Introduction

The Wisconsin Ethics Commission is pleased to submit its annual report to the Governor and the Chief Clerk of each house of the Legislature, in accordance with WIS. STAT. §§ 15.04(1)(d), 19.47(5), and 11.1304(14).

This report provides information on the performance and operations of the Commission and projects, goals, and objectives as developed for the agency budget.

This report also includes information required specifically of the Ethics Commission, as well as information provided at the Commission's discretion.

Finally, the report also includes information on matters within the Commission's jurisdiction and recommendations for legislation.

Information Required of All Agencies under WIS. STAT. § 15.04(1)(d)

Mission

The mission of the Ethics Commission is to promote and strengthen the faith and confidence of the people of Wisconsin in their government, support the operation of open and responsible government, preserve the integrity of the governmental decision-making process, and protect the rights of individuals through the administration of Wisconsin's campaign finance, lobbying, and ethics laws, and through readily available and understandable disclosure of information.

Agency Description

The Commission is comprised of six members, who serve for 5-year terms. One member is appointed by the Senate Majority Leader; one appointed by the Senate Minority Leader; one appointed by the Speaker of the Assembly; one appointed by the Assembly Minority Leader; and two are individuals who formerly served as judges for a court of record in this state, who were elected to the positions in which they served, and who are nominated by the Governor with the advice and consent of a majority of the members of the Senate confirmed. A detailed description of the appointment of Commissioners is provided in WIS. STAT. § 15.62. The transition plan from the Government Accountability Board to the Ethics Commission put forth by the Department of Administration established a rotational term schedule of the Commissioners. The Commission elects a chair and vice-chair from its members by a majority vote.

The Administrator serves as the agency head and is responsible for the daily operations of the Commission. The Commission Administrator and staff are non-partisan. The agency has a staff of 4.70 GPR and 3.30 PR full-time employees. The Commission administers and enforces Wisconsin law pertaining to campaign finance (Wisconsin Chapter 11), lobbying (Wisconsin Chapter 13, Subchapter III), and the Code of Ethics (Wisconsin Chapter 19, Subchapter III). The duties of the Ethics Commission are codified in WIS. STAT. §§ 11.1304, 13.685, and 19.48.

Additional information about the Commission, its members and staff, meetings, and resources provided to the public is available on the Ethics Commission's website at <https://ethics.wi.gov>.

Commission activities are arranged by five general functions:

1. General administration;
2. Assistance to state public officials, candidates, lobbyists, principals, political committees and officeholders;
3. Assistance to local governments;
4. Education and training; and
5. Enforcement.

Within these functional areas, the Commission develops policy, issues formal and informal opinions, promulgates administrative rules, prescribes procedures and forms, audits disclosure reports, carries out investigations, conducts hearings and reviews appeals, brings civil actions to assess forfeitures, and performs related activities.

The Commission has four general program areas which are described below:

Campaign Finance

Wisconsin campaign finance law requires candidates for state public office, political parties, legislative campaign committees, political action committees, independent expenditure committees, certain referendum committees, certain recall committees, and conduits to register with the Commission, disclose campaign receipts and disbursements, and abide by certain contribution limits and prohibitions. The Commission is responsible for auditing campaign finance reports, enforcing registration and reporting requirements, and enforcing source restrictions and contribution limits. Information is available to the public on the Commission's website: <https://ethics.wi.gov/campaign-finance>, and <https://cfis.wi.gov>.

Lobbying

Wisconsin lobbying law regulates registration of businesses, organizations, and individuals that attempt to influence government decisions. Registrants must identify who lobbies on their behalf, issues in which they have an interest, and provide other information, all available to the public on the Commission's website: <https://ethics.wi.gov/Pages/Lobbying/LobbyingOverview.aspx>, and <https://lobbying.wi.gov/>.

Ethics

The Commission fosters ethical conduct of public officials by advising them about ethics laws and providing information about officials' financial interests to identify any potential conflicts of interest. State public officials file annual Statements of Economic Interests with the Commission, and the trustees and staff of the State of Wisconsin Investment Board file quarterly reports. Information regarding the Commission's ethics-related activities is available to the public on the Commission's website: <https://ethics.wi.gov/Pages/Ethics/Ethics.aspx>, and <https://sei.wi.gov/>.

State Purchasing

The Contract Sunshine program was mandated by the Legislature to allow the public to view the process state agencies use to procure goods and services from vendors. That requirement was repealed during the 2021 Legislative Session. The Commission still maintains information about that requirement on its website. However, that information may be removed in the future. Additional information about the program is available on the Commission's website: <https://ethics.wi.gov/Pages/Ethics/ContractSunshine.aspx>.

Statutory Duties of the Ethics Commission and the Agency's Compliance

The table in Appendix A outlines the statutory duties of the Wisconsin Ethics Commission, as well as provides a summary of the agency's compliance with those requirements or any unresolved issues related to those duties.

Programs, Goals, Objectives, and Activities

Program 1: Ethics, Campaign Finance, and Lobbying Regulation

- A. Goal: Facilitate compliance with the requirements of Wisconsin's campaign finance, lobbying, and ethics laws.*

A-1. Objective/Activity: Provide training, educational materials, and assistance to the regulated community and the public, focusing on applicable registration and reporting requirements.

A-2. Objective/Activity: Conduct timely audits of registration and report information, consistent with statutory requirements.

A-3. Objective/Activity: Provide informal and formal advisory opinions, as well as informal guidance, in a timely manner whenever requested to do so.

B. Goal: Support the operation of open and responsible government, and preserve the integrity of governmental decision-making, and protect the rights of individuals.

B-1. Objective/Activity: Promptly make reported campaign finance, lobbying, and financial disclosure information publicly available.

B-2. Objective/Activity: Maintain the Wisconsin Campaign Finance Information System (CFIS), Eye On Lobbying website, and Statements of Economic Interests website in order to facilitate the registration and reporting requirements under applicable Wisconsin Statutes, as well as making the disclosure of reported information readily accessible and understandable.

B-3. Objective/Activity: Investigate complaints of possible violations of the ethics code, lobbying law, and campaign finance law and seek appropriate remedies as circumstances merit.

Performance Measures, Goals, and Performance

The table below includes the performance measures established by the Wisconsin Ethics Commission in FY 2023.

Performance Measure (by Fiscal Year)	Goal 2023	Actual 2023	Goal 2024	Goal 2025
Campaign finance reports filed on/before the required date	96%	91.6% ¹	96%	96%
Percentage of committees in compliance, based on audit findings	95%	94.0%	95%	95%
Lobbying fees received by electronic payment methods	95%	88.0% ²	95%	95%
Lobbyist time reports completed on/before the required date	99%	99.6%	99%	99%
Principals completing their Statements of Lobbying Activities and Expenditures on/before the required date	99%	97.1%	99%	99%
Percentage of principals in compliance, based on audit findings	99% ³	99%	99%	99%
Required SEIs filed on or before the required date	96%	92.1%	96%	96%
Statements of Economic Interest filed electronically	96%	99%	96%	98%

¹ The Commission's notification process has not changed. This data covers an election year. It is not unusual to have an increased number of late filings in an election year.

² Lobbyists and principals are not required to pay their fees electronically. Electronic payment of fees varies significantly during odd fiscal years. During the first 3 months that fees can be paid, there is a significantly higher number of fees paid by mail than there is for the rest of the session. This is because many principals register and lobbyists get licensed prior to the beginning of the new legislative session and their accountants prefer to pay by check. After that, the vast majority of fees are paid electronically.

³ Due to IT changes relating to the creation of the new lobbying website, the new website's impact on auditing processes, and demands on staff related thereto, this data cannot be calculated in the same way as it had been previously done. Therefore, this performance measure is an approximation. However, the Commission has reviewed the pertinent data and there is no evidence to support any remarkable changes in this performance metric.

Information the Ethics Commission is required to Report under WIS. STAT. § 19.47(5)

Statutory Duties of the Administrator and Compliance with Each Duty

1. 19.46(2)(a)4. *At each regular meeting of the Commission, the Commission administrator shall review informal advisory opinions requested of and issued by the administrator and that relate to recurring issues or issues of first impression for which no formal advisory opinion has been issued.*

The Administrator includes an agenda item for requests for advice on every closed session meeting agenda to present the information required under this provision. The Commission first delegated the authority to the Administrator to issue informal advisory opinions at its meeting on March 7, 2017.

2. 19.47(2). *The administrator shall appoint such other personnel as he or she requires to carry out the duties of the Commission and may designate an employee of the Commission to serve as legal counsel of the Commission.*

9. *19.49(2)(b)5.a. In such case, the administrator may request the assistance of special counsel to prosecute any action brought by the Commission. If the administrator requests the assistance of special counsel with respect to any matter, the administrator shall submit to the Commission the names of 3 qualified individuals to serve as special counsel. The Commission may retain one of the individuals to act as special counsel.*

The Commission and the Administrator are aware of this requirement and include it in the Commission's adopted complaints and investigations procedures. The Commission has complied with this requirement when applicable.

10. *19.49(2)(b)10. The commission shall, by rule, prescribe categories of civil offenses which the commission will agree to compromise and settle without a formal investigation upon payment of specified amounts by the alleged offender. The Commission may authorize the administrator to compromise and settle such alleged offenses in the name of the Commission if the alleged offenses by an offender, in the aggregate, do not involve payment of more than \$2,500.*

The Commission has promulgated WIS. ADMIN. CODE ETH 26 pursuant to this directive. At its meeting on December 8, 2020, the Commission authorized the Administrator to issue standard settlements consistent with ETH 26.

11. 19.49(2)(b)11. *If a special investigator or the administrator, in the course of an investigation authorized by the Commission, discovers evidence that a violation under subd. 1. that was not within the scope of the authorized investigation has occurred or is occurring, the special investigator or the administrator may present that evidence to the Commission. If the Commission finds that there is a reasonable suspicion that a violation under subd. 1. that is not within the scope of the authorized investigation has occurred or is occurring, the Commission may authorize the special investigator or the administrator to investigate the alleged violation or may elect to authorize a separate investigation of the alleged violation as provided in subd. 3.*

The Commission and the Administrator are aware of this requirement and include it in the Commission's adopted complaints and investigations procedures. The Commission has complied with this requirement when applicable.

