Dear Senator Darling, Representative Nygren and Members:

In accordance with s. 16.54(13)(b), Wisconsin Statutes, I am notifying you that the State was required to make interest payments of $14,954 in FY 2017, and $185,258 in FY 2018 under the Cash Management Improvement Act. These amounts represent interest that the State earned on funds that were ultimately allocated and returned to the Federal government. This allocation issue has since been addressed so that the Federal funds will be returned timely. Since the Cash Management Improvement Act was implemented in FY 1993, the State has received more than $4.1 million in interest reimbursements from the Federal government and paid out $207 thousand.

Sincerely,

Ellen E. Nowak
Secretary
