St. Finance

Dear Senator Darling, Representative Nygren, and Members:

This report is required by subsection (7) of section 18.16 of the Wisconsin Statutes and specifies the reason for not complying with subsections (2) to (5) of the same section for a specific issue of debt.

The State of Wisconsin Building Commission previously approved an authorizing resolution on August 8, 2018 that provided for the sale of \$258,965,000 State of Wisconsin General Obligation Bonds of 2018, Series B (**Bonds**). Pursuant to this authorization, the Capital Finance Director conducted a public sale on September 25, 2018 for the Bonds. This public sale was conducted pursuant to Subchapter I of Chapter 18 and the Official Notice of Sale available to all potential bidders set the terms and conditions of the sale.

The State received a total of 13 bids for the Bonds, and the Capital Finance Director awarded the Bonds to Barclays Capital Inc. This award was based on the lowest true interest cost rate to the State.

Barclays Capital Inc. is not certified by the Department of Administration as a minority-owned investment firm. In addition, no disabled veteran-owned investment firm is currently certified as such by the Department of Administration.

Underwriting participation by minority- and disabled veteran-owned investment firms is encouraged in competitive sales. There are sections entitled "Minority Participation" and "Disabled Veteran-Owned Business Participation" in the Official Notice of Sale, and a list of certified minority-owned investment firms (which includes contact information) is included in materials made available to each prospective bidder.

Sincerely,

Ellen E. Nowak
Secretary
