Mr. Patrick Fuller, Chief Clerk
Wisconsin Assembly
17 West Main Street, Room 401A
Madison, WI 53703

Dear Mr. Renk and Mr. Fuller:

This report is transmitted as required by s. 20.002(11)(f), Wisconsin Statutes, (for distribution to the appropriate standing committees under s. 13.172(3), Wisconsin Statutes) and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative cash balances during the month of December 2016.

On December 1, 2016, the **Medical Assistance Trust Fund** cash balance closed at a negative \$191.89 million (its intramonth low). The cash balance was negative through December 31, 2016, when it closed at a negative \$180.84 million.

On December 1, 2016, the **Critical Access Hospital Assessment Fund** cash balance closed at a negative \$276 thousand. The cash balance was negative until December 29, 2016, when it closed with a positive \$6.1 million. On December 14, 2016, the cash balance closed at a negative \$23.52 million (its intramonth low).

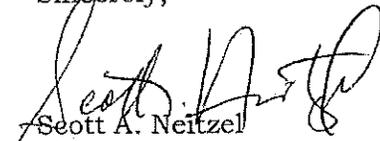

On December 2, 2016, the **Mediation Fund** cash balance closed at a negative \$5 thousand (its intramonth low). The cash balance was negative until December 5, 2016, when it closed at a positive \$86 thousand.

The Medical Assistance Trust Fund and Mediation Fund shortfalls were due to the difference in the timing of revenues and expenditures. The Critical Access Hospital Assessment Fund shortfall was due to a transfer error. These shortfalls were not in excess of the statutory interfund borrowing limitations and did not exceed the balances of the funds available for interfund borrowing.

Jeffrey Renk, Chief Clerk
Patrick Fuller, Chief Clerk

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by the State Controller's Office will automatically reflect the use of these temporary reallocations of balance authority, and as a result, the funds requiring the use of the authority will effectively bear the interest cost.

Sincerely,

Scott A. Neitzel
Secretary
