the Internal Revenue Code (IRC) to claim the credit as if the individual were a single or head-of-household claimant. Define household as a claimant and an individual related to the claimant as husband or wife. Prohibit individuals who may be claimed as a dependent on a return of another taxpayer from claiming the credit. Specify that current law provisions which apply to Ch. 71 of the statutes and relate to Department of Revenue (DOR) enforcement authority, and to assessments, refunds, appeals, collection, interest, and penalties, would also apply to this credit. Decrease individual income tax collections by an estimated \$418,789,500 in 2023-24 and \$421,028,700 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. MANUFACTURING AND AGRICULTURE TAX CREDIT LIMITATION

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$655,100,500              | - \$655,100,500                   | \$0        |

**Governor:** Limit the amount of qualified production activities income (QPAI) from manufacturing activities a claimant may use as the basis for claiming the manufacturing and agriculture tax credit (MAC), as described below. The limit would not apply to income derived from agricultural activities.

Under current law, for corporate filers, the MAC is equal to 7.5% multiplied by the lesser of a claimant's: (a) eligible QPAI, as defined under the IRC, derived from manufacturing or agricultural property in Wisconsin; (b) income apportioned to Wisconsin for state corporate income/franchise tax purposes; or (c) income determined as taxable under state combined reporting provisions. For business owners who file under the individual income tax, the credit is equal to 7.5% of the claimant's eligible QPAI that is derived from manufacturing or agricultural property in Wisconsin. There is no maximum amount of MAC that can be claimed in a tax year. However, the credit may not be used by individual filers to offset taxes on other sources of income. Further, the amount of income on which the MAC is calculated must be reduced by the amount of QPAI that is claimed under the credit for taxes paid to another state.

Pass-through entities, such as partnerships, limited liability companies (LLCs), and taxoption (S) corporations, cannot claim the MAC under current law. Instead, the credit computed by those entities can pass through to the partners, members, or shareholders. Partnerships, LLCs, and S corporations that elect to be taxed at the entity level may not claim the MAC (and neither can their owners).

The bill would limit the amount of QPAI from manufacturing activities a claimant may use to compute the MAC to no more than \$300,000. This provision would effectively provide for a maximum MAC claim of \$22,500 for income derived from manufacturing activities. For example, a sole proprietor or a C corporation could only claim a total of \$22,500 on their own manufacturing income. According to DOR, a pass-through entity would be able to compute the credit up to a maximum of \$22,500, and pass through that amount in the aggregate to its partners, members, or shareholders. Because an individual can own an interest in multiple pass-through entities, an individual would be able to claim a maximum of \$22,500 for each pass-through business in which the individual has an ownership interest, such that an individual could potentially claim more than \$22,500 in the aggregate. [A technical amendment would be needed to apply the MAC limitation as intended to claimants whose entire QPAI is earned in Wisconsin.]

The provision would first apply for taxable years beginning after December 31, 2022. The administration estimates that the provision would increase state tax revenues by \$348,700,000 in 2023-24 and \$306,400,500 in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 3. IRC UPDATE - TAX CUTS AND JOBS ACT OF 2017

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$387,200,000              | - \$387,200,000                   | \$0        |

**Governor:** Update references to the IRC under the individual income and corporate income/franchise taxes to adopt certain provisions of the Tax Cuts and Jobs Act of 2017 (TCJA), P.L. 115-97, as amended by subsequent federal legislation, for taxable years beginning after December 31, 2022. [An amendment would be needed to accomplish the Administration's intent so that the TCJA provisions would not be excluded for taxable years beginning after 2022.] The bill would adopt the following TCJA items with a revenue effect shown in the table below: (a) loss limitation for taxpayers other than corporations; (b) accounting rules for accrual method taxpayers; (c) limitation on the deduction for business interest; (d) limitation on the deduction for entertainment, amusement, and recreation expenses; (e) limitation of the limitation on the deduction of Federal Deposit Insurance Corporation (FDIC) premiums; and (f) modification of the limitation on the deduction of these provisions would increase state income and franchise tax revenues by \$188,000,000 in 2023-24 and \$199,200,000 in 2024-25.

#### 2023-25 Biennium Fiscal Effect (Millions)

| TCJA Provision as Amended  | 2023-24 | 2024-25 |
|--|---------|---------|
| Loss limitation for taxpayers other than corporations                    | \$51.3  | \$48.0  |
| Accounting rules for accrual method taxpayers                            | 3.6     | 3.3     |
| Limitation on the deduction for business interest                        | 109.6   | 123.2   |
| Limitation on the deduction for entertainment, amusement, and recreation | 14.1    | 15.0    |
| Limitation on the deduction for FDIC premiums                            | 5.9     | 6.1     |
| Modification of the limitation for highly paid individuals               | 3.5     | 3.6     |
| Total  | \$188.0 | \$199.2 |

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. IRC UPDATE - FEDERAL LEGISLATION ENACTED IN 2021 AND 2022 [LFB Paper 360 and 361]

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$1,000,000                | - \$1,000,000                     | \$0        |

Governor: Update references to the IRC under the individual income and corporate

income/franchise taxes. For taxable years beginning after December 31, 2022, adopt the selected IRC provisions included in the following federal laws that were enacted in 2021 and 2022: (a) American Rescue Plan Act of 2021 (ARPA); (b) Paycheck Protection Program Extension Act of 2021; (c) Surface Transportation Extension Act of 2021; (d) Further Surface Transportation Extension Act of 2021; (e) Infrastructure Investment and Jobs Act; (f) Consolidated Appropriations Act of 2022; (g) Supreme Court Security Funding Act of 2022; and (h) Inflation Reduction Act of 2022.

Provide that, beginning in tax year 2022, changes to Section 529 of the IRC related to college savings plans are automatically adopted for state tax purposes. Under current law, Wisconsin generally conforms to Section 529 provisions enacted as of December 31, 2020.

Adopt several revisions to state tax statutes to simplify the legal references to the federal IRC. Under current law, the IRC is defined for state tax purposes under several different sections of state statutes for different types of taxpayers (such as individuals, partnerships, LLCs, S corporations, and insurance companies). The bill would consolidate these provisions, generally defining the term "internal revenue code" in one location in the state statutes. Further, the bill would recreate a conformity section so as to simplify the list of specific provisions subject to static conformity to the IRC in effect as of a certain date (such as depreciation conforming to the IRC in effect on January 1, 2014), and those provisions continuously conforming to all subsequent changes to the IRC (such as Section 179 expensing).

According to the Administration, state adoption of these provisions would reduce state income and franchise tax revenues by \$400,000 in 2023-24 and increase revenues by \$1,400,000 in 2024-25. However, it should be noted that this item would adopt Section 9675 of ARPA, specifying that most student loans discharged after December 31, 2020, and before January 1, 2026, would not be included in gross income for income tax purposes. The Administration indicates that the fiscal effect of this provision is assumed to be minimal due to recent court decisions (*Biden v. Nebraska* and *Department of Education v. Brown*) which vacated the federal student loan discharge program that would have discharged up to \$10,000 (or up to \$20,000 for Pell Grant recipients) of student loan debt for borrowers that satisfy certain income limits. However, if the student loan discharge program were upheld on appeal, state adoption of ARPA Section 9675 could result in foregone revenues of several hundred million dollars in the 2023-25 biennium (depending on the outcome of future court cases).

Joint Finance/Legislature: Provision not included.

### 5. LIMIT CAPITAL GAINS EXCLUSION

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$339,400,000              | - \$339,400,000                   | \$0        |

**Governor:** Limit the current law exclusion for 30% of an individual's net long-term, nonfarm capital gain as follows, beginning in tax year 2023. Prohibit an individual with federal

AGI above the following thresholds from claiming the exclusion: (a) \$400,000 for single and headof-household filers, estates, and trusts; (b) \$533,000 for married-joint filers; and (c) \$266,500 for married-separate filers. However, if an individual's federal AGI, less 30% of the capital gains otherwise eligible for the exclusion, is below the applicable AGI threshold listed above, the individual's exclusion would be reduced by the amount by which their federal AGI exceeds the applicable threshold amount. Increase individual income tax collections by an estimated \$185,200,000 in 2023-24 and \$154,200,000 in 2024-25 and annually thereafter.

For example, consider a single filer with federal AGI of \$450,000, including net long-term, nonfarm capital gains of \$200,000. Subtracting 30% of the \$200,000 in gains (\$60,000) yields an adjusted federal AGI of \$390,000, which is below the threshold at which single filers can no longer claim the exclusion under the proposal. In this scenario, the filer could claim the 30% exclusion of \$60,000, reduced by the amount by which their federal AGI of \$450,000 exceeds the applicable threshold of \$400,000 (\$50,000), resulting in an allowable exclusion of \$10,000.

Under current law, a capital gains exclusion is provided for 60% of the net capital gain from the sale of farm assets and 30% of the net capital gain from the sale of other assets, provided those assets are held more than one year or are acquired from a decedent. Gains from assets held one year or less are fully taxed. The Governor's recommendation would not limit the net capital gain exclusion: (a) for filers electing to be taxed at the entity level; or (b) from the sale of farm assets.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. FAMILY CAREGIVER CREDIT

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | - \$195,096,700            | \$195,096,700                     | \$0        |

**Governor:** Beginning in tax year 2023, create a nonrefundable individual income tax credit equal to 50% of the qualified expenses incurred by an individual to benefit a qualified family member. Specify that a qualified family member would mean an individual who: (a) is 18 years of age or older during the relevant tax year; (b) requires assistance with one or more daily living activities, as certified in writing by a physician (defined as a licensed physician who specializes in family practice, general internal medicine, general pediatrics, obstetrics and gynecology, or psychiatry); and (c) is the claimant's family member (defined as a spouse or an individual related by blood, marriage, or adoption within the 3rd degree of kinship).

Define qualified expenses to mean amounts paid by a claimant in the relevant tax year for items that relate directly to the care or support of a qualified family member, including: (a) the improvement or alteration of the claimant's primary residence to enable or assist the qualified family member to be mobile, safe, or independent; (b) the purchase or lease of equipment to enable or assist the qualified family member to carry out one or more activities of daily living; and (c) the acquisition of goods or services, or support, to assist the claimant in caring for the qualified family

member, including employing a home care aide or personal care attendant, adult day care, specialized transportation, legal or financial services, or assistive care technology. However, specify that qualified expenses do not include: (1) general food, clothing, or transportation expenses; (2) ordinary household maintenance or repair expenses that are not directly related or necessary for the care of the qualified family member; or (3) any amount that is paid or reimbursed by insurance or other means.

Specify that the maximum credit that may be claimed in each tax year with regard to a particular qualified family member is \$500 (\$250 for married-separate filers). Provide that, if more than one individual may claim the family caregiver credit for a particular qualified family member, the maximum credit would have to be apportioned among all eligible claimants based on the ratio of their qualified expenses to the total amount of qualified expenses incurred on behalf of that particular qualified family member, as determined by DOR.

Stipulate that no credit would be allowed for married-joint claimants with federal AGI above \$170,000, and that no credit would be allowed for all other filers with federal AGI above \$85,000. Provide that, for married-joint claimants with federal AGI above \$150,000, the credit amount for which they would otherwise be eligible (subject to the \$500 maximum credit limitation) would be reduced by the ratio of the amount by which their federal AGI exceeds \$150,000, the credit amount for which they would otherwise be eligible (subject to the \$500 maximum credit limitation) would be \$20,000. Specify that, for all other filers with federal AGI greater than \$75,000, the credit amount for which they would otherwise be eligible (subject to the \$500 maximum credit limitation, or \$250 for married-separate filers) would be reduced by the ratio of the amount by which their federal AGI exceeds \$75,000 divided by \$10,000.

Specify that no family caregiver tax credit would be allowed unless it were claimed within four years of the unextended due date of the income tax return to which the claim relates. Prohibit nonresidents and part-year residents of Wisconsin from claiming the credit. Direct that no credit would be allowed for a tax year covering a period of less than 12 months, except for a tax year that was closed because of the death of the taxpayer. Specify that current law provisions which apply to the individual income tax relating to DOR's enforcement authority, and to assessments, refunds, appeals, collection, interest, and penalties, would also apply to this credit. Reduce individual income tax collections by an estimated \$96,747,700 in 2023-24 and \$98,349,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. EXPAND CHILD AND DEPENDENT CARE CREDIT [LFB Paper 362]

| Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------------------------------|------------|
| GPR-Tax - \$55,110,700     | \$55,110,700                      | \$0        |

**Governor:** Beginning in tax year 2023, increase the nonrefundable credit for child and dependent care expenses from 50% to 100% of the corresponding federal credit claimed on the

claimant's federal income tax return in the same tax year. Reduce estimated individual income tax collections relative to current law by \$27,280,800 in 2023-24 and \$27,829,900 in 2024-25 and annually thereafter.

Federal law provides an individual income tax credit for child and dependent care expenses that are paid for the purpose of enabling a taxpayer to be gainfully employed. The maximum amount of expenses that can be claimed for the federal credit is \$3,000 if the claimant has one qualifying child (under the age of 13) or dependent (generally an individual who is physically or mentally unable to care for himself or herself) and \$6,000 if the claimant has more than one qualifying child and/or dependent. The credit is calculated as a percentage of eligible expenses, with the percentage ranging from 35% to 20%, depending on the claimant's federal AGI. Eligible expenses are reduced dollar-for-dollar for any amounts excluded as dependent care assistance benefits under separate provisions of state and federal law. The state credit acts as a supplement to the federal credit and reimburses between 10% and 17.5% of the claimant's eligible expenses.

Joint Finance/Legislature: Provision not included.

#### 8. PRE-TAX CONTRIBUTIONS FOR FAMILY MEDICAL LEAVE BENEFITS

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) |     |
|---------|----------------------------|-----------------------------------|-----|
| GPR-Tax | - \$20,450,000             | \$20,450,000                      | \$0 |

**Governor:** Provide an income and franchise tax subtraction for payroll taxes paid under the family medical leave program. Separate provisions of the bill would create a paid family and medical leave program that provides 12 weeks of benefits for qualified employed and self-employed individuals. Beginning on January 1, 2025, the bill requires each individual employed in this state by an employer that regularly employs at least 50 individuals, including an individual employed by the state, and any self-employed individual who elects coverage under the family and medical leave benefits insurance program to contribute to the trust fund a percentage of his or her wages from employment or income from self-employment. Under the bill, each employer must contribute the same amount as an employee. The bill requires the Department of Workforce Development to collect those contributions into a trust fund in the same manner as it collects contributions to the unemployment reserve fund under current law. [For additional information, see "Department of Workforce Development."]

The Administration estimates that the subtraction for the payroll tax contributions would reduce income and franchise tax collections by \$20,450,000 in 2024-25 and \$40,900,000 in 2025-26 and annually thereafter. However, the income and franchise tax subtraction was not included in the bill. An amendment would be needed to accomplish the Governor's intent.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 9. EXPAND RETIREMENT INCOME EXCLUSION [LFB Paper 364]

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | - \$16,200,000             | \$16,200,000                      | \$0        |

**Governor:** Expand the current law exclusion for income received from a qualified retirement plan by a person aged 65 or older who meets certain income requirements, beginning in tax year 2023. Provide that the maximum annual exclusion is increased to \$5,500. Provide that the federal AGI amount at which the exclusion is eliminated is increased to: (a) \$30,000 for single and head-of-household filers; and (b) \$60,000 for married filers. This provision would reduce individual income tax collections by an estimated \$8,100,000 annually, beginning in 2023-24.

Under current law, an exclusion is provided for payments or distributions received each year by an individual from a qualified retirement plan under the IRC, or from an individual retirement account established under specified provisions of federal law, if the individual: (a) is at least 65 years of age before the close of the taxable year to which the exclusion relates; and (b) has federal AGI below \$15,000 if a single or head-of-household filer, or below \$30,000 (income combined with their spouse) if a married filer. The maximum exclusion under current law is \$5,000.

Joint Finance/Legislature: Provision not included.

#### 10. UNIVERSAL CHANGING STATIONS CREDIT

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) |     |
|---------|----------------------------|-----------------------------------|-----|
| GPR-Tax | - \$15,900,000             | \$15,900,000                      | \$0 |

**Governor:** Create a nonrefundable income and franchise tax credit, beginning in tax year 2023, equal to 50% of the amount the claimant paid during the taxable year to install a universal changing station. No claimant could claim a credit of more than \$5,125 in a taxable year. It is estimated that this provision would reduce income and franchise tax revenues by \$5,300,000 in 2023-24 and \$10,600,000 in 2024-25 and annually thereafter.

A "claimant" would mean a sole proprietor, a partner of a partnership, a member of an LLC, a shareholder of an S corporation, a C corporation, and an insurance company. However, to be eligible for the credit, the claimant must have employed no more than 30 full-time employees and have had gross receipts that did not exceed \$1,000,000 in the preceding taxable year. "Full-time employee" would mean an individual who is employed for at least 30 hours per week for 20 or more calendar weeks during a taxable year.

The bill would define a "universal changing station" as a powered and height-adjustable adult changing table that is either floor mounted or wall mounted with a safety rail and can be used by an individual with a disability of either sex and the individual's care provider for personal

hygiene and that the changing table: (a) can lower to a height of 8 inches and raise to a height of 34 inches; (b) is at least 31 inches wide by 72 inches long; and (c) supports at least 350 pounds. No credit could be claimed unless the universal changing station is installed in a single-occupant restroom that measures at least 8 feet by 10 feet, with adequate space for a wheelchair and a care provider to maneuver; is equipped with a waste receptacle, a toilet, a lavatory, a soap dispenser, and a paper towel dispenser; and complies with accessibility standards under the federal Americans with Disabilities Act.

Partnerships, LLCs, and S corporations would not be able to claim the credit, but the eligibility for, and the amount of, the credit would be based on the amounts paid by the entity. A partnership, LLC, or S corporation would have to compute the amount of credit that each of its partners, members, or shareholders may claim and provide that information to each of them. Partners, members, and shareholders could claim the credit in proportion to their ownership interests. According to the Administration, it is intended that the \$5,125 limitation on claims would apply to a claimant regardless of the number of universal changing tables installed or the number of businesses the claimant owns which install them.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 11. LIMIT PRIVATE SCHOOL TUITION DEDUCTION

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) |     |
|---------|----------------------------|-----------------------------------|-----|
| GPR-Tax | \$13,000,000               | - \$13,000,000                    | \$0 |

**Governor:** Limit the current law deduction for tuition expenses paid for a student to attend an eligible institution, beginning in tax year 2023. Prohibit individuals with Wisconsin AGI at or above the following thresholds from claiming the deduction: (a) \$100,000 for single and head-ofhousehold filers; (b) \$150,000 for married-joint filers; and (c) \$75,000 for married-separate filers. Increase individual income tax collections by an estimated \$6,500,000 in 2023-24 and annually thereafter.

Under current law, an individual may deduct up to \$4,000 per year per pupil enrolled in kindergarten through grade eight, and \$10,000 per year per pupil enrolled in grades nine through twelve. The pupil must be a dependent of the claimant for federal income tax purposes and must be enrolled in kindergarten or grades one through twelve of a private school (as defined in state law) which meets all the criteria for a private school. The deduction is not allowed if the tuition expenses are paid using a distribution from a 529 account. Under current law, the deduction is not limited based on the taxpayer's AGI.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 12. STATE LOW-INCOME HOUSING TAX CREDIT INCREASE [LFB Paper 856]

| Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------------------------------|------------|
| GPR-Tax - \$8,700,000      | \$8,700,000                       | \$0        |

**Governor:** Increase the limit on the total amount of state low-income housing credits that may be certified by the Wisconsin Housing and Economic Development Authority (WHEDA) from \$42 million to \$100 million. In addition, increase the maximum number of years the tax may be claimed from six years to 10 years. Further, require that to be eligible for a state housing credit, qualified low-income housing developments must be allocated the federal low-income housing tax credit and financed with tax-exempt bonds that are subject to the federal volume cap. However, authorize WHEDA to waive, in the Authority's federally required Qualified Action Plan (QAP), the requirements of tax-exempt bond financing and federal credit allocation, to the extent that WHEDA anticipates that sufficient tax-exempt private activity bond volume cap under federal law will not be available to finance low-income housing projects in any year. [See "Wisconsin Housing and Economic Development Authority."]

2017 Wisconsin Act 176 created a state nonrefundable low-income housing tax credit (LIHTC). The credit is claimable against the state individual income tax, the corporate income/franchise tax, and the insurance premiums tax. WHEDA awards the credit as a match to the federal 4% low-income housing tax credit, which provides a credit equal to 4% of the cost of a project each year for 10 years, generally equal to at least 30% of the present value of construction costs associated with a project. Properties receiving state and federal housing tax credits must reserve at least 20% of units for households with incomes below 50% of county median income, or 40% of units for households with average incomes below 60% of county median income, for at least 30 years. Credits are awarded through a competitive application process, whereby WHEDA assigns scores to the applications based on criteria laid out in the Authority's QAP. Awards are limited to \$1.2 million per project. WHEDA is also required by law to give preference to developments located in cities, towns, or villages with populations fewer than 150,000.

Under the current program, WHEDA may award up to \$7 million in state tax credits annually, claimable for six years, for a maximum program total of \$42 million annually once the program is fully implemented. The bill would increase the program total to \$100 million, claimable over 10 years. The Administration estimates the provision would decrease state income and franchise tax revenues by \$1,450,000 in 2023-24 and \$7,250,000 in 2024-25, fully phasing in to a decrease of \$58 million in 2033-34. Combined with the \$42 million limit under current law, the credit is estimated to decrease state tax revenues by \$100 million annually beginning in 2033-34. The bill as introduced does not specify the initial applicability of changes to the credit.

Under current law, eligible projects are required to be financed with tax-exempt bonds. The bill would require eligible projects to be awarded federal low-income housing credits and be financed with certain tax-exempt bonds that are issued under the state's share of federal volume cap for private economic development or housing purposes. WHEDA could waive these requirements due to having insufficient tax-exempt private activity bonding available under the

federal volume cap in a given year.

Joint Finance/Legislature: Provision not included.

#### 13. DIVIDENDS RECEIVED DEDUCTION LIMITATION

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$6,400,000                | - \$6,400,000                     | \$0        |

**Governor:** Specify that corporations may not use the dividends received deduction in computing a net business loss under the state corporate income/franchise tax. Under current law, in determining gross income, corporations may deduct from income dividends received from a corporation with respect to its common stock if the corporation receiving the dividends owns, directly or indirectly, during the entire taxable year, at least 70% of the total combined voting stock of the payor corporation. The bill would specify that this deduction may not be used in computing a net business loss (which may be carried forward for use in up to 20 future tax years under current law). The provision would first apply to taxable years beginning after December 31, 2022. It is estimated that this provision would increase corporate income/franchise tax revenues by \$3,200,000 annually, beginning in 2023-24.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 14. FIRST-TIME HOMEBUYER SAVINGS ACCOUNTS

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | - \$4,800,000              | \$4,800,000                       | \$0        |

**Governor:** Create a program, administered by DOR, allowing an individual to become an account holder by creating an account, either individually or jointly with his or her spouse, to pay or reimburse the eligible costs of a first-time homebuyer. Require the accounts to be created at any financial institution, defined as any bank, trust company, savings institution, savings bank, savings and loan association, industrial loan association, consumer finance company, credit union, or any benefit association, insurance company, safe deposit company, money market mutual fund, or similar entity authorized to do business in Wisconsin. Specify that eligible costs would mean the down payment and allowable closing costs, defined as disbursements listed in a settlement statement for the purchase of a single-family residence in Wisconsin by a beneficiary. Limit the program to individuals who reside in Wisconsin and who did not have a present ownership interest, either individually or jointly, in a single-family residence (defined as a residence intended for occupation by a single family unit that is purchased by a beneficiary for use as his or her principal residence) during the 36-month period prior to the month of purchase of a single family residence

that is located in Wisconsin.

When an account is created, require the account holder to designate a single account beneficiary who is a first-time homebuyer and who may be the account holder. Allow the account holder to change the beneficiary at any time. Allow individuals to jointly own accounts with their spouses. Provide that an individual may be the account holder of more than one account, but prohibit the account holder from having more than one account that designates the same beneficiary. Permit an individual to be the beneficiary of more than one account. Limit account contributions to cash and marketable securities, and allow persons other than account holders to contribute to accounts. However, stipulate that only the account holder may take the subtraction created under the bill for first-time homebuyer account contributions.

Authorize account holders to withdraw funds from accounts to: (a) pay eligible costs for the beneficiary; or (b) reimburse the beneficiary for eligible costs that the beneficiary incurred and paid. Prohibit account holders from using account funds to pay any expenses incurred by the account holder in administering the account, but permit financial institutions to deduct service fees from accounts.

Require account holders each year to submit the following information related to the account to DOR, on forms prepared by the Department, with the account holder's income tax return: (a) a list of account transactions during the tax year, including the account's beginning and ending balances; (b) the 1099 form issued by the financial institution relating to the account; and (c) a list of eligible costs, and other costs, for which account funds were withdrawn during the tax year. Authorize account holders to withdraw and transfer funds to a different financial institution without incurring a withdrawal penalty or affecting the account holder's Wisconsin AGI, provided the transfer occurs immediately and the funds are deposited in a first-time homebuyer savings account at that institution. Require account holders to dissolve an account not later than 120 months (10 years) after its creation, and require financial institutions to distribute any proceeds in dissolved accounts to the account holder. Require proceeds to be distributed to the account holder's estate if the account holder dies while funds remain in the account.

Create the following adjustments to federal AGI when calculating Wisconsin AGI under the state individual income tax. Authorize account holders to subtract from federal AGI the amount of any deposits by the account holder into their accounts, as well as any interest, dividend, or other gain accruing in the account if the interest, dividends, or other gain is redeposited into the account. Limit the subtraction for each account holder to \$5,000 of deposits per year, or \$10,000 of deposits per year if the account holder is a married-joint filer, for each account that the account holder creates and to which the account holder makes a deposit (the amount of interest, dividends, or other gains accruing to and subsequently redeposited in the account that may be subtracted from taxable income is not limited). Specify that the subtraction does not apply for any amounts which are transferred to an account at another financial institution. Prohibit an account holder from claiming the subtraction for more than a total of \$50,000 of deposits into any account for each beneficiary. Require account holders to increase their AGI to include any distribution of proceeds from a dissolved account, and require account holders' estates to increase the AGI of the estate to include any distribution to an account holder's estate after the death of an account withdrawn from an

account for any reason other than payment or reimbursement of eligible costs, unless the withdrawal is the result of a transfer to an account at a different financial institution, or unless the disbursement is pursuant to a filing for bankruptcy protection. Impose a penalty of 10% on any amounts added to AGI under the preceding provisions.

For federal tax purposes, no deduction for contributions is, or would be, allowed, and the interest earnings that would accrue to accounts would be subject to federal income tax. Since the accounts would be taxable on the "front end," no federal tax would be imposed at the time of withdrawal. Nor would withdrawals trigger a state tax liability, provided the proceeds are used for eligible costs.

Require DOR to prepare and distribute any forms that an account holder would be required to submit and any other forms that the Department believes would be necessary to administer the program and the program's adjustments to income, described above. In addition, require DOR to prepare and distribute program informational materials to financial institutions and potential homebuyers.

Finally, require DOR to impose a penalty on withdrawals from accounts that would be additions to income, as described above, and direct the Department to administer the penalty as it assesses, levies, and collects income and franchise taxes. Specify that the preceding provisions would first apply beginning in tax year 2023. The Administration anticipates that few accounts would be established by the conclusion of calendar year 2023. Therefore, this provision would reduce estimated individual income tax collections by a minimal amount in 2023-24, \$4,800,000 in 2024-25, \$6,600,000 in 2025-26, and \$7,500,000 in 2026-27 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **15. REPEAL NET OPERATING LOSS CARRYBACK**

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$4,400,000                | - \$4,400,000                     | \$0        |

**Governor:** Repeal current law provisions under the individual income tax that allow a net operating loss (NOL) to be carried back for two tax years as an adjustment to federal AGI, beginning in tax year 2023. NOL carrybacks are not allowed under the state's corporate income/franchise tax, and generally, are not allowed for federal tax purposes. Generally, an NOL results when a taxpayer's business deductions exceed the taxpayer's gross income. This provision would not affect current law provisions that allow taxpayers to carry forward NOLs for up to 20 years. This provision would increase individual income tax collections by an estimated \$2,900,000 in 2023-24 and \$1,500,000 in 2024-25. Over time, the revenue gain from the elimination of loss carrybacks would be offset by the revenue loss due to larger amounts of loss carryforwards.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

pursuant to Joint Finance Motion #10.)

#### 16. FLOOD INSURANCE PREMIUMS CREDIT

| Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------------------------------|------------|
| GPR-Tax - \$800,000        | \$800,000                         | \$0        |

**Governor:** Create a nonrefundable individual income tax credit for flood insurance premiums beginning in tax year 2023. Provide that a claimant may claim a credit equal to 10% of the amount of premiums the claimant paid during the tax year for flood insurance. Define flood insurance as a flood insurance policy that covers the principal dwelling of the claimant. Specify that the credit amount could not exceed \$60 per tax year.

Specify that no flood insurance premiums tax credit would be allowed unless it were claimed within four years of the unextended due date of the income tax return to which the claim relates. Prohibit nonresidents and part-year residents of Wisconsin from claiming the credit. Direct that no credit would be allowed for a tax year covering a period of less than 12 months, except for a tax year that was closed because of the death of the taxpayer. Specify that current law provisions which apply to the individual income tax and relate to DOR's enforcement authority, and to assessments, refunds, appeals, collection, interest, and penalties, would also apply to this credit. This provision would reduce individual income tax collections by an estimated \$400,000 annually, beginning in 2023-24.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 17. EXPAND DISABILITY INCOME EXCLUSION

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR-T | ax - \$520,000             | \$520,000                         | \$0        |

**Governor:** Expand the current law exclusion for certain disability payments received by individuals under age 65 to equal up to \$5,500 per year (per disabled spouse if a married-joint filer) or the amount of disability pay reported as income, whichever is less, beginning in tax year 2023. Provide that the exclusion is also made available to otherwise eligible married-separate filers. Increase the maximum federal AGI amounts used to determine eligibility for the exclusion to be less than: (a) \$30,000 for single and head-of-household filers; (b) \$60,000 for married-joint filers; or (c) if a married-separate filer, \$60,000 of total income combined for both spouses. Stipulate that, for filers with federal AGI above these thresholds, no exclusion is permitted. This provision would reduce individual income tax collections by an estimated \$260,000 annually, beginning in 2023-24.

Under current law, an exclusion is provided for disability payments, other than disability payments that are paid from a retirement plan, if the individual: (a) is under the age of 65 before the close of the taxable year to which the claim for the exclusion relates; and (b) retired on disability and was permanently and totally disabled upon retirement. If the individual is married, they must choose the married-joint filing status in order to claim the exclusion. The exclusion equals up to \$100 of disability income per week, or \$5,200 per year (per disabled spouse if a married-joint filer). The exclusion is reduced dollar-for-dollar for the amount by which the taxpayer's federal AGI exceeds \$15,000 (exclusion is eliminated for AGI above \$20,200, or \$25,400 for married-joint filers if both spouses are disabled). For purposes of the exclusion, permanently and totally disabled means an individual who is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death, or which has lasted or can be expected to last for a continuous period of not less than 12 months. An individual is not considered permanently and totally disabled unless proof is furnished in such form and manner, and at such times, as DOR prescribes.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 18. SUNSET WORKING FAMILIES CREDIT

| (       | Governor<br>Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|---------------------------|-----------------------------------|------------|
| GPR-Tax | \$250,000                 | - \$250,000                       | \$0        |

**Governor:** Sunset the working families credit under the individual income tax, beginning in tax year 2023. Estimate increased individual income tax collections of \$125,000 annually, beginning in 2023-24.

Under current law, taxpayers with Wisconsin AGI below \$9,000 (\$18,000 for married-joint filers) may claim a nonrefundable credit equal to their net tax liability. The credit phases out over the next \$1,000 in income until eliminated when AGI exceeds \$10,000 (\$19,000 married-joint). The credit eliminates state income taxes for single taxpayers with AGI below \$9,000 and married couples filing joint returns with AGI below \$18,000. This credit is claimed by very few taxpayers because most individuals and families at these income levels do not have a net tax liability due to the standard deduction, personal exemptions, and other credits.

According to DOR, the only filers who claim the credit at present are certain married couples where: (a) one spouse is a Wisconsin resident; (b) the other spouse is a nonresident; and (c) the couple's federal AGI exceeds the Wisconsin resident spouse's Wisconsin AGI. These nonresidents/part-year residents can claim the credit because their state sliding scale standard deduction is based on the greater of Wisconsin AGI or federal AGI, whereas the working families credit is based on Wisconsin AGI alone. If the couple has a federal AGI large enough to significantly reduce or eliminate their state standard deduction, but the Wisconsin resident spouse's Wisconsin AGI is low enough to receive the working families credit, the credit may be claimed.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

pursuant to Joint Finance Motion #10.)

#### **19. ABLE ACCOUNT TERMINATION ADDBACK**

**Governor:** Provide a statutory modification to stipulate that any amount remaining in a Wisconsin Achieving a Better Life Experience (ABLE) account upon the account's termination that is returned to the account owner's estate would be added back to taxable income. Current law provides identical treatment for any such amounts that remain in the account of a qualified ABLE program of any other state (at present, no Wisconsin ABLE program exists). The provisions that would authorize the creation of an ABLE program in Wisconsin are set forth under separate sections of the bill. [See "Financial Institutions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 20. DETERMINING HEALTH CARE ELIGIBILITY VIA INDIVIDUAL INCOME TAX RETURNS

**Governor:** Require DOR to include certain questions and explanatory information on each individual income tax return related to eligibility for certain state and federal health care programs, beginning in tax year 2024. Based on the individual's responses to these questions, require DOR to provide that person's contact information and other relevant information from that person's individual income tax return to the Department of Health Services to perform an evaluation of that person's eligibility for certain programs. [See "Health Services -- Public Assistance Administration."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 21. TAX LAW CHANGE INTERACTIVE EFFECTS

| Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------------------------------|------------|
| GPR-Tax \$24,000,000       | - \$24,000,000                    | \$0        |

**Governor:** Increase income and franchise tax collections by an estimated \$11,800,000 in 2023-24 and \$12,200,000 in 2024-25 to account for the interactive effects of proposed income and franchise tax changes under the Governor's budget.

**Joint Finance/Legislature:** Estimate a minimal change to income and franchise tax collections for interactive effects of the tax changes under Act 19.

#### 22. INDIVIDUAL INCOME TAX RATE REDUCTION [LFB Paper 366]

|         | Jt. Finance/Leg.<br>(Chg. to Base) | Veto<br>(Chg. to Leg.) | Net Change      |
|---------|------------------------------------|------------------------|-----------------|
| GPR-Tax | - \$2,910,700,000                  | \$2,736,100,000        | - \$174,600,000 |

**Joint Finance/Legislature:** Reduce the top marginal individual income tax rate from 7.65% to 6.50%, collapse the third bracket (5.30% rate) into the second bracket (4.65%) and reduce the corresponding rate to 4.40%, and reduce the 3.54% rate to 3.50%, beginning in tax year 2023. Estimate reduced individual income tax collections of \$1,489,300,000 in 2023-24 and \$1,421,400,000 in 2024-25.

The following tables show the individual income tax rate and bracket schedule under prior law and under enrolled SB 70 that would have applied for tax year 2023.

#### Prior Law Individual Income Tax Rate and Bracket Schedule, Tax Year 2023

|                                  | Income Tax Brackets by Filing Status   |  |  |  |
|----------------------------------|--|--|--|--|
| Tax Rate                         | Single and Head-<br>of-Household   | Married-Joint  | Married-Separate   |  |
| 3.54%<br>4.65%<br>5.30%<br>7.65% | \$0 to \$13,810<br>13,810 to 27,630<br>27,630 to 304,170<br>304,170 and over | \$0 to \$18,420<br>18,420 to 36,840<br>36,840 to 405,550<br>405,550 and over | \$0 to \$9,210<br>9,210 to 18,420<br>18,420 to 202,780<br>202,780 and over |  |

#### Enrolled Senate Bill 70 Individual Income Tax Rate and Bracket Schedule, Tax Year 2023

|                | Income Tax Brackets by Filing Status  |                                       |                                   |  |
|----------------|---------------------------------------|---------------------------------------|-----------------------------------|--|
| Tax Rate       | Single and Head-<br>of-Household      | Married-Joint                         | Married-Separate                  |  |
| 3.50%          | \$0 to \$13,810                       | \$0 to \$18,420                       | \$0 to \$9,210                    |  |
| 4.40%<br>6.50% | 13,810 to 304,170<br>304,170 and over | 18,420 to 405,550<br>405,550 and over | 9,210 to 202,780 202,780 and over |  |

**Veto by Governor [B-7]:** Delete the provisions reducing the rates for the top bracket (7.65%) and the third bracket (5.30%). Estimate decreased individual income tax collections relative to current law of \$86,800,000 in 2023-24 and \$87,800,000 in 2024-25. As a result of the Governor's partial veto, estimate increased tax collections under the bill of \$1,402,500,000 in 2023-24 and \$1,333,600,000 in 2024-25. The table below displays the income tax rate and bracket schedule applicable to current law for tax year 2023.

| Tax Rate                         | Income Tax Brackets by Filing Status   |  |  |  |
|----------------------------------|--|--|--|--|
|                                  | Single and Head-<br>of-Household   | Married-Joint  | Married-Separate   |  |
| 3.50%<br>4.40%<br>5.30%<br>7.65% | \$0 to \$13,810<br>13,810 to 27,630<br>27,630 to 304,170<br>304,170 and over | \$0 to \$18,420<br>18,420 to 36,840<br>36,840 to 405,550<br>405,550 and over | \$0 to \$9,210<br>9,210 to 18,420<br>18,420 to 202,780<br>202,780 and over |  |

#### Tax Rate and Bracket Schedule under Act 19, Tax Year 2023

[Act 19 Sections: 326, 327, 330, 331, 334, and 335]

[Act 19 Vetoed Sections: 328, 329, 332, 333, 336, and 337]

**Senate:** Pass part 1 of partial veto B-7 (Sections 328, 332, and 336) notwithstanding the objection of the Governor; ayes 22, noes 11. Part 1 of partial veto B-7 would collapse the third bracket (5.30% rate) into the second bracket (4.40%) and would reduce individual income tax revenues by \$1,048.3 million in 2023-24 and \$1,030.2 million in 2024-25.

#### 23. WITHHOLDING TABLE ADJUSTMENTS [LFB Paper 365]

|         | Jt. Finance/Leg.<br>(Chg. to Base) | Veto<br>(Chg. to Leg.) | Net Change |
|---------|------------------------------------|------------------------|------------|
| GPR-Tax | - \$603,400,000                    | \$603,400,000          | \$0        |

**Joint Finance/Legislature:** Direct the DOR Secretary to issue guidance no later than October 1, 2023, updating the individual income tax withholding tables to reflect the tax rates, brackets, and sliding scale standard deduction in effect for tax year 2024. Specify that these withholding table changes first take effect on January 1, 2024. In conjunction with the income tax rate reductions under enrolled SB 70, estimate a one-time reduction in individual income tax revenues of \$603,400,000 in 2023-24.

#### Veto by Governor [B-8]: Delete provision.

[Act 19 Vetoed Section: 9137]

#### 24. INCOME EXCLUSION ON COMMERCIAL LOANS

Joint Finance/Legislature: Create an income and franchise tax deduction, beginning in tax year 2023, for the income of a financial

institution derived from a commercial loan of \$5 million or less provided to a person residing or located in this state and used primarily for a business or agricultural purpose. Decrease income and franchise tax collections by an estimated \$35,900,000 in 2023-24 and \$29,300,000 in 2024-25. Estimate surcharge revenues paid by banks into the economic development fund to decrease

- \$65,200,000

- \$130,000

GPR-Tax

SEG-Rev

by \$130,000 SEG-Rev annually, beginning in 2024-25. Decreased amounts appropriated from the economic development fund for the Wisconsin Economic Development Corporation (WEDC) are reflected under "Wisconsin Economic Development Corporation."

[Act 19 Sections: 325, 341, and 9337(2)]

#### 25. APPORTIONMENT OF GROSS RECEIPTS FROM GPR-Tax - \$7,000,000 TRADING ASSETS

**Joint Finance/Legislature:** Specify in the administrative code that DOR's authority to substitute net gains (net of commissions) from the sales of trading assets, for purposes of apportionment, does not apply to any taxpayer who, before January 1, 2023, elected to use the customer billing address method and has not revoked that election, and who, for any taxable year beginning on or after January 1, 2022, determines its receipts factor by using the average of the receipts factors determined using gross receipts, net of commissions, and net gain, net of commissions, from sales of trading assets for the taxable year, with all other components of the receipts factor remaining the same, and any such taxpayer may compute its receipts factor using that averaging method. Specify that DOR may not require any taxpayer who elected before January 1, 2023, to use the customer billing address method, and who has not revoked that election, to use any other method of determining its receipts factor.

This provision applies retroactively to taxable years beginning on January 1, 2022, and will decrease income and franchise tax collections by an estimated \$3,500,000 annually, beginning in 2023-24.

[Act 19 Sections: 477, 478, 9337(3), and 9437(2)]

# **General Sales and Use Taxes**

#### 1. SALES TAX ON THE ACCESS TO PREWRITTEN COMPUTER SOFTWARE

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$59,000,000               | - \$59,000,000                    | \$0        |

**Governor:** Impose the general sales and use tax on the sale of the right to access and use certain prewritten computer software.

Under current law, "prewritten computer software" means computer software, including prewritten upgrades, that is not designed and developed by the author or other creator to the specifications of a specific purchaser. The sale and purchase of prewritten computer software, where the purchaser takes possession of the software, is currently subject to the sales and use tax.

In addition, the entire sales price of a bundled transaction is subject to the sales tax (with certain exceptions), unless the retailer can reasonably identify the nontaxable portion of the price. However, the sale of the right to access and use prewritten computer software (without taking possession) is considered a nontaxable service under current law.

Under the bill, the sale of the right to access and use prewritten computer software, where possession of the prewritten computer software is maintained by the seller or a third party, including sales made on a per use, per user, per license, subscription, or some other basis, would become a taxable service. This provision would include the sale of the right to access and use prewritten computer software to perform data processing and information services, regardless of whether the primary purpose of the transaction is the processed data. Processed data would include processing for checks, images, forms, surveys, payrolls, claims, and other similar activities. The Administration indicates that this provision would establish parity on the sale and use of prewritten computer software, regardless of whether the software is owned by the purchaser or is accessed via a subscription or through the internet (Software as a Service).

The provision would take effect on the first day of the sixth month beginning after publication of the bill. The Administration estimates that this expansion of the sales and use tax would increase state tax revenues by \$18,100,000 in 2023-24 and \$40,900,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. SALES TAX EXEMPTION FOR DIAPERS AND FEMININE HYGIENE PRODUCTS

|         |                | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------|-----------------------------------|------------|
| GPR-Tax | - \$32,800,000 | \$32,800,000                      | \$0        |

**Governor:** Provide an exemption from the general sales and use tax for sales of diapers and feminine hygiene products.

Define the following terms under the general sales and use tax:

a. "Diaper" would mean an absorbent garment worn by humans who are incapable of or have difficulty controlling their bladder or bowel movements.

b. "Feminine hygiene products" would mean tampons, panty liners, menstrual cups, sanitary napkins, and other similar tangible personal property designed for feminine hygiene in connection with the human menstrual cycle. However, "feminine hygiene products" would not include "grooming and hygiene products."

c. "Grooming and hygiene products" would mean soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and suntan lotions and screens.

The provision would take effect on the first day of the third month beginning after publication of the bill. The Administration estimates that this exemption would reduce state tax revenues by \$13,700,000 in 2023-24 and \$19,100,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 3. SALES TAX ON MARIJUANA

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$10,200,000               | - \$10,200,000                    | \$0        |

**Governor:** Provide an exemption from the general sales and use tax for sales of medical marijuana, if the purchaser holds a valid tax exemption certificate that indicates they are a member of the medical marijuana registry. The state sales and use tax would apply to retail sales of usable (recreational) marijuana.

Under current law, sales of marijuana are subject to the sales tax as tangible personal property. However, taxes generally are not collected and remitted on such sales, as marijuana is an illegal substance. The bill would legalize the sale of marijuana for medical and recreational purposes. As a result, sales tax would be collected by retailers on legal recreational marijuana sales. Retail excise taxes imposed on marijuana would be included in the sales price subject to the state sales and use tax.

The provision would take effect on the effective date of the bill. However, the Administration indicates that it did not estimate a fiscal effect until 2024-25, as it is uncertain how long it will take for marijuana permits to be issued and for legal sales to be made. The Administration estimates the sales and use tax on recreational marijuana would increase state tax revenues by \$10,200,000 in 2024-25 and annually thereafter.

The legalization of the sale of marijuana, the creation of the medical marijuana registry, and the imposition of excise taxes on marijuana would be authorized under separate provisions of the bill. [For additional information, see "Marijuana-Related Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. SALES TAX EXEMPTION FOR ENERGY SYSTEMS

|   |        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---|--------|----------------------------|-----------------------------------|------------|
| G | PR-Tax | - \$4,200,000              | \$4,200,000                       | \$0        |

**Governor:** Expand the current law exemption from the state sales and use tax to include tangible personal property used to store or facilitate the storage of electrical or heat energy produced by a solar, wind, or biogas renewable energy system.

Under current law, an exemption from the sales and use tax exists for a product that has as its power source wind energy, direct radiant energy received from the sun, or gas generated from anaerobic digestion of animal manure and other agricultural waste, if the product produces at least 200 watts of alternating current or 600 British thermal units per day. The exemption also applies to the sale of electricity or energy produced by these products, but does not apply to an uninterruptible power source that is designed primarily for computers.

The bill would modify current law so the exemption applies to solar, wind, and waste energy systems that produce usable electrical or heat energy, rather than solely to products whose power source is solar, wind, or waste energy. The bill specifies that tax exempt solar power systems, wind energy systems, and waste energy systems would include tangible personal property sold with the systems that is used primarily to store or facilitate the storage of electrical or heat energy produced by the systems. Therefore, the exemption would apply to products producing power from renewable energy sources, as well as products used to store that energy, relative to current law. The exemption would not apply for sales of tangible personal property designed for any use other than for a solar, wind, or waste energy system. Sales of an uninterruptible power source designed primarily for computers would remain taxable under the bill.

The bill would also make the following modifications to the current law exemption:

a. Specify that, to qualify for the exemption, energy systems must <u>continuously</u>, rather than <u>per day</u>, produce at least 200 watts of alternating current or 600 British thermal units;

b. Clarify that tax exempt energy produced by the systems includes electrical and <u>heat</u> energy; and

c. Specify that the production of electrical or heat energy must come <u>directly</u> from sun, wind, or gas generated from anaerobic digestion of animal manure or other agricultural waste.

The provision would take effect on the first day of the third month beginning after publication of the bill. The Administration estimates that this exemption would decrease state tax revenues by \$1,700,000 in 2023-24 and \$2,500,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. SALES TAX EXEMPTION FOR BREASTFEEDING EQUIPMENT

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | - \$1,190,000              | \$1,190,000                       | \$0        |

**Governor:** Provide an exemption from the general sales and use tax for breast pumps, breast pump kits, and breast pump storage and collection supplies. This provision would take effect on the first day of the third month beginning after publication of the bill. The Administration estimates that this exemption would reduce state tax revenues by \$510,000 in 2023-24 and \$680,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. SALES TAX EXEMPTION FOR CERTAIN PLANNING AND COUNSELING SERVICES

| Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------------------------------|------------|
| GPR-Tax - \$1,000,000      | \$1,000,000                       | \$0        |

**Governor:** Provide a sales and use tax exemption for landscape planning and counseling services that pertain to the restoration, reclamation, or revitalization of prairie, savanna, or wetlands, if such services are provided under a separate and optional fee distinct and identifiable from other taxable services.

Under current law, all services are exempt from the state sales and use tax unless specifically made taxable by statute. State law specifies that the sale of landscaping and lawn maintenance services is taxable, including: (a) landscape planning and counseling; (b) lawn and garden services, such as planting, mowing, spraying, and fertilizing; and (c) shrub and tree services. The bill would specify that landscaping and lawn maintenance services do not include planning and counseling services, if the planning and counseling services are provided for a separate and optional fee from any other services and the services are for the restoration, reclamation, or revitalization of prairie, savanna, or wetlands to improve: (1) biodiversity; (2) the quality of land, soils, or water; or (3) other ecosystem functions.

The bill would define a "separate and optional fee" as a fee charged to receive a distinct and identifiable product if either of the following would apply.

a. The fee is in addition to fees that the seller charges for other distinct and identifiable products sold to the same buyer, the fee is separately set forth on the invoice given by the seller to the buyer, and the seller does not require the buyer to pay the fee if the buyer chooses not to receive the additional distinct and identifiable product for which the fee applies.

b. The seller charges a single amount for multiple distinct and identifiable products and offers the buyer the option of paying a lower amount if the buyer chooses not to receive one or more of the distinct and identifiable products. The separate and optional fee would have to be a single amount the seller charges for the multiple distinct and identifiable products, less the reduced amount the seller charges to the buyer because the buyer chooses not to receive one or more of the products.

According to the Administration, the bill is intended to specify that the exemption for qualifying planning and counseling services provided for a separate and optional fee would apply to tangible personal property physically transferred, or transferred electronically, to the customer in conjunction with those services. Instead, the provider of the exempt services and property would be subject to the sales and use tax when they purchase the tangible personal property. [A technical amendment is needed to reflect this intent and to remove cross-references to services that are unnecessary in accomplishing the intent of this provision.]

The provision would take effect on the first day of the third month following publication of the bill. The Administration estimates that this exemption would reduce state tax revenues by \$400,000 in 2023-24 and \$600,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. SALES TAX EXEMPTION FOR GUN SAFES, TRIGGER LOCKS, AND GUN BARREL LOCKS

| Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------------------------------|------------|
| GPR-Tax - \$540,000        | \$540,000                         | \$0        |

**Governor:** Provide an exemption from the general sales and use tax for sales of gun safes, trigger locks, and gun barrel locks. Specify that the exemption for gun safes would only apply to gun safes that are specifically designed for the storage of guns and would not apply to other items used for gun storage (such as locking gun cabinets and racks). This provision would take effect on the first day of the third month beginning after publication of the bill. The Administration estimates that this exemption would reduce state tax revenues by \$230,000 in 2023-24 and \$310,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 8. REPEAL SALES TAX EXEMPTION FOR FARM-RAISED DEER

| (       | Governor<br>Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|---------------------------|-----------------------------------|------------|
| GPR-Tax | \$210,000                 | - \$210,000                       | \$0        |

**Governor:** Repeal the exemption from the general sales and use tax for farm-raised deer sold to a person who is operating a hunting preserve or game farm in this state. This provision would take effect on the first day of the third month beginning after publication of the bill. The Administration estimates the repeal of this exemption would increase state tax revenues by \$90,000 in 2023-24 and \$120,000 in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. SALES TAX EXEMPTION FOR LOCAL PROFESSIONAL BASEBALL PARK DISTRICTS

**Governor:** Provide an exemption from the general sales and use tax for sales to a local professional baseball park district established under state law (which would be modified and expanded under the bill). The Administration estimates that this provision would have a minimal effect on general fund tax collections. Separate provisions of the bill would make various changes to professional baseball park districts. [For additional information, see "Professional Baseball Park District."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. SALES TAX EXEMPTION FOR IMPROVEMENTS TO BASEBALL PARK DISTRICTS AND DEVELOPMENTS

**Governor:** Provide an exemption from the general sales and use tax for sales of building materials used to construct, develop, improve, renovate, repair, or maintain property that constitutes a baseball park development, as created and defined under separate provisions of the bill. Such baseball park development property would include property operated by a professional baseball team, including the following facilities: (a) retail; (b) hospitality; (c) commercial and residential; (d) health care; and (e) any others that are functionally related or auxiliary.

Expand the current law exemption from the sales and use tax to include sales of building materials used to improve, repair, or maintain a home stadium for any professional athletic team participating in a multistate league that is exempt from property taxation (including baseball park development property). Under current law, sales of building materials to owners, contractors, subcontractors, or builders, if these materials are used solely to construct, develop, or renovate a home stadium for any professional athletic team participating in a multistate league are exempt from the sales and use tax. This provision would expand that exemption to also include sales of building materials used for improvements, repairs, or maintenance of such stadiums.

The Administration estimates that this provision would have a minimal effect on general fund tax collections. [For additional information, see "Professional Baseball Park District".]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. SALES TAX EXEMPTION FOR TRANSIT AUTHORITIES

**Governor:** Provide an exemption from the general sales and use tax for sales to any transit authority that would be created under separate provisions of the bill. The Administration estimates that this provision would have a minimal effect on general fund tax collections. [For more

information, see "Regional Transit Authorities".]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 12. SALES TAX RETAILER'S DISCOUNT

GPR-Tax - \$36,600,000

**Joint Finance/Legislature:** Increase the sales tax retailer's discount rate from 0.5% to 0.75%, and increase the maximum discount a retailer may claim per reporting period from \$1,000 to \$8,000. Specify that these changes would first apply to sales and use taxes payable on the first day of the third month beginning after publication of the bill (October 1, 2023). Estimate a reduction in sales tax collections of \$15,500,000 in 2023-24 and \$21,100,000 in 2024-25.

[Act 19 Sections: 350 and 9337(4)]

#### 13. SALES TAX EXEMPTION FOR WEDC CERTIFIED DATA CENTERS

**Joint Finance:** Create a sales and use tax exemption for certain property and items used at a qualified data center, as certified by WEDC, including the sales price from:

a. the sale of and the storage, use, or other consumption of tangible personal property, regardless of whether the property is affixed to or incorporated into real property, and property, used exclusively for the development, construction, renovation, expansion, replacement, repair, or operation of a qualified data center, including computer server equipment and the chassis for such equipment; networking equipment; switches; racks; fiber-optic cabling, copper cabling, and other cabling, including cabling used to connect one or more qualified data centers; trays; conduits; substations; uninterruptible energy equipment; supplies; fuel piping and storage; duct banks; switches; switches; switchboards; batteries; testing equipment; backup generation equipment; modular data centers and preassembled components; monitoring equipment; and security systems;

b. the sales of and the storage, use, or other consumption of tangible personal property or property used in the development, construction, renovation, expansion, replacement, or repair of a water cooling or conservation system used exclusively to cool or conserve water for one or more qualified data centers, including chillers, mechanical equipment, refrigerant piping, fuel piping and storage, adiabatic and free cooling systems, cooling towers, water softeners, air handling units, indoor direct exchange units, fans, ducting, and filters;

c. the sale of and the storage, use, or other consumption of tangible personal property or property affixed to real property sold to a construction contractor that, in fulfillment of a real property construction activity, transfers the tangible personal property or property to a qualified data center, if such tangible personal property or property affixed to real property becomes a component of the qualified data center; and

d. the sale of electricity used at a qualified data center.

Define "eligible data center costs" to mean expenditures made after the first day of the third

month beginning after publication of the bill for the development, acquisition, construction, renovation, expansion, replacement, or repair and the operation of a qualified data center in this state, including costs of tangible personal property and leased property affixed to real property, land, buildings, site improvements, modular data centers, computer data center equipment acquisition and permitting, lease payments, site characterization and assessment, engineering, and design used at a qualified data center in this state.

Define "qualified data center" to mean one or more buildings or an array of connected buildings owned, leased, or operated by the same business entity (or its affiliate) and for which all of the following apply:

a. the buildings are rehabilitated or constructed to house a group of networked server computers in one physical location or multiple locations in order to centralize the processing, storage, management, retrieval, communication, or dissemination of data and information; and

b. the buildings create a minimum qualified investment in this state of any of the following amounts within five years from the certification date: (i) \$150,000,000 for buildings located in a county having a population greater than 100,000; (ii) \$100,000,000 for buildings located in a county having a population greater than 50,000 and not more than 100,000; (iii) \$50,000,000 for buildings located in a county having a population of not more than 50,000; or (iv) for buildings located in more than one county, the minimum qualified investment provided for the most populous county in which the buildings are located.

Define "qualified investment" to mean the aggregate, non-duplicative eligible data center costs expended at a qualified data center by an owner, operator, or tenant, or an affiliate of an owner, operator, or tenant, of the qualified data center.

Require WEDC to certify a qualified data center for purposes of the sales and use tax exemption. Require the certification to include a description of the geographic location or locations and buildings of the qualified data center and an identification of the business entity. Require WEDC to contract with that business entity and, upon request, to amend the certification and contract to include one or more additional locations and buildings of the qualified data center. If WEDC certifies a qualified data center for purposes of the sales and use tax exemption and the data center fails to satisfy the minimum qualified investment requirements described above, require WEDC to revoke the certification. All amounts of the sales and use tax exemption claimed under that certification as of the date of revocation become due and payable to each taxing authority against whom the exemption was claimed in the amounts so claimed. WEDC may grant an extension of time within which the qualified data center may avoid revocation by satisfying the applicable qualified investment requirement. This provision takes effect on the first day of the third month beginning after publication of the bill (October 1, 2023).

DOR indicates that, based on typical capital expenditures for the construction of a data center (\$215.5 million) and adjusting for items that would otherwise be subject to sales tax, the exemption would decrease sales and use tax collections by \$8,500,000 for the initial construction of facilities, with an annual sales tax reduction of \$735,000 related to ongoing operating expenses of such a facility. Although there are no known facilities in the state meeting the minimum qualified investment amounts specified above, it is assumed that the provision is intended to apply

to the proposed Microsoft facility, which is locating in the electronics and information technology manufacturing (EITM) zone (Foxconn). The estimated amount of foregone sales tax revenue as a result of this provision is unknown. Further, it is unknown whether WEDC would certify any new qualified data centers to be constructed during the 2023-25 biennium.

**Senate/Legislature:** Specify that the sales tax exemption for certain tangible personal property and items that are used exclusively for the development, construction, renovation, expansion, replacement, repair, or operation of a qualified data center certified by WEDC, must be used solely at the qualified data center. Specify that the exemption for electricity used at a qualified data center must be used solely at the qualified data center. Further, require that, in certifying businesses for the data center sales tax exemption, the contract between WEDC and the business entity include recapture provisions if the certification is revoked. Delete the provision requiring that, as of the date of revocation, all amounts of the sales and use tax exemption claimed become due and payable to each taxing authority against whom the exemption was claimed.

[Act 19 Sections: 349, 437, and 9437(3)]

# **Excise Taxes and Other Taxes**

### 1. VAPOR PRODUCTS TAX

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-Tax | \$22,400,000               | - \$22,400,000                    | \$0        |

**Governor:** Convert the vapor products tax from a unit-based tax to a price-based tax. Impose the tax at the rate of 71% of the manufacturer's established list price to distributors in this state and expand the definition of vapor products subject to tax. Specify that the tax would be imposed without diminution by volume or other discounts on domestic products. Clarify that, for vapor products imported from another country, the rate of tax is 71% of the amount obtained by adding the manufacturer's list price to the federal tax, duties, and transportation costs to the United States.

Under current law, vapor products are taxed at a rate of  $5\phi$  per milliliter of the liquid. A taxable vapor product is defined as a noncombustible product that produces vapor or aerosol for inhalation from the application of a heating element to a liquid or other substance that is depleted as the product is used, regardless of whether the liquid or other substance contains nicotine. Under this definition, the tax on vapor products applies to a liquid or other substance that functions as part of a vapor product or is sold with a vapor product as one packaged item. Liquids sold separately from a heating element are not subject to the tax.

The bill would modify the definition of a vapor product to mean a noncombustible product

that employs a heating element, power source, electronic circuit, or other electronic, chemical, or mechanical means that can be used to produce vapor from a solution or other substance, regardless of the product's shape or size or whether the product contains nicotine. A vapor product would include an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, or similar product or device, and would include any cartridge or other container of a solution or other substance that is intended to be used with such a device, regardless of whether the solution or other substance contains nicotine. Therefore, in contrast to current law, the tax on vapor products would apply both to the vapor product device and to the liquid, whether sold separately or together.

A vapor product would not include certain products regulated as a drug or device under federal law, of which it has been determined that the health benefits outweigh the known risks. DOR indicates the intent of this provision is to exempt products approved for smoking cessation by the federal Food and Drug Administration from the definition of taxable vapor products.

The provision would take effect on the first day of the third month beginning after publication of the bill. The Administration estimates that this provision would increase state tax revenues by \$9,200,000 in 2023-24 and \$13,200,000 in 2024-25 and annually thereafter. The Administration did not estimate any change to cigarette and tobacco tribal refunds as a result of this provision (at present, the state has not entered into any agreements to refund vapor products taxes to tribes).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. IMPOSE CIGARETTE TAX ON LITTLE CIGARS

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR-T | ax \$5,500,000             | - \$5,500,000                     | \$0        |

**Governor:** Change the tobacco products tax imposed on little cigars to be set at the same rate as the excise tax rate currently imposed on cigarettes as follows. Current law makes no distinction between little cigars and other cigars for purposes of the tobacco products tax. The bill would specifically define cigars and little cigars. A little cigar would mean a cigar that has an integrated cellulose acetate filter and is wrapped in a substance containing tobacco. A cigar would mean a roll, of any size or shape, of tobacco for smoking that is made wholly or in part of tobacco, regardless of whether the tobacco is pure, flavored, adulterated, or mixed with an ingredient if the roll has a wrapper made wholly or in part of tobacco. Little cigars would be enumerated in the definition of tobacco products.

Under current law, an excise tax is imposed on the sale, use, storage, offering, possession with intent to sell or remove for consumption, or other disposition of tobacco products, including cigars and little cigars, at the rate of 71% of the manufacturer's established list price to distributors, not to exceed 50¢ per cigar or little cigar. While the tax on cigars would remain taxed at the same rate imposed under current law, the bill would impose a tax on little cigars at a rate of 126 mills

per little cigar (\$1.26 per 10), regardless of weight. [A mill equals one-tenth of one cent. Therefore, a rate of 126 mills per little cigar = \$2.52 per pack of 20.] For little cigars, the tax rate would be the same as that levied on cigarettes weighing not more than three pounds per thousand under current law. In addition, the cigar tax limit under current law of 50¢ per cigar or little cigar would no longer apply to the taxation of little cigars under the bill.

The following administrative and enforcement provisions under current law governing the taxation of cigarettes would also apply to the administration and enforcement of the tax on little cigars: (a) the imposition of an inventory tax on little cigars held in inventory for sale or resale; (b) the affixing of stamps to each package of little cigars prior to their first sale in Wisconsin to denote tax paid; (c) discounts for purchasers of tax stamps at 0.8% of the tax paid; (d) penalties, including imprisonment, for possessing little cigars for which no tax has been paid; (e) the placement of a security bond with DOR, in the amount determined by the Department, if taxes are not paid; (f) the requirement that manufacturers, distributors, and sellers of little cigars obtain a seller's permit; (g) prohibiting the transfer of stamps to another person; (h) refunds for unusable stamps; (i) the option for distributors to claim a bad debt deduction for little cigar taxes written off as uncollectible; (j) the treatment of a little cigar permittee as a preferred creditor of any tax amounts owed by a purchaser of little cigars; (k) record-keeping requirements at each level of the little cigar distribution chain; (1) the treatment as theft: any little cigar tax monies fraudulently withheld, appropriated, or otherwise used; (m) the prohibition of house to house sales of little cigars; (n) the treatment of any sale of little cigars without a permit as a public nuisance; and (o) the restriction of municipalities from adopting any little cigar regulations that are not in strict conformity with state law. The inventory tax in "a" would be calculated by multiplying the number of little cigars and the number of un-affixed stamps held in inventory by the difference between the prior tax rate and the new tax rate.

The provision would take effect on the first day of the third month beginning after publication of the bill. The Administration estimates that imposing the cigarette tax on little cigars would increase state tax revenues by \$2,300,000 in 2023-24 and \$3,200,000 in 2024-25 and annually thereafter. As noted, an inventory tax on little cigars would be imposed under the Governor's recommendation. However, the Administration did not include any revenues associated with the imposition of the inventory tax. The Administration estimated a minimal change in tribal refunds as a result of this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 3. DEFINE MANUFACTURER'S LIST PRICE

**Governor:** Define manufacturer's list price as the total price of tobacco products charged by the manufacturer or other seller to an unrelated distributor. The total price would include all charges by the manufacturer or other seller that are necessary to complete the sale, and could not be reduced by any cost or expense incurred by the manufacturer or other seller, such as fees, delivery, freight, transportation, packaging, handling, marketing, federal excise taxes, and import fees or duties, regardless of whether such cost or expense is separately stated on an invoice. The total price also could not be reduced by the value or cost of discounts or free promotional or sample products. A manufacturer or other seller would be considered related to a distributor if the two parties have significant common purposes and have either substantial common membership or, directly or indirectly, have substantial common direction or control. [A technical amendment is needed to accomplish the Governor's intent that this definition also apply to vapor products.]

Current law does not specifically define manufacturer's list price for purposes of the tobacco products tax. The Administration indicates an explicit statutory definition is needed to clarify in state law the calculation of the excise taxes on these products. This provision is intended to take effect on the first day of the third month beginning after publication of the bill. [The Administration indicates that a technical amendment is needed to specify the delayed effective date of this provision.]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. REAL ESTATE TRANSFER FEE EXEMPTION FOR RELATED ENTITIES

**Governor:** Expand the current law exemption from the real estate transfer fee for certain conveyances between family-owned business entities and their respective owners to include conveyances between: (a) uncles and their nieces and nephews; (b) aunts and their nieces and nephews; and (c) first cousins.

Under current law, the real estate transfer fee is imposed on the seller of real estate at a rate of \$3.00 per \$1,000 of value. The county where the property is located retains 20% of revenues from the fee and remits the remaining 80% to the state. Certain exemptions from the fee are provided, including exemptions for conveyances between certain family-owned corporations, partnerships, or LLCs and their respective shareholders, partners, or members, if the transfers are for: (a) no consideration except the assumption of debt or stock of the corporation if the corporation owned the property for at least three years; or (b) the assumption of debt or an interest in the partnership or LLC. Such conveyances are exempt under current law if the shareholders, partners, or members are related to each other as spouses, lineal ascendants, lineal descendants, or siblings, whether by blood or by adoption, or as spouses of siblings. Under the bill, such transfers would also be exempt from the real estate transfer fee if made between: (1) uncles and their nieces and nephews; (2) aunts and their nieces and nephews; and (3) first cousins.

The provision would first apply to real estate transfer fee returns filed on the effective date of the bill. The Administration estimates the provision would reduce general fund tax collections by an indeterminate amount.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 5. NOTICE OF UTILITY TAXES BY CERTIFIED MAIL

Governor: Eliminate the requirement that ad valorem public utility tax notices be sent by

certified mail. Under current law, DOR must annually assess the value of property of all ad valorem public utility companies, including railroads, air carriers, pipeline companies, telephone companies, and conservation and regulation companies, for purposes of levying and collecting public utility taxes. The Department is required to provide, via certified mail, the following information: (a) a notice to each company assessed of the amount of its assessment or adjustment; (b) a notice of a scheduled hearing or presentation requested by the company; (c) any order from DOR after the requested hearing; and (d) the notice of tax due, including any reassessment of tax due. The bill would remove reference to a specific mode of communication, allowing DOR to choose how notices are provided to assessed companies. The Administration indicates that delivery by certified mail is no longer necessary, as quick and secure electronic communications are now available.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. CIGARETTE TAX STAMP DISCOUNT RATE

GPR-Tax - \$3,200,000

**Joint Finance/Legislature:** Increase the discount rate that cigarette manufacturers and distributors receive on total cigarette tax stamp purchases as compensation for their administrative costs from 0.8% to 1.25%. Specify that this increase would first apply to cigarette tax stamps purchased on the first day of the third month beginning after publication of the bill (October 1, 2023). Estimate a decrease in cigarette tax revenues of \$1,400,000 in 2023-24 and \$1,800,000 in 2024-25.

[Act 19 Sections: 409 and 9337(5)]

# **General Fund Tax Transfers**

# 1. **GENERAL FUND TAX TRANSFERS TO THE TRANSPORTATION FUND** [LFB Paper 761]

**Governor:** Under current law, 0.25% of estimated general fund taxes that are designated as "Taxes" in the general fund summary published in the biennial budget act are transferred to the transportation fund. This provision would be retained, and the associated transfer would be \$54,326,400 in 2023-24 and \$56,363,000 in 2024-25 under the Governor's budget.

Additional tax transfers proposed under the bill are discussed in the following entries. The table below shows total general fund tax transfers to the transportation fund under the bill.

# General Fund Tax Transfers to the Transportation Fund Under Governor's Recommendations

|                                      | <u>2023-24</u> | 2024-25       |
|--------------------------------------|----------------|---------------|
| Current Law 0.25% Transfer           | \$54,326,400   | \$56,363,000  |
| Automotive Parts Sales Tax Transfer  | 43,625,700     | 52,895,500    |
| Electric Vehicle Sales Tax Transfer  | 39,300,000     | 55,100,000    |
| Total General Fund Tax Transfers     | \$137,252,100  | \$164,358,500 |
| Transfers as % of General Fund Taxes | 0.63%          | 0.73%         |

**Joint Finance/Legislature:** Retain the current law transfer of 0.25% of estimated general fund taxes from the general fund to the transportation fund. Estimate the associated transfer at \$48,112,000 in 2023-24 and \$51,700,000 in 2024-25. The table below shows total general fund tax transfers to the transportation fund under Act 19.

#### **General Fund Tax Transfers to the Transportation Fund Under Act 19**

|                                      | 2023-24      | 2024-25       |
|--------------------------------------|--------------|---------------|
| Current Law 0.25% Transfer           | \$48,112,000 | \$51,700,000  |
| Electric Vehicle Sales Tax Transfer  | 39,300,000   | 55,100,000    |
| Total General Fund Tax Transfers     | \$87,412,000 | \$106,800,000 |
| Transfers as % of General Fund Taxes | 0.41%        | 0.49%         |

#### 2. TRANSFER OF SALES TAX GENERATED BY AUTOMOTIVE PART SALES [LFB Paper 761]

**Governor:** Require the Secretary of the Department of Administration (DOA) to transfer, annually, from the general fund to the transportation fund, an amount approximating the difference between the sales tax generated from the sale of automotive parts, accessories, tires, and repair and maintenance services in 2020-21 and the amount of sales tax generated from such sales in the fiscal year of the transfer. [A technical amendment would be needed to clarify the Administration's intent that 2019-20 (rather than 2020-21) would be the base year for this calculation.] Specify that this amount would be calculated by DOA and the first transfer would occur on June 30, 2024. The Administration estimates transfers of \$43,625,700 in 2023-24 and \$52,895,500 in 2024-25. [For additional information, see "Transportation -- Transportation Finance."]

Joint Finance/Legislature: Provision not included.

#### **3. TRANSFER OF SALES TAX GENERATED BY ELECTRIC VEHICLE SALES** [LFB Paper 761]

**Governor:** Require the DOA Secretary to transfer, annually, from the general fund to the transportation fund, an amount approximating the sales tax generated by the sale of electric vehicles in this state. Specify that this amount would be calculated by DOA and the first transfer

would occur on June 30, 2024. Further specify that, beginning in 2025-26, the amount transferred could not exceed 120% of the previous year's transfer, or \$75,000,000, whichever is less. The Administration estimates transfers of \$39,300,000 in 2023-24 and \$55,100,000 in 2024-25. [For additional information, see "Transportation -- Transportation Finance."]

**Joint Finance/Legislature:** Modify the Governor's provision to eliminate the DOA estimating methodology. Instead specify that the amounts transferred each year would equal the amount shown for the transfer in the general fund summary schedule of the biennial budget act. The amount of the transfer from the general fund to the transportation fund would be the same as the amount recommended by the Governor.

[Act 19 Section: 38]

# 4. SALES TAX TRANSFER TO THE LOCAL GOVERNMENT FUND

**Joint Finance/Legislature:** Direct the DOA Secretary to transfer from the general fund to the newly-created local government fund, an amount equal to 20% of sales and use taxes imposed in 2024-25. Sales and use taxes under the Joint Finance budget are estimated at \$7,816,900,000 in 2024-25, and the corresponding transfer to the local government fund is estimated at \$1,563,380,000. [For additional information, see "Shared Revenue and Tax Relief -- Direct Aid Payments."]

[Act 19 Section: 201]

# **Refundable Tax Credits and Other Payments**

[Fiscal effects of items in this section are also displayed under "Shared Revenue and Tax Relief" or "Miscellaneous Appropriations."]

#### 1. EARNED INCOME CREDIT REESTIMATE [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| GPR   | \$3,312,000                | \$88,000                          | \$3,400,000   |
| PR    | - 6,473,000                | 0                                 | - 6,473,000   |
| Total | - \$3,161,000              | \$88,000                          | - \$3,073,000 |

**Governor:** Increase estimated GPR expenditures for the state earned income tax credit (EITC) by \$954,000 in 2023-24 and \$2,358,000 in 2024-25. Decrease PR expenditures for the EITC by \$4,875,000 in 2023-24 and \$1,598,000 in 2024-25. Base GPR funding for the EITC is currently estimated at \$25,500,000, and estimated base PR funding is \$66,600,000. Total GPR

funding for the EITC is estimated at \$26,454,000 in 2023-24 and \$27,858,000 in 2024-25. Total PR funding for the EITC is estimated at \$61,725,000 in 2023-24 and \$65,002,000 in 2024-25.

Under current law, the state EITC is paid from two sources: (a) a sum sufficient GPR appropriation; and (b) federal funding from the Temporary Assistance to Needy Families (TANF) program. TANF funding may be used under current law to finance the refundable portion of the state EITC, while GPR is used to finance the nonrefundable portion.

**Joint Finance/Legislature:** Increase estimated GPR expenditures for EITC claims by \$46,000 in 2023-24 and \$42,000 in 2024-25. Total GPR funding for the EITC is estimated at \$26,500,000 in 2023-24 and \$27,900,000 in 2024-25.

# 2. EXPAND EARNED INCOME CREDIT

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$37,420,000               | - \$37,420,000                    | \$0        |
| PR    | 87,080,000                 | - 87,080,000                      | _0         |
| Total | \$124,500,000              | - \$124,500,000                   | \$0        |

**Governor:** Expand the state EITC for eligible claimants with one qualifying child and with two qualifying children. Specify that the percentage of the federal EITC that may be claimed as a state credit would be increased to 16% for claimants with one qualifying child and to 25% for claimants with two qualifying children, beginning in tax year 2023. Increase estimated state GPR expenditures by \$18,280,000 in 2023-24 and \$19,140,000 in 2024-25. Increase PR expenditures from the TANF program by \$42,420,000 in 2023-24 and \$44,660,000 in 2024-25.

Under current law, the state EITC is provided as a percentage of the federal EITC that varies based on the claimant's number of qualifying children. The credit percentages are 4% for one qualifying child, 11% for two qualifying children, and 34% for three or more qualifying children. The state EITC is not available to taxpayers without qualifying children.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. HOMESTEAD CREDIT REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-----|----------------------------|-----------------------------------|----------------|
| GPR | - \$7,900,000              | - \$6,800,000                     | - \$14,700,000 |

**Governor:** Decrease estimated expenditures under the homestead tax credit program by \$2,300,000 in 2023-24 and \$5,600,000 in 2024-25. Compared to base funding of \$47,300,000, estimated expenditures would be \$45,000,000 in 2023-24 and \$41,700,000 in 2024-25.

Under current law, the homestead credit is provided as a property tax relief mechanism for lower-income homeowners and renters. The credit is refundable, such that if the amount of the credit exceeds a claimant's tax liability, a check is issued to the claimant for the difference.

**Joint Finance/Legislature:** Decrease estimated expenditures under the homestead tax credit program by \$2,800,000 in 2023-24 and \$4,000,000 in 2024-25. Total GPR funding for the homestead credit is estimated at \$42,200,000 in 2023-24 and \$37,700,000 in 2024-25.

# 4. HOMESTEAD CREDIT EXPANSION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$99,400,000               | - \$99,400,000                    | \$0        |

Governor: Increase the income threshold above which no credit is allowed (maximum income level) to \$35,000, and reduce the rate at which the credit phases out (phase-out rate) to 5.614%, beginning in tax year 2023. Direct that the following formula factors of the credit would be indexed for inflation annually, beginning in tax year 2024: (a) the income threshold for the maximum credit; (b) the maximum income level to receive the credit; and (c) the maximum allowable property taxes or rent constituting property taxes. Calculate the indexing adjustment in each year as an increase based on the percentage change in the consumer price index (CPI). Calculate the percentage as the change in the 12-month average of the index for the period ending in July of the previous year, relative to the claim, and beginning with the previous August, and the 12-month average of the index for the period August, 2021, through July, 2022. Prohibit the adjustment from occurring unless the percentage is a positive amount. Define the CPI as the U.S. consumer price index for all urban consumers, U.S. city average, as determined by the U.S. Department of Labor. Statutory modifications would be made to clarify the current law provisions under which a claimant cannot claim the credit if the claimant does not have earned income during the calendar year, unless the claimant or the claimant's spouse is disabled or is over the age of 61. This provision would increase estimated state GPR expenditures by \$43,200,000 in 2023-24 and \$56,200,000 in 2024-25.

Under current law, the maximum income level is \$24,680, and the phase-out rate is 8.785%. The other formula factors of the credit under current law are as follows: (a) the maximum allowable property taxes or rent constituting property taxes is \$1,460; (b) the income threshold for the maximum credit is \$8,060; and (c) the percentage of property taxes reimbursed is 80%. These factors produce a maximum credit of \$1,168. The formula factors were last modified in tax year 2010.

According to the Administration, the intent of this provision is to index for inflation beginning in tax year 2023: (a) the maximum allowable property taxes or rent constituting property taxes; and (b) the income threshold for the maximum credit. Annually thereafter, these parameters, as well as the proposed maximum income level of \$35,000 for tax year 2023, would be indexed for inflation. The bill would need to be amended to accomplish the Administration's intent.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. **REFUNDABLE RESEARCH CREDIT REESTIMATE** [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | - \$15,000,000             | \$15,800,000                      | \$800,000  |

**Governor:** Decrease funding for refundable research tax credit claims by \$7,500,000 annually. With the adjustments, estimated total funding would decrease from \$21,000,000 to \$13,500,000 annually. For comparison, DOR reports that credit usage for fiscal year 2022-23 through January, 2023, is \$13.8 million.

The state provides research credits to businesses equal to a percentage of the increase in a business's qualified research expenses, as defined under the IRC, for research conducted in Wisconsin. For taxable years beginning on or after January 1, 2020, up to 15% of the amount of new credits computed may be claimed as a refundable credit. The remaining portion of the credit is nonrefundable. The amounts shown above reflect only the estimated cost of the refundable portion of research credit claims.

**Joint Finance/Legislature:** Reestimate total credit claims at \$21,300,000 in 2023-24 and \$21,500,000 in 2024-25. Compared to the Governor's recommendation, increase funding under the sum sufficient GPR appropriation for research credit claims by \$7,800,000 in 2023-24 and \$8,000,000 in 2024-25.

# 6. INCREASE REFUNDABLE PORTION OF RESEARCH CREDIT [LFB Paper 395]

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|--------|----------------------------|-----------------------------------|-------------|
| GPR    | \$64,400,000               | - \$60,900,000                    | \$3,500,000 |
| GPR-Ta | x - \$16,100,000           | \$16,100,000                      | \$0         |

**Governor:** Modify the partially refundable research tax credit (including the engine and energy efficiency credits), as computed under current law, to increase the refundable portion from up to 15% of the credit amount to up to 50% of the credit amount. Specify that this provision would first apply to new research credit claims for taxable years beginning after December 31, 2023. Estimate decreased income and franchise tax revenues of \$16,100,000 in 2023-24 and increased expenditures for refundable research credit claims of \$64,400,000 GPR annually, beginning in 2024-25.

**Joint Finance/Legislature:** Increase the refundable portion from 15% of the credit amount to 25% of the credit amount, rather than 50% of the credit amount, for taxable years beginning after December 31, 2023. Increase estimated expenditures for refundable research credit claims by

\$3,500,000 GPR in 2024-25 and \$13,800,000 GPR in 2025-26. Relative to the Governor's provision, increase estimated income and franchise tax revenues by \$16,100,000 in 2023-24 and decrease estimated credit claims by \$60,900,000 GPR in 2024-25.

[Act 19 Sections: 338 thru 340 and 342 thru 345]

# 7. ENTERPRISE ZONE CREDIT REESTIMATE [LFB Papers 106 and 396]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-----|----------------------------|-----------------------------------|----------------|
| GPR | - \$65,360,000             | \$485,000                         | - \$64,875,000 |

**Governor:** Decrease funding by \$23,398,000 in 2023-24 and \$41,962,000 in 2024-25 for the sum sufficient appropriation for refundable enterprise zone tax credits to reestimate anticipated claims during the 2023-25 biennium. The reestimate reflects projections of credit claims for major economic development projects for which WEDC has, to date, contracted and amended tax credit awards. With the adjustments, estimated total funding would decrease from base funding of \$77,500,000 to \$54,102,000 in 2023-24 and \$35,538,000 in 2024-25. Businesses that operate in enterprise zones established by WEDC can claim tax credits for jobs created and retained, training costs, capital expenditures, and purchases from Wisconsin vendors.

**Joint Finance/Legislature:** Reestimate anticipated credit claims during the 2023-25 biennium to be \$54,100,000 in 2023-24 and \$36,025,000 in 2024-25. Compared to the Governor's recommendations, decrease funding under the sum sufficient GPR appropriation for the enterprise zone program by \$2,000 in 2023-24 and increase funding by \$487,000 in 2024-25.

# 8. ENTERPRISE ZONE LIMIT

**Governor:** Modify the procedure used for designating zones under the enterprise zone tax credit program to generally conform with the law previous to 2017 Act 369, as described below.

Under current law, WEDC may designate an unlimited number of enterprise zones, with each designation subject to approval by the Joint Committee on Finance under a 14-day passive review process. WEDC must notify the Committee in writing of its intent to designate a new enterprise zone, including a description of the new zone and the purpose for which WEDC proposes to designate the new zone. Further, the Committee must approve a zone before WEDC may designate a new enterprise zone, but WEDC may designate an unlimited number of zones, so long as each zone is so approved by the Committee.

The bill would repeal these provisions. Instead, the bill would allow WEDC to designate new zones under the enterprise zone tax credit program without the approval of the Committee, but would specify that no more than 30 zones may be designated in total (the same limit in effect prior to Act 369). The bill would restore the pre-Act 369 provision that, if WEDC revokes all certifications for tax benefits within a previously designated enterprise zone, WEDC may cancel the designation of that enterprise zone. After canceling the designation of an enterprise zone,

WEDC may designate a new enterprise zone subject to the proposed 30-zone limit. As of the day of introduction of the bill, there were 19 zones open under contract, of which 18 were currently active that may still be verified for additional credits. The foregoing provisions would not require WEDC to revoke a certification for tax benefits that is in effect on the effective date of the bill.

The Governor's recommendation does not include any estimated increased (or decreased) expenditures as a result of this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. VETERANS PROPERTY TAX CREDIT REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | - \$500,000                | \$14,800,000                      | \$14,300,000 |

**Governor:** Decrease funding for the veterans and surviving spouses property tax credit by \$1,000,000 in 2023-24 and increase funding by \$500,000 in 2024-25. Compared to base funding of \$50,000,000, total funding for the credit is estimated at \$49,000,000 in 2023-24 and \$50,500,000 in 2024-25.

Under current law, the credit is equal to 100% of real and personal property taxes paid on a principal dwelling by eligible veterans and surviving spouses. The credit is refundable, such that if the amount of the credit exceeds the claimant's tax liability, the balance is paid to the claimant by check via a sum sufficient GPR appropriation. A claimant cannot claim the credit if they also file a claim for the property tax/rent credit (nonrefundable), homestead credit (refundable), or farmland preservation credit (refundable) in the same tax year.

**Joint Finance/Legislature:** Increase funding for the veterans and surviving spouses property tax credit by \$5,600,000 in 2023-24 and \$9,200,000 in 2024-25. Total funding for the credit is estimated at \$54,600,000 in 2023-24 and \$59,700,000 in 2024-25.

# 10. VETERANS PROPERTY TAX CREDIT FOR 70% DISABILITY RATING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$43,200,000               | - \$43,200,000                    | \$0        |

**Governor:** Extend eligibility for the current law veterans and surviving spouses property tax credit to otherwise eligible veterans with a service-connected disability rating of at least 70%, and to the unremarried surviving spouses of such veterans, beginning in tax year 2023. Stipulate that the credit amount for veterans with a service-connected disability rating of less than 100% is calculated by multiplying the disability rating by the amount of property taxes the claimant could

otherwise claim. Under this provision, GPR expenditures for the credit are estimated to increase by \$21,100,000 in 2023-24 and \$22,100,000 in 2024-25 and annually thereafter.

Under current law, the veterans and surviving spouses property tax credit is equal to 100% of real and personal property taxes paid on a principal dwelling by eligible veterans and surviving spouses. An eligible veteran is a person who: (a) served on active duty in the U.S. armed forces; (b) was a resident of Wisconsin at the time of entry into that service or had been a Wisconsin resident for any consecutive five-year period after entry; (c) is a resident of Wisconsin for purposes of receiving veterans benefits; and (d) has a service-connected disability rating of 100% or a 100% disability rating based on individual employability. An eligible unremarried surviving spouse includes persons: (1) who receive federal dependency and indemnity compensation as a result of the deceased spouse's active duty service; (2) whose spouse died while on active duty in the U.S. armed forces, the National Guard, or the U.S. armed forces reserves; or (3) whose deceased spouse had a service-connected disability rating based on individual employability. For a surviving spouse to be eligible for the credit, the deceased veteran must have been a Wisconsin resident at the time of entry into service, or a Wisconsin resident for any consecutive five-year period preceding death and after entry into service.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 11. VETERANS PROPERTY TAX CREDIT FOR RENTERS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,300,000               | - \$10,300,000                    | \$0        |

**Governor:** Expand the veterans and surviving spouses property tax credit by providing the credit to eligible renters, beginning in tax year 2023. An eligible claimant could claim the credit for 100% of their rent constituting property taxes. "Rent constituting property taxes" would have the same definition as under the current law property tax/rent credit (generally 25% of rent if heat is not included in rent, or 20% of rent if heat is included). For married-separate filers, each spouse could claim the rent credit based on 50% of the total rent constituting property taxes paid during the taxable year for the eligible veteran's principal dwelling.

Under current law, a renter may claim the credit if they make property tax payments directly to the municipality (if the landlord does not remit such payments on their behalf). This provision would increase estimated state GPR expenditures by \$5,100,000 in 2023-24 and \$5,200,000 in 2024-25 and annually thereafter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 12. ILLINOIS-WISCONSIN RECIPROCITY REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$42,884,000               | - \$9,484,000                     | \$33,400,000 |

**Governor:** Increase the estimated payment under the Illinois-Wisconsin individual income tax reciprocity agreement by \$21,442,000 in 2023-24 and 2024-25 to reflect anticipated payments to Illinois in the 2023-25 biennium. Compared to base funding of \$118,000,000, total funding is estimated at \$139,442,000 in 2023-24 and 2024-25.

**Joint Finance/Legislature:** Decrease the estimated payment under the Illinois-Wisconsin individual income tax reciprocity agreement by \$8,042,000 in 2023-24 and \$1,442,000 in 2024-25. Total funding is estimated at \$131,400,000 in 2023-24 and \$138,000,000 in 2024-25.

# 13. BUSINESS DEVELOPMENT CREDIT REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | - \$6,464,000              | \$15,264,000                      | \$8,800,000 |

**Governor:** Reduce funding by \$4,796,000 in 2023-24 and \$1,668,000 in 2024-25 for the sum sufficient appropriation for business development tax credits to reestimate anticipated claims during the 2023-25 biennium. The reestimate reflects the Administration's projections of credit claims for economic development projects for which WEDC has entered into contracts, and is expected to enter into future contracts, to award tax credits. With the adjustments, estimated total funding would decrease from base funding of \$11,700,000 to \$6,904,000 in 2023-24 and \$10,032,000 in 2024-25. For comparison, DOR reports that credit usage for fiscal year 2022-23 through January, 2023, is \$11.3 million.

Businesses certified by WEDC can earn credits for a portion of wages paid to employees, training costs for employees, personal property investments, real property investments, and wages paid to employees performing corporate headquarters functions in Wisconsin.

**Joint Finance/Legislature:** Reestimate anticipated credit claims during the 2023-25 biennium to be \$15,700,000 in 2023-24 and \$16,500,000 in 2024-25. Compared to the Governor's recommendations, increase funding under the sum sufficient GPR appropriation for business development tax credit claims by \$8,796,000 in 2023-24 and \$6,468,000 in 2024-25.

# 14. BUSINESS DEVELOPMENT JOB TRAINING CREDIT

**Governor:** Modify the business development job training tax credit as follows. Under current law, a business may be certified to receive tax credits for up to 50% of eligible training costs, as determined by WEDC, to undertake activities to enhance an employee's general

knowledge, employability, and flexibility in the workplace; develop skills unique to the person's workplace or equipment; or develop skills that will increase the quality of the business's product. The bill would delete the eligible activities for what the job training would have to include and replace them with the following activities: (a) upgrading or improving the job-related skills of an eligible employee; (b) training an eligible employee on the use of job-related new technologies; or (c) providing job-related training to an eligible employee whose employment with the person represents the employee's first full-time job.

The Administration indicates that the changes are intended to more closely align the business development tax credit program with the enterprise zone tax credit program. The Administration did not estimate a fiscal effect associated with this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 15. BUSINESS DEVELOPMENT CORPORATE HEADQUARTERS CREDIT

**Governor:** Remove the requirement that, for employee wages eligible to earn the corporate headquarters credit under the business development tax credit, the job duties associated with an eligible employee's position must involve the performance of corporate headquarters functions for taxable years beginning after December 31, 2022.

Under current law, for the corporate headquarters credit, a business can earn an amount, as determined by WEDC, equal to a percentage of the amount of wages that the business paid to an employee in an eligible position in the taxable year. Eligible positions must be created or retained in connection with the business's location or retention of its corporate headquarters in Wisconsin, and the job duties associated with the eligible position must involve the performance of corporate headquarters functions. WEDC's policies and procedures set the percentage to up to 10% of the annual wages of eligible positions created or retained in connection with a corporate headquarters location/retention in Wisconsin, but credits cannot be earned for wages in excess of \$100,000 per year. The bill would expand eligible positions to all employees at the headquarters, regardless of their duties. The Administration did not estimate a fiscal effect associated with this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 16. BUSINESS DEVELOPMENT CREDIT FOR RENEWABLE ENERGY

**Governor:** Create a new tax credit under the refundable business development tax credit program, administered by WEDC, for taxable years beginning after December 31, 2023, equal to up to 25% of the claimant's energy efficiency or renewable energy project expenditures on real or personal property located in Wisconsin. Specify that, when making an award, WEDC would have to ensure that the percentage of expenditures taken into account positively correlates to the scale of the project. According to the Administration, WEDC would award larger credit percentages for larger projects, up to a maximum of 25%. The credit would first apply to awards made on and after

January 1, 2024. The Administration did not estimate a fiscal effect associated with this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 17. WAGE THRESHOLDS FOR ENTERPRISE ZONE AND BUSINESS DEVELOPMENT CREDITS

**Governor:** Modify the wage threshold for the enterprise zone and business development tax credit programs, as described below.

Under current law, WEDC is responsible for awarding tax credits, certifying taxpayers, allocating and verifying tax credits, and performing other general administrative functions related to both the business development and enterprise zone tax credit programs. Typically, WEDC will certify a business as eligible via a contract that specifies a maximum amount of tax benefits that may be earned by the business by successfully completing specified goals.

**Enterprise Zone Credit - Current Law.** The refundable enterprise zone tax credit for job creation can be claimed for up to a percentage of the increase in wages resulting from creating full-time jobs in the zone. Specifically, the credit is an amount equal to a percentage (up to 7%, as determined by WEDC) multiplied by: (a) the number of the claimant's new full-time employees; and (b) the creditable wage amount. New full-time employees are equal to the number of employees in the zone in the taxable year minus the number of employees in the base year (or, if the difference is smaller, the new employees in the state minus base year employees in the state). The creditable wage amount is the average zone payroll minus the average eligible wage amount. The average zone payroll is the total wages of \$100,000, divided by the number of full-time employees employed in the zone in the taxable year. The average eligible wage amount is currently \$22,620 for Tier I and \$30,000 for Tier II counties and municipalities. Counties and municipalities are designated as Tier I or Tier II by WEDC, based on certain economic indicators.

A similar refundable credit for job retention can be claimed for an amount equal to the percentage, up to 7% as determined by WEDC, of the claimant's zone payroll (excluding wage amounts that are over \$100,000) paid in the tax year to full-time employees who were employed in the enterprise zone and whose annual wages were greater than the eligible wage amount (described above).

**Business Development Credit - Current Law.** The refundable business development tax credit can be claimed for eligible expenses for increased employment, retaining employees, employee training, capital investment, and corporate headquarters location or retention in Wisconsin. Certified businesses can earn a refundable job creation or job retention credit for up to 10% of the amount of wages paid to an eligible employee (full-time job) in a tax year. If the employee is employed in a full-time job at the claimant's business in an "economically distressed area," as determined by WEDC, an additional credit may be awarded for up to 5% of such wages. WEDC uses the same definition for an "economically distressed area" as a "Tier I" county or municipality as under the enterprise zone tax credit program. For purposes of the credit, a full-time

job means a regular, non-seasonal full-time position in which an individual, as a condition of employment, is required to work at least 2,080 hours per year, including paid leave and holidays, and for which the individual receives pay equal to at least 150% of the federal minimum wage (\$22,620) and benefits that are not required by state or federal law. Credits cannot be earned for wages over \$100,000 per year.

**Governor's Recommendation.** The bill would modify the enterprise zone and business development tax credit programs for contracts executed after December 31, 2023, as follows.

a. For enterprise zone job creation and job retention credits, the bill would increase the wage thresholds from \$22,620 for Tier I and \$30,000 for Tier II counties and municipalities to \$32,000 and \$42,390, respectively. Similarly, a "full-time employee" would be defined as an individual employed in a regular, nonseasonal full-time position for which the individual receives annual pay that is more than \$32,000 in a Tier I county or municipality or more than \$42,390 in a Tier II county or municipality and receives benefits that are not required by federal or state law.

b. For the business development job creation and job retention credits, for contracts entered into after December 31, 2023, a "full-time job" would be defined to remove the 2,080 hour requirement and, instead, would mean a regular, nonseasonal full-time position for which an individual receives pay that is equal to at least \$32,000 and receives benefits that are not required by federal or state law. A "full-time job" would not include initial training before an employment position begins.

c. The bill would increase the maximum wage threshold such that zone payroll under the job creation and job retention credits for the enterprise zone tax credit programs would include wages paid to any full-time employee up to \$141,300 (rather than \$100,000) as creditable wages. For the business development job creation and job retention tax credits, the maximum wages taken into account would be limited by statute to \$141,300 per eligible employee per year.

d. For both tax credits, beginning on January 1, 2025, the wage thresholds and limits described above would be adjusted for inflation each year based on the change for the month of August in the prior year compared to the month of August in the year preceding the prior year of the U.S. CPI for all urban consumers, U.S. city average, as determined by the U.S. Department of Labor. Further, the bill would specify that each amount so adjusted must be rounded to the nearest multiple of \$10 if the revised amount is not a multiple of \$10, or, if the revised amount is a multiple of \$5, increased to the next higher multiple of \$10. [A technical modification would be needed to accomplish the Governor's intent to adjust the threshold described under "b" for inflation.]

The Administration did not estimate a fiscal effect associated with the changes to the enterprise zone and business development tax credit programs described above.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **18. JOBS CREDIT REESTIMATE** [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|-----|----------------------------|-----------------------------------|-------------|--|
| GPR | - \$1,290,000              | \$890,000                         | - \$400,000 |  |

**Governor:** Reduce funding by \$582,000 in 2023-24 and \$708,000 in 2024-25 for the sum sufficient appropriation for jobs tax credits to reestimate claims during the 2023-25 biennium. The reestimate reflects projections for credit claims for economic development projects for which WEDC has awarded tax credits. With the adjustments, estimated total funding would decrease from base funding of \$1,000,000 to \$418,000 in 2023-24 and \$292,000 in 2024-25.

Pursuant to 2015 Act 55, the refundable jobs tax credit was consolidated with the nonrefundable economic development tax credit into the refundable business development tax credit beginning in 2016. The jobs tax credit was sunset after 2015. However, if WEDC allocated tax benefits in a contract to claimants prior to December 31, 2015, or if WEDC had entered into a letter of intent to enter into a contract before that date, claimants may compute and claim the credit for as long as the contract specifies. WEDC has entered into contracts through tax year 2023 for businesses to earn, compute, and claim the credit.

**Joint Finance/Legislature:** Reestimate credit claims during the 2023-25 biennium to be \$1,000,000 in 2023-24 and \$600,000 in 2024-25. Compared to the Governor's recommendation, increase funding under the sum sufficient GPR appropriation for jobs tax credit claims by \$582,000 in 2023-24 and \$308,000 in 2024-25.

# 19. OIL PIPELINE TERMINAL TAX DISTRIBUTION REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|-----|----------------------------|-----------------------------------|-------------|--|
| GPR | \$5,920,200                | - \$1,720,200                     | \$4,200,000 |  |

**Governor:** Increase estimated payments by \$3,054,100 in 2023-24 and \$2,866,100 in 2024-25. With these increases, oil pipeline terminal tax payments would equal \$9,054,100 in 2023-24 and \$8,866,100 in 2024-25, relative to base level funding of \$6,000,000. The oil pipeline terminal tax distribution provides payments to municipalities where oil pipeline terminal facilities are located. At present, the state has two oil pipeline terminal facilities, which are located in the City of Superior and the Village of Kronenwetter. The payment equals a proportionate share of the pipeline company's state tax payment based on the terminal facility's cost as a percentage of the gross book value of the pipeline company in Wisconsin.

**Joint Finance/Legislature:** Reestimate the amount of GPR funding necessary to pay oil pipeline terminal tax payments at \$8,300,000 in 2023-24 and \$7,900,000 in 2024-25. Compared to the Governor's recommendation, the reestimate is lower by \$754,100 in 2023-24 and \$966,100 in 2024-25.

#### CIGARETTE AND TOBACCO PRODUCTS TAX REFUNDS REESTIMATE [LFB 20. Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |  |
|-----|----------------------------|-----------------------------------|---------------|--|
| GPR | - \$2,826,000              | - \$3,074,000                     | - \$5,900,000 |  |

Governor: Decrease funding for cigarette and tobacco products tax refunds by \$1,160,000 in 2023-24 and \$1,666,000 in 2024-25 to reflect lower estimates of the sum sufficient appropriation amounts required to reimburse Native American tribes under present law. With these adjustments, estimated total funding in the cigarette and tobacco products tax refunds appropriation would decrease from base funding of \$29,700,000 to \$28,540,000 in 2023-24 and \$28,034,000 in 2024-25.

Under current law, for sales that occur on reservations or trust lands, the tribes receive a refund of 100% of the excise tax on cigarettes sold to eligible tribal members and 70% of the tax on sales to non-Native Americans under an agreement entered into between DOR and each tribe. For tobacco products or vapor products sold on reservations or trust lands, the tribes receive a refund of 100% of the tax on products sold to eligible tribal members and 50% of the tax on products sold to non-Native Americans under these agreements. Eligible tribal members must reside on the reservation or trust land of the tribe where the sale took place and be an enrolled member of the tribe.

Joint Finance/Legislature: Reestimate the amount of GPR funding necessary to pay for cigarette and tobacco products tax refunds at \$27,100,000 in 2023-24 and \$26,400,000 in 2024-25. Compared to the Governor's recommendation, the reestimate is lower by \$1,440,000 in 2023-24 and \$1,634,000 in 2024-25.

#### 21. **EITM ZONE CREDIT REESTIMATE** [LFB Paper 106] GPR

- \$2,484,400

Governor/Legislature: Reduce funding by \$245,700 in 2023-24 and \$2,238,700 in 2024-25 for the sum sufficient appropriation for refundable EITM zone tax credits (Foxconn). Total funding would decrease from base funding of \$8,570,700 to \$8,325,000 in 2023-24 and \$6,332,000 in 2024-25.

The EITM zone tax credit program provides a refundable payroll tax credit based upon 17% of the EITM zone payroll of full-time employees employed by the claimant. In addition, if WEDC determines that a certified business makes a significant capital expenditure in the EITM zone, it can certify the business to receive additional tax benefits in an amount to be determined by WEDC, but not exceeding 15% of the business's capital expenditures in the EITM zone in the taxable year. The estimate reflects the Administration's review of the jobs, payroll, and capital expenditure targets established under the amended contract dated April 20, 2021, that WEDC entered into with certain Wisconsin corporations that are affiliated with Foxconn.

#### 22. MARIJUANA TAX REFUNDS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,200,000                | - \$2,200,000                     | \$0        |

**Governor:** Allow DOR to enter into an agreement with federally-recognized American Indian tribes in this state: (a) for the administration and enforcement of marijuana excise taxes and regulation; and (b) to provide refunds of the excise taxes imposed on marijuana sold on tribal land by, or to, enrolled members of the tribe residing on the tribal land. Create a new sum sufficient GPR appropriation to pay refunds to eligible tribes for marijuana excise taxes collected, including interest and penalties, and provide \$2,200,000 in 2024-25 as an estimate of the amounts that would be refunded to the tribes.

The legalization of the sale and taxation of marijuana would be authorized under separate provisions of the bill. [For additional information, see "Marijuana-Related Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 23. CLAIM OF RIGHT CREDIT REESTIMATE [LFB Paper 106] GPR - \$56,000

**Governor/Legislature:** Decrease funding for the claim of right (repayment) credit by \$28,000 in 2023-24 and 2024-25. Compared to base funding of \$150,000, total funding for the credit is estimated at \$122,000 in 2023-24 and 2024-25.

#### **Budget Change Items**

# **Medical Assistance -- Eligibility and Benefits**

#### 1. OVERVIEW OF MEDICAL ASSISTANCE FUNDING AND ENROLLMENT

This item presents several summary tables relating to the funding that would be provided for medical assistance (MA) benefits under Act 19.

The MA program is supported by general purpose revenue (GPR), federal Medicaid matching funds (FED), three segregated funds (the MA trust fund, the hospital assessment trust fund, the critical access hospital assessment trust fund), and various program revenue (PR) sources, such as drug manufacturer rebates.

Table 1 shows, by year and fund source, the total amounts budgeted for MA benefits for each year of the 2023-25 biennium under Act 19, compared to the base level funding for the program. The cost-to-continue item reflects current estimates of MA costs in the 2023-25 biennium with no programmatic changes to benefits or eligibility. The other listed items increase or decrease funding for one or more MA funding sources to reflect program changes. Under Act 19, these changes are primarily increases to provider reimbursement rates.

Table 4 shows actual and projected SEG revenues to the MA trust fund (MATF) under Act 19, as well as anticipated MATF expenditures. MATF revenues are used for the nonfederal share of MA benefits, offsetting an equal amount of GPR. In most years, the Department fully spends the SEG appropriation for MA benefits in order to minimize the amount of GPR needed for MA benefits. In 2022-23, however, the Department left an unspent balance of \$303.6 million in the fund, which was related to a federal initiative for the improvement of home and community-based services (HCBS) for eligible elderly and disabled persons. Under the federal program, the state received a 10.0 percentage point increase to its federal Medicaid matching rate for HCBS services during the 12-month period from April 1, 2021 to March 31, 2022. This enhanced matching rate generated state funds savings of \$405.5 million, which, under the federal program, must be spent by March 31, 2025, to enhance the state's HCBS programs. Of this amount, the Department spent \$101.9 million in the 2021-23 biennium, leaving \$303.6 million to be spent in the 2023-25 biennium. This additional HCBS plan spending is carried forward as a balance in the MATF, and is appropriated in 2023-24 as part of the cost-to-continue reestimate.

\* Assessment revenue is first deposited in separate trust funds and a portion is used to make supplemental hospital payments. The amounts shown are the transfers to the MA trust fund after these supplemental payments are made.

\*\* Negative interest earnings reflect negative cash balances that occur at times during the year.

\*\*\* Any amount of county nursing home certified public expenditure revenue collected in excess of budget projections is paid as a supplement to counties in the following year.

Table 5 shows the actual and projected federal medical assistance percentage (FMAP) rates applicable to MA benefit expenditures in each fiscal year from 2022-23 through 2024-25. The enhanced FMAP applicable during the COVID-19 pandemic will phase out by the end of calendar year 2023, but still impacts the weighted average in 2023-24. In addition to the FMAP for regular Medicaid (Title 19 of the federal Social Security Act), the table also shows the higher rate applicable to expenditures for children eligible under the Children's Health Insurance Program (CHIP or Title 21).

#### TABLE 5

#### Federal Medical Assistance Percentage (FMAP) Rates By State Fiscal Year

| State                       | 39.31%                         | 27.52%  |
| Federal                     | 60.69                          | 72.48   |

Table 6 shows the annual income eligibility levels, by household size, at various percentages of the 2023 federal poverty level (FPL). The current BadgerCare Plus income eligibility threshold is 100% for adults and 306% for pregnant women and children, whereas the standard for full Medicaid expansion is 138% (applicable to a proposal under the Governor, but not under Act 19). The other percentages shown, 160%, 200%, and 240%, are used for the different eligibility tiers in the SeniorCare program.

#### TABLE 6

#### Annual Household Income at Various Percentages of the 2023 Federal Poverty Level, By Household Size

|                | Percentage of FPL |             |             |             |             |             |

#### 2. MEDICAL ASSISTANCE COST-TO-CONTINUE ESTIMATE [LFB Paper 405]

|       | Governor        | Jt. Finance/Leg | •               |
|-------|-----------------|-----------------|-----------------|
|       | (Chg. to Base)  | (Chg. to Gov)   | Net Change      |
| GPR   | \$380,867,,800  | -\$26,677,600   | \$354,190,200   |
| FED   | 1,076,652,600   | -131,437,900    | 945,214,700     |
| PR    | -\$13,594,200   | 134,116,500     | 120,522,300     |
| SEG   | 267,573,600     | 9,529,800       | 277,103,400     |
| Total | \$1,711,499,800 | -\$14,469,200   | \$1,697,030,600 |
|       |                 |                 |                 |

**Governor:** Provide \$1,080,023,800 (\$119,124,000 GPR, \$633,051,500 FED, \$46,004,200 PR, and \$281,844,100 SEG) in 2023-24 and \$631,476,000 (\$261,743,800 GPR, \$443,601,100 FED, -\$59,598,400 PR, and -\$14,270,500 SEG) in 2024-25 to fund projected MA benefits under a cost-to-continue scenario (no program changes to benefits or eligibility). The funding adjustments are based on the Administration's projections of caseload changes and changes in the use and cost of providing medical and long-term care services. The cost-to-continue estimate is developed using projections for enrollment and average cost per beneficiary for all service categories, among other factors. The estimates for the 2023-25 biennium build on the Administration's expenditure and enrollment projections for the remainder of 2022-23.

**Joint Finance/Legislature:** Increase funding by 33,462,300 (-5,436,300 GPR, -14,402,600 FED, 36,453,800 PR, and 16,847,400 SEG) in 2023-24 and decrease funding by 47,931,500 (-21,241,300 GPR, -117,035,300 FED, 97,662,700 PR, and -7,317,600 SEG) in 2024-25 to reflect the cost-to-continue reestimate. The following table shows the resulting funding, expressed as a change to the base.

#### **Cost-To-Continue Funding under Act 19**

| Fund  | 2023-24         | 2024-25       | <u>Biennium</u> |
|-------|-----------------|---------------|-----------------|
| GPR   | \$113,687,700   | \$240,502,500 | \$354,190,200   |
| FED   | 618,648,900     | 326,565,800   | 945,214,700     |
| PR    | 82,458,000      | 38,064,300    | 120,522,300     |
| SEG   | 298,691,500     | -21,588,100   | 277,103,400     |
| Total | \$1,113,486,100 | \$583,544,500 | \$1,697,030,600 |

#### 3. FULL MEDICAID EXPANSION

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | - \$1,619,519,900          | \$1,619,519,900                   | \$0        |
| FED   | 2,295,264,400              | - 2,295,264,400                   | 0          |
| Total | \$675,744,500              | - \$675,744,500                   | \$0        |

Governor: Adjust funding for medical assistance benefits and program enrollment services

to reflect the fiscal effect of adopting full Medicaid expansion, effective on July 1, 2023. The following table shows the funding changes by fund source and by funding purpose under the bill.

#### Full Medicaid Expansion Governor's Recommendations

|                      | <u>2023-24</u> | 2024-25        | <b>Biennial</b> Total |
|----------------------|----------------|----------------|-----------------------|

|                      |                |                |                       |
| Total                | \$281,046,300  | \$394,698,200  | \$675,744,500         |

Statutory Changes to Implement Full Medicaid Expansion. Increase the income eligibility threshold under the BadgerCare Plus for parents and caretakers from 100% of the federal poverty level (FPL) to 133% of the FPL. Specify that an adult who is under the age of 65, has a household income that does not exceed 133% of FPL, and who is not otherwise eligible for MA or for the Medicare program is eligible for benefits under BadgerCare Plus (a "childless adult").

Require DHS to comply with all federal requirements to qualify for the highest available enhanced federal medical assistance percentage and to submit any amendment to the state medical assistance plan, request for a waiver of federal Medicaid law, or other approval request required by the federal government to do so. Repeal current law provisions related to childless adult eligibility through federal waiver authority and a requirement that the Department comply with the waiver provisions, to reflect that childless adults would be eligible under standard Medicaid authority. Require DHS to submit any necessary request to the federal Department of Health and Human Services to modify or withdraw from the childless adult demonstration project to reflect the incorporation of childless adults into BadgerCare Plus. Repeal a current law provision that prevents DHS from expanding MA program eligibility to qualify for enhanced federal matching funds under the Affordable Care Act (ACA). Specify that these provisions take effect on July 1, 2023.

*Background.* To meet the standard for full Medicaid expansion under federal law, a state must establish the income eligibility threshold at 138% of the federal poverty level (FPL) for adults between the ages of 19 and 64. [By federal statutes, the full expansion threshold is 133% of the FPL. However, federal income counting rules include a standard 5% disregard to account for various household expenditures, effectively making the threshold equivalent to 138% of the FPL.] Wisconsin does not meet this standard since the state currently has an income eligibility threshold

of 100% of the FPL for parents and childless adults. The bill changes are necessary to implement the full expansion eligibility thresholds.

Under the ACA, states that adopt full Medicaid expansion are eligible to receive a 90% federal matching rate (the medical assistance percentage, or FMAP) for Medicaid benefit costs associated with adults age 19 to 64 who are considered "newly eligible" for coverage. An eligibility group is determined to be "newly-eligible" if members of the group were not eligible to receive full Medicaid benefits as of December 1, 2009. For Wisconsin, parents would not be considered to be "newly eligible" since the state covered parents up to 200% of the FPL on that date. However, childless adults would meet the "newly-eligible" definition since they were not eligible for full coverage on that date. Furthermore, although the state has provided full benefits coverage to childless adults up to 100% of the FPL since 2014, all childless adults would be eligible for the enhanced FMAP if the state adopts the full Medicaid expansion eligibility standards.

Under a provision of the American Rescue Plan Act of 2021(ARPA), any non-expansion states that adopts full Medicaid expansion becomes eligible for a temporary 5.0 percentage point increase to the state's standard FMAP. This federal incentive matching rate is applicable for the two years following implementation, and applies to most Medicaid expenditures that would otherwise be subject to the standard FMAP.

The state would incur increased costs for the nonfederal share of benefits for the additional parents and childless adults that would be covered with full expansion (those within the 100% of FPL to 138% of FPL range), but the state savings associated with qualifying for the 90% FMAP for childless adults is greater. The reduction in GPR funding under the bill reflects the net change for both of these factors.

The funding adjustments for MA benefits under the bill reflect both the ongoing changes associated with the state qualifying for the 90% FMAP for childless adults (net effect), and the two-year ARPA incentive provision. The following table shows the fiscal changes for each of these components.

|                                 | 2023-24        | 2024-25        | Biennium             |
|---------------------------------|----------------|----------------|----------------------|
| Full Expansion, 90% FMAP Effect |                |                |                      |
| GPR                             | -\$295,976,200 | -\$195,568,500 | -\$491,544,700       |
| FED                             | 575,660,600    | 588,898,000    | 1,164,558,600        |
|                                 |                |                |                      |
| Two-Year ARPA Incentive         |                |                |                      |
| GPR                             | -\$553,488,600 | -\$575,169,300 | -\$1,128,657,900     |
| FED                             | 553,488,600    | 575,169,300    | 1,128,657,900        |
|                                 |                |                |                      |
| Total MA Benefits Change        |                |                |                      |
| GPR                             | -\$849,464,800 | -\$770,737,800 | -\$1,620,202,600     |
| FED                             | 1,129,149,200  | 1,164,067,300  | <u>2,293,216,500</u> |
| All Funds                       | \$279,684,400  | \$393,329,500  | \$673,013,900        |

#### Changes to MA Benefits, by Component

The Administration projects that by adopting the full expansion eligibility limits, the number of parents enrolled would, by the end of 2023-24, increase by 61,000 and the number of childless adults enrolled would increase by 28,600, for a total increase of 89,600. These increases are relative to the Department's baseline enrollment estimates, rather than relative to current enrollment. With the expiration of the continuous enrollment and the resumption of regular eligibility processes, the baseline enrollments for all BadgerCare Plus groups is expected to decrease during the biennium. Consequently, although adopting full Medicaid expansion would result in enrollment increases relative to the baseline estimates, the totals would be below current enrollment levels.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|       | Governor<br>(Chg. To Base) | Jt. Finance/Leg.<br>(Chg. To Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$11,635,300               | - \$11,635,300                    | \$0        |
| Fed   | 22,778,600                 | <u>- 22,778,600</u>               | _0         |
| Total | \$34,413,900               | - \$34,413,900                    | \$0        |

# 4. **POSTPARTUM ELIGIBILITY EXTENSION** [LFB Paper 406]

**Governor:** Provide \$16,949,900 (\$5,674,800 GPR and \$11,275,100 FED) in 2023-24 and \$17,464,000 (\$5,960,500 GPR and \$11,503,500 FED) in 2024-25 to reflect the estimated cost of providing one year post-partum coverage for pregnant women. Specify that, if approved by the federal government, a woman who is determined to be eligible under the BadgerCare Plus program as a pregnant woman remains eligible for benefits until the last day of the month in which the 365<sup>th</sup> day after the last day of the pregnancy falls, instead of the last day of the month in which the 90<sup>th</sup> day after the last day of the pregnancy falls.

Under current law, DHS is required to submit a request for federal approval of a state Medicaid plan amendment or federal waiver to extend postpartum eligibility for pregnant women until the last day of the month in which the 90<sup>th</sup> day following the pregnancy falls. Until such a request is approved, or if such a request is denied, postpartum eligibility lasts until the last day of the month in which the 60<sup>th</sup> day following the pregnancy falls. The Department submitted a federal waiver request in in June of 2022, but the federal Centers for Medicare and Medicaid Services has not yet acted on the request (as of the date of the introduction of the bill). Consequently, the 60-day standard remains in effect. As amended by the bill, DHS would be required to submit a request for approval of the one-year postpartum coverage. Federal law permits states to adopt a one-year postpartum coverage period for pregnant women as an optional eligibility category. Since selecting this option could be implemented with an amendment to the state Medicaid plan, no federal waiver would be required.

The current income eligibility threshold for pregnant women is 306% of the federal poverty level (FPL). Women whose household income is below 100% of the FPL may retain eligibility following pregnancy, as either a parent or, if she is not a parent of a child in the household, as a

childless adult. Women whose household income is above 100% of the FPL are no longer eligible for coverage following the last day of the month in which the 60<sup>th</sup> day after the last day of the pregnancy falls. Therefore, this item would affect the eligibility for women whose household income is between 100% of the FPL and 306% of the FPL, allowing them to retain eligibility for an additional 10 months.

The Administration estimates that, if approved, the monthly average number of pregnant women with coverage under BadgerCare Plus would increase by 6,700 in 2023-24 and by 4,300 in 2024-25, relative to the total enrollment baseline. Under the Administration's cost-to-continue projections (no change to eligibility), the baseline enrollment of pregnant women is expected to be 26,100 in 2023-24 and 19,100 in 2024-25.

The funding increase in the bill reflects a two-year increase in federal matching rates that the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In addition, the number of women affected by the coverage extension would increase since fewer women would otherwise be covered under the full expansion item. The Administration estimates that the funding required for extending postpartum coverage without full Medicaid expansion would be \$20,783,800 (\$7,997,600 GPR and \$12,786,200 FED) in 2023-24 and \$21,414,200 (\$8,379,400 GPR and \$13,034,800 FED) in 2024-25.

Joint Finance/Legislature: Provision not included.

# 5. HOSPITAL ACCESS PAYMENTS -- ACUTE CARE HOSPITALS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$531,012,400              | - \$531,012,400                   | \$0        |

**Governor:** Modify the formula used to determine the amount of hospital supplement payments distributed each year to acute care hospitals to specify that the total shall equal the amount of revenue collected under the hospital assessment divided by 44.21%, instead of, as under current law, the amount of the assessment collected divided by 61.68%. This change would have the effect of increasing the total hospital supplements distributed annually by \$265,558,500, from \$672,028,700 to \$937,587,200.

Provide \$265,506,200 FED annually to reflect an estimate of the increase in federal matching funds that the state would receive for hospital access payments and other hospital supplements under provisions of the bill, due to changes in the effective federal matching rate for supplements that would apply as the result of: (a) adopting full Medicaid expansion; and (b) making hospital access payments for hospital services rendered to childless adults.

Under current law, DHS collects an assessment on hospitals (excluding psychiatric hospitals) based on a percentage of patient revenues. For acute care hospitals, the assessment rate is set each year so that the total amount collected equals \$414,507,300. In 2021-22, for instance,

the assessment percentage was 0.78% of patient revenues.

DHS is required to annually make supplemental hospital payments under MA that, in total, equals the amount of hospital assessment revenue collected, divided by 61.68%, which is \$672,028,700. Of this amount, \$654,228,700 is used for hospital access payments, while the remaining \$17,800,000 is used for other hospital supplemental payments. Hospital access payments are flat rate payments made in addition to the base reimbursement for inpatient and outpatient services. The amount of the payment is determined each year by dividing the total access payment pool by the estimated number of hospital services. However, in order to comply with "budget neutrality" provisions of the federal waiver that governs coverage for childless adults, access payments are not made for hospital services rendered to childless adult enrollees. Consequently, childless adult services are excluded from the rate calculation.

Access payments and other supplements are eligible for federal matching funds, with the nonfederal share being paid with hospital assessment revenue. Under the current law matching rate, for instance, the hospital payments in 2023-24 will be made with \$258.6 million SEG (hospital assessment fund revenue) and \$413.4 million FED.

The change to the hospital supplement formula summarized under this item would increase supplement payments by \$265.6 million annually, a 39.5% increase. This increase in total supplement payments is approximately equal to the estimated amount of additional federal matching funds that the state would receive as the result of adopting full Medicaid expansion. [Due to slight differences between the percentages used to calculate the fiscal effect and the rounded percentage included in the bill's formula, there are slight differences between the increase in total payments, the estimated increase in federal matching funds, and the amount of the FED increase reflected in the bill.]

The reason that the state would receive a higher federal matching rate is related to the coverage of services for childless adults. With expansion, childless adults would be covered under standard federal eligibility rules, rather than under the federal waiver, meaning that federal budget neutrality requirements applicable to the waiver would no longer apply. This would allow the Department to begin making access payments for hospital services rendered to childless adults, which it would do by spreading the hospital access pool across all hospital services, rather than excluding services to childless adults. Since services provided for childless adults (including hospital access payments) would become eligible for a 90% FMAP with full expansion, the weighted average of the federal matching rate for all access payments would increase. Furthermore, the state would also qualify for a two-year federal incentive for adopting full expansion, equal to a 5.0 percentage point increase for most other MA expenses, including all other hospital access payments. Through the combination of these changes, the Administration estimates that the weighted average FMAP for access payments would increase by approximately 11 percentage points during the 2023-25 biennium.

The following table compares the calculation of total hospital supplements, including the applicable federal and state shares, under current law with the formula change under the bill. The table is presented using the Administration's estimates of the weighted average FMAP that would apply with the adoption of full Medicaid expansion. As noted earlier, due to rounding differences,

the resulting changes in the federal share of payments differ slightly from the increases in the total, and also does not exactly match the FED increases in the bill. Consequently, while the intent was to hold SEG amount constant, the amount of SEG required for the payments may change slightly from the current law scenario.

|                          | Cumont        | Law Formula     |               | Formula                     |

|                          | Increase in   | Total Payments  | \$265,558,500 | \$265,558,500               |
| Weighted Avg. FMAP*      |               |                 |               |                             |
| For Access Payments      | 61.52%        | 60.87%          | 72.42%        | 71.95%                      |
| FED Share                | \$413,432,100 | \$409,063,900   | \$679,000,700 | \$674,594,000               |
| SEG Share                | \$258,596,600 | \$262,964,800   | \$258,586,500 | \$262,993,200               |
|                          | Increase in   | n Federal Match | \$265,568,600 | \$265,530,100               |

\* For the full expansion columns, the average FMAP reflects the estimated weighted average when childless adults are included in the access payment pool, and also includes the 5.0 percentage point federal incentive for adopting full Medicaid expansion.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. HOSPITAL ACCESS PAYMENTS -- CRITICAL ACCESS HOSPITALS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$7,033,800                | - \$7,033,800                     | \$0        |

**Governor:** Modify the formula used to determine the amount of access payments distributed each year to critical access hospitals to specify that the total shall equal the amount of revenue collected under the critical access hospital assessment divided by 44.21%, instead of, as under current law, the amount of the assessment collected divided by 61.68%. This change would have the effect of increasing the total amount of critical access hospital access payments by 39.5%. For the 2023-25 biennium, the distribution of critical access hospital access payments would increase by an estimated \$3,607,800 in 2023-24 and by \$3,427,400 in 2024-25. Under the current law formula, the critical access hospital access payment total is estimated at \$9,130,000 in 2023-24 and \$8,673,500 in 2024-25, and the formula change would increase payments to \$12,737,700 in 2023-24 and \$3,427,400 in 2024-25.

Provide \$3,607,100 FED in 2023-24 and \$3,426,700 FED in 2024-25 to reflect an estimate

of the increase in federal matching funds that the state would receive for hospital critical access hospital payments under provisions of the bill, due to changes in the effective federal matching rate for supplements that would apply as the result of: (a) adopting full Medicaid expansion; and (b) making critical access hospital access payments for hospital services rendered to childless adults.

Critical access hospitals are a class of hospital which have 25 or fewer beds, generally in rural areas. Like for acute care hospitals, DHS collects a hospital assessment from critical access hospitals, using the same percentage rate that is used for the acute care hospitals. Since this rate decreases each year, the amount collected also decreases.

As with the acute care hospital access payments, the formula change summarized under this item would increase the total payments. However, with the effect of adopting full Medicaid expansion and making access payments for childless adults the effective federal matching rate for those payments would increase. Thus, the increase in federal matching funds is approximately equal to the increase in the access payment total. The following table compares the current law formula with the formula under the bill. Also as with the acute care hospital supplement calculations, the increase in total payments differs slightly from the increase in federal match due to rounding of percentages used for the calculation.

|                          |               |                | Bill Fe        | ormula          |

|                          | Increase in   | Federal Match  | \$3,607,900    | \$3,427,000     |

\* For the full expansion columns, the average FMAP reflects the estimated weighted average when childless adults are included in the access payment pool, and also includes the 5.0 percentage point federal incentive for adopting full Medicaid expansion.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 7. HOSPITAL REIMBURSEMENT RATE INCREASE [LFB Paper 407]

| ,111,500<br>, <u>037,300</u> | \$3,489,200<br><u>- 3,489,200</u> | \$26,600,700<br><u>41,548,100</u><br>\$68,148,800 |
|------------------------------|-----------------------------------|---|
|                              |                                   | <u>.037,300</u> <u>- 3,489,200</u>                |

**Governor:** Provide \$22,716,300 (\$7,605,400 GPR and \$15,110,900 FED) in 2023-24 and \$45,432,500 (\$15,506,100 GPR and \$29,926,400 FED) in 2024-25 to support reimbursement rate increases for hospital services under MA. Require DHS, if the state has adopted full Medicaid expansion, to increase the reimbursement rates paid for hospital services by \$7,605,400 as the state share of payments, in addition to the applicable federal matching funds, in 2023-24, and by \$15,506,100 as the state share of payments, in addition to the applicable federal matching funds, in 2024-25. Specify that the Department shall limit payment to hospitals to the upper payment limit under the Medicare program if the increase to the reimbursement under this item would otherwise exceed that limit.

The funding that would be provided under this item is based on an estimate, using 2022 cost and payment data, of the increase to base inpatient and outpatient hospital payments that would be needed so that total payments, including hospital supplements, would equal 85% of total hospital costs that can be allocated to MA patients. This calculation is done for all hospitals in aggregate; the actual percentage would vary by hospital. The proposed increase to payments would begin with the calendar year 2024 hospital rates.

The federal matching funds that are associated with the GPR allocations under this item are based on the assumption that the state would adopt full Medicaid expansion, and so would become eligible for a two-year, 5.0 percentage point increase to the state's standard FMAP. To provide the same level of total funding for hospital payments without this incentive would require \$8,741,200 GPR and \$13,975,100 FED in 2023-24 and \$17,777,700 GPR and \$27,654,800 FED in 2024-25.

**Joint Finance/Legislature:** Increase GPR funding by \$1,135,800 in 2023-24 and \$2,353,400 in 2024-25 and decrease FED funding by the same amounts to reflect the standard federal Medicaid matching rate, rather than the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor. Remove the condition specifying that this rate increase would apply only if full Medicaid expansion is adopted.

# 8. PEDIATRIC HOSPITAL SUPPLEMENT

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$5,432,700                | - \$5,432,700                     | \$0        |
| FED   | <u>14,567,300</u>          | <u>- 14,567,300</u>               | _0         |
| Total | \$20,000,000               | - \$20,000,000                    | _\$0       |

Governor: Specify that DHS may, using a method determined by the Department, distribute

\$10,000,000 in each fiscal year to free-standing pediatric teaching hospitals located in Wisconsin for which 45% or more of their total inpatient days are for MA recipients. Currently, Children's Hospital of Wisconsin is the only hospital in the state that would be eligible for this payment.

Provide \$10,000,000 (\$2,693,600 GPR and \$7,306,400 FED) in 2023-24 and \$10,000,000 (\$2,739,100 GPR and \$7,260,900 FED) in 2024-25 for making this payment. The estimated split between GPR and FED funding for these payments is based on the federal matching rate applicable for expenditures under the children's health insurance program (CHIP), which is 73.06% in 2023-24 and 72.61% in 2024-25.

Require DHS to distribute \$2,000,000 from existing appropriations to acute care hospitals located in Wisconsin that have inpatient days in the hospital's acute care and intensive care pediatric units (excluding neonatal intensive care units) that exceed 12,000 days in the second calendar year prior to the hospital's current fiscal year. DHS already makes such payments under terms in the state's Medicaid plan, but the terms are not established in state statute. Since these payments are currently made from the MA program budget, no additional funds are provided by the bill. Currently, UW Hospital and Clinics and Children's Hospital of Wisconsin receive these supplemental payments.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. GRADUATE MEDICAL EDUCATION SUPPLEMENT [LFB Paper 407]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$1,267,700                | - \$540,000                       | \$727,700   |
| FED   | 2,482,300                  | - 1,335,000                       | 1,147,300   |
| Total | \$3,750,000                | - \$1,875,000                     | \$1,875,000 |

**Governor:** Provide \$1,875,000 (\$627,800 GPR and \$1,247,200 FED) in 2023-24 and \$1,875,000 (\$639,900 GPR and \$1,235,100 FED) in 2024-25 to increase grants paid to hospitals to fund the creation of new accredited graduate medical training programs and the addition of positions to existing programs in hospitals serving a rural or underserved community. Increase a statutory limit on the term of grants provided for new training programs for rural hospitals from three years to five years. Under current law, grants to expand existing residency programs are subject to per-hospital and per-position annual limits. Increase the per-hospital limit from \$225,000 GPR (approximately \$575,000 all funds) to \$450,000 GPR (approximately \$1,150,000 all funds). Increase the per-position limit from \$75,000 GPR (approximately \$191,700 all funds) to \$150,000 GPR (approximately \$383,400 all funds).

Under current law, residency positions must be in one of the following disciplines to qualify for grant funding: (a) family medicine; (b) pediatrics; (c) psychiatry; (d) general surgery; and (e) internal medicine. Hospitals in the City of Milwaukee are ineligible for grants to establish new residency programs. The base GPR funding for graduate medical training grants is \$3,313,000, an amount that is generally eligible for federal Medicaid matching funds at the applicable FMAP. The Administration's fiscal estimate for this item (GPR and FED share) is based on the cost of increasing the per-position grant by \$75,000 for 25 positions, for a total of \$1,875,000 annually.

The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, providing the specified increases to graduate medical education grants would require \$721,500 GPR and \$1,153,500 FED in 2023-24 and \$733,700 GPR and \$1,141,300 FED in 2024-25.

**Joint Finance/Legislature:** Reduce funding by \$937,500 (-\$267,000 GPR and -\$670,500 FED) in 2023-24 and \$937,500 (-\$273,000 GPR and -\$664,500 FED) in 2024-25. In addition to providing a smaller increase in overall funding, this modification includes fund source adjustments to reflect the standard federal Medicaid matching rate, rather than the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor.

Delete the modification of per-hospital and per-position limits. The Administration indicated that its intent under the Governor's proposal was to increase administratively-set limits that are currently lower than the limits set in statute, instead of modifying the statutory limits. Retain the time limit extension from three years to five years, as under the Governor's proposal.

[Act 19 Section: 417]

# **10. PRIMARY CARE REIMBURSEMENT RATE INCREASE** [LFB Paper 407]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| GPR   | \$64,150,800               | - \$11,992,700                    | \$52,158,100  |
| FED   | 125,010,300                | - 44,518,100                      | 80,492,200    |
| Total | \$189,161,100              | - \$56,510,800                    | \$132,650,300 |

**Governor:** Provide \$63,053,700 (\$21,110,400 GPR and \$41,943,300 FED) in 2023-24 and \$126,107,400 (\$43,040,400 GPR and \$83,067,000 FED) in 2024-25 to support reimbursement rate increases for primary care medical services under MA. Require DHS, if the state has adopted full Medicaid expansion, to increase the reimbursement rates paid for primary care services by \$21,110,400 as the state share of payments, in addition to the applicable federal matching funds, in 2023-24, and by \$43,040,400 as the state share of payments, in addition to the applicable federal matching funds, in 2023-24. The funding provided under this item is based on an estimate of the amount needed to increase the reimbursement rates for primary care services to 80% of the amount that Medicare pays for primary care services, with an effective date of January 1, 2024.

The federal matching funds that are associated with the GPR allocations under this item are based on the assumption that the state would adopt full Medicaid expansion, and so would become eligible for a two-year, 5.0 percentage point increase to the state's standard FMAP. To provide the same level of total funding for hospital payments without this incentive would require \$24,263,100

GPR and \$38,790,600 FED in 2023-24 and \$49,345,800 GPR and \$76,761,600 FED in 2024-25.

Primary care predominately consists of office visits with family or general practitioners. These visits may be prompted by a specific medical concern, such as an illness or symptom, or be regularly-scheduled preventative check-ups.

**Joint Finance/Legislature:** Reduce funding by \$18,836,900 (-\$3,715,500 GPR and -\$15,121,400 FED) in 2023-24 and \$37,673,900 (-\$8,277,200 GPR and -\$29,396,700 FED) in 2024-25, reflecting an increase of reimbursement rates for primary care to 70% of Medicare rates instead of 80% as well as fund source adjustments to reflect the standard federal Medicaid matching rate, rather than the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor. Remove the condition specifying that this rate increase must be implemented only if full Medicaid expansion is adopted.

# 11. EMERGENCY PHYSICIAN REIMBURSEMENT RATE INCREASE [LFB Paper 407]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change       |
|-------|----------------------------|-----------------------------------|------------------|
| GPR   | \$11,013,500               | - \$5,019,500                     | \$5,994,000      |
| FED   | <u>21,461,900</u>          | <u>- 12,099,900</u>               | <u>9,362,000</u> |
| Total | \$32,475,400               | - \$17,119,400                    | \$15,356,000     |

**Governor:** Provide \$10,825,200 (\$3,624,300 GPR and \$7,200,900 FED) in 2023-24 and \$21,650,200 (\$7,389,200 GPR and \$14,261,000 FED) in 2024-25 to increase the reimbursement rates for emergency physician services. The funding provided under this item is based on an estimate of the amount needed to increase the reimbursement rates for emergency physician services to 50% of the amount that Medicare pays for emergency physician services, with an effective date of January 1, 2024.

The funding split between GPR and FED sources under this item reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, the same reimbursement rate increases would require \$4,165,500 GPR and \$6,659,700 FED in 2023-24 and \$8,471,700 GPR and \$13,178,500 FED in 2024-25.

**Joint Finance/Legislature:** Reduce funding by \$5,706,500 (-\$1,654,600 GPR and -\$4,051,900 FED) in 2023-24 and \$11,412,900 (-\$3,364,900 GPR and -\$8,048,000 FED) in 2024-25, reflecting an increase of reimbursement rates for emergency department physician services to 40% of Medicare rates instead of 50%, as well as fund source adjustments to reflect the standard federal Medicaid matching rate, rather than the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor.

#### 12. OUTPATIENT BEHAVIORAL HEALTH AND DAY TREATMENT REIMBURSE-MENT RATE INCREASES [LFB Paper 407]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$5,765,300                | - \$5,765,300                     | \$0        |
| FED   | <u>11,234,800</u>          | <u>- 11,234,800</u>               |            |
| Total | \$17,000,100               | - \$17,000,100                    | \$0        |

**Governor:** Provide \$5,666,700 (\$1,897,200 GPR and \$3,769,500 FED) in 2023-24 and \$11,333,400 (\$3,868,100 GPR and \$7,465,300 FED) in 2024-25 to support reimbursement rate increases for outpatient mental health and substance abuse services and for child-adolescent day treatment services. The bill does not include statutory or nonstatutory provisions dictating the specific manner in which these rate increases are to be implemented. Instead, the Administration indicates that the intent is that the Department would determine how to utilize the funding provided to increase the reimbursement rates for these services.

The funding split between GPR and FED sources under this item reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, the same level of total funding for reimbursement rate increases would require \$2,180,500 GPR and \$3,486,200 FED in 2023-24 and \$4,434,700 GPR and \$6,898,700 FED in 2024-25.

Joint Finance/Legislature: Provision not included.

# 13. AUTISM SERVICES REIMBURSEMENT RATE INCREASE [LFB Paper 407]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$4,146,100                | - \$4,146,100                     | \$0        |
| FED   | 8,079,500                  | - 8,079,500                       | 0          |
| Total | \$12,225,600               | - \$12,225,600                    | \$0        |

**Governor:** Provide \$4,075,200 (\$1,364,400 GPR and \$2,710,800 FED) in 2023-24 and \$8,150,400 (\$2,781,700 GPR and \$5,368,700 FED) in 2024-25 to support an increase to the reimbursement rate for autism treatment services. The funding provided under this item is based on an estimate of the cost to increase the reimbursement rate by 43%. The funding split between GPR and FED sources under this item reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, the same reimbursement rate increase would require \$1,568,100 GPR and \$2,507,100 FED in 2023-24 and \$3,189,300 GPR and 4,961,100 FED in 2024-25.

Joint Finance/Legislature: Provision not included.

### 14. LEAD INVESTIGATION SERVICES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$624,600                  | - \$624,600                       | \$0        |
| FED   | <u>1,223,200</u>           | <u>- 1,223,200</u>                | _0         |
| Total | \$1,847,800                | - \$1,847,800                     | \$0        |

**Governor:** Provide \$923,900 (\$309,300 GPR and \$614,600 FED in 2023-24 and \$923,900 (\$315,300 GPR and \$608,600 FED) in 2024-25 to reflect an increase in the number of dwelling lead investigations that would be conducted by local public health departments as the result of a proposed change to the blood lead level threshold for children under six years of age that triggers such an investigation, as well as an increase to the reimbursement rate for lead investigations.

A separate item, summarized under Health Services -- Public Health, would require local public health departments to conduct a lead investigation of a child's dwelling whenever a blood lead level test result for a child under six years of age indicates a level of lead in the blood that is 3.5 or more micrograms per 100 milliliters of blood. Under current law, the health department may, but is not required to, conduct such an investigation if the test shows a level of lead that is 5.0 or more micrograms per 100 milliliters of blood. The Administration's fiscal estimate assumes that, with the new threshold and the lead investigation requirement, the volume of lead investigations for children enrolled in MA would increase from approximately 100 annually to 650 annually. In addition, the Administration assumes that the maximum reimbursement for an investigation would be increased from \$800 to \$1,500, to more closely match the public health departments' costs of conducting lead investigations.

The funding split between GPR and FED sources under this item reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, funding the additional cost for lead investigations would require \$355,500 GPR and \$568,400 FED in 2023-24 and \$364,300 GPR and \$559,600 FED in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 15. COMMUNITY SUPPORT PROGRAM [LFB Paper 408]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$40,755,600               | - \$40,755,600                    | \$0        |

**Governor:** Provide \$19,239,100 in 2023-24 and \$21,516,500 in 2024-25 for MA services provided under the community support program (CSP), reflecting a shift from counties to the state for the responsibility of paying the nonfederal share of CSP services. Require DHS to provide reimbursement payments to counties for CSP services for both the federal and nonfederal share of

the payment, instead of, under current law, only the federal share. Delete CSP services from a list of county services for which counties may submit a cost report to DHS for a partial cost reconciliation payment.

The community support program is a county-based psychosocial rehabilitation program under MA, commonly used for persons with schizophrenia, bipolar disorder, schizoaffective disorder, or recurrent major depression. Approximately 4,000 individuals receive CSP services per year. Specific treatment services include individual, family, and group psychotherapy, medications, and crisis intervention. Services are delivered using a treatment team approach, with each individual having a case manager who maintains a clinical treatment relationship with the client on a continuing basis. Currently, the MA reimbursement payment to counties consists of only the federal matching funds, meaning that counties are responsible for the nonfederal share. This item would shift the responsibility for the nonfederal share to the state, paid with GPR budgeted in the MA program. The fiscal effect this item is based on the average nonfederal share of CSP reimbursement payments in 2020-21 and 2021-22, with a growth rate of 5% in 2023-24 and an additional 10% in 2024-25, based on the assumption that CSP services would be more consistently offered across all counties if the state is responsible for the nonfederal share of payments.

Joint Finance/Legislature: Provision not included.

# 16. RESIDENTIAL SUBSTANCE USE DISORDER ROOM AND BOARD FUNDING [LFB Paper 409]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$16,619,000               | - \$16,619,000                    | \$0        |

**Governor:** Provide \$8,309,500 annually in the GPR appropriation for Medical Assistance to support the room and board costs of MA enrollees receiving residential substance use disorder treatment. Specify that room and board costs for residential substance use disorder treatment is a reimbursable service category under MA.

MA provides coverage of residential substance abuse disorder treatment for individuals who need a 24-hour, structured environment that is removed from their normal social routine. While the program reimburses residential treatment providers for services, the costs of room and board are not reimbursable, as federal Medicaid law does not provide coverage of room and board costs in a residential treatment facility. Consequently, room and board costs must be covered through other sources, such as the individual's county social services department. This item would provide funding for a GPR-only reimbursement of room and board costs under MA.

The funding for this item is based on the assumption that current utilization of residential substance use treatment would increase by 10% as the result of providing coverage of room and board costs. However, the Administration also estimates that utilization of inpatient hospital substance use treatment would decrease by 25%, partially offsetting the additional cost. The cost

of room and board is covered under the reimbursement of inpatient hospital services.

Joint Finance/Legislature: Provision not included.

# 17. INTEGRATED STABILIZATION, INTOXICATION MONITORING, AND DETOXIFICATION FACILITY SERVICES

**Governor:** Establish detoxification and stabilization services as a covered service under the Medical Assistance program. Define a *detoxification and stabilization service* as any one of the following (defined terms in italics):

(a) an *adult residential integrated behavioral health stabilization service*, defined as a residential behavioral health treatment service, delivered under the oversight of a medical director, that provides withdrawal management and intoxication monitoring, as well as integrated behavioral health stabilization services, and includes nursing care on site for medical monitoring available on a 24-hour basis. Specify that an adult residential integrated behavioral health stabilization service may include the provision of services including screening, assessment, intake, evaluation and diagnosis, medical care, observation and monitoring, physical examination, determination of medical stability, medication management, nursing services, case management, drug testing, counseling, individual therapy, group therapy, family therapy, psychoeducation, peer support services, recovery coaching, recovery support services, and crisis intervention services, to ameliorate acute behavioral health symptoms and stabilize functioning;

(b) a *residential withdrawal management service*, defined as a residential substance use treatment service that provides withdrawal management and intoxication monitoring, and includes medically managed 24-hour on-site nursing care, under the supervision of a physician. Specify that a residential withdrawal management service may include the provision of services, including screening, assessment, intake, evaluation and diagnosis, medical care, observation and monitoring, physical examination, medication management, nursing services, case management, drug testing, counseling, individual therapy, group therapy, family therapy, psychoeducation, peer support services, recovery coaching, and recovery support services, to ameliorate symptoms of acute intoxication and withdrawal and to stabilize functioning. Specify that a residential withdrawal management service may also include *community-based withdrawal management* and intoxication monitoring services; or

(c) a *residential intoxication monitoring service*, defined as a residential service that provides 24-hour observation to monitor the safe resolution of alcohol or sedative intoxication and to monitor for the development of alcohol withdrawal for intoxicated patients who are not in need of emergency medical or behavioral healthcare. Specify that a residential intoxication monitoring service may include the provision of services including screening, assessment, intake, evaluation and diagnosis, observation and monitoring, case management, drug testing, counseling, individual therapy, group therapy, family therapy, psychoeducation, peer support services, recovery coaching, and recovery support services.

Define *community-based withdrawal management*, as a medically managed withdrawal management service delivered on an outpatient basis by a physician or other service personnel

acting under the supervision of a physician.

Authorize DHS to submit to the federal Department of Health and Human Services any request for a state plan amendment, waiver, or other federal approval necessary to provide reimbursement for detoxification and stabilization services. Specify that if request is approved or if no federal approval is necessary, the Department shall provide the reimbursement under MA for detoxification and stabilization services, but if the request is not approved, the Department may not provide the reimbursement for such services under MA.

Currently under MA, detoxification is a covered service only if provided in a hospital setting. This item would establish eligibility for residential detoxification and stabilization services in one of three residential facility types intended for individuals who are not in need of full hospitalization. The bill would not provide funding in MA for reimbursement of this service. The Administration anticipates that reimbursement for these services would begin once the benefit standards and eligibility criteria are established, which, if this item is approved, would be expected to occur in the 2025-27 biennium. The Department is currently providing some grants for residential detoxification services using supplemental federal substance abuse block grant funds received under ARPA.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$9,179,300                | - \$9,179,300                     | \$0        |
| FED   | 16,320,700                 | - 16,320,700                      | 0          |
| Total | \$25,500,000               | - \$25,500,000                    | \$0        |

#### 18. COMMUNITY HEALTH SERVICES COVERAGE

**Governor:** Provide \$1,000,000 (\$500,000 GPR and \$500,000 FED) in 2023-24 and \$24,500,000 (\$8,679,300 GPR and \$15,820,700 FED) in 2024-25 to fund a new MA benefit, subject to federal approval, for nonmedical services that contribute to determinants of health. Direct the Department to determine which specific nonmedical services that contribute to determinants of health would be included as an MA benefit, and require the Department to seek any necessary plan amendment or request any waiver of federal Medicaid law to implement this benefit. Specify that DHS is not required to provide these services as a benefit if the federal Department of Health and Human Services does not provide federal matching funds for these services.

The Administration indicates that the eligible services under the proposed benefit may include housing referrals, nutritional mentoring, stress management, and other services that would positively impact an individual's economic and social condition. The Administration's funding estimate assumes that approximately 12,500 individuals would be served on a monthly basis, at an average cost of \$300 per person per month, for an annual total of \$45.0 million. Assuming the

benefit would begin in January of 2025, the bill provides \$22,500,000 (\$7,679,300 GPR and \$14,820,700 FED) in fiscal year 2024-25 in the MA benefits appropriations.

The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, providing coverage of community health services would require \$8,804,300 GPR and \$13,695,700 FED.

In addition to MA benefits, this item also includes \$1,000,000 (\$500,000 GPR and \$500,000 FED) in 2023-24 and \$2,000,000 (\$1,000,000 GPR and \$1,000,000 FED) in 2024-25 for costs to implement and administer the benefit.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **19. COMMUNITY HEALTH WORKER SERVICES**

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$6,562,000                | - \$6,562,000                     | \$0        |
| FED   | 12,664,600                 | - 12,664,600                      | 0          |
| Total | \$19,226,600               | - \$19,226,600                    | \$0        |

**Governor:** Provide \$19,226,600 (\$6,562,000 GPR and \$12,664,600 FED) in 2024-25 to fund coverage of community health worker services under MA. Community health workers would act under the supervision of physicians or other licensed medical professionals and provide services within those professionals' existing scopes of practice.

The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, providing coverage of community health worker services would require \$7,523,400 GPR and \$11,703,200 FED in 2024-25.

Community health workers are frontline public health workers who are trusted members or have close understanding of the community they serve, enabling the worker to serve as a liaison, link, or intermediary between health and social services and the community to facilitate access to services and improve the quality and cultural competence of service delivery. Community health worker services build individual and community capacity by increasing health knowledge and selfsufficiency through a range of activities such as outreach, community education, informal counseling, social support, and advocacy.

The Administration's intent would be to submit a state Medicaid plan amendment to allow for the reimbursement of community health worker services that fall under federal authority for coverage of prevention activities. The funding estimate for this item is based on the cost of supporting the compensation and overhead costs of the full time equivalent of 275 community health workers, estimated at \$19.2 million per year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 20. COVERAGE OF CONTINUOUS GLUCOSE MONITORING AND INSULIN PUMP DEVICES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$4,641,700                | - \$4,641,700                     | \$0        |
| FED   | 8,958,300                  | - 8,958,300                       | 0          |
| PR    | 9,600,000                  | - 9,600,000                       | 0          |
| Total | \$23,200,000               | - \$23,200,000                    | \$0        |

**Governor:** Provide \$23,200,000 (\$4,641,700 GPR, \$8,958,300 FED, and \$9,600,000 PR) in 2024-25 to support the cost of providing coverage for continuous glucose monitoring devices and insulin pumps for diabetic care as a pharmacy benefit, rather than, under current MA policy, through the durable medical equipment benefit. The funding increase under this item is based on the assumption that better access to these devices would increase utilization. The PR funding increase reflects an anticipated increase in drug rebate revenue.

A continuous glucose monitor is a device used by people with diabetes to monitor their blood glucose levels on a frequent, regular basis. The device, which is implanted under the skin, includes a transmitter that sends glucose readings to an external monitor (such as a phone) or, alternatively, can be used to automatically trigger an insulin pump when needed.

The funding split between GPR and FED sources under this item reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, the coverage of continuous glucose monitors and insulin pumps would require \$5,321,700 GPR and \$8,278,300 FED in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 21. HEALTH INFORMATION EXCHANGE INCENTIVE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$6,981,400                | - \$6,981,400                     | \$0        |
| FED   | <u>13,706,600</u>          | <u>- 13,706,600</u>               |            |
| Total | \$20,688,000               | - \$20,688,000                    | \$0        |

Governor: Provide \$12,224,000 (\$4,092,600 GPR and \$8,131,400 FED) in 2023-24 and

\$8,464,000 (\$2,888,800 GPR and \$5,575,200 FED) in 2024-25 to support the cost of a health information exchange incentive payment program for certain health care providers. Require DHS to develop a health information exchange incentive payment under MA for nonhospital providers, including physicians, clinics, health departments, home health agencies, and post-acute care facilities. Specify that the payment system shall be based on performance to incentivize participation in health information data sharing to facilitate better patient care, reduced costs, and easier access to patient information. Require the Department to establish performance metrics for the payment system that satisfy all of the following: (a) include participation by providers in a health information level in the health information exchange increases; (b) the payment system begins in the 2024 rate year; and (d), the Department shall seek any available federal moneys for payments under the incentive system.

The Administration indicates that the intent of this item is that the Department would develop an incentive payment program with the funding provided. The funding split between GPR and FED sources under this item reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, the same total amount of funding for incentive payments would require \$4,703,800 GPR and \$7,520,200 FED in 2023-24 and \$3,312,000 GPR and \$5,152,000 FED in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 22. SCHOOL-BASED SERVICES FEDERAL FUNDING

| Governor<br>(Chg. to Base | Jt. Finance/Leg.<br>) (Chg. to Gov) | Net Change |
|---------------------------|-------------------------------------|------------|
| GPR-REV - \$112,428,000   | \$112,428,000                       | \$0        |

**Governor:** Increase the share of federal Medicaid matching funds that DHS is required to provide to school districts, cooperative educational service agencies (CESAs), or the Department of Public Instruction (DPI) from amounts received by the Department from the federal government for school-based medical services provided by those entities under MA, from 60% to 100%. Increase the share of matching funds the state receives for the cost of eligible administrative expenses related to school-based medical services that the Department must provide to these entities, from 90% to 100%. Decrease estimated general fund revenue by \$58,358,200 in 2023-24 and \$54,069,800 in 2024-25, to reflect that the current non-school entity share of the federal matching funds (40% for medical services and 10% for administration) would no longer be deposited in the general fund.

Under current law, the Department claims federal matching funds for eligible medical services provided to MA-eligible pupils by school districts, cooperative educational service agencies, and DPI via the Wisconsin Center for the Blind and Visually Impaired and the Wisconsin Educational Services Program for the Deaf and Hard of Hearing. Current law requires DHS to

provide 60% of the federal reimbursement received for medical services to the school entities that provided the services, while the remaining 40% is deposited into the general fund. Additionally, current law requires DHS to provide 90% of the federal reimbursement received for eligible administrative expenses to the school entities, depositing 10% into the general fund. The bill would increase the funding provided to school entities to 100% of the federal reimbursement that DHS receives, both for medical services and administrative costs, ending the deposits into the general fund. The school entities would continue to be responsible for the non-federal share of the cost of the medical services and of the administrative costs.

The change in revenue estimates reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal match received for school-based services would decrease. In that case, providing 100% of the federal reimbursement to school entities would reduce GPR revenue by \$54,125,900 in 2023-24 and \$50,110,700 in 2024-25.

School-based services must be identified in a student's Individualized Education Program (IEP), and can include nursing, occupational therapy, physical therapy, psychological services, counseling, social work, speech-language pathology, audiology, hearing services, transportation, and developmental testing and assessments.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 23. COVERAGE OF SCHOOLS AS TELEHEALTH ORIGINATING SITES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$3,719,300                | - \$3,719,300                     | \$0        |
| FED   | 7,247,600                  | - 7,247,600                       | 0          |
| Total | \$10,966,900               | - \$10,966,900                    | \$0        |

**Governor:** Provide \$3,644,900 (\$1,220,300 GPR and \$2,424,600 FED) in 2023-24 and \$7,322,000 (\$2,499,000 GPR and \$4,823,000 FED) to fund reimbursement under MA for schools when they act as the originating (or host) site for MA services delivered via telehealth. The funding provided under this item reflects the Administration's intent that this change would take effect on January 1, 2024.

The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, providing coverage of schools as telehealth originating sites would require \$1,402,600 GPR and \$2,242,300 FED in 2023-24 and \$2,865,100 GPR and \$4,456,900 FED in 2024-25.

Currently, schools can collaborate with MA providers to offer MA covered services, such as mental health services, to students in school, including via telehealth. The medical professionals providing the services are reimbursed in the same way they would be for services delivered in a clinic or any other setting, but schools do not receive reimbursement. The funding provided reflects the Administration's intent to reimburse schools that provide MA services via telehealth \$22 per telehealth session. Other facilities currently qualify for similar reimbursement when they host telehealth services, including pharmacies, skilled nursing facilities, hospitals, clinics, and medical practices.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 24. CERTIFIED PEER SPECIALIST SERVICES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$1,268,100                | - \$1,268,100                     | \$0        |
| FED   | 2,447,400                  | - 2,447,400                       | 0          |
| Total | \$3,715,500                | - \$3,715,500                     | \$0        |

**Governor:** Provide \$3,715,500 (\$1,268,100 GPR and \$2,447,400 FED) in 2024-25 for reimbursement of certified peer specialist services under MA.

Include certified peer specialist services as an eligible service category under MA, along with, under current law, peer recovery coach services. Require DHS to establish a certification process under MA for certified peer specialists. Define a "certified peer specialist" as an individual who has experience in the mental health and substance use services system, who is trained to provide support to others, and who has received peer specialist or parent peer specialist certification under the rules established by the Department.

Require DHS to provide reimbursement for peer specialist services under MA if the service satisfies all of the following conditions: (a) the recipient of the service provided by a certified peer specialist is in treatment for or recovery from a mental illness or a substance use disorder; (b) the certified peer specialist provides the service under the supervision of a competent mental health professional; (c) the certified peer specialist provides the service in coordination with the MA beneficiary's individual treatment plan and in accordance with their individual treatment goals; and (d) the certified peer specialist providing the service has completed training requirements, as established by the Department by rule, after consulting with members of the recovery community.

Modify a provision relating to coordination of care in cases of a substance use overdose to require DHS to facilitate the use of certified peer specialists (in addition to peer recovery coaches, as under current law) by overdose treatment providers in order to encourage individuals to seek treatment following an overdose incident.

Authorize DHS to promulgate emergency rules establishing the training requirements for peer specialists certification under MA, without meeting the normal prerequisites for an emergency rule. Specify that any such emergency rule remains in effect until January 1, 2025, or until the permanent rules take effect, whichever is sooner.

Services of certified peer specialists are reimbursable under MA under the comprehensive community services (CCS) benefit, but not as a standalone service. This item would allow for MA coverage of peer specialist services for persons not enrolled in CCS. The Administration anticipates that, if approved, reimbursement of these services would begin in 2024-25.

The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, providing coverage of peer specialist services would require \$1,453,900 GPR and \$2,261,600 FED in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 25. COVERAGE OF ACUPUNCTURE SERVICES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$1,092,200                | - \$1,092,200                     | \$0        |
| FED   | 2,107,800                  | - 2,107,800                       | 0          |
| Total | \$3,200,000                | - \$3,200,000                     | \$0        |

**Governor:** Provide \$3,200,000 (\$1,092,200 GPR and \$2,107,800 FED) in 2024-25 to fund a new MA benefit, subject to federal approval, for acupuncture services provided by a certified acupuncturist. Require DHS to submit any necessary plan amendment or request any necessary waiver of federal Medicaid law to implement this benefit. Specify that DHS shall provide this benefit only if the federal government approves the request or if no approval is necessary. The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, the funding for acupuncture coverage would be \$1,252,200 GPR and \$1,947,800 FED.

Joint Finance/Legislature: Provision not included.

# 26. PSYCHOSOCIAL REHABILITATION SERVICES BY NON-COUNTY PROVIDERS

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$691,900                  | - \$691,900                       | \$0        |
| FED   | 1,335,300                  | - 1,335,300                       | 0          |
| Total | \$2,027,200                | - \$2,027,200                     | \$0        |

Governor: Provide \$2,027,200 (\$691,900 GPR and \$1,335,300 FED) in 2024-25 to expand

access to medical assistance psychosocial rehabilitation services through the use of non-county providers.

Authorize DHS to certify providers of psychosocial rehabilitation services that are not county-based providers. Require DHS to provide reimbursement to non-county providers for both the federal share and the nonfederal share of the payment. Eliminate the condition for MA reimbursement of psychosocial rehabilitation services that the services are provided to an individual whose county of residence makes the services available. Authorize DHS to promulgate administration rules, update MA program policies, and request any state plan amendment or federal waiver from the federal government as necessary to provide reimbursement to non-county based providers of psychosocial rehabilitation services.

Psychosocial rehabilitation services include peer support, employment-related skills training, personal skills development, physical health monitoring and management, and case management. These services are designed to complement psychiatric and pharmacological treatment for mental health or substance use conditions. Under current law, these services are provided only through the county-based behavioral health system, such as the comprehensive community services (CCS) benefit. These services are only available to medical assistance enrollees who reside in counties that have elected to provide these services and demonstrate behavioral health needs meeting their county's eligibility requirements. This item seeks to increase access to psychosocial rehabilitation services by making them available for enrollees in counties that do not offer the benefit and to enrollees who may not meet the eligibility criteria for CCS, or another similar program.

The funding provided under this item reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, providing reimbursement for non-county providers would require \$793,200 GPR and \$1,233,900 FED in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 27. COVERAGE OF DOULA SERVICES

|              | Governor<br>(Chg. to Base)    | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change      |
|--------------|-------------------------------|-----------------------------------|-----------------|
| GPR          | \$449,300                     | - \$449,300                       | \$0             |
| FED<br>Total | $\frac{867,100}{\$1,316,400}$ | <u>- 867,100</u><br>- \$1,316,400 | <u>0</u><br>\$0 |

**Governor:** Provide \$1,316,400 (\$449,300 GPR and \$867,100 FED) in 2024-25 to fund MA coverage of doula services. Require DHS, subject to federal approval, to reimburse certified doulas for childbirth education and support services, including emotional and physical support provided during pregnancy, labor, birth, and the postpartum period. Require DHS to apply for any necessary

waivers of federal Medicaid law and submit any necessary state plan amendments to provide coverage of doula services under MA. Define a certified doula as an individual who has received certification from a doula certifying organization recognized by DHS.

The Administration estimates that coverage of doula services would begin July 1, 2024, and that approximately 1,145 women would access the benefit in 2024-25 at a cost of \$1,150 each.

The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, providing coverage of doula services would require \$515,100 GPR and \$801,300 FED.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$900,000                  | - \$900,000                       | \$0        |
| FED   | 900,000                    | - 900,000                         | 0          |
| Total | \$1,800,000                | - \$1,800,000                     | \$0        |

# 28. DENTAL HEALTH COORDINATOR GRANTS

**Governor:** Increase funding for MA and FoodShare administrative contracts by \$600,000 (\$300,000 GPR and \$300,000 FED) in 2023-24 and \$1,200,000 (\$600,000 GPR and \$600,000 FED) in 2024-25 to fund grants to support community dental health coordinators. Expand the purposes of the administrative contracts appropriations to include the new grant program.

The Administration's intent is to support the creation of six regional dental coordination programs covering the state, and to provide each program with annual grants of \$200,000 (all-funds), beginning January 1, 2024. The Department intends to implement the Community Dental Health Coordinator model developed by the American Dental Association, which has been implemented in several other states. The model employs health professionals such as dental hygienists, with additional training in case management, health education, and benefits navigation. These coordinators would work with patients in settings such as emergency departments, health clinics, and public health departments to connect MA members with dental services available in their area that are appropriate to their needs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 29. JOINT COMMITTEE ON FINANCE REVIEW PROCESS FOR FEDERAL WAIVERS AND MA PROGRAM CHANGES

Governor: Repeal provisions enacted as part of 2017 Wisconsin Act 370 that require DHS

to submit all MA state plan amendments, rate changes, and supplemental payments to the Joint Committee on Finance for review and approval under a 14-day passive review process if the amendment, rate change, or payment has an expected fiscal effect of \$7,500,000 or more from all revenue sources over a 12-month period following the implementation date of the amendment, rate change, or payment.

Repeal Act 370 provisions that require DHS to follow various procedures related to requests to a federal agency for a waiver, or a renewal, modification, withdrawal, suspension, or termination of a waiver of federal law or rules, or for federal authorization to implement a pilot program or demonstration project. Repeal an Act 370 provision that requires the Office of the Commissioner of Insurance to comply with the waiver request oversight provisions described above as it relates to any renewal or modification of a waiver request for the Wisconsin healthcare stability program. Authorize DHS to submit a request to the federal Department of Health and Human Services to modify or withdraw the federal waiver relating to coverage and eligibility requirements for childless adults under MA.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| GPR   | \$2,310,200                | \$9,772,700                       | \$12,082,900 |
| FED   | 8,775,000                  | - 2,779,000                       | 5,996,000    |
| PR    | 15,675,600                 | - 11,306,200                      | 4,369,400    |
| Total | \$26,760,800               | - \$4,312,500                     | \$22,448,300 |

#### **30. SENIORCARE REESTIMATE** [LFB Paper 410]

**Governor:** Provide \$7,491,800 (\$375,200 GPR, \$3,626,200 FED, and \$3,490,400 PR) in 2023-24 and \$19,269,000 (\$1,935,000 GPR, \$5,148,800 FED, and \$12,185,200 PR) in 2024-25 to fully fund benefits under the SeniorCare program. SeniorCare provides pharmacy benefits for Wisconsin residents over the age of 65 who are not eligible for full Medicaid benefits.

The funding provided reflects a two-year increase in federal matching rates the state would qualify for by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, fully funding benefits under the SeniorCare program would require \$4,096,600 GPR, -\$95,200 FED and \$3,490,400 PR in 2023-24 and \$3,845,200 GPR, \$3,238,600 FED, and \$12,185,200 PR in 2024-25, as shown in the table below.

The program is supported with a combination of state funds (GPR), federal funds the state receives under a Medicaid demonstration waiver (FED), and program revenue (PR) from rebate payments DHS collects from drug manufacturers. The program has four income eligibility categories: (a) less than 160% of the federal poverty level (FPL); (b) 160% of FPL to 200% of FPL; (c) 200% of FPL to 240% of FPL; and (d) greater than 240% of FPL. Each of these eligibility tiers has different requirements for deductibles. Persons in the last category, known as "spend-

down" eligibility, do not receive benefits until they have out-of-pocket drug expenses in an annual period that exceed the difference between their annual income and 240% of the FPL, plus the deductible.

The federal Medicaid matching funds apply only to participants with incomes under 200% of the federal poverty line. Based on recent trends, manufacturer rebates (PR) are expected to cover 73% of costs for this group. With the temporary increase in federal matching rates related to full Medicaid expansion, federal funds would cover approximately 17% of costs for this group and the GPR portion would be 10%. If full expansion is not adopted, federal funds would cover 15% and the GPR portion would be 12%. Due to temporary changes to the federal matching rate made in response to the COVID-19 pandemic and lag in the receipt of rebates, if full expansion is not adopted the federal share will be approximately one percentage point lower in 2023-24. Variation in agreements with manufacturers and drug utilization means that the percentage of costs covered by rebates is typically higher for participants with incomes above 200% of the poverty line; for this group rebates (PR) cover about 83% of benefit costs, while the remainder is GPR.

Although the Administration estimates that each fund source's share of costs for each income group will remain approximately constant over the biennium, the enrollment in each group is expected to change, as are the per-member average costs. The Administration forecasts that enrollment will continue to increase for each group at the same annual rates as in fiscal year 2021-22: 1.2% for the group with income under 160% of FPL, 2.5% for 160–200%, 5.6% for 200–240%, and 10.2% for over 240%. Based on historical drug price inflation and Federal Reserve inflation forecasts, the Administration forecasts that per-member costs will increase for the first three enrollment groups by 9.0% per year in 2022-23, 6.4% in 2023-24, and 5.9% in 2024-25. Per-member costs in the spend-down enrollment group are forecasted to remain flat.

The base funding for SeniorCare is \$133,343,400 (\$17,971,900 GPR, \$17,738,300 FED, and \$97,633,200 PR). Under the Administration's forecast, FED expenditures in 2022-23 are expected to be above the base level, while PR expenditures are expected to be lower. This has the effect of increasing the FED change to base relative to the forecasted growth described above, and partially offsetting the PR change to base. In addition, the expiration of the COVID-19 matching rate noted above increases the required GPR and decreases the required FED, particularly in 2023-24. These amounts are shown in the table below.

#### SeniorCare Funding by Fund Source - Governor's Budget

|   | <u>GPR</u>                                     | <u>FED</u>                                    | <u>PR</u>  | <u>Total</u>  |
|---|--|---|--|---|
| 2022-23 Base Funding  | \$17,971,900                                   | \$17,738,300                                  | \$97,633,200   | \$133,343,400   |
| 2023-24 Cost-to-Continue<br>2023-24 Two-Year MA Expansion FMAP<br>2023-24 Total Funding | 4,096,600<br><u>-3,721,400</u><br>\$18,347,100 | -95,200<br><u>3,721,400</u><br>\$21,364,500   | 3,490,400<br><u>0</u><br>\$101,123,600   | 7,491,800<br><u>0</u><br>\$140,835,200  |
| 2024-25 Cost-to-Continue<br>2024-25 Two-Year MA Expansion FMAP<br>2024-25 Total Funding | 3,845,200<br><u>-1,910,200</u><br>\$19,906,900 | 3,238,600<br><u>1,910,200</u><br>\$22,887,100 | $     \begin{array}{r}       12,185,200 \\       \underline{0} \\       \overline{109,818,400}     \end{array} $ | $     \begin{array}{r}             19,269,000 \\             \underline{0} \\             \$152,612,400         \end{array}     $ |

**Joint Finance/Legislature:** Reduce funding by \$2,002,300 (\$6,229,900 GPR, -\$1,797,400 FED, and -\$6,434,800 PR) in 2023-24 and by \$2,310,200 (\$3,542,800 GPR, -\$981,600 FED, and -\$4,871,400 PR) to reflect an updated estimate of the cost to fully fund benefits under the program and the removal of the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor.

Relative to base funding, the updated estimate provides \$5,489,500 (\$6,605,100 GPR, \$1,828,800 FED, and -\$2,944,400 PR) in 2023-24 and \$16,958,800 (\$5,477,800 GPR, \$4,167,200 FED, and \$7,313,800 PR). This reflects updated enrollment, per-member costs, and rebate rates through April, 2022. Enrollment is slightly higher than projected under the Governor's budget, but per-member costs are lower, creating a net reduction in total funding. The share of costs covered by rebates (PR) is slightly lower than previously projected, increasing GPR and FED costs. The tables below show the total funding budgeted for SeniorCare benefits in each year and the updated enrollment estimates in each income group for the current year and each year of the 2023-25 biennium under Act 19.

#### **SeniorCare Total Funding – Act 19**

|       | Base          | <u>2023-24</u> | <u>2024-25</u> |
|-------|---------------|----------------|----------------|
| GPR   | \$17,971,900  | \$24,577,000   | \$23,449,700   |
| FED   | 17,738,300    | 19,567,100     | 21,905,500     |
| PR    | 97,633,200    | 94,688,800     | 104,947,000    |

| 31. | WISCONSIN | CHRONIC | DISEASE | PROGRAM | RE- | GPR   | - \$1,331,700 |
|-----|-----------|---------|---------|---------|-----|-------|---------------|
|     | ESTIMATE  |         |         |         |     | PR    | - 793,600     |
|     |           |         |         |         |     | Total | - \$2,125,300 |

#### Governor/Legislature: Reduce funding by \$1,035,800 (-\$643,600

GPR and -\$392,200 PR) in 2023-24 and \$1,089,500 (-\$688,100 GPR and -\$401,400 PR) in 2024-25 to reflect estimates of the amounts needed to fully fund the Wisconsin chronic disease program (WCDP) in the 2023-25 biennium. The WCDP funds services for individuals with chronic renal disease, hemophilia, and adult cystic fibrosis that are not covered by other public or private health insurance plans. Enrollees in WCDP are responsible for deductibles and coinsurance based on their household income and size, and copayments on prescription medications. The Department receives

rebate revenue from drug manufactures for medications dispensed through WCDP, which is budgeted as program revenue.

Base funding for the program is \$4,626,000 (\$3,700,800 GPR and \$925,200 PR), but expenditures in recent years have been below this level. DHS estimates total program costs will be \$3,590,200 (\$3,057,200 GPR and \$533,000 PR) in 2023-24 and \$3,536,500 (\$3,012,700 GPR and \$523,800 PR) in 2024-25. This estimate includes \$500,000 GPR above trend levels in both years as a contingency that would be available if costs exceed the Department's forecasts.

# **32. DISPROPORTIONATE SHARE HOSPITAL PAYMENTS**

**Joint Finance/Legislature:** Provide \$62,630,000 (\$24,100,000 GPR and \$38,530,000 FED) in 2023-24 and \$61,308,000 (\$24,100,000

GPR and \$37,208,000 FED) in 2024-25 to increase payments under the disproportionate share hospital (DSH) program. Increase the amount that DHS must distribute as the state share of payments from \$47,500,000 GPR to \$71,600,000 GPR per year.

DSH payments are provided to hospitals for which more than 6% of inpatient days are attributable to MA patients. For each qualifying hospital, payments are calculated in proportion to the hospital's base inpatient payment for MA services. A hospital's add-on percentage is generally proportional to its MA patient days percentage, such that those hospitals with a higher proportion of MA patients have a higher percentage. However, the maximum payment that a hospital may receive in a year is capped at 6.77% of the all-funds total amount available for DSH payments in each fiscal year.

The increase is estimated to bring the total DSH payments up to the maximum amount eligible for federal matching funds. It is estimated that DSH payments will total \$182.2 million (all funds) in 2023-24 and 2024-25. In 2022-23, DHS distributed \$139.7 million (all funds) in DSH payments.

[Act 19 Section: 302]

Page 386

# 33. HOSPITAL BEHAVIORAL HEALTH REIMBURSEMENT

**Joint Finance/Legislature:** Provide \$10,168,000 (\$4,000,000 GPR and \$6,168,000 FED) in 2023-24 and \$20,351,000 (\$8,000,000 GPR and

\$12,351,000 FED) in 2024-25 to increase MA reimbursement for hospital services provided in behavioral health units of general medical and surgical hospitals, effective January 1, 2024.

# 34. RURAL CRITICAL CARE HOSPITAL SUPPLEMENT

Joint Finance/Legislature: Provide \$5,847,000 (\$2,250,000 GPR and \$3,597,000 FED) in 2023-24 and \$5,724,000 (\$2,250,000 GPR and

\$3,474,000 FED) in 2024-25 to increase supplementary payments to hospitals under the rural critical care access program. Increase the amount that DHS must distribute as the state share of payments from \$2,250,000 GPR to \$4,500,000 GPR annually.

| GPR   | \$12,000,000 |
|-------|--------------|
| FED   | 18,519,000   |
| Total | \$30,519,000 |

\$4,500,000

7,071,000

\$11,571,000

GPR

FED

Total

| GPR   | \$48,200,000  |
|-------|---------------|
| FED   | 75,738,000    |
| Total | \$123,938,000 |

The rural critical care supplement is paid to general medical and surgical hospitals that do not qualify as disproportionate share hospitals (DSH), but have MA patients accounting for at least six percent of total charges for services performed. These hospitals typically do not qualify for DSH payments because they do not offer obstetric care. Funding is distributed among qualifying hospitals under a formula similar to the one used for DSH payments, but based on charges for services instead of patient days.

[Act 19 Section: 303]

#### **35. CHIROPRACTIC RATE INCREASE**

**Joint Finance/Legislature:** Provide \$600,000 (\$200,000 GPR and \$400,000 FED) in 2023-24 and \$1,200,000 (\$500,000 GPR and \$700,000

 GPR
 \$700,000

 FED
 <u>1,100,000</u>

 Total
 \$1,800,000

FED) in 2024-25 to increase reimbursement rates paid under MA for chiropractic services. This increase is estimated to bring rates paid to chiropractors for those procedures such as diagnostics, X-rays, and office visits that physicians can also claim reimbursement for to the same rates currently paid to physicians, effective January 1, 2024. Under current law, the MA program sets different rates for the same procedure performed by different provider types (such as physicians, physician assistants, or psychiatrists) to reflect different levels of medical expertise or when the same procedure serves a different purpose, such as the difference between a patient-evaluation office visit delivered as a primary care check-up or a psychiatric care appointment.

# **36. DENTAL SERVICES FOR PEOPLE WITH DISABILITIES**

**Joint Finance/Legislature:** Require DHS to implement, by October 1, 2023, a provision of the 2017-19 budget (Act 59) that directs the Department to increase reimbursement rates by a factor of two for dental services rendered by facilities that that provide at least 90% of their services to people with cognitive and physical disabilities. Funding for this change, as well as a related increase in special-needs dental reimbursement was provided under the 2019-21 budget. As of June, 2023, this increase has not been implemented.

[Act 19 Section: 9119(1)]

# 37. GENDER-AFFIRMING CARE EXCLUSION

**Joint Finance/Legislature:** Specify that, to the extent permitted by federal law, MA may not provide payment for puberty-blocking drugs used for the purposes of gender dysphoria or gender transition, nor payment for gender reassignment surgery. In 2019, DHS was enjoined from implementing a similar coverage exclusion by a federal court in a case titled *Flack vs. Wisconsin Department of Health Services*.

Veto by Governor [C-15]: Delete provision.

[Act 19 Vetoed Sections: 308 thru 311]

#### **38. COUNTY AND MUNICIPAL AMBULANCE PROVIDER** GPR - \$2,000,000 SUPPLEMENT

**Joint Finance/Legislature:** Reduce funding for the Medical Assistance program by \$2,000,000 GPR in 2024-25 to reflect the elimination of a supplementary reimbursement program for local government ambulance providers under 2023 Act 12. The program provided supplementary payments totaling \$5,000,000 (\$2,000,000 GPR and \$3,000,000 FED) per year to municipalities and counties for ambulance services delivered to MA patients. Shared revenue payments to these counties and municipalities were reduced under the program by identical amounts, creating no net effect for counties and municipalities but net state savings of \$3,000,000 GPR. The offsetting reductions in shared revenue payments would also be eliminated under the Joint Finance recommendation, as described under "Shared Revenue and Tax Relief."

2021 Wisconsin Act 228 created a supplementary reimbursement program for public ambulance providers known as a certified public expenditures (CPE) program that will allow these providers to claim federal matching funds for certain expenditures in excess of base MA reimbursement. Hence, the federal matching funds that were claimed under the previous supplement can now be claimed under the CPE supplement, and no change in federal funding available to support ambulance services is anticipated.

# **Medical Assistance -- Long-Term Care**

#### 1. HOME AND COMMUNITY-BASED SERVICES RATE INCREASE COST-TO-CONTINUE [LFB Paper 420]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change         |
|-------|----------------------------|-----------------------------------|--------------------|
| GPR   | \$80,976,500               | \$7,743,000                       | \$88,719,500       |
| FED   | <u>145,954,500</u>         | <u>- 9,014,900</u>                | <u>136,939,600</u> |
| Total | \$226,931,000              | - \$1,271,900                     | \$225,659,100      |

**Governor:** Provide \$43,115,000 (\$15,405,600 GPR and \$27,709,400 FED) in 2023-24 and \$183,816,000 (\$65,570,900 GPR and \$118,245,100 FED) in 2024-25 to fund costs associated with the American Rescue Plan Act (ARPA) home and community-based services (HCBS) 5% rate increase from April 1, 2024, through June 30, 2025.

The funding in the bill reflects a two-year increase in federal matching rates for which the state would qualify by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, the Administration estimates that maintaining the 5% rate increase after March 31, 2024, would require \$43,115,000 (\$16,961,400 GPR and \$26,153,600 FED) in 2023-24 and

#### \$183,816,000 (\$71,925,800 GPR and \$111,890,200 FED) in 2024-25.

Under ARPA, states could claim an additional 10% on their federal medical assistance percentage (FMAP) for eligible HCBS expenditures between April, 2021 and March, 2022. ARPA required states to use these additional funds to supplement, not supplant existing state funds, and used on CMS-approved activities that enhance, expand, or strengthen HCBS under the Medicaid program.

The Department's CMS-approved plan included a 5% rate increase for certain HCBS, effective January 1, 2022. This portion of the Department's plan was approved by the Joint Committee on Finance, with the condition that the rate increases are funded with ARPA HCBS reinvestment funding through March 31, 2024. In approving the rate increases, the Committee indicated that it would consider whether these rate increases would be maintained after March 31, 2024, as part of its 2023-25 budget deliberations.

The 5% rate increase applies to 42 service categories across Family Care, Family Care Partnership, IRIS (Include, Respect, I Self-Direct), PACE (Program of All-Inclusive Care for the Elderly), Children's Long-Term Supports (CLTS) Waiver, SSI Managed Care, BadgerCare Plus Managed Care, and Medicaid fee-for-service state plan services, as shown in the following table.

Adult day care service Alcohol and other drug abuse (AODA) AODA day treatment Assistive technology/communication aid Behavioral treatment services Care management for Care4Kids Care management for children with medical complexities Care management in fee-for-service Consultative clinical and therapeutic services for caregivers Consumer-directed supports (self-directed supports) broker Consumer education and training Counseling and therapeutic Environmental accessibility adaptations (home modifications) Financial management services Habilitation services (daily living skills training and day habilitation resources) Home delivered meals Home health services Housing counseling Medication therapy management Mental health day treatment Mental health services

Nursing (in-home) Occupational therapy (in-home) Personal care Physical therapy (in-home) Prenatal care coordination Prevocational services **Residential** care Residential substance use disorder treatment Respiratory care Respite Self-directed personal care Skilled nursing services (RN/LPN) Speech and language pathology services (in-home) Supported employment - individual employment support Supported employment - small group employment support Supportive home care (SHC) Training services for unpaid caregivers Transportation (specialized transportation) community transportation Transportation (specialized transportation) - other transportation Transportation services under DHS 107.23 Vocational futures planning and support

**Joint Finance/Legislature:** Increase funding by \$592,300 (\$1,788,900 GPR and -\$1,196,600 FED) in 2023-24 and reduce funding by \$1,864,200 (\$5,954,100 GPR and -\$7,818,300 FED) in 2024-25 to reflect updated assumptions regarding utilization and fund source adjustments to reflect the standard federal Medicaid matching rate, rather than the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor.

