Dear Mr. Renk and Mr. Fuller:

This report is transmitted as required by s. 20.002(11)(f), Wisconsin Statutes, (for distribution to the appropriate standing committees under s. 13.172(3), Wisconsin Statutes) and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative cash balances during the month of April 2016.

On April 1, 2016, the **Utility Public Benefits Fund** cash balance closed at a negative \$7.98 million. The cash balance was negative through April 30, 2016, when it closed at a negative \$7.67 million. On April 25, 2016, the cash balance closed at a negative \$13.25 million (its intramonth low).

On April 1, 2016, the **Police and Fire Protection Fund** cash balance closed at a negative \$16.40 million (its intramonth low). The cash balance was negative through April 30, 2016, when it closed at a negative \$14.25 million.

On April 1, 2016, the **History Preservation Partnership Trust Fund** cash balance closed at a negative \$52.06 thousand. The cash balance was negative through April 30, 2016, when it closed at a negative \$351.00 thousand (its intramonth low).

On April 25, 2016, the **Common School Income Fund** cash balance closed at a negative \$34.22 million (its intramonth low). The cash balance was negative until April 27, 2016, when it closed at a positive \$3.32 million.

The Utility Public Benefits Fund, Police and Fire Protection Fund, History Preservation Partnership Trust Fund, and Common School Income Fund shortfalls were due to the

difference in the timing of revenues and expenditures, were not in excess of the statutory interfund borrowing limitations and did not exceed the balances of the funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by the State Controller's Office will automatically reflect the use of these temporary reallocations of balance authority, and as a result, the funds requiring the use of the authority will effectively bear the interest cost.

Sincerely,

Scott A. Neitzel
