Race or Ethnicity: Black/Caucasian

Date of Incident: 12/19/2020

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On December 19, 2020, the agency received a report regarding a 2-month-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. As a result of law enforcement's investigation, the father was criminally charged with Physical Abuse of a Child, Repeated Acts Causing Great Bodily Harm, and Neglecting a Child (Consequence is Great Bodily Harm). A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the father. Medical professionals determined the injuries were non-accidental in nature. The agency determined the infant and her sibling unsafe and implemented a safety plan with their mother; the infant's father was arrested. The case remained open for in-home case management services.