# 2. FAMILY CARE DIRECT CARE REIMBURSEMENT [LFB Paper 420]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| GPR   | \$30,000,000               | - \$15,000,000                    | \$15,000,000 |
| FED   | 58,752,500                 | - 35,319,900                      | 23,432,600   |
| Total | \$88,752,500               | - \$50,319,900                    | \$38,432,600 |

**Governor:** Provide \$44,802,900 (\$15,000,000 GPR and \$29,802,900 FED) in 2023-24 and \$43,949,600 (\$15,000,000 GPR and \$28,949,600 FED) in 2024-25 to increase the direct care and services portion of the capitation rates the Department provides to managed care organizations (MCOs) to fund long-term care services for individuals enrolled in Family Care.

The funding in the bill reflects a two-year increase in federal matching rates for which the state would qualify by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, if the intent is still provide \$15,000,000 GPR annually, total funding would be \$38,981,300 (\$15,000,000 GPR and \$23,981,300 FED) in 2023-24 and \$38,333,800 (\$15,000,000 GPR and \$23,333,800 FED) in 2024-25.

In prior biennia, the Department has distributed additional funding for this purpose through the Direct Care Workforce Funding Initiative, which required MCOs to pass additional funding on to providers. Subsequently, providers chose how to pass the funding on to their staff, for example, in the form of wage increases, bonuses, or additional paid time off for certain direct care workers, or to fund employer payroll tax increases that result from increasing workers' wages.

This funding would be provided in addition to funding in the bill that the Administration estimates would be needed to fund actuarially sound capitation rates in the 2023-25 biennium, which is included as part of the Medicaid cost-to-continue item.

**Joint Finance/Legislature:** Reduce funding by \$31,809,100 (-\$10,000,000 GPR and -\$21,809,100 FED) in 2023-24 and \$18,510,800 (-\$5,000,000 GPR and -\$13,510,800 FED) in 2024-25.

As modified, including fund source adjustments to reflect the standard federal Medicaid matching rate, rather than the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor, this provision would increase funding for the supplement by \$12,993,800 (\$5,000,000 GPR and \$7,993,800 FED) in 2023-24 and \$25,438,800 (\$10,000,000 GPR and \$15,438,800 FED) in 2024-25. Under Act 19, a total of

\$136,129,200 (\$52,500,000 GPR and \$83,629,200 FED) in 2023-24 and \$146,303,900 (\$57,500,000 GPR and \$88,803,900 FED) in 2024-25 is budgeted for this purpose.

#### **3. PERSONAL CARE REIMBURSEMENT RATE** [LFB Paper 420]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| GPR   | \$30,000,000               | - \$15,000,000                    | \$15,000,000 |
| FED   | 58,752,500                 | - 35,319,900                      | 23,432,600   |
| Total | \$88,752,500               | - \$50,319,900                    | \$38,432,600 |

**Governor:** Provide \$44,802,900 (\$15,000,000 GPR and \$29,802,900 FED) in 2023-24 and \$43,949,600 (\$15,000,000 GPR and \$28,949,600 FED) in 2024-25 to increase MA personal care reimbursement rates.

The funding in the bill reflects a two-year increase in federal matching rates for which the state would qualify by adopting full Medicaid expansion. If full expansion is not adopted, the federal share of all benefit expenditures would decrease and the GPR share would increase. In that case, if the intent is still provide \$15,000,000 GPR annually, total funding would be \$38,981,300 (\$15,000,000 GPR and \$23,981,300 FED) in 2023-24 and \$38,333,800 (\$15,000,000 GPR and \$23,333,800 FED) in 2024-25.

As of January 1, 2023, the hourly MA personal care reimbursement rate is \$23.44. The funding increase provided in the bill is not intended to provide a specific percentage or dollar increase to the MA personal care reimbursement rates, as such distribution of the funds would be determined by the Department upon enactment of the budget.

**Joint Finance/Legislature:** Reduce funding by \$31,809,100 (-\$10,000,000 GPR and -\$21,809,100 FED) in 2023-24 and \$18,510,800 (-\$5,000,000 GPR and -\$13,510,800 FED) in 2024-25.

As modified, including fund source adjustments to reflect the standard federal Medicaid matching rate, rather than the two-year enhanced matching rate that would have applied with adoption of full Medicaid expansion under the Governor, this provision would increase funding for the supplement by \$12,993,800 (\$5,000,000 GPR and \$7,993,800 FED) in 2023-24 and \$25,438,800 (\$10,000,000 GPR and \$15,438,800 FED) in 2024-25 to increase MA personal care reimbursement rates.

#### 4. HOME AND COMMUNITY-BASED SERVICES [LFB Paper 421]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$24,845,500               | - \$24,845,500                    | \$0        |
| FED   | 29,337,200                 | - 29,337,200                      | 0          |
| Total | \$54,182,700               | - \$54,182,700                    | \$0        |

**Governor:** Provide \$54,182,700 (\$24,845,500 GPR and \$29,337,200 FED) in 2024-25 to continue, through the end of the 2023-25 biennium, a number of projects started with one-time GPR savings and federal funds the state realized under provisions of the American Rescue Plan Act.

Although not specified in the bill, the Administration indicates it intends to budget the funding under this item as follows.

(a) \$44,490,800 (\$15,153,600 GPR and \$29,337,200 FED) to fund, for the three-month period from April 1 through June 30, 2025, implementation of a minimum fee schedule for certain home and community based services (residential care and supportive home care services) the state provides through its long-term care waiver programs. The Administration estimates the annualized cost of implementing minimum rates for these services will be approximately \$178.0 million (all funds).

(b) \$627,600 GPR to fund the Wisconsin Personal Caregiver Workforce Careers Program to continue enrolling an additional 5,000 caregivers into the professional certificate program.

(c) \$101,500 GPR to provide ongoing funding for the WisCaregiver Career IT platform to remain up-to-date with available resources for caregivers and maintain the technical quality of the website.

(d) \$5,500,000 GPR to provide grants to the 11 federally recognized Native American Tribes to make improvements to tribal community facilities and tribal member housing.

(e) \$1,702,800 GPR to support the ongoing costs of the tribal aging and disability resources specialists to serve as liaisons between the tribes and the aging and disability resource centers.

(f) \$1,060,000 GPR to build a centralized aging and disability resource center website and database that is accessible to Wisconsinites statewide, providing access to information about long-term care supports and services from the comfort of their home while also providing aging and disability resource centers with a database that centers on the individual, rather than the facility.

(g) \$100,000 GPR to fund continued licensure and maintenance of a system to coordinate certification status work between the department and managed care organizations.

(h) \$100,000 GPR to fund licensure and maintenance of a system devised as a technical

solution to improve data entry, review and report generation to comply with a federal rule requiring states to define the qualities of settings eligible for Medicaid home- and community-based services.

[As the funding increase in the bill exceeds the sum of these funding allocations by \$500,000 GPR, the funding in the bill should be reduced to meet the Administration's intent.]

Require that the Department allocate not more than \$5,500,000 annually to federallyrecognized American Indian tribes and bands located in Wisconsin for capital improvements to tribal facilities serving tribal members with long-term care needs and for improvements and repairs to homes of tribal members with long-term care needs to enable tribal members to receive longterm care services at home.

Modify the existing community aids and Medical Assistance payments appropriation to allow for grant payments for tribal long-term care system development activities as previously described.

**Joint Finance/Legislature:** Provision not included. (Items a and b removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. CHILDREN'S LONG-TERM SUPPORT WAIVER PROGRAM

**Governor:** Require DHS to ensure that any child who is eligible, and applies, for the children's long-term support (CLTS) waiver program receives services under the CLTS waiver program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

| 6. | NURSING HOME PERSONAL NEEDS ALLOWANCE [LFB | GPR   | \$806,100   |
|----|--|-------|-------------|
|    | Paper 422]                                 | FED   | 1,253,900   |
|    |  | Total | \$2,060,000 |

Joint Finance/Legislature: Increase the monthly MA personal

needs allowance by \$10, from \$45 to \$55, effective July 1, 2024. Increase MA benefits funding by \$2,060,000 (\$806,100 GPR and \$1,253,900 FED) in 2024-25.

Most elderly, blind, and disabled Medicaid beneficiaries may retain a personal needs allowance from the amount that would otherwise be retained by a nursing home as the individuals' patient liability. The personal needs allowance is intended to allow Medicaid beneficiaries to purchase items and services not provided by the nursing homes in which they live.

[Act 19 Section: 305]

#### 7. NURSING HOME SUPPORT SERVICES

**Joint Finance/Legislature:** Provide \$73,200,000 (\$28,167,400 GPR and \$45,032,600 FED) in 2023-24 and \$73,200,000 (\$28,774,900

GPR and \$44,425,100 FED) in 2024-25 to increase the support services portion of Medical Assistance program reimbursement for nursing homes. Require the Department to establish and implement a priced rate for nursing home support services based on median facility costs plus 25 percent.

[Act 19 Section: 9119(3)]

# 8. NURSING HOME INCENTIVES

**Joint Finance/Legislature:** Provide \$15,600,000 (\$6,002,900 GPR and \$9,597,100 FED) in 2023-24 and \$15,600,000 (\$6,132,400 GPR and

\$9,467,600 FED) in 2024-25 to exclude provider incentives from the profit limitation in support services so they are paid separately. Require DHS to exclude provider incentives when determining the total rate adjustment to allowable costs.

[Act 19 Section: 9119(4)]

#### 9. NURSING HOME VENTILATOR-DEPENDENT RATE

**Joint Finance/Legislature:** Provide \$5,000,000 (\$1,924,000 GPR and \$3,076,000 FED) in 2023-24 and \$5,000,000 (\$1,965,500 GPR and

\$3,034,500 FED) in 2024-25 to increase the all-encompassing ventilator-dependent resident reimbursement rate for nursing home care. Require the Department, effective July 1, 2023, to increase the reimbursement rate under the Medical Assistance program for an authorized facility treating a resident of the facility who has received prior authorization for ventilator-dependent care reimbursed under the all-encompassing ventilator-dependent resident reimbursement rate by \$200 per patient day.

In 2022-23, the all-encompassing ventilator-dependent resident reimbursement rate under the MA program was \$726 per patient day.

[Act 19 Section: 9119(5)]

# 10. DHS AND MANAGED CARE ORGANIZATION REPORTING REQUIREMENTS

**Joint Finance/Legislature:** Require DHS to include information regarding managed care organization (MCO): (a) executive leadership salaries; and (b) amounts retrieved by the state under the contractual risk corridors, in the publicly available financial summaries for Family Care, Family Care Partnership, and PACE MCOs.

Require DHS and Family Care, Family Care Partnership, and PACE MCOs to track and

| GPR   | \$3,889,500  |
|-------|--------------|
| FED   | 6,110,500    |
| Total | \$10,000,000 |

| GPR   | \$56,942,300  |
|-------|---------------|
| FED   | 89,457,700    |
| Total | \$146,400,000 |

| GPR   | \$12,135,300 |
|-------|--------------|
| FED   | 19,064,700   |
| Total | \$31,200,000 |

annually report to the Joint Committee on Finance total authorized and total provided care plan hours by service category and MCO by April 1 of each year.

Veto by Governor [C-17]: Delete provision.

[Act 19 Vetoed Section: 244]

# Services for the Elderly and People with Disabilities

# 1. AGING AND DISABILITY RESOURCE CENTERS [LFB Paper 425]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$16,962,900               | - \$9,421,800                     | \$7,541,100 |

**Governor:** Provide \$5,654,300 in 2023-24 and \$11,308,600 in 2024-25 to increase base allocations and fund expanded caregiver support services at the aging and disability resource centers (ADRCs).

Of these amounts, the Administration indicates that \$2,513,700 in 2023-24 and \$5,027,400 in 2024-25 would be budgeted to increase ADRC base allocations to account for the anticipated increase in the number of older residents in the state and \$3,140,600 in 2023-24 and \$6,281,200 in 2024-25 would be provided to expand caregiver support and programs.

ADRCs provide a variety of services as part of their core contract with DHS. Services include: (a) providing information and assistance to individuals in need of long-term care services; (b) benefits counseling; (c) short-term service coordination; (d) conducting functional screens; and (e) enrollment counseling and processing. ADRCs serve older adults and people with disabilities, as well as the families and caregivers who work with and care for them. Services provided at ADRCs are free to Wisconsin residents. In calendar year 2023, \$44,127,500 was budgeted for ADRCs and tribal aging and disability resource specialists, of which approximately \$36.0 million GPR was budget to support ADRC base contrast.

**Joint Finance/Legislature:** Reduce funding by \$3,140,600 in 2023-24 and \$6,281,200 in 2024-25. As modified, this provision would provide \$2,513,700 in 2023-24 and \$5,027,400 in 2024-25 to increase ADRC base allocations.

# 2. COMPLEX PATIENT PILOT PROGRAM [LFB Paper 426]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$15,000,000               | - \$15,000,000                    | \$0        |

**Governor:** Provide \$15,000,000 in 2023-24 on a one-time basis to fund a complex patient pilot program to help facilitate the transfer of complex patients from acute care settings, such as hospitals, to post-acute care facilities, in the 2023-25 biennium.

*Program Funding*. Create a biennial appropriation from which to fund the complex patient pilot. Require DHS to provide payments to partnership groups designated as participating sites for care provided during the course of the pilot program under this program. Specify that any fee associated with contracting with an independent organization to evaluate the complex patient pilot program may be paid from this appropriation. Repeal the appropriation on July 1, 2025.

Advisory Group Membership and Duties. Direct DHS to form an advisory group to assist with development and implementation of a complex patient pilot program. Require that the DHS Secretary or designee, chair the advisory group, and members of the advisory group have clinical, financial, or administrative expertise in government programs, acute care, or post-acute care.

Direct DHS to use its request-for-proposal procedure to select partnership groups that would be designated as participating sites for the complex patient pilot program. Direct the advisory group to develop a request for proposal for the complex patient pilot program that includes eligibility requirements.

Require that the complex patient pilot advisory group: (a) determine and recommend to DHS an amount of the funding budgeted for the complex patient pilot program to be reserved for reconciliation to ensure that participants in the pilot program are held harmless from unanticipated financial loss; (b) develop a methodology to evaluate the complex patient pilot program, including a recommendation on whether DHS should contract with an independent organization to evaluate the complex patient pilot program; and (c) make recommendations to the DHS Secretary regarding which partnership groups should receive designation as a participating site for the complex patient pilot program.

Application Requirements. Specify that only partnerships of at least one hospital and at least one post-acute facility are eligible to submit proposals.

Require that each partnership group that applies to DHS to be designated as a site for the complex patient pilot program address all of the following issues: (1) the number of beds that would be set aside in the post-acute facility; (2) the goals of the partnership during the pilot program and after the pilot program; (3) the types of complex patients for whom care would be provided; (4) the per diem rate requested to adequately compensate the hospital or hospitals and the post-acute facility or facilities; (5) a post-acute bed reserve rate; and (6) anticipated impediments to successful implementation and how the applicant partnership group intends to overcome the anticipated impediments.

In addition, require each partnership group to address its expertise to successfully implement the proposal, including a discussion of at least all of the following issues: (a) experience of the partners working together; (b) plan for staffing the unit; (c) ability to electronically exchange health information; (d) clinical expertise; (e) hospital and post-acute facility survey history over the past three years; (f) acute care partner readmissions history over the past three years; (g) discharge planning and patient intake resources; and (h) stability of finances to support the proposal, including matching funds that could be dedicated to the pilot program. Clarify that while no applicant is required to provide matching funds or a contribution, the advisory group and DHS may take into consideration the availability of matching funds or a contribution in evaluating an application.

*Timelines*. Specify that no later than 90 days after the effective date of the bill, the advisory group must complete development of the request for proposal for partnership groups to be designated as participating sites in the complex patient pilot program and provide its recommendations to the DHS Secretary.

Specify that no later than 150 days after the bill's effective date, the advisory group must review all applications submitted in response to the request for proposal and select up to four partnership groups to recommend to the DHS Secretary for designation as participating sites for the complex patient pilot program.

Specify that between six and 18 months after the effective date of the bill, the partnership groups designated by DHS as participating sites in the complex patient pilot program must implement the pilot program and meet quarterly with both DHS and the advisory group or any independent organization hired by DHS for the purpose of evaluating the pilot program to discuss experiences relating to the pilot program.

Specify that no later than June 30, 2025, the advisory group or any independent organization hired by DHS for evaluating the complex patient pilot program must complete and submit to the DHS Secretary an evaluation of the complex patient pilot program, including a written report and recommendations.

**Joint Finance:** Provision not included. Instead, on a one-time basis, provide \$5,000,000 GPR in 2023-24 for the complex patient pilot program in the JFC program supplements appropriation. Create a GPR appropriation in DHS for this purpose. The fiscal effect of this change is reflected in "Program Supplements."

Senate/Legislature: Clarify that the appropriation created for this purpose is a biennial appropriation.

[Act 19 Section: 109]

#### 3. ADULT PROTECTIVE SERVICES SYSTEM [LFB Paper 427]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$13,637,500               | - \$11,637,500                    | \$2,000,000 |

**Governor:** Provide \$4,138,300 in 2023-24 and \$9,499,200 in 2024-25 to increase funding for adult protective services training, needs assessments for tribal adult protective services, guardian support and elder justice training grants, and other adult protective services. The following table shows funding provided under the bill for the various adult protective services projects.

#### Adult Protective Services Funding Summary Governor's Recommendation

|  | _           | Governor       |                | Ongoing Annual<br>Total Under |  |

| Adult Protective Services Contract Team          | 0           | 0              | 600,200        | 600,200                       |  |
| Tribal Demonstration Projects                    | 0           | 0              | 20,000         | 20,000                        |  |
| Total  | \$7,104,400 | \$4,138,300    | \$9,499,200    | \$16,603,600                  |  |

\*These items are currently funded with one time ARPA funds totaling \$3,180,800 over three years.

**Joint Finance/Legislature:** Reduce funding by \$3,138,300 in 2023-24 and \$8,499,200 in 2024-25. As modified, this provision would provide \$1,000,000 annually to increase funding for adult protective services.

# 4. EXPAND ELIGIBILITY FOR BIRTH TO 3

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$9,259,600                | - \$9,259,600                     | \$0        |

Governor: Provide \$3,086,500 in 2023-24 and \$6,173,100 in 2024-25 to fund the

Administration's estimates of costs of providing Birth to 3 services to additional children. Expand eligibility for services provided under the Birth to 3 program by requiring DHS to ensure that any child with a level of lead in his or her blood that is 3.5 or more micrograms per 100 milliliters (3.5  $\mu$ g/dL), as confirmed by one venous blood test, is eligible for services under the Birth to 3 program.

Authorize DHS to develop a methodology to allocate GPR funding for the program across county programs. Base GPR funding for the Birth to 3 program is \$6,914,000.

Wisconsin's current eligibility standard for the program, as it pertains to lead exposure, is 10  $\mu$ g/dL. In 2021, the Centers for Disease Control and Prevention (CDC) established a 3.5  $\mu$ g/dL threshold for identifying children with elevated blood lead levels. The Administration estimates that approximately 1,650 new children would become eligible for Birth to 3 services annually, either through the expanded eligibility threshold or the additional outreach efforts funded under this item.

The Birth to 3 program offers early intervention services to children, from birth to age three, who are identified with, or determined to be at risk for, developmental delays. Currently, a child is eligible for services if the child has a developmental delay of at least 25% in one area of development or is diagnosed by a physician as having a high probability of developmental delay. The program is funded from several sources, including federal funds that the state receives under the Individuals with Disabilities Education Act, county funds, community aids, medical assistance, private insurance, and parental cost sharing.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. WISCAREGIVER CAREERS [LFB Paper 428]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$8,000,000                | - \$6,000,000                     | \$2,000,000 |

**Governor:** Provide \$8,000,000 in 2024-25 to increase funding for WisCaregiver Career program. This program is a workforce development program that provides free nurse aide training and certification testing, as well as a retention bonus after six months of employment as a nurse aide.

The program is currently funded from a \$6,000,000 one-time grant DHS received under the Centers for Disease Control and Prevention (CDC) Nursing Home & Long-term Care Facility Strike Team program. The federal grant funding must be used by May, 2024.

**Joint Finance/Legislature:** Reduce funding by \$6,000,000 in 2024-25. As modified, this provision would provide \$2,000,000 in 2024-25, on a one-time basis, to fund the WisCaregiver Careers program.

#### 6. SSI SUPPLEMENTS REESTIMATE [LFB Papers 106 and 256]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change          |
|-------|----------------------------|-----------------------------------|---------------------|
| GPR   | \$6,914,400                | \$0                               | \$6,914,400         |
| PR    | <u>- 9,407,300</u>         | <u>- 6,192,400</u>                | <u>- 15,599,700</u> |
| Total | - \$2,492,900              | - \$6,192,400                     | - \$8,685,300       |

**Governor:** Decrease funding by \$1,925,400 (\$3,457,200 GPR and -\$5,382,600 PR) in 2023-24 and by \$567,500 (\$3,457,200 GPR and -\$4,024,700 PR) in 2024-25 to reflect DHS estimates of the cost of funding supplemental security income (SSI) state supplements payments in the 2023-25 biennium.

The SSI program provides cash benefits to low-income residents who are elderly, blind, or disabled to supplement SSI payments they receive from the federal program. As of May, 2022, the state made basic supplemental payments (set at \$83.78 per month for single individuals and \$132.05 for couples) to 115,400 Wisconsinites. Some SSI beneficiaries who require 40 hours of supportive home care or other care per month or live in small community-based residential facilities or other assisted living settings also qualify for an exceptional expense benefit (\$95.99 per month for single individuals, \$345.36 for couples). Recipients with dependent children may also receive a caretaker supplement payment, primarily supported by federal temporary assistance for needy families (TANF) funds transferred as program revenue from the Department of Children and Families (DCF). Eligible caretakers receive \$250 per month for a first child and \$150 per month for each additional child.

DHS complies with a federal requirement to "pass along" annual federal benefit cost-ofliving increases by demonstrating that total GPR expenditures for state supplements do not decrease from one calendar year to the next. Due to retroactive corrective payments paid in calendar years 2020 and 2021, total GPR expenditures increased to \$160,398,200. To maintain this level of GPR expenditures, beginning in fiscal year 2021-22, DHS paid a portion of caretaker supplement payments using GPR, in lieu of TANF funding.

**Joint Finance/Legislature:** Reduce funding by \$4,896,400 PR in 2023-24 and \$4,945,400 PR in 2024-25 to reflect revised caseload estimates.

In addition, provide \$1,833,900 PR in 2023-24 and \$1,815,500 PR in 2024-25 to increase payments under the caretaker supplement by 10% (\$25 per month for the first child and \$15 per month for each additional child), so that the monthly caretaker supplement is \$275 for the first child and \$165 for each additional, effective July 1, 2023.

The net effect of this revised reestimate and increased monthly caretaker supplement payment amount is a reduction of \$3,062,500 PR in 2023-24 and \$3,129,900 PR in 2024-25 relative to the Governor's budget. The corresponding decreases in TANF (FED) expenditures are shown under a separate item in the "Children and Families -- TANF and Economic Support" section of this summary. The table below summarizes the total funding that would be provided and the changes to the DHS budget.

#### SSI Supplemental Payments Under Joint Finance /Act 19

|   |                           | Total         | Funding       |                   | Change to Base    | 2                  |

| Caretaker Suppleme<br>Administration (P |                           | \$692,100     | \$692,100     | \$0               | \$0               | \$0                |

# 7. OFFICE FOR THE PROMOTION OF INDEPENDENT LIVING PROGRAMS [LFB Paper 429]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finan<br><u>(Chg. to</u><br>Funding | <u>o Gov)</u> |     | <u>Change</u><br>Positions |
|-----|--|---|---------------|-----|----------------------------|
| GPR | \$1,683,600 1.00 -                                     | \$1,683,600                             | - 1.00        | \$0 | 0.00                       |

**Governor:** Provide \$833,000 in 2023-24 and \$850,600 in 2024-25 and 1.0 position, beginning in 2023-24, to support programs within the DHS Office for the Promotion of Independent Living.

The Administration indicates that the funding would: (a) fund and provide one rehabilitation specialist for the blind position within the Office for the Blind and Visually Impaired (\$59,000 in 2023-24 and \$76,600 in 2024-25); (b) increase funding available for the Telecommunications Assistance Program (TAP) by \$50,000 annually; (c) increase funding for the interpretation services by \$100,000 annually; and (d) increase funding for WisTech Grants for the Independent Living Centers by \$624,000 annually.

Joint Finance/Legislature: Provision not included.

#### 8. HEALTHY AGING GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,200,000                | - \$1,200,000                     | \$0        |

**Governor:** Provide \$600,000 annually and require DHS to award an annual grant of \$600,000 to an entity that conducts programs in healthy aging.

Previously, \$200,000 GPR was budgeted in each year of the 2015-17 biennium to support healthy aging programs. At the time, those funds were awarded to the Wisconsin Institute on Healthy Aging (WIHA), which was responsible for coordinating the implementation of healthy aging programs across the state as well as maintaining licensure of healthy aging programs. However, funding was not provided on an ongoing basis.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **9.** ALZHEIMER'S FAMILY AND CAREGIVER SUPPORT PROGRAM [LFB Paper 430]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$500,000                       | \$500,000  |

**Governor:** Provide \$500,000 annually to increase the maximum amount of funding the Department may provide under the Alzheimer's family and caregiver support program from \$2,808,900 to \$3,308,900 annually. Modify the financial eligibility limit for the program to specify that a person is eligible for assistance under the program if the joint income of the person with Alzheimer's disease and that person's spouse, if any, is \$60,000 per year or less, unless the Department sets a higher limitation on income eligibility by rule.

Under current law, the income limit for program eligibility is \$48,000 per year. Under the program, DHS allocates funding to counties, tribes, and area agencies on aging to assist individuals to purchase services and goods related to the care of someone with Alzheimer's disease. Up to \$4,000 per person may be available, depending on the county's priorities and the person's need for services. In some instances, the funds are used within the county to expand or develop new services related to Alzheimer's disease, such as respite care, adult day care, or support groups.

**Joint Finance/Legislature:** Reduce funding by \$250,000 annually. Increase the maximum amount of funding the Department may provide under the Alzheimer's family and caregiver support program from \$2,808,900 to \$3,058,900 annually. In addition, delete the provision that would modify the financial eligibility limits for the program.

[Act 19 Section: 245]

#### **10. RESPITE CARE GRANT** [LFB Paper 430]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$400,000                  | - \$400,000                       | \$0        |

**Governor:** Provide \$200,000 annually to increase funding available for the respite care grant.

Currently, \$350,000 GPR is available annually to fund the life-span respite care program operating under a contract between a nonprofit agency, Respite Care Association of Wisconsin (RCAW), and DHS. As part of the life-span respite care program, RCAW administers the Caregiver Respite Grant Program and the Supplemental Respite Grant Program, as well as a third grant program for recruitment, outreach, and education events. RCAW is also responsible for delivery of caregiver training, maintenance of the respite care provider registry, and other activities included in the contract with DHS.

Joint Finance/Legislature: Provision not included.

#### 11. ALZHEIMER'S DISEASE GRANT [LFB Paper 430]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$200,000                  | - \$200,000                       | \$0        |

**Governor:** Provide \$100,000 annually to increase funding for the Alzheimer's disease training and information grants.

Currently, DHS contracts with the Wisconsin Alzheimer's Institute at the University of Wisconsin to provide these services. All base funding for the Alzheimer's disease training and information grants, \$131,400 annually, is currently used to support this award.

Joint Finance/Legislature: Provision not included.

#### 12. GUARDIANSHIP TRAINING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$127,000                  | - \$127,000                       | \$0        |

Governor: Provide \$63,500 annually to manage training modules for guardians.

As of January 1, 2023, 2021 Wisconsin Act 97 requires individuals nominated or seeking appointment as guardian of an estate to complete training on the duties and required

responsibilities of a guardian under the law, limits of a guardian's decision-making authority, and inventory and accounting requirements. The Department has used one-time ARPA funding of \$125,000 to contract with the University of Wisconsin (UW)-Green Bay to develop the training modules. DHS indicates that UW-Green Bay estimates an ongoing need for \$63,500 annually to manage the modules and provide necessary updates, for which ARPA funding is not available.

Joint Finance/Legislature: Provision not included.

#### **13. HOME DELIVERED MEALS**

**Joint Finance/Legislature:** Provide \$225,000 annually to increase funding available for home delivered meals. In 2023, DHS contracts with Area Agencies on Aging for home delivered meals totaled \$6,081,300 (\$450,000 GPR and \$5,631,300 FED from Title III of the federal Older Americans Act.

# **Public Health**

# 1. EMERGENCY MEDICAL SERVICES GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$150,000,000              | - \$150,000,000                   | \$0        |

**Governor:** Provide \$150,000,000 in 2023-24 to fund grants to emergency medical services (EMS) providers. Create a continuing appropriation in the Division of Public Health for this purpose, so that any of this funding that is not expended in 2023-24 would remain available in future years until fully expended. Specify that grantees could use these funds to support reasonable operating expenses related to emergency medical services, including expenses related to supplies, equipment, training, staffing, and vehicles.

Currently, DHS is budgeted \$2,200,000 GPR per year as grants to licensed, transporting EMS units in the state for similar purposes, the Funding Assistance Program. In 2022-23, the Administration supplemented state funding distributed under the program with \$8.0 million FED from the State Fiscal Recovery Fund (SFRF) authorized under the American Rescue Plan Act (ARPA). In addition, the Administration allocated \$32.0 million FED from the SFRF under a new grant program known as EMS Flex Grants. These grants supported a broader array of operations, supplies, equipment, and staffing costs related to EMS and emergency response than the services funded under the state program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

GPR \$450,000

#### 2. PERSONAL PROTECTIVE EQUIPMENT STOCKPILE [LFB Paper 435]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$17,195,300               | - \$17,195,300                    | \$0        |

**Governor:** Provide \$1,346,300 in 2023-24 and \$15,849,000 in 2024-25 to maintain a state stockpile of personal protective equipment (PPE). Create a biennial appropriation in the Division of Public Health for this purpose. Authorize DHS to establish and maintain the stockpile and fund storage and warehousing costs.

Currently, DHS maintains a stockpile of medical supplies and equipment that includes personal protective equipment, cots, and other items that may be needed in an emergency. PPE in the medical stockpile includes surgical face masks, respirators, eye shield, gloves, and gowns. In the event of an emergency or supply chain interruption, items from the stockpile are available at no charge to hospitals, clinics and other healthcare providers that are not able to acquire necessary supplies through other means. During the COVID-19 pandemic, DHS received over one million pieces of PPE from the federal Strategic National Stockpile, and acquired millions of pieces of PPE from other sources using one-time federal funds provided in response to the COVID-19 pandemic.

The funding under this item reflects \$1,346,300 per year for the rent, staffing, and operations of a warehouse and \$14,502,700 in 2024-25 for the purchase of PPE. DHS estimates that that all items currently in the inventory will be used or will need to be replaced during the 2023-25 biennium. The proposed funding reflects the Administration's estimates of the cost of replenishing a stockpile sufficient to meet the state's needs for 60 days.

Joint Finance/Legislature: Provision not included.

# 3. LEAD POISONING INVESTIGATIONS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finar<br><u>(Chg. t</u><br>Funding | <u>o Gov)</u> |     | <u>Change</u><br>Positions |
|-----|--|--|---------------|-----|----------------------------|
| GPR | \$15,286,200 16.50                                     | - \$15,286,200                         | ) - 16.50     | \$0 | 0.00                       |

**Governor:** Provide \$7,473,800 in 2023-24 and \$7,812,400 in 2024-25 and 16.5 positions, beginning in 2023-24, for lead poisoning and exposure prevention and services grants and the Division of Public Health. Reduce statutory thresholds defining lead poisoning, lead exposure, and an elevated blood lead level to 3.5 micrograms of lead per 100 milliliters of blood ( $\mu$ g/dL) for the purposes of determining when lead hazard investigations of dwellings or premises are required.

Under current law, health departments conduct lead hazard investigations by searching for potential sources of lead that a child with lead poisoning may have been exposed to, collecting and analyzing samples, and reporting any identified hazards. Current law permits DHS, with the owner

or occupant's permission, to conduct a lead hazard investigation when DHS receives a report that a child under age six living at or frequenting a property has a blood lead level above  $5\mu g/dL$ , and requires DHS or its designee (typically a local health department) to conduct such an investigation when the child's blood lead level is above 20  $\mu g/dL$  as confirmed by one venous blood test, or above  $15\mu g/dL$  as confirmed by two venous blood tests that are performed at least 90 days apart. The bill would make the investigation mandatory in both cases, and lower the threshold to  $3.5\mu g/dL$ , aligning it with the reference value used by the Centers for Disease Control and Prevention (CDC), which was lowered from  $5\mu g/dL$  to  $3.5\mu g/dL$  in 2021.

DHS estimates that these changes would increase the annual number of lead hazard investigations that public health agencies conduct from 170 to 1,545. The funding and positions in the bill reflect the following proposals.

First, \$1,121,200 in 2023-24 and \$1,383,400 in 2024-25 would fund 12.5 environmental health specialist positions in regional DPH offices across the state to support local and tribal health departments in meeting this increased demand for lead hazard investigations. These staff could provide assistance to health departments that have designated lead investigation staff, and conduct investigations on behalf of health departments that do not have sufficient staff to conduct these investigations.

Second, \$349,200 in 2023-24 and \$425,600 in 2024-25 would fund 4.0 positions, including an environmental health specialist and a public health nurse in DPH's childhood lead poisoning prevention program. This program currently oversees lead hazard investigations and outreach and prevention grants.

Third, \$6,003,400 per year would increase grant funding for lead poisoning outreach and prevention activities from \$944,700 to \$6,948,100 annually. DHS currently provides these grants primarily to local and tribal public health departments.

A separate item, summarized under "Medical Assistance -- Eligibility and Benefits" would increase MA reimbursement rates for lead hazard investigations conducted on behalf of children enrolled in MA.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. MATERNAL AND INFANT MORTALITY PREVENTION PROGRAM

|     | Gove<br><u>(Chg. to</u><br>Funding P | o Base) | Jt. Finar<br><u>(Chg. t</u><br>Funding | <u>o Gov)</u> |     | <u>Change</u><br>Positions |
|-----|--------------------------------------|---------|--|---------------|-----|----------------------------|
| GPR | \$5,677,900                          | 2.00    | - \$5,677,900                          | - 2.00        | \$0 | 0.00                       |

**Governor:** Provide \$2,870,900 in 2023-24 and \$2,807,000 in 2024-25 and 2.0 positions, beginning in 2023-24, to operate a grant program to prevent and respond to maternal, fetal, and infant mortality. Create an annual appropriation for this purpose. Require DHS to award grants as

follows: (a) annually to organizations that seek to prevent maternal and infant mortality; (b) annually to fund the expansion of fetal and infant mortality review and maternal mortality review teams statewide; and (c) for grief and bereavement programming for those impacted by infant loss. Require DHS to provide technical assistance for organizations that seek to prevent infant mortality and for existing fetal and infant mortality review and child death review teams.

The Administration indicates that it would allocate the funding as follows: (a) \$2,150,000 per year for maternal and infant mortality prevention grants; (b) \$300,000 in 2023-24 and \$200,000 in 2024-25 to expand fetal, infant, and maternal mortality review teams; (c) \$200,000 per year for grief and bereavement programming; and (d) \$100,000 per year for technical assistance.

The 2.0 positions, funded at \$120,900 in 2023-24 and \$157,000 in 2024-25, would expand the Department's maternal mortality review team by adding a prevention coordinator to use review data to inform maternal mortality prevention efforts and a maternal mortality family interviewer to expand the use family interviews in mortality reviews.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. NEWBORN SCREENING PROGRAM [LFB Paper 436]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$5,225,900                | - \$5,225,900                     | \$0        |

**Governor:** Provide \$3,556,300 in 2023-24 and \$1,669,600 in 2024-25 to increase funding for services provided under a program that screens newborns for congenital disorders. Create an annual GPR appropriation for this purpose.

Currently, the program funds costs of special dietary treatments, other treatments, followup counseling, and program evaluation and administration. These services are supported solely by program revenue from a fee assessed for each screening performed. The current fee for a collection card, established by rule, is \$109. The fee revenue is divided between DHS and the University of Wisconsin (UW) State Laboratory of Hygiene, which analyzes the blood samples collected from newborns.

DHS indicates that, for at least the past six years, program costs have exceeded revenue collections, and program revenue balances have been used to fund the deficit. That balance has now been exhausted, and the program ended 2021-22 with an unsupported overdraft of \$535,000. DHS forecasts that the program will end 2022-23 with a negative balance of \$2,064,800. The proposed funding would provide this amount in 2023-24 to address the projected shortfall. The remaining \$1,491,500 in 2023-24 and \$1,669,600 in 2024-25 reflects the Department's estimate of the ongoing difference between projected program costs and fee revenue.

A separate item, summarized under "University of Wisconsin System," would provide GPR funding to support the UW State Laboratory of Hygiene's costs of analyzing tests.

Joint Finance/Legislature: Provision not included.

#### 6. ELECTROCARDIOGRAM SCREENING FOR SCHOOL ATHLETICS PILOT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,172,000                | - \$4,172,000                     | \$0        |

**Governor:** Provide \$4,172,000 in 2024-25 to create a pilot program to perform electrocardiogram (EKG) screenings for participants in middle and high school athletics. Require DHS to make grants to local public health departments to offer screenings in Milwaukee and Waukesha counties, and specify that the screenings be optional for athletes. The funding amount reflects the Administration's estimates that there are 40,000 student athletes in Milwaukee County and 15,600 in Waukesha County, and that the pilot program would screen each at an estimated cost of \$75 per EKG.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. CHILD WELLNESS GRANT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$3,360,000                | - \$3,360,000                     | \$0        |

**Governor:** Provide \$1,680,000 annually for DHS to award grants to free-standing pediatric teaching hospitals to fund programming related to parenting, education needs of and supports for chronically ill children, and case management for children with asthma.

Specify that a free-standing pediatric teaching hospital is eligible for a grant under this item only if Medical Assistance recipient inpatient days make up 45 percent or more of the total inpatient days at the hospital. While not specified in the bill, the only hospital that currently meets these criteria is Children's Hospital of Wisconsin in Milwaukee.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 8. SPINAL CORD INJURY RESEARCH GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$3,000,000                | - \$3,000,000                     | \$0        |

Governor: Provide \$1,500,000 annually to establish a program to award grants supporting

research into new and innovative treatments and rehabilitative efforts for the functional improvement of people with spinal cord injuries, including pharmaceutical, medical device, brain stimulus, and rehabilitative approaches and techniques. Authorize DHS to hold symposia once every two years, and require grant recipients to agree to present their research findings. Require DHS to submit, by January 15 of each year, annual reports to the Legislature identifying the recipients of grants under the grant program and the purposes for which the grants were used.

Create a Spinal Cord Injury Council in DHS. Require the Council to develop criteria for DHS to evaluate and award grants under the grant program, review and make recommendations to the Department on applications submitted under the grant program, and perform other duties specified by the DHS. Require DHS to appoint to the Council the following members serving two-year terms ending on July 1 of even-numbered years:

• One member representing the University of Wisconsin School of Medicine and Public Health;

- One member who has a spinal cord injury;
- One member who is a veteran who has a spinal cord injury; and
- One member who is a researcher in the field of neurosurgery.

Specify that DHS must appoint to the Council the following members serving two-year terms ending on July 1 of odd-numbered years:

- One member representing the Medical College of Wisconsin;
- One member who is a family member of a person with a spinal cord injury;
- One member who is a physician specializing in the treatment of spinal cord injuries;

• One member who is a researcher employed by the Veterans Health Administration of the U.S. Department of Veterans Affairs.

Specify that, if DHS is unable to appoint a member meeting one of the above conditions, the agency may appoint a member representing the general public instead. Specify that the initial appointees would serve until July 1 of 2025 or 2026, respectively, and that all appointees must disclose in a written statement to be included in the annual report to the Legislature any financial interest in any organization that the Council recommends to receive a grant under the grant program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

and

#### 9. MIKE JOHNSON LIFE CARE HIV/AIDS SERVICES [LFB Paper 437]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,000,000                | - \$2,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 annually to increase, from \$4,000,000 to \$5,000,000, annual funding for HIV/AIDS-related services under the Mike Johnson Life Care and Early Intervention Services grant. The current statutory annual limit on grants under the program would need to be amended to meet the Governor's intent.

Under current law, DHS awards the Mike Johnson grant to an HIV/AIDS service organization to fund certain harm reduction services for people living with HIV. These services include early intervention services to connect people to medical care and other supports following an HIV diagnosis. The grant also supports needs assessments and ongoing case management for anyone living with HIV and their family and caregivers. Grant funds may be used to provide counseling, therapy, and homecare services and supplies, and to refer people to other services that support the health of those living with HIV, including medical care, housing assistance, food assistance, and legal and social services. 2021 Act 226 expanded the Mike Johnson program to allow grant funds to be used to provide certain preventative services as well, including testing and consultation to partners of people living with HIV and others at risk of infection so that they can receive recently-developed pre-exposure prophylactic drugs (PrEP).

Joint Finance/Legislature: Provision not included.

### 10. STATE HEALTH CARE VALUE ANALYSIS GRANT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,800,000                | - \$1,800,000                     | \$0        |

**Governor:** Provide one-time funding of \$900,000 in 2023-24 and 2024-25 for a grant for the analysis of health care claims data under the Medical Assistance program and state employee health insurance to identify low-value care. "Low-value care" includes services that provide little or no benefit to patients, have the potential to cause harm, incur unnecessary costs to patients, or waste limited health care resources. Require the grant recipient to report their findings and any recommendations for providing effective and efficient care to DHS and the Department of Employee Trust Funds, and require these agencies to distribute these findings to health care providers, health maintenance organizations, and insurers providing state employee insurance plans.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. STOCKING AMBULANCES WITH EPINEPHRINE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,440,000                | - \$1,440,000                     | \$0        |

**Governor:** Provide \$720,000 annually for DHS to reimburse public or nonprofit ambulance service providers for the cost of acquiring epinephrine, including epinephrine auto-injectors such as EpiPens. Epinephrine is used for emergency treatment of severe allergic reactions, known as anaphylaxis, to insect bites or stings, medicine, foods, or other substances.

Require DHS to reimburse public and nonprofit ambulance service providers for a set of two epinephrine auto-injectors or injection kits for each ambulance they operate, and reimburse for replacement auto-injectors or kits as requested. Specify that ambulance service providers may choose between auto-injectors or draw-up epinephrine kits, but specify that each ambulance must be staffed with an emergency medical services professional qualified to administer the product provided for that ambulance.

For these purposes, define the following: (a) "ambulance service provider" as an ambulance service provider that is a public agency, volunteer fire department, or nonprofit corporation; (b) "draw-up epinephrine" means epinephrine that is administered intramuscularly using a needle and syringe and drawn up from a vial or ampule; (c) "draw up epinephrine kit" as a single use vial or ampule of draw up epinephrine and a syringe for administration to the patient; and (d) "epinephrine auto-injector" as a device for the automatic injection of epinephrine into the human body.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 12. NATIVE AMERICAN QUITLINE FOR TOBACCO AND VAPING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,005,000                | - \$1,005,000                     | \$0        |

**Governor:** Provide \$335,000 in 2023-24 and \$670,000 in 2024-25 to support tobacco and vaping cessation services that are responsive and tailored to Native American cultures. The funding would increase support for the American Indian Quit Line program, a dedicated hotline that provides coaching and referrals and the free cessation aids, such as nicotine patches.

In the 2021-23 biennium, DHS is budgeted \$5,315,000 GPR per year to provide tobacco and vaping prevention and control programs, services, and interventions. These activities are also supported by federal grant funding from the Centers for Disease Control and Prevention (CDC). The program includes the operation of a statewide quit line as well as the quit line tailored to Native American cultures. DHS indicates that the American Indian Quit Line is funded solely from a CDC grant, receiving \$122,000 annually. This provision would increase GPR funding for the tobacco and vaping prevention and control program to \$5,650,000 in 2023-24 and \$5,985,000 in 2024-25 to provide GPR funding to support the American Indian Quit Line.

The proposed funding reflects the Department's intent to expend \$200,000 in 2023-24 and \$400,000 in 2024-25 for marketing to increase awareness and promote use of the quit line, \$75,000 in 2023-24 and \$150,000 in 2024-25 for program operations as utilization increases, and \$60,000 in 2023-24 and \$120,000 in 2024-25 for grants to tribes and bands to conduct outreach.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **13. UPSTREAM PREVENTIVE HEALTHCARE AND RESILIENCE**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$500,000 annually to fund interventions to respond to adverse childhood experiences, trauma, and toxic stress and to build resilience, with a goal of preventing substance use disorders and other adverse health outcomes.

Currently, DHS operates the Resilient Wisconsin program to provide these upstream preventive services using grant funding from the Centers for Disease Control and Prevention (CDC) related to drug overdose prevention. Among other interventions, the program conducts outreach and provides information on supportive resources for people with mental health challenges, people experiencing trauma, first responders, people at risk of substance abuse, other at-risk groups, and their parents and caregivers.

The current CDC funding that supports the Resilient Wisconsin program expires in August, 2023. DHS anticipates that the CDC will issue new grants to continue to support drug overdose prevention, but indicates that the Resilient Wisconsin program may not align with the focus of this renewed funding. DHS indicates that new grant funding focused on opioid overdose prevention could support activities such as Narcan and fentanyl strip distribution or programs for EMS and law enforcement to leave safety supplies following an encounter.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 14. SUICIDE PREVENTION GRANT PROGRAM

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| GP | R \$1,000,000              | - \$1,000,000                     | \$0        |

Governor: Provide \$500,000 annually to create a suicide prevention grant program. Modify

a current local assistance appropriation to include this purpose, and specify that DHS may distribute up to \$500,000 annually in grants for suicide prevention activities.

Require DHS to implement a statewide suicide prevention program that creates public awareness for issues related to suicide prevention, builds community networks, and conducts training programs on suicide prevention for law enforcement personnel, health care providers, school employees, and other persons who have contact with persons at risk of suicide.

As part of the program, require DHS to do all of the following:

(a) Coordinate suicide prevention activities with other state agencies;

(b) Provide educational activities to the general public relating to suicide prevention;

(c) Provide training to people who routinely interact with people at risk of suicide, including training on recognizing people at risk of suicide and referring those people for appropriate treatment or support services;

(d) Develop and carry out public awareness and media campaigns in each county directed at groups of people who are at higher risk of suicide;

(e) Enhance crisis services relating to suicide prevention;

(f) Link people trained in the assessment of and intervention in suicide with schools, public community centers, nursing homes, and other facilities serving persons most at risk of suicide;

(g) Coordinate the establishment of local advisory groups in each county to support the efforts of the suicide prevention program;

(h) Work with groups advocating suicide prevention, community coalitions, managers of existing crisis hotlines that are nationally accredited or certified, and staff members of mental health agencies in this state to identify and address the barriers that interfere with providing services to groups of people who are at higher risk of suicide;

(i) Develop and maintain a website with links to appropriate resource documents, suicide hotlines that are nationally accredited or certified, credentialed professional personnel, state and local mental health agencies, and appropriate national organizations;

(j) Review current research on data collection for factors related to suicide and develops recommendations for improved systems of surveillance for suicide and uniform collection of data related to suicide;

(k) Develop and submit proposals for funding from federal government agencies and nongovernmental organizations; and

(1) Administer grant programs involving suicide prevention.

Grants Relating to Firearms. As part of this grant program, require DHS to distribute up to

\$75,000 from the \$500,000 annual total for grants to organizations, coalitions, local governments, or Native American tribes or bands to provide training for staff at firearm retailers or ranges in recognizing a person that may be considering suicide, to distribute suicide prevention materials at firearm retailers or ranges, or to provide voluntary, temporary firearm storage. Require grant recipients to contribute matching funds or in-kind services with a value equal to at least 20% of the grant. Limit the amount of any of these grants to \$5,000, and prohibit DHS from awarding any of these grants for a duration of more than one year, and from automatically renewing such a grant. Specify that this provision may not be construed to prevent an organization, or coalition of organizations, from re-applying for a grant in consecutive years. Direct DHS to give preference to organizations or coalitions of organizations that have not previously received such grants.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **15.** SUICIDE PREVENTION COORDINATOR [LFB Paper 438]

|     | Gove<br><u>(Chg. tơ</u><br>Funding P | o Base) | Jt. Fina<br><u>(Chg. (</u><br>Funding | to Gov) |     | <u>Change</u><br>Positions |
|-----|--------------------------------------|---------|---------------------------------------|---------|-----|----------------------------|
| GPR | \$154,100                            | 1.00    | - \$154,100                           | - 1.00  | \$0 | 0.00                       |

**Governor:** Provide \$66,800 in 2023-24 and \$87,300 in 2024-25 and 1.0 position, beginning in 2023-24, for the Injury and Violence Prevention Program. The program conducts statewide surveillance of injuries and violence, provides education, promotes interventions to reduce injuries and violence, and works with local and tribal public health departments to implement related programs. DHS would use this position to create a suicide and self-harm prevention coordinator within the program. The coordinator would create new partnerships to support suicide and self-harm prevention efforts, organize current programs, provide training and technical assistance, and develop a communications plan, among other duties.

Joint Finance/Legislature: Provision not included.

# 16. GRANTS TO FREE AND CHARITABLE CLINICS [LFB Paper 439]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$1,000,000                | \$500,000                         | \$1,500,000 |

**Governor:** Provide \$500,000 annually to increase, from \$1,500,000 to \$2,000,000, annual funding for grants DHS distributes to free and charitable clinics. Modify the statutory requirement to distribute these grants to reflect the increased amount.

Currently, DHS distributes grants to free and charitable clinics that meet certain statutory qualifications, including operating as a nonprofit and providing medical or dental care, or

prescription drugs, to people who are uninsured, underinsured, or have limited or no access to primary, specialty, or prescription care. Federally qualified health centers (FQHCs) are ineligible to receive these grants, but receive state support under a separate grant program.

Joint Finance/Legislature: Provide an additional \$250,000 per year, for a total funding increase of \$750,000 annually. Under Act 19, total grant funding is budgeted at \$2,250,000 per year.

[Act 19 Section: 438]

# 17. AMYOTROPHIC LATERAL SCLEROSIS (ALS) SUPPORTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$500,000                  | - \$500,000                       | \$0        |

**Governor:** Provide \$250,000 annually as a grant to an organization that supports and provides services for people with ALS and their families, including respite care and financial assistance with costs of care not covered by insurance. Modify statutes to require DHS to distribute a grant in this amount for this purpose each fiscal year.

ALS, also known as Lou Gehrig's disease, is a disease that affects the brain and spinal cord, causing progressive loss of muscle control and eventual death. Respite care refers to temporary care for someone with ALS to allow their usual caregiver, often a spouse or family member, time to attend to other obligations and their own needs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **18. CERTIFICATION OF EMERGENCY MEDICAL RESPONDERS AND STATE EMS DATA SYSTEMS**

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$505,000  | 2.00 | - \$505,000   | - 2.00 | \$0                                    | 0.00 |

**Governor:** Provide \$233,600 in 2023-24 and \$271,400 in 2024-25, and 2.0 positions, beginning in 2023-24, to manage and improve emergency medical services (EMS) data systems and to begin certifying applicants as emergency medical responders (EMRs) under broader eligibility criteria that do not require passage of the EMR examination developed by the National Registry of Emergency Medical Technicians (NREMT).

Current law requires applicants for EMR certification to complete a DHS-approved EMR

training course that meets standards established by the National Highway Traffic Safety Administration (NHTSA), unless the applicant has military experience that DHS determines to be substantially equivalent. Current administrative rules require applicants to pass the NREMT examination in addition to completing a DHS-approved EMR training course.

Authorize DHS, in consultation with the state EMS Board, to promulgate rules establishing standards for EMR training courses. Modify statutes to require DHS to certify individuals as EMRs who complete any DHS-certified training program for EMRs without any additional training or examination requirements, including the NREMT examination. Additionally, allow passage of the NREMT examination to waive the training requirement. Specify that no EMR may take the place of EMS personnel with a higher level of certification on an ambulance crew, as generally permitted in rural jurisdictions with no municipality with a population greater than 20,000, unless that EMR has passed the NREMT examination. Specify that these statutory changes, other than the DHS rule-making authority, would take effect July 1, 2024.

The positions that would be provided under this item are intended to fund 1.0 health services manager to implement the modified EMR training, examination, and certification standards and procedures (\$66,800 in 2023-24 and \$87,300 in 2024-25) and 1.0 data analyst to manage EMS licensing, monitoring, and reporting systems and data (\$71,800 in 2023-24 and \$94,100 in 2024-25). In addition to work on the EMS professional licensing system, the data analyst would manage the Wisconsin Ambulance Run Data System (WARDS) and make modifications to integrate it with updates to the National EMS Information System, and improve the quality and accessibility of other EMS data.

The remaining funding consists of \$20,000 annually to maintain the licensing and WARDS systems, and one-time funding of \$75,000 in 2023-24 and \$70,000 in 2024-25 to make upgrades to the licensing and WARDS systems related to the EMR certification changes and to evaluate the EMR scope of practice.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **19. AMBULANCE INSPECTION PROGRAM**

|     | (Chg.     | vernor<br><u>to Base)</u><br>Positions | Jt. Fina<br><u>(Chg. 1</u><br>Funding | to Gov) |     | <u>Change</u><br>Positions |
|-----|-----------|--|---------------------------------------|---------|-----|----------------------------|
| GPR | \$152,800 | 1.00                                   | - \$152,800                           | - 1.00  | \$0 | 0.00                       |

**Governor:** Provide \$65,500 in 2023-24 and \$87,300 in 2024-25 and 1.0 position, beginning in 2023-24, to perform inspections of medical equipment on ambulances. Currently, the Department of Transportation (DOT) conducts vehicle safety inspections of ambulances as well as inspections of medical equipment such as stretchers, suction aspirators, and oxygen equipment. However, under recent changes to DOT administrative rules, DOT will cease inspections of medical equipment on July 15, 2023, with the intent to transfer this responsibility to DHS. DHS currently provides other oversight of emergency medical services (EMS) programs, including

approving operational plans and licensing EMS professionals.

Additionally, make statutory changes to delete the requirement that DOT inspect ambulance medical equipment, require DHS to do so prior to DOT issuing or renewing an ambulance's registration, and authorize DHS to establish administrative rules relating to the inspections.

Joint Finance/Legislature: Provision not included.

#### 20. PFAS OUTREACH AND AWARENESS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$200,000                  | - \$200,000                       | \$0        |

**Governor:** Provide \$100,000 annually for the Division of Public Health to distribute as grants to increase awareness and conduct outreach related to per- and polyfluoroalkyl substances (PFAS). These substances have potential negative health impacts and can contaminate soil and drinking water and become biologically concentrated in fish and other wildlife. PFAS were used in firefighting foams and as protective coatings in many consumer products.

Joint Finance/Legislature: Provision not included.

#### 21. BUREAU OF COMMUNICABLE DISEASES POSITION CONVERSION

|                     |                                      | vernor<br>. to Base)          | <u>(Chg.</u>    | nce/Leg.<br>to Gov)           |                | Change  |
|---------------------|--------------------------------------|-------------------------------|-----------------|-------------------------------|----------------|---|
|                     | Funding                              | Positions                     | Funding         | Positions                     | Funding        | Positions   |
| GPR<br>FED<br>Total | \$170,800<br><u>- 170,800</u><br>\$0 | 1.00<br><u>- 1.00</u><br>0.00 | - \$170,800<br> | - 1.00<br><u>1.00</u><br>0.00 | \$0<br><br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

**Governor:** Provide \$73,900 GPR in 2023-24 and \$96,900 GPR in 2024-25 and reduce FED funding by identical amounts to convert 1.0 FED current epidemiologist position in the Division of Public Health from FED to GPR, beginning in 2023-24. The position is in the Bureau of Communicable Diseases, which is responsible for the prevention, surveillance, and control of communicable diseases and provides education, outreach and assistance to local and tribal health departments, health care providers, and the general public. The Bureau comprises 133.0 positions (3.55 GPR, 127.95 FED, and 1.50 PR) in the base. Many of the federal positions are supported by one-time funding the state received to respond to the COVID-19 pandemic, and many would be removed under the standard budget adjustments.

Joint Finance/Legislature: Provision not included.

#### 22. **REACH OUT AND READ** [LFB Paper 657]

Joint Finance/Legislature: Provide \$500,000 in 2023-24 in a biennial appropriation for DHS to distribute as grants to Reach Out and Read, Inc., for the early literacy program known as Reach Out and Read Wisconsin. The program provides books and early literacy guidance integrated into regular pediatric primary care appointments. The 2021-23 biennial budget act provided one-time funding of \$500,000 GPR in 2021-22 for the program. The Governor's budget provided \$250,000 GPR annually under the Department of Public Instruction to support this program, but the Committee did not include that provision. See "Public Instruction --Administrative and Other Funding."

#### 23. **DENTISTRY RESIDENCY**

Joint Finance/Legislature: Provide \$5,000,000 GPR in 2023-24 in the Joint Committee on Finance program supplements appropriation for the establishment of a general dentistry residency program at the Marquette Dental School. A general practice residency program typically provides one year of postgraduate training to dentists to develop skills and experience with medically complex and special-needs patients in a variety of practice settings. The fiscal effect of this change is shown under "Program Supplements."

#### 24. ALLIED HEALTH PROFESSIONAL TRAINING

Joint Finance/Legislature: Provide one-time funding of \$2,500,000 in 2023-24 and 2024-25 to increase funding for allied health professional education and training grants. Expand eligibility for the program to include registered nurses. Under current law, the program provides grants to hospitals, health systems, and educational entities for expenses related to training health care providers other than physicians, registered nurses, dentists, pharmacists, chiropractors, or podiatrists. This item would increase the annual amount appropriated for these grants from \$500,000 to \$3,000,000 in the 2023-25 biennium only.

[Act 19 Section: 416]

Page 418

#### 25. SURGICAL COLLABORATIVE OF WISCONSIN

Joint Finance/Legislature: Provide one-time funding of \$150,000 in 2023-24 and 2024-25 for DHS to award as grants to the Surgical Collaborative of Wisconsin. Create an appropriation for this purpose, and repeal that appropriation effective July 1, 2025. The collaborative is a partnership of health care and insurance organizations and practitioners that seeks to improve the quality of surgical care.

[Act 19 Sections: 103, 104, 418, 419, and 9419(1)]

\$5,000,000

GPR \$300,000

GPR

GPR

\$500,000

#### HEALTH SERVICES -- BEHAVIORAL HEALTH

Г

#### 26. GENERAL PROGRAM OPERATIONS FUNDING

**Joint Finance/Legislature:** Reduce funding for the Division of Public Health's general program operations by \$76,700 annually. With base funding of \$9,724,300 GPR per year, this appropriation supports staff costs, rent, data processing, and other supplies and services for the operation of the Division of Public Health.

#### 27. EMERGENCY MEDICAL SERVICES ASSISTANCE

**Joint Finance/Legislature:** Modify funding for emergency medical services assistance program grants by funding the program from

segregated revenue from the local government fund (SEG) instead of the general fund (GPR), beginning in 2024-25. Provide \$25,000,000 SEG and eliminate base GPR funding of \$2,200,000, for a net increase of \$22,800,000, beginning in 2024-25. The program currently provides grants to ambulance service providers to support operations and improvements and to offset costs of training and professional examinations.

Authorize DHS to distribute grants to emergency medical responder departments, in addition to ambulance service providers. (Emergency medical responder departments are agencies that respond to 9-1-1 calls to provide medical treatment, but do not transport patients.) Specify that grant funds may be used for disposable medical supplies or equipment and medications, in addition to the current eligible uses. Limit expenditures for medications and disposable medical supplies and equipment to 15% of an agency's total grant amount. Direct the Emergency Medical Services Board to adjust the formula for distribution of grants to take into account newly eligible entities and expanded uses for which grant funding may be used.

Under current law, DHS provides annual grants to every ambulance service provider that actively transports patients, providing a uniform base amount for each grantee and an amount based on the population of each grantee's primary service area.

[Act 19 Sections: 102, 439 thru 447, and 9119(6)]

# **Behavioral Health**

### 1. CRISIS URGENT CARE AND OBSERVATION FACILITIES [LFB Paper 445]

|     |              | vernor<br><u>to Base)</u><br>Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|---|-----|----------------------------|
| GPR | \$10,103,200 | 1.00                                   | - \$10,103,200 - 1.00   | \$0 | 0.00                       |

Governor: Provide \$64,700 in 2023-24 and \$10,038,500 in 2024-25 and 1.0 position,

| GPR   | - \$2,200,000 |
|-------|---------------|
| SEG   | 25,000,000    |
| Total | \$22,800,000  |

- \$153,400

GPR

beginning in 2023-24, for making grants for crisis urgent care and observation facilities and for the administration of the grant program. Create an annual GPR appropriation for the grant program and require DHS to award grants to individuals and entities to develop and support crisis urgent care and observation facilities.

Specify that a crisis urgent care and observation facility shall do all of the following: (a) accept referrals for crisis services for both youths and adults, including involuntary patients under emergency detention, voluntary patients, walk-ins, and individuals brought by law enforcement, emergency medical responders, and other emergency medical services practitioners; (b) abstain from having a requirement for medical clearance before admission assessment; (c) provide assessments for physical health, substance use disorder, and mental health; (d) provide screens for suicide and violence risk; (e) provide medication management and therapeutic counseling; (f) provide coordination of services for basic needs; (g) have adequate staffing 24 hours a day, seven days a week, with a multidisciplinary team including, as needed, psychiatrists or psychiatric nurse practitioners, nurses, licensed clinicians capable of completing assessments and providing necessary treatment, peers with lived experience, and other appropriate staff; and (h) allow for voluntary and involuntary treatment of individuals in crisis as a means to avoid unnecessary placement of those individuals in hospital inpatient beds and allow for an effective conversion to voluntary stabilization when warranted in the same setting.

Specify that a crisis urgent care and observation facility may accept individuals for emergency detention under Chapter 51 of the statutes if the facility agrees to accept the individual, but specify that a county crisis assessment is required prior to acceptance of an individual for purposes of emergency detention at a crisis urgent care and observation facility. Specify that medical clearance is not required before admission, but that the facility must provide necessary medical services on site.

Specify that a crisis urgent care and observation facility may accept individuals for voluntary stabilization, observation, and treatment, including for assessments for mental health or substance use disorder, screening for suicide and violence risk, and medication management and therapeutic counseling.

Specify that no person may operate a crisis urgent care and observation facility without a certification for such a facility issued by the Department. Require the Department to establish a certification process for crisis urgent care and observation facilities, and specify that the Department may establish, by rule, criteria for the certification of such a facility. Specify that the Department may limit the number of certifications it grants to operate crisis urgent care and observation facilities. Require DHS to establish, by rule, a process for crisis urgent care and observation facilities to apply for provider certification under the Medical Assistance program.

Specify that a crisis urgent care and observation facility is not considered a hospital under statutory provisions pertaining to hospital regulation and specify that a crisis urgent care and observation facility is not subject to facility regulation applicable to hospitals, unless otherwise required due to the facility's licensure or certification for other services or purposes.

Specify that services provided by a crisis urgent care and observation facility that is certified by the Department are considered crisis intervention services for the purposes of eligibility for

reimbursement under the Medical Assistance program. Require DHS to request any necessary federal approval required to provide reimbursement to crisis urgent care and observation facilities for crisis intervention services. Require DHS to provide reimbursement for such services if federal approval is granted or no federal approval is required. Specify that if federal approval is necessary but is not granted, the Department may not provide reimbursement for crisis intervention services provided by crisis urgent care and observation facilities.

For these purposes, define "crisis" as a situation caused by an individual's apparent mental or substance use disorder that results in a high level of stress or anxiety for the individual, persons providing care for the individual, or the public and that is not resolved by the available coping methods of the individual or by the efforts of those providing ordinary care or support for the individual. Define "crisis urgent care and observation facility" as a treatment facility that admits an individual to prevent, de-escalate, or treat the individual's mental health or substance use disorder and includes the necessary structure and staff to support the individual's needs relating to the mental health or substance use disorder.

Authorize the Department to promulgate rules to implement provisions related to crisis urgent care and observation facilities, including requirements for admitting and holding individuals for the purposes of emergency detention. Authorize the Department to promulgate an emergency rule that may remain in effect for not more than 24 months, without meeting prerequisites that otherwise apply to emergency rulemaking authority.

The funding provided under this item reflects the Administration's estimate of the cost to support two 16-bed crisis urgent care centers.

**Joint Finance/Legislature:** Reduce funding by \$64,700 in 2023-24 and \$10,038,500 in 2024-25 and delete the 1.0 position, to eliminate all funding for DHS under this item as well as the position to administer the program. Delete the statutory language associated with establishing the crisis urgent care and observation facility and the grant program. Create a biennial appropriation (rather than annual appropriation) for making grants for crisis urgent care and observation facilities, but with no funding provided. Provide \$10,000,000 GPR in 2023-24 in the Joint Committee on Finance program supplements appropriation, for regional crisis urgent care and observation facilities. The fiscal effect of this provision is reflected in "Program Supplements."

[Act 19 Section: 108]

### 2. SUICIDE AND CRISIS LIFELINE GRANTS [LFB Paper 446]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$3,004,400                | - \$3,004,400                     | \$0        |

**Governor:** Provide \$898,700 in 2023-24 and \$2,105,700 in 2024-25 in a new appropriation for suicide and crisis lifeline grants. Require the Department to award grants to organizations that provide crisis intervention services and crisis care coordination to individuals who contact the national crisis hotline from anywhere in the state. Specify that the national crisis hotline refers to

the 988 telephone or text access number, or its successor.

Currently, the Department contracts with Family Services of Northeast Wisconsin to operate the state's 988 suicide and crisis lifeline, which accepts calls, texts, and chats from Wisconsin residents who are experiencing crisis or are having suicidal thoughts. The lifeline operates 24 hours a day, seven days a week and is staffed by mental health professionals and trained volunteers to help callers manage crisis episodes and connect them with local, follow-up services as needed. Wisconsin's 988 lifeline is a member organization of the national 988 suicide and crisis lifeline. The Department allocates \$2,000,000 annually from the state's federal mental health block grant funds to support this service. In addition, the state has received one-time grants for 988 implementation. This item would provide the difference between the federal grant funds and the Administration's estimate of the full cost of supporting the service in the 2023-25 biennium.

Joint Finance/Legislature: Provision not included.

## 3. PSYCHIATRIC RESIDENTIAL TREATMENT FACILITY CERTIFICATION AND GRANT PROGRAM [LFB Paper 447]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,790,000                | - \$1,790,000                     | \$0        |

**Governor:** Provide \$1,790,000 in 2024-25 in the Department's grants for community programs appropriation, and authorize DHS to distribute not more than that amount annually to support psychiatric residential treatment facilities.

Define a psychiatric residential treatment facility (PRTF) as a non-hospital facility that provides inpatient comprehensive mental health treatment services to individuals under the age of 21 who, due to mental illness, substance use, or severe emotional disturbance, need treatment that can most effectively be provided in a residential treatment facility. Specify that no person may operate a PRTF without a certification from the Department. Specify that a PRTF that is certified by the Department is not subject to facility regulations currently applicable to children's facilities licensed by the Department of Children and Families, such as foster homes, group homes, and child care centers. Specify that the Department may limit the number of certifications it grants to operate a PRTF.

Specify that services provided by a PRTF that is certified by the Department are eligible for reimbursement under the Medical Assistance program. Require DHS to submit to the federal Department of Health and Human Services any request for a state plan amendment, waiver, or other federal approval necessary to provide reimbursement under the program. Require DHS to provide reimbursement for such services if federal approval is granted or if no federal approval is required. Specify that if federal approval is not granted, the Department may not provide reimbursement for services provided by PRTFs.

Authorize the Department to promulgate rules to implement provisions related to PRTFs.

Authorize the Department to promulgate an emergency rule implementing these provisions, including the development of a new provider type and a reimbursement model for PRTFs under MA, without meeting prerequisites that otherwise apply to emergency rulemaking authority. Specify that any such emergency rules would remain in effect until July 1, 2025, or the date that permanent rules take effect, whichever is sooner.

The Administration indicates that the creation of a psychiatric residential treatment facility type is intended to provide a treatment option for youths with complex needs in out-of-home care who are currently placed in out-of-state facilities. These facilities are expected to bill MA to support most of their operational costs. However, this item would provide funding for "bed hold" grants to help support the facility's costs, with the expectation that it would not always be fully occupied with MA-eligible youth.

Joint Finance/Legislature: Provision not included.

### 4. MENTAL HEALTH CONSULTATION PROGRAM [LFB Paper 448]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Provide \$2,000,000 annually to expand consultation services the Medical College of Wisconsin provides to assist primary care physicians and clinics in providing care to their patients by creating a mental health consultation program and retaining a separate consultation program for addiction medicine.

*Mental Health Consultation Program.* Provide a total of \$4,000,000 GPR annually to fund a mental health consultation program by: (a) reallocating \$2,000,000 of \$2,500,000 in base funding budgeted for the child psychiatry and addiction medicine consultation program; and (b) providing an additional \$2,000,000 annually to support the new program.

Require DHS to contract with the organization that provided consultation services through the child psychiatry consultation program, as of January 1, 2023 (the Medical College of Wisconsin) to administer the mental health consultation program and specify that in subsequent fiscal years the Department must contract with that organization or another organization to administer the mental health consultation program. Specify that the contracting organization must administer a mental health consultation program that incorporates a comprehensive set of mental health consultation services, which may include perinatal, child, adult, geriatric, pain, veteran, and general mental health consultation services. Specify that the organization may contract with any other entity to perform any operations and satisfy any requirements under the program. Specify that consultation through the program may be provided by teleconference, video conference, voice over Internet protocol, email, pager, in-person conference, or any other telecommunication or electronic means.

In addition, require the contracting organization to do all of the following:

• Ensure that all mental health care providers who are providing services through the program have the applicable credential from the state, and that any psychiatric professional providing consultation services is eligible for certification or is certified by the American Board of Psychiatry and Neurology for adult psychiatry, child and adolescent psychiatry, or both, and that any psychologist providing consultation services is registered in a professional organization, including the American Psychological Association, National Register of Health Service Psychologists, Association for Psychological Science, or the National Alliance of Professional Psychology Providers;

- Maintain the infrastructure necessary to provide the program's services statewide;
- Operate the program on weekdays during normal business hours of 8 a.m. to 5 p.m.;
- Provide consultation services under the program as promptly as is practicable;

• Have the capability to provide consultation services by, at a minimum, telephone and email;

• Provide all of the following services through the program: (i) support for participating clinicians to assist in the management of mental health concerns; (ii) triage-level assessments to determine the most appropriate response to each request, including appropriate referrals to any community providers and health systems; (iii) when medically appropriate, diagnostics and therapeutic feedback; and (iv) recruitment of other clinicians into the program as participating clinicians when possible;

• Report to DHS any information requested by the Department; and

• Conduct annual surveys of participating clinicians who use the program to assess the quality of care provided, self-perceived levels of confidence in providing mental health services, and satisfaction with the consultations and other services provided through the program.

Specify that immediately after participating clinicians begin using the program and again six to 12 months later, the contracting organization may conduct assessments of participating clinicians to assess the barriers to and benefits of participation in the program to make future improvements and to determine the participating clinicians' treatment abilities, confidence, and awareness of relevant resources before and after beginning to use the program.

Specify that, in addition to the consultation services, the contracting organization may provide any of the following services eligible for funding from the Department: (a) second opinion diagnostic and medication management evaluations and community resource referrals conducted by either a psychiatrist or allied health professionals; (b) in-person or web-based educational seminars and refresher courses on a medically appropriate topic within mental or behavioral health care provided to any participating clinician who uses the program; and (c) data evaluation and assessment of the program.

Define "participating clinicians," for the purposes of the program, to include physicians, nurse practitioners, physician assistants, and medically appropriate members of the care teams of physicians, nurse practitioners, and physician assistants.

Repeal provisions enacted as part of 2019 Act 9 that direct DHS to develop a comprehensive mental health consultation program.

*Child Psychiatry and Addiction Medicine Consultation Program.* Repeal all provisions relating to the child psychiatry consultation program to reflect the availability of these services under the new mental health consultation program. Retitle the appropriation and purpose for this program to reflect the creation of the mental health consultation program. However, retain provisions relating to the addiction medicine consultation program, and create a biennial appropriation, budgeted at \$500,000 GPR annually, to continue to support the addiction medicine consultation program.

Joint Finance/Legislature: Provision not included.

# 5. DEAF, HARD OF HEARING, AND DEAF-BLIND BEHAVIORAL TREATMENT PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,936,000                | - \$1,936,000                     | \$0        |

**Governor:** Provide \$1,936,000 in 2024-25 in the Department's appropriation for grants for community programs, to provide behavioral health treatment services for individuals who are deaf, hard of hearing, or deaf-blind. Authorize DHS to distribute not more than that amount in each fiscal year, beginning in 2024-25, to a statewide provider of these services. The Administration indicates that the funding would be used for services provided by healthcare providers that are fluent in American Sign Language. The funding is based on estimated cost of supporting eight personnel for providing and coordinating services, including salary, fringe benefits, supplies and services, and accommodations.

Joint Finance/Legislature: Provision not included.

# 6. YOUTH CRISIS STABILIZATION FACILITY GRANTS

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$1,992,800                | - \$1,992,800                     | \$0        |
| PR    | <u>- 1,992,800</u>         | <u>1,992,800</u>                  | _0         |
| Total | \$0                        | \$0                               | \$0        |

**Governor:** Provide \$996,400 GPR annually and reduce PR funding by corresponding amounts to fund youth crisis stabilization grants with GPR, rather than program revenue received by the state mental health institutes. Create an annual GPR appropriation for that purpose, and require DHS to make youth stabilization grants from this appropriation.

The Department currently makes grants to support two youth crisis stabilization facilities, which provide short-term residential stabilization for youth age 17 or younger who are experiencing a mental health crisis. (The two facilities are located in Marathon County and Milwaukee County.) The 2017-19 budget act established the grant program, and funded it with annual PR transfers to the Department's "center" program revenue appropriation. The "center" appropriation authorizes DHS to transfer and expend any amount of funding from the DHS PR appropriation that supports DHS facilities operations to "make payments to an organization that establishes a center that provides services." Currently, the grants are funded from PR the mental health institutes receive from charges to counties for the admission of their residents under emergency detention or civil commitment procedures. The Administration indicates that, while there had been surplus revenue in that appropriation to support the cost of the youth crisis stabilization facility grants when the program was created, there is no longer an account balance sufficient to continue funding the grants. Under this item, the grants would instead be funded through a new GPR appropriation.

Joint Finance/Legislature: Provision not included.

### 7. PEER-RUN RESPITE CENTER FUNDING

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$900,000                  | - \$900,000                       | \$0        |
| PR    | <u>- 900,000</u>           | 900,000                           | 0          |
| Total | \$0                        | \$0                               | \$0        |

**Governor:** Provide \$450,000 GPR annually and reduce PR funding by corresponding amounts to fund a peer-run respite center grant for veterans with GPR, rather than program revenue received by the state mental health institutes. Modify statutory provisions related to peer-run respite center grants to specify that all such grants would be made from the community programs appropriation and to eliminate the \$1,200,000 statutory annual limit on grants, to reflect that the Department would make the grant to the veterans peer-run respite center from that appropriation, along with the current grants made to the other peer-run respite centers.

Peer-run respite centers provide short-term residential stays for persons experiencing mental health or substance abuse issues, staffed by persons have had experience living with those conditions. DHS currently provides grants of approximately \$450,000 each to support four peer-run respite centers, one of which is a grant to Mental Health of America to operate a peer-run respite center for veterans in the Milwaukee area.

The 2017-19 budget established the grant for the peer-run respite center for veterans, and funded it with annual PR transfers to the Department's "center" program revenue appropriation. The "center" appropriation authorizes DHS to transfer and expend any amount of funding from the DHS PR appropriation that supports DHS facilities operations to "make payments to an organization that establishes a center that provides services." Currently, the grant is funded from revenue the mental health institutes receive from charges to counties for the admission of their residents under emergency detention or civil commitment procedures. The Administration

indicates that, while there had been surplus revenue in that appropriation to support the cost of the veterans peer-run respite facility grant when the program was created, there is no longer an account balance sufficient to continue funding that grant. Under this item, the grant for the veterans peer-run respite center would be made from the same GPR appropriation that is used to support the grants for the other three peer-run respite centers.

Joint Finance/Legislature: Provision not included.

# 8. PEER RECOVERY CENTER GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$520,000                  | - \$520,000                       | \$0        |

**Governor:** Provide \$260,000 annually in the Department's grants for community programs appropriation and specify that DHS may make grants of not more than that amount for regional peer recovery centers for individuals experiencing mental health and substance abuse issues. A peer recovery center is a place where adults who have experienced mental health or substance use issues may meet with others who have had similar experiences to help sustain their recovery. The Administration indicates that the grant funds would be used to support existing peer recovery centers that have received grants from the Department using federal block grant funds, as well as to support two other peer recovery centers in other parts of the state. In 2021, DHS awarded \$30,000 grants for 11 peer recovery centers using federal mental health and substance abuse block grant funds.

Joint Finance/Legislature: Provision not included.

# 9. OPIOID ANTAGONIST PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Provide \$2,000,000 annually in the Department's community grants appropriation and direct DHS to annually award up to that amount to entities for the purchase of opioid antagonists. An opioid antagonist binds to opioid receptors in the brain to compete for or displace opioid agonists, potentially reversing the effect of an opioid overdose. Naracan is the brand name for an injectable and nasal spray delivery formulation of naltrexone, an opioid antagonist approved by the Federal Drug Administration to prevent death or injury from opioid overdose. The Department has established the Narcan Direct program, funded with federal opioid response funds as well as opioid distributor settlement funds, to make the drug available to various community entities in an effort to reduce overdose deaths. This item would establish an ongoing GPR funding source for the purchase of Narcan.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. STIMULANT PREVENTION AND TREATMENT RESPONSE PROGRAMS

|   |    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---|----|----------------------------|-----------------------------------|------------|
| G | PR | \$3,288,000                | - \$3,288,000                     | \$0        |

**Governor:** Provide \$1,644,000 annually in the Department's community grants appropriation and authorize DHS to annually distribute not more than that amount to support stimulant use prevention and treatment programs and services. Stimulant drugs that are most commonly abused include methamphetamine and cocaine. The Administration indicates that the funds would be used to support treatment services in counties with high needs and to support stimulant abuse prevention training programs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 11. QUALIFIED TREATMENT TRAINEE GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,576,600                | - \$1,576,600                     | \$0        |

**Governor:** Provide \$1,576,600 in 2024-25 for qualified treatment trainee (QTT) grants. A QTT is a person who has earned or is working toward a graduate degree in one of several mental health fields, such as psychology, social work, marriage and family therapy, or nursing, but who has not yet completed supervised practice requirements necessary for professional licensure. DHS makes grants to mental health and substance abuse providers to help support the employment of QTTs during their period of supervised practice. The base funding for making grants is \$750,000 GPR, but in 2022 the Department allocated \$7,600,000 in ARPA funds for additional QTT grants, to be distributed over a 29-month period that ends in December 2024. With this supplemental funding, the Department is currently providing a total of \$3,153,100 on an annualized basis for QTT grants. This item would increase GPR funding for QTT grants in 2024-25, bringing the GPR total to \$2,326,600. This increase would provide sufficient state funding to replace the expiring federal funding in the final six months of that fiscal year. To continue this level of support with GPR, an additional increase of \$826,500 would be needed in 2025-26.

### Joint Finance/Legislature: Provision not included.

# **12. HEALTH CARE AND PUBLIC HEALTH WORKFORCE MENTAL HEALTH PILOT PROGRAM**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$621,000                  | - \$621,000                       | \$0        |

**Governor:** Provide \$621,000 in 2023-24 in the Department's grants for community programs appropriation and require DHS to distribute that amount in 2024-25 to support a pilot project in Dane County relating to the impact of the COVID-19 pandemic on the health care workforce.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 13. OPENING AVENUES TO REENTRY SUCCESS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |
|-----|--|------|--------------|---|-----|--|--|
| GPR | \$384,200  | 2.00 | - \$384,200  | - 2.00  | \$0 | 0.00                                   |  |

**Governor:** Provide \$167,500 in 2023-24 and \$216,700 in 2024-25 and 2.0 positions, beginning in 2023-24, to support administrative functions associated with an expansion of the opening avenues to reentry success program (OARS). OARS is administered jointly by DHS and the Department of Corrections (DOC) to provide behavioral health services to persons who are released from prison with identified mental health needs and who are assessed to have a moderate to high risk of reoffending. A separate item, summarized under "Corrections -- Community Corrections," would provide \$3,449,600 GPR in 2023-24 and \$5,346,900 GPR in 2024-25 to allow the program to enroll additional individuals and to provide state funding to replace a portion of the funding that is currently provided by a federal grant, which will expire in 2023-24.

This item would provide two positions in DHS to perform the administrative functions of the program, including oversight of the contracts with the providers who render services to clients.

Joint Finance/Legislature: Provision not included.

#### 14. SERVICE DOGS TRAINING GRANT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$250,000                  | - \$250,000                       | \$0        |

**Governor:** Provide \$125,000 annually in a new, annual appropriation for grants for service dog training, and require DHS to award grants to organizations that train service dogs to assist providers in attaining accreditation specific to post-traumatic stress disorder training from Assistance Dog International. Require DHS to promulgate rules to establish a process and criteria for organizations to apply for these grants.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 15. SCHOOL-BASED MENTAL HEALTH CONSULTATION GPR - \$350,000 PILOT PROGRAM

**Governor/Legislature:** Delete the appropriation and associated program language for the school-based mental health consultation pilot program, and reduce funding by \$175,000 annually to eliminate base funding for the program. The school-based mental health consultation program was created by 2019 Act 117 to provide consultation services to school personnel in Outagamie County. The Department contracted with the Medical College of Wisconsin to provide consultation services under the program. The Administration indicates that the program should be eliminated to reflect the conclusion of the pilot program.

[Act 19 Sections: 107 and 313]

### 16. OFFICE OF CHILDREN'S MENTAL HEALTH

|     | Governor<br>(Chg. to Base) |           | Jt. Finance/Leg.<br>(Chg. to Gov) |           | <u>Net Change</u><br>Funding Positions |           |
|-----|----------------------------|-----------|-----------------------------------|-----------|--|-----------|
|     | Funding                    | Positions | Funding                           | Positions | Funding                                | Positions |
| GPR | \$142,300                  | 1.00      | - \$142,300                       | - 1.00    | \$0                                    | 0.00      |

**Governor:** Provide \$63,800 in 2023-24 and \$78,500 in 2024-25 and 1.0 position, beginning in 2023-24, for the Wisconsin Office of Children's Mental Health. The Administration indicates that the position, which would be a program and policy analyst-advanced, would support carrying out the duties of the Office. The Office of Children's Mental Health is charged with improving integration across state agencies that provide mental health services to children and monitoring the performance of state programs that provide these services. The Office is independent of DHS, but is attached to the Department for administrative purposes. It currently has 4.0 positions and a base budget of \$572,500 GPR.

Joint Finance/Legislature: Provision not included.

#### 17. SUBSTANCE USE DISORDER TREATMENT PLATFORM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$60,000                   | - \$60,000                        | \$0        |  |

**Governor:** Provide \$30,000 annually for the cost to maintain a substance use disorder treatment platform, which is an online resource listing available treatment providers, including information on the type of services each provider offers and their location. The Joint Committee on Finance approved one-time funding of \$300,000 GPR, under s. 13.10 of the statutes, for the development of the platform in February of 2022. The Department contracted with a vendor, which is developing the platform. This item would provide ongoing funding for the continuing maintenance of the platform.

Joint Finance/Legislature: Provision not included.

# 18. MARIJUANA REVENUE -- PAYMENTS FOR COUNTY BEHAVIORAL HEALTH SERVICES

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$44,400,000               | - \$44,400,000                    | \$0        |

**Governor:** Create a segregated appropriation, supported by the community reinvestment fund, that would authorize DHS to expend all moneys received from the fund to provide grants to counties to support mental health and substance use disorder services. Estimate that DHS would expend \$44,400,000 from the appropriation in 2024-25. Require DHS to promulgate administrative rules establishing the grants.

Establish the community reinvestment fund, a segregated trust fund consisting of all moneys the state receives from a proposed 15% wholesale excise tax and a proposed 10% retail excise tax on marijuana sales, and all interest earnings of fund revenues and penalties associated with the taxation provisions.

Separate items relating to the legalization of marijuana, the establishment of the marijuana taxes, and the regulation of various aspects of marijuana cultivation and sale are summarized under "Marijuana-Related Provisions," "Revenue--General Fund Taxes," and "Agriculture and Consumer Protection--Regulatory Programs," respectively.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **19. 2015 ACT 153 MENTAL HEALTH PILOT PROJECTS** [LFB Paper 448]

 GPR
 - \$533,400

 GPR-Lapse
 \$1,958,600

## Joint Finance/Legislature: Reduce funding by \$266,700 annually

for mental health pilot projects and repeal the mental health pilot projects appropriation. Repeal statutory provisions for two pilot projects, established by 2015 Act 153, for a behavioral health care coordination program and a psychiatric consultation program. Increase estimated GPR lapses by \$1,958,600 in 2023-24 to reflect the lapse of uncommitted continuing balance in the appropriation. The pilot projects that would be eliminated under this item have not been implemented.

[Act 19 Sections: 106, 306, and 307]

### 20. TELEMEDICINE CRISIS RESPONSE PILOT PROGRAM

**Joint Finance/Legislature:** Provide \$2,000,000 in 2023-24 in the Joint Committee on Finance program supplements appropriation for a telemedicine crisis response pilot program. The fiscal effect of this item is reflected in "Program Supplements."

# **Care and Treatment Facilities**

### 1. NONFOOD SUPPLIES AND SERVICES [LFB Paper 455]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| GPR   | \$40,025,600               | -\$16,355,100                     | \$23,670,500  |
| PR    | 93,294,200                 | -4,341,700                        | 88,952,500    |
| Total | \$133,319,800              | -\$20,696,800                     | \$112,623,000 |

**Governor:** Provide \$62,089,200 (\$17,500,400 GPR and \$44,588,800 PR) in 2023-24 and \$71,230,600 (\$22,525,200 GPR and \$48,705,400 PR) in 2024-25 to fund projected increases in nonfood supplies and services costs for the Department's care and treatment facilities. Base funding for nonfood supplies and services for the Department's facilities is \$59,134,500 (\$32,025,000 GPR and \$27,109,500 PR).

Nonfood supplies and services includes medical services, medical supplies, prescription drugs, clothing, laundry and cleaning supplies. For medical services and prescription drugs, the Administration's estimate calculates the average per person costs by facility, inflates the per person cost by the average growth rate over the past three years (with certain exceptions for extreme values) and multiplies the results by the projected average population for each facility. For other supplies and services, the estimate uses a 5.9% annual inflationary growth rate, which was the 12-

month change in the consumer price index (excluding food and energy) in June of 2022.

For the 2023-25 biennium, the nonfood supplies and services adjustment includes funding for contract staffing, electronic health records implementation costs, and COVID-19 testing, based on monthly average expenditures for these items in 2021-22. Collectively these three expenditure categories account for 89% of the biennial increase.

For all nonfood supplies and services, the funding is allocated between GPR and PR sources based on the mix of patients and residents. Generally, services for forensic patients at the mental health institutes and patients at the secure treatment facilities are funded with GPR, while services for civil mental health patients and residents of the state centers are funded with program revenue collected from counties or Medical Assistance reimbursement.

**Joint Finance/Legislature:** Reduce funding by \$9,878,200 (-\$7,399,400 GPR and -\$2,478,800 PR) in 2023-24 and \$10,818,600 (-\$8,955,700 GPR and -\$1,862,900 PR) in 2024-25 for variable nonfood supplies and services. These amounts reflect the net effect of the following changes: (a) a reestimate of variable nonfood supplies and services based on updated expenditure data, and revised projections for facility populations and cost inflation, resulting in reductions totaling \$1,492,500 (-\$2,874,800 GPR and \$1,382,300 PR) in 2023-24 and \$2,385,500 (-\$4,405,600 GPR and \$2,020,100 PR) in 2024-25; and (b) a reestimate of the anticipated increases in the costs for maintaining electronic health records systems, relative to current base funding available for that purpose, resulting in reductions totaling \$8,385,700 (-\$4,524,600 GPR and -\$3,861,100 PR) in 2023-24 and \$8,433,100 (-\$4,550,100 GPR and -\$3,883,000 PR) in 2024-25.

The following table shows the resulting budget for variable nonfood supplies and services by facility and fund source, amounts that do not include the budget established for electronic health records costs.

|                      | 2023-24      |              |               | 2024-25      |              |               |  |

### **Budget for Variable Nonfood Supplies and Services under Act 19**

The following table shows the facility population projections that are the basis for the variable nonfood supplies and services estimates, as well as the resident food budget estimates (summarized separately in the next item). For the Sand Ridge and Wisconsin Resource Center

projections, the totals include the number of forensic patients that the Department expects to place in these facilities in order to allow the Mendota Mental Health Institute to admit more patients from the forensic waiting list.

|   | <u>2023-24</u> | <u>2024-25</u> |

#### Average Daily Population Projections, by Facility

As modified by Joint Finance, the supplies and services budget for costs related to establishing and maintaining the facilities' electronic health records system would be \$14,386,900 (\$7,762,400 GPR and \$6,624,500 PR) in 2023-24 and \$14,896,100 (\$8,037,100 GPR and \$6,859,000 PR) in 2024-25.

### 2. **RESIDENT FOOD REESTIMATE** [LFB Paper 455]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-------|----------------------------|-----------------------------------|----------------|
| GPR   | \$2,852,200                | - \$1,336,300                     | \$1,515,900    |
| PR    | <u>1,630,100</u>           | <u>- 639,600</u>                  | <u>990,500</u> |
| Total | \$4,482,300                | - \$1,975,900                     | \$2,506,400    |

**Governor:** Provide \$1,849,400 (\$1,172,300 GPR and \$677,100 PR) in 2023-24 and \$2,632,900 (\$1,679,900 GPR and \$953,000 PR) in 2024-25 to fund projected increases in food costs at the Department's seven care and treatment facilities. The Administration developed estimates of food costs for residents by inflating actual 2021-22 per person food expenditures at each of the facilities, using an inflation index for food, as reported by the U.S. Bureau of Labor Statistics, for the 12-month period ending July of 2022. This rate, which was 10.9%, is first used to project 2022-23 food costs, and then applied again to the two years of the 2023-25 biennium.

The resulting per person averages are multiplied by the Department's projections of the average daily occupancy at each facility to estimate total food costs. Base funding for food costs is \$5,163,400 (\$3,498,000 GPR and \$1,665,400 PR).

**Joint Finance/Legislature:** Reduce funding by \$661,500 (-\$451,700 GPR and -\$209,800 PR) in 2023-24 and \$1,314,400 (-\$884,600 GPR and -\$429,800 PR) in 2024-25 to reflect a reestimate of resident food costs in the 2023-25 biennium. The funding reductions are due to revised facility population and food inflation projections. The following table shows the resulting budget for resident food by facility and fund source.

|   | 2023-24                |                     |                          | 2024-25                |                     |                          |

| Total                                       | \$4,218,600 \$         | 52,132,700          | \$6,351,300              | \$4,293,300 \$         | 2,188,600           | \$6,481,900              |

#### **Budget for Resident Food under Act 19**

### 3. SALARY ADD-ON FOR SELECTED POSITIONS [LFB Paper 220]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$3,740,700                | - \$3,740,700                     | \$0        |
| FED   | 4,367,100                  | - 4,367,100                       | 0          |
| PR    | 14,331,800                 | - 14,331,800                      | 0          |
| Total | \$22,439,600               | - \$22,439,600                    | \$0        |

**Governor:** Provide \$11,557,700 (\$1,903,500 GPR, \$2,347,000 FED, and \$7,307,200 PR) in 2023-24 and \$10,881,900 (\$1,837,200 GPR, \$2,020,100 FED, and \$7,024,600 PR) in 2024-25 to provide hourly wage increases for certain nursing and therapy staff positions at the Department's facilities and disability determination and income maintenance positions in the Division of Medicaid Services. The permanent hourly wage increases would replace temporary pilot add-ons provided for these positions, which the Department of Administration's Division of Personnel Management implemented under terms of the 2021-23 compensation plan. The pilot wage adjustments, which are scheduled to expire at the end of the 2021-23 biennium, provide hourly increases for nurse clinicians, licensed practical nurses, nursing assistants, residential care technicians, respiratory therapists, disability determination associates, and income maintenance specialists.

**Joint Finance/Legislature:** Modify provision to instead provide funding to compensation reserves in the amounts included in AB 43/SB 70, less a 5% reduction associated with a higher than usual level of position vacancies, to continue supplemental pilot add-on pay to address severe recruitment and retention issues. [See "Budget Management and Compensation Reserves."]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change       |
|-------|----------------------------|-----------------------------------|------------------|
| GPR   | \$10,679,800               | \$1,625,800                       | \$12,305,600     |
| PR    | <u>4,338,000</u>           | - 2,783,000                       | <u>1,555,000</u> |
| Total | \$15,017,800               | - \$1,157,200                     | \$13,860,600     |

## 4. **OVERTIME SUPPLEMENT** [LFB Paper 456]

**Governor:** Provide \$7,508,900 (\$5,339,900 GPR and \$2,169,000 PR) annually to fund anticipated overtime costs at the Department's care and treatment residential facilities. The funding under this item reflects the difference between the actual overtime costs in 2021-22 at each facility and the amount that is provided by the bill under the overtime standard budget adjustment. The overtime funding provided in the standard budget adjustment item is based on the amount of funding provided for overtime by the 2021-23 budget. Since actual overtime costs in 2021-22 exceeded the funding provided by the budget, the funding in this item is intended to make up the difference.

The following table shows, by facility and fund source, the annual overtime increase that would be provided under the standard budget adjustment item, the funding increase under this item, and the total funding that would be available annually to support overtime costs under the bill.

|                    | Stand       | ard Budget A | djustments   | Overtime S  | Supplement ( | This Item)  | <u>Total A</u> | nnual Overtin | ne Budget    |

| Total              | \$9.396.800 | \$10.434.700 | \$19.831.500 | \$5.339.900 | \$2.169.000  | \$7.508.900 | \$14,736,700   | \$12.603.700  | \$27.340.400 |

**Joint Finance/Legislature:** Reduce funding for the overtime supplement by \$578,600 annually, which is the net effect of annual increases of \$812,900 GPR and decreases of \$1,391,500 PR annually. The reestimate is based on updated data on overtime hours and costs, which indicate higher overtime use at the Mendota Mental Health Institute, and somewhat lower use at the other facilities, compared to 2021-22. The following table shows the resulting overtime supplement by facility and fund source, and the total overtime budget including the standard budget adjustment overtime decision item.

|                    | Stand       | lard Budget A | djustments   | Ove         | rtime Supplei | ment        | Total A      | nnual Overtin | ne Budget    |

#### 5. MENDOTA JUVENILE TREATMENT CENTER -- STAFFING AND FUNDING FOR EXPANSION

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Fina<br><u>(Chg. t</u><br>Funding | <u>to Gov</u> |     | <u>Change</u><br>Positions |
|----|--|---------------------------------------|---------------|-----|----------------------------|
| PR | \$24,691,800174.00 -                                   | \$24,691,800                          | 0 - 174.00    | \$0 | 0.00                       |

**Governor:** Provide \$9,075,800 and 114.5 positions in 2023-24 and \$15,616,000 and 174.0 positions in 2024-25 to provide position and expenditure authority to expand the capacity of the Mendota Juvenile Treatment Center (MJTC).

MJTC, which is on the campus of the Mendota Mental Health Institute (MMHI) in Madison, is a juvenile correctional facility that provides psychiatric evaluation and treatment for juveniles transferred from the juvenile correctional system whose behavior is highly disruptive and who have not responded to standard services and treatment at the Department of Corrections' (DOC) secure correctional facility at Lincoln Hills. MJTC treatment and programming includes therapy for anger management, treatment to address substance abuse, sexual offense, or mental illness, and academic support. MJTC has 29 staffed beds for male juveniles, in addition to a 14-bed unit that is currently being used for adult forensic patients at MMHI. MJTC has a 93.0 authorized PR positions and base expenditure authority of \$9,859,400. The Department charges a daily rate to DOC for juveniles placed at MJTC, so actual staffing and expenditures generally reflects the census.

An expansion project, which will add 30 beds for males juveniles and 20 beds for female juveniles, is expected to be completed in October of 2023. Upon completion, the existing MJTC units will undergo renovation, which is expected to be completed in January of 2025. This item would provide PR position and expenditure authority in two phases, aligning with the completion of the new construction and renovation. When fully complete, MJTC will have physical space for 93 beds, including 20 females and 73 males. Although this item would provide position and expenditure authority based on fully using this space, actual expenditures would be constrained by daily rate charges collected from DOC.

Joint Finance/Legislature: Provision not included.

#### 6. NORTHERN WISCONSIN CENTER -- INTENSIVE TREATMENT PROGRAM AND TREATMENT OF STATE CENTERS REVENUES [LFB Paper 458]

|       | F      | (Chg   | vernor<br><u>to Base</u><br>Position |                | <u>o Gov)</u> |             | <u>Change</u><br>Positions |
|-------|--------|--------|--------------------------------------|----------------|---------------|-------------|----------------------------|
| PR    | \$15,5 | 08,600 | 92.00                                | - \$15,508,600 | - 92.00       | \$0         | 0.00                       |
| GPR-F | REV    | \$0    |                                      | \$5,900,000    |               | \$5,900,000 |                            |

**Governor:** Provide \$6,751,000 annually in 2023-24 and \$8,757,600 in 2024-25 to fund 92.0 positions, beginning in 2023-24, to expand the intensive treatment program (ITP) at Northern Wisconsin Center (NWC).

NWC currently provides ITP services to people ages 14 and older with an intellectual disability and co-occurring mental health or behavioral disorder. ITP services include behavioral and psychiatric evaluation and treatment, medical services, and vocational programing. Patients in NWC's program reside at NWC while participating in the ITP. In 2021-22, the ITP served an average daily population of 11 patients.

DHS currently has 25 licensed beds at NWC and does not plan to add additional licensed beds. Rather, the bill would provide staff to expand services for up to 12 additional residents. The Administration estimates that of the \$15,508,600 for the biennium, \$3,560,100 would fund resident costs (such as food) and the remaining \$11,948,500 would fund staff costs (such as salary, fringe benefits, and supplies and services) of the additional 92.0 positions.

**Joint Finance/Legislature:** Provision not included. In addition, the Committee adopted a motion to authorize DHS to retain \$2,000,000 GPR-earned annually, as reflected in estimates of GPR-REV for the bill as a whole. As modified, DHS would be authorized to retain \$3,000,000 annually for purposes of reducing the unsupported overdraft at Northern Wisconsin Center. Increase estimates of GPR-REV by \$2,900,000 in 2023-24 and \$3,000,000 in 2024-25.

# 7. WISCONSIN RESOURCE CENTER -- TRANSFER DEPARTMENT OF CORRECTIONS POSITIONS TO DHS [LFB Paper 296]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Fina<br><u>(Chg. 1</u><br>Funding | to Gov | <u>Net Change</u><br>Funding Position | is |
|-----|--|---------------------------------------|--------|---------------------------------------|----|
| GPR | \$18,641,200 110.00                                    | - \$827,400                           | 0.00   | \$17,813,800 110.00                   |    |

**Governor:** Provide \$9,320,600 annually and 110.0 positions, beginning in 2023-24, to reflect the transfer of security positions currently budgeted under the Department of Corrections (DOC) to the Wisconsin Resource Center (WRC). Repeal a statutory provision that specifies that security staff at the WRC shall be employees of the Department of Corrections and modify the appropriation authority for WRC to reflect this change. An item summarized under Corrections-

Adult Institutions reflects the reduction in position authority and funding in that agency.

Specify that 110.0 FTE GPR positions, and the incumbent employees holding those positions in the Department of Corrections who are responsible for the performance of security operations at WRC, as determined by the DOA Secretary, would be transferred to DHS. Specify that the transferred employees have all the rights and the same status DHS that they enjoyed in DOC immediately before the transfer and that no transferred employee who has attained permanent status would be required to serve a probationary period.

Specify that all assets and liabilities of the Department of Corrections that are primarily related to security operations at WRC, as determined by the DOA Secretary would be become the assets and liabilities of DHS. Specify that all tangible personal property, including records, of DOC that are primarily related to security operations at WRC would be transferred to DHS.

Specify that any matter pending with DOC on the effective date of the bill that is primarily related to security operations is transferred to DHS and that all materials submitted to or actions taken by DOC with respect to the pending matter are considered as having been submitted to or taken by DHS.

Specify that all contracts entered into by DOC primarily related to security operations at WRC in effect on the effective date of the bill remain in effect and would be transferred DHS. Require DHS to carry out any obligations under those contracts unless modified or rescinded to the extent allowed under the contract.

The Wisconsin Resource Center, in Oshkosh, is a secure treatment facility operated by the Department of Health Services that provides mental health and substance abuse treatment for inmates transferred from DOC prisons. DHS operates the facility and provides the treatment services, but security functions are performed by the Department of Corrections personnel under the direction of the Oshkosh Correctional Institution. This item would transfer 71 correctional officer positions, 31 correctional sergeant positions, and eight supervising officer positions from DOC to DHS so that all personnel at WRC would be under the direction of DHS.

**Joint Finance/Legislature:** Reduce funding by \$413,700 annually so that the funding increase provided for supplies and services for the transferred positions in DHS is \$59,300 annually, the same amount by which the supplies and services budget in the Department of Corrections would be reduced.

#### 8. CONTRACTED COMMUNITY SERVICES [LFB Paper 459]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$10,999,800               | - \$2,155,600                     | \$8,844,200 |

**Governor:** Provide \$3,910,700 in 2023-24 and \$7,089,100 in 2024-25 for projected costs of the Division of Care and Treatment Services contracts for community-based mental health services for the treatment and monitoring for its forensic and sexually violent persons programs.

The funding in this item pertains to six contracted programs: (a) supervised release services; (b) conditional release services; (c) competency restoration services; (d) outpatient competency examination; (e) Department of Correction community supervision services; and (f) court liaison services. Each of these services, which are funded from a single GPR appropriation, are described below. For the first five of these services, the Administration's estimates generally use a caseload growth factor, based on recent trends, and an annual inflationary adjustment to the per-client costs. For the inflationary adjustment, the estimate uses 5.9% annual rate, which was the 12-month change in the consumer price index (excluding food and energy) in June of 2022. For the sixth contract, for court liaison services, the estimate adjusts the contract total by the inflationary rate, rather than calculating the cost on a per-client basis.

The final cost estimates for each contract are summed and the total for each year is subtracted from the total appropriation base, to determine the Governor's recommended funding increases. In addition to the estimated contract costs, this item includes limited-term employee (LTE) salary funding to provide supportive living needs for individuals on supervised release. Unlike the other funding in this item, the funding for LTE salaries would be provided in the DCTS general operations appropriation.

The following table shows the estimated totals for each of the six contracted services, and the difference between the totals and the appropriation base. The LTE salary component is shown in a separate row above the total.

|                                   | <u>2023-24</u> | 2024-25      |
|-----------------------------------|----------------|--------------|
| Appropriation Base*               | \$20,389,500   | \$20,389,500 |
| Estimated Contract Costs          |                |              |
| Supervised Release                | 7,492,900      | 8,708,900    |
| Conditional Release               | 6,213,100      | 6,675,200    |
| Competency Restoration**          | 4,180,000      | 5,057,800    |
| Outpatient Competency Exams       | 4,068,700      | 4,489,700    |
| DOC Community Supervision         | 1,966,600      | 2,150,400    |
| Court Liaison Services            | 270,100        | 286,000      |
| Total Estimated Contract Cost     | \$24,191,400   | \$27,368,000 |
| Total Estimate Minus Base         | \$3,801,900    | \$6,978,500  |
| LTE Salary for Supervised Release | \$108,800      | \$110,600    |
| Total Increase in Bill            | \$3,910,700    | \$7,089,100  |

\* This is the base used for the Administration's calculation. The actual base is \$20,560,800.

\*\* Includes standard, community-based competency restoration services and jailbased competency restoration.

In developing the estimate, the Administration excluded the current funding for court liaison

services, which is \$171,300, from the appropriation base. Excluding this amount from the base has the effect of overstating the amount needed to fully fund the contract estimates by \$171,300 in each year. The table above shows the appropriation base that was the basis of the estimate, in order to match the amount of funding provided by the bill.

#### **Description of Contracted Services**

Supervised Release Services. The supervised release program provides community-based treatment to individuals who are found to be sexually violent persons (SVPs) under Chapter 980 of the statutes. SVPs are committed to DHS and provided institutional treatment at the Sand Ridge Secure Treatment Center in Mauston, but may petition the court for supervised release if at least 12 months have elapsed since the initial commitment order was entered, since the most recent release petition was denied, or since the most recent order for supervised release was revoked. The supervised release program provides intensive monitoring, continued treatment, and supportive services for transition back into the community.

*Conditional Release Services.* The conditional release program provides monitoring and treatment to individuals who have been found not guilty by reason of mental disease or defect and are either immediately placed on conditional release following the court's finding or following release from one of the state's mental health institutes.

*Competency Restoration Services.* DHS contracts with a vendor to provide outpatient treatment services to individuals who are determined to be incompetent to proceed to a criminal trial if a court determines that the individual is likely to be competent within 12 months, or within the time of the maximum sentence specified for the most serious offense with which the defendant is charged. These services are delivered on an outpatient basis for individuals who, based on an assessment of their risk level, are able to live in the community, or in county jails, as an alternative to admitting those individuals to one of the mental health institutes for treatment.

*Outpatient Competency Examination.* Chapter 971 of the statutes prohibits courts from trying, convicting, or sentencing an individual if the individual lacks substantial mental capacity to understand the proceedings or assist in his or her own defense. Courts may order DHS to conduct competency examinations, which may be performed either on an inpatient basis by DHS staff at the state mental institutes, or on an outpatient basis in jails and locked units of other facilities by contracted staff.

*Department of Corrections Community Supervision*. DHS contracts with the Department of Corrections for the supervision of clients in the supervised release and conditional release programs. The contract includes supervision, transportation escort, and global positioning system (GPS) monitoring.

*Court Liaison Services.* The Department contracts for the cost of court liaison services, used to provide consultation to courts regarding mental health issues for individuals in the judicial system.

#### **Components of the Estimates**

The following table shows the Administration's caseload and annualized, per person costs projections for the contracted services for which budget estimates are calculated on a per person basis. Estimates are shown for 2022-23, in addition to the two years of the 2023-25 biennium.

|  | Caseload Estimates |                |                | Annualized Per Person Cost |                  |                  |
|--|--------------------|----------------|----------------|----------------------------|------------------|------------------|
| Contracted Service                                       | <u>2022-23</u>     | <u>2023-24</u> | <u>2024-25</u> | <u>2022-23</u>             | <u>2023-24</u>   | <u>2024-25</u>   |
| Supervised Release                                       | 84                 | 92             | 101            | \$76,684                   | \$81,209         | \$86,000         |
| Conditional Release                                      | 321                | 332            | 337            | 17,671                     | 18,714           | 19,818           |
| Competency Restoration                                   |                    |                |                |                            |                  |                  |
| Community-based  | 163                | 201            | 238            | \$13,406                   | \$14,197         | \$15,034         |
| Jail-based   | 464                | 489            | 513            | 2,576                      | 2,728            | 2,889            |
| Outpatient Competency Exams<br>DOC Community Supervision | 2,144<br>405       | 2,571<br>424   | 2,679<br>438   | \$1,494<br>4,377           | \$1,583<br>4,635 | \$1,676<br>4,909 |

**Joint Finance/Legislature:** Reduce funding by \$498,800 in 2023-24 and \$1,656,800 in 2024-25 to reflect a reestimate of the cost of contracted services related to the treatment and monitoring of forensic and sexually violent persons programs. With these reductions, the resulting funding increases would be \$3,411,900 in 2023-24 and \$5,432,300 in 2024-25. Of these amounts, \$3,410,100 in 2023-24 and \$5,428,700 would be provided in the appropriation for the contracts and \$1,800 in 2023-24 and \$3,600 would be related to increased salary costs for limited-term employees in the supervised release program. The table shows the total funding levels by program component.

#### **Total Estimated Contract Cost by Program Component under Act 19**

|                               | 2023-24      | <u>2024-25</u> |
|-------------------------------|--------------|----------------|
| Supervised Release            | \$7,810,300  | \$8,532,200    |
| Conditional Release           | 5,609,100    | 5,832,800      |
| Competency Restoration        | 4,548,000    | 5,256,900      |
| Outpatient Competency Exams   | 4,009,400    | 4,279,800      |
| DOC Community Supervision     | 1,731,600    | 1,818,700      |
| Court Liaison Services        | 262,500      | 269,100        |
| LTEs for Supervised Release   | 108,800      | 110,600        |
| Total Estimated Contract Cost | \$24,079,700 | \$26,100,100   |

The following table shows the revised caseload and per person costs estimates that are the basis for the contract reestimate.

|                             | Caseload Estimates |                | Annual         | Annualized Per Person Cost |                |                |

#### 9. FORENSIC ASSERTIVE COMMUNITY TREATMENT TEAMS

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$9,898,400                | - \$9,898,400                     | \$0        |
| FED   | 3,105,800                  | - 3,105,800                       | 0          |
| Total | \$13,004,200               | - \$13,004,200                    | \$0        |

**Governor:** Provide \$6,502,100 (\$4,949,200 GPR and \$1,552,900 FED) annually to support treatment services delivered under an assertive community treatment model for individuals with serious mental illness that are involved in the criminal justice system. The assertive community treatment model uses a team approach to provide intensive services for individuals transitioning from institutional setting to the community. As used for a forensic population (forensic assertive community treatment, or FACT) the treatment focuses on risks and needs associated with criminal behavior. Individual services can include psychiatric and substance abuse treatment, housing and employment assistance, family education, medication management, and assistance with court proceedings, as applicable. The Administration indicates that the intent is to divert these individuals away from hospitalization, re-arrest, and incarceration.

The funding under this item has two components. First, \$3,914,000 annually would be provided to fund the estimated cost of staff to support FACT teams with sufficient capacity to serve approximately 200 individuals. The Administration indicates that DHS would award contracts on a competitive basis for two or three treatment teams. Second, \$2,588,100 (\$1,035,200 GPR and \$1,552,900 FED) annually would be budgeted to support the estimated cost for treatment services for FACT participants that are reimbursable under the Medical Assistance program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. MENTAL HEALTH INSTITUTES FUND SOURCE REALLOCATION

**Governor/Legislature:** Reduce funding by \$6,116,600 GPR in 2023-24 and \$6,365,400 GPR in 2024-25, reduce positions

|       | Funding        | Positions |
|-------|----------------|-----------|
| GPR   | - \$12,482,000 | - 59.10   |
| PR    | 12,482,000     | 59.10     |
| Total | \$0            | 0.00      |

by 56.77 GPR in 2023-24 and 59.10 GPR in 2024-25, and provide corresponding PR funding and position increases to reallocate the funding source for services provided at the state mental health institutes. The funding and position adjustments reflect the Administration's estimated changes in the percentage of patients whose care will be funded with GPR and PR, respectively, in the 2023-25 biennium. The state is responsible for the cost of caring for forensic patients, funded with GPR, while the Department collects PR assessments from counties or health insurance for the cost of the care of civil patients, including emergency detention. For the 2023-25 biennium, the Administration anticipates that a higher share of the total patient population will be civil patients, resulting in a funding reallocation from GPR to PR sources.

#### 11. **DEBT SERVICE** [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$3,193,300                | \$17,132,100                      | \$20,325,400 |

**Governor:** Provide \$942,600 in 2023-24 and \$2,250,700 in 2024-25 to reflect estimates of debt service payments on bonds issued for capital projects at DHS care and treatment facilities. Base debt service funding is \$16,583,400. With the adjustments under this item, total debt service payments are estimated at \$17,526,000 in 2023-24 and \$18,834,100 in 2024-25.

**Joint Finance/Legislature:** Increase funding by \$4,203,300 in 2023-24 and \$12,928,800 in 2024-25 to reflect a reestimate of debt service payments on bonds issued for DHS facilities. With these adjustments, total debt service payments would be estimated at \$21,729,300 in 2023-24 and \$31,762,900 in 2024-25.

#### **12. FUEL AND UTILITIES**

GPR \$97,000

**Governor/Legislature:** Provide \$10,100 in 2023-24 and \$86,900 in 2024-25 to reflect an estimate of GPR-funded fuel and utilities costs at the care and treatment facilities. Base funding for fuel and utilities costs is \$5,707,000 GPR and \$6,927,800 PR. With the adjustments under this item, the GPR appropriation for fuel and utilities would be \$5,717,100 in 2023-24 and \$5,793,900 in 2024-25. The bill would not adjust the PR appropriation for fuel and utilities.

# **Quality Assurance**

#### 1. HEALTH CARE PROVIDER INNOVATION GRANTS [LFB Paper 460]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$22,500,000               | - \$22,500,000                    | \$0        |

**Governor:** Provide \$7,500,000 in 2023-24 and \$15,000,000 in 2024-25 to fund health care provider innovation grants.

Authorize DHS to distribute not more than \$15,000,000 in each fiscal year as grants to health care and long-term care providers to implement best practices and innovative solutions to increase worker recruitment and retention.

Joint Finance/Legislature: Provision not included.

#### 2. BUREAU OF ASSISTED LIVING STAFF [LFB Paper 461]

|       | Governor<br><u>(Chg. to Base)</u> |           | Jt. Finance/Leg.<br>(Chg. to Gov) |           | <u>Net Change</u> |           |
|-------|-----------------------------------|-----------|-----------------------------------|-----------|-------------------|-----------|
|       | Funding                           | Positions | Funding                           | Positions | Funding           | Positions |
| GPR   | \$2,535,000                       | 19.68 - 9 | \$2,535,000                       | - 19.68   | \$0               | 0.00      |
| FED   | 1,592,200                         | 12.32 -   | 1,592,200                         | - 12.32   | 0                 | 0.00      |
| Total | \$4,127,200                       | 32.00 - 5 | \$4,127,200                       | - 32.00   | \$0               | 0.00      |

**Governor:** Provide \$1,814,500 (\$1,114,500 GPR and \$700,000 FED) in 2023-24 and \$2,312,700 (\$1,420,500 GPR and \$892,200 FED) in 2024-25 to fund 32.0 positions (19.68 GPR and 12.32 FED), beginning in 2023-24, to address a backlog of surveys the Bureau of Assisted Living (BAL) conducts in response to complaints, to license new facilities, and to meet its standard of conducting a licensing survey for every facility at least once every two years. Of the additional positions, 31.0 would be assigned to BAL and 1.0 would be an attorney assigned to the Office of Legal Counsel to meet the increased workload resulting from these additional surveys.

BAL is responsible for licensing and surveying community-based residential facilities, some adult family homes, and residential care apartment complexes and certifying substance abuse and mental health treatment programs. The Bureau is currently authorized 75.0 positions, including 49.0 surveyors.

**Joint Finance/Legislature:** Provision not included. Instead, direct DHS to submit a plan to the Joint Committee on Finance, by no later than February 1, 2024, to increase licensing fees for assisted living facilities and outpatient mental health clinics to cover the cost of staffing within BAL necessary to ensure adequate protection of the health and well-being of vulnerable individuals, as determined by DHS.

[Act 19 Section: 9119(2)]

### **3. OFFICE OF CAREGIVER QUALITY** [LFB Paper 462]

|       | (Chg           | Governor<br><u>(Chg. to Base)</u><br>Funding Positions                        |                 | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |                | <u>Net Change</u><br>Funding Positions |  |
|-------|----------------|---|-----------------|---|----------------|--|--|
| GPR   | \$592,700      | $ \begin{array}{r} 4.00 \\ 2.80 \\ \underline{4.20} \\ 11.00 \\ \end{array} $ | -\$592,700      | - 4.00  | \$0            | 0.00                                   |  |
| FED   | 423,600        |   | -302,100        | - 2.00  | 121,500        | 0.80                                   |  |
| PR    | <u>635,500</u> |   | <u>-453,200</u> | <u>- 3.00</u>   | <u>182,300</u> | <u>1.20</u>                            |  |
| Total | \$1,651,800    |   | \$1,348,000     | - 9.00  | \$303,800      | 2.00                                   |  |

**Governor:** Provide \$739,700 (\$266,000 GPR, \$189,500 FED, and \$284,200 PR) in 2023-24 and \$912,100 (\$326,700 GPR, \$234,100 FED, and \$351,300 PR) in 2024-25, to fund 11.0 positions (4.0 GPR, 2.8 FED, and 4.2 PR) beginning in 2023-24 in the Office of Caregiver Quality (OCQ). According to the Administration, these positions would enable the Department to increase investigations into allegations of misconduct in long-term care facilities and expand the background check program.

**Joint Finance/Legislature:** Reduce funding by \$603,900 (-\$266,000 GPR, -\$135,200 FED, and -\$202,700 PR) in 2023-24 and \$744,100 (-\$326,700 GPR, -\$166,900 FED, and -\$250,500 PR) in 2024-25, and 9.0 positions (-4.0 GPR, -2.0 FED, and -3.0 PR), beginning in 2023-24.

As modified, this provision would provide \$135,800 (\$54,300 FED and \$81,500 PR) in 2023-24 and \$168,000 (\$67,200 FED and \$100,800 PR) in 2024-25, to fund 2.0 (0.8 FED and 1.2 PR) four-year project positions in OCQ, beginning in 2023-24.

# 4. ASSISTED LIVING REVENUE SUPPLEMENT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,500,000                | - \$1,500,000                     | \$0        |

**Governor:** Provide \$750,000 annually to supplement the revenue collected from assisted living facilities and program certification fees for outpatient mental health facilities. The Administration indicates that this funding is necessary to avoid a fee increase for these providers.

Joint Finance/Legislature: Provision not included.

# 5. HEALTH CARE PROVIDER LICENSING, CERTIFICATION, AND INCIDENT REPORTING SYSTEM UPGRADE

|                     |   | vernor<br><u>To Base)</u> |   | nce/Leg.<br><u>Fo Gov)</u>        | <u>Net Change</u>   |
|---------------------|---|---------------------------|---|-----------------------------------|---|
|                     | Funding                                 | Positions                 | Funding                                       | Positions                         | Funding Positions   |
| GPR<br>FED<br>Total | \$738,300<br><u>89,200</u><br>\$827,500 | <u>0.70</u>               | - \$738,300<br>- <u>89,200</u><br>- \$827,500 | - 0.30<br>- <u>0.70</u><br>- 1.00 | $ \begin{array}{ccc} \$0 & 0.00 \\ \underline{0} & \underline{0.00} \\ \$0 & 0.00 \end{array} $ |

**Governor:** Provide \$56,100 (\$16,900 GPR and \$39,200 FED) in 2023-24 and \$771,400 (\$721,400 GPR and \$50,000 FED) in 2024-25, and 1.0 position (0.30 GPR and 0.70 FED), beginning in 2023-24, to modernize the health care provider licensing, certification, and health care staff misconduct incident reporting computer systems. The position would provide data analysis and support services for DHS staff using data from the new system.

Joint Finance/Legislature: Provision not included.

#### 6. NURSING HOME GRANT PROGRAM

|    | <u>(Chg.</u> | ernor<br><u>to Base)</u><br>Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|----|--------------|---------------------------------------|---|--------|--|------|
| PR | \$156,900    | 1.00                                  | - \$156,900   | - 1.00 | \$0                                    | 0.00 |

**Governor:** Provide \$70,000 in 2023-24 and \$86,900 in 2024-25 to fund 1.0 grant specialist position, beginning in 2023-24, to administer the nursing home grant program. The position would review applications, develop and manage grant agreements, and conduct outreach and marketing for the program.

Currently, the program is administered by several staff in the Division of Quality Assurance. The federal Centers for Medicare and Medicaid Services collects civil money penalties from nursing facilities that have not maintained compliance with federal nursing home requirements and distributes a portion of this revenue to states to support projects to protect the health or property of residents of nursing facilities.

Joint Finance/Legislature: Provision not included.

#### 7. STAFFING REQUIREMENT FOR HOSPITAL EMERGENCY SERVICES

**Governor:** Specify that DHS must require a hospital that provides emergency services to have sufficient qualified personnel at all times to manage the number and severity of emergency cases anticipated by the location. Specify, that at all times, a hospital that provides emergency services must have on-site at least one physician who, through education, training, and experience, specializes in emergency medicine [See Safety and Professional Services].

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# FoodShare and Public Assistance Administration

#### 1. FOODSHARE EMPLOYMENT AND TRAINING PROGRAM [LFB Paper 465]

|            | Governor<br>(Chg. to Base)      | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change                      |
|------------|---------------------------------|-----------------------------------|---------------------------------|
| GPR<br>FED | \$9,091,200<br><u>3,773,200</u> | - \$143,200<br>- 254,800          | \$8,948,000<br><u>3,518,400</u> |
| Total      | \$12,864,400                    | - \$398,000                       | \$12,466,400                    |

**Governor:** Provide \$7,444,000 (\$4,067,500 GPR and \$3,376,500 FED) in 2023-24 and \$5,420,400 (\$5,023,700 GPR and \$396,700 FED) in 2024-25 to fund costs of projected increases in the number of individuals who will participate in the FoodShare employment and training (FSET) program upon the resumption of the federal ABAWD (able-bodied adult without dependents) policy.

ABAWD Work Requirement. Under federal law, able-bodied adults who are able to work, are 18 to 49 years of age, are not pregnant, and do not reside with any children under the age of 18, are required to meet a work requirement of at least 20 hours per week as a condition of receiving supplemental nutrition assistance program (SNAP) benefits. This work requirement can be met through paid work, volunteer work, in-kind work, or participation in FSET or a similar job training program. Individuals who do not meet this work requirement are limited to three months of FoodShare benefits in a 36-month period. In addition to individuals participating in FSET to meet the ABAWD work requirement, FSET participation is open to all FoodShare members ages 16 and older.

*Temporary Suspension of the ABAWD Work Requirement.* Under the federal Families First Coronavirus Response Act, the ABAWD policy has been suspended since March, 2020. This suspension is currently in effect and will remain so until the end of the month subsequent to the month that the U.S. Secretary of Health and Human Services declares that the SARS-CoV-2 public health emergency has ended. With the federal public health emergency ending in May, 2023, the ABAWD policy will be re-implemented statewide beginning in July, 2023. Due to the length of time that the ABAWD policy has been suspended, the Food and Nutrition Services is requiring states to restart the 36-month clock for all ABAWDs.

*Enrollment.* With the resetting of the 36-month clock for all ABAWDs, the Administration assumes that the percentage of total FoodShare participants who will enroll in FSET under the reinstated ABAWD policy will largely mirror the percentage of total FoodShare participants who

enrolled in FSET during the initial implementation of the ABAWD policy statewide beginning in April, 2015. As such, the Administration estimates that average monthly FSET enrollment will be 7,079 in 2022-23, 10,292 in 2023-24, and 8,796 in 2024-25.

*Enrollee Expenditures.* The Administration estimates that total per enrollee per month expenses will be \$410.72 in 2022-23 and decrease to \$394.88 in 2023-24 and subsequently increase to \$400.84 in 2024-25. These total expenses are primarily based on payments to the FSET program's vendors, but also include \$1,371,800 annually, which funds administrative expenses relating to the FSET program. Excluding the amounts for administrative expenses, the Administration estimates average per enrollee per month payments to the FSET vendors of \$383.77 in 2023-24 and \$387.84 in 2024-25.

*Carry Over Funding*. The Administration estimates that FSET funding for 2023-25 will be offset by unspent carry over funding from 2022-23 resulting from a decrease in average monthly FSET enrollment, in part due to the temporary suspension of the ABAWD work requirement.

**Joint Finance/Legislature:** Reduce funding by \$397,800 (-\$143,100 GPR and -\$254,700 FED) in 2023-24 and \$200 (-\$100 GPR and -\$100 FED) in 2024-25 to reflect current estimates of FSET program participation in the 2023-25 biennium.

The following table shows estimated enrollment, costs, and total GPR funding necessary for the 2023-25 biennium, under Act 19.

| Vendor Service Expenses<br>Average Monthly Enrollment<br>Est. per Enrollee per Month Vendor Expenses<br>Estimated Total Vendor Service Costs | <u>2023-24</u><br>10,174<br><u>\$384.05</u><br>\$46,887,900 | <u>2024-25</u><br>8,796<br><u>\$387.84</u><br>\$40,937,300 |
|--|---|--|
| Administrative Expenses  | \$1,371,800   | \$1,371,800  |
| Estimated Total Program Expenses   | \$48,259,700  | \$42,309,100   |
| Estimated 100% Federal Funding Offset  | \$3,014,400   | \$3,014,400  |

#### 2023-25 FSET Expenses and Funding Act 19

# 2. PAYMENT PROCESSING EQUIPMENT FOR FARMERS MARKETS AND DIRECT MARKETING FARMERS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,470,000                | - \$1,470,000                     | \$0        |

**Governor:** Provide \$735,000 annually to supply payment processing equipment and services to farmers markets and direct-marketing farmers to process debit and credit card payments, including electronic benefit transfer cards used by FoodShare recipients. Specify that to participate in the payment processing program, a vendor must also process any local purchasing incentives, even if those local purchasing incentives are funded by a local third party entity.

The federal Agricultural Act of 2014 requires that supplemental nutrition assistance program (SNAP or FoodShare in Wisconsin) retailers purchase their own EBT processing equipment. However, states may provide no-cost, EBT-only point of sale processing equipment to certain farmers markets and direct-marketing farmers that may be exempt from the federal requirement.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|       | Governor<br><u>(Chg. to Base)</u> |         |               | nce/Leg.<br><u>to Gov)</u> | <u>Net Change</u> |           |
|-------|-----------------------------------|---------|---------------|----------------------------|-------------------|-----------|
|       | Funding                           | Positio | ns Funding    | Positions                  | Funding           | Positions |
| GPR   | \$536,600                         | 0.50    | - \$536,600   | - 0.50                     | \$0               | 0.00      |
| FED   | 536,600                           | 0.50    | - 536,600     | - 0.50                     | 0                 | 0.00      |
| Total | \$1,073,200                       | 1.00    | - \$1,073,200 | - 1.00                     | \$0               | 0.00      |

#### 3. DOUBLE UP FOOD BUCKS PILOT PROGRAM

**Governor:** Provide \$176,400 (\$88,200 GPR and \$88,200 FED) in 2023-24 and \$896,800 (\$448,400 GPR and \$448,400 FED) in 2024-25 and 1.0 (0.5 GPR and 0.5 FED) position, beginning in 2023-24, to administer a statewide healthy eating incentive pilot program.

Require DHS to establish and implement a statewide healthy eating incentive Double Up Food Bucks pilot program under the federal Gus Schumacher Nutrition Incentive Program to match FoodShare benefit amounts spent by recipients on fruits and vegetables from participating retailers with additional benefit amounts to be used for the purchase of additional fruits and vegetables.

Define "fruit and vegetables" to mean any variety of fresh, canned, dried, or frozen, whole or cut, fruits or vegetables, without added sugars, fats, oils, or salt for purposes of this program.

Require that in implementing the Double Up Food Bucks pilot program DHS: (a) submit a waiver request to the U.S. Department of Agriculture (USDA) or any other federal approval

necessary to allow DHS to implement the program; (b) seek any available funding, including federal funds under the federal Gus Schumacher Nutrition Incentive Program, to fund implementation of the program; and (c) not implement the program if the USDA disapproves the Department's request or if the Department is unable to obtain sufficient funding for the program.

Create an appropriation from which development and administration of the healthy eating incentives program and electronic payment processing equipment and services for farmers' markets and farmers who sell directly to consumers would be funded.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. REPEAL FOODSHARE WORK REQUIREMENT FOR ABLE-BODIED ADULTS WITH DEPENDENTS

**Governor:** Repeal provisions enacted in 2017 Act 264 relating to required participation in the FoodShare employment and training (FSET) program, subject to certain exceptions. Consequently, only able-bodied adults without dependents, subject to certain exceptions, would be required to participate in the program.

With the repeal, DHS must require, to the extent allowed by the federal government, that able-bodied adults without dependents (ABAWDs) participate in FSET, except for ABAWDs who are employed, as determined by DHS. The bill would retain the Department's current authority to require able individuals who are 18 to 60 years of age, or a subset of those individuals to the extent allowed by the federal government, who are not in a Wisconsin Works employment position, to participate in FSET.

Current law, requires that by October 1, 2019, not only all ABAWDs, but also all other able bodied adults between the ages of 18 and 50, who are not pregnant and not determined by DHS to be medically certified as physically or mentally unfit for employment or exempt from the work requirement as specified in federal law, must participate in FSET. Current law prohibits DHS from requiring participation in FSET for an individual who is: (a) enrolled at least half time in a school, a training program, or an institution of higher education; or (b) the caretaker of a child under the age of six or the caretaker of a dependent who is disabled. To date, DHS has not implemented the current law requirement as it relates to adults with dependent children, citing a lack of available funding to support FSET program costs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. REPEAL FSET DRUG SCREENING, TESTING, AND TREATMENT REQUIREMENTS

**Governor:** Repeal the requirement that eligibility for an able-bodied adult without dependents (ABAWD) to participate in the FoodShare employment and training (FSET) program

is subject to compliance with the statutory screening, testing, and treatment policy for illegal use of a controlled substance without a valid prescription for the controlled substance.

Repeal provisions, enacted as part of 2017 Act 370, that require DHS to implement a drug screening, testing, and treatment policy for ABAWDs participating in FSET. In addition, repeal nonstatutory provisions contained in 2017 Act 370 as they pertain to implementing the drug screening, testing, and treatment provisions by October 1, 2019, and requiring compliance with the waiver provisions contained in 2017 Act 370, as though the drug screening, testing, and treatment provisions by October 1, 2019.

Repeal a biennial GPR appropriation that was created to fund substance abuse treatment costs under the FSET drug screening, testing, and treatment requirements. No funding has been budgeted for this purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. REPEAL PAY-FOR-PERFORMANCE PAYMENT SYSTEM FOR FSET VENDORS

**Governor:** Repeal provisions enacted in 2017 Act 266 that require DHS to create and implement a payment system based on performance for FoodShare Employment and Training (FSET) program vendors.

Current law requires DHS to establish performance outcomes for the payment system based on: (a) the placement of participants into unsubsidized employment; (b) whether the placement is full or part-time; (c) the job retention rate; (d) wages and benefits earned; (e) appropriate implementation of FSET; and (f) customer satisfaction. Implementation of the payment system is contingent on federal approval and must not affect the funding available for supportive services for participants in FSET. These provisions first applied to contracts DHS enters into or renews on the Act's effective date (April 12, 2018). However the Department's current contracts with the FSET vendors, effective for federal fiscal year 2022-23 (October 1, 2022 through September 30, 2023), do not include performance outcomes as the basis for payments.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. MA AND FOODSHARE ADMINISTRATION -- CONTRACTS [LFB Paper 466]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change        |
|-------|----------------------------|-----------------------------------|-------------------|
| GPR   | \$49,239,100               | - \$3,242,600                     | \$45,996,500      |
| FED   | <u>89,178,000</u>          | <u>- 6,890,600</u>                | <u>82,287,400</u> |
| Total | \$138,417,100              | - \$10,133,200                    | \$128,283,900     |

Governor: Provide \$65,486,800 (\$23,069,500 GPR and \$42,417,300 FED) in 2023-24 and

\$72,930,300 (\$26,169,600 GPR and \$46,760,700 FED) in 2024-25 to increase funding for contractual services and systems costs for the administration of the MA and FoodShare programs.

This item includes increases in GPR funding for programming services DHS purchases from Deloitte for the Client Assistance for Re-employment and Economic Support (CARES) system. The CARES system is used by county and state staff for eligibility determinations and managing cases for the state's public assistance programs. Under the bill, GPR funding for these programming services would increase from \$11.5 million budgeted in 2022-23 to \$26.5 million in 2023-24 and \$28.1 million in 2024-25, largely due to the discontinuation of enhanced federal funding that was available to support these costs through September, 2022, and scheduled rate increases for programming services under the current contract.

This item also includes additional funding to support projects not funded in the current biennium, including: (a) replacing the current system used for administering the Birth to 3 program; (b) the development and implementation of a business operations support system for the Bureau of Fiscal Accountability and Management; (c) the creation of training modules to support professional development as part of the prenatal care coordination redesign project; (d) the development of a business tool to assist in the administration of the Wisconsin funeral and cemetery aids program to replace a payment tracking tool that is no longer functional; and (e) several enhancements to CARES.

Further, this item includes additional funding to support projected cost increases for several contracts, including the contract with Gainwell Technologies, the state's MA fiscal agent and contract vendor for the state's Medicaid management information system (MMIS) and contracts for telecommunications services used by MA recipients.

Finally, this item includes transferring expenditure authority for the costs associated with the Wisconsin Shares childcare statewide administration on the web (CSAW) system to the Department of Children and Families.

**Joint Finance/Legislature:** Reduce funding by \$4,914,100 (-\$1,572,500 GPR and -\$3,341,600 FED) in 2023-24 and by \$5,219,100 (-\$1,670,100 GPR and -\$3,549,000 FED) in 2024-25 to fund administrative contracts.

The following table summarizes the GPR and FED funding amounts that would be budgeted for contracted services and systems costs for MA and FoodShare under Act 19.

#### Summary of MA and FoodShare Administrative Contracts Funding -- GPR and FED Act 19

|  |  | 2023-24   |   |  | 2024-25   |   |
|--|--|---|---|--|---|---|

| Difference (Funding increase in Act 19)  | \$21,497,000   | \$39,075,700  | \$60,572,700  | \$24,499,500   | \$43,211,700  | \$67,711,200  |

# 8. COVERING WISCONSIN

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$2,000,000                | - \$2,000,000                     | \$0        |
| FED   | 2,000,000                  | - 2,000,000                       | 0          |
| Total | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Increase funding for MA administrative contracts by \$2,000,000 (\$1,000,000 GPR and \$1,000,000 FED) annually to increase funding for Covering Wisconsin, which assists residents in obtaining health insurance and navigating the insurance marketplace. In 2022-23, DHS has budgeted \$500,000 (\$250,000 GPR and \$250,000) to fund a contract with Covering Wisconsin to provide these services.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. SUPPLEMENTAL AMBULANCE REIMBURSEMENTS

| GPR   | \$632,800   |
|-------|-------------|
| FED   | 632,800     |
| Total | \$1,265,600 |

**Governor:** Provide \$632,800 (\$316,400 GPR and \$316,400 FED) annually to contract for the administration of a certified public expenditure

(CPE) program to increase MA reimbursement to ambulance service providers owned by local governments. 2021 Act 228 requires the Department to create such a program, subject to federal regulatory approval, which will allow the state to claim federal matching funds on eligible ambulance service expenditures made by local governments and to make a supplemental payment for ambulance services using that revenue.

Additionally, make statutory changes related to a separate supplemental reimbursement created under Act 228, to be paid to private ambulance service providers using revenue generated from a new assessment on those providers and matching federal funds. Create a new appropriation to expend the assessment revenue on supplemental payments to ambulance service providers. Direct the DOA Secretary to transfer an amount equal to the cost of administering the assessment and supplemental payments from the new segregated ambulance trust fund to an existing PR appropriation for MA administration.

**Joint Finance/Legislature:** Delete the statutory changes. Substantially similar provisions are included in 2023 Senate Bill 157, which was passed by the Senate on June 7, 2023, and concurred in and messaged by the Assembly on June 21, 2023. Senate Bill 157 was enacted as 2023 Wisconsin Act 30 on August 4, 2023.

#### 10. INCOME MAINTENANCE -- LOCAL ASSISTANCE [LFB Paper 467]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$1,664,100                | \$250,000                         | \$1,914,100 |
| FED   | 2,121,200                  | 250,000                           | 2,371,200   |
| Total | \$3,785,300                | \$500,000                         | \$4,285,300 |

**Governor:** Provide \$1,506,800 (\$677,700 GPR and \$829,100 FED) in 2023-24 and \$2,278,500 (\$986,400 GPR and \$1,292,100 FED) in 2024-25 to: (a) increase base contracts for income maintenance (IM) consortia and tribal IM agencies by 2% in 2023-24 and an additional 2% in 2024-25 (\$302,700 GPR and \$454,100 FED in 2023-24 and \$611,400 GPR and \$917,100 FED in 2024-25); and (b) increase funding to support fraud prevention investigations by \$750,000 (\$375,000 GPR and \$375,000 FED) annually.

Eligibility and caseload management functions related to MA, FoodShare, Wisconsin Shares, and other public assistance programs are performed by county employees in all counties (except Milwaukee County) by 10 regional, multi-county IM consortia. State employees in Milwaukee Enrollment Services (MilES) perform these functions in Milwaukee County. In nine tribal jurisdictions, tribal agency staff provide these services. IM services are funded from a combination of state, federal, and local funds. Base GPR funding for IM eligibility and caseload management functions is \$15,132,500 and \$1,000,000 for fraud prevention investigations.

**Joint Finance/Legislature:** Provide an additional \$250,000 (\$125,000 GPR and \$125,000 FED) annually to support local fraud prevention investigations so that the total increase for local fraud prevention investigations would be \$1,000,000 (\$500,000 GPR and \$500,000 FED) annually.

#### 11. FUNERAL AND CEMETERY AIDS

GPR - \$549,600

**Governor/Legislature:** Reduce funding by \$396,800 in 2023-24 and by \$152,800 in 2024-25 to reflect reestimates of the cost of payments under the Wisconsin funeral and cemetery aids

program (WFCAP). Under the program, DHS reimburses costs incurred by funeral homes, cemeteries, and crematories for services they provide to certain deceased individuals who were eligible for MA or Wisconsin Works benefits at the time of their death. DHS is required to pay up to \$1,000 for cemetery and crematory expenses and up to \$1,500 for funeral and burial expenses that are not covered by the decedent's estate or other persons. The program does not provide any reimbursement if the total cemetery expenses exceed \$3,500 or total funeral expenses exceed \$4,500.

Base funding for the program is \$8,476,700. The Administration estimates that reimbursement payments will total \$7,843,000 in 2022-23, \$8,079,900 in 2023-24 and \$8,323,900 in 2024-25.

# 12. USE OF INDIVIDUAL INCOME TAX FORMS TO INITIATE HEALTH CARE ELIGIBILITY DETERMINATIONS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$529,200                  | - \$529,200                       | \$0        |

**Governor:** Provide \$529,200 in 2024-25 to implement an easy enrollment program for health care coverage.

Require the Department of Revenue (DOR) to include the following two questions and explanatory information on each individual income tax return, and a method for the taxpayer to respond to each question:

• Are you, your spouse, your dependent children, or any eligible adult child dependent not covered under a health insurance policy, health plan, or other health care coverage? "Eligible adult child dependent" means a child who is under the age of 26 who is a full-time student or a child who is under the age of 27 who is called to active duty in the National Guard or armed forces reserve while enrolled as a full-time student.

• If one responded 'yes' to question 1, do you want to have evaluated your eligibility for Medical Assistance or your eligibility for subsidized health insurance coverage?

Require DOR to provide to each person who responds 'yes' to the second question that person's contact information and other relevant information from that person's individual income tax return to DHS to perform an evaluation of that person's eligibility for the Medical Assistance program or an evaluation of that person's eligibility for subsidized health insurance coverage through the health insurance marketplace for qualified health plans under the federal Patient Protection and Affordable Care Act. Prohibit DHS from using information it receives from DOR to determine that the individual is ineligible to enroll in the MA program. Authorize DHS staff to examine tax returns for the purposes of performing evaluations for health care eligibility.

Specify that these provisions would first apply to taxable years beginning after December

31, 2023.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|                     | Governor<br>(Chg. to Base)               |           |  | nce/Leg.<br>to Gov)               | Net Change       |   |
|---------------------|--|-----------|--|-----------------------------------|------------------|---|
|                     | Funding                                  | Positions | Funding  | Positions                         | Funding          | Positions   |
| GPR<br>FED<br>Total | \$154,100<br><u>154,100</u><br>\$308,200 | 1.00      | - \$154,100<br><u>- 154,100</u><br>- \$308,200 | - 1.00<br><u>- 1.00</u><br>- 2.00 | \$0<br>_0<br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

# **13. TRIBAL REIMBURSEMENT STAFF**

**Governor:** Provide \$133,600 (\$66,800 GPR and \$66,800 FED) in 2023-24 and \$174,600 (\$87,300 GPR and \$87,300 FED) in 2024-25 and 2.0 positions (1.0 GPR and 1.0 FED), beginning in 2023-24, to create a team within the Division of Medicaid Services' Bureau of Fiscal Accountability and Management dedicated to reimbursement structures and challenges related to Native American tribes and bands.

Different federal matching rates and policies apply to MA services provided to citizens of tribal nations and by tribal providers. DHS indicates that working with these structures creates significant administrative complexity. The proposed team would manage and administer the tribal shared savings program created under the 2021-23 biennial budget, including coordinating between tribal clinics, non-tribal providers serving tribal members under care coordination agreements, and the state's MA claims contractor. In addition, the team would resolve a backlog in cost settlements with tribal clinics, support tribal income maintenance agencies, address issues facing managed care providers and the non-emergency medical transportation manager relating to tribal claims, and meet other MA administrative needs related to tribes and bands.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 14. MEDICAL ASSISTANCE RECOVERIES -- QUI TAM CLAIMS

**Governor:** Create procedures under which a private individual could bring a *qui tam* claim against a person who knowingly:

(a) Presents a false or fraudulent claim to a state agency, including a false or fraudulent claim for MA;

(b) Makes, uses, or causes to be made or used a false record or statement material to a false or fraudulent claim to a state agency, including a false or fraudulent claim for MA;

(c) Makes, uses, or causes to be made or used a false record or statement material to an

obligation to pay or transmit money or property to the MA program, or knowingly conceals or knowingly and improperly avoids or decreases an obligation to pay or transmit money or property to the MA program;

(d) Makes, uses, or causes to be made or used, a false record or statement material to an obligation to pay or transmit money or property to a state agency, or conceals and improperly avoids or decreases an obligation to pay or transmit money to a state agency; or

(e) Conspires to commit any violation listed above.

Provide that any person who is found to have committed such an offense is liable to the state for three times the amount of the damages sustained by the state, or would have been sustained by the state, whichever is greater, because of these actions, and is subject to forfeitures, for each violation, an amount within the range specified in federal law (\$5,000 to \$10,000 per violation).

Direct the Department of Justice to diligently investigate possible violations of these provisions and authorize the Department to bring a civil action against a person if the Department determines that a person has committed an act that is punishable under these provisions.

*Reduced Penalties Under Certain Conditions.* Authorize a court to assess violators not less than two nor more than three times the amount of the damages sustained by the state because of the acts of the person, and may not assess any forfeiture, if the court finds all of the following:

(a) The person who commits the acts furnished the Attorney General with all information known to the person about the acts within 30 days after the date on which the person obtained the information.

(b) The person fully cooperated with any investigation by the state of the acts.

(c) At the time that the person furnished the Attorney General with information concerning the acts, no criminal prosecution or civil or administrative enforcement action had been commenced with respect to any such act, and the person did not have actual knowledge of the existence of any investigation into any such act.

*Process.* Provide that any person may bring a civil action as a *qui tam* plaintiff against a person who commits a violation for the person and the state in the name of the state, subject to conditions specified in the bill involving actions by the Attorney General or court.

Require a plaintiff to serve upon the Attorney General a copy of the complaint and documents disclosing substantially all material evidence and information that the plaintiff possesses. Require the plaintiff to file a copy of the complaint with the court for inspection in camera. Provide that, unless extended by the Attorney General for good cause, the complaint must remain under seal for a period of 60 days from the date of filing and may not be served upon the defendant until the court so orders. Specify that within 60 days from the date of service upon the Attorney General of the complaint, evidence, and information, the Attorney General may intervene in the action.

Provide that any complaint filed by the state in intervention, whether filed separately or as

an amendment to the qui tam plaintiff's complaint, must relate back to the filing date of the qui tam plaintiff's complaint to the extent that the state's claim arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the qui tam plaintiff's complaint.

Provide that, before the expiration of the period during which the complaint remains under seal, the Attorney General must do one of the following:

1. Proceed with the action or an alternate remedy, in which case the action or proceeding would be prosecuted by the state.

2. Notify the court that he or she declines to proceed with the action, in which case the person bringing the action may proceed with the action.

Provide that, if a person brings a valid action under these provisions, no person other than the state may intervene or bring a related action based upon the same facts underlying the original action while the original action is pending. Specify that in any action brought under these provisions or alternative proceeding, the plaintiff is required to prove all essential elements of the cause of action or complaint, including damages, by a preponderance of the evidence.

Provide that if the state proceeds with the action or an alternate remedy, the state has primary responsibility for prosecuting the action or proceeding under the alternate remedy. Specify that the state is not bound by any act of the person bringing the action, but that person has the right to continue as a party to the action.

*Settlements.* Provide that, with the approval of the Governor, the Attorney General may compromise and settle an action or an administrative proceeding to which the state is a party, notwithstanding objection of the person bringing the action, if the court determines, after affording to the person bringing the action the right to a hearing at which the person is afforded the opportunity to present evidence in opposition to the proposed settlement, that the proposed settlement is fair, adequate, and reasonable considering the relevant circumstances pertaining to the violation.

*Court-Imposed Limitations on Participation by Claimants*. Provide that, upon a showing by the state that unrestricted participation in the prosecution of an action or an alternate proceeding to which the state is a party by the person bringing the action would interfere with or unduly delay the prosecution of the action or proceeding, or would result in consideration of repetitious or irrelevant evidence or evidence presented for purposes of harassment, the court may limit the person's participation in the prosecution, such as: (a) limiting the number of witnesses that the person may call; (b) limiting the length of the testimony of the witnesses; (c) limiting the cross-examination of witnesses by the person; and (d) otherwise limiting the participation by the person in the prosecution of the action or proceeding.

Provide that, upon a showing by a defendant that unrestricted participation in the prosecution of an action or alternate proceeding under to which the state is a party by the person bringing the action would result in harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the person's participation in the prosecution.

Prosecution by Individuals. Provide that, if the state elects not to participate in an action, the

person bringing the action may prosecute the action. Specify that, if the Attorney General so requests, the Attorney General must, at the state's expense, be served with copies of all pleadings and deposition transcripts in the action. Provide that, if the person bringing the action initiates prosecution of the action, the court, without limiting the status and rights of that person, may permit the state to intervene at a later date upon a showing by the state of good cause for the proposed intervention.

Provide that, whether or not the state participates in an action, upon a showing in camera by the Attorney General that discovery by the person bringing the action would interfere with the state's ongoing investigation or prosecution of a criminal or civil matter arising out of the same facts as the facts upon which the action is based, the court may stay such discovery in whole or in part for a period of not more than 60 days. Provide that the court may extend the period of any such stay upon a further showing in camera by the Attorney General that the state has pursued the criminal or civil investigation of the matter with reasonable diligence and the proposed discovery in the action will interfere with the ongoing criminal or civil investigation or prosecution.

*Alternate Remedy.* Provide that the Attorney General may pursue a claim relating to an alleged violation through an alternate remedy available to the state or any state agency, including an administrative proceeding to assess a civil forfeiture. If the Attorney General elects any such alternate remedy, the Attorney General must serve timely notice of his or her election upon the person bringing the action, and that person has the same rights in the alternate venue as the person would have otherwise had. Provide that any finding of fact or conclusion of law made by a court or by a state agency in the alternate venue that has become final is conclusive upon all parties named in an action. For these purposes, a finding or conclusion would be final if it has been finally determined on appeal, if all time for filing an appeal or petition for review with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

*Payment to Claimants.* Provide that if the state proceeds with an action brought by a person or the state pursues an alternate remedy described above, the person who brings the action would receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person contributed to the prosecution of the action or claim.

Provide that, if an action or claim is one that the court or other adjudicator finds to be based primarily upon disclosures of specific information not provided by the person who brings the action or claim relating to: (a) allegations or transactions specifically disclosed in a criminal, civil, or administrative hearing; (b) legislative or administrative report, hearing, audit, or investigation; or (c) report made by the news media, the court or other adjudicator may award an amount to the person as it considers appropriate, but not more than 10 percent of the proceeds of the action or settlement of the claim, depending upon the significance of the information and the role of the person bringing the action in advancing the prosecution of the action or claim.

Provide that, in addition to any amount received under the person bringing an action described above, the person must be awarded his or her reasonable expenses necessarily incurred in bringing the action together with the person's costs and reasonable actual attorney fees. Require the court or other adjudicator to assess any such award against the defendant.

Provide that, if the state does not proceed with an action or an alternate proceeding, the person bringing the action must receive an amount that the court decides is reasonable for collection of the civil penalty and damages. Specify that the amount must be not less than 25 percent and not more than 30 percent of the proceeds of the action and must be paid from the proceeds. In addition, the person must be paid his or her expenses, costs, and fees described in the bill.

Provide that, whether or not the state proceeds with an action or an alternate proceeding, if the court or other adjudicator finds that an action was brought by a person who planned or initiated the violation upon which the action or proceeding is based, then the court may, to the extent that the court considers appropriate, reduce the share of the proceeds of the action that the person would otherwise receive, taking into account the role of that person in advancing the prosecution of the action or claim and any other relevant circumstance pertaining to the violation, except that if the person bringing the action is convicted of criminal conduct arising from his or her role in a violation, the court or other adjudicator must dismiss the person as a party and the person shall not receive any share of the proceeds of the action or claim or any expenses, costs, or fees.

Create a continuing program revenue appropriation in the Department of Justice to transfer any monies owed to a "relator" (the individual bringing a *que tam* claim).

*Court Dismissal of Duplicative Allegations*. Provide that, except if the action is brought by the Attorney General or the person bringing the action is an original source of the information, the court must dismiss an action or claim, unless opposed by the state, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in any of the following ways: (a) in a federal criminal, civil, or administrative hearing in which the state or its agent is a party; (b) in a congressional, government accountability office, or other federal report, hearing, audit, or investigation; or (c) from the news media.

*State Immunity from Liability.* Provide that the state is not liable for any expenses incurred by a private person in bringing an action.

*Protections for Claimants.* Provide that any employee, contractor, or agent who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful actions taken by the employee, contractor, or agent or by others in furtherance of an action or claim filed or on behalf of the employee, contractor, or agent, including investigation for, initiation of, testimony for, or assistance in an action or claim filed or to be filed, is entitled to all necessary relief to make the employee, contractor, or agent whole. Provide that such relief must in each case include reinstatement with the same seniority status that the employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay at the legal rate, and compensation for any special damages sustained as a result of the discrimination, including costs and reasonable attorney fees. Specify that an employee, contractor, or agent may bring an action to obtain the relief to which the employee, contractor, or agent is entitled under these provisions within three years after the date the retaliation occurred.

*Other Provisions.* Provide that a civil action may be brought under these provisions based on acts occurring prior to the bill's general effective date if the action is brought within ten years

after the cause of the action or claim accrues. Provide that a judgment of guilty entered against a defendant in a criminal action in which the defendant is charged with fraud or making false statements stops the defendant from denying the essential elements of the offense in any action under that involves the same elements as in the criminal action. Specify that the remedies provided for under this section are in addition to any other remedies provided for under any other law or available under the common law. Provide that these provisions must be liberally construed and applied to promote the public interest and to effect the congressional intent in enacting 31 USC 3729 to 3733, as reflected in the federal False Claims Act and the legislative history of the act.

Definitions. For these purposes, create the following definitions.

"Claim" means any request or demand, whether under a contract or otherwise, for money or property, whether the state has title to the money or property, that is any of the following: (a) presented to an officer, employee, agent, or other representative of the state; or (b).made to a contractor, grantee, or other person if the money or property is to be spent or used on the state's behalf or to advance a state program or interest and if the state provides any portion of the money or property that is requested or demanded or will reimburse directly or indirectly the contractor, grantee, or other person for any portion of the money or property that is requested or demanded. "Claim" includes a request or demand for services from a state agency or as part of a state program, but does not include requests or demands for money or property that the state has paid to an individual as compensation for state employment or as an income subsidy with no restriction on that individual's use of the money or property.

"Knowingly" means, with respect to information, having actual knowledge of the information, acting in deliberate ignorance of the truth or falsity of the information, or acting in reckless disregard of the truth or falsity of the information. "Knowingly" does not mean specifically intending to defraud.

"Material" means having a natural tendency to influence, or be capable of influencing, the payment or receipt of money or property or the receipt of services.

"Medical assistance" is defined through a cross reference to state statutes.

"Obligation" is defined through a cross reference to federal statutes.

"Original source" is defined through a cross reference to federal statutes.

"Proceeds" includes damages, civil penalties, surcharges, payments for costs of compliance, and any other economic benefit realized by this state as a result of an action or settlement of a claim.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. STATE OPERATIONS -- SUPPLIES AND SERVICES

**Governor:** Provide \$2,056,000 (\$2,054,400 GPR and \$1,600 SEG) annually to fund increased costs of supplies and services for several state operations programs and facilities, as shown in the following table.

|                                    |                       | Annual Amount |              |
|------------------------------------|-----------------------|---------------|--------------|
| <u>Program</u>                     | GPR                   | SEG           | <u>Total</u> |
|                                    |                       |               |              |
| Public Health                      | \$109,800             | \$1,600       | \$111,400    |
|                                    |                       |               |              |
| Care and Treatment Facilities      |                       |               |              |
| Mendota Mental Health Institute    | 1,200,800             |               | 1,200,800    |
| Winnebago Mental Health Institute  | 187,700               |               | 187,700      |
| Sand Ridge Secure Treatment Center | 220,100               |               | 220,100      |
| Wisconsin Resource Center          | 244,600               |               | 244,600      |
| Central Center                     | 1,800                 |               | 1,800        |
| Northern Center                    | 1,400                 |               | 1,400        |
| Southern Center                    | 2,100                 |               | 2,100        |
| Centralized Services               | 4,000                 |               | 4,000        |
|                                    |                       |               |              |
| Care and Treatment Services        | 33,700                |               | 33,700       |
|                                    | ,                     |               | ,            |
| Quality Assurance                  | 48,400                |               | 48,400       |
|                                    |                       |               |              |
| Total                              | \$2,054,400           | \$1,600       | \$2,056,000  |
| 1.0.001                            | \$ <u>_</u> ,02 1,100 | \$1,000       | \$=,000,000  |

According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 3. TRANSLATE WEBSITE AND FORMS INTO MULTIPLE LANGUAGES

|            | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|------------|----------------------------|-----------------------------------|------------|
| GPR<br>FED | \$1,194,400<br>634,400     | - \$1,194,400<br>- 634,400        | \$0<br>0   |
| Total      | \$1,828,800                | - \$1,828,800                     | \$0        |

**Governor:** Provide \$851,900 (\$556,400 GPR and \$295,500 FED) in 2023-24 and \$976,900 (\$638,000 GPR and \$338,900 FED) in 2024-25 to translate the Department's website and forms into multiple languages.

Currently, the Department's website is only available in English. However, the Department is using one-time federal funds to translate the website into Spanish. The Administration indicates that funding (\$625,000 all funds in 2023-24 and \$750,000 all funds in 2024-25) in the bill would be used to translate the website into Hmong and one other language. Additionally, the Department is currently translating its 13,400 active forms and publications into other languages. Funding in

the bill (\$226,900 all funds, annually) would double the funding available to pay the contractor to translate additional forms.

Joint Finance/Legislature: Provision not included.

# 4. AGENCY EQUITY OFFICER

|     | Governor<br><u>(Chg. to Base)</u> |           |             | nce/Leg.<br>to Gov) | Net Change |           |  |
|-----|-----------------------------------|-----------|-------------|---------------------|------------|-----------|--|
|     | Funding                           | Positions | Funding     | Positions           | Funding    | Positions |  |
| GPR | \$170,900                         | 1.00      | - \$170,900 | - 1.00              | \$0        | 0.00      |  |

**Governor:** Provide \$74,800 in 2023-24 and \$96,100 in 2024-25 to fund 1.0 agency equity officer in the Office of the Secretary, beginning in 2023-24. The position would collaborate with the Chief Equity Officer in the Department of Administration and equity officers in other agencies to identify opportunities to advance equity in government operations, including determining how current government practices and policies affect communities of color and individuals with disabilities. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. FEDERAL REVENUE REESTIMATES

FED \$120,631,000

**Governor/Legislature:** Provide \$60,315,500 annually to reflect the net effect of funding adjustments to certain appropriations funded from federal revenue.

The following table shows the base funding amount for each appropriation, the funding change under this item, the net funding changes to these appropriations under other items in the bill, and the total amount that would be budgeted for these appropriations under Act 19.

#### **Federal Revenue Reestimates**

|  |             | 2023-24      |             |                 | 2024-25      |             |                 |

# 6. PROGRAM REVENUE REESTIMATES

\$62,314,900

PR

**Governor/Legislature:** Provide \$31,115,500 in 2023-24 and \$31,199,400 in 2024-25 to reflect the net effect of funding adjustments to certain appropriations funded from program revenue.

The following table shows the base funding amount for each appropriation, the funding change under this item, the net funding changes to these appropriations under other items in the bill, and the total amount that would be budgeted for these appropriations under Act 19.

#### **Program Revenue Funding Reestimates**

#### 7. ADMINISTRATIVE TRANSFERS

**Governor/Legislature:** Reduce PR funding by \$193,000 annually and increase FED funding by corresponding amounts, and convert 1.50 PR positions to FED positions, beginning in 2023-24,

to reflect the net effect of position transfers that occurred within the Department in the 2021-23 biennium. These transfers are intended to more accurately align base staff costs with funding sources that reflect the positions' current responsibilities.

#### 8. DELETE VACANT POSITIONS

**Joint Finance/Legislature:** Delete 33.48 positions (3.31 GPR, 18.05 FED, and 12.12 PR), beginning in 2023-24, that have been vacant for more than 18 months.

|       | Positions |
|-------|-----------|
| GPR   | - 3.31    |
| FED   | - 18.05   |
| PR    | - 12.12   |
| Total | - 33.48   |

HEALTH SERVICES -- DEPARTMENTWIDE

|       | Funding   | Positions |

#### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

\$21,000

GPR

**Governor/Legislature:** Provide adjustments to the base budget of \$12,900 annually for full funding of continuing salaries and fringe benefits and -\$2,400 annually for full funding of lease and directed moves costs.

### 2. NURSE EDUCATORS [LFB Paper 480]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually for the nurse educators program above base level funding of \$5,000,000.

2021 Act 58 provided \$5,000,000 GPR in 2022-23 in the Joint Committee on Finance

supplemental appropriation for release to HEAB upon request and approval by the Committee for a Nurse Educators program. The Act also created a new, continuing appropriation under HEAB for the program, to which funding was transferred upon release by the Committee. The Act specified that the nurse educator program applies to students and graduates of institutions of higher education, defined as private, non-profit colleges located in Wisconsin, colleges within the Wisconsin Technical College System (WTCS), and UW System institutions or campuses. The program is required to provide: (a) fellowships to students who enroll in programs for degrees in doctor of nursing practice, doctor of philosophy in nursing, or master of science in nursing in an institution of higher education; (b) educational loan repayment assistance to recruit and retain faculty for nursing programs in an institution of higher education; and (c) postdoctoral fellowships to recruit faculty for nursing programs in an institution of higher education. Individuals who receive fellowships or loan repayment assistance are required to teach for three consecutive years in a nursing program at an institution of higher education.

Joint Finance/Legislature: Provision not included.

#### 3. INFORMATION TECHNOLOGY MODERNIZATION PROJECT [LFB Paper 481]

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> 1 | nce/Leg.<br><u>to Gov)</u><br>Position | <u>Net C</u><br>s Funding 1 | <u>'hange</u><br>Positions |
|-----|--------------|--|----------------|--|-----------------------------|----------------------------|
| GPR | \$1,465,000  | 2.00                                   | - \$170,100    | - 1.00                                 | \$1,294,900                 | 1.00                       |

**Governor:** Provide \$712,900 and 2.00 positions in 2023-24 and \$752,100 in 2024-25 to support ongoing costs of HEAB's informational technology (IT) modernization project. HEAB's current mainframe system was built in 1968 and utilizes outdated computer programming and database language. The current system also does not interface well with cloud-based technologies. The modernization project includes implementation of a new system using the Microsoft.net platform for all of the programs HEAB administers. The new system will address changes in the calculation of financial need required under the federal Free Application of Federal Student Aid (FAFSA) Simplification Act of 2019, as well as improve the Board's ability to interface with the federal government and higher educational institutions. HEAB utilized \$3.1 million in federal ARPA funds for the upfront development costs of the new system. Funding provided under the bill would support ongoing costs including 2.0 business analysts to support the new system, perform data analysis, manage communications with external parties and conduct testing. Remaining funding would be utilized for hosting and vendor maintenance changes.

**Joint Finance/Legislature:** Provide \$640,000 GPR in 2023-24 and \$654,900 GPR in 2024-25 and 1.0 GPR position for information technology modernization.

### 4. **INFORMATION TECHNOLOGY PERSONNEL** [LFB Paper 481]

|     | (Chg.     | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |          | <u>Thange</u><br>Positions |
|-----|-----------|--|-------------|---|----------|----------------------------|
| GPR | \$340,500 | 1.50                                   | - \$257,100 | - 1.00                                  | \$83,400 | 0.50                       |

**Governor:** Provide \$209,900 and 1.50 positions (1.0 project position and 0.50 FTE) in 2023-24 and \$130,600 in 2024-25 for HEAB informational technology (IT) personnel. State budget staff indicate the project position is intended to allow current IT staff to train new staff prior to a retirement. The additional 0.50 FTE position would bring a 0.50 IT position to full-time.

**Joint Finance/Legislature:** Provide \$41,600 GPR in 2023-24 and \$41,800 GPR in 2024-25 and 0.5 GPR position for information technology personnel.

| GPR | \$70,100 0.50                    | - \$70,100 - 0.50                          | \$0 0.00          |  |

**Governor:** Provide \$28,300 in 2023-24 and \$41,800 in 2024-25 with 0.50 positions beginning in 2023-24 to administer the John R. Justice loan repayment program.

The John R. Justice program provides loan repayment assistance for state and federal public defenders and state prosecutors who agree to remain employed as public defenders and prosecutors for at least three years. In Wisconsin, HEAB is the designated administrative agency for the program.

Joint Finance/Legislature: Provision not included.

# 6. WISCONSIN GRANTS -- UW SYSTEM [LFB Paper 482]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$9,439,100                | - \$9,439,100                     | \$0        |

**Governor:** Increase funding for Wisconsin Grants for UW System students by \$3,094,800 in 2023-24 and \$6,344,300 in 2024-25. When calculated as a change to the prior year, there would be an increase of 5% in 2023-24 over 2022-23, and an increase of 9.8% in 2024-25 over 2023-24. Annual base level funding for this program is \$61,894,100.

Joint Finance/Legislature: Provision not included.

#### 7. WISCONSIN GRANTS -- TECHNICAL COLLEGES [LFB Paper 482]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$3,503,300                | - \$3,503,300                     | \$0        |

**Governor:** Increase funding for Wisconsin Grants for technical college students by \$1,148,600 in 2023-24 and \$2,354,700 in 2024-25. When calculated as a change to the prior year, there would be an increase of 5% in 2023-24 over 2022-23, and an increase of 9.8% in 2024-25 over 2023-24. Annual base level funding for the program is \$22,971,700.

Joint Finance/Legislature: Provision not included.

#### 8. WISCONSIN GRANTS -- PRIVATE, NONPROFIT COLLEGES [LFB Paper 482]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,347,100                | - \$4,347,100                     | \$0        |

**Governor:** Increase funding for Wisconsin Grants for private, nonprofit college students by \$1,425,300 in 2023-24, and \$2,921,800 in 2024-25. When calculated as a change to the prior year, there would be an increase of 5% in 2023-24 over 2022-23 and 9.8% in 2024-25 over 2023-24. Annual base funding for this program is \$28,504,600.

Joint Finance/Legislature: Provision not included.

# 9. WISCONSIN GRANTS -- TRIBAL COLLEGES [LFB Paper 482]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$73,500                   | - \$73,500                        | \$0        |

**Governor:** Provide an increase of \$24,100 in 2023-24 and \$49,400 in 2024-25 for Wisconsin Grants for tribal college students. When calculated as a change to the prior year, there would be an increase of 5% in 2023-24 over 2022-23 and an increase of 9.8% in 2024-25 over 2023-24. Annual base funding for the program is \$481,800. Wisconsin Grants for tribal college students are funded with tribal gaming revenue.

Joint Finance/Legislature: Provision not included.

#### 10. WISCONSIN GRANTS TO UW SYSTEM, TECHNICAL COLLEGES, AND TRIBAL COLLEGES PROGRAM CHANGES

**Governor:** Specify that the maximum Wisconsin Grant awarded to a UW System student may not exceed one-half of in-state undergraduate tuition and fees charged at UW-Madison for the academic year in which the grant is awarded. (Based on total 2022-23 in-state tuition and fees at UW-Madison of \$9,273, the maximum award would be \$4,637.) In addition, specify that Wisconsin residents enrolled at least one-quarter time at a Wisconsin Technical College System institution are eligible to receive Wisconsin Grants. Further, clarify that the maximum number of semesters a UW System, technical college, or tribal college student may be eligible for a Wisconsin Grant is 12 semesters or their equivalent, and for students attending less than full-time, only the fraction of the student's enrollment, in proportion to full-time enrollment, may be counted toward the semester limit.

Under current law, the minimum Wisconsin Grant that can be awarded is \$250, while the maximum grant awarded to UW, technical college, and tribal college students may not exceed \$3,150. There is currently no statutory maximum for Wisconsin Grants awarded to private, nonprofit college and university students. Actual minimum and maximum grants vary by sector and are approved annually by the HEAB Board. The Board approved a maximum of \$3,150 for Wisconsin Grants to UW System students in 2022-23. Currently, eligibility for Wisconsin Grants is limited to students enrolled at least half-time. There is currently no statutory maximum for the number of semesters a Wisconsin Grant may be awarded to UW System, technical colleges, and tribal college students, although HEAB indicates that in practice, they apply a 10 semesters or equivalent limit (consistent with the limit on Wisconsin Grants awarded to private, nonprofit college students).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 11. WISCONSIN GRANTS TO PRIVATE NONPROFIT COLLEGES PROGRAM CHANGES

**Governor:** Delete the current law requirements related to calculation of Wisconsin Grants awarded to students attending private, nonprofit colleges. Instead, specify that, effective for grants awarded for the semester or session beginning after the effective date of the bill, HEAB must award such grants based on a formula, subject to HEAB review and approval, which accounts for a family's expected family contribution and that is consistent with generally accepted definitions and nationally approved needs analysis methodology.

Under current law, individual Wisconsin Grant amounts are calculated using formulas which are approved annually by HEAB. For Wisconsin Grants to UW System, technical college, and tribal college students, statutes currently require that these formulas account for expected family contribution and are consistent with nationally approved needs analysis methodology. HEAB currently approves a total of five formulas, one each for UW students, technical college students, and tribal college students, and two for private, nonprofit college and university students. Current law requires HEAB to use different formulas for dependent and independent students attending private, nonprofit colleges and universities. Under these formulas, dependent students receive larger grants than independent students. The formulas for Wisconsin Grants for private, nonprofit college and university students also include a calculation of the amount by which the student's tuition exceeds UW-Madison tuition. Applicants who attend private, non-profit institutions that charge higher tuition are eligible for larger awards. The bill would eliminate the current requirements related to the formula for calculating Wisconsin Grants to private, nonprofit college students including the distinction between independent and dependent students. Under the bill, the formula would be required to take into account expected family contribution, consistent with the other sector's Wisconsin Grant formulas, and the formula would remain subject to annual review and approval by HEAB, including the maximum grant award. There is currently no statutory maximum for Wisconsin Grants awarded to private, nonprofit college and university students.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 12. TALENT INCENTIVE AND HEARING AND VISUALLY IMPAIRED GRANT PROGRAMS TECHNICAL CHANGES

**Governor:** Create a separate section of the statutes for the talent incentive grant and hearing and visually impaired grant programs, and delete their corresponding subsections under the Wisconsin Grant program section of the statutes.

The Talent Incentive Grant Program (known as "TIP") provides grants to the most needy and educationally disadvantaged students. Freshmen grant recipients are selected by the staff of the Wisconsin Educational Opportunity Program (WEOP) in the Department of Public Instruction and institutional financial aid officers. Only students who receive TIP awards as freshmen are eligible to receive awards as upperclassmen. Freshmen TIP awards are made by financial aid officers and WEOP counselors; HEAB determines the awards for those who continue to enroll as upperclassmen. Unlike other financial aid programs, TIP funding is guaranteed for continuing upperclassmen, thus obligating HEAB to four years of support once an initial award is made. Students may be awarded both a maximum TIP award as well as a maximum Wisconsin Grant award.

Under the visual or hearing impaired grant program, Wisconsin residents who have a severe or profound hearing or visual impairment and are enrolled as undergraduates at an in-state or eligible out-of-state public or private, nonprofit postsecondary institution are eligible for financial assistance. Students are eligible for a maximum grant of \$1,800 a year in addition to any grants received under the Wisconsin Grant program.

Students may receive TIP and hearing and visually impaired awards for up to 10 semesters within the first six years after the initial grant was awarded.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 13. CALCULATION OF STUDENT FINANCIAL AID TERMINOLOGY

**Governor:** Modify the definition of "expected family contribution" under section 39.437(3)(a) of the statutes, to, upon implementation of the federal Free Application of Federal Student Aid (FAFSA) Simplification Act of 2019, be determined consistently with requirements for determining the student aid index. In addition, clarify that the formulas for Wisconsin Grants to UW System, technical college, and tribal college students, refer to this definition of expected family contribution.

The FAFSA Simplification Act replaces the expected family contribution calculation with a new calculation referred to as the student aid index. The Act is currently scheduled to become effective July 1, 2024, and would be first used for financial aid awards made for award year 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 14. DOA ADMINISTRATIVE SUPPORT

**Governor:** Provide 1.0 position and associated funding to the Department of Administration for HEAB administrative support. Under current law, HEAB is responsible for its own administrative services. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Budget Change Items**

# 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | - \$544,800                | - \$308,600                       | - \$853,400 |
| FED   | - 60,200                   | 0                                 | - 60,200    |
| PR    | - 516,500                  | 0                                 | - 516,500   |
| SEG   | <u>1,191,000</u>           | 0                                 | 1,191,000   |
| Total | \$69,500                   | - \$308,600                       | - \$239,100 |

**Governor:** Adjust the base budget by -\$272,400 GPR, -\$30,200 FED, -\$259,000 PR, and \$595,500 SEG in 2023-24 and -\$272,400 GPR, -\$30,000 FED, -\$257,500 PR, and \$595,500 SEG in 2024-25 for: (a) turnover reduction (-\$231,500 GPR annually); (b) full funding of continuing

position salaries and fringe benefits (\$124,000 GPR, -\$29,700 FED, -\$259,200 PR, and \$595,500 SEG annually); (c) overtime (\$7,300 GPR annually); (d) night and weekend differential pay (\$12,400 GPR annually); and (e) lease and directed move costs (-\$184,600 GPR, -\$500 FED, and \$200 PR in 2023-24 and (-\$184,600 GPR, -\$300 FED, and \$1,700 PR in 2024-25).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$154,300 GPR annually.

# 2. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change      |
|-------|----------------------------|-----------------------------------|-----------------|
| GPR   | - \$1,267,000              | \$3,021,800                       | \$1,754,800     |
| PR    | - 15,200                   | <u>0</u>                          | <u>- 15,200</u> |
| Total | - \$1,282,200              | \$3,021,800                       | \$1,739,600     |

**Governor:** Reduce funding by \$614,000 GPR and \$7,800 PR in 2023-24 and \$653,000 GPR and \$7,400 PR in 2024-25 as a reestimate of debt service payments. Base level funding is \$4,613,500 GPR and \$9,800 PR annually.

**Joint Finance/Legislature:** Increase funding by \$621,700 GPR in 2023-24 and \$2,400,100 GPR in 2024-25 for a net funding increase of \$7,700 GPR in 2023-24 and \$1,747,100 GPR in 2024-25 as a reestimate of debt service payments.

# 3. FUEL AND UTILITIES REESTIMATE

GPR \$818,000

**Governor/Legislature:** Increase funding by \$396,800 in 2023-24 and \$421,200 in 2024-25 to reflect estimated costs for fuel and utilities at Historical Society facilities. Base level funding is \$812,100 annually.

# 4. INFORMATION TECHNOLOGY SERVICES [LFB Paper 485]

|     | Governo<br><u>(Chg. to Ba</u><br>Funding Posit |                | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Ch</u><br>Funding P | _    |
|-----|--|----------------|---|----------------------------|------|
| GPR | \$4,945,000 4.0                                | 00 - \$453,500 | - 4.00                                  | \$4,491,500                | 0.00 |

**Governor:** Provide \$2,574,900 in 2023-24 and \$2,370,100 in 2024-25 and 4.0 positions annually for the transition of the Historical Society's information technology services and support from the University of Wisconsin-Madison Division of Information Technology to the Department of Administration's Division of Enterprise Technology.

The funding and position authority is to ensure that the Historical Society IT program can maintain the current level of services, implement initiatives included in the IT Strategic Plan, and provide additional resources to support the new Wisconsin History Center.

**Joint Finance/Legislature:** Reduce funding by \$80,100 and 4.0 positions in 2023-24, and \$373,400 and 4.0 positions in 2024-25 for a net funding increase of \$2,494,800 in 2023-24 and \$1,996,700 in 2024-25 in one-time funding for the transition of the Historical Society's information technology services and support.

# 5. WISCONSIN HISTORY CENTER [LFB Paper 486]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$3,000,000                | - \$1,000,000                     | \$2,000,000 |

**Governor:** Provide \$2,500,000 in 2023-24 and \$500,000 in 2024-25 in the Society's general program operations appropriation to support the conservation, preservation, and preparation of historical artifacts as well as digital infrastructure for the planning and operation of the Wisconsin History Center, which is an enumerated state project scheduled to open in fiscal year 2026-27 and expected to serve 250,000 visitors annually.

**Joint Finance/Legislature:** Reduce funding by \$500,000 annually to provide one-time funding of \$2,000,000 GPR in 2023-24 in a new biennial appropriation for the History Center.

[Act 19 Section: 63]

# 6. BLACK HISTORICAL SOCIETY

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,000,000                | - \$2,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 annually over base level funding of \$84,500 for the Wisconsin Black Historical Society.

The Wisconsin Black Historical Society documents and preserves historical records and artifacts related to African Americans and their history in Wisconsin. The Society operates a museum located in Milwaukee.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$501,600                  | - \$501,600                       | \$0        |
| SEG   | 200                        | - 200                             | 0          |
| Total | \$501,800                  | - \$501,800                       | \$0        |

**Governor:** Provide \$250,800 GPR and \$100 SEG annually to increase agency supplies and services funding. According to the administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose. The GPR would be provided in the Society's general program operations appropriation and the SEG would be provided in the appropriation for the Northern Great Lakes Center.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 8. HISTORICAL AND FINE ARTS COLLECTION INVENTORY

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$240,000                  | - \$240,000                       | \$0        |

**Governor:** Provide \$240,000 in 2023-24 to complete a comprehensive inventory and valuation of state-owned historical and fine arts collections.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 9. RECORDS MANAGEMENT

|    | Governor<br>(Chg. to Base)<br>Positions | Jt. Finance/Leg.<br>(Chg. to Gov)<br>Positions | Net Change<br>Positions |
|----|---|--|-------------------------|
| PR | 1.00                                    | - 1.00   | 0.00                    |

**Governor:** Convert 1.0 LTE position to an FTE permanent position to support the state historical records management program.

Joint Finance/Legislature: Provision not included.

#### **10. REVENUE REESTIMATES**

**Governor/Legislature:** Provide \$4,474,200 (\$1,149,700 FED, \$2,395,500 PR, and \$929,000 SEG) in 2023-24 and \$5,601,300 (\$1,263,300 FED, \$2,415,500 PR, and \$1,922,500 SEG) in 2024-25 to

reflect current revenue and expenditure projections for the following continuing FED, PR, and SEG appropriations:

a. \$971,900 FED in 2023-24 and \$1,065,500 FED in 2024-25 for the general program operations -- federal funds appropriation.

b. \$177,800 FED in 2023-24 and \$197,800 FED in 2024-25 for indirect cost reimbursements for the federal aids appropriation.

c. \$2,000,000 PR annually for foundation contributed income for the gifts, grants, and membership sales appropriation.

d. \$365,500 PR annually for the general program operations -- service funds appropriation.

e. \$30,000 PR in 2023-24 and \$50,000 PR in 2024-25 for general donations for the gifts, grants, and membership sales appropriation.

f. \$825,000 SEG in 2023-24 and \$1,775,000 SEG in 2024-25 for the history preservation partnership trust fund appropriation.

g. \$104,000 SEG in 2023-24 and \$147,500 SEG in 2024-25 for the general program operations for the endowment appropriation.

The reestimates reflect the resumption of full operations after the COVID-19 pandemic, progress on the Wisconsin History Center project, growth of certain revenue-generating functions, endowment performance, and new federal grant funding.

