SUBJECT: Juvenile Community Supervision Rate for 2024-25

Dear Co-Chair Marklein and Co-Chair Born:

Pursuant to Wisconsin State Statute §301.26(4)(d)5, the Department of Corrections (DOC) must submit a proposed daily rate for the Juvenile Community Supervision Program to the co-chairpersons of the Joint Committee on Finance prior to the beginning of each fiscal year.

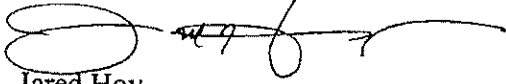

The Department proposes charging a daily rate of \$348 for supervision of juveniles placed in residential care settings, such as residential care centers or group homes, and for juveniles living in their homes or in certain independent living arrangements.

In the 2024-25 fiscal year, the Department anticipates that it will supervise an average daily population of approximately 42 juveniles. DOC projects that 35 of the 42 juveniles in the Community Supervision program will be in the Serious Juvenile Offender Program and will have the costs of their supervision paid by the Department's Serious Juvenile Offender appropriation §20.410(3)(cg). It is anticipated the remaining seven (7) juveniles would be from counties that contract with the Department for community supervision services.

The costs of community supervision for counties that contract with DOC are anticipated to be fully reimbursable by Youth Aids under §48.526(7)(h).

As provided in §301.26(4)(d)5, if the Department does not receive notification of the scheduling of a hearing from either of the Joint Committee on Finance co-chairpersons within 14 working days from today, the Department will implement the proposed rates effective July 1, 2024.

Sincerely,
