SUBJECT: Juvenile Community Supervision Rates for 2019-2020

Dear Co-Chair Darling and Co-Chair Nygren:

2015 Act 55 restructured the community supervision programs offered by the Department of Corrections (DOC) to juveniles by consolidating the Aftercare and Corrective Sanctions supervision programs into a single Juvenile Community Supervision Program. Pursuant to Wisconsin State Statute §301.26(4)(d)5, the Department must submit proposed daily rates to the co-chairpersons of the Joint Committee on Finance prior to the beginning of each fiscal year.

The Department proposes to charge two rates for supervision based on a juvenile's placement in the community due to the differences in contact with DOC staff. For juveniles placed in residential care settings, such as residential care centers or group homes, the daily rate would be \$97 per person. For juveniles living in their homes or in certain independent living arrangements, the daily rate would be \$225 per person.

In the 2019-20 fiscal year, the Department anticipates that it will supervise an average daily population of approximately 77 juveniles. A projected average daily population of 30 juveniles will be supervised in residential care settings while 47 juveniles will be supervised in their homes.

DOC projects that 72 of the 77 juveniles in the Community Supervision program will be in the Serious Juvenile Offender Program and will have the costs of their supervision paid by the

Department's Serious Juvenile Offender appropriation §20.410(3)(cg). It is anticipated the remaining 5 juveniles would be from counties that contract with the Department for community supervision services.

The costs of community supervision for counties that contract with DOC are anticipated to be fully reimbursable by Youth Aids under §48.526(7)(h).

As provided in §301.26(4)(d)5, if the Department does not receive notification of the scheduling of a hearing from either of the Joint Committee on Finance co-chairpersons within 14 working days from today, the Department will implement the proposed rates effective July 1, 2019.

Sincerely,

Kevin A. Carr
