90-Day Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Case Tracking Number: 210115DSP-Milw-1039 **Agency:** Division of Milwaukee Child Protective Services

Child Information (at time of incident)

Age: 2 months Gender: Female Male

Race or Ethnicity: White and Hispanic/Latino

Special Needs: The infant had complex feeding needs.

Date of Incident: 01/15/21

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On January 15, 2021, the agency received a report regarding a 2-month-old infant pronounced deceased in her home. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office noted no signs of trauma to the infant and probable undernutrition/malnutrition; final autopsy results are pending. As a result of law enforcement's investigation, the mother was criminally charged with Physical Abuse of a Child and Neglecting a Child. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect or physical abuse to the infant by the mother. The Medical Examiner's Office noted no signs of trauma to the infant and probable undernutrition/malnutrition; final autopsy results are pending. The family was referred to community services and the agency closed the case upon completion of the Initial Assessment.

Yes No Criminal investigation pending or completed?

Yes No Criminal charges filed? If yes, against whom? The 2-month-old infant's mother.

Child's residence at the time of incident: In-home Out-of-home care placement

Complete the appropriate following section (A. or B. based on the child's residence at the time of the incident).

A. Children residing at home at the time of the incident:

Description of the child's family (includes household members, noncustodial parent and other children that have visitation with the child and / or in the child's family home):

At the time of the incident, the infant resided with her mother and her maternal grandmother. The infant's 13-year-old sister resided with a relative. Paternity had not been established for the infant.

Yes No **Statement of Services:** Were services under ch. 48 or ch. 938 being provided to the child, any member of the child's family or alleged maltreater at the time of the incident, including any referrals received by the agency or reports being investigated at time of incident?

If "Yes", briefly describe the type of services, date(s) of last contact between agency and recipient(s) of those services, and the person(s) receiving those services:

None.

Summary of all involvement in services as adults under ch. 48 or ch. 938 by child's parents or alleged maltreater in the previous five years: (Does not include the current incident.)

None.

Summary of actions taken by the agency under ch. 48, including any investigation of a report or referrals to services involving the child, any member of the child's family living in this household and the child's parents and alleged maltreater. (Does not include the current incident.)

(Note: Screened out reports listed in this section may include only the date of the report, screening decision, and if a referral to services occurred at Access. Reports that do not constitute a reasonable suspicion of maltreatment or a reason to believe that the child is threatened with harm are not required to be screened in for an Initial Assessment, and no further action is required by the agency.)

On October 15, 2007, the agency screened-in a CPS Report alleging neglect to the infant's now 13-year-old sister by her mother. An assessment was completed by the agency and the allegation of neglect was unsubstantiated. A Petition for

Protection or Services was filed, and the case remained open to provide ongoing case management services.

On September 24, 2007, the agency screened-in a CPS Report alleging neglect to the infant's now 13-year-old sister by her mother. An assessment was completed by the agency and the allegation of neglect was unsubstantiated. A Petition for Protection or Services was filed, and the case remained open to provide ongoing case management services.

Summary of any investigation involving the child, any member of the child's family and alleged maltreater conducted under ch. 48 and any services provided to the child and child's family since the date of the incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect or physical abuse to the infant by the mother. The Medical Examiner's Office noted no signs of trauma to the infant and probable undernutrition/malnutrition; final autopsy results are pending. Case Tracking Number: 210202DSP-Rock-1047 **Agency:** Rock County Human Services Department

Child Information (at time of incident)

Age: 14 Years Old Gender: Female Male

Race or Ethnicity: White

Special Needs: Child has complex learning and behavioral needs.

Date of Incident: 2/2/2021

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On February 2, 2021, the agency received a report regarding a 14-year-old child brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were consistent with neglect. No criminal charges have been filed in this case.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of emotional abuse and neglect to the child by the mother and father, as well as neglect of the child by three relative caregivers. Medical professionals determined the injuries were consistent with neglect. The child and his siblings were deemed unsafe and taken into Temporary Physical Custody. Upon discharge from the hospital, the child was placed in shelter care. The child's siblings were placed in non-relative foster homes. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.