12. 19.49(2)(b)12. *If a special investigator or the administrator, in the course of an investigation authorized by the Commission, discovers evidence of a potential violation of a law that is not administered by the Commission arising from or in relation to the official functions of the subject of the investigation or any matter that involves campaign finance, ethics, or lobbying regulation, the special investigator or the administrator may present that evidence to the Commission. The Commission may thereupon refer the matter to the appropriate district attorney specified in subd. 9. or may refer the matter to the attorney general. The attorney general may then commence a civil or criminal prosecution relating to the matter.*

Organizational Chart

Recommendations for Potential Legislation

During the 2021 Legislative Session, most of the Commission’s legislative recommendations to date were addressed through enactment of three laws (2021 Act 265, 2021 Act 266, and 2021 Act 267). There are a few remaining recommendations that have not yet been addressed. The Ethics Commission approved these recommendations at prior meetings and readopted them at its meeting on August 18, 2020. Commission staff is available to assist Legislators and their staff regarding any of the potential changes addressed herein, as well as any other potential changes to the statutes that the Commission administers. The following are those recommendations:

Campaign Finance (Chapter 11, Wisconsin Statutes)

1. Pursuant to WIS. STAT. § 11.1208(2)(a), committees are prohibited from making disbursements for a “strictly personal use.” However, there is no definition of “strictly personal use” in the statutes. The Commission has generally followed the federal “personal use” standard, understanding that inclusion of “strictly” means that Wisconsin law may be more permissive than the federal law. The Commission recommends that the phrase “strictly personal use” be defined.
2. Pursuant to WIS. STAT. §§ 11.1400(5) and 11.1401(2), the Ethics Commission must act and make a probable cause determination prior to a district attorney acting on a campaign finance related complaint. However, both statute and a prior opinion of the Attorney General contradict this and state that the Commission and District Attorneys have co-equal jurisdiction. *See* WIS. STAT. § 978.05 and OAG 10-08. The Commission has previously recommended that these provisions of Ch. 11 be amended to reflect the co-equal jurisdiction of the Commission and district attorneys.
3. A 527 organization or PAC registered in Wisconsin must abide by certain source restrictions. Specifically, WIS. STAT. § 11.1112 prohibits contributions from corporations, associations, labor unions, or federally recognized American Indian Tribes. However, it is not clear whether these source restrictions apply to a 527 organization or PAC that is not required to register in Wisconsin but chooses to make contributions to Wisconsin committees. The Commission has recommended that the Legislature clarify whether unregistered entities making contributions are required to abide by the source restrictions in WIS. STAT. § 11.1112.
4. Currently, the provisions of Chapter 11 require a post-election report after a special election unless a continuing report is due within 45 days after the special election. The Commission has previously recommended removing this requirement and requiring that information be reported on the next continuing report. Alternatively, the Commission recommended removing this requirement as to conduits because they do not file election-related reports.
5. WIS. STAT. § 11.1106(3) requires the filing officer of a conduit to place a copy of contributions reported in a file for both the conduit and the recipient committee. The Commission is the only filing officer for all conduits. These reports are filed in the Campaign Finance Information System and are readily accessible to anyone. Therefore, this requirement is no longer necessary.
6. In response to RA-2018-001, regarding the use of cryptocurrencies for campaign contributions and disbursements, the Ethics Commission decided to exercise the option granted by WIS. STAT. § 19.46(2)(c)(4) to refer the matter to the standing legislative oversight committees. On May 4, 2018, the Commission sent letters to the Senate Committee on Elections and Local Government and the Assembly Committee on Constitution and Ethics detailing the Commission's concerns on this matter.

At the Commission’s meeting on May 9, 2023, the Commission considered its legislative recommendations for the 2023 Legislative Session. At that meeting, the Commission considered a bill draft created using the Commission’s legislative drafting privileges. The recommendations and draft bill were approved unanimously. The following are the Commission’s legislative recommendations for the 2023 Legislative Session by program area.

Campaign Finance (Chapter 11, Wisconsin Statutes)

1. Require an Email Address and Telephone Number on the Registration Statement

Email is a vital communication tool for the Commission. The Commission notifies committees of upcoming filing deadlines, potential violations, and upcoming training opportunities via email. The statutes provide that the registration statement must have the name and mailing address of a committee, along with certain other information. *See e.g.*, [WIS. STAT. § 11.0203\(1\)](#). Committees are required to report any change in this required information within ten days following the change. *See e.g.*, [WIS. STAT. § 11.0203\(3\)\(a\)](#). However, the statutes do not require an email address be provided on a registration statement. Currently, this information is collected and is necessary to create an account in CFIS. It would also be helpful if the registration statement required a telephone number. If these items were required to be included in the registration statement, the Commission would have more reliable contact information, could more efficiently contact committees, and would have a basis for enforcement for failing to keep this information up to date. As will be discussed in the next recommendation, it is not unusual for committees to disappear while having unresolved potential violations. This will reduce the number of times that occurs.

2. Administrative Termination or Suspension of Inactive or Non-compliant Committees

Under the current version of Wisconsin's campaign finance laws, all registrants continue to exist in perpetuity until such time as the registrant chooses to request termination. Generally, this approach is good in that candidates and other registrants are not required to renew or re-register on a periodic basis. It eliminates the potentially unnecessary hurdle that incumbents re-register every year while they are in office.

While convenient for the committee, there are significant issues created by this system. There are a number of committees that have, for all intents and purposes, disappeared without termination. The easiest illustration of this point is the number of exempt committees that have not had any activity within CFIS for a long time. There are currently 1,762 committees that are exempt from filing reports. Approximately 450 of these have no "Amended Date" in CFIS. This means that they most likely have been exempt since before CFIS was created in 2008. Of the remaining approximately 1,312 exempt registrants, there are about 389 registrants that became exempt in 2020 or later. Of the current committees that are exempt, 1,373 have been exempt for more than three years. This means the Commission has likely had no communication with them for more than three years. Many of the individuals who created these committees have likely forgotten about these committees or mistakenly believe that they are terminated. Further, it would be surprising if many even knew their login and password. Keeping these exempt committees in CFIS also creates a distorted picture of who may be involved in campaign activities in Wisconsin. There should be a mechanism to terminate these stale committees.

Additionally, there are non-compliant registrants. While many of them respond and get into compliance, there are a number that do not. The most frequent scenario where this occurs is when a candidate runs for office and loses. Once they lose, it is not unusual for them to close the post office box they used for the campaign and then shut down or ignore their email account and website. During this time, the committee fails to file required reports. As a result, violations with significant penalties continue to accrue with virtually

no way to get the committee back in compliance. The delinquent filers list that is published on the Commission's website is not sufficient to obtain compliance.

To address these issues, the Commission recommends that the Legislature create a statutory mechanism allowing the Commission to terminate any committee that has been exempt for more than 3 years. It also recommends allowing the Commission to suspend any committee that fails to respond to notices after three attempts to notify the committee (with the last notice being sent by certified mail to the last address on file). This suspension would include locking the committee out of their account until they contact the Commission and get in compliance. The Commission also recommends that the Legislature toll the statute of limitations for violations by these non-responsive committees.

3. Valuation and Reporting of Joint Ads

It is not unusual for local candidates to work together to produce joint advertisements, mailers, and other campaign communications. While [WIS. STAT. § 11.1111](#) provides guidance on how to prorate and account for opinion poll results, there is no similar provision for joint advertising. There is no legislative guidance concerning whether these efforts are permissible, whether the total cost of the ad should be prorated amongst the candidates, the impact on contribution limits, and calculating whether the committee has exceeded the threshold for exemption. The Commission was able to provide guidance on some of these issues in [2022 ETH 01](#). This opinion is publicly available on the Commission's website and has been furnished to legislative leadership, our substantive committee chairs, and others. The Commission requests that the Legislature confirm this interpretation and codify the holdings of that opinion. If the Legislature does not agree with the holdings of the opinion, the Commission requests clarification of treatment of joint ads in the statutes.

4. Require a Separate Committee for Each Office Sought

[WIS. STAT. § 11.0202\(2\)\(d\)](#) allows a current officeholder to establish a second candidate committee for the purpose of pursuing a different state or local office. However, this is permissive in nature. The statutes do not prohibit an officeholder from running for a different office while operating out of one candidate committee and one checking account. Several issues arise from this scenario.

First, reporting may be confusing for the public and susceptible to otherwise avoidable mistakes. CFIS currently allows an official to designate one office per candidate committee. The statutes do not require, and the system does not allow, the candidate or treasurer to identify that a contribution or disbursement is for a particular race when using one committee. The only way to do that is to include a comment identifying which race the contribution or disbursement was for. Mistakes would be very easy to make.

Second, determining compliance with contribution limits is more difficult when a candidate runs two campaigns from one committee. It would be easy for the candidate or treasurer to make mistakes when calculating contribution limits. Each office has a different limit and the periods during which they apply may not be the same.

Third, this may allow an unintended advantage to an existing officeholder. An officeholder may not start with a zero balance. An officeholder likely has funds that were accumulated

during prior contribution limit periods. These funds are the property of the candidate committee. If an officeholder set up a second committee to run for a different office and sought to transfer those funds from the first committee to the second, the contribution limits in [WIS. STAT. § 11.1101\(2\)](#) would apply. While the Legislature could have easily created an exception, there is no exception for contributions from a candidate's first committee to their second committee.⁴ So, the second committee would only be able to receive up to the maximum limits from the first committee. However, if the officeholder does not create a second committee, there is nothing in the statutes that prohibits the committee from spending the funds from prior years. The committee gets to start off with a bigger war chest. It is important to note that there is a legitimate argument about whether a candidate should be allowed to transfer unlimited contributions from a candidate's first committee to their second committee. With what is currently in statutes, we have no evidence that that was intended to be permissible. In fact, to the contrary, the Legislature limited transfers from a donor between a first committee and a second committee. See [WIS. STAT. § 11.1114](#). The Commission recommends that an officeholder seeking a different state or local office be required to create a second candidate committee.

5. Disposal of Residual Conduit Funds

Recently, the Commission has considered several questions concerning conduits who were trying to terminate but were unable to identify the source of some of the remaining funds in the conduit account. The only provision that lets a conduit do anything with money where it is not directed to do so by the contributor is [WIS. STAT. § 11.0705](#). That provision allows redirection only under certain circumstances. If it is unable to identify the contributor, the conduit cannot possibly attempt to contact the contributor for consent to redirect the money to the sponsor. It also cannot identify a surviving spouse or executor for their consent. [WIS. STAT. 11.1302](#) allows any committee to donate to a charitable organization or the common school fund. However, a conduit is not a committee under the definition in [WIS. STAT. § 11.0101\(6\)](#). So, it cannot do so. This makes sense as, generally, contributors would only want to either give their money to a candidate or committee or get it back from the conduit. However, if after a good faith effort, the conduit cannot identify the source of money leftover when it terminates, it must have a mechanism to dispose of that money; otherwise, the conduit will not be able to terminate. The Commission recommends that the Legislature authorize a conduit that is terminating to dispose of money by giving it to the common school fund or a charitable organization that does not have any nexus to the conduit when it cannot identify the source of excess funds or cannot locate them for redirection as provided in law.