# **Budget Change Items**

# **Agency Operations and Current Programs**

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| PR    | - \$169,600                | - \$370,000                       | - \$539,600 |
| SEG   | 101,600                    | 0                                 | 101,600     |
| Total | - \$68,000                 | - \$370,000                       | - \$438,000 |

**Governor:** Reduce funding by \$34,000 (-\$84,800 PR and \$50,800 SEG) annually to reflect the following standard budget adjustments: (a) -\$277,500 PR annually for turnover reduction; (b) \$259,300 PR and \$53,500 SEG annually for full funding of continuing position salaries and fringe

benefits; and (c) -\$66,600 PR and -\$2,700 SEG annually for full funding of lease and directed move costs.

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by \$185,000 PR annually.

## 2. FINANCIAL AND MARKET REGULATION POSITIONS [LFB Paper 490]

|    | (Chg.       | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net C</u><br>Funding 1 |      |
|----|-------------|--|-------------|---|---------------------------|------|
| PR | \$1,631,900 | 10.00                                  | - \$952,800 | - 6.00                                  | \$679,100                 | 4.00 |

**Governor:** Provide \$699,400 in 2023-24 and \$932,500 in 2024-25 and 10.0 positions, beginning in 2023-24, to address increased workload and responsibilities relating to OCI's supervision of the insurance industry. Of the funding and positions that would be provided, 5.0 positions would be assigned to the Division of Market Regulation, which regulates the market conduct of insurance companies and agents to ensure compliance with insurance laws and rules. This includes investigating consumer complaints, providing consumer information, issuing agent licenses, and reviewing company underwriting and rating practices. The other 5.0 positions would be assigned to the Division of Financial Regulation, which oversees company licensing, financial analysis and examinations, and the solvency of insurers licensed to do business in Wisconsin. This includes conducting regular financial examinations of companies and issuing company licenses.

**Joint Finance/Legislature:** Reduce funding by \$408,300 in 2023-24 and \$544,500 in 2024-25 and 6.0 positions, to provide a net increase of \$291,100 in 2023-24 and \$388,000 in 2024-25 and 4.0 insurance examiner positions. The resulting funding and positions increases would be distributed as follows: (a) \$214,800 in 2023-24 and \$286,400 in 2024-25, and 3.0 positions for the Division of Financial Regulation; (b) \$76,300 in 2023-24 and \$101,600 in 2024-25, and 1.0 position for the Division of Market Regulation.

## 3. RESTORE FUNDING FOR AGENCY OPERATIONS

\$1,404,600

PR

**Governor/Legislature:** Provide \$702,300 for OCI administrative functions, reflecting the net effect of the following two changes: (a) provide an increase of \$2,222,600 annually in OCI's general program operations appropriation; and (b) delete the interagency and intra-agency operations appropriation, along with base funding in that appropriation of \$1,520,300 annually.

The 2021-23 budget (Act 58) created an interagency and intra-agency PR appropriation in OCI for general program operations and made a non-recurring transfer of \$1,520,300 in each year of the biennium to that appropriation from the unencumbered revenue balance in OCI's PR appropriation for general program operations. In addition, Act 58 reduced funding in the general program operations appropriation by \$2,222,600 annually. The result of these changes was a net

reduction in program operations funding, in both appropriations combined, of \$702,300. This item would delete the interagency and intra-agency appropriation created by Act 58 and reverse the net funding reduction that resulted from that act.

Veto by Governor [F-51]: Delete the repeal of the interagency and intra-agency appropriation created by Act 58. With this veto, OCI will continue to have authority to make expenditures of amounts received from other agencies or from within the agency.

[Act 19 Vetoed Section: 54]

## 4. WISCONSIN HEALTHCARE STABILITY PLAN [LFB Paper 106]

|            | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change         |
|------------|----------------------------|-----------------------------------|--------------------|
| GPR<br>FED | \$11,467,100<br>           | - \$41,665,000<br>41,665,000      | - \$30,197,900<br> |
| Total      | \$60,000,000               | \$0                               | \$60,000,000       |

**Governor:** Provide \$30,000,000 (-\$12,499,700 GPR and \$42,499,700 FED) in 2023-24 and \$30,000,000 (\$23,966,800 GPR and \$6,033,200 FED) in 2024-25 to reflect estimated increases in total reinsurance payments under the Wisconsin healthcare stability plan (WHSP), from the base of \$200,000,000 annually to \$230,000,000 annually.

The following table shows the appropriation base and estimated funding for reinsurance payments in the 2023-25 biennium with these adjustments.

|       |               | Change        | to Base        | Total          | Funding       |
|-------|---------------|---------------|----------------|----------------|---------------|
|       | Base          | 2023-24       | <u>2024-25</u> | <u>2023-24</u> | 2024-25       |
| GPR   | \$34,233,200  | -\$12,499,700 | \$23,966,800   | \$21,733,500   | \$58,200,000  |
| FED   | 165,766,800   | 42,499,700    | 6,033,200      | 208,266,500    | 171,800,000   |
| Total | \$200,000,000 | \$30,000,000  | \$30,000,000   | \$230,000,000  | \$230,000,000 |

WHSP is a state-operated reinsurance program, supported with state and federal funding, that is intended to reduce premiums for health insurance policies sold in the individual market. Reinsurance payments reimburse insurers for a portion of the total annual claims for individuals with high costs. Each year, OCI establishes reinsurance payment parameters based on a total expenditure target. The 2021-23 budget act increased the statutory target from \$200,000,000 to \$230,000,000, beginning for the 2022 insurance plan year. Since the 2022 plan year reinsurance payments will be made in state fiscal year 2023-24, this item adjusts the GPR and FED appropriations to equal anticipated expenditures.

The reinsurance payments for the 2022 plan year will be made in 2023-24 with a combination of federal funds received for that plan year (\$181,902,400) and federal funds received for the 2021 plan year, but not needed for 2021 reinsurance payments (\$26,364,100). Since the federal funding for 2021 exceeded the total amount of reinsurance payments, the excess funding

will be carried over to offset the state cost of making the 2022 payments. The Administration estimates that federal funds for the 2023 plan year will total \$171,800,000, so the bill would increase GPR funding in 2024-25 to equal the difference between the available federal funding and the anticipated reinsurance payment total.

**Joint Finance/Legislature:** Decrease GPR funding by \$41,665,000 in 2024-25 and provide a corresponding increase in the FED appropriation for WHSP, to reflect the most recent estimate of federal pass-through funding that will be available for reinsurance payments for calendar year 2023 plans. On March 30, 2023, the federal Center for Consumer Information and Insurance Oversight provided notice that the state would receive \$213,464,988 for 2023, an increase of \$41,665,000 from the level assumed under the Governor's bill. The following table shows the revised estimate of state and federal shares of reinsurance payments under Joint Finance (and also under Act 19).

#### Estimated Reinsurance Program Funding under Joint Finance/Act 19

|       | Change 1 | to Governor    | Total Funding |               |  |

| Total | \$0      | \$0            | \$230,000,000 | \$230,000,000 |  |

# 5. WISCONSIN HEALTHCARE STABILITY PLAN -- PROGRAM MANAGER POSITION

|    | (Chg      | vernor<br><u>. to Base)</u><br>Positions | <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Cha</u><br>Funding Po |      |
|----|-----------|--|--------------|---|------------------------------|------|
| PR | \$249,400 | 1.00                                     | - \$249,400  | - 1.00                                  | \$0                          | 0.00 |

**Governor:** Provide \$106,900 in 2023-24 and \$142,500 in 2024-25 and 1.0 position, beginning in 2023-24, to establish a designated program manager for the Wisconsin healthcare stability plan program. According to the Administration, the program manager would oversee contract management, data analysis, and strategy development for the program.

Joint Finance/Legislature: Provision not included.

# 6. WISCONSIN HEALTH CARE STABILITY PLAN -- ADJUSTMENT OF TOTAL ANNUAL REINSURANCE PAYMENT

**Governor:** Specify that, beginning for plan year 2025, the annual maximum amount of reinsurance payments under the Wisconsin healthcare stability plan shall be the maximum amount for the prior year, adjusted to reflect the percentage increase, if any, in the consumer price index for all urban consumers, U.S. city average, for the medical care group, as determined by the U.S.

Department of Labor, for the 12-month period ending on December 31 of the year before the year in which the amount is determined.

Require OCI to determine the annual adjustment for a particular year in January of the previous year and publish the new maximum each year in the Wisconsin Administrative Register. The Joint Committee on Finance would retain the authority to increase the maximum payment by more than the amount of this adjustment under s. 13.10 of the statutes upon request by OCI. Clarify that the current statutory maximum payment of \$230,000,000 applies to plan years 2022, 2023, and 2024 and that the program shall be administered in accordance with any extensions of the federal waiver that was approved by the Department of Health and Human Services on July 29, 2018.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. BOARD ON AGING AND LONG-TERM CARE HELPLINE FUNDING TRANSFER [LFB Paper 491]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$148,700                  | - \$56,500                        | \$92,200   |

**Governor:** Provide \$71,800 in 2023-24 and \$76,900 in 2024-25 to reflect a reestimate of the amount of insurance fee revenue that will be needed to fund telephone counseling services provided by the Board on Aging and Long-Term Care (BOALTC) for individuals seeking information on Medicare supplemental insurance policies ("Medigap" policies), Medicare Part D policies (policies that cover prescription drugs), and SeniorCare.

The BOALTC Helpline provides free one-on-one insurance counseling services to state residents over the age of 60. The Helpline is supported from two sources -- federal funds the state receives under the state health insurance assistance program (SHIP) and state insurance fee revenue budgeted as part of OCI's general program operations appropriation that OCI transfers to BOALTC. The BOALTC budget request includes funding to increase administrative support for the Helpline. OCI's request would provide the expenditure authority for making the Helpline transfer in an amount that equals BOALTC's proposed funding increase for the Helpline.

**Joint Finance/Legislature:** Reduce funding by \$24,900 in 2023-24 and \$31,600 in 2024-25 to reflect a reestimate of the amount of funding needed to support OCI's share of the helpline.

#### 8. EQUITY OFFICER POSITION

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$83,600                   | - \$83,600                        | \$0        |

**Governor:** Provide \$36,600 in 2023-24 and \$47,000 in 2024-25 and 0.5 position, beginning in 2023-24, to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 9. FRAUDULENT INSURANCE ACTS

**Joint Finance/Legislature:** Provide 1.0 position for investigation of fraudulent insurance acts, beginning in 2023-24,

and provide \$107,400 in 2023-24 and \$138,700 in 2024-25 to support the position. Establish a prohibition against fraudulent insurance acts, within current law statutory section related to OCI's general powers and duties. Specify, for the purposes of this provision, that a fraudulent insurance act includes knowingly presenting a false or fraudulent claim for payment of a loss or benefit or knowingly presenting false information in an application for insurance. Specify that, if based on an investigation, it has a reasonable basis to believe that a violation of laws involving theft, forgery, fraudulent writings, fraudulent data alteration, fraudulent insurance and employee benefit program claims, fraudulent destruction of certain writings, or any other criminal law has occurred, OCI may refer the results of an investigation to the Department of Justice or to the district attorney of the county in which the alleged violation occurred for prosecution.

#### 1. OFFICE OF PRESCRIPTION DRUG AFFORDABILITY

|    | (Chg.     | vernor<br><u>to Base</u><br>Position |               | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|-----------|--------------------------------------|---------------|---|-----|----------------------------|
| PR | 3,854,100 | 16.0                                 | - \$3,854,100 | -16.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$1,968,300 in 2023-24 and \$1,885,800 in 2024-25, and 16.0 positions, beginning in 2023-24, to administer new initiatives related to prescription drug supply chain regulation and consumer assistance in a new Office of Prescription Drug Affordability within OCI. Specify that all moneys received from the regulation of pharmacy benefit management brokers, pharmacy benefit management consultants, pharmacy services administration organizations, and pharmaceutical representatives shall be credited to OCI's program revenue appropriation for general program operations.

Of the funding provided by the bill, \$500,000 in 2023-24 would be one-time financing for implementation costs associated with the Office, while the remainder, \$1,468,300 in 2023-24 and \$1,885,800, would be for salary, fringe benefit, and supplies costs associated with the positions. The positions would include five insurance examiners, four policy initiatives advisors, two attorneys, an insurance program manager, two insurance administrators, and two operations program associates. The prescription drug affordability initiatives are summarized in subsequent items in this section.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. PRESCRIPTION DRUG AFFORDABILITY BOARD

**Governor:** Establish a Prescription Drug Affordability Review Board, attached to the Officer of the Commissioner of Insurance for the purpose of budgeting, program coordination and related management functions, but with independence with respect to exercise its powers, duties and functions prescribed by law, including rule making, licensing and regulation, and operational planning within its area of program responsibility. Specify that the provisions of this item take effect on the first day of the seventh month beginning after the effective date of the bill.

#### **Board Membership**

Specify that the Board shall be composed of the following members: (a) the Commissioner of Insurance or his or her designee; (b) two members appointed for four-year terms who represent the pharmaceutical drug industry, including pharmaceutical drug manufacturers and wholesalers, at least one of whom is a licensed pharmacist; (c) two members appointed for four-year terms who

represent the health insurance industry, including insurers and pharmacy benefit managers; (d) two members appointed for four-year terms who represent the health care industry, including hospitals, physicians, pharmacies, and pharmacists, at least one of whom shall be a licensed practitioner; and (e) two members appointed for four-year terms who represent the interests of the public.

Specify that, notwithstanding the terms established for the Board members, two of the initial members shall be appointed for terms expiring on May 1, 2025, two members with terms expiring on May 1, 2026, two members with terms expiring on May 1 2027, and two members with terms expiring on May 1, 2028.

Specify that, other than the two Board members selected to represent the pharmaceutical drug industry, no member appointed to the Board may be an employee of, a board member of, or a consultant to, a drug manufacturer or trade association for drug manufacturers. Specify that any conflict of interest, including any financial or personal association, that has the potential to bias or has the appearance of biasing an individual's decision in matters related to the Board or the conduct of the Board's activities shall be considered and disclosed when appointing that individual to the Board.

## Purpose, Powers and Duties, Meeting Requirements, and Conflicts of Interest

*Purpose*. Specify that the purpose of the Prescription Drug Affordability Review Board is to protect state residents, the state, local governments, health plans, healthcare providers, pharmacies licensed in Wisconsin, and other stakeholders of the healthcare system in Wisconsin from the high costs of prescription drug products.

*Meeting Requirements.* Require the Board to meet in open session at least four times per year to review prescription drug product pricing information, except that the chair may cancel or postpone a meeting if there is no business to transact. Require the Board, to the extent practicable, to access and assess pricing information for prescription drug products by doing all of the following: (a) accessing and assessing information from other states by entering into memoranda of understanding with other states to which manufacturers report pricing information; (b) assessing spending for specific prescription drug products in Wisconsin; and (c) accessing other available pricing information.

*Powers and Duties*. Specify that the Board may: (a) promulgate rules for the administration of its statutory duties; or (b) enter into a contract with an independent third party for any service necessary to carry out the powers and duties of the Board. Specify that, unless written permission is granted by the Board, any person with whom the Board contracts may not release, publish, or otherwise use any information to which the person has access under the contract.

Require the Board to provide public notice of each Board meeting at least two weeks prior to the meeting and to make the materials for each meeting publicly available at least one week prior to the meeting. Require the Board to provide an opportunity for public comment at each open meeting and to provide the public with the opportunity to provide written comments on pending decisions of the Board. Specify that any portion of a meeting of the Board concerning proprietary data and information shall be conducted in closed session and shall in all respects remain confidential. Specify that the Board may allow expert testimony at any meeting, including when the Board meets in closed session. Require the Board to establish and maintain a website to provide public notices, make meeting materials available, and to disclose any conflicts of interest of Board members.

*Conflicts of Interest.* Require a member of the Board to recuse himself or herself from a decision relating to a prescription drug product if the member or an immediate family member has received or could receive any of the following: (a) a direct financial benefit deriving from a determination, or a finding of a study or review, by the Board relating to the prescription drug product; (b) a financial benefit in excess of \$5,000 in a calendar year from any person who owns, manufactures, or provides a prescription drug product to be studied or reviewed by the Board.

Specify that a conflict of interest shall be disclosed by the Board when hiring Board staff, by the appointing authority when appointing members to the Board, and by the Board when a member of the Board is recused from any final decision resulting from a review of a prescription drug product. Specify that any conflict of interest shall be disclosed no later than five days after the conflict is identified, except that, if the conflict is identified within five days of an open meeting of the Board, the conflict shall be disclosed prior to the meeting. Require the Board to disclose a conflict of interest on the Board's website unless the chair of the Board recuses the member from a final decision resulting from a review of the prescription drug product. Specify that the disclosure shall include the type, nature, and magnitude of the interests of the member involved.

Prohibit any member of the Board or a third party contractor from accepting any gift or donation of services or property that indicates a potential conflict of interest or has the appearance of biasing the work of the Board.

## **Drug Cost Affordability Review**

Require the Board to identify any drug products that are any of the following: (a) a brand name drug or biologic that, as adjusted annually to reflect adjustments to the U.S. consumer price index for all urban consumers, U.S. city average (CPI), has a launch wholesale acquisition cost of at least \$30,000 per year or course of treatment, or whose wholesale acquisition cost increased at least \$3,000 during a 12-month period; (b) a biosimilar that has a launch wholesale acquisition cost that is not at least 15 percent lower than the referenced brand biologic at the time the biosimilar is launched; (c) a generic drug that has a wholesale acquisition cost, as adjusted annually to reflect adjustments to the CPI, that meets all of the following conditions: (i) is at least \$100 for a supply lasting a patient for a period of 30 consecutive days based on the recommended dosage approved for labeling by the U.S. Food and Drug Administration (FDA), a supply lasting a patient for fewer than 30 days based on the recommended dosage approved for labeling by the FDA, or one unit of the drug if the labeling approved by the FDA does not recommend a finite dosage; or (ii) increased by at least 200 percent during the preceding 12-month period, as determined by the difference between the resulting wholesale acquisition cost and the average of the wholesale acquisition cost reported over the preceding 12 months; or (d) other prescription drug products, including drugs to address public health emergencies, that may create affordability challenges for the healthcare system and patients in Wisconsin.

Require the Board, after identifying prescription drugs that meet the above conditions, to determine whether to conduct an affordability review for each identified prescription drug product

by seeking stakeholder input about the prescription drug product and considering the average patient cost share of the prescription drug product. Specify that the information to conduct an affordability review may include any document and research related to the manufacturer's selection of the introductory price or price increase of the prescription drug product, including life cycle management, net average price in Wisconsin, market competition and context, projected revenue, and the estimated value or cost-effectiveness of the prescription drug product. Specify that the failure of a manufacturer to provide the Board with information for an affordability review does not affect the authority of the Board to conduct the review.

#### Drug Affordability Challenge and Upper Payment Limit

Require the Board, when conducting an affordability review of a prescription drug product, to determine whether use of the prescription drug product that is fully consistent with the labeling approved by the FDA or standard medical practice has led or will lead to an affordability challenge for the healthcare system in Wisconsin, including high out-of-pocket costs for patients. Require the Board, to the extent practicable, in determining whether a prescription drug product has led or will lead to an affordability challenge, to consider all of the following factors: (a) the wholesale acquisition cost for the prescription drug product; (b) the average monetary price concession, discount, or rebate the manufacturer provides, or is expected to provide, to health plans as reported by manufacturers and health plans, expressed as a percent of the wholesale acquisition cost for the prescription drug product under review; (c) the total amount of the price concessions, discounts, and rebates the manufacturer provides to each pharmacy benefit manager for the prescription drug product under review, as reported by the manufacturer and pharmacy benefit manager and expressed as a percent of the wholesale acquisition cost; (d) the price at which therapeutic alternatives to the prescription drug product have been sold; (e) the average monetary concession, discount, or rebate the manufacturer provides or is expected to provide to health plan payors and pharmacy benefit managers for therapeutic alternatives; (f) the costs to health plans based on patient access consistent with labeled indications by the FDA and recognized standard medical practice; (g) the impact on patient access resulting from the cost of the prescription drug product relative to insurance benefit design; (h) the current or expected dollar value of drug-specific patient access programs that are supported by the manufacturer; (i) the relative financial impacts to health, medical, or social services costs that can be quantified and compared to baseline effects of existing therapeutic alternatives; (j) the average patient copay or other cost sharing for the prescription drug product; (k) any information a manufacturer chooses to provide; and (l) any other factors as determined by the Board by rule.

Require the Board, if it determines that the use of a prescription drug product has led or will lead to an affordability challenge, to establish an upper payment limit for the prescription drug product after considering all of the following: (a) the cost of administering the drug; (b) the cost of delivering the drug to consumers; and (c) other relevant administrative costs related to the drug.

Require the Board, with respect to drugs that the Board determines had a price increase in excess of the 12-month thresholds, to solicit information from the manufacturer regarding the price increase. Require the Board to establish an upper payment limit for a drug to the extent that the price increase is not a result of the need for increased manufacturing capacity or other effort to improve patient access during a public health emergency. Specify that the limit shall be the cost to

consumers prior to the price increase.

Specify that the upper payment limit established by the Board shall apply to all purchases and payor reimbursements of the prescription drug product dispensed or administered to individuals in Wisconsin in person, by mail, or by other means, and is applicable to state sponsored and state regulated health plans and health programs. Specify that a plan subject to the federal Employee Retirement Income Security Act of 1974 (ERISA) or Medicare Part D may choose to reimburse more than the upper payment limit. Specify that a provider who dispenses and administers a prescription drug product to an individual in Wisconsin may not bill a payor more than the upper payment limit to the patient, regardless of whether a plan subject to ERISA or Medicare Part D chooses to reimburse the provider above the upper payment limit.

#### **Other Provisions**

Specify that information submitted to the Board shall be open to public inspection only as provided under the state's open records laws (sections 19.31 to 19.39 of the statutes).

Specify that these provisions may not be construed to prevent a manufacturer from marketing a prescription drug product approved by the FDA while the prescription drug product is under review by the Board.

Specify that a person aggrieved by a decision of the Board may request an appeal of the decision no later than 30 days after the Board makes the determination. Require the Board to hear the appeal and make a final decision no later than 60 days after the appeal is requested. Specify that a person aggrieved by a final decision of the Board may petition for judicial review in a court of competent jurisdiction.

## Definitions

Establish the following definitions used in these provisions: (a) "biologic" means a drug that is produced or distributed in accordance with a biologics license application approved under federal law; (b) "biosimilar" means a drug that is produced or distributed in accordance with a biologics license application approved under federal law; (c) "brand name drug" means a drug that is produced or distributed in accordance with an original new drug application approved under federal law, other than an authorized generic drug; (d) "financial benefit" includes an honorarium, fee, stock, the value of the stock holdings of a member of the board or any immediate family member, and any direct financial benefit deriving from the finding of a drug cost affordability review; (e) "generic drug" means any of the following: (i) a retail drug that is marketed or distributed in accordance with an abbreviated new drug application; (ii) an authorized generic drug, as defined under federal regulations; (iii) a drug that entered the market prior to 1962 and was not originally marketed under a new drug application; (f) "immediate family member" means a spouse, grandparent, parent, sibling, child, stepchild, or grandchild of spouse of a grandparent, parent, sibling, child, stepchild, or grandchild; (g) "manufacturer" means an entity that does all of the following: (i) engages in the manufacture of a drug product or enters into a lease with another manufacturer to market and distribute a prescription drug product under the entity's own name; or (ii) sets or changes the wholesale acquisition cost of the prescription drug product; (h) "pharmacy benefit manager" mean an entity doing business in Wisconsin that contracts to administer or manage prescription drug benefits on behalf of any insurer or other entity that provides prescription drug benefits to state residents; and (i) "prescription drug product" means a brand name drug, a generic drug, a biologic, or a biosimilar.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. GENERIC PRESCRIPTION DRUG IMPORTATION PROGRAM

**Governor:** Require the Insurance Commissioner, in consultation with persons interested in the sale and pricing of prescription drugs and appropriate officials and agencies of the federal government, to design and implement a prescription drug importation program for the benefit of, and that generates savings for, Wisconsin residents.

*Program Requirements.* Specify that the program must satisfy all the following: (a) OCI must designate a state agency to become a licensed wholesale distributor or to contract with a licensed wholesale distributor and shall seek federal certification and approval to import prescription drugs; (b) the program must comply with all relevant requirements under federal law; (c) the program must import drugs from Canadian suppliers regulated under any appropriate Canadian or provincial laws; (d) the program must have a process to sample the purity, chemical composition, and potency of imported prescription drugs; (e) the program must import only prescription drugs for which importation creates substantial savings, are not brand-name, and have fewer than four competitor prescription drugs in the United States; and (f) OCI must ensure that prescription drugs imported under the program are not distributed, dispensed, or sold outside of Wisconsin.

Specify that the program must ensure all of the following: (a) participation by any pharmacy or health care provider in the program is voluntary; (b) any pharmacy or health care provider participating in the program has the appropriate license or other credential in Wisconsin; and (c) any pharmacy or health care provider participating in the program charges a consumer or health plan the actual acquisition cost of the imported prescription drug that is dispensed.

Specify that the program must ensure that a payment by a health plan or health insurance policy for a prescription drug imported under the program reimburses no more than the actual acquisition cost of the imported prescription drug that is dispensed.

*Requirements Relating to Health Plans and Health Insurance Policies.* Specify that the program must ensure that any health plan or health insurance policy participating in the program does all of the following: (a) maintains a formulary and claims payment system with current information on prescription drugs imported under the program; (b) bases cost-sharing amounts for participants or insureds under the plan or policy on no more than the actual acquisition cost of the prescription drug imported under the program that is dispensed to the participant or insured; and (c) demonstrates to OCI or a state agency designated by OCI how premiums under the policy or plan are affected by savings on prescription drugs imported under the program.

Additional Restrictions Relating to Importation. Specify that the program must ensure that:

(a) any wholesale distributor importing prescription drugs under the program must limit its profit margin to the amount established by OCI or a state agency designated by OCI; (b) the program may not import any generic prescription drug that would violate federal patent laws on branded products in the United States; and (c) the program complies, to the extent practical and feasible, with tracking and tracing requirements specified in federal regulations.

*Program Finance*. Specify that the program must establish a fee or other mechanism to finance the program that does not jeopardize significant savings to Wisconsin residents.

*Audit Function.* Provide that the program must have an audit function that ensures all of the following: (a) OCI has a sound methodology to determine the most cost-effective prescription drugs to include in the importation program; (b) OCI has a process in place to select Canadian suppliers that are high quality, high performing, and in full compliance with Canadian laws; (c) prescription drugs imported under the program are pure, unadulterated, potent, and safe; (d) the program is complying with the requirements specified under this item; (e) the program is adequately financed to support administrative functions of the program while generating cost savings to Wisconsin residents; (f) the program is projected to continue to provide substantial cost savings to Wisconsin residents.

Anti-Competitive Behavior. Require OCI, in consultation with the Attorney General, to identify the potential for, and monitor anticompetitive behavior in industries affected by the program.

*Program Approval.* Require OCI to submit a report on the design of the program to the Joint Committee on Finance for approval no later than the first day of the seventh month beginning after the effective date of the bill. Within 14 days of approval by the Committee, require OCI to submit the plan to the U.S. Department of Health and Human Services (DHHS) for certification. Provide that OCI may not submit the program to DHHS for certification unless it is first approved by the Committee.

*Program Implementation.* Upon certification of the program by DHHS, require OCI to begin implementing the program so that the program is fully operational within 180 days of certification.

Require OCI to do all of the following to implement the program: (a) become a licensed wholesale distributor, designate another state agency to become a licensed wholesale distributor, or contract with a licensed wholesale distributor; (b) contract with one or more Canadian suppliers; (c) create an outreach and marketing plan to communicate with and provide information to health plans and health insurance policies, employers, pharmacies, health care providers, and Wisconsin residents on participating in the program; (d) develop and implement a registration process for health plans and health insurance policies, pharmacies, and health care providers interested in participating in the program; (e) create a publicly accessible source for listing prices of prescription drugs imported under the program; (f) create, publicize, and implement a method of communication to promptly answer questions from, and address the needs of, persons affected by the implementation of the program before the program is fully operational; (g) establish the audit functions described above with a timeline to complete each audit function every two years; and (h) conduct any other activities determined by OCI to be important to successful implementation

of the program.

Authorize OCI to promulgate any administrative rules necessary to implement the program.

*Report.* Require OCI, by January 1 and July 1 of each year, to submit to the Joint Committee on Finance a report including all of the following: (a) a list of prescription drugs included in the program; (b) the number of pharmacies, health care providers, and health plans and health insurance policies participating in the program; (c) the estimated amount of savings to Wisconsin residents, health plans and health insurance policies, and employers resulting from the implementation of the program reported from the date of the previous report and from the date the program was fully operational; and (d) findings of any audit functions completed since the date of the previous report. Require OCI to submit the first report by the next January 1 or July 1, whichever is earliest, that is at least 180 days after the date of the prescription drug importation program is operational. Require OCI to include in the first three reports it submits information on the implementation of the audit functions specified in this item.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. INSULIN SAFETY NET PROGRAMS

**Governor:** Require insulin manufacturers to create an urgent need safety net program and a patient assistance program, as described below, for certain persons who are insulin-dependent. For the purposes of this provision, define a manufacturer as a person engaged in the manufacturing of insulin that is self-administered on an outpatient basis.

#### **Urgent Need Safety Net Program**

Require each manufacturer, no later than July 1, 2024, to establish an urgent need safety net program to make insulin available to individuals who meet the requirements outlined below. Define "urgent need of insulin" to mean having less than a seven day supply of insulin readily available for use and needing insulin in order to avoid the likelihood of suffering a significant health consequence.

*Eligibility.* Specify that an individual shall be eligible to receive insulin under the program if all of the following conditions are met: (a) the individual is in urgent need of insulin; (b) the individual is a Wisconsin resident; (c) the individual is not receiving public assistance under Chapter 49 of the statutes (including Wisconsin Works, Wisconsin Shares, Medical Assistance, SeniorCare, FoodShare, and Supplemental Security Income supplemental payments); (d) the individual is not enrolled in prescription drug coverage through an individual or group health plan that limits the total cost sharing amount, including copayments, deductibles, and coinsurance, that an enrollee is required to pay for a 30-day supply of insulin to no more than \$75, regardless of the type or amount of insulin prescribed; (e) the individual, with certain exceptions (described below), has not received insulin under an urgent need safety net program within the previous 12 months.

Specify that a person may be eligible to receive insulin under an urgent need safety net

program despite previously receiving insulin under a program within the previous 12 months if the individual: (a) has applied for assistance under Chapter 49, but for whom a determination of eligibility has not been made or whose coverage has not become effective; or (b) has applied for assistance under, and has been determined ineligible for, a patient assistance program (created under this item and described below), but has filed an appeal with OCI and is awaiting a determination on that appeal. Specify that to receive a 30-day supply of insulin under this exception, an individual must attest that either of these conditions applies and that he or she meets the other eligibility criteria for assistance.

*Application*. Specify that, in order to receive insulin under an urgent need safety net program, an eligible individual shall provide a pharmacy with all of the following: (a) a completed application, on a form prescribed by OCI that shall include an attestation by the individual, or the individual's parent or legal guardian if the individual is under the age of 18, that the individual meets all of the eligibility requirements; (b) a valid insulin prescription; and (c) a valid Wisconsin driver's license or state identification card, or, if the individual is under the age of 18, the driver's license or identification card of the individual's parent or legal guardian.

Require OCI to make the application for the urgent need safety net program available on its website and to make the form available to pharmacies and health care providers who prescribe or dispense insulin, hospital emergency departments, urgent care clinics, and community health clinics.

*Pharmacy Duties*. Require a pharmacist, upon receipt of an application for assistance under an urgent need safety net program, to dispense a 30-day supply of the prescribed insulin to the individual. Specify that the pharmacy may collect a copayment, not to exceed \$35, from the individual to cover the pharmacy's costs of processing and dispensing the insulin. Require the pharmacy, in addition, to do the following: (a) notify the health care practitioner who issued the prescription no later than 72 hours after the insulin is dispensed; (b) provide the individual with an information sheet about the insulin assistances programs and a list of licensed health insurance navigators; and (c) retain a copy of the application form.

Specify that a pharmacy that dispenses insulin under an urgent need safety net program may submit to the manufacturer, or the manufacturer's vendor, a claim for payment that is in accordance with the National Council for Prescription Drug Programs' standards for electronic claims processing, except that no claim may be submitted if the manufacturer agrees to send the pharmacy a replacement of the same insulin in the amount dispensed. Specify that if the pharmacy submits an electronic claim, the manufacturer or vendor shall reimburse the pharmacy in an amount that covers the pharmacy's acquisition cost.

Define a pharmacy, for the purposes of this provision, to include a licensed pharmacy located in Wisconsin, or a pharmacy located in a different state that is licensed to ship, mail, or deliver prescriptions to persons in Wisconsin.

#### **Patient Assistance Program**

Require each manufacturer, no later than July 1, 2024, to establish a patient assistance program to make insulin available to individuals who meet the requirements outlined below.

Require each manufacturer to do the following: (a) provide OCI with information regarding the program, including contact information for individuals to call for assistance in accessing the program; (b) provide a hotline for individuals to call or access between 8 a.m. and 10 p.m. on weekdays and between 10 a.m. and 6 p.m. on Saturdays; (c) list the eligibility requirements for the program on the manufacturer's website; and (d) maintain the privacy of all information received from an individual applying for or participating in the program and not sell, share, or disseminate the information unless required under the program or authorized, in writing, by the individual.

*Eligibility.* Specify that an individual shall be eligible to receive insulin under a patient assistance program if all of the following conditions are met: (a) the individual is a Wisconsin resident; (b) the individual, or the individual's parent or legal guardian if the individual is under the age of 18, has a valid Wisconsin driver's license or state identification card; (c) the individual has a valid insulin prescription; (d) the family income of the individual does not exceed 400 percent of the poverty line for a family the size of the individual's family; (d) the individual is not receiving public assistance under Chapter 49; (e) the individual is not eligible to receive health care through a federally funded program or receive prescription drug benefits through the U.S. Department of Veterans Affairs, except if the individual is enrolled in a Medicare Part D plan and has spent at least \$1,000 on prescription drugs in the current calendar year; and (f) the individual is not enrolled in prescription drug coverage through an individual or group health plan that limits the total cost sharing amount, including copayments, deductibles, and coinsurance, that an enrollee is required to pay for a 30-day supply of insulin to no more than \$75, regardless of the type or amount of insulin needed.

Application and Determination. Specify that an individual may apply to participate in a patient assistance program by filing an application with the manufacturer who established the program, the individual's health care practitioners if the practitioner participates in the program, or a health insurance navigator. Require a health care practitioner or navigator to immediately submit the application to the manufacturer. Require the manufacturer to determine the individual's eligibility for the program and notify the individual of the determination no later than ten days after receipt of the application. Specify that, if necessary to determine the individual's eligibility, the manufacturer may request additional information from an individual who has filed an application no later than five days after receipt of the application and, upon receipt of the additional information, shall determine the individual's eligibility for the program and notify the individual's eligibility for the program and notify the individual's eligibility for the program and notify the individual's eligibility of the application no later than five days after receipt of the application and, upon receipt of the additional information, shall determine the individual's eligibility for the program and notify the individual's eligibility of the determination no later than three days later.

Require the manufacturer, if it determines that the individual is not eligible, to provide the reason for the determination. Specify that the individual may appeal the determination by filing an appeal with OCI that shall include all of the information provided to the manufacturer. Require OCI to issue a decision no later than 10 days after the appeal is filed, and specify that OCI's decision shall be final. Require the manufacturer to provide the individual with the statement of eligibility if OCI determines that the individual meets the eligibility requirements. Require OCI to establish procedures for deciding appeals.

Specify that if a manufacturer determines that an individual who has prescription drug coverage through an individual or group health plan and who is eligible for the patient assistance program, but also determines that the individual's insulin needs are better addressed through the

use of the manufacturer's copayment assistance program rather than the patient assistance program, the manufacturer shall inform the individual of the determination and provide the individual with the necessary coupons to submit to a pharmacy. Specify that he individual may not be required to pay more than the copayment of \$50 for each 90 day supply of insulin under this provision.

*Pharmacy and Manufacturer Duties.* Require any pharmacy, upon receipt from an individual of the eligibility statement under a patient assistance program, as well as a valid insulin prescription, to submit an order containing the name of the insulin and daily dosage amount to the manufacturer. Specify that the order shall also include the pharmacy's name, shipping address, office telephone number, fax number, electronic mail address, and contact name, as well as any days or times when deliveries are not accepted by the pharmacy.

Require the manufacturer, upon receipt of the order, to send the pharmacy a 90-day supply of insulin, or lesser amount if requested in the order, at no charge to the individual or pharmacy. Require the pharmacy to dispense the insulin to the individual associated with the order and specify that the insulin shall be dispensed at no charge to the individual, except that the pharmacy may collect a copayment from the individual to cover the pharmacy's costs for processing and dispensing in an amount not to exceed \$50 for each 90-day supply of insulin. Specify that the pharmacy may not seek reimbursement from the manufacturer or a 3rd-party payer. Specify that the pharmacy may submit a reorder to the manufacturer if the individual's eligibility statement has not expired and the reorder shall be treated as an original order by the manufacturer.

Specify that a manufacturer may send the insulin directly to the individual if the manufacturer provides a mail-order service option, in which case the pharmacy may not collect a copayment from the individual.

## **General Provisions**

*Exempted Manufacturers*. Specify that the program requirements established under this item do not apply to a manufacturer to which either of the following apply: (a) the manufacturer shows to OCI's satisfaction that the manufacturer's annual gross revenue from insulin sales in Wisconsin does not exceed \$2,000,000; or (b) the wholesale acquisition cost of the insulin product from the manufacturer does not exceed \$8, as adjusted annually based on the U.S. consumer price index for all urban consumers, U.S. city average, per milliliter or the applicable National Council for Prescription Drug Programs' plan billing unit.

*Reimbursement Prohibition*. Specify that no person, including a manufacturer, pharmacy, pharmacist, or third-party administrator, as part of participating in an urgent need safety net program or patient assistance program, may request or seek, or cause another person to request or seek, any reimbursement or other compensation for which payment may be made in whole or in part under a federal health care program.

*Confidentiality.* Specify that all medical information solicited or obtained by any person under these provisions shall be subject to the applicable provisions of state law relating to confidentiality of medical information.

Penalties. Specify that a manufacturer that fails to comply with these provisions may be

assessed a penalty of up to \$200,000 per month of noncompliance, with the maximum penalty increasing to \$400,000 per month if the manufacturer continues to be in noncompliance after six months and increasing to \$600,000 per month if the manufacturer continues to be in noncompliance after one year.

#### **Program Reports**

*Satisfaction Surveys.* Require OCI to develop and conduct a satisfaction survey of individuals who have accessed insulin through urgent need safety net programs and patient assistance programs. Specify that the survey ask whether the individual is still in need of a long-term solution for affordable insulin and include questions about the individual's satisfaction with all of the following, if applicable: (a) accessibility to urgent-need insulin; (b) adequacy of the information sheet and list of navigators received from the pharmacy; (c) helpfulness of a navigator; and (d) ease of access in applying for a patient assistance program and receiving insulin from the pharmacy under the program.

Require OCI to develop and conduct a satisfaction survey of pharmacies that have dispensed insulin through urgent need safety net programs and patient assistance programs. Specify that the survey include questions about the pharmacy's satisfaction with all of the following, if applicable: (a) timeliness of reimbursement from manufacturers for insulin dispensed by the pharmacy under urgent need safety net programs; (b) ease in submitting insulin orders to manufacturers; and (c) timeliness of receiving insulin orders from manufacturers.

Authorize OCI to contract with a nonprofit entity to develop and conduct these surveys and to evaluate the survey results. Require OCI, no later than July 1, 2026, to submit to the Governor and the Chief Clerk of each house of the Legislature a report on the results of the surveys.

*Manufacturer Assistance Data*. Require each manufacturer, on an annual basis no later than March 1, to report to OCI all of the following information for the previous calendar year: (a) the number of individuals who received insulin under the manufacturer's urgent need safety net program; (b) the number of individuals who sought assistance under the manufacturer's patient assistance program and the number of individuals who were determined to be ineligible; and (c) the wholesale acquisition cost of the insulin provided by the manufacturer through the urgent need safety net program and patient assistance program.

Require OCI, on an annual basis no later than April 1, to submit to the Governor and the Chief Clerk of each house of the Legislature a report on the urgent need safety net programs and patient assistance programs that includes all of the following: (a) the program participation data provided to OCI by manufacturers; and (b) the penalties assessed to manufacturers during the previous calendar year for violations of program requirements, including the name of the manufacturer and amount of the penalty.

## **Other Provisions**

*OCI Duties*. Require OCI to conduct public outreach to create awareness of the urgent need safety net programs and patient assistance programs and to develop and make available on its website an information sheet that contains all of the following information: (a) a description of how to access insulin through an urgent need safety net program; (b) a description of how to access

insulin through a patient assistance program; (c) information on how to contact a navigator for assistance in accessing insulin through an urgent need safety net program or patient assistance program; (d) information on how to contact OCI if a manufacturer determines that an individual is not eligible for a patient assistance program; and (e) a notification that an individual may contact OCI for more information or assistance in accessing ongoing affordable insulin options.

Require OCI to develop a training program to provide navigators with information and the resources necessary to assist individuals in accessing appropriate long-term insulin options and to compile a list of navigators who have completed the training program and are available to assist individuals in accessing affordable insulin coverage options. Specify that the list shall be made available on the OCI website and to pharmacies and health care practitioners who dispense and prescribe insulin.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. INSULIN COPAYMENT CAP

**Governor:** Prohibit health insurance policies and governmental self-insured health plans that cover insulin and that impose cost sharing on prescription drugs (deductible, copayment, or coinsurance) from imposing cost sharing on insulin in an amount that exceeds \$35 for a one-month supply of insulin. Specify that this provision does not prohibit an insurance policy or plan from imposing cost sharing on insulin in an amount less than \$35 and does not require a policy or plan from imposing cost sharing on insulin. Specify that this provision would take effect on the first day of the fourth month beginning after the effective date of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 6. VALUE-BASED DIABETES MEDICATION PILOT PROGRAM

**Governor:** Require OCI to develop a pilot program to direct a pharmacy benefit manager and a pharmaceutical manufacturer to create a value-based, sole-source arrangement to reduce the costs of prescription medication used to treat diabetes. Authorize OCI to promulgate administrative rules to implement this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 7. APPLICABILITY OF MANUFACTURER BRAND NAME DRUG REBATES TO DEDUCTIBLES AND OUT-OF-POCKET MAXIMUMS

**Governor:** Specify that health insurance policies that offer a drug benefit and any governmental self-insured health plans must count toward an enrollee's annual deductible and out-of-pocket maximum the amount by which any manufacturer drug discount reduces the cost sharing

amount charged to the enrollee for certain prescription drugs. Specify that this provision would apply to brand name drugs that have no generic equivalent or to brand name drugs that have a generic equivalent but for which the enrollee has received prior authorization from the insurer, plan, or a physician to obtain the brand name drug.

Specify that this provision applies on January 1 of the year following the effective date of the bill to policies and plans containing provisions inconsistent with the provision, except that for policies and plans that are affected by a collective bargaining agreement that are inconsistent with the provision, the provision applies to policy or plan years beginning after the effective date of the bill or on the day on which the collective bargaining agreement is newly established, extended, modified, or renewed, whichever is later.

Generally, only the actual amount spent on a prescription drug by the consumer (after any manufacturer discount) is counted toward the consumer's deductible and out-of-pocket maximum for an insurance policy or benefit plan. This item would increase the amount applied to the deductible and out-of-pocket spending by the amount which the discount reduces the consumer's cost, which would allow some individuals to reach these plan thresholds earlier than they otherwise would.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 8. DRUG REIMBURSEMENT FOR CERTAIN ENTITIES UNDER FEDERAL 340B DRUG DISCOUNT PROGRAM

**Governor:** Provide that no person, including a pharmacy benefit manager and third-party payer, may do any of the following, with respect to reimbursement of drugs for certain entities (specified below) that participate under the federal 340B drug discount program:

• Reimburse the entity for a drug that is subject to a price discount agreement under the 340B program at a rate lower than that paid for the same drug to pharmacies that are not eligible entities under 340B and are similar in prescription volume to the covered 340B covered entity; or

• Assess a covered entity any fee, charge back, or other adjustment based on the entity's participation in 340B.

Specify that this provision would apply to the following 340B entities: federally qualified health centers, critical access hospitals, and grantees under the Ryan White HIV/AIDS program, as well as any pharmacy of these entities of pharmacy contracted with these entities to dispense drugs through the 340B program. Authorize OCI to promulgate rules to implement these provisions and to establish a minimum reimbursement rate for any entities participating in 340B.

The federal 340B program requires drug manufacturers to limit the price for outpatient drugs dispensed to patients of certain covered entities. Generally, entities eligible for discounted drugs under the program include nonprofit health care organizations such as federally-qualified health centers, hospitals, and clinics that serve a disproportionate share of low-income patients. Under this item, third-party payers, such as pharmacy benefit managers, insurers, or self-insured benefit

plans would be required to pay certain 340B entities the same amount for drugs as they pay to other entities that are not eligible 340B entities. To the extent that these payers are currently reimbursing these 340B entities at a lower rate (reflecting the lower acquisition price for the drug), this item has the effect of shifting the benefit of the 340B program discounts from the payer to the 340B entity.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 9. LICENSURE OF PHARMACEUTICAL REPRESENTATIVES

**Governor:** Specify that, beginning on the first day of the twelfth month beginning after the effective date of the bill, no individual may act as a pharmaceutical representative in Wisconsin without a license issued by OCI. Define a pharmaceutical representative as an individual who markets or promotes pharmaceuticals to health care professionals on behalf of a pharmaceutical manufacturer for compensation. Define, for the purpose of this provision, a pharmaceutical as a medication that may legally be dispensed only with a valid prescription from a health care professional. Define a health care professional as a physician or other health care practitioner who is licensed to provide health care services or to prescribe pharmaceutical or biologic products.

Specify that, in order to obtain a license, an individual shall apply in the form and manner prescribed by OCI. Establish a fee for a pharmaceutical representative license in an amount set by OCI by administrative rule. Specify that the term of a pharmaceutical representative license is one year and is renewable. Require any pharmaceutical representative to display his or her license during each visit with a health care professional.

Specify that any individual that violates provisions pertaining to pharmaceutical licensure shall be fined not less than \$1,000 nor more than \$3,000 for each offense, and specify that each day the violation continues constitutes a separate offense. Authorize OCI to suspend or revoke the license of a pharmaceutical representative who violates these provisions and specify that a suspended or revoked license may not be reinstated until all violations related to the suspension or revocation have been remedied and all assessed penalties and fees have been paid.

Require OCI to promulgate an administrative rule to implement the licensure provisions, including rules that require pharmaceutical representatives to complete continuing education coursework as a condition of licensure, and including the amount of the license fee.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. LICENSURE OF PHARMACY BENEFIT MANAGEMENT BROKERS AND CONSULTANTS

**Governor:** Specify that, beginning on the first day of the twelfth month beginning after the effective date of the bill, no individual may serve as a pharmacy benefit management broker or consultant or as any other individual who procures the services of a pharmacy benefit manager on

behalf of a client without a license. Authorize OCI to promulgate rules to establish criteria and procedures for initial licensure and renewal of licensure to implement these requirements and specify that the fee for issuing and renewing the license shall be established by administrative rule.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 11. LICENSURE OF PHARMACY SERVICES ADMINISTRATIVE ORGANIZA-TIONS

**Governor:** Specify that, beginning on the first day of the twelfth month beginning after the effective date of the bill, no person may operate as a pharmacy services administrative organization in Wisconsin without a license issued by OCI.

Define a pharmacy services administrative organization (PSAO) as an entity operating in Wisconsin that does all of the following: (a) contracts with an independent pharmacy to conduct business on the pharmacy's behalf with a third-party payer; and (b) provides at least one administrative service to an independent pharmacy and enters into a contract with a third-party payer or pharmacy benefit manager on behalf of the pharmacy. Define, for the purposes of this provision, an administrative service to mean any of the following: (a) assisting with claims; (b) assisting with audits; (c) providing centralized payment; (d) performing certification in a specialized care program; (e) providing compliance support; (f) setting flat fees for generic drugs; (g) assisting with store layout; (h) managing inventory; (i) providing marketing support; (j) providing management and analysis of payment and drug dispensing data; or (k) providing resources for retail cash cards. Define an independent pharmacy to mean a pharmacy operating in Wisconsin that is licensed and is under common ownership with no more than two other pharmacies. Define a third-party payer as an entity, including a plan sponsor, health maintenance organization, or insurer, operating in Wisconsin that pays or insures health, medical, or prescription drug expenses on behalf of beneficiaries.

Specify that the application for a PSAO license shall contain the following: (a) the name, address, telephone number, and federal employer identification number of the applicant; (b) the name, business address, and telephone number of a contact person for the applicant; (c) the license fee; (d) evidence of financial responsibility of at least \$1,000,000; and (e) any other information required by OCI. Specify that the term of the PSAO license is two years from the date of issuance.

Require any PSAO to disclose to OCI the extent of any ownership or control of the PSAO by an entity that does any of the following: (a) provides pharmacy services; (b) provides prescription drug or device services; or (c) manufactures, sells, or distributes prescription drugs, biologicals, or medical devices. Require any PSAO to notify OCI in writing within five days of any material change in its ownership or control relating to such an entity.

Authorize OCI to promulgate rules to administer these provisions and specify that the fee for issuing and renewing a PSAO license shall be established by administrative rule.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

# 12. FIDUCIARY DUTY AND DISCLOSURE REQUIREMENTS OF PHARMACY BENEFIT MANAGERS

**Governor:** Specify that a pharmacy benefit manager (PBM) under contract with a health benefit plan sponsor owes a fiduciary duty to the plan sponsor to act according to plan sponsor's instructions and in the best interests of the plan sponsor.

Require the PBM to annually provide to the health benefit plan sponsor, no later than the date, and using the method prescribed, by OCI by rule, all of the following information from the previous calendar year: (a) the indirect profit received by the PBM from owning any interest in a pharmacy or service provider; (b) any payment made by the PBM to a consultant or broker who works on behalf of the plan sponsor; (c) from the amounts received from all drug manufacturers, the amounts retained by the PBM, and not passed through to the plan sponsor, that are related to the plan sponsor's claims or bona fide service fees; and (d) the amounts, including pharmacy access and audit recovery fees, received from all pharmacies that are in the PBM's network or have a contract to be in the network and, from these amounts, the amount retained by the PBM and not passed through to the plan sponsor.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 13. PRESCRIPTION DRUG PURCHASING ENTITY STUDY

**Governor:** Require OCI to conduct a study on the viability of creating or implementing a state prescription drug purchasing entity during the 2023-25 biennium. As described in the final report of the Governor's 2020 Task Force on Reducing Prescription Drug Prices, a drug purchasing entity would pool state agency and local government purchasers of prescription drugs to leverage greater purchasing power in negotiations with drug manufacturers, with the intent of securing lower drug prices.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **Health Insurance**

#### 1. STATE-BASED HEALTH INSURANCE EXCHANGE

**Governor:** Provide \$982,400 GPR in 2023-24 and \$4,264,900 (\$1,264,900 GPR and \$3,000,000 PR) in 2024-25, and 10.0 GPR positions, beginning in 2023-24, to develop and implement a state-based health insurance exchange, as described below. Modify OCI's PR appropriation for general program operations to specify that it may be used for costs related to operating the exchange and to specify that the appropriation account would receive revenues collected from exchange user fees charged to participating insurers. Create an annual GPR-funded general program operations to support the GPR positions that would be provided under this item.

Require OCI to: (a) establish and operate an exchange that is at first a state-based exchange on the federal platform and then subsequently transitions to a state-based exchange without the federal platform; and (b) develop procedures to address the transition from the state-based exchange on the federal platform to the state-based exchange without the federal platform, including the circumstances that must be met in order for the transition to occur.

Define the terms "exchange," "state-based exchange on the federal platform," and "statebased exchange without the federal platform" by reference to federal regulations for the establishment of state-based and state-federal exchanges.

Require OCI to impose a user fee, as authorized under federal regulations, on each insurer that offers a health plan through the state-based exchange on the federal platform or the state-based exchange without the federal platform. Specify that the user fee must be applied at one of the following rates on the total monthly premiums charged by an insurer for each policy under the plan where enrollment is through the exchange: (a) for any plan year for which OCI operates a state-based exchange on the federal platform, the rate is 0.5%; (b) for the first two plan years for which OCI operates a state-based exchange without the federal government for the federal platform, the rate shall equal the user fee rate established by the federal government for the federal health insurance exchange; (c) beginning with the third plan year for which OCI operates a state-based exchange without the federal platform, the rate shall exchange without the federal platform, the rate shall equal the user fee rate established by the federal government for the federal health insurance exchange; (c) beginning with the third plan year for which OCI operates a state-based exchange without the federal platform, the rate would be set by OCI by rule.

Specify that OCI may enter into any agreement with the federal government necessary to facilitate the implementation of these provisions, and may promulgate administrative rules to implement these provisions.

The state-based insurance exchange would, for Wisconsin residents and individual market insurance plans, perform the functions currently performed by an insurance exchange established by the federal government under provisions of the federal Patient Protection and Affordable Care Act (ACA). These functions include providing a website for the comparison of individual market health insurance policies and to facilitate selection and enrollment, reviewing plans to ensure compliance with ACA requirements, determining eligibility of individuals for federal premium tax credits and cost-sharing reductions, providing funding for outreach and enrollment assistance activities, and collecting user fees from participating insurers to support the costs of the exchange. Under this item, the state-based exchange would initially utilize the federal exchange technology platform, but would eventually be transitioned to a fully state-based exchange. The Administration indicates that the intent would be to move to a state-based exchange on the federal platform for plan year 2025 and then a fully state-based exchange for 2026.

The positions established by this item would include six policy initiatives advisors, an insurance examiner, an insurance program manager, and two operations program associates.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 2. PUBLIC OPTION HEALTH INSURANCE PLAN

| 000,000 | - \$1,000,000<br>- 1,000,000 | \$0<br>_0<br>\$0    |
|---------|------------------------------|---------------------|
|         | · ·                          | 000,000 - 1,000,000 |

**Governor:** Provide \$1,000,000 GPR in 2023-24 and \$1,000,000 PR in 2024-25 to fund the development and operation of a public option health insurance plan. Modify OCI's general program operations PR appropriation to include the development and operation of a public option health insurance plan as an eligible use. Specify that OCI may spend not more than \$1,000,000 in 2023-24 for the development of the public option health plan from the GPR appropriation for state operations (created under a separate item, summarized above).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. HEALTH INSURANCE AND COVERAGE REQUIREMENTS

**Governor:** Modify statutory provisions related to health insurance and health benefit plan regulations, as they relate to issuance and renewal of policies, premiums, cost sharing, and coverage requirements, as described below.

Guaranteed Issue and Renewal of Policies. Require every individual health benefit plan and every group health benefit plan to accept every individual and every employer, as applicable, that

applies for coverage, regardless of sexual orientation, gender identity, or whether or not any employee or individual has a preexisting condition. Specify that a health benefit plan may restrict enrollment in coverage to open or special enrollment periods. Require OCI to establish a statewide open enrollment period of no shorter than 30 days for every individual health benefit plan to allow individuals, including individuals who do not have coverage, to enroll in coverage.

*Prohibit Preexisting Condition Exclusions.* Prohibit an insurer that offers a group health benefit plan or an individual insurance policy from imposing a preexisting condition exclusion (the denial or reduction of a claim related to a condition that existed prior to the effective date of coverage). Modify related statutory definitions and provisions that place limits on preexisting condition exclusions to reflect the change to a general prohibition against the practice.

*Prohibit Discrimination Based on Health Status -- Enrollment, Premiums and Cost Sharing.* Prohibit an individual health benefit plan or a government self-insured plan from establishing rules for the eligibility of any individual to enroll, or the continued eligibility to remain enrolled in a plan based on any of the following: (a) health status; (b) medical condition, including both physical and mental illnesses; (c) claims experience; (d) receipt of health care; (e) medical history; (f) genetic information; (g) evidence of insurability, including conditions arising out of acts of domestic violence; or (h) disability.

Prohibit an insurer offering an individual health benefit plan or a self-insured plan from requiring any individual, as a condition of enrollment or continued enrollment under the plan, to pay, on the basis of any health status-related factor listed above, with respect to the individual or a dependent of the individual, a premium or contribution or a deductible, copayment, or coinsurance amount that is greater than that required for a similarly situated individual enrolled under the plan.

Specify that these restrictions do not prevent an insurer from offering an individual health benefit plan or a self-insured health plan from establishing premium discounts or rebates or modifying otherwise applicable cost sharing in return for adherence to programs of health promotion and disease prevention.

Modify a current law provision, applicable to group health benefit plans, from charging different premiums to similarly-situated individuals based on any health status-related factor, to also prohibit charging a different deductible, copayment, or coinsurance amount to similarly-situated individuals based on health status.

*Restrictions on Premium Rate Variation.* Specify that a health benefit plan offered on the individual or small employer market (between two and 50 employees) or a government self-insured health plan may vary premium rates for a specific plan based only on the following considerations: (a) whether the policy or plan covers an individual or a family; (b) the rating area in the state, as established by OCI; (c) age, except that the rate may not vary by more than three-to-one for adults over the age groups and the age bands shall be consistent with recommendations of the National Association of Insurance Commissioners; and (d) tobacco use, except that the rate may not vary by more than 1.5-to-one.

Statewide Risk Pool. Specify that an insurer offering a health benefit plan may not segregate

enrollees into risk pools other than a single statewide risk pool for the individual market and a single statewide risk pool for the small employer market or a single statewide risk pool that combines the individual and small employer markets.

*Prohibit Annual and Lifetime Limits.* Prohibit an individual or group health benefit plan or a government self-insured health plan from establishing lifetime or annual limits on the dollar value of benefits for an enroll or a dependent of an enrollee under the plan.

*Cost Sharing Maximum.* Specify that a health benefit plan offered on the individual or small employer market may not require an enrollee to pay more in cost sharing (deductibles, coinsurance, copayments, or similar charges) than the maximum amount calculated under provisions of the federal Affordable Care Act, including the annual indexing of the limits.

*Medical Loss Ratio.* Establish the minimum medical loss ratios for health benefit plans as follows: (a) 80 percent for a plan on the individual or small employer market; (b) 85 percent for a group health plan not in the small employer market. Define medical loss ratio as the proportion, expressed as a percentage, of premium revenues spent by a health benefit plan on clinical services and quality improvement.

Actuarial Values of Plan Tiers. Require any health benefit plan offered on the individual or small employer market to provide a level of coverage that is designed to provide benefits that are actuarially equivalent to at least 60 percent of the full actuarial value of the benefits provided under the plan. The actuarial value represents the average cost of the benefits covered by plan over an average population, with the rest covered by enrollee cost sharing.

*Essential Health Benefits.* Require every health insurance policy (except for specified restricted-benefit policies) and every government self-insured health plan to provide coverage for essential health benefits, as determined by OCI by rule, on a date specified by OCI by rule. Require OCI, in determining the essential health benefits for which coverage is required, to include benefits, items, and services in, at least, all of the following categories: (a) ambulatory patient services; (b) emergency services; (c) hospitalization; (d) maternity and newborn care; (e) mental health and substance use disorder services, including behavioral health treatment; (f) prescription drugs; (g) rehabilitative and habilitative services and devices; (h) laboratory services; (i) preventive and wellness services and chronic disease management; and (j) pediatric services, including oral and vision care.

Require OCI to do the following with respect to essential health benefits: (a) conduct a survey of employer-sponsored coverage to determine benefits typically covered by employers and ensure that the scope of essential health benefits for which coverage is required is equal to the scope of benefits covered under a typical insurance policy offered by an employer to its employees; (b) ensure that essential health benefits reflect a balance among the essential health benefit categories such that benefits are not unduly weighted toward one category; (c) ensure that essential health benefit coverage is provided with no or limited cost-sharing requirements; (d) require that insurance policies and self-insured health plans do not make coverage decisions, determine reimbursement rates, establish incentive programs, or design benefits in ways that discriminate against individuals because of their age, disability, or expected length of life; (e) establish essential health benefits in a way that takes into account the health care needs of diverse segments of the

population, including women, children, persons with disabilities, and other groups; (f) ensure that essential health benefits are not subject to a coverage denial based on an insured's or plan participant's age, expected length of life, present or predicted disability, degree of dependency on medical care, or quality of life; (g) require that insurance policies and government self-insured health plans cover emergency department services that are essential health benefits without imposing any requirement to obtain prior authorization for those services and without limiting coverage for services provided by an emergency services provider that is not in the provider network of a policy or plan in a way that is more restrictive than requirements or limitations that apply to emergency services provided by a provider that is in the provider network of the policy or plan; (h) require an insurance policy or government self-insured health plan to apply to emergency department services that are essential health benefits provided by an emergency department provider that is not in the provider network of the policy or plan the same copayment amount or coinsurance rate that applies if those services are provided by a provider that is in the provider network of the policy or plan; and (i) periodically update, by rule, the essential health benefits to address any gaps in access to coverage.

Specify that if an essential health benefit is also subject to other coverage mandates specified in state statute and the coverage requirements are not identical, the insurance policy or government self-insured health plan shall provide coverage under whichever provision provides the insured or plan participant with more comprehensive coverage of the medical condition, item, or service. Specify that the essential health benefit provisions or rules promulgated under these provisions do not prohibit an insurance policy or a government self-insured health plan from providing benefits in excess of the essential health benefit coverage.

*Coverage of Preventive Services and other Mandatory Coverage Requirements.* Require every health insurance policy (except for specified restricted-benefit policies) and every government self-insured health plan to provide coverage for the preventive services listed below. These preventive services are generally from the list of services given an "A" or "B" rating by the U.S. Preventive Services Task Force. Under federal regulations developed to implement provisions of the Affordable Care Act, these services must be covered with no cost sharing by insurance policies and health plans.

• Mammography.

• Genetic breast cancer screening and counseling and preventive medication for adult women at high risk for breast cancer.

• Papanicolaou test for cancer screening for women 21 years of age or older with an intact cervix.

• Human papillomavirus testing for women who have attained the age of 30 years but have not attained the age of 66 years.

• Colorectal cancer screening.

• Annual tomography for lung cancer screening for adults who have attained the age of 55 years but have not attained the age of 80 years and who have health histories demonstrating a

risk for lung cancer.

• Skin cancer screening for individuals who have attained the age of 10 years but have not attained the age of 22 years.

• Counseling for skin cancer prevention for adults who have attained the age of 18 years but have not attained the age of 25 years.

• Abdominal aortic aneurysm screening for men who have attained the age of 65 years but have not attained the age of 75 years and who have ever smoked.

• Hypertension screening for adults and blood pressure testing for adults, for children under the age of three years who are at high risk for hypertension, and for children three years of age or older.

• Lipid disorder screening for minors two years of age or older, adults 20 years of age or older at high risk for lipid disorders, and all men 35 years of age or older.

• Aspirin therapy for cardiovascular health for adults who have attained the age of 55 years but have not attained the age of 80 years and for men who have attained the age of 45 years but have not attained the age of 55 years.

• Behavioral counseling for cardiovascular health for adults who are overweight or obese and who have risk factors for cardiovascular disease.

• Type II diabetes screening for adults with elevated blood pressure.

• Depression screening for minors 11 years of age or older and for adults when followup supports are available.

• Hepatitis B screening for minors at high risk for infection and adults at high risk for infection.

• Hepatitis C screening for adults at high risk for infection and one-time hepatitis C screening for adults born in any year from 1945 to 1965.

• Obesity screening and management for all minors and adults with a body mass index indicating obesity, counseling and behavioral interventions for obese minors who are six years of age or older, and referral for intervention for obesity for adults with a body mass index of 30 kilograms per square meter or higher.

• Osteoporosis screening for all women 65 years of age or older and for women at high risk for osteoporosis under the age of 65 years.

• Immunizations.

• Anemia screening for individuals six months of age or older and iron supplements for individuals at high risk for anemia and who have attained the age of six months but have not attained the age of 12 months.

• Fluoride varnish for prevention of tooth decay for minors at the age of eruption of their primary teeth.

• Fluoride supplements for prevention of tooth decay for minors six months of age or older who do not have fluoride in their water source.

• Gonorrhea prophylaxis treatment for newborns.

• Health history and physical exams for prenatal visits and for minors.

• Length and weight measurements for newborns and height and weight measurements for minors.

• Head circumference and weight-for-length measurements for newborns and minors who have not attained the age of three years.

• Body mass index for minors two years of age or older.

• Blood pressure measurements for minors three years of age or older and a blood pressure risk assessment at birth.

• Risk assessment and referral for oral health issues for minors who have attained the age of six months but have not attained the age of seven years.

• Blood screening for newborns and minors who have not attained the age of two months.

• Screening for critical congenital health defects for newborns.

• Lead screenings.

• Metabolic and hemoglobin screening and screening for phenylketonuria, sickle cell anemia, and congenital hypothyroidism for minors including newborns.

• Tuberculin skin test based on risk assessment for minors one month of age or older.

• Tobacco counseling and cessation interventions for individuals who are five years of age or older.

• Vision and hearing screening and assessment for minors including newborns.

• Sexually transmitted infection and human immunodeficiency virus counseling for sexually active minors.

• Risk assessment for sexually transmitted infection for minors who are ten years of age or older and screening for sexually transmitted infection for minors who are 16 years of age or older.

• Alcohol misuse screening and counseling for minors 11 years of age or older.

• Autism screening for minors who have attained the age of 18 months but have not attained the age of 25 months.

• Developmental screening and surveillance for minors including newborns.

• Psychosocial and behavioral assessment for minors including newborns.

• Alcohol misuse screening and counseling for pregnant adults and a risk assessment for all adults.

• Fall prevention and counseling and preventive medication for fall prevention for community-dwelling adults 65 years of age or older.

• Screening and counseling for intimate partner violence for adult women.

• Well-woman visits for women who have attained the age of 18 years but have not attained the age of 65 years and well-woman visits for recommended preventive services, preconception care, and prenatal care.

• Counseling on, consultations with a trained provider on, and equipment rental for breastfeeding for pregnant and lactating women.

• Folic acid supplement for adult women with reproductive capacity.

• Iron deficiency anemia screening for pregnant and lactating women.

• Preeclampsia preventive medicine for pregnant adult women at high risk for preeclampsia.

• Low-dose aspirin after 12 weeks of gestation for pregnant women at high risk for miscarriage, preeclampsia, or clotting disorders.

• Screenings for hepatitis B and bacteriuria for pregnant women.

• Screening for gonorrhea for pregnant and sexually active females 24 years of age or younger and females older than 24 years of age who are at risk for infection.

• Screening for chlamydia for pregnant and sexually active females 24 years of age and younger and females older than 24 years of age who are at risk for infection.

• Screening for syphilis for pregnant women and adults who are at high risk for infection.

• Human immunodeficiency virus screening for adults who have attained the age of 15 years but have not attained the age of 66 years and individuals at high risk of infection who are younger than 15 years of age or older than 65 years of age.

- All contraceptives and services in accordance with separate statutory provisions.
- Any services not already specified having an A or B rating in current

recommendations from the U.S. Preventive Services Task Force.

• Any preventive services not already specified that are recommended by the federal Health Resources and Services Administration's Bright Futures project.

• Any immunizations, not already specified under a separate statutory coverage mandate provision, that are recommended and determined to be for routine use by the federal Advisory Committee on Immunization Practices.

Prohibit insurance policies and government self-insured health plans, with certain exceptions, from subjecting the coverage of any of the listed preventive services to any deductible, copayments, or coinsurance under the policy or plan, and modify various statutory mandatory coverage provisions related to these preventive services to conform to this restriction.

Specify that the insurance policy or plan may apply deductibles to and impose copayments or coinsurance in the following circumstances: (a) if an office visit and a preventive service are billed separately by the health care provider, applicable only on the office visit but not on the preventive service; (b) if the primary reason for an office visit is not to obtain a preventive service, applicable on the office visit; or (c) if a preventive service is provided by a health care provider that is outside the policy's or plan's network of providers, unless the preventive service is provided by an out-of-network provider because there is no available health care provider in the policy's or plan's network of providers that provides the preventive service. Specify that if multiple wellwoman visits are required to fulfill all necessary preventive services and are in accordance with clinical recommendations, the insurance policy or health plan may not apply a deductible to or impose a copayment or coinsurance on any of those well-woman visits.

Other Insurance Mandatory Coverage Provisions. Modify a provision that requires health insurance plans and government self-insured plans to cover certain immunizations to add the following immunizations: (a) hepatitis A; (b) herpes zoster; (c) human papillomavirus; (d) meningococcal meningitis; (e) pneumococcal pneumonia; (f) influenza; and (g) rotavirus. Modify the immunization coverage mandate to extend the coverage requirement to any insured or plan participant, rather than just a child from birth to age six who is a child of the insured.

Modify a current law provision that requires health insurance policies and government selfinsured plans to cover outpatient consultations, examinations, procedures, and medical services that are necessary to prescribe, administer, maintain, or remove a contraceptive, if these services are covered for any other drug benefits under the policy or plan, to remove the clause that makes the coverage requirement contingent upon whether these services are coverage for any other drug benefits. Add to the coverage mandate sterilization procedures, and patient education and counseling for all females with reproductive capacity. Specify that an insurance policy or selfinsured health plan may not may not apply a deductible or impose a copayment or coinsurance to at least one of each type of contraceptive method approved by the federal Food and Drug Administration for which coverage is required. Specify that the insurance policy or health plan may apply reasonable medical management to a method of contraception to limit coverage that is provided without being subject to a deductible, copayment, or coinsurance, to prescription drugs without a brand name. Authorize the insurance policy or health plan to apply a deductible or impose a copayment or coinsurance for coverage of a contraceptive that is prescribed for a medical need if the services for the medical need would otherwise be subject to a deductible, copayment, or coinsurance.

*Initial Applicability*. Specify that these provisions first apply to policy or plan years beginning on January 1 of the year following the year of the first day of the fourth month beginning after the bill's general effective date, or, for policies and plans that are affected by a collective bargaining agreement containing provisions that are inconsistent with the bill, to policy or plan years beginning on the day on which the collective bargaining agreement is entered into, extended, modified, or renewed, whichever is later.

Some of the provisions contained in this item are intended to conform state laws to insurance market regulations contained in the federal Affordable Care Act (ACA). Since the ACA preempts state regulations with respect to many insurance market regulations, these provisions have no effect as long as the ACA is in effect in its present form. If the ACA's insurance market provisions were to not be enforceable, the provisions in this item would maintain some of the ACA's market regulations for the individual and small group policies and for self-insured plans offered by a government entity. [The bill would not affect non-government self-insured plans since federal law preempts state law with respect to these benefit plans.] Specifically, the bill closely matches the ACA's regulations with respect to premium rating rules, guaranteed issue and renewal, prohibition against preexisting condition exclusions, non-discrimination in health care, the essential health benefits, prohibition against lifetime or annual limits, statewide risk pool requirements, maximum out-of-pocket spending, and coverage of preventive services without cost sharing.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. SHORT-TERM, LIMITED DURATION HEALTH INSURANCE PLANS

**Governor:** Establish requirements related to the guaranteed issue, health status discrimination, premium rate variation, and annual and lifetime limits for short-term, limited duration health insurance plans, as described below. Modify a provision in current law that establishes the definition of a short-term, limited duration plan in reference to the duration of the coverage term, as follows: (a) reduce the maximum coverage term of a qualifying plan from 12 months to three months; and (b) reduce the maximum aggregated coverage term for consecutive periods of the policy from 18 months to six months. [This definition is established in a current law provision that creates an exception to a requirement for guaranteed renewal of individual health insurance policies. Consequently, the effect of reducing the maximum term of what qualifies for the short-term plan exemption would be to reduce the scope of exceptions to the guaranteed renewal requirement.]

*Guaranteed Issue and Prohibiting Health Status Discrimination.* Require that any insurer that offers a short-term, limited duration plan to accept every individual in Wisconsin who applies for coverage whether or not any individual has a preexisting condition. Prohibit an insurer that offers a short-term, limited duration plan from establishing rules for eligibility of any individual to enroll, or for the continued eligibility of any individual to remain enrolled, under the plan based on any of the following health status-related factors in relation to the individual or a dependent of

the individual: (a) health status; (b) medical condition, including both physical and mental illnesses; (c) claims experience; (d) receipt of health care; (e) medical history; (f) genetic information; (g) evidence of insurability, including conditions arising out of acts of domestic violence; or (h) disability.

Repeal a provision that establishes the conditions under which a short-term, limited duration plan may impose preexisting condition exclusions, and, instead, prohibit such plans from imposing any preexisting condition exclusions.

Prohibit any insurer that offers a short-term, limited duration plan from requiring any individual as a condition of enrollment or continued enrollment under the plan, to pay, on the basis of any of these health status-related factors, with respect to the individual or a dependent of the individual, a premium or contribution, or a deductible, copayment, or coinsurance amount that is greater than the premium or contribution, or deductible, copayment, or coinsurance amount respectively for a similarly situated individual enrolled under the plan.

*Premium Rate Variation Restrictions.* Specify that an insurer that offers a short-term, limited duration plan may vary premium rates for such a plan based only on the following considerations: (a) whether the policy or plan covers an individual or a family; (b) the rating area in the state, as established by OCI; (c) age, except that the rate may not vary by more than three-to-one for adults over the age groups and the age bands shall be consistent with recommendations of the National Association of Insurance Commissioners; and (d) tobacco use, except that the rate may not vary by more than 1.5-to-one.

Annual and Lifetime Limits. Specify that a short-term, limited duration plan may not establish any of the following coverage limits: (a) lifetime limits on the dollar value of benefits for an enrollee or a dependent of an enrollee under the plan; or (b) limits on the dollar value of benefits for an enrollee or a dependent of an enrollee under the plan for the initial or cumulative duration of the plan.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. INSURER NETWORK ADEQUACY STANDARDS

**Governor:** Authorize OCI to promulgate administrative rules to establish minimum network time and distance standards and minimum network wait-time standards for defined network plans and preferred provider plans. Specify that, in promulgating rules, OCI shall consider standards adopted by the federal Centers for Medicare and Medicaid Services for qualified health plans offered through the federal health insurance exchange.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. LIMITATIONS ON BALANCE BILLING AND COVERAGE RESTRICTIONS FOR CERTAIN OUT-OF-NETWORK MEDICAL SERVICES

**Governor:** Establish restrictions and requirements related to provider and insurer billing, applicable to certain services rendered by out-of-network providers or facilities to enrollees of a defined network plan, preferred provider plan, or self-insured governmental plan, as described below. The Administration's intent is to codify, in state law, the provisions of the federal No Surprises Act, which was passed as part of the Consolidated Appropriations Act of 2021. The No Surprises Act prohibits certain medical providers and emergency medical services who are out-of-network for a patient's insurance from billing the patient by an amount that exceeds what the patient would be billed for an in-network provider.

#### Insurer and Health Benefit Plan Requirements and Restrictions

*Emergency Medical Services.* Specify that any defined network plan, preferred provider plan, or self-insured governmental plan that covers any benefits or services provided in an emergency department of a hospital or emergency medical services provided in an independent freestanding emergency department may not, with respect to emergency medical services, require a prior authorization determination and may not deny coverage based on whether or not the health care provider rendering the services is a participating provider or participating emergency facility.

Specify that if the emergency medical services are provided to an enrollee by a provider or in a facility that is not a participating provider or facility (hereafter an "out-of-network provider or facility"), the plan must comply with the following requirements: (a) the services are covered without imposing a prior authorization or coverage limitation that is more restrictive than requirements or limitations that apply to emergency medical services provided by an in-network provider or facility; (b) any cost-sharing requirement imposed on an enrollee for the emergency medical service must be no greater than the requirements that would apply if the emergency medical service were provided by an in-network provider or facility; (c) any cost-sharing amount imposed on an enrollee for the emergency medical service is calculated as if the total amount that would have been charged for the emergency medical service if provided by an in-network provider or facility is equal to the recognized amount for such services, plan or coverage, and year; and (d) the plan counts any cost-sharing payment made by the enrollee toward any in-network deductible or out-of-pocket maximum applied by the plan in the same manner as if the cost-sharing payment was made for an emergency medical service provided by an in-network provider or facility.

Require the plan, if an emergency service is provided to an enrollee by an out-of-network provider or facility, to do all of the following: (a) no later than 30 days after the provider or facility transmits to the plan the bill for emergency medical services, sends to the provider or facility an initial payment or a notice of denial of payment; and (b) pays to the provider or facility a total amount that, incorporating any initial payment, is equal to the amount by which the out-of-network rate exceeds the enrollee cost-sharing amount.

Services Rendered by an Out-of-Network Provider in an In-Network Facility. Specify that for items or services, other than emergency medical services, that are rendered to an enrollee by an out-of-network provider within an in-network facility, the plan must provide coverage for the item or service in accordance with all of the following: (a) the plan may not impose on an enrollee

a cost-sharing requirement for the item or service that is greater than the cost-sharing requirement that would have been imposed if the item or service was provided by an in-network provider; (b) any cost-sharing amount imposed on an enrollee for the item or service is calculated as if the total amount that would have been charged for the item or service if provided by an in-network provider is equal to the recognized amount for such item or service, plan or coverage, and year; (c) no later than 30 days after the provider transmits the bill for services, the plan shall send to the provider an initial payment or a notice of denial of payment; (d) the plan shall make a total payment directly to the provider that rendered the item or service to the enrollee that, when added to any initial payment, is equal to the amount by which the out-of-network rate for the item or service exceeds the cost-sharing amount; and (e) the plan counts any cost-sharing payment made by the enrollee for the item or service toward any in-network deductible or out-of-pocket maximum applied by the plan in the same manner as if the cost-sharing payment was made for the item or service when rendered by an in-network provider.

Specify that the terms "recognized amount" and "out-of-network rate," as used in these provisions, have the meaning established by OCI by rule, or, in the absence of a rule, as defined in the federal No Surprises Act. Define the terms "emergency medical condition" and "emergency medical services" as those terms are defined in the federal No Surprises Act.

#### **Limitations on Provider Billing**

Specify that an out-of-network provider of an item or service rendered in an in-network facility may not bill or hold liable an enrollee for any amount for an ancillary item or service that is more than the cost-sharing amount determined as if the service were rendered by an in-network provider for the item or service, whether or not provided by a physician or non-physician practitioner, unless OCI specifies by rule that the provider may balance bill for the specified item or service, if the ancillary item or service is any of the following: (a) related to an emergency medical service; (b) anesthesiology; (c) pathology; (d) radiology; (e) neonatology; (f) an item or service provided by an assistant surgeon, hospitalist, or intensivist; (g) diagnostic service, including a radiology or laboratory service; (h) an item or service provided by an out-of-network provider when there is no in-network provider who can furnish the item or service at the in-network facility.

Prohibit an out-of-network provider of an item or service that is rendered in an in-network facility from billing or holding liable an enrollee for any amount for the item or service that is more than the cost-sharing amount determined as if the services were rendered by an in-network provider for the item or service unless the out-of-network provider provides notice and obtains consent in accordance with all of the following: (a) the notice states that the provider is an out-of-network provider in the enrollee's plan; (b) the notice provides a good faith estimate of the amount that the provider may charge the enrollee for the item or service involved, including notification that the estimate does not constitute a contract with respect to the charges estimated for the item or service; (c) the notice includes a list of the in-network providers at the facility that would be able to render the item or service and notification that the enrollee may be referred to one of those providers; (d) the notice includes information about whether or not prior authorization or other care management limitations may be required before receiving an item or service at the in-network

facility; (e) the notice clearly states that consent is optional and that the patient may elect to seek care from an in-network provider; (f) the notice is worded in plain language; (g) the notice is available in languages other than English, as identified by OCI; (h) the enrollee provides consent to the provider to be treated by the out-of-network provider, and the consent acknowledges that the enrollee has been informed that the charge paid by the enrollee may not meet a limitation that the enrollee's plan places on cost sharing, such as an in-network deductible; and (f) a signed copy of the consent is provided to the enrollee.

Specify that, to be considered adequate, the notice and consent described above shall meet one of the following requirements, as applicable: (a) if the enrollee makes an appointment for the item or service at least 72 hours before the day on which the item or service is to be provided, any notice shall be provided to the enrollee at least 72 hours before the day of the appointment at which the item or service is to be provided; or (b) if the enrollee makes an appointment for the item or service less than 72 hours before the day on which the item or service is to be provided, any notice shall be provided to the enrollee on the day that the appointment is made. Specify that the notice and consent may not extend to items or services furnished as a result of unforeseen, urgent medical needs that arise at the time the item or service is provided. Require the provider to retain any consent provided under these provisions for no less than seven years.

Specify that, beginning no later than January 1, 2024, a health care provider or health care facility shall make available, including posting on a website, to enrollees in defined network plans, preferred provider plans, and self-insured governmental plans notice of the requirements applicable to providers or facilities under the provisions of this item and of any other applicable state law requirements on the provider or facility with respect to charging an enrollee for an item or service if the provider or facility does not have a contractual relationship with the plan, and of information on contacting appropriate state or federal agencies in the event the enrollee believes the provider or facility violates any of these requirements.

## **Negotiation and Dispute Resolution**

Specify that an out-of-network provider or facility that is entitled to receive an initial payment or notice of denial under these provisions may initiate, within 30 days of receiving the initial payment or notice of denial, open negotiations with the defined network plan, preferred provider plan, or self-insured governmental plan to determine a payment amount for the emergency medical service or other item or service for a period that terminates 30 days after initiating open negotiations. Specify that if the open negotiation period terminates without determination of a payment amount, the provider, facility, defined network plan, preferred provider plan, or self-insured governmental plan may initiate, within the four days beginning on the day after the open negotiation period ends, the independent dispute resolution process as specified by OCI.

Specify that if the independent dispute resolution decision maker determines the payment amount, the party to the independent dispute resolution process whose amount was not selected shall pay the fees for the independent dispute resolution, but if the parties to the independent dispute resolution reach a settlement on the payment amount, the parties to the independent dispute resolution shall equally divide the payment for the fees for the independent dispute resolution.

# **Continuity of Care**

Modify statutory provisions related to the billing for and coverage of services rendered to a continuing care enrollee in circumstances in which the status provider of those services changes from in-network to out-of-network provider of facility, as described below. Define, for the purposes of this provision, a "continuing care patient" as an individual who is any of the following: (a) undergoing a course of treatment for a serious and complex condition from a provider or facility; (b) undergoing a course of institutional or inpatient care from a provider or facility; (c) scheduled to undergo nonelective surgery, including receipt of postoperative care, from a provider or facility; or (e) terminally ill and receiving treatment for the illness from a provider or facility. Define a "serious and complex condition" to mean any of the following: (a) in the case of an acute illness, a condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm; or (b) in the case of a chronic illness or condition, a condition that is life-threatening, degenerative, potentially disabling, or congenital and requires specialized medical care over a prolonged period.

Specify that if an enrollee is a continuing care patient and is obtaining items or services from an in-network provider or facility and the contract between the defined network plan, preferred provider plan, or self-insured governmental plan and the provider or facility is terminated because of a change in the terms of the participation of the provider or facility, or the contract between the plan and the provider or facility is terminated, resulting in a loss of benefits provided under the plan, the plan shall do all of the following: (a) notify each enrollee of the termination of the contract or benefits and of the right for the enrollee to elect to continue transitional care from the provider or facility; (b) provide the enrollee an opportunity to notify the plan of the need for transitional care; and (c) allow the enrollee to elect to continue to have the benefits provided under the plan under the same terms and conditions as would have applied to the item or service if the termination had not occurred for the course of treatment related to the enrollee's status as a continuing care patient beginning on the date on which the notice is provided and ending 90 days after the date on which the notice is provided or the date on which the enrollee is no longer a continuing care patient, whichever is earlier.

Specify that current law continuing care requirements shall not be applied in a manner that limits the enrollee's rights for, or length of, continuing care established under this item. Specify that a defined network plan may not contract or arrange with a participating provider for the provider to provide the notice that the plan is required to provide to enrollees under current law, of termination of the participating provider's participation in the plan's network.

### **Administrative Rules**

Authorize OCI to promulgate any rules necessary to implement these provisions, including specifying the independent dispute resolution process and any modification to the list of those items and services for which a provider may not balance bill. Specify that, in promulgating these rules, OCI may consider any rules promulgated by the federal Department of Health and Human Services pursuant to the federal No Surprises Act.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

pursuant to Joint Finance Motion #10.)

# 7. TELEHEALTH COVERAGE PARITY

Governor: Prohibit any health insurance policy, state employee health plan, or governmental self-insured health plan from denying coverage of any treatment or service provided through telehealth on the basis that the treatment or service is provided through telehealth, if that treatment or service is covered by the policy or plan when provided in person. Specify that an insurance policy or health plan may limit coverage of treatments or services provided through telehealth to those treatments or services that are medically necessary. Specify that an insurance policy or health plan may not subject a treatment or services provided through telehealth to any of the following: (a) any greater deductible, copayment, or coinsurance amount than would be applicable if the treatment or service is provided in person; (b) any policy or calendar year or lifetime benefit limit or other maximum limitation that is not imposed on other treatments or services covered by the plan that are not provided through telehealth; (c) prior authorization requirements that are not required for the same treatment or service when provided in person; or (d) unique location requirements. Specify that an insurance policy or health plan that covers a telehealth treatment or service that has no equivalent in-person treatment or service, such as remote patient monitoring, shall specify in policy or plan materials the coverage of that telehealth treatment or service.

Define "telehealth" as a practice of health care delivery, diagnosis, consultation, treatment, or transfer of medically relevant data by means of audio, video, or data communications that are used either during a patient visit or consultation or are used to transfer medically relevant data about a patient. Specify that the term "telehealth" does not include communications delivered solely by audio-only telephone, facsimile machine, or e-mail unless specified otherwise by rule.

Specify that for policies or plans containing provisions inconsistent with the requirements in this item, the requirements first apply to policy or plan years beginning on January 1 of the year following the effective date of the bill, except that for policies or plans that are affected by a collective bargaining agreement that are inconsistent, the requirement first applies to plan years beginning on the effective date of the bill or on the day on which the collective bargaining agreement is newly established, modified, or renewed, whichever is later.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 8. COVERAGE OF INFERTILITY SERVICES

**Governor:** Specify that any health insurance policy, including any preferred provider plan or defined network plan, and any government self-insured health plan that provides coverage for medical or hospital expenses shall cover diagnosis of, and treatment for, infertility and standard fertility preservation services. Specify that the coverage, for the purposes of this requirement, must include at least four completed oocyte retrievals with unlimited embryo transfers, in accordance with the guidelines of the American Society for Reproductive Medicine or its successor organization, and that a single embryo transfer may be used when recommended and medically appropriate. Specify that the policy or plan must provide coverage of infertility services to any covered individual under the policy or plan, including any spouse or nonspouse dependent, to the same extent as other pregnancy-related benefits covered under the policy or plan.

Specify that a policy or plan may not do any of the following: (a) impose any exclusions, limitations, or other restrictions on coverage of infertility services based on a covered individual's participation in fertility services provided by or to a third party; (b) impose any exclusion, limitation, or other restriction on coverage of medications that are required to be covered for infertility services that are different from those imposed on any other prescription medications covered under the policy or plan; or (c) impose any exclusion, limitation, cost-sharing requirement, benefit maximum, waiting period, or other restriction on the diagnosis of and treatment for infertility and standard fertility preservation services that is different from an exclusion, limitation, cost-sharing requirement, benefit maximum, waiting period, or other restriction imposed on benefits for services that are covered by the policy or plan and that are not related to infertility.

Specify that these coverage requirements do not apply to coverage that is only accident or disability income insurance, supplemental liability insurance, worker's compensation coverage, automobile medical payment insurance, credit-only insurance, coverage for on-site medical clinics, or other similar coverage under which benefits for medical care are secondary or incidental to other insurance benefits.

Define terms, for the purposes of these provisions ,as follows: (a) "infertility" means a disease, condition, or status characterized by any of the following: (i) the failure to establish a pregnancy or carry a pregnancy to a live birth after regular, unprotected sexual intercourse for, if the woman is under the age of 35, no longer than 12 months or, if the woman is 35 years of age or older, no longer than six months, including any time during those 12 months or six months that the woman has a pregnancy that results in a miscarriage; (ii) an individual's inability to reproduce either as a single individual or with a partner without medical intervention; (iii) a physician's findings based on a patient's medical, sexual, and reproductive history, age, physical findings, or diagnostic testing; (b) "diagnosis of and treatment for infertility" means any recommended procedure or medication to treat infertility at the direction of a physician that is consistent with established, published, or approved medical practices or professional guidelines from the American College of Obstetricians and Gynecologists, or its successor organization, or the American Society for Reproductive Medicine, or its successor organization; and (c) "standard fertility preservation service" means a procedure that is consistent with established medical practices or professional guidelines published by the American Society for Reproductive Medicine or its successor organization, or the American Society of Clinical Oncology or its successor organization, for a person who has a medical condition or is expected to undergo medication therapy, surgery, radiation, chemotherapy, or other medical treatment that is recognized by medical professionals to cause a risk of impairment to fertility.

Require OCI, after consulting with the Department of Health Services on appropriate treatment for infertility, to promulgate any rules necessary to implement these requirements. Specify that before the promulgation of rules, policies and plans are considered to be in compliance with the coverage requirements if the coverage conforms to the standards of the American Society

for Reproductive Medicine.

Specify that these provisions first apply to policy or plan years beginning on January 1 of the year following the year of the first day of the fourth month beginning after the bill's general effective date, or, for policies and plans that are affected by a collective bargaining agreement containing provisions that are inconsistent with these coverage requirements, to policy or plan years beginning on the day on which the collective bargaining agreement is entered into, extended, modified, or renewed, whichever is later. Specify that for policies and plans that have a term greater than one year and contain provisions inconsistent with these provisions, the coverage requirements first apply to policy or plan years beginning on January 1 of the year following the year in which the policy or plan is extended, modified, or renewed, whichever is later.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. COVERAGE OF SUBSTANCE ABUSE COUNSELOR SERVICES

**Governor:** Specify that no health insurance policy, limited service health organization, preferred provider plan, defined network plan, or government self-insured health plan may exclude coverage for alcoholism or other drug abuse treatment or services provided by a substance abuse counselor within the scope of the substance abuse counselor's education and training if the policy or plan covers the alcoholism or other drug abuse treatment or services when provided by another health care provider.

Specify that this provision first applies to policy or plan years beginning on January 1 of the year following the year of the first day of the fourth month beginning after the bill's general effective date, or, for policies and plans that are affected by a collective bargaining agreement containing provisions that are inconsistent with the bill, to policy or plan years beginning on the day on which the collective bargaining agreement is entered into, extended, modified, or renewed, whichever is later.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. COVERAGE OF BEHAVIORAL HEALTH SERVICES PROVIDED BY A QUALIFIED TREATMENT TRAINEE

**Governor:** Prohibit any health insurance policy, limited service health organization, preferred provider plan, defined network plan, or government self-insured health plan from excluding coverage for mental health or behavioral health treatment or services provided by a qualified treatment trainee within the scope of the qualified treatment trainee's education and training if the policy or plan covers the mental health or behavioral health treatment or services when provided by another health care provider.

Define "qualified treatment trainee" for the purposes of this provision using a cross reference

to a definition of the term in a DHS administrative rule relating to outpatient mental health clinics, in which the term means either: (a) a graduate student who is enrolled in an accredited institution in psychology, counseling, marriage and family therapy, social work, nursing or a closely related field; or (b) a person with a graduate degree from an accredited institution and course work in psychology, counseling, marriage and family therapy, social work, nursing or a closely related field work, nursing or a closely related field who has not yet completed the supervised practice requirements applicable to the degree.

Specify that this provision first applies to policy or plan years beginning on January 1 of the year following the year of the first day of the fourth month beginning after the bill's general effective date, or, for policies and plans that are affected by a collective bargaining agreement containing provisions that are inconsistent with the bill, to policy or plan years beginning on the day on which the collective bargaining agreement is entered into, extended, modified, or renewed, whichever is later.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

Under current law, the State of Wisconsin Investment Board (SWIB) is authorized to independently establish its operating budget each year and monitor the fiscal management of the budget. Further, SWIB is also authorized to independently create or abolish staff positions for the agency. Program revenue to support SWIB operations is generated from assessments of funds under management. The Investment Board is required to provide quarterly reports to the Department of Administration, the Co-Chairpersons of the Joint Committee on Finance, and the Co-Chairpersons of the Joint Committee on Audit, identifying all operating expenditures and the number of full-time equivalent positions created or abolished during that quarter. Finally, SWIB officials are required to appear each fiscal year at the first quarterly meeting of the Joint Committee on Finance under s. 13.10 of the statutes, to provide an update of SWIB's budget changes, position authorization changes, assessment of the funds under management, and performance of the funds under management for the current and next fiscal year.

Total expenditures in 2021-22 for the Board were \$84,072,800 with 261.0 positions approved in June, 2021. In June, 2022, the Board approved an operating budget for 2022-23 of \$102,731,100 (an increase of 22.2% over 2021-22 expenditures) and 290.0 positions. In the table above, this amount is indicated for the adjusted base in 2022-23. The SWIB budget recommendation also utilizes this amount for 2023-24 and 2024-25. Note, however, that the actual 2023-24 budget was established by the Board on June 14, 2023, at \$115,100,000 and 290.0 positions. The 2024-25 budget is expected to be finalized by the Board in June, 2024.

| SEG   | <u>- 109,400 0.00 0 0.00 - 109,400 0.00</u>                                 |
| Total | \$2,082,500 - 25.50 - \$1,427,200 0.00 \$655,300 - 25.50                    |

**Governor:** Adjustments to the base totaling -\$497,200 GPR, \$2,389,000 FED, -\$348,100 PR, -\$54,700 SEG, -0.5 GPR and -12.0 FED positions in 2023-24; and -\$498,300 GPR, \$1,494,600 FED, -\$348,100 PR, -\$54,700 SEG, -0.5 GPR positions, and -25.0 FED positions in 2024-25. Adjustments are for: (a) turnover reduction (-\$911,000 GPR and -\$159,500 PR annually); (b) removal of non-continuing elements from the base (-\$138,900 GPR, -\$455,000 FED, and -1.0 GPR, and -12.0 FED positions in 2023-24; and -\$140,000 GPR, -\$1,349,400 FED, and -1.0 GPR, and -25.0 FED positions in 2024-25); (c) full funding of continuing position salaries and fringe benefits (-\$118,300 GPR, \$2,799,500 FED, -\$394,900 PR, and -\$67,500 SEG annually); (d) overtime (\$710,700 GPR, \$532,700 PR, and \$11,000 SEG annually); (e) night and weekend differential pay (\$9,600 GPR and \$2,100 PR annually); (f) full funding of ongoing s. 13.10 items (\$27,800 GPR and 0.5 GPR positions annually); and (g) full funding of lease and directed moves costs (-\$77,100 GPR, \$44,500 FED, -\$328,500 PR, and \$1,800 SEG annually).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$607,300 GPR and -\$106,300 PR annually.

# 2. STANDARD BUDGET ADJUSTMENTS -- TECHNICAL TRANSFERS WITHIN THE SAME APPROPRIATION [LFB Paper 105]

**Governor/Legislature:** Transfer funding and positions annually within appropriations in DOJ between different subprograms, as identified in the table below, in order to align budgeted funding and position authorization with assigned programmatic duties.

| Fund Source/Program/       |   |                |                  |

### 3. PROGRAM REVENUE REESTIMATES

\$5,606,800

PR

**Governor/Legislature:** Provide \$2,803,400 annually to reflect current revenue projections and estimated program needs for the following program revenue appropriations:

a. -\$300,000 annually for the terminal charges annual appropriation. Expenditures are estimated to reflect revenue available for the TIME (transaction information for the management of enforcement) system. Base funding for the appropriation is \$2,695,200.

b. -\$7,500 annually for the grants for substance abuse treatment programs for criminal offenders continuing appropriation. Expenditures are estimated to address an estimated \$1,491,400 deficit in the appropriation at the end of 2022-23. Base funding for the appropriation is \$7,500.

c. \$15,000 annually for the legal services delinquent obligation collection annual appropriation. Expenditures are estimated to reflect estimated expenditures in the 2023-25 biennium. Base funding for the appropriation is \$10,000.

d. \$45,900 annually for the crime laboratory equipment and supplies annual appropriation. Expenditures are estimated to reflect an increased transfer from the DNA surcharge. Base funding for the appropriation is \$854,100.

e. \$75,000 annually for the law enforcement training fund, local assistance annual appropriation. Estimated expenditures are associated with payments for new recruit, recertification and specialized training to local law enforcement agencies, technical colleges, and jail or secure detention agencies. Base funding for the appropriation is \$4,425,000.

f. \$80,000 annually for the legal services environment litigation project continuing appropriation. Expenditures are estimated to reflect an updated memorandum of understanding with the Department of Natural Resources. Base funding for the appropriation is \$617,600.

g. \$100,000 annually for the law enforcement services gifts, and grants annual appropriation. Expenditures are estimated to reflect anticipated revenue. Base funding for the appropriation is \$0.

h. \$320,000 annually for the handgun purchaser record check; checks for licenses or certifications to carry concealed weapons continuing appropriation. Expenditures are estimated to reflect anticipated revenue. Base funding for the appropriation is \$2,948,800.

i. \$350,000 annually for the law enforcement training fund, state operations annual appropriation. Expenditures are estimated to maintain expenditure authority for law enforcement trainings, due to reductions taken in the position realignment item. Base funding for the appropriation is \$3,482,400.

j. \$525,000 annually for the administrative services gifts, grants, and proceeds annual appropriation. Expenditures are estimated to support trainings, conferences and other administrative services and supplies that collect proceeds and non-federal grant revenues. Base funding for the appropriation is \$0.

k. \$600,000 annually for the legal services interagency and intra-agency assistance continuing appropriation. Expenditures are estimated to reflect an updated memoranda of understanding with other state agencies. Base funding for the appropriation is \$2,041,300.

1. \$1,000,000 annually for the legal services restitution continuing appropriation. Expenditures are estimated to reflect anticipated revenues. Base funding for the appropriation is \$0.

# 5. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$825,600                  | - \$825,600                       | \$0        |

**Governor:** Provide \$412,800 annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose. Annual funding in DOJ would be allocated as follows:

| Program                    | Subprogram                                  | Amount    |
|----------------------------|---|-----------|
| Division of legal services | Legal services                              | \$37,400  |
| Law enforcement services   | Crime laboratories                          | 159,800   |
|                            | Crime information bureau                    | 5,000     |
|                            | Criminal investigation                      | 78,600    |
|                            | Administrative services                     | 3,600     |
|                            | Narcotics Enforcement                       | 12,800    |
|                            | Internet Crimes Against Children Task Force | 38,000    |
|                            | Criminal Justice Programs                   | 3,600     |
| Administrative services    | Computing services                          | 65,000    |
|                            | Administrative services                     | 2,300     |
| Victims and witnesses      | Office of Victim Services                   | 6,700     |
| Total                      |   | \$412,800 |

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. EQUITY OFFICER POSITION

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg. t</u> | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|----------------|---|--|------|
| GPR | \$166,400  | 1.00 | - \$166,400    | - 1.00                                  | \$0                                    | 0.00 |

**Governor:** Provide \$72,900 in 2023-24 and \$93,500 in 2024-25 and 1.0 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

pursuant to Joint Finance Motion #10.)

#### **TRIBAL LIAISON POSITION** 7.

|     | <u>(Chg. t</u> | ernor<br><u>to Base)</u><br>Positions | <u> </u>    | to Gov) | <u>Net Change</u><br>Funding Positions |      |
|-----|----------------|---------------------------------------|-------------|---------|--|------|
| GPR | \$144,300      | 1.00                                  | - \$144,300 | - 1.00  | \$0                                    | 0.00 |

Governor: Provide \$61,800 in 2023-24 and \$82,500 in 2024-25 and 1.0 position annually to create an agency tribal liaison position. The agency tribal liaison would be responsible for working with Native American tribes and bands on behalf of the agency, as well as coordinating with the Director of Native American Affairs in the Department of Administration. [See "Administration -- General Agency Provisions."]

Joint Finance/Legislature: Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 8. **REMOVE VACANT POSITIONS**

Joint Finance/Legislature: Beginning in 2023-24, remove 0.3 GPR, 0.5 FED, and 0.4 PR positions associated with positions that have been vacant 18 months or more.

|       | Positions |
|-------|-----------|
| GPR   | - 0.30    |
| FED   | - 0.50    |
| PR    | - 0.40    |
| Total | - 1.20    |

# Law Enforcement Services

#### LAW ENFORCEMENT RECRUITMENT, RETENTION, AND WELLNESS 1. **GRANT PROGRAM**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

Governor: Provide \$5,000,000 annually to provide grants to law enforcement agencies and tribal law enforcement agencies to fund programs that recruit and retain law enforcement officers and that promote officer wellness. Create a continuing appropriation for the grant program.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. COMMUNITY POLICING AND COMMUNITY PROSECUTION GRANT PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually to cities, villages, and towns; counties, including district attorney offices; and federally-recognized American Indian tribes or bands in Wisconsin to fund community policing and community prosecution programs. Create a continuing appropriation for the grant program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 3. OFFICE OF MISSING AND MURDERED INDIGENOUS WOMEN

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |        | Jt. Finar<br><u>(Chg. t</u><br>Funding | <u>o Gov)</u> | <u>Net Change</u><br>Funding Positions |      |
|-----|--|--------|--|---------------|--|------|
| GPR | \$7,408,700  | 3.00 - | - \$7,408,700                          | - 3.00        | \$0                                    | 0.00 |

**Governor:** Provide \$3,675,200 in 2023-24 and \$3,733,500 in 2024-25 and 3.0 positions related to creating an Office of Missing and Murdered Indigenous Women within DOJ. Funding would be allocated as follows: (a) \$3,000,000 annually for grants to tribes and organizations affiliated with tribes relating to missing and murdered indigenous women; (b) \$175,200 in 2023-24 and \$233,500 in 2024-25 for staff costs; and (c) \$500,000 annually for supplies and services. The Office would be required do the following: (a) provide services to crime victims and witnesses who are members of a tribe; (b) provide trauma-informed health and wellness support for crime victims, their families, and other persons who are members of a tribe; and (c) offer or contract with another entity to offer training relating to missing and murdered indigenous women. Specify that training may include search and rescue, enhanced response, and coordination tactics between federal, state and tribal jurisdictions, and other topics related to missing and murdered indigenous women. Create an annual appropriation for the Office.

Of the newly-created positions, specify that the Director of the Office would be an unclassified position appointed by the Attorney General. Place the Director in executive salary group 3 (current annual salary range of \$79,414 to \$131,040).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. LAW ENFORCEMENT AND CRIMINAL INVESTIGATION SUPPORT [LFB Paper 510 and 511]

|             |                              | vernor<br><u>to Base)</u> |                                 | nce/Leg.<br>to Gov)   | <u>Net Change</u>           |           |

**Governor:** Provide \$143,600 in 2023-24 and \$180,000 in 2024-25 and 2.0 positions annually related to administration of: (a) the Office of Victim Services (\$79,300 in 2023-24 and \$97,500 in 2024-25 and 1.0 position annually); and (b) criminal investigation (\$64,300 in 2023-24 and \$82,500 in 2024-25 and 1.0 position annually).

Joint Finance/Legislature: Provision not included.

### 8. **REGIONAL DRUG PROSECUTORS** [LFB Paper 105]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |      | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|------|--|------|
| GPR | \$272,700  | 2.00 | \$38,900  | 0.00 | \$311,600                              | 2.00 |

**Governor:** Provide \$116,900 in 2023-24 and \$155,800 in 2024-25 and 2.0 positions for assistant attorneys general to serve as regional drug prosecutors based at the Division of Criminal Investigation's field offices in Wausau and Appleton and assist district attorneys with prosecuting drug-related offenses. The positions would continue the work of project field drug prosecutor positions that were created in 2017 Wisconsin Act 261. [Note that at a 13.10 meeting on February 15, 2023, the Joint Committee on Finance approved creation of 2.0 field prosecutor positions.]

**Joint Finance/Legislature:** Provide an additional \$38,900 in 2023-24 to reflect a full year of funding for the positions approved under s. 13.10 of the statutes on February 15, 2023.

# 9. REGIONAL DRUG PROSECUTORS REPORT

**Governor:** Repeal a requirement that DOJ report to the Joint Committee on Finance related to the project field drug prosecutors. The report, created under 2017 Act 261, is to "describe the activities and assess the effectiveness of the attorneys in assisting the division of criminal investigation in the field offices of Wausau and Appleton and in assisting district attorneys in the prosecution of drug-related offenses."

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|     | <b>RESOURCE PROSE</b> | CUTOR | LFB Paper 5 | 13]     | GPR | \$136,400 | 1.00      |

Governor/Legislature: Provide \$58,400 in 2023-24 and

\$78,000 in 2024-25 and 1.0 position for an assistant attorney general to continue providing training and resources for prosecutors on sexual assault cases. This position would continue the responsibilities of a project position created under 2019 Act 9 that ends in July, 2023.

### 11. BEAT PATROL PROGRAMS UNENCUMBERED BALANCES [LFB Paper 515]

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto<br>(Chg. to Leg.) | Net Change |
|--------|----------------------------|-----------------------------------|------------------------|------------|
| PR     | \$190,800                  | - \$190,800                       | \$0                    | \$0        |
| GPR-RE | V \$0                      | \$190,800                         | - \$190,800            | \$0        |

**Governor:** Provide \$190,800 in increased expenditure authority in 2023-24 for beat patrol overtime grants. This is an annual appropriation for police overtime grants with an unencumbered revenue balance. Current base funding is \$0. The appropriation was originally funded with a one-time transfer specified in 2017 Act 59. [Note that under current law, the appropriation is to be used for police overtime grants, rather than the beat patrol program.]

**Joint Finance/Legislature:** Provision not included. Further, lapse \$190,800 to the general fund from the beat patrol overtime grants appropriation and repeal the appropriation.

Veto by Governor [D-36]: Delete repeal of the appropriation and program. Therefore, no transfer to the general fund would occur.

[Act 19 Vetoed Sections: 123 and 423]

# 12. TRIBAL LAW ENFORCEMENT ASSISTANCE

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$1,390,000                | - \$1,390,000                     | \$0        |

**Governor:** Provide \$695,000 annually related to grants to tribes for law enforcement operations. Program revenue funding is from the Indian gaming receipts appropriation. Base funding for the appropriation is \$695,000.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **13. CONTINUATION OF ELDER ABUSE HOTLINE AND ELDER JUSTICE PROGRAM** [LFB Paper 516]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$250,000                  | - \$115,000                       | \$135,000  |  |

**Governor:** Provide \$250,000 in 2024-25 to support the operation of the elder abuse reporting hotline and grants to organizations to promote protection of elders. Create a continuing appropriation to provide support for bath the hotline and grants. The Department indicates that three federal implementation grants were used to establish a state-wide taskforce on elder abuse, to provide a hotline for centralized reporting of crimes targeting the elderly, and for public outreach efforts. The federal grants end September 30, 2023.

**Joint Finance/Legislature:** Modify funding by -\$115,000 in 2024-25 and create an annual instead of continuing appropriation. Funding for the hotline would be \$135,000 in 2024-25.

[Act 19 Sections: 120 and 421]

# 14. HATE CRIME HOTLINE

**Governor:** Require DOJ to provide a publicly accessible Internet-based reporting system and a telephone hotline for the reporting of hate crimes. The Department would be required to ensure that the reporting system and hotline do the following:

a. Relay a report of a hate crime to the appropriate employee of the department or law enforcement officer for investigation.

b. Direct individuals to appropriate local support services.

c. Maintain confidentiality for any personally identifiable information that an individual provides through the reporting system or hotline, except as needed for investigative, legal, or crime victims service purposes.

d. Are staffed by individuals who are trained to be knowledgeable about applicable federal, state, and local hate crime laws and law enforcement and support services.

Require DOJ to collaborate with community organizations to provide a public education campaign to raise awareness of hate crimes and to promote the reporting of hate crimes using the reporting system and hotline. Require the Department to collect data on hate crime reporting.

The bill defines "hate crime" using current law [s. 939.645(1)]: a criminal act intentionally committed against an individual or property in whole or in part because of the actor's belief or perception regarding the race, religion, color, disability, sexual orientation, national origin or ancestry of that person or the owner or occupant of that property, whether or not the actor's belief or perception was correct.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **15. UNIVERSAL BACKGROUND CHECK**

**Governor:** Prohibit any person from transferring any firearm, including the frame or receiver of a firearm, unless the transfer occurs through a federally-licensed firearms dealer and involves a background check of the prospective transferee starting seven months after publication. This would expand DOJ's responsibility to include all firearms, rather than handguns and most transfers, rather than purchases.

Under the bill, the following are excepted from that prohibition: (a) a transfer to a firearms dealer or to a law enforcement or armed services agency; (b) a transfer of a firearm classified as antique; (c) a transfer that is by gift, bequest, or inheritance to a family member over 18 years of age; or (d) a transfer for the purpose of hunting or target shooting for no longer than 14 days in exchange for a nominal fee. A person who is convicted of violating the prohibition is guilty of a misdemeanor and must be fined not less than \$500 nor more than \$10,000, may be imprisoned for not more than nine months, and may not possess a firearm for a period of two years.

Current law provides that a federally-licensed firearms dealer may not transfer a handgun after a sale until the dealer has performed a background check on the prospective transferee to determine if he or she is prohibited from possessing a firearm under state or federal law. In Wisconsin, the Firearms Unit within DOJ's Crime Information Bureau processes background checks on purchasers of handguns. The FBI continues to be responsible for background checks on purchasers of long guns in Wisconsin. States which process background checks are also authorized to extend their background checks beyond the requirements under federal law. Wisconsin handgun background checks include a review of databases not routinely searched by the FBI as a part of a federal background search such as CCAP and the DOJ database of juveniles found adjudicated delinquent for an offense that would have been a felony if committed by an adult.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 16. CITIZENSHIP REQUIREMENT FOR POLICE OFFICERS

**Governor:** Allow the sheriff of a county or the appointing authority of a local law enforcement agency to elect to authorize the appointment of noncitizens who are in receipt of valid employment authorization from the federal Department of Homeland Security as deputy sheriffs or police officers. Further, prevent the Law Enforcement Standards Board from preventing a noncitizen from participating in a law enforcement preparatory training program.

Under current law, no person may be appointed as a deputy sheriff of any county or police officer of any city, village, or town unless that person is a citizen of the United States.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 17. RENAME SHOT SPOTTER GRANT PROGRAM

**Governor:** Modify the current Shot Spotter Program appropriation to reference a Gunfire Detection Program in Milwaukee, rather than the Shot Spotter Program in Milwaukee.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **18. CRITICAL INCIDENT MAPPING**

GPR \$2,500,000

**Joint Finance/Legislature:** Provide \$2,500,000 in 2023-24 for critical incident mapping on a one-time basis. Create non-statutory language specifying that DOJ may not award a grant to a school board or governing body if the school board or governing body has already received a grant.

[Act 19 Section: 9127(1)]

#### **19. COMMUNITY ORIENTED POLICING (COP) HOUSE**

GPR

\$500,000

**Joint Finance/Legislature:** Provide \$500,000 in 2023-24 and extend the COPs program through the 2023-25 biennium then repeal the appropriation. Further, convert the COP House appropriation from annual to biennial.

[Act 19 Sections: 117, 118, 424, and 9427(1)]

| 20. | LAW      | ENFORCEMENT            | TRAINING         |       | LOCAL     | GPR   | - \$2,000,000 |

funded from the local government fund for DOJ law enforcement training grants. In 2024-25, eliminate the current GPR appropriation for officer training reimbursement (-\$2,000,000 GPR in 2024-25) and repeal the existing PR appropriation for distribution of local assistance for law enforcement training (-\$4,500,000 PR in 2024-25). Modify current law to specify that the law enforcement training fund to consist of the accounts for law enforcement training state operations, and the new law enforcement training grants SEG appropriation.

[Act 19 Sections: 116, 121, 122, 420, 470, and 9427(2)]

# Legal Services

# 1. SALARY ADJUSTMENT AND PAY PROGRESSION

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$2,621,300                | - \$2,621,300                     | \$0        |
| FED   | 151,000                    | - 151,000                         | 0          |
| PR    | 617,300                    | - 617,300                         | 0          |
| Total | \$3,389,600                | - \$3,389,600                     | \$0        |

**Governor:** Provide \$1,173,800 GPR, \$88,000 FED, and \$274,100 PR in 2023-24; and \$1,447,500 GPR, \$63,000 FED, and \$343,200 PR in 2024-25 to support a salary increase and the pay progression plan for assistant attorneys general (AAGs).

a. *Minimum Salary*. Provide \$1,173,800 GPR, \$88,000 FED, and \$274,100 PR in 2023-24; and \$1,173,800 GPR, \$50,700 FED, and \$274,100 PR in 2024-25 to increase the starting salary of all AAGs to \$35 an hour and provide an hourly increase of \$7.76 (\$16,140 annually) to all AAGs in 2023-24.

b. *Non-Statutory Provision*. Create non-statutory language specifying that, notwithstanding statutory provisions that establish maximum annual salary increases in connection with pay progression, salary increases in 2023-24 and 2024-25 may be more than 10% annually.

c. *Pay Progression*. Provide \$273,700 GPR, \$12,300 FED, and \$69,100 PR in 2024-25 to support a salary increase and the pay progression plan. The AAG pay progression plan is merit-based and consists of 17 hourly salary steps, with each step equal to one-seventeenth of the difference between the lowest annual salary (\$56,659 as of January 3, 2023) and the highest annual salary (\$136,781 as of January 3, 2023). The value of one hourly salary step equals \$4,722 annually. In 2024-25, funding requested is equal to one step.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. TOBACCO SETTLEMENT AGREEMENT LEGAL EXPENSES [LFB Paper 525]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) |     |  |
|-----|----------------------------|-----------------------------------|-----|--|
| GPR | \$500,000                  | - \$500,000                       | \$0 |  |

**Governor:** Provide \$250,000 annually in a new, continuing appropriation in DOJ for legal expenses related to participation in arbitration on the state's behalf arising from payments under the Master Tobacco Settlement Agreement. Specify that, no later than September 1, DOJ submit an annual report to the Legislature and the Governor on the Department's legal expenses for arbitration or other alternative dispute resolution processes related to payments under the agreement.

Joint Finance/Legislature: Provision not included.

# 3. OPEN RECORDS LOCATION COST THRESHOLD

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | 8   |  |  |
|-----|----------------------------|-----------------------------------|-----|--|--|
| GPR | \$2,000                    | - \$2,000                         | \$0 |  |  |

**Governor:** Modify the cost threshold for first charging a fee for locating a public record to be \$100 or more in costs, rather than \$50 or more, before an authority may impose a fee to cover the actual, necessary, and direct cost of locating the record. Provide \$1,000 annually to allow the Office of Open Government to update documents and training materials related to the increased threshold. Under current law, an authority may impose a fee on a requester for locating a record, not exceeding the actual, necessary and direct cost of location, if the cost is \$50 or more.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. SETTLEMENT REVENUES AND APPROPRIATION

**Governor:** Remove the provision created in 2017 Act 369 which requires DOJ to deposit all settlement funds into the general fund. Instead, specify that before the Attorney General may expend settlement funds deposited to the administrative services gifts, grants and proceeds appropriation that are not committed by the terms of a settlement, he or she is required to submit a proposed plan for the expenditure of the funds to the Joint Committee on Finance. If the Cochairs of the Committee do not notify the Attorney General within 14 working days after the submittal that the Committee has scheduled a meeting for the purpose of reviewing the proposed plan, the Attorney General may expend the funds to implement the proposed plan. If, within 14 working days, the Co-chairs notify the Attorney General that a meeting has been scheduled, the attorney general may expend the funds only to implement the plan as approved by the Committee. The provision under the bill is identical to one enacted in 2017 Act 59 (the 2017-19 biennial budget) which was subsequently replaced by the Act 369 provision (current law).

Convert DOJ's gifts and grant appropriation from an annual to continuing appropriation. As a continuing appropriation, DOJ would be authorized to expend any available cash balance credited to the appropriation regardless of appropriated levels authorized by the Legislature.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 5. SETTLEMENT POWERS OF THE ATTORNEY GENERAL

**Governor:** Repeal the provision of 2017 Act 369 which requires the Attorney General when compromising or discontinuing a civil action which DOJ is prosecuting to either receive the approval of a legislative intervenor or, if there is no intervenor, the Joint Finance Committee (JFC) and, if the plan concedes the unconstitutionality or other invalidity of statute, the Joint Committee on Legislative Organization (JCLO).

Repeal the provision of Act 369 which requires DOJ, in defending actions for injunctive relief or an action involving a proposed consent decree, to obtain approval of any legislative intervenor or, if there is no intervenor, JFC, and, if the plan concedes the unconstitutionality or other invalidity of statute, JCLO.

Repeal the provision requiring settlement approval of the Joint Committee on Finance related to the opioid settlement (In re: National Prescription Opiate Litigation, Case number MDL 2804). This provision was created under 2021 Act 57.

Under the bill, settlement powers would be reestablished as before Act 369. The Attorney General would be allowed to compromise or discontinue actions prosecuted by DOJ: (a) when directed by the officer, department, board, or commission that directed the prosecution; or (b) with the approval of the Governor when the action is prosecuted by DOJ on the initiative of the Attorney General or at the request of any individual.

Under the bill, when DOJ is representing the defense, the Attorney General may

compromise and settle the action as the Attorney General determines to be in the best interest of the state.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Treatment Alternatives and Diversions**

# 1. TREATMENT AND DIVERSION PROGRAMS EXPANSION [LFB Paper 530]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$12,500,000               | - \$11,500,000                    | \$1,000,000 |

**Governor:** Provide \$12,500,000 in 2024-25 to expand the Treatment Alternatives and Diversion (TAD) program. The TAD program provides grants to counties to establish and operate programs, including suspended and deferred prosecution programs and programs based on principles of restorative justice, which provide alternatives to prosecution and incarceration for criminal offenders who abuse alcohol or other drugs. Under current law, six appropriations provide support for TAD grants (two GPR appropriations and four PR appropriations). Total funding for the program is \$9,235,900 (\$8,150,000 GPR and \$1,085,900 PR). Under the bill, as a result of this item and others summarized below, total TAD funding would be \$9,594,700 in 2023-24 (\$9,150,000 GPR and \$444,700 PR) and \$21,862,500 in 2024-25 (\$21,650,000 GPR and \$212,500 PR).

Modify the TAD grant program as follows:

a. Remove the specification that TAD grants be used for on alcohol and other drug treatment. Instead, allow grants to be used on programs that operate within the continuum from arrest to discharge from supervision and provides an alternative to prosecution, revocation, or incarceration through the use of pre-charge and post-charge diversion programs or treatment courts and community-based corrections. In connection with the broadening of the grant purposes, remove specific references to "mental health services" (for example, programs would be designed to "integrate all services" rather than "integrate all mental health services.") Specify that programs employ evidence-based practices targeted to the population served by the program.

b. Specify that programs be designed not only to promote, but also facilitate the implementation of effective criminal justice policies and practices that maximize justice. Further, specify that programs not only promote public safety, reduce prison and jail populations, reduce prosecution and incarceration costs, and reduce recidivism, but also victim safety. Delete the requirement that TAD grants improve the welfare of participants' families by meeting the

comprehensive needs of participants.

c. Specify that, if the program is administered by a tribe, the criminal justice oversight committee must consist of a representative of the judiciary, a representative of criminal prosecution and criminal defense, a social services provider, a behavioral health treatment provider, a law enforcement officer, a representative of corrections, and other members that the oversight committee determines are appropriate to the program.

d. Change the match requirement from 25 percent to 10 percent.

e. Allow, instead of require, an eligible program to charge participants a fee for their treatment.

f. Eliminate specific statutory requirements pertaining to exposure of genitals during drug testing.

g. Specify that if a person is participating in any evidence-based substance use disorder treatment program as determined by DOJ, regardless of its status relating to the TAD program, the court does not need to order a substance use assessment.

h. Beginning in 2026-27, change the competitive grant process from a five-year cycle to a four-year cycle. The modification is intended to better align the grant cycle and program reporting and evaluation timelines with the biennial budget.

i. Specify that modifications to TAD would first apply to grants awarded on or after the effective date of the bill.

j. Provide that the appropriation that was formerly limited to providing a TAD grant to a county that had not received one as of September 23, 2017, may be used to provide a TAD grant to a county that is not a recipient of a TAD grant on the effective date of the bill.

**Joint Finance/Legislature:** Statutory provisions not included. Modify funding for TAD grants by -\$11,500,000 in 2024-25 to provide \$1,000,000 in 2024-25 for additional grants.

# 2. TREATMENT AND DIVERSION PROGRAMS APPROPRIATION CONSOLIDATION [LFB Paper 530]

**Governor/Legislature:** Repeal two TAD appropriations: the GPR appropriation for "Alternatives to incarceration grant program" (base funding \$500,000); and the continuing PR appropriation "Alternatives to prosecution and incarceration for persons who use alcohol or other drugs; grants" (base funding \$0, with a revenue balance of \$106,200). Transfer balances in these appropriations to other TAD appropriations: the GPR appropriation to the main TAD appropriation (\$500,000 GPR annually); and the PR revenue balance to the PR "Alternatives to prosecution and incarceration grant program" (identified above in j.). Provide \$106,200 PR in 2023-24 in increased expenditure authority.

[Act 19 Sections: 119, 124, 125, 422, and 9227(1)]

# 3. TREATMENT AND DIVERSION PROGRAMS FUNDING ADJUSTMENT [LFB Paper 530]

| GPR   | \$2,000,000 |
|-------|-------------|
| PR    | - 2,000,000 |
| Total | \$0         |

### Governor/Legislature: Provide \$1,000,000 GPR and -\$1,000,000

PR annually to substitute GPR for penalty surcharge revenue as PR funding source for the TAD program. [Note: At the June 10, 2021, executive session regarding the 2021-23 biennial budget, the Joint Committee on Finance approved the conversion of \$1,000,000 PR annually in justice information system fee-funded TAD grants to \$1,000,000 GPR annually. This item was inadvertently excluded from the Committee's substitute amendment. As a result, the approved funding conversion was not included in the 2021 Act 58.]

# 4. TREATMENT AND DIVERSION PROGRAMS ADMINISTRATION [LFB Paper 530]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$530,300  | 3.00 | - \$530,300   | - 3.00 | \$0                                    | 0.00 |

**Governor:** Provide \$238,000 in 2023-24 and \$292,300 in 2024-25 and 3.0 positions to provide program development and technical assistance services and administer grants issued to local agencies for criminal justice diversion and treatment programs, including the provision of additional online resources and data.

Joint Finance/Legislature: Provision not included.

### 5. TREATMENT AND DIVERSION UNENCUMBERED PR \$126,000 BALANCE [LFB Paper 530]

**Governor/Legislature:** Provide \$126,000 in increased expenditure authority in 2023-24 for the TAD program. This is an annual appropriation for TAD grants with an unencumbered revenue balance. Current base funding is \$0. The appropriation was originally funded with a one-time transfer specified in 2017 Act 59.

# **Forensic Science**

# 1. CRIME LABORATORY DNA TESTING [LFB Paper 525]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |      | <u>Net Change</u><br>Funding Positions |      |

**Governor:** Provide \$48,700 in 2024-25 and 1.0 positions related to crime scene response services requested by local law enforcement agencies.

Joint Finance/Legislature: Provision not included.

# 1. COUNTY VICTIM WITNESS PROGRAM FUNDING [LFB Paper 540]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$11,728,900               | - \$8,324,100                     | \$3,404,800 |

**Governor:** Provide \$5,724,700 in 2023-24 and \$6,004,200 in 2024-25 to increase the reimbursement provided to county victim witness offices to an estimated 90 percent of county costs (the current statutory maximum). The reimbursement rate in fiscal year 2021-22 was 49% of costs. Base funding for the program totals \$6,457,900 (\$839,000 GPR, \$4,870,000 PR from the crime victim witness surcharge and the delinquency crime victim witness surcharge, and \$748,900 PR from the penalty surcharge.

**Joint Finance/Legislature:** Reduce funding by \$4,221,300 in 2023-24 and \$4,102,800 in 2024-25. Total increased funding would be \$1,503,400 in 2023-24 and \$1,901,400 in 2024-25 for county victim witness programs.

# 2. SEXUAL ASSAULT VICTIM SERVICES GRANTS [LFB Paper 541]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually to increase grants to providers of services to victims of sexual assault. Of this amount, specify that \$343,000 annually be provided to the Wisconsin Coalition Against Sexual Assault and that the Coalition may also apply for additional grants under the program. Base funding for grants is \$2,236,600.

Joint Finance/Legislature: Provision not included.

# **3.** CRIME VICTIM SERVICES GRANTS [LFB Paper 542]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually to provide grants to organizations that support victims of crime in a newly-created continuing appropriation.

Joint Finance/Legislature: Provision not included.

### 4. VICTIMS OF CRIME ACT FUNDING MODIFICATIONS [LFB Paper 542]

|                     |  | vernor<br>. to Base)            |  | nce/Leg.<br>to Gov)           | <u>Net C</u>     | <u>Change</u>   |
|---------------------|--|---------------------------------|--|-------------------------------|------------------|---|
|                     | Funding                                  | Positions                       | Funding                                | Positions                     | Funding          | Positions   |
| GPR<br>FED<br>Total | \$1,634,000<br><u>- 1,634,000</u><br>\$0 | 5.00 -<br><u>- 5.00</u><br>0.00 | \$1,634,000<br><u>1,634,000</u><br>\$0 | - 5.00<br><u>5.00</u><br>0.00 | \$0<br>_0<br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

**Governor:** Provide \$817,000 GPR, -\$817,000 FED and 5.0 GPR, and -5.0 FED positions annually to provide state funding and positions for crime victim services. The costs of state services to victims of crime which are currently funded from the federal Victims of Crime Act (VOCA) grant would, instead, be supported by the state. The Department indicates that state funding is intended to address a reduction in federal funding. Federal VOCA grant awards decreased from \$39.6 million in federal fiscal year (FFY) 2019 to \$25.2 million in FFY 2022.

Joint Finance/Legislature: Provision not included.

# 5. CRIME VICTIM COMPENSATION STAFFING

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      |             | to Gov) | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|-------------|---------|--|------|
| GPR | \$137,200  | 1.00 | - \$137,200 | - 1.00  | \$0                                    | 0.00 |

**Governor:** Provide \$59,500 in 2023-24 and \$77,700 in 2024-25 and 1.0 position to add a staff position to the Crime Victim Compensation Program. The position is intended to assist with the processing of crime victim claims.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **Budget Change Items**

# 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Provide adjustments to the base budget of -\$20,800 annually, including: (a) -\$23,800 (\$2,000 PR and -\$25,800 SEG

PR \$5,400 SEG <u>- 47,000</u> Total - \$41,600

from the forestry account of the conservation fund) for full funding of continuing position salaries and fringe benefits; and (b) \$3,000 (\$700 PR and \$2,300 forestry SEG) for overtime.

# 2. STATE OPERATIONS ADJUSTMENT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$15,400                   | - \$15,400                        | \$0        |

**Governor:** Provide \$7,700 forestry SEG annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and

services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. AIDS IN LIEU OF TAXES REESTIMATE [LFB Paper 106] SEG \$240,000

**Joint Finance/Legislature:** Reestimate aids in lieu of tax payments by \$120,000 annually. Because state property is exempt from property taxes, the state makes payments in lieu of property taxes each January to several affected municipalities and school districts that contain tax-exempt Kickapoo Valley Reserve land. Payments are adjusted annually to reflect changes in equalized assessed values of unimproved land and the property tax rates in each taxation district. Payments are made from a sum-sufficient appropriation of the forestry account of the segregated conservation fund. Payments are estimated at \$400,000 annually under Act 19.

# **Budget Change Items**

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Adjust the base budget by \$173,400 annually. The adjustments are for: (a) full funding of continuing position salaries and fringe benefits (\$6,000 GPR, \$145,300 PR, and \$30,700 SEG

| GPR   | \$19,800  |
|-------|-----------|
| PR    | 268,000   |
| SEG   | 59,000    |
| Total | \$346,800 |

annually); and (b) full funding of lease and directed move costs (\$3,900 GPR, -\$11,300 PR, and -\$1,200 SEG annually).

### 2. SUPPLIES AND SERVICES FUNDING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$6,600                    | - \$6,600                         | \$0        |  |

Governor: Provide \$3,300 of annual funding for the general program operations

appropriation of the Labor and Industry Review Commission to reflect increased supplies and services costs for current activities.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **Budget Change Items**

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|                    | Governor<br>(Chg. to Base)                 | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change                                   |
|--------------------|--|-----------------------------------|--|
| GPR<br>PR<br>Total | \$894,700<br><u>110,800</u><br>\$1,005,500 | - \$1,345,800<br>- \$1,345,800    | - \$451,100<br><u>110,800</u><br>- \$340,800 |

**Governor:** Adjust base funding by \$429,300 GPR and \$52,900 PR in 2023-24 and \$465,400 GPR and \$57,900 PR in 2024-25. Adjustments are for: (a) turnover reduction (-\$1,009,300 GPR annually); (b) full funding of continuing position salaries and fringe benefits (\$1,100,600 GPR and \$57,800 PR annually); (c) reclassification and semiautomatic pay progression (\$6,900 PR in 2023-24 and \$9,700 PR in 2024-25); and (d) full funding of lease and directed moves costs (\$338,000 GPR and -\$11,800 PR in 2023-24 and \$374,100 GPR and -\$9,600 PR in 2024-25).

Joint Finance/Legislature: Increase the rate used to calculate turnover reduction from 3%

to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard adjustment by -\$672,900 annually. Reallocate the GPR funding provided for full funding of lease and directed moves cost as shown in the following table.

|  | Change to Base |           | Change to Bill |           |

# 2. LEGISLATIVE RECORDS RETENTION

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$218,700  | 1.00 | - \$218,700   | - 1.00 | \$0                                    | 0.00 |

**Governor:** Provide \$97,000 in 2023-24 and \$121,700 in 2024-25 and 1.0 position beginning in 2023-24 for the Legislative Technology Services Bureau to administer new requirements that would make records and correspondence of any member of the Legislature part of the definition of a public record.

Remove the exception for a legislator's records and correspondence from the definition of a "public record." Under current law, the Public Records Board prescribes policies and standards for the retention and disposition of public records made or received by a state officer or agency. Currently, records and correspondence of any legislator are not subject to the Board's overview.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. MEMBERSHIP DUES IN NATIONAL ASSOCIATIONS [LFB GPR \$26,400 Paper 106]

**Governor/Legislature:** Provide \$8,700 in 2023-24 and \$17,700 in 2024-25 for dues to national associations. Funding is for dues to the National Conference of State Legislatures, National Conference of Commissioners on Uniform State Laws, and National Conference of Insurance Legislatures. Funding for membership dues is supported by a sum sufficient appropriation with base funding totaling \$294,500 annually.

#### 4. ACTUARIAL STUDIES

**Governor/Legislature:** Provide \$15,000 in 2023-24 for the Joint Legislative Council contractual studies biennial appropriation to conduct actuarial studies approved by the Joint Survey Committee on Retirement Systems, the Joint Committee on Finance, or the presiding officer of either house of the Legislature. The appropriation has no base funding.

#### 5. ACTUARIAL AUDIT SERVICES

**Governor/Legislature:** Provide the Legislative Audit Bureau \$25,000 in 2023-24 and \$198,000 in 2024-25 of one-time funding to contract for actuarial audit services that may be required in order to gain audit evidence under accounting standards issued by the Governmental Accounting Standards Board. In general, program revenue is generated from audits of state or federal agencies that the Audit Bureau is authorized to charge for such services. Under the bill, funding to procure these services would be provided to the Department of Employee Trust Funds.

#### 6. PEER REVIEW OF FINANCIAL AUDITS

GPR

**Governor/Legislature:** Provide \$15,000 in 2024-25 to support the peer review of all financial audits required once every three years. In accordance with government auditing standards, at least once every three years, the Legislative Audit Bureau is subject to a required external peer review. The last completed review was in September, 2021, with the next such review scheduled for September, 2024. Program revenue is generated from audits of state or federal agencies that the Audit Bureau is authorized to charge for such services.

#### 7. LEGISLATIVE HUMAN RESOURCES OFFICE POSITIONS

Governor

(Chg. to Base)

Positions

2.00

| Governor: Provide 2.0 positions for the Legislative Human Resources Office (LHRO) to                |
|---|
| be funded by the Office's existing appropriation, which has base funding of \$1,404,400 GPR.        |
| Create statutory language that would codify the Office as a nonpartisan service agency. Duties of   |
| the Office would include: (a) providing human resources services to the legislative branch, as      |
| directed by the Joint Committee on Legislative Organization (JCLO); and (b) establishing a formal   |
| complaint process to review and investigate allegations of harassment, discrimination, retaliation, |
| violence, or bullying by legislators, legislative employees, and legislative service agency         |
| employees. Require the Office to investigate all such allegations, unless the Director designates   |
| another person or entity to review and investigate any specific allegation.                         |

Create a Director of the Office with the following duties: (a) report to JCLO; (b) direct the operations of the staff; (c) employ, train, and supervise the personnel assigned to the Director; (d)

\$15,000

\$223,000

GPR

PR

PR

\$15,000

supervise all expenditures of the Office; (e) manage reviews and investigations of the formal complaint process and upon completion of an investigation, report the findings to the appropriate legislative leader or employee supervisor; and (f) on a periodic basis, recommend to JCLO improvements to human resources services and programs. Further, include statutory language assigning the Director of the Office to executive salary group six, which effective January 1, 2023, has an annual pay range of \$100,069 to \$165,131. Specify that the Director would set the salaries of the other employees, and that the Director and staff would be part of the unclassified service.

The LHRO and its duties and those of the agency's Director were created by unanimous vote of JCLO on February 25, 2020. This provision codifies the LHRO into Chapter 13 of the statutes.

**Joint Finance/Legislature:** Include provision, authorize 5.0 positions rather than 2.0 positions and specify that the LHRO would have all the rights and privileges pertaining to human resources records as are enjoyed by executive branch agencies, including under current employment relations law governing closed records for the civil service and state law pertaining to public records.

**Veto by Governor [F-48]:** Delete the provision that would have specified that the LHRO would have all the rights and privileges pertaining to human resources records as are enjoyed by executive branch agencies.

[Act 19 Sections: 17 thru 19, 190, 191, and 431]

[Act 19 Vetoed Section: 19]

# 8. JOINT COMMITTEE ON FINANCE PASSIVE REVIEW OBJECTIONS

**Governor:** Require that if a member of the Joint Committee on Finance objects to an item before the Committee under passive review, the name of each objecting member and their reason for the objection would be recorded and made publicly available.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. JOINT REVIEW COMMITTEE ON CRIMINAL PENALTIES REPORTS

**Governor:** Require any introduced bill that creates a new crime or revises a penalty for an existing crime be referred to the Joint Review Committee on Criminal Penalties and prohibit the Legislature from taking further action on the bill until the Committee prepares a report. Specify that these provisions would first apply to bills introduced on the effective date of the bill.

Under current law, if a bill is introduced that creates a crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report on the bill. The request must come from the chair of the standing committee to which the bill is referred or, if not referred to a standing committee, from the Speaker of the Assembly for an Assembly bill or the presiding officer of the Senate for a Senate bill. Upon such a request, the

Committee must prepare a report concerning the costs incurred or saved if the bill were enacted, the consistency of the penalties proposed with current law penalties, and whether the acts prohibited under the bill are already prohibited under current law.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. SENATE CONFIRMED PUBLIC OFFICE FIXED TERM VACANCIES

**Governor:** Modify current law governing how vacancies in public offices are caused to specify that if the office is filled by appointment by and with the consent of the Senate, then the office would be considered vacant when the incumbent's term expires, or if later, when the Governor submits his or her nomination for the office to the Senate.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 11. REPEAL JCLO REVIEW OF PROPOSED CAPITOL SECURITY CHANGES

**Governor:** Repeal a provision of 2017 Act 369 that requires the Department of Administration (DOA) to send notice to the Joint Committee on Legislative Organization (JCLO) of any proposed changes to security at the Capitol. The proposed changes are subject to a 14-day passive review process by JCLO. Current law specifies that if these is a risk of imminent danger, DOA may take any action necessary, and the cochairpersons of JCLO may review the action later if they determine such review is needed.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **12.** ADVICE AND CONSENT OF THE SENATE FOR APPOINTMENTS

**Governor:** Repeal the provision of 2017 Act 369 which provides that, if an individual's confirmation for the office or position is rejected by the Senate, that individual may not hold the office or position, be nominated again for the office or position, or perform any duties of the office or position during the legislative session biennium.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **13. LEGISLATIVE INTERVENTION**

**Governor:** Repeal the 2017 Act 369 provision which provides that the Legislature must be served with a copy of the proceedings in a legal action when a party to the action, as part of a claim or affirmative defense, challenges in state or federal court the constitutionality of a statute, facially

or as applied, challenges a statute as violating or preempted by federal law, or otherwise challenges the construction or validity of a statute. Further, repeal the provisions which provide that the Committee on Assembly Organization on behalf of the Assembly, the Committee on Senate Organization on behalf of the Senate, and Joint Committee on Legislative Organization (JCLO) on behalf of the Legislature may intervene as a matter of right at any time in all such actions.

Provide that if declaratory relief is sought, JCLO must be served with a copy of the petition and JCLO, the Senate Committee on Organization, or the Assembly Committee on Organization may intervene in proceedings in which the constitutionality, construction, or application of any provision of Chapters 13 (Legislature), 20 (state finance), 111 (employment relations), 227 (administrative procedure and review), or 230 (state employment) or subchapters I (general administration), III (finance), or IV (purchasing) of Chapter 16 (Department of Administration) or section 753.075 (reserve judges), or of any statute allowing a legislative committee to suspend, or to delay or prevent the adoption of, an administrative rule is placed in issue by the parties.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 14. RETENTION OF LEGAL REPRESENTATION FOR LEGISLATORS, LEGISLATIVE STAFF AND THE LEGISLATURE

**Governor:** Repeal 2017 Act 369 provisions and restore previous law with respect to the Legislature's retention of legal counsel. Act 369 provisions authorize the appointment of legal counsel other than from the Department of Justice (DOJ) for legislators or legislative staff if the acts or allegations underlying the action are arguably within the scope of the legislator's or employee's duties as follows:

a. For the Assembly, the Speaker of the Assembly may authorize a Representative or Assembly employee who requires legal representation to obtain legal counsel with the cost of representation paid from the Assembly's appropriation. The Speaker is required to approve all financial costs and terms of representation.

b. For the Senate, the Senate Majority Leader may authorize a Senator or Senate employee who requires legal representation to obtain legal counsel with the cost of representation paid from the Senate's appropriation. The Senate Majority Leader is required to approve all financial costs and terms of representation.

c. For an employee of a legislative service agency, the Co-Chairs of the Joint Committee on Legislative Organization (JCLO) may authorize an employee of a legislative service agency who requires legal representation to obtain legal counsel with the cost of representation paid from the Assembly's or Senate's appropriations, as determined by the Co-Chairs. The Co-Chairs are required to approve all financial costs and terms of representation.

Further, the Assembly, Senate, or JCLO on behalf of the Legislature, are authorized to obtain legal counsel other than from DOJ, in any action in which these bodies are a party or in which the interests of these bodies are affected in a similar manner.

Prior to Act 369, Representatives to the Assembly and Senators, as well as legislative employees, could receive legal representation from DOJ in most legal proceedings. Assembly and Senate policies and practices also allowed legislators and legislative employees to retain outside legal counsel in some instances.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **15. ADMINISTRATIVE RULES**

**Governor:** Repeal statutory modifications made in 2017 Act 369 related to administrative rules including:

a. *Deference*. Modify the prohibition on a court from according deference to agency interpretations of law in certain proceedings, so that the prohibition would only apply to actions affecting a property owner's use of their property, if the agency action restricts the owner's free use of their property. Repeal the current prohibition on agencies seeking deference in any proceeding to agency interpretations of law.

b. *Rule-Making Authority for Federal Compliance Plans and Settlement Agreements.* Repeal the limitation that a settlement agreement, consent decree, or court order does not confer rule-making authority and cannot be used by an agency as authority to promulgate rules. Further, repeal the limitation that an agency may not agree to promulgate a rule as a term in any settlement agreement, consent decree, or stipulated order of a court unless the agency has explicit statutory authority to promulgate the rule at the time of the settlement agreement, consent decree, or stipulated order. Eliminate similar restrictions relating to compliance plans submitted to the federal government.

c. *Advisory Committees and Informal Consultations*. Repeal the requirement that whenever an agency appoints an advisory committee with respect to contemplated rule making, the agency submit a list of the members of the committee to the Joint Committee for Review of Administrative Rules.

d. *Suspension*. Repeal the ability of the Joint Committee for Review of Administrative Rules to suspend a rule multiple times.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

\$6,000

SEG

**Governor/Legislature:** Provide adjustments of \$3,000 annually to the agency base budget for full funding of salaries and fringe benefits for continuing positions. The Lower Wisconsin State Riverway Board is funded by the conservation fund, allocated from the water resources account (75%) and forestry account (25%).

# **MARIJUANA-RELATED PROVISIONS**

**Governor:** Legalize recreational marijuana in certain amounts for personal use. Modify the Uniform Controlled Substances Act provisions and other criminal-justice related provisions to reflect marijuana, including tetrahydrocannabinols (THC), legalization. Further, create a Uniform Controlled Substances Act subchapter for the regulation of marijuana, including criminal and civil provisions related to permittee allowances and prohibitions, underage persons, and special dispositions for marijuana-related crimes.

Provide that marijuana sales would be regulated and taxed. Specify that excise taxes would be imposed on marijuana sales, depending on the type of sale (wholesale versus retail sale), in addition to a sales tax. Create a medical marijuana registry program administered by the Department of Revenue (DOR), which would require DOR to process applications and issue identification cards allowing tax-exempt purchases. Establish a program at the Department of Agriculture, Trade and Consumer Protection (DATCP) to regulate the production, processing, and laboratory testing of marijuana and THC. Under the bill, the sale and distribution of taxable marijuana would be regulated by the state under DOR and DATCP. Further, establish a community reinvestment fund consisting of all moneys generated by marijuana excise taxes, interest earnings, and penalties, and authorize the Department of Health Services (DHS) to distribute these revenues to counties to support mental health and substance use disorder service.

The table below presents the fiscal impact of all expenditures and revenues associated with the proposed marijuana-related provisions. These (and other) provisions related to the Governor's recommendation to legalize marijuana are described in greater detail in the following sections.

|                               | An           | nount        | 2023-25         |             |

#### 1. MODIFICATION OF UNIFORM CONTROLLED SUBSTANCES ACT PROVISIONS AND OTHER CRIMINAL JUSTICE-RELATED PROVISIONS AND DEFINITIONS

Governor: Modify and repeal certain statutes related to marijuana and THC, as follows:

*a. Current Law Changes.* Repeal Uniform Controlled Substances Act statutes related to: (1) requiring Controlled Substances Board action if cannabidiol or nabiximols is rescheduled; (2) classifying THC as a controlled hallucinogenic substance; (3) lawful possession of a cannabidiol product with a certification for medical use; (4) issuing cannabidiol products and certifications for individuals to possess cannabidiol products for medical use; (5) manufacture, distribution, or delivery of THC; (6) possession with intent to manufacture, distribute, or deliver THC; (7) possession of THC; and (8) penalties relating to THC in certain cases. In addition, repeal regulation of hemp statutes related to access to cannabidiol products.

Modify statutory provisions to: (1) remove THC from the list of substances included in determining weight of substance provisions; (2) remove references to possession with intent to manufacture, distribute, or deliver THC from conspiracy provisions; (3) remove "or any form of THC" language from offenses involving intent to deliver or distribute a controlled substance on or near certain places provisions; (4) remove references to manufacture, distribution, or delivery of THC from crimes involving certain controlled substances provisions; and (5) renumber and rename "controlled substances therapeutic research" provisions to "marijuana therapeutic research." In addition, modify the intoxicated and reckless flying penalty provisions to provide that in individual must submit to an examination for use of THC and to specify that the required airman safety plan may include treatment for the person's misuse, abuse, or dependence on THC.

Modify statutory language to remove "marijuana" from the list of substances in the penalties statutes for possession of: (1) cocaine and cocaine base; (2) certain hallucinogenic and stimulant drugs; and (3) synthetic cannabinoids. In addition, modify statutory language to remove "marijuana" from: (1) conditional discharge for possession or attempted possession statutes; and (2) second or subsequent offense statutes (also remove references to possession of THC from these statutes).

Modify statutory language on the use or nonuse of lawful products to specify that conflicts with any federal or state statute, rule, or regulation do not apply with respect to violations concerning marijuana or THC under 21 U.S. Code Sections 841 to 865 (the Food and Drugs Title, Drug Abuse Prevention and Control Chapter).

b. Modification of County Marijuana Provisions. Rename the statutory section related to county public protection and safety from "possession of marijuana" provision to "regulation of marijuana." Modify statutory language to remove references to the prohibited possession of marijuana, and instead provide that the county board of supervisors may enact and enforce an ordinance that is consistent with marijuana regulation restrictions and penalties (including those for underage persons) in state statute, except that if a complaint is issued alleging a violation of restrictions and penalties under state statute, the subject of the complaint may not be prosecuted under the county ordinance section for the same action that is subject to the complaint, unless specific circumstances are present. *c. Definitions.* For the purposes of the Uniform Controlled Substances Act, modify the definition of "marijuana" to mean all parts of the plants of the genus Cannabis, whether growing or not; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds or resin if the tetrahydrocannabinols concentration of the plant part, seeds, resin, compound, manufacture, salt, derivative, mixture, or preparation is greater than 0.3 percent on a dry weight basis. For the purposes of fair employment provisions, "lawful product" includes marijuana, and "marijuana" has the same meaning as given in the Uniform Controlled Substance Act definition.

Repeal part of the definition of "drug paraphernalia" to exclude: (1) "separation gins and sifters used, designed for use, or primarily intended for use in removing twigs and seeds from, or in otherwise cleaning or refining, marijuana"; (2) references to "roach clips," "chilams," or "bongs"; and (3) any other reference to "marijuana" in the definition.

In addition, repeal part of the definition of "restricted controlled substance" to exclude "delta-9-THC, excluding its procurers or metabolites, at a concertation of one or more nanograms per milliliter of a person's blood." Finally, remove THC, in any form from the definition of "controlled substance" in Wisconsin Works and FoodShare provisions.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. MARIJUANA REGULATIONS -- CRIMINAL AND CIVIL PROVISIONS

**Governor:** Create a statutory subchapter within the Uniform Controlled Substances Act (Chapter 961) titled "Regulation of Marijuana." Establish the following provisions:

a. Underage Persons. Create statutory language to prohibit a permittee from selling, distributing, or delivering marijuana to any underage person, and from permitting (directly or indirectly) an unaccompanied underage person from entering or attempting to enter the premises of a retail outlet. A permittee that violates these prohibitions may be subject to a forfeiture of not more than \$500 and to a permit suspension for an amount of time not to exceed 30 days. Specify that all relevant circumstances may be considered when determining if a permittee has committed a violation, and proof of certain facts by the permittee is a defense to prosecution for such a violation (including the fact that: (1) the underage person falsely represented that he or she had attained the legal age; (2) the appearance of the underage person was such that an ordinary and prudent person would believe that the underage person had attained the legal age; (3) the action was made in good faith and in reliance on the representation and appearance of the underage person in the belief that the underage person had attained the legal age; and (4) that the underage person supported the false representation with documentation that he or she had attained the legal age).

Specify that any underage person who does any of the following is subject to a forfeiture of not less than \$250 nor more than \$500: (1) procures or attempts to procure marijuana from a permittee; (2) falsely represents his or her age for the purpose of receiving marijuana from a permittee; (3) knowingly possesses or consumes marijuana; or (4) enters or knowingly attempts to enter or be on the premises of a retail outlet unaccompanied by a parent, guardian, or spouse of

legal age.

Specify that any individual who has attained the legal age and who knowingly does any of the following may be subject to a forfeiture that does not exceed \$1,000: (1) permits or fails to take action to prevent an underage person from possessing or consuming marijuana on premises owned by the individual or under the individual's control; or (2) encourages or contributes to an underage person procuring or attempting to procure marijuana from a permittee.

b. Prohibitions and Permittee Allowances. Specify that no person, except a permittee, may sell, possess with intent to sell, distribute or deliver, or possess with intent to distribute or deliver marijuana. Any person who violates this prohibition is guilty of a Class I felony (a maximum sentence of one and a half years of confinement and two years extended supervision and/or a \$10,000 fine), except if the individual to whom the marijuana is, or is intended to be, sold, distributed, or delivered has not attained the legal age and the actual or intended seller, distributor, or deliverer is at least three years older than the underage person, in which case the person is guilty of a Class H felony (a maximum sentence of three years of confinement and three years extended supervision and/or a \$10,000 fine).

Specify that a person who is not a permittee and who possesses an amount of marijuana that exceeds the permissible amount by not more than one ounce is subject to a civil forfeiture not to exceed \$1,000.

Specify that a person who is not a permitee that possesses more than six marijuana plants that have reached the flowering stage at one time must apply for a permit, and is one of the following: (1) subject to a forfeiture that is not more than twice the permitting fee (if the number plants that have reached the flowering stage is 12 or less); (2) subject to a fine not to exceed \$1,000 or imprisonment not to exceed 90 days or both, if the number of marijuana plants that have reached the flowering stage is more than 12; or (3) guilty of a Class I felony if the number of plants that have reached the flowering stage is more than 12, if the individual has taken action to hide the number of marijuana plants that have reached the flowering stage is more than 12, if the individual has taken action to hide the number of marijuana plants that have reached the flowering stage. and if the person has in place an extreme measure to avoid detection.

Provide that whoever uses or displays marijuana in a public space is subject to a civil forfeiture of not more than \$100. Any person who sells or attempts to sell marijuana via mail, telephone, or Internet is subject to a fine not to exceed \$10,000 or imprisonment not to exceed nine months, or both.

c. Special Disposition for Marijuana-Related Crimes. Provide that a person serving a sentence or on probation may request resentencing or dismissal (by filing a petition with the sentencing court to request resentencing, adjustment of probation, or dismissal) if: (1) the sentence or probation period was imposed for a violation of manufacture, distribution, or delivery of THC, possession with intent to deliver THC, or possession of THC; and (2) the person either would not have been guilty of a crime, or would have been guilty of a lesser crime, had the violation occurred on or after the effective date of this provision. If the sentencing court receives a petition and determines the petitioner has met the eligibility criteria, the court must schedule a hearing on the petition. If the court determines that the person would have been guilty of a lesser crime, had it occurred on or after the effective date of this provision, the court must resentence the person or

adjust the probation (in which case the person must receive credit for time served) and change the record to reflect the lesser crime. If the court determines that the person would not have been guilty of a crime, had the violation occurred on or after the effective date of this provision, the court must dismiss the conviction and expunge the record. Specify that the court must determine that the action does not present a risk or danger to public safety before resentencing, adjusting probation, or dismissing a conviction under these provisions.

Specify that this same criteria allows a person to who has completed his or her period of probation for the specified THC violations to petition the sentencing court to request expungement of the conviction because the conviction is legally invalid, or request redesignation to a lesser crime. If the court changes or expunges a record under this section, a conviction that was changed or expunged is not considered a conviction for any purpose under state or federal law.

*d. Definitions.* For the purposes of the Regulation of Marijuana subchapter, the following definitions are used:

"Extreme measure to avoid detection" means any of the following: (1) a system that aims to alert a person if law enforcement approaches an area that contains marijuana plants if the system exceeds a security system that would be used by a reasonable person in the person's region; (2) a method of intimidating individuals who approach an area that contains marijuana plants if the method exceeds a method that would be used by a reasonable person in the person's region; or (3) a system that is designed to that an individual approaching the area that contains marijuana plants may be injured or killed by the system.

"Permissible amount" means one of the following: (1) for a person who is a resident of Wisconsin, an amount that does not exceed two ounces of usable marijuana; or (2) for a person who is not a resident of Wisconsin, an amount that does not exceed one-quarter ounce of usable marijuana.

"Tetrahydrocannabinols concentration" means the percent of tetrahydrocannabinol content per dry weight of any part of the plant Cannabis, or per volume or weight of marijuana product, or the combined percent of tetrahydrocannabinol and tetrahydrocannabinol acid and any part of the plant Cannabis regardless of moisture content.

"Underage person" means a person who has not attained the legal age.

"Legal age" means 21 years of age, except that in the case of a qualifying patient. "legal age" means 18 years of age.

"Permittee," "retail outlet," and "usable marijuana" have the same meanings as given in other statutory provisions.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 3. LICENSING OF PRODUCERS, PROCESSORS, AND TESTING LABORATORIES

**Governor:** Establish a program within DATCP to regulate the cultivation, processing, and laboratory testing of marijuana and products containing THC. Require individuals producing or processing marijuana in Wisconsin to hold a permit from DATCP. Exempt producers and processors handling only industrial hemp from this requirement if they hold an industrial hemp license from the Department.

For the purposes of implementing this provision, define marijuana as all parts of plants in the genus Cannabis with THC concentrations greater than 0.3% on a dry weight basis, including seeds, extracted resin, and other derivatives from the plant. Exclude from the definition of marijuana: (a) fiber from Cannabis plant stalks; (b) oil or cake made from its seeds; (c) other derivatives of mature stalks except its resin; and (d) any seeds not capable of germination. Further, define marijuana processor as an individual that processes marijuana into a form intended for human consumption, including dried marijuana flowers, marijuana-infused products, and edibles. Define marijuana producer as an individual that produces marijuana for sale at wholesale or for transfer to a processor.

a. *Permit Requirements.* Establish an annual permit fee of \$2,000 for marijuana processors of any size. Establish an annual permit fee of \$1,800 for producers of up to 1,800 plants, \$2,900 for producers of up to 3,600 plants, \$3,600 for producers of up to 6,000 plants, \$5,100 for producers of up to 10,200 plants, and \$7,100 plus \$800 for every 3,600 plants more than 10,200. Limit the term of permits issued to one year unless renewed, and allow permits to be revoked by the Department at any time. Specify that permits are not transferrable between individuals or locations.

To the extent allowable under state law pertaining to prohibitions against discrimination, prohibit DATCP from issuing a permit to any individual or organization if they, or a member of the organization with at least 5% ownership interest:

- (a) have been convicted of a violent misdemeanor at least three times;
- (b) have been convicted of a violent felony, unless the person was pardoned;

(c) have been involuntarily committed for treatment related to drug dependence within the last three years;

(d) within the last three years have chronically or habitually consumed alcoholic beverages or other substances, including being involuntarily committed for treatment, or convicted for handling of a firearm while intoxicated, or convicted of a second or subsequent offense of operating a vehicle while intoxicated;

(e) have an income derived primarily from gambling or have been convicted of multiple offenses related to gambling;

- (f) have been convicted of crimes related to prostitution;
- (g) have been convicted of providing disallowed compensation to persons holding

licenses for sale or distribution of alcohol;

- (h) are under age 21; or
- (i) have not lived in Wisconsin continuously for at least 90 days prior to applying.

Prohibit any producer or processor with 20 or more employees from receiving a permit from the Department unless it has entered into a labor peace agreement and certified compliance with that agreement as a condition of its permit. Define a labor peace agreement as an agreement between the permittee and a labor organization that prohibits employee strikes, work stoppages, or other economic interference while also allowing the labor organization to organize employees and educate them on employment rights.

Prohibit the Department from issuing a permit to marijuana producers to operate within 500 feet of any elementary or secondary school, playground, recreational facility, child care facility, public park, public transit facility, or library. Prohibit DATCP from issuing a permit to individuals that have not registered with the Department of Revenue for tax purposes.

b. *Application Process.* Establish a nonrefundable application fee of \$250 for a permit issued by DATCP. Require DATCP to implement a scoring system for approving permits for marijuana cultivation and processing that evaluates how well applicants: (a) protect the environment; (b) provide stable and family-supporting jobs; (c) ensure worker and consumer safety; (d) operate secure facilities; and (e) follow applicable laws. Allow DATCP to reject applications from individuals who lack a sufficiently high score under these criteria, and allow the Department to require applicants to provide documentation to assist DATCP in making determinations of permit approvals. Require the Department to notify an applicant in writing of its reasoning for denying a permit, and specify that either of a denial or an approval is subject to judicial review.

c. *Municipal Review of Permits.* Require DATCP to notify the municipality in which a permittee will operate prior to approving or renewing a permit for marijuana cultivation or processing. Allow a municipality to file an objection to the Department's approval of a permit within 30 days, or longer at DATCP's discretion. Require DATCP to give substantial weight to municipal objections based on: (a) chronic illegal activity associated with any premises controlled by the applicant; (b) conduct of the applicant's patrons at the applicant's premises; and (c) local zoning ordinances. Require DATCP to notify the municipality in writing the reasons for approving or for denying a permit subject to an objection.

d. *Penalties.* Require that any failure to seek permit, violation of a permit condition, or failure to pay permit fees result in a fine of at least \$100 and up to \$500 and/or six months' imprisonment, unless another penalty has been already applied to the violation. Further, require DATCP to revoke a permit of any individual found to be violating permit conditions or failing to pay permit fees, and prohibit an individual from receiving a permit within two years of such a revocation. DATCP may also revoke a permit from any permittee who violates any provision of the bill, any rules promulgated as a result of the bill, and any provision of the Unfair Sales Act three or more times in one year.

e. Rules. Require DATCP to promulgate rules to administer its marijuana regulation

program, including those related to inspection of operations and products of permittees, training of permittees' employees, and scoring of applications.

f. *Testing Laboratories.* Require DATCP to register laboratories for testing THC, allowing them to possess or manufacture THC or related paraphernalia. Require any laboratory registered by the Department to: (a) test marijuana produced for medical use for potency, spoilage, and contaminants; (b) review and conduct research on medical use of THC and unsafe levels of contaminants; (c) provide training for safe cultivation, processing, and distribution of THC for medical use; (d) provide training on security and inventory accountability; and (e) provide training on recent research regarding use of THC.

g. *Prohibition on Local Control.* Specify that no municipality may prohibit the cultivation of THC-containing plants outdoors if cultivation is for personal use and does not exceed six marijuana plants at one time.

h. *Training and Outreach.* Require DATCP to develop a training program for marijuana producers and processors on how to safely and efficiently grow, handle, and test marijuana products. Further, require DATCP to conduct an awareness campaign about the availability and viability of marijuana cultivation and sale in Wisconsin.

i. *Funding*. Provide the Department \$208,900 PR in 2023-24 and \$258,600 PR in 2024-25 with 3.0 PR positions for administration of the program, funded from permit revenues. Additional information on funding and positions related to the program is shown in an entry under "Agriculture, Trade and Consumer Protection -- Regulatory Programs."

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. MEDICAL MARIJUANA REGISTRY

Governor: Create a medical marijuana registry program administered by DOR as follows:

a. *Application for a Registry Identification Card*. Specify that an adult claiming to be a qualified patient may apply for a registry identification card by submitting to DOR a signed application form that contains all of the following: (a) the applicant's name, address, and date of birth; (b) a written certification; and (c) the name, address, and telephone number of the applicant's current physician, as listed in the written certification.

b. *Processing the Application.* Require DOR to verify the information submitted by an applicant to the registry and approve or deny the application within 30 days of receipt. Specify that DOR could deny an application only if the required information had not been provided or if false information had been provided.

c. *Issuance of a Registry Identification Card.* Require DOR to issue a registry identification card and tax exemption certificate within five days of approving an application. Specify that a registry identification card and tax exemption certificate expire four years from the date of issuance, except that DOR would be authorized to void or revoke the card and certificate

under certain circumstances. Specify that a registry identification card would have to contain all of the following information: (a) the name, address, and date of birth of the registrant; (b) the date of issuance and expiration of the card; (c) a photograph of the registrant; and (d) other information DOR may require by rule. DOR would have to determine what information the tax exemption certificate would contain. The tax exemption certificate would allow individuals holding the certificate to purchase usable marijuana without paying the sales tax or the 10% retail excise tax that would otherwise be imposed under the bill.

d. Additional Information to be Provided by Registrant. Require a registrant to notify DOR of any change in the registrant's name and address. Specify that a registrant who is a qualifying patient would have to notify DOR of any change in his or her physician, or of any significant improvement in his or her health as it relates to his or her debilitating medical condition or treatment. Specify that if the registrant fails to notify DOR within 10 days of any change for which notification is required, his or her registry identification card and tax exemption certificate would be void.

e. *Definitions*. For the purposes of the registry, define a "qualifying patient" as a person who has been diagnosed by a physician as having or undergoing a debilitating medical condition or treatment, but not including a person under the age of 18 years.

Define a "debilitating medical condition or treatment" as any of the following: (a) cancer, glaucoma, acquired immunodeficiency syndrome, inflammatory bowel disease (including ulcerative colitis or Crohn's disease), a hepatitis C virus infection, Alzheimer's disease, amyotrophic lateral sclerosis, nail patella syndrome, Ehlers-Danlos Syndrome, post-traumatic stress disorder, or the treatment of these conditions; (b) a positive test for the presence of HIV, antigen or nonantigenic products of HIV, or an antibody to HIV, or the treatment of these conditions; and (c) a chronic or debilitating disease or medical condition, or the treatment of such a disease or condition, that causes cachexia, severe pain, severe nausea, seizures, including those characteristic of epilepsy, or severe and persistent muscle spasms, including those characteristic of multiple sclerosis.

Define a "physician" as a person licensed to practice medicine and surgery in Wisconsin.

Define a "written certification" as a statement made by a person's physician for which all of the following apply: (a) it indicates that, in the physician's professional opinion, the person has or is undergoing a debilitating medical condition or treatment and the potential benefits of the person's use of usable marijuana would likely outweigh the health risks for the person; (b) it indicates that this opinion was formed after a full assessment of the person's medical history and current medical condition that was conducted no more than six months prior to making the statement and that the opinion was made in the course of a bona fide physician-patient relationship; (c) it is signed by the physician or is contained in the person's medical records; and (d) it contains an expiration date that is no more than 48 months (four years) after issuance and has not expired.

Define "useable marijuana" as marijuana that has been processed for human consumption and includes dried marijuana flowers, marijuana-infused products, and marijuana edibles.

Define "tax exemption certificate" to mean a certificate to claim the sales tax exemption,

which would be created under the bill, from the sale of, and the storage, use, or other consumption of, usable marijuana.

f. *Records.* Require DOR to maintain a list of all registrants. Prohibit DOR from disclosing information from applications it receives or from registration cards that it issues, notwithstanding state laws governing access to records. Permit DOR to disclose, upon request of a state or local law enforcement agency, information from a person's application or a registry identification card necessary to verify that a person possesses a valid registry identification card.

g. *Rules*. Authorize DOR to promulgate rules to implement the medical marijuana registry program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. MARIJUANA TAX AND REGULATION

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|---------|----------------------------|-----------------------------------|------------|--|
| SEG-REV | \$44,400,000               | - \$44,400,000                    | \$0        |  |

**Governor:** Impose an excise tax on marijuana producers at a rate of 15% of the sales price on wholesale sales or transfers in this state of marijuana to marijuana processors. The wholesale excise tax would also apply to a microbusiness that transfers marijuana to a processing operation within the microbusiness. Additionally, impose an excise tax on marijuana retailers at a rate of 10% of the sales price on retail sales of usable marijuana. Specify that the excise tax on retail sales would not apply to sales of usable marijuana to individuals who hold a tax exemption certificate indicating that they are members of the medical marijuana registry. [See "General Fund Taxes --Excise Taxes and Other Taxes."] Under the bill, persons liable for the excise taxes would have to pay the taxes to DOR no later than the fifteenth day of the month following the month in which the tax liability was incurred, along with a return, on a form prescribed by DOR. Specify that the state sales and use tax also would not apply for sales of useable marijuana to members of the medical marijuana registry. [See "General Fund Taxes --Sales and Use Taxes."]

The bill generally establishes that the distribution and sale of marijuana would have to follow a four-tier distribution system, from marijuana producers to processors to distributors to retailers. It specifies that marijuana producers may not sell directly to distributors, and retailers may only purchase usable marijuana from distributors. This provision does not apply to a microbusiness that transfers marijuana or usable marijuana to another operation within the microbusiness. The bill would establish the following provisions regulating the sale and distribution of taxable marijuana. Further, DOR would be required to, and could promulgate rules necessary to, administer and enforce these provisions.

- a. *Definitions*. The bill would define the following terms.
- 1. "Marijuana" would have the same meaning as under state laws governing controlled

substances (which would be modified under a previously described provision of the bill). "Useable marijuana" would mean marijuana that has been processed for human consumption and would include dried marijuana flowers, marijuana-infused products, and marijuana edibles.

2. "Marijuana producer" would mean a person who produces marijuana and sells it at wholesale or otherwise transfers it to marijuana processors.

3. "Marijuana processor" would mean a person who processes marijuana into usable marijuana, packages and labels usable marijuana for sale in retail outlets, and sells at wholesale or otherwise transfers usable marijuana to marijuana distributors.

4. "Marijuana distributor" would mean a person in this state who purchases or receives usable marijuana from a marijuana processor and who sells or otherwise transfers the usable marijuana to a marijuana retailer for the purpose of resale to consumers.

5. "Marijuana retailer" would mean a person that sells usable marijuana at a retail outlet.

6. "Microbusiness" would mean a marijuana producer that produces marijuana in one area that is less than 10,000 square feet and who also operates as any two of the following: (i) a marijuana processor; (ii) a marijuana distributor; or (iii) a marijuana retailer.

7. "Permittee" would mean a marijuana producer, marijuana processor, marijuana distributor, marijuana retailer, or microbusiness that would be issued a permit from DOR to conduct business.

8. "Retail outlet" would mean a location for the retail sale of usable marijuana.

9. "Sales price" would mean the total amount of consideration, as defined under laws governing the state sales and use tax.

10. "Lot" would mean a definite quantity of marijuana or usable marijuana identified by a lot number, every portion or package of which is consistent with the factors that appear in the labeling. A "lot number" would mean a number that specifies the marijuana permittee and the harvesting or processing date for each lot.

b. *Permit Requirements.* The following permit requirements apply to any officers, directors, agents, and stockholders holding 5% or more of the stock of any corporation applying for a permit from DOR. Require that all marijuana producers, processors, distributors, retailers, and microbusinesses apply for and obtain the proper permit from DOR prior to performing such operations. Specify that a separate permit would be required for, and issued to, each class of permittee, and the permit holder would only be allowed to perform operations authorized by the permit. Require each applicant for a permit to pay a nonrefundable application fee of \$250. Additionally, require marijuana producers and processors to obtain the proper permit from DATCP.

Specify that permits issued by DOR would be nontransferable. Therefore, a separate permit would be required for each place in this state where the operations of a marijuana producer, processor, distributor, retailer, or microbusiness would occur, including each retail outlet. Any

person who has been issued a permit to operate as a marijuana retailer, or who has any direct or indirect financial interest in the operation of a marijuana retailer, would not be issued a permit to operate as a producer, processor, or distributor. A person who intends to operate as a microbusiness would not be required to hold separate permits to operate as a marijuana processor, distributor, or retailer, but would have to specify, on the application for a microbusiness permit, the activities that the person would be engaged in as a microbusiness.

Require DOR to implement a competitive scoring system for approving permits. Permits would be issued to the highest scoring applicants, of which DOR determines would best: (a) protect the environment; (b) provide stable, family-supporting jobs to local residents; (c) ensure worker and consumer safety; (d) operate secure facilities; and (e) uphold the laws of the jurisdictions in which they operate. With regard to an applicant for a marijuana retailer permit, DOR would be required to score the applicant, using criteria established by rule, on the applicant's ability to articulate a social equity plan related to the operation of a marijuana retail establishment. The bill would give DOR the ability to deny a permit to an applicant with a low score. DOR would also be allowed to request from the applicant, any information or documentation that the Department deems necessary for determining whether to grant or deny a permit.

Prohibit any distributor or retailer with 20 or more employees from receiving a permit from DOR unless it has entered into a labor peace agreement and certified compliance with that agreement as a condition of its permit. Certification would entail submitting to DOR a copy of the page of the labor peace agreement that contains the signatures of the labor organization representative and the applicant. Additionally, prohibit DOR from issuing a permit to any person who does not hold a valid business tax registration certificate with DOR.

Prohibit DOR from issuing a permit to any applicant if they:

- 1. Have been convicted of a violent misdemeanor at least three times;
- 2. Have been convicted of a violent felony, unless the person was pardoned;

3. Have been committed for involuntary treatment related to drug dependence within the last three years;

4. Have income that comes principally from gambling or have been convicted of two or more gambling offenses;

5. Have been convicted of crimes relating to prostitution;

6. Have been convicted of crimes relating to loaning money, or anything of value, to persons holding alcohol beverage licenses or permits;

7. Are under the age of 21;

8. Have not lived in Wisconsin continuously for at least 90 days prior to applying; or

9. Within the last three years, have chronically and habitually consumed alcoholic beverages or other substances to the extent that his or her normal faculties are impaired. This provision applies to persons that: (i) have been involuntarily committed for treatment; (ii) have

been convicted for handling of a firearm while intoxicated; or (iii) have two or more cases arising out of separate incidents where a court found the person violated a law relating to operating a motor vehicle under the influence of a controlled substance, a controlled substance analog, or a combination thereof, with an excess or specified range of alcohol concentration, or while under the influence of any drug to a degree that renders the person incapable of safely driving, whether the incident was in violation of: (a) a Wisconsin law or local ordinance in conformity with state law; (b) a law of a federally-recognized American Indian tribe or band in this state; or (c) a law of another jurisdiction.

Additionally, prohibit DOR from issuing a permit to operate any premises which would be within 500 feet of the perimeter of the grounds of any elementary or secondary school, playground, recreation facility, child care facility, public park, public transit facility, or library.

Require that DOR, prior to issuing a new or renewed permit, give notice of the permit application to the governing body of the municipality where the permit applicant intends to operate the premises as a marijuana producer, processor, distributor, retailer, or microbusiness. The governing body of the municipality could file with DOR a written objection to granting or renewing the permit no later than 30 days after DOR submits the notice. The period for filing objections could be extended by DOR, at the municipality's request. Written objections would have to provide all the facts on which the objection is based. In determining whether to grant or deny a permit for which an objection has been filed, the bill would direct DOR to give substantial weight to an objection based on: (a) chronic illegal activity associated with the premises for which the applicant seeks a permit or the premises of any other operation in this state for which the applicant holds or has held a valid permit or license; (b) the conduct of the applicant's patrons inside or outside the premises of any other operation in this state for which the applicant holds, or has held, a valid permit or license; and (c) local zoning ordinances. Define "chronic illegal activity" under this provision as a pervasive pattern of activity that threatens the public health, safety, and welfare of the municipality, including any crime or ordinance violation, and that is documented in crime statistics, police reports, emergency medical response data, calls for service, field data, or similar law enforcement agency records.

Under the bill, if DOR denies a permit, the Department would be required to immediately notify the applicant in writing of the denial and the reasons for the denial. After making a decision to grant or deny a permit for which a municipality filed an objection, DOR would have to immediately notify the governing body of the municipality in writing of its decision and the reasons for the decision. Specify that both DOR's decisions to deny or grant a permit, regardless of an objection filed by a municipality, would be subject to judicial review.

A permit issued by DOR would be valid for one year and could be renewed, except that DOR could revoke or suspend a permit prior to its expiration. Each person granted a permit would be required to pay an annual fee of \$2,000 for as long as the person held the valid permit. Permittees would not be entitled to refunds of the annual fee if their permits were revoked or suspended. Each permittee would have to post the permit in a conspicuous place on the premises to which the permit relates.

c. *Regulation*. Establish several regulations that govern the activities of permittees. Prohibit any permittee from employing an individual who is under the age of 21, or to which any

condition under items 1. through 6. and 9. in the "Permit Requirements" section would apply. Require every employee, immediately after beginning employment, to receive training approved by DOR on: (a) the safe handling of marijuana and usable marijuana; and (b) security and inventory accountability procedures.

Specify that retail outlets could only operate between the hours of 8:00 a.m. and 8:00 p.m., and would not be allowed to sell products or services other than usable marijuana or paraphernalia intended for the storage or use of usable marijuana. Prohibit retailers from selling more than two ounces of usable marijuana (or ¼ ounce to non-Wisconsin residents) to an individual consumer in a single transaction. In conducting the transaction, retailers could not collect, retain, or distribute personal information regarding the retailer's customers, except that which would be necessary to complete the sale of usable marijuana. Require that retailers restrict from entering or being on the premises of a retail outlet any individual under the age of 21, unless that individual is accompanied by a parent or guardian or is a qualifying patient.

Prohibit retailers from displaying any signage in a window, on a door, or on the outside of the premises of the retail outlet that would be visible to the general public from a public right-ofway, with the exception of a single sign, that would be no larger than 1,600 square inches, identifying the retail outlet by the permittee's business or trade name. Additionally, prohibit retailers from displaying usable marijuana in any manner that is visible to the general public from a public from a public right of way. Specify that all marijuana retailers and retail employees would be prohibited from consuming, or allowing to be consumed, any usable marijuana on the premises of the retail outlet.

Prohibit all permittees from placing or maintaining an advertisement of usable marijuana in any form or through any medium.

Authorize DOR to develop, by rule, standards to which marijuana and usable marijuana would have to comply. Establish the following baseline standards: (a) no permittee would be allowed to sell marijuana or usable marijuana that contains more than three parts THC to one part cannabidiol: and (b) no permittee could sell marijuana or usable marijuana that tests positive for mold, fungus, pesticides, or other contaminants, if the contaminants, or level of contaminants, are identified by a testing laboratory to be potentially unsafe to the consumer.

In order to certify that the marijuana and usable marijuana would comply with DOR standards, including testing for potency and for mold, fungus, pesticides, and other contaminants, require that representative samples of the marijuana and usable marijuana produced or processed by every marijuana producer, processor, or microbusiness, be submitted, on a schedule determined by DOR, to a testing laboratory registered by DATCP. After testing, require each laboratory to destroy any part of the sample that remains. Require that the results of the testing be submitted by marijuana producers, processors, and microbusinesses to DOR in the manner prescribed by the Department by rule. If a representative sample did not meet DOR's prescribed standards, the Department would have to take the necessary action to ensure that the entire lot from which the sample was taken is destroyed. DOR would be required to promulgate rules: (a) to determine lots and lot numbers for purposes of testing; and (b) for the reporting of lots and lot numbers to the Department.

Under the bill, a marijuana processor, or a microbusiness that operates as a marijuana processor, would have to affix a label to all usable marijuana sold to marijuana distributors. Prohibit the label from being designed to appeal to persons under the age of 18. Require the label to include all of the following: (a) the ingredients and the THC concentration in the usable marijuana; (b) the producer's business or trade name; (c) the producer's permit number; (d) the harvest batch number of the marijuana; (e) the harvest date; (f) the strain name and product identity; (g) the net weight; (h) the activation time; (i) the name of the laboratory performing any test, the test batch number, and the test analysis dates; (j) the logotype for recreational marijuana developed by DATCP; and (k) warnings about the risks of marijuana use and pregnancy and the risks of marijuana could indicate that the usable marijuana is made in this state; however, this would not be a requirement, as all marijuana processors, or microbusinesses operating as processors, would be prohibited from using marijuana grown outside this state to make usable marijuana.

d. *Records and Reports.* Require permittees to keep accurate and complete records of the production and sales of marijuana and usable marijuana in Wisconsin. Require that the records be kept on the premises described in the permit and in such manner as to ensure permanency and accessibility for inspection at reasonable hours by DOR's authorized personnel. DOR would have to prescribe reasonable and uniform methods for recordkeeping and making reports, and would have to provide the necessary forms to permittees.

Allow DOR to require, by giving notice, that a permittee revise its records, if the Department determines that the records are not kept in the prescribed form, or are in such a condition that requires an unusual amount of time for DOR to review. If the permittee fails to comply within 30 days, DOR would be required to send a bill requiring the permittee pay, within 10 days, the expenses reasonably attributable to a proper examination and tax determination at the rate of \$30 per day for each auditor used to make the examination and determination.

Require payment of a \$10 late filing fee by any permittee who fails to file a report when due. A mailed report would be filed on time if: (a) it is mailed in a properly addressed envelope with postage prepaid; (b) the envelope is officially postmarked, or marked or recorded electronically under federal postal regulations, on the due date; and (c) the report is actually received by DOR, or at the destination that DOR prescribes, within five days of the due date. These criteria would apply to reports mailed by a designated delivery service. A report that is not mailed would be timely if it were received by DOR, or at its prescribed destination, on or before the due date.

The provisions relating to taxpayer confidentiality of income, franchise, and gift tax returns, would apply under the bill to any information obtained from: (a) any permittee on a tax return, report, schedule, exhibit, or other document; or (b) an audit report relating to the return, report, schedule, exhibit, or document. The exception to this provision would be that DOR would have to publish production and sales statistics under the bill.

e. *Administration and Enforcement*. Require DOR to administer and enforce the provisions relating to marijuana taxation and regulation and to promulgate any rules necessary to do so. Provide duly authorized DOR employees with all necessary police powers to prevent violations. Additionally, authorized personnel of the Department of Justice and DOR, and any law

enforcement officer within their respective jurisdictions, would be allowed to, at all reasonable hours, enter the premises of any permittee and examine the books and records to determine whether the excise tax imposed has been fully paid and may enter and inspect any premises where marijuana or usable marijuana is produced, processed, made, sold, or stored, to determine whether the permittee is complying with all laws governing marijuana taxation and regulation.

Authorize DOR to suspend or revoke the permit of any permittee who violates any provision or rule governing marijuana taxation or regulation, or who violates the Unfair Sales Act. Require DOR to revoke the permit of any permittee who violates the Unfair Sales Act three or more times within a five-year period. Treat as a public nuisance, subject to closure and abatement, any building or location where unlawful sale, possession, storage, or manufacture of marijuana or usable marijuana were to occur.

