PR	\$3,924,200

According to the Director of State Courts, additional cybersecurity measures are necessary given the increase in the court system's reliance on digital records and remote work. Base funding for the appropriation is \$9,518,800.

Additional expenditure authority includes: (a) \$372,100 in 2023-24 and \$787,100 in 2024-25 for on-going cybersecurity program maintenance and testing (including services for email protection, firewalls, testing against cyber-attacks, phishing detection, and an advanced anti-virus program); (b) \$820,000 in 2023-24 and \$665,000 in 2024-25 for the purchase and maintenance of new, high-priority cybersecurity programs (including denial of service protection, security information and event management (which aggregates data and provides real-time analysis for security monitoring and attack recovery), and upgraded remote access solutions); and (c) \$640,000 annually for the purchase and maintenance of new, lower-priority cybersecurity programs

(including web proxy (to block access to specific sites), data loss prevention software, and secure access server edge (which extends security protections to devices outside of the court system network)).

PR	\$165,800

**Governor:** Provide an increase in expenditure authority of \$139,100 in 2023-24 and \$26,700 in 2024-25 in the continuing court information systems appropriation to support the additional circuit court branches created in 2019 Act 184. Base funding for the appropriation is \$9,518,800.

Under 2019 Act 184, 12 circuit court branches will be added over a three-year period (four judges each in 2021, 2022, and 2023), at the discretion of the Director of State Courts. The last four judicial circuit court branches will begin operation on August 1, 2023, in Clark, Manitowoc, Sawyer, and Wood counties. [See "Circuit Courts."]

**Governor:** Provide an increase in expenditure and position authority of \$11,300 in 2023-24, \$15,000 in 2024-25, and 0.25 position annually in the continuing central services appropriation to provide central administrative support for the court system. The appropriation is funded by the transfer of chargebacks to the programs administered by the courts and supported by the positions. Base funding for the appropriation is \$255,500 with 2.5 positions.

**6. COUNTY LAW LIBRARIES**

**Governor:** Create a continuing county law libraries PR appropriation for all moneys received from counties for providing materials or other services under contracts for county law libraries. Since the late 1990s, the Director of State Courts Office (DSCO) has maintained contracts with Milwaukee and Dane counties to provide space, furniture, utilities, copies, supplies (including law book materials), and 4.0 positions for the operation of the libraries. The contracts allow the DSCO to operate the libraries, as well as purchase items for the print library, online services, catalogs, Internet, and provide assistance to the legal community and Dane County inmates. Revenue from the contracts is currently maintained in the gifts and grants appropriation. The provision incorporates the recommendation from the State Controller's Office, Wisconsin

Court System Compliance Review for 2020-21 (published in November, 2022) to create a new appropriation, specifically dedicated to receive these funds. The recommendation does not provide for the transfer of existing county law library revenue and positions to the new appropriation.
