

MEDICAL COLLEGE OF WISCONSIN

Psychiatry and Behavioral Health Residency Program
[LFB Paper #545]

Motion:

Move to adopt Alternative 1. In addition, require MCW to include the following in the report MCW is required, under section 13.106(3) of the statutes, to submit by October 15 of each even-numbered year to the Governor and the Joint Committee on Finance and the chief clerk of each house of the Legislature for distribution to the appropriate standing committees:

- (a) The financial status of the psychiatry and behavioral health practice residency sites;
- (b) The number of psychiatry and behavioral health residents choosing to practice in medically underserved areas of Wisconsin upon graduation; and
- (c) The number of graduates entering psychiatry and behavioral health practice as a career.

Note:

Currently, section 13.106(3) of the statutes requires MCW and the UW-Madison Medical School to submit a report to the Governor, the Joint Committee on Finance and the chief clerk of each house of the Legislature for distribution to the appropriate standing committees, by October 15 of each even-numbered year, that provides information on all of the following: (a) minority student recruitment policies and programs of each medical school, and the number of minority students enrolled; (b) number and percentages of Wisconsin residents enrolled; (c) average faculty salaries compared to national averages; (d) development of cooperative educational programs with other institutions throughout Wisconsin; (e) placement of graduates of doctor of medicine and residency training programs; (f) the financial status of the family practice residency sites; (g) the number of family practice residents choosing to practice in medically underserved areas of the state upon graduation; and (h) the number of graduates entering family practice as a career. The motion would add the financial status of the psychiatry and behavioral health practice residency sites; the number of psychiatry and behavioral health residents choosing to practice in medically underserved areas of Wisconsin upon graduation; and the number of graduates entering psychiatry and behavioral health practice as a career to the reporting requirements.