Prohibit any suit that would restrain or delay collection or payment of marijuana excise taxes. Require all aggrieved taxpayers to pay tax when due and, if paid under protest, allow the taxpayer to sue the state to recover the tax paid at any time within 90 days from the payment date. Specify that the taxpayer could request recovery in one suit for as many payments as have been made. Require the Secretary of Administration to pay any tax amount that is determined to be wrongfully collected.

Upon request of the Secretary of DOR, the Attorney General may represent Wisconsin or assist a district attorney in prosecuting any case regarding marijuana excise taxes and regulation. Grant immunity from prosecution to any person compelled to testify in regard to a violation of marijuana tax regulations, of which that person may have knowledge. Specify that immunity would only apply to the use of the compelled testimony which may tend to incriminate the person, subject to restrictions under laws governing criminal trials.

Several current law provisions on assessment and collection of taxes, as they govern income and franchise taxes, would apply to marijuana excise taxes under the bill. These include provisions regarding: (a) office and field audits; (b) notices of adjustments; (c) notices of additional assessment; (d) additional tax collections or refunds, except that the period during which notice of additional assessment would have to be given begins on the due date of the report required from marijuana permittees; (e) additional methods of tax collection; (f) statutes of limitations on assessments and refunds; (g) tax collection and delinquency, other than the timing that withholding becomes delinquent and the financial record matching program; (h) compromises; and (i) denial of licenses due to tax delinquency. The provisions on timely filing as they apply to income and franchise taxes under current law would also apply to marijuana excise taxes.

f. *Theft of Tax Moneys.* Specify that all marijuana tax moneys received by a permittee for the sale of marijuana or usable marijuana on which the excise tax were to become due and not paid would be trust funds in the permittee's possession and would be the property of this state. Any permittee who fraudulently withholds, appropriates, or otherwise uses marijuana tax moneys that are the property of this state would be guilty of theft, whether or not the permittee has, or claims to have, an interest in those moneys.

g. Seizure and Confiscation. Specify that all marijuana and usable marijuana produced, processed, made, kept, stored, sold, distributed, or transported in violation of the rules and

regulations governing marijuana taxation and regulation, and all tangible personal property used in connection with the marijuana or usable marijuana, would be unlawful property and subject to seizure by DOR or a law enforcement officer.

Specify the following treatment of marijuana or usable marijuana that has been seized. If the excise tax has not been paid, the marijuana or usable marijuana could be given, if fit for use and practical, to law enforcement officers to use in criminal investigations or sold to qualified buyers by DOR, without notice. The Department would have to order any marijuana or usable marijuana deemed unfit or impractical for these purposes to be destroyed. If the excise tax has been paid, the marijuana or usable marijuana would be returned to the true owner if ownership could be ascertained and the owner or the owner's agent was not involved in the violation resulting in the seizure. If the ownership could not be ascertained or if the owner or the owner's agent was guilty of the violation that resulted in the seizure of the marijuana or usable marijuana, it could be sold (if fit for use and practical) or destroyed.

Require DOR to advertise for sale any tangible personal property seized, other than marijuana or usable marijuana, by publication in a newspaper that is likely to give notice in the area or to the person affected. Require DOR to insert this notice in the newspaper at least two times. If no person claiming a lien on, or ownership of, the property has notified the Department of the person's claim within 10 days after last insertion of the notice, DOR would be required sell the property. If a person claiming a lien on, or ownership of, the property were to notify DOR within this time period, the Department could apply to the circuit court in the county where the property was seized for an order directing disposition of the property or the proceeds from the sale of the property. If the court were to order the property to be sold, all liens, if any, would be transferred from the property to the sale proceeds. Neither the property seized nor the proceeds from the sale would be turned over to any claimant of lien or ownership unless the claimant first establishes that the property was not used in connection with any violation or that, if so used, it was done without the claimant's knowledge or consent and without the claimant's knowledge of facts that should have given the claimant reason to believe it would be put to such use. If no claim of lien or ownership is established, or if sale is not practical, the property could be ordered destroyed.

h. Interest and Penalties. Several current law provisions on interest and penalties, as they govern the cigarette tax, would also be created to apply to the excise taxes on marijuana under the bill. These include penalties for: (a) filing false or fraudulent reports; (b) failing to maintain required records; (c) refusing to permit authorized examinations or inspections, except that imprisonment would be for not more than six months; (d) violating any marijuana provision without its own penalty; and (e) violating DOR rules. Interest and penalty provisions as they apply for delinquent and nondelinquent payments and neglect would be created to also apply for marijuana excise tax purposes. Additionally, DOR would be required to revoke the permit of any person who violates the provisions and rules governing marijuana taxation, and could not issue another permit until two years following revocation.

i. *Personal Use.* Specify that a person possessing no more than six marijuana plants that have reached the flowering stage at any one time would not be subject to marijuana excise taxes, while a person possessing more than six plants would be required to obtain the appropriate seller's permit and pay the appropriate excise tax.

j. *Funding and Positions*. Provide \$3,284,300 in 2023-24 and \$2,073,600 in 2024-25 and 18.0 positions annually in a new GPR appropriation under DOR for the purposes of: (a) administering the marijuana tax; and (b) enforcing the proposed taxation and regulation of marijuana producers, processors, and retailers. [See "Revenue -- Tax Administration."]

k. *Tax Revenues.* These provisions would take effect on the effective date of the bill. However, the Administration indicates that it does not estimate a fiscal effect associated with the collection of marijuana sales and excise taxes until 2024-25, as it is uncertain how long it will take for marijuana permits to be issued and for legal sales to be made. The Administration estimates that the imposition of wholesale and retail excise taxes on marijuana would result in collections of \$21,900,000 and \$22,500,000, respectively, beginning in 2024-25 and annually thereafter (total excise tax collections of \$44,400,000 in 2024-25). The bill would specify that all moneys received from marijuana excise taxes would be deposited into the newly established community reinvestment fund, and an estimated \$44,400,000 SEG-REV would be deposited into that fund in 2024-25. [See "Health Services -- Behavioral Health."] In addition, the Administration estimates the sales and use tax imposed on legal recreational marijuana would increase state tax revenues by \$10,200,000 beginning in 2024-25 and annually thereafter.

1. *Permit Fee Revenues*. The Administration estimates that DOR would issue 300 initial permits in 2023-24 and an additional 60 new permits in 2024-25. As noted above, DOR would collect fees totaling \$2,250 for each new permit issued (\$250 application fee plus \$2,000 initial annual permit fee) and \$2,000 for each permit that would be renewed in a given year. Fees collected would be deposited directly into the general fund. As a result, the Administration estimates that GPR-REV from DOR would increase by \$675,000 in 2023-24 and \$735,000 in 2024-25. [See "Revenue -- Tax Administration."]

m. Agreement with Tribes. Allow DOR to enter into an agreement with federallyrecognized American Indian tribes in this state: (a) for the administration and enforcement of marijuana excise taxes and regulation; and (b) to provide refunds of the excise taxes imposed on marijuana sold on tribal land by or to enrolled members of the tribe residing on the tribal land. Create a new sum sufficient GPR appropriation to pay refunds to eligible tribes for marijuana excise taxes collected, including interest and penalties, and provide \$2,200,000 in 2024-25 as an estimate of the amounts that would be refunded to the tribes. [See "General Fund Taxes --Refundable Credits and Other Payments."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. DHS GRANTS TO SUPPORT COUNTY BEHAVIORAL HEALTH SERVICES

**Governor:** Create a segregated appropriation, supported by the community reinvestment fund, that would authorize DHS to expend all moneys it receives from the fund to provide grants to counties to support mental health and substance use disorder services. Estimate that DHS would expend \$44,400,000 from the appropriation in 2024-25. Require DHS to promulgate administrative rules establishing the grants. [See "Health Services -- Behavioral Health."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. ANATOMICAL GIFTS

**Governor:** Provide that, unless otherwise required by federal law, a hospital, physician, procurement organization, or other person may not determine the ultimate recipient of an anatomical gift based solely upon a positive test for the use of marijuana by a potential recipient.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 8. UNEMPLOYMENT INSURANCE -- DISCHARGE FOR USE OF MARIJUANA

**Governor:** Provide that an employee's use of marijuana off the employer's premises during nonworking hours, or a violation of the employer's policy concerning such use, does not constitute misconduct or substantial fault under current unemployment insurance (UI) law unless termination for that use is permitted under one of the current exceptions under the state's fair employment law. Under current law, an individual may be disqualified from receiving unemployment insurance benefits if the individual is terminated because of misconduct or substantial fault.

Under current UI law, as it pertains to the Department of Workforce Development's preemployment and occupational employment drug testing programs, "controlled substance" has the meaning given in 21 USC 802, which includes marijuana. This provision is not modified under the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. MARIJUANA TAX IMPLEMENTATION STUDY

**Governor:** Direct the Joint Legislative Council to study the implementation of the marijuana tax and regulation and identify uses for the revenues generated by the tax. Require the Joint Legislative Council to report its findings, conclusions, and recommendations to the Joint Committee on Finance no later than two years after the effective date of this subsection.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **FTE Position Summary**

The state does not budget nonstate revenues or authorize positions of the Medical College of Wisconsin, which is a private, nonprofit state-aided institution governed by a Board of Trustees.

#### **Budget Change Items**

#### 1. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | - \$809,500                | - \$30,700                        | - \$840,200 |

**Governor:** Reestimate debt service by -\$133,900 in 2023-24 and -\$675,600 in 2024-25. Base level funding for the two debt service appropriations under MCW totals \$3,330,400 annually.

Joint Finance/Legislature: Reestimate debt service by -\$19,000 GPR in 2023-24 and -\$11,700 GPR in 2024-25.

#### 2. VIOLENCE PREVENTION GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$15,000,000               | - \$15,000,000                    | \$0        |

**Governor:** Provide \$7,500,000 annually in a new, biennial appropriation for the Wisconsin Community Safety Fund, which awards violence prevention grants supporting local, evidenceinformed activities that enhance the safety and well-being of children, youth, and families throughout Wisconsin. The Medical College of Wisconsin's Comprehensive Injury Center administers the grant program. Currently, \$10,400,000 in federal funds through the American Rescue Plan Act of 2021 were made available for the December 1, 2022, through December 31, 2025, grant cycle.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **3. PSYCHIATRY AND BEHAVIORAL HEALTH RESIDENCY PROGRAM** [LFB Paper 545]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$7,000,000                | \$0                               | \$7,000,000 |

**Governor:** Provide \$3,500,000 annually in a new, annual appropriation, for a psychiatry and behavioral health residency program to support the recruitment and training of psychiatry and behavioral health residents.

In their agency supplemental budget request, MCW pointed to research indicating a significant shortage of psychiatrists in Wisconsin. The provided funding would, according to MCW's request, allow MCW to support at least 10 psychiatrist residents per year, including at least four in central Wisconsin and six in northeastern Wisconsin.

**Joint Finance/Legislature:** Adopt the Governor's recommendation. In addition, require MCW to include the following in the report required, under section 13.106(3) of the statutes, to be submitted by October 15 of each even-numbered year to the Governor and the Joint Committee on Finance and the Chief Clerk of each house of the Legislature for distribution to the appropriate standing committees:

(a) The financial status of the psychiatry and behavioral health practice residency sites;

(b) The number of psychiatry and behavioral health residents choosing to practice in medically underserved areas of Wisconsin upon graduation; and

(c) The number of graduates entering psychiatry and behavioral health practice as a

career.

Under current law, MCW and the UW-Madison Medical School are required to submit a report to the Governor, the Joint Committee on Finance and the Chief Clerk of each house of the Legislature for distribution to the appropriate standing committees, by October 15 of each evennumbered year, that provides information on all of the following: (a) minority student recruitment policies and programs of each medical school, and the number of minority students enrolled; (b) number and percentages of Wisconsin residents enrolled; (c) average faculty salaries compared to national averages; (d) development of cooperative educational programs with other institutions throughout Wisconsin; (e) placement of graduates of doctor of medicine and residency training programs; (f) the financial status of the family practice residency sites; (g) the number of family practice residents choosing to practice in medically underserved areas of the state upon graduation; and (h) the number of graduates entering family practice as a career.

Veto by Governor [C-20]: Delete the provision requiring reports related to the psychiatry and behavioral health residency program.

[Act 19 Section: 64]

[Act 19 Vetoed Section: 1]

|              | <b>Funding Positions</b>          | Funding                           | Positions                                 | Funding I                     | Positions              |
| GPR          | *- )                              | - \$201,200                       | 0.00                                      | \$110,200                     | 0.00                   |
| FED<br>PR    | 8,594,000 - 16.00<br>240,000 0.00 | - 638,800<br>0                    | $\begin{array}{c} 0.00\\ 0.00\end{array}$ | 7,955,200<br>240,000          | - 16.00<br>0.00        |
| SEG<br>Total | 297,200 0.00                      | - <u>\$840,000</u>                | 0.00                                      | <u>297,200</u><br>\$8,602,600 | <u>0.00</u><br>- 16.00 |

**Governor:** Provide adjustments to the base totaling \$155,700 GPR, \$4,294,900 FED, \$120,000 PR, \$148,600 SEG, and -1.0 FED position in 2023-24, and \$155,700 GPR, \$4,299,100 FED, \$120,000 PR, \$148,600 SEG, and -16.0 FED positions in 2024-25. Adjustments are for: (a)

turnover reduction (-\$151,000 GPR and -\$492,600 FED annually); (b) removal of non-continuing elements from the base (-1.0 FED position in 2023-24 and -16.0 FED positions in 2024-25); (c) full funding of continuing position salaries and fringe benefits (\$271,500 GPR, \$4,327,700 FED, \$119,800 PR, and \$148,600 SEG annually); (d) reclassifications and semiautomatic pay progression (\$51,000 FED annually); (e) overtime (\$35,200 GPR, \$383,900 FED, and \$9,700 PR annually); (f) full funding of lease and directed moves costs (\$24,900 FED and -\$9,500 PR in 2023-24, and \$29,100 FED and -\$9,500 PR in 2024-25); and (g) minor transfers within the same alpha appropriation. Regarding the transfer within the same alpha appropriation, separate budgetary units for the emergency radio network and interoperability would be created in three separate GPR appropriations and in one SEG appropriation. In total, \$675,200 GPR and \$711,200 SEG annually would be internally transferred. In addition, \$2,259,700 (\$268,200 GPR and \$1,991,500 PR) and 29.42 positions (1.67 GPR and 27.75 PR) would be realigned within the Army National Guard functions and reallocated from Army National Guard to Air National Guard in order to reflect current budgetary operations.

**Joint Finance/Legislature:** Modify standard budget adjustments by \$9,000 FED annually related to an error. Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate under the Governor's recommended budget. Reduce funding under the turnover reduction standard budget adjustment by -\$100,600 GPR annually and -\$328,400 FED annually.

# 2. FEDERAL AND PROGRAM REVENUE REESTIMATES [LFB Paper 550]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| FED   | \$50,784,800               | \$0                               | \$50,784,800 |
| PR    | 3,400                      | 304,200                           | 307,600      |
| Total | \$50,788,200               | \$304,200                         | \$51,092,400 |

**Governor:** Provide \$25,392,400 FED and \$1,700 PR annually to reflect current revenue projections and estimated program needs for the federal appropriations identified below. The reestimates are based on five years of past expenditure data.

a. Provide \$6,891,900 FED annually for the National Guard federal aid for improvement, repair, maintenance, or operation of armories or other military property. Base funding for the appropriation is \$39,787,700.

b. Provide \$2,981,900 FED annually for the emergency management services federal aid to individuals and organizations appropriation. Expenditures support aid to not-for-profit organizations for public assistance and hazard mitigation. Base funding for the appropriation is \$1,926,400.

c. Provide \$26,900 FED annually for the emergency management services federal aid for state operations appropriation. The appropriation provides the state with 50% of the federal Emergency Management Performance Grant (EMPG) funds. Expenditures typically support staff funding, aids to other state agencies for public assistance grants, hazard mitigation grants, and

hazmat training. Base funding for the appropriation is \$5,331,700.

d. Provide \$15,491,700 FED annually for the emergency management services federal aid for local assistance appropriation. Expenditures are federal aid payments to local units of government, including public assistance, EMPG, hazard mitigation, and the Hazardous Materials Emergency Preparedness (HMEP) grant. Base funding for the appropriation is \$12,800,000.

e. Provide \$1,700 PR annually for the National Guard youth programs gifts and grants appropriation. Expenditures support the Wisconsin National Guard Challenge Academy. Base funding for the appropriation is \$0.

**Joint Finance/Legislature:** Modify the reestimates to include \$152,100 PR annually for the National Guard military property annual PR appropriation [s. 20.465(1)(g)] used for military property repair and maintenance due to increased costs for snow plowing and other repairs.

# 3. STATEWIDE INTEROPERABLE RADIO NETWORK GPR \$45,000,000 REPLACEMENT [LFB Paper 551]

**Governor/Legislature:** Create a continuing appropriation and provide \$45,000,000 in 2023-24 for the development and operation of a replacement statewide public safety interoperable communication system.

The current Wisconsin Interoperability System for Communications (WISCOM) was developed to permit local, state, and federal emergency responders to communicate across jurisdictions. Under 2017 Act 59, DMA was required to upgrade or replace WISCOM. According to DMA, the system's key components have reached end-of-life, and its technical specifications are unable to fulfill program demand. The Department released a request for proposals on November 30, 2021. On August 22, 2022, the Department sent a notice of intent letter to the selected vendor, L3Harris Technologies, Inc. The RFP received a protest to the intent to award; in January, 2023, DMA's award decision was administratively upheld by the Department of Administration. The Department intends to begin contract negotiations in March, 2023.

[Act 19 Section: 128]

# 4. NG911: PUBLIC SAFETY ANSWERING POINT GRANTS [LFB Paper 552]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |  |
|-----|----------------------------|-----------------------------------|--------------|--|
| SEG | \$12,000,000               | \$4,500,000                       | \$16,500,000 |  |

**Governor:** Provide \$6,000,000 annually in 2023-24 and 2024-25 to help public safety answering points (PSAPs) transition to NG911 by training staff, purchasing equipment, and upgrading software. Funding would be provided from the police and fire protection fund using revenues from phone service surcharges. Funding in the agency's base budget of \$6,000,000 annually is associated with PSAP grants.

To receive and process calls through the NG911 system, PSAPs must have call answering equipment compatible with NG911 technology. Under 2019 Act 26, a competitive state grant program was created to help PSAPs transition to the NG911 system. In the 2021-23 biennium, \$6,000,000 SEG in 2022-23 was provided for PSAP grants. Additionally, the Department received \$2.9 million in federal grant funds to assist PSAPs with equipment upgrades. In June, 2020, DMA awarded 24 federally-funded grants totaling \$2.2 million. A second round of grants were distributed in February, 2021. As of September, 2022 (the latest information available), 35 PSAPs were able to complete either partial upgrades or full replacements of their answering equipment using federal grants.

Joint Finance/Legislature: Provision not included. Instead, effective July 1, 2024, rename the current law police and fire protection fund as the 911 fund; update references to the police and fire protection fee to instead refer to the 911 fee; and repeal the current law county and municipal aid SEG appropriation, funded from the police and fire protection fund, which offsets the amounts paid from the existing sum sufficient GPR appropriation. Additionally, specify that, effective July 1, 2024, DMA provide \$18,000,000 SEG annually for PSAP grants and \$6,000,000 SEG annually for geographic information systems grants from its Next Generation 911 appropriation. As a result, increase funding for DMA's Next Generation 911 appropriation by \$12,000,000 SEG in 2024-25 for PSAP grants and \$4,500,000 SEG in 2024-25 for GIS grants to fund the specified amounts.

The table below provides a fund condition for the Police and Fire Protection Fund/911 Fund for the 2023-25 biennium.

| Fund Condition                            |                |                |
|---|----------------|----------------|
|   | <u>2023-24</u> | <u>2024-25</u> |
| Opening Balance                           | \$0            | \$0            |
| Estimated Revenues                        | \$53,972,700   | \$53,972,700   |
| County and Municipal Aid                  | \$34,424,800   | \$0            |
| Military Affairs Interoperability Council | 300,300        | 300,300        |
| Military Affairs Next Generation 911      | 19,081,000     | 35,581,000     |
| Public Service Commission Administration  | 166,600        | 166,600        |
| Total Expenditures                        | \$53,972,700   | \$36,047,900   |
| Balance                                   | \$0            | \$17,924,800   |

# **Police and Fire Protection/911-Fund**

[Act 19 Sections: 55, 131, 132, 165, 198, 211, 348, 425 thru 428, 9431(2), 9436(1), and 9437(4)]

#### 5. NG911: COST RECOVERY [LFB Paper 552]

Governor: Require that emergency services IP network (ESInet) contract providers for Next Generation 911 reimburse the originating or 3<sup>rd</sup>-party providers used to connect an ESInet for all costs incurred by the originating or 3<sup>rd</sup> party provider.

To create an interoperable 911 system that is compatible with current and emerging digital technologies, emergency response agencies nationwide are upgrading to the "Next Generation 911" system. Under current law, DMA is responsible for supporting the development of NG911 in Wisconsin. The first step to implement NG911 is to create the ESInet, an internet-based network that will connect Public Safety Answering Points (PSAPs) across the state. The ESInet is intended to provide for broadband speed transmissions and facilitate the delivery of messages and data that public safety agencies use for field operations. The Department solicited bids for the ESInet through a request for proposal (RFP) in March, 2020. The ESInet contract was executed with AT&T in June, 2021.

Joint Finance/Legislature: Provision not included.

#### 6. URBAN SEARCH AND RESCUE TEAMS (WISCONSIN GPR \$1,012,800 TASK FORCE 1) [LFB Paper 553]

**Governor:** Provide \$1,012,800 (\$506,400 annually in 2023-24 and 2024-25) for training and equipment for an urban search and rescue task force. Funding is intended to create a Type 1 urban search and rescue (USR) task force capable of 24-hour operations.

On December 6, 2021, 2021 Act 104 was signed into law. The act changed the designation of a regional collapse support team to an urban search and rescue task force and expanded the scope of emergencies with which these teams assist. Under the act, an urban search and rescue task force designated by DMA must assist in an emergency response "involving search, rescue, and recovery in the technical rescue disciplines to include structural collapse, rope rescue, vehicle extrication, machinery extrication, confined space, trench excavation, and water operations in an urban search rescue environment."

Under federal law, a USR task force is a multi-disciplined organization which conducts search, rescue, and recovery in the technical rescue disciplines, including structural collapse, rope rescue, vehicle extrication, machinery extrication, confined space, trench, excavation, and water operations. A Type 1 urban search and rescue task force is capable of 24-hour operations split into 12-hour operation periods.

Base funding in the continuing GPR appropriation under DMA for training, equipment, and administration for urban search and rescue teams is \$0. On May 31, 2022, the Joint Finance Committee approved the transfer of \$500,000 from its supplemental appropriation to the Department's urban search and rescue task force appropriation in 2021-22.

**Joint Finance/Legislature:** Modify the provision to provide \$1,012,800 in 2023-24, rather than \$506,400 in 2023-24 and 2024-25.

#### 7. FUNDING TO SUPPORT CONTINUATION OF PAY INCREASES [LFB Paper 220]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| FED | \$821,000                  | - \$821,000                       | \$0        |  |

**Governor:** Provide \$418,200 in 2023-24 and \$402,800 in 2024-25 to support ongoing funding for a \$3 per hour add-on for Military Security Officer positions. There are currently 53 authorized Military Security Officer positions. The current \$3 add-on pay was authorized by the DOA Division of Personnel Management using its compensation plan authority to create pilot add-ons "for specific classifications or locations when severe recruitment, retention, or other issues necessitate implementation of such an add-on before a meeting of the Joint Committee on Employment Relations (JCOER) can be convened." The current add-on is, and the recommended extension of the add-on would be, supported from federal funds DMA receives under master cooperative agreements with the federal government.

**Joint Finance/Legislature:** Modify provision to instead provide funding to compensation reserves in the amounts included in AB 43/SB 70, less a 5% reduction associated with a higher than usual level of position vacancies, to continue supplemental pilot add-on pay to address severe recruitment and retention issues. [See "Budget Management and Compensation Reserves."]

#### 8. TUITION GRANT PROGRAM AUTOMATION

**Governor/Legislature:** Provide \$225,000 in 2023-24 to update the application system for the Wisconsin National Guard Tuition Grant program. According to the Administration, the current application system requires National Guard members to complete a paper application form, submit it to the educational institution, which, in turn, submits the application to DMA for review and approval. The tuition grant program allows service members to receive reimbursement grants equal to 100% of tuition for up to eight semesters of full-time study or 120 credits of part-time study. Reimbursement may be obtained by members who were enrolled at any accredited institution of higher education in Wisconsin or an out-of-state institution with a reciprocity agreement.

#### 9. FUEL AND UTILITIES REESTIMATE

**Governor/Legislature:** Provide increased funding of \$990,900 in 2023-24 and \$1,033,200 in 2024-25 associated with fuel and utility cost estimates at Army and Air National Guard facilities. Base funding for agency energy costs is \$2,003,200.

\$2,024,100

GPR

GPR \$225,000

#### **10. DEBT SERVICE REESTIMATE** [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | - \$994,800                | \$1,856,900                       | \$862,100  |  |

**Governor:** Reduce funding by -\$524,600 in 2023-24 and -\$470,200 in 2024-25 to reflect the reestimate of GPR debt service costs on state general obligation bonds and commercial debt issued for National Guard facilities by DMA. Base funding for debt service costs for National Guard facilities totals \$6,487,900 annually.

**Joint Finance/Legislature:** Modify the provision to provide increased funding of \$420,200 in 2023-24 and \$1,436,700 in 2024-25 to reflect the reestimate of GPR debt service costs on state general obligation bonds and commercial debt issued for National Guard facilities by DMA.

# 11. BUILDINGS AND GROUNDS STAFF [LFB Paper 554]

|                     | Governor<br><u>(Chg. to Base)</u>        |             | Jt. Finance/Leg.<br>(Chg. to Gov)              |                                   | Net Change       |   |
|---------------------|--|-------------|--|-----------------------------------|------------------|---|
|                     | Funding                                  | Positions   | Funding  | Positions                         | Funding          | Positions   |
| GPR<br>FED<br>Total | \$375,800<br><u>399,200</u><br>\$775,000 | <u>3.10</u> | - \$375,800<br><u>- 399,200</u><br>- \$775,000 | - 2.50<br><u>- 1.50</u><br>- 4.00 | \$0<br>_0<br>\$0 | $     \begin{array}{r}       0.40 \\       \underline{1.60} \\       2.00     \end{array}   $ |

**Governor:** Provide \$177,700 GPR and \$192,100 FED in 2023-24, \$198,100 GPR and \$207,100 FED in 2024-25, and 2.9 GPR positions and 3.1 FED positions annually to maintain facilities under management by the Department. The Department is currently responsible for overseeing facility operations, development, and maintenance for the state's Army National Guard facilities, which includes 280 buildings on 85 sites in 47 counties. In addition, DMA has the same responsibilities for the Wisconsin Air National Guard facilities at Truax Field (Madison). The recommended positions would include: (a) state project manager (1.0 GPR); (b) heavy equipment operators at Truax Field (2.0 positions, each 0.2 GPR and 0.8 FED); (c) painter (1.0 position, 0.5 GPR and 0.5 FED); and (d) facility repair worker in northern and northeastern Wisconsin (2.0 positions, each 0.5 GPR and 0.5 FED).

**Joint Finance/Legislature:** Modify the provision to provide only 0.4 GPR position and 1.6 FED positions annually for the heavy equipment operators at Truax Field, under (b) above. Specify the positions to be two-year project positions for two heavy equipment operators at Truax Field. Reduce funding by \$177,700 GPR and \$192,100 FED in 2023-24 and \$198,100 GPR and \$207,100 FED in 2024-25.

#### 12. WIRELESS NETWORK ADMINISTRATOR [LFB Paper 555]

|     |           | ernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> 1 | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net C</u><br>Funding 1 |      |
|-----|-----------|---------------------------------------|----------------|---|---------------------------|------|
| GPR | \$300,100 | 1.00                                  | - \$205,500    | - 1.00                                  | \$94,600                  | 0.00 |

**Governor:** Provide \$143,200 in 2023-24, \$156,900 in 2024-25, and 1.0 position annually to manage the Department's wireless network throughout the state. The position would manage the installation and maintenance of a wireless network for 67 armories located throughout the state. The wireless network is intended to provide wireless communication services in DMA armories where state employees and National Guard service members are located.

**Joint Finance/Legislature:** Reduce funding by \$95,900 in 2023-24 and \$109,600 in 2024-25 in order to provide funding of \$47,300 annually to support a secured-network connection for the wireless network at DMA armories.

#### **13.** COUNTER-DRUG AIRPLANE [LFB Paper 556]

|     | <u>(Chg.</u> | ernor<br><u>to Base)</u><br>Positions |            | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|---------------------------------------|------------|---|-----|----------------------------|
| GPR | \$8,301,000  | 3.00 - \$                             | 58,301,000 | - 3.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$4,963,900 in 2023-24, \$3,337,100 in 2024-25, and 3.0 positions annually to purchase a new aircraft for counter-drug activities, search and rescue efforts, or disasters. Create statutory language specifying that DMA may provide aerial assistance for incident awareness and assessment, drug interdiction and counter-drug activities, search and rescue efforts, or disasters, and may also seek reimbursement for the cost of any assistance. Funding would be provided as follows: (a) \$283,400 in 2023-24 and \$308,600 in 2024-25 for staff positions (2.0 aircraft pilots and 1.0 program and policy analyst); (b) \$1,672,000 in 2023-24 in one-time costs for aircraft equipment (for example, specialized communications and operating systems, and cameras); (c) \$787,600 in 2023-24 and \$807,600 in 2024-25 for on-going aircraft supplies and services (fuel, parts, hangar space, maintenance of specialized equipment, and fleet services charges); (d) \$1,950,000 annually for depreciation; and (e) \$270,900 annually master lease interest costs. [See "Administration--General Agency Provisions."]

Joint Finance/Legislature: Provision not included.

#### **14. DRUG HOUSE DEMOLITION**

**Governor:** Create a continuing program revenue appropriation for the Department of Military Affairs to receive reimbursement from local units of government (county, city, village, or town) for the demolition of former drug dwellings that have been abated during narcotics

investigations, placed into receivership, and then left unsold, unmaintained, and unoccupied.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 15. CYBERSECURITY GRANT MATCHING FUNDS [LFB Paper 557]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,093,600                | - \$1,870,600                     | \$223,000  |

**Governor:** Provide \$975,100 in 2023-24 and \$1,118,500 in 2024-25 for state matching funds for the federal Department of Homeland Security's State and Local Cybersecurity Grant Program. According to the Administration, the grant program would be used to: (a) develop and establish an appropriate governance structure, including developing, implementing or revising cybersecurity plans to improve capabilities to respond to cybersecurity incidents and ensure continuity of operations; (b) provide testing evaluation, and structures cybersecurity assessments; (c) implement security protections; and (d) train personnel in cybersecurity. The grant program requires that 80% of the total grant be passed through to local entities and 25% of the total grant to go to rural communities.

**Joint Finance/Legislature:** Reduce funding by \$874,100 in 2023-24 and \$996,500 in 2024-25 in order to provide \$101,000 in 2023-24 and \$122,000 in 2024-25 to the Department's National Guard general program operations appropriation to fund DMA's management and administration matching funds for the State and Local Cybersecurity Grant Program.

## 16. TOWN OF SILVER CLIFF PUBLIC SAFETY BUILDING [LFB Paper 558]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 in 2023-24 to the Town of Silver Cliff in Marinette County to rebuild a public safety building destroyed by a tornado. Funding would be provided to the Department's GPR appropriation for state disaster assistance. Base funding is \$0. Specify that the current law requirements to receive assistance would not apply to the payment to the Town of Silver Cliff.

Under current law, the Department may make payments from the state disaster assistance appropriation account to local governmental units for the damages and costs incurred as the result of a disaster if federal funding is not available because: (a) the Governor's request that the President declare the disaster a major disaster under the federal definition has been denied; or (b) the Department determines the disaster does not meet the per capita impact indicator under the public assistance program issued by the federal emergency management agency (FEMA). Additionally, the entity receiving the grant is required to pay for 30 percent of the amount of damages and costs resulting from the disaster.

**Joint Finance/Legislature:** Modify the provision to provide \$1,000,000 GPR in 2023-24 to the Joint Committee on Finance's supplemental GPR appropriation for potential release for state disaster assistance for the Town of Silver Cliff. Exempt the Town from meeting program requirements in order to receive the grant. Funding is shown under "Program Supplements."

[Act 19 Section: 9131(1)]

#### 17. EXPANSION OF THE WELLNESS PROGRAM

|     | <u>(Chg. t</u> | ernor<br><u>to Base)</u><br>Positions | Jt. Fina<br><u>(Chg. 1</u><br>Funding | to Gov) |     | <u>Change</u><br>Positions |
|-----|----------------|---------------------------------------|---------------------------------------|---------|-----|----------------------------|
| GPR | \$821,400      | 11.00                                 | - \$821,400                           | - 11.00 | \$0 | 0.00                       |

**Governor:** Provide \$821,400 and 11.0 positions in 2024-25 to expand the comprehensive wellness program. According to DMA, the program focuses on physical, mental, spiritual, social, and financial wellness within the Wisconsin National Guard. Funds would be utilized for program administration, curriculum development and implementation, community partnerships, and a mobile health and wellness vehicle. The program is currently funded from January 1, 2022, through December 31, 2024, with \$5 million in federal ARPA monies. The program is intended to enable the National Guard to enroll over 9,000 personnel and increase retention among Guard members.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **18. HOMELAND SECURITY OFFICE** [LFB Paper 559]

|     | <u>(Chg. t</u> | ernor<br><u>o Base)</u><br>'ositions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|----------------|--------------------------------------|-------------|---|-----|----------------------------|
| GPR | \$557,700      | 4.00                                 | - \$557,700 | - 4.00                                  | \$0 | 0.00                       |

**Governor:** Create an Office of Homeland Security within the Department of Military Affairs and provide \$244,700 in 2023-24, \$313,000 in 2024-25, and 4.0 classified positions annually. Specify that the director of the office would be appointed by the Adjutant General. Further, specify that the office would coordinate with the federal Department of Homeland Security and state and local law enforcement agencies to identify, investigate, assess, report, and share tips and leads linked to emergency homeland security threats.

Joint Finance/Legislature: Provision not included.

#### 19. AIR REFUELING WING CONSULTANT [LFB Paper 557]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$200,000                  | - \$100,000                       | \$100,000  |

**Governor:** Provide \$100,000 annually in 2023-24 and 2024-25 for a consultant to assist DMA to compete as a potential location for the United States Air Force to place new refueling aircraft. Currently, the Wisconsin Air National Guard, 128<sup>th</sup> Air Refueling Wing at General Mitchell Field (Milwaukee) uses older aircraft which the Air Force has determined will be phased-out. The newer refueling aircraft will be phased-in by 2029.

**Joint Finance/Legislature:** Modify the provision to provide \$50,000 annually, on a onetime basis, rather than \$100,000 annually, for a consultant to assist DMA in competing as a potential location for the Air Force to place new refueling aircraft.

#### 20. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$281,400                  | - \$281,400                       | \$0        |
| SEG   | 1,000                      | - 1,000                           | 0          |
| Total | \$282,400                  | - \$282,400                       | \$0        |

**Governor:** Provide \$140,700 GPR and \$500 SEG annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 21. EQUITY OFFICER POSITION

|     | Gove<br><u>(Chg. to</u><br>Funding P | o Base) | <u>(Chg.</u> 1 | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------------------------------|---------|----------------|---|-----|----------------------------|
| GPR | \$86,600                             | 0.50    | - \$86,600     | - 0.50                                  | \$0 | 0.00                       |

Governor: Provide \$37,900 in 2023-24 and \$48,700 in 2024-25 and 0.5 position annually

to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 22. WISCONSIN NATIONAL GUARD DUTIES RELATED TO SEXUAL ASSAULT AND HARASSMENT

**Governor:** Require that the Department of Military Affairs (DMA) submit a report to the appropriate standing committees of the Legislature by July 1 of each year that: (a) summarizes any substantive changes made to the Uniform Code of Military Justice (UCMJ) during the prior federal fiscal year; (b) compares those changes to the Wisconsin Code of Military Justice (WCMJ); and (c) provides recommendations to the Legislature regarding whether those changes should be incorporated into the WCMJ. Require that the report be subject to at least an annual public hearing by appropriate standing committees of the Legislature.

Require that DMA establish and maintain a case management system that allows the National Guard to manage and track all misconduct case-related information.

Require that the Adjutant General submit a report on incidents of sexual assault and harassment in the Wisconsin National Guard to the Governor and appropriate standing committees of the Legislature, and publish the report on DMA's website, by February 1 of each year. Specify that the report be subject to a public hearing, conducted no less than annually, by the appropriate standing committees of the Legislature. The report must include the following information from the prior federal fiscal year: (a) data regarding all reported incidents of sexual assault and harassment made by members of the Wisconsin National Guard, in addition to historical trends relating to the data for the last five fiscal years; (b) a summary of any training related to preventing and responding to incidents of sexual assault and harassment provided to members of the Wisconsin National Guard; (c) a summary of any current federal National Guard Bureau policies related to preventing and responding to incidents of sexual assault and harassment that were enacted and a description of how those policies are being implemented in the Wisconsin National Guard; and (d) a summary of the current policies and procedures related to preventing and responding to incidents of sexual assault and harassment in the Wisconsin National Guard and any changes made since the previous report. Require that the report protect the privacy and personal information of victims of sexual assault and harassment.

Require that the Adjutant General prescribe in writing, make publicly available on its website, and implement a policy that ensures any victim of an offense under the WCMJ is treated with respect, dignity, courtesy, sensitivity, and fairness.

Amend the WCMJ to allow the Adjutant General, rather than the Governor, to prescribe procedures for pretrial, trial, and post-trial for courts-martial cases in writing, and require the Department to make such regulations publicly available on its website.

Modify the definition of "military offenses" in the WCMJ, and repeal the definition of "nonmilitary offenses," in order to clarify jurisdictional issues between civilian courts and courtsmartial. According to a July 29, 2022, Legislative Council staff brief, "The WCMJ defines 'nonmilitary offenses' as 'offenses which are in the state's civilian penal statute and are not offenses under this code.' [s. 322.001 (16), Stats.] This definition appears, on its face, to be inconsistent with the provision of the WCMJ that grants a proper civilian court 'primary jurisdiction of a nonmilitary offense when an act or omission violates both [the WCMJ] and local criminal law.""

Specify that the maximum limits of punishment for violations of the WMCJ would be those under the UCMJ, unless otherwise prescribed by the Governor. Create a section of the WCMJ that prohibits any sexual activity between a specially protected junior member of the state military forces and any officer or military recruiter, punishable by court-martial.

Create a section that prohibits a person from retaliating against another person for or discouraging another person from reporting or planning to report a criminal or military offense or for making or planning to make a protected communication, punishable by court-martial. Prohibited actions include wrongfully taking or threatening to take an adverse personnel action against a person, or wrongfully withholding or threatening to withhold a favorable personnel action against a person.

Modify statutory language on officer conduct to be "conduct unbecoming of an officer" rather than "conduct unbecoming of an officer and a gentleman."

Create a section that punishes sexual harassment under the WMCJ.

These provisions are those recommended for introduction by the Joint Legislative Council's Study Committee on Wisconsin National Guard Sexual Misconduct Procedures on December 12, 2022.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 23. GRANTS FOR WISCOM UPGRADES

**Joint Finance/Legislature:** Create an annual GPR appropriation to provide grants for public safety interoperable communication system upgrades in DMA. Place \$2,000,000 to the Joint Committee on Finance's supplemental GPR appropriation in 2024-25. Funding is shown under "Program Supplements."

[Act 19 Section: 129]

## 24. PRE-DISASTER FLOOD MITIGATION

**Joint Finance/Legislature:** Create a biennial GPR appropriation to provide pre-disaster flood resilience grants in DMA. Place \$2,000,000 in the Joint Finance Committee's supplemental GPR appropriation in 2023-24 for potential release to DMA. Funding is shown under "Program

Supplements."

[Act 19 Section: 130]

#### 25. WISCONSIN HAZARDOUS MATERIALS RESPONSE GPR \$1,000,000 TEAM

**Joint Finance/Legislature:** Provide \$500,000 annually, on a one-time basis, to the regional emergency response grants appropriation for the replacement of equipment used in emergency responses to releases of hazardous substances.

#### 26. CONSERVATION OF WISCONSIN CIVIL WAR MEMORIALS AT VICKSBURG NATIONAL MILITARY PARK

**Joint Finance/Legislature:** Create an annual GPR appropriation under DMA, funded at \$69,000 in 2023-24 to provide a grant to the Friends of Vicksburg National Military Park and Campaign for the conservation of memorials and markers related to Wisconsin at or near the Vicksburg National Military Park, in Vicksburg, Mississippi. Repeal the appropriation on June 30, 2025.

[Act 19 Sections: 126, 127, 9131(2), and 9431(1)]

#### **FTE Position Summary**

There are no authorized positions for Miscellaneous Appropriations.

#### **Budget Change Items**

# 1. GENERAL FUND SUPPLEMENT TO THE VETERANS TRUST FUND [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$5,697,600                | - \$5,309,600                     | \$388,000  |

**Governor:** Provide \$2,973,800 in 2023-24 and \$2,723,800 in 2024-25 to reflect the Administration's estimate of the GPR funding that would be transferred to the veterans trust fund (VTF) to maintain a positive balance in that fund through the 2023-25 biennium under the bill. The total transfer is estimated at \$18,250,000 in 2023-24 and \$18,000,000 in 2024-25. See the item under "Veterans Affairs" for a complete summary of the projected veterans trust fund revenues and expenditures.

**Joint Finance/Legislature:** Reduce funding under the bill by \$2,394,800 in 2023-24 and \$2,914,800 in 2024-25 to reflect a reestimate of the transfers in the 2023-25 biennium, based on anticipated VTF expenditures under Joint Finance. Total transfers are estimated at \$15,855,200 in 2023-24 and \$15,085,200 in 2024-25.

# 2. MARQUETTE DENTAL SCHOOL DEBT SERVICE REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | - \$384,100                | - \$700                           | - \$384,800 |

**Governor:** Reestimate funding by -\$210,000 in 2023-24 and -\$174,100 in 2024-25 for debt service costs on state general obligation bonds and commercial paper debt issued to fund a portion of the dental and education facility for the Marquette Dental School.

**Joint Finance/Legislature:** Reestimate debt service by an additional -\$600 in 2023-24 and -\$100 in 2024-25. Budgeted debt service costs associated with the Marquette Dental School are \$702,100 in 2023-24 and \$738,500 in 2024-25.

| 3.   | TRANSFERS | ТО | THE | CONSERVATION | FUND | <br>GPR | \$37,800    |

|  |           |    |     |              |      | Total   | - \$476,900 |

**Joint Finance/Legislature:** Reestimate transfers to the conservation fund from the transportation fund for motorized recreational vehicles by -\$448,700 in 2023-24 and -\$66,000 in 2024-25. Reestimate the general fund transfer for off-highway motorcycles by \$18,900 in each year, as shown in the following table. Transfers are deposited in the all-terrain vehicle (ATVs and utility terrain vehicles), snowmobile, off-highway motorcycle, and water resources (motorboats) accounts of the segregated conservation fund under the recreational vehicle fuel tax formulas. By statute, the snowmobile, motorboat, and ATV and UTV transfers are based on the fuel tax rate and the count of registered recreational vehicles as of certain dates in the preceding fiscal year. The OHM transfer is based on the number of off-highway motorcycles registered in the preceding fiscal year multiplied by the registration fee.

#### **Recreational Vehicle Transfers -- Comparative**

#### 4. TRANSFERS TO THE CONSERVATION FUND -- LAND GPR ACQUISITION DEBT SERVICE [LFB Paper 106]

**Governor/Legislature:** Reestimate the transfer to the conservation fund for land acquisition debt service by -\$100 annually. 1987 Wisconsin Act 298 provided \$2.5 million in SEG-supported bonding authority and reallocated \$4.5 million in existing bonding authority to DNR to acquire land around the Chippewa Flowage in Sawyer County. 1989 Wisconsin Act 31 appropriated GPR to reimburse the conservation fund for the debt service related to the acquisition. The bonds issued to finance the purchase were to be retired in May, 2023. Act 19 budgets SEG debt service and GPR reimbursement funding at \$0 for the biennium. [See "Natural Resources -- Departmentwide."]

#### 5. DISASTER DAMAGE AIDS TRANSFER TO TRANSPORTA-TION FUND [LFB Paper 106]

**Governor/Legislature:** Reestimate the disaster damage aids appropriation transfer to the transportation fund by -\$1,000,000 in 2023-24.

2013 Wisconsin Act 20 established a GPR sum-sufficient appropriation to fund a transfer to the transportation fund in the second year of the biennium equal to the amount of disaster aid payments made during the biennium in excess of \$1,000,000 for any single disaster event. Although the funding is only needed in the second year of each biennium, this funding is automatically included in the base funding for the first and second years of the next biennium. As a result, the first year of funding has to be removed during the biennial budget process. The current base level is \$1,000,000. The provision removes funding not needed in 2023-24.

#### 6. WISCONSIN EYE ENDOWMENT

**Joint Finance/Legislature:** Create a biennial GPR appropriation entitled the "Endowment Fund for Wisconsin Eye" under Miscellaneous Appropriations. Place \$10,000,000 GPR in 2023-24 in the Joint Committee on Finance's GPR supplemental appropriation for potential release to Wisconsin Eye. Specify that money may be released if the Committee approves a request for funding made jointly by DOA and Wisconsin Eye. Specify that DOA is prohibited from providing a grant to Wisconsin Eye unless, prior to June 1, 2025, Wisconsin Eye has raised for the endowment fund from nonstate funding sources total amounts that at least equal the amount of the payment, up to \$10,000,000. Require that: (a) in perpetuity, if Wisconsin Eye ever ceases operations and divests assets, the state amount granted to Wisconsin Eye, up to \$10,000,000, would be returned to the state for deposit to the general fund; and (b) as a condition of receiving any payment, Wisconsin Eye is prohibited from charging any fee for access to recorded content of public meetings. Funding is shown under "Program Supplements." **Veto by Governor [F-49]:** With regards to (b) above, the Governor's partial veto deletes the phrase "to recorded content of public meetings." As a result, Wisconsin Eye would be prohibited from charging any fee for access.

[Act 19 Sections: 20 and 173]

[Act 19 Vetoed Section: 20]

#### 7. TERMINAL TAX DISTRIBUTION [LFB Paper 106]

**Joint Finance/Legislature:** Reestimate the terminal tax distribution by \$294,000 in each year. All taxes paid by any railroad company derived from, or apportionable to, repair facilities, docks, ore yards, piers, wharves, grain elevators, and their approaches are distributed annually from the transportation fund to the towns, villages, and cities in which they are located. Distributions are estimated at \$2,200,000 each year in the 2023-25 biennium.

#### 8. **PETROLEUM ALLOWANCE** [LFB Paper 106]

**Joint Finance/Legislature:** Reestimate the petroleum allowance by -\$150,000 in each year. The allowance is paid to any person who purchases general aviation fuel from a supplier, at 2 cents for each gallon of general aviation fuel purchased in excess of 1,000,000 gallons per month. A person who purchases general aviation fuel for resale is not eligible for the allowance. The payments are estimated at \$150,000 each year in the 2023-25 biennium.

## **Other Miscellaneous Appropriation Changes**

The description and biennial fiscal effect of miscellaneous appropriation changes relating to Illinois-Wisconsin income tax reciprocity (\$33,400,000) and oil pipeline terminal tax distribution (\$4,200,000) are summarized under "General Fund Taxes -- Refundable Tax Credits and Other Payments."

## **MISCELLANEOUS PROVISIONS**

#### **Budget Change Items**

# 1. EXTREME RISK PROTECTION TEMPORARY RESTRAINING ORDERS AND INJUNCTIONS

**Governor:** Create an extreme risk protection temporary restraining order and extreme risk protection injunction, prohibiting a person from possessing a firearm if he or she is a danger to him/herself or others. The bill specifies that the intent of the provision is to implement a state crisis intervention court proceeding in the form of an extreme risk protection order program that is eligible for federal grants.

a. Extreme Risk Protection Temporary Restraining Orders and Injunctions - General. Establish a two-part procedure for an extreme risk protection injunction action. First, if the petitioner requests an extreme risk protection temporary restraining order, the court must issue or refuse to issue the order. If issued, the order must set a date for the injunction hearing, which must be within 14 days of issuing the temporary restraining order for the hearing on the injunction, and must forward a copy of the order, hearing date, and petition to the appropriate law enforcement agency. The law enforcement agency must immediately, or as soon as practicable, service it on the respondent or have the court order other appropriate service. If a temporary restraining order is not issued, the respondent must be served notice of the petition by a law enforcement officer or have the court order other appropriate service, and the date for the hearing must be set in motion. Service must include the name of the respondent and petition, and the date, time and place of the injunction hearing, if known. The date for the hearing must be set upon motion by either party. Second, the court must hold a hearing on whether to issue an injunction (the final relief).

Specify that an extreme risk protection order or injunction must include a statement that the order or injunction may be accorded full faith and credit in every civil or criminal court of the United States, any other state, and tribal courts, to the extent that the court has personal jurisdiction. In addition, specify that an extreme risk protection action must be filed in the county in which the case of action arose, or where the petitioner or respondent resides.

b. Petition and Service. Specify that no extreme risk protection temporary restraining order and injunction action may be commenced by complaint and summons (only by petition). Specify petition requirements for extreme risk protection restraining orders and injunctions. Provide that only a law enforcement officer or a family or household member of the respondent may file a petition. Require that the petition must allege specific facts to show: (a) the name of the petitioner and how the petitioner is a family or household member of the respondent (unless the petitioner is a law enforcement officer); (b) the name of the respondent; (c) that the respondent is substantially likely to injure him/herself, or another person if the respondent possesses a firearm; (d) information on the number, types, and locations of firearms possessed by the respondent; and

(e) evidence of an immediate and present danger (increased by waiting for an injunction hearing), if requested a temporary restraining order. Specify that the Clerk of Circuit Court must provide simplified forms to assist a person in filing a petition. In addition, specify that a petitioner for an injunction that knowingly provides false information in the petition is subject to prosecution for false swearing (a Class H felony, a maximum sentence of three years confinement and three years extended supervision and/or a fine of up to \$10,000).

c. Temporary Restraining Orders. Establish an extreme risk protection temporary restraining order, prohibiting the respondent from possessing a firearm and ordering the respondent to surrender all firearms in the respondent's possession if all of the following occur: (1) a petitioner files a petition containing the appropriate information and requesting a temporary restraining order. The petition must be heard by the court in an expedited manner and the petitioner and any witnesses may be examined under oath and may produce or rely on an a submitted affidavit; or (2) the judge finds all of the following: (a) substantial likelihood the petition will be successful; and (b) good cause that there is an immediate and president danger. If the petition is successful, the temporary restraining order remains in effect until a hearing is held and may not be renewed or extended. The order must inform the respondent named in the petition of the requirements and penalties related to a violation.

Upon issuance of a temporary order, either a law enforcement officer may require the respondent to immediately surrender all firearms in his or her possession, if the officer is able to serve the respondent with the order, or, order the respondent to surrender all firearms to a law enforcement officer or transfer or sell all firearms in his or her possession within 24 hours of service, if the officer is not able to serve the respondent with the order. Specify that the respondent must file with the court a receipt, containing certain information, indicating that the respondent's firearms were surrendered, transferred, or sold within 48 hours of service.

Under the bill, if the respondent does not comply with the requirements of an order issued to surrender firearms, or if a law enforcement officer has probable cause to believe that the respondent possesses a firearm, a law enforcement officer must request a search warrant to seize the firearms and may use information contained in the petition to establish probable cause. In addition, the court may schedule a hearing to surrender firearms for any reason relevant to the surrender of firearms.

*d.* Injunctions. Establish an extreme risk protection injunction prohibiting the respondent from possessing a firearm and, if the respondent was not subject to an extreme risk protection temporary restraining order, requiring the respondent to surrender all firearms in the respondent's possession if: (a) the petitioner files a petition and serves a copy or summary of the petition and notice of the injunction hearing time on the respondent, or the respondent serves a notice of the injunction hearing time on the petitioner; and (b) the judge finds by clear and convincing evidence that the respondent is substantially likely to injure him/herself or another person if the respondent possesses a firearm. Specify that the judge may enter an injunction only against the respondent named in the petition, and any issued injunction must inform the named respondent of possession of firearm requirements and penalties.

Under the bill, unless a judge vacates the extreme risk protection injunction, an injunction

is effective for a period determined by the judge that is no longer than one year (although the court can extend an expired injunction, upon petition, for up to one additional year, if the judge finds the respondent is still substantially likely to injure him/herself or another person if the respondent possesses a firearm).

Specify that an injunction may be vacated upon written request by the respondent to a judge (one request during any injunction period). The petitioner must be notified of the request before it is considered, and the judge must vacate the injunction if the respondent demonstrates by clear and convincing evidence that the respondent is no longer substantially likely to injure him/herself or another person if the respondent possesses a firearm.

Provide that if an injunction is issued, extended, or vacated, the Clerk of Circuit Court must notify the Department of Justice of the action, and provide information concerning the effective period of the injunction or the date on which the injunction is vacated, along with information necessary to identify the respondent (this information may be disclosed only to: (a) a law enforcement agency for law enforcement purposes; or (b) to respond to a request to access firearm prohibition orders, for a firearms restrictions record search, or for a background check). The Clerk must also sent a copy of the injunction or order extending or vacating an injunction to the sheriff or to any other local law enforcement agency which is the central repository for injunctions, with jurisdiction over the petitioner's premises, within one business day after the injunction is issued, extended, or vacated. No later than 24 hours after receiving a copy of the issued, extended, or vacated injunction, the sheriff or law enforcement agency must enter the information into the transaction information for management enforcement system and make the information available to other law enforcement agencies. Specify that the information does not need to be maintained after the injunction is no longer in effect.

e. Modification of Court Procedure, Criminal Statutes, and Enforcement of Actions. Modify statutory language to add extreme risk protection orders: (a) to the time limits statutes for parties seeking a hearing de novo ("anew"); (b) to the list of actions for which a petitioner may combine with other actions, in certain circumstances; (c) to the list of orders for which a foreign protection order or modification with the same effect must be enforced; (d) to the list of actions circuit court commissioners have the power to hold hearings, make findings, and issue temporary orders on; (e) to the list of actions that must be extended in the case of needing a substitute judge; (f) to the list of statutes prohibiting firearm possession, used by the Department of Justice to conduct background checks to determine whether an applicant for a license to carry a concealed weapon is prohibited from possessing a firearm; and (g) to the list of orders for which a person subject to the order may not possess a firearm (or otherwise be subject to a Class G felony for possession of a firearm, a maximum sentence of five years confinement and five years extended supervision and/or a fine of up to \$25,000).

*f. Return of a Firearm.* Specify that a firearm surrendered under extreme risk protection statutes cannot be returned until the respondent completes a petition and the judge or commissioner determines: (a) the temporary restraining order or injunction has been vacated or has expired and not been extended; and (b) the person is not prohibited from possessing a firearm under any state or federal law or order, other than the order relevant to the present petition. The judge or commissioner must use information maintained by law enforcement, identified above, to aid in

#### their determination.

Specify that if a surrendered firearm is owned by a person other than the respondent, the owner may apply to the court for its return in the county in which the respondent is located. The court must order notice to be given to all persons who have or may have an interest in the firearm and must hold a hearing on all claims to the true ownership. The court must order the firearm returned, along with information on the requirements and penalties of straw purchasing firearms, if rightful possession is proved to the court's satisfaction.

Specify that the Director of State Courts is required to develop a petition for the return of firearms form that is substantially the same as the notice and process for firearm surrender form, available under current law.

g. Definitions. For the purposes of the extreme risk protections provisions, define "family or household member," to mean: (a) a person related by blood, adoption, or marriage to the respondent; (b) a person with whom the respondent has or had a dating relationship, or with whom the respondent has a child in common; (c) a person who resides with, or within the six months before filing a petition, had resided with, the respondent; (d) a domestic partner of the respondent as defined under state law; (e) a person who is acting or has acted as the respondent's legal guardian or who is or was a foster parent or other physical custodian of the respondent; or (f) a person for whom the respondent is acting or has acted as a legal guardian or for whom the respondent is or was the foster parent or other physical custodian. Use current law definitions of "firearms dealer" and "law enforcement officer" in conjunction with extreme risk protection injunctions.

Modify the statutory language to define "firearms restrictions record search" to mean a search of Department of Justice records to determine whether a person seeking to purchase a handgun is prohibited from possessing a firearm under possession of a firearm statutes, and require a search to determine whether a person is subject to an extreme risk protection order or injunction as prohibitive of firearm possession within the definition.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. GENDER-NEUTRAL STATUTORY REFERENCES

**Governor:** Modify current statutes by replacing all references to "husband" or "wife" with "spouse." Modify current statutes to make applicable to married persons of the same sex all provisions under current law that apply to married persons of different sexes, consistent with the U.S. Supreme Court decision *Obergefell v. Hodges*. Define "spouse" as a person who is legally married to another person of the same sex or a different sex.

Specify the ways in which married couples of the same sex may be the legal parents of a child, and with some exceptions, make current references in the statutes to "mother" and "father," and related terms, gender-neutral.

*Adoption*. Modify current law to expressly permit same sex spouses to jointly adopt a minor child. Under current law a husband and wife may jointly adopt a minor child. Further, expressly permit a same-sex spouse of a person who is the parent of a minor child to adopt the child and become the legal parent of the spouse's child.

Artificial Insemination. Specify that a same or opposite sex spouse may consent to the artificial insemination of their spouse and upon successful insemination become the natural parent of any child conceived from the procedure. Delete the requirement that artificial insemination occur under the supervision of a physician but specify that if the procedure is not supervised by a physician the semen used must have been obtained from a sperm bank. Under current law, a same or opposite sex spouse may consent to the artificial insemination of his or her wife, but while a husband would be considered the natural parent of any child conceived, a same sex spouse would not be automatically considered a natural parent. Further, under current law, the insemination must occur under the supervision of a licensed physician.

*Marital Presumption of Paternity.* Expand the legal marital presumption of paternity to become a legal marital presumption of parentage and apply that presumption to spouses of either sex. Under this provision, a person is presumed to be the natural parent of a child if he or she: (a) was married to the child's established natural parent when the child was conceived or born; or (b) married the child's established natural parent after the child was born but had a relationship with the established natural parent when the child was conceived and no person has been adjudicated to be the father and no other person is presumed to be the child's parent because he or she was married to the natural parent when the child was conceived or born. Modify the current law allowing for the rebuttal of the marital presumption of paternity, to allow a person to rebut the marital presumption of parentage by the results of a genetic test showing that the statistical probability of another person's parentage is 99.0 percent or higher. Specify that the marital presumption may be rebutted regardless of whether the presumption applies to a male or female spouse.

Voluntary Acknowledgement of Paternity. Expand voluntary paternity acknowledgements to allow for voluntary parentage acknowledgements. Permit both natural parents to sign a voluntary parentage acknowledgement and file it with the state registrar. If the state registrar receives such a statement, the two people who signed the statement are presumed to be the parents of the child. Specify that a statement acknowledging parentage that is not rescinded, in accordance with state law, conclusively establishes parentage with regard to the person who did not give birth to the child and who signed the statement. Under current law, the mother and a man may sign and file a statement acknowledging paternity in order for the man to become the presumed father of the child.

Modify current statutes by replacing a number of references to "biological parent" with the term "natural parent." Define "natural parent" to mean an individual who is the parent of a child who is not an adoptive parent, whether the parent is biologically related to the child or not. By replacing references to "biological parent" with "natural parent" additional rights are awarded to spouses who do not rebut the marital presumption of parentage, without requiring the non-biological parent to adopt the minor child. Additional rights are also awarded to non-biological parents who voluntarily acknowledge parentage. Under current law, these rights apply to parents

and pertain to areas of the law including, but not limited to, education, medical information and decision-making, and parental responsibilities such as child support.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 3. QUARRY HOURS OF OPERATION

**Governor:** Prohibit a political subdivision from limiting the times that quarry operations may occur, if the materials produced by the quarry are to be used in a public works project that requires construction work to be performed during the night or an emergency repair. Specify that a "political subdivision" would mean a town, city, village, or county. Define the following:

(a) "Public works project" would mean a federal, state, county, or municipal project that involves the construction, maintenance, or repair of a public transportation facility or other public infrastructure, and in which nonmetallic minerals are used;

(b) "Quarry" would mean the surface area from which nonmetallic minerals (including soil, clay, gravel, and construction aggregate) that are used for a public works project, or a private construction or transportation project, are extracted and processed; and

(c) "Quarry operations" would mean the extraction and processing of minerals at a quarry and all related activities, including blasting, vehicle and equipment access to the quarry, and loading and hauling of material to and from the quarry.

Legislature: Provision included in 2023 Wisconsin Act 12.

| FED   | 8,363,900    | - 5.00                     | - 797,800     | 0.00                        | 7,566,100         | - 5.00    |  |
| PR    | - 1,022,900  | - 2.00                     | - 166,800     | 0.00                        | - 1,189,700       | - 2.00    |  |
| SEG   | 7,544,200    | - 2.00                     | - 3,724,200   | 0.00                        | 3,820,000         | - 2.00    |  |
| Total | \$14,834,000 | - 9.00                     | - \$5,272,800 | 0.00                        | \$9,561,200       | - 9.00    |  |

**Governor:** Provide adjustments to the base budget as follows: (a) -\$3,864,300 annually for reductions due to staff turnover (-\$437,700 GPR, -\$598,200 FED, -\$125,300 PR, and -\$2,703,100 SEG); (b) -\$584,700 and -8.0 positions in 2023-24 (-\$270,800 and -4.0 FED positions, -\$158,300 and -2.0 PR positions, and -\$155,600 and -2.0 SEG positions) and -\$790,900 and -9.0 positions in 2024-25 (-\$452,700 and -5.0 FED positions, -\$182,600 and -2.0 PR positions, and -\$155,600 and -2.0 SEG positions) for removal of non-continuing elements from the base; (c) \$8,786,900 annually for full funding of continuing position salaries and fringe benefits (\$847,900 GPR, \$5,222,300 FED, -\$233,000 PR, and \$2,949,700 SEG); (d) \$31,900 annually for reclassification and semi-automatic pay increases (\$8,200 GPR, \$5,400 FED, \$9,300 PR, and \$9,000 SEG); (e) \$3,180,000 annually for overtime (\$8,000 PR and \$3,172,000 SEG); (f) \$224,000 SEG annually for night and weekend differential pay; and (g) -\$253,700 annually for full funding of leases and directed moves (-\$444,000 GPR, -\$85,800 FED, and \$276,100 SEG).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$2,601,000 (-\$292,000 GPR, -\$398,900 FED, -\$83,400 PR, and -\$1,826,700 SEG) annually. Additionally, delete \$35,400 SEG annually to reconcile the calculation for full funding of continuing positions in the DNR appropriation for environmental repair and spills cleanup administration.

#### 2. LIMITED-TERM EMPLOYEE COMPENSATION [LFB Paper 570]

|            | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change           |
|------------|----------------------------|-----------------------------------|----------------------|
| GPR<br>SEG | \$118,000<br>2,903,200     | - \$115,200<br>- 888,600          | \$2,800<br>2,014,600 |
| Total      | \$3,201,200                | - \$1,003,800                     | \$2,017,400          |

**Governor:** Provide \$1,510,600 (\$59,000 GPR, \$34,300 environmental SEG, and \$1,417,300 conservation SEG) annually to fully fund limited-term employee (LTE) wages and fringe benefits. The provision would increase base level funding for LTE salaries by \$1,205,000 (\$47,100 GPR, \$27,300 environmental SEG, and \$1,130,600 conservation SEG), and base level fringe benefit allotments by \$305,600 (\$11,900 GPR, \$7,000 environmental SEG, and \$286,700 conservation SEG).

#### 4. **DOCUMENT DIGITIZING** [LFB Paper 571]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,575,600                | - \$1,575,600                     | \$0        |

**Governor:** Provide one-time funding of \$723,700 in 2023-24 and \$851,900 in 2024-25 to convert DNR paper records into digital format. The Administration indicates that funding would be utilized to lease scanner machines and hire LTEs to scan and organize records.

Joint Finance/Legislature: Provision not included.

#### 5. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$215,800                  | - \$215,800                       | \$0        |
| SEG   | 4,255,800                  | - 4,255,800                       | 0          |
| Total | \$4,471,600                | - \$4,471,600                     | \$0        |

**Governor:** Provide \$107,900 GPR and \$2,127,900 SEG annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose. The table below depicts additional annual funding recommended by DNR division, program or appropriation, and fund source.

|                                       | Amount by Fund Source |              |               |            |                   |

#### DNR Supplies and Services Annual Funding Increase -- Governor (continued)

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. EQUITY OFFICER POSITION

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| SEG | \$177,100  | 1.00 | - \$177,100   | - 1.00 | \$0                                    | 0.00 |

**Governor:** Provide \$77,500 in 2023-24 and \$99,600 in 2024-25 from conservation SEG with 1.0 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration (DOA) and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. SNOWMOBILE AUTOMATED REPORTING SYSTEM SEG \$20,000 MAINTENANCE

Governor/Legislature: Provide \$10,000 conservation SEG annually to fund routine maintenance to the Snowmobile Automated Reporting System (SNARS). SNARS provides

publicly accessible, real-time data on the conditions and grooming status of the state's network of snowmobile trails. DNR relies on counties to report trail conditions and grooming activity and to provide geographic information systems (GIS) data on county trails to SNARS. Additionally, SNARS provides an interface for counties to report volunteer hours and grant expenses, and to seek reimbursement for trail maintenance and grooming. The provision increases base-level funding for snowmobile aids administration to fund estimated contract expenses to maintain the system and provide technical support.

#### 8. OFF-HIGHWAY MOTORCYCLE REESTIMATE SEG

\$39,800

**Governor/Legislature:** Reestimate off-highway motorcycle (OHM) revenues by \$19,900 annually. All OHM registration revenues are deposited in the state transportation fund. An annual transfer equal to the total amount of OHM registration fees received by the Department of Transportation (DOT) in the previous fiscal year is made from a sum sufficient GPR appropriation to the OHM account of the SEG conservation fund. The OHM transfer and other OHM revenues, such as nonresident trail passes, may be used to acquire, develop, and maintain OHM trails and recreation facilities. Act 19 estimates the transfer at \$80,000 in each year of the biennium.

### 9. SOLAR ENERGY REVIEW STAFFING

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> 1 | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |
|----|--|------|----------------|---|-----|--|--|
| PR | \$145,100  | 1.00 | - \$145,100    | - 1.00  | \$0 | 0.00                                   |  |

**Governor:** Provide \$62,800 in 2023-24 and \$82,300 in 2024-25 and 1.0 four-year project position in the External Services Bureau of Environmental Analysis and Sustainability for solar energy review. The Administration indicates that the position would assist with reviewing and permitting an anticipated increase in solar energy projects that would be supported by an interagency funding agreement with the Public Service Commission (PSC).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 10. TRANSPORTATION PROJECT REVIEW STAFFING

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> 1 | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |
|----|--|------|----------------|---|-----|--|--|
| PR | \$145,100  | 1.00 | - \$145,100    | - 1.00  | \$0 | 0.00                                   |  |

**Governor:** Provide \$62,800 in 2023-24 and \$82,300 in 2024-25 with 1.0 position for transportation project review. The Administration anticipates increases in transportation infrastructure funding from the Bipartisan Infrastructure Law (BIL), requiring environmental

reviews beyond current workload. The position would be permanent, replacing a current LTE appointment, which the Administration indicates has experienced high turnover due to its impermanence.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **11. TRANSPORTATION PERMIT DATABASE**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$200,000                  | - \$200,000                       | \$0        |

**Governor:** Provide \$150,000 in 2023-24 and \$50,000 in 2024-25 from the environmental management account of the environmental fund to contract information technology (IT) services to develop and maintain a transportation permit database. The Administration indicates that the database would support the DNR-DOT cooperative agreement that has been in effect since 1976, by tracking and reporting project milestones and program metrics, and by centralizing records for improved staff access.

Joint Finance/Legislature: Provision not included.

## 12. TRIBAL RELATIONS PILOT PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$25,000                   | - \$25,000                        | \$0        |

**Governor:** Provide \$25,000 in 2023-24 as one-time funding for a tribal relations pilot program. The Administration reports that the program would develop a DNR database for tribal officials to submit requests and file concerns with the Department.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

|                           | Governor<br>(Chg. to Base)                      |                                       | <u>(Chg.</u>                                      | Jt. Finance/Leg.<br>(Chg. to Gov)     |                             | <u>Net Change</u>   |  |
|---------------------------|---|---------------------------------------|---|---------------------------------------|-----------------------------|---|--|
|                           | Funding   | Positions                             | Funding   | Positions                             | Funding                     | Positions   |  |
| GPR<br>PR<br>SEG<br>Total | \$128,600<br>- 348,000<br><u>219,400</u><br>\$0 | 0.00<br>- 2.00<br><u>2.00</u><br>0.00 | - \$128,600<br>348,000<br><u>- 219,400</u><br>\$0 | 0.00<br>2.00<br><u>- 2.00</u><br>0.00 | \$0<br>0<br><u>0</u><br>\$0 | $\begin{array}{c} 0.00 \\ 0.00 \\ \underline{0.00} \\ 0.00 \end{array}$ |  |

#### 13. EXTERNAL SERVICES REALLOCATION [LFB Paper 572]

**Governor:** Convert 2.0 PR waterways positions and \$174,000 PR annually to GPR. Additionally, convert 2.0 GPR customer service positions to conservation SEG. The difference in salary and fringe benefits for the positions result in net increase in GPR funding of \$64,300 annually. DNR indicates that funding for the 2.0 PR waterways positions transferred by DOA from the federal Coastal Zone Management program has decreased and cannot support the positions.

Joint Finance/Legislature: Provision not included.

#### 14. INFORMATION TECHNOLOGY POSITIONS TRANSFER

**Governor:** Transfer 13.0 information and technology services positions and funding from various programs, shown in the following table, to the technology services program in the Division of Internal Services. While some positions would be transferred between appropriations rather than reallocated within appropriations, no positions would be transferred between fund sources. All amounts are on an annual basis.

| Program                                      | Positions | Fund Source | Amount      |
|--|-----------|-------------|-------------|
| Forestry                                     | 3.00      | SEG         | \$460,100   |
| Air Management                               | 2.00      | PR          | 192,600     |

| Customer Outreach                            | 1.00      | SEG         | 156,400     |
| Environmental Management Division Management | 1.00      | PR          | 155,200     |
| Fish, Wildlife, & Parks Division Management  | 1.00      | SEG         | 155,200     |
| Finance                                      | 0.50      | SEG         | 51,700      |
|  | 0.50      | FED         | 51,600      |
| Southern Forests                             | 1.00      | SEG         | 89,200      |
| Waterways and Wetlands                       | 1.00      | GPR         | 89,200      |
| Remediation and Redevelopment                | 1.00      | GPR         | 82,300      |
| Total  | 13.00     |             | \$1,639,900 |

#### **Information Technology Positions Transfer -- Governor's Recommendation**

Joint Finance/Legislature: Provision not included.

#### 15. TRANSFERS WITHIN APPROPRIATIONS

**Governor/Legislature:** Transfer positions and funding between budgetary subprograms or budgetary purposes within the same appropriation as described in the following paragraphs to reflect current allocations of program funding and responsibilities in the division indicated.

*Environmental Management.* Move 0.46 petroleum inspection fund SEG position from drinking and groundwater to remediation and redevelopment to correct a discrepancy between the state human resources management and budget systems.

*External Services.* Move 1.0 GPR section leader position from waterways to external services leaders to align the position within division leadership. Transfer 1.0 PR position from waterways and wetlands to environmental analysis and sustainability.

## **16. RECREATIONAL VEHICLE REESTIMATES** [LFB Papers SEG \$752,100 106 and 573]

**Joint Finance/Legislature:** Reestimate DNR continuing appropriations for the ATV and snowmobile accounts of the SEG conservation fund under the recreational vehicle fuel tax formulas as shown in the table. By statute, transfers are made from the transportation fund based on the fuel tax rate and the count of registered recreational vehicles as of certain dates in the preceding fiscal year.

#### **Recreational Vehicle Motor Fuel Tax Transfer Reestimates**

|   | Base           | Base Change to Base |                | Reestimate  |                |
|---|----------------|---------------------|----------------|-------------|----------------|
|   | <u>2022-23</u> | 2023-24             | <u>2024-25</u> | 2023-24     | <u>2024-25</u> |
| Recreation aids - snowmobile trail areas<br>Recreation aids - all-terrain and utility | \$5,331,900    | -\$25,100           | -\$12,400      | \$5,306,800 | \$5,319,500    |
| terrain vehicle project aids  | \$2,842,400    | \$116,600           | \$255,300      | \$2,959,000 | \$3,097,700    |

Additionally, reestimate the DNR supplemental snowmobile trail aids appropriation by \$249,300 in 2023-24 and by \$135,200 in 2024-25. Snowmobile supplemental trail aids are based on the number of nonresident annual trail passes sold in the prior fiscal year, multiplied by \$47.

Reestimate the ATV/UTV trail safety grant by \$9,400 in 2023-24 and \$23,800 in 2024-25. The value of the trail safety grant is set each year based on the greater of either \$297,000 or  $80\phi$  multiplied by the ATVs and UTVs registered in the state on the last day of February in the prior fiscal year. In 2023-24, the trail safety grant will total \$306,400. It is estimated to be \$320,800 in 2024-25.

#### 17. ATV AND UTV PROJECT AIDS

**Joint Finance/Legislature:** Increase the per-mile reimbursement rate for local UTV trail aids from \$200 to \$400. Provide \$432,800 conservation SEG in 2023-24 and \$439,000 in 2024-

SEG

\$871.800

25 to fund the increased reimbursement rate. Funding is available from the ATV account of the SEG conservation fund annually for ATV trail and project aids. For trail maintenance projects, DNR pays municipalities up to \$600 per mile for summer ATV trail maintenance and \$100 or \$200 per mile for winter ATV trail maintenance. If a trail supports both ATVs and UTVs, DNR reimburses municipalities an additional \$200 per mile for summer-use trails. Act 19 increases this to \$400. Therefore, summer-use trails that are open to both ATVs and UTVs would be eligible to receive \$1,000 per mile. Including estimated revenues from gas tax transfers described in the preceding item, funding budgeted for these aids will increase from \$5,474,600 to \$5,907,400 in 2023-24 and from \$5,613,300 to \$6,052,300 in 2024-25.

[Act 19 Section: 195]

#### **18. DELETE VACANT POSITIONS**

**Joint Finance/Legislature:** Delete 36.71 positions vacant 18 months or greater. Act 19 does not delete funding associated with the positions in the 2023-25 biennium, but associated funding would be removed under standard budget adjustments for the 2025-27 biennial budget. The following table shows the number of positions by DNP program

|       | Positions |
|-------|-----------|
| GPR   | - 2.75    |
| FED   | - 16.56   |
| PR    | - 2.00    |
| SEG   | - 15.40   |
| Total | - 36.71   |
|       |           |

budget. The following table shows the number of positions by DNR program area and fund source.

#### **DNR Long-Term Vacancy Deletions**

|   |      | Fund S     | Source |       |              |
|---|------|------------|--------|-------|--------------|
| Program/Subprogram                          | GPR  | <u>FED</u> | PR     | SEG   | <u>Total</u> |
| Fish, Wildlife and Parks                    |      |            |        |       |              |

|   |      |            |        |       |              |

#### **19. OPERATIONS APPROPRIATIONS REDUCTION**

- \$3,608,800

SEG

**Joint Finance/Legislature:** Delete annual funding for supplies and services from conservation fund SEG general program operations appropriations as follows: \$675,200 from forestry, \$780,500 from internal services, and \$348,700 from external services.

#### Parks

#### 1. PARK AND FOREST DEVELOPMENT AND MAINTENANCE [LFB Paper 575]

|              | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change                        |
|--------------|----------------------------|-----------------------------------|-----------------------------------|
| GPR          | \$3,613,400                | - \$3,613,400                     | \$0                               |
| SEG<br>Total | 18,191,800<br>\$21,805,200 | <u>8,768,800</u><br>\$5,155,400   | <u>26,960,600</u><br>\$26,960,600 |

**Governor:** Provide \$11,402,600 (\$1,806,700 GPR and \$9,595,900 conservation SEG) in 2023-24 and \$10,402,600 (\$1,806,700 GPR and \$8,595,900 SEG) in 2024-25 for state park, forest, and recreation area maintenance and development. The \$10.4 million in 2024-25 would be added to the agency base in continuing appropriations. \$1,500,000 SEG would be provided as one-time funding in a continuing appropriation in 2023-24. The bill would fund projects on the parks and forest maintenance backlog.

**Joint Finance/Legislature:** Modify funding to provide \$11,271,600 SEG on a one-time basis in 2023-24 in continuing appropriations as follows: (a) \$3,950,400 for forest property development; (b) \$4,960,400 for parks property development; and (c) \$2,360,800 for general DNR facility and property development. Also, provide \$5,689,000 in 2023-24 as one-time funding for forest, park, and riverway road maintenance in the continuing appropriation for forest development.

Additionally, provide \$10,000,000 SEG as one-time funding in 2023-24 to the parks development and maintenance appropriation to fund projects in DNR's all agency capital budget request. [See "Building Program."]

#### 2. CAMPSITE ELECTRIFICATION [LFB Paper 576]

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|---------|----------------------------|-----------------------------------|-------------|
| SEG     | \$2,925,000                | - \$1,425,000                     | \$1,500,000 |
| SEG-REV | 7        \$0               | \$210,000                         | \$210,000   |

Governor: Increase the statutory cap on the percent of state park campsites that may be

electrified from 35% to 40%. Provide \$2,925,000 conservation SEG as one-time funding in 2024-25, including \$1,316,300 from the parks account and \$1,608,700 from the forestry account, to provide electrical service to sites. DNR estimates that it costs \$8,500 to electrify each site. However, this amount is projected to rise to \$14,400 per site by the end of the 2023-25 biennium under the current inflationary environment. Therefore, the bill would fund electrification for approximately 200 additional sites.

Under current law, no more than 35% of campsites in state parks may have electrical outlets. There are 3,956 campsites in state parks; 34.8%, 1,378, are electrified. Under current law, DNR may electrify an additional seven sites before the cap is met. The bill would allow an additional 198 sites to be electrified. Campsite reservations for electrified sites cost between \$10 and \$15 more than for non-electrified sites.

**Joint Finance/Legislature:** Repeal the 35% cap on electrified sites, and estimate additional parks account revenues of \$210,000 in 2024-25. Modify funding to provide \$1,500,000 SEG in 2024-25 on a one-time basis from the parks account of the conservation fund for campsite electrification.

Retain the statutory provision that DNR may electrify no more than 50% of the campsites in any given state park campground. Additionally, DNR would continue to be required to maintain at least 25% of state park campsites as rustic campsites, which lack modern amenities like flush toilets.

[Act 19 Section: 215]

## **3. PARKS LIMITED-TERM EMPLOYEE STAFFING** [LFB Paper 577]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$2,191,000                | - \$1,361,000                     | \$830,000  |

**Governor:** Increase general operations funding for state parks and recreational areas by \$1,095,500 annually. The bill would provide an additional \$1,000,700 annually for LTE salaries and fringe benefits in property and recreation management. The Administration reports that these funds would be used to hire additional LTEs and custodial contractors to work on education initiatives, maintenance and operations, and customer service. DNR has experienced recruitment and retention issues in recent years as LTE funding and compensation have risen slower than market wage rates. Since 2020, state parks and recreation areas have seen rapid growth in attendance, putting stresses on existing staff and facilities. The bill would also provide \$94,800 annually for LTE salaries and fringe benefits for parks interpretive staff.

**Joint Finance/Legislature:** Provide \$415,000 conservation SEG annually, including \$309,700 for LTE salaries and \$105,300 for fringe benefits, a difference of -\$680,500 annually to the bill. Funding is provided to the subprogram for property and recreation management.

Page 620

#### PARKS UTILITY FUNDING [LFB Paper 577] 4.

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$872,500                  | - \$568,100                       | \$304,400  |

**Governor:** Provide \$431,900 in 2023-24 and \$440,600 in 2024-25 for parks and southern forests general program operations to reflect increased utility costs. DNR reports that rising costs for water, gas, electricity, and cellular service have raised utility costs at state parks. The provision is intended to account for increased costs that could otherwise require reallocating funding from other parks program areas.

Joint Finance/Legislature: Provide \$152,200 conservation SEG annually for utilities costs in state parks, a difference to the bill of -\$279,700 in 2023-24 and -\$288,400 in 2024-25.

#### 5. PARKS MAINTENANCE EQUIPMENT [LFB Paper 577]

Governor: Provide \$350,000 conservation SEG annually, including \$100,000 from the forestry account and \$250,000 from the parks account, to provide funding for a multi-year maintenance equipment replacement effort. Funding would be used to replace outdated lawnmowers, tractors, skid loaders, and ATVs used by parks personnel. The bill would increase base level funding to allow DNR to replace outdated equipment as needed.

Joint Finance/Legislature: Provide \$700,000 SEG, including \$500,000 from the parks account and \$200,000 from the forestry account as one-time funding in 2023-24 for parks maintenance equipment.

#### 6. PARKS TECHNOLOGY UPGRADES

Governor/Legislature: Provide \$181,900 conservation SEG annually, including \$43,700 from the forestry account and \$138,200 from the parks account, to upgrade technology in parks and southern forests. Act 19 provides \$152,500 as one-time funding in each year, including \$36,600 from the forestry account and \$115,900 from the parks account, to acquire new credit card readers. The provision also increases the supplies and services allotment by \$29,400 annually, including \$7,100 from the forestry account and \$22,300 from the parks account, to fund security software licenses for the new credit card readers.

#### 7. **PROPERTY-SPECIFIC FUNDING** [LFB Paper 577]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$292,700                  | - \$102,100                       | \$190,600  |

Governor: Increase SEG general operations funding for state parks and recreational areas,

\$700,000

SEG

SEG \$363,800 southern forests, and wildlife management areas by \$148,200 in 2023-24 and \$144,500 in 2024-25 to provide additional funding for specific properties. The funds would increase LTE salary, fringe benefits, and supplies and services allotments for six properties and would provide one-time financing to construct an entrance sign at Lizard Mound State Park. The following table shows how funding would be allocated to each property under the bill.

**Joint Finance/Legislature:** Provide funding to Lizard Mound State Park, Mazomanie Bottoms State Natural Area, Brule River State Forest, and the Ice Age Trail properties. The table compares funding under the Governor and Act 19.

|                                       | Gov            | vernor         | Act            | 19             |
|---------------------------------------|----------------|----------------|----------------|----------------|
|                                       | <u>2023-24</u> | <u>2024-25</u> | <u>2023-24</u> | <u>2024-25</u> |

| Ice Age Trail                         | 30,100         | 29,800         | 30,200         | 29,900         |
| Total                                 | \$148,200      | \$144,500      | \$97,200       | \$93,400       |

#### **Property-Specific Funding -- Comparative (Change to Base)**

#### 8. FREE FOURTH-GRADE ADMISSION TO STATE PARKS

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$487,200                  | - \$487,200                       | \$0        |
| SEG   | - 487,200                  | 487,200                           | 0          |
| Total | \$0                        | \$0                               | \$0        |

**Governor:** Authorize the issuance of a waiver for the annual state resident park and forest vehicle admission fee to the parent or guardian of a Wisconsin fourth-grade student, beginning January 1, 2024. Create a sum-sufficient GPR appropriation equal to the value of the waivers issued in a given fiscal year to be used for parks operations. Estimate GPR parks operations at \$243,600 in each year of the biennium, equal to 8,700 waivers of the normal \$28 annual resident vehicle admission fee. Delete \$175,400 annually for parks operations from the parks account of the conservation fund and \$68,200 annually from the forestry account for forestry operations.

Under the bill, a parent or guardian of a fourth-grade student in a Wisconsin public, private, or home school could apply for a waiver of the annual resident parks vehicle admission fee for a single vehicle, except a motor bus. The bill would require that an application include: (a) the child's name and date of birth; (b) the name of the school the child is or will be attending, or a certification that the child is in a home-based private education program; (c) a certification that the child is, was, or will be a fourth-grade pupil on the January 1 of the calendar year for which the fee waiver

is issued. Evidence of fourth-grade enrollment could include report cards, verified enrollment forms, a dated letter from the school on official letterhead, or other proof DNR may accept. The bill would authorize one fourth-grade fee waiver per household, regardless of how many children are in the family.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 9. OPEN THE OUTDOORS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$330,000                  | - \$330,000                       | \$0        |

**Governor:** Provide \$165,000 annually, including \$39,800 from the forestry account and \$125,200 from the parks account, to provide accessible outdoor recreational facilities and programming in state parks, forests, and recreational areas. The funding would provide \$50,900 annually for LTE salaries and fringe benefits to allow DNR to hire American sign language interpreters to work in state parks. In addition, the bill would provide \$114,100 annually for supplies and services, which would fund accessibility equipment for trails, boat launches, and other parks facilities, as well as to improve signage for visually impaired parks visitors.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. ONLINE VEHICLE ADMISSION FEES [LFB Paper 578]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$676,000                  | - \$186,000                       | \$490,000  |

**Governor:** Create a continuing appropriation from which DNR may pay the costs associated with online sales of parks and forests vehicle admission stickers. Provide \$338,000 conservation SEG annually, including \$94,600 from the forestry account and \$243,400 from the parks account, to the appropriation.

Beginning in May, 2020, DNR began offering annual state park admission stickers online through a website called Your Pass Now. Your Pass Now offers resident annual admission stickers, nonresident annual admission stickers, senior citizen annual admission stickers, and reduced-rate admission stickers to persons who also purchase a full-priced admission sticker in the same transaction. Your Pass Now was developed by NIC Wisconsin at no upfront cost to the state. Rather, NIC Wisconsin receives \$1.50 for each transaction processed by the Your Pass Now System. These fees must be paid by DNR through its general operations appropriations. Under

**13. MIRROR LAKE DREDGING** 

Joint Finance/Legislature: Provide a one-time grant of \$449,200 conservation SEG in

current law, the Department does not receive dedicated revenues, such as from statutory issuing fees, for this purpose. In addition to transaction costs, DNR must pay fulfillment fees to DOA for printing and mailing stickers to purchasers.

**Joint Finance/Legislature:** Authorize DNR to collect a transaction fee on online parks admission sticker and trail pass sales. Deposit fees into the existing appropriation for campsite reservation fees and modify the appropriation to allow DNR to pay contractual transaction costs for online admission sticker and trail pass sales. Reestimate the campsite reservation fee appropriation by \$245,000 annually.

[Act 19 Sections: 70, 212, and 213]

## 11. EMINENT DOMAIN FOR STATE TRAILS

**Governor:** Allow DNR and local governments to use condemnation to acquire land for state trails. Current law prohibits state entities from using eminent domain to establish or extend a recreational trail, bicycle lane, or other bicycle way. Under current law and the bill, any use of condemnation would require approval by appropriate standing committees of the Legislature, as determined by the presiding officer in each house. [See "Transportation -- Local Transportation Assistance."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **12. NONRESIDENT CAMPING FEE**

Joint Finance/Legislature: Increase the cap on nonresident overnight camping fees by \$10, from \$35 to \$45. Reestimate the increase

in revenue to the parks account of the SEG conservation fund by \$690,000, beginning in 2024-25. Provide \$690,000 SEG as base-level funding to the parks property development and maintenance appropriation in 2024-25.

DNR may set camping fees within statutory limits based on local market conditions, the types of conveniences offered at the campground, and the level of use. Base fees for a campsite in Wisconsin must be not less than \$15 but not more than \$30 per night for residents and not less than \$19 but not more than \$35 per night for nonresidents; Act 19 increases the maximum nonresident amount to \$45 per night. Fees are determined by the DNR Secretary. Further, DNR charges an additional \$15 nightly camping fee for sites with electric access in five high-demand parks: Devil's Lake, High Cliff, Kohler-Andrae, Peninsula, and Willow River.

[Act 19 Section: 214]

| SEG     | \$690,000 |
|---------|-----------|
| SEG-REV | \$690,000 |
|         |           |

SEG \$449,200

2023-24 from the parks account to the Mirror Lake Management District for a project to dredge Mirror Lake and rehabilitate a gully near Mirror Lake State Park.

[Act 19 Section: 9132(2)]

#### 14. AMNICON FALLS AND PATTISON STATE PARKS SEG \$2,161,300 IMPROVEMENTS

**Joint Finance/Legislature:** Provide \$2,161,300 conservation SEG in 2023-24 as one-time funding for development projects in Amnicon Falls and Pattison State Parks. Specify that the funding is to be used for the following projects in Pattison State Park: (a) playground construction; (b) campsite electrification; (c) landscaping; (d) building an accessible trail to the beach on Interfalls Lake; and (e) repairing the stairway on the Big Manitou Falls. Amnicon Falls State Park projects would include: (a) playground construction; (b) campsite electrification; (c) guardrail replacement and trail improvements; and (d) construction of new trails, roads, and a bridge over Now and Then Creek.

**Veto by Governor [E-41]:** Delete references to specific properties and projects to be conducted. Funding of \$2,161,300 remains available in the appropriation for state parks and trails development for projects identified by DNR.

[Act 19 Vetoed Section: 9132(3)]

## **Forestry and Stewardship**

#### 1. PUBLIC FOREST REGENERATION GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,335,000                | - \$1,335,000                     | \$0        |

**Governor:** Create a grant program for reforestation and forest regeneration on non-DNR public lands, including those owned by local governments, school districts, counties, and state agencies other than DNR. Provide \$667,500 forestry SEG annually, including \$600,000 for grant awards and \$67,500 to hire two LTEs to administer the program.

The Administration notes that the public forest regeneration grants would assist local governments in meeting a goal of planting 75 million trees in the state by 2030, which was established by Executive Order 112 in 2021. The grants would support communities to regenerate understories in public forest stands to improve forest health and sustainability. LTEs hired with

the funding would provide technical assistance to local governments with tree-planting plans.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. TREE PLANTING ON STATE-OWNED LAND

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$790,000                  | - \$790,000                       | \$0        |

**Governor:** Provide \$395,000 forestry SEG annually for tree-planting projects on stateowned lands. Funding would increase forestry general operations funding for LTE salaries and fringe benefits by \$45,000. The Administration reports that one LTE would be hired to administer tree-planting funds. Additionally, the bill would provide \$250,000 annually for supplies and services, which would be used to prepare DNR-owned farm lands and fields for afforestation. Funding would be used to convert approximately 60 acres of DNR-owned fields and farmland to forest land annually, a process that costs an estimated \$800 per acre. Funding would also be used to conduct intermediate treatments on 500 acres of DNR-owned lands each year. Intermediate treatments are used to tend to a forest after initial tree-stand regeneration but before a stand is ready for harvest. The Administration estimates that these treatments cost \$400 per acre. An additional \$100,000 would be provided for grants to state agencies to prepare lands for afforestation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 3. STATE NURSERY OPERATIONS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |        | Jt. Finance/Leg.<br>(Chg. to Gov)<br>Funding Positions |        | <u>Net C</u><br>Funding I |      |
|-----|--|--------|--|--------|---------------------------|------|
| SEG | \$627,800 2  | 2.00 - | \$627,800  | - 2.00 | \$0                       | 0.00 |

**Governor:** Provide 2.0 positions annually and \$286,200 forestry SEG in 2023-24 and \$341,600 forestry SEG in 2024-25 to increase seedling production at state nurseries. Positions would be funded at \$166,200 for salaries and for fringe benefits in 2023-24, and \$221,600 for salaries and for fringe benefits in 2024-25. In addition, the bill would provide \$120,000 annually to purchase supplies for seed and seedling production, such fertilizer, pesticides, and utilities.

DNR's reforestation program operates tree nurseries at Boscobel, Hayward, and Wisconsin Rapids. The Boscobel nursery produces and distributes seedlings (trees and wildlife shrubs) used for reforestation and conservation purposes. The Hayward and Wisconsin Rapids nurseries are used for tree improvement, reforestation field trials, seed orchard production and breeding, seed processing and storage, and as seedling distribution centers. DOA reports that 1.0 position would

be hired to work at the Hayward nursery and 1.0 would be hired at the Wisconsin Rapids nursery.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. FISH, WILDLIFE AND FORESTRY RECREATION AIDS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$256,600                  | - \$256,600                       | \$0        |

**Governor:** Increase funding for fish, wildlife and forestry recreation aids by \$128,300 forestry SEG annually, from \$112,200 to \$240,500. Under the program, counties may apply for grants for the development of wildlife habitat and for outdoor recreational facilities on county forestlands. County funding for habitat projects is limited to  $10\phi$  for each acre registered as county forestland; however, funds that remain unallocated as of March 31 of each year may be allotted to any county, as long as the total received does not exceed  $20\phi$  per acre registered as county forest.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. URBAN FORESTRY GRANTS [LFB Paper 581]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$950,000                  | - \$600,000                       | \$350,000  |

**Governor:** Increase funding for urban forestry grants by \$475,000 forestry SEG in each year of the biennium, from \$524,600 to \$999,600. Under the urban forestry grant program, the Department awards grants to cities, villages, towns, counties, tribal governments and nonprofit organizations for up to 50% of the cost of various projects, including tree management plans, tree inventories, brush residue projects, the development of tree management ordinances, tree disease evaluation, public education relating to trees in urban areas and other related projects. DNR may also award grants under the urban forestry grant program to counties, cities, villages, towns, nonprofit organizations, and tribal governments for the costs of removing, saving, and replacing trees that have been damaged by catastrophic storm events in urban areas.

**Joint Finance/Legislature:** Increase base funding for urban forestry grants by \$175,000 forestry SEG each year. Funding of \$699,600 SEG is available for urban forestry grants each year.

#### 6. **PRIVATE FOREST LANDOWNER GRANT** [LFB Paper 582]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$620,000                  | - \$620,000                       | \$0        |

**Governor:** Provide \$310,000 forestry SEG annually to increase funding for private forest landowner grants. Of this amount, \$250,000 would be allocated to private forest landowner grants and \$60,000 would be allocated to weed management area grants, a subprogram of the private forest landowner grant.

The private forest landowner grant program provides grants for the costs of developing and implementing forest stewardship management plans by owners of 500 acres or less of nonindustrial private forest land in the state. Management plans are required to contain practices that protect and enhance: (a) soil and water quality; (b) endangered, threatened or rare forest communities; (c) sustainable forestry; (d) habitat for fish and wildlife; and (e) the recreational, aesthetic and environmental benefits that the forest land provides. Additionally, the program funds weed management area grants, which may be awarded to weed management groups for projects that would respond to and control terrestrial invasive species. DNR administers the programs with grants up to 50% of project costs; by administrative rule, the state share of costs may be up to 75% and not to exceed \$10,000. The programs have base funding of \$1,147,900 in each year of the 2021-23 biennium. The bill would increase this to \$1,457,900 each year.

Joint Finance/Legislature: Provision not included.

#### 7. COUNTY SUSTAINABLE FORESTRY AND COUNTY SEG \$500,000 FOREST ADMINISTRATOR GRANTS [LFB Paper 583]

**Governor:** Create a new appropriation for county forest administrator grants. County forest administrator grants provide aids to counties for up to 50% of the salary and fringe benefit costs of a county forest administrator or assistant administrator. Under current law, these aids are funded through the same appropriation as county sustainable forestry grants. County sustainable forestry grants provide counties with funding to implement sustainable forestry projects on county forestland. The bill would separate these two grants into dedicated appropriations.

Additionally, provide \$50,000 in each year of the biennium for county forest sustainability grants and \$200,000 in each year for county forest administrator grants. Base funding for administrator grants is \$1,285,900. As introduced, the bill would not transfer base funding to the new appropriation. Rather, the bill would set funding for administrator grants under the new appropriation at \$200,000 each year. Base funding for county sustainable forestry grants is \$328,000. The bill would increase the amount available for these grants to \$1,663,900 each year.

Joint Finance/Legislature: Accept the Governor's recommended funding levels, increasing the allotted funding for county sustainable forestry grants by \$50,000 annually and for county forest administrator grants by \$200,000. Maintain a single, combined appropriation for county

forest administrator grants and county sustainable forestry grants. Act 19 increases funding to the county forest grant appropriation by a total of \$250,000 each year, with total available funding allocated as \$1,485,900 for county forest administrator grants and \$378,000 for county sustainable forestry grants.

# 8. FORESTRY OUTREACH

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> | Jt. Finance/Leg.<br>(Chg. to Gov)<br>Funding Positions |     | <u>Net Change</u><br>Funding Positions |  |
|-----|--|------|--------------|--|-----|--|--|
| SEG | \$195,000  | 1.00 | - \$195,000  | - 1.00   | \$0 | 0.00                                   |  |

**Governor:** Provide 1.0 position annually and \$84,200 forestry SEG in 2023-24 and \$110,800 forestry SEG in 2024-25 for an outreach officer. The position is intended to develop communications and public relation strategies toward groups that have traditionally had less access to the outdoors and environmental education.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. FORESTRY PUBLIC SAFETY

SEG \$957,600

**Governor/Legislature:** Provide \$807,600 forestry SEG in 2023-24 and \$150,000 in 2024-25 to acquire and upgrade fire suppression equipment. The provision increases the forestry general operations base budget allotment for supplies and services by \$150,000 annually, with \$657,600 in one-time funding in 2023-24 to purchase public safety equipment for DNR Forestry Division employees. Funding is to acquire fire shelters, boots, hard hats, automated external defibrillators (AEDs), and other safety equipment.

# 10. FORESTRY INDUSTRYWIDE STRATEGIC PLAN

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$775,000                  | - \$775,000                       | \$0        |

**Governor:** Provide \$775,000 as one-time funding in 2023-24 in a new continuing appropriation to conduct a forestry industry strategic plan, including a "road map" to accomplish strategic objectives established by the plan. Funding would support the development of a report, conducted by outside consultants under the guidance of the Council on Forestry that would identify methods of improving coordination, partnerships, and collaboration in the state's forest products industry. The report would also identify new markets for the state's forest products. The report would be due to the Council on Forestry by September 16, 2024.

Joint Finance/Legislature: Provision not included.

#### 11. FORESTRY MILL RATE REESTIMATE [LFB Paper 106 and 580]

**Governor/Legislature:** Reestimate the transfer from the general fund to the forestry account of the conservation fund by \$25,958,700 in 2023-24 and by \$19,958,700 in 2024-25. 2017 Wisconsin Act 59 replaced the state forestry mill tax with a sum-sufficient appropriation from the general fund equal to the value of the tax, or 0.1697 mills for each dollar of the assessed valuation of taxable property in the state (16.97¢ per \$1,000). Funds are transferred to the forestry account for the purposes of acquiring, preserving and developing the forests of the state. Act 19 budgets the transfers at \$141,500,000 in 2023-24 and at \$135,500,000 in 2024-25. [See "Shared Revenue and Tax Relief -- Forestry Mill Rate."]

#### 12. STEWARDSHIP ANNUAL TRANSFER FROM THE FORESTRY ACCOUNT

**Governor:** Amend two conservation SEG appropriations that fund land acquisition under the Warren Knowles-Gaylord Nelson Stewardship program to limit transfers into the capital improvement fund such that the amount held in the fund for the stewardship program is no more than \$8,000,000 in a given year. 2021 Act 58 reauthorized the stewardship program for a four-year period, beginning in 2022-23. The Act authorized DNR to obligate up to \$33.25 million annually, including \$25.25 million in bonds, which may be used for property development, local assistance, Ice Age Trail land acquisitions, and recreational boating aids.

Additionally, \$8 million, including \$5 million for Department land acquisitions and \$3 million for grants to counties to acquire forestland, is transferred each year from forestry SEG to the capital improvement fund. Under Act 58, the transfer must be made regardless of the amounts obligated under each land acquisition subprogram. The bill specifies that no more than \$8 million may be held in the capital improvement fund subaccount for the stewardship program. The annual transfer from each appropriation would be reduced proportionally so that no more than \$8 million is held within the stewardship subaccount in a given year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 13. STEWARDSHIP REVIEWS BY JOINT COMMITTEE ON FINANCE

**Governor:** Increase the threshold for Joint Committee on Finance review of stewardship grants and acquisitions from \$250,000 to \$500,000. In addition, repeal the requirement that all projects north of Highway 64 be subject to review.

Under current law, all stewardship projects of \$250,000 or over, and any fee-simple acquisition north of state Highway 64, are subject to a 14-day passive review by the Joint Committee on Finance. The \$250,000 threshold includes projects or activities that are closely related and would collectively meet the passive review requirement. After DNR has submitted a project request, the Committee has 14 working days to review the request. If, within that time

period, the Co-Chairs do not notify DNR that a meeting has been scheduled, DNR may proceed with the project. If the Co-Chairs schedule a meeting, a majority vote is required to approve or amend the proposal.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 14. STEWARDSHIP PUBLIC ACCESS DIRECTORY

**Governor:** Repeal the requirement that DNR publish a directory of stewardship public access lands. Under current law, DNR is required to produce a written directory of all publicly accessible stewardship lands at least every two years. The bill would delete this requirement. While DNR would not be required to produce a written directory, a statutory requirement that DNR provide an online searchable map of public-access stewardship lands would not be affected by the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **15. LAPHAM PEAK LODGE GRANT**

**Joint Finance/Legislature:** Provide a grant of \$250,000 conservation SEG in 2023-24 to the Friends of Lapham Peak to build a ski lodge in the Lapham Peak Unit of the Kettle Moraine State Forest. Specify that any grant funds remaining after construction of the lodge may be used by the Friends of Lapham Peak to furnish the lodge and purchase snowmaking equipment.

[Act 19 Section: 9132(5)]

# 16. MANAGED FOREST LAND AND COUNTY FOREST AIDS REESTIMATE [LFB Paper 106] SEG \$59,400

**Joint Finance/Legislature:** Reestimate aids paid to towns with lands enrolled in the forest croplands (FCL), managed forest land (MFL) and county forest programs by \$29,700 forestry SEG annually. DNR pays aids to local governments each year to partially offset the loss in property tax revenue from properties enrolled in each program. DNR pays municipalities 20¢ per acre of land enrolled in MFL and FCL, and 63¢ per acre of county forest land located in the town. In each year of the 2023-25 biennium, these aids are estimated at \$2,230,000.

### 17. NURSERY SEEDLING SURCHARGE

Page 630

**Joint Finance/Legislature:** Repeal the 3¢ surcharge applied to each seedling sold by the state tree nursery. DNR operates three tree nurseries, which produce and distribute seedlings (trees and wildlife shrubs) used for reforestation and conservation purposes. Nursery stock is sold to the public at prices that reflect costs to administer the forest nursery program. It is estimated that the

\$250,000

SEG

SEG-REV - \$150,000

provision would reduce SEG revenue by \$75,000 annually.

[Act 19 Section: 216]

# Fish, Wildlife, and Natural Heritage Conservation

#### 1. INLAND WATERS TROUT STAMP AND TROUT HABITAT DEVELOPMENT [LFB Paper 591]

|         | Governor<br>Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|---------------------------|-----------------------------------|------------|
| SEG     | \$424,800                 | - \$424,800                       | \$0        |
| SEG-REV | \$795,000                 | - \$795,000                       | \$0        |

**Governor:** Raise the fee for the inland waters trout stamp by \$5, from \$10 to \$15 (including the 25¢ issuing fee), effective April 1, 2024. The inland waters trout stamp is required of anyone fishing for trout in inland waters. Revenues raised by the inland trout stamp are used to improve and maintain trout habitat and conduct trout surveys in inland trout waters. In 2021-22, sales of the inland trout stamp raised \$1,872,800 in revenue. DOA estimates that the increased fee would raise revenues to the stamp appropriation by \$795,000 annually once in effect.

Additionally, provide \$227,700 in 2023-24 and \$197,100 in 2024-25 from the stamp appropriation for trout habitat development. This would include \$39,500 in 2023-24 and \$52,700 in 2024-25 to the inland waters trout stamp-funded appropriation to fund 1.0 position that would work on trout stream conservation planning. While funding for the trout development position would be provided to the appropriation, the bill would need to be amended to move 1.0 position from the fish, wildlife and parks general program operations appropriation to the inland water trout stamp-funded appropriation.

Funding would also include \$59,700 annually for LTE salaries and \$44,500 annually for supplies and services. DOA reports that this funding would be used to hire three LTEs to assist locally-led streambank protection efforts. Fringe benefits would be funded at \$34,000 in 2023-24 and \$40,200 in 2024-25 for the permanent position and LTEs. Provide \$50,000 in 2023-24 as one-time funding to upgrade the Department's streambank protection database.

Joint Finance/Legislature: Provision not included.

#### 2. GREAT LAKES RESEARCH VESSEL MAINTENANCE

\$196,000

SEG

**Governor/Legislature:** Provide one-time funding of \$196,000 fish and wildlife SEG in 2023-24 for maintenance of DNR's Great Lakes research vessels. The Department owns three

research vessels, located in Lake Michigan, Lake Winnebago, and Lake Superior. The vessels were built in 2010, 1975, and 1946, respectively. They are used to collect data on Great Lakes fish populations that informs DNR's fish stocking efforts. The funding is intended to upgrade electronics, rebuild engines, and perform other maintenance and reconstruction on the ships' bodies. DNR estimates that the funding would extend the useable lives of the ships by between 25 and 40 years.

### 3. DEER CARCASS DISPOSAL GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,100,000                | - \$1,100,000                     | \$0        |

**Governor:** Provide one-time funding of \$1,000,000 fish and wildlife SEG in 2023-24 in a continuing appropriation to provide grants to local governments, businesses, or nonprofit conservation organizations for the acquisition of receptacles for the disposal of deer carcasses. Additionally, provide \$50,000 annually in ongoing general program operations funding for educational programming related to chronic wasting disease (CWD).

CWD is a fatal neurological disease in cervids such as deer and elk. The disease is communicable through deformed prions that can pass to other cervids through saliva, urine, or blood. Prions shed by infected animals also are thought to persist in soils, although infectivity and the length of prion viability is still being researched. The provision is intended to provide additional secured options for disposing of a deer carcass and entrails, rather than leaving the carcass at the site of field dressing and risking the spread of prions from infected carcasses or tissues.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 4. NONRESIDENT DEER HUNTING LICENSE [LFB Paper 590]

| -            | overnor<br>g. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto<br>(Chg. to Leg.) | Net Change   |
|--------------|------------------------|-----------------------------------|------------------------|--------------|
| SEG-REV      | \$643,800              | \$6,304,200                       | -\$2,000,000           | \$4,948,000  |
| SEG-Transfer | \$0                    | \$25,000,000                      | \$0                    | \$25,000,000 |
| GPR-Tribal   | \$0                    | -\$2,000,000                      | \$2,000,000            | \$0          |

**Governor:** Raise the fee for the nonresident deer hunting license by \$25.00 from \$157.25 to \$182.25, effective April 1, 2024. In addition to the license fee, nonresident deer hunters are assessed the \$2 wildlife damage surcharge and a \$0.75 issuing fee. Under the bill, the total fee for nonresident deer hunting licenses would rise from \$160 to \$185. The Administration estimates that the increased fee would raise an additional \$643,800 for the fish and wildlife account of the SEG conservation fund each year once in effect. In 2021-22, sales of nonresident deer hunting licenses raised \$4,279,000.

Deer hunting licenses are a primary source of revenue to the fish and wildlife account. Resident, nonresident, and reduced rate (such as senior and first-time buyer) deer hunting licenses are deposited in the balance of the fish and wildlife account and fund general account expenditures, such as wildlife program operations and county conservation aids.

**Joint Finance/Legislature:** Raise the fee for the nonresident deer hunting license by \$40, from \$160 to \$200, including fees, beginning on the effective date of the bill. Additionally, increase nonresident hunting and fishing license fees by \$5 and nonresident combination licenses by \$20, as shown in the table.

|                               |              | Act          | 19       | Estimated Annual |
|-------------------------------|--------------|--------------|----------|------------------|
|                               | Previous Fee | Fee Increase | New Fee  | Revenue Increase |
| Nonresident Hunting           |              |              |          |                  |

| Annual                        | 65.00        | 5.00         | 70.00    | 162,000          |
| Fifteen-Day                   | 40.00        | 5.00         | 45.00    | 60,000           |
| Nonresident Combination Licer | 1868         |              |          |                  |
| Conservation Patron           | \$600.00     | \$20.00      | \$620.00 | \$6,000          |
| Sports License                | 275.00       | 20.00        | 295.00   | 16,000           |
| Total                         |              |              |          | \$2,474,000      |

#### Fish and Wildlife Fee Increases -- Act 19

Further, increase the tribal gaming transfer to the fish and wildlife account of the conservation fund by \$1 million annually, from \$3 million to \$4 million. Make a one-time transfer of \$25 million from the forestry account of the conservation fund to the fish and wildlife account in 2023-24. In total, revenue to the fish and wildlife account would be expected to increase by \$28,474,000 in 2023-24 and by \$3,474,000 in 2024-25, under the provisions relative to current law.

**Veto by Governor [E-42]:** Delete the change in the value of the annual tribal gaming transfer. The tribal gaming transfer will equal \$3 million annually.

[Act 19 Sections: 217 thru 231 and 9232(1)]

[Act 19 Vetoed Section: 144]

#### 5. SPORTING LEAD-FREE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$50,000                   | - \$50,000                        | \$0        |

**Governor:** Provide one-time funding of \$50,000 in 2023-24 to develop a program to promote the use of lead-free ammunition. The program would focus on communication and outreach. Lead is a toxic metal that can cause developmental delays in people and damage the nervous systems of wild animals. Lead poisoning in animals can often lead to death. In recent years, federal rules have restricted the use of lead shot on federal refuges and for pursuit of certain species of game bird.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. **RESIDENCY VERIFICATION**

**Governor:** Allow Wisconsin residents purchasing hunting and fishing licenses, authorizations, and stamps to prove state residency using an identification card issued by DOT. Under current law, Wisconsin residents pay a lower price for hunting and fishing authorizations than nonresidents. To establish residency, purchasers must show they have maintained a permanent residence in Wisconsin for at least 30 days. Purchasers can demonstrate Wisconsin residency using a Wisconsin driver's license, utility bill, voting records, or income tax records. The bill would expand the categories of proof of residency to a non-driver identification card issued by DOT.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 7. LAC DU FLAMBEAU APPROVAL FEES

**Governor:** Amend a tribal gaming PR appropriation for payments to the Lac du Flambeau Band of Lake Superior Chippewa for fishing license approvals sold on the tribe's reservation to allow the appropriation's unencumbered balance to lapse to the general fund on June 30 of each odd-numbered fiscal year. Tribal gaming revenues are allocated to multiple purposes annually. Most tribal gaming appropriations lapse their unencumbered balance to the general fund at the close of each fiscal year. The bill would amend the Lac du Flambeau license approvals appropriation to allow it to lapse, similar to other tribal gaming appropriations. As of June 30, 2022, the appropriation had an unencumbered balance of \$507,000.

Current law authorizes DNR to remit an amount equal to the fees collected for certain fishing licenses sold within the Lac du Flambeau reservation to non-tribal members on behalf of DNR to the Lac du Flambeau band from tribal gaming PR. However, under s. 29.2295(5) of the statutes, to receive the approval fees, the tribe must have an agreement with DNR that requires the tribe to

use the fees only for reservation fishery management, and that limits tribal members' use of offreservation fishery rights. DNR has not had such an agreement with the tribe since 2013.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 8. TERRESTRIAL INVASIVE SPECIES GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,179,000                | - \$1,179,000                     | \$0        |

**Governor:** Create a program to provide grants to cooperative invasive species management areas (CISMAs) for surveying, monitoring, and controlling invasive species. Provide \$560,000 annually to fund the grants in a new conservation SEG annual appropriation. Additionally, provide \$28,000 annually for salary and fringe and \$1,500 for supplies and services to fund one LTE to administer the grants and coordinate with CISMAs.

Terrestrial invasive species include such plants as giant hogweed, garlic mustard, giant knotweed, and poison hemlock. CISMAs are organizations of landowners and land managers that work to develop a management plan to control invasive species within a defined geographical region. CISMAs receive limited operational support from DNR. DNR reports that the grants would provide stable funding and coordination for CISMAs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. ENDANGERED RESOURCES MATCH

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$900,000                  | - \$900,000                       | \$0        |

**Governor:** Raise the statutory cap on donations to the endangered resources program that may be matched with GPR from \$500,000 to \$950,000. Reestimate the match by \$450,000 in each year of the biennium. Revenues to the endangered resources (natural heritage conservation) program accrue primarily from donations from a voluntary income tax check-off program, and from sales of the \$25 endangered resources license plate. Other revenue includes private donations, the sale of resident wild ginseng harvest and Class A resident wild ginseng dealer licenses, sale of wild rice harvesting permits, and revenue from timber harvests in state natural areas. In 2021-22, these sources raised \$1,756,900 and were deposited to the endangered resources account of the conservation fund. Tax check-offs and other contributions are matched with GPR, up to \$500,000.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. WILD RICE RESTORATION AND PUBLIC EDUCATION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$400,000                  | - \$400,000                       | \$0        |

**Governor:** Create an appropriation for wild rice restoration in Northern Wisconsin's ceded territory, where tribes have treaty rights to harvest wild rice. Specify that at least \$50,000 each year be used for public education and outreach. Provide \$200,000 annually to fund wild rice stewardship. Wild rice, known as manoomin, is an important staple for many tribes, which harvest the rice for spiritual and cultural purposes. Wild rice harvests diminished in recent years as climate change and habitat destruction have altered the traditional river and wetland habitats for the plant. The funding would be used on public outreach on wild rice conservation efforts, seed purchases, and analysis of replanting efforts.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 11. FISH HATCHERY IMPROVEMENTS

**Joint Finance:** Provide \$2,500,000 in unobligated bonding authority from the stewardship program for improvements to the Les Voigt Fish Hatchery and the Brule State Fish Hatchery, including drilling new wells, facility maintenance, upgrades, and renovations, and the construction of new buildings.

Senate/Legislature: Modify language in the bill to replace references to "projects" with references to "hatcheries."

**Veto by Governor [E-38]:** Delete reference to specific facilities and funding levels, as well as the fiscal year allotments from which unobligated authority would be drawn. Act 19 requires DNR to use any unobligated funding from the stewardship program to fund projects that could include facility improvements and renovations, construction of new buildings, and drilling wells.

Under the stewardship program, DNR may obligate \$25.25 million in bonds and \$8 million SEG from the forestry account of the conservation fund (\$33.25 million in total) annually for land acquisition, property development, and local assistance grants for conservation and recreation projects. Funding is considered "unobligated" if DNR commits less than the full \$33.25 million annual allotment, typically through underspending or projects being completed under budget. Under prior law, DNR could not use unobligated bonding authority without legislative authorization. Act 19 allows DNR to use any unobligated bonding authority not otherwise committed, for the purposes specified.

[Act 19 Section: 194]

[Act 19 Vetoed Section: 194]

# Law Enforcement

#### 1. WARDEN SAFETY EQUIPMENT AND BODY-WORN CAMERAS [LFB Paper 595]

|            | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change                |
|------------|----------------------------|-----------------------------------|---------------------------|
| GPR<br>SEG | \$9,000<br><u>795,800</u>  | \$0<br>- 411,600                  | \$9,000<br><u>384,200</u> |
| Total      | \$804,800                  | - \$411,600                       | \$393,200                 |

**Governor:** Provide \$402,400 (\$4,500 GPR, \$15,900 environmental SEG, and \$382,000 conservation SEG) annually to purchase and operate body-worn cameras and other safety equipment for DNR law enforcement wardens. The provision would increase base funding to acquire electroshock stun guns (Tasers), automated external defibrillator (AED) units, and other supplies for the Division of Public Safety and Resource Protection (PSRP).

Of the funding provided, \$76,500 (\$4,500 GPR, \$4,100 environmental SEG, and \$67,900 conservation SEG) annually would be used to acquire AEDs. DNR anticipates acquiring 220 AED units over a six-year period. The units have an expected useable life of six years.

Additionally, \$205,800 annually (\$11,800 environmental SEG and \$194,000 conservation SEG) would be used to acquire body-worn cameras. DNR estimates that the cameras cost \$1,900 per year, including hardware, licensing, and data storage costs. The bill, and additional base-level funding, would be used to acquire and operate 176 body-worn cameras.

Thirdly, \$120,100 conservation SEG annually would be used to replace obsolete electroshock stun guns. The following table shows law enforcement equipment funding by between funding sources and PSRP functions.

| Fund Source/ Resource Area | <u>AEDs</u> | Body-Worn Cameras | Tasers    | <u>Subtotal</u> |
|----------------------------|-------------|-------------------|-----------|-----------------|
| GPR                        | \$4,500     |                   |           | \$4,500         |
| SEG                        | <b>.</b>    | ¢11.000           |           | ¢1,5,000        |
| Environmental Fund         | \$4,100     | \$11,800          |           | \$15,900        |
| Conservation Fund          |             |                   |           |                 |
| Boat Enforcement           | \$9,900     | \$19,800          |           | \$29,700        |
| Fish and Wildlife          | 45,300      | 136,300           | \$100,100 | 281,700         |
| ATV/UTV                    | 3,000       | 8,500             |           | 11,500          |
| Water Resources            | 700         | 2,100             |           | 2,800           |
| Parks                      | 6,100       | 18,400            | 13,500    | 38,000          |
| Forestry                   | 2,900       | 8,900             | 6,500     | 18,300          |
| Conservation Subtotal      | \$67,900    | \$194,000         | \$120,100 | \$382,000       |
| SEG Total                  | \$72,000    | \$205,800         | \$120,100 | \$397,900       |
| All Funds Total            | \$76,500    | \$205,800         | \$120,100 | \$402,400       |
|                            |             |                   |           |                 |

#### Annual Warden Safety Equipment and Body-Worn Camera Funding -- Governor

**Joint Finance/Legislature:** Modify the provision to authorize \$76,500 (\$4,500 GPR, \$4,100 environmental SEG and \$67,900 conservation SEG) as one-time funding in each year of the 2023-25 biennium to acquire AEDs. Additionally, provide \$120,100 conservation SEG as one-time funding in each year of the biennium to acquire electroshock stun guns.

In total, Act 19 provides \$196,600 in each year, including \$4,500 GPR, \$4,100 environmental SEG, and \$188,000 conservation SEG, for warden equipment upgrades. No additional funding is provided for body-worn cameras beyond base-level funding.

### 2. WARDEN OVERTIME

**Governor/Legislature:** Provide \$68,700 (\$6,700 environmental SEG and \$62,000 conservation SEG) in 2023-24 and \$138,900 (\$13,500 environmental SEG and \$125,400 conservation SEG) for overtime costs for DNR wardens. Under standard budget adjustments each budget cycle, funding associated with overtime and night and weekend differential is removed in the calculations of full funding of salaries and fringe benefits. The budget instructions related to overtime specify that the same dollar amounts only be restored through the standard budget adjustment for overtime. The provision includes sufficient funding for 42,100 hours of warden overtime, paid at wage rates that will be earned by DNR wardens in the 2023-25 biennium.

#### 3. LAW ENFORCEMENT OFF-ROAD VEHICLE SEG \$388,600 MODERNIZATION [LFB Paper 595]

**Governor:** Provide \$194,300 conservation SEG annually to acquire and upgrade off-road vehicles for DNR wardens. \$112,700 annually would be appropriated for snowmobile acquisition and \$81,600 would be appropriated for ATV acquisition. DNR reports that these amounts would fund the purchase of seven snowmobiles and eight ATVs each year, based on 2023 prices. DNR

SEG

\$207,600

wardens share responsibility for enforcing snowmobile and ATV laws with local snowmobile and ATV patrols.

PSRP owns 102 snowmobiles and 88 ATVs. Of these, 44 snowmobiles and 42 ATVs were acquired before 2015. DNR allots \$130,000 annually from law enforcement base budgets to replace outdated off-road vehicles. DNR reports that the cost of replacing these vehicles has grown significantly in recent years.

**Joint Finance/Legislature:** Modify the provision to authorize funding from the forestry account of the SEG conservation fund. Appropriate \$194,300 SEG annually from the forestry general program operations appropriation for law enforcement off-road vehicle acquisition.

# 4. TRANSFER SNOWMOBILE ENFORCEMENT FROM TRIBAL GAMING REVENUES

|                    |                                   | Governor<br>(Chg. to Base) |  | Jt. Finance/Leg.<br>(Chg. to Gov) |                | Change                 |
|--------------------|-----------------------------------|----------------------------|--|-----------------------------------|----------------|------------------------|
|                    | Funding                           | Positions                  | Funding                                  | Positions                         | Funding        | Positions              |
| PR<br>SEG<br>Total | - \$2,619,000<br>2,619,000<br>\$0 |                            | \$2,619,000<br>- <u>2,619,000</u><br>\$0 | 9.00<br><u>- 9.00</u><br>0.00     | \$0<br><br>\$0 | $0.00 \\ 0.00 \\ 0.00$ |

**Governor:** Repeal the tribal gaming PR appropriation for snowmobile enforcement. Delete \$1,309,500 and 9.0 positions annually. Provide \$1,309,500 and 9.0 positions annually in the conservation SEG snowmobile enforcement appropriation. The provision is part of a reallocation of tribal gaming revenues to other programs intended to benefit tribal communities. [See "Administration -- Division of Gaming."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 5. ATV AND UTV ENFORCEMENT

SEG \$1,100,000

**Joint Finance/Legislature:** Direct DNR to reallocate 3.0 positions and funding from existing vacancies within DNR to the ATV law enforcement appropriation. DNR would be required to report the positions reallocated under the provision for inclusion in the final appropriations schedule for the 2023-25 biennium. Under current law, DNR has 9.0 full-time warden positions funded from the ATV/UTV account of the SEG conservation fund, which increases to 12.0 wardens under the provision.

Additionally, increase funding for county ATV enforcement aids by \$550,000 annually, from \$750,000 to \$1,300,000. Funding from the ATV account of the SEG conservation fund is provided for aids to counties for up to 100% of the eligible costs of ATV/UTV enforcement activities. Aids are prorated if eligible claims exceed the appropriation level.

**Veto by Governor [E-40]:** Delete reference to the number of positions to be reallocated and specific positions for ATV and UTV law enforcement. Delete the requirement that DNR report reallocations made under the provision to the Joint Committee on Finance.

As a result of the Governor's partial veto, Act 19 directs DNR to reallocate existing positions to serve a conservation purpose at the agency's discretion. The Department is to report any reallocations for inclusion in the final appropriations schedule; the Governor's veto message indicated that reporting will be made to DOA and the Legislative Fiscal Bureau.

[Act 19 Section: 9132(1)]

[Act 19 Vetoed Section: 9132(1)]

# 6. SNOWMOBILE COUNTY ENFORCEMENT AIDS

SEG \$400,000

**Joint Finance/Legislature:** Increase funding for county snowmobile enforcement aids by \$200,000 annually, from \$396,000 to \$596,000. Funding from the snowmobile account of the conservation fund is available annually for aids to counties for up to 100% of eligible costs of enforcing snowmobile laws. Aid payments are prorated if claims exceed the appropriation level.

# Waste, Remediation, and Air

# 1. **PFAS MUNICIPAL GRANT PROGRAM** [LFB Papers 600 and 601]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$85,000,000               | - \$85,000,000                    | \$0        |
| SEG   | 15,000,000                 | - 15,000,000                      | 0          |
| Total | \$100,000,000              | - \$100,000,000                   | \$0        |

**Governor:** Provide \$85 million GPR in 2023-24 and \$15 million environmental management SEG in 2024-25 in continuing appropriations for the creation of a grant program for municipalities to investigate and respond to per- and polyfluoroalkyl substances (PFAS) contamination statewide. PFAS are synthetic chemicals commonly found in nonstick surfaces and cookware, paint, and firefighting foam. Research and studies indicate that PFAS are toxic to humans. PFAS do not easily degrade and tend to accumulate in humans and the environment. Since 2013, numerous sites have shown to have PFAS contamination in groundwater, drinking water, surface water, sediment, or soil as a result of various private and governmental uses of the chemicals.

*Municipality Eligibility*. Specify that eligible municipalities include any city, village, town, county, tribal government, utility district, lake protection district, sewerage district, or municipal

airport, and require one of the following to have occurred: (a) the municipality or a third party tested or trained with a class B firefighting foam that contained intentionally added PFAS in accordance with applicable state and federal law, and within the boundaries of the municipality; (b) the municipality applied bio-solids to land under a DNR-issued wastewater permit; or (c) PFAS are impacting the municipality's drinking water supply, surface water, or groundwater within the area controlled by the municipality, and the responsible party is unknown, unwilling, or unable to take the necessary response actions. Require applicants to contribute matching funds equal to at least 20% of the amount of the grant, including either cash or in-kind contributions.

*Eligible Activities.* Authorize DNR to award grants for any of the following activities: (a) investigating potential PFAS impacts to the air, land, or water at a site or facility; (b) treating or disposing of PFAS-containing firefighting foam containers from a municipal site or facility; (c) sampling a private water supply within three miles of a site or facility known to contain PFAS or to have caused a PFAS discharge; (d) providing a temporary emergency water supply, a water treatment system, or bulk water to replace water contaminated with PFAS; (e) conducting emergency, interim, or remedial actions to mitigate, treat, dispose of, or remove PFAS contamination in the air, land, or waters of the state; (f) removing or treating PFAS in a public water system using the most cost-effective method to provide safe drinking water in areas where PFAS levels exceed either the maximum contaminant level or an enforcement standard for PFAS, or where the state has issued a health advisory for PFAS; and (g) sampling and testing in schools and daycares.

*Evaluation Criteria*. DNR would be required to consider the following: (a) a municipality's demonstrated financial and administrative commitment to performing and completing eligible activities; (b) the degree to which the project would have a positive impact on public health and the environment; and (c) other criteria on which DNR prioritizes available grant funds. Authorize DNR to request any applicant provide information necessary to determine the eligibility of the project, identify the funding requested, determine the priority of the project, and calculate the amount of a grant.

*Emergency Rules.* Authorize DNR to issue emergency rules for the PFAS municipal grant program, without the finding of emergency or providing evidence that an emergency rule is necessary to preserve public health, peace, safety or welfare. Waive the requirements that DNR prepare a scope statement and submit proposed emergency rules to the Governor.

Joint Finance/Legislature: Provision not included.

### 2. **PFAS MANAGEMENT STAFFING** [LFB Paper 602]

|     | (Chg        | vernor<br><u>. to Base</u><br>Positio |               | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-------------|---------------------------------------|---------------|---|-----|----------------------------|
| SEG | \$1,663,600 | 11.00                                 | - \$1,663,600 | - 11.00                                 | \$0 | 0.00                       |

**Governor:** Provide \$729,400 in 2023-24 and \$934,200 in 2024-25 with 11.0 positions to remediate and manage PFAS.

The following table summarizes positions recommended by the Governor by DNR program area. All positions shown would be funded from the environmental management account of the environmental fund, except those for wildlife management, which would be supported by the fish and wildlife account of the conservation fund.

| DNR Program / Positions                             | <u>2023-24</u> | <u>2024-25</u> | <b>Positions</b> |
|---|----------------|----------------|------------------|
| Drinking and Groundwater                            |                |                |                  |
| Water Supply Specialists                            | \$176,900      | \$226,200      | 3.00             |
| Water Quality                                       |                |                |                  |
| Wastewater Specialists                              | 125,600        | 164,400        | 2.00             |
| Air Management                                      |                |                |                  |
| Air Management Engineer / Air Management Specialist | 175,700        | 214,600        | 2.00*            |
| Remediation and Redevelopment                       |                |                |                  |
| Hydrogeologist Program Coordinator / Hydrogeologist | 125,600        | 164,400        | 2.00             |
| Waste and Materials Management                      |                |                |                  |
| Hydrogeologist                                      | 62,800         | 82,300         | 1.00             |
| Wildlife Management                                 |                |                |                  |
| Toxicologist  | 62,800         | 82,300         | 1.00             |
| Total   | \$729,400      | \$934,200      | 11.00            |
|   |                |                |                  |

\* Includes 1.0 four-year project position.

The Administration indicates that the 11.0 staff would have the following responsibilities: (a) 3.00 drinking and groundwater staff would sample and address contaminants in drinking water and develop and implement federally-compliant administrative rules relating to PFAS regulation; (b) 2.00 water quality staff would develop water quality standards for PFAS based on Department of Health Services recommendations and assist in PFAS effluent monitoring; (c) 2.00 air management staff would identify sources of PFAS air emissions and operate the state's ambient air deposition monitoring network to monitor for PFAS; (d) 2.00 remediation and redevelopment staff would develop guidelines for PFAS sampling and establish standard procedures related to sampling, lab analysis, site screening, and cleanup standards; (e) 1.00 waste and materials management position would develop safe disposal and treatment methods for PFAS-containing wastes and evaluate landfills for potential waste disposal; and (f) 1.00 wildlife management position would develop PFAS sampling methodologies for wildlife, educate local communities impacted by PFAS in wildlife, and coordinate with DHS to establish health advisories for consumption of PFAS-impacted wildlife.

Joint Finance/Legislature: Provision not included.

### 3. STATEWIDE PFAS SAMPLING AND TESTING [LFB Paper 603]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$2,210,000                | - \$2,210,000                     | \$0        |

Governor: Provide \$1,480,000 in 2023-24 and \$730,000 in 2024-25 for statewide PFAS

sampling and testing. The Administration indicates the following intended uses of the funds: (a) \$600,000 each year for investigation, mitigation, and testing for PFAS and other emerging contaminants on properties where responsible parties cannot be identified, refuse to take timely action, or where contaminants pose an active threat to human health; (b) \$750,000 in 2023-24 for well sampling and testing; (c) \$55,000 each year to survey and analyze 44 large rivers across the state and their watersheds for PFAS; (d) \$50,000 in each year to collaborate with the University of Wisconsin-Madison and nearby states to identify sources of PFAS, impacted waterways, and possible fish consumption concerns for vulnerable populations; and (e) \$25,000 each year to sample wastewater where PFAS is suspected.

Joint Finance/Legislature: Provision not included.

# 4. **PFAS SUBSTANCE EMERGENCY MEASURES** [LFB Paper 603]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,800,000                | - \$1,800,000                     | \$0        |

**Governor:** Provide \$900,000 annually to support PFAS emergency measures. The Administration indicates that funding would be used to distribute bottled water or other alternative water supplies to communities impacted by PFAS contamination in drinking water.

Joint Finance/Legislature: Provision not included.

# 5. **PFAS-CONTAINING FIREFIGHTING FOAM DISPOSAL** [LFB Paper 604]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 in one-time funding in 2023-24 for the second phase of disposal and cleanup of PFAS-containing firefighting foam. 2021 Act 58 created a continuing appropriation and provided \$1 million for phase one, which involved contracting with a vendor to collect and dispose of foams from fire departments throughout the state. The Administration indicates that phase two would involve DNR establishing an up-to-date registry of PFAS-containing firefighting foam inventory. Additionally, the bill would direct a portion of the funds to support local fire departments in purchasing non-PFAS-containing foams.

Joint Finance/Legislature: Provision not included.

# 6. **PFAS STANDARDS**

**Governor:** Require DNR to promulgate emergency rules to establish acceptable levels, performance standards, monitoring requirements, and required response actions for PFAS. Require

rules to apply to any per- or polyfluoroalkyl substance, or group or class of substances, that DNR determines are harmful to human health and the environment in the following media: (a) drinking water; (b) surface water from both point sources and nonpoint sources; (c) groundwater; (d) air, if necessary to provide adequate protection for public health and welfare; (e) solid waste and solid waste facilities; (f) beds of navigable waters; and (g) soil and other sediment.

In addition, require DNR to promulgate emergency rules to do the following: (a) add individual substances or classes of PFAS to the list of toxic pollutants in water for setting state effluent standards under the Wisconsin Pollutant Discharge Elimination System for wastewater, provided DNR determines the substance or class to be harmful to human health; (b) identify and list PFAS as a hazardous waste constituent, provided DNR determines the listing necessary to protect human health, safety, or welfare; and (c) administer and enforce requirements under Chapter 292 of the statutes, related to remedial cleanup of hazardous substance discharges, for PFAS discharges to the environment.

Require rules described above to include sampling, monitoring, testing, enforcement, and response provisions for at least the following substances: perfluorooctanoic acid (PFOA), perfluorooctane sulfonic acid (PFOS), perfluorohexane sulfonic acid (PFHxS), perfluorononanoic acid (PFNA), and perfluorobutane sulfonic acid (PFBS). Specify DNR may promulgate emergency rules without finding of emergency or providing evidence the rule is necessary to preserve public health and welfare. Specify emergency rules remain in effect until July 1, 2024, or the date on which permanent rules take effect, whichever is sooner.

*Groundwater Contaminants List.* Require DNR to add to the state list of groundwater contaminants any individual PFAS or class of PFAS shown to involve public health concerns and that has a reasonable probability of entering the groundwater. By statute, any substance added to the state list of groundwater contaminants is assessed for risks to public health or welfare. The Department of Health Services (DHS) and DNR then must establish an enforcement standard and preventive action limit for each substance. Enforcement standards generally represent the maximum level of contamination to which the public can be exposed; remedial responses are required if groundwater exceeds an enforcement standard. Preventive action limits by statute are between 10% and 50% of the enforcement standard, and are levels at which contamination could be investigated and mitigated to prevent an enforcement level exceedance.

Additionally, the bill would authorize DHS to recommend enforcement standards for each individual PFAS, PFAS as a class of substances, or different groups of PFAS. If DHS were to recommend an enforcement standard for PFAS, DNR would be required to apply the standard as an interim enforcement standard, unless emergency or permanent rules implemented an enforcement standard for the same substances. Further, if an interim enforcement standard were applied, DNR would be required to establish an interim preventive action limit of 20% of the concentration of the interim enforcement standard.

Further, the bill would require DNR to establish a DHS-recommended enforcement standard for an individual PFAS or class of PFAS as an interim maximum contaminant level (MCL) for public water systems, water suppliers, and certified laboratories analyzing drinking water, unless emergency or permanent rules had taken effect. This would take effect on the first day of the seventh month beginning after the bill's publication. Under current law, no water source exceeding

any primary MCL may be connected to a public water system.

*Water Quality Standards*. Require DNR to promulgate water quality standards for PFOA, PFOS, PFHxS, PFNA, and PFBS, in addition to any other individual PFAS or class of PFAS that DNR determines is harmful to human health, and from which it is necessary to protect a water's designated use. Water quality standards are established by DNR to describe conditions under which state waters can fulfill designated uses such, including those supporting fish, wildlife and human domestic, commercial or recreational activities.

*Air Standards and Emissions Reporting.* Create a finding that PFAS emissions standards are required to provide adequate protection of public health and welfare. (The finding would be inconsistent with nonstatutory language under the provision giving DNR discretion to determine whether air standards were necessary to protect public health. A modification to the bill would clarify the provision's intent.) Require DNR to promulgate emissions standards for any known PFAS to adequately protect public health, but specify DNR is to account for energy, economic, and environmental impacts or other costs affecting emissions sources.

Further, require DNR to consider all PFAS as air contaminants for purposes of required reporting of certain hazardous substance or air contaminant discharges in Wisconsin. Establish the reporting level of zero pounds per year, meaning any emissions would be subject to reporting. The bill would direct DNR to establish procedures for determining financial responsibility for PFAS contamination.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 7. CERTIFIED PFAS TESTING LABORATORIES

**Governor:** Require DNR to issue emergency rules for certifying laboratories that test for PFAS, including standards and methods for testing. Rules would remain in effect until July 1, 2024, or the date on which permanent rules take effect, whichever is sooner. Specify that DNR is not required to make a finding of an emergency, and is not required to provide evidence that emergency rules are necessary for the protection of public health, safety, or welfare. Specify that DNR may require testing for PFAS using nationally recognized procedures prior to emergency rules being issued.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 8. FINANCIAL RESPONSIBILITY FOR PFAS

**Governor:** Authorize DNR to require proof of financial responsibility from individuals or businesses that possess or control PFAS. Financial responsibility would be intended to ensure means of addressing potential discharges or contamination, including emergency responses, remedial action, and long-term care of contaminated sites. Require DNR to establish rules for procedures to determine when proof of financial responsibility is necessary. Specify that rules may establish types of financial responsibility, procedures for calculating necessary amounts, and other conditions determined by DNR. Specify proof of financial responsibility for PFAS is in addition to any other requirements provided under Chapter 292 of the statutes (environmental remedial action).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. HAZARDOUS SUBSTANCE DISCHARGE INVESTIGATIONS

**Governor:** Authorize DNR to request, from an individual or business that generated a solid or hazardous waste at a site under DNR investigation, any records or documents related to waste that was transported to, treated at, stored at, or disposed of at another site, facility or location. Records or documents may include information on: (a) the type and quantity of waste generated; (b) the site or facility to which it was transported, treated, or stored; and (c) the dates and locations of the aforementioned activities.

Currently, the state environmental repair law under s. 292.31 of the statutes authorizes DNR to request, and requires persons to provide, information regarding wastes or discharges at sites under investigation for environmental contamination. Such investigations are intended to determine the nature and extent of contamination and the identity of potentially responsible parties. The bill would amend current authority to include investigations of solid or hazardous wastes that were moved to other sites.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 10. BAN ON COAL TAR-BASED SEALANTS

**Governor:** Beginning January 1, 2024, prohibit the sale of coal tar-based sealant products and sealant products containing more than 0.1% polycyclic aromatic hydrocarbons (PAHs) by weight. Additionally, prohibit the use of these products beginning July 1, 2024. Authorize DNR to grant exemptions for research on the effects of a coal tar sealant or high-PAH sealant, or for a person developing an alternative technology if prohibited compounds are required for research or development.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. CREATE REVITALIZE WISCONSIN PROGRAM AND ELIMINATE DRY CLEANER ENVIRONMENTAL RESPONSE PROGRAM

|     | <u>(Chg.</u> | ernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>'hange</u><br>Positions |
|-----|--------------|---------------------------------------|-------------|---|-----|----------------------------|
| SEG | \$8,180,500  | 1.00 - \$                             | \$8,180,500 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Create a program known as Revitalize Wisconsin to provide grants to local governments and private parties to address properties contaminated by the discharge of hazardous substances. The provision would also eliminate the current dry cleaner environmental response program (DERP) while incorporating reimbursement for cleanup of dry cleaning sites in the new program. The paragraphs below describe the program changes in greater detail.

#### **Revitalize Wisconsin**

*Program Eligibility.* Authorize the Department to award aids for the following types of contaminated sites: (a) brownfields; (b) sites owned by local governments, and that were acquired through such means as tax delinquency, condemnation, blight clearance, or certain other acquisitions; (c) persons with property affected by an off-site discharge; or (d) lenders who acquired a contaminated property through enforcement of a security interest (foreclosure).

Also, provide that DNR may award funds to sites being remedied under the state spills law, and owned by the following private parties who acquired a contaminated property through an arms-length transaction: (a) a bank, trust company, or credit union; (b) a developer; (c) a nonprofit or for-profit business; or (d) an innocent landowner. An innocent landowner would be an owner that acquired the property prior to November 1, 2006, has continuously owned the property, and can demonstrate or document either of the following: (a) that the discharge or environmental pollution on the property was caused by another person and that the property owner did not know, and had no reason to know, of the discharge or environmental pollution when the owner acquired the property; or (b) that the property owner conducted all appropriate inquiries as specified under federal law prior to acquisition, that the discharge or environmental pollution on the property was caused by another person and that the property as caused by another person to know and had no reason to know of the discharge or environmental pollution on the property was caused by another person and that the property owner acquired the property was caused by another person and that the property environmental pollution on the property was caused by another person and that the property environmental pollution on the property was caused by another person, and that the property owner did not know and had no reason to know of the discharge or environmental pollution on the property was caused by another person, and that the property owner did not know and had no reason to know of the discharge or environmental pollution when the owner acquired the property.

Limit aids to recipients who did not cause a discharge of a hazardous substance, except for aids that may be provided to sites for which the owner or operator applied for assistance under the DERP before its repeal. (The DERP is discussed in a separate section.) Specify DNR aids may be grants, direct services, or, in the case of DERP-eligible sites, reimbursements for cleanup.

*Eligible Costs.* Eligible activities for grants under the program would include: (a) assessment and investigation of a discharge or environmental pollution; (b) interim and remedial actions to remove hazardous substances from contaminated media; (c) treatment and disposal of contaminated media; (d) vapor intrusion assessment and mitigation; (e) removal of abandoned containers under Chapter 292 of the statutes; (f) asbestos abatement activities conducted as part of redevelopment activities; (g) environmental monitoring; (h) restoration of a private potable water

supply; (i) removal of underground substances or petroleum product storage tanks; (j) preparation of documentation to apply for case closure; and (k) other costs as determined by DNR.

Specify that DNR may not award aid to an applicant under the Revitalize Wisconsin program for any of the following: (a) cost of activities conducted prior to award of aid; (b) cost of activities that the Department determines are not integral to the investigation and remediation of a discharge; or (c) legal fees or investigations conducted outside Wisconsin.

Specify that DNR may require an applicant to provide a match, either in cash or in kind, for any aid that is awarded under the program. Specify that activities for which aid may be provided include: (a) removing hazardous substances from contaminated media such as surface waters, groundwater, or soil; (b) investigating and assessing the discharge or environmental pollution; (c) removing abandoned containers; (d) asbestos abatement; and (e) restoring or replacing a private potable water supply. Allow DNR to inspect all applicant documents if such documents are relevant to the financial assistance application.

*Funding*. Create a biennial appropriation and provide base funding of \$3,000,000 environmental management SEG for aids and other payments to pending DERP claims, as described in a separate section. Require DNR to designate 15% of funds appropriated for aid to small or disadvantaged communities. Limit awards to one per site or facility in a fiscal year, except for DERP claims.

Additionally, create a biennial appropriation with \$3,000,000 environmental management SEG in 2023-24 and \$500,000 beginning in 2024-25 for removing waste materials from abandoned properties, and for sampling and testing properties to assess risks of damage to the public health or environment. Provide \$62,800 in 2023-24 and \$82,300 in 2024-25 from environmental management SEG with 1.0 permanent position for creation and administration of the Revitalize Wisconsin program, and also provide \$31,300 annually for limited-term employee (LTE) staff salaries and fringe.

*Rules*. Authorize DNR to promulgate rules to administer the Revitalize Wisconsin program, including: (a) criteria for determining aid; and (b) records to be retained by an applicant and the minimum period for retention. Provide that DNR may inspect any document held by an applicant that is relevant to an application for aid.

### Dry Cleaner Environmental Response Program

*Sunset*. Repeal the dry cleaner environmental response program (DERP) and its associated fund and council. Specify fees from dry cleaning operations received under current law are to be deposited to the environmental management account. Additionally, convert 2.0 SEG positions and annual funding of \$228,000 annually for program administration from DERF SEG to environmental management SEG, and delete \$763,600 each year for DERP cleanup awards.

*Claims Backlog.* As of January, 2023, there were 53 pending claims, with \$3,065,800 approved for payment and \$264,000 awaiting approval. DNR indicates that diminishing revenues to the fund would likely prevent the program from ever reimbursing the approved claims. The bill would provide that for any fiscal year in which there remain DERP sites awaiting payment of

claims submitted by the bill's effective date, DNR is to allocate a portion of the \$3,000,000 annual Revitalize Wisconsin awards appropriation to payment of those claims, up to \$1,000,000 per year. For DERP-eligible sites that have not submitted claims, DNR is to allocate \$450,000 each year from the Revitalize Wisconsin awards appropriation to pay those claims, until DNR determines the sites closed under current law.

This provision also would transfer the DERP's unencumbered balance, and an outstanding loan liability to the land recycling loan program under the environmental improvement fund (EIF), to the environmental management account. The dry cleaner environmental response fund (DERF), which funds the program, had a negative balance as of June 30, 2022, mostly attributable to a loan issued in 2008 from the land recycling loan program. The loan may not be forgiven. As of February, 2023, \$13,000 in principal had been repaid and \$5,900 in interest from the DERF to the EIF. A total of \$522,100 in interest has accrued, and \$6,709,100 is outstanding on the loan. The bill would provide authority to the Secretaries of DNR and DOA to ensure any repayment required to the EIF.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 12. FUNDING FOR GREAT LAKES CONTAMINATED SEDIMENT REMOVAL [LFB Paper 605]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| BR  | \$15,000,000               | - \$15,000,000                    | \$0        |
| GPR | 0                          | 7,500,000                         | 7,500,000  |

**Governor:** Increase bonding authority by \$15,000,000 for removing contaminated sediments in Lake Michigan, Lake Superior, and their tributaries. Since 2007, DNR has been authorized \$40 million in contaminated sediment bonding authority, including \$4 million provided by 2021 Act 58. Of these amounts, DNR has committed \$36.3 million as of February, 2023. Funding under the provision would support a portion of approximately \$40.3 million in additional priority state funding obligations identified for remediation in the Portage Canal, Milwaukee Estuary, Sheboygan River, St. Louis River, and Lake Superior.

Debt service for contaminated sediment bonding is supported by environmental management SEG. This debt service is estimated at \$1.9 million in 2023-24 and \$2.0 million in 2024-25.

**Joint Finance/Legislature:** Delete \$15.0 million in bonding and instead, provide \$7,500,000 GPR in 2023-24 in a new, continuing appropriation for removing contaminated sediments in Lake Michigan, Lake Superior, and their tributaries.

[Act 19 Section: 71]

#### **13. NONMETALLIC MINING APPROPRIATION**

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| PR      | \$400,000                  | - \$400,000                       | \$0        |
| SEG-REV | - 400,000                  | 400,000                           | 0          |

**Governor:** Create a continuing, all-monies-received program revenue appropriation in which to deposit nonmetallic mining fees. Estimate monies received at \$200,000 annually. Direct all monies received from nonmetallic mining fees to be used for the administration and enforcement of the state's nonmetallic mining regulations. Under current law, fees relating to nonmetallic mining are deposited into the segregated environmental fund, to be used for environmental management activities generally.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 14. AIR MANAGEMENT PROGRAM POSITION TRANSFERS [LFB Paper 606]

|                    |  | ernor<br><u>to Base</u> ) | <u>(Chg.</u> 1                              | nce/Leg.<br>to Gov <u>)</u>     | <u>(Chg.</u>           | <sup>7</sup> eto<br><u>to Leg.)</u> |  | hange                           |
|--------------------|--|---------------------------|---|---------------------------------|------------------------|-------------------------------------|--|---------------------------------|
|                    | Funding 1                                | Positions                 | Funding                                     | Positions                       | Funding                | Positions                           | Funding                                    | Positions                       |
| PR<br>SEG<br>Total | - \$1,792,200<br><u>1,792,200</u><br>\$0 | 8.75 -                    | \$665,200<br><u>1,792,200</u><br>51,127,000 | 1.75<br><u>- 8.75</u><br>- 7.00 | \$0<br><u>0</u><br>\$0 | 0.00                                | - \$1,127,000<br><u>0</u><br>- \$1,127,000 | - 6.00<br><u>0.00</u><br>- 6.00 |

**Governor:** Transfer 8.75 positions and \$896,100 PR funded by operation permit fees for federally-regulated (Title V) stationary air pollution sources to environmental fund SEG. The positions to be transferred are those budgeted for Division of Environmental Management administration, enforcement and other all-agency programs, on the basis of staffing associated with the federal operation permit program. The Administration indicates permit fee revenues from federally-regulated sources are insufficient to fund all currently authorized positions. The positions and funding to be moved from PR to SEG are summarized in the following table.

#### Air Program Position Transfers -- Governor

| DNR Program                               | Funding   | <b>Positions</b> |
|---|-----------|------------------|
| Environmental Management Administration   | \$249,200 | 2.00             |
| Enforcement                               | 117,300   | 1.00             |
| External Services                         |           |                  |
| Customer Services                         | 226,700   | 3.25             |
| Environmental Analysis and Sustainability | 300,400   | 2.50             |
| Communications                            | 2,500     | 0.00             |
| Total                                     | \$896,100 | 8.75             |

In addition, transfer 3.0 PR vacant air management positions and \$228,900 PR from the appropriation for federally-regulated sources to the appropriation for state-regulated sources. Additionally, transfer 1.0 PR vacant air management position and \$77,800 PR from the appropriation for federally-regulated sources to the PR appropriation for asbestos management. Finally, transfer 1.0 FED vacant position and \$77,800 FED from air management to the safe drinking water loan program. The provision is intended to reallocate positions according to current staffing needs and available funding sources.

**Joint Finance/Legislature:** Delete 7.0 vacant positions and \$563,500 PR annually in associated funding. Deleted positions would include 4.0 classified positions from air management and 2.0 classified positions from customer services. Additionally, 1.0 vacant division administrator position, which has been vacated as a result of past agency reorganization activities, would be deleted. The bill would reduce from 10 to 9 the number of DNR unclassified division administrator positions authorized under s. 230.08(2)(e) of the statutes. The provision would not include any transfers of positions or funding.

**Veto by Governor [E-45]:** Delete the statutory change reducing the number of division administrators. As a result of the Governor's partial veto, 1.0 PR position is restored.

[Act 19 Vetoed Section: 430]

### 15. WASTE MANAGEMENT POSITIONS TRANSFER

**Governor/Legislature:** Transfer 3.0 waste management positions and \$360,500 SEG from recycling administration to general operations to better align position funding with assigned duties.

### 16. LANDFILL FOOD WASTE STUDY

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$250,000                  | - \$250,000                       | \$0        |

**Governor:** Provide \$250,000 in 2024-25 in one-time funding to support a landfill food waste study. DNR has historically contracted for a waste characterization study to determine the contents of state waste in order to better inform policy on recycling and waste management. The most recent study was completed in 2021.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **17. PFAS TRUST FUND**

| GPR-Transfer | \$110,000,000 |
|--------------|---------------|
| SEG-Transfer | 15,000,000    |
| Total        | \$125,000,000 |

**Joint Finance/Legislature:** Create a segregated PFAS trust fund. Create from the fund a continuing appropriation as the amounts in the

schedule for addressing and preventing perfluoroalkyl and polyfluoroalkyl substances

contamination in this state. Transfer \$110,000,000 from the general fund and \$15,000,000 environmental management SEG in 2023-24 to the fund. Specify that fund revenues include: (a) transfers to the PFAS trust fund under the bill or other acts; (b) all monies, other than fines and forfeitures, received under settlement agreements or orders in settlement of actions or proposed actions for violations of Chapters 280 to 299 that relate to per- and polyfluoroalkyl substances; (c) all donations, gifts, and bequests; and (d) all income and interest earned by the fund. Specify that the unencumbered balance of the PFAS-containing firefighting foam cleanup appropriation, s. 20.370 (4)(ps), be transferred to the fund.

Under the provision, the PFAS fund would have no amounts appropriated in the 2023-25 biennium. Transfers and other revenues would be available for DNR to request for release by the Joint Committee on Finance, or the fund balance could be further directed or appropriated in separate legislation.

[Act 19 Sections: 79, 197, 210, and 9232(2) thru (4)]

# 18. REAUTHORIZE FUNDING FOR CLEANUP OF SEG \$3,450,000 ELECTRONIC WASTE [LFB Paper 607] \$3,450,000 \$3,450,000 \$3,450,000 \$3,450,000

**Joint Finance/Legislature:** Modify the statutory language of s. 20.370 (4)(hs), the annual appropriation for electronic waste cleanup related to 5R Processors, to be continuing. Reauthorize the unencumbered, unexpended balance of the appropriation (\$1,450,000) to allow continued funding for the intended cleanup initiatives in the 2023-25 biennium, and authorize an additional \$2,000,000 for increased cleanup costs in the 2023-25 biennium.

5R Processors, now defunct, operated as an electronics and appliance recycling firm with several sites in Wisconsin, including Ladysmith (Rusk County), Glen Flora (Rusk County), Catawba (Price County) and West Bend (Washington County). 2021 Wisconsin Act 234 intended to create a continuing appropriation for state-funded cleanup of company sites containing toxic or hazardous wastes. Monies in continuing appropriations do not lapse to the balance of the source fund, and Act 234 intended to allow DNR to expend all monies appropriated for the cleanup purposes until exhausted. The provision conforms the appropriation to the intent of Act 234 and provides additional funding based on updated cost estimates. Total funding under the appropriation is \$3,450,000 environmental management SEG in 2023-24.

[Act 19 Sections: 72 and 452]

# Water Quality

#### 1. WELL COMPENSATION GRANT PROGRAM [LFB Paper 610]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 in 2024-25 for well compensation and well abandonment grants. DNR's well compensation grant program provides funding to eligible landowners or renters to replace, reconstruct, or treat contaminated private water supplies that serve a residence or provide water to livestock. The bill would also make changes to program eligibility and awards provisions as described in the following paragraphs.

*Eligibility.* Change eligibility criteria for the well compensation grant program as follows: (a) increase the annual family income limit to \$100,000 from \$65,000; (b) allow an owner or renter of a transient non-community water supply to apply for a grant; (c) specify that a well producing water containing levels of a per- or polyfluoroalkyl substance in excess of the maximum level set by federal or state law is an eligible contaminated well under the program, if no primary maximum contaminant level under federal law or state enforcement standard has been established for the compound; and (d) specify a well or private water supply that produces water with a concentration of at least 10 parts per billion of arsenic or 10 parts per million of nitrate-nitrogen is an eligible contaminated well or contaminated private water supply. A transient non-community water supply is defined as a water system that serves at least 25 persons at least 60 days of the year but that does not regularly serve at least 25 of the same persons over six months per year.

Additionally, repeal the requirement that if a claim is based on contamination by nitrates and not by any other substance, DNR may make a well compensation award only if the well: (a) is used as a source of drinking water for livestock or for both livestock and a residence; (b) is used at least three months of each year and while in use provides an estimated average of more than 100 gallons per day for consumption by livestock; and (c) produces water containing nitrates exceeding 40 parts per million (ppm) nitrate-nitrogen. This would make residential wells with nitrate contamination eligible for the program.

*Grant Awards*. Further, make the following program changes regarding well compensation grant awards: (a) allow a claimant whose family income is below the state's median income (estimated currently at \$67,100 for a family of four) to receive a grant of up to 100% of eligible project costs, rather than 75% under current law, but not to exceed \$16,000 as under current law; and (b) eliminate the requirement to reduce an award by 30% of the amount by which the claimant's income exceeds \$45,000 if the claimant's family income exceeds \$45,000.

Further, create an exception to the current requirement that DNR must allocate money for the payment of claims according to the order in which completed claims are received. The exception would specify that if the well compensation grant program has insufficient funds to pay claims, DNR would have discretion to prioritize claims based on nitrate contamination in the following order of priority: (1) claims based on water containing more than 40 ppm nitrate nitrogen; (2) claims based on water containing more than 30 but not more than 40 ppm nitrate nitrogen; (3) claims based on water containing more than 25 but not more than 30 ppm nitrate nitrogen; (4) claims based on water containing more than 20 but not more than 25 ppm nitrate nitrogen; and (5) claims based on water containing more than 10 but not more than 20 ppm nitrate nitrogen.

Under current law, DNR is appropriated \$200,000 environmental management SEG each year in a continuing appropriation for well compensation grants, although \$1,000,000 in additional funding was provided in the 2021-23 biennium on a one-time basis. In 2022, the Governor also allocated federal funding of \$10 million. Well compensation grants would be appropriated a total of \$200,000 in 2023-24 and \$1,200,000 in base funding beginning in 2024-25 under this provision.

**Joint Finance/Legislature:** Create a new GPR continuing appropriation under DNR for well compensation and well abandonment grants under s. 281.75 of the statutes. Specify that funding of \$1,000,000 be placed in the Joint Committee on Finance supplemental appropriation in 2023-24. [See "Program Supplements."]

Under Act 19, DNR is appropriated \$200,000 environmental management SEG each year in a continuing appropriation for well compensation grants. The program also has available SEG carryover balances of approximately \$3.1 million. Additional funding of up to \$1,000,000 GPR could be released by the Joint Finance Committee if requested by DNR under s. 13.10 of the statutes. Federal funding also remains available through 2024.

[Act 19 Section: 81]

# 2. WELL CONSTRUCTION NOTIFICATION FEE

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|--------|----------------------------|-----------------------------------|------------|
| PR-REV | \$320,000                  | - \$320,000                       | \$0        |

**Governor:** Increase the well construction notification fee to \$70. Currently, the fee is set at \$50, and the statutes also require a processing fee of \$0.50. The statutes require that a property owner provides advance notice to DNR before construction of any new private well that is not a high-capacity well. The Administration estimates that the well notification fee would generate approximately \$160,000 annually. Revenues from well notification and other groundwater withdrawal fees are deposited to program revenue appropriations for groundwater administration, research and management.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 3. WELL CONSTRUCTION VARIANCES APPLICATION FEE

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|--------|----------------------------|-----------------------------------|------------|
| PR-REV | \$50,000                   | - \$50,000                        | \$0        |

**Governor:** Require DNR to collect a \$100 fee from a person who is requesting a well construction variance. Under Chapter NR 812 of the administrative code, DNR regulates the location and operation of wells for groundwater withdrawal. NR 812 allows variances to these requirements if individuals are not feasibly able to comply. This bill would require DNR to collect a \$100 fee from any individual requiring a variance. The Administration estimates that the variance application fee would generate approximately \$25,000 annually.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 4. BALLAST WATER AND COMMERCIAL VESSEL FEES

| Governor<br>(Chg. to Base) |           | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------|-----------------------------------|------------|
| PR-REV                     | \$400,000 | - \$400,000                       | \$0        |

**Governor:** Repeal the requirements that DNR must issue a general permit authorizing a vessel that is at least 79 feet in length to discharge ballast water into state waters, and repeal the current permit application fee of \$1,200 and annual permit fee of \$345. Require owners or operators of commercial vessels subject to the federal Vessel Incidental Discharge Act to pay \$650 per arrival to ports in Wisconsin. Specify that such fees may not exceed \$3,250 per calendar year, per operator.

Allow DNR to enter into a memorandum of agreement with the U.S. Coast Guard to authorize DNR to board and inspect any vessel to ensure compliance with the federal Vessel Incidental Discharge Act. The Administration estimates that the commercial vessel arrival fee would generate approximately \$200,000 annually, based on an estimated 300 to 310 port arrivals each year. The provision is intended to conform Wisconsin's ballast water enforcement programs with terms of federal changes enacted in the Coast Guard Reauthorization Act (CGRA) of 2018. Among other terms, the CGRA limits the fees states may assess for ships carrying and discharging ballast water discharges, but allows for fees to be adjusted for inflation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. WASTEWATER GENERAL PERMIT STAFFING

|     | Gover<br><u>(Chg. to</u><br>Funding Po | Base) | Jt. Finar<br><u>(Chg. t</u><br>Funding | <u>o Gov</u> |     | <u>'hange</u><br>Positions |
|-----|--|-------|--|--------------|-----|----------------------------|
| GPR | \$113,700 1                            | .00 - | \$113,700                              | - 1.00       | \$0 | 0.00                       |

**Governor:** Provide \$49,400 in 2023-24 and \$64,300 in 2024-25 and 1.0 position for wastewater permit staffing. The Administration indicates that demand for wastewater general permits has increased, necessitating additional staff to improve administrative and compliance monitoring efforts.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. WATER E-PERMITTING

|     | (Chg. 1   | ernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> 1 | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Change</u><br>Funding Positions |
|-----|-----------|---------------------------------------|----------------|---|--|
| SEG | \$641,100 | 1.00                                  | - \$641,400    | - 1.00                                  | \$0 0.00                               |

**Governor:** Provide environmental management SEG funding of \$310,800 in 2023-24 and \$330,300 in 2024-25 with 1.0 position for electronic water permitting. The electronic water permitting system allows the public to apply for permits and track permit status. Of the funding provided, approximately \$250,000 each year would be for supplies and services costs of permitting system upgrades. The Administration indicates that DNR lacks dedicated program staff to manage the system, and the recommended position would be intended to assist customers with questions and application materials, and to satisfy administrative code requirements.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) VIOLATION NOTICES

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$96,000                   | - \$96,000                        | \$0        |

**Governor:** Provide \$96,000 in 2023-24 in one-time funding for the creation and maintenance of a system for notifying county health and land conservation departments of permit holder violations under the Wisconsin Pollutant Discharge Elimination System (WPDES). Require

DNR to provide these notices within seven business days after a violation of a permit condition based on a groundwater protection standard has occurred, and require the notification system to contact counties at least 24 hours before notifying any other parties. Require notice be made to the county in which the violation occurred, as well as any adjacent county. The provision would take effect six months after the bill's enactment.

Authorize DNR to promulgate emergency rules, without the finding of an emergency, and promulgate permanent rules to establish procedures for providing the notices. Provide emergency rules would remain in effect until July 1, 2025, or the day permanent rules take effect, whichever is sooner.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 8. WINNEBAGO LAKE SYSTEM STAFFING [LFB Paper 611]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Position | Jt. Finance/Leg.<br>( <u>Chg. to Gov)</u><br>S Funding Positions | <u>Net Change</u><br>Funding Positions |
|-----|---|--|--|
| SEG | \$256,400 2.00  | - \$256,400 - 2.00   | \$0 0.00                               |

**Governor:** Provide \$109,900 in 2023-24 and \$146,500 in 2024-25 with 2.0 positions to increase staffing for Lake Winnebago local lake protection and restoration efforts, including water quality and habitat improvement projects. Duties of the positions would include oversight of breakwall projects, water level management, and bird and waterfowl management.

Joint Finance/Legislature: Provision not included.

# 9. CONCENTRATED ANIMAL FEEDING OPERATION FEES

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|--------|----------------------------|-----------------------------------|------------|
| PR-REV | \$138,000                  | - \$138,000                       | \$0        |

**Governor:** Increase the fee paid by WPDES permit holders that operate concentrated animal feeding operations (CAFOs) from \$345 annually to \$545 annually. It is estimated the proposal would increase CAFO fee revenue by approximately \$69,000 annually, for a total of \$376,000 in fees over the biennium.

DNR is responsible for regulating CAFOs as point sources of discharges with WPDES permits issued under s. 283.31 of the statutes. Permits are issued with five-year terms, and DNR reports 336 permitted CAFOs in Wisconsin as of February, 2023. Fees are deposited into a program revenue appropriation supporting staff and operation costs associated with CAFO regulation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **10. WATER RESOURCES ACCOUNT LAPSE**

**Governor/Legislature:** Lapse \$350,000 from the DNR river management appropriation to the balance of the water resources account of the conservation fund in 2023-24. The river management appropriation supports management activities for habitat and recreational projects and environmental and resource management studies on the Mississippi and Lower St. Croix Rivers. The continuing appropriation had an available balance of \$902,000 as of June 30, 2022. The provision is intended to increase the available balance of the water resources account, which had an available balance of approximately \$1 million on June 30, 2022.

[Act 19 Section: 9232(5)]

#### 11. DAM SAFETY FUNDING [LFB Paper 612]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| BR  | \$10,000,000               | - \$10,000,000                    | \$0         |
| GPR | \$0                        | \$4,000,000                       | \$4,000,000 |

**Governor:** Provide \$10,000,000 in GPR-supported general obligation bonding authority for dam safety grants. No specific estimate of debt service payments is made for the program during the biennium. However, principal and interest on \$10 million in general obligation bonds could be expected to total approximately \$800,000 annually, assuming all bonds were issued for 20 years.

DNR administers the municipal dam safety grant program under s. 31.385 of the statutes. The program provides matching grants to counties, cities, villages, towns, public inland lake protection and rehabilitation districts, and other dam owners for the repair, reconstruction, or removal of dams. To qualify for a grant, a dam must be inspected and be under a DNR directive to repair or remove the dam. A total of \$46.1 million in bonding revenues for dam safety grants has been authorized by the Legislature for this program, including \$4 million in each biennium since 2009-11 and \$10 million in 2021-23.

**Joint Finance:** Modify provision to provide \$4,000,000 GPR in 2023-24 in a biennial appropriation for the municipal dam safety program, rather than from bond revenue.

**Senate/Legislature:** Modify language to provide financial assistance for dam safety projects to "political subdivisions," instead of to counties, cities, villages, towns. Language relating to public inland lake protection and rehabilitation districts is not affected.

[Act 19 Sections: 73 and 232 thru 234]

#### 12. SHEBOYGAN MARSH DAM

**Governor:** Require \$500,000 in GPR-supported general obligation bonds for dam repair be awarded to Sheboygan County for removal and reconstruction of the dam on the Sheboygan River at Sheboygan Marsh. 2021 Act 58 directed DNR to award a \$1 million dam safety grant to Sheboygan County for the project. DNR reports that those funds have been encumbered, and Sheboygan County has submitted plans to the DNR for review.

Sheboygan County estimated total project costs of \$2.7 million in 2021, but is anticipating a \$300,000 increase would be necessary to fulfill original project goals. An additional \$200,000 would provide improvements to fishing and water access. Total anticipated project costs are currently \$3.2 million.

**Joint Finance/Legislature:** Modify provision to allocate \$500,000 GPR in 2023-24 to Sheboygan County for removal and reconstruction of the dam on the Sheboygan River at Sheboygan Marsh. Further discussion, and the provision's fiscal effect, is under a subsequent item entitled "Dam Project Earmarks."

[Act 19 Section: 74]

# **13. DAM LICENSING FEES**

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|--------|----------------------------|-----------------------------------|------------|
| PR-REV | \$340,000                  | - \$340,000                       | \$0        |

**Governor:** Require that large dam licensing permit and approval fees be based on the hazard classification of the dam. Under current law, dam licensing fees are set based on the estimated time it will take the Department to review a request. Current fees are set as follows: (a) \$30 for a permit or approval with an estimated time of less than three hours; (b) \$100 for a permit or approval with an estimated time of more than three hours but less than nine hours; and (c) \$300 for a permit or approval with an estimated time of more than nine hours. Also under current law, DNR is required to classify the hazard level of each dam in the state for inspection regulation purposes. The bill would eliminate time-based fees for large dams and require that fees for a permit or approval be based on their hazard classification as follows: (a) \$1,000 for a high-hazard dam; (b) \$500 for a significant-hazard dam; and (c) \$200 for a low-hazard dam. The change would take effect on the first day of the ninth month beginning after the bill's publication.

A dam is considered a large dam if it: (a) has a structural height of 25 feet or more that can impound more than 15 acre-feet of water; or (b) has a structural height of six feet and impounds 50 acre-feet or more of water. DNR classifies each large dam in the state as: (a) high-hazard, the failure of which would probably cause loss of human life; (b) significant-hazard, the failure of which would probably cause significant property damage but would probably not cause loss of human life; or (c) low-hazard, the failure of which would probably not cause significant property damage or loss of human life. DNR is required to inspect each high-hazard dam and each

significant-hazard dam at least once every 10 years.

There are approximately 3,900 dams located on waterways in Wisconsin. Of these, 966 are classified as large dams. Currently, 141 dams are classified as high-hazard, 67 are classified as significant-hazard, and 603 are classified as low-hazard. The remaining large dams are regulated by the Federal Energy Regulatory Commission and therefore are not subject to the Department's classification process. Currently, dam permit fees generate approximately \$23,000 in revenue for the Department annually, with permitted activities including operation and maintenance of dams, raising or enlarging dams, abandoning dams, or removing dams. Based on current data, it is estimated that the proposal would increase generated revenue to approximately \$295,100 annually, consisting of \$141,000 from high-hazard dams, \$33,500 from significant-hazard dams, and \$120,600 from low-hazard dams.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 14. URBAN NONPOINT SOURCE FUNDING [LFB Paper 614]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| BR  | \$11,000,000               | - \$11,000,000                    | \$0        |
| GPR | 0                          | 4,000,000                         | 4,000,000  |

**Governor:** Provide \$11,000,000 in SEG-supported general obligation bonding for the urban nonpoint source and storm water management (UNPS) and municipal flood control and riparian restoration (MFC) programs. Of this amount, DNR intends for \$7.5 million to be allocated for MFC grants. Typically, DNR determines allocations of all new bonding authority to each program, but would retain that flexibility for the remaining \$3.5 million of the new authorization.

The UNPS program supports projects that manage storm water runoff in urban settings. The MFC program supports flood-control and flood-proofing projects in urban settings, including property acquisition and structure removal. Grants generally support cost-sharing of up to 50%. Principal and interest payments on these bonds are supported by the nonpoint account of the environmental fund and are budgeted at \$3.0 million in 2023-24 and \$3.9 million in 2024-25.

**Joint Finance/Legislature:** Modify provision to provide \$4,000,000 GPR in 2023-24 for UNPS and MFC programs in a biennial appropriation, rather than from bond revenue.

[Act 19 Section: 82]

#### 15. FLOOD MAPPING AND FLOOD INSURANCE STUDIES [LFB Papers 613 and 614]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$2,000,000                | - \$2,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 nonpoint SEG each year of the 2023-25 biennium in onetime funding for preparation of flood insurance studies and other flood mapping projects. The DNR Floodplain Mapping Program is currently funded by grants received from the Federal Emergency Management Agency (FEMA). The Department reports that additional funding could assist counties in pursuing flood mapping projects outside of federal grants.

Joint Finance/Legislature: Provision not included.

#### 16. GREAT LAKES AND MISSISSIPPI RIVER EROSION CONTROL LOANS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$7,000,000                | - \$7,000,000                     | \$0        |

**Governor:** Create a continuing appropriation and provide one-time funding of \$7,000,000 from the environmental management account of the environmental fund in 2023-24 fund to support a revolving loan fund for municipalities and homeowners to ensure structural integrity of buildings threatened by erosion of the shoreline of Lake Superior, Lake Michigan, and the Mississippi River. Require DNR to promulgate rules to administer this provision, including establishing eligibility criteria and income limits for loans. Further, allow the Department to promulgate emergency rules while final rules are being drafted, and allow emergency rules to be promulgated without the finding of an emergency. Emergency rules would remain in effect for up to two years, unless repealed or otherwise superseded by permanent rules.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 17. RURAL NONPOINT SOURCE FUNDING [LFB Paper 615]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| BR  | \$10,000,000               | - \$10,000,000                    | \$0         |
| GPR | \$0                        | \$6,500,000                       | \$6,500,000 |

Governor: Provide \$10,000,000 in SEG-supported general obligation bonding for rural nonpoint source water pollution abatement grants. Bond proceeds support the targeted runoff

management (TRM) program and provide the required 70% state cost-share for the installation of structures in rural settings to improve water quality by preventing soil erosion and animal waste runoff. Bonding authority also may be disbursed as grants under a separate program to address runoff only from animal feeding operations that have been issued a notice of discharge or notice of intent to issue a notice of discharge for impermissible runoff to state waters. Principal and interest payments on these bonds are supported by nonpoint SEG and budgeted at \$3.0 million SEG in 2023-24 and \$4.9 million SEG in 2024-25.

**Joint Finance/Legislature:** Modify provision to provide \$6,500,000 GPR in 2023-24 for rural nonpoint source water pollution abatement grants in a biennial appropriation, rather than from bond revenue.

[Act 19 Section: 80]

#### **18. TARGETED RUNOFF MANAGEMENT** [LFB Paper 615]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$800,000                  | - \$400,000                       | \$400,000  |

**Governor:** Provide \$400,000 nonpoint SEG each year for additional funding for primarily nonstructural practices or staff costs under targeted runoff management (TRM) grants. TRM grants provide financial assistance to projects addressing water quality concerns or impairments, primarily in rural and agricultural settings and support the implementation of total maximum daily load (TMDLs) in Wisconsin. Funds come from general obligation bonding, nonpoint SEG, and federal funding under Section 319 of the Clean Water Act. Since the 2017-19 biennium, the TRM program has been provided \$100,000 nonpoint SEG each year on an ongoing basis. DNR awarded TRM grants to 16 projects for \$3,859,700 in 2022 and 11 projects for \$3,429,300 in 2023.

**Joint Finance/Legislature:** Modify provision to provide an additional \$200,000 nonpoint SEG on a one-time basis for nonpoint source grants. Total funding for nonpoint source grants to support nonstructural practices required of TRM projects is \$300,000 annually in the 2023-25 biennium.

#### **19. MANURE TREATMENT COORDINATOR**

|     | (Chg.     | /ernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Cl</u><br>Funding F |      |
|-----|-----------|--|-------------|---|----------------------------|------|
| SEG | \$145,100 | 1.00                                   | - \$145,000 | - 1.00                                  | \$0                        | 0.00 |

**Governor:** Provide \$62,800 environmental fund SEG in 2023-24 and \$82,300 in 2024-25 with 1.0 position in the Division of External Services' general program operations appropriation. The position would provide technical and regulatory assistance needed for the permitting of

biodigesters and other advanced wastewater treatment systems to manage manure at concentrated animal feeding operations (CAFOs) and other large farms.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 20. TOTAL MAXIMUM DAILY LOAD STAFFING

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net C</u><br>Funding I |      |
|-----|--------------|--|-------------|---|---------------------------|------|
| GPR | \$390,100    | 2.00                                   | - \$390,100 | - 2.00                                  | \$0                       | 0.00 |

**Governor:** Provide \$169,800 in 2023-24 and \$220,300 in 2024-25 with 2.0 four-year project positions for administration of total maximum daily load (TMDL) plans. TMDL plans are approved by the U.S. Environmental Protection Agency and implemented by requiring all point and nonpoint sources in a watershed, such as agricultural producers, to implement pollution control measures. DNR provides grants for implementation of TMDL plans through the targeted runoff management (TRM) program. TRM grants are currently available to non-TMDL projects, as DNR has yet to develop TMDLs for all waters it has identified as impaired in the state. Additional staff would assist with the development of TMDLs and implementation of TMDL plans.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 21. PERMIT PRIMER UPDATE

**Governor/Legislature:** Provide \$80,000 in 2023-24 from environmental management SEG in the Division of External Services' general program operations appropriation for updating the Department's interactive environmental permitting platform, Permit Primer. The goal of the platform is to assist small business owners, local governments, or others in determining permits they may need and how to acquire them to comply with state environmental laws. Funding is provided on a one-time basis in 2023-24 and would fund approximately 1,000 hours of IT development work.

The Permit Primer was developed by DNR in 2002 and has lost functionality and interoperability with the Department's current web design protocols, causing webpage traffic to decrease. The Department intends for modernization of the Permit Primer to increase use of the platform, improve permit compliance, and reduce permitting staff workload.

#### 22. OFFICE OF AGRICULTURE AND WATER QUALITY TRANSFERS

**Governor:** Transfer 1.0 conservation SEG policy analyst position from the Division of Internal Services and 1.0 program director position from communications in the Division of

SEG \$80,000

External Services' to watershed management in the Division of External Services, for the creation of the Office of Agriculture and Water Quality. The Office, created in 2022, consolidates some responsibilities from existing DNR programs and offices, such as watershed management, drinking and groundwater, water quality, and the Office of Great Waters, into one office focused on non-regulatory aspects of agriculture and water quality policy, research, programs, funding, and outreach.

Primary responsibilities include: (a) promoting analysis of major policies addressing agricultural impacts on water; (b) serving as a liaison between other Department offices to help with prioritization and coordination of research, policy, and funding initiatives; (c) serving on the Land and Water Conservation Board; (d) serving as an advisor to the UW Discovery Farms Steering Committee; and (e) serving as the Department's single point of contact for stakeholders engaging in agriculture and water quality issues. The creation of the office, and the provision, requires no change to existing funding levels or position authority within the Department.

Joint Finance/Legislature: Provision not included.

#### 23. AQUATIC PLANT MANAGEMENT APPROPRIATION

**Governor:** Create a program revenue continuing appropriation for the Division of Environmental Management to receive aquatic plant management permit fees, and authorize the Department to expend all monies received for administration of its aquatic plant management program. Under current law, aquatic plant management permit fees are deposited into a general operations appropriation comingled with other program revenues. The bill would not affect fees assessed by DNR, and would not budget expenditure authority for the appropriation during the biennium. Revenues in 2020-21 and 2021-22 totaled approximately \$162,000 and \$174,000, respectively.

Section 23.24 of the statutes requires DNR to conduct efforts to preserve diverse and stable communities of native aquatic plants. DNR is also required to establish, by administrative rule, procedures to issue permits under which a holder may remove aquatic plants through biological, chemical, or manual means.

Joint Finance/Legislature: Provision not included.

#### 24. STORM WATER MANAGEMENT APPROPRIATION

**Governor:** Convert the program revenue appropriation for administration and enforcement of storm water discharge permits from an annual sum-certain appropriation to an all-moneys-received continuing appropriation. The appropriation receives fees from storm water discharge permits issued under s. 283.33 of the statutes to commercial and industrial users, large urbanized municipalities, and for transportation facilities and construction sites.

#### 25. **DAM PROJECT EARMARKS**

|     | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto<br>(Chg. to Leg.) | Net Change  |
|-----|-----------------------------------|------------------------|-------------|
| GPR | \$3,250,000                       | - \$1,000,000          | \$2,250,000 |

Joint Finance/Legislature: Provide \$3,250,000 in 2023-24 in new continuing appropriations for each of four dam projects. Specify that: (a) \$500,000 is provided to Sheboygan County for removal and reconstruction of the dam on the Sheboygan River at Sheboygan Marsh; (b) \$1,000,000 is provided to the City of Burlington for restoration of the dam on Echo Lake; (c) \$750,000 is provided to Price County for repairs to the dam on Steve Creek; and (d) \$1,000,000 is provided to the City of Plymouth for removal and restoration of the dam on Mill Pond.

Vetoes by Governor [E-39] and [E-43]: Delete the provision that provides \$1,000,000 GPR in 2023-24 to the City of Burlington for the restoration of a dam on Echo Lake. Further, delete an erroneous reference to the location of the dam on Steve Creek.