6. Due Date for 72-Hour Report for Express Advocacy Disbursements

A political action committee, independent expenditure committee, or an "Other Person" that spends more than \$2,500 on express advocacy in the aggregate during the 60-days before an election is required to file a "72-Hour Report." This report is appropriately named because the due date is within 72 hours of the disbursement(s) being made. In addition to the usual information required, such as the name and address of the vendor, the group must

⁴ The only exception for a candidate is that he/she is free to contribute personal funds or funds co-owned with their spouse in unlimited amounts. [WIS. STAT. § 11.1104\(7\)](#).

name the candidate identified in the communication and specify whether the group opposes or supports the candidate.

Under the current language of the statute, the report is due within 72 hours of the vendor's bill being paid. The Commission has learned of certain circumstances that thwart the intent of the statute. First, a political action committee, independent expenditure committee, or an "Other Person" may not reach that threshold until within days of the election. It is possible in those situations that the report may not be due until after the election. Alternatively, some vendors are billing on 30-day cycles. Again, this can result in 72-Hour Reports not being due until after the election. Finally, there are circumstances where communications are planned and paid for before the 60-day window begins but the express advocacy actually occurs during that 60-day window. This activity would not be required to be reported because currently the spending has to occur during the 60-day window to trigger the filing requirement. The purpose of this reporting is to provide contemporaneous reporting for spending on express advocacy during this 60-day window. It appears that, intentionally or not, the purpose of that requirement is being thwarted by the fact that the due date is tied to the payment of the bill for the express advocacy.

The Commission recommends that, for communications containing express advocacy that will occur during the 60-day window before the election a 72-Hour Report must be filed no later than 72 hours after the earliest of:

- 1) The date the obligation for express advocacy is incurred, if the political action committee, independent expenditure committee, or "Other Person" has all information that is required to be reported;
- 2) The date the express advocacy is aired, broadcast, printed, or otherwise disseminated outside of the political action committee, independent expenditure committee, or "Other Person;" or
- 3) The date of the disbursement.

7. Conduit Filing Fees

Under the previous version of Chapter 11, any registrant, conduit, or group, other than a candidate's committee, that spends more than \$2,500 in a calendar year was required to pay a filing fee to the Commission. Under the current version of Chapter 11, the filing fee is only required of "committees." The definition of "committee" in s. 11.0101(6) does not include a conduit. While there are instances in Chapter 11 where the statutes specify that requirements or duties apply to committees or conduits, that is not the case in s. 11.0102(2). As a result of this omission, the statutes do not require conduits to pay the filing fee. It is unclear why conduits were excluded from the new version of Chapter 11. The Commission is not aware of any reason why conduits should not also be required to pay the annual filing fee.

The Commission recommends that conduits that release more than \$2,500 in contributions in a calendar year also be required to pay the filing fee.

Lobbying (Subch. III, Chapter 13, of the Wisconsin Statutes)

1. Clarify that Local Special Elections Do Not Open the Lobbyist Contribution Window

Wisconsin's lobbying laws create a window where personal contributions from lobbyists are permissible. The general rule is that a lobbyist or principal may make personal contributions to a partisan elective official, candidate for partisan elective state office, or candidate committee of the official or candidate "between the first day authorized by law for the circulation of nomination papers as a candidate at a general election or a special election and the day of the general election or special election." [WIS. STAT. § 13.625\(1m\)\(b\)](#). It is more clearly restated as the window occurring: 1) between April 15 and the day of the general election, or 2) between the day the order for the special election is filed and the day of the special election. However, a contribution to a candidate for legislative office may only be made during that period if the legislature has concluded its final floor period and is not in special or extraordinary session.

Problems arise from the fact that there is a window for "special elections." The lobbying law does not define "special election." However, the lobbying law's definitions of "candidate," "candidate committee," and "contribution" all cite to the definitions in campaign finance law. So, the best interpretation of "special election" would be to use the definition in campaign finance law. [WIS. STAT. § 11.0101\(29\)](#) states that, "'special election' means any election, other than [a general election, partisan primary, special primary, spring election, or spring primary] to fill vacancies or to conduct a referendum." So, a "special election" is any election other than a general election, partisan primary election, special primary election, spring election, or spring primary election. Nothing in the definition of "special election" excludes special elections for local offices. Special elections are conducted at all levels of Wisconsin's government. So, applying the definition in campaign finance law, the window will open for every special election conducted regardless of whether it is occurring at the state level or the local level.

The window opening for special elections creates a few problems. The primary problem is that opening the window for every state and local special election would create an exception that swallows the general rule. It also would create a huge disparity in the number of days the window is open for non-legislative candidates when compared to legislative candidates. Specifically, during a five-year period examined, non-legislative candidates would have an additional 586 days when all special elections are included. However, during that same period, legislative candidates would only have an additional 84 days. That is a difference of 502 additional days to collect lobbyist contributions for non-legislative candidates.

It appears clear that the concept of the general rule was that there would only be a window during an election year which runs from the first day to circulate nomination papers until the day of the election. However, by not excluding special elections, this does not happen. Further, the impact favors non-legislative candidates, especially in non-election years.

Another issue arises in how the Commission conducts its auditing. Originally, the audits only considered state elections and special elections for state office. However, if a special election for local office opens the window, the audit process gets significantly more labor-intensive. Staff would have to wait until after the year was over and then confirm with the Elections Commission and/or local clerks whether a special election occurred and, if so, when it occurred.

The Commission recommends to the Legislature that the window, as applied to special elections, be clarified. Specifically, the Commission recommends that the window only

opens for special elections for state elective office. Additionally, the Commission seeks confirmation as to the holdings of its opinion [2020 ETH 04](#). If the Legislature disagrees with those holdings, the Commission requests that the Legislature revise the statutes to provide clear guidance consistent with its wishes.

Administration

By statute, certain records of the Commission are publicly available and certain records are specifically exempt from disclosure. [WIS. STAT. § 19.49\(1\)\(b\)](#) authorizes the Commission to settle certain violations. It also provides that a settlement must be reduced to writing which becomes a publicly available record. Pursuant to [WIS. STAT. § 19.50](#), most complaint-related records and information remains confidential. The penalties for violating this statute include up to a \$10,000 fine and up to 9 months in jail. [WIS. STAT. § 19.58\(4\)](#). However, [WIS. STAT. § 19.55](#) allows the Commission to disclose certain complaint-related records. Specifically, it allows disclosure of a record of the action of the Commission authorizing the filing of a civil complaint, a record of the action of the Commission referring a matter to a district attorney or other prosecutor for investigation or prosecution, a finding of no reasonable suspicion, or a finding of no probable cause. The Legislature did not specifically address certain aspects of confidentiality. There are two legislative recommendations concerning confidentiality of records:

1. Records of Final Action

As a quasi-adjudicatory body tasked with enforcing the laws within its jurisdiction, the Commission has prosecutorial discretion concerning civil violations within its jurisdiction. The Commission can decide whether to dismiss a matter, offer a settlement, litigate, or refer violations for prosecution. The Commission may choose to settle potential actions which, in the opinion of the Commission, constitute a minor violation, a violation caused by excusable neglect, or for which for other good cause shown should not in the public interest be prosecuted. [WIS. STAT. § 19.49\(1\)\(b\)](#). There are circumstances where no monetary penalty is sought because, under the circumstances, a written warning is more appropriate. For example, pursuant to WIS. ADMIN. CODE ETH 26, the standard settlement schedule for several types of late reports provides for a written warning. The warning functions as the Commission's final action on the matter. The same rationale applies to situations where the Commission may want to find a reasonable suspicion or probable cause to believe a violation is occurring or has occurred but wants to take no further action. Therefore, the Commission requests that the statutes clearly provide that written warnings and decisions to take no further action are publicly available.

2. Audit Results

The Commission conducts certain universal audits for reports filed with it. Campaign finance reports, lobbying reports, and statements of economic interests are all audited to detect late filings. Additionally, campaign finance reports are audited to detect missing information, excess contributions, improper contribution sources, and inaccurate reporting of cash on hand. As audits are likely to lead to litigation if not settled and legal advice is often necessary to decide how to proceed, these matters are permissibly held in closed session. The Commission recommends that the Legislature specifically amend WIS. STAT. §§ [19.55](#) and [19.85](#) to address the confidentiality of audit results. Specifically, the Commission recommends that the statutes allow disclosure where, as a result of an audit,

the Commission issues a warning, orders litigation, or refers the matter to an appropriate prosecutor.

Determinations and Advisory Opinions Issued Under WIS. STAT. § 19.46(2)

The table below provides a summary of requests for advisory opinions the Commission has received between July 1, 2022, and June 30, 2023. Below each request is a summary of the Commission’s determinations and any advisory opinion issued related to that request, where applicable.

Request #	Description	Type
RA-2022-12	Use of Campaign Funds for Vehicle Repairs	Informal Opinion
It would be an impermissible use of candidate committee funds to pay for repair or replacement of a tire on a personal vehicle even though the tire issue occurred during campaign travel. Under the circumstances presented, it was unclear whether the issue arose from normal wear and tear and would have existed irrespective of the person’s candidacy.		
RA-2022-13	Conflict of Interest	Informal Opinion
The Commission provided guidance concerning whether a local public official would avoid a conflict of interest if the official were to resign and transfer all interests in a business venture and whether the official’s spouse’s employment with the business would create issues under the local code of ethics if the business entered into an agreement with the city.		
RA-2022-14	Post Service Employment Restrictions	Informal Opinion
The Commission provided general guidance to a former state public official regarding the permissibility of, and limitations on, private sector employment under WIS. STAT. § 19.45(8) .		
RA-2022-15	Partner of State Public Official Purchasing Property from Lobbyist	Informal Opinion
Under the unique facts of this situation, the Commission opined that there would be no violation of the laws within the Commission’s jurisdiction if a romantic partner of a state public official purchased a home from a lobbyist. The Commission expressly noted that, under other similar circumstances, it may reach a different conclusion.		
RA-2022-16	Local Public Official Working as a Limited Term Employee	Informal Opinion
Based on the limited facts presented, the local public official was advised that the laws within the Commission’s jurisdiction may prohibit the official from accepting compensation for employment with the official’s county. The official was advised that the official could provide further information to obtain more definitive advice.		
RA-2022-17	Fundraising and Administrative Expenses of a Political Action Committee	Informal Opinion
A sponsoring organization inquired whether it could pay certain travel expenses for political action committee related travel. Based on the facts presented, funding of certain travel-related expenses constituted a contribution to the political action committee because the travel expenses were not fundraising or administrative expenses. Unless an exception applied, the travel expenses would also be a prohibited corporate contribution.		

