RE: Reporting under section 301.03 (6r) Wisconsin Statutes

Dear Sirs and Madam:

As required under Section 301.03 (6r) of the Wisconsin State Statutes, I am submitting information relative to the number of inmates that the Department of Corrections (DOC) considers violent and the total number of inmates.

	Males		Females		Total	
	Inmates	Violent Inmates	Inmates	Violent Inmates	Inmates	Violent Inmates
12/31/2019	21,887	14,963	1,500	683	23,387	15,610

The DOC defines "Violent Inmates" in accordance with Section 301.048(bm) and with standards set by the Association of State Correctional Administrators. This definition is based upon conviction of certain crimes, not current behavior within the DOC institutions.

Total number of inmates is defined as adult inmates assigned to a Type "1" prison in state and in contract facilities. This does not include offenders under supervision of the Division of Community Corrections (DCC) held in a Division of Adult Institution (DAI) facility as an Alternative to Revocation (ATR) or pending revocation. It also excludes inmates pending

revocation, pending admission, county holds, inmates serving another state's sentence who are in a Wisconsin DOC facility, and inmates currently in escape status.

If you have any questions or need any further information, please contact Paulina de Haan at 240-5056.

Sincerely,

A handwritten signature in black ink that reads "Kevin A. Carr". The signature is written in a cursive style with a large, sweeping initial "K".

Kevin A. Carr
Secretary