[Act 19 Sections: 74, 76, and 77]

[Act 19 Vetoed Sections: 51 (as it relates to s. 20.370(4)(jc)), 75, and 76]

#### 26. LAKE MALLALIEU DREDGING

Joint Finance/Legislature: Provide \$2,000,000 in 2023-24 in a new, continuing appropriation to the Lake Mallalieu Lake Association for dredging Lake Mallalieu, an impoundment of the Willow River in St. Croix County.

Veto by Governor [E-44]: Delete the word "dredging" to allow for the lake association to use funding for other costs that may be incurred by the project, such as additional studies or permitting requirements.

[Act 19 Section: 78]

[Act 19 Vetoed Sections: 51 (as it relates to s. 20.370(4)(jf)) and 78]

#### 27. LAKE ALTOONA SEDIMENT DREDGING

Joint Finance/Legislature: Provide \$500,000 environmental management SEG in 2023-24 for a grant to the Lake Altoona Rehabilitation and Protection District (Eau Claire County) for costs related to the acquisition and transport of a bed load sediment collector, and for sediment dredging activities.

[Act 19 Section: 9132(6)]

\$2,000,000

SEG \$500,000

GPR

#### 28. STUDIES ON BUFFALO LAKE

\$100,000

SEG

**Joint Finance/Legislature:** Provide \$100,000 water resources SEG (conservation fund) in 2023-24 to the Buffalo Lake Protection and Rehabilitation District to assist with permitting and study requirements in Buffalo Lake in Marquette County.

[Act 19 Section: 9132(4)]

#### 29. ARCADIA MUNICIPAL FLOOD CONTROL PROJECT

**Joint Finance/Legislature:** Extend the date by which funding for the Arcadia municipal flood control stewardship earmark is available through the 2023-25 biennium. Further, allow funding to be awarded if the project is designed, authorized, approved, or supervised by the U.S. Army Corps of Engineers. 2017 Act 59 provided a matching grant of up to \$14,600,000 to support a municipal flood control project in the City of Arcadia executed by the Army Corps of Engineers under the federal Flood Control Act. DNR and the Joint Committee on Finance have approved state funding for the project under Act 59 provisions. Construction is expected to begin in 2024.

[Act 19 Section: 451]

#### PROFESSIONAL BASEBALL PARK DISTRICT

#### **Budget Change Items**

#### 1. GRANT TO A PROFESSIONAL BASEBALL PARK DISTRICT AND DISTRICT POWERS

**Governor:** Require the Department of Administration (DOA) to award a grant, in the amount of \$290,000,000, to a local professional baseball park district, as defined under current law. Provide \$290,000,000, in 2023-24, to a newly-created continuing appropriation under DOA, to assist in the development, construction, improvement, repair, and maintenance of baseball park facilities.

Specify that DOA may not award a grant under this provision unless the DOA Secretary determines that all of the following apply: (a) the District has entered into a lease arrangement for a term that expires not earlier than December 31, 2043, with a professional baseball team that uses baseball park facilities specified in the lease as its home facilities; (b) the District has entered into a nonrelocation agreement with the professional baseball team, in a form satisfactory to the Secretary, that requires the professional baseball team to play substantially all of its home games at the baseball park facilities, and prohibits the professional baseball team from relocating while the lease term is in effect; (c) the District has entered into an agreement with the professional baseball team, or a third party on the professional baseball team's behalf, to make expenditures relating to or in connection with the baseball park facilities during the lease term, in an agreed upon amount satisfactory to the DOA Secretary; and (d) the District has agreed to provide on an ongoing basis to the Department, the Legislative Fiscal Bureau, and the Legislative Audit Bureau, all baseball park facilities project reports and all financial reports of the District. Provide that no grant moneys awarded may be used to retire debt of the local professional baseball park district.

Require a professional baseball park district to establish and maintain a facilities enhancement fund that consists of all moneys received from the Department of Administration (DOA) from the \$290,000,000 grant to the District. Specify that the District may use moneys deposited in the fund solely for purposes related to the development, construction, improvement, repair, and maintenance of baseball park facilities. Prohibit moneys deposited in the fund to be used for the securitization or retirement of bonds. Specify that if any monies remains in the fund after the District lease is no longer in effect, the District board must return the amount to DOA.

Modify the definition of "baseball park facilities" under current law to specify that such a facility is principally for the support or performance of professional baseball operations, instead of principally for professional baseball. Under current law, "baseball park facilities" is defined as property, tangible or intangible, owned in whole or in substantial part, operated or leased by a

district that is principally for professional baseball including parking lots, garages, restaurants, parks, concession facilities, entertainment facilities, and transportation facilities, and other functionally related or auxiliary facilities or structures. Modify the current reference to local professional baseball park facilities as a public utility under municipal law for DOA project management, construction, and engineering assistance, to instead reference "baseball park facilities".

*District Dissolution.* Modify current law regarding when a district may dissolve to include the expiration or termination of all lease arrangements between the District and a professional baseball team with respect to the baseball park facilities. Under current law, a district may dissolve subject to providing for the payment of its bonds, including interest on the bonds, and the performance of its other contractual obligations, by action of the District board. Include the state as a party to whom the property of the District must be transferred upon dissolution of the District. Under current law, this property may only be transferred to counties within the District. Require that the state apportion and distribute property transferred under this provision among the state and the counties in the jurisdiction of the District, based on the tax revenues derived from each county and the \$290,000,000 grant to be made by the state under the bill, as determined by the DOA Secretary.

*Majority Vote Requirement*. Provide that, in connection with baseball park facilities and any baseball park development, a majority vote of the District board would be required to enter into any lease of property, instead of a supermajority vote as required under current law. For the definition of "baseball park development" as specified under the bill, see the following summary item "Expand Property Tax Exemption to Include Non-Baseball Park Facilities of a Professional Baseball Team".

*Sublease Authority.* Specify that a district may, in connection with baseball park facilities and any baseball park development, and in addition to powers already provided for under current law, authorize the sublease of property. For the definition of baseball park development as specified under the bill, see the following summary item "Expand Property Tax Exemption to Include Non-Baseball Park Facilities of a Professional Baseball Team". Under current law, a district may, in connection with baseball park facilities, acquire; lease, as lessor or lessee; use; or transfer property.

*Team Approval of Contract Standards*. Specify that when a district enters into contracts, which are subject to certain standards as may be established by the District board as provided under current law, that these standards may include approval by a professional baseball team pursuant to the terms of a lease with the District.

District Investment Authority. Provide that a local professional baseball park district may delegate the investment authority over any funds held in trust to an investment manager who is registered as an investment adviser under the federal Investment Advisers Act of 1940. Specify that a local professional baseball park district be excluded from the types of local governmental entities that may invest any of its funds not immediately needed in any of the following: (a) time deposits in any credit union, bank, savings bank, trust company, or savings and loan association which is authorized to transact business in this state, (b) bonds or securities issued or guaranteed

as to principal and interest by the federal government, or by a commission, board or other instrumentality of the federal government; (c) bonds or securities of any county, city, drainage district, technical college district, village, town, school district of this state, or certain other special districts and authorities; (d) certain securities which mature or which may be tendered for purchase at the option of the holder within not more than seven years of the date on which it is acquired; and (e) certain securities of an open-end management investment company or investment trust.

Statement of Public Purpose. Specify that the Legislature finds and determines that baseball park facilities encourage economic development and tourism in this state, reduce unemployment in this state, preserve business activities within this state, generate additional tax revenues that would not exist without the baseball park facilities, and bring needed capital into this state for the benefit and welfare of people throughout the state. Provide that it is in the public interest and serves a statewide public purpose, and it is the public policy of this state, to assist a local professional baseball park facilities. Further, add the provision of any appropriation or grant of funds to a District to the existing list of assistance that the legislature determines serves a statewide public purpose, by assisting the development, construction, improvement, repair, and maintenance of a professional baseball park facilities in the state for providing recreation, by encouraging economic development and tourism, by preserving business activities within the state, by generating additional tax revenues that would not exist without the baseball park facilities, by reducing unemployment, and by bringing needed capital into the state for the benefit and welfare of people throughout the state.

*Eliminate District Sales and Use Tax Provisions.* Effective April 30, 2024, eliminate the District's authority to impose a sales tax and a use tax. Although the 0.1% District sales and use tax has ended and the District Board is not be permitted to reinstate the tax under current law, there are a number of provisions under current law which reference the public purpose, creation, imposition, administration, termination, excess revenue distributions, and other provisions associated with the District sales and use tax. The bill would delete these provisions from law, effective April 30, 2024.

Effective January 1, 2025, repeal the current law provision allowing the Department of Revenue (DOR) to issue assessments or act on refund claims after the end of the calendar year that is four years after the year in which a District tax has terminated. Current law requires that the termination date of the five-county sales tax be the last day of the fiscal quarter in which the District certifies the end of the tax to DOR. The District certified full funding of the reserves necessary to meet District maintenance, capital improvement obligations, and principal and interest on its debt obligations, by a Board resolution dated March 10, 2020, and the sales tax was terminated effective March 31, 2020.

Effective April 30, 2024, provide that the District would continue to receive revenues into an existing district revenues appropriation account, modified to eliminate references to the rescinded district sales and use tax collections but retain provision providing for the receipt of monies from the sale of Brewers license plates.

Other Provisions. Define "professional baseball team" to mean a baseball team that is a

member of a league of professional baseball teams that have home stadiums approved by the league in at least 10 states and a collective average attendance for all league members of at least 10,000 persons per game over the five years immediately preceding the effective date of the bill. Delete all references to "major league professional baseball team" and "major league professional baseball club" under current law and, instead, use term "professional baseball team".

Expand the definition for the types of gifts and donations that a district board is required to solicit to include donations for the development, improvement, repair, and maintenance of baseball park facilities.

Specify that a district's jurisdiction is any county with a population of more than 600,000 (Milwaukee) that is the site of baseball park facilities that are home to a professional baseball team and all counties that are contiguous to that county. Under current law, a district's jurisdiction is, in part, defined as any county with a population of more than 600,000 and all counties that are contiguous to that county.

Specify that, among the powers granted to a city or a county in a district, is the power to grant land or other property to the state, to be used for baseball park facilities or baseball park development. Under current law, this district power was reserved for grants of land to the state to be used for a professional baseball park.

1995 Wisconsin Act 56 created a local professional baseball park district for the construction and operation of a new baseball stadium for the Milwaukee Brewers. The Southeast Wisconsin Professional Baseball Park District is made up of five counties: Milwaukee, Ozaukee, Racine, Washington, and Waukesha. The District is governed by a 13-member board, appointed as follows: six persons appointed by the Governor; one person appointed by the Mayor of the City of Milwaukee; two people appointed by the Milwaukee County Executive; one person appointed by the Racine County Executive; one person appointed by the Waukesha County Executive; one person appointed by the Chairperson of the Ozaukee County Board of Supervisors; and one person appointed by the Chairperson of the Washington County Board of Supervisors.

The total amount of sales and use tax revenue retained by the District through the entire period when the tax was collected (January, 1996, through March, 2020) was \$609.0 million.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. EXPAND PROPERTY TAX EXEMPTION TO INCLUDE NON-BASEBALL PARK FACILITIES OF A PROFESSIONAL BASEBALL TEAM

**Governor:** Expand the current law property tax exemption for sports and entertainment home stadium facilities to include any property that constitutes baseball park development. Define "baseball park development" to mean property, other than baseball park facilities, tangible or intangible, operated by a professional baseball team on real estate leased or subleased from a district that is part of the operations of the professional baseball team for any legally permissible use, including retail facilities, hospitality facilities, commercial and residential facilities, health

care facilities, and any other functionally related or auxiliary facilities or structures. Provide that this exemption first applies to property tax assessments as of January 1, 2024.

Under current law, property exempted from general property taxes includes property consisting of or contained in a sports and entertainment home stadium, except a football stadium of a professional football team as defined under current law; including but not limited to parking lots, garages, restaurants, parks, concession facilities entertainment facilities, transportation facilities, and other functionally related or auxiliary facilities and structures, including those facilities and structures while they are being built; constructed by, leased to or primarily used by a professional athletic team that is a member of a league that includes teams that have home stadiums in other states, and the land on which that stadium and those structures and facilities are located. Current law specifies that leasing or subleasing the property; regardless of the lessee, the sublessee and the use of the leasehold income; does not render the property taxable.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. SALES TAX EXEMPTION FOR LOCAL PROFESSIONAL BASEBALL PARK DISTRICTS

**Governor:** Provide an exemption from the general sales and use tax for sales to a local professional baseball park district established under state law (which would be modified and expanded under the bill). The Administration estimates that this provision would have a minimal effect on general fund tax collections. Separate provisions of the bill would make various changes to professional baseball park districts. [For more information, see "General Fund Taxes -- General Sales and Use Taxes".]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. SALES TAX EXEMPTION FOR IMPROVEMENTS TO BASEBALL PARK DISTRICTS AND DEVELOPMENTS

**Governor:** Provide an exemption from the general sales and use tax for sales of building materials used to construct, develop, improve, renovate, repair, or maintain property that constitutes a baseball park development, as created and defined under separate provisions of the bill. Such baseball park development property would include property operated by a professional baseball team, including the following facilities: (a) retail; (b) hospitality; (c) commercial and residential; (d) health care; and (e) any others that are functionally related or auxiliary.

Expand the current law exemption from the sales and use tax to include sales of building materials used to improve, repair, or maintain a home stadium for any professional athletic team participating in a multistate league that is exempt from property taxation (including baseball park development property). Under current law, sales of building materials to owners, contractors, subcontractors, or builders, if these materials are used solely to construct, develop, or renovate a home stadium for any professional athletic team participating in a multistate league are exempt

from the sales and use tax. This provision would expand that exemption to also include sales of building materials used for improvements, repairs, or maintenance of such stadiums.

The Administration estimates that this provision would have a minimal effect on general fund tax collections. [For more information, see "General Fund Taxes -- General Sales and Use Taxes ".]

### **PROGRAM SUPPLEMENTS**

Note: Base level funding is provided in four GPR appropriations, including \$5,800 for physically handicapped supplements, \$10,200 for executive residence furnishings replacement, \$182,500 for groundwater survey and analysis, and \$133,600 for unreserved moneys available for release by the Joint Committee on Finance.

#### **FTE Position Summary**

There are no authorized positions for program supplements.

#### **Budget Change Items**

#### 1. FUNDS FOR 27<sup>TH</sup> BIWEEKLY PAYROLL [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|------------------------------|---------------|
| GPR   | \$93,908,200               | - \$5,524,800                | \$88,383,400  |
| FED   | 13,175,400                 | - 908,300                    | 12,267,100    |
| PR    | 23,123,500                 | - 1,594,000                  | 21,529,500    |
| SEG   | 12,997,800                 | - 896,100                    | 12,101,700    |
| Total | \$143,204,900              | - \$8,923,200                | \$134,281,700 |

**Governor:** Provide \$93,908,200 GPR, \$13,175,400 FED, \$23,123,500 PR, and \$12,997,800 SEG in 2023-24 in the supplemental appropriations established for this purpose under current law for the estimated costs of having to pay for a 27<sup>th</sup> payroll in 2023-24 for employees paid on a bi-weekly basis. Modify these appropriations to specify that this funding could be used for permanent UW System employees, including permanent project employees, on the biweekly payroll system of the UW System. In most fiscal years, only 26 biweekly payrolls must be paid;

however, every 12 years 27 biweekly payrolls must be paid. A similar adjustment was made in 2011-12, when this last occurred.

**Joint Finance/Legislature:** Provide \$88,383,400 GPR, \$12,267,100 FED, \$21,529,500 PR, and \$12,101,700 SEG in 2023-24. Include the modifications to the appropriations relating to UW System employees.

[Act 19 Sections: 174 thru 178]

#### 2. JOINT COMMITTEE ON FINANCE SUPPLEMENTAL APPROPRIATIONS

#### **Budget Change Items**

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Provide adjustments to the base totaling \$447,500 GPR, \$1,600 FED, and -\$26,000 PR in 2023-24 and \$428,400 GPR, \$1,600 FED, and -\$26,400 PR and -63.0 FED

positions in 2024-25. Adjustments are for: (a) full funding of continuing position salaries and fringe benefits (-\$624,300 GPR and -\$34,700 PR annually); (b) overtime (\$219,300 GPR and \$2,900 PR annually); (c) removal of non-continuing elements from the base (-63.0 FED positions in 2024-25); (d) minor transfers within the same appropriation (\$173,600 GPR and 1.0 GPR position would be reallocated within the program operations appropriation from appellate representation to trial representation); and (e) full funding of lease and directed moves (\$852,500 GPR, \$1,600 FED, and \$5,800 PR in 2023-24 and \$833,400 GPR, \$1,600 FED, and \$5,400 PR). The positions removed under non-continuing elements (30 Assistant State Public Defenders (ASPDs), 3 client service specialists, 3 legal secretaries, 23 paralegals, and 4 investigators) were

|       | Funding   | Positions |
|-------|-----------|-----------|
| GPR   | \$875,900 | 0.00      |
| FED   | 3,200     | - 63.00   |
| PR    | - 52,400  | 0.00      |
| Total | \$826,700 | - 63.00   |

supported with federal ARPA funds. Note that the calculated turnover reduction (\$1,354,900 GPR annually) was restored due to constitutional considerations. Under the Constitution and U.S. Supreme Court case law, the SPD is required to provide representation for all financially eligible individuals accused of a crime. The agency provides that representation through both staff and private bar attorneys. Restoration of the turnover reduction is recommended because, if turnover reductions are taken and staff positions not filled, cases will be handled by private bar attorneys. Since staff handle a higher caseload than private attorneys and generally cost less than private bar attorneys paid at \$70 an hour, not filling staff attorney positions may result in higher costs to provide representation.

#### 2. PRIVATE BAR ATTORNEY COMPENSATION [LFB Paper 627]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$21,606,600               | - \$4,012,200                     | \$17,594,400 |

**Governor:** Provide \$10,803,300 annually and modify current law to increase the rate at which private bar attorneys are compensated from \$70 per hour to \$100 per hour and from \$25 to \$50 per hour for travel. In addition, grant the SPD authority to modify rules to reflect the changes in the rate. Under current law, private bar attorneys are compensated at a rate of \$70 per hour for time spent related to a case, regardless of the case type. The increase in hourly compensation would apply to cases assigned on or after July 1, 2023.

**Joint Finance/Legislature:** Reduce funding by \$2,006,100 annually to provide increased funding of \$8,797,200 annually associated with the rate of private bar compensation as specified above.

[Act 19 Sections: 471 and 472]

#### 3. STAFF COMPENSATION [LFB Paper 316]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$16,054,700               | \$2,354,100                       | \$18,408,800 |

**Governor:** Provide \$7,033,500 GPR in 2023-24 and \$9,021,200 GPR in 2024-25 to increase staff compensation and address retention, and recruitment issues that contribute to delays in the provision of constitutionally required representation.

a. *Pay Progression.* Provide \$1,987,700 in 2024-25 to support the pay progression plan. The pay progression plan is merit-based and consists of 17 hourly salary steps, with each step equal to one-seventeenth of the difference between the lowest annual salary (\$56,659 as of January 3, 2023) and the highest annual salary (\$136,781 as of January 3, 2023). The value of one hourly salary step equals \$4,722 annually. Funding is approximately equal to a step.

b. *Salary Adjustments*. Provide \$7,033,500 annually to increase the starting salary of assistant state public defenders from \$27.24 to \$35 an hour and provide any hourly increase of \$7.76 (\$16,140 annually) to all ASPDs.

c. *Non-Statutory Provision*. Create non-statutory language specifying that, notwithstanding statutory provisions establishing maximum annual salary increases in correction with pay progression at no more than 10%, salary increases in 2023-24 and 2024-25 may be more than 10% annually.

**Joint Finance/Legislature:** Provide an additional \$1,115,100 in 2023-24 and \$1,239,000 in 2024-25 in order to provide increased funding of \$8,148,600 in 2023-24 and \$10,260,200 in 2024-25 to increase the salary adjustment from \$7.76 to \$8.76 an hour. Further, include non-statutory language specifying that, notwithstanding statutory provisions that establish maximum annual salary increases in connection with pay progression, salary increases in 2023-24 may be more than 10% annually. In addition, include non-statutory language specifying that, notwithstanding the current compensation plan, that the agency may provide the new minimum salary upon appointment and provide adjustments and pay progression to those at the maximum salary level. In 2024-25, funding is intended to provide pay progression of one step with higher salaried individuals limited to the maximum of the salary range then in effect.

[Act 19 Sections: 9101(1)(b) and (c)]

#### 4. SUPPORT AND ADMINISTRATIVE STAFF [LFB Paper 626]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |         | <u>Net Change</u><br>Funding Positions |      |
|-----|--|---|---------|--|------|
| GPR | \$6,363,200 50.00 -                                    | - \$6,363,200   | - 50.00 | \$0                                    | 0.00 |

**Governor:** Provide \$2,784,200 in 2023-24 and \$3,579,000 in 2024-25 and 50.0 positions annually to address workload issues for staff assisting State Public Defender attorneys.

a. *Support Staff.* Provide an additional 46.0 support staff positions (18.0 paralegals, 10.0 investigators, 7.0 client services specialists, and 11.0 legal secretaries) in the trial division and 2.0 paralegal support staff positions in the appellate division.

b. *Administrative Staff.* Provide an additional 2.0 administrative office positions to recruit, onboard, and train staff. The positions are intended to lessen turnover rates and assist with administrative duties associated with the additional staff being provided.

Joint Finance/Legislature: Provision not included.

#### 5. CHARGING AND SENTENCING ALTERNATIVES

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | - \$2,260,000              | \$2,260,000                       | \$0        |

**Governor:** Provide a reduction to funding for private bar appointments of -\$753,300 in 2023-24 and -\$1,506,700 in 2024-25, associated with adoption of the following law changes intended to reduce the number of SPD appointments. [Note that estimated annual savings from the recommended law changes are generally halved in 2023-24 since private bar attorneys generally bill the SPD six months after being assigned a case.]

a. Provide that for the first offense violation of s. 947.01 Disorderly Conduct, if the alleged offender has not previously been convicted of a felony offense and has not been convicted of any similar offense in the previous three years, the prosecutor would be required to offer the alleged offender the opportunity to either complete a diversion program or pay a forfeiture under a stipulated finding of guilt of a non-criminal ordinance violation. The SPD estimates that this law change would affect 2,448 cases and reduce SPD costs by \$1,271,300.

b. Modify current law to legalize the possession and use of marijuana. Cost savings to the SPD associated with this modification are estimated at \$235,400 annually. Note that the estimate is based on the agency's budget request that possession of marijuana be reclassified as an ordinance violation for first- and second-time offenders and a misdemeanor for third-time offenders, provided that there are no allegations that the individual is manufacturing, distributing, or delivering a controlled substance. [See "Marijuana-Related Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. PILOT CHIPS EXTENSION

**Governor:** Provide an extension of the sunset date on the pilot program to provide counsel for parents of a child subject to a Child in Need of Protection or Services (CHIPS) proceeding in five counties from June 30, 2023, to June 30, 2025. Modify current law to specify that the Department of Children and Families and the State Public Defender submit a report on the program to the Joint Committee on Finance and the Legislature by January 1, 2025, rather than by January 1, 2023.

**Senate/Legislature:** Include provisions and specify that the continuation of the pilot program for CHIPS cases takes effect retroactively to June, 2023.

[Act 19 Sections: 246 thru 248 and 9433(1s)]

#### 7. TRIAL CASELOAD EXEMPTION

**Governor:** Amend the statutes to increase the number of trial division attorneys that may be exempted from caseload standards from 10 to 25 to perform other assigned duties beginning July 1, 2023.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 8. **PROGRAMMATIC FUNDING REALIGNMENT** [LFB Paper 625]

**Governor:** Transfer funding annually within SPD's GPR program operations between trial representation (-\$401,600 GPR) and transcripts, discovery, and interpreter costs (\$401,600 GPR).

**Joint Finance/Legislature:** Instead, transfer funding annually within SPD's GPR program operations appropriation between private bar and investigator reimbursement (-\$622,800 GPR) and transcripts, discovery, and interpreter costs (\$622,800 GPR) in order to align budgeted funding with programmatic expenditures.

#### **Budget Change Items**

### **General School Aids and Revenue Limits**

#### 1. STATE SUPPORT FOR K-12 EDUCATION [LFB Paper 630]

**Governor:** Provide \$7,576,117,800 in 2023-24 and \$8,392,575,700 in 2024-25 for general and categorical school aids. Compared to the 2022-23 base level funding of \$6,668,498,600, school aids would increase by \$907,619,200 (13.6%) in 2023-24 and \$1,724,077,100 (25.9%) in 2024-25. These proposed funding levels would represent annual changes to the prior year of 13.6% in 2023-24 and 10.8% in 2024-25.

Under the historic definition of state funding for support of K-12 education (the sum of state general and categorical school aids, the school levy and first dollar credits, and the general program

operations appropriation for the program for the deaf and hard of hearing and the center for the blind and visually impaired), the bill would increase state support from the base amount of \$7,771,373,000 in 2022-23 to \$8,679,817,200 in 2023-24 and \$9,496,275,100 in 2024-25. These proposed funding levels would represent annual changes to the prior year of 11.7% in 2023-24 and 9.4% in 2024-25.

Using the historic definition of partial school revenues (the sum of state school aids and property taxes levied for school districts, less community service levies and a portion of the referenda-approved debt levy), the Administration estimates that state support of partial school revenues would increase from 67.8% in 2022-23 to 70.5% in 2023-24 and 72.6% in 2024-25.

**Joint Finance/Legislature:** Provide \$6,861,602,900 in 2023-24 and \$7,101,505,300 in 2024-25 for general and categorical school aids. Compared to the 2022-23 base year, school aids would increase by \$193,104,300 (2.9%) in 2023-24 and \$433,006,700 (6.5%) in 2024-25. These proposed funding levels would represent annual changes to the prior year of 2.9% in 2023-24 and 3.5% in 2024-25. Compared to the Governor's recommendations, school aids would be reduced by \$714,514,900 in 2023-24 and \$1,291,070,400 in 2024-25.

Using the historic definition of state support of K-12 education, total funding would increase from \$7,771,373,000 in 2022-23 to \$8,219,935,300 in 2023-24 and \$8,539,837,700 in 2024-25. These funding levels would represent annual changes to the prior year of 5.8% in 2023- 24 and 3.9% in 2024-25. With the changes to K-12 school finance adopted by Joint Finance, including 2023 Wisconsin Act 11, it is estimated that state support of partial school revenues would increase to 68.8% in 2023-24 and 69.4% in 2024-25.

**Veto by Governor [A-3]:** By vetoing the appropriation for grants to the Lakeland STAR Academy, the Governor's veto reduces the amount of funding for categorical aids by \$250,000 in 2023-24 and \$500,000 in 2024-25. Estimated state support under Act 19 would remain at 68.8% in 2023-24 and 69.4% in 2024-25.

A summary of the funding amounts for state support under the Governor, Joint Finance and the Legislature, and Act 19 is presented in Table 1. Table 2 provides an outline of state support for K-12 education by individual fund source. Table 3 presents the Act 19 funding levels for each general and categorical school aid program as compared to the 2022-23 base funding level. The provisions relating to individual school aid programs are summarized in the items that follow.

[Act 19 Vetoed Section: 51 (as relates to s. 20.255(2)(ag)), 65, 66, 9134, and 9434]

#### 2. GENERAL SCHOOL AIDS [LFB Paper 630]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-----|----------------------------|-----------------------------------|---------------|
| GPR | \$1,039,482,400            | - \$505,182,400                   | \$534,300,000 |

**Governor:** Provide \$229,705,000 in 2023-24 and \$809,777,400 in 2024-25 above base level funding of \$5,201,590,000 for general school aids. The general school aids appropriation funds equalization, integration, and special adjustment aid. The bill funding would represent an increase of 4.4% in 2023-24 and 14.9% in 2024-25 compared to the prior year.

**Joint Finance/Legislature:** Provide \$154,700,000 in 2023-24 and \$379,600,000 in 2024-25 above base level, which would be reductions of \$75,005,000 in 2023-24 and \$430,177,400 in 2024-25 from the bill. This would represent an increase of 3.0% in 2023-24 and 4.2% in 2024-25 compared to the prior year.

#### 3. HIGH POVERTY AID [LFB Paper 631]

GPR - \$33,660,000

**Governor/Legislature:** Delete \$16,830,000 annually and the appropriation and program statutes for high poverty aid.

A district is eligible for high poverty aid if at least 50% of its enrollment on the third Friday of September in the immediately preceding even-numbered year, rounded to the nearest whole percentage point, satisfied the income eligibility criteria for a free or reduced-price lunch in the national school lunch program. Aid per pupil is calculated by dividing the appropriated amount by the total pupil membership of all eligible districts, using the pupil membership data from the equalization aid calculation in the first year of the biennium. A district's total payment is determined by multiplying that amount by each district's pupil membership.

By law, for all districts except the Milwaukee Public School (MPS), this aid is subject to revenue limits. For MPS, high poverty aid must be used to reduce the property tax levied to offset the aid reduction attributable to the Milwaukee private school choice program. In either case, the effect of this aid is to reduce the property tax levy of the eligible school district.

**Veto by Governor [A-2]:** Delete the repeal of the appropriation and program statutes for high poverty aid. However, under Act 19 as vetoed, no funding would be provided for this aid.

[Act 19 Vetoed Sections: 67, 394 thru 396, 400, 401g, and 9334]

#### 4. **REVENUE LIMIT PER PUPIL ADJUSTMENT** [LFB Paper 630]

**Governor:** Set the per pupil adjustment under revenue limits at \$350 in 2023-24 and \$650 in 2024-25. Specify that, in 2025-26 and each year thereafter, the per pupil adjustment would equal the amount from the previous year adjusted for inflation, using the percentage change, if positive, in the consumer price index for all urban consumers between the preceding March and second-preceding March.

Under revenue limits, the amount of revenue a school district can raise from general school aids, property taxes, and exempt property aids is restricted. A district's base revenue in a given year is equal to the restricted revenues received in the prior school year. Base revenue is divided by the average of the district's enrollments in the prior three years to determine its base revenue per pupil. In 2022-23, no per pupil adjustment was added to each district's base revenue per pupil to determine its current year revenue per pupil. Under current law, no per pupil adjustment will be made in subsequent years. Current year revenue per pupil is then multiplied by the average of the district's initial revenue limit.

The inflationary adjustment that would begin in 2025-26 under the bill is the same measure used to index per pupil adjustment amount prior to 2009-10.

The following table shows the per pupil adjustment under the bill compared to current law.

#### Per Pupil Adjustment

|             | <u>2022-23</u> | <u>2023-24</u> | <u>2024-25</u> |
|-------------|----------------|----------------|----------------|
| Current Law | \$0            | \$0            | \$0            |
| Bill        | 0              | 350            | 650            |

**Joint Finance/Legislature:** Set the per pupil adjustment under revenue limits at \$325 in 2023-24 and \$325 in 2024-25, with no per pupil adjustment in 2025-26 and each year thereafter.

**Veto by Governor [A-1]:** Modify the language of the per pupil adjustment that set the \$325 amount "in the 2023-24 school year and the 2024-25 school year" by deleting words and digits to instead set the \$325 amount "in 2023-2425."

[Act 19 Sections: 402 thru 408]

[Act 19 Vetoed Sections: 402 thru 404 and 408]

**Senate:** Pass partial item veto A-1 notwithstanding the objections of the Governor; ayes 22, noes 11.

#### 5. LOW REVENUE ADJUSTMENT [LFB Paper 630]

**Governor:** Set the low revenue adjustment amount under revenue limits at \$10,450 per pupil in 2023-24 and \$11,200 per pupil in 2024-25. Specify that, in 2025-26 and each year thereafter, the low revenue adjustment amount would equal the amount from the previous year adjusted for inflation, using the percentage change, if positive, in the consumer price index for all urban consumers between the preceding March and second-preceding March. Also, beginning in 2023-24, delete the statutory provisions restricting otherwise-eligible districts from any low revenue adjustment increases for three years after a failed operating referendum. (A technical correction would be needed to accomplish the Administration's intent.)

Under the low revenue adjustment, if the sum of the base revenue per pupil and the revenue limit per pupil adjustment for a district is below the statutorily-specified amount, a district may increase its revenue to that amount. Under current law, the low revenue adjustment amount in 2022-23 and each year thereafter is \$10,000 per pupil.

Under current law, if the voters in a district reject an operating referendum, the low revenue adjustment amount for that district remains at the amount for the school year during which the referendum was held for the following three school years. If the voters in such a district subsequently approve an operating referendum during the three-year period, however, the district's low revenue adjustment in the school year after the referendum equals the amount for that year.

The following table shows the low revenue adjustment amount under the bill compared to current law.

#### Low Revenue Adjustment - Per Pupil Amount

|             | <u>2022-23</u> | <u>2023-24</u> | <u>2024-25</u> |
|-------------|----------------|----------------|----------------|
| Current Law | \$10,000       | \$10,000       | \$10,000       |
| Bill        | 10,000         | 10,450         | 11,200         |

**Joint Finance/Legislature:** Pursuant to 2023 Wisconsin Act 11, the low revenue adjustment amount under revenue limits would be set at \$11,000 per pupil in 2023-24 and each year thereafter.

#### 6. FOUR-YEAR-OLD KINDERGARTEN MEMBERSHIP

**Governor:** Specify that a four-year-old kindergarten (K4) pupil enrolled in a program that requires full-day attendance by the pupil for five days a week would be counted as 1.0 pupil for membership purposes, beginning with the distribution of school aid in, and the calculation of revenue limits for 2024-25. This membership change would apply to school district revenue limits and general aid and to payments to schools in private school choice programs and the independent charter school program.

Under current law, a K4 pupil is counted as 0.5 member if the pupil attends for at least 437 hours, unless the program provides at least 87.5 additional hours of outreach activities, in which case the pupil is counted as 0.6 member. Under the bill, a K4 pupil enrolled in a program requiring less than full-day attendance by the pupil for five days a week would be counted as 0.5 or 0.6 member, depending on whether the additional outreach is provided.

### **Categorical Aids**

#### 1. SPECIAL EDUCATION [LFB Paper 635]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$1,013,055,500            | - \$916,021,100                   | \$97,034,400 |

**Governor:** Provide \$491,388,600 in 2023-24 and \$521,666,900 in 2024-25 for special education categorical aid and modify the appropriation from sum certain to be a sum sufficient appropriation paying 60% of eligible costs beginning in 2023-24 and annually thereafter. Base level funding is \$517,890,000, which DPI estimates will reimburse approximately 31.5% of eligible costs in 2022-23.

**Joint Finance/Legislature:** Provide \$40,146,700 in 2023-24 and \$56,887,700 in 2024-25, a change of -\$451,241,900 in 2023-24 and -\$464,779,200 in 2024-25 relative to the amounts in the bill. It is estimated that this funding would increase the proration rate to 33.3% in 2023-24 and 2024-25.

#### 2. HIGH COST SPECIAL EDUCATION AID [LFB Paper 635]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$7,529,600                | - \$2,896,000                     | \$4,633,600 |

**Governor:** Provide \$1,592,800 in 2023-24 and \$5,936,800 in 2024-25 for high cost special education categorical aid. Base level funding is \$11,439,200, which DPI estimates will reimburse approximately 39.5% of eligible costs in 2022-23.

Additionally, request statutory language modifying the appropriation to be sum sufficient, establishing the following reimbursement rates in statute: 45% in 2023-24, and 60% in 2024-25 and each school year thereafter. Also request statutory language to modify the program to define costs eligible for reimbursement to include 100% of eligible prior year costs above the \$30,000 per pupil threshold.

Under current law, applicants are eligible for high-cost aid for 90% of non-administrative costs above \$30,000 for an individual pupil in the previous school year, if the costs were not reimbursed by the state special education categorical aid, federal Individuals with Disabilities Education Act (IDEA), or the federal Medicaid program. If funding is insufficient, payments are prorated.

Joint Finance/Legislature: Provide \$1,592,800 in 2023-24 and \$3,040,800 in 2024-25,

which would provide the same amount of funding in 2023-24 and reduce finding by \$2,896,000 in 2024-25 compared to the bill. It is estimated that this funding would increase the proration rate to 40% in 2023-24 and 50% in 2024-25.

#### 3. AID FOR COMPREHENSIVE SCHOOL MENTAL HEALTH SYSTEMS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$235,828,600              | - \$235,828,600                   | \$0        |

**Governor:** Provide \$127,914,300 annually to create a new appropriation for aid to school districts and independent charter schools to support comprehensive mental health systems and programs in schools. Delete \$10,000,000 annually and eliminate the existing school-based mental health services grants program that awards grants to school districts and independent charter schools for collaborating with community mental health agencies to provide services to pupils.

Specify that under this new aid program, school districts and independent charter schools would each be eligible to receive reimbursements for eligible expenditures, not to exceed \$100,000 plus \$100 per pupil enrolled in the school district or charter school in the prior year. Specify that funds could be used to provide allowable services during the school day and during after-school or other out-of-school time programs. Define the following as expenses eligible for reimbursement under the program: (a) mental health evidence-based improvement strategies; (b) mental health literacy and stigma reduction programs for pupils and adults; (c) collaborating or contracting with community mental health providers, consultants, organizations, cooperative educational service agencies, and other experts to provide consultation, training, mentoring, and coaching; (d) parent training and informational events; (e) assistance programs for pupils and families; (f) mental health navigators; (g) mental health system planning; (h) translator and interpreter services; (i) offsetting the costs associated with school-employed mental health professionals accessible to all pupils; (j) the costs of setting up spaces and purchasing equipment suitable for mental health telehealth service delivery; (k) the costs of projects designed to assist minors experiencing problems resulting from the use of alcohol or other drugs or to prevent alcohol or other drug use by minors; and (1) telehealth services. Specify that the following costs would be ineligible for reimbursement: (a) payments for direct treatment services or insurance deductibles; (b) non-mental health-related training; (c) staff salaries for non-mental health-related positions; and (d) indirect costs of regular school operations such as existing overhead expenses. Specify that if funding in the appropriation is insufficient to pay the full amount of aid, payments would be prorated among the school districts and independent charter schools that are eligible for aid.

#### 4. AID FOR SCHOOL-BASED MENTAL HEALTH PROFESSIONAL STAFF

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$36,000,000               | - \$36,000,000                    | \$0        |

**Governor:** Provide \$30,000,000 annually in a new appropriation for aid for school-based mental health professional staff. Delete \$12,000,000 annually and the existing appropriation for aid for school mental health programs.

Modify current law to include expenditures for any pupil services professional, rather than only social workers as under current law. Define pupil services professional as a school counselor, school social worker, school psychologist, or school nurse. Modify the program to specify that beginning in the 2023-24 school year, school districts, independent charter schools, and private schools participating in one of the private school choice programs would be eligible for reimbursement of any expenditures made to employ, hire, or retain pupil services professionals, including pupil services professionals who provided telehealth services, rather than only 50% of the increase in expenditures to employ, hire, or retain school social workers. Specify that if funding in the appropriation is insufficient to pay the full amount of aid, payments would be prorated among the school districts, independent charter schools, and private schools that are eligible for aid.

Under current law, the program reimburses eligible districts and schools for expenditures on school social workers as follows: (a) 50% reimbursement of the increase in expenditures for school social worker services from one year to the next; and (b) a proportion of unreimbursed expenditures for social workers, based on the amount remaining in the appropriation after payments are made under (a). Eligible districts and schools are defined as school districts, independent charter schools, and private choice schools that increased their expenditures on social workers from one year to the next.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. PEER TO PEER SUICIDE PREVENTION GRANTS

**Governor:** Modify the program to increase the maximum grant award for the peer-to-peer suicide prevention grants from \$1,000 to \$6,000. Base funding of \$250,000 would remain at that level for each year of the 2023-25 biennium.

#### 6. SUPPLEMENTAL NUTRITION AID

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$120,168,500              | - \$120,168,500                   | \$0        |

**Governor:** Provide \$120,168,500 in 2024-25 in a new sum sufficient appropriation for reimbursing educational agencies for the cost of meals served in schools, so that those meals would be provided at no cost to pupils.

Under the program, an educational agency would be eligible to receive an annual payment equal to the sum of the following: (a) the number of school lunches provided to pupils eligible for a reduced-price lunch multiplied by the difference between the reimbursement amount for a reduced-price lunch and a free lunch in the previous school year; (b) the number of school lunches provided to pupils ineligible for a free or reduced-price lunch multiplied by the difference between the reimbursement amount for a paid lunch and a free lunch in the previous school year; (c) the number of school breakfasts provided to pupils eligible for a reduced-price breakfast multiplied by the difference between the reimbursement amount for a reduced-price breakfast and a free breakfast in the previous school year; (d) the number of school breakfasts provided to pupils ineligible for a free or reduced-price breakfast multiplied by the difference between the reimbursement amount for a paid breakfast and a free breakfast in the previous school year; (e) the number of meal supplements provided to pupils eligible for a reduced-price meal supplement multiplied by the difference between the reimbursement amount for a reduced-price meal supplement and a free meal supplement in the previous school year; and (f) the number of meal supplements provided to pupils ineligible for a free or reduced-price meal supplement multiplied by the difference between the reimbursement amount for a paid meal supplement and a free meal supplement in the previous school year. An educational agency would be defined as a school board, an operator of an independent charter school, a private school, a tribal school, an operator of a residential care center for children and youth, and the state's Educational Services Program for the Deaf and Hard of Hearing and Center for the Blind and Visually Impaired. To be eligible for reimbursement, the educational agency could not charge eligible pupils for school meals for which the educational agency receives reimbursement under the federal school lunch program or federal school breakfast program.

The basic cash reimbursement rates for all schools or institutions participating in the federal school lunch and breakfast programs in 2022-23 are \$4.33 for a free lunch, \$3.93 for a reduced-price lunch, and \$0.77 for a paid lunch; \$2.26 for a free breakfast, \$1.96 for a reduced-price breakfast, and \$0.50 for a paid breakfast; and \$1.08 for a free snack, \$0.54 for a reduced-price snack, and \$0.09 for a paid snack. In the same year, a family of four qualifies for a free lunch with an annual income of less than \$36,075, and a reduced-price lunch with an income of between \$36,075 and \$51,338. In the 2022-23 school year, approximately 345,400 public school pupils in Wisconsin qualified for free meals, or approximately 44% of pupils statewide, and 37,900 pupils qualified for reduced-price meals, or approximately 5% of pupils statewide.

#### 7. SCHOOL BREAKFAST REIMBURSEMENT [LFB Paper 636]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$8,989,800                | - \$8,989,800                     | \$0        |

**Governor:** Provide \$4,326,800 in 2023-24 and \$4,663,000 in 2024-25 above base level funding of \$2,510,500 for the school breakfast program. Under the program, participating agencies are eligible for reimbursements of 15.0 cents per meal served if funding is available. DPI estimates that payments will be prorated at approximately 5.9 cents per meal served in 2022-23. It is estimated that the additional funding would increase the state reimbursement rate to 15.0 cents per meal served.

Additionally, modify statutory language to allow independent charter schools, the state's Educational Services Program for the Deaf and Hard of Hearing and Center for the Blind and Visually Impaired, and residential care centers for children and youth to be eligible for reimbursement. Specify that schools that ceased operations during the prior school year are not eligible for reimbursement for any breakfasts served during that year.

Joint Finance/Legislature: Provision not included.

#### 8. LOCALLY-SOURCED FOOD INCENTIVE PAYMENTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,750,000                | - \$2,750,000                     | \$0        |

**Governor:** Provide \$2,750,000 beginning in 2024-25 for a new categorical aid program to reimburse school food authorities that participate in the National School Lunch Program an additional 10 cents for each meal served in the previous school year that included a locally-sourced food item. Define school food authorities as school districts, independent charter schools, private schools, tribal schools, residential care centers for children and youth, and the state's residential schools for blind and deaf pupils. Locally-sourced food would be defined as food that is raised, produced, aggregated, sorted, processed, and distributed within this state. Specify that payments would be prorated if funding in the appropriation is insufficient.

#### 9. GRANTS FOR MILK COOLERS AND DISPENSERS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$50,000                   | - \$50,000                        | \$0        |

**Governor:** Provide \$50,000 in 2024-25 to create a new categorical aid program to reimburse educational entities that participate in the National School Lunch Program for the cost of purchasing milk coolers and milk dispensers, up to \$5,000 per unit. Educational agencies would be defined as school districts, independent charter schools, private schools, tribal schools, residential care centers for children and youth, and the state's residential schools for blind and deaf pupils. Require an educational agency to specify in its application the eligible milk equipment that it intends to purchase with the grant and the cost of each unit. Specify that payments would be prorated if funding is insufficient. Allow DPI to promulgate rules to implement and administer the program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **10. BILINGUAL-BICULTURAL AID** [LFB Paper 637]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$22,352,300               | - \$19,352,300                    | \$3,000,000 |

**Governor:** Provide \$8,199,100 in 2023-24 and \$14,153,200 in 2024-25 above base level funding of \$8,589,800 for bilingual-bicultural aid. Modify the appropriation from sum certain to be a sum sufficient appropriation paying 15% of eligible costs in 2023-24 and 20% in 2024-25 and annually thereafter.

Under current law, school districts are required to establish a bilingual program if, within a language group at a given school, there are 10 or more limited-English proficient (LEP) pupils in kindergarten to grade three, or 20 or more LEP pupils in grades four to eight or grades nine to 12. Aid is provided to districts to reimburse eligible costs related to providing services for LEP pupils, including salaries of personnel participating in and attributable to bilingual-bicultural education programs, special books and equipment used in such programs, and other expenses approved by the State Superintendent. Districts in which LEP pupils comprise 15% or more of total enrollment are eligible for additional aid from a \$250,000 set-aside, which is divided proportionately among eligible districts based on their costs. In 2021-22, the reimbursement rate under the program was approximately 7.7%.

**Joint Finance/Legislature:** Provide \$1,500,000 annually, a change of -\$6,699,100 in 2023-24 and -\$12,653,200 in 2024-25 relative to the amounts in the bill. It is estimated that this funding would increase the proration rate to 8.9% in 2023-24 and 8.7% in 2024-25.

#### 11. AID FOR ENGLISH LANGUAGE ACQUISITION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$51,984,000               | - \$51,984,000                    | \$0        |

**Governor:** Provide \$25,992,000 annually in a sum sufficient appropriation for a new categorical aid program to support limited-English proficient (LEP) pupils in school districts and independent charter schools. Specify that under the program, base funding of \$10,000 would be provided to each school district and independent charter school serving at least one and up to 20 LEP pupils, and an additional \$500 would be provided for each LEP pupil above 20, based on the number of pupils enrolled in the district or attending the school in the previous school year.

Require school boards and operators of independent charter schools to annually, on or before August 15, report to DPI the number of LEP pupils enrolled in the school district or attending the charter school in the previous school year and the classification of those pupils by language group.

Require DPI to award grants beginning in the 2024-25 school year. (Funding under the program is provided in both years of the biennium, but under the bill grants would first be awarded in the second year of the biennium.)

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **12. PER PUPIL AID** [LFB Paper 630]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-----|----------------------------|-----------------------------------|----------------|
| GPR | \$46,398,000               | - \$70,382,600                    | - \$23,984,600 |

**Governor:** Provide \$7,573,800 in 2023-24 and \$38,824,200 in 2024-25 in per pupil aid to increase the payment from \$742 per pupil in 2022-23 to \$766 per pupil in 2023-24 and \$811 per pupil in 2024-25. Base level funding is \$601,400,000.

A sum sufficient per pupil aid appropriation was established in 2013 Act 20. Each school district receives a statutorily-specified, flat per pupil aid payment, outside of revenue limits, from this appropriation. Under current law, each district will receive a \$742 per pupil payment in 2022-23 and each year thereafter. A district's aid payment is based on its current three-year rolling average pupil count under revenue limits. The Administration estimates that per pupil aid enrollment will be 795,000 in 2023-24 and 789,400 in 2024-25.

**Joint Finance/Legislature:** Reduce funding by \$10,397,000 in 2023-24 and \$13,587,600 in 2024-25 as the result of a sum sufficient reestimate of estimated per pupil aid payments using the current law \$742 per pupil aid payment amount, which would represent reductions of \$17,970,800 in 2023-24 and \$52,411,800 in 2024-25 compared to the bill.

#### 13. PER PUPIL AID -- CLARIFY CURRENT LAW

**Governor:** Delete obsolete statutory language relating to the delayed payment of per pupil aid for the 2015-16 school year.

Also, change the cross-reference for the exclusions from per pupil aid enrollment to a current reference, rather than an outdated one. Under current law, pupils who attend certain independent charter schools are included in their resident districts' enrollments for revenue limit purposes. The revenue limit count is used for per pupil aid, but the provision excluding these pupils for per pupil aid refers to an outdated statutory paragraph.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 14. GRANTS FOR OUT-OF-SCHOOL-TIME PROGRAMS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$20,000,000               | - \$20,000,000                    | \$0        |

**Governor:** Provide \$20,000,000 in 2024-25 in a continuing appropriation for a new grant program to support the implementation and expansion of after-school and other out-of-school time programs that provide services to school-age children. Require DPI to award grants to school boards, independent charter schools, and organizations that provide after-school and other out-ofschool time programming to school-age children. Define an "out-of-school-time program" as any of the following: (a) a program that provides programming, activities, learning support, and supervision for K-12 pupils before school, after school, or both; (b) a day camp licensed by the Department of Children and Families; (c) a recreational or educational camp licensed by the Department of Agriculture, Trade and Consumer Protection or a local health department; or (d) a program that DPI determines will help program participants make progress in the following goals, as appropriate for age groups served: (1) developing a sense of connection to school and their place in it; (2) improving academic outcomes, including homework completion, grades, and study behaviors; (3) college graduation and career readiness; (4) reducing rates of participation in risky behaviors through access to a safe and welcoming environment during out-of-school-time hours; (5) improving social and emotional skills and accessing opportunities to demonstrate leadership; or (6) accessing experiences and opportunities that contribute to the development of the whole child, such as civic engagement and community service. Provide that DPI could promulgate rules to implement and administer the program.

#### 15. EARLY LITERACY AND READING IMPROVEMENT [LFB Paper 638]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$20,000,000               | - \$20,000,000                    | \$0        |

**Governor:** Provide \$10,000,000 annually to create two new appropriations, including \$9,195,000 annually to contract with and train literacy coaches to implement a comprehensive program of trainings for educators to improve early literacy and reading outcomes for Wisconsin students, and \$805,000 annually to provide payments to participating school districts and independent charter schools.

Require DPI to establish a program to improve literacy outcomes that includes the following: (a) coaches to support the implementation of evidence-based literacy instructional practices in grades K-12 by collaborating with local educational agencies to establish goals for literacy outcomes for specific grade levels and literacy areas and provide ongoing support to local educational agencies to meet those goals; (b) coaches to focus on early literacy instructional transitions by providing in-person trainings for teachers who teach 4K, kindergarten, or first grade, including in-person trainings to evaluate existing early literacy curricula and goals and to assist local educational agencies to create local, standards-aligned, and developmentally appropriate curricula and instruction for 4K to first grade pupils; and (c) trainings for the coaches on how to identify evidence-based literacy instructional practices and facilitate regional trainings focused on early literacy instructional practices. Require DPI to contract with individuals who demonstrate knowledge of and expertise in evidence-based literacy instructional practices and instructional experience in grades 4K to 12 to serve as literacy coaches under (a), and individuals who demonstrate knowledge and expertise in early literacy instructional practices and instructional experience in grades 4K through one to serve as literacy coaches under (b).

Define urban school districts as those with enrollments in the previous school year of at least 16,000 pupils (Milwaukee, Madison, Green Bay, Kenosha, and Racine), and require each urban school district to participate in the program. Require DPI to contract with one of each type of literacy coach for each urban school district, and between one and four of each type of coach for each cooperative educational service agency (CESA), depending on the number of pupils enrolled in non-urban districts located in the CESA in the previous school year, as follows: (1) for CESAs with fewer than 40,000 pupils, one coach under (a) and one under (b); (2) for CESAs with 40,001 to 80,000 pupils, two literacy coaches under (a) and two under (b); and for CESAs with 80,001 to 120,000 pupils, three literacy coaches under (a) and three under (b). Specify that other than urban districts, DPI could not require any district to participate in the program.

Require DPI to pay \$7,000 annually to each school district and independent charter school that elects to work with a coach to implement evidence-based literacy instructional practices under (a) and an additional \$6,000 annually to each school district and independent charter school that participates in an early literacy training led by a coach under (b).

Joint Finance/Legislature: Place \$50,000,000 in the Joint Finance Committee

supplemental appropriation for a literacy program. The funding provided is shown under "Program Supplements."

#### 16. COMPUTER SCIENCE EDUCATION GRANTS

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Change</u><br>Positions |
|-----|--|---|-----|----------------------------|
| GPR | \$10,302,500 1.00                                      | - \$10,302,500 - 1.00   | \$0 | 0.00                       |

**Governor:** Provide \$5,152,500 and 1.0 position in 2023-24 and \$5,150,000 in 2024-25 to create a grant program to provide funds to school districts to expand computer science educational opportunities in all grade levels operated by the district. Specify that funds could be used to provide professional development, purchase curricula and related materials, and apply programming or coding concepts or integrate computer science fundamentals into other subjects.

Of the total funding amount, \$5,000,000 annually would be used to award grants to school districts. An additional \$132,500 in 2023-24 and \$150,000 in 2024-25 would be provided in DPI's general program operations appropriation for a statewide computer science education coordinator (\$76,900 salary and \$55,600 fringe in 2023-24 and \$87,100 salary and \$62,900 fringe in 2024-25). The remaining \$20,000 in 2023-24 would be for costs associated with a computer science education task force, to be chaired by the computer science education coordinator.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **17. MILWAUKEE MATHEMATICS PARTNERSHIP**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$10,000,000 beginning in 2024-25 for a grant for a partnership between Milwaukee Public Schools (MPS) and the University of Wisconsin-Milwaukee. Require the MPS school board and UW-Milwaukee to develop and implement a plan to improve mathematics instruction in MPS schools. Specify that MPS could use the funds for personnel costs associated with the plan. Require the school board of MPS to provide matching funds in an amount equal to at least 20 percent of the amount of the grant. Specify that DPI could promulgate rules to implement and administer the program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 18. GROW YOUR OWN EDUCATOR PROGRAMS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$5,000,000                | - \$5,000,000                     | \$0        |

**Governor:** Provide \$5,000,000 beginning in 2024-25 for a new grant program to reimburse school districts and independent charter schools for programs and initiatives to build the educator workforce in Wisconsin schools. Define a "grow your own program" as a program to encourage individuals to pursue a career in teaching or to facilitate teacher licensure. Funds could be used on activities such as paying the costs associated with current staff completing education necessary to obtain licensure, partnering with community organizations to attract and develop new teachers, support for career pathways using dual enrollment, incentives for paraprofessionals to gain licensure, and supporting student organizations that encourage high school students to pursue careers in teaching. Require DPI to promulgate rules to implement and administer the program, including criteria for awarding grants. Specify that the program does not apply to any school in Milwaukee Public Schools (MPS) that was transferred to the opportunity schools partnership program, which transfers the operation and management of a school that either received the lowest rating on the most recent school accountability report or was identified as a vacant or underutilized building. No schools have been transferred into the program to date.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **19. PERSONAL FINANCIAL LITERACY**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$5,000,000                | - \$5,000,000                     | \$0        |

**Governor:** Provide \$2,500,000 annually in a biennial appropriation for a new personal financial literacy grant program for school districts and independent charter schools to develop, implement, or improve financial literacy curricula. Require the State Superintendent to prioritize grant applications related to innovative financial literacy curricula, as determined by the State Superintendent.

Under current law, school districts are required to adopt academic standards for financial literacy and incorporate financial literacy instruction into the curriculum in grades kindergarten through 12.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 20. HIGH COST TRANSPORTATION AID [LFB Paper 639]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$15,007,600               | - \$9,120,000                     | \$5,887,600 |

**Governor:** Provide \$7,503,800 annually above base level funding of \$19,856,200 for high cost transportation aid. It is estimated that this amount would fully fund payments to eligible districts in each year. Additionally, modify statutory language to eliminate the \$200,000 cap for payments for districts that qualified for aid in the previous year, but did not qualify in the current year. As a result, payments to all school districts receiving aid under the program would be prorated at the same rate.

Under current law, school districts qualify for high cost transportation aid if they meet the following eligibility requirements: (a) a transportation cost per member greater than 140% of the state average in the prior year; and (b) a pupil population density of 50 pupils per square mile or less, calculated by dividing the school district's membership in the previous school year by the district's area in square miles. Any district that qualified for aid in the preceding school year but is ineligible for aid in the current school year is eligible to receive an amount equal to 50% of its prior year award, with the sum of all payments under this provision not to exceed \$200,000 in any fiscal year. In 2021-22, 192 districts were eligible for aid under the program, and payments to those districts were prorated at 66.8%. Eleven districts had been eligible in the previous year but did not meet the eligibility requirements in the current year, and received payments equal to 52.8% of the maximum amount for which they were eligible (50% of their prior year payment).

**Joint Finance/Legislature:** Provide \$2,943,800 annually for high cost transportation aid, a decrease of -\$4,560,000 annually below the Governor's recommendation. It is estimated that the funding would reimburse 75% of eligible costs. Additionally, modify statutory language to eliminate the \$200,000 cap for payments for districts that qualified for aid in the previous year, but did not qualify in the current year.

[Act 19 Section: 399g]

#### 21. PUPIL TRANSPORTATION AID

**Governor/Legislature:** Modify statutory language to increase the reimbursement rate for pupils transported over 12 miles to and from school in the regular school year from \$375 to \$400 beginning in the 2023-24 school year. It is estimated that the current funding level (\$24.0 million GPR) would fully fund payments at the increased rate.

|                            | Curre       | ent Law       | Ac          | t 19          |
|----------------------------|-------------|---------------|-------------|---------------|
| <u>Mileage</u>             | School Year | Summer School | School Year | Summer School |
| 0-2 miles (hazardous area) | \$15        |               | \$15        |               |
| 2-5 miles                  | 35          | \$10          | 35          | \$10          |
| 5-8 miles                  | 55          | 20            | 55          | 20            |
| 8-12 miles                 | 110         | 20            | 110         | 20            |
| Over 12 miles              | 375         | 20            | 400         | 20            |

[Act 19 Section: 397]

## **22. DRIVER EDUCATION AID** [LFB Paper 640]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$6,500,000                | - \$6,500,000                     | \$0        |

**Governor:** Provide \$6,500,000 beginning in 2024-25 in a new, annual appropriation for driver education aid to reimburse eligible programs for the cost of providing driver education to low income pupils.

Define a driver education program as an instructional program in driver education approved by DPI and operated by a driver school or a qualified driver education provider, which would include school boards, operators of an independent charter school, and cooperative educational service agencies. Specify that eligible pupils would be pupils who qualified for free or reducedprice lunch in the federal school lunch program in the previous school year. Provide that in order to receive grants, qualified driver education providers would have to: (a) demonstrate to DPI that the provider waived the fees it would otherwise charge for eligible pupils; and (b) by October 1, 2024, and annually thereafter, report the number of eligible pupils who enrolled in and successfully completed its driver education program in the previous school year and the amount charged to a pupil who was not an eligible pupil to enroll in and complete the program in the previous year. Require DPI to calculate the amount paid to each qualified driver education provider by multiplying the number of eligible pupils reported as having successfully completed a program in the previous school year by the amount that the provider reported that it charged a pupil who was not an eligible pupil in the previous year. Provide that DPI could promulgate rules to implement and administer this program

Joint Finance/Legislature: Provision not included.

## 23. SPARSITY AID

**Governor:** Provide \$630,200 annually over base level funding of \$27,983,800 for sparsity aid.

Under current law, districts qualify for \$400 per pupil if, in the prior school year, they had

GPR \$1,260,400

an enrollment of less than 745 pupils and had a population density of fewer than 10 pupils per square mile of district attendance area. Districts qualify for \$100 per pupil if, in the prior school year, they had an enrollment between 745 and 1,000 pupils and a population density of fewer than 10 pupils per square mile of district attendance area. If funding is insufficient, payments are prorated. In 2022-23, 150 districts qualified for \$400 per pupil aid and 33 districts qualified for \$100 per pupil aid. Payments were prorated at 98%.

Additionally, modify the provision that exists under current law under which any district that qualified for sparsity aid in one year but did not qualify the following year due to an increase in its enrollment is eligible to receive 50% of its prior year award. Instead, allow a district that loses its eligibility as a result of an increase in its enrollment or its pupil population density to receive up to 50% of its prior year award. Two districts (Brodhead and Lancaster Community) qualified for aid under this provision in 2022-23. This modification would first apply to sparsity aid in the 2023-24 school year.

**Joint Finance/Legislature:** Provide \$630,200 annually over base level funding for sparsity aid, but do not include the statutory language changes proposed by the Governor.

# 24. GRANTS TO REPLACE CERTAIN RACE-BASED NICKNAMES, LOGOS, MASCOTS, AND TEAM NAMES

**Governor:** Create a PR appropriation for grants to school boards for the costs associated with adopting and implementing a nickname, logo, mascot, or team name that is not race-based. The State Superintendent could award a grant to a school board that adopts a resolution to terminate the use of a race-based nickname, logo, mascot, or team name that is associated with a federally recognized American Indian tribe or American Indians in general, regardless of whether the board has received an objection from a school district resident or an order to terminate the use of the nickname, logo, mascot, or team name from the Division of Hearings and Appeals in the Department of Administration (DOA). Specify that the amount of the grant could not exceed the greater of \$50,000 or the school board's actual costs to adopt and implement the new team name.

The program revenue would be from tribal gaming revenue transferred from DOA. The unencumbered balance on June 30 of each year would revert to the appropriation for tribal gaming receipts. The bill creates an appropriation and statutory language for the grant program, but does not provide funding in the appropriation.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **25.** SCHOOL LIBRARY AIDS REESTIMATE

**Governor/Legislature:** Reestimate school library aids by \$7,000,000 annually. Base level funding is \$45,000,000 annually. Revenues are from interest earned on the segregated common school fund, administered by the Board of Commissioners of Public Lands.

\$14,000,000

SEG

#### 26. SCHOOL-BASED MENTAL HEALTH SERVICES GRANT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| GPR | \$0                        | \$30,000,000                      | \$30,000,000 |

**Joint Finance/Legislature:** Provide a one-time increase of \$15,000,000 in each year of the biennium above base level funding of \$10,000,000 for grants for school-based mental health services. Specify that beginning in the 2023-24 school year and in each year thereafter, DPI would be required to award a grant to each school board and independent charter school operator in an amount determined as follows: (a) divide the number of pupils enrolled in the school district or charter school in the current school year by the total number of pupils enrolled statewide in school districts and independent charter schools; and (b) multiply the quotient by the total amount appropriated for the current school year. Modify statutory language to indicate that the grants are for the purpose of collaborating with mental health providers, rather than community mental health agencies as under current law. Delete current law specifying that grants are awarded under a competitive grant program, and school boards and independent charter schools can apply for a grant individually or as a consortium. Delete current law specifying that DPI would establish by rule the criteria used to award grants, and requiring DPI to award at least \$3,250,000 in grants annually beginning in the 2018-19 school year.

[Act 19 Sections: 389 thru 392]

## 27. GRANTS TO LAKELAND STAR ACADEMY

|     | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto<br>(Chg. to Leg.) | Net Change |
|-----|-----------------------------------|------------------------|------------|
| GPR | \$750,000                         | -\$750,000             | \$0        |

**Joint Finance/Legislature:** Provide \$250,000 in 2023-24 and \$500,000 in 2024-25 in onetime funding in a new appropriation for grants to the Lakeland STAR Academy. Require DPI to distribute the amount in the appropriation in each fiscal year of the biennium to the Lakeland Union High School District for distribution to Lakeland STAR Academy. Specify that the appropriation would be repealed on July 1, 2025.

Veto by Governor [A-3]: Delete provision.

[Act 19 Vetoed Sections: 51 (as it relates to s. 20.255(2)(ag)), 65, 66, 9134, and 9434]

## 28. ROBOTICS LEAGUE PARTICIPATION GRANTS

GPR \$500,000

**Joint Finance/Legislature:** Provide \$250,000 annually above base-level funding of \$500,000 for the robotics league participation grants.

Additionally, modify statutory language to specify that the maximum grant award would be \$6,000, rather than \$5,000 as under current law.

[Act 19 Section: 393]

#### **29. SHARED SCHOOL DISTRICT SERVICES**

**Joint Finance/Legislature:** Provide \$5,000,000 GPR in the Joint Finance Committee supplemental appropriation for shared school district services. The fiscal effect of this item is shown under "Program Supplements."

#### **30. RECOVERY SCHOOL GRANTS**

**Joint Finance/Legislature:** Provide \$500,000 GPR annually in the Joint Finance Committee supplemental appropriation for a grant program for recovery high schools, which are public, private, or tribal high schools specifically designed for pupils in recovery from a substance use disorder. Create a new, annual appropriation under DPI for the grants. The fiscal effect of this item is shown under "Program Supplements."

[Act 19 Section: 68]

# **Choice, Charter, and Open Enrollment**

# 1. MILWAUKEE PRIVATE SCHOOL CHOICE PROGRAM FUNDING [LFB Paper 106]

|                       | Governor<br>(Chg. to Base)        | Jt. Finance/L<br>(Chg. to Gov     | 0                                  |
|-----------------------|-----------------------------------|-----------------------------------|------------------------------------|
| GPR<br>GPR Effect of  | \$39,474,300<br>Aid               | \$85,519,200                      | \$124,993,500                      |
| Reductions<br>Net GPR | <u>22,799,700</u><br>\$62,274,000 | <u>-1,486,900</u><br>\$84,032,300 | <u>21,312,800</u><br>\$146,306,300 |

**Governor:** Provide \$9,827,900 in 2023-24 and \$29,646,400 in 2024-25 over base year funding of \$244,416,600 for the Milwaukee private school choice program to reflect changes in pupil participation and per pupil payments under the bill. This would reflect an increase in pupil participation from 28,100 pupils in 2022-23 to an estimated 28,300 pupils in 2023-24 and 2024-25. The table below shows the per pupil payments under the bill based on the increase in the per pupil adjustment under revenue limits provided in the bill.

#### Per Pupil Payments Under the Bill, 2023-24 and 2024-25

|                      | Current Law | Bil            | 1              |
|----------------------|-------------|----------------|----------------|
|                      | 2022-23     | <u>2023-24</u> | <u>2024-25</u> |
| K-8                  | \$8,399     | \$8,773        | \$9,468        |
| 9-12                 | 9,045       | 9,419          | 10,114         |
| Change to prior year |             | 374            | 695            |

Under current law, the estimated cost to the state of the payments from the Milwaukee choice program appropriation is partially offset by a reduction (after consideration of aid paid to the City of Milwaukee to defray the choice levy) in the general school aids otherwise paid to the Milwaukee Public Schools (MPS) by an amount equal to 3.2% of the total cost of the program in 2023-24 and 0.0% of the total cost of the program in 2024-25. Under revenue limits, MPS may levy property taxes to make up for the amount of general aid lost due to this reduction (less the amount of high poverty aid paid to MPS, which would be eliminated under another provision of the bill).

Under the bill, the aid reduction for MPS would decrease by \$7,340,600 in 2023-24 and \$15,459,100 in 2024-25 from the base choice reduction of \$15,459,100. The net general fund fiscal effect for the Milwaukee program would be increased expenditures of \$17,168,500 in 2023-24 and of \$45,105,500 in 2024-25.

The total change in funding provided for the Milwaukee choice program under this item includes the following changes attributable to other modifications made to the program under the bill, and summarized under other summary items: (a) capping program participation; (b) counting certain pupils enrolled in four-year-old kindergarten as 1.0 pupil for membership purposes; and (c) modifying the payment indexing mechanism.

**Joint Finance/Legislature:** Provide \$55,752,000 in 2023-24 and \$69,241,500 in 2024-25 relative to base level funding for the Milwaukee private school choice program. This would represent an increase of \$45,924,100 in 2023-24 and \$39,595,100 in 2024-25 compared to the bill.

As a result of these changes, the total cost of the program would equal an estimated \$300,168,600 in 2023-24 and \$313,658,100 in 2024-25. The aid reduction would be equal to \$9,605,400 in 2023-24 and \$0 in 2024-25, for a net GPR cost of \$290,563,200 in 2023-24 and \$313,658,100 in 2024-25.

Under the Joint Finance provisions and the provisions of 2023 Wisconsin Act 11, the per pupil payment for K-8 pupils is estimated to increase from \$8,399 in 2022-23 to \$9,893 in 2023-24 and \$10,237 in 2024-25, and the per pupil payment for 9-12 pupils is estimated to increase from \$9,045 in 2022-23 to \$12,387 in 2023-24 and \$12,731 in 2024-25.

#### 2. RACINE AND STATEWIDE PRIVATE SCHOOL CHOICE PROGRAM FUNDING [LFB Paper 106]

|                       | Governor<br>(Chg. to Base)           | Jt. Finance/Leg<br>(Chg. to Gov) |                                       |
|-----------------------|--------------------------------------|----------------------------------|---------------------------------------|

| Reductions<br>Net GPR | <u>- 87,075,600</u><br>- \$8,880,600 |                                  | <u>- 174,245,800</u><br>- \$4,375,500 |

**Governor:** Provide \$31,135,100 in 2023-24 and \$47,059,900 in 2024-25 over base year funding of \$172,417,000 for the Racine and statewide private school choice programs to reflect changes in pupil participation and per pupil payments under the bill.

The table below shows the per pupil payments under the bill based on the increase in the per pupil adjustment under revenue limits provided in the bill.

#### Per Pupil Payments Under the Bill, 2023-24 and 2024-25

|                      | Current Law | Bill    |                |  |
|----------------------|-------------|---------|----------------|--|
|                      | 2022-23     | 2023-24 | <u>2024-25</u> |  |
| K-8                  | \$8,399     | \$8,773 | \$9,468        |  |
| 9-12                 | 9,045       | 9,419   | 10,114         |  |
| Change to prior year |             | 374     | 695            |  |

Estimated per pupil participation in each year of the biennium is shown in the following table.

#### Estimated Racine and Statewide Private School Choice Program Participation

|                     | <u>2022-23</u>         | <u>2023-24</u>         | <u>2024-25</u>          |
|---------------------|------------------------|------------------------|-------------------------|
| Racine<br>Statewide | 3,800<br><u>16,500</u> | 3,900<br><u>18,900</u> | 3,900<br><u>18,90</u> 0 |
| Total               | 20,300                 | 22,800                 | 22,800                  |

Under current law, the cost of payments for legacy pupils (pupils who first participated in the programs in the 2014-15 school year or earlier) is fully funded through GPR. Payments for all other pupils are fully funded through an aid reduction in the general school aids that would otherwise be paid to those pupils school districts of residence. School districts receive a revenue limit adjustment equal to the amount of the aid reduction in the current year.

Under the bill, the aid reduction for the programs would total \$197,749,500 in 2023-24 and \$214,307,700 in 2024-25 from the base choice aid reduction of \$162,490,800. The net general

fund fiscal effect for the Racine and statewide programs would be decreased expenditures of \$4,123,600 in 2023-24 and decreased expenditures of \$4,757,000 in 2024-25 compared to the base.

The total change in funding provided for the Racine and statewide choice programs under this item includes the following changes attributable to other modifications made to the program under the bill, and summarized under other summary items: (a) capping program participation; (b) counting certain pupils enrolled in four-year-old kindergarten as 1.0 pupil for membership purposes; and (c) modifying the payment indexing mechanism.

**Joint Finance/Legislature:** Provide \$66,987,400 in 2023-24 and \$102,882,900 in 2024-25 relative to base level funding for the statewide and Racine private school choice programs. These funding adjustments would represent changes to the bill of \$35,852,300 in 2023-24 and \$55,823,000 in 2024-25.

As a result of these changes, the total cost of the program would equal an estimated \$239,404,400 in 2023-24 and \$275,299,900 in 2024-25. The aid reduction would be equal to \$231,056,900 in 2023-24 and \$268,170,500 in 2024-25, for a net GPR cost of \$8,347,500 in 2023-24 and \$7,129,400 in 2024-25.

Under the Joint Finance provisions and the provisions of 2023 Wisconsin Act 11, the per pupil payment for K-8 pupils is estimated to increase from \$8,399 in 2022-23 to \$9,893 in 2023-24 and \$10,237 in 2024-25, and the per pupil payment for 9-12 pupils is estimated to increase from \$9,045 in 2022-23 to \$12,387 in 2023-24 and \$12,731 in 2024-25.

# 3. PRIVATE SCHOOL CHOICE PROGRAMS AND SPECIAL NEEDS SCHOLARSHIP PROGRAM -- CAP PARTICIPATION AT 2023-24 LEVELS

**Governor:** Beginning in the 2024-25 school year, specify that the total number of pupils who can participate in each of the three choice programs and the special needs scholarship program could not exceed a program cap for each program defined as the total number of pupils who attended private schools under that program in the 2023-24 school year.

Current law limits the total number of pupils residing in a school district who can participate in the statewide choice program to no more than 7% of the district's prior year membership in 2022-23. The limit will increase by one percentage point in each year until it reaches 10% in 2025-26. Beginning in 2026-27, no limit will apply. Current law does not limit the number of pupils who can participate in the Milwaukee or Racine choice programs or the special needs scholarship program.

Specify that a private school participating in the program could accept applications from eligible pupils during application periods determined by DPI. For the Racine and Milwaukee choice programs, require DPI to establish one or more application periods, the first of which may begin no earlier than the first weekday in February of the previous school year and the last of which may end no later than September 14 of the applicable school year. For the statewide choice program, maintain the application period under current law (the first weekday in February to the third Thursday in April of the previous school year). For the special needs scholarship program, require a participating private school to notify DPI of its intent to participate in the program by the

first Monday in March of the previous school year, and specify that the school could accept applications for the following school year between the first weekday in April and the third Thursday in June. Delete current law allowing a pupil to apply to the special needs scholarship program at any time during the school year.

Require each private school to report to DPI the number of pupils who applied to attend the school under each program, and the names of those applicants who have siblings who also applied to attend the school under the program. For the choice programs, require that this information is reported no later than 10 days after each application period ends, and for the special needs scholarship program, require that this information is reported no later than the first weekday in May immediately following the application period. (The bill specifies a private school reporting date for applicants to the special needs scholarship program that is prior to the end date of the application period specified in the bill. A correction would be needed to modify the application period, the private school reporting date, or both, to correct the timing issue).

At the end of each application period, require DPI to determine the sum of all applicants, counting a pupil who has applied to attend more than one private school under a choice program or under the special needs scholarship program only once. If the sum exceeds the program cap (or, for the statewide program, the district participation limits under current law), require DPI to determine which applications to accept on a random basis, with the following exceptions: (a) for the choice programs, the pupil preferences established under current law; and (b) for the special needs scholarship program, children who attended a different eligible school under the special needs scholarship program in the previous school year, and siblings of pupils who already attend the private school.

Require DPI to establish a waiting list for those pupils whose applications are not accepted in accordance with the current law preferences. Require a private school to notify DPI if an accepted pupil will not attend the school, and require DPI to fill any available slot with a pupil from the waiting list. Allow a pupil on the waiting list under the choice programs to be admitted for the following school year without submitting additional financial information, provided that the applicant continues to meet the residency requirements for the program for which the pupil is applying.

No later than 60 days after the end of the application period for the special needs scholarship program, require DPI to notify each applicant and each eligible school, in writing, whether the applicant has been approved to receive a scholarship. For the Milwaukee, Racine, and statewide choice programs, require a private school to notify each applicant who is not eligible to participate in the programs for any reason, including the program caps, that their application has been rejected. Require that the notification be made in writing, and that it includes the reason the application was rejected.

Specify that current law that creates an exception under which pupils who accept a space at a private school under the statewide choice program but move to Milwaukee or Racine before the third Friday in September and continue to attend the same private school under the Milwaukee or Racine choice programs are not counted for the school district participation limits would also apply to the program caps for that school year.

Additionally, specify that if a pupil who accepts a space at a private school participating in the Milwaukee, Racine, or statewide choice program changes their residence before the third Friday in September and continues to attend the same private school under a separate program, other than pupils who move from Racine to Milwaukee, the pupil would not be counted under the program caps for that school year.

Specify that these provisions would first apply to program caps and applications or transfer of applications for the 2024-25 school year. Specify that the current law participation limits for the statewide choice program, which limits enrollment to a percentage of total district enrollment, would not apply beginning with the 2026-27 school year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. PRIVATE SCHOOL CHOICE AND SPECIAL NEEDS SCHOLARSHIP PROGRAMS -- TEACHER LICENSURE REQUIREMENT

**Governor:** Require that beginning on July 1, 2026, all of a participating private school's teachers have a teaching license or permit issued by DPI, except teachers who teach only rabbinical studies. This requirement would apply to the Milwaukee, Racine, and statewide choice programs, and the special needs scholarship program.

Specify that any teacher employed by the school on July 1, 2026, who has been teaching for at least the five consecutive years immediately preceding that date and who does not have a teaching license or permit issued by DPI could apply for a temporary, nonrenewable waiver on a form prepared by DPI. Require DPI to promulgate rules to implement this provision, including the form of the application and the process by which the waiver application would be reviewed. Require that the waiver application require the applicant to submit a plan for satisfying the licensure requirement. Specify that no waiver would be valid after July 1, 2031.

Modify current law teacher licensure requirements to include private schools participating in these programs, including the following: (a) specify that an individual located in another state may teach an online course without a Wisconsin license if he or she is properly licensed in the state from which the course is provided; (b) allow a faculty member of an institution of higher education to teach without a license or permit if the faculty member satisfies certain requirements, including a background investigation; (c) prohibit a teaching license from being issued to any individual without a bachelor's degree, except for an individual certified to teach native American languages and cultures or an individual with an experience-based license for technical and vocational education subjects, or anyone who completed a professional training program outside of Wisconsin that did not include a student teaching component; (d) specify that an individual certified to teach native American languages and culture cannot teach other courses unless otherwise qualified; (e) allow a private school participating in these programs to employ an individual who teaches a technical or vocational education subject with an experience-based license if the school and individual fulfill certain requirements; and (f) require that a private school participating in the private school choice programs employing a person who holds a professional teaching permit does not fill the position following the removal of a regularly licensed teacher.

Specify that these provisions would first take effect on July 1, 2026.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. PRIVATE SCHOOL CHOICE AND SPECIAL NEEDS SCHOLARSHIP PROGRAMS -- INFORMATION REQUIRED ON PROPERTY TAX BILL

**Governor:** Require property tax bills to include information from the school district where the property is located regarding the amount of any gross reduction in state aid to the district under the private school choice and special needs scholarship programs in the previous year and the current year and the percentage change between those years, if such a reduction occurs in that year.

Require the following insert to also be included in substantially similar form: "The gross reduction in state aid to your school district in the .... (current year) is \$ ... as a result of pupils enrolled in the ... (statewide choice program) (Racine choice program) (Milwaukee choice program) or as a result of payments to ... (a private school) under the special needs scholarship program. Your school district had the option to increase property taxes to replace this aid reduction."

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 6. SPECIAL NEEDS SCHOLARSHIP PROGRAM FUNDING [LFB Paper 106]

|                       |                          | Jt. Finance/Leg<br>(Chg. to Gov) | ,                         |
|-----------------------|--------------------------|----------------------------------|---------------------------|
| GPR<br>GPR Effect o   | - \$11,110,700<br>f Aid  | \$13,021,300                     | \$1,910,600               |
| Reductions<br>Net GPR | <u>11,110,700</u><br>\$0 | <u>- 13,021,300</u><br>\$0       | <u>- 1,910,600</u><br>\$0 |

**Governor:** Reduce funding by \$6,513,900 in 2023-24 and \$4,596,800 in 2024-25 from base level funding of \$40,626,800 for the special needs scholarship program to reflect changes in pupil participation and per pupil payments under the bill. This would reflect changes in pupil participation from 2,150 pupils in 2022-23 to 2,600 pupils in 2023-24 and 2024-25. Based on the increase in the per pupil revenue limit adjustment provided in the bill, the per pupil payment under the program would increase from \$13,076 in 2022-23 to \$13,450 in 2023-24 and \$14,145 in 2024-25.

Under current law, the cost of payments for pupils attending a private school under the special needs scholarship program are fully offset through an aid reduction in the general school aids that would otherwise be paid to those pupils' school districts of residence and a corresponding revenue limit increase.

The total change in funding provided for the program under this item includes the following changes attributable to other modifications made to the program under the bill, and summarized under other summary items: (a) capping program participation; (b) counting certain pupils enrolled in four-year-old kindergarten as 1.0 pupil for membership purposes; (c) modifying the payment indexing mechanism; and (d) deleting the actual cost reimbursement provision.

**Joint Finance/Legislature:** Reduce funding by \$2,605,800 in 2023-24 and increase funding by \$4,516,400 in 2024-25 relative to base level funding for the special needs scholarship program. These funding adjustments would represent changes to the bill of \$3,908,100 in 2023-24 and \$9,113,200 in 2024-25.

As a result of these changes, the total cost of the program, and the associated aid reductions, would equal an estimated \$38,021,000 in 2023-24 and \$45,143,200 in 2023-24.

Under the Joint Finance provisions and the provisions of 2023 Wisconsin Act 11, the per pupil payment is estimated to increase from \$13,076 in 2022-23 to \$15,065 in 2023-24 and \$15,409 in 2024-25.

## 7. SPECIAL NEEDS SCHOLARSHIP PROGRAM -- DELETE ACTUAL COST REIMBURSEMENT PROVISION

**Governor:** Delete current law allowing a private school to submit a financial statement showing the actual costs that the private school incurred to implement a participating pupil's most recent individualized education program or services plan, as modified by an agreement between the private school and the pupil's parent, and specifying that the financial statement would be used to calculate the per pupil payment for that pupil in the following school year. Specify that the last payments using this provision would be those made in the 2022-23 school year. As a result of deleting this provision, payments for all pupils would be equal to the amount specified in current law, with adjustments for increases in the revenue limit per pupil adjustment and per pupil aid for public school districts.

Under current law, if a private school chooses to submit a financial statement, payments of up to 150% of the per pupil payment amount for that year are fully funded through a reduction in the general aid that is otherwise paid to each pupil's school district of residence, offset with an equal revenue limit adjustment for the district. If the costs incurred by the school in the previous school year exceed 150% of the per pupil payment, the school is reimbursed for 90% of the remaining costs, but no corresponding aid reduction would occur. (As a result, payments made for 90% of costs incurred above 150% of the per pupil payment are funded with state GPR; the private school would pay for the other 10% of costs.) The first payments under the actual cost reimbursement provision were made in the 2019-20 school year. In 2022-23, a total of \$212,808 was paid to eight schools on behalf of nine participating pupils, based on the actual costs of educating those pupils in the 2021-22 school year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 8. SPECIAL NEEDS SCHOLARSHIP PROGRAM -- PRIVATE SCHOOL ACCREDITATION

**Governor:** Require that a private school that participates in the special needs scholarship program obtain accreditation by August 1 of the school year in which the private school participates or that the private school participates in the Milwaukee, Racine, or statewide parental choice program. Additionally, require a private school that is participating in the special needs scholarship program in the 2023-24 school year and is not accredited by August 1, 2023, to obtain preaccreditation by August 1, 2024, apply for accreditation by December 31, 2024, and obtain accreditation by December 31, 2027. Specify that a private school could apply for and seek to obtain preaccreditation from only one preaccrediting entity. If the school failed to obtain preaccreditation, the school could not participate in the program in the 2024-25 school year or any school year thereafter until the school obtained accreditation.

Under current law, a private school may participate in the special needs scholarship program if the private school is accredited or if the private school's educational program meets certain criteria, such as providing at least 875 hours of instruction each school year and a sequentially progressive curriculum of fundamental instruction in reading, language arts, mathematics, social studies, science, and health.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 9. SPECIAL NEEDS SCHOLARSHIP PROGRAM -- RELIGIOUS ACTIVITY OPT-OUT

**Governor:** Require a private school participating in the special needs scholarship program to allow a pupil attending the school under the program to refrain from participating in any religious activity if the pupil's parent submits to the pupil's teacher or the private school's principal a written request that the pupil be exempt from such activities.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **10. INDEPENDENT CHARTER SCHOOL PROGRAM FUNDING** [LFB Paper 106]

|                     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov)   | Net Change                          |
|---------------------|----------------------------|-------------------------------------|-------------------------------------|
| GPR<br>GPR Effec    | \$33,286,600<br>t of       | \$56,096,400                        | \$89,383,000                        |
| Aid Redu<br>Net GPR |                            | <u>- 27,450,900</u><br>\$28,645,500 | <u>- 42,556,800</u><br>\$46,826,200 |

**Governor:** Provide \$5,918,400 in 2023-24 and \$15,230,400 in 2024-25 as a reestimate of sum sufficient funding in the main appropriation for the independent charter school program. Base

level funding is \$86,584,100.

The main appropriation for the program currently funds payments to charter schools that the City of Milwaukee, UW-Milwaukee, UW-Parkside, and the Lac Courte Oreilles Ojibwe College contract to operate. The Administration estimates that 9,533 pupils in 2023-24 and 9,793 pupils in 2024-25 will attend schools funded from this appropriation and that, based on the relevant provisions in the bill, the per pupil payment under the program would increase from \$9,264 in 2022-23 to \$9,638 in 2023-24 and \$10,333 in 2024-25.

Provide \$5,317,000 in 2023-24 and \$6,820,800 in 2024-25 as a reestimate of sum sufficient funding in the appropriation for independent charter schools authorized by the Office of Educational Opportunity (OEO) in the UW System. Base level funding is \$9,805,000.

The Administration estimates that 1,569 pupils in 2023-24 and 1,609 pupils in 2024-25 will attend schools funded from this appropriation. DPI pays the operators of these charter schools the same per pupil payment as other independent charter schools.

Pupils that attend charter schools authorized by the OEO or the Lac Courte Oreilles Ojibwe College are counted by their district of residence for revenue limit and general aid purposes. DPI is required to reduce the district's general aid payment in an amount equal to the total of the per pupil payments made for pupils residing in the district. Districts are not allowed to levy to backfill, or replace, that aid reduction. By law, there is no general aid reduction related to payments to schools authorized by the City of Milwaukee, UW-Milwaukee, and UW-Parkside.

Under the bill, the aid reduction for these pupils would increase by \$6,565,200 in 2023-24 and \$8,540,700 in 2024-25 from the base reduction of \$13,664,900. The net general fund fiscal effect for the charter program would be increased expenditures of \$4,670,200 in 2023-24 and \$13,510,500 in 2024-25.

The total change in funding provided for the charter program under this item includes the changes attributable to other provisions in the bill, and summarized under other summary items, related to modifying the payment indexing mechanism for the program and counting full-day fouryear-old kindergarten pupils as 1.0 pupil for payment purposes.

**Joint Finance/Legislature:** Provide \$22,572,700 in 2023-24 and \$28,901,500 in 2024-25 as a reestimate of sum sufficient funding in the main appropriation for the independent charter school program. This would represent an increase of \$16,654,300 in 2023-24 and \$13,671,100 in 2024-25 compared to the bill.

Provide \$16,209,700 in 2023-24 and \$21,699,100 in 2024-25 as a reestimate of sum sufficient funding in the appropriation for independent charter schools authorized by the OEO. This would represent an increase of \$10,892,700 in 2023-24 and \$14,878,300 in 2024-25 compared to the bill.

The aid reductions for these pupils would increase by \$18,383,900 in 2023-24 and \$24,172,900 in 2024-25 from base. The net general fund fiscal effect for the independent charter program would be increased expenditures of \$20,398,500 in 2023-24 and \$26,426,700 in 2024-25.

Under the Joint Finance provisions and the provisions of 2023 Wisconsin Act 11, the per pupil payment for the independent charter school program is estimated to increase from \$9,264 in 2022-23 to \$11,385 in 2023-24 and \$11,729 in 2024-25.

# 11. CHOICE, CHARTER, AND OPEN ENROLLMENT PAYMENT INDEXING MECHANISM

**Governor:** Modify the indexing mechanism for the payments for the private school choice programs, the special needs scholarship program, the independent charter school program, and the open enrollment program to specify that, beginning in 2023-24, these payments would increase by an amount equal to the per pupil revenue limit adjustment for the current year, if positive, plus the change in the per pupil aid payment amount between the previous year and the current year, if positive. (These provisions would also apply to payments for children with disabilities under a whole grade sharing agreement and for payments under a school board contract with Second Chance Partners for Education or similar nonprofits.)

Under current law, the various per pupil payment amounts under these programs are equal to the sum of the payment amount for the program in the previous year plus the per pupil revenue limit adjustment for the current year, if positive, plus the statewide change in funding per pupil for statutorily-specified categorical school aid appropriations, including per pupil aid, between the previous year and the current year, if positive.

Under the bill, the revenue limit per pupil adjustment would be set at \$350 per pupil in 2023-24 and \$650 per pupil in 2024-25. The per pupil aid payment amount would increase by \$24 in 2023-24 and by \$45 in 2024-25, compared to the prior year. Thus, under the bill, the various per pupil aid payments would increase by \$374 per pupil in 2023-24 and a further \$695 per pupil in 2024-25 as a change to the prior year. If the bill provisions for categorical aid funding and the revenue limit per pupil adjustment were included in the current law indexing calculation, it is estimated that the various program payments would increase by approximately \$1,220 per pupil in 2023-24 and a further \$950 per pupil in 2024-25 as a change to the prior year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **12.** OPEN ENROLLMENT AID TRANSFER AMOUNT -- SPECIAL EDUCATION

**Governor:** Delete the current law provisions under which the aid transfer amount for special education students participating in the open enrollment program can be increased, and restore prior law under which a single aid transfer amount applied to all of these students, beginning in the 2023-24 school year.

Under the 2017-19 budget act, a process was created under which the open enrollment aid transfer amount for a special education pupil (\$13,076 in 2022-23) could be adjusted. Under this process, at the end of a school year in which a special education pupil has participated in the program, a nonresident district may submit to DPI a financial statement that shows the actual costs

the nonresident district incurred to provide a free appropriate public education to the pupil during that year. DPI is required to provide the resident district with a copy of any financial statement it receives. The aid transfer amount for a pupil for whom the nonresident district does not submit a financial statement equals the standard amount noted above. The aid transfer amount for a pupil for whom the nonresident district has submitted a financial statement equals the amount shown on the financial statement for that child for the previous school year, up to a maximum of \$30,000.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **13. INDEPENDENT CHARTER SCHOOLS -- DRIVER EDUCATION PROGRAM** FEES

**Governor:** Modify current law that authorizes school districts and technical college districts to charge reasonable fees for any driver education program or part of a program which is neither required for graduation nor credited toward graduation to also authorize operators of independent charter schools and cooperative educational service agencies to charge such fees.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 14. CHOICE AND CHARTER PAYMENT ADJUSTMENTS

**Joint Finance/Legislature:** Pursuant to 2023 Wisconsin Act 11, an additional adjustment amount would be added to the current law indexing mechanism in 2023-24 for the per pupil payments under the private school choice, special needs scholarship, and independent charter school programs. The adjustments would be equal to a specified percentage of the \$11,000 per pupil low revenue adjustment amount under Wisconsin Act 11. Table 1 shows, for each program, the percent of the low revenue adjustment amount and the dollar figure for the additional adjustment amount in 2023-24.

## TABLE 1

## Additional 2023-24 Per Pupil Payment Adjustment Amounts

|                                    | Percent of 2023-24<br>low revenue<br><u>adjustment amount</u> | <u>Dollar amount</u> |
|------------------------------------|---|----------------------|
| Private school choice - K-8 pupil  | 10.0%   | \$1,100              |
| Private school choice - 9-12 pupil | 26.8  | 2,948                |
| Special needs scholarship          | 14.5  | 1,595                |
| Independent charter school         | 15.7  | 1,727                |

Also under 2023 Wisconsin Act 11, an additional factor would be added to the indexing mechanism for each of the program payments in 2024-25 and each year thereafter. For the private

school choice program payment for pupils in grades 9-12, the special needs scholarship program, and the independent charter school program, the additional amount would equal the change in the low revenue adjustment amount between the previous school year and the current school year, if positive. For the private school choice program payment for pupils in grades K-8, the additional amount would equal 90% of the change in the low revenue adjustment amount between the previous school year and the current school year the previous school year and the current school year the previous school year and the current school year.

Table 2 shows the estimated per pupil payments for each program under the Joint Finance provisions and the provisions of 2023 Wisconsin Act 11.

#### TABLE 2

#### Per Pupil Payments Under Acts 11 and 19

|                                    | <u>2022-23</u> | <u>2023-24</u> | <u>2024-25</u> |
|------------------------------------|----------------|----------------|----------------|
| Private school choice - K-8 pupil  | \$8,399        | \$9,893        | \$10,237       |
| Private school choice - 9-12 pupil | 9,045          | 12,387         | 12,731         |
| Special needs scholarship          | 13,076         | 15,065         | 15,409         |
| Independent charter school         | 9,264          | 11,385         | 11,729         |

## **School District Operations and Curriculum**

#### 1. COMPUTER SCIENCE COURSE REQUIRED IN CURRICULUM

**Governor:** Require school boards, independent charter schools, and private schools participating in a parental choice program to make available to pupils in grades 9 to 12 at least one computer science course, which must include concepts in computer programming or coding. Specify that the requirement first applies to independent charter schools that enter into, renew, or modify their contract on the effective date of the bill, and first applies to private schools participating in a private school choice program in the 2024-25 school year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. PROHIBIT VAPING ON SCHOOL PROPERTY

**Governor:** Specify that no individual may vape on school premises. Define "vape" as to inhale or exhale vapor from a vapor product, as defined under current state law. Define "school premises" as all of the following: (a) real property owned or rented by, or under the control of a school board, including playgrounds, athletic facilities or fields, and any other property that is

occupied by pupils on a regular basis; (b) real property owned or rented by an operator or governing board of a charter school that is used for the operation of a charter school, including playgrounds, athletic facilities or fields, and any other property that is occupied on a regular basis by pupils attending the charter school; or (c) real property owned or rented by the governing body of a private school that is used for the operation of a private school, including playgrounds, athletic facilities or fields, and any other property that is occupied on a regular basis by pupils attending the charter school; or (c) real property owned or rented by the governing body of a private school that is used for the operation of a private school, including playgrounds, athletic facilities or fields, and any other property that is occupied on a regular basis by pupils attending the private school.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. OPIOID ANTAGONIST AVAILABILITY IN SCHOOLS

**Governor:** Require school boards and operators of independent charter schools to ensure that each school maintain an adequate usable supply of an opioid antagonist, as defined under current state law, on-site in a location that is easily accessible at all times.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## Administrative and Other Funding

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|                           | Governor                       | Jt. Finance/Leg   |   |
|---------------------------|--------------------------------|---|---|
|                           | <u>(Chg. to Base)</u>          | <u>(Chg. to Gov)</u>  | <u>Net Change</u>   |
|                           | Funding Positions              | Funding Positio   | ns Funding Positions  |
| GPR<br>FED<br>PR<br>Total | 6,000 0.00<br>- 170,700 - 1.00 | - \$651,800         0.00           - 730,200         0.00           0         0.00           \$1,382,000         0.00 | $\begin{array}{rrrr} -\$1,\!410,\!000 & 0.00 \\ -724,\!200 & 0.00 \\ \hline -170,\!700 & -1.00 \\ -\$2,\!304,\!900 & -1.00 \end{array}$ |

**Governor:** Provide adjustments to the base totaling -\$379,100 GPR, \$3,000 FED, -\$58,100 PR, and -1.0 PR positions in 2023-24 and -\$379,100 GPR, \$3,000 FED, and -\$112,600 PR in 2024-25 for: (a) turnover reduction (-\$488,800 GPR and -\$547,600 FED annually); (b) full funding of continuing position salaries and fringe benefits (-\$179,000 GPR, \$521,700 FED, and -\$17,700 PR annually); (c) overtime (\$274,100 GPR, \$41,800 FED, and \$13,900 PR annually); (d) night and weekend differential pay (\$55,400 GPR, \$400 FED, and \$200 PR annually); (e) removal of non-continuing elements from the base (-\$54,500 PR and -1.0 PR positions in 2023-24 and -\$109,000 PR in 2024-25); and (f) lease and directed moves costs (-\$40,800 GPR and -\$13,300 FED annually).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$325,900 GPR annually and -\$365,100 FED annually.

#### 2. FUEL AND UTILITIES REESTIMATE

**Governor**//**Legislature:** Provide \$74,700 in 2023-24 and \$79,300 in 2024-25 to reflect estimated costs for fuel and utilities for the state residential schools. Base level funding is equal to \$428,300 annually.

## 3. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | - \$15,500                 | \$542,900                         | \$527,400  |

**Governor:** Modify funding by -\$69,200 in 2023-24 and \$53,700 in 2024-25 as a reestimate of debt service payments for the state residential schools. Annual base level funding is \$904,700.

**Joint Finance/Legislature:** Reestimate debt service by \$138,400 in 2023-24 and \$404,500 in 2024-25.

## 4. DELETE LAPSE OF TEACHER LICENSING FEES

| Governo<br>(Chg. to B |                  | Net Change |
|-----------------------|------------------|------------|
| GPR-REV - \$800,0     | 00 \$800,000     | \$0        |
| PR-REV 800,0          | <u>- 800,000</u> | 0          |
| Total                 | \$0 \$0          | \$0        |

**Governor:** Specify that all program revenue received in the appropriation for teacher licensure would be credited to the appropriation for that purpose, rather than 90% of certain revenues as under current law. This would result in an estimated decrease of GPR-Earned equal to \$400,000 annually.

Modify the appropriation to authorize the expenditure of all moneys received rather than the amounts in the schedule of appropriations as under current law.

Under current law, 90% of revenues received from fees for the licensure of school and public library personnel are retained by DPI. The remaining 10% is credited to the general fund

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

\$154,000

GPR

# 5. STIPEND PROGRAMS FOR FUTURE EDUCATORS, LIBRARIANS, AND COOPERATING TEACHERS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$11,483,000               | - \$11,483,000                    | \$0        |

**Governor:** Provide \$11,483,000 beginning in 2024-25 to create four new sum-sufficient appropriations to provide stipend payments to support future educators, future librarians, and cooperating teachers that supervise those individuals, including: (a) \$2,400,000 for individuals participating in the Wisconsin Improvement Program (WIP); (b) \$7,000,000 for individuals completing a student teaching requirement as part of a DPI-approved educator preparation program; (c) \$2,033,000 for cooperating teachers overseeing student teachers; and (d) \$50,000 for individuals pursuing a degree in library science and completing an internship in a public library.

Provide semester-long stipends equal to \$9,600 for WIP participants, \$2,500 for student teachers and library interns, and \$1,000 for cooperating teachers involved in supervising student teachers. Specify that DPI could promulgate rules to implement and administer the programs.

Under current law, WIP provides prospective teachers with one-semester internships under the supervision of licensed teachers.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. MENTAL HEALTH TRAINING PROGRAMS [LFB Paper 655]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,160,000                | - \$1,160,000                     | \$0        |

**Governor:** Provide \$580,000 annually above base level funding of \$420,000 for mental health training programs. Require DPI to provide training to individuals employed by an out-of-school-time program, in addition to the other staff required under current law. Additionally, add suicide prevention to the topics required to be included in the trainings.

Under current law, DPI is required to provide training to school district staff and the instructional staff of independent charter schools regarding the following: (a) screening, brief interventions, and referral to treatment (SBIRT); (b) trauma sensitive schools; and (c) youth mental health first aid.

#### Joint Finance/Legislature: Provision not included.

#### 7. STAFF SUPPORT FOR STATE PROGRAMS

|     | <u>(Chg. t</u> | ernor<br><u>o Base)</u><br>ositions | Jt. Fina<br><u>(Chg. 1</u><br>Funding | to Gov) |     | <u>Change</u><br>Positions |
|-----|----------------|-------------------------------------|---------------------------------------|---------|-----|----------------------------|
| GPR | \$758,700      | 4.00                                | - \$758,700                           | - 4.00  | \$0 | 0.00                       |

**Governor:** Provide \$330,000 and 4.0 positions in 2023-24 and \$428,700 in 2024-25 in the appropriation for general program operations. DPI indicates that two positions would be school administration consultants, one who would assist with the implementation of the school financial data tool and calculating state general aids and revenue limits, and the other who would support the parental education options team. The third position would be an education consultant whose responsibilities would include providing school districts with grant writing workshops and supporting new programs. The fourth position would be an information technology management consultant in the Division of Libraries and Technology who would develop and implement a comprehensive cybersecurity plan for critical infrastructure, data, systems, and user accounts. The four positions would be funded with \$192,200 salary, \$80,700 fringe benefits, and \$57,100 supplies and services in 2023-24 and \$256,200 salary, \$107,500 fringe benefits, and \$65,000 supplies and services in 2024-25.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 8. ACADEMIC AND CAREER PLANNING [LFB Paper 656]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$704,000                  | - \$704,000                       | \$0        |

**Governor:** Provide \$322,500 in 2023-24 and \$381,500 in 2024-25 over annual base level funding of \$1,100,000. This funding would be used to support the academic and career planning program that was created in the 2013-15 budget.

Under current law, the State Superintendent is required to do the following: (a) ensure that every school board is providing academic and career planning services to pupils in grades 6-12; and (b) procure, install, and maintain information technology, including computer software, to be used statewide by school districts to provide academic and career planning services. DPI provides districts with computer software for college and career planning, and maintains contracts with each of the twelve cooperative educational service agencies (CESAs) to support academic and career planning, including subsidizing the cost of academic and career planning coordinators in each CESA.

Joint Finance/Legislature: Provision not included.

#### 9. GENERAL EDUCATION DEVELOPMENT TEST FEE PAYMENTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$500,000                  | - \$500,000                       | \$0        |

**Governor:** Provide \$500,000 beginning in 2024-25 in a new, sum-sufficient appropriation to subsidize testing fees for individuals taking the general education development (GED) test beginning on January 1, 2024. Payments would be made to GED Testing Service LLC equal to \$30 for each eligible individual who takes a content area test given under the GED test at a testing site in Wisconsin that is approved by the State Superintendent. Define an eligible individual as one who meets the following criteria before taking the test: (a) meets the eligibility requirements promulgated by DPI by rule for a high school equivalency diploma or certificate of general educational development; and (b) takes and receives a passing score on a practice test for the content area that is developed by GED Testing Service LLC. Specify that for each eligible individual, no more than one testing service fee could be paid for each content area test in a calendar year.

The GED consists of tests to measure competency in math, science, social studies, and language arts. Wisconsin administrative code requires that, to be eligible to take the GED, an individual must meet the following criteria: (a) be a resident of Wisconsin for voting purposes, or have lived in Wisconsin for at least 10 days, or be a migrant worker or the child of a migrant worker; (b) be at least 18 years six months of age, or have entered 9th grade with a class that has graduated from high school; (c) have not graduated from high school, and are not enrolled in a public or private high school; and (d) have completed a career counseling session provided by a high school, technical college district, community-based organization, college, university, licensed psychologist, or licensed school counselor. In 2021, Wisconsin residents took 14,489 GED tests. Each of the four sections of the test costs \$33.75. Of that amount, DPI receives a credentialing fee of \$3.75 per test.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. WISCONSIN SEAL OF BILITERACY

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$310,500                  | - \$310,500                       | \$0        |

**Governor:** Provide \$26,500 in 2023-24 and \$284,000 in 2024-25 in a new appropriation to award grants to school boards and independent charter schools to reimburse them for the costs of assessments necessary for pupils to earn a state seal of biliteracy and training for instructional staff to conduct the assessments. Provide the State Superintendent with authority to establish a state seal of biliteracy to recognize high school pupils who demonstrate through various assessments advanced achievement in bilingualism, biliteracy, and sociocultural competence.

In the 2021-22 school year, 14 school districts were approved by DPI to issue the state seal of biliteracy (Abbotsford, Arcadia, Beloit, De Forest, Green Bay, La Crosse, Madison, Menasha, Middleton-Cross Plains, Milwaukee, Nicolet, Sheboygan Falls, Verona, and Waukesha) and 292 graduating students in the class of 2022 were awarded the seal. DPI indicates that 49 states provide a seal of biliteracy, and Wisconsin is the only state that requires districts to apply to implement the program. In other states, students may qualify for the seal of biliteracy through language assessments, without the need for a formal pathway or program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 11. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$179,600                  | - \$179,600                       | \$0        |

**Governor:** Provide \$89,800 GPR annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose. Of the total amount, \$41,100 annually would be provided in the appropriation for general operations of the state's residential schools for blind and deaf pupils, and \$48,700 annually would be provided in the appropriation for the educator effectiveness evaluation system.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **12. EQUITY OFFICER POSITION**

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions | Jt. Fina<br><u>(Chg. 1</u><br>Funding | <u>o Gov</u> |     | <u>Change</u><br>Positions |
|-----|--------------|--|---------------------------------------|--------------|-----|----------------------------|
| GPR | \$171,100    | 1.00                                   | - \$171,100                           | - 1.00       | \$0 | 0.00                       |

**Governor:** Provide \$74,900 in 2023-24 and \$96,200 in 2024-25 and 1.0 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

pursuant to Joint Finance Motion #10.)

## **13. GRADUATION ALLIANCE**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Provide \$2,000,000 annually to Graduation Alliance, a Utah-based corporation, to support pupils and their families through a coaching program known as Engage Wisconsin, which is designed to improve school engagement and academic performance. The program works to reengage high school students who have dropped out of school or are in danger of dropping out of school.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 14. WISCONSIN READING CORPS [LFB Paper 657]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$3,000,000                | - \$3,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 in 2023-24 and \$2,000,000 in 2024-25 above base level funding of \$2,000,000 to support literacy tutoring services provided through the Wisconsin Reading Corps. State funding was first appropriated for the organization in 2017-18.

Joint Finance/Legislature: Provision not included.

## **15. ADULT LITERACY GRANTS**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,485,000                | - \$1,485,000                     | \$0        |

**Governor:** Provide \$742,500 annually above base level funding of \$83,200 for adult literacy grants, which are awarded to a nonprofit organization to support programs that train community-based adult literacy staff and to establish volunteer-based programs in areas of the state that have a demonstrated need for adult literacy services. DPI indicates that the funding has been allocated to Wisconsin Literacy, Inc., since 2016-17. It is anticipated that the increased funding would provide additional services to more individuals throughout the state.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

pursuant to Joint Finance Motion #10.)

## 16. THE LITERACY LAB [LFB Paper 657]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,445,000                | - \$1,445,000                     | \$0        |

**Governor:** Provide \$75,000 in 2023-24 and \$1,370,000 in 2024-25 to The Literacy Lab, a Virginia nonstock corporation, to provide an evidence-based literacy intervention program in public schools located in the cities of Milwaukee and Racine.

Joint Finance/Legislature: Provision not included.

## **17. REACH OUT AND READ** [LFB Paper 657]

|   |     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---|-----|----------------------------|-----------------------------------|------------|
| ( | GPR | \$500,000                  | - \$500,000                       | \$0        |

**Governor:** Provide \$250,000 annually to Reach Out and Read, Inc., a Massachusetts nonstock corporation, for an early literacy program operated in Wisconsin to support integration of books and reading into pediatric care and encourage families to read aloud together.

**Joint Finance/Legislature:** Provide \$500,000 GPR in 2023-24 under the existing Department of Health Services appropriation for the program. (The fiscal effect is shown under "Health Services -- Public Health".)

## **18. MENTOR GREATER MILWAUKEE**

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$100,000                  | - \$100,000                       | \$0        |

**Governor:** Provide \$100,000 in 2023-24 in a new biennial appropriation for Mentor Greater Milwaukee, Inc. to expand access to quality youth mentoring in Milwaukee County.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### **19. PROGRAM REVENUE REESTIMATES**

\$2,904,400

PR

**Governor/Legislature:** Reestimate program revenue by \$1,452,200 annually. The reestimate includes \$5,900 annually in the appropriation for personnel licensure; -\$125,100 annually in the appropriation for school lunch handling charges; \$1,561,400 annually in the appropriation for data processing; and \$10,000 annually in the appropriation for leasing space at the Wisconsin Educational Services Program for the Deaf and Hard of Hearing and Wisconsin Center for the Blind and Visually Impaired.

#### 20. PUBLIC LIBRARY AID [LFB Paper 658]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| SEG | \$14,000,000               | - \$8,000,000                     | \$6,000,000 |

**Governor:** Provide \$7,000,000 annually above base level funding of \$20,013,100 for public library system aid. The segregated revenue is provided from the state universal service fund, which receives its funding through assessments on annual gross operating revenues from intrastate telecommunications providers.

**Joint Finance/Legislature:** Provide \$2,000,000 in 2023-24 and \$4,000,000 in 2024-25 above base level funding of \$20,013,100 for public library system aid, a reduction of \$5,000,000 in 2023-24 and \$3,000,000 in 2024-25 relative to the amounts in the bill.

#### 21. RECOLLECTION WISCONSIN

SEG \$450,000

**Governor/Legislature:** Provide \$150,000 in 2023-24 and \$300,000 in 2024-25 for Recollection Wisconsin, and require the State Superintendent to annually distribute the funding to Wisconsin Library Services, Inc. (WiLS) to support the digitization of historic materials in public libraries throughout the state. Create an annual, sum certain SEG appropriation for this purpose. The segregated revenue would be provided from the universal service fund, which receives its funding through assessments on annual gross operating revenues from intrastate telecommunications providers.

Recollection Wisconsin is a consortium administered by WiLS, a nonprofit organization of Wisconsin libraries and other organizations, with the Wisconsin Historical Society, UW-Milwaukee, UW-Madison, the Milwaukee Public Library, Marquette University, and DPI also serving as governing partners. Its purpose is to collect digital historical resources from Wisconsin libraries, archives, museums, and historical societies, and make them publicly available.

[Act 19 Sections: 69 and 388]

#### PUBLIC INSTRUCTION -- ADMINISTRATIVE AND OTHER FUNDING

#### 22. BADGERLINK AND NEWSLINE FOR THE BLIND

**Governor/Legislature:** Provide \$104,000 in 2023-24 and \$203,000 in 2024-25 above base level funding of \$3,283,300 to maintain the current level of services provided through BadgerLink and Newsline for the Blind.

BadgerLink is an online library that contracts with vendors to provide access to licensed content such as magazines, newspapers, scholarly articles, videos, images, and music. Newsline for the Blind provides access to newspapers on a daily basis for people who cannot read print newspapers via an automated electronic voice that can be accessed using a telephone. The segregated revenue is provided from the state universal service fund, which receives its funding through assessments on annual gross operating revenues from intrastate telecommunications providers.

#### 23. LIBRARY SERVICES CONTRACTS

**Governor/Legislature:** Provide \$29,800 beginning in 2024-25 above base level funding of \$1,367,700 to fully fund the cost of statutorily-required library service contracts for resources of specialized library materials and other information.

DPI contracts with four service providers: (a) the Milwaukee Public Library; (b) the University of Wisconsin-Madison; (c) the Wisconsin Talking Book and Braille Library; and (d) the Cooperative Children's Book Center. DPI indicated that projected costs for each of the contracts will increase over the biennium due to general operating cost increases, and insufficient funding would result in a cap on the amount of material that can be requested from the Milwaukee Public Library and the UW-Madison library. The segregated revenue is provided from the state universal service fund, which receives its funding through assessments on annual gross operating revenues from intrastate telecommunications providers.

#### 24. BULLYING PREVENTION GRANTS

**Governor:** Modify current law relating to the grants for bullying prevention to specify that the grants must be awarded to nonprofit organizations to provide training and an online bullying prevention curriculum for pupils in grades kindergarten to twelve, rather than in grades kindergarten to eight, as under current law.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 25. HEALTH PROBLEMS EDUCATION PROGRAM

**Governor:** Make minor changes to statutory language to create a numbered list describing the topics that must be included in the comprehensive education curricula developed by the critical health problems education program under DPI, rather than a list separated by commas.

\$307,000

SEG

SEG \$29,800

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 26. PUPIL ASSESSMENT

**Joint Finance/Legislature:** Reduce funding by \$1,000,000 annually from base level funding of \$16,558,400 for pupil assessment.

## 27. SPECIAL OLYMPICS

**Joint Finance/Legislature:** Provide an increase of \$100,000 annually above base level funding of \$100,000 for the Special Olympics.

#### 28. DELETE VACANT POSITIONS

**Joint Finance/Legislature:** Delete 6.18 GPR positions, 4.85 FED positions, and 0.70 PR positions that have been vacant for more than 18 months.

## 29. ONLINE EARLY LEARNING PILOT PROGRAM [LFB Paper 659]

|     | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto.<br>(Chg. to Leg.) | Net Change |
|-----|-----------------------------------|-------------------------|------------|
| GPR | \$1,000,000                       | - \$1,000,000           | \$0        |

**Joint Finance/Legislature:** Modify the nonstatutory language that created the program under 2019 Act 170 to specify that the repeal of the appropriation for the online early learning program would take effect on July 1, 2027, rather than July 1, 2023. Delete language requiring that the contract require the service provider to administer the early learning program in the school districts described under Act 170 from July 1, 2020, to June 30, 2023. Delete language referring to the three years of the contract.

Under the online early learning program, DPI is required to contract with a service provider to conduct an early learning pilot program to provide online instruction in reading, math, and science to help low-income children transition to kindergarten.

Veto by Governor [A-4]: Delete the provision.

## **Budget Change Items**

# **Broadband Provisions**

#### 1. BROADBAND EXPANSION GRANT PROGRAM [LFB Paper 660]

|                    | · ·  | ernor<br><u>o Base)</u><br>'ositions | Jt. Financ<br><u>(Chg. to</u><br>Funding P  | <u>Gov)</u>                     |                        | <u>Change</u><br>Positions  |
|--------------------|--|--------------------------------------|---|---------------------------------|------------------------|---|
| GPR<br>PR<br>Total | \$750,000,000<br><u>183,200</u><br>\$750,183,200 | 1.00                                 | \$750,000,000<br>- 183,200<br>\$750,183,200 | 0.00<br><u>- 1.00</u><br>- 1.00 | \$0<br><u>0</u><br>\$0 | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

Governor: Provide one-time funding of \$750,000,000 GPR in 2023-24 for the broadband

expansion grant program in a new, continuing appropriation. The program has base funding through the state segregated universal service fund (USF) budgeted at \$2,000,000 each year. Combined, the total amount budgeted for broadband expansion grants would be \$754,000,000 during the 2023-25 biennium. In addition, provide \$80,300 PR in 2023-24 and \$102,900 PR in 2024-25 with 1.0 position to support administration of the program.

The broadband expansion grant program supports projects that increase broadband access and capacity in unserved and underserved areas of the state. Since its inception in 2013, through July of 2023, approximately \$320 million in grants has been awarded, supporting 454 projects statewide. In the 2021-23 biennium, \$125 million in general fund-supported bonding, \$140 million in one-time federal coronavirus relief funding, and \$14 million in USF SEG funding was provided for state broadband expansion grants.

In addition, the federal Infrastructure Investment and Jobs Act (IIJA) created the Broadband, Equity, Access and Deployment (BEAD) Program. \$42.45 billion is provided for broadband deployment under BEAD, consisting of a minimum of \$100 million for each state, with the remainder allocated based on the state's proportion of unserved locations, determined by maps created by the Federal Communications Commission (FCC), and 10% set aside for certain highcost unserved locations. The National Telecommunications and Information Administration (NTIA), the administrator for BEAD, has allocated \$1.055 billion to Wisconsin.

The bill would require PSC to award no less than 10% of the 2023-24 appropriation amount (\$75 million) in each fiscal year beginning in 2023-24. The bill specifies that if PSC does not receive sufficient applications to meet the minimum required allocation, the Commission must award the maximum amount possible in that fiscal year based upon grant applications received. If the appropriation balance is less than 10% of the total amount, PSC must award the entire remaining balance in that fiscal year.

Joint Finance/Legislature: Provision not included.

## 2. CHANGES TO THE BROADBAND EXPANSION GRANT PROGRAM

|    | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|--------------|--|-------------|---|-----|----------------------------|
| PR | \$197,900    | 1.00                                   | - \$197,900 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Make various modifications to the state broadband expansion grant program and certain related provisions, including: (a) consolidating definitions of "unserved" and "underserved"; (b) giving PSC authority to set broadband speed thresholds; (c) changing grant prioritization criteria; and (d) introducing a 30-day grant challenge period for internet service providers (ISPs). In addition, provide \$86,700 in 2023-24 and \$111,200 in 2024-25 with 1.0 position for administration of the grant program challenge process.

Unserved and Underserved Areas. Under current law, the statutes define "underserved" areas as areas of the state that are served by fewer than two broadband service providers and

"unserved" as areas not served by an ISP that is a fixed wireless service or wired service and that provides service at actual speeds of at least 20% of the upload and download speeds for advanced telecommunications capability as designated by the FCC. Currently, the FCC definition of broadband speed is 25 megabits per second [Mbps] download speed and 3 Mbps upload speed (25/3), meaning the minimum speed under the unserved definition for state purposes is 5 Mbps download/0.6 Mbps upload (5/0.6).

The bill would repeal the definition of underserved. Additionally, various statutory references to underserved areas would instead refer to unserved areas, including: (a) easements or rights-of-way granted by the Departments of Natural Resources or Transportation for placement of broadband infrastructure in unserved areas; and (b) the public purpose finding for general obligation bonding authority provided for broadband expansion grants in the 2021-23 biennium.

The broadband expansion grant program would require providing grants to "unserved" areas, and the bill would expand the definition of unserved to specify that service must be available, reliable, and affordable, as defined by PSC. Additionally, the bill would change the speed standard for an unserved area to download speeds of at least 100 Mbps and upload speeds of 20 Mbps (100/20), and PSC would have authority to adjust speed standards on July 1 of each odd-numbered year if it is determined that there is cause to do so to align with technological changes and market conditions. Under current law, PSC uses speed standards set by the FCC to define unserved and inform the grant process.

*Broadband Expansion Grant Prioritization*. Under current law, PSC is to establish criteria for evaluating grant applications and awarding grants. PSC currently must give priority to projects that: (a) offer matching funds; (b) involve public-private partnerships; (c) operate in an unserved area; (d) impact a large geographic area or large number of individuals and communities; (e) demonstrate potential for broadband network growth or economic development; and (f) minimize competition with other broadband service providers. Grants also may not subsidize expenses of a telecommunications provider, or the monthly bills of customers of such a provider.

The bill would modify grant priority criteria as follows: (a) give priority to projects with at least 40% matching funds, with higher priority given to projects with higher match; (b) give priority to projects that are capable of offering download speeds of 100 Mbps and upload speeds of 100 Mbps (100/100) or faster, with PSC authorized to adjust this speed threshold on July 1 of every odd-numbered year if there is good cause to do so based on technological changes or market conditions; (c) change criteria from prioritizing projects in large geographic areas to prioritizing projects in geographic areas that are considered difficult to connect; and (d) remove the requirement to prioritize projects that minimize competition between broadband service providers.

Under current law, PSC must consider the following factors: (a) the degree to which projects would duplicate existing broadband infrastructure; (b) a project's impact on the ability of individuals to access health care services from home, and the cost of those services; and (c) a project's impacts on the ability of students to access educational opportunities from home. The bill would add required considerations of: (a) affordability of service; and (b) federal funding for broadband facilities in the project area.

Grant Challenges. In addition, the bill would create a process by which ISPs can challenge

grant applications. Within 10 days of the close of a broadband expansion grant application period, PSC would be required to publish on its website information on proposed service areas and service speeds for each application. ISPs would have 30 days to challenge a proposal if it is in, or proximate to, an area where the ISP claims to already provide service. An ISP would be required to demonstrate: (a) current available, reliable, and affordable fixed wireless or wired service of 100/20 in any part of the area; or (b) a documented commitment to providing available, reliable, and affordable fixed wireless or wired service of 100/20 to any part of the area no later than 24 months after the date that PSC would award the grant. The bill would prohibit PSC from funding any area within a project where a challenge is issued and deemed credible. If an ISP issues a challenge and fails to fulfill its commitment to providing service, PSC would be prohibited from awarding grant funding to that ISP, and the ISP would be prohibited from participating in the challenge process, for two grant cycles, unless the Commission were to find the failure to fulfill was beyond the challenger's control. The Commission would then be required to prioritize grants for areas that remained unserved due to an unfulfilled commitment following a challenge.

*Initial Applicability*. The broadband expansion grant program changes would take effect on publication of the bill. However, the changes would first apply to the first grant cycle beginning after the bill's enactment.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. BROADBAND LINE EXTENSION GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$5,250,000                | -\$5,250,000                      | \$0        |  |

**Governor:** Create a broadband line extension grant program, and provide grant funding of \$1,750,000 in 2023-24 and \$3,500,000 beginning in 2024-25 in a new, annual appropriation. Authorize the Commission to make grants of up to \$4,000 to residents of properties not served by a broadband service provider to assist in paying customer costs associated with connecting to broadband service. Allow the Commission to establish criteria for evaluating applications and awarding grants, and require the Commission to give priority to grants for properties of primary residence.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. DIGITAL EQUITY PROGRAM

**Governor:** Create a state digital equity program administered by PSC to provide outreach and assistance to promote digital equity, coordinate the administration of federal and state digital equity funding, provide digital navigation services, and implement digital inclusion activities. Define digital equity as all individuals and communities having the information technology capacity needed to fully participate in society. The program would operate within the Bureau of Broadband Digital and Telecommunication Access (BDATA). The program would be funded by an existing appropriation from the state universal service fund (USF), which is funded through assessments on providers of retail intrastate voice telecommunications services. The bill would retain base-level universal service funding of \$5,940,000 SEG.

The federal Digital Equity Program, created by the Digital Equity Act (DEA) and funded under IIJA, is a program created to target broadband adoption efforts towards specific communities. Targeted communities include households with low income or low literacy, the elderly, residents of rural areas, people of color, individuals with disabilities, English-language learners, veterans, and incarcerated individuals. Census data indicated the populations covered under the DEA account for 79% of Wisconsin's total population. Funding for DEA will be distributed through three programs over five years: (a) planning grants for states to create digital equity plans that promote broadband availability and access by targeted groups, as well digital literacy and privacy awareness; (b) capacity grants for states to implement digital equity plans; and (c) competitive grants to units of government and nonprofit or community institutions to increase broadband access and availability among targeted populations.

As of September, 2022, NTIA awarded Wisconsin \$952,200 for the creation of a digital equity plan and approved PSC to use \$335,000 of this amount to conduct outreach for development of the plan. DEA is provided \$550 million each year over five years, to be distributed to states based on their proportion of targeted populations, and Wisconsin is expecting an allocation of up to \$30 million. PSC intends for the state digital equity program to meet ongoing digital equity needs beyond the one-time allocation of federal funds.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. MUNICIPAL BROADBAND FACILITIES IN UNSERVED AREAS

**Governor:** Modify provisions relating to municipal broadband facilities to create separate requirements for broadband facilities that are intended to serve areas defined as unserved under broadband expansion grant program eligibility criteria.

Under current law, no city, village, or town may enact an ordinance or adopt a resolution authorizing the municipality to construct, own, or operate any facility for providing video service, telecommunications service, or broadband service to the public unless certain public hearing, notice, revenue and cost reporting, and cost-benefit analysis requirements are met. Specifically, municipalities are to provide personnel costs and costs of acquiring, installing, maintaining, repairing, or operating any plant or equipment. Additionally, municipalities are to include an appropriate allocated portion of costs of personnel, plant, or equipment that are used to provide jointly both telecommunications services and other services. The bill would specify that a municipal broadband facility that serves an unserved area would not have to provide information on these specific costs.

Also under current law, the public hearing, notice, revenue, and cost reporting requirements

do not apply to cases in which the municipality in writing solicits responses from area broadband providers as to whether the provider offers service in the municipality's boundaries, or intends to offer service in the area within nine months, and one of the following occurs: (a) no persons respond to the municipality's request within 60 days; (b) all respondents who purport to offer service are found not to offer service; or (c) a person intending to offer service within nine months does not meet such a time limit. The bill would specify: (a) for unserved areas, a provider would have to expect to offer service within three months; and (b) a person must actively plan to offer service within either the nine- or three-month limit.

Further, current law provides that public hearing, notice, revenue, and cost reporting requirements are not required for a broadband service facility if the following apply: (a) the municipality itself does not use the facility to provide service to end users; and (b) the municipality determines at the time the facility is authorized that the facility does not compete with more than one broadband service provider. The bill would amend the provisions to specify facilities intended for unserved areas would not have to meet these requirements. The bill would not change a requirement that a municipality must offer use of the facility on a nondiscriminatory basis to persons who provide broadband service to end users of the service.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. BROADBAND CONSUMER PROTECTIONS

**Governor:** Create a requirement for broadband service providers to register with the Commission if providing broadband service in the state. The registration requirement would be in addition to other standards under the bill for low-income subscribers, discrimination, advertising standards, adequacy of service, notices for interruption of service, and billing practices. [See "Agriculture, Trade and Consumer Protection -- Regulatory Programs."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **Departmentwide and Utility Regulation**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| FED   | \$1,031,000                | \$0                               | \$1,031,000 |
| PR    | 114,800                    | - 402,200                         | - 287,400   |
| SEG   | 93,400                     | 0                                 | 93,400      |
| Total | \$1,239,200                | - \$402,200                       | \$837,000   |

**Governor:** Provide adjustments to the agency base budget for the following: (a) reductions for staff turnover (-\$301,600 PR annually); (b) full funding of continuing position salaries and fringe benefits (\$369,900 PR, \$519,000 FED, and \$48,300 SEG annually); (c) reclassifications and semi-automatic pay progression (\$26,800 PR annually); and (d) full funding of lease and directed moves costs (-\$37,700 PR, -\$3,500 FED, and -\$1,600 SEG annually).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$201,100 PR annually.

#### 2. WATER UTILITY TRAINING AND DATA REPORTING

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions | <u>Net Change</u><br>Funding Positions |
|----|--|---|--|
| PR | \$1,385,900 2.00 - \$                                  | 51,385,900 - 2.00   | \$0 0.00                               |

**Governor:** Provide \$773,400 in 2023-24 and \$612,500 in 2024-25 with 2.0 positions from the PSC's general utility regulation appropriation to support PSC oversight of water utilities. The administration indicates funding is intended to support a water conservation training program for utilities serving greater than 3,300 residents, and to support modernization of water utility data reporting for use in oversight activities.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 3. CYBERSECURITY POSITIONS [LFB Paper 665]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> 1 | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |           | <u>Net Change</u><br>Funding Positions |  |
|-----|--|------|----------------|---|-----------|--|--|
| GPR | \$395,900  | 2.00 | - \$197,900    | - 1.00  | \$198,000 | 1.00                                   |  |

**Governor:** Provide \$173,400 in 2023-24 and \$222,500 in 2024-25 with 2.0 positions in the Division of Business Operations and Office Management for supporting cybersecurity activities at PSC. The positions would document and implement processes and procedures for securing PSC's users, applications, computers and servers in compliance with state and national standards. In addition, the positions would focus on data governance to protect agency and utility data.

**Joint Finance/Legislature:** Modify provision to provide \$86,700 in 2023-24 and \$111,300 in 2024-25 with 1.0 position in PSC's Office of Business and Information Technology Services to support cybersecurity activities.

#### 4. ENGINEERING MODELING SOFTWARE [LFB Paper 666] PR

\$340,000

**Governor/Legislature:** Provide \$170,000 each year in ongoing budget authority for licensing and associated costs of advanced engineering modeling software. PSC intends to use the software to improve review of application materials from utilities applying for various construction projects. The software would also be used to review long-term transmission planning projects and resource shifts to renewable energy or battery systems, and to perform independent studies.

# 5. FOCUS ON ENERGY CONTRIBUTION RATE AND ENERGY EFFICIENCY PROGRAMS

**Governor:** Increase from 1.2% to 2.4% the required energy utility contribution of annual operating revenues to fund statewide energy efficiency and renewable resource programs. Wisconsin investor-owned utilities, and select municipal utilities and cooperatives, collectively operate a statewide energy efficiency and renewable resource program known as Focus on Energy (Focus). Focus provides incentives, technical resources, and information to help residential and business customers reduce energy consumption and its resulting environmental impacts through conservation, energy efficiency practices, and implementation of new technology.

PSC estimates the proposal would increase funding for Focus programs by \$100 million annually. While mandated by statute, Focus is administered directly by a nonprofit supported by participating utilities, and any revenue generated from the contribution requirement is not subject to the state budget process. In calendar year 2021, Focus collected revenues of \$99.9 million.

Additionally, the bill would expand the definition of energy efficiency program to include programs that deploy electric technology to meet the energy needs currently served by other fuels in order to: (a) reduce the usage of energy, increase the efficiency of usage of energy on a fuelneutral basis, or reduce adverse environmental effects; and (b) reduce costs for electric public utilities and retail electric cooperatives or their customers or members.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 6. LEAD SERVICE LINE GRANT ASSISTANCE

**Governor:** Eliminate the maximum cost share that may be provided as principal forgiveness by utility-managed private lead service line replacement programs. Under current law, if a water utility provides financial assistance to customers to replace private lead service lines, no more than 50% of the financial assistance may be offered as a grant or principal forgiveness. Any additional costs must be provided through loans. The bill would authorize utilities to provide grants that would cover 100% of the cost of lead service line replacements.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 7. LOW-INCOME ADVOCATE INTERVENOR COMPENSATION

**Governor:** Modify the intervenor compensation program to establish a set-aside of \$50,000 annually for intervenors in Commission proceedings dedicated to advocating for low-income populations on economic and environmental issues. The intervenor compensation program provides financial assistance to organizations and individuals who choose to become an intervenor for a Commission proceeding. Organizations or individuals granted intervenor status may submit testimony and exhibits at hearings, which become part of the record considered by the Commission in making decisions. Intervenor financing is provided through assessments on utilities involved in a given proceeding.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 8. EQUITY OFFICER POSITION

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |       | <u>Net Change</u><br>Funding Positions |      |
|----|--|------|---|-------|--|------|
| PR | \$81,900   | 0.50 | -\$81,900   | -0.50 | \$0                                    | 0.00 |

**Governor:** Provide \$35,900 in 2023-24 and \$46,000 in 2024-25 and 0.5 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration (DOA) and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 9. TRIBAL LIAISON POSITION

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg.</u> | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Change</u><br>Positions |
|----|--|------|--------------|---|-----|----------------------------|
| PR | \$141,900  | 1.00 | -\$141,900   | -1.00   | \$0 | 0.00                       |

**Governor:** Provide \$60,800 in 2023-24 and \$81,100 in 2024-25 and 1.0 position annually to create an agency tribal liaison position. The agency tribal liaison would be responsible for working with Native American tribes and bands on behalf of the agency, as well as coordinating with the Director of Native American Affairs in the Department of Administration. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 10. STATE OPERATIONS ADJUSTMENTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$3,800                    | - \$3,800                         | \$0        |

**Governor:** Provide \$1,900 utility public benefits fund SEG annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 11. TRANSFER ADMINISTRATION OF HIGH-VOLTAGE IMPACT FEES

**Governor:** Transfer administration of one-time environmental impact fees and annual impact fees paid by persons granted certificates of public convenience and necessity for construction and operation of high-voltage transmission lines from the DOA to the PSC.

Under current law, owners of high-voltage transmission lines make a one-time payment

equal to 5% of the cost of the transmission line, and annual payments equal to 0.3% of the cost of the transmission line to DOA, which then distributes the amounts in a proportional manner to local governments affected by the transmission line. [See "Administration -- Energy and Environment."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **12. INCREASE PIPELINE SAFETY PENALTY**

**Governor:** Increase the penalty for violation of PSC regulations on the safe production, transmission, and distribution of natural gas from a maximum of \$25,000 to a maximum of \$200,000 per instance (or each day of violation). Further, increase the cap on penalties for a single persistent violation from \$500,000 to \$2,000,000. Clarify that such penalties are to be deposited into the common school fund.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 13. SOCIAL COST OF CARBON

**Governor:** Require PSC to consider the social cost of carbon in approving utility construction projects, such as those for electricity generation facilities and transmission lines. Define social cost of carbon as a measure of the cost in dollars of economic and other harm resulting from the emission of one ton of carbon dioxide in the atmosphere. Require PSC to consult with the Department of Natural Resources to determine biennially the social cost of carbon using integrated assessment models and appropriate discount rates. Require that the determined social cost of carbon be consistent with international consensus. Require PSC to submit a report biennially to relevant standing committees of the Legislature that describes the Commission's evaluation and established price. Specify that this provision first applies to applications for PSC approvals filed on December 31, 2023.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 14. FINANCING FOR RETIREMENT OF NONRENEWABLE GENERATING FACILITIES

**Governor:** Allow energy utilities to issue bonds to finance costs related to retiring a generation facility that uses nonrenewable combustible resources, such as coal or natural gas. Under the bill, the utility would apply to the Commission to issue such bonds, and repay them with the future revenues from its services. Under current law, a utility may issue bonds to finance costs related to facilities retiring, or for installing equipment at a generation facility to prevent or control environmental pollution produced by that facility.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration

pursuant to Joint Finance Motion #10.)

### 15. UTILITY RATE SETTING

**Governor:** Modify current law to allow public utilities to implement low-income assistance programs if rates are approved by the Commission, through review of program eligibility criteria, credits, or rebates, and are published in the utility's schedule or tariffs. The provision would specify that establishing low-income customer assistance does not qualify as rate discrimination and is not unreasonable.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 16. NONUTILITY ELECTRIC VEHICLE CHARGING STATIONS

**Governor:** Exempt from the definition of public utility those persons that provide electricity only at electric vehicle charging stations for use in an electric vehicle. Under current law, such provision of electricity would be subject to the same regulation as a utility providing electricity service.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 17. UTILITY FINANCING OF ENERGY IMPROVEMENTS

**Governor:** Allow PSC to create a program by which a utility may offer financing for energy improvements at a residential location it serves, and collect repayments through a surcharge on that customer's utility bill. If the PSC intends to implement such a program, require it to promulgate rules to do so, and require rules to specify: (a) the surcharge is assigned to a location, not an individual customer; (b) energy improvements are eligible for financing only if they are estimated to save an amount that exceeds the surcharge; and (c) financing offered to a customer may not increase the person's risk or debt.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **18. ELECTRIC UTILITY INTEGRATED RESOURCE PLANS**

**Governor:** Require investor-owned and municipal electric utilities to file integrated resource plans with PSC. Define integrated resource plan as a plan that describes the resources an electric utility may use to provide service to their customers over the next five-, 10-, and 15-year periods, including the considerations of supply and demand that would dictate the use of each resource. Resource options may include: (a) using, refurbishing, and constructing electric generating plants and equipment; (b) buying electricity generated by other entities; (c) controlling

customer loads; or (d) implementing customer energy conservation.

Require that plans contain: (a) data regarding the electric utility's current generation portfolio; (b) forecasts of electricity sales and peak demand under various scenarios and plans, and plans for meeting current and future capacity needs; (c) estimates of the amount of peak demand reduction to be achieved and the proposals for achieving such a reduction, including through load management and demand response; (d) for plans proposing generation facility construction as a resource option, the type of generation technology proposed for the generation facility, the proposed capacity of the generation facility, and anticipated costs; (e) details regarding the impacts of energy efficiency programs on utility sales and peak demand under various reasonable scenarios; (f) projected energy and capacity purchased or produced from renewable or cogeneration resources; (g) an analysis of potential new or upgraded electricity transmission options; (h) an analysis of the cost, capacity factor, and viability of all reasonable options available to meet projected energy and capacity needs, including existing electric generating facilities in this state, or costs of long-term natural gas transportation contracts for gas facilities, if applicable; (i) projected total costs for each scenario reviewed; and (j) any other information required by Commission order. Require that if a utility projects the total level of electricity purchased or produced from a renewable energy resource to decrease, the electric utility must describe why the decrease is in the best interests of ratepayers.

Provide PSC the authority to approve, reject, or modify a utility's integrated resource plan based upon what is deemed to be in the interest of the public. Require PSC to use electric utility's integrated resource plans to inform the Commission's biennial Strategic Energy Assessment (SEA), which evaluates the adequacy and reliability of the state's current and future electrical supply. Each SEA covers a seven-year period and must identify the projected demand for electric energy and assess whether sufficient electric capacity and energy will be available to the public at a reasonable price.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **19. RENAME THE POLICE AND FIRE PROTECTION FUND**

**Joint Finance/Legislature:** Rename the police and fire protection fund as the 911 fund, as part of changes to county and municipal aid programs made under 2023 Wisconsin Acts 12 and 19. State law requires telecommunications providers to impose a fee on each telephone line with an assigned phone number, including landlines, cellphones, and internet-based voice lines, and such fees are deposited into the segregated 911 fund. PSC is in part responsible for collection of fees deposited to the 911 fund. [See "Shared Revenue and Tax Relief -- Direct Aid Payments."]

[Act 19 Sections: 55, 211, and 425 thru 428]

## **REGIONAL TRANSIT AUTHORITIES**

#### **Budget Change Item**

#### 1. REGIONAL TRANSIT AUTHORITIES

**Governor:** Provide local units of government in southeastern Wisconsin, Dane County, urbanized Fox Cities, and certain other metropolitan areas the authority to create a regional transportation authority (RTA) for these areas.

#### **Provisions Specific to Individual RTAs**

The following provisions pertain specifically to each of the individual RTAs that could be created under the bill.

#### Southeast Regional Transit Authority

*Creation and Jurisdiction.* Specify that a Southeast RTA, a public body corporate and politic and a separate governmental entity, would be created if the governing body of Milwaukee County or Kenosha County, or of any municipality located in whole or in part within that portion of Racine County east of I-94, adopts a resolution authorizing the county or municipality to become a member of the authority. Require that if either Milwaukee County or Kenosha County adopts a resolution to be a member of the Southeast RTA, any municipality located in whole or in part within Milwaukee County or Kenosha County, respectively, would be a member of the authority.

Provide that once a Southeast RTA is created, any of the following counties or municipalities may join the RTA if they have not already done so and if their governing body adopts a resolution to join the RTA: (a) Kenosha, Milwaukee, Ozaukee, Racine, Washington, or Waukesha counties (a county's joinder would apply to the entire geographic area of the county); (b) any municipality located in whole or in part within that portion of Racine County east of I-94; or (c) any municipality located in whole or in part within Ozaukee, Washington, or Waukesha counties, provided that the RTA board approves the joinder. Under these provisions, a municipality in Ozaukee, Racine (the part east of I-94), Washington, or Waukesha County could choose to join the Southeast RTA regardless of whether or not the county has joined. However, the municipalities in any county that joins the RTA would become part of the RTA's jurisdictional area.

Specify that the jurisdictional area of the Southeast RTA would consist of the geographic area formed by the combined territorial boundaries of the counties and municipalities that authorize a resolution to create a Southeast RTA and of those that adopt a resolution to join the Southeast RTA.

*Governance*. Specify that the board of directors of the Southeast RTA would consist of the following members who, unless noted otherwise, would serve four-year terms:

a. If Kenosha County adopts a resolution to create or join the RTA, one member from Kenosha County, to be appointed by the county executive and approved by the county board, and one member, whose initial term would be two years, from the City of Kenosha, appointed by the mayor and approved by the common council.

b. If Milwaukee County adopts a resolution to create or join the RTA, one member from Milwaukee County, to be appointed by the county executive and approved by the county board, and one member, whose initial term would be two years, from the City of Milwaukee, to be appointed by the mayor and approved by the common council.

c. If the City of Racine adopts a resolution to create or join the RTA, one member from the City of Racine, to be appointed by the mayor and approved by the common council.

d. Two members, one of whom would have an initial term of two years, from the jurisdictional area of the authority, to be appointed by the Governor. Specify that if Milwaukee County adopts a resolution to create or join the RTA, one of these appointees, for any term commencing after the county has adopted the resolution, would have to be from Milwaukee County.

e. One member each from Ozaukee, Washington, and Waukesha counties if the county joins the Southeast RTA, to be appointed by the county executive of the county and approved by the county board. (Racine County would also be allowed to join an existing RTA under the bill, but would not have a member on the RTA Board under this provision. DOA indicates that it intended for Racine County to have a board member if it joins the Southeast RTA). Specify that if the county does not have an elected county executive, the member would be appointed by the county board chairperson and approved by the county board.

f. One member to be appointed by the mayor and approved by the common council of each city in Ozaukee, Washington, or Waukesha counties with a population of more than 60,000 that either adopts a resolution to join the southeast RTA or is located in a county that has joined the RTA. Based on current populations, only the City of Waukesha could have a member under this provision.

*Kenosha-Racine-Milwaukee (KRM) Commuter Rail Project*. Require that no later than one year after the creation of a Southeast RTA, the authority would have to submit an application to the Federal Transit Administration to enter the preliminary engineering phase of the federal new starts grant program for the KRM commuter rail link.

## Dane County Regional Transit Authority

*Creation and Jurisdiction.* Specify that the Dane County RTA, a public body corporate and politic and a separate governmental entity, would be created if the governing body of Dane County adopts a resolution authorizing the county to become a member of the authority. If Dane County creates an RTA, all municipalities located in whole or in part within the Madison metropolitan planning area would be members of the authority. In addition, any municipality located in whole or in part within the Madison metropolitan planning area, may join the Dane County RTA if the governing body of the

municipality adopts a resolution to join the authority and the RTA Board approves the municipality's request to join the RTA.

Specify that the jurisdictional area of the Dane County RTA would be the geographic area formed by the Madison metropolitan planning area combined with the territorial boundaries of all municipalities that adopt a resolution to join the authority. Municipalities currently located wholly or partly in the Madison metropolitan planning area include: (a) the cities of Fitchburg, Madison, Middleton, Monona, Stoughton, Sun Prairie, and Verona; (b) the villages of Cottage Grove, Cross Plains, DeForest, Maple Bluff, McFarland, Oregon, Shorewood Hills, Waunakee, and Windsor; and (c) the towns of Blooming Grove, Burke, Dunn, Middleton, Westport, and a portion of the towns of Berry, Bristol, Cottage Grove, Cross Plains, Dunkirk, Oregon, Pleasant Springs, Rutland, Springfield, Sun Prairie, Verona, and Vienna.

*Governance*. Specify that the board of directors of the Dane County RTA would consist of the following members who, unless noted otherwise, would serve four-year terms:

a. Two members from the Madison metropolitan planning area, both of whom would have an initial term of two years, to be appointed by the county executive and approved by the county board.

b. Two members appointed by the mayor of the City of Madison and approved by the common council.

c. One member appointed by the Governor.

d. One member from each city with a population of more than 20,000 located in Dane County, whose initial terms would be two years, and who would be appointed by the mayor and approved by the common council of each city. Based on current population estimates this provision would apply to the cities of Fitchburg, Madison, and Sun Prairie. (DOA indicates that it did not intend for the City of Madison to have an additional board member under this provision).

## Fox Cities Regional Transit Authority

*Creation and Jurisdiction.* Create a Fox Cities RTA, a public body corporate and politic and a separate governmental entity, that would consist of Calumet, Outagamie, and Winnebago counties and any municipality located in whole or in part within the urbanized Fox Cities metropolitan planning area (unlike the other two RTAs, the creation of the Fox Cities RTA would be automatic). In addition, specify that any municipality located in whole or in part within Calumet, Outagamie, or Winnebago counties, that is not located in whole or in part within the urbanized Fox Cities metropolitan planning area, could join the RTA if the governing body of the municipality adopts a resolution to join the authority and the RTA Board approves the municipality's request to join the RTA.

Specify that the jurisdictional area of the Fox Cities RTA would be the geographic area formed by the urbanized Fox Cities metropolitan planning area combined with the territorial boundaries of all municipalities that adopt a resolution to join the authority. Municipalities currently located wholly or partly in the urbanized Fox Cities metropolitan planning area include:

(a) the cities of Appleton, Kaukauna, Menasha, and Neenah; (b) the villages of Combined Locks, and Kimberly; and (c) the towns of Buchanan, Grand Chute, Greenville, Harrison, Kaukauna, Menasha (now the Village of Fox Crossing), Neenah, and Vandenbroek.

*Governance*. Specify that the board of directors of the Fox Cities RTA would consist of the following members who, unless noted otherwise, would serve four-year terms:

a. One member each from Calumet, Outagamie, and Winnebago counties, appointed by the county executive of each county and approved by the county board. If the county does not have an elected county executive, the member would be appointed by the county board chairperson and approved by the county board. Specify that the terms of the initial appointments of these members would expire on June 30, 2025.

b. One member each from the cities of Appleton and Neenah, appointed by the mayor of each city and approved by the common council. Specify that the terms of the initial appointments of these members would expire on June 30, 2027.

c. One member from the town of Grand Chute, appointed by the town board chairperson and approved by the town board. Specify that the term of the initial appointment of this member would expire on June 30, 2027.

d. One member appointed by the Governor. Specify that the term of the initial appointment of this member would expire on June 30, 2027.

e. One member that would follow a rotating order of succession and, after June 30, 2031, the same order and same selection process would be repeated. The rotating membership order and selection process would be as follows:

• a member from the Town of Menasha (now the Village of Fox Crossing), appointed by the town board chairperson and approved by the town board for a term commencing on the effective date of the budget act and expiring on June 30, 2027; and

• a member from the City of Menasha, appointed by the mayor and approved by the common council for a term beginning on July 1, 2027, and expiring on June 30, 2031.

g. One member that would follow a rotating order of succession and, after June 30, 2039, the same order and selection process would be repeated. The rotating membership order and selection process would be as follows:

• a member from the City of Kaukauna, appointed by the mayor and approved by the common council for a term commencing on the effective date of the budget act and expiring on June 30, 2027;

• a member from the Village of Kimberly, appointed by the village president and approved by the village board, for a term commencing on July 1, 2027, and expiring on June 30, 2031;

• a member from the Village of Little Chute, appointed by the village president and approved by the village board, for a term commencing on July 1, 2031, and expiring on June 30, 2035; and

• a member from the Town of Buchanan, appointed by the town board chairperson and approved by the town board, for a term commencing on July 1, 2035, and expiring on June 30, 2039.

#### Metropolitan Area Regional Transit Authorities

*Creation and Jurisdiction.* Specify that any two or more political subdivisions located within the same metropolitan area may jointly create a transit authority that is a public body corporate and politic and a separate governmental entity and that is known by a name that includes the words "regional transit authority," if the governing body of each political subdivision adopts a resolution authorizing the political subdivision to become a member of the authority and all the resolutions are identical to each other. Specify that, once created, the members of the RTA must consist of all political subdivisions that adopt resolutions. Once created, the authority may transact business and exercise any powers granted to it under this provision.

Specify that, after an RTA is created, any political subdivision located in whole or in part within a metropolitan area located in whole or in part within an authority's jurisdiction may join the authority if the governing body of the political subdivision adopts a resolution identical to the existing resolutions of the authority's participating political subdivisions and the authority's board of directors approves the political subdivision's joinder. Specify that the jurisdictional area of an RTA created is the geographic area formed by the combined territorial boundaries of all participating political subdivisions of the authority.

Specify that a political subdivision may not create or join a metropolitan area regional transit authority if the political subdivision is, or is located in whole or in part within, Calumet County, Dane County, Kenosha County, Milwaukee County, Outagamie County, Racine County, or Winnebago County or if the political subdivision is eligible to join any authority authorized under this provision.

Define "metropolitan area" to mean a metropolitan statistical area as designated by the U.S. office of management and budget. The following are the names of the metropolitan statistical areas in Wisconsin that do not include Calumet County, Dane County, Kenosha County, Milwaukee County, Outagamie County, Racine County, or Winnebago County: Eau Claire, Fond du Lac, Green Bay, Janesville-Beloit, Sheboygan, and Wausau.

*Governance.* Specify that the board of directors of a metropolitan area regional transit authority consists of the following members: (a) one member from each participating political subdivision that is a county, appointed by the county executive of each county and approved by the county board except that, if the county does not have an elected county executive, the member shall be appointed by the county board chairperson and approved by the county board; (b) one member from each of the two participating political subdivisions that are municipalities, if any, having the highest population, appointed by the mayor and approved by the common council or appointed by the village president and approved by the village board or appointed by the town board chairperson and approved by the town board, as applicable; (c) one member appointed by the governor; and (d) no more than two members from participating municipalities other than those previously identified, appointed by the mayor and approved by the common council or appointed by the village president and approved by the village board or appointed by the town board chairperson and approved by the town board, as applicable. If the authority opts to include board members under this provision, the bylaws of the authority must specify a method by which the members must rotate among the participating political subdivisions under this provision.

The bylaws of an authority must govern its management, operations, and administration, consistent with this provision, and must include provisions specifying all of the following: (a) the functions or services to be provided by the authority; (b) the powers, duties, and limitations of the authority; and (c) the maximum rate of the sales and use taxes that may be imposed by the authority, not to exceed 0.5%.

#### **General Provisions**

The following provisions would apply to each of the RTA districts created under the bill.

### Governance of RTA Districts

Provide that, once created, an RTA would have the authority to transact business and exercise any powers granted to it under the bill. Specify that the powers of an authority would be vested in its board of directors and that: (a) a majority of the board's full authorized membership would constitute a quorum for the purpose of conducting the authority's business and exercising its powers; and (b) any action may be taken by the board upon a vote of a majority of the directors present and voting, unless the bylaws of the authority require a larger number.

Specify that the bylaws of an authority would govern its management, operations, and administration, consistent with the provisions under the bill, and that the bylaws must include provisions that specify all of the following: (a) the functions or services to be provided by the authority; (b) the powers, duties, and limitations of the authority; and (c) the maximum rate of the sales and use taxes that may be imposed by the RTA, which could not exceed a statutory maximum rate of 0.5%.

#### Imposition of Taxes

Provide an RTA board the authority to impose, by the adoption of a resolution, a sales tax and a use tax at a rate not to exceed 0.5% of the gross receipts or sales price. Specify that the taxes would be imposed on the same base of products and services as the state and county sales and use taxes. The sales and use tax imposition, collection, reporting, transition, and motor vehicle registration provisions that apply to the county sales and use taxes would also apply to the taxes imposed by the authority. Specify that a resolution imposing the taxes would be effective on the first day of the first calendar quarter that begins at least 120 days after a certified copy of the resolution is delivered to the Department of Revenue (DOR).

Provide that an RTA may, by adoption of a resolution, repeal the imposition of the sales and use taxes. Specify that the authority would have to deliver a certified copy of the repeal resolution

to DOR at least 120 days before its effective date. DOR and retailers would not be allowed to collect sales and use taxes for any RTA, beginning on the first day of the calendar quarter that is at least 120 days after a certified copy of the repeal resolution is delivered to DOR, except that DOR could collect any such taxes that accrued before such calendar quarter and any related fees, interest, and penalties.

## Imposition of Fees

Provide that if an RTA is created, the RTA could impose a \$2 vehicle rental fee, within its jurisdictional area. Specify that the fee would be effective on the first day of the first month that begins at least 90 days after the board of directors of the RTA approves the imposition of the fee and notifies DOR. Although, the bill provides specific authority for the southeast regional RTA to impose a \$2 vehicle rental fee, this specific authority is redundant, since the all RTAs are provided the power to impose a \$2 vehicle rental fee under the bill.

Specify that retailers and DOR may not collect fees for any RTA after the calendar quarter during which the RTA ceases to exist, except that the Department may collect from retailers fees that accrued before that calendar quarter and interest and penalties that relate to those fees. Specify that if fees are collected, the RTA may use the revenue for any lawful purpose.

### Duties of an RTA

Specify that any RTA that is created would be required to provide, or contract for the provision of, transit service within the authority's jurisdictional area.

Require the RTA board to annually prepare a budget for the authority. Specify that rates and other charges received by the authority could only be used for the general expenses and capital expenditures of the authority, to pay interest, amortization, and retirement charges on bonds, and for specific purposes of the authority and may not be transferred to any county or municipality. Require the authority to maintain an accounting system in accordance with generally accepted accounting principles and to have its financial statements and debt covenants audited annually by an independent, certified public accountant.

### Powers of an RTA

Provide RTAs the power to do all of the following to the extent authorized in the authority's bylaws:

a. Establish, maintain, and operate a comprehensive unified local transportation system primarily for the transportation of persons. A "comprehensive unified local transportation system" would be defined as a transportation system that is comprised of motor bus lines and any other local public transportation facilities, the major portion of which is located within, or the major portion of the service of which is supplied to the inhabitants of, the jurisdictional area of the authority. A "transportation system" would mean all land, shops, structures, equipment, property, franchises, and rights of whatever nature required for transportation of passengers within the jurisdictional area of the authority and, to the extent specifically authorized, outside the jurisdictional area of the authority. A "transportation system" would include elevated railroads, subways, underground railroads, motor vehicles, motor buses, and any combination of these, and any other form of mass transportation. A "transportation system" would not include any form of transportation excluded from the current law definition of common motor carrier, or charter or contract operations that are to, from, or between points outside the jurisdictional area of the RTA.

b. Acquire a comprehensive unified local transportation system and provide funds for the operation and maintenance of the system.

c. Upon the acquisition of a comprehensive unified local transportation system, the authority may: (1) operate and maintain it or lease it to an operator or contract for its use by an operator; (2) contract for superintendence of the system with an organization that has personnel with the requisite experience and skill; (3) delegate responsibility for the operation and maintenance of the system to an appropriate administrative officer, board, or commission of a participating political subdivision (defined as a county or municipality that is a member of an RTA); and (4) maintain and improve railroad rights-of-way and improvements on these rights-of-way for future use.

d. Contract with a public or private organization to provide transportation services in lieu of directly providing these services.

e. Purchase and lease transportation facilities to public or private transit companies that operate within and outside the jurisdictional area.

f. Apply for federal aids to purchase transportation facilities considered essential for the authority's operation.

g. Coordinate either publicly- or privately-owned specialized transportation services that provide general or special service to elderly or disabled persons on a regular and continuing basis in a designated service area, for residents of the authority's jurisdictional area and who are disabled or aged 60, or older. This would include services funded from federal funds, the medical assistance program, DOT's specialized transportation assistance program for counties, and from other public funds administered by the county. An authority could contract with a county that is a participating political subdivision for that RTA to provide specialized transportation services, but the authority would not be an eligible applicant under, or receive direct payments from, DOT's elderly and disabled assistance programs.

h. Acquire, own, hold, use, lease as lessor or lessee, sell or otherwise dispose of, mortgage, pledge, or grant a security interest in any real or personal property or service.

i. Condemn property, if the authority determines the taking is a necessity, as required of local units of government under current law. Specify that the authority to acquire property by condemnation would be subject to the current law procedure used by the state, local units of government, and others for condemnations related to sewer and transportation facilities.

j. Enter upon any state, county, or municipal street, road, or alley, or any public highway, for the purpose of installing, maintaining, and operating the authority's facilities. Whenever the work is to be done in a state, county, or municipal highway, street, road, or alley,

the RTA would have to notify the controlling public authority, and the highway, street, road, or alley would have to be restored to as good a condition as existed before the commencement of the work, with all costs incident to the work to be borne by the authority.

k. Fix, maintain, and revise fees, rates, rents, and charges for functions, facilities, and services provided by the authority.

l. Make, and from time to time amend and repeal, bylaws, rules, and regulations to carry into effect the powers and purposes of the authority.

m. Sue and be sued in its own name.

n. Have and use a corporate seal.

o. Employ agents, consultants, and employees, engage professional services, and purchase such furniture, stationery, and other supplies and materials as are reasonably necessary to perform its duties and exercise its powers.

p. Incur debts, liabilities, or obligations, including the borrowing of money and the issuance of bonds.

q. Invest any funds held in reserve or sinking funds, or any funds not required for immediate disbursement, including the proceeds from the sale of any bonds, in such obligations, securities, and other investments as the authority deems proper in accordance with current law investment requirements for counties, municipalities, and other local districts.

r. Do and perform any acts and things authorized of an RTA under, through, or by means of an agent or by contracts with any person.

s. Exercise any other powers that the board of directors considers necessary and convenient to effectuate the purposes of the authority, including providing for passenger safety.

### Limitations on RTA Powers

Provide that, notwithstanding the related powers provided to an RTA under the bill, no authority, and no public or private organization with which an authority has contracted for service, could provide service outside the jurisdictional area of the authority unless either of the following occur: (a) the authority receives financial support for the service under a contract with a public or private organization; or (b) it is necessary in order to provide service to connect residents within the authority's jurisdictional area to transit systems in adjacent counties.

Specify that whenever the proposed operations of an RTA would be competitive with the operations of a common carrier in existence prior to the time the authority commences operations, the authority shall coordinate the proposed operations with the common carrier to eliminate adverse financial impact for the carrier. Define a "common carrier" as a common motor carrier, contract motor carrier, railroad, or water carrier. Specify that this coordination may include route overlapping, transfers, transfer points, schedule coordination, joint use of facilities, lease of route service, and the acquisition of route and corollary equipment. Provide that if this coordination does

not result in mutual agreement, the proposals of the authority and the common carrier shall be submitted to DOT for arbitration.

Require an authority, in exercising its powers, to consider any plan of a metropolitan planning organization that covers any portion of the authority's jurisdictional area.

#### Withdrawal from an RTA

Except as described below, provide that any participating county or municipality that has joined an RTA could withdraw from that authority if both of the following conditions are met: (a) the governing body of the county or municipality adopts a resolution requesting their withdrawal from the authority; and (b) the county or municipality has paid, or made provision for the payment of, all obligations it has to the authority. The ability to withdraw from an RTA would not apply to municipalities in Kenosha and Milwaukee counties, Dane County and the municipalities within the Madison metropolitan planning area, or Calumet, Outagamie, and Winnebago counties and the municipalities in the urbanized Fox Cities metropolitan planning area.

Specify that any municipality in either Kenosha or Milwaukee county that becomes a member of an RTA when their county creates or joins the Southeast RTA must withdraw from the authority if the county in which the municipality is located withdraws from the authority.

#### **RTA Obligations to Employees of Mass Transportation Systems**

Require any RTA taking an action to acquire a comprehensive unified local transportation system for the purpose of the authority's operation of the system to assume all of the employer's obligations under any contract between the employees and management of the system, to the extent allowed by law. In addition, specify that any RTA taking action to acquire, construct, control, or operate a comprehensive unified local transportation system must negotiate an agreement with the representative of the labor organization that covers the employees affected by the RTA action in order to protect the interests of those employees. The agreement would have to include all provisions required under current law for agreements negotiated when a county board acquires a transportation system. Such agreements may also include a provision for the submission of labor disputes to binding arbitration by an umpire or board of arbitration acceptable to both parties. Further, an affected employee would have all the rights and the same status under the municipal employee relations statutes that he or she enjoyed immediately before the RTA action and may not be required to serve a probationary period if he or she attained permanent status before the RTA's action. In all such negotiations, a senior executive officer of the RTA would have to be a member of the authority's negotiating body.

#### **Bonding** Authority

Provide an RTA the authority to issue bonds, the principal and interest on which would be payable exclusively from all or a portion of any revenues received by the authority. Specify that an RTA could secure its bonds by a pledge of any income or revenues from any operations, rent, aids, grants, subsidies, contributions, or other source of moneys. Allow an RTA to issue bonds in such principal amounts as the authority deems necessary. Require an RTA to state the following restrictions on the face of any bonds that the RTA issues: (a) neither the members of the board of directors of the RTA nor any person executing the bonds would be personally liable on the bonds by reason of the issuance of the bonds; (b) the bonds would not be a debt of the participating counties and municipalities; (c) neither the participating counties and municipalities nor the state would be liable for the payment of the bonds; and (d) the bonds would be payable only out of funds or properties of the authority.

Require that any bonds of an authority be authorized by resolution of the board of directors. Specify that the bonds may be issued under such a resolution or under a trust indenture or other security instrument. Define "bonds" as any bonds, interim certificates, notes, debentures, or other obligations of an authority. Provide that the bonds may be issued in one or more series and may be in the form of coupon bonds or registered bonds. Require the bonds to bear the dates, mature at the times, bear interest at the rates, be in the denominations, have the rank or priority, be executed in the manner, be payable in the medium of payment and at the places, and be subject to the terms of redemption, with or without premium, as provided in the resolution, trust indenture, or other security instrument.

Specify that bonds of an RTA would be issued for an essential public and governmental purpose and are public instrumentalities and, together with interest and income, are exempt from taxes. Allow a transit authority to sell bonds at public or private sales at the price or prices determined by the authority. Provide that if an officer whose signature appears on any bonds or coupons ceases to be an officer of the authority before the delivery of the bonds or coupons, the officer's signature would, nevertheless, be valid for all purposes as if the officer had remained in office until delivery of the bonds or coupons.

Allow a transit authority to do all of the following in connection with the issuance of bonds:

a. Covenant as to the use of any or all of its property, real or personal.

b. Redeem the bonds, or covenant for the redemption of the bonds, and provide the terms and conditions of the redemption.

c. Covenant as to charge fees, rates, rents, and charges sufficient to meet operating and maintenance expenses, renewals, and replacements of any transportation system, principal and debt service on bonds, creation and maintenance of any reserves required by a bond resolution, trust indenture, or other security instrument and to provide for any margins or coverages over and above debt service on the bonds that the board of directors considers desirable for the marketability of the bonds.

d. Covenant as to the events of default on the bonds and the terms and conditions upon which the bonds would become or may be declared due before maturity, as to the terms and conditions upon which this declaration and its consequences may be waived, and as to the consequences of default and the remedies of bondholders.

e. Covenant as to the mortgage or pledge of, or the grant of a security interest in, any real or personal property and all or any part of the revenues of the authority to secure the payment of bonds, subject to any agreements with the bondholders.

f. Covenant as to the custody, collection, securing, investment, and payment of any revenues, assets, moneys, funds, or property with respect to which the authority may have any rights or interest.

g. Covenant as to the purposes to which the proceeds from the sale of any bonds may be applied, and as to the pledge of such proceeds to secure the payment of the bonds.

h. Covenant as to limitations on the issuance of any additional bonds, the terms upon which additional bonds may be issued and secured, and the refunding of outstanding bonds.

i. Covenant as to the rank or priority of any bonds with respect to any lien or security.

j. Covenant as to the procedure by which the terms of any contract with, or for the benefit of, the holders of bonds may be amended or abrogated, the amount of bonds, the holders of which must consent thereto, and the manner in which such consent may be given.

k. Covenant as to the custody and safekeeping of any of its properties or investments, the insurance to be carried on the property or investments, and the use and disposition of insurance proceeds.

l. Covenant as to the vesting in one or more trustees, within or outside the state, of those properties, rights, powers, and duties in trust as the authority determines.

m. Covenant as to the appointing of, and providing for the duties and obligations of, one or more paying agent or other fiduciaries within or outside the state.

n. Make all other covenants and do any act that may be necessary or convenient or desirable in order to secure its bonds or, in the absolute discretion of the authority, tend to make the bonds more marketable.

o. Execute all instruments necessary or convenient in the exercise of the powers granted under the bill or in the performance of covenants or duties, which may contain such covenants and provisions as a purchaser of the bonds of the authority may reasonably require.

Grant an RTA the authority to issue refunding bonds for the purpose of paying any of its bonds at, or prior to, maturity or upon acceleration or redemption. Specify that a transit authority may issue refunding bonds at such time prior to the maturity or redemption of the refunded bonds as the authority deems to be in the public interest. Provide that the refunding bonds could be issued in sufficient amounts to pay or provide the principal of the bonds being refunded, together with any redemption premium on the bonds, any interest accrued, or to accrue, to the date of payment of the bonds, the expenses of issue of the refunding bonds, the expenses of redeeming the bonds being refunded, and such reserves for debt service or other capital or current expenses from the proceeds of such refunding bonds as may be required by the resolution, trust indenture, or other security instruments. Specify that, to the extent applicable, refunding bonds would be subject to the issuance requirement and covenants required of an authority's original bonds.

#### **Bonds as Investments**

Specify that any of the following could invest funds, including capital in their control or belonging to them, in bonds of an RTA: (a) public officers and agencies of the state; (b) local governmental units; (c) insurance companies; (d) trust companies; (e) banks, savings banks, and savings and loan associations; (f) investment companies; (g) personal representatives; (h) trustees; and (i) other fiduciaries. Provide that a transit authority's bonds would be securities that may be deposited with, and received by, any officer or agency of the state or any local governmental unit, for any purpose for which the deposit of bonds or obligations of the state or any local governmental unit is authorized by law.

#### DOR Sales and Use Tax Administration

Provide DOR the authority to administer any RTA sales and use taxes on behalf of the RTA and make distributions to the authority imposing the tax. Specify that DOR would have all powers necessary to levy, enforce, and collect the taxes that it is provided under current law for the county and special district sales and use taxes. Under these provisions, DOR could take any action, conduct proceedings, and impose interest and penalties. Judicial review of DOR determinations would also be provided. Specify that if a retailer receives notice from DOR that the retailer is required to collect and remit the taxes imposed by an RTA, but the retailer believes it is not required to collect such taxes because the retailer is not doing business within the transit authority's jurisdictional area, the retailer must notify DOR no later than 30 days after receiving notice from 30 days after receiving the retailer's notice.

Require DOR to distribute 98.5% of the taxes reported for each transit authority that has imposed the taxes, minus the transit authority portion of the retailers' discount, to the transit authority. Specify that the "transit authority portion of the retailers' discount" is the amount determined by multiplying the total retailers' discount by a fraction, the numerator of which is the gross transit authority sales and use taxes payable and the denominator of which is the sum of the gross state and transit authority sales and use taxes payable. Require DOR to distribute the taxes no later than the end of the third month following the end of the calendar quarter in which such amounts were reported.

Create a program revenue appropriation to receive the monies generated from the taxes and from annual monies unspent by DOR for the administration of the transit authority sales and use taxes. Require DOR to indicate the taxes reported by each taxpayer at the time of distribution. Adjust the distribution to reflect subsequent refunds, audit adjustments, and all other adjustments of the transit authority taxes previously distributed. Interest paid on refunds of transit authority sales and use taxes would be paid from the program revenue appropriation created for the receipt of monies generated from the taxes, and would be paid at the 3% rate established for sales and use tax refunds. Any transit authority receiving a report on sales and use taxes would be subject to the duties of confidentiality to which DOR is subject to relative to such taxes under current law.

After the distributions are made, transfer the remaining 1.5% of the revenues from the transit authority sales and use taxes to a new, sum certain, DOR program revenue appropriation for administration of the taxes. Require that, at the end of each fiscal year, the unencumbered balance

in this appropriation would be transferred to the appropriation created for the receipt and distribution of the transit authority sales and use taxes.

#### DOR Vehicle Rental Fee Administration

Provide DOR the authority to administer the RTA fee ("vehicle rental fee") on behalf of the RTA and make distributions to the RTA imposing the fee. Specify that DOR would have all powers necessary to levy, enforce, and collect the taxes that it is provided under current law for the county and special district sales and use taxes. Under these provisions, DOR could take any action, conduct proceedings, and impose interest and penalties. Judicial review of DOR determinations would also be provided. Specify that the renter must collect the vehicle rental fee from the person to whom the passenger car is rented.

Require persons who are subject to the vehicle rental fee to register with DOR. Specify that any person who is required to register; including any person authorized to act on behalf of a corporation, partnership, or other person who is required to register; who fails to do so is guilty of a misdemeanor. Require a retailer who collects a vehicle rental fee to identify the fee as a separate item on a receipt the retailer provides to a rental customer

Require DOR to distribute 97.45% of the vehicle rental fees collected for each transit authority that has imposed the fees, and is required to indicate to the RTA the fees reported by each fee payer in the RTA's jurisdiction, no later than the end of the month following the end of the calendar quarter in which the amounts were collected. Specify that the fees distributed must be increased or decreased to reflect subsequent refunds, audit adjustments, and all other adjustments. Interest paid on refunds of transit authority fees would be paid from the program revenue appropriation created for the receipt of monies generated from the fees, and would be paid at the 3% rate established for sales and use tax refunds. Specify that any RTA receiving a report on vehicle rental fees would be subject to the duties of confidentiality to which DOR is subject to relative to such taxes under current law.

Create a program revenue appropriation to receive the monies generated from the vehicle rental fees and from annual monies unspent by DOR for the administration of the regional transit authority fees. After the distributions are made, transfer the remaining 2.55% of the revenues from the regional transit authority fees to a new, sum certain, DOR program revenue appropriation for administration of the fees. Require that, at the end of each fiscal year, the unencumbered balance in this appropriation account that exceeds 10% of the expenditures from this appropriation during the fiscal year would be transferred to the appropriation created for the receipt and distribution of the vehicle rental fees.

#### **Other Provisions**

The bill would specify the following for an RTA relative to current law:

a. The creation of an RTA would not limit the powers of counties or municipalities to enter into intergovernmental cooperation or contracts to establish separate legal entities under current law related to intergovernmental cooperation and municipal transit commissions or any other applicable law.

b. The creation of an RTA would not limit the powers of counties or municipalities to otherwise carry out their statutory powers.

c. An RTA would not be subject to the existing requirement that a municipality attempting to provide, acquire, own, operate, or engage in a municipal bus transportation system where no bus, rail, or other local transportation system currently exists can only do so following an action of its governing body and a referendum vote.

e. An RTA would be considered an employer for purposes of the Wisconsin Retirement System (WRS) and its employees would be participatory employees of that system if the RTA elects to join the WRS.

f. An RTA would be defined as a municipality as it relates to the existing municipal borrowing and municipal bonds and intergovernmental cooperation statutes.

g. The property of the RTA would be exempt from property taxation.

h. The income received by the RTA would be exempt from income taxation.

i. Sales to the RTA would be exempt from sales taxes.

j. An RTA would be considered a political subdivision that would be eligible for DOT's commuter rail transit grant program (this grant program is not funded under the bill).

k. Current law provisions relating to claims and liability for persons injured due to the negligent operation of a motor vehicle owned and operated by a municipality or other political subdivision would be extended to an RTA.

1. RTAs would be included in the list of governments that can participate in organizing municipal insurance mutuals for the provision of workers' compensation, liability, and property insurance and risk management services.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## REVENUE

|       | Budget Summary |               |               |               |               |                              |                        |  |  |  |

## **Budget Change Items**

## Departmentwide

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

Г

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| GPR   | - \$3,681,900              | - \$2,533,000                     | - \$6,214,900 |
| PR    | 572,200                    | 0                                 | 572,200       |
| SEG   | 532,300                    | - 188,000                         | 344,300       |
| Total | - \$2,577,400              | - \$2,721,000                     | - \$5,298,400 |

**Governor:** Provide adjustments to the base budget for: (a) turnover reduction (-\$1,899,300 GPR and -\$141,200 SEG annually); (b) full funding of continuing position salaries and fringe

benefits (\$324,100 GPR, \$132,900 PR, and \$252,800 SEG annually); (c) reclassifications and semiautomatic pay progression (\$148,200 PR and \$26,900 SEG in 2023-24 and \$210,900 PR and \$36,100 SEG in 2024-25); (d) full funding of lease and directed moves costs (-\$271,400 GPR, -\$26,600 PR, and \$123,000 SEG in 2023-24 and -\$260,100 GPR, -\$26,100 PR, and \$123,100 SEG in 2024-25); and (e) minor transfers within the same alpha appropriation.

**Joint Finance/Legislature:** Include provision with the following modification. Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by \$1,266,500 GPR and \$94,000 SEG annually.

### 2. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,006,000                | - \$1,006,000                     | \$0        |

**Governor:** Provide \$503,000 GPR annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **3. EQUITY OFFICER POSITION**

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|-------------|---|-----|----------------------------|
| GPR | \$170,800    | 1.00                                   | - \$170,800 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$74,800 in 2023-24 and \$96,000 in 2024-25 and 1.0 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration (DOA) and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. MINOR TRANSFERS BETWEEN APPROPRIATIONS [LFB Paper 670]

**Governor:** Transfer \$276,900 GPR and 3.0 positions annually from the Department of Revenue's (DOR) collection of taxes -- general program operations appropriation to its administrative services and space rental -- general program operations appropriation to create the Office of Communications in the Secretary's Office. According to DOR, the purpose of the Office of Communications would be to align the Department's internal and external communications under one manager. The Department indicates that the positions would be transferred from the Division of Income, Sales, and Excise Tax (IS&E); two of the positions are communications positions and the third position is a vacant revenue tax representative.

Transfer \$329,700 GPR and 3.0 FTE positions annually from DOR's collection of taxes -general program operations appropriation to its administrative services and space rental -- general program operations appropriation to create the Engagement & Strategy Section in the Enterprise Services Division. According to DOR, the Engagement & Strategy Section would be focused on learning, engagement and retention, and promoting and supporting effectiveness, efficiency, and strategic success. DOR indicates that the positions that would be transferred consist of two vacant revenue auditor 1 positions and one vacant revenue agent position in IS&E. The Department does not estimate an effect on state tax collections as a result of the proposed transfer because the positions are currently vacant.

Finally, transfer \$33,800 GPR from its collection of taxes -- general program operations appropriation to its administrative services and space rental -- general program operations appropriation for general overhead costs.

**Joint Finance/Legislature:** Transfer \$195,900 GPR and 2.0 communications positions annually from DOR's collection of taxes -- general program operations appropriation to its administrative services and space rental -- general program operations appropriation to create the Office of Communications in the Secretary's Office. The Joint Finance provision transfers \$444,500 less funding and 4.0 fewer positions than under the Governor's recommendation.

#### 5. GENERAL PROGRAM OPERATIONS APPROPRIATIONS GPR -REDUCTIONS

- \$2,753,600

**Joint Finance/Legislature:** Reduce funding for the following DOR general program operations appropriations annually: (a) \$392,400 in the state and local finance -- general program operations appropriation; and (b) \$984,400 in the administrative services and space rental -- general program operations appropriation.

## **Tax Administration**

#### 1. **DELINQUENT TAX COLLECTION AGENTS** [LFB Paper 670]

|         |              | ernor<br><u>to Base)</u><br>Positions | Jt. Finar<br><u>(Chg. t</u><br>Funding | o Gov)  |     | <u>Change</u><br>Positions |
|---------|--------------|---------------------------------------|--|---------|-----|----------------------------|
| GPR     | \$1,504,800  | 11.00                                 | - \$1,504,800                          | - 11.00 | \$0 | 0.00                       |
| GPR-Tax | \$20,100,000 | -                                     | \$20,100,000                           |         | \$0 |                            |

**Governor:** Provide \$677,300 in 2023-24 and \$827,500 in 2024-25 and 11.0 positions annually to enhance delinquent tax collection efforts. According to DOR, these positions would consist of nine revenue agents, one revenue agent supervisor, and one revenue agent lead. The administration indicates that DOR is unable to attain its full collection potential of taxes owed under current law at its current staffing levels. It is estimated that this provision would increase general fund tax collections by \$4,000,000 in 2023-24 and \$16,100,000 in 2024-25 and annually thereafter.

Joint Finance/Legislature: Provision not included.

## 2. CONVERT REVENUE AGENT PROJECT POSITIONS TO PERMANENT POSITIONS [LFB Paper 670]

**Governor:** Convert 38.0 GPR project positions to permanent positions and maintain current funding of \$2,017,500 GPR for position salaries and \$842,100 GPR for fringe benefits, annually. The 38 project positions are located within IS&E, and consist of: (a) 17 audit revenue agent positions and one supervisor position in the Division's Audit Bureau; and (b) 19 tax collection revenue agent positions and one supervisor position in the Division's Compliance Bureau.

These positions were created by 2017 Act 59 and are scheduled to expire on June 30, 2025. The Administration indicates that allowing the positions to expire would result in an increase of unpaid delinquent taxes and would reduce general fund tax collections by an estimated \$39.3 million annually, offsetting the annual reduction of \$2,859,600 GPR associated with the expiration of these project positions, beginning in 2025-26.

**Joint Finance/Legislature:** Extend the expiration of the 38.0 GPR project positions provided to DOR under 2017 Act 59 from June 30, 2025, to September 30, 2025. Direct DOA to provide salary and fringe in preparing the base for the 2025-27 biennial budget sufficient to extend the 38 project positions through September 30, 2025.

#### 3. ADVANCED TECHNOLOGY SYSTEM PROJECT [LFB Paper 672]

|                  | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change                 |
|------------------|----------------------------|-----------------------------------|----------------------------|
| GPR<br>PR        | \$1,950,000<br>1,950,000   | \$0<br>_0                         | \$1,950,000<br>1,950,000   |
| Total            | \$3,900,000                | <u>\$0</u>                        | \$3,900,000                |
| GPR-Tax          | \$7,600,000                | \$0                               | \$7,600,000                |
| PR-REV<br>GPR-RE | \$0<br>V- \$1,950,000      | \$480,000<br>\$480,000            | \$480,000<br>- \$1,470,000 |

**Governor:** Provide \$1,350,000 GPR and \$1,350,000 PR in 2023-24 and \$600,000 GPR and \$600,000 PR in 2024-25 for supplies and services to implement an advanced technology system in DOR's Compliance Bureau. The Administration indicates that this system would utilize data analytics to enhance collections of both delinquent taxes and debts owed to local governments and state agencies by \$10,800,000 annually once the program if fully operational. The Administration estimates that 70% (\$7,600,000 annually) of enhanced collections would come from delinquent general fund taxes, beginning in 2024-25. The remaining 30% (\$3,200,000 annually) of enhanced collections would come from debts owed to state agencies and local governments under the statewide debt collection (SDC) program, beginning in 2024-25.

Under DOR's debt collection appropriation, all revenues collected in excess of expenditures are transferred to the general fund at the end of the fiscal year. Estimate a reduction in the yearend transfer to the general fund of \$1,350,000 GPR-REV in 2023-24 and \$600,000 GPR-REV in 2024-25 to reflect increased PR expenditures that would be authorized under this appropriation.