RA-2022-18	Acceptance of Costs to Attend a National Conference	Informal Opinion
<p>A state public official inquired whether the official could permissibly accept the costs to travel to a national conference. Under the circumstances presented, the official was advised that a candidate committee could pay for the official’s conference expenses if they do not constitute a “strictly personal use.” The candidate committee could be reimbursed for the expenses, up to the applicable contribution limits.</p>		
RA-2022-19	Campaign Staff Costs to Attend a National Conference	Formal Opinion (2022 ETH 01)
<p>Under the facts presented in this inquiry, the candidate committee could permissibly pay the costs of campaign staff’s attendance at a national conference. The payment of the costs would have to be reported as a disbursement on the committee’s next campaign finance report. A political action committee could reimburse those costs as an in-kind contribution, subject to the applicable contribution limits.</p>		
RA-2022-20	State Public Official Serving on Lobbying Principal Board	Informal Opinion
<p>The lobbying law did not prohibit a state public official from serving on the lobbying principal’s board because there was no indication that the official would receive compensation or any other thing of pecuniary value for their service. Further, guidance was provided for complying with the lobbying laws and ethics laws if the official decided to accept the position on the lobbying principal’s board.</p>		
RA-2022-21	Judge Attending Event Hosted by a Lobbying Principal	Informal Opinion
<p>The lobbying laws and ethics laws did not prohibit a judge from attending an event hosted by a lobbying principal where the judge was invited to attend by the judge’s spouse. Based on the circumstances, it was clear that the judge was only attending as the spouse’s guest, not at the direction or invite of the principal. Under the ethics laws, the judge could either pay for the ticket or could accept the ticket from the spouse without paying for it.</p>		
RA-2022-22	Agency Hosting an Event	Informal Opinion
<p>An agency was asked to co-sponsor an event with a private business that was not a lobbying principal. Under WIS. STAT. §§ 19.56(3)(e) and (f), the agency could co-sponsor the conference and officials could accept food, beverages, and meals at the conference.</p>		
RA-2023-01	Office Newsletters or Communications Regarding Referenda	Informal Opinion
<p>A legislator inquired about the permissibility of engaging in communications regarding referenda. Based on the facts of the request, the Commission determined that engaging in these communications would not violate the ethics laws in the absence of a particular member, a member’s immediate family, or an organization the member is associated with receiving financial gain, anything of substantial value, or a substantial benefit by doing so. However, the legislator was advised that those members engaging in such communications should be mindful of the potential applicability of the 50-Piece Rule.</p>		

RA-2023-02	Permissibility of Certain Legislation	Informal Opinion
<p>A legislator inquired whether it would be permissible for the legislator to introduce and take official action on legislation that was related to the legislator’s private sector business pursuits. Under the circumstances of this request, the Commission noted that the request did not indicate there was any prohibited benefit to the legislator, the legislator’s immediate family, or an organization with which the legislator was associated. Under the circumstances prevented, the Commission noted that any conceivable benefit appeared to be too remote or speculative in nature to be prohibited under the ethics laws.</p>		
RA-2023-03	Application of Exception to Prohibited Practices for Lobbyists and Principals	No Opinion Issued
<p>Request withdrawn by the Requestor. No opinion issued.</p>		
RA-2023-04	Permissibility of Certain Legislation	Informal Opinion
<p>A legislator inquired concerning the permissibility of sponsoring and taking official action on legislation. Under the facts presented, the laws within the Commission’s jurisdiction did not prohibit the official from introducing or taking certain official actions regarding the legislation because the official was only one member of a large class affected by the legislation, the legislator’s interests were no different or more significant than any other member of the class, and the legislation did not affect the legislator’s interests any differently than any other member of the class affected. Further, any benefit to the legislator was remote and speculative in nature.</p>		
RA-2023-05	Mandatory Advocacy Assessments as a Condition of Membership	Informal Opinion
<p>A political action committee inquired whether it could charge a mandatory advocacy assessment as a condition of membership. The Commission advised that nothing in Chapter 11 of the Wisconsin Statutes prohibits the political action committee from such actions if the political action committee complies with applicable registration and reporting requirements.</p>		
RA-2023-06	Service on Nonprofit Organization’s Board of Directors	Informal Opinion
<p>Based on the representations in the request, there was no indication that the state public official used his position to obtain the position on the nonprofit’s board of directors. Nor was there any indication that the official, an immediate family member of the official, or an organization with which the official was associated would receive financial gain, anything of substantial value, or a substantial benefit. Further, the lobbying laws were not implicated because the nonprofit was not a Wisconsin principal.</p>

1. Being a candidate for any partisan office (national, state, or local).
2. Being a member of any national, state, or local political party.
3. Directly or indirectly soliciting, receiving, or making contributions to any political party or partisan candidate for public office.
4. Soliciting votes in support of or in opposition to any party or partisan candidate for public office.
5. Circulating or signing nomination papers or petitions, including recall petitions, for partisan political office.
6. Serving as an agent of any political party or partisan candidate in any capacity (e.g., polling place observer, delegate, partisan poll worker, or get out the vote activities).
7. Publicly supporting or opposing a partisan candidate for public office or political party office in a political advertisement, broadcast, campaign literature, or similar material.

Seeking Elective Office

Any employee who wishes to run for partisan elective office must take an unpaid leave of absence effective from the time nomination papers can first be circulated and must resign (or be terminated) if and when such nomination papers are filed.

Any employee who files a campaign registration statement to register as a candidate for partisan elective office prior to the time that nomination papers can first be circulated shall report that filing to the Administrator, who shall place the employee on unpaid leave until the nomination papers are filed or until the employee is no longer a candidate for partisan office.

In addition to avoiding partisan activities, staff should also avoid running for nonpartisan office if the Commission is the filing officer for that contest. This would put the staff member in the position of enforcing campaign finance regulations upon her or his own committee, or against potential opponents. Any employee seeking a nonpartisan office where the Commission is the filing officer is required to take an unpaid leave of absence from the time the employee files a campaign registration statement until the employee is no longer a candidate. If the employee is elected, the employee shall resign or be terminated.

Appendix C: Delegation of Authority for Informal Advisory Opinions Policy

The Ethics Commission is required by WIS. STAT. § 19.47(9)(a) to report adopted policies to the appropriate standing committees of the Legislature under WIS. STAT. § 13.172(3). At its meeting on March 7, 2017, the Ethics Commission adopted a policy to authorize the Commission Administrator or his or her designee to issue an informal written advisory opinion, consistent with WIS. STAT. § 19.46(2)(b). That section of the statutes states the following:

(b)

- 1. The commission may authorize the commission administrator or his or her designee to issue an informal written advisory opinion or transmit an informal advisory opinion electronically on behalf of the commission, subject to such limitations as the commission deems appropriate. Every informal advisory opinion shall be consistent with applicable formal advisory opinions issued by the commission, statute or other law, and case law.*
- 2. Any individual may request in writing, electronically, or by telephone an informal advisory opinion from the commission under this paragraph. The commission's designee shall provide a written response, a written reference to an applicable statute or law, or a written reference to a formal advisory opinion of the commission to the individual, or shall refer the request to the commission for review and the issuance of a formal advisory opinion.*
- 3. Any person receiving an informal advisory opinion under this paragraph may, at any time, request a formal advisory opinion from the commission on the same matter.*

Additionally, WIS. STAT. § 19.46(2)(a)4 requires the Administrator to report the issuance of informal opinions to the Commission and the options the Commission may exercise upon receiving such a report:

- 4. At each regular meeting of the commission, the commission administrator shall review informal advisory opinions requested of and issued by the administrator and that relate to recurring issues or issues of first impression for which no formal advisory opinion has been issued. The commission may determine to issue a formal advisory opinion adopting or modifying the informal advisory opinion. If the commission disagrees with a formal or informal advisory opinion that has been issued by or on behalf of the commission, the commission may withdraw the opinion, issue a revised formal or informal advisory opinion, or request an opinion from the attorney general. No person acting after the date of the withdrawal or issuance of the revised advisory opinion is exempted from prosecution under this subsection if the opinion upon which the person's action is based has been withdrawn or revised in relevant degree.*

Adopted Policy Delegating Authority to Issue Informal Opinions

1. The request for an informal opinion must be received in writing (e.g., email, or a typed or written letter).
2. The issuance of an informal opinion must be provided in writing (e.g., email, or a typed or written letter).
3. Every informal opinion issued shall be consistent with all applicable formal advisory opinions issued by the Commission, statute or other law, and case law as required by WIS. STAT. § 19.46(2)(b)1; as well as United States and Wisconsin constitutional law.
4. The Commission Administrator, or the Staff Counsel upon delegation by the Administrator, may issue an informal opinion consistent with the policy adopted by the Commission.

How to Request an Informal Advisory Opinion

We recommend that requests for informal advisory opinions explicitly state that an informal opinion is requested. Requesters should also provide as much detail as possible regarding the facts and circumstances related to the request to ensure that the opinion provided sufficiently addresses the matter. Requests can be directed to the Administrator or Staff Counsel, directly, or to the agency in general. Contact information for the Administrator, Staff Counsel, and the agency is available on our website here: <https://ethics.wi.gov/Pages/AboutUs/ContactUs.aspx>.

Appendix F: Statements of Economic Interests Standard Settlement Schedule and Waiver Policy

This document sets out clear written procedures for enforcing the requirement for state public officials to file Statement of Economic Interests by the statutory deadlines set out in WIS. STAT. § 19.43. The Commission's authority for initiating settlement offers is set out in WIS. STAT. § 19.49(1)(b). The primary interest of the Commission is providing timely and accurate economic information to the public, and collection of penalties is secondary to that goal. In assessing penalties and offering settlements for violations, the Commission may consider mitigating or aggravating circumstances, such as the number of previous offenses and the nature of the official's position, and may modify procedures and penalties accordingly. This schedule is codified at WIS. ADMIN. CODE ETH 26.

Filing of Statements of Economic Interests, WIS. STAT. § 19.43.

