July 19, 2023

TO: Members
Wisconsin Legislature

FROM: Bob Lang, Director

SUBJECT: General Transportation Aids Mileage Rate -- 2023 Act 19 Partial Veto

This office has received a number of legislative requests for information on the Governor's partial veto of the general transportation aid (GTA) mileage rate increase in 2023 Act 19 (the 2023-25 biennial budget) and other state aids received by towns and other municipalities under the biennial budget.

This memorandum provides an estimate of GTA that certain municipalities would have received in 2024 and 2025 under the mileage rate formula amount included in Senate Bill 70, as passed by the Legislature. These estimates are compared to an estimate of GTA that municipalities would receive in 2024 and 2025, as provided under 2023 Wisconsin Act 19, as partially vetoed by the Governor. In addition, information on increased aid under Act 19 to towns and other municipalities through other transportation aid programs and the newly-created supplemental county and municipal aid program is provided.

Background

GTA is paid to local governments (counties, cities, villages, and towns) to assist in the maintenance of local roads and the local costs of improvement and construction of those roads. This aid must be used for transportation-related expenditures. There are two formulas by which general transportation aid is distributed: (1) share of costs aid; and (2) mileage aid. Counties receive only share of costs aid, while municipalities receive payments based on either share of costs aid or mileage aid, whichever is greater. Each municipal government's initial entitlement equals the greater of its share of costs aid or mileage aid amounts.

The targeted GTA distribution for municipalities is \$398,996,800 for 2023. For the 2023 distribution, the cost-sharing percentage is 16.4% for those on the share of cost formula component. Share of costs aid amounts are computed by multiplying each county's six-year average highway-related costs (2016 through 2021 for 2023 payments) by the cost-sharing percentage. Mileage aid amounts are computed by multiplying the number of miles of road or street under the jurisdiction of

each municipality by a specified mileage rate (\$2,734 per mile for 2023, and thereafter).

2023-25 Biennial Budget Municipal Increase

2023 Act 19 increases funding to support a 2.0% annual increase to the calendar year GTA distribution for municipalities and counties. The funding provided in Act 19 increases calendar year general transportation aid distribution amount from \$398,996,800 in 2023 for municipalities to \$406,976,700 for 2024, and to \$415,116,200 for 2025, and thereafter.

As passed by the Legislature, Senate Bill 70 would have also increased the GTA program's mileage aid rate payment for municipalities by 2.0% annually, from its current level of \$2,734 per mile, to \$2,789 per mile for calendar year 2024, and to \$2,845 per mile for 2025, and thereafter. The Governor's partial veto deletes these provisions. Consequently, the current law statutory mileage aid rate payment of \$2,734 per mile for calendar year 2023, and thereafter, is retained. The veto primarily affects towns, as most cities and villages are on the share of cost component of the GTA formula and most towns are on the mileage aid component of the formula. As a result, most towns will not receive additional aid from the 2% annual increase in general transportation aid. Instead, as shown in the last row of the Attachment, because of the Governor's partial veto, an estimated \$3.2 million in 2023-24 and \$6.4 million in 2024-25, in additional funding would be available to be allocated to those municipalities on the share-of-cost side of the GTA formula.

As stated in the Governor's veto message, the 2011-13 budget reduced funding for general transportation aid by 10%, while the mileage aid rate was reduced by only 3%, which had the opposite effect of the Governor Evers current veto. That provision reduced overall funding for general transportation aid by 10% for nearly all (except very small) cities and villages while reducing funding for towns and small cities and villages on mileage aid by 3%, and continues to affect the distribution of GTA funding each year. The rationale for the 2011-13 provision was that smaller municipalities, by having a limited number, if any, full-time employees, with full employee benefits, could not partake in the employee cost reductions mandated under 2011 Act 10.

The Attachment shows the 1,281 municipalities (one city, 76 villages and 1,204 towns) that receive GTA mileage aid payments in 2023, the estimated amount that they will receive in 2024 and 2025 under the provisions of Act 19, and the estimated amount that they would have received in 2024 and 2025 if the 2.0% annual mileage aid increase had not been vetoed. The Attachment also shows the estimated total additional amount of GTA payments, in excess of the 2023 actual GTA payment, which would have been received by each municipality in 2024 and 2025. Under SB 70, as passed by the Legislature, the municipalities shown in the Attachment would have received a total of \$3.2 million more aid in 2024 and \$6.4 million more aid in 2025 than the aid amounts under the Governor's veto. For municipalities receiving mileage aid that would have received an estimated increase in aid prior to the Governor's veto (excluding those shown as \$0 difference in the Attachment), the estimated average aid payment increase in 2025 would have been \$5,219, and would range from \$114 to \$23,605.

All calculations assume the same number of lane miles for each municipality as used in GTA calculations for 2023. Also, no estimates were made for the 54 municipalities that were subject to

either the GTA formula's cost cap provision or the minimum guarantee provision in 2023. The calculations also assume that no late filing aid reductions were levied in 2023, which penalized 13 municipalities in that year. Estimates were not made for those municipalities on the share-of-cost formula because each municipality's six-year average costs are not yet known, and how changes in these costs occur among the share-of-cost formula recipients affects the aid distributions.

Other Aid Program Increases

While the Governor's veto would mean that municipalities on mileage aid will continue to receive the same amount of general transportation aid over the next two years that they received in 2023, other budget provisions provided increased aid to local governments. For example, towns and counties will be the primary recipients of the newly-created agricultural roads improvement program, which is provided \$150 million in one-time funding in the 2023-25 biennium under Act 19. The program will make grants of up to 90% of eligible costs to reimburse political subdivisions for agricultural road projects. Act 19 also provides one-time funding of \$100,000,000 in 2023-24 for the local roads improvement program supplementary grants (LRIP-S) component, which funds county trunk highway improvements, town road improvements, and municipal street improvements. The LRIP-S program funding is distributed in the same percentages as the LRIP discretionary grants component (35.6% for counties, 39.0% for towns, and 25.4% for municipalities in the 2023-25 biennium). The LRIP program formula component and discretionary component also received a 4% annual increase in the biennium under Act 19. Table 1 indicates the total and percent increase in biennial LRIP funding in 2023-25 compared to base funding for each local government type. As shown in the table, towns will receive the largest percentage increase in total LRIP funding in biennium.

TABLE 1

2023-25 LRIP Funding by Local Government Type

	<u>Base Doubled</u>	<u>Act 19 Amount</u>	<u>LRIP Funding Increase</u>	<u>Percent Increase</u>
Counties				
Formula Component	\$15,106,400	\$16,040,600	\$934,200

Cities and Villages				
Formula Component	\$10,012,400	\$10,631,500	\$619,100	
Discretionary Component	7,700,800	8,173,500	472,700	
Supplemental Component*	0	25,400,000	25,400,000	
Subtotal	\$17,713,200	\$44,205,000	\$26,491,800	149.6%
Total	\$65,466,000	\$169,482,800	\$104,016,800	158.9%

* The LRIP-Supplemental program was provided one-time funding in the 2021-23 biennium, and again in the 2023-25 biennium, and as a result has no base level funding.

Finally, the shared revenue supplemental aid formula created under 2023 Act 12 and funded under Act 19, provides an increase in county and municipal aid payments to local governments in 2024, over the 2023 existing county and municipal aid amounts. Table 2 indicates the 2024 supplemental county and municipal aid amount and percent increase in total aid to each local government type under Act 19.

TABLE 2

2024 County and Municipal Aid by Local Government Type