**Joint Finance/Legislature:** Include the provision, but reestimate the reduction in the yearend transfer to the general fund at \$120,000 GPR-REV in 2024-25 to reflect increased fees estimated at \$480,000 PR-REV in 2024-25. Additionally, estimate enhanced delinquent general fund tax collections of \$10,500,000 in 2025-26 and \$14,000,000 in 2026-27.

|    | Gove<br><u>(Chg. to</u><br>Funding Po | Base) | <u>(Chg. 1</u>             | nce/Leg.<br>t <u>o Gov)</u><br>Positions | <u>Net Change</u><br>Funding Positions | s |
|----|---------------------------------------|-------|----------------------------|--|--|---|
| PR | \$940,100                             | 7.00  | - \$940,100                | - 7.00                                   | \$0 0.00                               |   |
|    | \$1,633,300<br>\$2,573,400            |       | \$1,633,300<br>\$2,573,400 |  | \$0<br>\$0                             |   |

### 4. **STATEWIDE DEBT COLLECTION POSITIONS** [LFB Paper 671]

**Governor:** Provide \$423,500 PR in 2023-24 and \$516,600 PR in 2024-25 and 7.0 PR positions annually to DOR's collection of taxes -- debt collection appropriation to increase efforts to collect debts owed to state agencies and local governments under the SDC program. DOR

indicates that the authorization of these positions would increase the collection and remittance of debts owed by an estimated \$11.9 million annually.

According to DOR, the seven positions would consist of one revenue agent supervisor, one revenue agent lead, and five revenue agents. The Administration indicates that, in addition to enhanced collections of state and local debts, providing these seven positions would result in the following changes to state revenues: (a) an increase of \$516,800 PR-REV in 2023-24 and \$2,056,600 PR-REV in 2024-25 from additional fees collected by DOR; and (b) an increase in the year-end transfer to the general fund of \$93,300 GPR-REV in 2023-24 and \$1,540,000 GPR-REV in 2024-25.

Joint Finance/Legislature: Provision not included.

### 5. STATEWIDE DEBT COLLECTION OFFICE RESOURCES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| PR    | \$892,000                  | - \$892,000                       | \$0        |
| GPR-R | EV - \$892,000             | \$892,000                         | \$0        |

**Governor:** Provide \$446,000 annually for supplies and services for the SDC program to enhance the program's ability to collect debts owed to state agencies and local governments. DOR indicates that additional resources are needed to cover increased costs for its current operations, as a result of increased debt amounts referred to SDC in recent years. Estimate reduced GPR-REV of \$446,000 annually.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. ADMINISTRATION AND ENFORCEMENT OF MARIJUANA TAX AND REGULATION

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions | <u>Net Change</u><br>Funding Positions |
|-----|--|---|--|
| GPR | \$5,357,900 18.00 - 5                                  | \$5,357,900 - 18.00   | \$0 0.00                               |

**Governor:** Provide \$3,284,300 in 2023-24 and \$2,073,600 in 2024-25 and 18.0 positions annually in a new appropriation for the purposes of: (a) administering the marijuana tax; and (b) enforcing the proposed taxation and regulation of marijuana producers, processors, and retailers.

The legalization of the sale and taxation of marijuana would be authorized under separate provisions of the bill. [For additional information, see "Marijuana-Related Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 7. MARIJUANA PERMIT FEES

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|--------|----------------------------|-----------------------------------|------------|
| GPR-RE | V \$1,410,000              | - \$1,410,000                     | \$0        |

**Governor:** Estimate additional GPR-REV of \$675,000 in 2023-24 and \$735,000 in 2024-25 from the collection of marijuana permit fees. Under the bill, DOR would charge a \$250 application fee to every person applying for a marijuana permit, as well as an annual fee of \$2,000 to each person holding a valid permit. Fees would be paid to DOR and deposited directly into the general fund. [For additional information, see "Marijuana-Related Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 8. REPEAL BASEBALL STADIUM TAX ADMINISTRA-TION APPROPRIATION [LFB Paper 674]

|    | Funding     | Positions |
|----|-------------|-----------|
| PR | - \$855,000 | - 4.40    |

Governor/Legislature: Delete \$427,500 and 4.40 positions

annually to eliminate the funding and vacant positions associated with DOR's collection of taxes - administration of special district taxes appropriation. Repeal the appropriation on April 30, 2024. This appropriation was created to administer the baseball stadium district tax, which ended March 31, 2020. The Administration indicates that the delayed effective date for the repeal of this appropriation is necessary to allow taxpayers to timely file amended returns.

[Act 19 Sections: 154, 169, 351, and 9437(1)]

## 9. PERSONAL PROPERTY TAX REPEAL ADMINISTRATIVE COSTS

|           |                       | Governor<br>(Chg. to Base) |                         | Jt. Finance/Leg.<br>(Chg. to Gov) |                | <u>Net Change</u>   |  |
|-----------|-----------------------|----------------------------|-------------------------|-----------------------------------|----------------|---------------------|--|
|           | Funding               | Positions                  | Funding                 | Positions                         | Funding        | Positions           |  |
| GPR<br>PR | \$1,430,700<br>22,600 | 0.00 - S                   | \$1,088,500<br>- 22,600 | $2.00 \\ 0.00$                    | \$342,200<br>0 | $2.00 \\ 0.00$      |  |
| Total     | \$1,453,300           |                            | \$1,111,100             | $\frac{0.00}{2.00}$               | \$342,200      | $\frac{0.00}{2.00}$ |  |

**Governor:** Provide \$1,310,300 GPR and \$22,600 PR in 2023-24 and \$120,400 GPR in 2024-25 to fund the administrative costs of implementing the repeal of the personal property tax. The Administration indicates that, of the total funding for this provision, \$20,500 would be provided as ongoing funding for assessor trainings and annual reviews of personal property aid

based on two different assessment years. The remainder would be for one-time costs associated with updating information technology systems and applications for DOR's State and Local Finance Division. [For additional information, see "Shared Revenue and Tax Relief -- Property Taxation."]

**Joint Finance/Legislature:** Provide \$171,100 GPR and 2.0 GPR project positions annually to DOR's state and local finance -- general program operations appropriation to help implement the repeal of the personal property tax. Specify that these project positions would be authorized from July 1, 2023, to June 30, 2025. [For additional information, see "Shared Revenue and Tax Relief -- Property Taxation."]

## 10. MANUFACTURING PROPERTY ASSESSMENT SPECIALISTS [LFB Paper 673]

|                    | Governor<br><u>(Chg. to Base)</u>        |           | Jt. Finance/Leg.<br>(Chg. to Gov)              |                                   | <u>Net Change</u> |   |
|--------------------|--|-----------|--|-----------------------------------|-------------------|---|
|                    | Funding                                  | Positions | Funding  | Positions                         | Funding           | Positions   |
| GPR<br>PR<br>Total | \$311,200<br><u>311,200</u><br>\$622,400 | 2.00      | - \$311,200<br><u>- 311,200</u><br>- \$622,400 | - 2.00<br><u>- 2.00</u><br>- 4.00 | \$0<br>_0<br>\$0  | $     \begin{array}{r}       0.00 \\       \underline{0.00} \\       0.00     \end{array}   $ |

**Governor:** Provide \$140,100 GPR and \$140,100 PR in 2023-24 and \$171,100 GPR and \$171,100 PR in 2024-25 and 2.00 GPR and 2.00 PR positions annually to ensure more timely and accurate manufacturing property assessments under current law. The Administration indicates that recent increases in workloads and decreases in available resources prevent DOR from meeting its statutory five-year review period for state-assessed manufacturing properties. DOR states that the four property assessment specialists provided under the Governor's budget would allow DOR to conduct more field audits each year to meet (or exceed) the required five-year review schedule.

Joint Finance/Legislature: Provision not included.

## 11. LOCAL GOVERNMENT SERVICES BUREAU [LFB Paper 673]

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|-------------|---|-----|----------------------------|
| GPR | \$149,200    | 1.00                                   | - \$149,200 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$67,400 in 2023-24 and \$81,800 in 2024-25 and 1.0 position annually to DOR's Local Government Services Bureau (LGS). According to DOR, the current workload assigned to LGS is beyond its capacity and the Bureau is in need of additional auditors to meet its statutory deadlines related to the administration of shared revenue, property tax credits, county and municipal levy limits, equalized values, and other programs. The Administration indicates that this revenue audit position would improve customer service to local governments and assist in the administration of shared revenue, property tax credits, and other LGS-assigned programs.

Joint Finance/Legislature: Provision not included.

# **12. REPEAL FOOTBALL STADIUM TAX ADMINISTRATION** [PR APPROPRIATION [LFB Paper 674]

- \$105,000

**Joint Finance/Legislature:** Delete \$52,500 annually to eliminate funding associated with DOR's collection of taxes -- administration of local professional football stadium district taxes appropriation, and repeal the appropriation on the effective date of the bill.

[Act 19 Sections: 155,170, and 352]

#### **13. ADMINISTRATION OF MUNICIPALITY TAXES APPROPRIATION**

**Joint Finance/Legislature:** Create a PR appropriation under DOR for the administration of municipal (City of Milwaukee) sales and use taxes. Under separate provisions of the bill, 1.75% of the taxes collected under a newly-created shared revenue and tax relief municipality (City of Milwaukee) taxes appropriation are credited to DOR's appropriation. Specify that any unencumbered balance in DOR's appropriation would be transferred to the general fund at the end of each fiscal year. [For additional information, see "Shared Revenue and Tax Relief -- Local Revenue Options."]

Veto by Governor [D-28]: Delete the specification that any unencumbered balance in DOR's appropriation would be transferred to the general fund at the end of each fiscal year. Consequently, any unencumbered balance would remain unspent in the appropriation account.

[Act 19 Section: 156]

[Act 19 Vetoed Section: 156]

## **Regulation of Alcohol, Tobacco, Nicotine Products, and Vapor Products**

#### 1. WINE SALES IN PUBLIC PARKS

**Governor:** Permit municipalities and counties to sell wine in its public parks without an alcohol beverage license. Under current law, no person may sell alcoholic beverages to a consumer without holding the appropriate license, permit, or authorization issued under Chapter 125 of the Wisconsin Statutes. However, certain exceptions in state law waive the requirement to hold a license or permit. An exception currently applies for sales of fermented malt beverages (beer) in any public park operated by a county or municipality, if the beer is sold by officers or employees of the county or municipality under an ordinance, resolution, rule, or regulation enacted by the governing body. This bill would expand the current law exception to include sales of wine in public parks. This provision would take effect on the bill's effective date.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. CLOSING HOURS DURING REPUBLICAN NATIONAL CONVENTION

**Governor:** Allow certain southeast Wisconsin municipalities to authorize extended closing hours for alcohol beverage retailers operating under Class "B", "Class B", or "Class C" licenses during the 2024 Republican National Convention in Milwaukee.

Class "B" licenses permit the retail sale of beer for consumption both on and off the premises, while "Class B" licenses permit the retail sale of intoxicating liquor, including wine and hard cider, by the glass, for consumption on the premises where sold. Under certain circumstances, "Class B" licenses permit the retail sale of intoxicating liquor for consumption off the premises. "Class C" licenses are issued to restaurants to permit the retail sale of wine for consumption on the premises.

Under current law, premises operating under Class "B", "Class B", or "Class C" licenses are generally required to close between the hours of 2:00 a.m. and 6:00 a.m. on weekdays, and between the hours of 2:30 a.m. and 6:00 a.m. on Saturday and Sunday. Under the bill, a southeast Wisconsin municipality may adopt a resolution allowing authorized Class "B", "Class B", and "Class C" license holders within the municipality to extend closing hours from July 15 through July 19, 2024 (during the 2024 Republican National Convention). A "southeast Wisconsin municipality" would mean any city, village, or town located, in whole or in part, within one of the following counties: Kenosha; Racine; Walworth; Rock; Milwaukee; Waukesha; Jefferson; Dane; Ozaukee; Washington; Dodge; Columbia; Sheboygan; or Fond du Lac. For any southeast Wisconsin municipality that adopts a resolution allowing extended closing hours, the closing hours would be between 4:00 a.m. and 6:00 a.m. The bill specifies that municipalities adopting such resolutions would have to establish an application process to authorize alcohol beverage retailers holding Class "B", "Class B", and "Class C" licenses to extend their closing hours.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **3.** MINIMUM AGE FOR CIGARETTES, NICOTINE, TOBACCO, AND VAPOR PRODUCTS

**Governor:** Raise the Wisconsin minimum age for the purchase and sale of cigarettes, tobacco products, and nicotine products from 18 to 21. The bill would impose the same minimum age for the purchase and sale of vapor products.

Under Wisconsin law, purchases of cigarettes, tobacco products, and nicotine products by persons under the age of 18 (underage person) are prohibited. Similarly, the sale or gift of such products to underage persons is prohibited, as is the purchase of these products on behalf of such persons. Under laws governing the direct marketing of cigarettes, certain provisions apply for direct marketers to ensure that the purchaser is at least 18 years of age.

An underage person who is at least 15 years of age may attempt to purchase a cigarette, nicotine product, or tobacco product with the permission of his or her parent or guardian under current law, provided such an attempt is made during an authorized compliance investigation concerning sales to underage persons. Additionally, a person under the age of 18 may purchase such products for the sole purpose of resale in the course of employment, during working hours, if employed by a retailer.

However, on December 20, 2019, the federal minimum age for the purchase of cigarettes, tobacco products, and vapor products was raised from 18 to 21, making it illegal under federal law for Wisconsin retailers to sell such products to anyone under age 21. Therefore, the Governor's recommendation would codify the federal minimum age in state law.

The bill would prohibit individuals under the age of 21, rather than 18, from purchasing cigarettes, tobacco products, and nicotine products, and would also prohibit such individuals from purchasing vapor products. The bill would similarly prohibit the sale or gift of such products to, and purchases of such products on behalf of, persons under 21 years of age. Such products in the possession of persons under the age of 21 would be subject to seizure by a law enforcement officer. Current law provisions regarding the sale of such products in the presence of underage persons would be modified to include the sale of vapor products, and the presence of persons under the age of 21. In addition, under laws governing restrictions on the sale or gift of cigarettes, nicotine products, or tobacco products, a retailer would include a person who sells vapor products to any person not holding a cigarette and tobacco product retailer license or a tobacco product distributor permit.

Current law provisions governing the direct marketing of cigarettes would be updated to comport with the new minimum age requirements under the bill. The bill would also modify current law provisions concerning compliance investigations to reflect the new minimum age of purchase and sale under the bill, and would add vapor products to the list of products for which such investigations can be conducted. Finally, the bill would modify current law requirements regarding the posting of signs or notices by retailers and vending machine operators, compliance training for employees of cigarette and tobacco products retailers, and defense to a prosecution in cases of sales to underage persons, to also apply to vapor products and to conform with the new minimum age of purchase and sale under the bill.

These provisions would first apply to the following on the bill's effective date: (a) purchases, attempts to purchase, possession, and false representations of age for the purpose of receiving any cigarette, nicotine product, tobacco product, or vapor product by persons under 21 years of age; and (b) sales or the provision of cigarettes, nicotine products, tobacco products, or vapor products to persons under 21 years of age. The Administration indicates that the effect of this provision on general fund tax revenues would be minimal.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **Lottery Administration**

#### 1. LOTTERY SALES PROJECTIONS

**Governor:** Project sales of \$912.1 million annually, including 2022-23. Projected lottery sales provide the basis for estimating the lottery and gaming property tax credit in the next biennium. In addition, the projected sales directly affect appropriations for retailer compensation and lottery vendor fees. The Governor's 2023-25 projected sales are based on sales models utilized by DOR to estimate both lotto (on-line) and instant ticket games.

**Joint Finance/Legislature:** Reestimate 2022-23 lottery sales to \$979.7 million, compared to \$912.1 million under earlier projections, to reflect recent sales experience. Retain the sales estimate for the 2023-25 biennium at \$912.1 million annually. The following table shows these projections, as well as 2021-22 actual lottery sales.

## Lottery Sales Projections (\$ in millions)

| Game Type                    | Actual<br>2021-22              | Estimated 2022-23              |                                | % Change<br>from 2022-23     |                                | % Change<br><u>from 2023-24</u> |
|------------------------------|--------------------------------|--------------------------------|--------------------------------|------------------------------|--------------------------------|---------------------------------|

### 2. LOTTERY FUND CONDITION STATEMENT [LFB Paper 675]

**Governor:** The total revenue available for tax relief, minus a statutory reserve (2% of gross revenue) and the amount appropriated for the lottery and gaming credit late applications payments, determines the amount available for the lottery and gaming tax credit. The following fund condition statement provides information on operating revenues, appropriated amounts for expenditures, estimates of interest earnings and gaming-related revenue, and the amounts available for tax relief credits under the bill. The bill would appropriate \$299,700,700 in 2023-24 and \$297,926,900 in 2024-25 for both the lottery and gaming credit and the late applications lottery and gaming credit.

|   | Projected<br><u>2023-24</u>  | Projected<br><u>2024-25</u>   |

\*Opening balance, net proceeds, interest earnings, and gaming-related revenue.

**Joint Finance/Legislature:** Modify the lottery fund condition statement to reflect an estimated 2023-24 opening balance of \$43,939,100 as a result of higher sales in 2022-23, as well as the following items, described in further detail below: (a) an increase in SEG expenditures of \$125,200 in 2023-24 and \$165,100 in 2024-25 associated with the provision of additional positions; and (b) an increase of \$15,849,800 GPR annually for lottery expenditures and corresponding deceases in SEG lottery expenditures; and (c) a decrease in SEG expenditures of \$94,000 annually to reflect standard budget adjustments for turnover reduction. As a result of these changes, total funding for the lottery and gaming credit, including late applications, would be \$338,875,800 in 2023-24 and \$312,640,000 in 2024-25.

|   | <u>2023-24</u> | 2024-25       |

## 3. LOTTERY RETAILER COMPENSATION AND VENDOR FEES [LFB Paper 675]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| GPR   | \$0                        | \$31,699,600                      | \$31,699,600 |
| SEG   | 19,215,600                 | - 31,699,600                      | - 12,484,000 |
| Total | \$19,215,600               | \$0                               | \$19,215,600 |

**Governor:** Provide \$7,061,800 annually for retailer compensation and \$2,546,000 annually for vendor fees associated with increases in estimated lottery sales. This would increase SEG funding for vendor fees to \$3,483,000 annually and SEG funding for retailer compensation to \$12,366,800 annually. In addition to the sum sufficient SEG appropriations for retailer

compensation and vendor fees, two separate GPR appropriations also provide funding for these purposes.

Basic retailer compensation is established by statute at 5.5% of the retail price of lotto lottery tickets and 6.25% of the retail price of instant tickets sold by the retailer. In addition, the retailer performance program provides an amount of up to 1% of gross lottery sales as incentive payments to retailers. Vendor fees are paid under a major procurement contract for the provision of data processing services to both the lotto and instant lottery games.

**Joint Finance/Legislature:** Modify the proposed funding to instead provide \$12,366,800 annually to DOR's sum certain GPR appropriation for lottery retailer compensation and \$3,483,000 annually to DOR's sum certain GPR appropriation for lottery vendor fees. Make a corresponding decrease to DOR's sum sufficient SEG appropriations for lottery retailer compensation lottery vendor fees. These adjustments would convert all base SEG funding for retailer compensation and vendor fees to instead by funded with GPR, and provide additional GPR to reflect the higher costs of retailer compensation and vendor fees associated with estimates sales in the biennium.

## 4. LOTTERY DRAW STAFF [LFB Paper 675]

|     | Funding  | Positions |
|-----|----------|-----------|
| SEG | \$99,300 | 1.00      |

**Governor/Legislature:** Provide \$42,600 in 2023-24 and \$56,700 in 2024-25 and 1.0 positon to the Lottery Division's SEG

general operations appropriation to assist with both the increased number of lotto games and the mid-day draws that have been implemented for several lotto games.

## 5. LOTTERY INVESTIGATORS [LFB Paper 675]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| SEG | \$494,700  | 3.00 | - \$329,800   | - 2.00 | \$164,900                              | 1.00 |

**Governor:** Provide \$214,200 in 2023-24 and \$280,500 in 2024-25 and 3.0 positions to the Lottery Division's SEG general operations appropriation to enhance efforts to maintain the security and integrity of the lottery.

**Joint Finance/Legislature:** Reduce the funding and positions to instead provide \$71,400 in 2023-24 and \$93,500 in 2024-25 and 1.0 position to the Lottery Division's SEG general operations appropriation for an additional lottery investigator.

## 6. LOTTERY CONTRACTOR POSITION

|     | Funding  | Positions |
|-----|----------|-----------|
| SEG | \$26,100 | 0.20      |

Joint Finance/Legislature: Provide \$11,200 in 2023-24 and

\$14,900 in 2024-25 and 0.2 of a position to the Lottery Division's SEG general operations appropriation to supplement an existing 0.8 FTE position for a retailer services specialist.

## SAFETY AND PROFESSIONAL SERVICES

**Governor:** Increase funding by \$310,300 (-\$16,800 FED and \$327,100 PR) and delete 2.0 PR positions in 2023-24, and provide \$279,600 (-\$16,800 FED and \$296,400 PR) and delete 2.0 PR positions in 2024-25 to reflect the net effect of the following standard budget adjustments: (a)

turnover reduction (-\$351,400 PR annually); (b) removal of non-continuing elements (-\$145,800 PR and -2.0 PR positions in 2023-24 and -\$176,700 PR and -2.0 PR positions in 2024-25); (c) full funding of continuing position salaries and fringe benefits (-\$16,800 FED and \$897,500 PR annually); and (d) full funding of lease and directed moves costs (-\$73,200 PR in 2023-24 and -\$73,000 PR in 2024-25).

**Joint Finance/Legislature:** Increase the turnover reduction rate from 3% to 5% and decrease standard budget adjustments by -\$234,100 PR in each year for this purpose.

### 2. SYSTEM PLATFORMS SUBSCRIPTIONS AND MAINTE-NANCE [LFB Papers 680 and 681]

**Governor/Legislature:** Provide \$2,117,900 in 2023-24 and \$2,234,500 beginning in 2024-25 for the following system platforms subscriptions and maintenance: (a) \$1,760,700 in 2023-24 and \$1,813,600 in 2024-25 for various software subscriptions and maintenance for LicensE components required for operation of the system for health and business occupation credentialing; (b) \$135,800 in 2023-24 and \$139,900 in 2024-25 for the software subscriptions and maintenance fees of the Electronic Safety and Licensing Application (eSLA) for safety and building plan reviews and permitting; and (c) \$221,400 in 2023-24 and \$281,000 in 2024-25 for a variety of software subscriptions and maintenance, including for electronic forms, call center functions, and other DSPS internal operations.

# 3. DIVISION OF ENTERPRISE TECHNOLOGY CONSULTING SERVICES [LFB Paper 682]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|----|----------------------------|-----------------------------------|-------------|
| PR | \$2,480,200                | - \$575,600                       | \$1,904,600 |

**Governor:** Provide \$1,208,500 in 2023-24 and \$1,271,700 in 2024-25 to support costs charged by the Division of Enterprise Technology (DET) in the Department of Administration (DOA), which provides information technology (IT) functions to DSPS. These amounts would include ongoing funding of \$283,600 in 2023-24 and \$292,000 beginning in 2024-25, and one-time funding of \$924,900 in 2023-24 and \$979,700 in 2024-25 to address IT programming enhancements, process improvements, and deployment of statewide projects to be adopted by all agencies' public-facing services.

**Joint Finance/Legislature:** Modify provision to authorize one-time funding of \$924,900 in 2023-24 and \$979,700 in 2024-25 for IT programming enhancements, process improvements, and deployment of statewide projects for public-facing services.

#### 4. EQUIPMENT AND SOFTWARE UPGRADES [LFB Paper 681] PR

\$445,800

**Governor/Legislature:** Provide \$219,700 in 2023-24 and \$226,100 in 2024-25 as one-time funding for equipment updates. Funding is intended to support replacement of agency equipment that has become obsolete or otherwise reached the end of its functionality.

## 5. PAY INCREASES FOR CRITICAL POSITIONS [LFB Paper 220]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| FED   | \$44,000                   | - \$44,000                        | \$0        |
| PR    | 572,300                    | - 572,300                         | 0          |
| Total | \$616,300                  | - \$616,300                       | \$0        |

**Governor:** Provide \$313,900 in 2023-24 (\$291,500 PR and \$22,400 FED) and \$302,400 in 2024-25 (\$280,800 PR and \$21,600 FED) to support salary and fringe increases for permanent and project positions in the license and permit program associate or office operations associate groups in DSPS. Increases would affect an estimated 42.0 positions and in most instances be \$6,480 per year, per position.

**Joint Finance/Legislature:** Modify provision to instead provide funding to compensation reserves in the amounts included in AB 43/SB 70, less a 5% reduction associated with a higher than usual level of position vacancies, to continue supplemental pilot add-on pay to address severe recruitment and retention issues. [See "Budget Management and Compensation Reserves."]

## 6. MILITARY PATHWAYS GRANT PROGRAM

\$100,000

PR

**Governor/Legislature:** Provide \$50,000 each year in one-time funding to continue the Military Pathways Grant Program, by which military training may be creditable or transferrable to credentials for certain civilian jobs. The program was created under 2021 Act 58, which provided \$50,000 each year in one-time funding. Eligible applicants include colleges, universities, apprenticeship programs, or other entities that create curricula to connect existing military training with licensed civilian occupations. DSPS reports that Milwaukee Area Technical College received the grant in 2021-22 to hire a part-time veterans project specialist position to assist in transferring military training and credentials to college transcripts.

## 7. EQUITY OFFICER POSITION

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|----|--|------|---|--------|--|------|
| PR | \$85,900   | 0.50 | - \$85,900  | - 0.50 | \$0                                    | 0.00 |

Governor: Provide \$37,600 in 2023-24 and \$48,300 in 2024-25 and 0.5 position annually

to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 8. LICENSURE FOR UNDOCUMENTED PERSONS

**Governor:** Provide that an individual that is not a U.S. citizen may receive a license, credential, permit, certification, or other work-related approvals, so long as a person meets all other requirements or qualifications for the approval being sought. Under federal law, certain persons who are not U.S. citizens may not receive "state or local public benefits," including professional occupational or commercial licenses or credentials. However, federal law also allows states to enact a law specifically authorizing the receipt of such benefits by persons otherwise presumed to be ineligible.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 9. **REVIEW OF VIOLATIONS RECORDS**

**Governor:** Specify that DSPS, at its discretion, may choose not to investigate the following types of violations when determining applicant eligibility for licensure: (a) first-offense violations of operating vehicles or machinery while intoxicated that occurred more than five years prior to application; (b) certain violations of trying to procure alcohol under the age of 21; and (c) minor, nonviolent ordinance violations as determined by DSPS. Authorize DSPS to promulgate emergency rules to implement the provision, and specify rules remain in effect until the sooner of July 1, 2025, or permanent rules taking effect.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **10. LICENSE PORTABILITY**

**Governor:** Specify that DSPS and its affiliated credentialing boards may promulgate rules to facilitate enhanced credential portability and paths to credentialing for internationally trained professionals and increased license reciprocity. Under current law, reciprocal licensing is provided for certain professions, and the statutes in general specify that DSPS may recognize credentials from another state only if the education, experience, and examination requirements are at least equivalent to those of Wisconsin license holders. Rules promulgated would be required to comport with existing statutory provisions.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. EROSION REMEDIATION ASSISTANCE FOR THE DE GPR PERE GREENWOOD CEMETERY

\$1,000,000

**Joint Finance/Legislature:** Provide \$1,000,000 in 2023-24 for erosion remediation at De Pere Greenwood Cemetery. Require DSPS to distribute the funds to the De Pere Greenwood Cemetery Association, with approval from the state Cemetery Board, from the DSPS general operations appropriation.

[Act 19 Section: 9138(1)]

#### **12. DELETE VACANT POSITIONS**

**Joint Finance/Legislature:** Delete a 0.25 financial specialist PR position that has been vacant for longer than 18 months.

#### License Processing Staff -- Governor's Recommendation

As of February 1, 2023, DSPS has assigned 64.0 positions to its Division of Professional Credential Processing. This includes 42.0 license permit program associates of various classes, 8.0 office operations associates, 4.0 attorneys, 3.0 paralegals, 3.0 program and policy analysts, 3.0 records management supervisors, and 1.0 division administrator.

**Joint Finance/Legislature:** Provide 6.0 license processing positions with \$359,400 in 2023-24 and \$462,600 in 2024-25, including 4.0 for health professions and 2.0 for business and trades. Provide 1.0 paralegal with \$57,000 in 2023-24 and \$73,400 in 2024-25. Specify that the positions are four-year project positions.

## 2. CALL CENTER STAFF [LFB Paper 686]

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions | <u>Net Cl</u><br>Funding P |      |
|----|--|---|----------------------------|------|
| PR | \$1,811,300 14.00 - 5                                  | \$1,047,400 - 8.00  | \$763,900                  | 6.00 |

**Governor:** Provide ongoing funding of \$793,000 in 2023-24 and \$1,018,300 in 2024-25 with 14.0 office operations associate permanent positions to provide additional customer service call center staff within the DPCP Customer Service Center (CSC). DSPS reports CSC is assigned 6.0 office operations associates and 1.0 supervisor. The agency reports it has also utilized limited-term employees and has contracted 20 additional employees through a third-party company using funds from the federal American Rescue Plan Act (ARPA). The Administration would assign state-funded staff to handle ongoing call volumes once federal ARPA funds have been exhausted.

**Joint Finance/Legislature:** Provide 6.0 office operations associate positions for the Customer Service Center, with funding of \$327,400 in 2023-24 and \$436,500 in 2024-25. Specify that the positions are two-year project positions and the funding is one-time.

### **3. BOARD SUPPORT STAFF** [LFB Paper 687]

|    | (Chg        | vernor<br><u>to Base</u><br>Positior |               | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|-------------|--------------------------------------|---------------|---|-----|----------------------------|
| PR | \$1,730,600 | 10.00                                | - \$1,730,600 | - 10.00                                 | \$0 | 0.00                       |

**Governor:** Provide ongoing funding of \$753,700 in 2023-24 and \$976,900 in 2024-25 with 9.0 permanent positions and 1.0 two-year project position to provide existing and new credentialing boards with policy, legal, and administrative services.

The following table shows how these additional positions would be allocated within the Department, the types of positions that would be provided, and the funding that would be budgeted to support these positions in 2023-24 and 2024-25.

|   |           | Fun            | <u>iding</u> |

|   |           |                |              |

#### **Board Support Staff -- Governor's Recommendation**

\*Two-year project position

#### Joint Finance/Legislature: Provision not included.

## 4. LICENSE NAVIGATORS

|    | (Chg.     | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|-----------|--|-------------|---|-----|----------------------------|
| PR | \$256,200 | 2.00                                   | - \$256,200 | - 2.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$113,200 in 2023-24 and \$143,000 in 2024-25 with 2.0 PR positions to create license navigator positions. The Administration indicates that these positions would be intended to help individuals, employers, and higher education institutions better understand and complete the credentialing process, as individuals applying for licensure may experience varying degrees of complexity in the processes depending on their backgrounds and circumstances. The Administration would intend for navigators to attend conferences and career fairs, develop training programs on licensing protocols, or to otherwise educate future applicants and stakeholders on the licensing process.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. LICENSURE ATTAINMENT AND FLEXIBILITY SPECIALISTS [LFB Paper 688]

|    | (Chg.     | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|-----------|--|-------------|---|-----|----------------------------|
| PR | \$776,100 | 5.00                                   | - \$776,100 | - 5.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$341,200 in 2023-24 and \$434,900 in 2024-25 with 5.0 positions to create license attainment specialists. The Administration indicates that the positions would be intended to enhance licensure opportunity in Wisconsin through multistate compacts and reciprocity agreements. DOA indicates that 1.0 position would work on licensure compact development with the various credentialing boards, 1.0 would research and facilitate credentialing for persons trained internationally in healthcare fields, and 3.0 would expedite licensing decisions for applicants who already held credentials in other states.

Joint Finance/Legislature: Provision not included.

#### 6. **PROGRAM REVENUE RETENTION** [LFB Paper 689]

| (                 | Governor<br>Chg. to Base)  | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------------------|----------------------------|-----------------------------------|------------|
| PR                | \$3,543,600                | - \$3,543,600                     | \$0        |
| GPR-REV<br>PR-REV | - \$3,543,600<br>3,543,600 | \$3,543,600<br>- 3,543,600        | \$0<br>0   |

**Governor:** Eliminate the statutory requirement that DSPS must transfer 10% of revenues from health and business credentialing fees and educational approval fees to the general fund. The Administration estimates that \$1,771,800 annually would be retained as program revenues, rather than transferred to the general fund. The bill would increase the DSPS general operations appropriation for health and business occupational credentialing by the same amount.

Joint Finance/Legislature: Provision not included.

## 7. **PRESCRIPTION DRUG MONITORING PROGRAM** [LFB PR \$1,115,200 Paper 690]

**Governor:** Provide \$253,800 in 2023-24 and \$861,400 in 2024-25 in ongoing funding for software improvements, electronic health records integration, and recurring licensing costs for the state's electronic Prescription Drug Monitoring Program (ePDMP). The ePDMP is an online opioid database used by approximately 70,000 registered users, including Wisconsin pharmacy staff, healthcare professionals, law enforcement agencies, and public health officials to prevent opioid abuse in the state. Originally created by 2009 Wisconsin Act 362, the program's development and deployment was funded by various federal grants.

DSPS funds the ePDMP with the agency's health and business professions general program operations PR appropriations. Recent improvements to the ePDMP were made using funds from the federal Harold Rogers PDMP Grant Program, including \$1.9 million in 2019-20 and \$1.6 million in 2020-21. An award of \$1.4 million was granted to Wisconsin in 2021-22.

**Joint Finance/Legislature:** Modify provision to specify funding is on a one-time basis in the 2023-25 biennium.

## 8. RENEWAL DATES AND NURSING WORKFORCE SURVEY

**Governor:** Eliminate the statutory renewal dates for health and business professions under s. 440.08 (2) (a) of the statutes, effective six months following the bill's effective date. Direct DSPS, in collaboration with credentialing boards, to establish new renewal cycles, and authorize DSPS to stagger renewal cycles among credential holders. Require DSPS and credentialing boards to notify credential holders of any newly established dates. Allow the Department and credentialing boards to establish a process to transition credential holders from previous renewal cycles to those newly established, and authorize the Department to adjust renewal fees if the biennial fee-setting process is not revised prior to a new credential fee taking effect.

In certain instances, the provision would delete statutory maximum credential lengths, or the number of times a credential may be renewed, and authorize the Department to establish those limits. Those instances include: (a) for private detectives, a two-year maximum credential term; (b) for substance abuse counselors in training, clinical supervisor counselors in training, or prevention specialists in training, a maximum of two renewals; and (c) for athlete agents, a certificate of registration being valid for two years. *Continuing Education.* Allow DSPS and its credentialing boards to adjust or prorate continuing education requirements and to establish interim continuing education or other reporting requirements as needed to align with the new renewal cycles. In certain instances, a number of continuing education credits or hours specified by statute for a two-year credential cycle would be specified as the minimum, maximum, or designated number of credits or hours required over any two-year period.

For certain professions, the bill would require a two-year period in which no continuing education would be required for newly credentialed persons, including for home inspectors, chiropractors, dental hygienists, dentists, dental therapists, pharmacists, psychologists, nursing home administrators, hearing instrument specialists, and speech-language pathologists and audiologists. The provision would be generally consistent with current allowances for a two-year waiver of continuing education for new credential holders in their first term. A waiver of continuing education requirements would be at the discretion of the board for genetic counselors.

*Nursing Workforce Survey.* Repeal the requirement that registered nurses or licensed practical nurses must submit a nursing workforce survey with every license renewal application as a condition of the renewal. Instead require that a survey be completed biennially by nurse licensees.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 9. CONTINUING EDUCATION CERTIFICATION FOR PR \$100,000 REALTORS

**Governor/Legislature:** Provide \$100,000 in one-time funding in 2023-24 to support the Wisconsin Realtors Association in the establishment of continuing education requirements for realtors in the state.

#### 10. ADVANCED PRACTICE REGISTERED NURSING

**Governor:** Authorize individuals to obtain advanced practice registered nursing (APRN) licenses in Wisconsin by: (a) creating licensure requirements; (b) specifying conditions under which APRNs may practice; (c) defining the scope of practice for APRNs; (d) specifying the settings where APRNs may practice; and (e) providing new responsibilities to the Nursing Board relating to the regulation of APRNs. Under current law, the Nursing Board licenses and regulates various classes of nurses. The current statutes contain limited references to licensure of advanced practice registered nurses. In general terms, an APRN would have a broader range of practice and more advanced educational requirements than a registered nurse or licensed practical nurse. The bill would implement provisions of 2021 Assembly Bill 396/Senate Bill 394.

#### **Licensure Requirements**

*Application*. Require the Board of Nursing to grant an APRN license to an individual who satisfies the following criteria: (a) submits an application for the license to the Department; (b) pays the applicable license fee; and (c) possesses malpractice liability insurance. The bill would

also require persons to submit evidence satisfactory to the Board that the individual: (a) has completed an accredited graduate-level or postgraduate-level education program preparing the person to practice as an APRN in one of the four recognized roles, described in a subsequent paragraph, and holds a current national certification approved by the Board; or (b) on January 1, 2023, was licensed as a registered nurse (RN) in Wisconsin, practicing in one of the four recognized roles, and satisfied additional practice or education criteria established by the Board. A person could also receive an APRN license if certified to issue prescription orders as of the effective date of the provision. Further, licensed nurse-midwives could also be issued an APRN license if so licensed on the day prior to the provision's effective date.

The bill would require the Board, upon granting an individual an APRN license, to also grant the person one or more specialty designations corresponding to the recognized role or roles for which the person qualifies. The four recognized APRN roles are: (1) nurse-midwife; (2) nurse anesthetist; (3) clinical nurse specialist; and (4) nurse practitioner. The bill would limit the use of these titles to persons with an APRN license and the appropriate specialty designation. The bill would also replace numerous instances in the statutes of references to these occupations with the term for an APRN.

*Continuing Education, License Renewal and Other Terms.* The bill would require all APRNs to complete 16 contact hours in each biennium in clinical pharmacology or therapeutics relevant to the APRN's area of practice and to satisfy certain other requirements when renewing a license. Under the provision, the Board would be required to grant a renewal of both an RN license and the person's APRN license. Applicants renewing both registered nurse and advanced practice registered nurse licenses would only be required to pay a single fee.

## **Scope of Practice**

*General Practice*. Under the provision, all APRNS except certified nurse-midwives would be required to practice in collaboration with a physician or dentist. APRNs with at least 3,840 hours of professional nursing practice in a clinical setting, and while working with a physician or dentist during those 3,840 hours, could practice without being supervised by a physician or dentist and upon verification by the Board of Nursing of the clinical hours. Hours practiced in Wisconsin or outside the state could be credited.

The bill would specify an APRN must adhere to professional standards when managing situations that were beyond their expertise, including by consulting with a physician or other provider with a suitable scope of practice to address patient needs. An APRN would be allowed to delegate a task or order to another clinically trained health care worker if the task or order was within the scope of the APRN's practice, the APRN was competent to perform the task or issue the order, and the APRN had reasonable evidence that the health care worker was minimally competent to perform the task or issue the order under the circumstances.

*Practice of Nurse-Midwifery*. APRNs with a certified nurse-midwife specialty designation would be required, if offering to deliver babies outside of a hospital setting, to file and keep current with the Board a proactive plan for involving a hospital or a physician who had admitting privileges at a hospital in the treatment of patients with acute or emergency care needs that exceed the APRN's scope of expertise and practice. The bill would direct nurse-midwives to perform tests for

congenital and metabolic disorders in infants and to assess infants for shaken baby syndrome.

*Prescribing Authority.* The bill would generally authorize APRNs to issue prescription orders. A person who is certified to issue prescription orders under current law is automatically granted an APRN license with his or her appropriate specialty designation. RNs who are practicing in a recognized role on January 1, 2023, but who do not hold a certificate to issue prescription orders on that date and who are granted an APRN license under the bill would not be permitted to issue prescription orders. Also, an APRN would be authorized to provide pain management services if collaborating or practicing under the supervision of a physician with training, education, and experience in that practice, unless the APRN had otherwise qualified for independent practice, as described separately.

*Malpractice Liability Insurance*. The bill would require all APRNs to maintain malpractice liability insurance in coverage amounts specified under current law for physicians and nurse anesthetists. APRNs qualified to practice independently and who practice outside a collaborative or employment relationship, but not including those APRNs who only practice as a certified nurse-midwife, would be required to participate in the Injured Patients and Families Compensation Fund. The Injured Patients and Families Compensation Fund provides excess medical malpractice coverage for health care providers who participate in the fund and meet other participation requirements.

#### **Other Provisions**

*Related Statutory Changes.* The bill would allow APRNs to engage in practices or actions consistent with current requirements for included recognized specialties. These would include: (a) issuing disability assessments of persons in the state for purposes of disability license plates, fishing and hunting approvals, or worker's compensation benefits; (b) maintaining records of patient sexually transmitted illness (STI); (c) communicating confidentially with residents of nursing homes or community-based residential facilities; (d) directing the use of physical or chemical restraints for residents of nursing homes or community-based residential facilities; (e) testifying to the results of physical examinations in courts of law; (f) providing written statements to excuse children from school due to illness, injury, or other issues precluding the children from school attendance; (g) conferring with courts regarding confinement or detainment of individuals deemed threats to themselves or others; (h) disclose infection statuses of deceased patients if coroners, medical examiners, or other medical assistants are at risk of exposure to certain diseases by the deceased patients; (i) administering epinephrine auto-injectors or prefilled syringes; and (j) making therapeutic alternate drug selections for patients in and outside of prisons.

Additionally, the bill would amend sales tax provisions to incorporate the APRN designation regarding an exemption for drugs dispensed to health care practitioners, provided the substance is not available without a prescription.

*Board of Nursing*. The Board would be required to promulgate rules to implement APRN licensing, including specifying: (a) further provisions on scope of practice; (b) recognized national certifications; (c) training and educational requirements; (d) drugs APRNs would not be authorized to prescribe; and (e) standards of professional conduct.

*Effective Date*. Specify the provisions would take effect on the first day of the 13th month beginning after publication.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 11. DENTAL THERAPISTS

**Governor:** Authorize individuals to practice dental therapy in Wisconsin by: (a) creating licensure requirements; (b) specifying conditions under which dental therapy can be practiced; (c) defining the scope of practice for dental therapists; (d) specifying the settings where a dental therapist may practice; and (e) providing new responsibilities to the Dentistry Examining Board relating to the regulation of dental therapists. Under current law, the Board licenses and regulates dentists and dental hygienists. The current statutes contain no references to the practice of dental therapy. In general terms, a dental therapist would have a broader scope of practice than a dental hygienist, but not the full authority granted to a dentist. The recommendations described in the subsequent sections would mostly enact provisions of 2021 Assembly Bill 169/Senate Bill 181.

#### **Initial Licensure Requirements**

*General Requirements.* Require the Board to grant a license for dental therapy to an individual who satisfies the following criteria: (a) submits an application for the license to the Department; (b) pays the applicable license fee; (c) submits evidence satisfactory to the Board of graduation from a dental therapy program, as described in a separate paragraph; (d) meets examination requirements, as described in a separate paragraph; (e) demonstrates to the Board current proficiency in cardiopulmonary resuscitation (CPR), including the use of an automated external defibrillator achieved by an individual, organization, or institution of higher education to provide such instruction; and (f) completes any other requirements established by the Board by rule that are comparable to, and no more restrictive than, the requirements established by the Board for dentists and dental hygienists. Require an applicant to submit information on licensure in another U.S. state or territory, if required by the Board and the applicant is licensed in another state or territory.

*Dental Therapy Program Graduation*. Require an applicant to have completed one of the following: (a) a dental therapy program accredited by the American Dental Association (ADA) Commission on Dental Accreditation, or a successor entity; (b) a dental therapy education program that was not ADA-accredited at the time of graduation, but was accredited or approved by the Minnesota Board of Dentistry; or (c) a dental therapy program that is not ADA-accredited, but that is approved by the Wisconsin Dentistry Examining Board, if the program is determined to be substantially similar to an ADA-accredited program.

*Examinations*. Require an applicant to: (a) submit evidence satisfactory to the Board that he or she has passed a national dental therapy examination and a dental therapy clinical examination administered by a regional testing service approved by the Board, or, if such an examination does not exist, an alternative examination administered by another entity or testing service approved by the Board; and (b) pass an examination administered by the Board on Wisconsin's statutes and

rules relating to dental therapy.

*Temporary Credentials*. Authorize dental therapists to be issued temporary credentials under current law for persons holding unexpired credentials from a different state, not under disciplinary proceedings in any state, and who have applied for permanent credentials in Wisconsin. Authorize dental therapists licensed outside Wisconsin to be issued 10-day permits to conditionally practice in Wisconsin, without compensation, if the services provided would benefit the welfare of persons in the state.

#### **Continuing Education Requirements**

Provide that, in order to be eligible for renewal of a license, a dental therapist must complete 12 credit hours of continuing education relating to the practice of dental therapy that is sponsored or recognized by a local, state, regional, national, or international dental, dental therapy, dental hygiene, dental assisting, or medical-related professional organization, during the two-year period immediately preceding the renewal date.

Specify that applicants for renewal must maintain current proficiency in CPR, achieved through approved instruction, and that their continuing education may include up to two hours of training in basic life support or CPR. Require that the 12 credit hours include at least two hours of infection control, and courses in any specific clinical subjects established in rule by the Board, in consultation with the Department of Health Services (DHS). Specify that these credit hours may be satisfied by independent study, correspondence, or online courses. Specify that a person may substitute credit hours of college level courses related to dental therapy for the credit hour requirements, and that one credit hour of a college level course is equivalent to six hours of continuing education. Provide that one hour of teaching or preparing a continuing education program is equivalent to one hour of continuing education, but a person preparing a program may obtain credit for that program only once. Authorize the Board to require applicants for a renewal of a license to practice dental therapy to submit proof of compliance with these requirements.

#### **Collaborative Management Agreements**

Specify that, prior to providing any dental therapy services, a dental therapist must enter into a written collaborative management agreement with a qualifying dentist who would serve as the supervising dentist. The agreement must address all of the following: (a) the practice settings where services may be provided and the patient populations that may be served; (b) any conditions or limitations on the services that may be provided by the dental therapist, the level of supervision required, and any circumstances requiring consultation prior to performing services; (c) agespecific and procedure-specific practice protocols; (d) dental record-keeping procedures; (e) plans for managing dental or medical emergencies; (f) a quality assurance plan for monitoring care provided by the dental therapist; (g) protocols for administering and dispensing medications; (h) criteria or protocols relating to the provision of care to patients with specific medical conditions, treatments, or medications; (i) policies relating to supervision of dental hygienists and other staff; (j) a plan for the referral of patients to other dental or health care professionals or clinics when services needed are beyond the scope of practice or authorization of the dental therapist; (k) whether and to what extent the dental therapist may perform nonsurgical extractions, as defined in the bill. Provide that each collaborative management agreement must be limited to covering one qualifying dentist and one dental therapist. Provide that a dental therapist may enter into multiple collaborative management agreements, but that no dentist may have collaborative management agreements with more than four dental therapists at any time.

#### **Scope of Practice**

Allowable Services, Treatments, and Procedures. Specify that the scope of practice of a dental therapist would be limited to providing the following services: (a) oral evaluation and assessment of dental disease and formulation of an individualized treatment plan; (b) identification of oral and systemic conditions requiring evaluation or treatment by dentists, physicians, or other health care providers and managing referrals; (c) comprehensive charting of the oral cavity; (d) oral health instruction and disease prevention education, including nutritional counseling and dietary analysis; (e) exposure and evaluation of radiographic images; (f) dental prophylaxis, including subgingival scaling and polishing procedures; (g) dispensing and administration via the oral or topical route of nonnarcotic analgesic, anti-inflammatory, and antibiotic medications as prescribed by a licensed health care provider; (h) application of topical preventive or prophylactic agents, including fluoride varnish, antimicrobial agents, caries-arresting medicaments, and pit and fissure sealants; (i) pulp vitality testing; (j) application of desensitizing medications or resins; (k) fabrication of athletic mouth guards and soft occlusal guards; (1) changing of periodontal dressing; (m) administration of local anesthetic and nitrous oxide; (n) simple extraction of erupted primary teeth; (o) nonsurgical extraction of periodontally diseased permanent teeth with tooth mobility of +3 to +4 to the extent authorized in the dental therapist's collaborative management agreement, except that "dental therapy" does not include the extraction of a tooth that is unerupted, impacted, or fractured or that needs to be sectioned for removal; (p) emergency palliative treatment of dental pain; (q) preparation and placement of direct restoration in primary and permanent teeth; (r) fabrication and placement of single-tooth temporary crowns; (s) preparation and placement of preformed crowns on primary teeth; (t) indirect and direct pulp capping on permanent teeth; (u) indirect pulp capping on primary teeth; (v) intraoral suture placement and removal; (w) minor adjustment and repair of removable prostheses; (x) placement and removal of space maintainers; (y) pulpotomy on primary teeth; (z) tooth reimplantation and stabilization; (aa) recementing of a permanent crown; and (ab) any additional services, treatments, or procedures specified in the rules promulgated by the Board.

In addition to specifying these procedures and practices, require that a dental therapist practice those services, treatments, and procedures covered by the dental therapy education program from which the person graduated, or within any subsequent dental therapy education training.

Level of Supervision. Specify that a dental therapist may provide services only under the direct or indirect supervision of a dentist with whom the dental therapist has entered into a collaborative management agreement. "Direct supervision" would be defined as the dentist being present in the dental office or practice setting, personally diagnosing the condition to be treated, authorizing each procedure, and evaluating the dental therapist's performance prior to the patient's departure. "Indirect supervision" would be defined as the dentist being present in the office or practice setting, authorizing a procedure, and remaining in the office for the duration of the procedure.

Authorize a dental therapist to provide services under general supervision of the dentist, and under a collaborative management agreement, upon completion of 2,000 hours of practice under direct or indirect supervision. "General supervision" would be tasks or procedures performed by a dental therapist with the prior knowledge and consent of the dentist, but not requiring the presence of the dentist in the office or on the premises at the time a task or procedure is being performed by the dental therapist. General supervision would not require prior examination or diagnosis of a patient by the dentist before the dental therapist provides services to the patient.

Specify that a supervising dentist must accept responsibility for all services performed by a dental therapist pursuant to a collaborative management agreement and that if services needed by a patient are beyond the dental therapist's scope of practice or authorization under the collaborative management agreement, the dental therapist must consult with the supervising dentist as needed to arrange for those services to be provided by a dentist or another qualified health care professional.

Specify that a dental therapist may authorize a dental hygienist to practice dental hygiene in a facility where the dental therapist is present, or another facility under a written or oral prescription. A dental therapist may also delegate to any unlicensed individual the performance of remediable procedures in a facility where the dental therapist is present, in accordance with an approved treatment plan and subject to inspection by the dental therapist. Specify that a dental therapist may authorize, by prescription, a licensed operator to use diagnostic X-ray equipment on a patient.

Specify that no employment contract under which a dental therapist is employed to practice dental therapy may require a dental therapist to meet a minimum quota for the number of patients seen or the number of procedures performed.

Location of Practice. Require a dental therapist must at all times practice in one of the following: (a) one or more dental health shortage areas, as designated under federal law; or (b) in a setting in which at least 50% of the patient base are: (1) receiving aid under the Medical Assistance (MA) program; (2) uninsured; (3) receiving dental care at free or charitable clinics, or at federal qualified health centers; (4) reside at long-term care centers; (5) veterans; (6) members of a federally recognized American Indian tribe or band; (7) receiving dental care at clinics or facilities on tribal lands; or (8) persons with disabilities or chronic conditions the create barriers to accessing dental care.

#### **Other Provisions**

*Composition of the Dentistry Examining Board.* Specify that, effective when the 50th individual becomes licensed as a dental therapist in the state, following the Board's notification to the Legislative Reference Bureau for publication in the Wisconsin Administrative Register, the Governor shall to the extent possible appoint at least one dental therapist to the Dentistry Examining Board if appointing one of the three Board seats to be held by dental hygienists. Specify the appointment must occur no later than five years following the bill's publication.

*Rulemaking.* Require the Board to present a statement of scope for permanent and emergency rules required to implement the licensure of dental therapists no later than the 30th day

after the bill's general effective date. Provide that if the Governor does not disapprove the statement of scope by the 30th day after the statement is presented to the Department of Administration, the statement would be considered approved by the Governor.

Require the Board to promulgate emergency rules that are necessary to implement these provisions, which would remain in effect for two years, or until the date on which permanent rules take effect, whichever is sooner. Require the Board to submit proposed emergency rules no later than the 150th day after the bill's general effective date, and specify that if the Governor does not reject the proposed emergency rule by the 14th day after the rule is submitted to the Governor in final draft form, the emergency rule would be considered approved by the Governor.

Require the Board to submit a proposed permanent rule required to implement these provisions no later than 365 days after the effective date of the bill. Provide that if the Governor does not reject the proposed permanent rule by the 30th day after the rule is submitted to the Governor in final draft form, the permanent rule would be considered to be approved by the Governor.

Other Related Statute Changes. Modify various statutory provisions relating to healthcare provider rights and responsibilities that apply to dentists to also apply to dental therapists, including: (a) requiring persons or businesses offering dental therapy to comply with health records preservation provisions established by the Dentistry Examining Board; (b) expanding the definition of "health care provider" for the purposes of the health care records law to include dental therapists; (c) expanding the definition of "volunteer health care provider" for the purposes of the volunteer health care provider program to include dental therapists, and specify that a dental therapist may provide dental services under this program; (d) expanding the definition of "health care provider" for the purposes of the health care worker protection program enforced by the Department of Workforce Development to include dental therapists; (e) expanding the definition of "health care provider" for the purposes of power of attorney for health care to include dental therapists; (f) specifying that the statutes prohibiting discrimination on the basis of HIV status apply to dental therapists; (g) expanding the definition of "health care provider" for the purposes of the emergency volunteer health care practitioner law to include dental therapists; (h) specifying that a dental therapist must provide patients with the same information about alternate modes of treatment as is required of a dentist; (i) modifying the statutes relating to insurance coverage to specify that no policy, plan or contract may exclude coverage for diagnosis and treatment of a condition or complaint by a licensed dental therapist within the scope of the dental therapist's license, if the policy, plan or contract covers diagnosis and treatment of the condition or complaint by another health care provider; (j) modifying the civil liability exemption for emergency medical care to cover health care rendered by dental therapists; and (k) modifying the criminal statute relating to possession, distribution, or delivery of nitrous oxide to specify that nitrous oxide may be administered by a dental therapist for the purpose of providing dental care.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **Safety and Buildings Programs**

#### 1. BUILDING PLAN REVIEW [LFB Paper 695]

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |           | <u>Change</u><br>Positions |
|----|--|---|-----------|----------------------------|
| PR | \$3,936,200 25.00 - \$                                 | 3,471,000 - 22.00   | \$465,200 | 3.00                       |

**Governor:** Provide 25.0 positions to increase commercial building plan review staff in the Division of Industry Services. The Administration indicates that the three proposals described in the following paragraphs would increase plan review staff to facilitate reviews in ways suggested by construction industry participants.

Schedule-in-Advance Plan Review. Provide ongoing funding of \$470,300 in 2023-24 and \$610,200 in 2024-25 with 7.0 permanent plan review positions to conduct plan reviews that are scheduled in advance of plan paperwork submission but not submitted until 48 hours prior to review appointments with DSPS. The positions would be intended to respond to certain construction firms that utilize a plan creation process whereby the final plan is not complete until shortly before construction. DSPS and the Administration intend for the provision to accommodate plan reviews in a timely manner commensurate with actual building timelines. All 7.0 positions would be supported by the DSPS appropriation for safety and buildings general operations.

|  |           | Fun       | ding      |
|--|-----------|-----------|-----------|
| Position Title/Category                  | Positions | 2023-24   | 2024-25   |
|  |           |           |           |
| Senior Commercial Building Plan Reviewer | 2.00      | \$110,400 | \$147,200 |
| Fire Systems Plan Reviewer               | 2.00      | 110,400   | 147,200   |
| Plumbing Plan Reviewer                   | 2.00      | 94,300    | 125,700   |
| Senior Elevator Plan Reviewer            | 1.00      | 55,200    | 73,600    |
| Subtotal                                 | 7.00      | \$370,300 | \$493,700 |
| Supplies and Services                    |           | \$100,000 | \$116,500 |
| Total                                    | 7.00      | \$470,300 | \$610,200 |

*Four-Week Plan Review.* Provide ongoing funding of \$972,500 in 2023-24 and \$1,263,000 in 2024-25 with 14.0 permanent positions to provide building and plumbing plan review in four weeks or less. DSPS has reported that discussions with industry stakeholders suggested that plan reviews should occur in 20 business days or less to align with construction industry practices. DSPS indicates that such plans are, in most cases, currently reviewed in 30 business days or less and that the provision would allow the Department to meet the suggested 20-day time frame. All 14.0 positions would be allocated to the DSPS appropriation for safety and buildings general operations.

| Subtotal                                 | 14.00     | \$772,500      | \$1,030,000 |
| Supplies and Services                    |           | \$200,000      | \$233,000   |
| Total                                    | 14.00     | \$972,500      | \$1,263,000 |

Accelerated Review of Small Projects. Provide ongoing funding of \$270,000 in 2023-24 and \$350,200 in 2024-25 with 4.0 permanent positions to provide building and plumbing plan reviews in one week for small and simple plans. The 4.0 positions would include: (a) 1.0 commercial building plan reviewer; (b) 1.0 plumbing plan reviewer; (c) 1.0 fire systems plan reviewer; and (d) 1.0 elevator plan reviewer.

**Joint Finance/Legislature:** Modify provision to authorize 3.0 permanent building plan review positions with \$202,500 in 2023-24 and \$262,700 in 2024-25.

## 2. INDUSTRY SERVICES FIELD INSPECTION STAFF [LFB Paper 696]

|    |           | vernor<br>to Base) |             | nce/Leg.<br>to Gov) | <u>Net (</u> | Change    |
|----|-----------|--------------------|-------------|---------------------|--------------|-----------|
|    | Funding 1 | Positions          | Funding     | Positions           | Funding      | Positions |
| PR | \$723,600 | 5.00               | - \$723,600 | - 5.00              | \$0          | 0.00      |

**Governor:** Provide ongoing funding of \$315,300 in 2023-24 and \$408,300 in 2024-25 with 5.0 permanent positions to increase departmental presence in certain plan review activities and reduce wait times on building inspections. The 5.0 positions would include: (a) 2.0 commercial building plan inspectors; (b) 1.0 elevator inspector; (c) 1.0 boiler inspector; and (d) 1.0 electrical inspector. All 5.0 positions would be allocated to the appropriation for DSPS safety and buildings general operations.

Joint Finance/Legislature: Provision not included.

## 3. MUNICIPAL BUILDING INSPECTION AND OVERSIGHT [LFB Paper 696]

|    | <u>(Chg.</u> | vernor<br><u>to Base)</u> | <u>(Chg.</u> | nce/Leg.<br>to Gov) |         | <u>Change</u> |
|----|--------------|---------------------------|--------------|---------------------|---------|---------------|
|    | Funding      | Positions                 | Funding      | Positions           | Funding | Positions     |
| PR | \$161,200    | 1.00                      | - \$161,200  | - 1.00              | \$0     | 0.00          |

Governor: Provide \$70,800 in 2023-24 and \$90,400 in 2024-25 with 1.0 position for

coordinating municipal building inspection programs. The statutes allow DSPS to delegate certain building plan review and inspection functions to municipalities. The position to be created would provide increased oversight and training to ensure that delegated municipalities are informed of, and implementing, consistent building code standards in the state.

Joint Finance/Legislature: Provision not included.

## 4. PRIVATE ON-SITE WASTEWATER TREATMENT SYSTEM (POWTS) GRANT PROGRAM UPDATE AND CONTINUATION [LFB Paper 697]

**Governor:** Reinstate the grant program for the replacement or rehabilitation of failing private on-site wastewater treatment systems (POWTS), also called septic systems. Under current law, the program is repealed on June 30, 2023. Provide \$840,000 each year in a continuing appropriation.

In addition, change the installation deadline for POWTS grant eligibility to include systems installed at least 33 years before a person submitted a grant application. Current program eligibility extends only to systems installed before July 1, 1978, or approximately 45 years ago.

Further, retain the current program limit of \$45,000 in annual family income for persons applying for a grant for a POWTS serving a principal residence. However, require DSPS on July 1, 2024, and each July 1 thereafter, to adjust the income limit by the percentage change in the U.S. Consumer Price Index for urban wage earners and clerical workers (CPI-W), U.S. city average, for the prior year, rounded to the nearest dollar. Require DSPS to publish the change in income limit on the Department website. Exempt the annual income limit change from being promulgated through the administrative rule process.

The POWTS grant program provides financial assistance to certain owners of a principal residence or small commercial establishment to cover a portion of the cost of repairing or replacing failing private onsite wastewater treatment (septic) systems. Under 2021 Wisconsin Act 67, the grant program is repealed on June 30, 2023. The provision would extend the program indefinitely. The program is funded from a transfer from the DSPS safety and buildings operations appropriation, which receives program revenue from sanitary permits and private onsite wastewater treatment system plan review fees, as well as fees from other building permit, plan review, inspection, and credentialing activities. The bill would recreate statutes governing the POWTS grant program nearly identically to current program provisions, except as described above.

**Joint Finance:** Reinstate the POWTS grant program and provide \$840,000 in each year. The program would continue with the same eligibility provisions as under current law. Statutory provisions and a grant appropriation would be recreated, consistent with the program repeal scheduled to occur June 30, 2023. Specify a June 30, 2025, repeal of the program.

**Senate/Legislature:** Maintain the extension of the POWTS grant program through June, 2025, consistent with Joint Finance Committee action. However, delete Joint Finance provisions

recreating the program's statutory authorities and appropriations on the bill's effective date. Instead, amend relevant sections of 2017 Act 59, 2017 Act 331, and 2021 Act 67, which specify a program sunset of June 30, 2023, to specify a program sunset date of June 30, 2025. Specify that these amendments to session law take effect retroactively in June of 2023.

[Act 19 Sections: 472g, 472r, and 9438(2)]

# 5. PRIVATE SEPTIC SYSTEM PLAN REVIEWERS [LFB Paper 697]

|    | Funding   | Positions |
|----|-----------|-----------|
| PR | \$282,000 | 2.00      |

Governor/Legislature: Provide \$123,000 in 2023-24 and

\$159,000 in 2024-25 and 2.0 permanent positions for private septic system plan review. DSPS is authorized 6.0 permanent private septic system plan reviewers, and 2021 Act 67 provided 2.0 two-year project septic system plan reviewers that expire on June 30, 2023. This provision makes the Act 67 positions permanent.

## 6. PRIVATE ON-SITE WASTEWATER TREATMENT SYSTEM RESEARCH

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$216,000                  | - \$216,000                       | \$0        |

**Governor:** Provide \$116,000 in 2023-24 and \$100,000 in 2024-25 as one-time funding to support research related to POWTS and potential effects on nearby drinking water wells. The Administration indicates that the provision would allow for evaluation and organization of data from recent water quality studies in Kewaunee County and southwest Wisconsin to determine a relationship between age of septic systems and well contamination, and also provide for performance monitoring of POWTS.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 7. TRADE EXAMINATION PROVIDERS [LFB Paper 698]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$500,000 each year in one-time funding for procurement of third-party trade examination services. Under current law, examinations for health and business professions may be conducted by a test service provider outside the Department. The bill would extend the authorization to examinations for building trades occupations. The provision would authorize

DSPS to contract with a third-party vendor to administer trade exams through an online platform. The Administration indicates that individuals taking the exams would pay the selected vendor directly for the examination. The \$1 million over the biennium would be intended for vendor procurement processes.

Joint Finance/Legislature: Provision not included.

# 8. SUM SUFFICIENT APPROPRIATION FOR INSPECTION CONTRACT ACCOUNTING

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | - \$1,130,000              | \$1,130,000                       | \$0        |

**Governor:** Create a new sum sufficient appropriation to account for contracted activities by the Division of Industry Services. Delete \$565,000 each year in expenditure authority under safety and buildings general operations for third-party contracted inspection services. DSPS is one of several state agencies that had previously not included in its annual fiscal reporting certain amounts associated with contractor activities for which the agency does not directly receive revenues or incur expenses. DSPS indicates that these activities relate to inspections performed on behalf of the Division of Industry Services for such things as boilers, electrical systems, uniform dwelling code inspections, and elevators. Although these activities have been reported in the Wisconsin Annual Fiscal Report, they had been presented as accounting notes rather than transactions under legislatively created appropriations.

2021 Act 58 provided \$565,000 in expenditure authority annually to reflect costs attributable to DSPS' contracted activities. The provision would delete Act 58 funding for inspection contract accounting and record such activity under the sum sufficient appropriation in the amounts necessary to reflect the third-party services performed under the auspices of DSPS. Contracted activities can vary greatly in cost depending on multiple factors, and the provision does not budget any estimated costs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 9. YOUTH VOLUNTEER FIREFIGHTER TRAINING PROGRAM [LFB Paper 699]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | \$200,000                  | - \$50,000                        | \$150,000  |

**Governor:** Provide \$100,000 each year in ongoing funding to continue the Youth Volunteer Firefighter Training Program. The program provides grants to fire departments to create and

operate youth firefighter training programs with the goal of increasing recruitment and retention of volunteer firefighters in the state. The grant program was created under 2021 Act 58, which provided with \$50,000 PR each year in one-time funding. Funding in the 2021-23 biennium has been awarded to six grantees, with individual grants being between \$4,050 and \$24,950.

**Joint Finance/Legislature:** Provide \$75,000 in each year of the biennium in one-time funding to extend the Youth Volunteer Firefighter Training Grant Program.

## **10. MANUFACTURED HOUSING REHABILITATION AND** PR \$40,000 **RECYCLING PROGRAM**

**Governor/Legislature:** Provide \$20,000 in each year as one-time funding for the manufactured housing rehabilitation and recycling program. Under the program, DSPS awards funds for disposal of abandoned manufactured homes and repairs to manufactured homes owned and occupied by low-income, elderly, and disabled persons. Current funding of \$40,000 for the program is administered by the Tomorrow's Home Foundation and comes from the titling fees for manufactured homes, which are deposited into the DSPS general operations appropriation for industry and trades.

## 11. STRETCH ENERGY CODE WORKING GROUP

|    | (Chg.     | vernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> 1 | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Change</u><br>Funding Positions |
|----|-----------|--|----------------|---|--|
| PR | \$250,000 | 1.00                                   | - \$250,000    | - 1.00                                  | \$0 0.00                               |

**Governor:** Provide \$250,000 in one-time funding in 2023-24 with 1.0 one-year project position to establish a working group to evaluate a stretch energy code. Stretch energy codes refer to local energy codes that aim to achieve energy savings in all types of buildings. In Wisconsin, DSPS promulgates rules for design requirements for construction and equipment, for the purpose of energy conservation in public buildings and places of employment. In general, local units of government are prohibited from establishing and enforcing ordinances for public buildings, places of employment, or one- and two-family dwellings unless those ordinances conform to applicable DSPS rules. The provision would provide DSPS with 1.0 position and funding to create and establish a stretch energy code for Wisconsin, but the provision would not affect current statutory language related to building codes.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 12. PROHIBIT USE OF VAPOR PRODUCTS IN INDOOR LOCATIONS

**Governor:** Specify that the general prohibition on smoking indoors under Chapter 101 of the statutes (industry, safety and buildings) applies to the use of vapor products. Under current

law, a vapor product is defined as "a noncombustible product that produces vapor or aerosol for inhalation from the application of a heating element to a liquid or other substance that is depleted as the product is used, regardless of whether the liquid or other substance contains nicotine." The bill would also make changes to the definition of vapor product. [See "General Fund Taxes -- Excise Taxes and Other Taxes."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **13.** FIRE DEPARTMENT DUES DISTRIBUTION REESTIMATE PR \$9,185,500 [LFB Paper 700]

**Joint Finance/Legislature:** Reestimate the fire dues distribution by \$4,302,500 in 2023-24 and \$4,883,000 in 2024-25. Any insurer doing fire insurance business in Wisconsin must pay the state fire department dues equal to 2% of the amount of all Wisconsin-based premiums paid. Most proceeds fund aids payments that DSPS distributes to each city, village or town maintaining a local fire department for eligible activities related to fire department operations. The provision estimates fire dues payments to municipalities at \$29.0 million in 2023-24 and \$29.6 million in 2024-25.

## **SECRETARY OF STATE**

|      | Budget Summary               |                     |                        |                        |                   |            |   |

#### **Budget Change Items**

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105] PR

- \$13,000

**Governor/Legislature:** Provide an adjustment of -\$6,500 annually to the Secretary of State's (SOS) program fees appropriation for full funding of continuing position salaries and fringe benefits.

## 2. ADDITIONAL RESOURCES FOR THE OFFICE

|    | Governor<br>(Chg. to Base) |  | Jt. Finance/Leg.<br>(Chg. to Gov) |  | Net Change     |      |
|----|----------------------------|--|-----------------------------------|--|----------------|------|
| PR | Funding<br>\$422,200       |  | <b>Funding</b><br>- \$422,200     |  | Funding<br>\$0 | 0.00 |

**Governor:** Provide \$203,500 in 2023-24 and \$218,700 in 2024-25 and 2.0 positions annually to the SOS's program fees appropriation. The increased expenditure authority would reflect increased funding for salary, fringe, and supplies and services, offset partially by reduced LTE funding, for a new unclassified Deputy (Assistant) Secretary of State position and a classified Office Operations Associate position for the Office of the Secretary of State, as well as one-time financing (\$23,700) that would be necessary to move the office to a new location that could

accommodate the additional positions. The Administration indicates that the new positions created under the bill would restore SOS staffing levels to those experienced prior to 2015 Act 55. According to the Administration, the new location for the office has not been determined.

The bill would allow the SOS to appoint an Assistant Secretary of State who could perform and execute any of the duties and powers of the SOS, except as a member of the Board of Commissioners of Public Lands. The Assistant would have to take and subscribe the Oath of Office, as prescribed under the state constitution, and would have to give bond to the SOS in the sum and with the conditions prescribed by the Secretary, conditioned for the faithful discharge of the duties. The Oath would have to be filed and preserved in the Office of the Governor. The salary of the Assistant could not exceed the maximum of the salary range one range below the salary range of the executive salary group to which the SOS is assigned.

The Administration states that the Office Operations Associate position would take the place of the current LTE position provided to the SOS. Duties of this position would include records management, as it relates to apostilles and other authentications, and office assistant responsibilities that had to be reallocated when staffing levels were reduced.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. TRANSFER FROM DFI

|        | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|--------|----------------------------|-----------------------------------|------------|
| PR-REV | \$220,000                  | - \$220,000                       | \$0        |

**Governor:** Increase the amount of funds transferred from the Department of Financial Institutions' (DFI) general program operations appropriation to the SOS's program fees appropriation from \$150,000 to \$260,000, annually. As a result, increase estimated program revenues deposited into the SOS's program fees appropriation by \$110,000, annually. The Administration indicates that the increased revenue transfer would support the SOS's general program operations, including the additional requested positions. [See "Financial Institutions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. **GPR-EARNED ESTIMATE**

|         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|---------|----------------------------|-----------------------------------|------------|
| GPR-REV | - \$236,800                | \$236,800                         | \$0        |

Governor: Estimate the SOS's GPR-REV at \$0, annually, to reflect the changes made for

the additional positions and the increased transfer from DFI provided under the bill. This estimate represents a decrease of \$118,400 in 2023-24 and \$118,400 in 2024-25.

Under current law, operations of the SOS are primarily funded from its program fees appropriation. Revenues deposited into this appropriation are from a transfer of revenues from DFI and from fees charged by the SOS for services performed by the Office. Any unencumbered balance at the close of a fiscal year exceeding 10% of that fiscal year's expenditures in this appropriation are transferred to the general fund.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

**Governor:** Establish a new account in the general fund entitled the "Municipal and County Shared Revenue Account" (MCSR account). Specify that the fund would consist of an amount equal to 20% of the amount of the revenues received from state sales and use taxes, as specified in the general fund condition summary under s. 20.005(1) in each fiscal year, less the payments from the following programs: (a) the amount distributed through the expenditure restraint program, under the bill; (b) the amount distributed through the existing county and municipal aid program; and (c) amounts distributed to counties and municipalities as state aid for tax-exempt personal property, including the new aid payment associated with the exemption of personal property from taxation included in the bill. The remaining funds each year would be available for a newly-created municipal and county shared revenue program.

As drafted, the MCSR account would consist of 20% of state sales and use tax revenue in each year of the biennium. The Administration indicates that its intent was that beginning in calendar year 2024, the fund would consist of 20% of the sales tax and use tax revenues for the fiscal year ending in that calendar year, and each year thereafter, less the amounts for the programs identified earlier. This would mean that the MCSR account would first consist of 20% of state sales and use tax revenues in 2024-25, with the amount to be included in the fund being based on 2023-24 sales tax collections, less the amounts for programs identified earlier. An amendment would be needed to reflect the Administration's intent. Using the Administration's intended language, the following table indicates how the administration calculated the \$576,153,200 that would be available for the new municipality and county shared revenue program (described in a separate recommendation below).

## Governor's Estimate of Sales and Use Tax Available to the MCSR Account and New Municipal and County Shared Revenue Program

| State Sales and Use Tax Revenues (2023-24)                            | \$7,603,150,000 |
|---|-----------------|
| Estimate of 20% of State Sales Tax                                    | \$1,520,630,000 |
| Less Existing Program Funding   |                 |
| Existing County and Municipal Aid                                     | 753,075,800     |
| Expenditure Restraint   | 58,145,700      |
| Existing Exempt Personal Property Aid (Counties and Municipalities)   | 29,090,500      |
| Proposed Exempt Personal Property Aid (Counties and Municipalities)   | 104,164,800     |
| Total Existing Program Amounts  | \$944,476,800   |
| Amounts Available for New Municipal and County Shared Revenue Program | \$576,153,200   |

For the purposes of calculating the MCSR account funds available for the new municipal and county shared revenue program, the bill refers to the existing county and municipal aid distribution amount of \$748.1 million. This amount does not include the \$5.0 million that the Secretary of the Department of Health Services is required to pay from medical assistance funds to specific local government units for medical care transportation services. The Administration indicates that its intent was to include these amounts when calculating the funds available for the new municipal and county shared revenue program. The bill would have to be amended to reflect this intent.

**Joint Finance/Legislature:** Delete provisions. Instead, establish a new segregated fund entitled the "Local Government Fund." In 2024-25, transfer 20% of state sales and use taxes, as outlined in the summary of general fund taxes under the biennial budget act, prepared by the Legislative Fiscal Bureau, to the local government fund. Estimate the amount of the transfer in that year at \$1,563.4 million. In addition, on July 1, 2024, make a one-time transfer in 2024-25 of \$303.0 million to the local government fund and exclude this transfer from the calculation of the annual amounts transferred beyond the 2023-25 biennium. Specify that \$300 million of this amount is credited to the innovation account of the fund on July 1, 2024.

In 2025-26, and each year thereafter, transfer from the general fund to the local government fund the sum of the following: (a) the amount transferred to the local government fund in the previous fiscal year, excluding the \$303 million amount transferred on July 1, 2024; and (b) the percentage change in the estimated amount of state sales and use tax revenues, as outlined in the summary of general fund taxes under the biennial budget act, for the previous fiscal year compared to the preceding fiscal year, multiplied by the amounts available for distribution in the previous fiscal year in the newly-created county and municipal aid and supplemental county and municipal aid accounts within the local government fund. Under these provisions, the annual transfer amount would increase by approximately \$23.9 million for a total transfer of \$1,587.3 million in 2025-26 to fund calendar year 2025 payments. Specify that 15% of the annual transfer amount would be transferred to the local government fund on the second Monday in July of each year, and the remaining 85% would be transferred on the second Monday in November of each year.

Convert the GPR funding for the following programs to instead be funded with SEG from

the newly-created local government fund, beginning in 2024-25: (a) county and municipal aid; (b) expenditure restraint; (c) computer aid; (d) personal property aid, including aid on personal property exempted under 2017 Act 59; (e) video service provider fee aid; (f) payments for municipal services; (g) funding assistance program; and (h) law enforcement training program. In addition, specify that beginning in 2024-25, half of the funding for youth and family aids would be funded from the local government fund, and half would continue to be funded with GPR. Repeal the existing medical assistance supplement, that offsets a portion of county and municipal aid payments, and reestimate the GPR sum sufficient appropriation downward by \$2.0 million in 2024-25. The table below shows the reductions in GPR spending associated with converting existing GPR-funded programs to local government fund SEG in 2024-25, as well as the Medical Assistance GPR funding reduction.

#### **GPR-Funding Reductions Associated with Creation of Local Government Fund**

|                                    | 2024-25          |
|------------------------------------|------------------|
| Existing GPR Programs              |                  |
| Existing County and Municipal Aid  | -\$707,684,200   |
| Expenditure Restraint Program      | -58,145,700      |
| Computer Aid                       | -98,047,100      |
| Existing Personal Property Aid     | -75,620,900      |
| Video Service Provider Fee Aid     | -10,008,200      |
| Payments for Municipal Services    | -18,584,200      |
| Funding Assistance Program         | -2,200,000       |
| Law Enforcement Training           | -2,000,000       |
| Youth and Family Aids              | -46,652,900      |
| Medical Assistance Supplement      | -2,000,000       |
| Total GPR Appropriation Reductions | -\$1,020,943,900 |

Specify that the following programs, created under 2023 Act 12, would be funded from the local government fund, beginning in 2024-25: (a) the programs to be converted to the local government fund, indicated earlier; (b) supplemental county and municipal aid; (c) personal property aid, associated with the full repeal of the personal property tax included in Act 12; (d) innovation grants; and (e) innovation planning grants. See later items for the fiscal effect of these appropriation conversions and creations.

Require that any unencumbered balance of the local government fund, exceeding 0.1% of the amount transferred to the local government fund in that fiscal year, excluding the amounts credited to the innovation account and the innovation planning grants account, would transfer to the general fund on June 30, 2025, and on each June 30 thereafter. Estimate \$17,173,900 GPR-REV in 2024-25 to reflect the transfer.

In 2024-25, a total of \$1,866.4 million GPR will be transferred to the local government fund, as described above. The table below shows the new effect on the general fund of this transferred amount and the GPR funding reductions shown in the previous table.

#### Net Effect on the General Fund

| GPR Transfer                   | \$1,866,380,000 |
|--------------------------------|-----------------|
| GPR Program Funding Reductions | -1,020,943,900  |
| Net Impact on General Fund*    | \$845,436,100   |

\*Excludes \$17.2 million in estimated GPR-REV associated with required lapse to general fund.

In addition, transfer \$8.0 million from the local government fund to the transportation fund on December 30, 2024, and on each December 30, thereafter. This provision would make the transportation fund whole for the reduction in taxes paid by railroads associated with the repeal of the personal property tax under Act 12 [See "Property Taxation -- Personal Property Tax Exemption"].

The table below indicates the estimated transfers to the local government fund in 2024-25, as well as the balance of that fund.

#### **Local Government Fund**

#### **Revenues** Transfer to Local Government Fund - 20% of 2024-25 State Sales and Use Taxes \$1,563,380,000 Transfer to Local Government Fund - Innovation Account and Innovation Planning Grants Account 303,000,000 **Total SEG Revenues** \$1,866,380,000 **Expenditures** Total County and Municipal Aid \$753,075,300 **Expenditure Restraint Program** 58,145,700 Computer Aid 98,047,100 Existing Personal Property Aid 75,620,900 Video Service Provider Fee Aid 10,008,200 Payments for Municipal Services 18,584,900 Funding Assistance Program 25,000,000 Law Enforcement Funding 8,800,000 Youth and Family Aids 46,652,900 Supplemental County and Municipal Aid 274,867,200 **Innovation Grants** 300,000,000 Full Personal Property Exemption Aid 173,800,000 **Innovation Planning Grants** 3,000,000 Transfer to Transportation Fund -- Railroad Personal Property 8,000,000 Current Law County and Municipal Aid Lapses\* -5,958,800 **Total SEG Expenditures** \$1,847,642,700 Balance Before General Fund Lapse \$18,737,300 Reserve of 0.1% \$1,563,400 Estimated GPR-REV, 2024-25 \$17,173,900

\*Lapses are related to current law offsets to county and municipal aid associated primarily with the \$4.0 million from Milwaukee County for the Bucks Arena and for partial repayment of mass transit capital grants.

**Veto by Governor [D-26]:** Delete the provision requiring that the unencumbered balance of the local government fund, excluding the amounts credited to the innovation account and innovation planning grants account, transfer to the general fund on June 30 annually. This would reduce GPR-REV in 2024-25 by \$17,173,900. Instead, these funds (including \$5,958,800 SEG-Lapse) will remain in the balance of the local government fund.

[Act 19 Sections: 39, 199 thru 202, 9101(4), 9406(1), 9419(2), 9427(2), and 9437(4)]

[Act 19 Vetoed Section: 39 (as it relates to 16.5186(3))]

## 2. NEWLY-CREATED MUNICIPAL AND COUNTY SHARED REVENUE AID PROGRAM AND FORMULA

|            | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change          |
|------------|----------------------------|-----------------------------------|---------------------|
| GPR<br>SEG | \$576,153,200<br>0         | - \$576,153,200<br>274,867,200    | \$0<br>_274,867,200 |
| Total      | \$576,153,200              | - \$301,286,000                   | \$274,867,200       |

**Governor:** Provide \$576,153,200 in 2024-25 for calendar year 2024 municipal and county aid payments to be distributed under a new municipal and county shared revenue aid payment program administered by DOR. This funding level represents the amount of funds available in the Municipal and County Shared Revenue (MCSR) account, described above in a separate recommendation, for distribution under the new aid payment. Because the MCSR account would consist of 20% of state sales and use taxes, less the required reductions to fund other programs described in the previous item, the amount available to be distributed under the new aid payment program would grow each year by the amount of growth in 20% of state sales and use taxes. These aid payments would be in addition to the \$748.1 million currently distributed under the existing county and municipal aid program, and would be made from a newly-created sum sufficient appropriation.

Beginning in 2024-25, create a public safety payment, a per capita aid payment, and an aidable revenue aid payment. In addition, beginning in 2025-26, create an aids deficiency payment. Specify that these payments are to be funded from the MCSR account and distributed to municipalities and counties.

*Public Safety Payments.* Create a public safety payment that could only be used to pay for the following services: (a) law enforcement; (b) fire protection; (c) ambulance and emergency medical services; and (d) the costs of prosecutorial and judicial functions. Specify that that the funding level for this payment would equal 43.4% of the total funding in the newly-established MSCR account, rounded to the nearest \$1,000,000, which would equal \$250,000,000 in 2024-25, for calendar year 2024 payments, given the recommended funding. Require DOR to calculate the payment as a percentage of the most recent three-year average of qualifying public safety expenditures for each county and municipality as necessary to distribute the full amount of aid available, or \$10,000, whichever is greater. Specify that "qualifying public safety expenditures"

would mean amounts expended by each municipality or county for the purposes of law enforcement, fire protection, or ambulance and emergency medical services, as reported to DOR under current law.

*Funding Available for Per Capita, Aidable Revenues, and Deficiency Payments.* Specify that the funding level for these aid payments would equal the amount of remaining funds in the MCSR account, after accounting for the distribution of the public safety payments. Given the recommended funding under the bill, \$326,153,200 would be available for these aid payments in 2024-25 for calendar year 2024 payments. Specify that 70% of this funding (\$228,307,200) would be distributed to municipalities and 30% (\$97,846,000) to counties.

Specify that 15% of the funding provided municipalities and counties would be available for per capita aid payments for each group, while 85% of the funding available for each group would be used to make aidable revenue payments. Based on the funding available for these payments for each group, \$34,246,100 in per capita aid and \$194,061,000 in aidable revenue payments would be available for distribution to municipalities in 2024-25 for calendar year 2024 payments. Counties would have \$14,676,900 in per capita and \$83,169,100 in aidable revenue funding available for distribution in 2024-25 for calendar year 2024 payments.

<u>Per Capita Aid Payment</u>. Require DOR to calculate the per capita aid payment amounts for municipalities and counties by dividing the per capita funding available for each group by the state's total population to derive a statewide average municipal and county per capita amount. The per capita amount for each group would then be multiplied by the population of each municipality and county to determine each municipality's and county's per capita aid payment.

<u>Aidable Revenues Payment</u>. Require DOR to determine the following in order to calculate aidable revenue payments:

(a) "aidable revenues," would equal the total of the three-year average of the following revenues: (1) general property taxes and other taxes; (2) payments in lieu of taxes; (3) special assessments; (4) licenses and permits; (5) fines and forfeitures; (6) public charges; (7) intergovernmental revenues; and (8) other shared revenue distributions, consisting of the existing county and municipal aid program, the expenditure restraint program, exempt property aid payments, including the aid related to proposed full exemption of personal property, and video service provider fee payments, but not including public utility aid payments;

(b) "equalized value" would equal the assessed value of county and municipal property adjusted to reflect full value, including, for municipalities, the value increment for tax incremental districts and excluding manufacturing land and improvements assessed by DOR;

(c) "equalization factor," would equal the ratio of municipal or county equalized value per capita divided by the statewide equalized value per capita, as calculated by DOR separately for municipalities as a group and counties as a group, but not to exceed 500% of the statewide equalized value per capita;

(d) "standard aidable revenue match percentage" would mean the percentage match of aidable revenues determined by DOR, as necessary to distribute the total funding available for the aidable revenues payment;

(e) "municipal equalized value per capita," would mean the amount of a municipality's most recent equalized value divided by the municipality's population; and

(f) "county equalized value per capita," would mean the amount of a county's most recent equalized value divided by the county's population.

Require DOR to calculate the aidable revenues payment for municipalities and counties separately as follows: (a) divide the standard aidable revenue match percentage by the equalization factor for the municipality or county receiving the payment; and (b) multiply that result by the municipality's or county's aidable revenues.

The following table indicates the funding amount available to municipalities and counties under the proposed municipal and county shared revenue program.

| and County Shared Revenue Program |               |  |
|-----------------------------------|---------------|--|
|                                   | <u>2024</u>   |  |
| Municipalities and Counties       |               |  |
| Public Safety Payments            | \$250,000,000 |  |
| Municipalities                    |               |  |
| Per Capita Aid Payments           | \$34,246,100  |  |
| Aidable Revenues                  | 194,061,100   |  |
| Subtotal                          | \$228,307,200 |  |

Total

Per Capita Aid Payments

Aidable Revenues

## Funding Available Under the Proposed Municipal and County Shared Revenue Program

| Aids Deficiency Payment. Specify that, beginning with payments distributed in 2025 (2025-           |
|---|
| 26), a municipality or county is determined to have an aids deficiency if the amount that a         |
| municipality or county receives from the sum of aid payments paid from the MCSR account and         |
| from the existing county and municipal aid program, is less than 95% of the amount that county      |
| or municipality received from these programs in the prior year. Provide that the amount of the aids |
| deficiency would equal the amount by which 95% of the total payment received from payments to       |
| a municipality or county made from the MCSR account and the existing county and municipal aid       |
| program in the prior year exceeds the amount of the same payments calculated for the municipality   |
| or county in the current year.  |

Specify that beginning with payments in 2025 (2025-26), a "maximum allowable increase" would be determined each year. Require the annual growth in the amount that each municipality or county may receive from the sum of the payments from the MCSR account and the existing county and municipal aid payment to be limited to that maximum allowable increase. Require DOR to withhold any amount of calculated payments in excess of the maximum allowable

\$14,676,900

83,169,100

\$97,846,000

\$576,153,200

increase. Specify that the "maximum allowable increase" would equal a percentage derived by taking the sum of the payments calculated that year, as described above, over those same payments as limited by the maximum allowable increase, and setting that difference equal to the total of aids deficiency payments for that year. The administration indicates that its intention was to require DOR to calculate the aids deficiency and maximum allowable increase separately for counties and municipalities, which is not clearly indicated as drafted. As a result, an amendment would be needed to clarify this intent.

*Reporting Requirements.* Specify that no municipality or county may receive a payment from the new aid payments that would be funded from the MSCR account in any year in which it fails to submit the annual financial report form to DOR required under current law. Provide that if a county or municipality does not submit the information, as required, or if a county or municipality submits incomplete information, DOR would be directed to notify the county or municipality and provide a reasonable opportunity to provide the information or correct the deficiency.

*Distribution of Payments.* As under current law for certain existing aid payments, require DOR to provide each municipality and county with an estimate of their payments from the MCSR account for the next calendar year by September 15 of each year. Require DOR to distribute 50% of the MCSR account aid payments on the fourth Monday in July and the remainder on the third Monday in November annually. Specify that these payments shall be considered local funds on the date that they are distributed, and may be paid into the separate accounts of all local governments established in the local government pooled-investment fund, and may be disbursed or invested, pursuant to the instructions of local officials.

**Joint Finance/Legislature:** Delete provisions. Provide \$274,867,200 SEG in 2024-25 from the local government fund to fund the supplemental county and municipal aid program created under 2023 Act 12 to be distributed according to the aid formulas created under that Act. Of this amount, \$68,000,000 would be distributed to counties and \$206,867,200 would be distributed to municipalities, as required by Act 12.

[Act 19 Sections: 166, 205 thru 207, and 9437(4)]

### 3. INNOVATION GRANTS

SEG \$300,000,000

**Joint Finance/Legislature:** Provide \$300,000,000 in 2024-25 from the innovation account of the local government fund for the innovation grant program created under 2023 Act 12. Require the Department of Revenue (DOR) to certify the grants and the Department of Administration (DOA) to pay the amount of the grants. This funding would be available for distribution to local governments that meet the requirements specified in that Act for the consolidation or transfer of the following government services or duties: (a) public safety, including law enforcement; (b) fire protection; (c) emergency services; (d) courts; (e) jails; (f) training; (g) communications; (h) information technology; (i) administration, including staffing, payroll, and human resources; (j) public works; (k) economic development and tourism; (l) public health; (m) housing, planning, and zoning; and (n) parks and recreation. The consolidation or transfer of these services would be required to realize savings of at least 10% of the cost of providing the service or duty, in order to qualify for an innovation grant. Require that the unencumbered balance on the innovation planning

grant account lapse to the general fund at the end of the fourth fiscal year of the date identified in the notice required under Act 12.

Veto by Governor [D-27]: Delete the requirement that the unencumbered balance in the innovation account lapse to the general fund. As a result, these funds will remain in the balance of the innovation account of the local government fund.

[Act 19 Sections: 167, 208, 354, and 9437(4)]

[Act 19 Vetoed Section: 167]

### 4. INNOVATION PLANNING GRANTS

\$3,000,000

SEG

### Joint Finance/Legislature: Provide \$3,000,000 in 2024-25 from the

local government fund for the innovation planning grant program created under 2023 Act 12. Pursuant to the requirements of that Act, this funding would be available to for distribution to municipalities with populations below 5,000 to assist with staffing and consultant expenses relating to planning the consolidation or transfer of services or duties eligible for innovation grants (see previous item). Specify that DOR certify the grants and DOA to pay the amount of the grants. Require that the unencumbered balance on the innovation planning grant account lapse to the general fund at the end of the fourth fiscal year of the date identified in the notice required under Act 12.

**Veto by Governor [D-27]:** Delete the requirement that the unencumbered balance in the innovation planning grant account lapse to the general fund. As a result, these funds will remain in the balance of the innovation planning grant account of the local government fund.

[Act 19 Sections: 355, 356, and 9437(4)]

[Act 19 Vetoed Section: 168]

### 5. COUNTY AND MUNICIPAL AID PROGRAM -- POLICE AND FIRE PROTECTION FUND REVENUE REESTIMATE [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |  |
|-------|----------------------------|-----------------------------------|---------------|--|
| GPR   | - \$1,406,600              | \$0                               | - \$1,406,600 |  |
| SEG   | 15,000                     | - 15,000                          | 0             |  |
| Total | - \$1,391,600              | - \$15,000                        | - \$1,406,600 |  |

**Governor:** Decrease funding by \$703,300 GPR annually and increase funding by \$7,500 SEG annually for the county and municipal aid program to fund the current law statutory distribution amount, as reduced to reflect the offsets to payments to certain municipalities that received Volkswagen settlement transit capital grants. This reestimate reflects an increase of \$7,500 annually in the estimated amount of police and fire protection fund revenues being available for the county and municipal aid distribution each year. A corresponding reduction of

\$703,300 annually is made to the GPR amounts needed to fund the county and municipal aid distribution amount as adjusted to reflect the Volkswagen settlement offsets. With these adjustments, including the offsets, an estimated \$1,959,300 less funding would be needed to fund the annual statutory distribution. Estimated current law GPR payments for the county and municipal aid program would be \$707,684,200 annually and estimated payments from the police and fire protection fund would be \$34,432,300 annually. These estimated amounts would be reduced under a separate recommendation, as shown below, that would use police and fire protection fund SEG funding for the other agencies, including a recommendation for the Department of Military Affairs for public safety answering grants.

**Joint Finance/Legislature:** Approve the recommendation to decrease funding by \$703,300 GPR but delete the \$7,500 SEG annually associated with the reestimate. This reflects the decreased amount of SEG funds from the police and fire protection fund to offset county and municipal aid payments in 2023-24 and the removal of police and fire protection fund SEG funding offset to county and municipal aid beginning in 2024-25, discussed in the item below.

### 6. COUNTY AND MUNICIPAL AID PROGRAM -- POLICE AND FIRE PROTECTION FUNDING FOR OTHER AGENCIES

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change          |  |
|-------|----------------------------|-----------------------------------|---------------------|--|
| GPR   | \$11,560,000               | - \$11,560,000                    | \$0                 |  |
| SEG   | <u>- 11,560,000</u>        | <u>- 22,864,800</u>               | <u>- 34,424,800</u> |  |
| Total | \$0                        | - \$34,424,800                    | - \$34,424,800      |  |

**Governor:** Provide an increase in funding of \$5,780,000 GPR annually and make a corresponding decrease in funding of \$5,780,000 SEG annually for the county and municipal aid program. These funding changes reflect the recommended changes in funding provided from the police and fire protection fund to the Public Service Commission and the Department of Military Affairs under the bill. County and municipal aid is paid from sum sufficient GPR and police and fire protection fund SEG appropriations. The GPR increase reflects a reestimate of the GPR sum sufficient appropriation that would be needed to offset the police and fire protection fund SEG funding decrease for county and municipal aid. Under the bill, the sum-sufficient GPR appropriation for county and municipal aid would be estimated at \$713,464,200 GPR annually and \$28,652,300 SEG annually.

Annual revenues to the police and fire protection fund are estimated \$52,200,700 annually under the bill. Of these amounts, \$28,652 300 would be used to fund county and municipal aid. In addition, an increase of \$6,149,100 in funding is recommended for the Department of Military Affairs, including \$6,000,000 annually for public safety answering point grants and \$149,100 annually in standard budget and other adjustments [see "Military Affairs"]. Finally, \$19,399,300 in police and fire protection fund revenues would be used to fund base level funding in other agencies as follows: (a) \$166,000 annually for the Public Service Commission administration of the police and fire protection fee; (b) \$324,100 annually to fund the Department of Military Affairs interoperability council; and (c) \$18,908,600 annually to fund the Department of Military Affairs

implementation of Next Generation 911.

**Joint Finance/Legislature:** Delete the proposed annual increase of \$5,780,000 GPR and the annual decrease of \$5,780,000 SEG to reflect the levels of funding provided from the police and fire protection fund to the Public Service Commission and the Department of Military Affairs.

In 2024-25, rename the police and fire protection fund, the 911 fund, as required by 2023 Act 12. Delete the current law county and municipal aid SEG appropriation estimated at \$34,424,800 SEG in 2024-25, which offsets GPR funding for county and municipal aid payments [see also "Department of Military Affairs" for the use of 911 fund monies].

### 7. SUPPLEMENTAL COUNTY AND MUNICIPAL AID -- LAC COURTE OREILLES FEDERAL COURT DECISION [LFB Paper 710]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$1,098,200                | - \$1,098,200                     | \$0        |  |

**Governor:** Provide \$578,000 in 2023-24 and \$520,200 in 2024-25 and create a sum sufficient appropriation to make additional county and municipal aid payments to certain towns and counties affected by the 2022 U.S. 7<sup>th</sup> Circuit Court of Appeals decision *Lac Courte Oreilles Band of Lake Superior Chippewa Indians of Wisconsin v. Evers*. The Court ruled in that case that the state of Wisconsin and its political subdivisions are prohibited under the 1854 Treaty of La Pointe from taxing all real property within the Bad River, Lac Courte Oreilles, Lac du Flambeau, and Red Cliff reservations if that property is owned by the tribe or one or more tribal members, regardless of whether the property had been previously owned by a non-tribal member. The effect of this decision is to reduce the amount of taxable property within certain towns and counties in which such property exists, which also shifts property taxes to the remaining taxable properties within those jurisdictions.

The affected towns and counties that will receive a payment from this program are: (a) the Town of Gingles in Ashland County; (b) the Town of Sanborn in Ashland County; (c) the Town of White River in Ashland County; (d) the Town of Russell in Bayfield County; (e) the Town of Sherman in Iron County; (f) the Town of Bass Lake in Sawyer County; (g) the Town of Lac du Flambeau in Vilas County; (h) Ashland County; (i) Bayfield County; (j) Iron County; (k) Sawyer County; and (l) Vilas County.

Direct DOA to calculate the amount of property tax revenue lost as a result not being able to legally impose general property taxes on property located within the Bad River, Lac Courte Oreilles, Lac du Flambeau, and Red Cliff reservations and owned by the tribe or one or more tribal members, and provide a payment in 2023-24 equal to that amount. Reduce the payment provided to each town and county by 10% in 2024-25 and each year thereafter. Specify that no payment will be provided in 2032-33, or thereafter. Modify the existing county and municipal aid GPR appropriation to exclude these payments.

Joint Finance/Legislature: Delete provision. Instead, provide \$3,613,000 PR to the Joint

Finance Committee's supplemental PR appropriation in 2023-24 for the Committee to release to make one-time aid payments to the affected counties to compensate for not being able to impose taxes on real property. Separate legislation would be required in the 2023-24 legislative session to direct the Committee to distribute the funds to a newly-created tribal gaming appropriation created by this provision.

Create an annual PR appropriation funded from tribal gaming revenue to provide an aid payment to the counties affected by the federal Circuit Court of Appeals decision. Any unencumbered balance in this PR appropriation as of June 30 of each year would lapse to the tribal gaming receipts appropriation account under DOA. Specify that the appropriation would sunset July 1, 2025. [For the fiscal effect of this item, see the Joint Finance Committee appropriation under "Program Supplements"].

**Veto by Governor [D-24]:** Delete the provision that limits payments to only affected counties. This allows the newly-created appropriation to be used to distribute funds to all taxing jurisdictions affected by the court ruling. Additionally, delete the provision that specifies that the appropriation would sunset on July 1, 2025.

[Act 19 Sections: 151 and 163]

[Act 19 Vetoed Sections: 152, 163, 164, and 9451]

### 8. COUNTY AND MUNICIPAL AID OFFSET ASSOCIATED WITH VOLKSWAGEN SETTLEMENT TRANSIT CAPITAL ASSISTANCE GRANTS

**Governor:** Modify the percentage reduction in county and municipal aid that Milwaukee County (Tier A-1) or the City of Madison (Tier A-2) would receive associated with a Volkswagen settlement transit capital assistance grant received after the effective date of the bill by a transit system serving their populations. Under current law, Milwaukee County and the City of Madison are subject to an annual reduction to their county and municipal aid payment over 10 consecutive years in the amount of 75% of the total amount of Volkswagen settlement transit capital assistance grants received by their transit systems. Under this modification, the annual reduction to county and municipal aid would instead be equal to 20% of the amount for any such grants awarded after the effective date of the bill.

Under current law, any county or municipality with an urban mass transit system that receives a transit capital assistance grant funded with Volkswagen settlement funds will receive a state aid reduction to its county and municipal aid payment in the following amounts, over 10 consecutive years: (a) for a Tier A-1 (Milwaukee County) or Tier A-2 (Madison) urban mass transit system serving a population exceeding 200,000, 75% of the total amount of grants received; (b) for a Tier B urban mass transit system serving a population of at least 50,000, 20% of the total amount of grants received; and (c) for a Tier C urban mass transit system serving a population of less than 50,000, 10% of the total amount of grants received.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 9. EXEMPTION OF PERSONAL PROPERTY FROM TAXATION -- ADDITIONAL EXEMPT PERSONAL PROPERTY AID PAYMENTS

| Governor<br>(Chg. to Base) |               | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change         |  |
|----------------------------|---------------|-----------------------------------|--------------------|--|
| GPR                        | \$202,400,000 | - \$202,400,000                   | \$0                |  |
| SEG                        | 0             | <u>173,800,000</u>                | <u>173,800,000</u> |  |
| Total                      | \$202,400,000 | - \$28,600,000                    | \$173,800,000      |  |

**Governor:** Provide \$202,400,000 in 2024-25 and expand the existing sum sufficient appropriation to include additional payments to taxing jurisdictions associated with Governor's recommendation to exempt all personal property from property taxation. Require that beginning in 2025, the Department of Administration distribute to each taxing jurisdiction an amount equal to the property taxes levied in 2023(24) on items of personal property that would be exempt from taxation under the bill. Specify that beginning in 2026, and each year thereafter, the amount of aid received by taxing jurisdictions would equal the previous year's distribution, adjusted by the percentage change in the U.S. consumer price index for all urban consumers, U.S. city average, for the 12 months ending on June 30, but not less than zero. The current law aid payment is meant to hold taxing jurisdictions harmless of the loss in taxable value associated with the 2017 exemption of personal property classified as machinery, tools, and patterns not used for manufacturing, from taxation.

Require municipalities to report to DOR the amount of property taxes levied on items of personal property as of January 1, 2023, on behalf of the municipality and other taxing jurisdictions. Specify that a municipality's 2025 personal property aid payment would be reduced by 50% if the municipality does not provide this information by June 30, 2024, and forfeited if the municipality does not provide this information by July 15, 2024. If a municipality fails to submit this information to DOR, the Department may use the best available information to estimate the amount of the 2025 aid payment to the other affected taxing jurisdictions.

Delete the aid payment appropriation created by 2021 Act 58 to make payments to local taxing jurisdictions if the personal property tax was repealed during the 2021-22 legislative session. Repeal the requirement that the Joint Finance Committee transfer funds appropriated in 2021-22 from its biennial supplemental appropriation to that personal property aid payment appropriation following a repeal of the personal property tax.

**Joint Finance/Legislature:** Delete provision. Beginning in 2024-25, provide \$173,800,000 SEG from a newly-created appropriation funded from the local government fund for an aid payment to hold local taxing jurisdictions harmless following the repeal of remaining personal property from taxation included in 2023 Act 12. Modify the current law levy limit adjustment for personal property aid to include the new personal property aid payments provided under this provision. Specify that the payments be made on the first Monday in May of each year.

[Act 19 Sections: 160, 319, and 360]

### 10. EXISTING EXEMPT PERSONAL PROPERTY AID REESTIMATE [LFB Paper 106] GPR \$180,000

**Governor/Legislature:** Increase funding by \$90,000 annually to reflect a reestimate of the current law exempt personal property aid payments to local governments for exempt personal property classified as non-manufacturing machinery, tools, and patterns. This reestimate reflects changes to the treatment of personal property aid payments provided to tax incremental financing (TTF) districts after the district closes, made by 2021 Act 61. That Act required those payments to be distributed among all overlying taxing jurisdictions in the year after the district closes, according to each jurisdiction's share of the TIF district's value. This aid payment was created to hold local taxing jurisdictions harmless for this property being made tax exempt in 2017. With this reestimate, base level funding of \$75,530,900 would increase to \$75,620,900 in both years of the biennium (the amount in 2024-25 would be increased under a separate recommendation, shown below, to exempt additional items of personal property from taxation).

### 11. ELIMINATE COMPUTER AID PAYMENT DELAY [LFB Paper 711]

|    | Governor<br>(Chg. to Base | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|----|---------------------------|-----------------------------------|------------|--|
| GP | PR \$98,047,100           | - \$98,047,100                    | \$0        |  |

**Governor:** Provide \$98,047,100 in 2023-24 associated with eliminating the delay in computer aid payments, beginning with the 2024 aid payment. Specify that the date for the distribution of the current calendar year computer aid payment to taxing jurisdictions be the first Monday in May of that year, rather than the fourth Monday in July (the subsequent fiscal year), as required under current law. For example, under current law, the 2024 aid payments are distributed on the fourth Monday in July, which means these computer aid payments are made in 2024-25. Under the recommended payment date change, the 2024 aid payment would instead be made in 2023-24. To reflect the change in payment dates, eliminate the requirement that school districts treat computer aid payments received in July as if they had been received in the previous school year. Specify that this change would first take effect on January 1, 2024. The provision would result in both the calendar year 2023 and 2024 computer aid payments being made in 2023-24. Computer aid payments are made to hold local taxing jurisdictions harmless for exempt computer property that was made tax exempt in 1999.

Joint Finance/Legislature: Provision not included.

### 12. PUBLIC UTILITY AID -- SUM SUFFICIENT REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|-----|----------------------------|-----------------------------------|-------------|--|
| GPR | \$8,641,500                | - \$1,207,900                     | \$7,433,600 |  |

Governor: Increase funding by \$264,800 in 2023-24 and \$8,376,700 in 2024-25 to the sum

sufficient utility aid distribution account to reflect estimated payment amounts in the biennium. With these adjustments, base level funding of \$87,916,900 would increase to \$88,181,700 2023-24 and \$96,293,600 in 2024-25. The public utility aid distribution account is used to make aid payments to counties and municipalities containing light, heat, power, and electric public utility generation and transmission properties that are exempt from local property taxation.

**Joint Finance/Legislature:** Increase funding by \$768,100 in 2023-24 and decrease funding by \$1,976,000 in 2024-25 to the sum sufficient utility aid distribution account. With these adjustments, utility aid distributions would equal \$88,949,800 in 2023-24 and \$94,317,600 in 2024-25.

### **13. UTILITY AID -- ENERGY STORAGE FACILITIES**

| Governor<br>(Chg. to Base) |           | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------|-----------------------------------|------------|
| GPR                        | \$400,000 | - \$400,000                       | \$0        |

**Governor:** Provide \$400,000 in 2024-25 associated with requiring utility aid payments to be made to municipalities and counties where energy storage facilities are located. Calculate the amount of the payment by multiplying the facility's name-plate capacity by \$2,000 and divide the resulting payment between the municipality and the county in which the facility is located. As drafted, if the facility is located in a town, the town will receive a payment equal to three mills multiplied by the total name-plate capacity payment, and the county will receive a payment equal to six mills multiplied by the name-plate capacity payment. If the facility is located in a city or village, the municipality will receive a payment equal to six mills multiplied by the total name-plate capacity payment equal to three mills multiplied by the name-plate capacity payment equal to three mills multiplied by the total name-plate capacity payment equal to six mills multiplied by the total name-plate capacity payment. If the facility is located in a city or village, the municipality will receive a payment equal to three mills multiplied by the name-plate capacity payment. However, the administration indicates that its intention was to divide these payments in a manner similar to the way net book value payments are divided under current law. This would mean that if the facility is located in a town, the town would receive one-third of this payment, while the county would receive two-thirds; if the facility is located in a city or village, the municipality would receive two-thirds of the payment, and the county would receive one-third. A technical amendment would be required to reflect the intention of the administration.

Utility aid payments are made on the fourth Monday in July (15%) and the third Monday in November (85%). As drafted, this provision would first apply to utility aid distributions made after January 1, 2025, or the 2025-26 aid payment. However, the Administration indicates that the intention was to have the additional distributions begin in 2024-25. An amendment to the bill would be needed to reflect this intent.

Define "energy storage facility" as a property to which all of the following apply: (a) the property is interconnected to the electrical grid; (b) the property is designed to receive electrical energy, to store the electrical energy as another form of energy, and to convert that other form back into electrical energy; (c) the property delivers the electrical energy, converted from some other form of energy, for sale or to use for providing reliability or economic benefits to the electrical grid; and (d) the property is owned by a light, heat, and power company or electric cooperative

paying state licensing fees, or a municipal electric company, but not property used by a municipal utility to provide service outside the municipal boundaries unless that property is owned or operated by a local governmental unit located outside of the municipality. Clarify that an "energy storage facility" may include hydroelectric pumped storage, compressed air energy storage, regenerative fuel cells, batteries, superconducting magnetic energy storage, flywheels, thermal energy storage systems, and hydrogen storage, or any combination thereof. Specify that an "energy storage facility" may also include any similar technologies, as determined by the federal energy regulatory commission.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 14. UTILITY AID -- ELECTRIC VEHICLE CHARGING INFRASTRUCTURE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$2,700                    | - \$2,700                         | \$0        |  |

**Governor:** Provide \$2,700 in 2024-25 associated with requiring utility aid payments to be made to municipalities and counties where qualifying electric vehicle charging infrastructure is located. Calculate the amount of the payment in the same manner as the current law nine mill formula, by multiplying the value of the qualified electric vehicle charging station by nine mills and divide the payment between the municipality and the county in which the infrastructure is located. Specify that if the charging infrastructure is located in a town, the town would receive one-third of this payment, while the county would receive two-thirds; if the charging infrastructure is located in a city or village, the municipality would receive two-thirds of the payment, and the county would receive one-third.

Utility aid payments are made on the fourth Monday in July (15%) and the third Monday in November (85%). As drafted, this provision would first apply to utility aid distributions made after January 1, 2025, or the 2025-26 aid payment. However, the Administration indicates that the intention was to have the additional distributions begin in 2024-25. An amendment to the bill would be needed to reflect this intent.

Define "qualifying electric vehicle charging infrastructure" as level 3 electric vehicle supply equipment that has a minimum charging capacity of 480 volts and is owned by a light, heat, and power company or electric cooperative paying state licensing fees, or a municipal electric company, but not property used by a municipal utility to provide service outside the municipal boundaries unless that property is owned or operated by a local governmental unit located outside of the municipality.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 15. PAYMENTS FOR MUNICIPAL SERVICES PROGRAM [LFB Paper 712]

| Governor<br>(Chg. to Base) |              | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|----------------------------|--------------|-----------------------------------|------------|--|
| GPR                        | \$1,858,400  | - \$1,858,400                     | \$0        |  |
| GPR-RE                     | EV \$606,600 | - \$606,600                       | \$0        |  |

**Governor:** Provide \$929,200 annually for the payments for municipal services program, to increase base level funding from \$18,584,200 to \$19,513,400 for the program. In addition, increase GPR-REV by \$303,300 annually to reflect additional chargebacks to facilities funded from non-GPR sources. The program provides annual payments to reimburse municipalities for all or a portion of property tax supported expenses incurred in providing services to state facilities, which are exempt from property taxation. When calculated entitlements under the program exceed the appropriation, payments are prorated. In 2022-23, payments under this program were prorated at 38.1% of total calculated entitlements.

Joint Finance: Delete provision.

### **16.** EXPENDITURE RESTRAINT PAYMENT PROGRAM [LFB GPR - \$2,232,000 Paper 106]

**Governor/Legislature:** Reduce funding by \$1,166,000 annually in the appropriation for the expenditure restraint payment program. These decreases reflect the elimination of payments made to the Village of Maine and the City of Janesville, which ended with the payment made in 2022-23. With these adjustments, base level funding would decrease from the adjusted base level funding amount of \$59,311,700 to \$58,145,700 each year.

### **17. EXPENDITURE RESTRAINT PROGRAM -- DEFINITION OF MUNICIPAL BUDGET**

**Governor:** Specify that for the purposes of determining eligibility for an expenditure restraint payment, the definition of "municipal budget" would not include the following; (a) revenues resulting from a referendum to exceed the municipal levy limit; (b) revenues from a municipal motor vehicle registration fee that is approved at referendum; and (c) moneys received from the federal government. The provision would first apply to payment distributions made for 2024 (2024-25).

Under current law, a municipality must satisfy two eligibility criteria to receive an expenditure restraint payment: (a) a municipality must have a full value property tax rate that exceeds five mills; and (b) a municipality must restrict the rate of year-to-year growth in its municipal budget to a percentage determined by a statutory formula. For the purpose of determining eligibility for an expenditure restraint payment, this provision would exclude from a municipality's budget the amount by which a municipality would be allowed to adjust its allowable levy following passage of a referendum to increase the municipal levy limit. In 2022, 29 municipalities approved an increase in the levy limit at referendum.

The provision would exclude from a municipality's budget the amount of revenues associated with municipal registration fees for motor vehicles (the "wheel" tax), if the imposition of the fee is approved at referendum. Municipalities are allowed under state law to impose a flat, annual registration fee on automobiles and trucks of not more than 8,000 pounds customarily kept within their jurisdiction. The revenues from the registration fee must be used for purposes related to transportation. In order to impose a municipal registration fee, the municipal governing body must adopt an ordinance. While the proposed exclusion would only apply to revenues associated with a wheel tax approved at referendum, current law does not require electors to approve a wheel tax at referendum.

The provision would also exclude from a municipality's budget any moneys received from the federal government. Municipalities receive intergovernmental revenue from the federal government for a variety of purposes. In 2021, municipalities received a total of \$477.5 million in direct federal intergovernmental revenues, which does not include federal moneys that were paid to local governments through the state government.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 18. UTILITY AID -- INCREASE EXISTING INCENTIVE AIDS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |  |
|-----|----------------------------|-----------------------------------|-------------|--|
| GPR | \$0                        | \$4,100,000                       | \$4,100,000 |  |

**Joint Finance/Legislature:** Provide \$4,100,000 GPR in 2024-25 associated with modifying existing incentive aid components of the utility aid formula. Increase the incentive aid payment from \$600 to \$900 per megawatt for production plants with at least one of the following characteristics: (a) the production plant was built on the site of or on a site adjacent to an existing or decommissioned production plant; (b) the production plant was built on a site purchased before January 1, 1980, that was identified in an advance plan as a proposed site for a production plant; or (c) on a brownfield or a site adjacent to a brownfield. In addition, increase the incentive aid payment from \$1,000 to \$1,500 per megawatt for production plants that generate power using alternative energy resources. This provision would first apply to the 2024 aid distribution, which is paid in 2024-25.

[Act 19 Sections: 357 and 358]

# **19. CONVERT COUNTY AND MUNICIPAL AID APPROPRIATION TO SEG -- LOCAL GOVERNMENT FUND**

| GPR   | - \$707,684,200 |
|-------|-----------------|
| SEG   | 753,075,300     |
| Total | \$45,391,100    |

### Joint Finance/Legislature: Beginning in 2024-25, convert the GPR

appropriation for providing existing county and municipal aid payments to a SEG appropriation funded from the local government fund, created under 2023 Wisconsin Act 12. Delete \$707,684,200 GPR and provide \$753,075,300 SEG in 2024-25 from the local government fund to

make the aid payments in that year.

[Act 19 Sections: 158, 203, and 9437(4)]

#### 20. **CONVERT GPR COMPUTER AID APPROPRIATION TO SEG -- LOCAL GOVERNMENT FUND**

Joint Finance/Legislature: Beginning in 2024-25, convert the GPR

appropriation for providing computer aid payments to a SEG appropriation funded from the local government fund, created under 2023 Wisconsin Act 12.

[Act 19 Sections: 159 and 9437(4)]

| 21. | CONVERT  | EXISTING  | GPR    | EXEMPT    | PERSONAL | GPR   | - \$75,620,900 |

|        |            |    |
|        |            |    |

### 24. CONVERT GPR VIDEO SERVICE PROVIDER FEE AID APPROPRIATION TO SEG -- LOCAL GOVERNMENT FUND

| GPR   | - \$10,008,200 |
|-------|----------------|
| SEG   | 10,008,200     |
| Total | \$0            |

**Joint Finance/Legislature:** Beginning in 2024-25, convert the GPR appropriation for providing video service provider fee aid payments to a SEG appropriation funded from the local government fund, created under 2023 Wisconsin Act 12.

[Act 19 Sections: 162 and 9437(4)]

### **Property Tax Credits**

### 1. FIRST DOLLAR CREDIT REESTIMATE [LFB Paper 106] GPR - \$544,000

**Governor/Legislature:** Decrease funding by \$272,000 annually to reflect the \$148,228,000 actual amount of 2022(23) credits to be paid in 2023-24 and the estimated credits to be paid for property tax year 2023(24) in 2024-25. The 2022(23) credits are to be distributed in July, 2023, based on the \$8,500 credit base established by the Department of Revenue in November, 2022, and an estimate of the eligible parcels on which the credit was claimed. The base funding level for the first dollar credit is \$150 million.

### 2. FARMLAND PRESERVATION CREDIT REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-----|----------------------------|-----------------------------------|---------------|
| GPR | - \$900,000                | - \$650,000                       | - \$1,550,000 |

**Governor:** Reestimate the sum-sufficient appropriations for the farmland preservation tax credit by -\$430,000 in 2023-24 and -\$470,000 in 2024-25. The credit applies to certain lands in farmland preservation zoning districts and under farmland preservation agreements. The bill would budget payments under the credit at \$16,360,000 in 2023-24 and \$16,320,000 in 2024-25. The cost of the credit for 2022-23 is estimated to be \$16,340,000.

**Joint Finance/Legislature:** Reestimate an additional -\$220,000 in 2023-24 and -\$430,000 in 2024-25 for the farmland preservation tax credit. Payments under the credit would be budgeted at \$16,140,000 in 2023-24 and \$15,890,000 in 2024-25. The cost of the credit for 2022-23 is estimated to be \$16,340,000.

### 3. LOTTERY AND GAMING CREDIT REESTIMATE [LFB Paper 675]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| SEG | \$41,695,600               | \$53,888,200                      | \$95,583,800 |

**Governor:** Increase funding by \$21,734,700 in 2023-24 and \$19,960,900 in 2024-25 to the sum sufficient appropriation to reflect estimates of lottery proceeds available for lottery and gaming property tax credit distribution. With these adjustments, estimated total funding for the credit would increase from an adjusted base level of \$277,116,000 to \$298,850,700 in 2023-24 and \$297,076,900 in 2024-25. The estimated cost of the credit for 2022-23 is \$319.9 million.

**Joint Finance/Legislature:** Increase funding for the lottery and gaming credit by \$39,175,100 in 2023-24 and by \$14,713,100 in 2024-25 associated with the following changes in funding for the credit from the lottery fund: (a) an increase of \$23,356,500 in 2023-24 and a decrease of \$1,065,600 in 2024-25, to reflect reestimates of lottery sales and interest earnings in 2022-23 and the 2023-25 biennium; (b) an increase of \$15,849,800 annually to reflect additional GPR funding for lottery retailer compensation and vendor fee expenditures, which results in a corresponding decrease in lottery fund expenditures for these purposes; (c) a decrease of \$125,200 in 2023-24 and \$165,100 in 2024-25, to reflect funding for additional staff positions [see "Department of Revenue -- Lottery Administration"]; and (d) an increase of \$94,000 annually to reflect standard budget adjustments for turnover reduction. With these increases, funding for the credit would equal an estimated \$338,025,800 in 2023-24 and \$311,790,000 in 2024-25.

### 4. LOTTERY AND GAMING CREDIT; LATE APPLICATIONS SEG \$368,800 [LFB Paper 106]

**Governor/Legislature:** Request increases of \$184,400 in each year to the sum sufficient appropriation to reflect estimated lottery and gaming credits to be paid to persons who apply for the credit after tax bills have been issued. With these adjustments, estimated total funding would increase from an adjusted base level of \$665,600 to \$850,000 annually.

### 5. SCHOOL LEVY TAX CREDIT FUNDING INCREASE

GPR \$590,000,000

**Joint Finance/Legislature:** Provide an additional \$255,000,000 GPR in 2023-24 and \$335,000,000 GPR in 2024-25, and each year thereafter, for the school levy tax credit. Create a separate payment date to distribute this payment amount on the first Monday in May, rather than the fourth Monday in July, when existing school levy tax credits are paid. With these changes, total funding for the credit would increase to \$1,195,000,000 GPR in 2023-24 and \$1,275,000,000 GPR in 2024-25, and each year thereafter.

[Act 19 Sections: 361 thru 367]

### **Property Taxation**

#### 1. LEVY LIMITS -- 2% MINIMUM LEVY INCREASE

**Governor:** Increase the minimum allowable percentage change that counties and municipalities may increase their allowable levies from 0% to 2%. Current law prohibits counties and municipalities from increasing their levies by a percentage that exceeds their annual valuation factor, aside from specific exclusions or adjustments. The "valuation factor" is currently defined as a percentage equal to the greater of either the percentage change in a county or municipality's January 1 equalized value due to new construction, less improvements removed between the previous year and current year ("net new construction"), or 0%. This valuation factor is then multiplied by each county's and municipality's actual prior year levy to obtain their allowable levy for the current year prior to any allowable exclusions or adjustments.

Under this provision, the definition of "valuation factor" would be changed so that the minimum allowable percentage change to county and municipal levies is 2% rather than 0%. As a result, this modification would increase the allowable levies of counties and municipalities over their prior year actual levies by the greater of the percentage change in equalized values due to net new construction or 2%. This provision would first apply to property tax levies imposed in December, 2023, for the 2023(24) property tax year.

For tax year 2021(22), the statewide average change in equalized value from net new construction was 1.1% for towns, 1.4% for villages, 1.4% for cities, and 1.3% for counties. For 2021(22), 136 towns, 98 villages, 37 cities, and six counties had an actual change in their levy above 2% due to the change in equalized value from net new construction.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 2. LEVY LIMITS -- REPEAL OF NEGATIVE ADJUSTMENT FOR FEES FROM COVERED SERVICES

**Governor:** Repeal the negative levy limit adjustment for covered services on the effective date of the bill. Current law requires counties and municipalities to reduce their allowable levies by an amount equal to the estimated fee revenues received in lieu of property taxes for providing a covered service that was funded with the property tax levy in 2013. A "covered service" is defined to mean garbage collection, fire protection, snow plowing, street sweeping, or storm water management, although some specific exceptions exist (garbage collection for any county or municipality that owned and operated a landfill on January 1, 2013, and fire protection services, including the production, storage, transmission, sale and delivery, or furnishing of water for public fire protection services). Under this provision, counties and municipalities that receive new or additional annual fee revenues for covered services, which were previously funded from their levy, would no longer be required to reduce their allowable levies by the estimated annual fee revenues.

### 3. LEVY LIMITS -- REPEAL OF NEGATIVE ADJUSTMENT FOR TRANSFERRED SERVICES

**Governor:** Repeal the negative adjustment to the annual levy limit that is required for a county or municipality that transfers services to another local government. Current law requires a county or municipality to reduce their allowable levy after transferring the responsibility for providing a service to another unit of government. The amount of this reduction is equal to the cost that the county or municipality would have incurred if it had continued to provide the transferred service. Under this provision, any county and municipality that transfers services to another unit of government would no longer be required to reduce their annual allowable levy associated with the cost of the transferred service. Specify that this provision would first apply to levies imposed in December, 2023, for the 2023(24) property tax year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. LEVY LIMITS -- APPROVAL OF CARRYOVER LEVY CAPACITY ADJUSTMENT

**Governor:** Repeal the current law requirement for a supermajority to approve the use of carryover levy authority. Instead, allow counties and municipalities to approve carryover levy authority by a simple majority of the governing body, up to the current law maximum percentages, beginning on the effective date of the bill.

Two exclusive carryover adjustments to levy limits exist under current law. Under the first, if a local government's allowable levy in the preceding year exceeded its actual levy in the same year, the local government may increase its allowable levy in the current year by an amount equal to the unused levy authority in the preceding year. If approved by the local governing board, the increase for this adjustment under current law is limited to not more than 0.5% unless approved by a two-thirds or three-quarters vote, depending on the size of the municipal or county governing body. If approved by these supermajority votes, the levy may be increased to a maximum of 1.5%.

Under the second carryover adjustment, a factor is calculated for each year equal to the difference between the local government's valuation factor (the percentage change in the local government's equalized value due to net new construction in the current year) and the actual percentage increase in its levy attributable to the valuation factor. The local government's maximum carryover adjustment equals the sum of the factors for the five preceding years, except the sum of the factors cannot exceed 5%. A local government cannot claim this adjustment unless its level of outstanding general obligation debt in the current year is less than or equal to its level of general obligation debt in the preceding year, and the adjustment is approved by a two-thirds majority vote.

### 5. LEVY LIMIT -- MODIFICATION TO CURRENT EXCLUSION FOR JOINT FIRE DEPARTMENTS AND JOINT EMERGENCY MEDICAL SERVICES DISTRICTS

**Governor:** Modify the current law definitions related to the exclusion to county and municipal levy limits for amounts levied to pay for charges assessed by a joint fire department or joint emergency medical services district. Rename and modify any references to a "joint fire department service" to instead be referenced as a "joint fire service." Specify that a joint fire service would continue be defined as a joint fire department, but would also include a joint fire service organized by two or more municipalities through the formation of the following specified types of service arrangements: (a) a joint fire service district; (b) a joint ownership; (c) joint purchase of services from a nonprofit corporation; or (d) a joint contracting with a public or private fire service provider. Make the same changes to the definition of a "joint emergency medical services district", which would be renamed a "joint emergency medical service," to include the same types of arrangements for the provision of joint emergency medical services. Specify that charges assessed by a joint fire service or joint emergency medical service. These provisions would first be effective on the general effective date of the bill.

Current law allows a municipality that is part of a joint fire department or joint emergency medical service district to exceed their levy limits by the amount of charges assessed by the joint fire department or emergency medical service district, if the charges would cause the municipality to exceed its levy limit, if the other members served by the joint department adopt resolutions supporting the municipality exceeding its limit, and if the total charges assessed by the joint department increase on a year-to-year basis by a percentage less than or equal to the percentage change in the consumer price index for the 12 months ending on August 31, plus 2%.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 6. LEVY LIMIT -- EXCLUSION FOR REGIONAL PLANNING COMMISSION CONTRIBUTIONS

**Governor:** Create an exclusion to county and municipal levy limit for amounts levied in a year to pay for the county or municipality's share of a regional planning commission's budget, as charged by the commission under current law. As a result, these costs would not be subject to the annual levy limit of the affected local governments. This provision would first apply to levies imposed in December, 2023 (payable 2024). Further, specify that for the purpose of a levy imposed in December, 2023, the amount levied in the previous year to pay for a county or municipality's share of a regional planning commission's budget would not be included in the base levy amount to which the levy limit applies. Regional planning commissions have the authority under current law to charge local governments up to 0.003% of the equalized value under the local government's jurisdiction, unless the governing body of the commission approves a greater amount.

### 7. LEVY LIMIT -- EXCLUSION FOR CROSS-BORDER TRANSIT ROUTES

**Governor:** Create an exclusion to the county and municipal annual levy limit for amounts levied in a year for operating and capital costs directly related to the provision of new or enhanced transit services across adjacent county or municipal borders. As a result, these costs would not be subject to the annual levy limit of the affected local governments.

Specify that all of the following would have to apply for the exclusion to be taken: (a) the starting date for the new or enhanced transit services occurs after the effective date of the bill; (b) the political subdivisions between which the new or enhanced transit routes operate have entered into an intergovernmental cooperation agreement to provide for the new or enhanced transit routes, and the agreement describes the services and the amounts that must be levied to pay for those services; and (c) the intergovernmental cooperation agreement is approved in a referendum, by the electors of each political subdivision that is a party to the agreement. Specify that the referendum be held at the next succeeding spring primary or election, partisan primary, or general election, which could be held no earlier than 70 days after the adoption of the agreement by all parties. Require the governing body that has proposed the referendum to file the resolution to be submitted to the electors under current law referenda filing procedures.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 8. PERSONAL PROPERTY TAX EXEMPTION

|              |             | Jt. Finance/Leg.<br>(Chg. to Gov) |             |
|--------------|-------------|-----------------------------------|-------------|
| GPR-Transfer | \$9,000,000 | - \$9,000,000                     | \$0         |
| SEG-Transfer | \$0         | \$8,000,000                       | \$8,000,000 |

**Governor:** Require DOA to transfer \$9.0 million from the general fund to the transportation fund on December 30, 2024, associated with the exemption of the personal property tax from taxation. Further, require DOA to transfer from the general fund to the transportation fund an amount equal to the amount transferred to the transportation fund in the previous year, increased by 1.25%, on December 30, 2025, and each December 30 thereafter.

Under current law, taxes paid by railroad companies are deposited into the transportation fund. Due to the exemption of personal property taxes from taxation and the changes made to the taxation of railroads, revenues to the transportation fund would decrease due to the reduction in taxable value of railroad companies. This annual payment would compensate the transportation fund for that lost revenue each year.

### **Personal Property Exemption**

Make the following statutory modifications to related to the provisions to exempt personal property from taxation, beginning with property tax assessments as of January 1, 2024.

*Property Made Exempt from Property Taxation.* In addition to those items specifically exempt from the personal property tax, specify that the exemption would apply to the following types of property, defined as personal property under current law: (a) all goods, wares, merchandise, chattels, and effects, of any nature or description, having any real or marketable value, and not defined as real property; (b) saw logs, timber, and lumber, either upon land or afloat; (c) steamboats, ships, and other vessels, whether at home or abroad, and ferry boats, including the franchise for running the same; (d) ice cut and stored for use, sale, or shipment; (e) irrigation implements used by a farmer, including pumps, power units to drive the pumps, transmission units, sprinkler devices, and sectional piping: and (f) off-premises advertising signs that do not advertise the business or activity that occurs at the site where the sign is located.

Specify that the exemption would also apply to steam and other vessels, and furniture and equipment. Classify recreational mobile homes, as currently defined, as personal property and make such homes exempt from the property taxation if the land upon which the this type of property is located is not owned by the home owner or the home is not set upon a foundation or connected to utilities. Under current law, all recreational mobile homes are specifically exempt from the personal property tax. However, this specific exemption would be modified to include only recreational mobile homes that would be classified as personal property under the bill.

Allow taxing jurisdictions to include the most recent valuation of personal property to be exempt from taxation that is located in the taxing jurisdiction for the purposes of complying with debt limitations applicable to the jurisdiction.

Property Remaining Subject to Property Taxation. Specify that this exemption would not apply to any property defined as real property, improvements on leased lands assessed as real property, or any property owned by electric utility companies that is located entirely in a single municipality and is subject to local property taxation. Reclassify certain property currently assessed as personal property to real property, which would result in the property remaining subject to general property taxation. Specify that beginning with the property tax assessments as of January 1, 2024, the following property would be specifically assessed as real property and remain subject to the property tax: (a) manufactured and mobile homes not otherwise exempt from taxation, if the home is set upon a foundation and connected to utilities; (b) advertising signs, except off-premises signs that do not advertise the business or activity that occurs at the site where the sign is located; (c) buildings, improvements, and fixtures on leased lands; (d) buildings, improvements, and fixtures on exempt lands, not otherwise exempt from taxation; (e) buildings, improvements, and fixtures on forest croplands; (f) buildings, improvements, and fixtures on managed forest lands; and (g) improvements on lands in the state owned by the federal government. Provide that real property buildings and improvements would not include any property classified as personal property. Update cross-references to require that this property be assessed as real property.

Remove toll bridges, private railroads and bridges, and entire property of utility companies, which are located entirely within one taxation district, from the definition of personal property.

(The property of utility companies located entirely within one taxation district is discussed further below, under the section "Treatment of Public Utility Taxes.")

*Aid Payment to Hold Taxing Jurisdictions Harmless.* Create an aid payment to compensate local taxing jurisdictions for loss in taxable value associated with the exemption of personal property from taxation. [See "Direct Aid Payments."]

Changes to Certain Assessment Practices. Specify that the following current law requirements apply only to assessments of personal property made before January 1, 2024: (a) the assessment of personal property in the assessment district where it is located; (b) to whom the property is to be assessed, including when owner is not in the charge or possession of the property; (c) the liability to the owner when personal property is assessed to another, including a debtor's interest or right to receive property; (d) personal property under partnership, including limited liability partnerships; (e) the treatment of undistributed personal property belonging to an estate, of a decedent and claims for taxes against that property for estates with no personal representative or trustee, or one or more such representative or trustees; (f) the duties of the assessor regarding the valuation, and the placement of assessments and aggregate values on the assessment rolls; (g) the taxpayer oath regarding determination of the amount and value of personal property tax on the tax rolls, including the assessor and board of review responsibilities; (h) penalties for false statements regarding personal property on assessments, including the District Attorney's duties; (i) the correction of tax rolls regarding personal property tax; (j) the treatment of personal property omitted from tax rolls; (k) the requirement for the name and address of owners of all personal property and amounts of taxes to appear on tax rolls; (1) the collection of taxes in certain cities; (m) the correction of errors in the listing of personal property on the tax roll; (n) the reassessment of property; and (o) with regard to examining the practices of assessors, delete the current law reference relating to DOR having to solve disputes between the Department, municipalities, and property owners regarding the taxability of computers, cash registers and fax machines.

*Assessor's Plat.* Include land and the buildings, improvements, and fixtures on that land to the current law definition of an assessor plat involving land owned by two or persons in severalty. Update statutory references to assessor's plats to include references to the land and the buildings, improvements, and fixtures on that land.

*Recalculation of TIF District Base Values*. Specify that upon receiving a written application from the town, village, city or political subdivision clerk, in a form prescribed by DOR, the Department would be required to recalculate the base value of a tax incremental financing (TIF) district or an environmental remediation TIF district affected by the exemption of personal property from taxation to remove the value of such personal property. Require that any request received before October 31 would be effective in the year following the year in which the request is made. Any request received after October 31 would be effective in the second year following the year in which the request is made.

Assessment of Manufacturing Property. Modify the assessment of manufacturing property to: (a) delete references to lands, buildings and structures to refer instead to real property; (b) delete references to personal property or tangible personal property to refer instead to real property only; (c) clarify that "manufacturing, assembling, processing, fabricating, making, or milling" includes the entire productive process, and includes activities such as the storage of raw materials, the movement thereof to the first operation thereon, and the packaging, bottling, crating, or other preparation of products for shipment when located at the site of the production process; (d) delete the requirement that DOR assess tangible personal property used in manufacturing; (e) require that a change in location of a manufacturing establishment would not necessitate a new request for the Department to classify a property as manufacturing property; and (f) delete the requirement that the DOR calculate the value of tax-exempt computer property, cash registers, and fax machines that are used in manufacturing.

Establish a procedure for DOR to classify an establishment as manufacturing, if the Department determines that the establishment is engaged in manufacturing. Require an establishment that wishes to be classified as manufacturing to submit a written request to DOR by July 1 of the year for which that classification is desired. Allow DOR to audit or investigate requests for classification and to revoke classification of an establishment as manufacturing. Require an establishment that submits a request for classification to notify DOR of any termination of manufacturing activity within 60 days. Require DOR to issue a notice of determination by December 31 for any classification request received by July 1, and allow DOR to issue a notice of determination by December 31 for classification requests received after July 1 at its discretion. Specify that the notice be in writing and sent by first class mail or electronic mail, and require that the notice include information that objections must be filed in writing with the state Board of Assessors no later than 60 days after the date of the notice and that a fee of \$200 must be paid when the objection is filed. Specify that an objection will not be considered to have been filed until the fee is paid and that the requirement that the objection be in writing may not be waived by either the Board of Assessors or the Tax Appeals Commission. Provide that an objection would be considered timely if received by the Board no later than 60 days after the date of the notice of determination or sent by U.S. postal service certified mail in a properly addressed envelope, with postage paid, that is postmarked before midnight of the last day of filing. Require the state Board of Assessors to investigate any timely objections and provide notice of its decision to the objector or the objector's agent by 1st class mail or electronic mail. Specify that if the state Board of Assessors result in an establishment should not be classified as manufacturing, the person who has been notified of the Board's decision will be assumed to accept the determination, unless that person files a petition for review with the clerk of the Tax Appeals Commission. Extend references to this classification procedure and objections to include current law determinations of the Tax Appeals Commission.

*Miscellaneous Property Tax Provisions*. Remove various statutory references to personal property to reflect the exemption of personal property from the assessment of property taxes. Specify that property that is used in part in a non-profit trade or business under Sections 511 to 515 of the federal internal revenue code would not be assessed for taxation, if that property is otherwise exempt from general property taxation. Repeal the current law provision that the property tax for property that is owned or leased by a corporation that provides services to a light, heat, and power company, that is subject to tax under Chapter 76 of statutes, be assessed for taxation in part at the portion of the fair market value of the property that is not used to provide such services.

Delete the current law reference that delinquent dog license taxes can be collected using the

same process for collecting personal property taxes. Rather, allow delinquent dog licenses to be collected in a civil action, if that action is brought within six years after the January 1 of the year in which the taxes are required to be paid.

### **Income and Franchise Tax Changes**

The bill would provide for technical changes to correct various cross references to the personal property tax in the income and franchise tax statutes.

In regards to the manufacturing and agriculture tax credit (MAC), the bill would alter the definition of "manufacturing property factor" and "qualified production property" as follows. Under current law, the credit is designed to provide tax relief in proportion to the amount of the claimant's manufacturing and agricultural property that is located in Wisconsin. Generally, the MAC is computed as 7.5% of a claimant's eligible qualified production activities income (QPAI). QPAI is the sum of production gross receipts less certain costs, where production gross receipts are defined as including certain personal property grown by the claimant on Wisconsin agricultural land and tangible personal property manufactured in whole or in part by the claimant on property assessed as manufacturing. Eligible QPAI for the manufacturing credit is the claimant's QPAI multiplied by the manufacturing property factor.

Because personal property would no longer be assessed under the personal property tax, the bill would make the following changes to computing the MAC. First, the manufacturing property factor would be based on the claimant's land and depreciable property, rather than real and personal property assessed as manufacturing. Second, the definition of "qualified production property" would exclude property that is not manufactured within the state on property approved to be classified and assessed as manufacturing real property. (The bill would also clarify that this includes property not eligible to be listed on DOR's manufacturing roll until January 1 of the following year.) This modification is intended to prevent property manufactured outside the state from qualifying for the credit.

Third, to provide a Wisconsin manufacturer that does not own any real property within the state a means of claiming the MAC, the bill would define qualified production property as also including tangible personal property manufactured in whole or in part by the claimant at an establishment that is located in this state and classified as manufacturing. A person wishing to classify the person's establishment as manufacturing would be required to file an application in the form and manner prescribed by DOR no later than July 1 of the taxable year for which the person wishes to claim the MAC. DOR would be required to make a determination and provide written notice by December 31 of the year in which the application is filed. Such determination on the classification could be appealed in the same manner as classifying an establishment under the property tax.

The Administration did not provide a fiscal effect for the foregoing alterations to the definitions of the manufacturing property factor and qualified production property.

Finally, the bill would provide for technical changes under income and franchise tax provisions to remove cross references to the personal property tax, including: (a) the homestead tax credit; (b) the veterans and surviving spouses property tax credit; (c) the property tax/rent

credit; and (d) an administrative provision for liens on trust estates for taxes levied against a beneficiary.

### **Sales Tax Provisions**

Under current law, several general sales and use tax exemptions apply for items and property used in real property construction activities. "Real property construction activities" means activities that occur at a site where tangible personal property that is applied or adapted to the use or purpose to which real property is devoted is affixed to that real property, if the intent of the person who affixes that property is to make a permanent accession to the real property. "Real property construction activities" do not include: (a) affixing leased property to real property, if the lessor has the right to remove the leased property upon breach or termination of the lease agreement; or (b) affixing tangible personal property to real property, if the tangible personal property remains tangible personal property after it is affixed.

The bill would modify the definition of "real property construction activities" to mean activities that occur at a site where tangible personal property that is applied or adapted to the use or purpose to which real property is devoted is permanently affixed to that real property. It would specify that DOR could promulgate rules to determine whether activities that occur at a site where tangible personal property is affixed to real property are real property construction activities for the purposes of the general sales and use tax. If the classification of property or an activity is not identified by rule, DOR would have to make its determination of whether tangible personal property becomes a part of real property by considering the following criteria: (a) actual physical annexation to the real property; (b) application or adaptation to the use or purpose to which the real property is devoted; and (c) an intention on the part of the person making the annexation to make a permanent accession to the real property.

Modify current law sales and use tax exemptions for certain prepared food manufactured by the retailer and certain property used in biotechnology and manufacturing research to reflect the exemption of personal property from the assessment of property taxes.

### **Treatment of Public Utility Taxes**

Specify that nothing related to the local taxation of property (Chapter 70), as modified, would be construed as exempting personal property from taxation for entities as public utilities that pay utility tax to the state under the taxation of public utilities (Chapter 76), except for the following property specifically exempt from local taxation under current law: (a) treatment plant and pollution abatement equipment; (b) computers, cash registers, and fax machines; (c) property assessed a gross receipts tax or license fee under Chapter 76; (d) motor vehicles, bicycles and snowmobiles; and (e) an airline hub facility.

*Air Carrier Companies*. Delete the current law reference to the definition of an air carrier and the exemption from local property taxation for hub facilities and instead create the same definition and exemption under Chapter 76 of the statutes for the purposes of state taxation. Specify that such facilities would not be subject to local assessment and taxation. Amend various cross references to reflect these changes to the definition and exemption.

*Light, Heat, and Power Companies.* Maintain that the property of light, heat, and power companies, not including qualified wholesale electric companies, would continue to be subject to local assessment and taxation, as it existed in the 2021 statutes (prior to the repeal of the personal property tax), if that property is located entirely in a single town, village, or city. Property of these companies would continue to be exempt from license fees (taxation) under Chapter 76.

*Railroad Companies.* In determining the property of a railroad company owned or rented by the company and used in operation of the business in the state, replace the reference to road property to refer instead to real property. Repeal migratory road property and the apportionment of such unit miles to Wisconsin from the calculation used by DOR in determining the property of railroad companies. Delete the requirement that rolling stock, equipment, and personal property of railroad companies be included on assessment rolls prepared by DOR.

Under current law, taxes paid by a railroad company that are derived from or can be apportioned to repair facilities, docks, ore yards, piers, wharves, grain elevators, and their approaches, or car ferries, are distributed from the transportation fund to the towns, villages, and cities in which they are located. This is the terminal tax distribution, which is currently funded at \$1,906,000 annually. Specify that beginning with amounts distributed in 2023, any town, village, or city may not receive less than the amount received in 2022. This provision would hold local governments that receive a terminal tax distribution harmless for the loss in value associated with making this property exempt from state taxation. Further require that beginning with amounts distributed in 2022, adjusted by an inflation factor. Define "inflation factor" to mean a percentage equal to the average annual percentage change in the U.S. consumer price index for all urban consumers, U.S. city average, for the 12 months ending on December 31 of the year before the year of assessment, but not less than zero. No estimate of the impact of this provision on transportation fund revenues is included in the bill.

*Subchapter 1 of Chapter 76 Companies.* Delete the requirement that all real and personal property of an air carrier, railroad, conservation and regulation, or a pipeline company be deemed personal property for the purposes of taxation. Rather, both types of property would be valued and assessed together as a single unit. Require public utilities to differentiate between real and personal property when submitting reports to DOR.

*Telephone Companies.* To reflect the changes that the exemption of personal property from taxation would make to manufacturing assessment practices under the bill, delete the requirement that DOR assess property of telephone companies using the methods used to assess manufacturing property, including exempt manufacturing machinery and specific processing equipment property.

*Domestic Insurance Companies*. To reflect the exemption of personal property from local taxation, repeal the allowable deduction of a portion of personal property taxes from the amount of license fees to be paid by a domestic insurer.

**Joint Finance/Legislature:** Delete provision. The repeal of personal property taxes was included in 2023 Wisconsin Act 12. In addition, make an \$8.0 million SEG-Transfer in 2024-25 from the newly-created local government fund to the transportation fund associated with the Act 12 repeal of personal property taxes on railroad property. Prior to the repeal of these taxes on

railroad property, revenues from the taxes were deposited to the transportation fund. [See also "Transportation -- Transportation Finance"].

[Act 19 Section: 37]

# 9. DARK PROPERTY AND LEASED PROPERTY TAX ASSESSMENTS ("DARK STORES")

**Governor:** Require that real property be valued by an assessor at its highest and best use. Define "highest and best use" to mean: (a) the specific current use of the property; or (b) a higher use for which the property may be used as of the current assessment date, if the property is marketable for that use, is legally permissible, physically possible, not highly speculative, and financially feasible and provides the highest net return. Specify that "legally permissible" would not include a conditional use that has not been granted as of the assessment date. Further specify that when the current use of a property is the highest and best use of that property, the value in the current use would equal full market value.

Under current law, an assessor is required to consider recent arm's-length sales of the assessed property. The bill would define "arm's-length sale" to mean a sale between a willing buyer and willing seller, neither being under compulsion to buy or sell, and each being familiar with the attributes of the property.

Require that in determining the value of real property, an assessor must consider any lease provisions and actual rent pertaining to a property and affecting its value. Specify that the assessor include the lease provisions and rent associated with a sale and leaseback of the property, if all such lease provisions and rent are the result of an arm's-length transaction involving persons who are not related, as provided under section 267 (b) of the Internal Revenue Code (relating to certain transactions between related taxpayers) for the year of the transaction. With regard to this provision, an "arm's-length transaction" would mean an agreement between willing parties, neither being under compulsion to act, and each being familiar with the attributes of the property.

Specify that in determining the value of property using generally accepted appraisal methods, an assessor would be required to consider all of the following as comparable to the property being assessed:

a. sales or rentals of properties exhibiting the same or a similar highest and best use, with placement in the same real estate market segment. Define "real estate market segment" to mean a pool of potential buyers and sellers that typically buy and sell properties similar to the property being assessed, including potential buyers who are investors or owner-occupants. Specify that depending on the property being assessed, the pool of potential buyers and sellers may be found locally, regionally, nationally, or internationally.

b. sales or rentals of properties, that may be found locally, regionally, or nationally, which are similar to the property being assessed with regard to age, condition, use, type of construction, location, design, physical features, and economic characteristics, including similarities in occupancy and the potential to generate rental income.

For the purpose of determining the value of a property using generally accepted appraisal methods, specify that a property would not be comparable to the property being assessed if at, or before, the time of the sale: (a) the seller places any deed restriction on the property that changes the highest and best use of the property or prohibits competition, so that it no longer qualifies as a comparable property; and (b) the property being assessed lacks such a restriction. Further specify that a property would not be comparable if the property is dark property and the property being assessed is not dark property. Define "dark property" to mean property that is vacant or unoccupied beyond the normal period for property in the same real estate market segment. Specify that what would be considered vacant or unoccupied beyond the normal period could vary depending on the property location.

Modify the current law definition of "real property," "real estate," and "land" to include fixtures and leases, as well as assets that cannot be taxed separately as real property, but are inextricably intertwined with the real property, enable the real property to achieve its highest and best use, and are transferrable to future owners. With regard to this definition, a "lease" would mean a right in real estate that is related primarily to the property and not to the labor, skill, or business acumen of the property owner or tenant. Specify that, similar to the current law definition, the proposed changes to the definition of real property, real estate, and land would apply to the statutes pertaining to property taxes, income taxes, motor vehicle fuel and general aviation taxes, and state shared revenue.

Specify that these provisions first apply to property tax assessments as of January 1, 2023, the 2023(24) property tax year.

The provisions related to the assessment of leased property would attempt to remove the legal basis of a 2008 decision by the Wisconsin Supreme Court (*Walgreen Company v. City of Madison*) that held an assessment of leased retail property using the income assessment approach must be based on market rent, which is what a person would pay based on similar rentals, rather than the actual rent. This provision could result in higher assessments for these property types, compared to current law, which could prevent any further, and possibly undo any existing, shift of property tax levies away from these properties to other property within the taxing jurisdiction.

The provisions related to the use of comparable properties in assessment could have a similar effect as a more recent 2023 Wisconsin Supreme Court decision (*Lowe's Home Centers, LLC v. City of Delavan*), which held that "dark property" (property that is vacant or distressed) is not comparable to property that is not "dark property" for the purposes of property assessments.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. WORKFORCE HOUSING LAWS RELATED TO TIF DISTRICTS, LOCAL HOUSING INITIATIVES AND STATE GRANTS, AND IMPACT FEES

**Governor:** Make the following changes to current law pertaining to low-cost and affordable housing related to TIF districts, local housing initiatives and related state grants, and impact fees.

*TIF Law Modifications*. Modify current tax incremental financing law to allow that after a district created by a city, village, or towns of a certain size (\$500 million of total assessed value and a population of at least 3,500) pays off all of its project costs, the life of the district may be extended for up to three years, instead of one year under current law, if a city or village: (a) receives approval from the district's joint review board, in the form of an adopted resolution by the joint review board, if the extension is more than one year; (b) the resolution extends the life of the district for a specified number of months and specifies how the municipality intends to improve its housing stock or increase the number of affordable and workforce housing units; (c) uses the tax increments received that are not supporting housing stock improvement during the district's extended life, to increase the number of affordable and workforce housing units with at least 50% of the funds supporting units for families with incomes of up to 60% of the county's median household income; and (d) forwards a copy of the resolution adopted by the city or village and the district's joint review board to DOR, which notifies the Department to continue to authorize the allocation of tax increments to the district.

Under current law, a city or village with a TIF district that pays off its project costs can extend the life of the district for one year if the city or village does the following: (a) adopts a resolution extending the life of the district for a specified number of months that specifies how the city intends to improve its housing stock; (b) use at least 75% of the increments received to benefit affordable housing in the city, village, or town, and the remaining portion of the increments to improve the municipality's housing stock; (c) forward a copy of the resolution adopted under these provisions to DOR, which notifies the Department to continue to authorize the allocation of tax increments to the district.

Delete the definition of "affordable housing" under current TIF law and replace with the term "workforce housing." Define "workforce housing" to mean housing to which all of the following apply: (a) the housing costs a household no more than 30% of the household's gross median income, and (b) the residential units are for initial occupancy by individuals whose household median income is no more than 120% of the county's gross median income. Under the bill, income and housing cost figures would be adjusted for family size and the county in which the household is located, based on the county's five-year average median income and housing costs as calculated by the U.S. Census Bureau in its American Community Survey. Under current law, affordable housing is defined as housing that costs a household no more than 30% of the household's gross monthly income.

Modify the definition of "mixed-use development" under current TIF law to allow newly platted residential uses to exceed the current law limit of 35% of the real property area of a TIF district, to up to 60% of the real property area within the TIF district, if the residential use that exceeds the existing 35% limit is used solely for workforce housing. Under current law, "mixed-use development" means a development that contains a combination of industrial, commercial, or residential uses, except that lands proposed for newly-platted residential use, as shown in the project plan, may not exceed 35%, by area, of the real property within the district.

*Workforce Housing Initiatives and Grant Priority.* To implement a workforce housing initiative, a political subdivision may enact an ordinance, adopt a resolution, or put into effect a policy to accomplish any of the following: (a) reduce by at least 10% the processing time for all

permits related to workforce housing; (b) reduce by at least 10% the cost of impact fees that a political subdivision may impose on developments that include workforce housing units; (c) reduce by at least 10% the parking requirements for developments that include workforce housing units; (d) increase by at least 10% the allowable zoning density for developments that include workforce housing units; (e) establish a mixed-use TIF district with at least 20% of the housing units to be used for workforce housing; (f) demonstrate compliance with a housing affordability report as specified under current law; (g) rehabilitate at least five dwelling units of existing, uninhabitable housing stock into habitable workforce housing in areas zoned for commercial or mixed-use development, or in areas near employment centers or major transit corridors; (i) extend the life of a TIF district to increase the number of affordable and workforce housing units; (j) reduce by at least 10% the cost of roads for developments that include workforce housing units; or (k) implement any other initiative to address the workforce housing needs of the political subdivision.

Specify that after a political subdivision completes one of the specified workforce housing initiatives, the initiative be considered in effect once the political subdivision submits to DOA a written explanation of how the action complies with the workforce housing initiative and posts the explanation on the political subdivision's website. Provide that, once a political subdivision's action takes effect, its workforce housing initiative remains in effect for five years.

Specify that a political subdivision may put into effect one or more housing initiatives at a time After June 30, 2024, if a political subdivision has in effect at the same time at least three workforce housing initiatives, require that a housing agency must give priority to housing grant applications from, or that relate to a project in, the political subdivision. Require the Department of Administration (DOA) to create rules establishing how and based on what information the Department will give priority to housing grant applications and prescribing the form of application for receiving priority. Provide that workforce housing initiatives, related definitions, and grant priority, as described under the bill, would first take effect on January 1, 2024.

Create the following definitions related to workforce housing initiatives: (a) "housing agency" would mean DOA; (b) "housing grant" would mean DOA-administered federal housing grant programs and DOA-administered state-funded housing grant programs, as authorized under current law; (c) "political subdivision" would mean any city, village, town, or county; and (d) "workforce housing" would be the same definition of "workforce housing" as specified under the modified TIF law definition described above.

*Impact Fee Exemptions and Deductions.* Extend the low-cost housing impact fee exemption and fee deduction specified in current law to also apply to workforce housing, as defined above. Currently, a municipality may provide an exemption from, or a reduction in the amount of, impact fees on land development that provides low-cost housing, except that no amount of an impact fee for which an exemption or reduction is provided may be shifted to any other development in the land development in which the low-cost housing is located or to any other land development in the municipality. Under the bill, workforce housing would be included with low-cost housing for the purposes of these impact fee exemptions and deductions.

### 11. TIF DISTRICT MODIFICATIONS

Governor: Modify existing tax incremental financing (TIF) law as follows:

Joint Review Board Affirmative Vote Requirement. Require three affirmative votes to constitute a majority when a joint review board votes to approve or deny TIF district creations, project plan amendments, and tax incremental base redeterminations. Specify that the requirement for three affirmative votes not pertain to multijurisdictional TIF district votes. Under current law, a TIF district's joint review board consists of a public member and one member representing each taxing jurisdiction that can levy taxes on property within the TIF district. If more than one of the same type of taxing jurisdiction has the power to levy taxes on property within the TIF district can be created and no plan can be amended unless approved by a majority vote of the board within 45 days after a resolution is adopted.

*Economic Projections within TIF District Project Plans.* Require a TIF district's project plan to contain alternative projections of the district's finances and economic feasibility under different economic scenarios, including the scenario in which work on a public work or improvement specified in the project plan begins three years later than expected and the scenario in which the rate of property value growth in the district is at least 10% lower than expected. Under current law, a project plan is required to include a number of elements such as information regarding the number, location and type of all proposed public improvements within the district, an economic feasibility study, a detailed list of project and non-project costs, and a description of how the projects will be financed.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 12. TIF DISTRICT EQUALIZED VALUE LIMIT EXCEPTION

**Governor:** Allow a city or village to create a tax incremental financing (TIF) district, and the Department of Revenue (DOR) to certify the base value of the district, despite the equalized value of the district, plus the value increment of all existing TIF districts within the city or village, exceeding 12% of the total value of all taxable property within that municipality. Specify that this would only occur if the city or village certifies the following to DOR: (a) that, not later than one year after the certification, districts having sufficient value increments will terminate so that the municipality will no longer exceed the 12% limit; and (b) that the municipality will not take any action that would extend the life of any district whose termination is necessary to satisfy the prior requirement.

Under current law, a city or village can only create a new TIF district if there is a finding that the equalized value of the proposed district plus the value increment of all existing districts

does not exceed 12% of the total equalized value of property within the city or village. This limit also applies to any proposed amendment to a district that adds territory to the district. The calculation of the limit is based on the most recent equalized value of taxable property of the proposed district, as certified by DOR, before the date on which a resolution is adopted creating the proposed district.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 13. COLLECTION OF MANUFACTURING PROPERTY ASSESSMENT FEES

**Governor:** Direct the Department of Revenue (DOR) to collect manufacturing property assessment fees by reducing municipal shared revenue payments in the following year by the amount of each municipality's fee rather than first attempting to directly collect the fee from each municipality. Any amount that the Department is unable to collect from a municipality by reducing its shared revenue payment, would be directly imposed on the municipality.

DOR is responsible for assessing manufacturing property for the purposes of the property tax, and imposes a fee on municipalities where manufacturing property is located in order to cover the cost of that assessment. Under current law, this fee is first imposed directly on municipalities, and only if a municipality does not pay by March 31 of the following year can the Department reduce its July shared revenue payment by the amount of the fee.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 14. WISCONSIN HOUSING AND ECONOMIC DEVELOPMENT AUTHORITY HEADQUARTERS PROPERTY TAX EXEMPTION

**Governor:** Create a property tax exemption for the land and the buildings located on land owned by the Wisconsin Housing and Economic Development Authority (WHEDA) and used exclusively as the corporate headquarters of WHEDA, including the parking facilities associated with those headquarters. Specify that the provision would first apply to property tax assessments as of January 1, 2023, the 2023(24) property tax year.

The WHEDA corporate headquarters are located at 908 East Main Street in Madison. In 2022(23), the property was assessed at a value of \$18.8 million and had a net tax bill of \$372,642. This exemption would result in tax levies being shifted to other properties within the taxing jurisdictions in which the WHEDA property is located. [See "Wisconsin Housing and Economic Development Authority."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 15. CRANBERRY RESEARCH STATION PROPERTY TAX EXEMPTION

**Governor:** Provide a property tax exemption for all property, not exceeding 50 acres of land, that is used primarily for research and educational activities associated with commercial cranberry production. Specify that the property must be owned or leased by a nonprofit organization that is exempt from income taxation under federal section 501(c)(3) of the Internal Revenue Code. This provision would first apply to the property tax assessments as of January 1, 2024, for the 2024(25) property tax year.

This exemption would apply to the Wisconsin Cranberry Research Station, owned by the Wisconsin Cranberry Research and Education Foundation and located in the Town of Manchester in Jackson County. The exemption would result in the tax currently levied on this property being shifted to other properties within the taxing jurisdictions in which the Research Station is located.

**Joint Finance:** Provide the property tax exemption for all property, regardless of total acreage, that would otherwise be eligible for the exemption. Specify that the provision would first apply to the property tax assessments as of January 1, 2023, for the 2023(24) property tax year, a year earlier than the Governor's recommendation.

**Senate/Legislature:** Provide the property tax exemption for all property, otherwise eligible for the exemption, located in Jackson County and consisting of 130.5 acres.

[Act 19 Sections: 321 and 9337(1)]

### 16. TOWN OF SANBORN LEVY LIMIT

**Joint Finance:** Prohibit the Town of Sanborn in Ashland County from imposing a mill rate above 5 mills. Further, specify that the current law provision allowing counties and municipalities to exceed their levy limits for debt service on general obligation debt authorized on or after July 1, 2005, does not apply to the Town of Sanborn. Prohibit the Town of Sanborn from requesting a chargeback of property tax refunds issued by the Town, pursuant to the decision in *Lac Courte Oreilles Band of Lake Superior Chippewa Indians of Wisconsin v. Evers*, for tax years 2015 to 2021.

**Senate/Legislature:** Modify the language with regard to the general obligation debt levy limit exclusion to specify that the Town is "exempt from this provision" rather than using the language "this provision does not apply" to the Town.

### Veto by Governor [D-25]: Delete provision.

[Act 19 Vetoed Sections: 315, 320, and 9144(12)]

### **Forestry Mill Rate**

### 1. FORESTRY MILL RATE -- GPR TRANSFER TO THE CONSERVATION FUND CURRENT LAW REESTIMATE GPR \$47,517,400 [LFB Paper 106] \$47,517,400

**Governor/Legislature:** Increase funding by \$25,958,700 in 2023-24 and \$21,558,700 in 2024-25 for the annual transfer to the conservation fund from the sum sufficient appropriation to reflect projected changes in statewide equalized values. Funds equal to the amount calculated by multiplying the value of all taxable property in the state, as determined by DOR, by a rate of 0.1697 mills (0.01697%) are transferred from the general fund to the conservation fund annually. This transfer occurs due to the repeal of the state forestry mill tax as of property taxes levied in 2017, payable in 2018. With these adjustments, base level funding of \$115,541,300 would increase to \$141,500,000 in 2023-24 and \$137,100,000 in 2024-25. [See "Natural Resources -- Forestry and Parks."]

### 2. GPR TRANSFER TO THE CONSERVATION FUND -- GPR -\$1,600,000 IMPACT OF THE EXEMPTION PERSONAL PROPERTY FROM TAXATION

**Governor/Legislature:** Reduce the amount of the annual transfer (under the forestry mill rate) to the conservation fund by \$1,600,000 in 2024-25 to reflect statewide decreases in taxable equalized values associated with the exemption of personal property from taxation (similar provisions were enacted under 2023 Wisconsin Act 12). This reduction would correspond to a decrease in taxable values of approximately \$9.4 billion in 2024-25 due to personal property no longer being taxable. Additional information on the proposed exemption of the personal property from taxation can be found under a separate item [see "Shared Revenue and Tax Relief -- Property Taxation"]. Under this recommendation, the total transfer to the conservation fund, as reestimated, would equal \$135,500,000 in 2024-25.

### **Local Revenue Options**

### 1. MILWAUKEE COUNTY SALES TAX AUTHORITY

**Governor:** Provide that, in addition to the existing 0.5% county sales and use tax option under current law, Milwaukee County may, by ordinance, impose a sales and use tax at the rate of 1% of the sales price or purchase price. Specify that the enacted 1% sales and use tax may not take effect unless approved by a majority of the county electors at a referendum. Require that the referendum question submitted to county electors describe both the taxes to be imposed and the required distribution to the City of Milwaukee of 50% of the revenue from the taxes.

Require that, if approved at a referendum, the ordinance must be effective on January 1, April 1, July 1, or October 1, and that a certified copy of that ordinance must be delivered to the Department of Revenue (DOR) Secretary at least 120 days prior to its effective date. Specify that the 1% sales and use taxes may be imposed only in their entirety. The taxes would be imposed on the same base of products and services as the state and county sales and use taxes. Create provisions related to the imposition, collection, distribution, enforcement, and administration of the newly-created Milwaukee County sales and use taxes similar to those that currently exist for the county sales and use tax. However, the current law provision for the existing county sales and use taxes that specifies that those taxes may only be imposed for the purpose of directly reducing the property tax levy would not apply to the taxes allowed under these provisions.

Require the county to distribute 50% of the revenue from the taxes imposed under this provision to the City of Milwaukee, and that the revenue may be used for any purpose designated by the common council. Specify that the remaining revenue may be used for any purpose designated by the county board or as specified in the ordinance or in the referendum approving the ordinance.

The distribution, retailers discount, reporting, administrative cost, and repeal provisions under current law for the existing county taxes, also apply to the Milwaukee County sales and use taxes under this provision. Under current law, DOR is required distribute 98.25% of the county taxes reported for each enacting county, minus the county portion of the retailers' discounts, to the county. The "county portion of the retailers' discount" is determined by multiplying the total retailers' discount by a fraction, the numerator of which is the gross county sales and use taxes payable and the denominator of which is the sum of the gross state and county sales and use taxes payable. DOR is required to indicate to the county the taxes reported by each taxpayer, no later than 75 days following the last day of the calendar quarter in which such amounts were reported.

DOR would retain 1.75% of the Milwaukee County sales and use taxes, as provided under current law, to cover the administrative costs of collecting the existing county taxes. At the end of each fiscal year, any unencumbered balance in DOR's appropriation account for administration of the taxes is lapsed to the general fund. The repeal of any such ordinance must be effective on December 31, and a certified copy of a repeal ordinance must be delivered to the DOR Secretary at least 120 days before the effective date of the repeal. DOR may not issue any assessment or act on any refund claim or any adjustment claim after the end of the calendar year that is four years after the year in which the county has enacted a repeal ordinance.

Milwaukee County received \$96.3 million in 2022 from the existing 0.5% county sales and use taxes.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 2. LOCAL SALES TAX AUTHORITY

**Governor:** Specify that a county, other than Milwaukee County, or a municipality, other than the city of Milwaukee, with a population exceeding 30,000 may enact an ordinance, if

approved by a majority of electors in the county or municipality at a referendum, to impose a 0.5% local sales and use tax. Provide that the revenue from the taxes may be used for any purpose designated by the county board or governing body of the municipality or as specified in the ordinance or in the referendum approving the ordinance. Specify that a municipality with a population exceeding 30,000 would be determined by data from the 2020 federal decennial census or under the Department of Administration's population estimates for 2020.

Similar to the existing county sales and use taxes, require that the taxes imposed under these provisions may be imposed only in their entirety (meaning at only a 0.5% rate). Specify, that any tax imposed by a county under these provisions would be in addition to its existing authority to impose a 0.5% county sales and use tax. Including the state 5.0% sales and use tax rate, under these provisions, sales and use taxes imposed in the state could equal a 6.5% total rate, if the electors of a county and an eligible municipality in a county, that has the existing county sales and use taxes allowed under these provisions.

Create provisions related to the imposition, collection, distribution, enforcement, and administration of the newly-created county and municipal sales and use taxes similar to those that currently exist for the county sales and use tax. However, the current law provision for the existing county sales and use taxes that requires that those taxes may only be imposed for the purpose of directly reducing the property tax levy would not apply to the taxes allowed under these provisions.

Require that, if the county or municipal sales and use taxes allowed under this provision are approved at a referendum, the ordinance must be effective on January 1, April 1, July 1, or October 1, and that a certified copy of that ordinance must be delivered to the Department of Revenue (DOR) Secretary at least 120 days prior to its effective date. Specify that the repeal of any such ordinance must be effective on December 31, and require a certified copy of a repeal ordinance to be delivered to the DOR Secretary at least 120 days before the effective date of the repeal. Specify that DOR may not issue any assessment or act on any refund claim or any adjustment claim after the end of the calendar year that is four years after the year in which the county or municipality has enacted a repeal ordinance.

Using current law authority, 68 of Wisconsin's 72 counties have adopted a 0.5% sales tax and use tax imposed on the same goods and services that are subject to the state sales tax. The current 0.5% county tax applies to items purchased within the county and to some items purchased in a county without a tax, if they are customarily kept in a county with a tax (this is the "use" tax). The existing county tax is "piggybacked" onto the state sales tax in that the county rate is added to the state rate and is administered, enforced, and collected by the state.

Provide that county and municipal sales and use taxes under this provision would be collected, administered, reported, and distributed to counties as provided under current law for the existing county sales and use taxes. DOR's appropriation used to administer county taxes under current law would be also used to administer the county and municipal sales and use taxes under this provision.

DOR retains 1.75% of the county sales and use taxes to cover the administrative costs of collecting the existing county taxes. At the end of each fiscal year, any unencumbered balance in DOR's appropriation account for administration of the taxes is lapsed to the general fund.

Specify that the distribution, retailers discount, and reporting provisions under current law for the existing county taxes, also apply to the county and municipal sales and use taxes under this provision. Under current law, DOR is required distribute 98.25% of the county taxes reported for each enacting county, minus the county portion of the retailers' discounts, to the county. The "county portion of the retailers' discount" is determined by multiplying the total retailers' discount by a fraction, the numerator of which is the gross county sales and use taxes payable and the denominator of which is the sum of the gross state and county sales and use taxes payable. DOR is required to indicate to the county the taxes reported by each taxpayer, no later than 75 days following the last day of the calendar quarter in which such amounts were reported. Also under current law, the distribution of tax collections to the county taxes previously distributed. Any county receiving a report on sales and use taxes is subject to the duties of confidentiality to which DOR is subject to relative to such taxes under current law.

Modify the existing county taxes program revenue appropriation to also receive the monies generated from the county and municipal sales and use taxes under this provision and from annual monies unspent by DOR for the administration of these taxes.

Given that the additional local sales and use tax authority allowed under these provisions would be subject to referendum, no estimate of an increase in amount of lapses to the general fund from DOR's county sales tax administration appropriation resulting from Department's administration of any taxes imposed under these provisions is included in the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **3. PREMIER RESORT AUTHORITY - CITY OF PRESCOTT**

**Governor:** Provide an exemption for the City of Prescott in Pierce County from the statutory requirement that 40% of their equalized value be used by tourism-related retailers in order to declare themselves a premier resort area. Require that in order to impose a 0.5% premier resort area tax, the City's governing body would have to adopt a resolution proclaiming its intent to impose the tax. Require that the resolution be approved by a majority of the electors in the City voting on the resolution at a referendum, to be held at the first spring primary or election or partisan primary or general election at least 70 days after the date of adoption of the resolution. Specify that this provision would take effect on the first day of the first calendar quarter beginning at least 120 days after publication of the bill.

Under current law, the proceeds from a premier resort area tax may only be used to pay for infrastructure expenses within the jurisdiction of that premier resort area. Currently, eight municipalities impose the premier resort area tax.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 4. PREMIER RESORT AUTHORITY - VILLAGE OF PEPIN

**Governor:** Provide an exemption for the Village of Pepin in Pepin County from the statutory requirement that 40% of their equalized value be used by tourism-related retailers in order to declare themselves a premier resort area. Require that in order to impose a 0.5% premier resort area tax, the Village's governing body would have to adopt a resolution proclaiming its intent to impose the tax. Require that the resolution be approved by a majority of the electors in the Village voting on the resolution at a referendum, to be held at the first spring primary or election or partisan primary or general election at least 70 days after the date of adoption of the resolution. Specify that this provision would take effect on the first day of the first calendar quarter beginning at least 120 days after publication of the bill.

Under current law, the proceeds from a premier resort area tax may only be used to pay for infrastructure expenses within the jurisdiction of that premier resort area. Currently, eight municipalities impose the premier resort area tax.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 5. CITY OF MILWAUKEE MUNICIPAL TAXES APPROPRIATIONS

**Legislature:** Create a program revenue appropriation under shared revenue and tax relief for all monies received from municipal sales and use taxes that may be adopted by ordinance by a first class city (the City of Milwaukee), net the 1.75% of the taxes retained by DOR for administration of the taxes. 2023 Wisconsin Act 12, authorizes the City of Milwaukee to impose a 2% sales and use tax, subject to certain conditions, including the approval of a supermajority of the Milwaukee Common Council. Specify that the distribution of taxes, as required under Act 12, be funded from this newly-created appropriation. Act 12 requires DOR to distribute 98.25% of the municipal taxes reported for the enacting municipality, minus the municipal portion of the retailers' discounts, to the municipality. DOR would retain 1.75% of the tax in a newly-continued appropriation for its administration of the tax, but at the end of each fiscal year the unencumbered balance of the administrative appropriation would lapse to the general fund. [See "Revenue -- Tax Administration."]

Veto by the Governor [D-28]: Delete the provision that would require the unencumbered balance of the DOR administrative appropriation to lapse to the general fund each year.

[Act 19 Sections: 156, 171, and 353]

[Act 19 Vetoed Section: 156]

# **Other Credits**

Descriptions of budget provisions related to the homestead tax credit, earned income tax credit, enterprise zone tax credits, veterans property tax credit, other tax credits, and cigarette and tobacco products tax refunds are provided under "General Fund Taxes -- Refundable Tax Credits and Other Payments."

#### **Budget Change Items**

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105] PR \$399,200

**Governor/Legislature:** Provide adjustments to the agency base budget for the following: (a) overtime (\$189,000 each year); and (b) full funding of continuing position salaries and fringe benefits (\$10,600 each year).

Additionally, the State Fair Park base budget will be adjusted following of enactment of the budget bill to reflect 7.0 permanent positions approved in November of 2022 by the Joint Committee on Finance under a passive review. The Committee approved permanent positions for several roles previously staffed by multiple appointments of limited-term employees; affected positions include a deputy police chief and several managers for events, admissions, vendor services, and other Park facilities. Although these positions are not included in the agency base established for the bill, s. 16.517 of the statutes specifies a process by which such positions will be incorporated into the agency base immediately after enactment of the biennial budget. With these positions, the State Fair Park is authorized 54.0 positions.

#### 2. **DEBT SERVICE REESTIMATES** [LFB Paper 106]

|             | Governor<br>(Chg. to Base)          | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change                          |
|-------------|-------------------------------------|-----------------------------------|-------------------------------------|
| GPR         | - \$787,800                         | \$1,079,500                       | \$291,700                           |
| PR<br>Total | <u>- 1,550,000</u><br>- \$2,337,800 | <u>- 6,600</u><br>\$1,072,900     | <u>- 1,556,600</u><br>- \$1,264,900 |
|             |                                     |                                   |                                     |

**Governor:** Reestimate principal and interest payments on general obligation bonds issued for State Fair Park facilities by -\$430,500 GPR in 2023-24 and by -\$357,300 GPR in 2024-25. Further, reestimate PR-supported principal and interest payments by -\$725,200 in 2023-24 and by -\$824,800 in 2024-25.

**Joint Finance/Legislature:** Reestimate principal and interest payments on general obligation bonds issued for State Fair Park facilities by \$236,100 GPR in 2023-24 and by \$843,400 GPR in 2024-25. Further, reestimate PR-supported principal and interest payments by -\$6,500 in 2023-24 and by -\$100 in 2024-25.

GPR debt service is associated with bonds issued to fund primarily agricultural and other exhibition facilities at State Fair Park, as well as various land acquisitions, certain infrastructure projects, and the Tommy G. Thompson Youth Center. Total GPR debt service payments for State Fair Park are budgeted at \$1.5 million in 2023-24 and \$2.1 million in 2024-25. State Fair Park's PR-supported debt service is primarily associated with the Milwaukee Mile racetrack and grandstand, the Wisconsin Exposition Center, and other general facilities improvements. PR-supported debt service is budgeted at \$1.2 million in 2023-24 and \$1.1 million in 2024-25.

# **Budget Change Items**

### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Provide \$482,900 in 2023-24 and \$513,400 in 2024-25 associated with: (a) full finding of continuing position salary and fringe benefits (\$12,400 GPR, -\$2,300 FED, \$558,600 PR, and -\$900

| GPR   | - \$248,300 |
|-------|-------------|
| FED   | 48,500      |
| PR    | 1,203,200   |
| SEG   | - 7,100     |
| Total | \$996,300   |

SEG annually); and (b) full funding of lease and directed move costs (-\$142,800 GPR, \$26,300 FED, \$34,400 PR, and -\$2,800 SEG in 2023-24 and -\$130,300 GPR, \$26,800 FED, \$51,600 PR, and -\$2,500 SEG in 2024-25).

#### 2. CYBERSECURITY PROGRAM FUNDING [LFB Paper 745]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto<br>(Chg. to Leg.) | Net Change  |
|-------|----------------------------|-----------------------------------|------------------------|-------------|
| GPR   | \$0                        | \$2,644,200                       | \$0                    | \$2,644,200 |
| PR    | <u>3,924,200</u>           | <u>451,800</u>                    | <u>- 4,376,000</u>     | 0           |
| Total | \$3,924,200                | \$3,096,000                       | - \$4,376,000          | \$2,644,200 |

**Governor:** Provide an increase in expenditure authority of \$1,832,100 in 2023-24 and \$2,092,100 in 2024-25 in the continuing court information systems appropriation for new and ongoing cybersecurity initiatives and related maintenance. According to the Director of State Courts, additional cybersecurity measures are necessary given the increase in the court system's reliance on digital records and remote work. Base funding for the appropriation is \$9,518,800.

Additional expenditure authority includes: (a) \$372,100 in 2023-24 and \$787,100 in 2024-25 for on-going cybersecurity program maintenance and testing (including services for email protection, firewalls, testing against cyber-attacks, phishing detection, and an advanced anti-virus program); (b) \$820,000 in 2023-24 and \$665,000 in 2024-25 for the purchase and maintenance of new, high-priority cybersecurity programs (including denial of service protection, security information and event management (which aggregates data and provides real-time analysis for security monitoring and attack recovery), and upgraded remote access solutions); and (c) \$640,000 annually for the purchase and maintenance of new, lower-priority cybersecurity programs (including web proxy (to block access to specific sites), data loss prevention software, and secure access server edge (which extends security protections to devices outside of the court system network)).

**Joint Finance:** Modify funding by \$1,192,100 GPR and \$355,900 PR in 2023-24 and \$1,452,100 GPR and \$95,900 PR in 2024-25 to provide \$1,192,100 GPR in 2023-24 and \$1,452,100 GPR in 2024-25 for high-priority and on-going cybersecurity and related maintenance. In addition, re-estimate the CCAP appropriation expenditure authority by \$2,188,000 PR annually.

**Senate/Legislature:** Move funding provided for cybersecurity from the Supreme Court proceedings general program operations appropriation to the Director of State Courts and law library general program operations appropriation.

**Veto by Governor [D-37]:** Remove the increased program revenue expenditure authority related to the CCAP appropriation re-estimate.

[Act 19 Vetoed Section: 51 (as is relates to s. 20.680(2)(j))]

### 3. SUPPORT FOR NEW CIRCUIT COURT BRANCHES

\$165,800

PR

**Governor/Legislature:** Provide an increase in expenditure authority of \$139,100 in 2023-24 and \$26,700 in 2024-25 in the continuing court information systems appropriation to support the additional circuit court branches created in 2019 Act 184. Base funding for the appropriation is \$9,518,800.

Under 2019 Act 184, 12 circuit court branches will be added over a three-year period (four judges each in 2021, 2022, and 2023), at the discretion of the Director of State Courts. The last four judicial circuit court branches will begin operation on August 1, 2023, in Clark, Manitowoc, Sawyer, and Wood counties. [See "Circuit Courts."]

# 4. PROGRAM AND SEGREGATED REVENUE EXPENDITURE ESTIMATES

| PR    | \$97,200    |
|-------|-------------|
| SEG   | - 538,400   |
| Total | - \$441,200 |

Positions

0.25

Funding

\$26,300

PR

Governor/Legislature: Provide \$48,600 PR and -\$269,200 SEG

annually in funding estimates for the board of bar examiners appropriation (\$48,600 PR annually), and the mediation fund appropriation (-\$269,200 SEG annually) to reflect anticipated expenditure levels in the 2023-25 biennium.

#### 5. CENTRAL SERVICES SUPPORT

Governor/Legislature: Provide an increase in expenditure

and position authority of \$11,300 in 2023-24, \$15,000 in 2024-25, and 0.25 position annually in the continuing central services appropriation to provide central administrative support for the court system. The appropriation is funded by the transfer of chargebacks to the programs administered by the courts and supported by the positions. Base funding for the appropriation is \$255,500 with 2.5 positions.