Requests for Extensions of time under WIS. STAT. § 19.43(8)

By statute, officials may request an extension of the deadline to file a Statement of Economic Interests. When an official requests an extension, staff will ask for the request in writing. For reasons of administrative efficiency, staff will grant requests for extensions for 15 days or less. If the official's request is for more than a 15-day extension, staff will grant an extension of 15 days and inform the official that their request for further extension will be presented at the next Commission meeting, along with information on when the official's Statement was filed. If the Commission grants the request for further extension, no penalty will be assessed. If the Commission denies the request for further extension, and the official filed a Statement more than 15 days after the original deadline, the official will be assessed a penalty for late filing under section (d). Staff will not grant extensions to candidates for office required to file a Statement under WIS. STAT. § 19.43(4).

Requests for Waivers under WIS. STAT. § 19.43(8)

When an official requests a waiver from filing all or part of their Statement, staff will ask for the request in writing. Staff will inform the official that their request for waiver will be presented at the next Commission meeting, along with information on whether part or all of the official's Statement has been filed. If the Commission grants the request for waiver, the official will not be required to file the portion of the Statement that was waived. If the Commission denies the request for waiver, the official will be notified of that denial. If the official fails to file all required information within 15 days of that notification, penalties will be assessed under section (d).

Failure to Timely File by Candidates for State Public Office under WIS. STAT. § 19.43(4)

A candidate required to file a Statement that fails to meet the deadline set out in WIS. STAT. § 19.43(4) will be denied ballot placement. No financial penalty will be assessed.

Failure to Timely File by Officials and Nominees under WIS. STAT. § 19.43(1), (2) and (3)

If an official or nominee is required to file a Statement by WIS. STAT. § 19.43(1), (2), or (3) and fails to file a Statement within 15 days after written notice from staff, the recommended settlement amount will be \$100. This penalty will increase by \$100 every two weeks, up to a maximum of \$500. If any filer disputes the recommended settlement amount, the issue will be brought to the commission for a decision. In addition, if an official or nominee fails to file a statement within 30 days, staff will notify the officials identified in WIS. STAT. § 19.43(7), and instruct the employer to withhold compensation to the individual until the Statement has been filed.

Type of Official	Calendar Days Late	Result
Candidate	0+	N/A – Candidate denied ballot placement
Other Official	0-15	Warning
Other Official	16+	\$100 plus \$100 every 15 calendar days
Other Official	30+	Compensation temporarily withheld per § 19.43(7)

Standards for waiver of financial disclosure requirements

Introduction

Wisconsin’s Code of Ethics for State Public Officials requires approximately 2,500 state officials to file a Statement of Economic Interests on an annual basis. WIS. STAT. §§ 19.43 and 19.44. In general, the requirement applies to all state elected officials, top agency management, legislative service agency employees, and all gubernatorial appointments requiring Senate confirmation, as well as to candidates for state elective office.

The purpose of financial disclosure is twofold: (1) To give the public confidence that a state official is not acting in matters in which the official has a personal financial interest; and (2) To annually make an official think about the official’s economic ties so that the individual may avoid conflicts.

Nonetheless, WIS. STAT. § 19.43(8) provides that the Ethics Commission may waive any financial disclosure requirement:

WIS. STAT. § 19.43(8) On its own motion or at the request of any individual who is required to file a statement of economic interests, the commission may extend the time for filing or waive any filing requirement if the commission determines that the literal application of the filing requirements of this subchapter would work an unreasonable hardship on that individual or that the extension of the time for filing or waiver is in the public interest. The commission shall set forth in writing as a matter of public record its reason for the extension or waiver.

The Commission adopts and will apply the following considerations on a case-by-case basis in determining whether to grant a waiver of any disclosure requirement.

The position held by the official requesting a waiver.

Elected officials – Because such individuals generally exercise broad powers and in choosing whether to run for office an individual can take financial disclosure requirements into consideration, the Commission will closely scrutinize whether it will grant a waiver.

Full-time appointed officials – Because top management officials also exercise broad powers, albeit in narrower areas than elected officials, the Commission will closely scrutinize whether it will grant a waiver.

Part-time appointed officials – Part-time officials do not exercise the broad powers that elected and full-time officials do. They generally oversee commissions with limited jurisdiction and are more likely than full-time officials to have other jobs and active business interests. Such individuals' service on state commissions is a public service for which they receive little remuneration and, if disclosure would interfere with an individual's perceived ability to carry on the individual's private economic endeavors, it could lead to an unwillingness to serve.

Employees with limited decision-making power – Some agencies, such as the Ethics Commission, The Elections Commission, the Wisconsin Economic Development Corporation, the Legislative Audit Bureau, and the Wisconsin Housing and Economic Development Authority, require all employees, or all non-clerical employees, to file a statement. These employees may have relatively little control over regulatory and financial matters, and a waiver may present less of a threat to the public interest.

For any official, the Commission will heavily weigh the relationship between the official's governmental duties and the nature of the economic interests that the official does not want to disclose.

The importance of confidentiality with respect to the economic interest ought to be protected.

While the Code of Professional Conduct does not prohibit an attorney from disclosing clients on a Statement of Economic Interests, lawyers are justifiably sensitive to this, especially with respect to clients where the official's representation is not generally known. The Commission will give great weight to this concern. Countervailing considerations to granting a waiver are: (1) whether a client engages in activity related to the official's regulatory responsibilities; and (2) the extent to which the official's representation is known to others.

For a start-up business or in a competitive business situation, the disclosure of customers may be detrimental. The Commission will give weight to this consideration, but the harm claimed should not be simply speculative.

It is unlikely that a relationship with non-Wisconsin entities could present a conflict of interest situation for an official. This appears to be recognized by WIS. STAT. §19.44 (1) (b) which provides that an ownership interest in a company not doing business in Wisconsin is not required to be disclosed. The Commission will give great weight to this factor.

The Commission will give great weight to confidentiality requirements imposed by other sources of law.

The number of interests an official has.

If an official has a great many interests to report, reporting may create a heavy administrative burden on the official. Moreover, it may be that no particular customer, client, or business interest is important if an official has very many such interests. The Commission will consider this as a factor in determining whether to grant a waiver.

Conclusion

The Commission believes that waivers should be granted cautiously and rarely. No one is compelled to be a state public official – it is always voluntary, and the reporting requirements should be known up front. On the other hand, it would be unfortunate if the reporting requirements discouraged an individual from entering public service or had a detrimental effect on an official’s economic standing. The Commission views the above considerations as part of a sliding scale of factors. An applicant for waiver should be able to show that undue hardship is not simply speculative, and a requester should establish a showing of hardship by clear and convincing evidence. When the Commission grants a waiver, it will condition it on the requirement that an official recuse himself or herself from any matter that involves or impacts the entity that has not been disclosed whether a statutory conflict would otherwise exist.

Appendix G: Campaign Finance Auditing Schedule

Introduction

Following the implementation of the Campaign Finance Information System (CFIS) database in the fall of 2008, and Eye on Lobbying Database in 2012, Government Accountability Board staff developed procedures for regular audits of common campaign finance violations and lobbying activity. The Ethics Commission first reviewed and approved these procedures at its meeting on October 10, 2016. These procedures have continued to be reviewed on an annual basis and are updated as needed based on court decisions and legislative changes.

Overview of Statutory Requirements

Audit Procedures

The Commission is required to audit campaign finance reports to check for violations under WIS. STAT. § 19.49(2g). The statute requires making note of the possible violation, and informing the committee of the issue, but does not detail procedures for resolving the possible violations.

(2g) AUDITING. In addition to the facial examination of reports and statements required under s. 11.1304(9), the commission shall conduct an audit of reports and statements which are required to be filed with it to determine whether violations of ch. 11 have occurred. The commission may examine records relating to matters required to be treated in such reports and statements. The commission shall make official note in the file of a committee, as defined in s. 11.0101(6), of any error or other discrepancy which the commission discovers and shall inform the person submitting the report or statement. The commission may not audit reports, statements, or records beyond the 3-year period for which a committee must retain records under ch. 11.

Restrictions on Release of Records

The Commission is prohibited under WIS. STAT. § 19.50(1) from releasing or allowing inspection of certain records including, information related to an investigation or prosecution under Ch. 11, subch. III of Ch. 13, or subch. III of Ch. 19 or any law specified in WIS. STAT. § 978.05(1) or (2). Under WIS. STAT. § 19.55(3), records not subject to inspection include anything obtained or prepared by the Commission in connection with an investigation, including the full text of any complaint received by the Commission. While audits are separated from the confidentiality provisions that specifically apply to complaints, they still may result in an investigation or prosecution, so past practice of the staff has been to release only very general information, such as the number of possible violations identified in an audit. Information identifying a committee, individual, violation, or settlement amount was released only if contained within a signed settlement agreement.

Overview of Audit Procedures

1. Staff will initiate an audit based on the schedule listed below. Some audits, like timely filing of campaign finance reports or payment of filing fees, will occur shortly after a report or payment is due. Others require more data analysis and will occur as time permits.
2. When conducting an audit, staff will perform a global analysis of all committees or individuals subject to a particular law – for example, all committees required to report cash balances will be audited for cash balance discrepancies, and all candidates on the ballot during the previous election cycle will be audited for contribution limits violations.
3. Most data will be pulled from the CFIS database. For lobbying audits, data is also pulled from the Eye on Lobbying website, and for audits of contribution limit violations, staff will pull a list of candidates on the ballot in a specific election from WisVote.
4. Audit data and documents for each committee or person contacted will be saved on the Ethics Commission’s internal SharePoint site.
5. When potential violations are identified, staff will send out an initial communication to the committee or individual with a request to respond or resolve possible violations and may be given up to 30 days to resolve the potential violation. All notices of possible violations will be sent via email to the email addresses included in the committee’s registration statement. The initial communication will identify the issue and request that it be fixed, or that the committee or person admit that the violation occurred. The initial communication may reference the Ethic’s Commission standard settlement schedules and settlement amounts but will not include settlement agreements.
6. During the 30-day window, staff will work with committees to correct erroneous reports. If a mistake is corrected, staff will close the audit for that committee or person.
7. The audit findings will be added to the agenda for the next Commission meeting. Requests to appear before the Commission by phone or in person will be communicated to the Chair and Vice Chair for approval.
8. Once 30 days have passed since the initial communication:
 - a. If the committee or person has not responded, staff will send a second communication with a reminder of the issue.
 - b. Staff will add the audit item to the audit database for tracking.
 - c. Staff will add the item to the agenda of the next regularly scheduled Commission meeting for the Commission to review and determine whether to issue a settlement agreement for the amount specified in the standard settlement schedule.
9. The Commission, at its next meeting, may direct staff to issue a settlement agreement or close the audit as appropriate for each committee or person. If the Commission has not already considered their case, the committee or person may request to appear before the Commission. Once a settlement offer is issued, the committee or person shall have 30 days

to pay the settlement offer and sign the settlement agreement. Once executed, a settlement is no longer confidential.

