Notes: Percent completion calculated by number of combined completions (diplomas, HSED, certificate) divided by number of students in the 4-year cohort. This table is based on 4-year adjusted cohort completion rates, as required by federal law, and may not be comparable to tables in prior Blue Books. Details may not sum to totals due to privacy rules.

NA—Not available. Includes only students who are identified by race in DPI report. Not all students can be identified by race due to privacy rules relating to small groups.

1. Pacific Islander state total (rate): 38 (88.4). 2. Cooperative Educational Service Agency. 3. Includes students who have completed high school with a diploma, HSED, or other method.

Note: A home-based private educational program is a program of educational instruction provided to a child by a child's parent or guardian or by a person designated by the parent or guardian. These programs must provide at least 875 hours of instruction each school year and must offer a sequentially progressive curriculum of fundamental instruction in reading, language arts, mathematics, social studies, science, and health.