### 6. COUNTY LAW LIBRARIES [LFB Paper 746]

**Governor:** Create a continuing county law libraries PR appropriation for all moneys received from counties for providing materials or other services under contracts for county law libraries. Since the late 1990s, the Director of State Courts Office (DSCO) has maintained contracts with Milwaukee and Dane counties to provide space, furniture, utilities, copies, supplies (including law book materials), and 4.0 positions for the operation of the libraries. The contracts allow the DSCO to operate the libraries, as well as purchase items for the print library, online services, catalogs, Internet, and provide assistance to the legal community and Dane County inmates. Revenue from the contracts is currently is maintained in the gifts and grants appropriation. The provision incorporates the recommendation from the State Controller's Office, Wisconsin Court System Compliance Review for 2020-21 (published in November, 2022) to create a new appropriation, specifically dedicated to receive these funds. The recommendation does not provide for the transfer of existing county law library revenue and positions to the new appropriation.

Joint Finance/Legislature: Provision not included.

#### **Budget Change Items**

# 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Provide adjustments to the agency base budget for the following: (a) full funding of continuing

position salaries and fringe benefits (\$304,000 GPR, \$4,600 PR, and \$100 FED annually); (b) reclassifications and semiautomatic pay progression (\$17,200 GPR annually); (c) full funding of lease and directed moves costs (-\$38,400 GPR annually); and (d) removal of non-continuing elements from the base (-3.00 GPR positions annually).

|       | Funding   | Positions |
|-------|-----------|-----------|
| GPR   | \$565,600 | - 3.00    |
| FED   | 200       | 0.00      |
| PR    | 9,200     | 0.00      |
| Total | \$575,000 | - 3.00    |

#### 2. MARKETING AND ADVERTISING FUNDS [LFB Paper 750]

|     | Governor Jt. Finance/Leg.<br><u>(Chg. to Base) (Chg. to Gov) Net Change</u><br>Funding Positions Funding Positions Funding Positions |
|-----|--|
| GPR | \$37,000,000 4.00 - \$15,000,000 - 4.00 \$22,000,000 0.00  |

**Governor:** Provide \$33,600,000 in 2023-24 to expand Tourism's marketing and advertising initiatives. The Administration intends for the provision to increase marketing and exposure of the state, particularly relative to the annual marketing campaigns of other neighboring Midwest states. Funding would be provided in a biennial appropriation, meaning Tourism would be able to expend or encumber the amounts through June 30, 2025, at which time unencumbered amounts would return to the general fund.

Additionally, provide \$1,700,000 in base funding each year with 4.0 permanent positions. The Administration intends funds and staffing to address rising costs of production fees, website management, research, and information management. The 4.0 positions would include a consumer communications specialist, a marketing coordinator, a content marketing writer, and a social media assistant. Funding would include \$157,800 in 2023-24 and \$211,000 in 2024-25 for salaries and fringe benefit costs, with \$1,542,200 in 2023-24 and \$1,489,000 in 2024-25 for supplies or contracted services.

**Joint Finance/Legislature:** Modify provision to create a continuing appropriation with \$20,000,000 in 2023-24 in one-time funding for Tourism's marketing activities. Provide an additional \$1,000,000 in each year as ongoing marketing funds to Tourism's biennial GPR marketing appropriation. No additional positions are included under Act 19.

The following table shows Tourism's general marketing funding in the 2023-25 biennium under action by the Legislature and the Governor's partial vetoes, as described in a separate item. Of the amounts shown, \$20,000,000 in 2023-24 in the continuing appropriation is available until exhausted. The remaining \$37,579,000 is only available in the 2023-25 biennium.

#### **Tourism Marketing Appropriations**

[Act 19 Section: 83]

#### **3. OPPORTUNITY ATTRACTION AND PROMOTION FUND** [LFB Paper 751]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |     | <u>Change</u><br>Positions |
|-----|--|---|-----|----------------------------|
| GPR | \$30,124,300 1.00 -                                    | - \$30,124,300 - 1.00   | \$0 | 0.00                       |

**Governor:** Provide \$20 million in 2023-24 and \$10 million in 2024-25 to attract opportunities and events to the state. Direct Tourism to collaborate with the Wisconsin Economic Development Corporation to implement this provision. Funding would be provided in a new, continuing appropriation intended to support marketing, advertising, and outreach to encourage large events to be held in the state. The Administration indicates that such events could include professional and collegiate sporting events and other large-scale conventions or festivals wherein vendor activities, ticket sales, and general travel into the state would encourage visitor spending and state exposure. The provision would also include 1.0 permanent position with funding of \$54,800 in 2023-24 and \$69,500 in 2024-25 in Tourism's general operations appropriation to administer the program. Funding of \$10 million in 2024-25 would continue in the agency base for future biennia.

**Joint Finance/Legislature:** Create an Opportunity Attraction and Promotion Fund, supported by a new, continuing appropriation under the Wisconsin Economic Development Corporation, for attracting opportunities and events to the state. Provide \$10,000,000 GPR in the Joint Committee on Finance supplemental appropriation. [See "Program Supplements" and "Wisconsin Economic Development Corporation."]

[Act 19 Section: 60]

### 4. CONVERT TRIBAL GAMING MARKETING FUNDS TO GENERAL PURPOSE REVENUE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$17,534,200               | - \$17,534,200                    | \$0        |
| PR    | - 17,534,200               | 17,534,200                        | 0          |
| Total | \$0                        | \$0                               | \$0        |

**Governor:** Convert \$8,767,100 tribal gaming PR marketing funding in each year to GPR. Repeal Tourism's tribal gaming PR marketing appropriation, and repeal requirements that Tourism make expenditures for advertising activities and Joint Effort Marketing grants in equal proportion between its GPR and tribal gaming PR marketing appropriations within each fiscal year. The Administration indicates the provision is part of a reallocation of tribal gaming revenues to other programs intended to benefit tribal communities. [See "Administration -- Division of Gaming."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. MEETINGS, CONVENTIONS, AND SPORTS BUREAU [LFB Paper 752]

|                    | Governor<br><u>(Chg. to Base)</u>              |           | Jt. Finance/Leg.<br>(Chg. to Gov)      |                                | Net Change                                  |      |
|--------------------|--|-----------|--|--------------------------------|---|------|

**Governor:** Create a Meetings, Conventions, and Sports Bureau and provide \$1,314,300 GPR in 2023-24 and \$1,352,500 GPR in 2024-25 with 2.0 positions. The Bureau would be responsible for advertising Wisconsin as a site for meetings, conventions, sporting events, and tournaments. The Administration reports the provision should have included 3.0 GPR positions instead of 2.0, and a subsequent errata clarified this intent. The 3.0 GPR positions would include a director, an events coordinator, and a sales manager.

Additionally, eliminate the Office of Marketing Services and delete \$149,800 PR annually and 1.0 position. The Administration reports that overall state agency utilization of the Office of Marketing Services has declined in recent years, as has funding.

**Joint Finance/Legislature:** Delete provision, but repeal the Office of Marketing Services. Transfer its 1.0 incumbent and \$149,800 annually from PR to Tourism's GPR general operations appropriation. The provision reduces Tourism GPR operations by \$1,164,500 in 2023-24 and \$1,202,700 in 2024-25 relative to the bill.

[Act 19 Sections: 84 and 235]

### 6. **OFFICE OF OUTDOOR RECREATION** [LFB Paper 753]

|     | Gove<br><u>(Chg. to</u><br>Funding P | o Base) |             | nce/Leg.<br><u>to Gov)</u><br>Positions |           | <u>Change</u><br>Positions |
|-----|--------------------------------------|---------|-------------|---|-----------|----------------------------|
| GPR | \$1,092,200                          | 3.00    | - \$565,000 | 0.00                                    | \$527,200 | 3.00                       |

**Governor:** Provide \$519,500 in 2023-24 and \$572,700 in 2024-25 with 3.0 permanent positions for the Office of Outdoor Recreation. Of these amounts, specify that \$282,500 GPR annually would be intended to: (a) enhance website and research features related to the Office; (b) increase the Office's physical presence at trade shows; (c) continue publication of the Wisconsin Trail Report; and (d) improve the assets collection tool, which is an online source for recreation amenities information.

The Office of Outdoor Recreation is responsible for promoting Wisconsin's outdoor recreational opportunities and connecting businesses in the outdoor recreation industry. 2019 Act 9 provided 3.0 project positions and one-time funding in the 2019-21 biennium for the creation and operation of the Office of Outdoor Recreation. 2021 Act 58 reauthorized the Office's funding

and project positions through June 30, 2023, and authorized positions are removed under standard budget adjustments.

**Joint Finance/Legislature:** Provide one-time funds of \$237,000 in 2023-24 and \$290,200 in 2024-25 with 3.0 two-year project positions, notwithstanding s. 230.27(1) of the statutes regarding the term of project positions, for the Office of Outdoor Recreation.

[Act 19 Section: 9143(1)]

# 7. ARTS BOARD FUND MATCHING [LFB Paper 754]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$552,500                  | \$113,800                         | \$666,300  |

**Governor:** Provide \$337,200 in 2023-24 and \$215,300 in 2024-25 to match anticipated annual federal grants from the National Endowment for the Arts (NEA). The Arts Board uses NEA grants for both agency operations and grants to artists and arts organizations in Wisconsin. NEA grants require at least an equal (dollar-for-dollar) match of state funding. Of the amounts recommended for 2023-24, an estimated \$148,100 would be associated with matches to NEA grants received by September 30, 2023.

The bill would also transfer \$100 million from the general fund to the Wisconsin Artistic Endowment Foundation in 2023-24 with interest earnings of an estimated \$4.5 million in the biennium distributed for support of the Arts Board and various arts programs across the state. The Artistic Endowment Foundation is a statutorily created nonprofit organization, although currently inactive, with the goal of establishing arts programs throughout the state and providing funding to various arts programs. [See "Wisconsin Artistic Endowment Foundation."]

**Joint Finance/Legislature:** Modify funding to provide \$407,200 GPR in 2023-24, including \$148,100 to match grants expiring September 30, 2023, and \$259,100 to match federal grant awards through September 30, 2024. Provide \$259,100 GPR in 2024-25 as an ongoing base increase for state aid for the arts. In 2024-25, the Arts Board is budgeted state funding of \$1,053,100 GPR and \$44,900 PR.

### 8. NATIVE AMERICAN TOURISM OF WISCONSIN CONTRACT TRANSFER

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| PR | - \$400,000                | \$400,000                         | \$0        |

**Governor:** Transfer management of Tourism's marketing contract with Native American Tourism of Wisconsin (NATOW) to the Department of Administration (DOA). Further, transfer \$200,000 tribal gaming PR each year for the NATOW contract from Tourism's marketing appropriation to the DOA appropriation for American Indian economic development. Currently, Tourism administers \$200,000 each year under contract with NATOW, a part of the Great Lakes Inter-Tribal Council (GLITC), for marketing tribal destinations and producing promotional materials. The provision would combine the marketing funding for NATOW programs with existing tribal PR-funded grants to GLITC that are administered by DOA. [See "Administration -- Division of Gaming."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 9. TRIBAL LIAISON POSITION

|     | <u>(Chg. t</u> | ernor<br><u>o Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|----------------|--------------------------------------|-------------|---|-----|----------------------------|
| GPR | \$150,800      | 1.00                                 | - \$150,800 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$64,600 in 2023-24 and \$86,200 in 2024-25 and 1.0 position annually to create an agency tribal liaison position. The agency tribal liaison would be responsible for working with Native American tribes and bands on behalf of the agency, as well as coordinating with the Director of Native American Affairs in DOA. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### **10. EQUITY OFFICER POSITION**

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |            | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|------------|---|-----|----------------------------|
| GPR | \$87,000     | 0.50                                   | - \$87,000 | - 0.50                                  | \$0 | 0.00                       |

**Governor:** Provide \$38,100 in 2023-24 and \$48,900 in 2024-25 and a 0.5 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$2,800                    | - \$2,800                         | \$0        |
| SEG   | <u>1,200</u>               | <u>- 1,200</u>                    | _0         |
| Total | \$4,000                    | - \$4,000                         | \$0        |

**Governor:** Provide \$1,400 GPR and \$600 conservation fund SEG annually to increase agency supplies and services funding. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases would be provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 12. TOURISM CAPITAL GRANTS

**Governor:** Provide \$50,000,000 in one-time funding in 2023-24 to create a tourism capital grant program. DOA would administer the grant program to provide funds to local governments, tribal governments, and nonprofit organizations that aim to strengthen the state's tourism, travel, and lodging economies. [See "Administration -- General Agency Provisions."]

Joint Finance/Legislature: Provision not included.

#### 13. TOURISM MARKETING AND REPORTING REQUIREMENTS

**Governor:** Repeal or modify several statutory requirements for Tourism marketing activities and other program reporting. The changes would implement provisions of 2023 Assembly Bill 23/Senate Bill 36.

*Cheese Distribution in Information Centers.* Eliminate the statutory requirement that Tourism must distribute donated, Wisconsin-made cheese at tourism information centers that the Department operates. Since 1983, Tourism and its predecessor agencies have been required to distribute Wisconsin-made cheese samples free of charge at state-operated tourist information centers from the Monday preceding Memorial Day through Labor Day. The Department is to seek donations of cheese and refrigeration equipment for these purposes. Tourism no longer directly operates Wisconsin Welcome Centers.

*Marketing Activities Reporting*. Modify the requirement that Tourism must annually report the activities, marketing efforts, receipts, and disbursements for the previous fiscal year to the Senate Natural Resources Committee and the Assembly Committee on Tourism. Instead, direct

TOURISM

these reports to the relevant standing committees of the Legislature.

*Famous Residents in Marketing.* Repeal the statutory requirement that Tourism consider using famous current and former residents of Wisconsin in tourism marketing strategies.

*Wisconsin Professional Golfers' Association (WPGA) Junior Foundation Reporting.* Repeal the requirement that the WPGA Junior Foundation must submit annually to the Attorney General and each house of the Legislature an audited financial statement of its use of payments by Tourism to fund efforts to provide opportunities, enjoyment, and education to junior golfers in this state. The WPGA Junior Foundation is a nonprofit organization dedicated to promoting the game of golf to Wisconsin junior golfers and their families. Payments are made to the Foundation from fees on specialty Golf Wisconsin license plates. Payments to the WPGA Junior Foundation were \$14,300 in 2021-22. The Administration and past testimony on the legislation indicate the audit requirement is cost-prohibitive for the Foundation relative to the proceeds received.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10. However, 2023 Senate Bill 36 was enacted May 8, 2023, as 2023 Wisconsin Act 7.)

### 14. GRANT TO DISCOVER GREEN BAY

**Joint Finance/Legislature:** Provide \$2,000,000 in 2023-24 under Tourism's biennial marketing appropriation for a grant to Discover Green Bay (Experience Greater Green Bay Corporation).

[Act 19 Section: 9143(2)]

# 15. GRANT TO VISIT MILWAUKEE

**Joint Finance/Legislature:** Provide \$10,000,000 in 2023-24 under Tourism's biennial marketing appropriation for a grant to Visit Milwaukee (Greater Milwaukee Convention and Visitors Bureau).

**Veto by Governor [B-12]:** Reduce the grant to \$1,000,000 and retain the remaining \$9,000,000 for Tourism's general marketing purposes. Remove the requirement of awarding the grant in fiscal year 2023-24. (Total amounts available for Tourism's general marketing efforts as a result of the partial veto are described in a separate item.)

[Act 19 Section: 9143(3)]

[Act 19 Vetoed Section: 9143(3)]

GPR \$10,000,000

GPR \$2,000,000

## **Budget Change Items**

# **Transportation Finance**

#### 1. FUND CONDITION STATEMENT

The following table shows the estimated 2023-25 transportation fund condition statement under Act 19. Revenues reflect reestimates of collections under existing taxes, fees, and transfers as well as changes under the Act.

The "Ongoing General Fund Transfer" amount reflects the annual statutory transfer made

from the general fund to the transportation fund. The amount is an estimate of the current law transfer of 0.25% of general fund taxes based on estimated tax revenues under as shown in the general fund summary schedule of the Act, which includes actions on general fund taxes under the Act. Additional transfers from the general fund created under Act 19 are also shown as transfers to the fund (see following items). Department of Transportation (DOT) appropriations represent the bulk of the appropriations from the transportation fund. However, appropriations are also made for the following purposes, which are shown in the table, in total, as "Other Agency Appropriations": (a) to the Department of Revenue for the administration of the motor fuel tax, the air carrier and railroad property taxes, and the rental vehicle fee; (b) to the conservation fund to reflect estimated motor fuel taxes paid by users of motorboats, snowmobiles, all-terrain vehicles, and utility-terrain vehicles; (c) railroad terminal tax distributions, which are payments made to local governments where railroad terminal property is located; and (d) payment of reissued checks related to DOT.

# 2. ONGOING GENERAL FUND TRANSFER TO TRANSPORTATION FUND FOR ESTIMATED SALES TAX ON AUTOMOTIVE PARTS, ACCESSORIES, REPAIR, MAINTENANCE, AND TIRES [LFB Paper 761]

|              |              | Jt. Finance/Leg.<br>(Chg. to Gov) |     |
|--------------|--------------|-----------------------------------|-----|
| GPR Transfer | \$96,521,200 | - \$96,521,200                    | \$0 |
| SEG-REV      | 96,521,200   | - 96,521,200                      | 0   |
| Total        | \$0          | \$0                               | \$0 |

Governor: Transfer \$43,625,700 in 2023-24 and \$52,895,500 in 2024-25 from the general

fund to the transportation fund associated with the estimated annual sales tax revenue from the sale of automotive parts, accessories, repair and maintenance services, and tires. Beginning on June 30, 2024, and in each fiscal year thereafter, require the Department of Administration (DOA) Secretary to transfer an amount calculated by DOA approximating the difference between the sales tax generated in 2020-21 from the sales of these items, and the amounts generated on the items in the fiscal year of each transfer [See also "General Fund Taxes -- General Fund Tax Transfers"]. A technical amendment would be needed to clarify the Administration's intent that 2019-20 would be the base year for this calculation.

Joint Finance/Legislature: Provision not included.

### 3. ONGOING GENERAL FUND TRANSFER TO TRANSPORTATION FUND FOR ESTIMATED SALES TAX ON ELECTRIC VEHICLES [LFB Paper 761]

**Governor:** Transfer \$39,300,000 in 2023-24 and \$55,100,000 in 2024-25 from the general fund to the transportation fund associated with estimated annual sales tax revenue from the sale of electric vehicles (EVs) in the state. Beginning on June 30, 2024, and in each fiscal year thereafter, require the DOA Secretary to transfer an amount calculated by the Department of Administration approximating the amount of sales tax generated by the sale of electric vehicles in the state. In addition, specify that beginning in 2025-26, the transfer not exceed 120% of the amount transferred in the previous year or \$75,000,000, whichever is less.

**Joint Finance/Legislature:** Transfer \$39,300,000 in 2023-24 and \$55,100,000 in 2024-25 from the general fund to the transportation fund associated with the sales taxes on the sales of EVs in the state. Specify that, beginning on June 30, 2024, in each year there is transferred from the general fund to the transportation fund the amount shown for the transfer in the general fund summary schedule of the biennial budget act for EV sales tax.

[Act 19 Section: 38]

# 4. ONE-TIME TRANSFER FROM GENERAL FUND TO TRANSPORTATION FUND

| GPR Transfer | \$555,523,900 |
|--------------|---------------|
| SEG-REV      | 555,523,900   |

**Joint Finance/Legislature:** Provide a one-time transfer from the general fund to the transportation fund of \$555,523,900 in 2023-24.

[Act 19 Section: 9244(1)]

# 5. TRANSFER TO THE TRANSPORTATION FUND ASSOCIATED WITH THE REPEAL OF RAILROAD PERSONAL PROPERTY TAX

**Governor:** Decrease transportation fund revenues by \$9,000,000 in 2024-25 associated with the Governor's recommended provision to repeal the state personal property tax on railroad property. Make a corresponding increase in revenues associated with the transfer of \$9,000,000 in

2024-25 from the general fund to the transportation fund to compensate the transportation fund for reduced railroad property tax revenues. Specify that on December 30, 2024, and each December 30 thereafter, transfer an amount equal to the amount transferred in the previous fiscal year, increased by 1.25%.

Under current law, railroad companies are taxed on their personal and real property as public utilities under Chapter 76 of the statues. Revenue from these taxes are deposited to the transportation fund. However, 2023 Act 12 included a provision that repealed the personal property tax for local tax purposes as well as state taxes on railroad personal property. The real property of railroad companies would continue to be taxed for state tax purposes with revenues from those taxes to be deposited to the transportation fund.

**Joint Finance/Legislature:** Modify the bill to instead decrease transportation fund revenues by \$8,000,000 in 2024-25 associated with the provision included in 2023 Act 12 to repeal the state personal property tax on railroad property. Make a corresponding increase in revenues associated with the transfer of \$8,000,000 in 2024-25 from the newly-created local government fund to the transportation fund to compensate the transportation fund for reduced railroad property tax revenues. [See "Shared Revenue and Tax Relief -- Property Taxation."]

[Act 19 Section: 37]

# 6. USE OF REVENUES FROM OTHER FUNDS TO SUPPORT TRANSPORTATION PROGRAMS

Under current law, the transportation fund annually receives revenue from the general fund and the petroleum inspection fund (PIF) to support transportation programs. The current law general fund transfer is equal to 0.25% of projected general fund tax collections for each year, as included in the general fund summary condition statement under each enacted biennial budget. Two annual transfers are made from the petroleum inspection fund: (a) an ongoing transfer of \$6,258,500; and (b) the transfer of the unencumbered balance of the petroleum inspection fund to the transportation fund, except for an amount equal to not less than 5% of the gross revenues of the petroleum inspection fund during the fiscal year in which the transfer is made. Under Act 19, there would be no change in law related to these two transfers from the petroleum inspection fund. The annual PIF unencumbered balance transfer is estimated at \$17,103,800 in 2023-24 and \$17,146,500 in 2024-25.

In addition, Act 19 creates three new transfers to the transportation fund in the 2023-25 biennium: (a) an ongoing transfer from the general fund of the estimated annual sales tax revenue from the sale of electric vehicles in the state, which would equal \$39.3 million in 2023-24 and \$55.1 million in 2024-25; (b) a one-time GPR transfer of \$555.5 million from the general fund in 2023-24; and (c) an ongoing transfer of \$8,000,000 annually from the newly-created local government fund to compensate the transportation fund for lost railroad personal property tax revenue. The following table compares the estimated current law amounts to be transferred from the general fund, PIF, and local government fund to the transportation fund in the 2021-23 and 2023-25 biennia, as well as the estimated amounts that would be transferred under the new general fund transfers introduced under Act 19. Use of other funds under Act 19 are estimated to total

#### \$804.5 million, compared to an amount of \$322.8 million in the 2021-23 biennium.

| Local Government Fund                |                |                      |                           |                 |
| Railroad Personal Property Tax       | \$0            | \$8,000,000*         | \$8,000,000               | N.A.            |
| Total                                | \$322,755,600  | \$804,503,200        | \$481,747,600             | 149.3%          |

\*New transfers to the transportation fund enacted under Act 19.

Note: Excludes debt service amounts on general fund-supported bonds issued for transportation purposes, other GPR appropriations provided for specific transportation purposes, the direct deposit of one cent of the two cent petroleum inspection fee to the transportation fund, and the transfer from the local government fund associated with exempt railroad property.

#### 7. ELECTRIC VEHICLE REGISTRATION FEE

SEG-REV \$3,289,300

**Joint Finance/Legislature:** Increase the current law annual registration fee for electric vehicles (EVs) from \$100 to \$175, effective with applications for registration on October 1, 2023. Estimate additional registration fee revenues to the transportation fund from of \$1,180,600 SEG-REV in 2023-24 and \$2,108,700 SEG-REV in 2024-25. The \$175 is in addition to the \$85 registration fee currently received for all vehicles.

[Act 19 Sections: 459 and 9344(1)]

# 8. ALLOCATION OF FEDERAL HIGHWAY AID [LFB Paper 774, 775, 785 thru 787, and 789]

**Governor:** Estimate federal highway formula aid at \$1,016,252,500 in 2023-24 and \$1,034,808,400 in 2024-25, which represents increases of \$192,311,200 in 2023-24 and \$210,867,100 in 2024-25 relative to the 2022-23 appropriation adjusted base. The increased federal highway formula aid in the 2023-25 biennium is due to passage of the Infrastructure Investment and Jobs Act (IIJA) in November, 2021, which authorized higher baseline funding levels for federal highway formula aid than the prior federal reauthorization act. The actual amount of the state's federal highway aid in 2023-25 will be determined on an annual basis under federal transportation appropriation acts of Congress. The estimate reflects uncertainty regarding the

amount of federal transportation aid that will be appropriated by the federal government and available to the state in the biennium. The following table shows the change to the appropriation base requested by the Department and the resulting distribution of federal highway formula aid.

|                                   |               | Chang         | e to Base      | Gov             | ernor           |

| Local Transportation Facility     |               |               |                |                 |                 |
| Improvement Assistance            | 72,331,300    | 66,458,600    | 77,674,200     | 138,789,900     | 150,005,500     |
| Local Bridge Improvement          | 24,523,900    | 40,095,100    | 30,095,100     | 64,619,000      | 54,619,000      |
| Departmental Mgmt. and Ops.       | 15,659,200    | -3,464,000    | -3,429,300     | 12,195,200      | 12,229,900      |
| Southeast Freeway Megaprojects    | 14,366,000    | 25,254,300    | 42,940,700     | 39,620,300      | 57,306,700      |
| Congestion Mitigation/Air Quality |               |               |                |                 |                 |
| Improvement                       | 10,719,000    | 4,461,200     | 4,550,500      | 15,180,200      | 15,269,500      |
| Transportation Alternatives       | 7,049,300     | 10,969,600    | 11,189,000     | 18,018,900      | 18,238,300      |
| Administration and Planning       | 3,982,400     | 293,300       | 293,300        | 4,275,700       | 4,275,700       |
| Railroad Crossing Improvements    | 3,291,800     | 2,823,800     | 2,880,300      | 6,115,600       | 6,172,100       |
| Highway System Mgmt. and Ops.     | 1,313,200     | 12,668,000    | 12,668,000     | 13,981,200      | 13,981,200      |
| Total                             | \$823,941,300 | \$192,311,200 | \$210,867,100  | \$1,016,252,500 | \$1,034,808,400 |

Note: Includes adjustments to the base and standard budget adjustment amounts.

**Joint Finance/Legislature:** Modify the Governor's recommendations for the allocation of federal highway formula aid as follows: (a) delete the recommended federal funding adjustments for the local transportation facility improvement assistance, congestion mitigation and air quality improvement, transportation alternatives, administration and planning, and railroad crossing improvement appropriations; (b) modify the recommended funding for the state highway rehabilitation, local bridge improvement, southeast Wisconsin freeway megaprojects, and highway system management and operations appropriations to reallocate federal funds among these appropriations; (c) provide additional federal funding to applicable appropriations for a 10% pay increase for DOT engineers; and (d) increase the turnover reduction standard budget adjustment from 3% to 5% for all appropriations subject to a 3% turnover rate. These changes are discussed in separate items.

As a result of these changes, estimate the amounts of federal highway formula aid received by the state in the 2023-25 biennium to be \$936.3 million in 2023-24, and \$955.2 million in 2024-25. These amounts are less than the Governor's version of the bill by \$80.0 million in 2023-24 and \$81.6 million in 2024-25.

The following table shows the change to the Governor's recommendations under Act 19 and the resulting distribution of federal highway formula aid. As shown in the table, Act 19 would provide the largest increases in federal highway formula aid for the state highway rehabilitation program, the local bridge improvement assistance program, and the southeast Wisconsin freeway megaprojects programs, while decreasing the amount of federal funds allocated for departmental management and operations.

[Act 19 Sections: 181 and 9144(9)]

### 9. TRANSPORTATION-RELATED BOND SUMMARY

The following table summarizes the biennial usage of bonds for transportation projects in the 2021-23 biennium, and in the 2023-25 biennium under both the Governor's recommendations and Act 19, by type of bond and program. The only authorization of new bonding under Act 19 is \$352.8 million in transportation revenue-supported, general obligation bonds for the major interstate bridge program, to be used for construction of the John A. Blatnik Bridge in Superior. Act 19 also allows DOT to utilize \$18.5 million in existing transportation revenue bond premium proceeds for DOT administrative facilities, as enumerated in the 2023-25 State Building Program [See also "Departmentwide"]. For the remaining programs under which the Governor recommended bonding, as shown in the table, the Act provides one-time SEG funding in 2023-24 in lieu of the bonding recommended by the Governor.

| Governor                 | Act 19  |
|--------------------------|---|
| <u>23</u> <u>2023-25</u> | 2023-25   |
|                          |   |
| 00 \$140,873,000         | \$0   |
| 0 50,000,000             | 0   |
| 0 47,200,000             | \$352,800,000   |
| 00 20,000,000            | 0   |
| 00 16,000,000            | 0   |
| 00 0                     | 0   |
| 00 \$274,073,000         | \$352,800,000   |
|                          |   |
| 00* \$149,214,300        | \$0   |
| 0 18,500,000             | 0**   |
| 00 \$167,714,300         | \$0   |
| 00 \$441,787,300         | \$352,800,000   |
|                          | $\begin{array}{c ccccc} 00 & \$140, \$73, 000 \\ 0 & 50, 000, 000 \\ 0 & 47, 200, 000 \\ 00 & 20, 000, 000 \\ 00 & 16, 000, 000 \\ \hline 00 & \$274, 073, 000 \\ \hline 00 & \$149, 214, 300 \\ \hline 00 & \$167, 714, 300 \\ \hline \end{array}$ |

\*2021 Act 58 allocated \$20,765,000 in existing revenue bond proceeds for the major highway development program and \$13,000,000 in existing revenue bond proceeds for DOT administrative facilities in 2021-23.

\*\*Act 19 authorizes DOT to utilize \$18.5 million in existing transportation revenue bond proceeds for DOT administrative facilities in 2023-25.

[Act 19 Sections: 181 and 9144(9)]

# **10. TRANSPORTATION REVENUE BOND AUTHORIZATION** [LFB Papers 786 and 805]

|    | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----|----------------------------|-----------------------------------|------------|
| BR | \$167,714,300              | - \$167,714,300                   | \$0        |

**Governor:** Provide transportation revenue bond authority of \$167,714,300, reflecting the planned use of revenue bonds for major highway development projects [see "State Highway Program"] and DOT administrative facility construction projects [see "Departmentwide"] in the 2023-25 biennium. The Department indicated that a balance of \$80,571,100 in unused transportation revenue bond authority will remain available at the end of the 2021-23 biennium. This balance along with the Governor's recommendations would result in the availability of \$248,285,400 in ongoing revenue bond authority. Of this total, \$165,523,200 SEG-S would be appropriated in the 2023-25 biennium, as follows: (a) \$73,511,600 annually for the major highway development program; and (b) \$9,250,000 annually for administrative facility construction projects. Estimated reductions to transportation fund revenue would be \$1,034,600 in 2023-24 and \$7,675,600 in 2024-25 associated with the debt service due from the partial issuance of these bonds in the biennium (shown in a separate item). Under the Governor's recommendation, \$82,761,800 in existing unused revenue bond authority would remain available for projects in the 2023-25 biennium that would be initiated, but not completed, in the 2023-25 biennium.

**Joint Finance/Legislature:** Provision not included. In lieu of transportation revenue bonds, Act 19 provides one-time SEG funding in 2023-24 to the major highway development program,

and authorizes use of existing transportation revenue bond premium proceeds for DOT administrative facilities, as shown in separate items.

# **11. TRANSPORTATION REVENUE BOND DEBT SERVICE REESTIMATE** [LFB Paper 760]

|         |               | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|---------|---------------|-----------------------------------|-------------|
| SEG-REV | - \$6,375,400 | \$12,947,700                      | \$6,572,300 |

**Governor:** Decrease estimated transportation fund revenue by \$4,749,700 in 2023-24 and by \$1,625,700 in 2024-25 to reflect changes in the amount of vehicle registration and other pledged revenue needed to pay principal and interest on transportation revenue bonds. Of these amounts, \$918,900 in 2023-24 and \$6,817,700 in 2024-25 relate to the revenue bonds that would be authorized under the bill for the major highway development program and \$115,700 in 2023-24 and \$857,900 in 2024-25 relate to the revenue bonds that would be authorized under the bill for the revenue bonds that would be authorized under the bill for DOT administrative facilities purposes.

Annual revenue bond debt service is primarily paid from vehicle registration and title fee revenue paid to the registration fee trust, with any annual residual revenues being deposited in the transportation fund. Consequently, these debt service payments are considered a negative adjustment to revenue rather than a transportation fund expenditure. Total transportation revenue bond debt service in 2022-23 is estimated at \$201,162,700, an amount that is projected to increase under the bill to an estimated \$205,912,400 in 2023-24 and \$202,788,400 in 2024-25.

**Joint Finance/Legislature:** Increase estimated transportation fund revenue by \$5,054,000 in 2023-24 and \$7,893,700 in 2024-25 compared to the Governor's bill to reflect changes in the amount of vehicle registration and other pledged revenue needed to pay principal and interest on existing transportation revenue bonds for the major highway development program and DOT administrative facilities. Act 19 does not authorize additional bonds for these programs in the 2023-25 biennium. Total transportation revenue bond debt service in 2022-23 is estimated at \$201,162,700, an amount that is projected to decrease to an estimated \$200,858,400 in 2023-24 and \$194,894,700 in 2024-25.

### 12. TRANSPORTATION REVENUE BOND DEFEASANCE

Governor<br/>(Chg. to Base)Jt. Finance/Leg.<br/>(Chg. to Gov) Net ChangeGPR Transfer\$379,369,800- \$379,369,800\$0

**Governor:** Transfer \$379,369,800 from the general fund to a newly-created transportation revenue bond defeasance trust fund to pay principal and interest on outstanding transportation revenue bonds. Require the Department to deposit the \$379.4 million in a separate and distinct fund outside the state treasury, in an account maintained by a trustee, and require the state and

trustee to create an agreement or resolution pledging trust fund revenues to the repayment of transportation revenue bond debt service obligations. The Administration indicates that, each year over an eight-year period from 2024-25 to 2031-32, a portion of the \$379.4 million would be used to pay off outstanding transportation revenue bonds. The Administration anticipates using \$76,287,700 of these funds in 2024-25 to pay debt service costs on outstanding transportation revenue bonds.

Annual revenue bond debt service is primarily paid from vehicle registration and title fee revenue paid to the registration fee trust, with any annual residual revenues being deposited in the transportation fund. Consequently, these debt service payments are considered a negative adjustment to revenue rather than a transportation fund expenditure. Total transportation revenue bond debt service in 2024-25 paid from the transportation fund under this provision would decrease from \$202,788,400 to \$126,500,800.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 13. TRANSPORTATION FUND-SUPPORTED, GENERAL OBLIGATION BOND DEBT SERVICE REESTIMATE -- SOUTHEAST WISCONSIN FREEWAY MEGAPROJECTS AND HIGH-COST BRIDGE PROJECTS [LFB Papers 106 and 787]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-----|----------------------------|-----------------------------------|---------------|
| SEG | - \$6,403,200              | - \$1,861,700                     | - \$8,264,900 |

**Governor:** Decrease funding by \$6,159,700 in 2023-24 and \$243,500 in 2024-25 to fund the estimated transportation fund-supported, general obligation bond debt service associated with bonds authorized for southeast Wisconsin freeway reconstruction and high-cost bridge projects. Base funding for these appropriations is \$90,814,900, and would decrease to \$84,655,200 in 2023-24 and \$95,229,800 in 2024-25 under this reestimate.

This debt service reestimate would be associated with the following: (a) a decrease in debt service due on existing bonds by \$6,159,700 in 2023-24 and \$1,731,500 in 2023-24; (b) an increase in debt service for bonds authorized in the bill for southeast Wisconsin freeway megaprojects by \$1,488,000 in 2024-25.

**Joint Finance/Legislature:** Modify the provision to decrease funding by an additional \$242,700 SEG in 2023-24 and \$1,619,000 in 2024-25 associated with lower debt service costs on these bonds. Act 19 does not authorize additional bonds for these programs in the 2023-25 biennium. Base funding for these appropriations is \$90,814,900, and would decrease to \$84,412,500 in 2023-24 and \$88,952,400 in 2024-25 under this reestimate.

This debt service reestimate would be associated with the following: (a) an additional decrease in debt service due on existing bonds by \$242,700 in 2023-24 and \$131,000 in 2023-24;

(b) a decrease in debt service of \$1,488,000 is 2024-25 associated with the deletion of the southeast Wisconsin freeway megaprojects bonding recommended by the Governor.

# 14. EXISTING TRANSPORTATION FUND-SUPPORTED, GENERAL OBLIGATION BOND DEBT SERVICE SEG - \$918,300 REESTIMATE -- CONTINGENT HIGHWAY BONDS [LFB Paper 106]

**Governor/Legislature:** Decrease funding by \$446,400 in 2023-24 and \$471,900 in 2024-25 to fund the estimated transportation fund-supported, general obligation bond debt service associated with existing bonds authorized for state highway rehabilitation and major highway development projects. No new bonds would be authorized associated with this bonding purpose under Act 19. Base funding for this appropriation is \$12,129,200, and would decrease to \$11,682,800 in 2023-24 and \$11,657,300 in 2024-25 under this reestimate.

# **15. TRANSPORTATION FUND-SUPPORTED, GENERAL OBLIGATION BOND DEBT SERVICE REESTIMATE -- OTHER PROJECTS** [LFB Papers 106, 772 and 773]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| SEG | \$3,581,000                | - \$566,600                       | \$3,014,400 |

**Governor:** Decrease funding by \$592,700 in 2023-24 and increase funding by \$4,173,700 in 2024-25 to fund the estimated transportation fund-supported, general obligation bond debt service for state highway rehabilitation, major highway development, freight rail preservation, harbor improvement projects, and department facilities and with those bonds that would be authorized under the bill. Combined base funding for these appropriations is \$56,898,200, and would decrease to \$56,305,500 in 2023-24 and increase to \$61,071,900 in 2024-25 under this reestimate.

This debt service reestimate would be associated with the following: (a) a decrease in debt service by \$592,700 in 2023-24 and increase by \$3,799,500 in 2024-25 due on existing bonds; and (b) an increase in debt service funding by \$166,300 in 2024-25 for harbor assistance and \$207,900 in 2024-25 for freight rail preservation to reflect the bonding authorizations included in the Governor's recommendations for these purposes.

**Joint Finance/Legislature:** Modify the provision to decrease funding by an additional \$128,300 SEG in 2023-24 and \$438,300 SEG in 2024-25 associated with lower debt service costs on these bonds. Act 19 does not authorize additional bonds for these programs in the 2023-25 biennium. Combined base funding for these appropriations is \$56,898,200, and would decrease to \$56,177,200 in 2023-24 and increase to \$60,633,600 in 2024-25 under this reestimate.

This debt service reestimate is associated with the following: (a) an additional decrease in debt service due on existing bonds by \$128,300 in 2023-24 and \$64,100 in 2024-25; and (b) decreases in debt service of \$166,300 for harbor assistance and \$207,900 for freight rail

preservation in 2024-25 associated with the deletion of the Governor's recommended bonding for these programs under Act 19.

#### 16. EXISTING GENERAL FUND-SUPPORTED, GENERAL OBLIGATION BOND DEBT SERVICE REESTIMATE [LFB Paper 106]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-----|----------------------------|-----------------------------------|---------------|
| GPR | - \$6,833,900              | - \$610,100                       | - \$7,444,000 |

**Governor:** Increase funding by \$2,717,300 in 2023-24 and decrease funding by \$9,551,200 in 2024-25 to fund the reestimated debt service associated with existing general fund-supported, general obligation bonds authorized for state highway projects in previous biennia. No new general fund-supported, general obligation bonds would be authorized under the Governor's recommendations. Base funding for this appropriation is \$87,559,900 and would increase to \$90,277,200 in 2023-24 and decrease to \$78,008,700 in 2024-25.

**Joint Finance/Legislature:** Decrease funding by an additional \$569,900 GPR in 2023-24 and \$40,200 GPR in 2024-25 to fund the reestimated debt service on these bonds. No new general fund-supported, general obligation bonds are authorized under Act 19. Base funding for these appropriations is \$87,559,900 and would increase to \$89,707,300 in 2023-24 and decrease to \$77,968,500 in 2024-25.

### 17. TRANSPORTATION-RELATED DEBT SERVICE SUMMARY

This item summarizes the transportation fund-supported and general fund-supported debt service on transportation-related bonds under current law and Act 19.

*Transportation Fund-Supported.* Estimated transportation fund-supported debt service on previously authorized bonds would total \$353,130,900 in 2023-24 and \$356,138,000 in 2024-25. Reestimates of existing transportation fund-supported debt service on bonds issued for transportation purposes are shown in separate entries. The following table provides information on the estimates of transportation fund-supported debt service levels for each year of the 2021-23 biennium, as well for each year of the 2023-25 biennium under Act 19.

#### Gross Transportation Fund Revenue (Excluding Federal Aid, Bond Revenue, and Transfers from Other Funds) and Transportation Fund-Supported Debt Service (\$ in Millions)

| Fiscal Year | Transportation<br>Fund Debt Service | Gross Transportation<br><u>Fund Revenue</u> * | Debt Service as<br><u>% of Revenue</u> |
|-------------|-------------------------------------|---|--|
| 2021-22     | \$358.4                             | \$2,159.2                                     | 16.6%                                  |
| 2022-23     | 351.8                               | 2,150.7                                       | 16.4                                   |
| 2023-24     | 353.1                               | 2,185.8                                       | 16.2                                   |
| 2024-25     | 356.1                               | 2,198.1                                       | 16.2                                   |

\*Revenue is shown before the payment of debt service on transportation revenue bonds, and does not contain transfers from other funds, including the new transfers from the general fund to the transportation fund introduced under Act 19.

Note: Debt service and revenue amounts shown for 2021-22 are actual. The amounts for 2022-23 reflect estimates by the Administration in March, 2023, for transportation revenue bonds, May, 2023, for general obligation bonds, and revenues estimated by DOT in May, 2023. Amounts for 2023-24 and 2024-25 are estimated and reflect existing debt service on bonds authorized to date.

*General Fund-Supported.* General fund-supported debt is not included in the above calculation of transportation fund-supported debt service as a percentage of transportation revenue. The estimate of general fund-supported debt service on existing bonds issued for transportation purposes (\$89.7 million in 2023-24 and \$78.0 million in 2024-25) is shown in a separate item.

# **Local Transportation Aid**

### 1. GENERAL TRANSPORTATION AIDS [LFB Paper 765]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-----|----------------------------|-----------------------------------|--------------|
| SEG | \$51,481,200               | - \$20,051,800                    | \$31,429,400 |

Governor: Provide the following related to the general transportation aids program:

a. *County Aid.* Increase funding by \$3,141,100 in 2023-24 and \$8,277,600 in 2024-25 to fund a 4.0% increase each year to the calendar year general transportation aid distribution for counties. The calendar year distribution for counties is currently equal to \$127,140,200. This would provide a calendar year distribution amount for counties equal to \$132,225,800 for 2024 and \$137,514,800 for 2025 and thereafter.

b. *Municipal Aid.* Increase funding by \$11,891,700 in 2023-24 and \$28,170,800 in 2024-25 to fund a 4.0% increase each year to the calendar year general transportation aid

distribution for municipalities. The calendar year distribution level for municipalities is currently equal to \$398,996,800. This would provide a calendar year distribution amount for municipalities equal to \$414,956,700 for 2024 and \$431,555,000 for 2025 and thereafter. Increase the mileage aid rate by 4.0% each year (from its current level of \$2,734 per mile) to \$2,843 per mile for calendar year 2024 and \$2,957 per mile for calendar year 2025 and thereafter.

Delete the statutory references to prior calendar year funding amounts for counties and municipalities, as well as the prior year mileage aid rate amounts for municipalities.

**Joint Finance/Legislature:** Reduce funding by \$4,625,700 SEG in 2023-24 and \$15,426,100 SEG in 2024-25 compared to the bill, to provide the following:

*County Aid.* Provide \$2,505,400 SEG in 2023-24 and \$5,060,900 SEG in 2024-25 to fund a 2.0% increase each year to the calendar year general transportation aid distribution for counties, and to fully fund the 2.0% calendar year 2023 increase provided in 2021 Act 58. Increase the calendar year distribution for counties to \$129,683,000 for 2024, and to \$132,276,700 for 2025, and thereafter.

*Municipal Aid.* Provide \$7,901,700 SEG in 2023-24 and \$15,961,400 SEG in 2024-25 to fund a 2.0% increase each year to the calendar year general transportation aid distribution for municipalities, and to fully fund the 2.0% calendar year 2023 increase provided in 2021 Act 58. Increase the calendar year distribution for municipalities to \$406,976,700 for 2024, and to \$415,116,200 for 2025, and thereafter. Increase the mileage aid rate by 2.0% annually, from its current level of \$2,734 per mile, to \$2,789 per mile for calendar year 2024, and to \$2,845 per mile for 2025, and thereafter. Delete the statutory references to prior calendar year funding amounts for counties and municipalities, as well as the prior year mileage aid rate amounts for municipalities.

**Veto by Governor [D-29]:** Delete the annual increases to the mileage aid rate for municipalities and remove the statutory references to prior year mileage aid rate amounts. As a result, the current law statutory mileage aid rate payment for municipalities of \$2,734 per mile for calendar year 2023 and thereafter would be retained in the 2023-25 biennium, making an estimated \$3.2 million in 2023-24 and \$6.4 million in 2024-25 in additional funding available to municipalities that receive aid under the share-of-cost formula.

[Act 19 Section: 377m]

[Act 19 Vetoed Section: 377m (as it relates to s. 86.30(2)(a)3.)]

### 2. MASS TRANSIT OPERATING ASSISTANCE [LFB Paper 766]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| GPR   | \$0                        | \$228,728,500                     | \$228,728,500 |
| SEG   | <u>6,822,600</u>           | <u>- 232,727,200</u>              | - 225,904,600 |
| Total | \$6,822,600                | - \$3,998,700                     | \$2,823,900   |

Governor: Provide \$1,129,600 in 2023-24 and \$5,693,000 in 2024-25 to provide a 4.0%

increase in mass transit operating assistance to each tier of mass transit systems for both calendar year 2024 and calendar year 2025. Specify that the increase in funding would be distributed as follows: (a) \$654,800 in 2023-24 and \$3,300,100 in 2024-25 for Tier A-1 (Milwaukee County); (b) \$172,100 in 2023-24 and \$867,200 in 2024-25 for Tier A-2 (Madison); (c) \$249,800 in 2023-24 and \$1,258,900 in 2024-25 for Tier B transit systems (systems serving a population of 50,000 or more that are not in Tiers A-1 or A-2); and (d) \$52,900 in 2023-24 and \$266,800 in 2024-25 for Tier C transit systems (systems serving areas with population between 2,500 and 50,000).

Set the statutory calendar year distribution amounts as follows; (a) 68,096,900 for 2024 and 70,820,800 for 2025 for Tier A-1; (b) 17,893,600 for 2024 and 18,609,400 for 2025 for Tier A-2.

It should be noted that while the funding provided in the bill for 2023-24 and 2024-25 would fully fund a 4.0% increase for calendar year 2024 and 2025, no increase in the statutory calendar year amounts for Tier B or Tier C were specified in the bill. A 4.0% funding increase, as provided under the bill, would require the statutory calendar year distribution amounts to be specified as follows: (a) \$25,975,500 for 2024 and \$27,014,500 for 2025 for Tier B; and (b) \$5,504,400 in 2024 and \$5,724,600 for 2025 for Tier C.

Delete the statutory references to prior calendar year funding amounts for each tier of transit systems.

**Joint Finance:** Reduce funding by \$112,952,300 SEG in each fiscal year of the 2023-25 biennium, to provide \$0 for each existing SEG appropriation in the Chapter 20 schedule of appropriations that is associated with each mass transit operating aid funding tier. Create five GPR annual appropriations for the purpose of funding each tier of mass transit operating aid, and provide total base funding of \$112,952,300 GPR in each fiscal year of the 2023-25 biennium, to reflect the base funding amounts previously provide to each tier of mass transit operating aid from the transportation fund. Modify current mass transit operating assistance program statutes to refer to the newly created GPR appropriations, instead of the existing SEG appropriations.

In addition, modify the proposed aid increase to provide \$564,800 GPR in 2023-24 and \$2,259,100 GPR in 2024-25, to fund a 2.0% increase in mass transit operating aid to each tier of mass transit systems for calendar year 2024, and thereafter. Specify that the increase in funding would be distributed as follows: (a) \$327,400 in 2023-24 and \$1,309,600 in 2024-25 for Tier A-1 (Milwaukee County); (b) \$86,000 in 2023-24 and \$344,100 in 2024-25 for Tier A-2 (Madison); (c) \$124,900 in 2023-24 and \$499,500 in 2024-25 for Tier B transit systems (systems serving a population of 50,000 or more that are not in Tiers A-1 or A-2); and (d) \$26,500 in 2023-24 and \$105,900 in 2024-25 for Tier C transit systems (systems serving areas with population between 2,500 and 50,000).

Set the statutory calendar year distribution amounts as follows; (a) 66,787,400 for 2024, and thereafter, for Tier A-1; (b) 17,549,500 for 2024, and thereafter, for Tier A-2; (c) 25,475,900 for 2024, and thereafter, for Tier B; (d) 5,398,600 for 2024, and thereafter, for Tier C.

Specify that if DOT makes transit aid payments in fiscal year 2023-24 from the Department's existing SEG appropriations prior to the effective date of the bill, the Department of

Administration (DOA) would be required to make transfers in fiscal year 2023-24 from the newly created GPR appropriation accounts to the transportation fund, in an amount equal to the amounts paid by DOT in fiscal year 2023-24 prior to the effective date of the bill. DOA would be required to make each transfer from the appropriation account that corresponds to the applicable transit tier for which DOT made payments.

**Senate/Legislature:** Specify that the statutory calendar year distribution amounts for Tiers A-1, A-2, B and C are made in calendar year 2023 and thereafter, rather than calendar year 2024 and thereafter.

[Act 19 Sections: 85 thru 89, 368 thru 375 and 9144(10)]

# 3. TRANSIT CAPITAL ASSISTANCE GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$20,000,000               | - \$20,000,000                    | \$0        |

**Governor:** Provide \$10,000,000 annually to a new, continuing SEG appropriation under DOT for transit capital assistance grants. Require DOT to administer a transit capital assistance grant program and award grants to eligible applicants for the replacement of public transit vehicles. Specify that DOT would be required to establish criteria for awarding grants under the transit capital assistance grant program.

Define "eligible applicant" to mean a local public body in an urban area that is served by an urban mass transit system incurring an operating deficit. Specify that "public transit vehicle" would mean any vehicle used for providing transportation service to the general public that is eligible for replacement as an eligible mitigation action established under the Volkswagen settlement.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. SENIORS AND INDIVIDUALS WITH DISABILITIES SPECIALIZED ASSISTANCE PROGRAM [LFB Paper 767]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$453,200                  | - \$230,200                       | \$223,000  |

**Governor:** Provide \$143,900 in 2023-24 and \$309,300 in 2024-25 for a 15% increase to funding for the seniors and individuals with disabilities specialized assistance program in each year of the 2023-25 biennium. This would increase funding from \$959,000 in base funding to \$1,102,900 in 2023-24 and \$1,268,300 in 2024-25. State specialized assistance funding

supplements federal section 5310 funding (enhanced mobility of seniors and individuals with disabilities program) to aid eligible applicants in Wisconsin's rural and small urban areas with transit capital and operating projects that serve seniors and individuals with disabilities.

**Joint Finance/Legislature:** Reduce funding by \$32,400 in 2023-24 and \$197,800 in 2024-25, to provide \$111,500 annually for an 11.6% increase to funding for the seniors and individuals with disabilities specialized assistance program in the first year of the 2023-25 biennium. This would increase funding from \$959,000 in base funding to \$1,102,900 in 2023-24 and thereafter.

#### 5. PARATRANSIT AIDS

**Governor/Legislature:** Provide \$127,200 in 2023-24 and \$259,500 in 2024-25 for a 4.0% increase to funding for paratransit aid in each year of the 2023-25 biennium. This would increase funding from \$3,178,100 in base funding to \$3,305,300 in 2023-24 and \$3,437,600 in 2024-25.

Under current law, DOT is required to provide paratransit aid to assist eligible urban mass transit operating assistance recipients with the provision of paratransit service required under the Americans with Disabilities Act. In awarding the paratransit grants to eligible urban mass transit systems, the Department must: (a) maximize the level of paratransit service provided by those systems; and (b) give priority to eligible applicants for the maintenance of paratransit service provided on July 1, 2011.

### 6. NONDRIVER ADVISORY COMMITTEE - MOBILITY MANAGEMENT FUNDING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$853,200                  | - \$853,200                       | \$0        |

**Governor:** Provide \$543,900 in 2023-24 and \$309,300 in 2024-25 to implement the recommendation of the Department's Nondriver Advisory Committee. The funding would be provided for the following: (a) \$400,000 in 2023-24 to fund the coordination of nondriver services in Wisconsin; and (b) a \$143,900 in 2023-24 and \$309,300 in 2024-25 to provide a 15% increase to funding for the seniors and individuals with disabilities specialized assistance program in each year of the 2023-25 biennium.

The Administration indicates that, the funding would be used to fund mobility management projects, coordinate services for nondrivers, and support the implementation of recommendations from DOT's Nondriver Advisory Committee. State specialized assistance funding supplements federal section 5310 funding (enhanced mobility of seniors and individuals with disabilities program) to aid eligible applicants in Wisconsin's rural and small urban areas with transit capital and operating projects that serve seniors and individuals with disabilities. Mobility management activities are eligible for federal section 5310 transit funding as a capital expense. Examples of mobility management activities include travel training, transit itinerary planning, transportation

SEG \$386,700

needs studies, one-stop traveler call centers, and transportation brokerages to coordinate providers.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. TRANSPORTATION EMPLOYMENT AND MOBILITY

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$126,900                  | - \$126,900                       | \$0        |

**Governor:** Provide \$41,600 in 2023-24 and \$85,300 in 2024-25 for a 5.0% increase to the Department's transportation employment and mobility continuing appropriation funding in each year of the 2023-25 biennium. This would increase funding from \$832,600 in base funding to \$874,200 in 2023-24 and \$917,900 in 2024-25. Under current law, DOT may award grants from this appropriation to public and private organizations for the development and implementation of demand management, ridesharing, and job access and employment transportation assistance programs. Currently, the Wisconsin employment transportation assistance program (WETAP) is funded from this appropriation. WETAP is an annual competitive grant program that combines both state and federal funding for transit systems and organizations that assist low-income individuals in getting to work.

Under current law, the Department of Workforce Development (DWD) is appropriated \$464,800 GPR annually for employment transit assistance grants. Although not statutorily required, DWD typically transfers all funding appropriated for the employment transit grants program to DOT to jointly fund WETAP. The additional funding provided to DOT under the bill would increase funding to the WETAP program to \$1,339,000 in 2023-24 and \$1,382,700 in 2024-25, if combined with the funding provided to DWD.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 8. CONNECTING HIGHWAY AIDS

SEG \$7,457,600

**Joint Finance/Legislature:** Provide \$2,485,900 SEG in 2023-24 and \$4,971,700 SEG in 2024-25 to fund a 25.0% increase in the connecting highway aid distribution for municipalities for calendar year 2024 and thereafter. Increase the calendar year aid mileage distribution rates by 25.0% for each category of municipality.

[Act 19 Section: 384]

# **Local Transportation Assistance**

#### 1. LOCAL ROADS IMPROVEMENT PROGRAM [LFB Paper 770] SEG \$4,016,800

**Governor:** Provide the following increases to the local roads improvement program (LRIP): (a) \$714,600 in 2023-24 and \$1,457,800 in 2024-25 for the formula allocation component of the program; and (b) \$606,700 in 2023-24 and \$1,237,700 in 2024-25 for the discretionary grants component of the program. This would represent a 4% increase each year in the base level of funding currently provided for the program.

Beginning in 2023-24, and each year thereafter, modify the statutes specifying how funds under the discretionary grants component are divided among local units of government. Under this provision, 35.6% of funds would be used for county trunk highway improvements, 39.0% for town road improvements, and 25.4% for municipal street improvement projects. LRIP discretionary component funds were distributed in these same proportions in previous program cycles, however the statutes had previously specified amounts, rather than percentages, to be allocated to each local government category. The table below compares funding for LRIP in 2021-23 with the recommended 2023-25 funding level for both program components.

|                                 | <u>2021-23</u> | <u>2023-25</u> | Difference  | <u>% Change</u> |
|---------------------------------|----------------|----------------|-------------|-----------------|
| Formula-Based Allocation*       |                |                |             | _               |
| Counties (43%)                  | \$15,106,400   | \$16,040,600   | \$934,200   | 6.2%            |
| Towns (28.5%)                   | 10,012,400     | 10,631,500     | 619,100     | 6.2             |
| Municipalities (28.5%)          | 10,012,400     | 10,631,500     | 619,100     | 6.2             |
| Total Formula Funds             | \$35,131,200   | \$37,303,600   | \$2,172,400 | 6.2%            |
| <b>Discretionary Allocation</b> |                |                |             |                 |
| Counties                        | \$10,786,800   | \$11,455,800   | \$669,000   | 6.2%            |
| Towns                           | 11,847,200     | 12,549,900     | 702,700     | 5.9             |
| Municipalities                  | 7,700,800      | 8,173,500      | 472,700     | 6.1             |
| Total Discretionary Funds       | \$30,334,800   | \$32,179,200   | \$1,844,400 | 6.1%            |
| Biennial Program Total          | \$65,466,000   | \$69,482,800   | \$4,016,800 | 6.1%            |

#### Current Law and Governor's Recommended Biennial LRIP Funding

\*Does not include \$600,000 from the formula-based allocation, which supports 3.0 positions in DNR for the environmental review of local road projects under current law and under the bill. This amount is deducted from the total prior to calculating the percentage-based formula allocations shown in the top section of the table.

LRIP provides discretionary and formula-based grants through separate appropriations of state funds. These grants are provided on a biennial basis for capital improvements on existing county, town, and municipal roads and for feasibility studies for such improvements. For the purposes of the program, a capital improvement is defined as a project with a projected design life of at least 10 years. Grants may cover up to 50% of the total project cost, with the balance being provided, generally, by the local recipient. All costs of improvements are initially the responsibility

of the local government. County and municipal projects must have eligible costs exceeding \$250,000 and town projects must have eligible costs exceeding \$100,000. Upon completion of a project, a local government can apply to DOT for reimbursement of up to 50% of the project costs.

**Joint Finance/Legislature:** Include the provision, but specify the annual amounts, rather than percentages, to be allocated to each category of local units of government under the discretionary grants component in the 2023-25 biennium as follows: (a) \$5,615,600 in 2023-24 and \$5,840,200 in 2024-25 for counties; (b) \$6,151,900 in 2023-24 and \$6,398,000 in 2024-25 for towns; and (c) \$4,006,600 in 2023-24 and \$4,166,900 in 2024-25 for municipalities.

[Act 19 Section: 380m]

# 2. LOCAL ROADS IMPROVEMENT PROGRAM -- DISCRETIONARY SUPPLEMENTAL GRANTS [LFB Paper 770]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-----|----------------------------|-----------------------------------|---------------|
| SEG | \$100,000,000              | \$0                               | \$100,000,000 |

**Governor:** Provide \$50,000,000 annually for the discretionary supplemental grants component of LRIP (LRIP-S). In each of the last two biennia, one-time funding was provided from a separate LRIP-S appropriation, with no ongoing funding. This recommendation would establish ongoing funding for this program, which is administered in the same fashion as the discretionary grants component of LRIP that distributes grants to local units of government for capital improvements on existing roads under their jurisdiction. Grant recipients are required to provide matching funds of a minimum 10% of the total cost of a selected project.

**Joint Finance/Legislature:** Modify the provision to instead provide one-time funding of \$100,000,000 to LRIP-S in 2023-24. Specify that the funding be allocated for county trunk highway improvements, town road improvements, and municipal street improvements so that total LRIP-S funding is distributed among these groups at the same percentage that each group is allocated under the LRIP discretionary grants component (35.6% for counties, 39.0% for municipalities, and 25.4% for towns in the 2023-25 biennium).

[Act 19 Section: 383]

# 3. LOCAL ROADS IMPROVEMENT PROGRAM -- SEG \$150,000,000 AGRICULTURAL ROADS

**Joint Finance/Legislature:** Create a continuing appropriation for a new LRIP component for agricultural roads, and provide \$150,000,000 to the program component in 2023-24. 2023 Act 13 created an agricultural roads component within LRIP to reimburse political subdivisions for agricultural road projects. Eligible projects would be located on highways functionally classified as local roads or minor collectors that provide access to agricultural lands or facilities used for the

production of agricultural goods that are used by at least one agricultural producer, which have been subject to a posted weight limitation for at least one month during the previous year, or due to structural deficiencies. The Department is required to select projects that provide the greatest benefit to agricultural producers in the state. The program would make grants of up to 90% of reimbursable costs, and the Department could not award a program grant after five years after the effective date of the act. The program requires DOT to develop a simple and clear application process that would be reasonably accessible to political subdivisions with limited staffing resources, including an application that does not exceed two pages in length.

[Act 19 Section: 96]

# 4. LOCAL ROADS IMPROVEMENT PROGRAM -- COUNTY SEG \$4,180,000 HIGHWAY O IN RICHLAND COUNTY

**Joint Finance/Legislature:** Provide \$4,180,000 in 2023-24 to the local roads improvement program discretionary grants component, and specify that DOT shall award a grant under the local roads improvement program in the amount of \$4,180,000 to Richland County for the County Highway O construction project in the 2023-25 fiscal biennium, notwithstanding the program's current law statutory requirements and limitations.

[Act 19 Sections: 95 and 9144(4)]

# 5. SOUTHERN BRIDGE PROJECT IN BROWN COUNTY [LFB Paper 771]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change        |
|-------|----------------------------|-----------------------------------|-------------------|
| BR    | \$50,000,000               | - \$50,000,000                    | \$0               |
| SEG   | 0                          | <u>50,000,000</u>                 | <u>50,000,000</u> |
| Total | \$50,000,000               | \$0                               | \$50,000,000      |

**Governor:** Authorize \$50,000,000 BR in general obligation bonding authority for the accelerated local bridge improvement assistance program to support the construction of the "Southern Bridge" in Brown County. The debt service estimates included in the bill do not anticipate the issuance of these bonds in the 2023-25 biennium.

The 2021-23 budget required DOT to submit a request for funding for the Southern Bridge project as part of its 2023-25 biennial budget request. The scope of the project is defined as the segment of County Highway GV in Brown County from County Highway D to State Highway 57, a stretch of the highway crossing over the Fox River and connecting to I-41 west of the River, which does not currently exist. Additional local road construction would be needed as County Highway GV currently ends 2.8 miles east of the Fox River and no local highway currently connects the west bank of the River to I-41. DOT also indicates that the bridge would remain under the jurisdiction of Brown County after construction. DOT has identified a preferred alternative, and has published a notice of intent to prepare a Tier 1 environmental impact statement associated with the project. In March, 2022, the project also received \$5,000,000 in congressionally-directed,

federal funding under the federal Consolidated Appropriations Act, 2022.

As part of the I-41 major highway development expansion project, DOT is constructing a new diamond interchange that will allow for the future connection of County Highway GV, to be constructed west of the Fox River, to the interstate. The Department has indicated that the state funding for the Southern Bridge would only be used for the bridge portion of the project and that the participating local governments would be responsible for the local highway connections to the proposed bridge and the I-41 interchange.

**Joint Finance/Legislature:** Delete the recommended bonding and instead provide \$50,000,000 SEG in 2023-24 to the accelerated local bridge improvement assistance program for the Southern Bridge.

[Act 19 Sections: 90 and 9144(5)]

# 6. LOCAL TRAFFIC CALMING GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$60,000,000               | - \$60,000,000                    | \$0        |

**Governor:** Provide \$60,000,000 in 2023-24 for a newly-created local traffic calming grants program. Require the Department to award grants from a new, continuing appropriation to local governments for infrastructure projects that are designed to reduce the speed of vehicular traffic, and are eligible for federal transportation alternatives program funding, such as construction of onroad and off-road trail facilities for pedestrians, bicyclists, and other nonmotorized forms of transportation. Specific federally-eligible projects include sidewalks, bicycle infrastructure, traffic calming techniques, and lighting and other safety-related infrastructure. Require that the Department determine form, nature, intent, and the extent of information that shall be contained in grant applications, as well as establish criteria for evaluating applications and awarding grants.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. FREIGHT RAIL PRESERVATION PROGRAM [LFB Paper 772]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| BR    | \$20,000,000               | - \$20,000,000                    | \$0          |
| SEG   | 0                          | 13,000,000                        | 13,000,000   |
| Total | \$20,000,000               | - \$7,000,000                     | \$13,000,000 |

**Governor:** Authorize \$20,000,000 BR in transportation fund-supported, general obligation bonds for the freight rail preservation program in the 2023-25 biennium. The bonds authorized for

this program may be used to acquire abandoned railroad lines or make improvements on lines already owned by the state to upgrade them to modern freight rail standards. The amount of bonds authorized would be identical to the bond authority provided under the 2021-23 biennial budget. Estimated transportation fund-supported debt service of \$207,900 SEG in 2024-25, associated with the partial issuance of these bonds, is shown under a separate item [see "Transportation Finance"].

**Joint Finance/Legislature:** Delete the recommended bonding and provide \$13,000,000 SEG in 2023-24 for the freight rail preservation program. Require DOT to conduct a cost-benefit analysis of the freight rail preservation program during the 2023-25 biennium, and provide a report of its findings to the Joint Committee on Finance no later than June 30, 2025.

**Veto by Governor [D-31]:** Delete the requirement for DOT to conduct a cost-benefit analysis of the program during the 2023-25 biennium and provide a report to the Joint Committee on Finance.

[Act 19 Vetoed Section: 9144(1)]

# 8. HARBOR ASSISTANCE PROGRAM [LFB Paper 773]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| BR    | \$16,000,000               | - \$16,000,000                    | \$0          |
| SEG   | 4,000,000                  | 16,000,000                        | 20,000,000   |
| Total | \$20,000,000               | \$0                               | \$20,000,000 |

**Governor:** Provide \$2,000,000 SEG annually and authorize \$16,000,000 BR in transportation fund-supported, general obligation bonds for the harbor assistance program in the 2023-25 biennium. The program provides grants for making capital improvements to harbors on the Great Lakes or the Mississippi River system. The amount authorized would be \$700,000 more than the \$15,300,000 in bonding authority provided in the 2021-23 biennium. Base program funding of \$651,000 annually also exists to help fund project costs (\$493,000 annually) and administrative costs (\$157,200 annually). Estimated transportation fund-supported debt service of \$166,300 in 2024-25, associated with the partial issuance of these bonds, is shown under a separate item [see "Transportation Finance"].

**Joint Finance/Legislature:** Modify the recommended funding to instead provide \$20,000,000 SEG in 2023-24 to the harbor assistance program.

# 9. HARBOR ASSISTANCE PROGRAM -- FUEL PIPELINE IN SEG \$10,000,000 MILWAUKEE COUNTY

**Joint Finance/Legislature:** Provide \$10,000,000 SEG to the harbor assistance program continuing appropriation in 2023-24. Specify that nonwithstanding eligibility requirements for the harbor assistance program, DOT shall award a grant of \$10,000,000 in the 2023-25 fiscal biennium to entities for the purpose of assisting in the construction of a fuel pipeline extension from the

Mitchell International Airport to the Port of Milwaukee. Specify that this provision does not apply unless DOT is awarded a grant under the federal Port Infrastructure Development Program for the construction of a pipeline extension from the Mitchell International Airport to the Port of Milwaukee.

[Act 19 Sections: 92 and 9144(2)]

# 10. LOCAL BRIDGE IMPROVEMENT ASSISTANCE PROGRAM FEDERAL FUNDING ALLOCATION [LFB Paper 775]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| FED   | \$70,000,000               | \$0                               | \$70,000,000  |
| SEG   | 0                          | 20,000,000                        | 20,000,000    |
| SEG-L | 17,500,000                 | 0                                 | 17,500,000    |
| Total | \$87,500,000               | \$20,000,000                      | \$107,500,000 |

**Governor:** Provide \$40,000,000 FED in 2023-24 and \$30,000,000 FED in 2024-25, and \$10,000,000 SEG-L in 2023-24 and \$7,500,000 SEG-L to the local bridge improvement assistance program, which makes grants using both state and federal funds for projects to rehabilitate and replace bridges that are under local jurisdiction (not on state trunk highways or connecting highways). The federal funding increase is associated with the federal Bridge Formula Program, which is expected to provide the state with \$45,000,000 annually over each year of the IIJA's five-year federal authorization (2022-26) for state and local bridge projects that reduce the overall number of bridges in poor condition. The recommended SEG-L funding reflects the requirement that grant recipients provide a 20% match on the total cost of the awarded project.

**Joint Finance/Legislature:** Modify the provision to provide \$35,000,000 FED, \$10,000,000 SEG, and \$8,750,000 SEG-L annually to the local bridge improvement assistance program. This would increase the program's overall annual funding level to \$59,605,500 FED, \$28,470,600 SEG, and \$19,907,600 SEG-L.

# 11. LOCAL BRIDGE IMPROVEMENT ASSISTANCE PROGRAM - RAY NITSCHKE MEMORIAL BRIDGE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| SEG | \$0                        | \$1,200,000                       | \$1,200,000 |

**Governor:** Require the Department to set aside \$1,200,000 SEG in 2023-24 from existing funding for repairs to the Ray Nitschke Memorial Bridge located on USH 141 (City of Green Bay) in Brown County from funding provided to the local bridge improvement assistance program in the 2023-25 biennium. Provide that the grant would be an allowable expenditure from the program's SEG appropriation, which has base level funding of \$18,470,600. Specify that DOT provide the funding notwithstanding the eligibility criteria of the program.

**Joint Finance/Legislature:** Provide additional funding of \$1,200,000 SEG in 2023-24 to the local bridge improvement assistance program for the Nitschke Bridge, rather than funding the project from existing funding.

[Act 19 Sections: 94 and 9144(7)]

# 12. LOCAL BRIDGE IMPROVEMENT ASSISTANCE SEG \$2,000,000 PROGRAM -- MAIN STREET BRIDGE IN WATERTOWN SEG \$2,000,000

**Joint Finance/Legislature:** Provide \$2,000,000 SEG to the local bridge improvement assistance program in 2023-24, and specify that DOT shall award a grant of \$2,000,000 from the amounts provided to the local bridge improvement assistance program in the 2023-25 biennium to the City of Watertown for a project to reconstruct the Main Street bridge, notwithstanding the program's current law statutory requirements and limitations.

[Act 19 Sections: 94 and 9144(6)]

### 13. ASSESSMENT OF LOCAL BRIDGES AND CULVERTS

**Joint Finance/Legislature:** Provide \$12,500,000 SEG to the Joint Committee on Finance supplemental appropriation in 2023-24 for assessment of local bridges and culverts that are less than 20 feet in length, and create a biennial DOT SEG appropriation that could receive the funds. Direct DOT to develop a program for counties to assess local bridges and culverts that are 20 feet or under in length, but greater than six feet in length. [See fiscal effect shown under "Program Supplements"].

[Act 19 Sections: 91 and 376]

### 14. LOCAL TRANSPORTATION FACILITY IMPROVEMENT ASSISTANCE PROGRAM FEDERAL FUNDING ALLOCATION [LFB Paper 774]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| FED   | \$143,806,800              | - \$143,806,800                   | \$0        |
| SEG-L | <u>40,884,900</u>          | <u>- 40,884,900</u>               | <u>0</u>   |
| Total | \$184,691,700              | - \$184,691,700                   | \$0        |

**Governor:** Provide \$66,295,600 FED in 2023-24 and \$77,511,200 FED in 2024-25, and \$19,014,800 SEG-L in 2023-24 and \$21,870,100 SEG-L in 2024-25 to DOT's local transportation facility improvement assistance FED and SEG-L appropriations. The FED appropriation receives funding through the federal surface transportation block grant program, local highway safety improvement program, and carbon reduction program. The federal funding increase is associated with the additional annual federal funding expected to be provided under federal highway formula aid amounts authorized under the IIJA, while the additional SEG-L reflects the requirement that

grant recipients provide a 20% match on the total cost of the awarded project. The requested funding would increase base level funding for the appropriations from \$72,331,300 FED to \$138,626,900 in 2023-24 and \$149,842,500 in 2024-25, and from \$43,898,600 SEG-L to \$62,913,400 in 2023-24 and \$65,768,700 in 2024-25.

Joint Finance/Legislature: Provision not included.

# **15. NATIONAL ELECTRIC VEHICLE INFRASTRUCTURE FORMULA PROGRAM** [LFB Paper 776]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| FED   | \$34,511,700               | - \$34,511,700                    | \$0        |
| SEG   | <u>8,628,300</u>           | <u>- 8,628,300</u>                | _0         |
| Total | \$43,140,000               | - \$43,140,000                    | _\$0       |

**Governor:** Provide \$17,085,000 FED in 2023-24 and \$17,426,700 FED in 2024-25, and provide \$4,271,600 SEG-L in 2023-24 and \$4,356,700 SEG-L 2024-25. The expenditure authority would be provided to the following newly-created appropriations: (a) a FED continuing appropriation for all monies received from the federal government from the newly-created National Electric Vehicle Infrastructure (NEVI) formula program; and (b) a SEG-L continuing appropriation to receive and expend monies from local units of government and other sources for the construction of electric vehicle charging infrastructure. In addition, create a SEG appropriation to support the implementation of the state's federally-approved NEVI plan, but no SEG funding would be provided.

Provide authority to allow DOT to establish and administer an electric vehicle infrastructure program that would provide funding for eligible electric vehicle infrastructure projects under the NEVI formula program. Specify that all funding under this provision would be provided from the three newly-created appropriations under the bill.

Provide a statutory exemption from regulation as a public utility, to a person who supplies electricity through the person's electric vehicle charging station to users' electric vehicles. This exemption would only apply if the person does not otherwise directly or indirectly provide electricity to the public. Under current law, with certain exceptions, a person who directly or indirectly provides electricity to the public is regulated as a public utility by the Public Service Commission.

The IIJA includes the five-year authorization of the NEVI program to provide funding to states to deploy electric vehicle charging infrastructure. The NEVI program includes both a formula and discretionary component. Wisconsin is eligible to receive an estimated \$78.7 million in formula funds through federal fiscal year 2026. To qualify for NEVI formula funding, all states were required to submit an EV infrastructure deployment plan to FHWA describing how the state intends to use its apportioned NEVI formula program funds. On September 14, 2022, DOT was notified by FHWA that the state plan was approved for implementation.

Joint Finance/Legislature: Provision not included.

#### 16. TRANSPORTATION ALTERNATIVES PROGRAM FEDERAL FUNDING ALLOCATION [LFB Paper 774]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| FED   | \$22,158,600               | - \$22,158,600                    | \$0        |
| SEG-L | 5,539,700                  | - 5,539,700                       | 0          |
| FED   | \$27,698,300               | - \$27,698,300                    | \$0        |

**Governor:** Provide \$10,969,600 FED in 2023-24 and \$11,189,000 FED in 2024-25, and \$2,742,400 SEG-L in 2023-24 and \$2,797,300 SEG-L in 2024-25 to the Transportation Alternatives Program (TAP). TAP provides grants to local governments for a variety of non-motorized vehicle transportation projects. Eligible activities include construction and planning of on-road and off-road bicycle, pedestrian, and other non-motorized vehicle facilities, viewing areas such as overlooks and turnouts, and historical preservation, environmental mitigation, and safe routes to school projects. The federal funding increase is associated with the additional annual federal funding expected to be provided under federal highway formula aid amounts authorized under the IIJA for this purpose, while the additional SEG-L reflects the requirement that grant recipients provide a 20% match on the total cost of the awarded project. The requested funding would increase base level funding for the program from \$7,049,300 FED to \$18,018,900 in 2023-24 and \$18,238,300 in 2024-25, and from \$2,012,300 SEG-L to \$4,754,700 in 2023-24 and \$4,809,600 in 2024-25. In addition, the Administration indicates that it intended to provide \$1,200,000 SEG annually to TAP to assist small communities with meeting federal matching requirements for TAP grants. However, this funding is not included in the bill.

Joint Finance/Legislature: Provision not included.

#### 17. CONGESTION MITIGATION AND AIR QUALITY IMPROVEMENT PROGRAM FEDERAL FUNDING ALLOCATION [LFB Paper 774]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| FED   | \$9,011,700                | - \$9,011,700                     | \$0        |
| SEG-L | <u>2,252,900</u>           | <u>- 2,252,900</u>                | _ <u>0</u> |
| Total | \$11,264,600               | - \$11,264,600                    | \$0        |

**Governor:** Provide \$4,461,200 FED in 2023-24 and \$4,550,500 FED in 2024-25, and \$1,115,300 SEG-L in 2023-24 and \$1,137,600 SEG-L in 2024-25 to the congestion mitigation and air quality improvement (CMAQ) program. CMAQ provides grants using federal funds for projects designed to reduce transportation-related air pollution or reduce traffic congestion. Under federal law, CMAQ funds may only be used in counties that are classified as non-attainment or maintenance areas for ozone, carbon monoxide, or particulate matter pollution. In Wisconsin these

counties are Door, Kenosha, Kewaunee, Manitowoc, Milwaukee, Ozaukee, Racine, Sheboygan, Walworth, Washington, and Waukesha. The federal funding increase is associated with the additional annual federal funding expected to be provided under federal highway formula aid amounts authorized under the IIJA for this purpose, while the additional SEG-L reflects the requirement that grant recipients provide a 20% match on the total cost of the awarded project. The requested funding would increase the adjusted base funding levels from \$10,719,000 FED to \$15,180,200 in 2023-24 and \$15,269,500 in 2024-25, and from \$3,124,700 SEG-L to \$4,240,000 in 2023-24 and \$4,262,300 in 2024-25.

Joint Finance/Legislature: Provision not included.

# 18. RAILROAD CROSSING IMPROVEMENT PROGRAM FEDERAL FUNDING ALLOCATION [LFB Paper 774]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| FED | \$5,704,100                | - \$5,704,100                     | \$0        |

**Governor:** Provide \$2,823,800 in 2023-24 and \$2,880,300 in 2024-25 for the railroad crossing improvement program, which improves the safety of railroad crossings with projects such as the installation of railroad gates and signal lights. This funding increase is associated with the additional amount of estimated annual federal funding expected from the federal highway formula aid amounts authorized under the IIJA. The requested funding would increase base level federal funding for the program from \$3,291,800 to \$6,115,600 in 2023-24 and \$6,172,100 in 2024-25. The program is also annually provided with \$1,595,700 SEG.

Joint Finance/Legislature: Provision not included

### **19. RAIL CROSSING SAFETY INITIATIVES** [LFB Paper 779]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$800,000                  | - \$800,000                       | \$0        |

**Governor:** Provide \$400,000 annually to establish a program to plan and install interconnected traffic signal and railroad signal systems. Create a new, continuing SEG appropriation and a new all monies received FED appropriation for the program. Under current law, in addition to the railroad crossing improvement program (see previous item entitled "Railroad Crossing Improvement Program Federal Funding Allocation"), state funding is also provided under two other existing SEG appropriations for safety improvements at railroad crossings: (a) railroad crossing improvement and protection maintenance, provided \$2,112,000 annually; and (b) railroad crossing repair assistance, provided \$467,300 annually.

Joint Finance/Legislature: Provision not included.

# 20. LOCAL GOVERNMENT PROJECT DEVELOPMENT AND TECHNICAL ASSISTANCE [LFB Paper 777]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$8,000,000                | - \$8,000,000                     | \$0        |

**Governor:** Provide \$4,000,000 annually from a newly-created SEG continuing appropriation that would contribute state funds for local transportation facility improvement projects. The Department has existing FED & SEG-L appropriations for local transportation facility improvements funded through the federal surface transportation block grant program, local highway safety improvement program, and carbon reduction program. The SEG-L appropriation is used to receive and expend local matching funds for these federal aid programs. In 2022-23, these programs are appropriated \$161,551,500 FED and \$64,660,600 SEG-L. The new SEG appropriation would match the current law statutory language for these existing appropriations. The Administration indicates that the SEG funding would be used to provide local governments with technical assistance in project development, so all local governments can benefit from federal funding available for projects to improve local transportation facilities.

Joint Finance/Legislature: Provision not included.

#### 21. SUPPORT FOR METROPOLITAN PLANNING ORGANIZATIONS AND REGIONAL PLANNING COMMISSIONS TRANSPORTATION PROGRAMS [LFB Papers 774 and 780]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| FED   | \$3,503,900                | - \$3,503,900                     | \$0        |
| SEG   | 1,314,500                  | - 1,314,500                       | 0          |
| Total | \$4,818,400                | - \$4,818,400                     | \$0        |

**Governor:** Provide funding increases for DOT's department management and operations appropriations of \$646,600 SEG in 2023-24 and \$667,900 SEG in 2024-25, and \$1,734,600 FED in 2023-24 and \$1,769,300 FED in 2024-25. The Administration indicates that the requested funds would be used to provide state support to metropolitan planning organizations (MPOs) and regional planning commissions (RPCs), including fully funding the Department's informal policy of providing half (10%) of the federal match level for MPOs and RPCs on the expected federal funding they will receive related to their transportation programs. The amount of SEG budgeted for this purpose has not been changed since 2012. Under current law, MPOs and RPCs plan, coordinate, and support development, including development of the transportation system, in designated areas of the state, which encompass multiple units of local government (counties, towns, villages, and cities). MPOs and RPCs can receive certain funding directly from the Federal Highway Administration, for which these entitlements are required to provide matching funds, typically of at least 20% of the funds received.

Joint Finance/Legislature: Provision not included.

# 22. REPEAL PROHIBITION ON USE OF CONDEMNATION AUTHORITY FOR RECREATIONAL AND PEDESTRIAN TRAILS

**Governor:** Repeal the provisions enacted under 2017 Act 59 that prohibit the use of condemnation authority for recreational trails, state trails, bicycle lanes and ways, and pedestrian ways by certain entities, including county boards, city councils, village or town boards, or DOT. Current law prohibits the use of general eminent domain authority by these entities for these purposes. [See "Natural Resources -- Parks."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 23. REPEAL 2017 ACT 368 LOCAL TRANSPORTATION PROJECT PROVISIONS

**Governor:** Repeal the following 2017 Act 368 local transportation program requirements: (a) the requirement that DOT notify a political subdivision of whether the aid provided to each subdivision includes federal moneys and which project components must be paid for with federal moneys, if any; (b) the requirement that any local project funded in whole or in part with state funds under the surface transportation urban and rural programs, or under the local bridge program, be let through competitive bidding and by contract to the lowest responsible bidder; and (c) the requirement that for any local project meeting both of the following criteria, DOT may not require a local government to comply with any portion of the Department's facilities development manual other than design standards: (1) the project proposal is reviewed and approved by a professional engineer or by the highway commissioner for the county in which the project will be located; and (2) the project is conducted by a political subdivision with no expenditure of federal money. Repeal the definitions of a local bridge, local roads, political subdivision, and a project created under Act 368 associated with the above provisions.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 24. AIRPORT IMPROVEMENT PROGRAM [LFB Paper 781]

FED \$78,000,000

**Joint Finance/Legislature:** Provide \$39,000,000 annually to the DOT aeronautics assistance appropriation to reflect a reestimate of available federal funding in the biennium. Beginning in 2021-22, the federal IIJA created a new airport infrastructure grants program, which provided the state with airport funding of \$39.8 million in 2021-22, and \$39.0 million in 2022-23. The state is expected to continue receiving similar amounts of formula funds from this program in each year of the 2023-25 biennium.

#### 25. AIRPORT IMPROVEMENT PROGRAM -- APPLETON INTERNATIONAL AIRPORT

\$7,000,000

SEG

**Joint Finance/Legislature:** Provide \$7,000,000 to the airport improvement program in 2023-24, and specify that DOT award a grant of \$7,000,000 to the Appleton International Airport in 2023-24 for improvements as part of the airport's terminal expansion project, nonwithstanding statutory requirements on cost sharing for airport improvement projects.

[Act 19 Sections: 93 and 9144(3)]

#### 26. PASSENGER RAIL OPERATIONS ASSISTANCE [LFB Paper 778]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$3,550,000                | - \$2,578,800                     | \$971,200  |

**Governor:** Provide \$1,700,000 in 2023-24 and \$1,850,000 in 2024-25 to the Department's passenger rail service appropriation. This would increase funding from \$6,800,000 in base funding to \$8,500,000 in 2023-24 and \$8,650,000 in 2024-25.

The Administration indicates that the additional funding would be used to support the implementation of a second daily round-trip passenger train between the Twin Cities, Milwaukee and Chicago (TCMC). The TCMC project would add service between Chicago and the Twin Cities to augment Amtrak's current Empire Builder service. The proposed TCMC project would provide one additional daily round-trip run between the Twin Cities and Chicago with stops in St. Paul, Red Wing, Winona, La Crosse, Tomah, Wisconsin Dells, Portage, Columbus, Milwaukee, General Mitchell International Airport, Sturtevant, Glenview, and Chicago and Seattle and Portland, and provides one trip per day in each direction, currently uses the proposed TCMC corridor. Amtrak's Hiawatha Service also operates on this corridor between Milwaukee and Chicago.

**Joint Finance/Legislature:** Reduce funding by \$1,246,900 in 2023-24 and \$1,331,900 in 2024-25, to provide \$453,100 in 2023-24 and \$518,100 in 2024-25 to the Department's passenger rail service appropriation. This would increase funding from \$6,800,000 in base funding to \$7,253,100 in 2023-24 and \$7,318,100 in 2024-25.

# **State Highway Program**

#### 1. STATE HIGHWAY IMPROVEMENT PROGRAM SUMMARY

The following tables compare total funding for state highway improvement programs in 2022-23 with funding in each year of the 2023-25 biennium under both the Governor's recommendations and Act 19. Since the highway improvement program relies on both current revenues (SEG and FED) and bond proceeds to fund program activity, the tables show the 2022-23 SEG and FED appropriation adjusted base, plus the amount of bonding that was allocated during 2022-23.

#### State Highway Improvement Program Summary --Base Year to Governor's Recommendation Comparison

| Fund                | 2022-23   | Go   | vernor*  | U   | to Base<br>ls Doubled |

\*Amounts shown comprise all highway improvement program items, including base funding, adjustments to the base, standard budget adjustments, and items shown separately.

\*\*Amounts shown include \$10.4 million in existing revenue bond proceeds associated with premiums from previously issued bonds.

The following tables compare total funding for state highway improvement programs in the 2021-23 biennium with funding in the 2023-25 biennium under both the Governor's recommendations and Act 19. The tables show total biennial program resources by funding type and the percentage change to the composition of program funding.

\*Includes \$2,823,000 SEG and \$2,800,200 FED associated with adjustments to the 2022-23 base funding amount.

\*\*Amounts shown comprise all highway improvement program items, including base funding, adjustments to the base, and standard budget adjustments.

**Joint Finance/Legislature:** Make the following changes to state highway rehabilitation program funding in order to provide a 2023-25 funding level of \$2,221,715,800: (a) increases of \$5,478,400 SEG in 2023-24 and \$24,947,500 SEG in 2024-25; and (b) increases of \$48,559,800 FED in 2023-24 and \$46,029,100 FED in 2024-25.

Along with these increases to base program funding, the following Act 19 provisions impact state highway rehabilitation program funding in the biennium, and are summarized in separate items: (a) standard budget adjustment increases of \$585,900 SEG and \$2,901,500 FED annually;

(b) \$1,826,900 FED annually for a pay increase for DOT engineers (See "Departmentwide"); and (c) \$7,000,000 SEG in 2023-24 to construct sound barriers along I-894 in Milwaukee County. Including these changes, the following tables compare the adjusted base year (2022-23) and 2021-23 biennium's state highway rehabilitation program funding with the 2023-25 biennial funding level under Act 19.

#### 3. MAJOR HIGHWAY DEVELOPMENT PROGRAM [LFB Paper 786]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| FED   | \$10,587,900               | \$0                               | \$10,587,900  |
| SEG   | 11,786,000                 | 147,274,200                       | 159,060,200   |
| SEG-S | 0                          | - 147,023,200                     | - 147,023,200 |
| Total | \$22,373,900               | \$251,000                         | \$22,624,900  |

**Governor:** Make the following changes to the major highway development program's funding in order to provide a 2023-25 funding level of \$591,306,500: (a) a decrease of \$411,900 SEG in 2023-24 and an increase of \$12,197,900 SEG in 2024-25; (b) increases of \$4,401,600 FED in 2023-24 and \$6,186,300 FED in 2024-25; and (c) authorization of additional transportation revenue bond authority of \$147,023,200, which is included in a separate item (see "Transportation Finance").

In addition, base level funding of \$73,511,600 SEG-S for the expenditure of transportation revenue bond proceeds would be provided in the biennium for the major highway development program. A recommendation to increase the statutory transportation revenue bond authority associated with this funding level, and its corresponding estimated reductions to transportation fund revenue associated with the debt service of \$918,900 in 2023-24 and \$6,817,700 in 2024-25 for the partial issuance of these bonds, are shown in separate items. Standard budget adjustment increases of \$204,100 SEG and \$582,300 FED annually are also reflected in a separate item.

The following tables compare the base year (2022-23) and 2021-23 biennium's major highway development program funding with the 2023-25 biennial funding level recommended by the Governor.

#### Major Highway Development Program --Base Funding to 2023-25 Governor's Recommendation Comparison

\*Includes \$207,800 SEG and \$672,100 FED associated with adjustments to the 2022-23 base funding amount.

\*\*Amounts shown comprise all major highway development items, including base funding, adjustments to the base, and standard budget adjustments.

\*\*\*Amounts shown include \$10.4 million annually in existing revenue bond proceeds associated with premiums from previously issued bonds.

**Joint Finance/Legislature:** Provide additional SEG to the major highway development program in 2023-24, rather than the additional transportation revenue bond authority recommended by the Governor. Make the following changes to major highway development program funding in order to provide a 2023-25 funding level of \$591,306,500: (a) increases of \$146,736,800 SEG in 2023-24 and \$12,323,400 SEG in 2024-25; and (b) increases of \$4,401,600 FED in 2023-24 and \$6,186,300 FED in 2024-25. In addition, delete base funding of \$73,511,600 SEG-S annually for the program to reflect that no transportation revenue bonds would be authorized for the program in the 2023-25 biennium.

Along with these increases to base program funding, other Act 19 provisions impact major highway development program funding in the biennium, including standard budget adjustment increases of \$184,800 SEG and \$476,100 FED annually, and \$300,900 FED annually for a pay increase for DOT engineers, and are reflected in a separate items (See "Departmentwide"). Including these changes, the following tables compare the adjusted base year (2022-23) and 2021-23 biennium's major highway development program funding with the 2023-25 biennial funding level under Act 19.

\*Includes \$207,800 SEG and \$672,100 FED associated with adjustments to the 2022-23 base funding amount.

\*\*Amounts shown comprise all highway improvement program provisions, including base funding, adjustments to the base, standard budget adjustments, and items shown separately.

\*\*\*Amounts shown include \$10.4 million annually in existing revenue bond proceeds associated with premiums from previously issued bonds.

Estimated project completion schedules for major highway development projects receiving funding under Act 19 are shown in the following table. Anticipated completion dates indicate when the mainline is open to traffic provided by DOT in the August, 2023, report to the Transportation Projects Commission (TPC), which may be different than the final year of expenditure. Act 19 provides \$591.9 million for major highway development projects in 2023-25, while the August, 2023 TPC report estimates \$689.7 million in project expenditures during the 2023-25 biennium, a difference of \$97.8 million. However, the Department anticipates that it will receive funding from an \$80.0 million grant in the biennium for the I-39/90/94 Wisconsin River Bridges project, which

was awarded from the federal INFRA program on September 19, 2022. The \$591.3 million in funding provided under Act 19, plus the \$80.0 million federal INFRA grant for the Wisconsin River bridges project, is \$17.8 million less than the \$689.7 million in anticipated major highway development project expenditures in the biennium. As a result, if the program does not receive additional funding in the biennium, one or more projects may experience delays from the timeline outlined in the TPC report. However, additional funds may become available for the program at a later time if DOT receives a higher than expected amount of federal highway aid from the Federal Highway Administration in either year of the biennium.

#### Anticipated Major Highway Development Project Schedule Under Joint Finance/Act 19

\*Estimated 2023-25 costs, inflated to year of expenditure, were included in DOT's February, 2023 report to the TPC. \*\*The highway mainline on I-39/90 was opened in 2021, but some outstanding costs remain for the project. \*\*\*The La Crosse Corridor project was enumerated in 1997, but a preferred alternative was not selected and the project study process was restarted in 2021. The project's scope and estimated costs will be known once the preferred alternative is selected.

#### 4. SOUTHEAST WISCONSIN FREEWAY MEGAPROJECTS [LFB Paper 787]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| FED   | \$67,646,600               | - \$16,327,400                    | \$51,319,200  |
| SEG   | - 16,327,400               | 157,361,000                       | 141,033,600   |
| BR    | 140,873,000                | - 140,873,000                     | 0             |
| Total | \$192,192,200              | \$160,600                         | \$192,352,800 |

**Governor:** Make the following changes to the southeast Wisconsin freeway megaprojects program's funding in order to provide a 2023-25 funding level of \$237,800,000: (a) reductions of \$8,163,700 SEG annually; (b) increases of \$24,980,100 FED in 2023-24 and \$42,666,500 FED in 2024-25; and (c) authorization of \$140,873,000 BR in transportation fund-supported, general obligation bonds.

Estimated transportation fund-supported debt service associated with the partial issuance of these general obligation bonds in the biennium would be \$1,488,000 SEG in 2024-25. This debt service amount along with standard budget adjustment increases of \$51,200 SEG annually and \$274,200 FED annually are reflected in separate items.

The following tables compare the base year (2022-23) and 2021-23 biennium's southeast Wisconsin freeway megaprojects program funding with the 2023-25 biennial funding level recommended by the Governor.

\*Includes \$112,500 SEG and \$366,000 FED associated with adjustments to the 2022-23 base funding amount.

\*\*Amounts shown comprise all highway improvement program recommendation items, including base funding, adjustments to the base, and standard budget adjustments.

**Joint Finance/Legislature:** Provide additional SEG to the southeast Wisconsin freeway megaprojects program in 2023-24, rather than the additional transportation fund-supported general obligation bond authority recommended by the Governor. Make the following changes to southeast Wisconsin freeway megaprojects program funding in order to provide a 2023-25 funding level of \$237.8 million: (a) increases of \$140,953,300 SEG in 2023-24 and \$80,300 SEG in 2024-25; and (b) increases of \$16,816,400 FED in 2023-24 and \$34,502,800 FED in 2024-25.

Along with these increases to base level program funding, other Act 19 provisions impact southeast Wisconsin freeway megaprojects funding in the biennium, including standard budget adjustment increases of \$34,600 SEG and \$210,500 FED annually, and \$180,400 FED annually for a pay increase for DOT engineers, and are reflected in separate items (See "Departmentwide"). With these changes. Including these changes, the following tables compare the adjusted base year (2022-23) and 2021-23 biennium's southeast Wisconsin freeway megaprojects program funding with the 2023-25 biennial funding level under Act 19.

\*Includes \$112,500 SEG and \$366,000 FED associated with adjustments to the 2022-23 base funding amount.

\*\*Amounts shown comprise all highway improvement program provisions, including base funding, adjustments to the base, standard budget adjustments, and items shown separately.

#### 5. MAJOR INTERSTATE BRIDGE IMPROVEMENT PROGRAM -- BLATNIK BRIDGE RECONSTRUCTION [LFB Paper 788]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-------|----------------------------|-----------------------------------|---------------|
| SEG   | \$0                        | \$47,200,000                      | \$47,200,000  |
| BR    | 47,200,000                 | 305,600,000                       | 352,800,000   |
| Total | \$47,200,000               | \$352,800,000                     | \$400,000,000 |

**Governor:** Authorize \$47,200,000 BR in transportation fund-supported, general obligation bonding authority for the major interstate bridge program to reconstruct the Blatnik Bridge between the cities of Superior and Duluth, Minnesota. The Department is working with the Minnesota Department of Transportation to advance a project to replace the bridge, which is nearing the end of its useful life. Preparatory planning and design would be completed before construction can occur, which could begin in 2026 at the earliest according to the Department. The debt service estimates included in the bill do not anticipate the issuance of any of these bonds in the biennium.

The Blatnik Bridge was constructed in 1958 and is currently experiencing significant truss deterioration, resulting in the need for weight restrictions and regular structural repairs. The Department estimates that the project to reconstruct the bridge would cost approximately \$1.8 billion. Costs to replace the bridge would be split between Wisconsin and Minnesota, with Minnesota leading the project. The Department has also indicated that it may complete

improvements to related roadways and interchanges on the Wisconsin side of the bridge in conjunction with the project. The states have jointly submitted an \$889 million federal grant application for the project. However, the Department indicates that the federal government may not approve a grant until further design and planning work is completed. The project has also received \$7,500,000 in congressionally-directed funding from the federal Consolidated Appropriations Act, 2023.

**Joint Finance/Legislature:** Modify the provision to authorize \$352,800,000 BR in transportation fund-supported, general obligation bonding authority, and provide \$47,200,000 SEG to the major interstate bridge program in 2023-24 for reconstruction of the Blatnik Bridge.

[Act 19 Section: 181]

#### 6. STATE HIGHWAY MAINTENANCE -- HIGHWAY SYSTEM MANAGEMENT AND OPERATIONS [LFB Paper 789]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change       |
|-------|----------------------------|-----------------------------------|------------------|
| FED   | \$24,700,000               | - \$12,350,000                    | \$12,350,000     |
| SEG   | <u>4,744,400</u>           | <u>- 1,372,200</u>                | <u>3,372,200</u> |
| Total | \$29,444,400               | - \$13,722,200                    | \$15,722,200     |

**Governor:** Provide \$2,372,200 SEG and \$12,350,000 FED annually to the highway system management and operations program. These funds would be provided in addition to adjusted base level funding of \$101,194,400 SEG and \$1,313,200 FED annually. This component of the Department's state highway system maintenance program funds non-routine traffic operations and system management activities on the state trunk highway system, including pavement parking activities, installation, replacement, or maintenance of highway signs, traffic control signals, and highway lighting. It also provides funding for state traffic operations center support, bridge maintenance and operation, and purchasing deicing salt for winter maintenance.

**Joint Finance/Legislature:** Modify the provision to provide \$6,175,000 FED and \$1,686,100 SEG annually to DOT's highway system management and operations appropriations. Approximately \$1,000,000 SEG annually would be used for spot painting steel bridges located on state highways, while the \$6,175,000 in federal funds and \$686,100 SEG annually would be used to repaint certain state trunk highways in order to increase the width of longitudinal lines from four to six inches, pursuant to federal requirements. This would establish ongoing increases of \$6,175,000 FED and \$1,686,100 SEG annually to base level funding for the appropriations in future years

# 7. STATE HIGHWAY MAINTENANCE -- ROUTINE MAINTENANCE [LFB Paper 789]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| SEG | \$11,394,400               | - \$5,697,200                     | \$5,697,200 |

**Governor:** Provide \$3,497,200 in 2023-24 and \$7,897,200 in 2024-25 for routine maintenance activities on the state trunk highway system to cover inflationary costs in the program. These funds would be provided in addition to base level funding of \$188,366,500 annually for routine maintenance. This component of the Department's state highway maintenance program provides funding for a wide variety of activities related to the upkeep of state highways and highway right-of-way through contracts with counties and private contractors, as well as DOT staff. Specific activities include preventative maintenance of highways and bridges, corrective maintenance to fix urgent problems such as road washouts, and routine maintenance activities such as plowing, salting, mowing, and minor pavement repairs.

**Joint Finance/Legislature:** Modify the provision to provide \$1,748,600 SEG in 2023-24 and \$3,948,600 SEG in 2024-25 to DOT's routine maintenance activities appropriation. This would establish an ongoing increase of \$3,948,600 SEG annually to base level funding for the appropriation for future years.

#### 8. TRIBAL NATION WELCOME SIGNS

**Governor:** Authorize a federally-recognized American Indian tribe or band to erect and maintain a tribal nation welcome sign within the right of way of any highway within the boundaries of an Indian reservation or other land held in trust for the tribe or band. Define a tribal nation welcome sign as an official sign erected and maintained by a federally-recognized American Indian tribe or band that the tribe or band determines is necessary to inform motorists of the territorial boundaries of the Indian reservation or other land held in trust for the tribe or band. Prohibit any such sign from being erected within the right of way of a highway designated as part of the national system of interstate and defense highways. Specify that a tribal nation welcome sign would not be considered a traffic control device and would not be subject to the provisions of the Wisconsin manual on traffic control devices.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 9. REINSTATE DOT'S AUTHORITY RELATED TO BICYCLE AND PEDESTRIAN FACILITIES ON NEW HIGHWAY CONSTRUCTION PROJECTS

**Governor:** Require the Department to ensure, rather than give due consideration as allowed under current law, that bikeways and pedestrian ways are established in all new highway construction and reconstruction projects funded from state or federal funds. DOT would be required to promulgate rules identifying certain exceptions to the requirement. Specify that exceptions may only be provided if any of the following apply: (a) the cost of establishing bikeways or pedestrian ways would be excessively disproportionate (exceeding 20% of total project cost) to the need or probable use of the bikeways or pedestrian ways as determined by the DOT Secretary or their designee; (b) establishing bikeways or pedestrian ways would have excessive negative impacts in a constrained environment; (c) there is an absence of need for the bikeways or pedestrian ways, as indicated by sparsity of population, traffic volume, or other factors; or (d) the community where pedestrian ways are to be located refuses to accept an agreement to maintain them. Under current law, the Department may not establish a bikeway or pedestrian way as a part of a new highway construction or reconstruction project if bicyclists or pedestrians are prohibited by law from using the highway that is the subject of the project.

Repeal the current law provision that only allows DOT to establish a bikeway or pedestrian way as part of a new highway construction or reconstruction project funded from state or federal funds if either of the following occurs: (a) the governing body of each municipality in which a portion of the project will occur has adopted a resolution authorizing DOT to establish the bikeway or pedestrian way; or (b) the federal government provides written notice that the establishment of a bikeway or pedestrian way is a condition for the use of federal funds for that project.

These provisions would reinstate several changes made as part of 2015 Act 55, the 2015-17 biennial budget bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. REPEAL 2017 ACT 368 FEDERAL FUNDING LIMITATIONS ON STATE HIGHWAY PROJECTS

**Governor:** Repeal the provisions of 2017 Act 368 that require that for certain state highway projects on which the Department expends federal moneys, it must expend federal moneys on not less than 70% of the aggregate project components eligible for federal funding each fiscal year. Under current law, this requirement applies to the following project types: (a) southeast Wisconsin freeway megaprojects; (b) major highway development projects; and (c) state highway rehabilitation projects with a total cost of less than \$10 million. Repeal related provisions that allow DOT to submit a passive review request for waiver of these requirements.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 11. STATE HIGHWAY REHABILITATION PROGRAM -- SEG \$7,000,000 SOUND BARRIERS ON INTERSTATE 894 IN MILWAUKEE COUNTY

**Joint Finance/Legislature:** Provide \$7,000,000 to the state highway rehabilitation program in 2023-24, and specify that the funding be used to install noise attenuation barriers along the

interstate 894 corridor between Loomis Road and 76th Street in Milwaukee County.

[Act 19 Sections: 97 and 9144(8)]

# **Division of Motor Vehicles**

# 1.PRODUCTION OF LICENSE PLATES REQUIRED UNDER<br/>2021 ACTS 163 AND 178 [LFB Paper 790]SEG\$6,506,000

**Governor/Legislature:** Provide \$3,253,000 annually to the Division of Motor Vehicles (DMV) general operations appropriation to fund the replacement of primary vehicle license plates 10 years old or older as required under 2021 Act 163, and to fund the 2021 Act 178 creation of fleet plates for the vehicle owners with registered fleets of 10 or more vehicles. To offset the additional costs of producing and distributing these license plates, Act 163 increased the fee for new or replacement license plates from \$4 to \$8 per set, and Act 178 created an initial \$8.50 fee for each set of fleet plates. The additional revenues associated with these fees would fund the increased expenditure authority needed to carry out the administration of these replacement and fleet plate requirements. In August, 2022, the Joint Committee on Finance approved \$3,253,000 SEG in 2022-23 for this purpose, but the funding is not included in base level funding for the 2023-25 biennium. This recommendation would provide the necessary funding on an ongoing basis.

The Department of Corrections' (DOC) Bureau of Correctional Enterprises is responsible for the production of state vehicle registration plates. Once the plates are produced, DOT purchases them from DOC. Under Act 163, DOC would incur additional costs related to both manufacturing registration plates with new materials, and producing an increased volume of plates, which would be reimbursed by DOT. [See also "Corrections -- Adult Institutions".]

### 2. MODERNIZATION OF DMV SOFTWARE SYSTEM [LFB Paper 791]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| SEG | \$5,000,000                | - \$2,000,000                     | \$3,000,000 |

**Governor:** Provide \$5,000,000 in 2024-25 to the DMV general operations appropriation to fund the modernization of the Division's software systems. This would provide ongoing supplies and services funding for this purpose. DMV utilizes several software programs to perform tasks including serving customers, processing revenue, sharing information with external agencies, and storing data and files including customer personal identifiers and documents. The Department indicates that DMV's current software systems are dated, inefficient, and subject to cybersecurity risks. In addition, the Department indicates that the American Association of Motor Vehicle

Administrators, which provides support for DMV's systems to interface with federal databases, will discontinue such support for older, outdated software systems in 2025. The Department estimates the total cost of the 10-year master lease at \$30.0 million.

**Joint Finance/Legislature:** Modify the provision to provide \$3,000,000 in 2024-25 to the DMV general operations appropriation to fund the modernization of the Division's software systems. This would establish an ongoing increase of \$3,000,000 annually to base level funding for the DMV general operations appropriation.

# 3. EXPANDED HOURS OF OPERATION AT DMV LOCATIONS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$2,400,000                | - \$2,400,000                     | \$0        |

**Governor:** Provide \$1,200,000 annually in ongoing funding to the Division of Motor Vehicles general operations appropriation for costs associated with expanding hours of operation at DMV service centers.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 4. **DMV OPERATIONS INCREASE** [LFB Paper 792]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$500,000 annually to the Division of Motor Vehicles general operations appropriation to cover increased postage, data processing, and REAL ID compliance costs. The Department indicates that since it last received additional funding for postage in 2012-13, its postage costs have increased by \$2.9 million annually due to higher postage rates, and growth in the volume of postage sent, as the numbers of customers and transactions increase over time. The Department also indicates that data processing costs have grown in recent years with the expansion of online services, new information technology (IT) initiatives, and rising prices for servers, storage, networking, and IT support. Specifically, the Department notes that annual assessments associated with data processing and IT infrastructure, as well as services provided by the Department of Administration, have grown by over \$1.0 million since 2011-12. In addition, the Administration indicates that the Division could incur additional costs to ensure compliance with the federal REAL ID Act of 2005, which established minimum security standards for state issued-driver licenses.

Joint Finance/Legislature: Provision not included.

#### 5. **REAL ID EQUIPMENT** [LFB Paper 792]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$400,000                  | - \$400,000                       | \$0        |

**Governor:** Provide one-time funding of \$400,000 in 2023-24 to the Division of Motor Vehicles general operations appropriation to purchase equipment needed to comply with the federal REAL ID Act of 2005. The REAL ID Act established minimum security standards for state-issued driver licenses and identification cards and prohibits federal agencies from accepting for official purposes licenses and identification cards from states that do not meet these standards, including accessing federal facilities and boarding federally regulated aircraft. REAL ID was scheduled to be enforced on October 1, 2020, but was extended to October 1, 2021, as part of the federal CARES Act in response to the COVID-19 pandemic, and then to May 7, 2025 by the Department of Homeland Security. To obtain a REAL ID compliant license or card, applicants must provide their social security number and present an original document or certified copy of proof of: (a) name and date of birth; (b) legal presence in the United States; (c) identity; (d) name changes if applicable; and (e) address, which requires two forms. The Administration indicates that the additional funds would be utilized to purchase equipment needed to comply with the REAL ID Act, while funds to cover ongoing costs associated with REAL ID Act are included in the previous item.

Joint Finance/Legislature: Provision not included.

### 6. **IDENTIFICATION STICKER FOR ELECTRIC VEHICLES** [LFB Paper 793]

|        | Governor/Leg.<br>(Chg. to Base) | Veto<br>(Chg. to Leg.) | Net Change |
|--------|---------------------------------|------------------------|------------|
| SEG    | \$16,000                        | \$0                    | \$16,000   |
| SEG-RE | V 19,000                        | - 19,000               | 0          |

**Governor/Legislature:** Provide \$10,000 in 2023-24 and \$6,000 in 2024-25 to the Division of Motor Vehicles general operations appropriation to issue identification stickers for electric and hybrid-electric vehicles. Require that DOT issue a decal for each electric and hybrid-electric vehicle in the state that identifies the vehicle as electric. Require that the decals must be displayed on the front and rear registration plates of the vehicle, and establish a one-time registration fee of \$1 for issuance of the decals. Estimate revenues to the transportation fund from the decal fee of \$11,000 SEG-Rev in 2023-24 and \$8,000 SEG-Rev in 2024-25.

Veto by Governor [D-33]: Delete the one-time registration fee of \$1 for issuing identification stickers for electric and hybrid-electric vehicles and the estimated sticker revenues, but retain the funding authority increase.

[Act 19 Sections: 456 thru 458]

[Act 19 Vetoed Section: 460]

#### 7. DRIVING SKILLS TEST WAIVER

**Governor:** Specify that the Department may waive the driving skills test of an individual applying for an operator's license if all of the following apply: (a) the applicant is under the age of 18 (drivers over age 18 rarely take driver education courses because they are only required to have an instructional permit for seven days prior to testing); (b) the application is for authorization for a Class D (non-commercial driver license) license; (c) the applicant has satisfactorily completed a currently allowed driver education course, or a substantially equivalent course approved by the Department or another state; and (d) an adult sponsor (typically parent or guardian) who has signed for the applicant as part of their application (as required by statute for persons under the age of 18) consents to a waiver of the driving skills test. Modify existing statutory requirements for a driving examination skills test to include a reference to the newly allowed skills test waiver.

Under current law, the Department, or a third party tester, is required to conduct a driving skills test for an applicant for an operator's license, and every applicant for authorization to operate a vehicle class or type for which the applicant does not currently hold valid authorization, other than an instruction permit.

In response to the COVID-19 pandemic, the Department instituted a pilot program to grant waivers to the driving skills test. The Department indicates that the program was instituted to decrease the number of DMV customers during the pandemic as a matter of public safety, reduce workload for DMV staff, and streamline the driver's license application process. Under the 2021-23 budget, the Governor recommended that the skills test waiver pilot program be made permanent, and requested that the Division's budget be reduced by \$631,900 in the biennium and that 6.2 positions be deleted associated with the decreased workload needed to administer driving skills tests. 2021 Act 58 (the 2021-23 budget act) did not include the statutory provisions that would have made the pilot program permanent, but retained associated funding and position reductions.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 8. ONLINE DRIVER LICENSE RENEWAL

**Governor**: Modify the Department's authority relating to requirements for driver license renewals to allow applicants to apply for renewal of a license, and the Department to issue the license, by any electronic means offered by the Department. Allow the Department to establish additional criteria for any license renewal by electronic means. Prohibit the Department from making consecutive renewals of an operator's license by electronic means.

Provide an exception from current law, which requires the Department to test the eyesight and take digital photographs of applicants, when applicants renew their licenses electronically. Specify that the Department may renew a license electronically without a photograph being taken if the Department is able to produce a photograph of the applicant from its records. Specify that to be eligible to renew their license or identification card electronically, applicants must verify their eyesight is sufficient to meet the current standards and satisfy any additional eligibility criteria established by DOT. Under current law, Wisconsin drivers must renew their driver licenses at a customer service center once every eight years. These provisions would allow drivers to renew their license online every other time a renewal is due, thus reducing required visits to customer service center to once every 16 years. The Department initiated a pilot alternating license renewal program in the 2019-21 biennium in response to the COVID-19 pandemic. Under these provisions, the Department's pilot program would be made permanent. Federal REAL ID requirements mandate identification photos to not be more than 16 years old, thus requiring in-person renewals once every 16 years.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 9. ELECTRONIC NOTIFICATION AUTHORITY

**Governor:** Allow the Department to provide certain notifications to individuals by electronic means, rather than by mail, if an individual has requested electronic notifications from the Department. These electronic notifications would include: (a) notices of extensions of probationary license restrictions; (b) notices related to amount of security required under certain financial responsibility requirements; and (c) certain notices related to operator's license revocations, suspensions, or disqualifications. Under current law, these specific notifications are required to be provided by mail.

For these notifications, allow the Department to prescribe the manner by which individuals can request electronic notification. In addition, specify that if an individual is subject to an order of driver license revocation, suspension, or disqualification and has changed the electronic contact information provided to the Department without informing the Department, failure to receive the Department's notification is not a defense to the driver license charge.

Under current law, DOT has authority to provide certain applications and renewals by electronic means in a manner prescribed by the Department.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 10. DATA TRANSMISSION TO FEDERAL COURTS FOR JURY SELECTION

**Governor:** Require the Department to annually transmit lists of residents' personal data without charge to the clerks of courts for the federal district courts located within the state to be used for identification of jurors. Under current law, the Department is required to compile a list including the name, address, county, date of birth, race, gender, identification number and renewal date of each person residing in the state who is licensed as a motor vehicle operator, or who has received an identification card number and social security number. The Department is required to transmit the list and information without charge to the Office of the Director of State Courts each year on a date agreed upon with the office. Specify that if the Department does not secure a record sharing agreement with the clerk of court for a district court that requires the clerk of court to keep prospective jurors' identification numbers, renewal dates, and social security numbers confidential

and secure from unauthorized access, the Department must redact that information from the list transmitted to the clerk of that district court.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 11. IGNITION INTERLOCK DEVICE REQUIREMENT FOR OPERATING WHILE INTOXICATED OFFENSES

**Governor:** Expand the following operating privilege restrictions to include all first time operating while intoxicated (OWI) violations regardless of the offender's blood alcohol concentration (BAC): (a) that the offender's operating privilege be restricted to vehicles that are equipped with an ignition interlock device; or (b) that the offender participate in 24-7 sobriety program or frequent sobriety testing program. Under current law, a court can order one or both of these restrictions if the person had a BAC of 0.15 or more at the time of their first offense, or if the person has one or more prior OWI convictions, suspensions, or revocations. Applicable offenses include operating of a vehicle under the influence of an intoxicant or other drug, injuring another person while operating a vehicle under the influence of an intoxicant, and homicide by intoxicated use of a vehicle or firearm. Specify that this provision first apply to violations committed on the effective date of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 12. INCREASED FORFEITURE FOR SAFETY BELT VIOLATIONS

**Governor:** Increase the forfeiture for violating state vehicle safety belt laws from \$10 to \$25 per violation. Under current law, any person operating a vehicle, and any person who is at least eight years old and is a passenger in a vehicle, must be properly restrained if the vehicle and seat are required by law to have a safety belt installed. The vehicle operator is required to forfeit \$10 if either they or a passenger is not wearing a safety belt, and any passenger 16 years of age or older not wearing a required safety belt must also forfeit \$10. This provision would increase these penalties to \$25. Revenues from penalties for these violations, regardless of the law enforcement agency issuing the citation, are distributed equally between the county where the citation was issued and the state common school fund.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 13. SEASONAL PERIOD FOR FARM SERVICE LICENSE ENDORSEMENT

**Governor:** Increase the minimum period that a seasonal farm service industry employee is eligible for a restricted commercial driver license from 180 to 210 days in any calendar year. Under current law, no person may operate a motor vehicle upon a highway in the state unless the person

possesses a valid operator's license. Specific license endorsements are also required for the operation of certain vehicles, such as commercial vehicles with weights above certain statutory thresholds. Current law allows a seasonal employee of a farm service industry employer to receive an "F" endorsement, which authorizes the employee to receive a restricted commercial driver license to operate "Class B" or "Class C" vehicles under applicable federal laws or regulations. This license endorsement permits the transporting of liquid fertilizers in vehicles or implements of husbandry with total capacities of 3,000 gallons or less, solid fertilizers that are not transported with any organic substance, or 1,000 gallons or less of diesel fuel, but no combination of these materials. The endorsement does not permit operation of a commercial motor vehicle beyond 150 miles of the farm service industry employer's place of business or, in the case of custom harvesters, the farm currently being served.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 14. AUTOMATIC VOTER REGISTRATION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$349,000                  | - \$349,000                       | \$0        |

Governor: Provide \$349,000 in 2023-24 to the Division of Motor Vehicles general operations appropriation to assist in the initial implementation of automatic voter registration. Modify current law relating to the voter record matching program between the Elections Commission and DOT, to include a requirement that DOT electronically transfer Department records related to the verification of voter eligibility for regular driver license and identification card holders, including: (a) the full name of each individual who holds a current driver license or identification card; (b) such persons' name history, current address and address history, date of birth, and driver license or identification card number; (c) a copy of each proof of citizenship document that such persons used to obtain a driver license or identification card; and (d) a statement from the Department indicating that it verified such persons' citizenship. Specify that DOT's agreement with the Elections Commission related to its voter record matching program include a provision to electronically provide these voter eligibility-related records on a continuous basis, not less than weekly, notwithstanding various current law restrictions related to the disclosure of personally identifiable information maintained by the Department. Require DOT, for each of these items of information, to provide the most recent date that the item of information was provided or obtained. Under the bill, the Elections Commission would be required to facilitate the registration of all eligible voters in the state. This information sharing provision would assist the Elections Commission in fulfilling this requirement. [See "Elections Commission."]

Require that DOT's application and renewal forms used by applicants for obtaining driver licenses and identification cards inform the applicant of the Department's duty to make the relevant personally identifiable information contained in the application available to the Elections Commission for voter eligibility verification and registration purposes. Specify that these applications and renewal forms would be required to provide the applicant an opportunity to elect not to have this information made available to the Elections Commission for these purposes. Provide that if an applicant elects not to make available the information required for the purposes of voter registration and eligibility verification, the Department would be prohibited from making this information available to the Elections Commission for these purposes. Specify that this provision would not preclude the Department from sharing this information with the Elections Commission for the current law purposes of proving residency or for any other purpose other than automatic voter registration.

Notwithstanding current law requirements related to the existing voter record matching program and restrictions on the disclosure of personally identifiable information, require DOT to enter into and begin transferring information under a revised voter record matching agreement with the Elections Commission administrator no later than the first day of the ninth month after the effective date of this provision.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

### 15. REAL ID NON-COMPLIANT DRIVER LICENSES AND IDENTIFICATION CARDS FOR UNDOCUMENTED PERSONS [FOR PURPOSES OTHER THAN VOTING]

**Governor:** Extend eligibility to receive REAL ID non-compliant driver licenses and identification cards to undocumented persons. Under current law, in processing driver license or identification card applications or renewals that are REAL ID non-compliant, DOT is required to verify the following: (a) an identification document that includes the applicant's photograph or both the applicant's full legal name and date of birth; (b) documentation showing the applicant's date of birth if not provided in (a); (c) documentation showing the applicant's name and address of principal residence; and (d) proof of the applicant's social security number or verification that the applicant is not eligible for a social security number. Make the following related changes to the current law driver license and identification card application, issuance, and renewal processes for REAL ID non-compliant credentials:

a. *Proof of Citizenship or Legal Presence*. Provide that current law driver license and identification card valid documentary proof requirements and requirements related to the person's legal presence in the United States would not apply to REAL ID non-compliant licenses and identification cards. Specify that when processing, issuing, or renewing a REAL ID non-compliant driver license or identification card, the Department may not include any question, or require any proof or documentation, as to whether the applicant is a citizen or national of the United States or lawfully present in the United States, despite existing requirements that DOT examine personally identifiable information and other biometric data in order to determine if an applicant is entitled by law to obtain these credentials. Exempt REAL ID non-compliant licenses and identification cards from being required to expire on the date that the license holder's legal presence in the United States or an applicant for a REAL ID non-compliant driver license or identification card may provide any documentation deemed acceptable to the Department.

b. Applicants without a Social Security Number. Specify that if a driver license or identification card applicant does not have a social security number and the application is for a REAL ID non-compliant license or card, the application must include a statement made or subscribed under oath, or affirmation that they do not have a social security number, in a manner prescribed by DOT with the assistance of the Department of Children and Families. Provide that any license that is issued or renewed in reliance on such a statement would be invalid if the statement is false. Specify that in lieu of current documentation requirements, the applicant could provide an individual taxpayer identification number, a foreign passport, or any other documentation deemed acceptable by DOT. Specify that the Department would not need to verify that an applicant is not eligible for a social security number. Under current law, a similar requirement exists for applicants for, or renewals of, a driver license or identification card that requires the applicant to state under oath the reason why they do not have a social security number.

Specify that the following current law requirements would not apply to an application for, or renewal of, a REAL ID non-compliant driver license or identification card: (a) the requirement that DOT verify driver license and identification card application information and that the Department direct applicants to investigate and resolve social security number discrepancies prior to issuance; (b) the requirement that DOT cancel a driver license or identification card regardless of expiration date, if the Department receives information from a local, state, or federal government agency that the holder no longer satisfies the requirements (including those related to legal presence) for issuance; and (c) the requirement that DOT may not accept any foreign document other than an official passport to satisfy personal identification documentation. Prohibit DOT from disclosing to any person the fact that an applicant has provided verification of not having a social security number in applying for a REAL ID non-compliant driver license or identification card, except to the Elections Commission for administering its voter records matching program.

Require that any applicant issued a REAL ID non-compliant driver license or identification card who does not provide a verified social security number during the license application process receive a license marked, "Not valid for voting purposes. Not evidence of citizenship or immigration status." Specify that DOT would have the discretion, at the time of renewal, as to whether to take an applicant's photograph and administer an eyesight exam, so long as both actions occur at least once every eight years. Provide that any identification cards without a verified social security number would expire every two years and that an original or reinstated card would be valid for a period of two years from the applicant's next birthday occurring after issuance. Specify that a renewed card would be valid for a period of two years from the card's last expiration date.

c. *Discrimination*. Prohibit discrimination on the basis of a person's status as a holder or a non-holder of a REAL ID non-compliant license and add this license status as prohibited basis for discrimination in public or private employment, transportation with a motor carrier, automobile insurance, rental housing, acquiring a mortgage, real estate practices, and businesses that provide motorist services that are identified on DOT's specific signage program. Include nondiscrimination on the basis of being a holder or non-holder of a noncitizen limited-term license on the list of written assurances that businesses must provide to DOT in order to be identified as a motorist service on DOT specific information signs. Permit the real estate examining board to revoke, suspend, or limit the broker's license of any licensee, or reprimand the licensee, if it finds the

licensee has discriminated on the basis of a person's status as a holder or non-holder of a REAL ID non-compliant license.

d. *Insurance*. Specify that no person may operate a motor vehicle with a REAL ID noncompliant license, unless the owner or operator of the vehicle has in effect a motor vehicle liability policy with respect to the vehicle being operated.

e. *Effective Date, Initial Applicability, and Statutory References.* These provisions would first take effect on the first day of the fourth month beginning after publication of the bill and would first apply to driver license and identification card applications received by the Department on this date. Renumber various statutory sections and amend statutory cross references as necessary to accomplish the recommended modifications.

A driver license issued under these provisions would continue to be subject to current law driver knowledge and skills requirements applicable for licensing. A REAL ID non-compliant credential is not valid for certain federal purposes, such as air travel.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 16. IDENTIFICATION CARD RECEIPTS FOR VOTING PURPOSES -- VALID PERIOD

**Governor:** Extend the period for which identification card receipts issued by DOT for the purposes of voting remain valid as a temporary identification card, from 60 days to 180 days. Under current law, the Department may not charge a fee to an applicant for the initial issuance, renewal, or reinstatement of an identification card (or temporary receipt) if the applicant is a U.S. citizen who will be at least 18 years of age on the date of the next election and the applicant requests that the identification card be provided without charge for voting purposes. Because identification cards may be used for voting and are mailed to applicants, DOT provides those card applicants who are also eligible voters with a temporary receipt that may be used for voting purposes. The fee for identification cards issued for purposes other than voting is \$28 (\$18 for the card itself, plus a \$10 issuance fee).

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **17. DRIVER EDUCATION GRANTS**

**Joint Finance/Legislature:** Provide \$6,000,000 SEG to the Joint Committee on Finance supplemental appropriation in 2024-25 for a driver education grant program, and create a continuing DOT SEG appropriation that could receive the funds. [Funding is shown under "Program Supplements."]

[Act 19 Section: 98]

# **State Patrol**

#### 1. STATE PATROL TROOPERS -- TRAFFIC OFFICER POSITIONS [LFB Paper 795]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |                | <u>o Gov)</u> |     | <u>Change</u><br>Positions |
|-----|--|----------------|---------------|-----|----------------------------|
| SEG | \$12,094,800 35.00                                     | - \$12,094,800 | ) - 35.00     | \$0 | 0.00                       |

**Governor:** Provide \$8,507,600 in 2023-24 and \$3,587,200 in 2024-25, and 35.00 positions annually to the Division of State Patrol general operations appropriation to expand the size of the traffic officer force. Modify the statutes to increase the upper limit on the number of traffic officers that can be employed by the Division from 399 to 434. Under current law, the statutes establish a force of traffic officers under the Division of State Patrol, and outline their powers and duties, including enforcing and assisting in the administration of state laws pertaining motor vehicles, driver licensing, and rules of the road, and assisting local enforcement officers wherever possible in the regulation of traffic and the prevention of accidents upon public highways. The Administration indicates that the higher recommended funding level in 2023-24 would be associated with initial costs of onboarding the new officers, including recruitment, provision of equipment such as vehicles and personal protective equipment, and training at the State Patrol Academy.

**Joint Finance/Legislature:** Delete the recommended funding and traffic officer positions. Place \$4,775,100 SEG annually in compensation reserves in the transportation fund to fund a potential increase in pay for traffic offices of up to \$5 per hour. Pay rates for traffic officers are established through a collective bargaining process that occurs between DOA's Division of Personnel Management and union representatives. Negotiations occur separately from the budget process. If \$5 per hour pay increases were provided to all authorized traffic officer positions, it would establish an increase of \$4,775,100 to base level SEG funding in DOT's State Patrol general operations appropriation. [See "Budget Management and Compensation Reserves."]

#### 2. IN-VEHICLE VIDEO CAMERAS [LFB Paper 796]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-------|----------------------------|-----------------------------------|-------------|
| GPR   | \$0                        | \$2,178,000                       | \$2,178,000 |
| SEG   | 4,356,000                  | - 4,356,000                       | 0           |
| Total | \$4,356,000                | - \$2,178,000                     | \$2,178,000 |

**Governor:** Provide \$2,178,000 SEG annually to the Division of State Patrol general operations appropriation to purchase 500 in-vehicle video cameras each year. All State Patrol squad cars are equipped with in-vehicle camera systems, and the Division is required to store video

records from the cameras. In the 2017-19 budget, the Division was provided with a one-time allocation of \$2.75 million GPR to purchase 500 cameras. DOT indicates that these devices have reached the end of their useful life and have begun to experience equipment failures. The recommended funding would be used to purchase 500 cameras annually at the estimated price of \$4,356 each, a figure that includes costs for licensing, software, security, and data storage.

**Joint Finance/Legislature:** Modify the provision to instead provide \$2,178,000 GPR annually in 2023-24 to fund the one-time replacement of State Patrol's 500 in-vehicle video cameras.

#### 3. INSTALLATION AND MAINTENANCE OF COMMUNICATIONS EQUIPMENT [LFB Paper 797]

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Position | <u>Net C</u><br>s Funding I |      |
|-----|--------------|--|--------------|--|-----------------------------|------|
| SEG | \$4,199,100  | 5.00 -                                 | \$2,899,100  | - 5.00                                 | \$1,300,000                 | 0.00 |

**Governor:** Provide \$1,168,800 in 2023-24, \$430,300 in 2024-25, and 5.00 positions annually to the Division of State Patrol general operations appropriation, and \$1,300,000 annually to the DOT departmental management and operations appropriation for the maintenance and installation of communications equipment across the state. The Division of State Patrol owns, operates, and maintains 67 communications towers and 92 network locations across the state that provide communications and internet protocol networks for State Patrol, as well as a wide variety of other federal, state, and local agencies, including other law enforcement departments. The Administration indicates that the requested funding would be used to install and update communications equipment located on DSP towers, and contained in State Patrol and DOT fleet vehicles.

**Joint Finance/Legislature:** Modify the provision to instead provide \$650,000 annually to the DOT departmental management and operations appropriation for the maintenance of DOT communications towers. Specify that the additional \$650,000 would not be included in base level funding for the appropriation in the 2025-27 budget.

## 4. STATE TROOPER OVERTIME [LFB Paper 795]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$3,450,000                | - \$3,450,000                     | \$0        |

**Governor:** Provide \$1,725,000 annually to the Division of State Patrol general operations appropriation to fund overtime pay for Wisconsin State Troopers. Troopers earn overtime wages of 1.5 times their regular hourly pay when they work more than 40 hours a week, including for

nonstandard occurrences such as civil disturbance, natural disasters, and other special events. Certain types of scheduled overtime activities are reimbursed, but all unscheduled overtime is not reimbursed. DOT indicates that State Patrol's overtime budget is \$1.0 million annually. The Division has exceeded that allocation in recent years by between \$1.4 million and \$2.0 million each year.

Joint Finance/Legislature: Provision not included.

# 5. MOTOR CARRIER INSPECTOR POSITIONS [LFB Paper 795]

|                     | (Chg   | vernor<br>. to Base)          | <u>(Chg.</u>                              | nce/Leg.<br>to Gov)            |  | hange                |
|---------------------|--|-------------------------------|---|--------------------------------|--|----------------------|
|                     | Funding                                      | Positions                     | Funding                                   | Position                       | s Funding l                                  | Positions            |
| FED<br>SEG<br>Total | \$789,200<br><u>1,610,500</u><br>\$2,399,700 | 0.00<br><u>10.00</u><br>10.00 | \$5,136,000<br>- 1,502,400<br>\$3,633,600 | 3.00<br><u>-10.00</u><br>-7.00 | \$5,925,200<br><u>108,100</u><br>\$6,033,300 | 3.00<br>0.00<br>3.00 |

**Governor:** Provide \$1,036,500 SEG in 2023-24 and \$574,000 SEG in 2024-25, 10.00 SEG positions annually, and \$338,200 FED in 2023-24 and \$451,000 FED in 2024-25 for the Division of State Patrol to supply additional State Patrol inspectors and offer increased funding for safety and weight enforcement facilities in the state. The statutes authorize the Secretary of Transportation to employ State Patrol inspectors, whose duties include the inspection of motor vehicles to determine compliance with equipment provisions in state law. Inspectors perform enforcement duties either at fixed weight and inspection stations, or on mobile patrol. The Division currently has authority for 88 inspector positions. The Administration indicates that the higher funding level in 2023-24 would be associated with initial costs of onboarding the new officers, including recruitment, provision of new equipment, and training at the State Patrol Academy.

**Joint Finance/Legislature:** Modify the provision to instead provide the following to DOT's State Patrol general operations appropriation for State Patrol motor carrier inspectors: (a) 3.0 FED positions, \$350,600 FED in 2023-24 and \$261,400 FED in 2024-25, and \$61,900 SEG in 2023-24 and \$46,200 SEG in 2024-25 to hire three additional State Patrol motor carrier inspectors at a rate of 85% FED and 15% SEG, reflecting matching requirements under the federal motor carrier safety administration program (MCSAP); (b) an additional \$2,612,000 FED in 2023-24 and \$2,701,200 FED in 2024-25, reflecting the total MCSAP funding that is expected to be provided to the state in the biennium; and (c) place \$624,200 SEG annually in compensation reserves in the transportation fund to fund a potential increase in pay for motor carrier inspectors of up to \$5 per hour.

The compensation reserves funding would be available to fund a pay increase for State Patrol inspectors, which would be established through a collective bargaining process that occurs between DOA's Division of Personnel Management and union representatives. Negotiations occur separately from the budget process. If \$5 per hour pay increases were provided to all authorized inspector positions, it would establish an increase of \$624,200 to base level SEG funding in DOT's State Patrol general operations appropriation. [See "Budget Management and Compensation Reserves."]

#### 6. STATEWIDE MICROWAVE RADIO NETWORK [LFB Paper 797]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,172,000                | - \$1,172,000                     | \$0        |

**Governor:** Provide \$586,000 annually to the Division of State Patrol general operations appropriation to upgrade the statewide microwave radio network. The Division owns and maintains a statewide network of communications infrastructure. DOT indicates that the requested funding would be used to initiate a new seven-year master lease for the network after the two existing master leases expire. The recommended funds would be combined with \$529,500 in expenditure authority that has already been authorized for the existing master leases. The Department indicates that the new master lease would upgrade 59 microwave radio network link locations at a total estimated cost of \$6.5 million over the seven-year lease period.

Joint Finance/Legislature: Provision not included.

#### 7. STAFFING FOR OPEN RECORDS REQUESTS ON BODY CAMERA FOOTAGE [LFB Paper 796]

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|-------------|---|-----|----------------------------|
| SEG | \$179,800    | 2.00                                   | - \$179,800 | - 2.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$77,100 in 2023-24 and \$102,700 in 2024-25, and 2.00 positions annually to the Division of State Patrol general operations appropriation to fulfill open records requests relating to body camera footage. 2021 Act 58 (the 2021-23 biennial budget act) provided \$700,000 in 2021-22 to fund the purchase of body-worn cameras and storage of camera data for State Patrol. Under current law, law enforcement agencies utilizing body-worn cameras must retain recordings for a minimum of 120 days, with some exceptions requiring longer retention, such as data used in an investigation, case, or complaint and the encounter resulted in the death or physical injury to an individual, or an encounter that included the use of force by an officer.

Joint Finance/Legislature: Provision not included.

## 8. TACTICAL HELMETS FOR STATE TROOPERS [LFB Paper 796]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| SEG   | \$170,700                  | - \$170,700                       | \$0        |
| GPR   | 0                          | 170,700                           | 170,700    |
| Total | \$170,700                  | \$0                               | \$170,700  |

Governor: Provide \$170,700 SEG in 2024-25 to the Division of State Patrol general

operations appropriation to purchase tactical helmets for state troopers. This would be an ongoing increase to base funding for the Division of State Patrol's operations appropriation to fund the continued purchase of this tactical equipment. 2017 Act 59 (the 2017-19 budget) created a new GPR appropriation for purchasing protective gear for State Patrol officers, and provided a one-time funding amount of \$800,000 in 2017-18 to purchase equipment, including 500 tactical helmets at an estimated price of \$365 each. The Department indicates that the seven-year warranty on this stock of existing tactical helmets will expire in April, 2025. In addition, 2021 Act 28 (the 2021-23 budget act) provided a one-time amount of \$387,500 in 2021-22 to replace personal protective gear for State Patrol officers. This funding was used to purchase tactical vest ballistic plates, while the need for tactical helmets remains.

**Joint Finance/Legislature:** Modify the provision to instead provide \$170,700 GPR in 2023-24 to fund a one-time purchase of 510 tactical helmets for State Patrol troopers.

# 9. STATE PATROL DIGNITARY PROTECTION UNIT

**Joint Finance/Legislature:** Specify that the Department shall maintain a dignitary protection unit and may assign state traffic officers to safeguard Justices of the Supreme Court.

Veto by Governor [D-30]: Delete provision.

[Act 19 Vetoed Section: 387]

# Departmentwide

# 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| FED   | \$14,346,600               | - \$2,015,400                     | \$12,331,200 |
| PR    | 357,800                    | 0                                 | 357,800      |
| SEG   | 10,732,000                 | - 6,229,400                       | 4,502,600    |
| SEG-S | 84,600                     | 0                                 | 84,600       |
| Total | \$25,521,000               | \$8,244,800                       | \$17,276,200 |

**Governor:** Make adjustments to the agency base budget for: (a) turnover reduction (-\$4,672,000 SEG and -\$1,511,600 FED annually); (b) full funding of continuing position salaries and fringe benefits (\$6,654,800 SEG, \$42,300 SEG-S, \$7,636,400 FED, and -\$42,900 PR annually); (c) overtime (\$3,832,300 SEG, \$1,030,400 FED, and \$221,800 PR annually); (d) night and weekend differential pay (\$344,900 SEG and \$18,100 FED annually); and full funding of lease and directed moves costs (-\$794,000 SEG annually).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to the standard 3% turnover rate. To reflect this change, reduce funding under the turnover reduction standard budget adjustment by -\$3,114,700 SEG annually and -\$1,007,700 FED annually.

# 2. DOT ADMINISTRATIVE FACILITIES -- CAPITAL SEG-S \$5,500,000 BUILDING PROJECTS [LFB Paper 805]

**Governor:** Provide \$2,750,000 annually in transportation revenue bond proceeds to fund DOT administrative facility projects to be included in the Department's capital building budget. This would increase base level funding of \$6,500,000 SEG-S to \$9,250,000 SEG-S annually for DOT facility capital projects, which equals the additional bonding authorization amount associated with this recommendation as shown in a separate item [see "Transportation Finance"].

**Joint Finance/Legislature:** Authorize the Department to utilize \$18,500,000 in existing transportation revenue bond premium proceeds to fund DOT administrative facility projects. Include the recommended \$2,750,000 annual increase to allow the Department to fully-expend the \$18.5 million in bond premium proceeds. Separate items would delete the recommendation to authorize additional transportation revenue bonds and related debt service for DOT administrative facility projects that would be completed with these funds, as enumerated in the 2023-25 state building program. [See "Building Program."]

#### 2023-25 State Building Program -- DOT Projects

| Capital Project Requests                          | Amount       |
|---|--------------|
| Spooner Shared Multi-Division Facility            | \$11,490,000 |
| Tomah State Patrol Post HVAC Replacement          | 475,000      |
| Waukesha State Patrol Post HVAC Replacement       | 475,000      |
| State Patrol Academy Bathroom and Window Upgrades | 425,000      |
| Fond du Lac DMV Service Center HVAC Replacement   | 350,000      |
| Facility Projects Under \$350,000                 | 5,285,000    |
| Total   | \$18,500,000 |

[Act 19 Section: 9144(9)]

# 3. DOT ADMINISTRATIVE FACILITIES -- MINOR CONSTRUCTION PROJECTS [LFB Paper 805]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$5,000,000                | - \$5,000,000                     | \$0        |

Governor: Provide \$5,000,000 in 2023-24 to cash fund minor construction projects on DOT

administrative facilities. Under current law, the Department has a SEG appropriation that can provide funding for projects on DOT administrative facilities, but the total construction cost of any project receiving funding from the appropriation may not exceed \$1,000,000. The Administration indicates that these funds would be used alongside the transportation revenue bonds provided for DOT administrative facility projects, contained in the previous item, to increase funding for administrative facilities.

Joint Finance/Legislature: Provision not included.

## 4. OPERATIONS AND ONLINE APPLICATION SECURITY AND MODERNIZATION FUNDING [LFB Papers 791 and 806]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$3,504,200                | - \$3,504,200                     | \$0        |

**Governor:** Provide \$1,752,100 annually to DOT's department management and operations appropriation as follows: (a) \$1,418,100 annually for increased supplies and services costs associated with Department program efforts; and (b) \$334,000 annually to hire consultants or contractors to improve the security of the Department's online and electronic application systems, including those used by the Division of Motor Vehicles.

Joint Finance/Legislature: Provision not included.

# 5. DEPARTMENT MANAGEMENT AND OPERATIONS FEDERAL FUNDING ALLOCATION [LFB Paper 774]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| FED | \$1,000,000                | - \$1,000,000                     | \$0        |  |

**Governor:** Provide \$500,000 annually for DOT's department management and operations FED appropriation. This funding increase is associated with the additional annual federal administrative funding expected to be provided under federal highway formula aid amounts authorized under the IIJA.

Joint Finance/Legislature: Provision not included.

#### 6. EQUITY OFFICER POSITION

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br>( <u>Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|--|--------|--|------|
| SEG | \$172,900  | 1.00 | - \$172,900  | - 1.00 | \$0                                    | 0.00 |

**Governor:** Provide \$75,700 in 2023-24 and \$97,200 in 2024-25 and 1.00 position annually under DOT's department management and operations appropriation to create an agency equity officer position within the Office of the Secretary of Transportation. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and other agency equity officers to identify opportunities to advance equity in government operations [see "Administration -- General Agency Provisions"].

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 7. MISSISSIPPI RIVER PARKWAY COMMISSION POSITION [LFB Paper 807]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| SEG | \$140,000  | 1.00 | - \$140,000   | - 0.50 | \$0                                    | 0.50 |

**Governor:** Provide \$60,000 in 2023-24 and \$80,000 in 2024-25, and create 1.00 SEG position to support the Mississippi River Parkway Commission. Specify that the authorized positions for the Mississippi River Parkway Commission would be increased by 1.00 FTE, for the purpose of providing administrative support to the commission.

Under current law, the Commission assists in coordinating the development and preservation of the Great River Road in Wisconsin. The Great River Road is a designated collection of roads that follow the course of the Mississippi River through 10 states. The Wisconsin portion consists of a network of state and local highways spanning between Kieler (Grant County) and Prescott (Pierce County). The Commission is comprised of designated civilian and public sector stakeholders, as well as two senators and two representatives. The members are appointed to four-year terms by the Governor and serve without compensation, but may be reimbursed for actual expenses of performing their duties from DOT's departmental management and operations SEG appropriation.

**Joint Finance/Legislature:** Provide 0.5 SEG position, and assign the equivalent of 0.1 SEG position from the duties of DOT's existing bicycle and pedestrian coordinator position to the Mississippi River Parkway Commission in 2023-24 for the purpose of providing administrative support to the Commission.

Veto by Governor [D-32]: Delete the requirement that DOT assign the equivalent of 0.1

SEG position from the duties of DOT's existing bicycle and pedestrian coordinator position to the Mississippi River Parkway Commission.

[Act 19 Vetoed Section: 9144(11)]

# 8. MODIFICATIONS TO DEPARTMENT MANAGEMENT AND OPERATIONS APPROPRIATIONS [LFB Paper 808]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change     |
|-------|----------------------------|-----------------------------------|----------------|
| FED   | - \$12,740,200             | \$0                               | - \$12,740,200 |
| SEG   | \$13,977,800               | - 13,977,800                      | 0              |
| SEG-L | - \$738,000                | 0                                 | - 738,000      |
| Total | \$499,600                  | - \$13,977,800                    | - \$13,478,200 |

**Governor:** Provide \$6,988,900 SEG annually to DOT's department management and operations appropriations and make corresponding annual decreases of \$6,370,100 FED and \$369,000 SEG-L to the FED and SEG-L department management and operations appropriations. The Administration indicates that these funding modifications would correct for a mismatch in funding and expenditures among these appropriations. This provision would result in a net funding increase of \$249,800 annually.

**Joint Finance/Legislature:** Approve the recommended annual decreases of \$6,370,100 FED and \$369,000 SEG-L to DOT's department management and operations appropriations. Delete the existing negative adjustment allotment lines within the DOT SEG departmental management and operations appropriation and reduce the position salaries allotment line of the SEG appropriation by \$6,988,900 annually. This would result in no net effect to base level funding for the SEG appropriation.

## 9. INTERNAL REORGANIZATION OF POSITION AND FUNDING [LFB Paper 808]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | <u>(Chg. t</u> | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |             | <u>Net Change</u><br>Funding Positions |  |
|-----|--|------|----------------|---|-------------|--|--|
| SEG | \$0  | 0.00 | - \$263,000    | - 1.00  | - \$263,000 | - 1.00                                 |  |

**Governor:** Reallocate \$131,500 and 1.00 position annually from the Division of Motor Vehicles general operations appropriation to DOT's department management and operations appropriation. The Administration indicates that this would reallocate funding and position authority for an agency equity and inclusion policy advisor to an appropriation that is a better fit for the position's agency-wide responsibilities.

**Joint Finance/Legislature:** Decrease funding by \$131,500 annually and delete 1.00 SEG position from the Division of Motor Vehicles general operations appropriation.

#### 10. TRANSFER AMBULANCE INSPECTION PROGRAM TO THE DEPARTMENT OF HEALTH SERVICES

**Governor:** Delete the current law requirement that DOT inspect ambulance medical equipment and require DHS to do so prior to DOT issuing or renewing an ambulance's registration. Currently, the Department conducts vehicle safety inspections of ambulances as well as inspections of medical equipment such as stretchers, suction aspirators, and oxygen equipment. However, under recent modifications to DOT administrative rules, DOT will cease inspections of medical equipment on July 15, 2023, with the intent to transfer this responsibility to DHS. DHS currently provides other oversight of emergency medical services (EMS) programs, including approving operational plans and licensing EMS professionals [see "DHS -- Public Health"].

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

FED

\$5,710,000

#### 11. PAY INCREASE FOR DOT ENGINEERS

**Joint Finance/Legislature:** Provide \$2,855,000 FED annually, and place \$2,535,500 SEG annually in compensation reserves in the transportation fund to fund a 10% increase in pay for DOT engineers. Pay rates for DOT engineers are established separately through the state compensation plan, changes to which are subject to review and approval by the Joint Finance Committee on Employment Relations. [See "Budget Management and Compensation Reserves"]

The impacted job classifications would include civil engineers, structural engineers, and transportation specialists, as well as the DOT engineering and technical services chiefs. Most of these positions are located in DOT clearing appropriations, and receive funding from several departmental appropriations. The table below shows how the \$2.9 million annually in additional FED would be allocated among DOT appropriations in each year of the 2023-25 biennium, reflecting the proportion of funding that these positions currently receive from these appropriations. If the SEG funding is fully-allocated from compensation reserves, it would establish an increase of \$2,535,500 to base level SEG funding for DOT, which would be distributed among various DOT SEG appropriations in a fashion similar to the FED appropriations shown in the table.

| Federal Appropriation                                | Annual Increase |
|--|-----------------|
| Aeronautics Assistance                               | \$40,300        |
| Local Bridge Improvement                             | 38,300          |
| Local Transportation Facility Improvement Assistance | 91,600          |
| Southeast Freeway Megaprojects                       | 180,400         |
| Major Highway Development                            | 300,900         |
| State Highway Rehabilitation                         | 1,826,900       |
| Highway System Mgmt. and Ops.                        | 209,300         |
| Administration and Planning                          | 167,300         |
| Total  | \$2,855,000     |

## **12. UTILITY RELOCATION DELAY POSITIONS**

|     | Funding   | Positions |
|-----|-----------|-----------|
| SEG | \$829,700 | 4.00      |

Joint Finance/Legislature: Provide \$355,600 in 2023-24,

\$474,100 SEG in 2024-25, and 4.00 SEG positions to the DOT administration and planning appropriation to resolve utility relocation delay claims between contractors and utility owners.

# **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

GPR \$20,846,400

**Governor/Legislature:** Provide adjustments to the agency base budget of \$10,423,200 annually for full funding of continuing position salaries and fringe benefits.

## 2. GENERAL OPERATIONAL FUNDING [LFB Paper 810]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions | Veto<br><u>(Chg. to Leg.)</u><br>Funding Positions | <u>Net Change</u><br>Funding Positions |
|-----|--|---|--|--|
| GPR | \$66,400,000 0.00 -                                    | \$98,281,800 - 188.80   | \$0 188.80 -                                       | \$31,881,800 0.00                      |

Governor: Provide \$22,100,000 in 2023-24 and \$44,300,000 in 2024-25 to provide

additional funding to all system campuses to offset increased inflationary costs of goods and services and provide ongoing support for key initiatives at UW institutions such as dual enrollment, equity diversity and inclusion efforts, Title IX compliance, sustainability, and student mental health services. Additionally, funds would be utilized to increase compensation to recruit and retain critical faculty and staff in information technology, facilities, behavioral health, and academic advising.

**Joint Finance/Legislature:** Delete provision. In addition, delete \$15,940,900 GPR annually and 188.80 GPR positions beginning in 2023-24 from UW System's general program operations appropriation. Require that the positions that are cut are positions that perform functions related to diversity, equity, and inclusion.

Place \$31,881,800 GPR in the Joint Committee on Finance's supplemental appropriation in 2023-24 for release to UW System upon request and approval for performance on the workforce metrics under outcomes-based funding in s. 36.112. The fiscal effect of this funding is shown under "Program Supplements."

**Veto by Governor [B-10]:** Delete the position reduction. The veto message indicates that the Board of Regents retain position authority for the 188.80 positions.

[Act 19 Vetoed Section: 9147(1)]

# 3. TUITION PROMISE EXPANSION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |  |
|-----|----------------------------|-----------------------------------|------------|--|
| GPR | \$24,500,000               | - \$24,500,000                    | \$0        |  |

**Governor:** Provide \$24,500,000 in 2024-25 to expand the tuition promise initiative to all campuses in the UW System outside of UW-Madison.

The Bucky's Tuition Promise program at UW-Madison was implemented beginning in fall, 2018, and provides scholarships and grants to cover tuition and segregated fees for students whose household adjusted gross income is \$60,000 or less. Incoming freshmen are eligible for eight consecutive semesters (four years) and transfer students are eligible for four consecutive semesters (two years). Eligible students are required to file a Federal Application for Federal Student Aid (FAFSA) by UW-Madison's December 1 priority enrollment deadline. Aid is provided after other student aid such as grants and scholarships are applied, resulting in a student's net cost for tuition and fees of zero.

In their budget request, UW indicated that the program would begin in the 2023-24 academic year with UW System allocating existing funding for the estimated \$13.8 million cost of the first year. UW System estimates 8,000 students would receive assistance through the expanded tuition program in the first four years, at an estimated total cost of approximately \$35.6 million annually.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. VETERANS SUPPORT SERVICES

|     | Governor<br><u>(Chg. to Base)</u> |         | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u> |           | <u>Net Change</u> |           |
|-----|-----------------------------------|---------|--|-----------|-------------------|-----------|
|     | Funding Po                        | sitions | Funding                                  | Positions | Funding           | Positions |
| GPR | \$2,822,000                       | 21.50 - | - \$2,822,000                            | - 21.50   | \$0               | 0.00      |

**Governor:** Provide \$1,209,500 in 2023-24 and \$1,612,500 annually beginning in 2024-25 in a new, continuing appropriation, with 21.50 positions beginning in 2023-24 to provide support services to UW System students who are veterans. State budget office staff indicate funding would be utilized to increase the number of School Certifying Officials (SCOs) at UW System campuses. SCOs act as liaisons between the U.S. Department of Veterans Affairs (VA) and each institution. The VA recommends one SCO for every 200 GI Bill-eligible student. Funding could also provide staffing for Veterans Resource Centers on each campus. VRCs provide additional services to veterans, students on active military duty, and their families.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. FINANCIAL FUTURES INCENTIVE PROGRAM APPROPRIATION

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions | <u>Net Change</u><br>Funding Positions |
|-----|--|---|--|
| GPR | \$2,000,000 - 2.00                                     | - \$2,000,000 - 2.00  | \$0 0.00                               |

**Governor:** Provide \$1,000,000 annually and 2.0 positions beginning in 2023-24, in a new, continuing appropriation for a Wisconsin Financial Futures Incentive Program in UW-Madison's Division of Extension Financial Education Program. The financial education program provides programming to assist Wisconsin residents in reaching financial goals, managing expenses, and planning for unexpected life events.

A pilot project was conducted in Walworth County using \$90,000 in federal ARPA funds for financial management and rental training. Qualified individuals who completed the required financial education courses received economic assistance of up to \$500. The 2.0 positions would be statewide UW-Extension educators, including one who would focus on serving English-learners or bilingual individuals.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 6. JOURNALISM PROGRAMS AND FELLOWSHIPS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,000,000                | - \$2,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 annually in the UW System's largest GPR appropriation for journalism programs and fellowships for graduates of UW System journalism programs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. DIRECT ADMISSION PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$1,000,000 and require the Board of Regents to establish a direct admission program that provides Wisconsin high school graduates with conditional or guaranteed undergraduate admission to an institution based on established eligibility criteria. Require the Board to work with a consultant to develop the program, and to also consult with the Department of Public Instruction (DPI), the Technical College System Board, and other interested stakeholders. Specify that the plan be implemented by no later than the beginning of the admissions cycle for the 2025-26 academic year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 8. HEALTH CARE PROVIDER LOAN ASSISTANCE PROGRAM [LFB Paper 811]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$500,000 GPR annually in a new, continuing appropriation, for the Health Care Provider Loan Assistance (HCPLA) Program. Expand the eligible recipients of HCPLA awards to include medical assistants, dental assistants, dental auxiliaries, and dental therapists. Define "medical assistant" as an individual who has received a medical assistant technical diploma from a Wisconsin Technical College System institution or who has successfully completed the national certification examination for medical assistants; define "dental assistant" as an individual who holds a certified dental assistant credential issued by a national credentialing organization; define "dental auxiliary" as an expanded function dental auxiliary holding a

certification under section 447.04(3) of the statutes; and define "dental therapist" as an individual licensed under section 447.04(1m) of the statutes as created by the bill. In addition, specify that loans to medical assistants may not exceed \$12,500. Further specify that repayment for medical assistants may be repaid by the Board of Regents at the following rate: (1) 40% of the principal up to \$5,000 in each of the first and second years of participation; and (2) 20% of the principal up to \$2,500 in the third year.

Currently, under the health care provider loan assistance program, the Board of Regents may repay up to \$25,000 in education loans on behalf of a health care provider, defined as a dental hygienist, physician assistant, nurse midwife, or nurse-practitioner, who agrees to practice in one or more eligible practice areas in this state. To be eligible for loan repayment, the physician, dentist, or health care provider must enter into a written agreement with the Board in which he or she agrees to practice at least 32 clinic hours per week, 45 weeks per year, for three years in an eligible practice area. Program participants who meet additional requirements may also be eligible for federally-funded loan repayments through the expanded loan assistance program. Loans to health care providers are repaid as follows: (1) 40% of the principal up to \$10,000 in each of the first and second years; and (2) 20% of the principal up to \$5,000 in the third year. Total state funding for the health care provider and physician and dentist provider programs is \$798,700 in 2022-23. Of this amount, \$488,700 is from tribal gaming revenues and \$310,000 is from the critical access hospital assessment fund with hospital assessment funds limited to repayments on behalf of physicians practicing in rural areas. In addition, approximately \$300,000 in federal funding is provided annually. The bill would expand eligible recipients to include medical assistants, dental assistants, dental auxiliaries, and dental therapies. With the exception of medical assistants which the bill specifies would have a maximum loan of \$12,500 and different repayment terms, current law provisions would apply to the newly-expanded eligible recipients. The bill would provide \$500,000 GPR annually in a new appropriation in addition to existing program funding sources.

Joint Finance/Legislature: Provision not included.

# 9. MISSING IN ACTION RECOVERY AND IDENTIFICATION PROJECT [LFB Paper 812]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$500,000 annually in a new, continuing appropriation for the University of Wisconsin Missing in Action (MIA) Recovery and Identification Project. Require the Board of Regents to provide funding from this appropriation for the MIA Recovery Project to perform a mission for the recovery and identification of Wisconsin veterans who are missing in action. At the conclusion of the mission, require the MIA Recovery Project, through its representative, to submit a report on the mission's findings and an accounting of expenditures for the mission to the Governor, Joint Committee on Finance, Board of Regents, the standing committees of each house of the Legislature dealing with veterans matters, and the Departments of Veterans Affairs and Military Affairs.

Joint Finance/Legislature: Provision not included.

#### 10. FOSTER YOUTH SUPPORT PROGRAMS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$1,000,000                | - \$1,000,000                     | \$0        |

**Governor:** Provide \$500,000 annually in a new annual appropriation to establish or continue foster youth support programming at UW System institutions. Require the Board of Regents to allocate funding to each institution to establish or maintain support programs for students enrolled in the institution who formerly resided in a foster home or group home. Specify that support programs may include any of the following: scholarships; employment; emergency funds; basic supplies; mentorships to assist with academic preparations and successful navigation of the complex college environment; or other resources such as career planning, financial literacy training, and math and writing support.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 11. UW-RIVER FALLS FARM AND INDUSTRY SHORT COURSE [LFB Paper 813]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$700,000                  | - \$700,000                       | \$0        |

**Governor:** Provide \$402,300 in 2023-24 and \$297,700 in 2024-25 in a new, biennial appropriation, for general program operations of a farm and industry short course at UW-River Falls.

Joint Finance/Legislature: Provision not included.

#### 12. UW-MADISON UNIVERCITY ALLIANCE PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$600,000                  | - \$600,000                       | \$0        |

**Governor:** Provide \$300,000 annually in a new, annual, appropriation for the UniverCity Alliance program to connect in partnership Wisconsin communities, towns, cities, and counties with UW-Madison education, service, and research activities in order to address the communities' biggest local challenges.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **13. UW-STEVENS POINT INSTITUTE FOR SUSTAINABLE TECHNOLOGY** [LFB Paper 814]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$500,000                  | - \$500,000                       | \$0        |

**Governor:** Provide \$250,000 annually in appropriation 20.285(1)(a) (UW's block grant appropriation) and require the Board of Regents to provide funding from this appropriation to the Wisconsin Institute for Sustainable Technology at the University of Wisconsin-Stevens Point to broaden the Institute's support for, and further technical contributions to, the state's forest and paper industries and for the Institute's ongoing operations.

Joint Finance/Legislature: Provision not included.

## 14. RURAL WISCONSIN ENTREPRENEURSHIP INITIATIVE

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|-------------|---|-----|----------------------------|
| GPR | \$254,100    | 2.03                                   | - \$254,100 | - 2.03                                  | \$0 | 0.00                       |

**Governor:** Provide \$254,100 GPR in 2024-25 and 2.03 positions in a new, continuing appropriation for a Rural Wisconsin Entrepreneurship Initiative (RWEI) in UW-Madison's Division of Extension that provides business development assistance, rural entrepreneurship ecosystems, and access to finance for rural entrepreneurs in Wisconsin. State budget staff indicate funding would support two new positions including an outreach specialist and graduate research assistant as well as a portion of existing RWEI personnel. An initial \$1 million in ARPA funds was allocated for the initiative in fall, 2022. Through the initiative, UW-Extension will work with WEDC and other partners across the state to increase rural entrepreneur's access to resources and technical assistance.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **15. REMOVE VACANT POSITIONS**

**Governor/Legislature:** Delete 142.00 vacant and unfunded GPR - 142.00 positions beginning in 2023-24. Because the budget for the UW System is determined using filled positions, there is no funding associated with these vacant positions.

Positions

# 16. CREATE POSITIONS UNDER THE FRESHWATER COLLABORATIVE [LFB Paper 815]

|     | Governor<br>(Chg. to Base)<br>Positions | Jt. Finance/Leg.<br>(Chg. to Gov)<br>Positions | Net Change<br>Positions |
|-----|---|--|-------------------------|
| GPR | 22.50                                   | - 22.50  | 0.00                    |

**Governor:** Provide 22.50 positions beginning in fiscal year 2023-24 to support the work of the Freshwater Collaborative.

2021 Act 58 provided \$2.5 million in 2022-23 and \$2.5 million in 2023-24 in the Joint Committee on Finance supplemental appropriation for release to UW System upon request and approval by the Committee and created a new, continuing appropriation under UW System. The Committee approved release of the funding on February 1, 2022. According to UW System, the additional positions reflect campus budgets following the Freshwater Collaborative request for proposal process.

The Freshwater Collaborative is a partnership between the 13 UW-System public universities, connecting students and faculty with industry partners, local communities, policymakers, non-profit organizations, and advocacy groups. The Collaborative's mission is to: (1) contribute to Wisconsin's reputation as a world leader in freshwater science, technology, entrepreneurship, and economic growth; (2) provide support to meet the need for a knowledgeable and skilled water workforce through explicit structuring of curriculum, training, and workplace experience; and (3) establish a global water resource to identify and manage problems through collaborative research across the natural science, engineering, social science, economics, and policy arenas. A primary focus of the Collaborative is fostering collaborative research and initiatives across the 13 campuses, private sector, and state institutions. Examples of the Collaborative's activities include providing scholarships and student support, developing new watercentric training programs for undergraduates, and recruiting new faculty and staff to advance training programs, research, and innovation related to water science.

Joint Finance/Legislature: Provision not included.

#### 17. STATE LABORATORY OF HYGIENE -- NEWBORN SCREENING [LFB Paper 816]

|           | Governor<br>(Chg. to Base) | Jt. Finance<br>(Chg. to Gov) | Senate/Leg.<br>(Change to JFC) | Veto<br>(Chg. to Leg.) | Net Change              |
|-----------|----------------------------|------------------------------|--------------------------------|------------------------|-------------------------|
| GPR<br>PR | \$4,400,000<br><u>0</u>    | - \$4,400,000                | \$0<br>                        | \$0<br>                | \$0<br><u>8,001,800</u> |
| Total     | \$4,400,000                | - \$4,400,000                | \$8,001,800                    | \$0                    | \$8,001,800             |
| PR-REV    | \$0                        | \$0                          | \$8,001,800                    | \$3,825,200            | \$11,827,000            |

**Governor:** Provide \$2,200,000 annually for newborn screening laboratory testing operations. Funding would support an identified annual shortfall between testing costs and moneys

received by the State Laboratory of Hygiene (SLH) from newborn screening fees. The funding would support lab salaries (\$812,500) and fringe benefits (\$307,300) and lab supplies and services (\$1,080,200).

Currently, section 253.13 of the statutes requires newborn screening of all infants born in Wisconsin for 48 disorders that if left untreated could lead to severe health problems. The Department of Health Services (DHS) is responsible for monitoring the screening program and providing necessary diagnostic services, special dietary treatment, periodic evaluation, and counseling to affected patients with a congenital disorder identified by the screenings and their families. Current law requires DHS to contract with the SLH to perform any necessary laboratory tests for the newborn screenings. The SLH is also responsible for furnishing materials for use in the laboratory tests. Current law requires DHS to impose a fee, by administrative rule, for the newborn screening tests, which is sufficient to pay for the services provided under the contract with SLH and any necessary diagnostic services, dietary treatment, evaluation, and counseling services required as well as the costs of administering infant hearing screening required under section 253.115 of the statutes, and administrative costs of the screenings.

According to the SLH, the current newborn screening fee is \$109 and was last increased in 2010. The SLH conducts approximately 62,000 newborn screening laboratory tests annually, at a cost of \$94.05 per test, while the SLH receives \$58.50 per newborn screening fee (DHS receives the remaining \$50.50 per fee).

Joint Finance: Provision not included.

**Senate/Legislature:** On the effective date of the bill, specify that the newborn screening card fee imposed by DHS under s. 253.13 of the statutes must be no less than \$159.25 per card (an increase of \$50.25 per card), and specify that no less than \$110.75 from each newborn screening card sold be credited to the State Laboratory of Hygiene. This would generate an estimated additional \$2,688,400 in revenue annually. In addition, increase the driver improvement surcharge by \$100 (to \$535) effective on the effective date of the bill, which is estimated to generate an additional \$875,000 in 2023-24 and \$1,750,000 in 2024-25 (providing a total estimated additional funds available for newborn screening of \$8,001,800 over the biennium). Require DOA to transfer \$2,494,200 in 2023-24 and \$3,369,200 in 2024-25 from revenues received from the surcharge to the State Laboratory of Hygiene. Specify that, effective on the first day of the sixth month after the effective date of the bill, the percentage of the driver improvement surcharge paid by the county treasurer to the Secretary of Administration is 59.1%.

**Veto by Governor [C-18]:** The Governor's partial veto deleted the "5", decimal point, and "2" from \$159.25 and the "110" and decimal point from \$110.75 so that the provision specifies that the newborn screening card fee must be no less than \$195, and at least \$75 of this amount is required to be credited to the State Laboratory of Hygiene. This would be expected to generate an additional \$1,912,600 in revenue annually compared to Senate Bill 70 as passed by the Legislature.

[Act 19 Sections: 438m, 460g, 460m, 9101(5m), 9344(2m) and 9444(1m)]

[Act 19 Vetoed Section: 438m]

# **18.** STATE LABORATORY OF HYGIENE -- FORENSIC TOXICOLOGY TESTING [LFB Paper 816]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Provide \$2,000,000 annually for forensic toxicology testing. Funding would support an identified annual shortfall between testing costs and moneys received by the State Laboratory of Hygiene (SLH) from the Driver Improvement Surcharge Fund. Funding would be provided as follows: lab salaries (\$866,900) and fringe benefits (\$327,800); lab supplies and services (\$605,300); and equipment (\$200,000).

The forensic toxicology section serves the state's police departments, prosecutors' offices and coroner/medical examiner (C/ME) facilities. The laboratory conducts blood alcohol and drug testing for OWI enforcement and motor vehicle deaths in Wisconsin as well as drug and alcohol testing for C/ME. Scientists at the SLH conduct sample analysis and provide expert testimony regarding the samples analyzed. In recent years, SLH indicates that it has conducted approximately 20,000 alcohol samples per year, and approximately 10,700 of those samples were also analyzed for drugs of abuse. The SLH indicates OWI drug testing cases have increased by 260% from 2014 to 2021. As these tests are more complicated than forensic alcohol testing, requiring multiple analysts and instruments, SLH indicates they require additional program resources.

Joint Finance/Legislature: Provision not included.

## 19. STATE LABORATORY OF HYGIENE RENT [LFB Paper 816]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$642,300                  | - \$642,300                       | \$0        |

**Governor:** Provide \$271,200 in 2023-24 and \$371,100 in 2024-25 for State Lab of Hygiene (SLH) rental costs. Funding would bring GPR funding to 50% of the rental costs of the DOA facility occupied by the SLH.

In 1999, two divisions of the SLH moved to a DOA facility and the Legislature authorized a GPR increase to cover 50% of the cost of the SLH's rent. In 2013, and again in 2021, this facility was expanded to provide increased space for the SLH. Rent increases since 2021 have resulted in the current GPR funding level falling below the 50% level.

Joint Finance/Legislature: Provision not included.

#### **20. STATE LABORATORY OF HYGIENE -- SOIL HEALTH** [LFB Paper 817]

|     | Governor<br><u>(Chg. to Base)</u> |           | Jt. Finance/Leg.<br>(Chg. to Gov) |           | <u>Net Change</u> |           |
|-----|-----------------------------------|-----------|-----------------------------------|-----------|-------------------|-----------|
|     | Funding                           | Positions | Funding                           | Positions | Funding           | Positions |
| GPR | \$227,200                         | 1.00      | - \$227,200                       | - 1.00    | \$0               | 0.00      |

**Governor:** Provide \$97,400 in 2023-24 (\$70,700 salary and \$26,700 fringe) and \$129,800 (\$94,200 salary and \$35,600 fringe) in 2024-25 with 1.0 position for a soil health faculty position. The position would be located in the State Laboratory of Hygiene (SLH) Environmental Health Division and have an academic appointment in the UW-Madison Department of Soil Science in the College of Agricultural and Life Sciences. The position would assist in the collaboration of soil health research, testing, and outreach between government agencies, agriculture producers, local communities, and academic researchers. The position may teach at UW Madison and partner with other UW-Madison faculty and staff on research to further collective efforts to sustain and protect Wisconsin soil resources.

Joint Finance/Legislature: Provision not included.

## 21. STATE LABORATORY OF HYGIENE -- CYANOBACTERIAL BLOOMS MONITORING [LFB Paper 817]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$121,800                  | - \$121,800                       | \$0        |

**Governor:** Provide \$121,800 in 2023-24 in the state laboratory of hygiene's general operations appropriation to purchase instrumentation to facilitate more rapid testing of Wisconsin waters for harmful cyanobacterial blooms. Cyanobacteria, also called blue-green algae, are microscopic single-cell organisms found naturally in all types of water, some of which produce toxins, called cyanotoxins.

Joint Finance/Legislature: Provision not included.

# 22. VETERINARY DIAGNOSTIC LABORATORY MICROBIOLOGISTS [LFB Paper 818]

|     | Governor<br><u>(Chg. to Base)</u><br>Funding Positions |      | Jt. Finance/Leg.<br><u>(Chg. to Gov)</u><br>Funding Positions |        | <u>Net Change</u><br>Funding Positions |      |
|-----|--|------|---|--------|--|------|
| GPR | \$822,200  | 6.00 | - \$822,200   | - 6.00 | \$0                                    | 0.00 |

**Governor:** Provide \$352,400 (\$261,000 salary and \$91,400 fringe) in 2023-24 and \$469,800 (\$348,000 salary and \$121,800 fringe) annually beginning in 2024-25 with 6.0 microbiologist positions beginning in 2023-24 to improve capacity and response to annual chronic

wasting disease (CWD) and foreign animal disease (FAD) surveillance surge testing.

The Veterinary Diagnostic Laboratory (VDL) is the sole provider of CWD and FAD surveillance, investigation, and outbreak response for Wisconsin. Providing CWD diagnostic testing supports Department of Natural Resources (DNR) efforts to manage CWD (an infectious prion disease). In addition, the diagnostic testing provides hunters with important food safety information. Each year, the VDL provides testing for 16,000 to 24,000 whitetail deer samples and 75% of the samples are submitted within a four to six-week period following the November nine-day gun deer hunting season. During this testing surge, the CWD diagnostic facility operates for 20 hours per day, seven days per week. In 2021, VDL indicates a seasonal labor shortage and staff overload led to an increase in CWD testing turnaround time from nine to 19 days. The additional six microbiologists would assist in decreasing testing turnaround time to a week or less to provide quicker results to Wisconsin hunters. VDL indicates that the six microbiologist positions would also be cross-trained for diagnostic testing so that they could be utilized to provide sustainable services to maintain Wisconsin agricultural industry testing services to support the poultry, dairy, and bovine genetics industries in the event of an FAD (such as was done with avian flu in 2022).

Joint Finance/Legislature: Provision not included.

# 23. VETERINARY DIAGNOSTIC LABORATORY BIOINFORMATICS [LFB Paper 818]

|     | <u>(Chg.</u> | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|--------------|--|-------------|---|-----|----------------------------|
| GPR | \$212,600    | 1.00                                   | - \$212,600 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$91,100 in 2023-24 and \$121,500 in 2024-25 with 1.0 position for a bioinformatician position. Funding would support a bioinformaticist (\$67,500 salary and \$23,600 fringe in 2023-24 and \$90,000 salary and \$31,500 fringe in 2024-25).

Bioinformatics, as related to genetics and genomics, is a scientific subdiscipline that involves using computer technology to collect, store, analyze and disseminate biological data and information, such as DNA. The Veterinary Diagnostic Laboratory (VDL) is part of the National Animal Health Laboratory Network, which is involved in diagnostics and management of infectious disease outbreaks in the United States. The VDL provides a variety of testing for endemic diseases, and is also developing diagnostic methods to identify newly-emerging diseases. According to the VDL, the laboratory does not have the most up-to-date molecular sequencing diagnostics necessary for rapidly identifying emerging diseases. The requested funding would be utilized to bring on a trained bioinformatics professional to analyze the molecular sequencing data. This would allow the VDL to offer this diagnostic testing as a fee-for-service product for Wisconsin veterinarians to help detect new outbreaks and emerging pathogens.

Joint Finance/Legislature: Provision not included.

# 24. TRANSFER WORKER'S COMPENSATION TO DEPARTMENT OF ADMINISTRATION

|                    | Governor<br><u>(Chg. to Base)</u>                            | Jt. Finance/Leg.<br>(Chg. to Gov)     | <u>Net Change</u>   |  |
|--------------------|--|---------------------------------------|---|--|
|                    | Funding Positions  | Funding Positions                     | Funding Positions   |  |
| GPR<br>PR<br>Total | - \$799,300 - 4.00<br>- 199,800 - 1.00<br>- \$999,100 - 5.00 | \$799,3004.00199,8001.00\$999,1002.00 | $ \begin{array}{ccc} \$0 & 0.00 \\ \underline{0} & \underline{0.00} \\ \$0 & 0.00 \end{array} $ |  |

**Governor:** Delete -\$508,000 (-\$406,400 GPR and -\$101,600 PR) and 5.0 positions (4.00 GPR and 1.00 PR) in 2023-24 and -\$491,100 (-\$392,900 GPR and -\$98,200 PR) in 2024-25 to reflect the transfer of the UW System worker's compensation claims administration program to the Department of Administration (DOA). Specify that, on the effective date of the bill, 5.0 full-time equivalent positions and the incumbent UW System Office of Risk Management employees holding these positions, as determined by the Secretary of Administration, are transferred to DOA. Further specify that to the extent the personnel systems under UW System and State Employment Relations afford similar rights, all of the following apply: (a) the employees transferred have all the rights and the same status under State Employment Relations in DOA that they enjoyed in UW System immediately before the transfer; and (b) no employee transferred under this provision who has attained permanent status is required to serve a probationary period.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 25. REESTIMATE TUITION REVENUES

|    | Governor<br><u>(Chg. to Base)</u><br>Funding Positions | <u>(Chg. 1</u> | nce/Leg.<br><u>to Gov)</u><br>Positions | <u>Net Cha</u><br>5 Funding Po |      |
|----|--|----------------|---|--------------------------------|------|
| PR | \$142,228,400 32.27                                    | \$0            | - 32.27                                 | \$142,228,400                  | 0.00 |

**Governor:** Provide \$71,114,200 annually and 32.27 positions beginning in 2023-24 to reflect increases in tuition revenues that have been incorporated into UW System's operating budget since 2020. These increases are attributable to the following: (a) changes in enrollment (\$73,150,500); (b) self-supporting program changes (-\$9,346,000); (c) differential tuition changes (-\$3,902,300); and (d) increases in nonresident and graduate tuition (\$11,212,000). Tuition revenues are deposited in the UW System's PR general program operations appropriation, which is an all-moneys-received appropriation, meaning that the UW System can expend all moneys deposited in the appropriation regardless of the amount shown in the appropriation schedule. In addition, the Board of Regents and the UW-Madison Chancellor may create or abolish PR positions without the approval of the Legislature or the Joint Finance Committee.

Joint Finance/Legislature: Include funding but not positions.

#### 26. DEBT SERVICE REESTIMATE [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change        |
|-------|----------------------------|-----------------------------------|-------------------|
| GPR   | - \$647,400                | \$21,211,300                      | \$20,563,900      |
| PR    | <u>30,279,600</u>          | - <u>170,000</u>                  | <u>30,109,600</u> |
| Total | \$29,632,200               | \$21,041,300                      | \$50,673,500      |

**Governor:** Modify funding by -\$15,685,500 GPR and \$20,447,800 PR in 2023-24 and \$15,038,100 GPR and \$9,831,800 PR in 2024-25 to reestimate debt service costs.

**Joint Finance/Legislature:** Modify base funding by -\$11,399,100 GPR and \$19,370,200 PR in 2023-24 and \$31,963,000 GPR and \$10,739,400 PR in 2024-25 to reestimate debt service.

#### 27. NONRESIDENT TUITION EXEMPTION FOR UNDOCUMENTED INDIVIDUALS

**Governor:** Specify that a person who is a citizen of a country other than the U.S., while they continue to be a resident of Wisconsin, would be entitled to an exemption from UW System nonresident tuition, but not from incidental or other fees, if that person meets all of the following requirements: (a) the person graduated from a high school in Wisconsin or received a declaration of equivalency of high school graduation from Wisconsin; (b) the person was continuously present in this state for at least three years following the first day of attending a high school in Wisconsin or immediately preceding receipt of a declaration of equivalency of high school graduation; and (c) the person enrolls in an institution and provides that institution with proof that the person has filed or will file an application for lawful permanent resident status with U.S. Citizenship and Immigration Services as soon as the person is eligible to do so. Specify that this provision would first apply to persons who enroll for the semester or session following the effective date of the bill.

Current law allows the Board of Regents to charge different tuition rates to resident and nonresident students. Current law also includes nonresident tuition exemptions, under which certain nonresident students pay resident tuition rates. The bill would create an additional nonresident tuition exemption for a person who is not a legal permanent resident of the United States and who meets the criteria specified in the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 28. NONRESIDENT TUITION EXEMPTION FOR CERTAIN NATIVE AMERICANS

**Governor:** Specify that a person who meets all of the following requirements is entitled to an exemption from UW System nonresident tuition, but not from incidental or other fees: (a) the person, or the person's parent or grandparent, is a member of a federally recognized American Indian tribe or band in Wisconsin or is a member of a federally recognized tribe in Minnesota, Illinois, Iowa, or Michigan; and (b) the person has resided in Wisconsin, Minnesota, Illinois, Iowa, or Michigan, or in any combination of these states for at least 12 months immediately preceding the beginning of any semester or session in which the student enrolls in a UW System institution. Specify that this provision would first apply to persons who enroll for the semester or session following the effective date of the bill.

Current law allows the Board of Regents to charge different tuition rates to resident and nonresident students. Current law also includes nonresident tuition exemptions, under which certain nonresident students pay resident tuition rates. The bill would create an additional nonresident tuition exemption for certain Native American persons who meet the criteria specified in the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 29. ELIGIBILITY FOR FEE REMISSIONS FOR HMONG-LAO VETERANS

**Governor:** Expand the statutory definition of "veteran" for the purposes of qualifying for remission of UW System tuition and fees to include either of the following: (a) any state resident who was naturalized as a U.S. citizen pursuant to the federal Hmong Veterans' Naturalization Act of 2000; or (b) any state resident who is a U.S. citizen or an alien lawfully admitted for permanent residence and who the DVA Secretary determines served honorably with a special guerilla unit or irregular forces operation from a base in Laos in support of armed forces of the United States at any time during the period beginning February 28, 1961, and ending May 7, 1975.