10. If the registrant or individual refuses to accept the Commission's settlement offer or does not respond, the Commission may direct staff counsel to commence a civil action to collect a forfeiture of at least the amount of the settlement offer.
11. The Commission may place some registrants on administrative suspension rather than pursue further action. This will generally apply to registrants with little activity that cannot be contacted. When staff believes a registrant should be placed on administrative suspension, staff will present the situation for the Commission's approval. If a registrant on administrative suspension wishes to become active again, staff will seek all incurred penalties and all reports.
12. Commission staff will inform the Commission of all late reports, settlement offers, paid settlements and administrative suspensions, and will compile an annual summary for each calendar year.

Audit Planning for Fiscal Year 2023 (July 1, 2022 – June 30, 2023)

Termination Audits

Period: Up to three years from the date of the most recent election in which the committee participated through Termination

Start Date: Ongoing

Termination audits cover a number of issues, such as whether the committee has \$0 cash on hand, whether the committee has \$0 in outstanding debts and loans, whether there are cash balance discrepancies, whether there is an outstanding filing fee, whether there are outstanding settlements, and other issues. These audits are conducted on an ongoing basis as committees request to terminate. If time and other work priorities permit, staff will contact unsuccessful candidates and advise them of their options regarding continued reporting, exemption, and termination. Committees identified through this audit could be subject to any of the applicable sections of the Campaign Finance Settlement Schedule.

Campaign Finance Filing Fees

Period: Annually

Start Date: January 15

Annual filing fees are due the same date that the January Continuing campaign finance report is due, between the 15th and 17th of January. Notices are sent by email approximately one month before the fee is due, and reminder emails are sent one week and one day before the deadline. Committees that have not paid are contacted within a few days of the deadline. Committees identified through this audit could be subject to the standard settlement provided for in WIS. ADMIN. CODE ETH 26.02(3).

Timely Filing of Campaign Finance Reports

Period: Each Required Campaign Finance Report

Start Date: Day After Each Filing Deadline

Notices to file campaign finance reports are sent by email approximately one month before the report is due, and reminder emails are sent one week and one day before the deadline. Committees that have not filed are contacted the day after the deadline (for election related reports) or within a few days of the deadline (for continuing reports). Committees identified through this audit could be subject the standard settlement as provided for in WIS. ADMIN. CODE ETH 26.02(1) or (2).

Pending Transactions Review (Courtesy Review Prior to Audits)

Period: Semi-Annually

Start Date: Following Each Continuing Report

Committees have the ability to save transactions in the CFIS website, and file them all together when a continuing report or election related report is due. If a committee saves a transaction but does not file it, it is visible to staff, but not visible on the official report available to the general public. Staff will use a query to identify all unfiled transactions semi-annually before the cash balance audit. This information will be gathered merely to assist committees in ensuring that all transactions that were meant to be reported are filed. Committees will be provided with notice of pending transactions and staff will recommend that committees review the transactions and file amended reports if transactions were meant to be filed or delete the transactions if they are duplicates. This action is recommended as unfiled transactions may impact all other audit results.

Cash Balance Audit

Period: Semi-Annually

Start Date: Following Each Continuing Report

If a committee has a discrepancy of \$100 or more within a report, or between the ending balance and beginning balance of subsequent reports, staff will contact the committee and ask for a resolution within 30 days. Committees identified through this audit could be subject to the standard settlement provided for in WIS. ADMIN. CODE ETH 26.02(8).

Corporate Contribution Audit

Period: Annually

Start Date: Following July Continuing Report

Once a year, staff audits CFIS for contributions to candidates, party committees, legislative campaign committees, or PACs from businesses to check for unlawful corporate contributions. We also audit for contributions labeled as coming from individuals containing business identifiers like “Corp,” “Inc,” or “LLC.” Committees that appear to have received unlawful contributions are contacted and asked to respond within 30 days. Committees identified through this audit could be subject to the standard settlement provided for in WIS. ADMIN. CODE ETH 26.02(10).

Lobbyist Contribution Audit

Period: Annually

Start Date: Following July Continuing Report

Once a year, staff compares a list of campaign contributions to partisan candidates with a list of registered lobbyists. If any matches are found, staff checks to see if the contribution was given before the lobbyist registered or after they surrendered their license. Staff also checks for returned contributions and attempts to eliminate false matches based on people with the same name from different cities. Lobbyists who appear to have made unlawful contributions are contacted and asked to respond within 30 days. Committees identified through this audit could be subject to the standard settlement provided for in WIS. ADMIN. CODE ETH 26.02(11).

Anonymous and Unitemized Transactions

Period: Annually

Start Date: Following July Continuing Report

Campaign finance law requires committees collecting non-anonymous contributions of any amount report the name and address of the contributor. Committees that appear to have received unlawful contributions are contacted and asked to respond within 30 days. Committees identified through this audit could be subject to the standard settlement provided for in WIS. ADMIN. CODE ETH 26.02(6).

Contribution Limits Audit – Spring/Fall

Period: Semi-Annually

Start Date: Following April after April Election/Following August after November Election

The campaign period for spring candidates runs until July 31. Therefore, the final report of the campaign period is the January Continuing Report of the following year. The campaign period for fall candidates runs until the first Tuesday in January. Therefore, the final report of the campaign period is the July Continuing Report of the following year.

After all reports from those periods are entered, and annual audits have been started, staff audit the campaign period for each office for violations of the contribution limits by individuals or committees. Staff conducts an annual audit of the \$12,000 annual contribution limit to parties and segregated funds at the same time as the audit of the spring election cycle from the previous year.

Committees identified through this audit could be subject to the standard settlement provided for in WIS. ADMIN. CODE ETH 26.02(9).

Name/Address

Period: Annually

Start Date: TBD

Campaign finance law requires committees collecting non-anonymous contributions of any amount to report the name and address of the contributor. The Commission adopted a process for this audit. The audit processes will be reported in subsequent annual reports.

Occupation Information Audit

Period: Annually

Start Date: TBD

The Commission adopted a process for this audit. The audit processes will be reported in subsequent annual reports.

Campaign finance law requires that committees must report the occupation of any contributor giving more than \$200 in a calendar year. The Commission adopted a process for this audit. The audit processes will be reported in subsequent annual reports.

Independent Expenditure Reporting/72 Hour Reporting Audit

Period: TBD

Start Date: TBD

For spring elections, after the July report is filed, the 72-hour reporting by candidates and parties can be compared to the committees' regular reports. For fall elections, this would be possible after the January report is filed. Staff is still developing a process to complete this audit. It will not be conducted until a process that is satisfactory to the Commission is approved. Any violations would be subject to the standard settlement provided for in WIS. ADMIN. CODE ETH 26.02(4) or (5).

Appendix H: Lobbying Auditing Schedule

Following the implementation of the Eye on Lobbying Database in 2012, Government Accountability Board staff developed procedures for regular audits of common campaign finance violations and lobbying activity. The Ethics Commission first reviewed and approved these procedures at its meeting on October 10, 2016. These procedures have continued to be reviewed on an annual basis and are updated as needed based on court decisions and legislative changes.

13.68 Principal's expense statement.

(1) STATEMENT. Every principal which is registered under s. 13.64 shall, on or before July 31 and January 31, file with the commission an expense statement covering the preceding reporting period. The statement shall be signed, under the penalty for making false statements provided in s. 13.69 (6m), by an individual identified under s. 13.64(1)(e) who is authorized to represent the principal. The statement shall contain the following information...

Start Date: Each Filing Deadline

Late 15-Day Report of Lobbying Interest Audit

13.67 Identification of legislative and administrative proposals and topics.

(1) Except as authorized under s. 13.621, no person may engage in lobbying as a lobbyist on behalf of a principal and no principal may authorize a lobbyist to engage in lobbying on its behalf unless the principal reports to the commission, in such manner as the commission may prescribe, each legislative proposal, budget bill subject and proposed administrative rule number in connection with which the principal has made or intends to make a lobbying communication or, if the lobbying does not relate to a legislative proposal or proposed administrative rule that has been numbered or a budget bill subject, each topic of a lobbying communication made or intended to be made by the principal. A principal shall describe any topic of a lobbying communication with reasonable specificity, sufficient to identify the subject matter of the lobbying communication and whether the communication is an attempt to influence legislative or administrative action, or both. The principal shall file the report no later than the end of the 15th day after the date on which the principal makes a lobbying communication with respect to a legislative proposal, proposed administrative rule, budget bill subject or other topic not previously reported by the principal under this section during the biennial period for which the principal is registered. The report shall be made by a person who is identified by the principal under s.13.64 (1) (e).

Previously, the Commission did not have the available resources to conduct audits of each lobbying principal and lobbyist's internal records. Staff has been auditing for 15-day reports

submitted after an SLAE deadline, which can be determined with certainty as being late. The Commission would also investigate any formal complaints related to late reporting. With the launch of the new lobbying website, the Commission now has the information needed to more accurately audit for late 15-day reports. These procedures will be reviewed in the near future.

Period: Each Required Statement of Lobbying Activities and Expenditures Report

Start Date: Each Filing Deadline

Late Payment of Lobbying Fees Audit

The Commission adopted a standard settlement for the late payment of lobbying related fees at its meeting on February 27, 2018, in accordance with § 13.75. The Commission must receive lobbying related payments from principals and lobbyists promptly.

Period: Continuous

Start Date: December 1, 2020

Unauthorized Lobbying Audit

§ 13.65 Lobbyist Authorization

A lobbyist or principal shall file a separate authorization for each principal represented by a lobbyist.

Staff conducts an audit to determine if lobbyists communicated more than the allowable four-day threshold before obtaining their authorization from the principal and paying the applicable fees.

Period: Each Statement of Lobbying Activities and Expenditures Report

Start Date: Each Filing Deadline

Appendix I: Complaints and Investigations Procedures

The procedures outlined below are intended to comply with and implement the statutes and administrative rules governing the processing and resolution of complaints filed with the Ethics Commission. Staff originally presented to the Commission an outline of proposed complaint procedures at its October 10, 2016, meeting. Following the advice and recommendations of the public and the Commission members, staff has revised the below procedures to better track the statutes and Commission recommendations. These procedures make use of the Complaint Tracking Database created in SharePoint, which contains separate tracking mechanisms for complaints and audits handled by Commission staff.