Child Information (at time of incident)

Age: 3 months Gender: Female Male

Race or Ethnicity: White

Special Needs: None

Date of Incident: 02/11/2021

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On February 11, 2021, the agency received a report regarding a 3-month-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. No criminal charges were filed, and the case was closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of evidence to substantiate physical abuse of the infant by an unknown maltreater. Medical professionals determined the injuries were non-accidental in nature. The agency deemed the infant, the infant's 2-year-old sibling and the infant's 3-year-old sibling unsafe and initiated a Protective Plan. Subsequently, the infant and the infant's siblings were taken into Temporary Physical Custody and placed with a relative. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.

Summary of actions taken by the agency under ch. 48, including any investigation of a report or referrals to services involving the child, any member of the child's family living in this household and the child's parents and alleged maltreater. (Does not include the current incident.)

(Note: Screened out reports listed in this section may include only the date of the report, screening decision, and if a referral to services occurred at Access. Reports that do not constitute a reasonable suspicion of maltreatment or a reason to believe that the child is threatened with harm are not required to be screened in for an Initial Assessment, and no further action is required by the agency.)

Summary of any investigation involving the child, any member of the child's family and alleged maltreater conducted under ch. 48 and any services provided to the child and child's family since the date of the incident:

B. Children residing in out-of-home care (OHC) placement at time of incident:

Description of the OHC placement and basis for decision to place child there:

At the time of the incident, the 16-year-old child was residing in an unlicensed non-relative home. The child was placed in the home on December 18, 2020, due to concerns regarding her mental health and complex needs.

Description of all other persons residing in the OHC placement home:

At the time of the incident, the child resided with her non-relative caregiver and no other children were placed in the home.

Licensing history: Including type of license, duration of license, summary of any violations by licensee or an employee of licensee or other actions that constitute a substantial failure to protect and promote the welfare of a child.

The non-relative caregiver was previously licensed as a child-specific treatment foster care provider for this child. Her license was not continued when the child was moved to a different placement for a period of time. At the time of the incident, the non-relative caregiver was in process of becoming licensed. There is no history of licensing violations by this caregiver constituting a substantial failure to protect and promote the welfare of a child.

NOTICE OF DELAYED POSTING

90-Day Summary Report for Child Death, Serious Injury or Egregious Incident Case #210214DSP-Racin-1048

The Wisconsin Department of Children and Families, as required by 2009 Wisconsin Act 78 (Section 49.981(7)(cr), Stats.), makes available to the public, a 90-day summary report for cases involving child death, serious injury, and egregious incidents involving abuse or neglect. Under these statutory provisions, the posting of information which potentially interferes with or jeopardizes the integrity of an investigation or trial is exempt from the public disclosure requirement.

The Department has determined that releasing the summary report would jeopardize an ongoing criminal proceeding, and is delaying posting as provided under Wis. Stat. § 49.981(7)(cr)7. The Department will release the 90-day summary once the investigation and/or trial has been concluded.

90-Day Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Child Information (at time of incident)

Age: 2 weeks Gender: Female Male

Race or Ethnicity: White/Caucasian

Special Needs: The infant had a genetic disorder affecting bone formation.

Date of Incident: 02/18/2021

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On February 18, 2021, the agency received a report regarding a 2-week-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were accidental in nature. No criminal charges were filed in this case and the investigation has been completed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Alternative Response Initial Assessment completed by the agency found services were not needed. Medical professionals determined the injuries were accidental in nature. The agency initially deemed the infant and the infant's 8-year-old and 3-year-old half-siblings unsafe and initiated a Protective Plan. Subsequently the mother and father were assessed as protective, and the infant and her half-siblings remained with the mother and father. The agency closed the case upon completion of the Initial Assessment and no service referrals were made.

Date of Incident: 02/19/21

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On February 19, 2021, the agency received a report regarding a five-month-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were consistent with non-accidental head trauma. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by an unknown maltreater. Medical professionals determined the injuries were consistent with non-accidental head trauma. The agency deemed the infant and her 2-year-old sibling unsafe and initiated a Protective Plan. Subsequently the fathers were assessed safe, and the infant and her sibling remained with their fathers. An Informal Disposition Agreement was completed, and the case remained open to provide ongoing case management services.