Under current law, the Board of Regents must remit 100% of tuition and fees, less any amount paid under the federal Post-9/11 G.I. Bill, for up to 128 credits or eight semesters, whichever is longer, to eligible veterans who maintain a cumulative grade point average of at least 2.0.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **30. VOTER IDENTIFICATION**

**Governor:** Require each UW system institution to issue student identification cards that meet the requirements to qualify as voter identification under current law by August 1, 2023.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 31. UW-WASHINGTON COUNTY TRANSITION

**Joint Finance/Legislature:** Provide \$3,350,000 GPR in the Joint Committee on Finance's supplemental appropriation in 2023-24 for release to UW System upon request and approval by the Committee for the transition of UW-Washington County from a UW-Milwaukee branch campus to a joint Moraine Park Technical College/Washington County operation pursuant to a plan submitted by

UW System. Require the plan to include matching funds from Washington County and from private donations. The fiscal effect of this item is shown under "Program Supplements."

**Veto by Governor [B-11]:** Reduce the Joint Committee on Finance's supplemental appropriation by \$3,350,000 in 2023-24 and delete the provisions related to the required branch campus transition plan. The fiscal effect of this item is shown under "Program Supplements."

[Act 19 Vetoed Sections: 51 (as it relates to 20.865(4)(a)) and 9147(2)]

# **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change   |
|-------|----------------------------|-----------------------------------|--------------|
| GPR   | \$1,400                    | \$0                               | \$1,400      |
| FED   | 98,600                     | 0                                 | 98,600       |
| PR    | 14,343,000                 | - 2,004,200                       | 12,338,800   |
| SEG   | - 448,600                  | - 183,200                         | - 631,800    |
| Total | \$13,994,400               | - \$2,187,400                     | \$11,807,000 |

**Governor:** Provide \$6,982,800 (\$700 GPR, \$49,300 FED, \$7,171,500 PR, and -\$238,700 SEG) in 2023-24 and \$7,011,600 (\$700 GPR, \$49,300 FED, \$7,171,500 PR, and -\$209,900 SEG) in 2024-25 to reflect the following standard budget adjustments: (a) -\$1,503,200 PR and -\$137,500 SEG annually for turnover reduction; (b) \$48,100 FED, \$5,584,400 PR, and -\$62,200 SEG

annually for full funding of continuing position salaries and fringe benefits; (c) \$946,800 PR annually for overtime; (d) \$2,108,100 PR annually for night and weekend differential pay; and (e) \$700 GPR, \$1,200 FED, \$35,400 PR, and -\$39,000 SEG in 2023-24 and \$700 GPR, \$1,200 FED, \$35,400 PR, and -\$39,000 SEG in 2023-24 and \$700 GPR, \$1,200 FED, \$35,400 PR, and -\$10,200 SEG in 2024-25 for full funding of lease and directed moves costs.

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by \$1,093,700 (-\$1,002,100 PR and -\$91,600 SEG) annually.

# 2. VETERANS TRUST FUND -- GPR SUPPLEMENT [LFB Papers 106 and 830]

**Governor:** Estimate that \$18,250,000 in 2023-24 and \$18,000,000 in 2024-25 will be transferred from the general fund to the veterans trust fund (VTF) to support estimates of SEG-supported expenditures from the VTF in the 2023-25 biennium. These amounts would be increases of \$2,973,800 in 2023-24 and \$2,723,800 in 2024-25 over the appropriation base of \$15,276,200. The fiscal effect of this item is summarized under "Miscellaneous Appropriations."

In recent biennia, over 95% of revenue to the veterans trust fund has been revenue transferred from the general fund from a sum sufficient GPR appropriation. In 2021-22, DOA transferred \$15,100,000 to support VTF expenditures. The following table summarizes the Administration's estimates of balances, revenues, and expenditures from the VTF in the 2023-25 biennium.

|                                | <u>2023-24</u> | <u>2024-25</u> |
|--------------------------------|----------------|----------------|
| Opening Balance                | \$1,744,300    | \$1,211,700    |
| Revenue                        |                |                |
| Veterans Programs              | \$350,000      | \$350,000      |
| GPR Transfer                   | 18,250,000     | 18,000,000     |
| Total Available                | \$20,344,300   | \$19,561,700   |
| Expenditures                   |                |                |
| DVA Appropriations             | \$24,632,600   | \$24,991,500   |
| Lapses from DVA Appropriations | -5,500,000     | -5,500,000     |
| Net Expenditures               | \$19,132,600   | \$19,491,500   |
| Year End Balance               | \$1,211,700    | \$70,200       |

## Veterans Trust Fund Governor's Recommendations

Joint Finance/Legislature: Estimate that \$15,855,200 in 2023-24 and \$15,085,200 in

2024-25 will be transferred from the general fund to the veterans trust fund to support VTF expenditures under Joint Finance. These amounts would be decreases of \$2,394,800 in 2023-24 and \$2,914,800 in 2024-25 from the estimates reflected under the Governor's bill. The fiscal effect of this item is summarized under "Miscellaneous Appropriations."

The following table shows estimates of balances, revenues, and expenditures from the VTF in the 2023-25 biennium under Joint Finance, which also reflects the fund condition under the final Act 19.

| <b>Veteran</b>                 |              |                |
|--------------------------------|--------------|----------------|
|                                | 2023-24      | <u>2024-25</u> |

| Expenditures                   |              |                |
| DVA Appropriations             | \$20,382,400 | \$20,363,400   |
| Lapses from DVA Appropriations | -3,000,000   | -5,000,000     |
| Net Expenditures               | \$17,382,400 | \$15,363,400   |
| Year End Balance               | \$567,100    | \$638,900      |

# **3. GENERAL FUND TRANSFER TO THE STATE VETERANS HOMES** [LFB Paper 831]

| Governor<br>(Chg. to Base) |              | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|--------------|-----------------------------------|------------|
| GPR- Transfer              | \$10,000,000 | - \$10,000,000                    | \$0        |

**Governor:** Transfer \$10,000,000 in 2023-24 from the general fund to the PR appropriation account for the state veterans homes. Modify the statutory authorization for the PR appropriation to reflect the receipt of this transfer. The Administration indicates that the state veterans homes program revenue account requires this general fund supplement to avoid revenue shortfalls caused by declining census at the homes.

**Joint Finance/Legislature:** Delete the \$10,000,000 transfer from the general fund. Provide \$2,500,000 GPR annually in the Joint Committee on Finance program supplements appropriation for providing a revenue supplement to the state veterans homes PR appropriation account as needed. The fiscal effect of this GPR appropriation is reflected in "Program Supplements."

#### 4. SALARY ADD-ON FOR NURSING CARE STAFF [LFB Paper 220]

|    | Governor Jt. Finan<br>(Chg. to Base) (Chg. to |               | Net Change |
|----|---|---------------|------------|
| PR | \$6,724,900                                   | - \$6,724,900 | \$0        |

**Governor:** Provide \$3,425,900 in 2023-24 and \$3,299,000 in 2024-25 for a \$5 per hour permanent wage add-on for nurse clinicians, licensed practical nurses, and nursing assistant positions at the King and Union Grove state veterans homes. The permanent hourly wage increase would replace a temporary pilot add-on implemented for these positions, which the Department of Administration's Division of Personnel Management implemented under terms of the 2021-23 compensation plan. The pilot increase is scheduled to expire at the end of the 2021-23 biennium.

While the pilot increase applied only to worked hours, the permanent increase would apply to all hours, including paid time off. The funding is calculated based on the number of currently filled positions at the two homes (217 positions at the King home and 58 positions at the Union Grove home). Funding is slightly higher in 2023-24 than in 2024-25 to account for one additional biweekly pay period in that year.

**Joint Finance/Legislature:** Modify provision to instead provide funding to compensation reserves in the amounts included in AB 43/SB 70, less a 5% reduction associated with a higher than usual level of position vacancies, to continue supplemental pilot add-on pay to address severe recruitment and retention issues. [See "Budget Management and Compensation Reserves."]

## 5. CHIPPEWA FALLS OPERATIONS CONTRACT

**Governor/Legislature:** Provide \$1,300,000 annually to fund increases in the cost of the Department's contract with Health Dimensions Group to operate the Wisconsin Veterans Home at Chippewa Falls. Unlike the other two state veterans homes that are staffed by state employees, DVA contracts for the staffing and other functions to operate the state veterans home at Chippewa Falls. In 2021-22, the Department paid Health Dimensions Group \$8.6 million under the contract. The funding increase under this item is for anticipated increases in the cost of operating the Chippewa Falls home once the contract is renewed in the 2023-25 biennium.

#### 6. UNION GROVE STATE VETERANS HOME SUPPLIES AND PR \$420,000 SERVICES

**Governor/Legislature:** Provide \$210,000 annually to increase the supplies and services budget at the Union Grove State Veterans Home, for increasing costs for custodial supplies, lawn care, snow removal, and specialty tradesmen.

PR

\$2,600,000

#### 7. MASTER PLAN FOR KING STATE VETERANS HOME [LFB Paper 831]

| Governor<br>(Chg. to Base) |           | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------|-----------------------------------|------------|
| SEG                        | \$150,000 | - \$150,000                       | \$0        |

**Governor:** Provide \$75,000 annually in the Department's appropriation for general administration for the cost of a study of the campus of the King state veterans home. Require DVA to contract with a vendor to study the King campus during the 2023-25 biennium. Specify that the study shall be completed by June 1, 2025, and shall provide a framework to guide decision making for future operations and development of the campus.

**Joint Finance/Legislature:** Reduce funding by \$75,000 annually to delete funding for the study. Retain the requirement that the Department contract for the study, but require the study to be completed by January 1, 2025. Under this change, the Department would be required to finance the cost of the study from base resources.

Veto by Governor [C-19]: Eliminate references to King, such that the master plan requirement instead pertains to all of the state veterans homes.

[Act 19 Sections: 9148(1)]

[Act 19 Vetoed Sections: 9148(1)]

#### 8. **DEBT SERVICE REESTIMATE** [LFB Paper 106]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$320,100                  | \$196,700                         | \$516,800  |
| PR    | - 353,600                  | 204,100                           | - 149,500  |
| SEG   | - 200                      | 46,000                            | 45,800     |
| Total | - \$33,700                 | \$446,800                         | \$413,100  |

**Governor:** Reduce funding by \$408,900 (\$28,100 GPR, -\$436,900 PR, and -\$100 SEG) in 2023-24 and increase funding by \$375,200 (\$292,000 GPR, \$83,300 PR, and -\$100 SEG) in 2024-25 to reflect reestimates of debt service costs on authorized bonds.

**Joint Finance/Legislature:** Increase funding by \$40,400 (\$33,800 GPR, -\$5,300 PR and \$11,900 SEG) in 2023-24 and \$406,400 (\$162,900 GPR, \$209,400 PR and \$34,100 SEG) in 2024-25 to reflect a reestimate of debt service payments.

#### 9. EVALUATION OF FUTURE LONG-TERM CARE NEEDS OF VETERANS

| Governor<br>(Chg. to Base) |           | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|----------------------------|-----------|-----------------------------------|------------|
| SEG                        | \$500,000 | - \$500,000                       | \$0        |

**Governor:** Provide \$250,000 annually to fund data collection and analysis related to the future long-term care needs of post-9/11 veterans. The Administration indicates that the funding would be used to evaluate the nature of injuries experienced by these veterans and advances in technology, with a focus on worker shortages in long-term care.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. VETERANS OUTREACH AND RECOVERY PROGRAM [LFB Paper 832]

|     | (Chg.     | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-----------|--|-------------|---|-----|----------------------------|
| SEG | \$957,200 | 7.00                                   | - \$957,200 | - 7.00                                  | \$0 | 0.0                        |

**Governor:** Provide \$272,300 in 2023-24 and \$684,900 in 2024-25 and 7.0 positions, beginning in 2023-24, to increase services under the veterans outreach and recovery program (VORP). VORP provides outreach, treatment and support to veterans who have a mental health condition or a substance use disorder. The program employs outreach specialists to contact veterans to provide direct assistance and referral to social service programs. Base funding for the program is \$1,609,500, with 14.75 positions. With the proposed expansion (and with the effect of standard budget adjustments) total funding would be \$1,853,200 in 2023-24 and \$2,265,800 in 2024-25, with 21.75 positions.

Joint Finance/Legislature: Provision not included.

## 11. VETERANS SERVICE OFFICE GRANTS [LFB Paper 833]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$2,193,200                | - \$1,532,800                     | \$660,400  |

**Governor:** Provide \$1,096,600 annually to increase funding for grants to county and tribal veterans service offices. Of this annual increase, \$843,600 would be budgeted for county veterans service office (CVSO) grants, increasing the total from \$837,200 to \$1,680,800, and \$253,000 would be budgeted for tribal veterans service office (TVSO) grants, increasing the total from \$110,000 to \$363,000. Of the base funding total for TVSO grants, \$61,200 is provided from a PR

appropriation of tribal gaming revenues; the increase under the bill would be applied only to the SEG appropriation.

Increase the statutory annual grant amounts for CVSOs, to double the amount, as follows: (a) for counties with a population of less than 20,000, from \$9,350 to \$18,700; (b) for counties with a population of 20,000 to 45,499, from \$11,000 to \$22,000; (c) for a county with a population of 45,500 to 74,999, from \$12,650 to \$25,300; and (d) for a county with a population of 75,000 or more, from \$14,300 to \$28,600. Repeal a provision that specifies that the grant for a county with a part-time CVSO is \$550, so that the grant for any such county would be determined in the same manner as counties with a full-time CVSO, based on population. In 2021-22, two counties, Florence and Pepin, received the \$550 grant for a part-time CVSO.

Double the maximum annual grant made to TVSOs, from \$16,500 to \$33,000. In 2021-22, the amount of funding available for TVSO grants was not sufficient to provide the maximum to the 10 tribes that applied, so the Department provided \$11,000 to each tribe. The funding in the bill would be sufficient to provide the maximum to all 11 federally-recognized tribes.

**Joint Finance:** Reduce funding by \$766,400 annually, which would result a net increase to the base funding for county and tribal grants of \$330,200 annually. Of the total annual decrease to the Governor's bill, \$630,300 would be made to the grants to county offices and \$136,100 would be made to the grants to tribal offices.

Set the statutory annual grant amounts for CVSOs, as follows: (a) for counties with a population of less than 20,000, \$11,688; (b) for a county with a population of 20,000 to 45,499, \$13,750; (c) for a county with a population of 45,500 to 74,999, \$15,813; and (d) for a county with a population of 75,000 or more, \$17,875. Set the maximum grant for tribal offices at \$20,625. For both county and tribal grants, the new amounts would be increased by 25% from current law levels, instead of an increase of 100% under the Governor's bill.

**Senate/Legislature:** Delete the change to grants for counties that have a part-time county veterans service officer, to retain the \$550 annual grant for those counties. With this change, Florence County and Pepin County would continue to receive a \$550 grant, instead of a grant based on population.

[Act 19 Sections: 237 and 239]

## 12. VETERANS HOUSING AND RECOVERY PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$500,000                  | - \$500,000                       | \$0        |

**Governor:** Provide \$250,000 annually for the veterans housing and recovery program (VHRP, formerly called the veterans assistance program), to increase total SEG funding for the program to \$924,600 annually. The VHRP provides short-term housing and supportive services to veterans who are homeless or at risk of becoming homeless. The program provides services at

three locations, in Chippewa Falls, Green Bay, and Union Grove. The Administration indicates that the additional funding would be used to meet increasing facility maintenance and rental costs, and for possible expansion of the program in other parts of the state.

Joint Finance/Legislature: Provision not included.

# 13. ASSISTANCE TO NEEDY VETERANS PROGRAM

**Governor:** Rename the assistance to needy veterans program the veterans assistance grants program, and make the following changes to program benefits and parameters:

• Include, as an eligible expense for which eligible veterans may receive a health care grant, any medical device prescribed by a health care provider;

• Increase the grant limits under the program from \$3,000 in a consecutive 12-month period and \$7,500 as a cumulative total, to \$5,000 in a consecutive 12-month period and \$10,000 as a cumulative total;

• Modify a current law provision that provides eligibility for program grants to an unremarried spouse and dependent children of a veteran who died on active duty or in the line duty while in training, to eliminate the condition that the veteran must have died, which has the effect of making any unremarried spouse and dependent children of a living veteran eligible under the program;

• Modify a current law provision that specifies that a veteran is eligible for a subsistence grant in the event of a loss of income due to illness, injury, or natural disaster, to eliminate the specific reasons for the loss of income, so that a veteran would be eligible for a subsistence grant due to a loss of income for any reason; and

• Modify the definition of a health care provider, which under current law is limited to an advanced practice nurse prescriber, an audiologist, a dentist, an optometrist, a physician, or a podiatrist, to cross reference a definition of the term in a current law provision related to health care records that includes over 30 health and health-related professions, and specify, that the term also includes an ambulatory surgical center.

The program provides subsistence grants and health care grants to veterans and certain unremarried spouses and dependent children of deceased veterans, subject to certain income and asset eligibility rules. Subsistence grants provide emergency financial assistance to a veteran who experiences a loss of income due to illness, injury, or natural disaster, while the health care grants are for the cost of dental, vision, or hearing care, including dentures, glasses, or hearing aids. The base funding for the program is \$820,000. The bill would not increase this funding level to account for the proposed program changes, although actual spending for grants has been significantly below the base funding level over the past decade. In 2021-22, DVA provided grants totaling \$72,000, including \$11,000 in subsistence grants and \$56,000 in health care grants.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 14. ELIGIBILITY FOR CERTAIN VETERANS PROGRAMS FOR HMONG-LAO VETERANS

**Governor:** Expand the statutory definition of "veteran" for the purposes of qualifying for certain state programs, to include either of the following: (a) any state resident who was naturalized as a U.S. citizen pursuant to the federal Hmong Veterans' Naturalization Act of 2000; or (b) any state resident who is a U.S. citizen or an alien lawfully admitted for permanent residence and who the DVA Secretary determines served honorably with a special guerilla unit or irregular forces operation from a base in Laos in support of armed forces of the United States at any time during the period beginning February 28, 1961, and ending May 7, 1975.

Specify that a person defined as a veteran under either of these conditions qualifies for tuition remission under the veterans tuition remission programs at UW System and Wisconsin Technical College System campuses. Specify, in addition, that any such person who is a resident of and living in Wisconsin at the time of registering as a student at a UW System campus qualifies for an exemption from nonresident tuition.

Specify that a person who meets the definition of veteran under this item is not considered a veteran for purposes of state veterans home membership.

This item would affect eligibility for some, but not all, state veterans benefit programs. Eligibility requirements for some programs are not based on the statutory definition of the term "veteran" and so would not be affected. This includes membership at the state veterans homes, burial in a state veterans cemetery, and assistance under the veterans housing and recovery program, all of which are subject to federal, rather than state, definitions. Other programs and benefits, such as the veterans property tax credit, are tied to having a U.S. Department of Veterans Affairs disability rating, and would not be affected. Programs for which the Hmong-Lao veterans would receive benefits include the assistance for needy veterans program (renamed the "veterans assistance grants" program under the bill), the tuition remission and tuition reimbursement programs, and the retraining assistance program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 15. STATE VETERANS CEMETERY OPERATIONS

|     | (Chg.       | vernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> 1 | nce/Leg.<br><u>to Gov)</u><br>Positions |           | <u>hange</u><br>Positions |
|-----|-------------|--|----------------|---|-----------|---------------------------|
| SEG | \$1,066,900 | 3.00                                   | - \$286,900    | - 3.00                                  | \$780,000 | 0.00                      |

**Governor:** Provide \$550,200 in 2023-24 and \$516,700 in 2024-25 and 3.0 positions, beginning in 2023-24, for state veterans cemetery operations. Of this funding, \$425,000 in 2023-24 and \$355,000 in 2024-25 would be for equipment replacement at the three state veterans cemeteries and for the purchase of new equipment for expanded operations at the Southern Wisconsin Veterans Cemetery in anticipation of an increase in internments in the next several

years. The equipment to be replaced would include tractors, backhoes, trucks, mowers, and other machinery and tools. The following table shows the funding, by cemetery.

| State Veterans Cemetery      | 2023-24   | <u>2024-25</u> |
|------------------------------|-----------|----------------|
| <b>Equipment Replacement</b> |           |                |
| Northern (Spooner)           | \$95,000  | \$95,000       |
| Central (King)               | 45,000    | 22,000         |
| Southern (Union Grove)       | 145,000   | 118,000        |
| Southern Expansion           | 140,000   | 120,000        |
| Total                        | \$425,000 | \$355,000      |

The remaining funding in this item, \$125,200 in 2023-24 and \$161,700 in 2024-25, would support salary, fringe benefits, and supplies and services costs related to three new cemetery caretaker positions, one for each of the three cemeteries.

**Joint Finance/Legislature:** Delete the 3.0 cemetery caretaker positions and associated funding of \$125,200 in 2023-24 and \$161,700 in 2024-25.

## 16. AGENCY SUPPLIES AND SERVICES FUNDING INCREASE

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------|----------------------------|-----------------------------------|------------|
| GPR   | \$200                      | - \$200                           | \$0        |
| SEG   | 6,200                      | - 6,200                           | 0          |
| Total | \$6,400                    | - \$6,400                         | \$0        |

**Governor:** Provide \$100 GPR and \$3,100 SEG annually to increase supplies and services funding for the state veterans cemeteries. According to the Administration, the amounts represent a 5% increase to supplies and services funding for certain annual GPR and SEG state operations appropriations. The proposed increases are provided to appropriations that meet the following criteria: (a) in 2021-22, the agency expended 95% or more of the amount budgeted for supplies and services; and (b) for the 2023-25 biennium, no other additional supplies and services funding is being proposed for a similar purpose.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 17. WISCONSIN VETERANS CEMETERY ELIGIBILITY

**Governor:** Eliminate state residency requirements for eligibility for burial in a state veterans cemetery, applicable to veterans or spouses and dependent children of veterans.

Modify statutory provisions related to the payment of costs incident to burial, to clarify that these costs are to be paid from the Department's appropriations for cemetery operations, except in

the case of the burial of members of veterans homes, in which case the source of payment is the program revenue appropriation for state veterans homes operations. Modify the appropriation authorization for the state veterans homes PR appropriation to clarify that the appropriation may be used for costs incidental to burial for a state veterans homes member in a state veterans cemetery. Under statutory provisions related to the state veterans cemeteries, DVA is directed to pay incidental costs from the state veterans homes PR appropriation, but the statutory authorization for the appropriation does not explicitly include the cost of such burials as an eligible expense.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 18. WISCONSIN VETERANS MUSEUM OPERATIONS [LFB Paper 834]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$1,400,000                | - \$1,400,000                     | \$0        |

**Governor:** Provide \$700,000 annually in the Department's appropriation for general administration for operating expenses and ongoing maintenance costs related to the anticipated purchase of the building that houses the Wisconsin Veterans Museum. The Department included an item in its capital budget request for \$9,000,000 in general fund-supported bonds for the purchase of the land on which the building housing the museum is situated, with the intention of constructing a new building for the museum at a future date. The Administration indicates that the funding provided under this item would support building operations and maintenance costs for the building following the purchase of the building.

Joint Finance/Legislature: Provision not included.

## **19. HISTORICAL ARTIFACT INVENTORY**

|     | Governor<br>(Chg. to Base) | Jt. Finance<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|------------------------------|------------|
| SEG | \$60,000                   | - \$60,000                   | \$0        |

**Governor:** Provide \$60,000 in 2023-24 to fund a portion of the cost to complete a comprehensive inventory and evaluation of state-owned historical and fine arts collections. The Department of Administration would conduct this inventory, and assess DVA \$60,000 and the Wisconsin Historical Society \$240,000 to fund its costs of conducting the inventory and evaluation. [See "Administration -- Agency General Provisions" and "Historical Society."]

#### 20. AGENCY EQUITY OFFICER

|     | (Chg.    | vernor<br><u>to Base)</u><br>Positions |            | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|----------|--|------------|---|-----|----------------------------|
| SEG | \$88,200 | 0.50                                   | - \$88,200 | - 0.50                                  | \$0 | 0.00                       |

**Governor:** Provide \$38,600 in 2023-24 and \$49,600 in 2024-25 to fund 0.50 agency equity officer, beginning in 2023-24. The position would collaborate with the Chief Equity Officer in the Department of Administration and equity officers in other agencies to identify opportunities to advance equity in government operations, including determining how current government practices and policies affect communities of color and individuals with disabilities. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 21. LOCAL GOVERNMENT GRANTS FOR FIRE AND EMERGENCY MEDICAL SERVICES PROVIDED AT STATE VETERANS HOMES

**Joint Finance/Legislature:** Increase the maximum amount in total grants that the Department of Veterans Affairs may make to local governments for providing fire and emergency medical services to the state veterans homes from \$300,000 per biennium to \$600,000 per biennium. Provide \$150,000 PR annually in the appropriation for making these grants to reflect this change. Specify that the amounts distributed under the grant program cannot factor in the calculation of payments made under the payments for municipal services program. Include any fire district in the list of eligible recipients for the grant.

[Act 19 Sections: 133, 236, 322, and 323]

#### 22. GRANT FOR PROMOTING U.S.S. WISCONSIN

**Joint Finance/Legislature:** Authorize DVA to award a one-time grant in 2023-24 from the GPR appropriation for Wisconsin Veterans Museum operations in an amount not to exceed \$16,540 to a private nonprofit organization or a nonstock corporation that is a nonprofit corporation whose sole purpose is to promote and support recognition of the Columbia-class submarine U.S.S. Wisconsin.

Veto by Governor [F-50]: Delete provision.

[Act 19 Vetoed Section: 9148(2)]

| 23. | 3. DELETE CERTAIN VACANT POSITIONS |  |  |  |     | Positions |
|-----|------------------------------------|--|--|--|-----|-----------|

#### **FTE Position Summary**

There are no authorized positions for the Wisconsin Artistic Endowment Foundation.

#### **Budget Change Item**

# 1. ARTISTIC ENDOWMENT FOUNDATION REACTIVATION AND FUNDS TRANSFER

|                         | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-------------------------|----------------------------|-----------------------------------|------------|
| GPR-<br>Transfer<br>SEG | \$100,000,000<br>4,500,000 | - \$100,000,000<br>- 4,500,000    | \$0<br>0   |

**Governor:** Reactivate the Wisconsin Artistic Endowment Foundation (WAEF) and transfer \$100 million from the general fund to the segregated artistic endowment fund in the 2023-25 biennium. Additionally, estimate \$1.5 million SEG in 2023-24 and \$3 million SEG in 2024-25 in fund earnings and interest distributions to support Arts Board programs and other various arts programs across the state.

The Artistic Endowment Foundation is a public body corporate and politic created under Chapter 247 of the statutes as a nonprofit organization with the goal of establishing arts programs throughout the state and providing funding to various arts programs. WAEF is to be overseen by a board of directors, consisting of: (a) eight gubernatorial appointees, with the advice and consent of the Senate, representing various artistic interests and geographic regions of the state; (b) the Arts Board chairperson; (c) two members of each house of the Legislature, one nominated by each of the Assembly Speaker, Assembly Minority Leader, Senate Majority Leader and Senate Minority Leader; and (d) as a nonvoting member, the Arts Board Executive Secretary. The WAEF has been inactive for most years since its creation in 2001. If WAEF were to be reactivated, the Foundation would require director appointments to be made.

The segregated artistic endowment fund by statute may receive gifts, grants, bequests, and other proceeds. WAEF may distribute fund earnings and interest on unrestricted donations as follows from a SEG continuing appropriation: (a) at least 50% to the Arts Board for operating support to arts organizations, including through the Wisconsin Regranting Program; and (b) other amounts at its discretion to programs WAEF may establish with the advice of the Arts Board and other state arts organizations. A statutory maintenance of effort specifies that the Foundation may not distribute funds to the Arts Board in any fiscal year for which total GPR appropriations to the Arts Board are lower than in the previous fiscal year. The Wisconsin Arts Board would provide administrative oversight to the Foundation, and the statutes require aids distributions to utilize Arts Board mechanisms and staff to the extent possible.

The Administration indicates that it would intend to limit distributions to approximately \$3 million each year, with additional earnings remaining in the corpus of the fund. The bill and current law do not include a specific limit on distributions.

## WISCONSIN ECONOMIC DEVELOPMENT CORPORATION

|                     | Budget Summary                                   |                     |  |  |  |  |   |

#### **Budget Change Items**

#### 1. VENTURE CAPITAL FUND OF FUNDS PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$75,000,000               | - \$75,000,000                    | \$0        |

**Governor:** Create a continuing appropriation and provide \$75,000,000 GPR in 2023-24 and require the Wisconsin Economic Development Corporation (WEDC) to establish and administer a venture capital fund of funds program to invest in venture capital funds that invest in businesses located in Wisconsin. Require WEDC to establish policies and procedures to administer the program, and specify that WEDC would have to create the fund of funds, provide that the fund would continuously reinvest its assets, and create an oversight board to conduct any activity required by law or as directed by WEDC.

Require the oversight board to establish investment policies for the fund of funds program, which would be subject to the following conditions: (a) all moneys paid to the investment manager to make investments would have to be committed for investment to venture capital funds, no later than 60 months after the creation of the fund of funds; (b) no more than \$18,750,000 of the total

moneys paid to the investment manager may be invested in any single venture capital fund; and (c) at least 20% of the investments made through the program shall be directed to businesses: (1) located in parts of this state that typically do not receive significant investment from venture capital funds; (2) that are at least 51% owned by one or more members of a racial minority group and whose management and daily business operations are controlled by one or more women and whose management and daily business operations are controlled by one or more women and whose management and daily business operations are controlled by one or more women. Specify that no investment could be made through the program in a lobbying or law firm.

Further, require the oversight board to contract with an investment manager who meets the qualifications established by WEDC. Require that the contract establish the investment manager's compensation, including any management fee. A management fee could not annually exceed 1% of the total assets under management in the program. The investment manager would have to request funding from WEDC in order to make investments through the fund of funds and to pay the investment manager's management fee. WEDC would have to, subject to approval of the Secretary of the Department of Administration, pay monies to the investment manager from the continuing venture capital fund of funds program appropriation.

Require the investment manager to contract with each venture capital fund that would receive funding through the program. Specify that each contract would have to require the venture capital fund to: (a) make new investments in an amount equal to the amount of moneys it receives through the program in one or more businesses that are headquartered in Wisconsin and have operations that are primarily in this state; (b) match, at least, any funding it receives through the program and that it invests in a business described in "(a)" with funding the venture capital fund has raised from sources other than the program; and (c) provide the investment manager with the information necessary to complete the reports described below. Further, the bill would require the investment manager to ensure that, on average, for every \$1 a venture capital fund that would be received through the program and invested in such businesses, the venture capital fund invests \$2 in that business from sources other than the program.

Specify that the investment manager would have to annually submit to WEDC a report for the fiscal year, no later than 120 days after the end of the investment manager's fiscal year, including the following.

a. An audit of the investment manager's financial statements performed by an independent certified public accountant.

b. The investment manager's internal rate of return from investments made through the program.

c. For each venture capital fund that contracts with the investment manager, include: (1) the name and address of the venture capital fund; (2) the amount invested in the venture capital fund through the program; (3) an accounting of any fee the venture capital fund paid to itself or any principal or manager of the venture capital fund; and (4) the venture capital fund's average internal rate of return on its investments of the moneys it received through the program.

d. For each business in which a venture capital fund held an investment of moneys

received through the program, include: (1) the name and address of the business; (2) a description of the nature of the business; (3) the identification of the venture capital fund; (4) the amount of the investment and the amount invested by the venture capital fund from funding sources other than the program; (5) the internal rate of return realized by the venture capital fund upon the venture capital fund's exit from the investment in the business; and (6) a statement of the number of employees the business employed when the venture capital fund first invested moneys received through the program and the number of employees the business employed on the first day and last day of the investment manager's fiscal year.

WEDC would have to submit the investment manager's report, no later than 10 days after receipt of it, to the Chief Clerk of each house of the Legislature, for distribution to the Legislature.

Require the investment manager to quarterly submit to the oversight board a report for the preceding quarter, including: (a) an identification of each venture capital fund under contract with the investment manager; (b) an identification of each business in which a venture capital fund held an investment of moneys received through the program and a statement of the amount of the investment in each business; and (c) a statement of the number of employees the business employed when the venture capital fund first invested moneys received through the program and the number of employees the business employed on the last day of the quarter. Specify that the oversight board would have to make the reports readily accessible to the public on WEDC's website.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. **REESTIMATE WEDC GPR AND SEG APPROPRIATIONS** [LFB Papers 106 and 840]

|       | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change        |
|-------|----------------------------|-----------------------------------|-------------------|
| GPR   | - \$5,000,000              | - \$4,101,400                     | - \$9,101,400     |
| SEG   | <u>5,000,000</u>           | <u>14,000,000</u>                 | <u>19,000,000</u> |
| Total | \$0                        | \$9,898,600                       | \$9,898,600       |

**Governor:** Reduce funding by \$2,500,000 annually for WEDC's operations and programs sum sufficient GPR appropriation and increase estimated funding by \$2,500,000 annually for its SEG appropriation from the economic development fund for operations and programs. Maintain base funding for WEDC's brownfield site assessment grants SEG appropriation from the environmental fund. As a result, the Administration estimates current law funding provided for WEDC's existing state appropriations at \$41,550,700 all funds in 2023-24 and 2024-25, comprised of: (a) \$38,500,000 SEG annually from its all monies received operations and programs SEG appropriation; (b) \$2,050,700 GPR annually from its sum sufficient operations and programs GPR appropriation; and (c) \$1,000,000 SEG annually for brownfield site assessment grants.

Under current law, the primary source of WEDC's funding is from the segregated economic

development fund. The revenue source for the economic development fund is the economic development surcharge imposed upon C corporations and S corporations. In addition, WEDC receives a GPR appropriation that is capped at \$16,512,500, annually. Funding is also provided from the environmental fund for brownfield site assessment grants.

**Joint Finance/Legislature:** Reestimate WEDC's all monies received SEG operations and programs appropriation at \$46,000,000 SEG in 2023-24 and \$45,000,000 SEG in 2024-25 based on estimated economic development surcharge revenues to be deposited in the economic development fund. Reestimate WEDC's sum sufficient GPR operations and programs appropriation at \$0 annually.

Relative to the base, this reestimate is an increase to WEDC's funding of \$5,449,300 (-\$4,550,700 GPR and \$10,000,000 SEG) in 2023-24 and \$4,449,300 (-\$4,550,700 GPR and \$9,000,000 SEG) in 2024-25. Relative to the Governor's recommendation, this reestimate is an increase to WEDC's funding of \$5,449,300 (-\$2,050,700 GPR and \$7,500,000 SEG) in 2023-24 and \$4,449,300 (-\$2,050,700 GPR and \$6,500,000 SEG) in 2024-25.

## 3. INCREASE FUNDING FOR WEDC OPERATIONS AND PROGRAMS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$20,000,000               | - \$20,000,000                    | \$0        |

**Governor:** Increase expenditure authority under WEDC's GPR sum sufficient operations and programs appropriation by \$10,000,000 annually. The GPR sum sufficient appropriation would continue to be limited to no more than \$16,512,500 annually.

Under current law, WEDC's GPR appropriation is determined as \$41,550,700 annually minus the amounts expended from the economic development fund and the environmental fund. The bill would increase the calculation for WEDC's GPR operations and programs appropriation to \$51,550,700 minus the segregated fund expenditures, thereby having the effect of increasing GPR expenditures by \$10,000,000 annually. The Administration indicates that the funding would support WEDC's economic development programs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. ONE-TIME FUNDING FOR ECONOMIC DEVELOPMENT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$40,000,000               | - \$40,000,000                    | \$0        |

Governor: Specify that, notwithstanding the \$16,512,500 annual limit on WEDC's GPR

sum sufficient operations and programs appropriation, WEDC may expend in 2023-24 the lesser of: (a) \$66,512,500 GPR; and (b) \$40,000,000 plus the amount appropriated under the GPR operations and programs sum sufficient. Accounting for the GPR appropriated under other items, the increase would be \$40,000,000 GPR in 2023-24. The Administration indicates that the funding would support WEDC's economic development grant programs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. TALENT ATTRACTION AND RETENTION INITIATIVES [LFB Paper 841]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually to WEDC's GPR continuing appropriation for talent attraction and retention initiatives. Under current law, WEDC must use monies deposited in this appropriation to collaborate with state agencies to develop and implement initiatives for the attraction of talent in this state, including by leveraging the existing programs of state agencies for the purposes within the scopes of those existing programs.

Provisions of 2017 Act 318 created this appropriation and provided \$6.8 million GPR for WEDC to develop and implement initiatives for the attraction of talent to, and retention of talent in, Wisconsin. The funding in the continuing appropriation was completely expended as of December, 2019. The expenditures promoted and marketed Wisconsin through online advertisements, media placements, newsletters, social media, and organized events.

Provisions of 2021 Act 58 required WEDC to assign \$3.0 million for talent attraction initiatives from its existing appropriations for operations and programs during the 2021-23 biennium. The funds supported various talent attraction and retention initiatives, such as: (a) matching funds to help businesses and economic development organizations increase their own workforce marketing investments; (b) creating a media campaign for national and Midwestern talent; and (c) entering into a partnership with the Department of Military Affairs to work with Wisconsin businesses in Army and National Guard personnel recruiting and retention efforts for post-military employment.

In addition to continuing the programs enacted during the 2021-23 biennium, WEDC indicates that the funding under the bill would support additional programs, as determined by the WEDC Board. According to the Administration, this would include items such as the following: (1) collaborating with the Department of Tourism to attract high-profile events to Wisconsin; (2) creating pilot initiatives with Wisconsin's colleges and universities aimed at retaining graduates; (3) marketing efforts; (4) creating concierge programs that help new hires who move to a community develop connections and ties to their area; and (5) providing incentives to businesses and communities to invest in housing, childcare, and other assets that help communities effectively attract and retain workers.

**Joint Finance/Legislature:** Provision not included. Instead, require WEDC to expend at least \$4,000,000 from its existing GPR and SEG state appropriations for operations and programs during the 2023-25 biennium for talent attraction and retention initiatives under s. 238.155. Specify that WEDC, in consultation with the Department of Veterans Affairs, must expend at least \$2,000,000 of this funding during the 2023-25 biennium on efforts to attract and retain veterans to Wisconsin's workforce. Require WEDC to evaluate its talent attraction and retention initiatives, including program outcomes and the number of veterans discharged that choose Wisconsin for their first move, and report its findings to the Assembly Committee on Jobs, Economy, and Small Business Development and the Senate Committee on Economic Development and Technical Colleges on or before September 1, 2024, and September 1, 2025.

Veto by Governor [B-13]: Delete provisions.

[Act 19 Vetoed Section: 9149]

## 6. MAIN STREET BOUNCEBACK GRANT PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$50,000,000               | - \$50,000,000                    | \$0        |

**Governor:** Create an annual appropriation and provide \$25,000,000 GPR annually to award grants under the Main Street Bounceback program to provide assistance to businesses opening a new location or expanding operations in a vacant commercial space. Specify that WEDC may not award a grant to a nonprofit organization. Require WEDC to establish eligibility requirements and other policies and procedures to administer the program that are substantially similar to the eligibility requirements and policies and procedures in effect on June 30, 2023, for the Wisconsin Tomorrow Main Street Bounceback Grant program.

Currently under this program, WEDC contracts with approved entities to distribute and administer grants in their respective geographic areas of the state. Grants are supported for the 2021-23 biennium with \$100 million of federal funding under the American Rescue Plan Act of 2021. Grants made by entities to businesses assist with the costs associated with leases, mortgages, operational expenses, and other business costs related to the newly-opened location. Each approved entity receives \$10,000 upon initial award and an additional 2.5% of the granted amount for program administration. Grant recipients are required to submit semi-annual performance reports documenting the businesses assisted, as well as any other contract deliverable.

Under the current program, funding is available to for-profit businesses (and nonprofit organizations) that: (a) are located in a region where approved entities have received an allocation; and (b) certify that a business has not or will not vacate a commercial space in Wisconsin. The following businesses are ineligible: (1) businesses that are part of a national or regional chain, unless the business is an independently owned and operated franchise; (2) dead storage (storage of seldom used items for indefinite periods of time); (3) governmental units (except for tribal enterprises/corporations); (4) home-based businesses, unless the business unit is moving into a

vacant commercial space to support functions of the business; (5) landlords leasing space for residential use, unless the business unit of the landlord is moving into a vacant commercial space to support functions of the business; (6) real estate investment firms, when the real property will be held for investment purposes; (7) businesses engaged in any illegal activity under federal, state, or local law; and (8) businesses locating in a space of less than 400 square feet.

Note that the foregoing policies and procedures for the Wisconsin Tomorrow Main Street Bounceback grant program may differ to the policies and procedures that will be in effect on June 30, 2023.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 7. FUNDING FOR COOPERATIVE DEVELOPMENT

**Governor:** Require WEDC to allocate at least \$500,000 in 2023-24 from its GPR and SEG operations and programs appropriations to assist cooperative development activities in this state, including the performance of feasibility studies and other technical assistance and implementation efforts.

Joint Finance/Legislature: Provision not included.

## 8. DATA SHARING WITH DEPARTMENT OF REVENUE

**Governor:** Permit the Chief Executive Officer and employees of WEDC to examine tax information, including returns, certain claims, schedules, exhibits, writings, and audit reports, pursuant to an agreement with the Department of Revenue (DOR) and to the extent necessary to administer economic development programs.

**Joint Finance/Legislature:** Accept the proposal with the following modifications. Permit the Chief Executive Officer and employees of WEDC to examine tax information to the extent necessary to administer tax benefit programs, including review of tax benefit applications, compliance with tax benefit certifications, and confirming the amount of tax benefit used for purposes of revoking tax benefits (rather than the extent necessary to administer economic development programs). Confidential tax information received by WEDC from DOR would not be records open to the public. These provisions take effect October 1, 2023.

[Act 19 Sections: 346, 347, 433, 434, and 9437(3)]

## 9. UNASSIGNED FUND BALANCE

**Governor:** Repeal the requirement for the WEDC Board of Directors to establish a target unassigned balance on June 30 of each fiscal year to an amount equal to or less than one-sixth of WEDC's total administrative expenditures for that fiscal year.

Under current law, the Board must establish policies and procedures for maintaining and expending any unassigned balance: (a) consistent with best practices recommended by the Government Finance Officers Association (GFOA); and (b) which set the described target balance of unassigned funds that would be repealed under the bill. The Administration indicates that the target balance requirement is unnecessary because the GFOA currently recommends the practice of keeping a two-month balance as the minimum amount, rather than a target maximum amount.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 10. TAX CREDIT MODIFICATIONS

**Governor:** Make a number of modifications to tax credit programs that are administered, in part, by WEDC, which are described in "General Fund Taxes -- Refundable Tax Credits and Other Payments.

**Joint Finance/Legislature:** In addition, require WEDC to administer a sales and use tax exemption for certified data centers, including the certification of qualified data centers for purposes of the exemption, which are described under "General Fund Taxes -- General Sales and Use Taxes."

## 11. **REPEAL OBSOLETE APPROPRIATION** [LFB Paper 842]

**Joint Finance/Legislature:** Repeal the obsolete continuing PR appropriation for transferred general fund monies from the Department of Commerce.

[Act 19 Section: 62]

## 12. **REPEAL OBSOLETE STATUTORY PROVISION** [LFB Paper 842]

**Joint Finance/Legislature:** Repeal the obsolete statutory provision requiring WEDC to make a one-time grant of \$250,000 in 2015-16 to the River Falls Economic Development Corporation.

[Act 19 Section: 435]

## 13. VIBRANT SPACES GRANT PROGRAM

**Joint Finance/Legislature:** Specify that WEDC cannot expend funds from its existing GPR and SEG state appropriations for operations and programs for the vibrant spaces grant program (or a similar program), as constituted under its policies and procedures as of May 1, 2023.

Veto by Governor [B-14]: Delete provision.

[Act 19 Vetoed Section: 436]

#### 14. **OPPORTUNITY ATTRACTION AND PROMOTION FUND** [LFB Paper 751]

**Joint Finance/Legislature:** Create an opportunity attraction and promotion fund, supported by a new continuing GPR appropriation under WEDC, for attracting opportunities and events to the state. Provide \$10,000,000 GPR in 2023-24 to the Committee's supplemental appropriation for this purpose. The fiscal effect of this provision is shown under "Program Supplements."

[Act 19 Section: 60]

## 15. CHILD CARE REVOLVING LOAN FUND

**Joint Finance/Legislature:** Create a child care revolving loan fund, supported by a new continuing GPR appropriation under WEDC, for loans to child care providers. Provide \$15,000,000 GPR in 2023-24 to the Committee's supplemental appropriation for this purpose. The fiscal effect of this provision is shown under Program Supplements.

**Veto by Governor [A-5]:** Remove references from the appropriation to revolving loans. As partially vetoed, WEDC is not limited to expending funding solely on loans, and could, for example, issue grants to child care providers that are not required to be repaid.

[Act 19 Section: 61]

[Act 19 Vetoed Sections: 51 (as it relates to s. 20.192(1)(bn)) and 61]

## 16. REESTIMATE WEDC GPR AND SEG APPROPRIATIONS SEG FOR TAX LAW CHANGES

- \$130,000

**Joint Finance/Legislature:** Reduce WEDC's all monies received SEG appropriation by \$130,000 SEG in 2024-25 to reflect revenue reductions estimated under "General Fund Taxes -- Income and Franchise Taxes."

## WISCONSIN HEALTH AND EDUCATIONAL FACILITIES AUTHORITY

#### **Budget Change Items**

#### 1. STAFF SALARY DETERMINATION

**Governor:** Eliminate current salary caps for Wisconsin Health and Educational Facilities Authority (WHEFA) staff.

Current law requires the Authority to appoint an executive director and associate executive director who are not members of the Authority and who serve at the pleasure of the Authority and specifies that these directors receive compensation set by the Authority, except that the compensation of the executive director is capped at the maximum of the salary range established under s. 20.923 (1) for positions assigned to executive salary group 6 (currently \$165,100 annually) and the compensation of each other employee of the authority is capped at the maximum of the salary group 3 (currently \$131,000 annually). The Executive Budget Book indicates that this provision is intended to improve recruitment and retention.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 2. FINANCING WORKING CAPITAL EXPENDITURES

**Governor:** Authorize WHEFA to finance working capital needs of any participating health institution, educational institution, and nonprofit or research institution in an amount not to exceed that approved by the Authority. Specify that bonds issued for this purpose would not be exempt from taxation under current law exemptions for Authority bond issues of under \$35 million under the state's individual income, corporate, and insurance company taxes.

Funds for projects financed by WHEFA are obtained through the sale of revenue bonds of WHEFA. Bond sale proceeds are loaned by WHEFA to the borrowing institution or project sponsor. No state or other public funds are used. The Authority's bonds are payable solely out of loan repayments from the borrowing institution, sponsor or guarantor. Under current law, the Authority may issue bonds or make loans to participating health institutions, educational institutions, and nonprofit or research institutions, primarily for capital projects such as the acquisition or expansion of a hospital or to refinance outstanding debt.

#### **FTE Position Summary**

There are no state authorized positions for the Wisconsin Housing and Economic Development Authority.

#### **Budget Change Items**

#### 1. WORKFORCE HOUSING REHABILITATION LOAN PROGRAM [LFB Paper 855]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Veto<br>(Chg. to Leg.) | Net Change   |
|-----|----------------------------|-----------------------------------|------------------------|--------------|
| GPR | \$100,000,000              | - \$50,000,000                    | \$0                    | \$50,000,000 |

**Governor:** Provide \$100,000,000 in 2023-24 in a new, continuing appropriation for the workforce housing rehabilitation loan program. Create a workforce housing rehabilitation fund and modify current statutory provisions for workforce housing loans, as described in the following paragraphs.

*Fund Creation.* Establish a workforce housing rehabilitation fund, under the jurisdiction and control of WHEDA, for the purpose of providing workforce housing rehabilitation loans. Specify that workforce housing rehabilitation loans be made from this fund rather than the housing rehabilitation fund. Specify that the workforce housing rehabilitation fund consists of all of the following: (a) all moneys appropriated under the new workforce housing rehabilitation loan program appropriation; (b) all moneys received from repayment of workforce housing rehabilitation loans; (c) all income from the investment of moneys in the fund; and (d) all moneys received by WHEDA for the fund from any other source.

*Fund Uses.* Specify that WHEDA may use moneys in the fund to cover actual and necessary expenses of the fund and the loan program. In addition, specify that, at its discretion, the Authority may also use the fund to pay costs associated with marketing its programs and services to the public, including by use of housing navigators.

Loan Issuance and Conditions. Require that, to be eligible for a workforce housing rehabilitation loan, the applicant's home must be the primary residence of the applicant, and remove the requirement that it was constructed before 1980. In addition, clarify that workforce housing rehabilitation loans may be made for structural or safety improvements, as determined by the Authority. Further, specify that the applicant must agree to the terms of the loan, as determined by the Authority, and that such loan terms may include a requirement to repay the loan by making monthly principal and interest payments so that the loan is fully repaid within a given term. In addition, specify that the Authority may defer the repayment or forgive the outstanding balance of any workforce housing rehabilitation loans according to criteria established by the Authority.

*Current Law.* WHEDA offers the Home Improvement Advantage program (housing rehabilitation loan program) to support financing for improvements to existing homes. Eligible improvements include: remodeling, home repair, making a home accessible to persons with disabilities, energy-efficient appliances, and energy efficiency improvements. Beginning in January, 2023, loans may be for up to \$50,000 and have a maximum term of 15 years.

In addition, 2021 Wisconsin Act 221 created workforce housing rehabilitation loans. Eligible rehabilitation activities include removal of lead paint or the following types of structural improvements: (a) repairing or replacing a heating system, electrical system, plumbing system, roof, window, or exterior door; (b) repairing the foundation; and (c) repairing or replacing insulation or siding. Under the workforce housing rehabilitation loan program, the applicant's home must be a single-family residence occupied by the owner. The applicant must also meet certain income requirements. WHEDA is authorized to establish an interest rate below market levels or may charge no interest for these loans.

The bill would specify that workforce housing rehabilitation loan terms may include a requirement to repay the loan by making monthly principal and interest payments over a given term, and any other terms determined by the Authority. It would also allow the Authority to defer the repayment or forgive the outstanding balance of any workforce housing rehabilitation loans according to criteria established by the Authority.

Under current law, Home Improvement Advantage and workforce housing rehabilitation loans are funded by the home improvement loan fund. As of June 30, 2022, the fund had a balance of \$10.7 million, with assets of \$11.5 million, liabilities of \$0.8 million, and program encumbrances of \$10.7 million. The bill would provide one-time funding of \$100 million for the workforce housing rehabilitation loan program to provide separate funding sources for the programs.

**Joint Finance/Legislature:** Provide \$50 million in 2023-24 in a new, continuing appropriation for deposit in the existing housing rehabilitation loan fund for the workforce housing rehabilitation loan program. The provision would make no changes to program eligibility or conditions. However, several such changes were made in 2023 Wisconsin Act 17, including: (a) requiring a loan be for an applicant's primary residence; (b) providing a maximum loan term of 15

years, with monthly payments; (c) specifying additional eligible repair or rehabilitation projects, including asbestos removal or interior wall or ceiling repair; (d) requiring a home be constructed at least 40 years prior to a loan application; and (e) limiting a loan to no more than \$50,000 or 100% of the appraised value of the residence after the rehabitation, whichever is less.

**Veto by Governor [C-16]:** Delete "loan fund" from the appropriation title and delete the requirement that the funds be deposited in the existing housing rehabilitation fund. As a result of the Governor's partial veto, the enacted appropriation provides \$50 million for housing rehabilitation. Funds are available until exhausted. The Governor's veto message indicates the intent of the provision would be to use funding for grants or forgivable loans, rather than only for revolving loans.

[Act 19 Section: 134]

[Act 19 Vetoed Sections: 51 (as it relates to 20.490(6)(d)) and 134]

**Senate:** Pass partial item veto C-16 notwithstanding the objection of the Governor; ayes 22, noes 10.

# 2. INCREASE CAPITAL RESERVE FUND BONDING AUTHORIZATION [LFB Paper 857]

**Governor:** Increase the limit of outstanding bonds backed by WHEDA's capital reserve fund from \$800 million to \$1.2 billion. Under current law, WHEDA manages a capital reserve fund, which must maintain a balance sufficient to cover the maximum amount of debt service expected in one year for all bond issues backed by the fund. As of June 30, 2022, \$727 million in outstanding bonds for multifamily housing developments were backed by the capital reserve fund. As WHEDA operates as an independent authority, bonds issued under its authority do not carry the general obligation of the state. However, the state has pledged its moral obligation to the capital reserve should it become deficient. No such deficiency has ever occurred, and this provision would not have a direct state fiscal effect.

WHEDA anticipates reaching \$800 million in outstanding bonds backed by the capital reserve fund in 2023. This is largely due to demand for the state low-income housing tax credit under 2017 Wisconsin Act 176, as developments awarded state and certain federal housing tax credits also utilize financing from bonding supported by the capital reserve. Bonds with the backing of the capital reserve fund generally receive more favorable credit ratings and result in a lower cost of financing for housing developments.

**Joint Finance/Legislature:** Increase the capital reserve fund limit from \$800 million to \$1 billion.

[Act 19 Section: 432]

## 3. STATE LOW-INCOME HOUSING TAX CREDIT INCREASE [LFB Paper 856]

Governor: Increase the limit on the total amount of state low-income housing credits that

may be certified by WHEDA from \$42 million to \$100 million. In addition, increase the maximum number of years the tax may be claimed from six years to 10 years. Further, require that to be eligible for a state housing credit, qualified low-income housing developments must be allocated the federal low-income housing tax credit and financed with tax-exempt bonds that are subject to the federal volume cap. However, authorize WHEDA to waive, in the Authority's federally-required Qualified Action Plan (QAP), the requirements of tax-exempt bond financing and federal credit allocation, to the extent that WHEDA anticipates that sufficient tax-exempt private activity bond volume cap under federal law will not be available to finance low-income housing projects in any year. [See "General Fund Taxes -- Income and Franchise Taxes."]

2017 Wisconsin Act 176 created a state nonrefundable low-income housing tax credit (LIHTC). The credit is claimable against the state individual income tax, the corporate income/franchise tax, and the insurance premiums tax. WHEDA awards the credit as a match to the federal 4% low-income housing tax credit, which provides a credit equal to 4% of the cost of a project each year for 10 years, generally equal to at least 30% of the present value of construction costs associated with a project. Properties receiving state and federal housing tax credits must reserve at least 20% of units for households with incomes below 50% of county median income, for at least 30 years. Credits are awarded through a competitive application process, whereby WHEDA assigns scores to the applications based on criteria laid out in the Authority's QAP. Awards are limited to \$1.2 million per project. WHEDA is also required by law to give preference to developments located in municipalities with populations fewer than 150,000.

Under the current program, WHEDA may award up to \$7 million in state tax credits annually, claimable for six years, for a maximum program total of \$42 million annually once the program is fully implemented. The bill would increase the program total to \$100 million, claimable over 10 years. The Administration estimates the provision would decrease state income and franchise tax revenues by \$1,450,000 in 2023-24 and \$7,250,000 in 2024-25, fully phasing in to a decrease of \$58 million in 2033-34. Combined with the \$42 million limit under current law, the credit is estimated to decrease state tax revenues by \$100 million annually beginning in 2033-34. The bill as introduced does not specify the initial applicability of changes to the credit.

Under current law, eligible projects are required to be financed with tax-exempt bonds. The bill would require eligible projects to be awarded federal low-income housing credits and be financed with certain tax-exempt bonds that are issued under the state's share of federal volume cap for private economic development or housing purposes. WHEDA could waive these requirements due to having insufficient tax-exempt private activity bonding available under the federal volume cap in a given year.

Joint Finance/Legislature: Provision not included.

## 4. WHEDA HEADQUARTERS PROPERTY TAX EXEMPTION

**Governor:** Create a property tax exemption for the land and the buildings located on land owned by WHEDA and used exclusively as the corporate headquarters of WHEDA, including the parking facilities associated with those headquarters. Specify that the provision would first apply to property tax assessments as of January 1, 2023, for the 2023(24) property tax year. [See "Shared Revenue and Tax Relief -- Property Taxation."]

The WHEDA corporate headquarters are located at 908 East Main Street in Madison. In 2022(23), the property was assessed at a value of \$18.8 million and had a net tax bill of \$372,600. The Administration and WHEDA report the Authority's previous headquarters at the Tommy G. Thompson Center was considered state-owned property and therefore tax-exempt, but no such determination had been made by the City of Madison on the current building as of the bill's introduction. (The City of Madison has subsequently classified the building as state-owned property as of January 1, 2023.)

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. STAFF SALARY DETERMINATION

**Governor:** Eliminate current salary caps for WHEDA staff. Current law authorizes WHEDA to employ legal and technical experts and such other officers, agents, and employees, as it may require, and to determine their qualifications, duties, and compensation. Compensation of any employee of the Authority is capped at the maximum of the executive salary group range under s. 20.923 (1) for positions assigned to executive salary group 6 (currently \$165,100 annually). According to the Administration, the provision is intended to allow WHEDA to recruit or retain staff in certain positions and remain competitive on the job market.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 6. RESIDENTIAL HOUSING INFRASTRUCTURE RE- GPR \$275,000,000 VOLVING LOAN FUND

**Joint Finance/Legislature:** Provide \$275 million in 2023-24 in a new, continuing appropriation for deposit in the residential housing infrastructure revolving loan fund under the jurisdiction and control of WHEDA, as created under 2023 Wisconsin Act 14. The fund would support loans for public infrastructure improvements associated with the construction of workforce or senior housing. Act 14 specifies that any unencumbered or unexpended funds as of January 1, 2031, must be transferred to the balance of the general fund.

[Act 19 Section: 134]

## 7. MAIN STREET HOUSING REHABILITATION RE-VOLVING LOAN FUND

**Joint Finance/Legislature:** Provide \$100 million in 2023-24 in a new, continuing appropriation for deposit in the main street housing rehabilitation revolving loan fund under the jurisdiction and control of WHEDA, as created under 2023 Wisconsin Act 15. The fund would

support loans to improve workforce housing located in upper levels of buildings with street-level commercial uses. Act 15 specifies that any unencumbered or unexpended funds as of January 1, 2031, must be transferred to the balance of the general fund.

[Act 19 Section: 134]

## 8. COMMERCIAL-TO-HOUSING CONVERSION RE- GPR \$100,000,000 VOLVING LOAN FUND

**Joint Finance/Legislature:** Provide \$100 million in 2023-24 in a new, continuing appropriation for deposit in the commercial-to-housing conversion revolving loan fund under the jurisdiction and control of WHEDA, as created under 2023 Wisconsin Act 18. The fund would support loans for projects that convert vacant nonresidential properties to workforce or senior housing. Act 18 specifies that any unencumbered or unexpended funds as of January 1, 2031, must be transferred to the balance of the general fund.

[Act 19 Section: 134]

#### **Budget Change Items**

#### 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

**Governor/Legislature:** Provide adjustments to the base budget totaling \$133,600 GPR, -\$136,600 FED, and -\$20,800 PR for: (a) full funding of continuing position salaries and fringe benefits (\$73,900

GPR, -\$3,200 FED, and \$1,200 PR annually); and (b) lease and directed moves costs (-\$7,100 GPR, -\$65,100 FED, and -\$11,600 PR annually).

#### 2. GENERAL AID [LFB Paper 860]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$65,800,000               | - \$56,411,500                    | \$9,388,500 |

| GPR   | \$133,600  |
|-------|------------|
| FED   | - 136,600  |
| PR    | - 20,800   |
| Total | - \$23,800 |
|       |            |

Г

**Governor:** Provide an increase of \$32,900,000 annually in the appropriation for state general aid for technical colleges. This additional funding would be allocated under the current law that specifies that 70% of the funding in the appropriation is distributed under the partially equalizing general aid formula and 30% is distributed under the formula established for outcomesbased funding. Base level funding is \$103,284,900 annually.

**Joint Finance/Legislature:** Reduce funding by \$29,801,500 GPR in 2023-24 and \$26,610,000 GPR in 2024-25 relative to the amount in the bill. The net increase to base level funding would be \$3,098,500 GPR in 2023-24 and \$6,290,000 GPR in 2024-25.

# 3. GRANTS FOR HEALTH-CARE RELATED CREDITS TAKEN IN DUAL ENROLLMENT PROGRAMS [LFB Paper 863]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$4,000,000                | - \$4,000,000                     | \$0        |

**Governor:** Provide \$2,000,000 annually for grants to technical colleges to reimburse the colleges for costs related to providing high school students dual enrollment courses related to health care, as determined by the System Board.

Joint Finance/Legislature: Provision not included.

## 4. WORKFORCE ADVANCEMENT TRAINING GRANTS [LFB Paper 862]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change  |
|-----|----------------------------|-----------------------------------|-------------|
| GPR | \$3,500,000                | - \$1,500,000                     | \$2,000,000 |

**Governor:** Provide \$1,500,000 GPR in 2023-24 and \$2,000,000 GPR in 2024-25 in the appropriation for grants to district boards. Require the System Board to award workforce advancement training grants to district boards to provide customized instruction and training opportunities for businesses to meet current workforce demands in various industries.

**Joint Finance/Legislature:** Decrease funding by \$500,000 GPR in 2023-24 and \$1,000,000 GPR in 2024-25 relative to the amount in the bill. The net increase to base level funding would be \$1,000,000 GPR annually.

## 5. OPEN EDUCATIONAL RESOURCES

GPR \$3,000,000

**Governor/Legislature:** Provide \$3,000,000 in 2023-24 in the appropriation for grants to district boards to provide grants to technical colleges to create open educational resource textbooks and other materials that will allow the public and technical colleges across the Wisconsin Technical

College System to access technical college course materials. Open educational resources include teaching, learning, and research resources that reside in public domain or have been released under an intellectual property license that permits free use and repurposing by others.

## 6. REGIONAL EMERGENCY MEDICAL SERVICES TRAINING FACILITY

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,500,000                | - \$2,500,000                     | \$0        |

**Governor:** Provide \$2,500,000 in 2023-24 in the appropriation for grants to district boards. Require the System Board to award a grant of \$2,500,000 to Madison Area Technical College to support the creation of a regional emergency medical services training facility in partnership with the city of Baraboo. Funding would be used for equipment, supplies, and training for emergency medical technicians, advanced emergency medical technicians, and paramedic personnel.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 7. ADVANCED MANUFACTURING, ENGINEERING TECHNOLOGY AND APPRENTICESHIP

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$500,000                  | - \$500,000                       | \$0        |

**Governor:** Provide \$250,000 annually in the appropriation for grants to district boards. Require the System Board to award a grant of \$250,000 in each fiscal year to Mid-State Technical College (Wisconsin Rapids) for an advanced manufacturing, engineering technology and apprenticeship center to train and maintain a workforce to meet workforce needs for the state's paper, pulp, and converting mills. Specify that funds could be used for maintenance of capital equipment and supplies, equipment for student learning infrastructure and student learning support, information technology equipment, and ongoing operations.

Joint Finance/Legislature: Provision not included.

#### 8. SYSTEM OFFICE GENERAL OPERATIONS [LFB Paper 861]

| Total      | \$1,000,000              |                    | \$1,000,000            | $\frac{3.00}{0.00}$         | $\frac{0}{\$0}$ | $\frac{0.00}{0.00}$ |

**Governor:** Provide \$875,000 GPR annually to address information technology infrastructure and security needs for the Wisconsin Technical College System, and reduce federal funding by \$375,000 annually. Convert 3.0 FTE positions from FED to GPR and provide additional funding to allow the system to hire staff in the areas of curriculum development and grant management.

Joint Finance/Legislature: Provision not included.

#### 9. REVENUE LIMIT -- 2% MINIMUM INCREASE

**Governor:** Modify the revenue limit restriction for technical college districts to prohibit each district board from increasing its revenue by a percentage that exceeds 2% or the district's valuation factor, whichever is greater. Specify that this provision would first apply to revenue increases in the 2023-24 school year.

Under current law, each technical college district is prohibited from increasing its revenue in any year by a percentage greater than the district's valuation factor. The valuation factor is defined as the greater of either zero percent of the percentage change in the district's January 1 equalization value due to aggregate new construction, less improvements removed, in municipalities located in the district between the previous year and the current year, as determined by the Department of Revenue. For purposes of this revenue limit, revenue is defined as the sum of the tax levy and state property tax relief aid. State general and categorical aids are not counted towards the revenue limit.

In 2022-23, valuation factors ranged from 1.1% for Nicolet to 2.2% for Gateway. The statewide average was equal to 1.6%.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 10. NONRESIDENT TUITION EXEMPTION FOR UNDOCUMENTED INDIVIDUALS

**Governor:** Specify that a person who is not a citizen of the United States would be considered a resident of Wisconsin for the purposes of technical college admission and tuition if he or she meets all of the following requirements: (a) the person graduated from a high school in this state or received a declaration of equivalency of high school graduation from this state; (b) the

person was continuously present in this state for at least three years following the first day of attending a high school in this state or immediately preceding receipt of a declaration of equivalency of high school graduation; and (c) the person enrolls in a technical college district school and provides the district board with proof that the person has filed or will file an application for lawful permanent resident visa with U.S. Citizenship and Immigration Services as soon as the person is eligible to do so. Provide that this provision would first apply to individuals who enroll for the semester or session following the effective date of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 11. NONRESIDENT TUITION EXEMPTION FOR CERTAIN TRIBAL MEMBERS

**Governor:** Specify that a person would be considered a resident of Wisconsin for the purposes of technical college admission and tuition if he or she meets all of the following requirements: (a) the person, or the person's parent or grandparent, is a member of a federally-recognized American Indian tribe or band in this state or is a member of a federally-recognized tribe in a state contiguous with Wisconsin; and (b) the person has resided in Wisconsin, Minnesota, Illinois, Iowa, or Michigan, or in any combination of these states, for at least 12 months immediately preceding the beginning of any semester or session in which the person enrolls in a district school. Provide that this provision would first apply to individuals who enroll for the semester or session following the effective date of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## **12. VOTER IDENTIFICATION**

**Governor:** Require each technical college to issue student identification cards that meet the requirements to qualify as voter identification under current law no later than August 1, 2023.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 13. ELIGIBILITY FOR FEE REMISSIONS FOR HMONG-LAO VETERANS

**Governor:** Expand the statutory definition of "veteran" for the purposes of qualifying for remission of technical college fees to include either of the following: (a) any state resident who was naturalized as a U.S. citizen pursuant to the federal Hmong Veterans' Naturalization Act of 2000; or (b) any state resident who is a U.S. citizen or an alien lawfully admitted for permanent residence and who the DVA Secretary determines served honorably with a special guerilla unit or irregular forces operation from a base in Laos in support of armed forces of the United States at any time during the period beginning February 28, 1961, and ending May 7, 1975.

Under current law, technical college district boards must remit 100% of tuition and fees,

less any amount paid under the federal Post-9/11 G.I. Bill, for up to 128 credits or eight semesters, whichever is longer, to eligible veterans who maintain a cumulative grade point average of at least 2.0.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 14. ORAL HEALTHCARE WORKFORCE

**Joint Finance/Legislature:** Provide \$20,000,000 GPR in 2023-24 in the Joint Finance Committee supplemental appropriation for oral healthcare workforce initiatives. The fiscal effect of this item is shown under "Program Supplements."

# **Departmentwide and Vocational Rehabilitation**

## 1. STANDARD BUDGET ADJUSTMENTS [LFB Paper 105]

|       |              | vernor          | Jt. Final      | 8             |              | _         |
|-------|--------------|-----------------|----------------|---------------|--------------|-----------|
|       | <u>(Chg.</u> | <u>to Base)</u> | <u>(Chg. t</u> | <u>o Gov)</u> | <u>Net C</u> | hange     |
|       | Funding      | Positions       | Funding        | Positions     | Funding 1    | Positions |
| GPR   | \$983,800    | 0.00            | - \$351,000    | 0.00          | \$632,800    | 0.00      |
| FED   | 5,445,600    | - 71.00         | - 2,559,000    | 0.00          | 2,886,600    | -71.00    |
| PR    | - 1,466,800  | 0.00            | - 648,400      | 0.00 ·        | - 2,115,200  | 0.00      |
| SEG   | 81,200       | 0.00            | - 138,000      | 0.00          | - 56,800     | 0.00      |
| Total | \$5,043,800  | - 71.00         | - \$3,696,400  | 0.00          | \$1,347,400  | - 71.00   |

Governor: Adjust the base budget by \$3,207,600 and -62.0 positions in 2023-24, and

\$1,836,200 and -71.0 positions in 2024-25. The adjustments are for: (a) turnover reduction (-\$263,800 GPR, -\$1,919,600 FED, -\$486,300 PR, and -\$103,700 SEG annually); (b) removal of noncontinuing elements from the base (-\$2,661,400 FED and -62.0 FED positions in 2023-24 and -\$4,032,800 FED and -71.0 FED positions in 2024-25); (c) full funding of continuing position salaries and fringe benefits (\$685,400 GPR, \$8,674,100 FED, \$93,700 PR, and \$208,300 SEG annually); (d) overtime (\$153,600 PR annually); and (e) full funding of lease and directed move costs (\$70,300 GPR, -\$684,600 FED, -\$494,400 PR, and -\$64,000 SEG annually).

**Joint Finance/Legislature:** Increase the rate used to calculate turnover reduction from 3% to 5% for all appropriations subject to a 3% turnover rate. Reduce funding under the turnover reduction standard budget adjustment by -\$175,500, GPR, -\$1,279,500 FED, -\$324,200 PR and -\$69,000 SEG annually.

## 2. SUPPLIES AND SERVICES FUNDING

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$234,800                  | - \$234,800                       | \$0        |

**Governor:** Provide \$117,400 of annual funding for the Department's general program operations appropriation for workforce development to reflect increased supplies and services costs for current activities.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 3. TRIBAL LIAISON POSITION

|     | (Chg.     | ernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-----------|---------------------------------------|-------------|---|-----|----------------------------|
| GPR | \$151,000 | 1.00                                  | - \$151,000 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$64,700 in 2023-24 and \$86,300 in 2024-25 and 1.0 position annually to create an agency tribal liaison position. The agency tribal liaison would be responsible for working with Native American tribes and bands on behalf of the agency, as well as coordinating with the Director of Native American Affairs in the Department of Administration. [See "Administration -- General Agency Provisions."]

#### 4. EQUITY OFFICER POSITION

|    | (Chg.     | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|----|-----------|--|-------------|---|-----|----------------------------|
| PR | \$173,900 | 1.00                                   | - \$173,900 | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$76,100 in 2023-24 and \$97,800 in 2024-25 and 1.0 position annually to create an agency equity officer position. The agency equity officer would be responsible for collaborating with the chief equity officer in the Department of Administration and with other agency equity officers to identify opportunities to advance equity in government operations. [See "Administration -- General Agency Provisions."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. FEDERAL REESTIMATES

**Governor/Legislature:** Increase estimated federal funding by \$26,066,800 in 2023-24 and \$14,743,100 in 2024-25. The adjustments are to align expenditure authority with the amount of revenue that DWD estimates will be deposited into those appropriations. The adjustments would affect the following federal appropriations:

FED

\$40.809.900

| Appropriation                          | 2023-24      | 2024-25      |
|--|--------------|--------------|
| Workforce investment and assistance    | \$1,823,000  | \$2,047,000  |
| Unemployment administration            | 20,092,500   | 8,544,800    |
| Vocational rehabilitation program aids | 1,081,300    | 1,081,300    |
| Vocational rehabilitation project aids | 3,070,000    | 3,070,000    |
| Total                                  | \$26,066,800 | \$14,743,100 |

## 6. VOCATIONAL REHABILITATION SELF-EMPLOYMENT CLIENTS

|       | Governor | Jt. Finance/Leg. | Net Change |
|-------|----------|------------------|------------|
| GPR   | 0.42     | - 0.42           | 0.00       |
| FED   | 1.58     | - 1.58           | 0.00       |
| Total | 2.00     | - 2.00           | 0.00       |

**Governor:** Provide 0.42 GPR positions and 1.58 FED positions beginning in 2023-24. The Executive Budget Book indicates that these positions would provide dedicated staff for vocational rehabilitation self-employment clients.

| 7. DELETE VACANT POSITIONS   |                           | Positions                                     |
|--|---------------------------|---|
| <b>Joint Finance/Legislature:</b> Delete 0.01 GPR, 26.65 FED, and 2.54 PR positions that have been vacant for 18 months or more. | GPR<br>FED<br>PR<br>Total | - 0.01<br>- 26.65<br><u>- 2.54</u><br>- 29.20 |

# **Employment and Training**

#### 1. WORKFORCE INNOVATION GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$200,000,000              | - \$200,000,000                   | \$0        |

**Governor:** Provide \$200,000,000 in 2023-24 in a new, continuing appropriation for workforce innovation grants, which would remain in the appropriation until exhausted or redirected by law.

Require DWD to establish and operate a program to provide grants to regional organizations to design and implement plans to address their region's workforce challenges that arose during or were exacerbated by the COVID-19 pandemic.

Require DWD to receive and review applications for these grants and prescribe the form, nature, and extent of the information that must be contained in a grant application. Specify that in addition to duties relating to grant applications, DWD would have all other powers necessary and convenient to implement these provisions, including the power to audit and inspect the records of grant recipients.

Require DWD to allocate \$100,000,000 of this funding in 2023-24 for grants to health carerelated regional organizations to address their region's workforce challenges that arose during or were exacerbated by the COVID-19 pandemic.

#### 2. WORKER ADVANCEMENT INITIATIVE

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$26,500,000               | - \$26,500,000                    | \$0        |

**Governor:** Provide \$15,500,000 in 2023-24 and \$11,000,000 in 2024-25 in a new, continuing appropriation for a worker advancement initiative, which would remain in the appropriation until exhausted or redirected by law.

*Subsidized Employment and Skills Training.* Require DWD to establish and administer a worker advancement initiative to offer participants subsidized employment and skills training opportunities with local employers. Require DWD to target these opportunities to individuals in sectors of the workforce that have not recovered from the loss of employees due to the COVID-19 pandemic.

*Health-Care Workforce Opportunity*. Require DWD to establish and administer a program to do all of the following: (a) make grants to local workforce development boards to assist individuals whose employment status was negatively affected by the COVID-19 pandemic and whose employment status has not improved, where DWD would be required to prioritize connecting individuals to health-care-related employment opportunities; (b) make grants to technical colleges and nursing schools to implement strategies to increase the number of graduates who go on to work in health-care-related fields; (c) provide solutions to reduce barriers to employment in health-care-related fields and create ways to attract individuals to employment in those fields, where solutions to barriers could include services to fulfill clinical requirements, career navigation services, and the provision of supplies. Require DWD during the 2023-25 biennium to allocate \$2,500,000 annually for establishing and administering this program.

*CDL Training*. Require DWD to make grants to local workforce development boards to provide sector-based training programs related to increasing the number of individuals obtaining commercial driver licenses (CDL).

*ROBUST Program.* Require DWD to establish and administer a program for reengaging outof-work, barriered, and underserved individuals through system transformation (ROBUST). Provide that DWD would, through the program, find methods to more effectively reach and serve population groups that are underserved and disconnected from the labor force. Require DWD to allocate \$4,500,000 in 2023-24 for establishing and administering this program.

Require DWD to receive and review applications for health-care-related and CDL grants and prescribe the form, nature, and extent of the information that must be contained in a grant application. Specify that in addition to duties relating to grant applications, DWD would have all other powers necessary and convenient to implement these provisions, including the power to audit and inspect the records of grant recipients.

#### 3. CLEAN ENERGY TRAINING AND REEMPLOYMENT

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$10,000,000               | - \$10,000,000                    | \$0        |

**Governor:** Provide \$5,000,000 annually in a new, continuing appropriation for a clean energy training and reemployment program, which would remain in the appropriation until exhausted or redirected by law. Require DWD to use this funding to establish and administer a clean energy training and reemployment program to connect workers with employers and use other apprenticeship and technical college programs to deliver training for clean energy jobs.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 4. REGISTERED APPRENTICESHIPS FOR INFORMATION TECHNOLOGY CAREERS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$9,000,000                | - \$9,000,000                     | \$0        |

**Governor:** Provide \$9,000,000 in 2023-24 in the general program operations appropriation for workforce development for supplies and services. The Executive Budget Book indicates that this funding would be used to expand registered apprenticeship within the information technology sector in southeast Wisconsin.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 5. YOUTH SERVICES GRANTS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$8,800,000                | - \$8,800,000                     | \$0        |

**Governor:** Provide \$4,400,000 annually in a new, continuing appropriation for grants to local workforce development boards, which would remain in the appropriation until exhausted or redirected by law. Require DWD to award grants to these boards for youth services and training in school and outside school settings. Specify that grants under this program could be used for any of the following purposes: (a) tutoring, paid and unpaid work experiences, pre-apprenticeship programs and internships; (b) on-the-job training, occupational skills training, and education

offered concurrently with workforce preparation and training; (c) leadership development opportunities, supportive series, mentoring, follow-up services, and counseling; (d) financial literacy education and entrepreneurial skills training; and (e) education related to labor market and employment information, and postsecondary education and training preparation.

Require DWD to do all of the following to implement this program: (a) promulgate rules prescribing procedures and criteria for awarding these grants and the information to be included in required annual reports; (b) receive and review grant applications and prescribe the information required in a grant application; and (c) require annual reports from boards that receive grants describing how the board expended the grant and the outcomes the board achieved, including the number of youth who participated in the programs and services funded in part or wholly by the grant.

Require DWD, annually, by December 31, to submit a report to the Governor and the Co-Chairpersons of the Joint Committee on Finance accounting for DWD's activities under this program in the preceding fiscal year and detailing the amounts expended for each of the grants in that fiscal year.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 6. WISCONSIN GREEN JOBS TRAINING PROGRAM

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$2,000,000                | - \$2,000,000                     | \$0        |

**Governor:** Provide \$2,000,000 in 2023-24 in a new, continuing appropriation for green jobs training program grants, which would remain in the appropriation until exhausted or redirected by law. Require DWD to award grants to public or private organizations for the development and implementation of green jobs training programs in Wisconsin. Define "green jobs" to mean jobs that produce goods or provide services that benefit the environment or conserve natural resources. Specify that as a condition of receiving a grant, DWD may require such an organization to provide matching funds at a percentage to be determined by DWD. Authorize DWD to prescribe procedures and criteria for awarding these grants, including the information that must be including in an application for a grant, as well as the information that must be reported describing how the grant moneys were expended and the outcomes achieved under the program. Specify that a current law administrative appropriation could be used to fund the administration of this program.

### 7. FAST FORWARD [LFB Paper 870]

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change    |
|-----|----------------------------|-----------------------------------|---------------|
| GPR | \$2,000,000                | - \$4,000,000                     | - \$2,000,000 |

**Governor:** Provide \$1,000,000 annually for the Department's workforce training grants appropriation ("Fast Forward"). Base level funding for the appropriation is \$6,250,000. The Executive Budget Book indicates that this funding is intended for training grants for green jobs, such as environmental and conservation career paths.

**Joint Finance/Legislature:** Reduce funding by \$2,000,000 annually, so that annual funding would be \$5,250,000. Require the Department to allocate \$975,800 in each year of the 2023-25 biennium to the Department of Corrections to support instructor costs for technical mobile labs.

[Act 19 Section: 386]

# 8. REGISTERED APPRENTICESHIPS FOR HEALTH CARE CAREERS

|     | (Chg.     | vernor<br><u>to Base)</u><br>Positions | <u>(Chg.</u> | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-----------|--|--------------|---|-----|----------------------------|
| GPR | \$936,600 | 1.00                                   | - \$936,600  | - 1.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$801,400 in 2023-24 and \$135,200 in 2024-25 and 1.0 position beginning in 2023-24 in the general program operations appropriation for workforce development. In 2023-24, \$39,500 would be provided for salary, \$17,600 for fringe benefits, and \$744,300 for supplies and services; in 2024-25, \$52,700 would be provided for salary, \$23,500 for fringe benefits, and \$59,000 for supplies and services. The Executive Budget Book indicates that this funding would be used for: (a) outreach to develop new apprenticeship pathways related to health care; (b) one-time funding to support curriculum development for such programs; and (c) one-time funding to evaluate and implement one-year apprenticeships for licensed practical nurses at state-operated facilities.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. SERVICES FOR VETERANS

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| GPR | \$900,000                  | - \$900,000                       | \$0        |

Governor: Provide \$450,000 annually for supplies and services in the general program

operations appropriation for workforce development. The Executive Budget Book indicates that this funding is intended to expand training and technical assistance support for employers by promoting outreach services and on-the-job learning services for veterans.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 10. CORRECTIONAL INSTITUTION JOB CENTERS

**Governor:** Provide \$379,800 in 2023-24 and \$506,400 in 2024-25 with 6.0 positions beginning in 2023-24 in the general program operations appropriation for workforce development. In 2023-24, \$166,500 would be provided for salaries, \$74,300 for fringe benefits, and \$139,000 for supplies and services; in 2024-25, \$222,000 would be provided for salaries, \$99,000 for fringe benefits, and \$185,400 for supplies and services The Executive Budget Book indicates that this funding is intended to increase correctional institution job center staffing to assist incarcerated individuals in finding and maintaining employment once released.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 11. JOB CENTER STAFFING

|     | (Chg.     | vernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-----------|--|-------------|---|-----|----------------------------|
| GPR | \$709,800 | 3.00                                   | - \$709,800 | - 3.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$304,200 in 2023-24 and \$405,600 in 2024-25 with 3.0 positions beginning in 2023-24 in the general program operations appropriation for workforce development. In 2023-24, \$118,600 would be provided for salaries, \$53,000 for fringe benefits, and \$132,600 for supplies and services; in 2024-25, \$158,100 would be provided for salaries, \$70,500 for fringe benefits, and \$177,000 for supplies and services. The Executive Budget Book indicates that this funding is intended to provide additional job center staffing to assist more individuals in obtaining meaningful employment.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

**Governor:** Provide \$200,600 annually in a current appropriation for this purpose for the state to supplement, on a one-to-one matching basis, federal employment opportunity demonstration project funds or from other federal or private sources, to be distributed to community action agencies and organizations. Base level funding for this appropriation is \$200,600.

Joint Finance/Legislature: Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 13. LOCAL YOUTH APPRENTICESHIP GRANTS

Joint Finance/Legislature: Provide \$3,000,000 in 2023-24 and \$4,000,000 in 2024-25 in additional funding to the Department's continuing appropriation for local youth apprenticeship grants. Funding for local youth apprenticeship grants would be \$9,000,000 in 2023-24 and \$10,000,000 in 2024-25.

#### CAREER AND TECHNICAL EDUCATION INCENTIVE 14. GPR \$3,000,000 GRANTS

Joint Finance/Legislature: Provide \$1,500,000 annually in additional funding to the DWD's annual appropriation for the purposes of funding career and technical education (CTE) incentive grant payments to school districts. Funding for CTE incentive grants would be \$8,000,000 each year.

#### 15. **CDL TRAINING GRANTS**

12.

Joint Finance/Legislature: Provide \$250,000 annually in one-time funding to the Joint Committee on Finance's supplemental GPR appropriation for the purpose of funding commercial driver license (CDL) training grants. The fiscal effect of this provision is shown under "Program Supplements."

GPR \$7,000,000

#### Governor Jt. Finance/Leg. (Chg. to Base) (Chg. to Gov) Net Change GPR \$401.200 - \$401.200 \$0

**EMPLOYMENT OPPORTUNITY DEMONSTRATION PROJECTS** 

# 1. TRANSFER TO FAMILY AND MEDICAL LEAVE BENEFITS INSURANCE TRUST FUND

|       | (       |               | Jt. Finance/Leg.<br>(Chg. to Gov) |     |
|-------|---------|---------------|-----------------------------------|-----|
| GPR-T | ransfer | \$243,413,400 | - \$243,413,400                   | \$0 |

**Governor:** Transfer \$243,413,400 in the 2023-25 fiscal biennium from the general fund to the family and medical leave benefits insurance trust fund as created under the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. FAMILY AND MEDICAL LEAVE BENEFITS INSURANCE PROGRAM

|     | (Chg.         | vernor<br><u>to Base)</u><br>Positions | Jt. Finar<br><u>(Chg. to</u><br>Funding | <u>o Gov</u> |     | <u>Change</u><br>Positions |
|-----|---------------|--|---|--------------|-----|----------------------------|
| SEG | \$243,413,400 | 198.0 - \$                             | 243,413,400                             | - 198.00     | \$0 | 0.00                       |

**Governor:** Provide \$65,767,800 and 45.0 positions in 2023-24 and \$177,645,600 and 198.0 positions in 2024-25 for the administration, enforcement, and initial benefit payments for a family and medical leave benefits insurance program.

In 2023-24, \$1,569,500 would be provided for salaries, \$700,000 for fringe benefits, and \$63,498,300 for supplies and services; in 2024-25, \$8,686,800 would be provided for salaries, \$3,873,700 for fringe benefits, and \$6,218,500 for supplies and services. These monies would be provided from the family and medical leave benefits insurance trust fund, to a newly created biennial appropriation for administrative expenses of the family and medical leave benefits insurance program.

In 2024-25, \$158,866,600 would be provided from the family and medical leave benefits insurance trust fund, to a newly created sum sufficient appropriation to pay for the payment of benefits to covered individuals in the family and medical leave benefits insurance program.

Create a separate nonlapsible trust fund designated as the family and medical leave benefits insurance trust fund, to consist of all moneys deposited in that fund as provided under the bill.

*Eligibility for Benefits.* Provide that a covered individual who is on family leave or medical leave is eligible to receive family or medical leave insurance benefits in the amount and duration

specified under the bill. Require that, to receive family or medical leave insurance benefits, a covered individual must file a claim for those benefits within the time and in the manner that DWD prescribes by rule. Specify that, on receipt of a claim for benefits, DWD may request from the individual's employer or from the self-employed individual any information necessary for DWD to determine the individual's eligibility for those benefits and the amount and duration of those benefits. Require the employer or self-employed individual to provide such information to DWD within the time and in the manner prescribed by the Department by rule. Require DWD to provide benefits to all covered individuals determined to be eligible to receive family or medical leave insurance benefits.

*Election by a Self-Employed Individual.* Provide that a self-employed individual may elect to be a covered individual by filing a written notice of election with DWD in a form and manner prescribed by the Department by rule. Specify that an initial election by an individual becomes effective on the date on which the notice of election is filed, and must be for a period of not less than three years, and may be renewed for subsequent one-year periods by the filing of a written notice with DWD that the individual intends to continue his or her coverage. Provide that a self-employed individual who elects coverage may withdraw that election no earlier than three years after the date of the initial election, or at such other times as the Department may prescribe by rule, by providing notice of that withdrawal to DWD not less than 30 days before the expiration date of the election.

Amount of Benefits. Require that the amount of family or medical leave insurance benefits payable for a week be based upon the covered individual's average weekly earnings, as follows: (a) for the amount of the covered individual's average weekly earnings that are less than 50% of the state annual median wage in the calendar year before the covered individual's application year, 90% of the covered individual's average weekly earnings; (b) for the amount of the covered individual's average weekly earnings that are more than or equal to 50% of the state annual median wage in the calendar year before the covered individual's application year, 90% of the state annual median before the covered individual's average weekly earnings that are more than or equal to 50% of the state annual median wage in the calendar year before the covered individual's application year, 50% of the covered individual's average weekly earnings.

*Duration of Benefits.* Specify that the maximum number of weeks for which family or medical leave insurance benefits are payable in an application year is 12 weeks. Provide that a covered individual may be paid these benefits continuously, or at the option of the covered individual, intermittently.

*Employer Exemption from Participation in Paid Family and Medical Leave Benefits Insurance Program.* Provide that if an employer provides family and medical leave benefits that are identical to or more generous than benefits provided under the paid family and medical leave benefits insurance program, the employer may elect to not participate in the program. Specify that if DWD grants such an exemption, the employer is required to pay benefits that are at least identical to benefits under the program, and an employee is entitled to be paid those benefits. Require an employer that elects to not participate in the program to request an exemption from DWD in writing, in the manner prescribed by the Department. An exemption from participation would not effective until approved by the Department in writing. Allow DWD to grant a written exemption from participation to an employer who complies with statutes and rules governing the program. Provide that DWD may withdraw its written exemption order if DWD determines that an employer

is not providing paid family and medical leave benefits to employees that are at least identical to those provided under the program.

Specify that if an employee believes that his or her employer, that has an exemption, has violated the employee's right to paid family and medical leave benefits identical to those provided under this program, the employee may file a complaint with DWD alleging the violation, and the Department must process the complaint through an administrative proceeding in the same manner as complaints filed under current family or medical leave law. If the Department finds the employer to be in violation, DWD may order the employer to take action to remedy the violation, including providing the paid family and medical leave benefits, and, paying reasonable actual attorney fees to the employee. After the completion of an administrative proceeding, including judicial review, an employee or the Department may bring a civil action in circuit court, as provided under current law, against an employer to recover damages caused by a violation of these prevision. Require DWD to promulgate rules to implement the employer exemption provisions.

*Federal Tax Treatment of Benefits.* With respect to the federal income taxation of family or medical leave insurance benefits, require DWD to do all of the following: (a) at the time an individual files a claim for those benefits, advise the individual that those benefits may be subject to federal income taxation, that requirements exist under federal law pertaining to estimated tax payments; (b) allow the individual to elect to have federal income tax deducted and withheld from the individual's benefit payments, allow the individual to change that election not more than one time in an application year, and deduct and withhold that tax in accordance with the individual's election as provided under federal law; (c) upon making a deduction, transfer the amount deducted from the family and medical leave insurance trust fund to the Internal Revenue Service; and (d) in deducting and withholding federal income taxes from an individual's benefit payments, follow all procedures specified by the IRS pertaining to the deducting and withholding of federal income tax.

*Family and Medical Leave Insurance Trust Fund.* Require DWD to determine the amount of the required contribution by each employee, self-employed individual who elects coverage, and each employer. Specify that the required contribution be based on the employee's wages or the self-employed individual's earnings, and be equally shared between each employee and the employee's employer.

Require each employer to withhold from the wages of its employees the amount determined by DWD. Require the Department to create rules to establish procedures for filing wage reports and collecting the contributions withheld by employers and employer-required contributions. Specify that DWD may utilize the unemployment insurance (UI) quarterly wage reports submitted by employers as required under current law, in lieu of separate contribution reports and may utilize the procedures for collecting contributions that apply to the collection of contributions to the UI trust fund. Require DWD to create rules to provide for a right to a hearing in cases involving the liability of employers for required contributions. Require that Department decisions be subject to the rights and procedures specified for contested cases under current law for administrative procedure and review.

Require DWD to collect contributions from self-employed individuals pursuant to procedures established by the Department, and deposit contributions received in the family and

medical leave benefits insurance trust fund. Require DWD to use moneys deposited in the trust fund to pay benefits, to refund amounts erroneously paid by employers, and to pay for the administration of program, and for no other purpose.

*Denial of Claims; Overpayments.* Require DWD to create rules providing for a right to a hearing in cases of disputes involving an individual's eligibility for benefits or status as a covered individual. Require that Department decisions be subject to the rights and procedures specified for contested cases under current law for administrative procedures and review. Specify that DWD may prescribe procedures in conjunction with any rules promulgated for administrative proceedings under the existing family or medical leave law.

Specify that if DWD pays family or medical leave insurance benefits to an individual erroneously or as a result of willful misrepresentation, the individual's liability to reimburse the fund for the overpayment may be set forth in a determination that is subject to review. To recover an overpayment to a covered individual that is not otherwise repaid or the recovery of which has not been waived, provide that DWD may recoup the amount of the overpayment by, in addition to its other remedies, deducting the amount of the overpayment from benefits the individual would otherwise be eligible to receive. Provide that DWD may establish other procedures for recovering overpayments and may utilize procedures under current UI law, including DWD's remedies for collecting UI benefit overpayments under current law, subject to rules created by the Department. Specify that the Department may not collect any interest on any benefit overpayments, and that DWD may prescribe procedures for waiver of overpayments.

*Prohibited Acts and Enforcement.* Prohibit any person from interfering with, restraining, or denying the exercise of any right provided under the family or medical leave benefits insurance program. Specify that no person may discharge or otherwise discriminate against any person for exercising any right provided, opposing a practice prohibited, filing a complaint or attempting to enforce any right provided, or testifying or assisting in any action or proceeding to enforce any right provided under the family or medical leave benefits insurance program. Specify that no collective bargaining agreement or employer policy may diminish or abridge an employee's rights as provided under the program. Provide that any agreement purporting to waive or modify an employee's rights under this provision is void as against public policy and unenforceable.

Provide that any person who believes that his or her rights have been interfered with, restrained, or denied in violation of the above prohibited acts, or that he or she has been discharged or otherwise discriminated against in violation, within 30 days after the violation occurs or the person should reasonably have known that the violation occurred, whichever is later, file a complaint with DWD alleging the violation, and that the Department must process the complaint in the same manner as complaints filed under the family or medical leave law. Specify that if DWD finds that an employer has violated any of the prohibited acts, the Department may order the employer to take action to remedy the violation, including providing the requested family leave or medical leave, reinstating an employee, providing back pay accrued not more than two years before the complaint was filed, and paying reasonable actual attorney fees to the complainant. After the completion of this administrative enforcement proceeding, including judicial review, an employee or the Department may bring a civil action in circuit court against an employer to recover damages caused by a violation of a prohibited act.

Administration. Require DWD to administer the family and medical leave benefits insurance program, and to do all of the following: (a) establish procedures and forms for the filing of claims for benefits; (b) establish procedures and forms for collecting contributions from self-employed individuals; (c) promulgate rules to implement the program; (d) use information sharing and integration technology to facilitate the exchange of information as necessary for DWD to administer the program; (e) submit a report by September 1 of each year, to the Governor, the Joint Committee on Finance, and the appropriate standing committees of the Legislature on the program. Require the report to include the projected and actual rates of participation in the program, the premium rates for coverage under the program, and the balance in the family and medical leave benefits insurance trust fund.

*Records.* Specify that the records made or maintained by DWD in connection with the administration of program are confidential, and must be open to public inspection or disclosure only to the extent that the Department allows in the interest of the program. Specify that the Department may provide records made or maintained by DWD in connection with the administration of the program to any governmental unit, corresponding unit in the government of another state, or any unit of the federal government. Specify that no person or governmental unit may allow inspection or disclosure of any record provided by the Department unless DWD authorizes the inspection or disclosure.

Provide that, upon request of the Department of Revenue, DWD may provide information, including social security numbers, concerning covered individuals to DOR for the purpose of administering state taxes, identifying fraudulent tax returns, providing information for tax-related prosecutions, or locating persons or the assets of persons who have failed to file tax returns, who have underreported their taxable income, or who are delinquent debtors. Specify that DOR may not allow inspection or disclosure of any record provided by the DWD, unless DWD authorizes the inspection or disclosure.

*Benefit Amount Adjustment.* Provide that, on April 1 of each year, DWD may adjust the maximum weekly benefit payment to 90% of the state average weekly earnings, which becomes effective on October 1 of that year, and require the Department to annually publish the adjusted amount in the Wisconsin Administrative Register.

*Proper Notice*. Require each employer to post, on its website and in one or more conspicuous places where notices to employees are customarily posted, a notice in a form approved by DWD, setting forth employees' rights under the program and any annual adjustment to the weekly benefit amount. Specify that an employer in violation of the proper notice provision must forfeit not more than \$100 for each violation.

*Definitions.* Define "application year" to mean the 12-month period beginning on the first day of the first calendar week for which family or medical leave insurance benefits are claimed by a covered individual. Define "average weekly earnings" to mean one-thirteenth of the wages paid to an employee during the last completed calendar quarter prior to the covered individual's date of eligibility for benefits under this section and includes all sick, holiday, vacation, and termination pay that is paid directly by an employer to an employee at the employee's usual rate of pay during his or her last completed calendar quarter as a result of employment for an employer and any total

or partial disability payments under Wisconsin's worker's compensation law, or a federal law that provides for payments on account of a work-related injury or illness. For self-employed individuals, define "average weekly earnings" to mean one fifty-second of the gross income reported as income to the federal internal revenue service in the most recent tax year in which the individual filed taxes prior to the individual's date of eligibility for benefits under this provision.

Define "covered individual" to mean an employee who has been employed by the same employer for more than 52 consecutive weeks and who worked for the employer for at least 680 hours during the preceding 52-week period, or a self-employed individual who elects coverage under the self-employed individual provision of the bill, regardless of whether the individual is employed or unemployed at the time the individual files an application for benefits. Define "selfemployed individual" to mean a sole proprietor, partner of a partnership, member of a limited liability company, or other individual engaged in a vocation, profession, or business for himself or herself and not for an employer.

Define "family leave" to mean an individual's leave from employment, self-employment, or availability for employment: (a) for the birth of the employee's natural child, if the leave begins within 16 weeks of the child's birth; (b) for the placement of a child with the employee for adoption or as a precondition to adoption under current law, if the leave begins within 16 weeks of the child's placement; (c) to care for the employee's child, spouse, domestic partner, parent, grandparent, grandchild, or sibling, with a serious health condition; (d) for any qualifying exigency, as determined by DWD by rule, arising from the spouse, child, domestic partner, parent, grandparent, grandchild, or sibling of the employee being on covered active duty or having been notified of an impending call or order to covered active duty; (e) to fill an unforeseen or unexpected short-term gap in childcare, as determined by DWD by rule, for the employee's child, grandchild, or sibling; (f) to care for the employee's child, spouse, domestic partner, parent, grandchild, or sibling, that is in medical isolation; (g) to address issues of the employee or the employee's child, spouse, domestic partner, parent, grandparent, grandparent, grandchild, or sibling related to being the victim of domestic abuse, sexual abuse, or stalking; or (h) to serve as a bone marrow or organ donor.

Define "medical leave" to mean leave from employment, self-employment, or availability for employment for an employee who is in medical isolation or has a serious health condition which makes the employee unable to perform his or her employment duties may take medical leave for the period during which he or she is unable to perform those duties. Define "state annual median wage" to mean the median hourly wage for all occupations in this state in a calendar year, as determined by the Bureau of Labor Statistics of the U.S. department of Labor, multiplied by 2,080. Define "family or medical leave insurance benefits" to mean benefits payable under this program from the family and medical leave benefits insurance trust fund.

Under Wisconsin's Fair Employment law, specify that it would be employment discrimination to discharge or otherwise discriminate against any individual because the individual files a complaint or attempts to enforce any right under the family or medical leave benefits insurance program, or because the individual testifies or assists in any action or proceeding held under or to enforce any right under the family or medical leave benefits insurance program.

Authorize DWD to promulgate emergency rules for the period before the effective date of

the permanent rules promulgated and exempt the Department from the requirements to make a finding of an emergency and to demonstrate the need for an emergency rule.

No later than the first day of the fourth month beginning after the effective date of the bill, require DWD to submit for consideration to the Legislative Council staff the proposed permanent rules required for the family or medical leave benefits insurance program. Exempt DWD from certain permanent rule-making requirements under current law.

Specify that the requirement that employers withhold contribution amounts from employee wages, would first apply to wages earned on January 1, 2025.

Provide that family and medical leave benefit eligibility would first apply to a period of family leave, or a period of medical leave, commencing on January 1, 2025.

Specify that the rights to family and medical leave insurance benefits first apply to an employee who is affected by a collective bargaining agreement that contains provisions inconsistent with rights, on the day on which the collective bargaining agreement expires or is extended, modified, or renewed.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. FAMILY AND MEDICAL LEAVE EXPANSION

**Governor:** Under current family and medical leave law, an employer that employs at least 50 individuals on a permanent basis in this state is required to allow an employee who has been employed by the employer for more than 52 consecutive weeks and who has worked for the employer for at least 1,000 hours during the preceding 52 weeks to take the following: (a) six weeks of family leave in a 12-month period for the birth or adoptive placement of a child; (b) two weeks of family leave in a 12-month period to care for the employee's child, spouse, domestic partner, or parent with a serious health condition; and (c) two weeks of medical leave in a 12-month period to perform the employee has a serious health condition that makes the employee unable to perform the employee's employment duties.

Specify the following changes to current family and medical leave law: (a) decrease the number of hours an employee is required to work before qualifying for family and medical leave to 680 hours during the preceding 52 weeks; (b) increase the number of weeks a covered employee may take family or medical leave to 12 weeks in a 12-month period; (c) allow a covered employee to take family leave for the employee's child, spouse, domestic partner, parent, grandparent, grandchild, or sibling who is in medical isolation; (d) specify that an employee who is in medical isolation that makes the employee unable to perform his or her employment duties may take medical leave for the period during which he or she is unable to perform those duties; (e) amend the statute of limitations for filing a complaint from 30 days to 300 days for an employee who believes his or her employer has violated the family and medical leave law; (f) add coverage for any qualifying exigency, as determined by the Department by rule, arising out of the fact that the spouse, child, domestic partner, parent, grandparent, grandchild, or sibling of the employee is on

covered active duty or has been notified of an impending call or order to covered active duty; (g) add coverage if there is an unforeseen or unexpected short-term gap, as defined by the Department by rule, in childcare for the employee's child, grandchild, or sibling that the employee must fill; (h) add coverage to address issues related to the employee or the employee's child, spouse, domestic partner, parent, grandparent, grandchild, or sibling being the victim of domestic abuse, sexual abuse, or stalking; and (i) add grandparent, grandchild, and sibling for whom an employee may take family leave.

*Definitions.* Expand the current law definition of "serious health condition" to include medical isolation. Define "medical isolation" as any of the following: (a) when a health care professional, a local health officer, or the Department of Health Services advises that the individual seclude herself, himself, or themselves from others when the individual is awaiting the result of a diagnostic test for a communicable disease or when the individual is infected with a communicable disease; (b) when a local health officer or the department of health services advises that an individual isolate or quarantine; and (c) when an individual's employer advises that the individual not come to the workplace due to a concern that the individual may have been exposed to or infected with a communicable disease.

Define "covered active duty" to mean: (a) a member of a regular component of the U.S. armed forces, duty during the deployment of the member with the U.S. armed forces to a foreign country; or (b) a member of a reserve component of the U.S. armed forces, duty during the deployment of the member with the U.S. armed forces to a foreign country under a call or order to active duty as specified under current federal law.

Modify the definition of "child" under current law to eliminate the requirement that an individual, 18 years of age or older, can only be considered a child if they cannot take care for themselves because of a serious health condition. The term "child" would continue to be defined a natural, adopted, or foster child, a stepchild, or a legal ward. Define "sibling" to mean a brother, sister, half-brother, half-sister, stepbrother, or stepsister, whether by blood, marriage, or adoption.

*Notice*. Specify that if the employee intends to take family leave that is foreseeable because the spouse, child, domestic partner, parent, grandparent, grandchild, or sibling of the employee is on covered active duty or has been notified of an impending call or order to covered active duty, the employee must provide notice of that intention to the employer in a reasonable and practicable manner.

*Certification.* Specify that if an employee requests family leave for covered active duty, the employer may require the employee to provide certification that the spouse, child, domestic partner, parent, grandparent, grandchild, or sibling of the employee is on covered active duty or has been notified of an impending call or order to covered active duty. Require the certification to be issued at such time and in such manner as DWD may prescribe by rule, and require the employee to provide a copy of that certification to the employer in a timely manner.

Provide that if an employee requests family leave due to a gap in childcare, the employer may require the employee to provide certification that there is an unforeseen or unexpected short-term gap in childcare, as defined in rule by DWD, for the employee's child, grandchild, or sibling, that the employee must fill. If an employee requests family leave due to being the victim of

domestic abuse, sexual abuse, or stalking, the employer may require the employee to provide certification that the employee is addressing issues of the employee or the employee's child, spouse, domestic partner, parent, grandparent, grandchild, or sibling related to being the victim of domestic abuse, sexual abuse, or stalking. Specify that if an employee requests family or medical leave due to medical isolation, the employer may require the employee to provide certification issued by a local public health official, the Department of Health Services, a health care provider, or Christian Science practitioner of the child, spouse, domestic partner, parent, grandparent, grandchild, sibling, or employee, except that no employer may require certification if the sole reason for the medical isolation is if the employer had advised that the individual not come to the workplace due to a concern that the individual may have been exposed to or infected with a communicable disease. Provide that no employer may require certification stating more than that the child, spouse, domestic partner, parent, grandparent, grandchild, sibling, or employee is in medical isolation. Specify that if the employee requests family leave, the employer may require the employee to provide certification that the employee is responsible for the care of a child, spouse, domestic partner, parent, grandparent, grandchild, sibling, or employee who is in medical isolation.

Provide \$65,600 FED in 2023-24 and \$87,500 FED in 2024-25 and 1.0 FED position in the Department's federal equal rights administration appropriation and specify corresponding FED decreases in the Department's federal unemployment insurance administration appropriation. According to the Department, the project position would perform outreach and technical assistance activities that support the expanded family and medical leave provisions.

Under current law, an individual that is the employer's parent, spouse, domestic partner, or child, cannot be considered an employee. Expanded the current law definition to also include an employer's grandparent, grandchild, or sibling to those that cannot be considered an employee.

Apply the expanded 300 day statute of limitations for certain violation to first apply to a violation that occurs, or that an employee should reasonably have known occurred, on the effective date of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 4. MIGRANT WORKERS

|     | (Chg.     | ernor<br><u>to Base)</u><br>Positions |             | nce/Leg.<br><u>to Gov)</u><br>Positions |     | <u>Change</u><br>Positions |
|-----|-----------|---------------------------------------|-------------|---|-----|----------------------------|
| GPR | \$733,600 | 3.00                                  | - \$733,600 | - 3.00                                  | \$0 | 0.00                       |

**Governor:** Provide \$451,600 in 2023-24 and \$282,000 in 2024-25 and 3.0 positions beginning in 2023-24 in a new appropriation. In 2023-24, \$93,900 would be provided for salaries, \$41,900 for fringe benefits, and \$315,800 for supplies and services; in 2024-25, \$125,200 would be provided for salaries, \$55,800 for fringe benefits, and \$101,000 for supplies and services.

Specify that this funding and positions would be used for enforcement activities related to wages, hours, and working conditions of migrant workers, the certification, maintenance, and inspection of migrant labor camps, and the recruitment and hiring of migrant worker under employment regulations established under current law governing migrant labor.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 5. MIGRANT LABOR CONTRACTOR AND CAMP FEES

|   | (0 |          | Jt. Finance/Leg.<br>(Chg. to Gov) |     |
|---|----|----------|-----------------------------------|-----|
| Р | R  | \$44,400 | - \$44,400                        | \$0 |

**Governor:** Provide \$22,200 annually of supplies and services funding to the Department's auxiliary services appropriation. Specify that fees paid for certificates of registration by migrant labor contractors and persons who operate migrant labor camps would be deposited in this appropriation rather than to the general fund. Modify the appropriation so that funds could be expended on administrative services related to the migrant labor provisions of current law.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 6. SUBSTANCE ABUSE PREVENTION ON PUBLIC WORKS PROJECTS [LFB Paper 880]

|     | Gove<br><u>(Chg. t</u><br>Funding P | o Base) |             | to Gov |          | <u>Change</u><br>Positions |
|-----|-------------------------------------|---------|-------------|--------|----------|----------------------------|
| GPR | \$500,900                           | 3.00    | - \$405,500 | - 3.00 | \$95,400 | 0.00                       |

**Governor:** Provide \$214,700 in 2023-24 and \$286,200 in 2024-25 and 3.0 positions beginning in 2023-24 to the Department's general program operations appropriation for the administration and enforcement of a substance abuse prevention program. In 2023-24, \$99,300 would be provided for salaries, \$44,100 for fringe benefits, and \$71,300 for supplies and services; in 2024-25, \$132,300 would be provided for salaries, \$58,800 for fringe benefits, and \$95,100 for supplies and services. The Executive Budget Book indicates that the additional position authority and funding would be for outreach and investigative activities related to state law prohibitions on workers possessing, distributing, delivering or being under the influence of alcohol and drugs on public works or utility projects.

Under current law, no employee may use, possess, attempt to possess, distribute, deliver, or be under the influence of a drug, or use or be under the influence of alcohol, while performing work on a public works project or public utility project. An employee is considered to be under the influence of alcohol if he or she has an alcohol concentration of .04 or more. Employers also must have in place a written program for the prevention of employee substance abuse.

**Joint Finance/Legislature:** Modify provision to provide \$95,400 and 1.0 one-year project position in 2023-24.

# 7. MINIMUM WAGE

**Governor:** Specify annual increases to the minimum wage level for most employees, from the effective date of the bill to January 1, 2027. The following table shows the current minimum wages rates and those provided under the bill.

## **Minimum Wage Rates**

|   | Current Law | Beginning on<br>Effective Date<br>of Bill Through<br><u>12/31/24</u> | Beginning<br>1/1/25 Through<br><u>12/31/25</u> | Beginning<br>1/1/26 through<br><u>12/31/26</u> |
|---|-------------|--|--|--|
| Adult, Minor, Agricultural Employee     | \$7.25      | \$8.25   | \$9.25   | \$10.25  |
| Opportunity Employee                    | 5.90        | 6.71   | 7.52   | 8.33   |
| Tipped Employee                         | 2.33        | 2.65   | 2.97   | 3.29   |
| Tipped Opportunity Employee             | 2.13        | 2.42   | 2.71   | 3.00   |
| Caddies                                 |             |  |  |  |
| 9 Holes                                 | 5.90        | 6.71   | 7.52   | 8.33   |
| 18 Holes                                | 10.50       | 11.95  | 13.40  | 14.85  |
| Camp Counselors (Adult and Minor), week | ly rate     |  |  |  |
| No Board or Lodging                     | 350.00      | 398.28   | 446.56   | 494.84   |
| Board Only                              | 265.00      | 301.55   | 338.50   | 375.09   |
| With Board and Lodging                  | 210.00      | 238.97   | 267.94   | 296.91   |

Require DWD to revise each minimum wage rate in effect on January 1, 2027 (last column in the table), and on each January 1 thereafter, by the percentage change in the Consumer Price Index (CPI) for the most recent 12-month period for which full-month information is available. The bill would require DWD to annually revise the amount published in the Wisconsin Administrative Register and on the DWD internet site, and would specify that these adjustments would not be considered rules for purposes of current law governing administrative rules.

Define "consumer price index" to mean the average of the CPI over each 12-month period for all urban consumers (CPI-U), U.S. city average, all items, not seasonally adjusted, as determined by the Bureau of Labor Statistics of the U.S. Department of Labor.

*Minimum Wage Study Committee*. Require the DWD Secretary to establish a minimum wage study committee to consist of the following members: (a) five members appointed by the Governor; (b) one member appointed by the Speaker of the Assembly; (c) one member appointed by the Minority Leader of the Assembly; (d) one member appointed by the Majority Leader of the Senate; and (e) one member appointed by the Minority Leader of the Senate. Require the

committee to study options to achieve a \$15 per hour minimum wage and other options to increase compensation for workers in this state. No later than October 1, 2024, require the committee to submit to the Governor and the appropriate standing committees of the Legislature a report that includes recommendations regarding the options for achieving a \$15 per hour minimum wage and other means of increasing worker compensation in this state. Specify that the minimum wage study committee would terminate upon submission of the report.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 8. PREVAILING WAGE

**Governor:** Restore the state prevailing wage law as the law existed prior to 2015 Act 55 by repealing: (a) the provisions of 2015 Act 55 that eliminated the state prevailing wage law applying to local projects of public works (counties, villages, towns, cities, school districts, municipal utilities and technical colleges); and (b) the provisions of 2017 Act 59 that eliminated the state prevailing wage law that applied to state agency and state highway projects.

Under current law, there are no state prevailing wage standards for local projects of public works, state agency projects, or state highway projects. The state prevailing wage requirements for local projects were repealed effective January 1, 2017. The state prevailing wage requirements for state agency and state highway projects were repealed effective September 23, 2017. These changes did not affect federal Davis-Bacon Act requirements, which specify that building and highway projects that utilize at least \$2,000 in federal funds are subject to the federal prevailing wage rates as determined by the U.S. Department of Labor.

Under the bill, the state prevailing wage law would be as it was immediately prior to the passage of 2015 Act 55. Generally, the prevailing wage law under the bill would consist of the following major elements:

Application of the Prevailing Wage Law. Specify that state prevailing wage requirements apply based on various project cost thresholds. For a single-trade project, the threshold is \$48,000, whereas the threshold for a multiple-trade project is either \$100,000 or \$234,000; the latter applies to public works projects erected, constructed, repaired, remodeled, or demolished by a private contractor for a city or village with a population less than 2,500, or for a town. A "single-trade project" is defined as one in which a single trade (such as a carpenter, glazier, or electrician) accounts for 85% or more of the total labor cost of the project. A "multiple-trade project" is defined as one in which no single trade accounts for more than 85% of the total labor cost of the project.

*Prevailing Hours of Labor*. Specify that workers to whom state prevailing wage law applies may not be permitted to work a greater number of hours per day or per week than the prevailing hours of labor, unless they are paid for all hours worked in excess of prevailing hours of labor at a rate of at least 1.5 times their hourly basic rate of pay. Define "prevailing hours of labor" to mean 10 hours per day and 40 hours per week, not including any hours worked on a Saturday or Sunday, or on certain holidays.

*Prevailing Wage Rate.* Define "prevailing wage rate" to mean the hourly basic rate of pay, plus the hourly contribution for health insurance, vacation, pension, and any other economic benefit, paid for a majority of the hours worked in a trade or occupation on projects in an area (generally the county). If there is no rate at which a majority of the hours worked in the occupation on projects in the area is paid, the prevailing wage rate would mean the average hourly basic rate of pay, weighted by the number of hours worked, plus the average hourly contribution, weighted by the number of hours worked, for health insurance benefits, vacation benefits, pension benefits and any other bona fide economic benefit, paid for all hours worked at the hourly basic rate of pay of the highest-paid 51% of hours worked in that trade or occupation on projects in that area.

*Survey Process.* Require DWD to determine prevailing wage rates for each trade or occupation in each area of the state by January 1 of each year. The survey would be based on a statutorily prescribed annual survey process for all types of local public works projects, state agency public works projects excluding highways and bridges, and state-contracted highway construction projects. Provide that DWD may not collect survey data from projects that are subject to the state or federal prevailing wage requirements unless DWD determines that there is insufficient wage data in the area to determine a prevailing wage rate.

Administration and Enforcement. Require DWD to enforce all local and state prevailing wage laws, and require the Department of Transportation (DOT) to administer and enforce federal and state prevailing wage laws for highway and bridge construction projects. Require DWD, by May 1 of each year, to certify to DOT the prevailing wage rates in each area for all trades or occupations commonly employed in the highway construction industry.

Specify that all provisions regarding compliance, enforcement, inspection, notice, appeals, remedies, coverage, and penalties from the state prevailing wage law as it was prior to the enactment of 2015 Act 55 would be recreated and made effective on the date of the bill, and would first apply to bids, contracts, or actions that occur on or after that date.

Retain the current prohibition against local governments enacting or administering their own prevailing wage laws or similar ordinances. Currently, a local governmental unit may not enact and administer an ordinance or other enactment requiring laborers, workers, mechanics, and truck drivers employed on projects of public works, or on publicly funded private construction projects, to be paid the prevailing wage rate and to be paid at least 1.5 times their hourly basic rate of pay for hours worked in excess of the prevailing hours of labor.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 9. REPEAL RIGHT TO WORK

**Governor:** Repeal the provisions of 2015 Wisconsin Act 1 that specify that no person may require, as a condition of obtaining or continuing employment, an individual to do any of the following: (a) refrain or resign from membership in, voluntary affiliation with, or voluntary financial support of a labor organization; (b) become or remain a member of a labor organization; (c) pay any dues, fees, assessments, or other charges or expenses of any kind or amount, or provide

anything of value, to a labor organization; or (d) pay to any third party an amount that is in place of, equivalent to, or any portion of dues, fees, assessments, or other charges or expenses required of members of, or employees represented by, a labor organization. Delete current law specifying that these provisions apply to the extent permitted under federal law and that if a section of a contract violates this provision, that section of the contract is void.

*Unfair Labor Practices.* For the purposes of the following provisions, the definition of "employer" does not include the state or any political subdivision thereof.

Modify the current declaration of an unfair labor practice relating to an employer encouraging or discouraging membership in any labor organization, employee agency, committee, association, or representation plan by discrimination in regard to hiring, tenure, or other terms or conditions of employment. Create an exception for a collective bargaining unit where an all-union agreement is in effect. Under current law, an "all-union agreement" means an agreement between an employer and the representative of the employer's employees in a collective bargaining unit whereby all or any of the employees in such unit are required to be members of a single labor organization.

Modify the current declaration of unfair labor practice for an employer to bargain collectively with the representatives of less than a majority of the employer's employees in a collective bargaining unit, or to enter into an all-union agreement, by creating an exception for an employer who does so with the voluntarily recognized representative of the employees in a collective bargaining unit, where at least a majority of such employees voting have voted affirmatively, by secret ballot, in favor of the all-union agreement in a referendum conducted by the Wisconsin Employment Relations Commission (WERC). If the bargaining representative has been certified by either WERC or the National Labor Relations Board as the result of a representation election, no referendum is required to authorize the entry into an all-union agreement.

Specify that the authorization of an all-union agreement continues, subject to the right of either party to the agreement to petition WERC to conduct a new referendum on the subject. Upon receipt of the petition, if WERC determines there is reasonable ground to believe that the employees concerned have changed their attitude toward the all-union agreement, WERC shall conduct a referendum. If the continuance of the all-union agreement is supported on a referendum by a majority vote, it may continue, subject to the right to petition for a further vote by the same procedure. If the continuance of the all-union agreement is not supported on a referendum, it terminates at the expiration of the contract of which it is then a part or at the end of one year from the date of the announcement by WERC of the result of the referendum, whichever is earlier. Require WERC to declare any all-union agreement terminated whenever it finds that the labor organization involved has unreasonably refused to receive as a member any employee of such employer. An interested person may, as specified in current law, request WERC to perform this duty.

Modify the current declaration of an unfair labor practice that prohibits an employer from deducting labor organization dues or assessments from an employee's earnings, unless the employer has been presented with an individual order signed by the employee and terminable by

the employee at the end of any year of its life. Create an exception for cases in which there is an all-union agreement in effect. Specify that the employer must give notice to the labor organization of receipt of a notice of termination.

*Declaration of Policy*. Recreate a state declaration of policy on employment relations repealed under Act 1. The declaration would state, in part:

(a) that the public policy of the state, as to employment relations and collective bargaining, recognizes that there are three major interests: the public, the employee, and the employer; and that these three interests are interrelated and that it is the policy of the state to protect and promote each of these interests with due regard to the situation and to the rights of the others; and

(b) that industrial peace, regular and adequate income for the employee, and uninterrupted production of goods and services are promotive of all of these interests and are largely dependent upon the maintenance of fair, friendly, and mutually satisfactory employment relations and the availability of suitable machinery for the peaceful adjustment of whatever controversies may arise; that certain employers, including farmer, farmer cooperatives, and unincorporated farmer cooperative associations face special problems arising from perishable commodities and seasonal production that requires adequate consideration; that whatever may be the rights of disputants, they should not be permitted to intrude directly into the primary rights of third parties to earn a livelihood, transact business, and engage in the ordinary affairs of life; and

(c) that negotiations of terms and conditions of work should result from voluntary agreement between employer and employee; and that an employee has the right, if the employee desires, to associate with others in organizing and bargaining collectively through representatives of the employee's own choosing; and

(d) that it would be the policy of the state, in order to preserve and promote the interests of the public, the employee, and the employer, to establish standards of fair conduct in employment relations and to provide a convenient, expeditious, and impartial tribunal by which these interests may have their respective rights and obligations adjudicated; while limiting individual and group rights of aggression and defense, the state substitutes processes of justice for the more primitive methods of trial by combat.

*Penalties*. Repeal the provision that specifies that anyone who violates the right to work law is guilty of a Class A misdemeanor.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **10. PROJECT LABOR AGREEMENTS**

**Governor:** Repeal the provisions of 2017 Wisconsin Act 3, which prohibits state and local units of government from any of the following in letting bids for state procurement or public works contracts: (a) requiring that a bidder enter into or adhere to an agreement with a labor organization; (b) considering, as a factor in making an award, whether any bidder has or has not entered into an

agreement with a labor organization; or (c) requiring that a bidder enter into, adhere to, or enforce any agreement that requires, as a condition of employment, that the bidder or bidder's employees become or remain members of, or be affiliated with, a labor organization or pay any dues, fees, assessments, or other charges or expenses of any kind or amount, or provide anything of value, to a labor organization or a labor organization's health, welfare, retirement, or other benefit plan or program.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

## 11. LOCAL EMPLOYMENT REGULATIONS

**Governor:** Repeal the provisions of 2017 Wisconsin Act 327, which prohibits local units of government from enacting or enforcing ordinances related to any of the following: (a) regulations related to wage claims and collections; (b) requiring a person to accept provisions of a collective bargaining agreement or to waive rights under state or federal labor relations laws (defined as the National Labor Relations Act and the Labor Management Relations Act); (c) regulation of employee hours of labor or overtime, including scheduling of employee work hours or shifts; (d) requiring an employer to provide certain employment benefits, including retirement, pension, profit sharing, insurance, or leave benefits; (e) prohibiting an employer from requesting the salary history of a prospective employee; (f) prohibiting requiring any person to agree to waive the person's rights under state or federal labor laws, or compel or attempt to compel a person to agree to waive the person's rights under state or federal labor laws, as a condition of any regulatory approval or other approval by the local governmental unit; or (g) imposing occupational licensing requirements on an individual that are more stringent than state-imposed licensing requirements for the profession.

Recreate provisions from the 2015 statutes specifying that the prohibition on a local government (county, city, village, or town) from enacting a minimum wage ordinance does not affect a local government ordinance that applies the state prevailing wage law requirements specified under the bill to an employee of a local government, a contractor for the local government, or a person performing work using financial assistance from the local government.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **12. DISCRIMINATION ON THE BASIS OF GENDER EXPRESSION OR GENDER IDENTITY**

**Governor:** Prohibit public and private employers, labor organizations, employment agencies, licensing agencies, or other persons from discriminating against employees, job applicants, or licensing applicants on the basis of an individual's gender identity or gender expression.

Define "gender expression" to mean an individual's actual or perceived gender-related

appearance, behavior, or expression, regardless of whether these traits are stereotypically associated with the individual's assigned sex at birth.

Define "gender identity" to mean an individual's internal understanding of the individual's gender, or the individual's perceived gender identity.

*Wisconsin Fair Employment Law.* The Wisconsin Fair Employment Law (Chapter 111, Subchapter II) prohibits discrimination in recruitment and hiring, job assignments, pay, leave or benefits, promotion, licensing, union membership, training, layoff and firing, and other employment-related actions. Under the law, an otherwise properly qualified individual cannot be discriminated against in employment based on their age, race, creed, color, disability, marital status, sex, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, use or nonuse of lawful products off the employer's premises during nonworking hours, or declining to attend a meeting or to participate in any communication about religious matters or political matters. The bill would add gender expression and gender identity as protected categories ("prohibited bases of discrimination") under the state's Fair Employment Law. The bill would amend the stated policy and findings of the Legislature to include discrimination based on gender identity or gender expression as substantially and adversely affecting the welfare of the state, and that the Legislature's intent is to protect by law the rights of all individuals to obtain gainful employment and enjoy privileges free from such discrimination.

Specify that, under the Wisconsin Fair Employment Law, employment discrimination because of sex includes engaging in harassment that consists of unwelcome verbal or physical conduct directed at another individual because of that individual's gender, gender expression or gender identity, other than certain specified forms of sexual harassment, and that has the purpose or effect of creating an intimidating, hostile or offensive work environment, or has the purpose or effect of substantially interfering with that individual's work performance. Under current law, gender expression and gender identity are not specified.

Specify that, under the Wisconsin Fair Employment Law, employment discrimination because of sex includes: (a) refusing to hire, employ, admit or license any individual; (b) barring or terminating from employment, membership, or licensure any individual; or (c) discriminating against any individual in promotion, in compensation, or in the terms, conditions, or privileges of employment because of the individual's sexual orientation, gender expression, or gender identity. Under current law, gender expression and gender identity are not specified.

Specify that, under the Wisconsin Fair Employment Law, employment discrimination because of sex includes, but is not limited to, discriminating against any individual ("woman" under current law) on the basis of pregnancy, childbirth, parental ("maternity" under current law) leave or related medical conditions by engaging in certain prohibited actions including, but not limited to, actions concerning fringe benefit programs covering illnesses and disability.

Specify that it is not employment discrimination for an employer to require an employee to adhere to reasonable workplace appearance, grooming, and dress standards not precluded by other provisions of state or federal law, provided that an employer shall allow an employee to appear or dress consistently with the employee's gender identity or gender expression.

Revise certain current references of "he or she" to "the person" under the Wisconsin Fair Employment Law.

*State Employee Labor Organizations*. Specify that a labor organization representing state employees for the purpose of collective bargaining may not discriminate with regard to the terms or conditions of membership because of gender expression or gender identity. Under current law, a labor organization representing state employees for the purpose of collective bargaining may not discriminate with regard to the terms or conditions of membership because of race, color, creed, sex, age, sexual orientation, or national origin. The bill would amend this statute to add gender expression and gender identity to the list of individual characteristics upon which a state employee labor organization cannot discriminate.

*State Contracts.* Specify that contracting agencies in the executive branch, the University of Wisconsin Hospitals and Clinics Authority, the Fox River Navigational System Authority, the Wisconsin Aerospace Authority, the Lower Fox River Remediation Authority, the Wisconsin Economic Development Corporation, and the Bradley Center Sports and Entertainment Corporation must include in all contracts executed by them a provision obligating the contractor not to discriminate against any employee or applicant for employment because of gender expression or gender identity. Under current law, the contractor not to discriminate against any employee or applicating the contractor not to discriminate against any employee of age, race, religion, color, handicap, sex, physical condition, developmental disability, sexual orientation, or national origin. The bill would amend this statute to add gender expression and gender identity to the list of individual characteristics upon which a contractor cannot discriminate.

*State Employment*. Specify that it is the policy of the state to provide for equal opportunity by ensuring that all personnel actions by executive branch agencies including hire, tenure or term, and condition or privilege of employment be based on the ability to perform the duties and responsibilities assigned to the particular position without regard to gender expression or gender identity. Further, specify that no discrimination may be exercised in the recruitment, application, or hiring process against or in favor of any person because of the person's gender expression or gender identity except as otherwise provided.

Under current law, it is the policy of the state to provide for equal opportunity by ensuring that all personnel actions by executive branch agencies including hire, tenure or term, and condition or privilege of employment be based on the ability to perform the duties and responsibilities assigned to the particular position without regard to age, race, creed or religion, color, disability, sex, national origin, ancestry, sexual orientation, or political affiliation. Also under current law, no discrimination may be exercised in the recruitment, application, or hiring process against or in favor of any person because of the person's age, sex, disability, race, color, sexual orientation, national origin, or ancestry except as otherwise provided. The bill would amend these statutes to add gender expression and gender identity to the list of individual characteristics upon which state executive branch agency employment decisions cannot be based.

University of Wisconsin System Employment. Specify that the UW Board of Regents not consider sexual orientation, gender expression or gender identity in the appointment of employees

of the UW System. Under current law, the Board of Regents must not consider or exercise sectarian or partisan tests or any tests based upon race, religion, national origin, or sex in the appointment of employees of the UW System.

*Vocational Rehabilitation Services.* Specify that eligibility for vocational rehabilitation services is determined without regard to sexual orientation, gender expression or gender identity. Under current law, eligibility for vocational rehabilitation services is determined without regard to the sex, race, age, creed, color, or national origin of the individual applying for services, that no class of individuals is found ineligible solely on the basis of type of disability and that no age limitations for eligibility exist.

*Public School Employment*. Specify that in the employment of teachers or administrative personnel in public schools, or in their assignment or reassignment, sexual orientation, gender expression or gender identity may not be considered. Under current law, there may be no discrimination in the employment of teachers or administrative personnel in public schools because of sex, except where sex is a bona fide occupational qualification, race, national origin, or political or religious affiliation.

*Wisconsin Housing and Economic Development Authority (WHEDA)*. Specify that WHEDA require contractors and subcontractors engaged in the construction of economic development or housing projects to provide an equal opportunity for employment, without discrimination as to gender expression or gender identity. Under current law, WHEDA must require contractors and subcontractors engaged in the construction of economic development or housing projects to provide an equal opportunity for employment, without discrimination as to subcontractors engaged in the construction of economic development or housing projects to provide an equal opportunity for employment, without discrimination as to sex, race, religion, sexual orientation, or creed.

*National Guard*. Specify that no person, otherwise qualified, may be denied membership in the National Guard or state defense force because of gender expression or gender identity, and no member of the National Guard or state defense force may be segregated within the National Guard or state defense force on the basis of gender expression or gender identity. Under current law, no person, otherwise qualified, may be denied membership in the National Guard or state defense force because of sex, color, race, creed, or sexual orientation, and no member of the National Guard or state defense force may be segregated on the basis of sex, color, race, creed, or sexual orientation. The bill would also specify that no person may be denied equal access to facilities most consistent with the person's gender identity. Current law relating to no discrimination does not prohibit separate facilities for persons of different sexes with regard to dormitory accommodations, toilets, showers, saunas, and dressing rooms.

The bill would also prohibit discrimination on the basis of a person's status as a holder or a non-holder of a REAL ID non-compliant license and add this license status as a prohibited basis for discrimination in public or private employment, and occupancy of housing projects. [See "Transportation -- Motor Vehicles."]

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **13. CIVIL ACTIONS REGARDING EMPLOYMENT DISCRIMINATION, UNFAIR HONESTY TESTING, AND UNFAIR GENETIC TESTING**

**Governor:** Specify that the Department or an individual alleged or found to have been discriminated against or subjected to unfair honesty testing or unfair genetic testing may bring an action in circuit court requesting relief against an employer, labor organization, or employment agency that is alleged or found to have engaged in the conduct. Under current law, DWD has statutory responsibilities to receive and investigate complaints alleging discrimination and discriminatory practices. This includes actions responding to alleged honesty testing, such as a polygraph test, or genetic testing by employers, both of which employers generally may not require of employees or coerce them into accepting. DWD's authorities include the ability to conduct hearings, make findings, and issue orders to eliminate unfair or unlawful action, including awarding compensation for violations. DWD findings are reviewable by the Labor and Industry Review Commission (LIRC), and decisions of LIRC can be reviewed further by a circuit court upon petition of a party.

The following paragraphs describe changes under the bill to these procedures, including the creation of civil actions for instances of discrimination or unfair honesty or genetic testing.

*Notices*. Require DWD to serve a certified copy of its findings and order on the complainant, together with a notice advising the complainant about: (a) the right to seek, and the time for seeking, review by LIRC; (b) the right to bring, and the time for bringing, an action for judicial review; and (c) the right to bring, and the time for bringing, a civil action as described separately. This notice would be in addition to current requirements of serving notice of findings to the respondent alleged to have committed a discriminatory or unfair practice, or to the complainant if DWD finds reason to dismiss the complaint.

Require LIRC to serve a certified copy of the Commission's decision on the respondent. Require LIRC to also serve a certified copy of the Commission's decision on the complainant, together with a notice advising the complainant about the right to bring, and the time for bringing, an action for judicial review under current law and about the right to bring, and the time for bringing, a civil action as specified under the provision.

*Civil Action Procedures and Limitations.* Specify that an action many not be brought against: (a) a local governmental unit, including a political subdivision, special purpose district, an instrumentality or corporation of either type of governmental unit, or any other combination of political subdivision or special entity created by a political subdivision; or (b) an employer, labor organization, or employment agency that employs fewer than 15 individuals for each working day in each of 20 or more calendar weeks in the current or preceding year. Require that the civil action commence within 300 days after the alleged discrimination, unfair honesty testing, or unfair genetic testing occurred.

Specify that if a petition for judicial review of a LIRC finding and order of concerning the same violation as the violation giving rise to the civil action is filed, the circuit court shall consolidate the proceeding for judicial review and the civil action.

Specify that an individual alleged or found to have been discriminated against or subjected

to unfair honesty testing or unfair genetic testing is not required to file a complaint with the Department or seek judicial review in order for DWD or the individual to bring a civil action as provided.

*Noneconomic Losses and Punitive Damages Cap and Cap Indexing*. Specify that in a civil action permitted under this provision, if the circuit court finds that discrimination, unfair honesty testing, or unfair genetic testing has occurred, or if such a finding has been made by an examiner or LIRC and not been further appealed, the circuit court may order any relief that an examiner would be empowered to order under current law after a hearing on a discrimination complaint. In addition, require the circuit court to order the defendant to pay to the individual discriminated against or subjected to unfair honesty testing or unfair genetic testing any other compensatory damages, and punitive damages, as permitted under current law, that the circuit court or jury finds appropriate, plus reasonable costs and attorney fees incurred in the action. Require the circuit court to specify whether the relief ordered from the civil action, as provided under the bill, is in addition to or replaces any relief as ordered by DWD, LIRC or the circuit courts. Specify that civil action court costs would be exempted from certain thresholds under current law.

Provide that the sum of the amount of compensatory damages for future economic losses and for pain and suffering, emotional distress, mental anguish, loss of enjoyment of life, and other noneconomic losses and the amount of punitive damages that a circuit court may order may not exceed the following:

(a) For a defendant that employs 100 or fewer employees for each working day in each of 20 or more calendar weeks in the current or preceding year, \$50,000.

(b) For a defendant that employs more than 100 but fewer than 201 employees for each working day in each of 20 or more calendar weeks in the current or preceding year, \$100,000.

(c) For a defendant that employs more than 200 but fewer than 501 employees for each working day in each of 20 or more calendar weeks in the current or preceding year, \$200,000.

(d) For a defendant that employs more than 500 employees for each working day in each of 20 or more calendar weeks in the current or preceding year, \$300,000.

Specify that if the circuit court orders a payment because an individual was found to have been discriminated against or subjected to unfair honesty testing or unfair genetic testing by an individual employed by an employer, the employer of that individual is liable for the payment.

Require DWD, beginning on July 1, 2024, and on each July 1 after that, to adjust the caps on gross damages, by the percentage change in the consumer price index for the 12-month period ending on December 31 of the preceding year. Require DWD to publish the adjusted amounts calculated under this provision in the Wisconsin Administrative Register, and the adjusted amounts would apply to civil actions commenced beginning on July 1 of the year of publication. Specify that this provision would not apply for years in which the CPI decreased over the preceding calendar year.

Initial Applicability. Specify that these provisions would first apply to acts of employment

discrimination, unfair honesty testing, or unfair genetic testing committed on the effective date of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 14. JOB APPLICANT CONVICTION RECORD

**Governor:** Provide that employment discrimination because of conviction record would include a prospective employer requesting an applicant for employment, on an application form or otherwise, to supply information regarding the conviction record of the applicant, or otherwise inquiring into or considering the conviction record of an applicant for employment, before the applicant has been selected for an interview by the prospective employer. Specify that this provision would not prohibit an employer from notifying applicants for employment that an individual with a particular conviction record may be disqualified by law or under the employer's policies from employment in particular positions. Provide that these provisions would take effect and first apply to an application for employment submitted to an employer on the first day of the sixth month beginning after publication of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# **15. EMPLOYEE COMPENSATION INFORMATION**

**Governor:** Prohibit an employer from directly or indirectly doing any of the following: (a) rely on or solicit from a prospective employee or their current or former employer information about the employee's current or prior compensation; (b) require that a prospective employee's current or prior compensation meet certain criteria in order for the employee to be considered for employment; and (c) refuse to hire or employ or otherwise discriminate against a prospective employee in compensation or in the terms of employment for opposing a prohibited practice, filing or indicating an intent to file a complaint or otherwise exercising any right under this provision, or participating in any manner in any investigation, action or proceeding to enforce any right under this provision. Repeal a provision of current law that authorizes an employer to solicit salary history information and preempts any local ordinance restrictions on this.

Authorize an employee to disclose information about their compensation to anyone and discuss compensation of other employees of their employer and ask other employees of their employer for details regarding their compensation. Prohibit an employer from interfering with such activity, or from discharging or discriminating against an employee engaging in such activity or an employee taking actions to enforce their rights under this provision. Specify that an employer may prohibit a human resources or payroll employee or other employee with access to compensation information from disclosing information about any other employee's compensation without that employee's prior written consent.

Provide that any employee who is refused employment, terminated, or otherwise

discriminated against under these provisions could file a complaint with DWD, which DWD would be required to process in the same manner as employment discrimination complaints are processed under current law. Specify that if DWD finds that a violation has occurred, DWD could order the employer to remedy the violation, including reinstating the employee, providing compensation in lieu of reinstatement, providing back pay accrued not more than two years before the complaint was filed, and paying reasonable actual costs and attorney fees.

Require each employer provide notice to employees and prospective employees of their rights under these provisions by doing all of the following: (a) posting in once or more conspicuous places where notices to employees are customarily posted, a notice in a form approved by DWD of employee and prospective employee rights under these provisions; (b) including on each listing for a job vacancy or other employment opportunity that is advertised by email, website, or other electronic means, all of the following: (1) a statement that the employer is prohibited from relying on a prospective employee's current or former compensation when making an offer of employment or setting compensation; (2) a statement that the employer is prohibited from asking about a prospective employee's compensation until after the employer has made an employment offer with agree upon details of compensation; (3) a statement that the employer is prohibited from requiring that a prospective employee's current or prior compensation meet certain criteria in order for the employee to be considered for employment; and (4) information or a hyperlink to information regarding prohibited bases of discrimination under current law governing fair employment. Specify that any employer who violates these notice requirements would forfeit not more than \$100 for each offense.

Provide that these provisions would first apply to an employee who is affected by a collective bargaining agreement that has provisions inconsistent with these provisions on the day on which the agreement expires or is extended, modified or renewed, whichever occurs first. Provide that these provisions would take effect on the first day of the 6<sup>th</sup> month beginning after publication of the bill.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# Worker's Compensation and Unemployment Insurance

#### 1. SUPPLEMENTAL BENEFITS APPROPRIATION

|     | Governor<br>(Chg. to Base) | Jt. Finance/Leg.<br>(Chg. to Gov) | Net Change |
|-----|----------------------------|-----------------------------------|------------|
| SEG | \$10,000,000               | - \$10,000,000                    | \$0        |

Governor: Provide \$5,000,000 annually in a new, annual appropriation from the

Department's segregated worker's compensation operations fund (WCOF). Specify that on the bill's effective date, the unencumbered balance of moneys DWD collected from licensed worker's compensation carriers and deposited in an existing appropriation would be transferred to the new appropriation, and such future collections would be deposited to the new appropriation. 2015 Act 55 terminated reimbursements for certain supplemental benefits paid by insurers from the Department's segregated work injury supplemental benefits fund, and instead provided that an insurer paying supplemental benefits would be entitled to annual reimbursement from the WCOF. Under Act 55, annual reimbursements to insurers are supported by WCOF revenues from a special assessment on insurers. Assessments from insurers of up to \$5,000,000 in each calendar year must be deposited in the WCOF and used to provide reimbursement to insurers paying supplemental benefits. Act 55 authorized DWD to collect and pay out a maximum of \$5,000,000 per year from the WCOF for supplemental benefit payments, but did not provide the additional budget authority needed to make those additional payments.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 2. EMPLOYEE MISCLASSIFICATION

**Governor:** Under current law, employers are required to correctly classify each worker as either an "employee" or "independent contractor." Worker misclassification is the unlawful practice of labeling employees as independent contractors, thereby allowing employers to forego certain tax withholdings, as well as health, retirement, and unemployment insurance benefits. In addition, misclassified employees can be denied access to protections they are entitled to by law, including minimum wage, overtime compensation, worker's compensation coverage, and family and medical leave.

Modify current law as follows:

*Worker's Compensation Fraud.* Specify that it would be a violation to present an application for worker's compensation insurance coverage that falsely or fraudulently misclassifies employees to lower worker's compensation insurance premiums. Provide that if an insurer has evidence that an application for worker's compensation insurance coverage is false or fraudulent or that an employer has committed fraud by misclassifying employees, the insurer is required to report the claim to the Department.

Provide that DWD may require an insurer to investigate an allegedly fraudulent application or alleged fraud by misclassification of employees and may provide the insurer with any records of the Department relating to that alleged fraud. Require an insurer that investigates alleged fraud under this provision to report the results of that investigation to the Department. Increase penalties for employers with repeat violations of the worker's compensation law due to misclassification and failure to insure.

Specify that DWD may request the Department of Justice (DOJ) to assist in an investigation into alleged fraud as provided under this provision. Require the Department, if DWD has a reasonable basis to believe that fraud has occurred, to refer the results of the investigation to DOJ

or to the district attorney of the county in which the alleged violation occurred for prosecution.

Worker's Compensation Misclassification and Providing Escalating Penalties for Repeat Violations. Under current law, all uninsured employers must pay to DWD the greater of either \$750, or twice the amount determined by the Department to equal what the uninsured employer would have paid during periods of illegal nonpayment for worker's compensation insurance in the preceding three-year period based on the employer's payroll in the preceding three years. Provide that: (a) for a third determination of a violation, the employer be assessed a \$3,000 penalty or three times the amount determined by DWD to equal what the uninsured employer would have paid during periods of illegal nonpayment for worker's compensation insurance in the preceding threeyear period based on the employer's payroll in the preceding three years, whichever is greater; and (b) for a fourth determination of a violation, the employer be assessed a \$4,000 penalty, or four times the amount determined by DWD to equal what the uninsured employer would have paid during periods of illegal nonpayment for worker's compensation insurance in the preceding threeyear period based on the employer's payroll in the preceding three years, whichever is greater; and (b) for a fourth determined by DWD to equal what the uninsured employer would have paid during periods of illegal nonpayment for worker's compensation insurance in the preceding threeyear period based on the employer's payroll in the preceding three years, whichever is greater.

Under current law, an employer who fails to comply with certain worker's compensation insurance requirements (failure to insure, or soliciting money from an employee for the purpose of discharging a worker's compensation liability) for less than 11 days must forfeit not less than \$100 nor more than \$1,000. An employer who fails to comply with those same requirements for more than 10 days must forfeit not less than \$10 nor more than \$100 for each day on which the employer fails to comply. Replace these penalty provisions as follows: (a) for a first determination of a violation, forfeit the greater of \$1,000 or the amount of the premium that would have been payable for each act; (b) for a second determination, forfeit the greater of \$2,000 or two times the amount of the premium that would have been payable for each act; (c) for a third determination of a violation, the employer would be assessed a penalty in the amount of \$3,000 or three times the amount of the premium that would have been payable for each act, whichever is greater; and (b) for a fourth determination of a violation, the employer would be assessed a penalty in the amount of \$4,000 or four times the amount of the premium that would not be premium that would have been payable for each act, whichever is greater; and (b) for a fourth determination of a violation, the employer would be assessed a penalty in the amount of \$4,000 or four times the amount of the premium that would have been payable for each act, whichever is greater.

Under current law, an employer who is required to provide worker's compensation insurance coverage must forfeit not less than \$100 nor more than \$1,000 if the employer does any of the following: (a) gives false information about the coverage to his or her employees, the Department, or any other person who contracts with the employer and who requests evidence of worker's compensation coverage in relation to that contract; or (b) fails to notify a person who contracts with the employer that the coverage has been canceled in relation to that contract. Provide that for a third violation, an employer who is required to provide worker's compensation insurance coverage would forfeit \$3,000 and for a fourth violation, \$4,000.

Unemployment Insurance Misclassification and Providing a Penalty. Specify that any employer who knowingly and intentionally provides false information to DWD for the purpose of misclassifying or attempting to misclassify an individual who is an employee of the employer as a nonemployee shall, for each incident, be assessed an administrative penalty by the Department in the amount of \$500 for each employee who is misclassified. For any repeat violation, the employer would be assessed an administrative penalty of \$1,000 for each employee who is misclassified.

Under current law, this provision only applies to certain construction industry employers and penalties are capped at \$7,500 per incident. Provide that any employer who, through coercion, requires an individual to adopt the status of a nonemployee shall be assessed an administrative penalty by the Department in the amount of \$1,000 for each individual coerced. For any repeat violation, the employer would be assessed an administrative penalty of \$2,000 for each employee so coerced. Under current law, this provision only applies to certain construction industry employers and penalties may not exceed \$10,000 per calendar year.

Specify that any employer who, after having previously been assessed an administrative penalty by DWD, knowingly and intentionally provides false information to the Department for the purpose of misclassifying or attempting to misclassify an individual who is an employee of the employer as a nonemployee shall be fined \$1,000 for each employee who is misclassified, subject to a maximum fine of \$25,000 for each violation. Under current law, this provision only applies to certain construction industry employers.

Clarify current law authorizing DWD to refer violations of these provisions for prosecution to specify that such referral may be made regardless of whether an employer has been subject to any administrative assessment.

*Notice of Worker Classification Laws.* Require DWD to design and make available to employers a notice regarding worker classification laws, requirements for employers and employees, and penalties for noncompliance, and to promulgate rules to implement this. Require employers to post the notice in one or more conspicuous places where notices are customarily placed, and specify that any employer who violates this posting requirement to forfeit not more than \$100 for each offense. Require DWD to establish and maintain on its website information regarding worker classification laws, requirements for employers and employees, and penalties for noncompliance as well as contact information at each state agency that administers worker classification laws. Require the Department of Financial Institutions (DFI) to provide informational materials and resources on worker misclassification to each person who files with DFI articles of incorporation, articles of organization, a limited liability partnership statement of qualification, or a certificate of limited partnership.

*Criminal Penalty*. Modify current law governing fraudulent insurance and employee benefit program claims so that it applies to someone who knowingly presents an application for worker's compensation insurance coverage that is false or fraudulent or that falsely or fraudulently misclassifies employees to lower worker's compensation insurance premiums. Under current law, violations of this provision are considered Class A misdemeanor if the value of the claim or benefit does not exceed \$2,500, or a Class I felony if it exceeds \$2,500.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

# 3. PTSD COVERAGE FOR FIRST RESPONDERS

**Governor:** Expand current law that applies to a law enforcement officer or a full-time fire fighter relating to port-traumatic stress disorder (PTSD) to also apply to the following: (a) an

emergency medical responder; (b) an emergency services practitioner; (c) a correctional officer; (d) a public safety answering point dispatcher; (e) a coroner; (f) a medical examiner; (g) a medicolegal investigation staff member; and (h) a volunteer fire fighter. Specify that a medicolegal investigation staff member includes a chief deputy coroner, a deputy coroner, a deputy medical examiner, and any person who assists the office of a coroner or medical examiner with an investigation of a death, excluding individuals performing solely administrative functions in such offices.

Under current law, as provided under 2021 Wisconsin Act 29, if a law enforcement officer or a full-time fire fighter is diagnosed with PTSD by a licensed psychiatrist or psychologist and the mental injury is not accompanied by a physical injury, that person can bring a claim for worker's compensation benefits if the conditions of liability are proven by the preponderance of evidence and the mental injury is not the result of a good faith employment action by the person's employer, such as a disciplinary action, work evaluation, transfer, layoff, demotion, or termination. The diagnosis does not need to be based on unusual stress of greater dimensions than the day-today emotional strain and tension experienced by similarly situated employees. No person can receive compensation for a claim under this provision more than three times in their lifetime. Under current law, the other workers under the proposal must demonstrate a diagnosis based on unusual stress of greater dimensions than the day-to-day emotional strain and tension experienced by all employees in order to bring a claim for worker's compensation benefits for PTSD.

Require the Commissioner of Insurance to submit to the Legislative Reference Bureau for publication in the Wisconsin Administrative Register a notice of the effective date of new rates for worker's compensation insurance first approved by the Commissioner after the effective date of the bill. Specify that these provisions would first apply to injuries reported on the effective date of such new rates.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 4. WORKER'S COMPENSATION--UNINSURED EMPLOYERS FUND

**Governor:** Modify the sum-sufficient SEG appropriation for uninsured employers fund payments to a continuing appropriation for all monies received from sources identified under current law. The uninsured employers fund is funded through penalties assessed against employers for illegally operating a business without worker's compensation insurance as well as reimbursement payments from uninsured employers for benefit payments made by the fund. The Executive Budget Book indicates that modification to the uninsured employers fund appropriation is needed for DWD to properly account for continuing segregated revenue balances and expenditures.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

#### 5. RECEIPT OF SOCIAL SECURITY DISABILITY INSURANCE PAYMENTS

**Governor:** Repeal the statutory provisions disallowing UI benefits to a claimant for each week in the entire month in which the person receives a Social Security Disability Insurance (SSDI) payment. Specify that if a monthly SSDI payment is issued to a claimant for UI benefits, the Department must apportion a claimant's monthly SSDI payment as the fraction of the payment attributable to that week and reduce UI benefits otherwise payable to the claimant for a given week on that basis. This provision would not apply to a lump sum SSDI payment, such as a retroactive payment or back pay.

Provide that, if the claimant is receiving SSDI payments, the claimant must, in the manner prescribed by DWD, report to the Department the amount of the SSDI payments. Certain existing provisions relating to the rounding of benefits and calculating benefit payment deductions to payments would continue to apply under this provision.

Specify that these provisions would take effect on the first Sunday of the 7<sup>th</sup> month beginning after the publication, and would first apply to determinations that occur on that effective date.

**Joint Finance/Legislature:** Provision not included. (Removed from budget consideration pursuant to Joint Finance Motion #10.)

PROVISIONS REMOVED FROM BUDGET CONSIDERATION

# PROVISIONS REMOVED FROM BUDGET CONSIDERATION (Joint Finance Committee Motion #10)

#### ADMINISTRATION

#### **General Agency Provisions**

- Investment and Capital Grants Programs (Page 49, #4)
- Grant to a Professional Baseball Park District (Page 50, #5)
- Civil Legal Assistance Grant Program (Page 51, #6)

- Tribal High-Cost Placements and Prevention (Page 204, #11)
- Independent Living Program (Page 205, #13)
- Runaway and Homeless Youth Services (Page 209, #17)
- Sibling Connections Program (Page 211, #19)
- Consolidate Funding and Programs Administered by the Bureau of Youth Services (Page 211, #20)

#### **Juvenile Justice**

- Juvenile Justice Aids for 17-Year-Olds (Page 213, #1)
- Youth Justice Training (Page 214, #2)
- Juvenile Justice Reform Review Committee (Page 214, #3)
- Youth Aids Funding Modifications (Page 215, #6)

### **Child Support and Departmentwide**

- Office of Legal Counsel (Page 218, #3)
- Equity Officer Position (Page 221, #8)

### **CIRCUIT COURTS**

- Pretrial Risk Assessment Reimbursement (Page 224, #5)
- Modification of Certificates of Qualification for Employment (Page 225, #6)

#### CORRECTIONS

#### Departmentwide

- Bureau of Training and Staff Development (Page 231, #10)
- Agency Supplies and Services Funding Increase (Page 232, #13)
- Equity Officer Position (Page 232, #14)
- Tribal Liaison Position (Page 233, #15)
- Pregnancy or Postpartum Individuals in Correctional Facilities (Page 233, #16)

#### **Adult Institutions**

- Medication Administration Pilot Program (Page 237, #5)
- Treatment Capacity Expansion (Page 238, #9)

#### **Community Corrections**

- Alternative to Revocation Expansion (Page 243, #2)
- Notification to Crime Victims (Page 244, #5)

#### **Adult Sentencing**

- Earned Release Program Criteria and Eligibility (Page 245, #1)
- Earned Release Compliance Credit (Page 246, #2)
- Expungement of Criminal Records (Page 247, #3)
- Immunity for Certain Controlled Substances Offenses (Page 249, #4)

#### **Juvenile Corrections**

• Age of Juvenile Jurisdiction (Page 252, #6)

### **DISTRICT ATTORNEYS**

- Deputy District Attorney Allocations (Page 259, #8)
- Representation for Law License Grievances (Page 259, #10)

### EDUCATIONAL COMMUNICATIONS BOARD

• Agency Supplies and Services Funding Increase (Page 261, #4)

### **ELECTIONS COMMISSION**

- Office of Election Transparency and Compliance (Page 263, #2)
- Badger Book Grants (Page 263, #3)
- Voter Identification Training Appropriation Modification (Page 264, #4)
- Reimbursement for Special Primary and Election Costs (Page 264, #5)
- Special Election Dates for Certain Federal Offices (Page 265, #6)
- Recount Fees (Page 265, #7)
- Automatic Voter Registration (Page 266, #8)
- Voter Registration Modifications (Page 267, #9)
- Student Proof of Identification for Voting (Page 268, #10)
- High School Voter Registration Requirement (Page 268, #11)
- Temporary Identification Cards for Voting -- Valid Period (Page 269, #12)
- Early Canvassing of Absentee Ballots (Page 269, #13)
- Central Counting at County Seat (Page 270, #14)
- In-Person Absentee Voting (Page 270, #15)
- Residency Requirement for Voting (Page 270, #16)
- Voter Bill of Rights (Page 271, #17)

#### **EMPLOYEE TRUST FUNDS**

- Income Continuation Insurance Premiums and Benefits (Page 275, #7)
- Policy and Oversight of Disability Programs (Page 276, #8)
- Office of Internal Audit (Page 277, #9)
- Distribution of Trust Fund Earnings (Page 277, #10)
- Health Insurance Waiting Period (Page 278, #11)
- Domestic Partner Benefits Administered by ETF (Page 278, #12)
- Rehired Annuitants (Page 279, #13)
- 2025-27 Request for Pension Administration System Funding (Page 280, #14)

# EMPLOYMENT RELATIONS COMMISSION

- General Operations Funding (Page 281, #2)
- Collective Bargaining Modifications (Page 282, #3)
- Local Government Employee Grievance Procedure Modifications (Page 286, #4)

### ENVIRONMENTAL IMPROVEMENT FUND

- Lead Service Line Replacement Funding (Page 288, #1)
- Land Recycling Loan Program -- Environmental Fund Repayments (Page 290, #3)

### FINANCIAL INSTITUTIONS

- Small Business Retirement Savings Program (Page 295, #3)
- Agency Equity Officer (Page 298, #7)
- Transfer to the Secretary of State (Page 299, #8)
- Achieving a Better Life Experience (ABLE) Savings Account Program (Page 299, #9)

#### GENERAL FUND TAXES

#### **Income and Franchise Taxes**

- Family and Individual Reinvestment Credit (Page 303, #1)
- Manufacturing and Agriculture Tax Credit Limitation (Page 305, #2)
- IRC Update Tax Cuts and Jobs Act of 2017 (Page 306, #3)
- Limit Capital Gains Exclusion (Page 307, #5)
- Family Caregiver Credit (Page 308, #6)
- Pre-Tax Contributions for Family Medical Leave Benefits (Page 310, #8)

- Limit Private School Tuition Deduction (Page 312, #11)
- Dividends Received Deduction Limitation (Page 314, #13)
- First-Time Homebuyer Savings Accounts (Page 314, #14)
- Repeal Net Operating Loss Carryback (Page 316, #15)
- Flood Insurance Premiums Credit (Page 317, #16)
- Expand Disability Income Exclusion (Page 317, #17)
- Sunset Working Families Credit (Page 318, #18)
- ABLE Account Termination Addback (Page 319, #19)
- Determining Health Care Eligibility Via Individual Income Tax Returns (Page 319, #20)

#### **General Sales and Use Taxes**

- Sales Tax on the Access to Prewritten Computer Software (Page 322, #1)
- Sales Tax Exemption for Diapers and Feminine Hygiene Products (Page 323, #2)
- Sales Tax on Marijuana (Page 324, #3)
- Sales Tax Exemption for Energy Systems (Page 324, #4)
- Sales Tax Exemption for Breastfeeding Equipment (Page 325, #5)

# General Sales and Use Taxes (continued)

- Sales Tax Exemption for Certain Planning and Counseling Services (Page 326, #6)
- Sales Tax Exemption for Gun Safes, Trigger Locks, and Gun Barrel Locks (Page 327, #7)
- Repeal Sales Tax Exemption for Farm-Raised Deer (Page 327, #8)
- Sales Tax Exemption for Local Professional Baseball Park Districts (Page 328, #9)
- Sales Tax Exemption for Improvements to Baseball Park Districts and Developments (Page 328, #10)
- Sales Tax Exemption for Transit Authorities (Page 328, #11)

# **Excise Taxes and Other Taxes**

- Vapor Products Tax (Page 331, #1)
- Impose Cigarette Tax on Little Cigars (Page 332, #2)
- Define Manufacturer's List Price (Page 333, #3)
- Real Estate Transfer Fee Exemption for Related Entities (Page 334, #4)
- Notice of Utility Taxes by Certified Mail (Page 334, #5)

# **Refundable Tax Credits and Other Payments**

- Expand Earned Income Credit (Page 338, #2)
- Homestead Credit Expansion (Page 339, #4)
- Enterprise Zone Limit (Page 341, #8)
- Veterans Property Tax Credit for 70% Disability Rating (Page 342, #10)
- Veterans Property Tax Credit for Renters (Page 343, #11)
- Business Development Job Training Credit (Page 344, #14)
- Business Development Corporate Headquarters Credit (Page 345, #15)
- Business Development Credit for Renewable Energy (Page 345, #16)
- Wage Thresholds for Enterprise Zone and Business Development Credits (Page 346, #17)
- Marijuana Tax Refunds (Page 349, #22)

# **HEALTH SERVICES**

# Medical Assistance -- Eligibility and Benefits

- Full Medicaid Expansion (Page 358, #3)
- Hospital Access Payments -- Acute Care Hospitals (Page 362, #5)
- Hospital Access Payments -- Critical Access Hospitals (Page 364, #6)
- Pediatric Hospital Supplement (Page 366, #8)
- Lead Investigation Services (Page 371, #14)
- Integrated Stabilization, Intoxication Monitoring, and Detoxification Facility Services (Page 373, #17)
- Community Health Services Coverage (Page 374, #18)
- Community Health Worker Services (Page 375, #19)
- Coverage of Continuous Glucose Monitoring and Insulin Pump Devices (Page 376, #20)
- Health Information Exchange Incentive (Page 376, #21)
- School-Based Services Federal Funding (Page 377, #22)
- Coverage of Schools as Telehealth Originating Sites (Page 378, #23)
- Certified Peer Specialist Services (Page 379, #24)

#### Medical Assistance -- Eligibility and Benefits (continued)

- Psychosocial Rehabilitation Services by Non-County Providers (Page 380, #26)
- Coverage of Doula Services (Page 381, #27)
- Dental Health Coordinator Grants (Page 382, #28)
- Joint Committee on Finance Review Process for Federal Waivers and MA Program Changes (Page 382, #29)

#### Medical Assistance -- Long-Term Care

- Home and Community-Based Services (Parts a and b only) (Page 392, #4)
- Children's Long-Term Support Waiver Program (Page 393, #5)

# Services for the Elderly and People with Disabilities

- Expand Eligibility for Birth to 3 (Page 398, #4)
- Healthy Aging Grants (Page 402, #8)

### **Public Health**

- Emergency Medical Services Grants (Page 404, #1)
- Lead Poisoning Investigations (Page 405, #3)
- Maternal and Infant Mortality Prevention Program (Page 406, #4)
- Electrocardiogram Screening for School Athletics Pilot (Page 408, #6)
- Child Wellness Grant (Page 408, #7)
- Spinal Cord Injury Research Grants (Page 408, #8)
- State Health Care Value Analysis Grant (Page 410, #10)
- Stocking Ambulances with Epinephrine (Page 411, #11)
- Native American Quitline for Tobacco and Vaping (Page 411, #12)
- Upstream Preventive Healthcare and Resilience (Page 412, #13)
- Suicide Prevention Grant Program (Page 412, #14)
- Amyotrophic Lateral Sclerosis (ALS) Supports (Page 415, #17)
- Certification of Emergency Medical Responders and State EMS Data System (Page 415, #18)

# **Behavioral Health**

- Opioid Antagonist Program (Page 427, #9)
- Stimulant Prevention and Treatment Response Programs (Page 428, #10)
- Health Care and Public Health Workforce Mental Health Pilot Program (Page 429, #12)
- Service Dogs Training Grant (Page 429, #14)
- Marijuana Revenue -- Payments for County Behavioral Health Services (Page 431, #18)

#### **Care and Treatment Facilities**

• Forensic Assertive Community Treatment Teams (Page 443, #9)

# **Quality Assurance**

• Staffing Requirement for Hospital Emergency Services (Page 447, #7)

# FoodShare and Public Assistance Administration

- Payment Processing Equipment for Farmers Markets and Direct Marketing Farmers (Page 450, #2)
- Double Up Food Bucks Pilot Program (Page 450, #3)
- Repeal FoodShare Work Requirement for Able-Bodied Adults with Dependents (Page 451, #4)
- Repeal FSET Drug Screening, Testing, and Treatment Requirements (Page 451, #5)
- Repeal Pay-For-Performance Payment System for FSET Vendors (Page 452, #6)
- Covering Wisconsin (Page 454, #8)
- Use of Individual Income Tax Forms to Initiate Health Care Eligibility Determinations (Page 456, #12)
- Tribal Reimbursement Staff (Page 457, #13)
- Medical Assistance Recoveries -- Qui Tam Claims (Page 457, #14)

#### Departmentwide

- State Operations -- Supplies and Services (Page 463, #2)
- Agency Equity Officer (Page 465, #4)

# HIGHER EDUCATIONAL AIDS BOARD

- Wisconsin Grants to UW System, Technical Colleges, and Tribal Colleges Program Changes (Page 472, #10)
- Wisconsin Grants to Private Nonprofit Colleges Program Changes (Page 472, #11)
- Talent Incentive and Hearing and Visually Impaired Grant Programs Technical Changes (Page 473, #12)
- Calculation of Student Financial Aid Terminology (Page 474, #13)
- DOA Administrative Support (Page 474, #14)

# HISTORICAL SOCIETY

- Black Historical Society (Page 477, #6)
- Agency Supplies and Services Funding Increase (Page 478, #7)
- Historical and Fine Arts Collection Inventory (Page 478, #8)

#### **INSURANCE**

#### **Agency Operations and Current Programs**

- Wisconsin Healthcare Stability Plan -- Adjustment of Total Annual Reinsurance Payment (Page 483, #6)
- Equity Officer Position (Page 485, #8)

# **Drug Costs and Pricing**

- Office of Prescription Drug Affordability (Page 486, #1)
- Prescription Drug Affordability Board (Page 486, #2)

### **Drug Costs and Pricing (continued)**

- Generic Prescription Drug Importation Program (Page 491, #3)
- Insulin Safety Net Programs (Page 493, #4)
- Insulin Copayment Cap (Page 498, #5)
- Value-Based Diabetes Medication Pilot Program (Page 498, #6)
- Applicability of Manufacturer Brand Name Drug Rebates to Deductibles and Out-of-Pocket Maximums (Page 498, #7)
- Drug Reimbursement for Certain Entities Under Federal 340B Drug Discount Program (Page 499, #8)
- Licensure of Pharmaceutical Representatives (Page 500, #9)
- Licensure of Pharmacy Benefit Management Brokers and Consultants (Page 500, #10)
- Licensure of Pharmacy Services Administrative Organizations (Page 501, #11)
- Fiduciary Duty and Disclosure Requirements of Pharmacy Benefit Managers (Page 502, #12)
- Prescription Drug Purchasing Entity Study (Page 502, #13)

#### **Health Insurance**

- State-Based Health Insurance Exchange (Page 503, #1)
- Public Option Health Insurance Plan (Page 504, #2)
- Health Insurance and Coverage Requirements (Page 504, #3)
- Short-Term, Limited Duration Health Insurance Plans (Page 512, #4)
- Insurer Network Adequacy Standards (Page 513, #5)
- Limitations on Balance Billing and Coverage Restrictions for Certain Out-of-Network Medical Services (Page 514, #6)
- Telehealth Coverage Parity (Page 518, #7)
- Coverage of Infertility Services (Page 518, #8)
- Coverage of Substance Abuse Counselor Services (Page 520, #9)
- Coverage of Behavioral Health Services Provided by a Qualified Treatment Trainee (Page 520, #10)

# JUSTICE

#### Departmentwide

- Agency Supplies and Services Funding Increase (Page 529, #5)
- Equity Officer Position (Page 529, #6)
- Tribal Liaison Position (Page 530, #7)

#### Law Enforcement Services

- Law Enforcement Recruitment, Retention and Wellness Grant Program (Page 530, #1)
- Community Policing and Community Prosecution Grant Program (Page 531, #2)
- Office of Missing and Murdered Indigenous Women (Page 531, #3)
- Regional Drug Prosecutors Report (Page 534, #9)
- Tribal Law Enforcement Assistance (Page 535, #12)
- Hate Crime Hotline (Page 536, #14)
- Universal Background Check (Page 536, #15)
- Citizenship Requirement for Police Officers (Page 537, #16)
- Rename Shot Spotter Grant Program (Page 537, #17)

### **Legal Services**

- Salary Adjustment and Pay Progression (Page 538, #1)
- Open Records Location Cost Threshold (Page 539, #3)
- Settlement Revenues and Appropriations (Page 540, #4)
- Settlement Powers of the Attorney General (Page 540, #5)

### Victim and Witness Services

• Crime Victim Compensation Staffing (Page 546, #5)

### KICKAPOO RESERVE MANAGEMENT BOARD

• State Operations Adjustment (Page 547, #2)

# LABOR AND INDUSTRY REVIEW COMMISSION

• Supplies and Services Funding (Page 549, #2)

# LEGISLATURE

- Joint Committee on Finance Passive Review Objections (Page 554, #8)
- Joint Review Committee on Criminal Penalties Reports (Page 554, #9)
- Senate Confirmed Public Office Fixed Term Vacancies (Page 555, #10)
- Repeal JCLO Review of Proposed Capitol Security Changes (Page 555, #11)
- Advice and Consent of the Senate for Appointments (Page 555, #12)
- Legislative Intervention (Page 555, #13)
- Retention of Legal Representation for Legislators, Legislative Staff and the Legislature (Page 556, #14)
- Administrative Rules (Page 557, #15)

# MARIJUANA-RELATED PROVISIONS

- Modification of Uniform Controlled Substances Act Provisions and Other Criminal Justice-Related Provisions and Definitions (Page 561, #1)
- Marijuana Regulations -- Criminal and Civil Provisions (Page 562, #2)
- Licensing of Procedures, Processors, and Testing Laboratories (Page 565, #3)
- Medical Marijuana Registry (Page 567, #4)
- Marijuana Tax and Regulation (Page 569, #5)
- DHS Grants to Support County Behavioral Health Services (Page 577, #6)
- Anatomical Gifts (Page 578, #7)
- Unemployment Insurance -- Discharge for Use of Marijuana (Page 578, #8)
- Marijuana Tax Implementation Study (Page 578, #9)

### MEDICAL COLLEGE OF WISCONSIN

• Violence Prevention Grants (Page 579, #2)

#### **MILITARY AFFAIRS**

- Drug House Demolition (Page 589, #14)
- Expansion of the Wellness Program (Page 591, #17)
- Agency Supplies and Services Funding Increase (Page 592, #20)
- Equity Officer Position (Page 592, #21)
- Wisconsin National Guard Duties Related to Sexual Assault and Harassment (Page 593, #22)

### **MISCELLANEOUS PROVISIONS**

- Extreme Risk Protection Temporary Restraining Orders and Injunctions (Page 600, #1)
- Gender-Neutral Statutory References (Page 603, #2)

### NATURAL RESOURCES

#### Departmentwide

- Agency Supplies and Services Funding Increase (Page 611, #5)
- Equity Officer Position (Page 612, #6)
- Solar Energy Review Staffing (Page 613, #9)
- Transportation Project Review Staffing (Page 613, #10)
- Tribal Relations Pilot Program (Page 614, #12)

#### Parks

- Free Fourth-Grade Admission to State Parks (Page 621, #8)
- Open the Outdoors (Page 622, #9)
- Eminent Domain for State Trails (Page 623, #11)

#### **Forestry and Stewardship**

- Public Forest Regeneration Grants (Page 624, #1)
- Tree Planting on State-Owned Land (Page 625, #2)
- State Nursery Operations (Page 625, #3)
- Fish, Wildlife and Forestry Recreation Aids (Page 626, #4)
- Forestry Outreach (Page 628, #8)
- Stewardship Annual Transfer from the Forestry Account (Page 629, #12)
- Stewardship Reviews by Joint Committee on Finance (Page 629, #13)
- Stewardship Public Access Directory (Page 630, #14)

### Fish, Wildlife, and Natural Heritage Conservation

- Deer Carcass Disposal Grants (Page 632, #3)
- Sporting Lead-Free (Page 634, #5)
- Residency Verification (Page 634, #6)
- Lac du Flambeau Approval Fees (Page 634, #7)
- Terrestrial Invasive Species Grants (Page 635, #8)
- Endangered Resources Match (Page 635, #9)
- Wild Rice Restoration and Public Education (Page 636, #10)

#### Law Enforcement

• Transfer Snowmobile Enforcement from Tribal Gaming Revenues (Page 639, #4)

### Waste, Remediation, and Air

- PFAS Standards (Page 643, #6)
- Certified PFAS Testing Laboratories (Page 645, #7)
- Financial Responsibility for PFAS (Page 645, #8)
- Hazardous Substance Discharge Investigations (Page 646, #9)
- Ban on Coal Tar-Based Sealants (Page 646, #10)
- Create Revitalize Wisconsin Program and Eliminate Dry Cleaner Environmental Response Program (Page 647, #11)
- Non-Metallic Mining Appropriation (Page 650, #13)
- Landfill Food Waste Study (Page 651, #16)

### Water Quality

- Well Construction Notification Fee (Page 654, #2)
- Well Construction Variances Application Fee (Page 655, #3)
- Ballast Water and Commercial Vessel Fees (Page 655, #4)
- Wastewater General Permit Staffing (Page 656, #5)
- Water E-Permitting (Page 656, #6)
- Wisconsin Pollutant Discharge Elimination System (WPDES) Violation Notices (Page 656, #7)
- Concentrated Animal Feeding Operation Fees (Page 657, #9)
- Dam Licensing Fees (Page 659, #13)
- Great Lakes and Mississippi River Erosion Control Loans (Page 661, #16)
- Manure Treatment Coordinator (Page 662, #19)
- Total Maximum Daily Load Staffing (Page 663, #20)
- Storm Water Management Appropriation (Page 664, #24)

# PROFESSIONAL BASEBALL PARK DISTRICT

- Grant to a Professional Baseball Park District and District Powers (Page 667, #1)
- Expand Property Tax Exemption to Include Non-Baseball Park Facilities of a Professional Baseball Team (Page 670, #2)
- Sales Tax Exemption for Local Professional Baseball Park Districts (Page 671, #3)
- Sales Tax Exemption for Improvements to Baseball Park Districts and Developments (Page 671, #4)

#### **PUBLIC DEFENDER**

- Charging and Sentencing Alternatives (Page 679, #5)
- Trial Caseload Exemption (Page 680, #7)

### **PUBLIC INSTRUCTION**

#### **General School Aids and Revenue Limits**

• Four-Year-Old Kindergarten Membership (Page 687, #6)

### **Categorical Aids**

- Aid for Comprehensive School Mental Health Systems (Page 689, #3)
- Aid for School-Based Mental Health Professional Staff (Page 690, #4)
- Peer to Peer Suicide Prevention Grants (Page 690, #5)
- Supplemental Nutrition Aid (Page 691, #6)
- Locally-Sourced Food Incentive Payments (Page 692, #8)
- Grants for Milk Coolers and Dispensers (Page 693, #9)
- Aid for English Language Acquisition (Page 694, #11)
- Per Pupil Aid -- Clarify Current Law (Page 695, #13)
- Grants for Out-of-School-Time Programs (Page 695, #14)
- Computer Science Education Grants (Page 697, #16)
- Milwaukee Mathematics Partnership (Page 697, #17)
- Grow Your Own Educator Programs (Page 698, #18)
- Personal Financial Literacy (Page 698, #19)
- Grants to Replace Certain Race-Based Nicknames, Logos, Mascots, and Team Names (Page 701, #24)

#### **Choice, Charter, and Open Enrollment**

- Private School Choice Programs and Special Needs Scholarship Program -- Cap Participation at 2023-24 Levels (Page 706, #3)
- Private School Choice and Special Needs Scholarship Programs -- Teacher Licensure Requirement (Page 708, #4)
- Private School Choice and Special Needs Scholarship Programs -- Information Required on Property Tax Bill (Page 709, #5)
- Special Needs Scholarship Program -- Delete Actual Cost Reimbursement Provision (Page 710, #7)
- Special Needs Scholarship Program -- Private School Accreditation (Page 711, #8)
- Special Needs Scholarship Program -- Religious Activity Opt-Out (Page 711, #9)
- Choice, Charter, and Open Enrollment Payment Indexing Mechanism (Page 713, #11)
- Open Enrollment Aid Transfer Amount -- Special Education (Page 713, #12)
- Independent Charter Schools -- Driver Education Program Fees (Page 714, #13)

#### **School District Operations and Curriculum**

- Computer Science Course Required in Curriculum (Page 715, #1)
- Prohibit Vaping on School Property (Page 715, #2)
- Opioid Antagonist Availability in Schools (Page 716, #3)

### **Administrative and Other Funding**

- Delete Lapse of Teacher Licensing Fees (Page 717, #4)
- Stipend Programs for Future Educators, Librarians, and Cooperating Teachers (Page 718, #5)
- Staff Support for State Programs (Page 719, #7)
- General Education Development Test Fee Payments (Page 720, #9)
- Wisconsin Seal of Biliteracy (Page 720, #10)
- Agency Supplies and Services Funding Increase (Page 721, #11)
- Equity Officer Position (Page 721, #12)
- Graduation Alliance (Page 722, #13)
- Adult Literacy Grants (Page 722, #15)
- Mentor Greater Milwaukee (Page 723, #18)
- Bullying Prevention Grants (Page 725, #24)
- Health Problems Education Program (Page 725, #25)

### PUBLIC SERVICE COMMISSION

#### **Broadband Provisions**

- Changes to the Broadband Expansion Grant Program (Page 728, #2)
- Broadband Line Extension Grants (Page 730, #3)
- Digital Equity Program (Page 730, #4)
- Municipal Broadband Facilities in Unserved Areas (Page 731, #5)
- Broadband Consumer Protections (Page 732, #6)

#### **Departmentwide and Utility Regulation**

- Water Utility Training and Data Reporting (Page 733, #2)
- Focus on Energy Contribution Rate and Energy Efficiency Programs (Page 734, #5)
- Lead Service Line Grant Assistance (Page 735, #6)
- Low-Income Advocate Intervenor Compensation (Page 735, #7)
- Equity Officer Position (Page 735, #8)
- Tribal Liaison Position (Page 736, #9)
- State Operations Adjustments (Page 736, #10)
- Transfer Transmission of High-Voltage Impact Fees (Page 736, #11)
- Increase Pipeline Safety Penalty (Page 737, #12)
- Social Cost of Carbon (Page 737, #13)
- Financing for Retirement of Nonrenewable Generating Facilities (Page 737, #14)
- Utility Rate Setting (Page 738, #15)
- Nonutility Electric Vehicle Charging Stations (Page 738, #16)
- Utility Financing of Energy Improvements (Page 738, #17)
- Electric Utility Integrated Resource Plans (Page 738, #18)

### **REGIONAL TRANSIT AUTHORITIES**

• Regional Transit Authorities (Page 740, #1)

#### REVENUE

#### Departmentwide

- Agency Supplies and Services Funding Increase (Page 756, #2)
- Equity Officer Position (Page 756, #3)

#### **Tax Administration**

- Statewide Debt Collection Office Resources (Page 760, #5)
- Administration and Enforcement of Marijuana Tax and Regulation (Page 760, #6)
- Marijuana Permit Fees (Page 761, #7)

#### **Regulation of Alcohol, Tobacco, Nicotine Products, and Vapor Products**

- Wine Sales in Public Parks (Page 763, #1)
- Closing Hours During Republican National Convention (Page 764, #2)
- Minimum Age for Cigarettes, Nicotine, Tobacco, and Vapor Products (Page 764, #3)

#### SAFETY AND PROFESSIONAL SERVICES

#### Departmentwide

- Equity Officer Position (Page 772, #7)
- Licensure for Undocumented Persons (Page 773, #8)
- Review of Violations Records (Page 773, #9)
- License Portability (Page 773, #10)

#### **Regulation of Professions**

- License Navigators (Page 777, #4)
- Renewal Dates and Nursing Workforce Survey (Page 778, #8)
- Advanced Practice Registered Nursing (Page 779, #10)
- Dental Therapists (Page 782, #11)

#### Safety and Buildings Programs

- Private On-Site Wastewater Treatment System Research (Page 790, #6)
- Sum Sufficient Appropriation for Inspection Contract Accounting (Page 791, #8)
- Stretch Energy Code Working Group (Page 792, #11)
- Prohibit Use of Vapor Products in Indoor Locations (Page 792, #12)

#### SECRETARY OF STATE

- Additional Resources for the Office (Page 794, #2)
- Transfer from DFI (Page 795, #3)
- GPR-Earned Estimate (Page 795, #4)

### SHARED REVENUE AND TAX RELIEF

#### **Direct Aid Payments**

- County and Municipal Aid Offset Associated with Volkswagen Settlement Transit Capital Assistance Grants (Page 809, #8)
- Utility Aid -- Energy Storage Facilities (Page 812, #13)
- Utility Aid -- Electric Vehicle Charging Infrastructure (Page 813, #14)
- Expenditure Restraint Program -- Definition of Municipal Budget (Page 814, #17)

#### **Property Taxation**

- Levy Limits -- 2% Minimum Levy Increase (Page 819, #1)
- Levy Limits -- Repeal of Negative Adjustment for Fees from Covered Services (Page 819, #2)
- Levy Limits -- Repeal of Negative Adjustment for Transferred Services (Page 820, #3)
- Levy Limits -- Approval of Carryover Levy Capacity Adjustment (Page 820, #4)
- Levy Limit -- Modification to Current Exclusion for Joint Fire Departments and Joint Emergency Medical Services Districts (Page 821, #5)