Complaint Intake

1. A complaint may be received on paper or electronically. When received on paper (mailed or in-person) Front Desk staff shall forward the complaint to the Commission Administrator (“Administrator”) and Staff Counsel (“Counsel”). Any other member of the staff that receives a complaint shall forward those to the Administrator and Counsel.

If the Administrator and Counsel are unavailable to receive a complaint filed in-person, a staff person receiving a complaint in-person should review the complaint to ensure it meets the applicable standards (see Step 2) and that all referenced exhibits are attached. If there appears to be any insufficiency, staff shall notify the person delivering the complaint of the insufficiency but keep possession of the original complaint.

2. Regardless of the form of the submission, the Administrator or Counsel shall determine whether it constitutes a sworn complaint. A valid complaint should:
 - a. List a named complainant with contact information;
 - b. List a named respondent with contact information;
 - c. Contain allegations of violations within the jurisdiction of the commission; and,
 - d. Be sworn under oath before a notary.
3. Complaints will be entered into the Complaint Tracking Database. The Ethics Commission portal of the Database is intended to track complaints under the Commission’s jurisdiction as well as submissions relating to matters outside of its jurisdiction.
4. If the submission constitutes a sworn complaint to be included in the Database, the Administrator or staff, at the direction of the Administrator, shall:
 - a. Create a record in the Complaint tracking list entering all required fields;
 - i. Complaint ID shall be entered in the form: YYYY-ETH-[3-digit sequential number] (e.g., 2017-ETH-001 for the first complaint of 2017); and,
 - ii. Required fields include Complaint ID, complainant, respondent, date received, and short summary of the allegations.

- b. Create a folder to store documents related to the complaint in the Complaints section of SharePoint under the respective year;
 - i. The folder shall be labeled with to the complaint ID assigned and the parties involved (e.g., 2017-ETH-001 Smith v. Johnson);
 - ii. If the complaint involves allegations against a local public official, the suffix “Local” should be appended to the folder name (e.g., 2017-ETH-001 Smith v. Johnson (Local));
 - iii. All documents received related to the complaint should be saved in the folder. Paper documents should be scanned and uploaded to the folder before being forwarded to Staff Counsel for retention; and,
 - iv. A redacted copy of the complaint should also be prepared and saved to the complaint folder. Staff should redact the name and contact information of the complainant and redact any indication of the complainant’s identity from the allegations of the complaint.
5. If the complaint alleges a violation by a local public official or candidate for local office, the Administrator or staff, at the direction of the Administrator, shall notify the complainant that the Commission’s established policy is to defer to the local district attorney in such matters and advise the complainant that they may wish to file their complaint with the local district attorney. A copy of such a notification should be saved in the complaint’s SharePoint folder.
6. The Administrator or staff, at the direction of the Administrator, shall notify the respondent for each valid complaint within 5 days of the complaint being received. Staff should update the SharePoint Complaint list with the date this notification is sent. A copy of the notification should also be saved in the complaint’s SharePoint folder. The notification should include:
 - a. A statement that a complaint has been filed against them and that they have 15 days from receipt of this notice to file a response if they wish to respond; and
 - b. An unredacted copy of the complaint.
7. If a response is received, staff shall save a copy of the response to the complaint’s SharePoint folder and update the SharePoint Complaint list with the date the response was received. Any hardcopy response should be scanned and saved to the complaint’s folder before being forwarded to Counsel for retention.

Complaint Processing

1. Any person may file a complaint if he or she believes a violation of Ch. 11, Ch. 13 Subch. III., or Ch. 19 Subch. III of the Wisconsin Statutes has occurred or is occurring.⁵ Neither the Commission nor any member or employee of the Commission, including the Commission Administrator, may file a sworn complaint.⁶
 - a. A complaint must comply with certain requirements. It **must**:
 - i. Provide the full name and address of the person filing the complaint (called

⁵ WIS. STAT § 19.49(2)(b).

⁶ WIS. STAT § 19.49(2)(a).

- the complainant); and
 - ii. Be signed and sworn.
 - b. In order for a complaint to be considered complete and proper, it **should**:
 - i. Clearly recite the facts that show specific violations under the Commission's jurisdiction (citations to the law and/or regulations are valuable);
 - ii. Clearly identify each person, committee or group that is alleged to have committed a violation (called the respondent[s]);
 - iii. Include any documentation supporting the allegations, if available; and
 - iv. Differentiate between statements based on the complainant's (the person who files the complaint) personal knowledge and those based on information and belief. Statements not based on personal knowledge should identify the source of the information.
- 2. The Administrator reviews each complaint to determine whether it states a violation within the jurisdiction of the Commission and satisfies the above criteria for a proper complaint. If the complaint does not meet these requirements, the Administrator notifies the complainant of the deficiencies.
 - a. Non-jurisdictional & Local Complaints
 - i. Within five (5) days of receiving a complaint, the Administrator or Staff Counsel shall determine whether the complaint involves a matter outside of the agency's jurisdiction or pertains to a local matter. In either case, the Administrator will assign a staff member to generate an email or letter advising the complainant: (1) that the agency does not have jurisdiction regarding the matter, and informing the complainant of any other governmental agency that may be able to assist with the matter, if that information is known; or (2) that the matter should be addressed to a District Attorney. Standardized communications may be utilized to resolve matters outside of the Commission's jurisdiction. Staff assigned to the matter shall attach the complaint and may attach the closing correspondence to the complaint record in the database.
 - b. Jurisdictional Complaints
 - i. Within five (5) days of receipt of a complaint that is within the jurisdiction of the Ethics Commission, staff will verify the receipt of the sworn complaint to the complainant and respondent. Before voting on whether to take any action regarding the complaint, other than to dismiss, the commission shall give each person receiving a notice an opportunity to demonstrate to the commission, in writing and within 15 days after receiving the notice, that the commission should take no action against the person on the basis of the complaint.⁷
 - ii. A respondent who is or intends to be represented by legal counsel should inform the Commission by sending a statement regarding the designation of counsel, including the name and address of the individual(s).
- 3. Initial Vote to Proceed (Reasonable Suspicion Inquiry)
 - a. Each complaint that is assigned to Counsel or other staff will be submitted to the

⁷ WIS. STAT. § 19.49(2)(b).

Commission with recommendations on whether there is "reasonable suspicion" that the respondent has committed or is committing a violation of the law.⁸⁹¹⁰ The Commission makes the final decision by voting for or against a "reasonable suspicion" determination or otherwise terminating the complaint. (Four affirmative votes are required to go forward with any enforcement action). In making this determination, the Commissioners may consider the complaint, the respondent's reply, available information on the public record and the staff's analysis and recommendations.

- b. If the Commission fails to find "reasonable suspicion" that a violation has occurred or is occurring with respect to all of the allegations, or if the Commission dismisses the matter for other reasons, the case is closed, and the parties involved are notified.¹¹ If, on the other hand, the Commission finds that there is "reasonable suspicion" that the respondent has violated or is violating the law, the Commission may either authorize an investigation via resolution or enter directly into settlement negotiations by the same.¹²
 - i. When a complaint is designated for settlement, the Administrator shall assign it to a staff member and/or Counsel for processing and resolution.
 - ii. If the complaint is designated for an investigation by resolution, the resolution shall specifically set forth any matter that is authorized to be investigated.¹³
 - iii. To assist in the investigation, the Commission may elect to retain a special investigator. If the Commission elects to retain a special investigator, the Administrator shall submit to the Commission the names of three (3) qualified individuals to serve as a special investigator.¹⁴
 - iv. If the Commission retains a special investigator to investigate a complaint against a person who is a resident of this state, the Commission shall provide to the district attorney for the county in which the person resides a copy of the complaint and shall notify the district attorney that it has retained a special investigator to investigate the

⁸ The assigned staff member or Staff Counsel shall analyze the facts and relevant law, and determine the proper outcome or resolution, consulting with the Administrator as necessary, and present those findings to the Commission.

⁹ "Reasonable suspicion" has been defined as "specific and articulable facts which, taken together with rational inferences from those facts, reasonably warrant that intrusion." *Terry v. Ohio*, 392 U.S. 1 at 21.

¹⁰ Reasonable suspicion findings indicate only that the Commission either found or failed to find sufficient legal justification to open an investigation to determine whether a violation of the law has occurred, and not a definitive determination that a respondent violated any provision of the law.

¹¹ WIS. STAT. § 19.50(2)(c) specifically allows for the release of "communications made to the attorney of an investigator, prosecutor, employee, or member of the Commission or to a person or the attorney of a person who is investigated or prosecuted by the Commission."

¹² WIS. STAT. § 19.49(1)(b) The Commission may compromise and settle any civil action or potential action brought or authorized to be brought by it which, in the opinion of the Commission, constitutes a minor violation, a violation caused by excusable neglect, or which for other good cause shown, should not in the public interest be prosecuted under such chapter.

complaint.¹⁵

Formal Investigation Procedures

1. The goal of the formal investigation stage is to determine whether the Commission can make a finding that probable cause exists to believe that one or more violations have occurred or are occurring, together with a recommended course of action.
2. Reports to Commission¹⁶
 - a. Special Investigators: Each special investigator who is retained by the Commission shall make periodic reports to the Commission, as directed by the Commission, but in no case may the interval for reporting exceed 30 days.
 - b. Administrator: If the Commission authorizes the Administrator to investigate any matter without retaining a special investigator, the Administrator shall make periodic reports to the Commission, as directed by the Commission, but in no case may the reporting interval exceed 30 days.
3. Investigation Review¹⁷
 - a. During the pendency of any investigation, the Commission shall meet for the purpose of reviewing the progress of the investigation at least once every 90 days. The special investigator or the Administrator shall report in person to the Commission at that meeting concerning the progress of the investigation. If, after receiving a report, the Commission does not vote to continue an investigation for an additional period not exceeding 90 days, the investigation is terminated at the end of the reporting interval.
 - b. The Commission shall not expend more than \$25,000 to finance the cost of an investigation before receiving a report on the progress of the investigation and a recommendation to commit additional resources.
 - c. The Commission may vote to terminate an investigation at any time. If an investigation is terminated, any complaint from which the investigation arose is deemed to be dismissed by the Commission.
 - d. The Commission may close any complaint, at any time, for other cause within its discretion.
4. Probable Cause Determination¹⁸
 - a. Unless an investigation is terminated by the Commission, at the conclusion of each investigation, the Administrator shall present to the Commission one of the following:
 - i. A recommendation to make a finding that probable cause exists to believe that one or more violations have occurred or are occurring, together with a recommended course of action.
 - ii. A recommendation for further investigation of the matter together with facts

