RE: Base Salary Adjustments to Recognize Competitive Factors Report Required by Section 36.09(1)(j), Wisconsin Statutes

Attached is the University of Wisconsin System's report on 2015-16 Base Salary Adjustments to Recognize Competitive Factors, as required by Section 36.09(1)(j), Wisconsin Statutes. The enclosed table summarizes the adjustments issued during 2015-16 in order to retain key employees that are valuable to the success of students, their instruction, and the UW System as a whole. Twelve institutions distributed \$3,566,968, excluding fringe benefits, to 580 individuals for competitive adjustments related to market-based equity and retention issues.

Sections 36.09(1)(h) and S36.09(1)(j), Wisconsin Statutes, allow the University of Wisconsin System to grant salary increases to recognize competitive factors. Section 36.09(1)(j) also provides that the Board of Regents shall report to the Joint Committee on Finance, the Department of Administration, and the Office of State Employment Relations (reorganized as Department of Administration, Division of Personnel Management) the amount of such pay increases granted, and the institutions at which they are granted for the 12-month period ending on the preceding June 30.