- iii. supporting that course of action.
 - iii. A recommendation to terminate the investigation due to lack of sufficient evidence to indicate that a violation has occurred or is occurring.
 - b. At the conclusion of its investigation, the Commission shall, in preliminary written findings of fact and conclusions based thereon, make a determination of whether or not probable cause exists to believe that a violation has occurred or is occurring. If the Commission determines that no probable cause exists, it shall dismiss the complaint.¹⁹
 - i. Whenever the Commission dismisses a complaint, or a complaint is deemed to be dismissed for other reasons, the Commission shall immediately send written notice of the dismissal to the accused and to the party who made the complaint.
 - ii. The Commission shall inform the accused or his or her counsel of exculpatory evidence in its possession.
5. Post-Probable Cause Finding
- a. If the Commission finds that there is probable cause to believe that a violation has occurred or is occurring, the Commission may authorize the Administrator to do one of the following:²⁰
 - i. File a civil complaint against the alleged violator.
 - ii. Request the assistance of special counsel to file a civil complaint and prosecute the action brought by the Commission. If the Administrator requests the assistance of special counsel with respect to any matter, the Administrator shall submit to the commission the names of three (3) qualified individuals to serve as special counsel. The Commission may retain one of the individuals to act as special counsel.
 - iii. Refer the matter to an appropriate district attorney or Attorney General.²¹
 - b. If a special investigator or the Administrator, in the course of an investigation authorized by the Commission, discovers evidence outside the scope of the original investigation or jurisdiction of the Commission, the Commission may thereupon authorize the investigation of the additional conduct or if outside the jurisdiction of the Commission, refer the matter to an appropriate district attorney or the Attorney General.²²

Post Complaint Action

1. Throughout the processing of the complaint, the assigned staff member or Staff Counsel shall document the status and significant information regarding the complaint in the Complaint Tracking Database. This shall include completing the data fields indicating the status of the complaint, the source of the complaint, the subject category, and subcategory

¹⁹ WIS. STAT. §§ 19.49(2)(b)7 and 8.

²⁰ WIS. STAT. §§ 19.49(2)(b)5 and 9.

²¹ WIS. STAT. § 19.49(2)(b)13 and 14 provide special procedures should a district attorney decline to prosecute a potential violation.

²² WIS. STAT. §§ 19.49(2)(b)11 and 12 provide the procedures for amending and authorizing the review of matters outside the original investigation and the referral of matters outside the Commissions jurisdiction respectively.

of the complaint, forfeiture and resolution information, and any additional comments. The dismissal letter, settlement agreement, or other communication resolving the matter may be attached to the complaint record in the Database. Assigned staff or Staff Counsel shall also be responsible for maintaining the electronic and paper files for said complaints.

2. The Administrator shall review the status of open complaints on at least a bi-weekly basis to monitor the progress of complaint resolution. The Administrator or designated staff member shall also prepare a summary report for each Commission meeting regarding the status of complaint files that are open or that have been closed since the previous Commission meeting.

Appendix J: Commission Chair and Vice-Chair Terms and Vacancies

Officer Positions of the Ethics Commission

Wisconsin Statutes require the Commission to select a Chair. The process for selecting a Chair for the Ethics Commission is governed by WIS. STAT. § 15.06(2)(b)2. which reads:

The chairperson of the ethics commission shall be chosen from the members appointed under s. 15.62(1)(a)1. to 4. by affirmative vote of at least two-thirds of the commission members at the commission's first meeting every 2 years. The chairperson shall serve a 2-year term. The first chairperson shall be chosen from the commissioners affiliated with the same major political party. The major political party from which to select the first chairperson shall be determined by lot. The 2nd chairperson shall be chosen from the commissioners affiliated with the other major political party. Each subsequent chairperson shall be chosen from the commissioners affiliated with the 2 major political parties on a rotating basis.

The Chair of the Ethics Commission is responsible for leading each meeting of the Commission.

The Ethics Commission also established an officer position of Vice-Chair, to be selected from the opposite party of the Chair. The Vice-Chair is responsible for signing the minutes of each meeting of the Commission. The Vice-Chair may also lead a meeting of the Commission during a temporary absence of the Chair.

The Chair and Vice-Chair are jointly responsible for determining the agenda of each Commission meeting, in collaboration with the Administrator.

Terms of Commission Officers and Procedures for Addressing Vacancies

The Ethics Commission has established that each party will retain the position of Chair or Vice-Chair for a full two-year term. The Commission unanimously approved the following terms for the Commission Chair and Vice-Chair at the June 19, 2018, Commission Meeting. The Chair and Vice-Chair will serve a two-year term. Each term shall begin on July 1 of even numbered years, and end June 30 in the next even numbered year. After each term, the parties will switch retention of officer positions. Upon a vacancy in either the Chair or Vice-Chair positions, the Commission shall elect a successor to serve out the remainder of the term from the members appointed by the same party.

Appendix K: Administrative Suspension of Registrants

The Ethics Commission is required by WIS. STAT. § 19.47(9)(a) to report adopted policies to the appropriate standing committees of the Legislature under WIS. STAT. § 13.172(3). At its December 5, 2017, meeting, the Ethics Commission unanimously adopted the following to establish internal policies and procedures for placing registrants (e.g., campaign committees and lobbying principals) on an administrative suspension status in order to minimize the requirements of staff to continually attempt to contact non-responsive registrants. Nothing in this policy affects the registration effectiveness or rights of any registrant.

Administration Suspension Policy

It is the policy of the Ethics Commission to place on administrative suspension any registrant who violates any provision of Chapter 11 or subchapter III of Chapter 13, who fails to subsequently respond to Commission communications regarding that violation, and where further attempts to contact the registrant are reasonably expected to be futile. Commission staff shall make reasonable efforts to find new contact information by consulting available data sources before placing a registrant on administrative suspension.

If Commission staff has been unsuccessful in contacting a registrant over a period of at least six consecutive months, staff need not continue to send a notice to the registrant regarding any violations that may continue to occur while on administrative suspension. Commission staff shall document any such violations by a registrant but need not include such registrants in their regular audits and subsequent reports to the Commission. This policy does not relieve a registrant of the duty to file reports when due or other obligations under state law.

If a registrant who is placed on administrative suspension subsequently is located by Commission staff, or contacts Commission staff to return the registrant to active status, the registrant may be returned to active status if requested, but the Commission shall be notified at its next meeting so as to consider taking appropriate action on any violations that may have accrued by the registrant while on administrative suspension.

Commission staff shall maintain a list of methods of contact to utilize before placing a registrant on administrative suspension and document all attempts to contact a registrant regarding placing them on administrative suspension. Commission staff shall report to the Commission at the next regular meeting any registrants placed on administrative suspension since the last report.

Appendix L: Agency Report Pursuant to Wis. Stat. § 230.215(4)- Flexible-time Work Schedules; Additional, Part-time Positions; and Other Alternative Work Patterns

Flexible-time Work Schedules

Due to the small staff size of the Commission, flexible scheduling is approved on an informal basis by the Commission's Administrator. The Commission's flexible scheduling includes options to work non-standard shifts if the employee can do so while complying with applicable employment laws. Additionally, the Commission's flexible scheduling includes the option for "flex time" in which an employee may work a longer number of hours on a day(s) during a pay period and "flex off" hours or even a whole day during that pay period.

Currently, several staff members use a non-standard, 5-day per week, schedule. Some members of staff may begin work before normal business hours begin and leave before the close of business. Other staff members may begin work after normal business hours begin. They would work appropriate hours after the close of business. Additionally, at least one staff member works a schedule involving 4, 10-hour, workdays per week. That individual then "flexes off" one day per week. Due to the small size of the Commission's staff, this flexible arrangement has worked well for staff and is easy to adjust as needed.

Appendix M: Delegation of Authority to Issue Standard Settlements

The Ethics Commission is required by WIS. STAT. § 19.47(9)(a) to report adopted policies to the appropriate standing committees of the Legislature under WIS. STAT. § 13.172(3). At its December 8, 2020, meeting, the Ethics Commission unanimously adopted the following as permitted by WIS. STAT. § 19.49(2)(b)10. to authorize the administrator to issue standard settlements pursuant to WIS. ADMIN. CODE ETH 26. Nothing in this policy affects the rights of any person.

The Commission hereby delegates the authority to offer standard settlements pursuant to ETH 26 to the Administrator as follows:

- The Administrator may offer settlements for late reports or late payment of fees once the deadline has passed. Any extenuating circumstances can be submitted as an appeal. Every appeal will be presented to the Commission at its next regularly scheduled meeting.
- For any other audit, the Administrator may offer settlements only if the person, committee, or principal:
 - Does not respond within 30 days, or
 - Admits the violation.
- If a response is received that disputes whether a violation occurred or requests the Commission's consideration, no standard settlement will be issued by the Administrator. The matter will be considered by the Commission at the next regularly scheduled meeting.
- If the Administrator has any doubt as to the resolution of a potential violation found in an audit, the matter will be presented to the Commission for its consideration at the next regularly scheduled meeting.
- The Administrator may only offer settlements with an aggregate financial component of \$2,500 or less. If the standard settlement schedule provides for a settlement with a financial component in excess of \$2,500, the matter must be referred to the Commission.

After this delegation, staff will use the following process:

- Staff will notify the person, committee, or principal of a potential violation.
- Staff will present the findings and response, if received, to the Administrator.
- The Administrator will decide consistent with the delegation above whether the matter should be considered by the Commission. If not, the Administrator may offer a standard settlement on behalf of the Commission.
- If the Administrator offers a standard settlement, the Administrator may direct staff to draft the settlement agreement and send it to the person, committee, or principal.
- Any settlement offered by the Administrator will be logged and tracked by the staff member conducting that audit.

- The Commission will be advised of all settlements offered by the Administrator as follows:
 - If a settlement is offered, accepted, and the matter is closed between regularly scheduled meetings, staff will prepare a memo that will apprise the Commission of the identity of the party to the settlement, the nature of the settlement, the amount of the settlement, the date the settlement was offered, and the date the settlement was closed.
 - If a settlement is offered but is not accepted before the next regularly scheduled Commission meeting, the settlement will be included in the Outstanding Settlements memorandum presented in Closed Session.

Anyone who receives a settlement offer from the Administrator may appeal. All appeals will be decided by the Commission. An appeal will be presented to the Commission at the next regularly scheduled meeting.
